BETROTHAL ANNOUNCED

On Wednesday afternoon, from four until six Mrs. D. A. Newton entertained with a Musicales-Tea, honoring her daughter Miss Agnes Newton, and made it the occasion for announcing the latter's engagement and approaching marriage to John McNeill of Valley Mills, Texas.

The reception rooms were decorated in green and pink, carnations, zinnias, crepe Myrtle and ferns being used most effectively to carry out the scheme. The dining table was laid in Russian filet lace over green satin and was centered with a mass of pink carnations and tall green and pink tapers. Mrs. L. E. Miller and Mrs. E. T. Fairman poured iced chocolate and iced tea during the hours while the other tea dainties were passed by Misses Ruby Lee Dickerson, Garetta Little, Pauline Dalton and Rachel Johnson.

The musicale program consisted of a solo by Miss Myrna Miller, a violin number "Humoresque" by Mr. Henry Cryer, a reading by Miss Cynthia Cora Rushing of Joaquin and a dance by little Natalie Berry. Throughout the hours an orchestra rendered soft and appealing music. The announcements were passed as if they were programs for the musicale by Miss Vera Berry. The marriage will take place on Tuesday morning, September 4th.

Rev. Hugh Moreland and family returned from Bowser, San Saba County, where he closed a revival meeting. He reports 11 conversions and 12 come into the Methodist and Baptist churches.

Mr. and Mrs. Roy Rowntree and children left the first of this week for a months visit with Mr. Rowntree's parents in Kentucky.

THE NAZARENE REVIVAL

Our revival begins next Sunday, the 9th, at eleven o'clock. The first service will be held in our own church Sunday morning, but we will move to the Christian Tabernacle for the Sunday evening service where the meeting will be conducted throughout the following ten or twelve days.

We are planning to have radio connections so that some of the services may be broadcast over the Goldthwaite Eagle radio station KGKB on a wave length of 280.2 meters. We have secured C. V. Spell of Dallas to lead us in song and invite all who sing to be with us and help to make the occasion worth while and to the betterment of Goldthwaite and surrounding country, and especially do we invite all who play instruments to be with us and take part in the making of the music. Spell is a good singer.

It has been understood that evangelist Ralph C. Gray was to conduct the revival, but we are having to give him up on account of other engagements. The church has asked the pastor to do the preaching, which we will do unless God's providence provides otherwise. And all God's people are especially invited to cooperate with us in the meeting to make it a real success in reaching and interesting the people of our town and country who are unsaved and need God. And we assure you that your presence and help in this meeting will be appreciated for we want to make it so co-operative that all will feel at home, and if any are saved in this meeting and desire to unite with other churches shall have the chance to do so at the close of the meeting, for we want to benefit the town and country spiritually, morally and socially.

Remember the date and place given above. Services twice daily, 10 a. m. and 8 p. m. The opening sermon for the revival will be preached Sunday morning will be from the subject, "The Conditions and Equipment for the Revival." The subject for Sunday evening will be "The Avenger of God and the Enemy of Sin." Monday evening the subject will be "Sin and Its Three-fold Effect."

**KGKB LISTENERS GET
REAL MUSICAL TREAT**

On last Tuesday night the listeners of KGKB had the pleasure of listening to the Brantley brothers of Brownwood, Texas, as they entertained for an hour and a half with Hawaiian music. These young men are real artists and many of the listeners of the station say they are the best that have ever broadcast over this station. Mr. Campbell Brantley plays the steel guitar and Oscar Brantley picks the common guitar.

They will broadcast over this station again on Sunday afternoon, August 25th. So if you have a radio be sure to tune in on this program and if you have not a set be sure to get one before that date. Any one around KGKB will be glad to figure with you on a new set.

Miss Bernice Harris returned to the Waco Home, after a three week's visit with Rev. H. E. Moreland and family.

Rev. Hugh Moreland will leave Friday to hold a meeting in the Cat Claw community.

STRANES-KEMPER

On Tuesday morning, August 14, the marriage of Miss Alta Kemper to Mr. Homer J. Starnes was solemnized at the home of the bride's sister, Mrs. Grover Dalton.

The living room and dining room of the home were decorated with bouquets of Zinnias in the pastel shades. A mass of ferns, surmounted by festoons of myrtle, formed a background for the altar. In front of this was a white arch from which hung a large white wedding bell with pastel streamers. On either side of the altar was a tall basket of white zinnias. Pink candles and rose colored lights threw a soft glow over the scene, while as long as the music was played two yellow canaries almost burst their throats in happy song.

After the guests had arrived an appropriate program was rendered by friends of the bride. Miss Nettie Newman of Santa Anna played "Love's Old Sweet Song" as a piano solo. Miss Newman's gown was of coral-pink ornamented with rhinestones. After this Miss Pauline Dalton recited "That Old Sweetheart of Mine," by Riley, accompanied at the piano by Mrs. Fred Martin. Miss Dalton wore a peach crepe romaine with deep insets of point lace in the skirt. Mrs. Martin's dress was of apricot taffeta with bouffant skirt. Mrs. Fred Martin and Mrs. F. P. Bowman sang the lovely "Bridesmaid's Duet" by Ryan. Mrs. Bowman's gown was a close fitting princess model of beige changeable taffeta.

As Mrs. Martin struck the first chords of Mendelssohn's "Wedding March" all eyes turned toward the door from which the wedding party came. Rev. Ira Dmace slowly led the way to the altar. He was followed by the tiny ring-bearer, Richard M. Burgess, Jr. The ring-bearer wore a suit of black velvet with a white crepe de chene blouse. He carried a large white lily on a silver stem. Inside the lily was the wedding ring. The ring-bearer was followed by the pretty little flower girl, Clara Marjorie Bowman, who wore a coral pink crepe-Elizabeth dress, and scattered rose petals before the bride. Then came the bride leaning on the arm of the groom. The bride, who wore a chin-chin blue dress which reflected the radiant blue of her eyes, carried a bouquet of tiger lilies and rose buds. The bride's dress was an ensemble trimmed in wide cream silk lace. Her beige hose and light kid slippers blended perfectly with the lace trimming of her dress. As soon as the bridal procession had come to a stop the music was changed and "Souvenirs," by Dilla, was softly played during the ceremony. After the benediction everyone rushed up to congratulate the bride and groom. The bride led the way to the dining table where, amid a wreath of cut flowers and a shower of pasted streamers, the wedding cake was cut. After the bride had cut the first piece of the cake, each girl tried her luck for the dime, thimble, ring and button. Punch and wedding cake were served to all the guests.

After refreshments were served the bride and groom changed their costumes and left immediately for a two week's honeymoon trip to Arizona, New Mexico and Colorado. This time the bride wore a going away suit of pink tweed with a blue felt hat and a blue handkerchief. They left amid

OSCAR CALLAWAY

—TO BEAT—

R. Q. LEE

IN THIS RACE FOR CONGRESS

WHO IS OSCAR CALLAWAY?

Oscar Callaway was reared on a farm ten miles South of Comanche where he still resides. He is the oldest of a family of six brothers. He worked his way through high school, and the University of Texas, and then helped four of his younger brothers through college. He has given six of his nieces and nephews a college education.

Mr. Callaway served his county as County Attorney when he first got out of school. From 1910 to 1916, he represented the 12th District in Congress, making a nationwide reputation as an economist in his fight against useless appropriations to improve rivers that could not be made navigable, known as the "Pork Barrel" graft.

In 1916 Callaway resumed his residence on his farm, and in the last twelve years, has made a notable success as a farmer and sheep and goat raiser. He owns one of the choicest flocks of sheep of about 2000 head in West Texas.

Callaway has proved to be and is a successful Congressman, a successful farmer and stock man, and a successful lawyer. He is absolutely honest. He is fearless and forceful in his advocacy of any measure he believes in. His six years service in Congress fits him immediately to render you efficient service, without having to go through with two or four years necessary to break in a new man.

Who is R. Q. Lee?

R. Q. Lee, of Cisco, Mr. Callaway's opponent, says in a circular he sends out:
 "Vote for R. Q. Lee, because he is a successful merchant, banker and railroad president *****" We have investigated his record as a "Railroad President," the only one he left a written record of, and we charge that that record shows him to be unworthy of trust, and absolutely unfit to hold the great office of Congressman.

The Facts

Lee and his associates, organized the Cisco and N. E. R. R. in 1920 running from Cisco to Breckenridge and Lee was elected President of the road at a salary of \$1000.00 per month. The stock was sold out to local people and friends of Mr. Lee, who subscribed for it as a community enterprise. Lee took seventy-five shares. There were 4041 shares of \$100.00, par value each, sold. He operated the road for six years and never paid a dividend and those owning the stock thought little of its value.

On September 13, 1926, R. Q. Lee, made a written contract with the T. P. R. R. Co. by which he sold 2591 1/2 shares of the stock for one-hundred cents on the dollar, or par. At the time he made this contract, Lee owned 1074 shares of stock, and had in his possession 1517.5 shares of stock for which he was agent. Lee originally owned seventy-five shares.

On December 21, 1926, the Interstate Commerce Commission approved this contract, but further provided in the order if the T. P. Ry. bought any more of the stock, they must pay one-hundred cents on the dollar for it, and also provided that the railroad must immediately be extended to the town of Throckmorton.

R. Q. Lee, concealing said sale from his stockholders, in January, February and March, 1927, went or sent his emissaries among his stockholders and

represented to them that he had an opportunity to sell the stock for fifty cents on the dollar, and bought the majority of the stock at that figure. Many stockholders do not know even yet, that they were swindled out of half of the value of their stock.

Lee's man bought \$5000.00 of the stock from A. J. Olsen of Cisco, on Feb. 14th, 1927. About the same time he bought \$5000.00 worth of stock from J. H. Ball of Abilene, \$5000.00 worth from N. N. Rosenquest of Eastland; \$5000.00 worth from E. Sid Curry of Abilene, all for fifty cents on the dollar. There was about \$200,000.00 worth of this stock outstanding, when the Commission approved the sale. It is fair to assume that Mr. Lee and his agents got the most of it. They therefore got about \$100,000.00 of the stockholders' money.

Every share of the capital stock which Lee bought, or permitted any other person to buy, after the 13th day of Sept., 1926, for less than par, was a fraud on the stockholder. Every share of stock that Lee or his men bought after that date, or permitted any other person to buy, without informing them that the stock had already been sold for 100 cents on the dollar, was a breach of trust which the stockholders had confided to Lee when they elected him president.

WE FURTHER CHARGE that after the Interstate Commerce Commission had made its order requiring the T. & P. Ry. to extend it to Throckmorton, that R. Q. Lee concealed that fact from the citizens of Throckmorton county, and represented to them that they would have to raise a \$50,000 bonus in order to secure the road; and that they did raise the money, and paid it to R. Q. Lee in ignorance of the order.

Is R. Q. Lee A Democrat?
 Mr. Lee, you advertise in your circulars that you have been a life long Democrat. If that is true, why did you ap-

ply to Giles Garner, then chairman of the Republican party in Stephens county, and postmaster at Breckenridge, in 1897, and ask him to assist you in getting the appointment at Caddo as Postmaster, which appointment you held until Woodrow Wilson was elected in 1913, when you were kicked out in order to make room for a Democrat? We charge that you voted against Woodrow Wilson in 1912, and again in 1916, voting Republican ticket, the same as you had always done. Isn't it true that you never in your life voted for a Democratic candidate for president? It is also true that you served as Precinct Chairman for the Republican organization for many years at Caddo, under C. C. Littleton as district chairman?

Is Lee a Successful Banker?

You advertise yourself as a successful banker and business man. We challenge this statement. It is a fact, is it not, that you were president of the Cisco Banking Co. for one year, and during that year all stockholders were assessed one hundred cents on the dollar to save said institution, and at the end of that year you went out as president! It is also a fact, is it not, that you were president of the Bankhead Poultry Association, for a year or more, during which time you run the association in debt over \$1,700.00 which was paid off by the town of Eastland, after they rescued the association from your hands?

Isn't it a fact that you are now a stock holder and have formerly been a director in the T. P. R. R. Company?

R. Q. Lee has never studied, has had no experience with and knows nothing of governmental problems, and is now too old to learn. If you send Lee to Congress, would he conceal from you the facts he learned there and sell you out for fifty cents on the dollar?

"ACROSS TO SINGAPORE" COMING TO THE DIXIE

Ramon Navarro, hero of "Ben-Hur" and many other famous plays, comes to the Dixie Theatre Monday and Tuesday, August 20 and 21 in his latest screen success, "Across to Singapore." The new Metro-Goldwyn-Mayer production, directed by William Nigh, is a dramatic romance of the high seas, laid aboard the old clipper ships, New England and the mysterious Orient.

Navarro plays a young sailor, one of three seagoing brothers, who, in an amazing tangle of love and adventure, figures in desperate runs across the Pacific, mutiny and other graphic details incidental to a charming love story.

A notable cast supports the star, Joan Crawford, heroine of "West Point," "Spring Fever" and "Twelve Miles Out," is the heroine of the new sea drama. Ernest Torrence, Edward Connelly, Frank Currier, James Mason, Dan Wolheim, Duke Martin, Aqua May Wong and others of note are in the cast.

Much of the picture was taken aboard the famous old clipper "Narwahl," which sailed for several weeks on a Pacific cruise, during which the sea action, including a terrific storm, a mutiny and an attack by Oriental gangsters and pirates was filmed. The Singapore scenes are elaborate, including a famous resort of sailors in the "melting pot of the Orient," in which practically every nationality on the face of the earth is seen.

Mr. and Mrs. Grover Stephens of San Saba spent the first of the week here with Mrs. Womack.

Bell County Endorses Henry Taylor for District Attorney

In this campaign for District Attorney, J. W. Thomas has submitted to you an endorsement signed by eight Bell County citizens.

In this connection I desire to call your attention to the following facts: In the first primary I carried Rogers, the former home of both Thomas and myself, by 111 votes. Belton, the present home of both of us, gave me 135 more votes than Thomas. I beat him in Bell County 1263 votes. In the county he carried 11 boxes; I carried 37.

Which endorsement is the more forceful?

This is the judgment of those who have known us longest and who know us best.

Respectfully submitted,

HENRY TAYLOR

WHEREVER Summer trails may lead

Swift, eager miles—smooth, soaring mastery of the hills—all the keen satisfaction of driving a car that fairly out-performs all its past records, is yours with the *new and better* Texaco Gasoline.

For the *new and better* Texaco is a true product of modern science—a gasoline formulated and produced to meet exact, scientific specifications, and available everywhere.

With the *new and better* Texaco, the action of the carburetor alone is sufficient to vaporize it completely. At all engine-speeds it forms a dry gas, free of every trace of wetness, a perfectly blended mixture of gasoline vapor and air, it flows freely and swiftly from carburetor to spark. Combustion, whatever the compression, is smoothly progressive and complete.

Wherever you are — wherever you go — this summer you can enjoy the advantage of the *new and better* Texaco Gasoline. It is sold at all pumps displaying the Texaco Red Star with the Green T.

NET
A net gallon is an amount of gasoline which will fill a standard 5-gallon gasoline can to the top of the spout, under normal conditions of temperature and pressure.

You use the vapor—
but you buy the liquid

When you drive up to a filling station you ask for "gas." And correctly, too. It is the gas—the vapor of the gasoline and not the liquid which gives the power.

The better the gasoline—the better it vaporizes—and the more power it produces.

The *new and better* Texaco Gasoline vaporizes perfectly. It forms a dry gas. Full power—real "Pep"—mileage.

Try Texaco today. There's a difference.

What has gasoline to do with lubrication?

Everything. The *new and better* Texaco Gasoline forms a Dry Gas. It burns completely. No "heavy ends" are left in the cylinders to dilute the oil film, break the seal, enter the crankcase and destroy the lubricating value of the oil.

"Take-a-chance" oil in the engine sends many a good car to the scrap heap before its time has come.

That's why it is so important to use a full-bodied motor oil—a highly refined oil—like **TEXACO**, the clean, clear, golden motor oil.

We are supporting Oscar Callaway for Congress. "THERE ARE REASONS."

He is FEARLESS, COMPETENT, EXPERIENCED. His interests are identified with the farmers and stockmen of this District, everything he possesses being invested in lands, sheep, cattle and goats. He is an actual farmer and stockraiser, a successful lawyer and an experienced legislator.

His ability as a lawyer is recognized throughout Texas, he lives on and operates his own farm and ranch, and he has seen six years service in the American Congress.

Mr. Callaway's opponent, Mr. Lee, advertises himself as a railroad president, and that is the only thing of moment which has been proved on him. Why should the people of the 17th District, pre-eminently a farming and stockraising District, send a railroad man to Congress?

The railroads are the only considerable interest in the District now guaranteed a profit on their investment. The Interstate Commerce Commission, a creature of Congress, fixes the freight rates that guarantee the profit—freight rates which the average people have to pay. Again we ask, WHY SHOULD THE 17TH DISTRICT SEND A RAILROAD MAN TO CONGRESS?

When Mr. Callaway left Congress in 1916, he held two of the most important Committee assignments in Congress and had been elected to the Judiciary Committee. This is a record seldom attained in so short a service. If we elect Callaway to Congress, HE CAN BEGIN SERVING US AS SOON AS THE RETURNS ARE IN.

If there ever was a time when we needed in the American Congress men of unquestioned courage, seasoned ability and with Interests and Sympathies Identified with the Common People, THAT TIME IS NOW. In Callaway we have such a man.

THEN WHY EXPERIMENT?

OBITUARY

William Roy Pearson was born near Leander, Williamson County, Texas September 7, 1902 and was almost instantly killed Saturday, August 4, 1928 near Bartlett, Texas by the explosion of a gas tank. Funeral services were conducted at Leander, Texas Sunday, August 5th. He was married October 31, 1920 to Miss Jossie Spinks of Mills County, in which place he made his home for a number of years preceding his marriage and until the spring of 1922.

We know not why God saw fit to call this young husband and father, but we have the blessed assurance that "we'll understand it better by and

by." The large attendance of friends from Bartlett, Austin, (which was his home) and Leander, and the beautiful floral offering best bespeaks the love and admiration held for this young man. Deceased leaves to mourn his going his wife, three little daughters, Mae Eyelyn, Annetta and Louise Pearson, also parents, grandparents and several brothers and sisters, besides other relatives and friends. To the grief stricken we offer our sympathy and condolence in this sad hour. May they live true to Jesus day by day so when they are called up higher they will meet their loved one on the golden shore where all tears and grief is o'er.

Be it resolved by the Legislature of the State of Texas: Section 1. That Section 51, Article 3, of the Constitution of the State of Texas be amended so as to read as follows:

"The Legislature shall have no power to make any grant or authorize the making of any grant of public moneys to any individual, association of individuals, municipal or other corporation whatsoever; provided, however, the Legislature may grant aid to indigent and

disabled Confederate soldiers and sailors under such regulations and limitations as may be deemed by the Legislature as expedient, and to their widows in indigent circumstances under such regulations and limitations as may be deemed by the Legislature as expedient; to indigent and disabled soldiers who, under special laws of the State of Texas, during the war between the States, served in organizations for the protection of the frontier against Indian raids or Mexican marauders, and to indigent and disabled soldiers of the militia who were in active service during the war between the States, and to the widows of such soldiers who are in indigent circumstances, and who are or may be eligible to receive and under such regulations and limitations as may be deemed by the Legislature as expedient; and also grant for the establishment and maintenance of a home for said soldiers and sailors, their wives and widows and women who aided in the Confederacy, under such regulations and limitations as may be provided for by law; provided the Legislature may provide for husband and wife to remain together in the home. There is hereby levied in addition to all other taxes heretofore permitted by the Constitution of Texas, a State ad valorem tax on property of seven (\$.07) cents on the one hundred (\$100) dollars valuation for the purpose of creating a special fund for the payment of pensions for services in the

Confederate army and navy, frontier organizations and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, organizations or militia; provided that the Legislature may reduce the tax rate herein levied, and provided further, that the provisions of this section shall not be construed so as to prevent the grant of aid in cases of public calamity."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on

the first Tuesday after the first Monday in November, A. D. 1928, at which all ballots shall have printed thereon "For the constitutional amendment authorizing aid to Confederate soldiers and sailors and their widows in indigent circumstances, and authorizing tax levy therefor," and "Against the constitutional amendment authorizing aid to Confederate soldiers and sailors and their widows in indigent circumstances and authorizing tax levy therefor." Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote

on the proposed amendment. Sec. 3. The Governor shall issue the necessary proclamation for said election and have same published as required by the Constitution and laws of this State. The sum of \$5000.00 or so much thereof as may be needed is hereby appropriated for the expense of publication of said amendment.

TO THE READERS OF OUR PAPER

We have at least secured for one of the greatest little policies that has ever been put on the American Market. After careful consideration and investigation of this Company, we have secured the contract to handle this policy for our readers and for the listeners over our station KOKB. We find that the Great American Casualty Company is licensed and is under the supervision of the Insurance Department of the State of Texas, and that the Company can at all times pay any and all claims under this special offer. To some of you who will read this it may appear that the policy cannot be issued for this amount. That would be true if this Company only handled one policy, but they carry all lines of health and accident insurance and this is a medium of advertising to get real policyholders for their general line of insurance. As a rule, people will not read big ads on insurance or when a salesman calls on them stating he is selling life insurance, they will at once tell him that they have plenty. But this campaign is to give salesmen in the territory a chance to meet new business and advertise their company with this little policy in a way that when they are in your vicinity stating that they are with the Great American Casualty Company you will immediately know who the Company is. You will notice elsewhere in the paper the ad listed by them which offers to you one of the greatest little policies on the market. This policy will pay for loss of life, sight, limb or time. They have to pay their claims in the manner specified in the policy because it stands to reason that if they would not pay for accidents that may happen to you in this manner, how could this Company sell or try to sell you any other kind of policy? It pays them to pay you quick-

ly and promptly on all claims. Furthermore they also pay you a weekly indemnity for loss of time at the rate of \$10 per week. It is better to have \$10 weekly coming in than nothing. Your cost on this little policy is only \$2.00 per year. That is the total cost to you. You can carry this each year for the same amount. Although they may discontinue the sale of the policy which you have bought you may renew and carry your policy until the age of 70 years, and will have what another man cannot buy, and the hazards are growing greater each and every year. We are mighty glad to have this opportunity of offering you this great protection through our paper and over the air.

BROWNWOOD LIONS MEET AT FAIR PARK AT GOLDTHWAITE

Last Tuesday night the members of the Lion's Club of Brownwood held their regular monthly meeting at Fair Park here. At this meeting they had forty or fifty Goldthwaite men and women as invited guests. Judge J. C. Darroch, formerly of Goldthwaite, but now a citizen of Brownwood, who had charge of the arrangements for the meeting, knew Goldthwaite folk, so he said: "Bring your own knife, fork and spoon." This not only brought the cutlery—but also the people to use it. Barbecue, pickles, potato chips, onions, etc. was served to about 40 Brownwood citizens and those of Goldthwaite. After this, the Lion's called their members to order and transacted their business—very courteously calling on a number of Goldthwaite men to speak. The desirability of an organization of Lions at Goldthwaite was stressed by the secretary of the Brownwood lodge. This seemed to meet with the approval of the visitors. After the conclusion of the business, ice cold watermelons were served.
