FOREIGN MARKET FOR AUTOMOBILE GROWING

Detroit, Mich.—Automobile leaders here at this time are paying special heed, in their surveys of 1929 market trends, to export aspects of the industry, conscious of the fact that overseas trade has been growing consistently until it stands today third in the list of American exports with a valuation of four hundred and six millions of dollars.

This is regarded as significant, coming as it does with the industry entered upon its final quarter of what promises to be the greatest year in the history of the domestic market with no decrease in home demand expected during 1929.

Far from viewing with complacency the gigantic forward strides made in foreign markets since 1921, the consensus of expert opinion adheres to the view that the expert business is still an infant—a giant infant which promises a mighty growth. Rehabilitation of Europe, the betterment of road conditions all over the world, the establishment of American manufacturing methods are among the reasons assigned for a view of foreign market is decidedly optimistic.

Last week, H. J. Klingler, general sales manager of the Chevrolet Motor Company, world leader in domestic and foreign sales, issued a statement in which he predicted that America will be exporting 1,000,000 cars annually within the next few years.

Explaining his forecast, he said: "One million American made cars will be shipped overseas and sold in the next few years. Today there are up-

wards of 29,505,475 motor vehicles in the world, and of this number 23 million are in use in the United States. I feel that this is altogether out of proportion. The United States has only about 1-20th of the world's population and on only a fraction of its habitable land. Yet it owns 80 per cent of the motor vehicles in the world.

"General Motors Export, applying American methods of manufacture, distribution and credit, has gone a long way in the last few years to make the world motor minded. For instance, Chevrolet cars and the trucks are now being sold in 104 countries from Iceland in the north to New Zealand in the south, and each of these cars is serving as an ambassador of the superiority of the American product. Each is educating the world at large of the advantages of economical transportation that cannot be surpassed.

"During the first six months of this year General Motors Export reports the sale of 57,808 Chevrolet passenger cars and 50,542 trucks as compared with 38,594 passenger cars and 32,799 trucks for the first six months of 1927. This increase in the export trade has been reflected generally. Figures for the first eight months covering the entire American export field show an increase of 36 per cent over 1927.

"The home market will always remain the backbone of the industry. The prospect of a rapidly expanding volume of foreign trade supporting the excellent outlook for domestic business seems to indicate that the automobile industry is entering the greatest period of its history."

ROCK SPRINGS

We had our B. Y. P. U. program Sunday night.

CENTER POINT

Editor Eagle:

As there has been no news from this community in some time, it's time you should be hearing from us. We are still on the map and intend to stay.

Bro. J. C. Gibbons preached for us Sunday morning and Brother Moore, pastor of the Goldthwaite church preached Sunday afternoon. This was the last Sunday of the Conference year. Bro. Gibbons was our pastor for two years. We have enjoyed him and his wife with us and wish them blessings wherever they may go.

Our school started last Monday with Prazier Henry as the principal and Miss Elizabeth Mills and Mrs. Alfred Johnson in the primary and intermediate department.

Little Miss Jane Steinmann made her appearance in Mr. and Mrs. Emil Steinmann's home on the 10th of October.

Brother Gibbons and wife dined with Miss Bessie Hutelings Sunday.

Mrs. Kate Sheiton and child ren took dinner with Mr. and Mrs. J. O. Taylor Sunday.

E. T. Davis and wife and Mr. and Mrs. Will Harmon were Sunday visitors in the Joe Spinks home.

Next Saturday night and Sunday will be Bro. Hay's appointment. Everyone come out to church.

DR. SEWELL'S BROTHER FATALLY WOUNDED

Dr. Sewell received a message Monday night at midnight that his brother at Georgetown had been fatally wounded, being accidentally shot.

The editor has been unable to get information concerning the details as Dr. Sewell left Georgetown for Georgetown.

LANGLITZ-SEVIER

Last Sunday evening at about seven o'clock Collie Sevier and Miss Ida Langlitz were united in marriage. Rev. O. O. Moore, pastor of the Methodist church here, performed the ceremony at the Methodist parsonage.

Mrs. Sevier is a daughter of Mr. and Mrs. A. C. Langlitz of this city. She has been a resident of this city for several years and has a host of friends here. She is now bookkeeper at the W. T. Keese Grain Store.

Mr. Sevier was reared in Mills County. He served in the late World War and has been actively engaged in Legion matters since. For the past few months he has been assistant to Postmaster A. J. Harrison.

The happy couple will continue to reside in Goldthwaite and will retain their present positions. The Eagle joins their many friends in offering them congratulations and best wishes.

QUEEN-LEVERETT

Last Monday evening at 8:00 o'clock W. D. Leverett and Miss Sue Nora Queen were united in marriage at the Methodist parsonage, Rev. O. O. Moore, pastor of the Methodist church performing the ceremony.

Mrs. Leverett is the granddaughter of Mr. and Mrs. D. Y. Fox of this city. She was reared in Goldthwaite and has a host of friends here whom she has won on account of her charming personality and her pleasing disposition.

Mr. Leverett is a son of Mr. and Mrs. W. D. Leverett of the Lake Merritt community. He was born and reared in this county, where he has a great number of friends. At present he holds a position with the United States Gypsum Manufacturing Company at Sweetwater, Texas.

After the first of November they will make their home in Sweetwater.

The Eagle offers congratulations and best wishes to this happy and popular young couple for a long and happy wedded life.

OWNERS OF BUSES TO CARRY INSURANCE

Failure to carry indemnity and liability insurance by bus owners leaves them liable to cancellation of their licenses. Mark Marshall, chief of the motor bus division of the Railroad Commission said, Thursday. This has been found necessary because of the laxity in providing for the safety of the patrons Marshall said.

GRIZZLY CLAWS YELLOWSTONE MAN

Livingston, Mont., Oct. 23.—Knocked down and severely clawed by a grizzly bear, Bert Merrifield of Melt, Mont., an assistant caretaker at the Canyon Hotel in Yellowstone National Park, was recovering today from his injuries. More than 300 stitches were taken in the gashes inflicted by the animal.

Merrifield had gone to an outbuilding near the hotel for some gasoline when he met the grizzly which, standing on its hind legs, knocked him down with one sweep of the paw. Unarmed, Merrifield decided to remain motionless until the bear left. The animal stalked off after clawing its victim about the face, head and left leg.

During the park session the grizzlies are fed regularly, but after the park closes the feeding is stopped and they frequently become ferocious.

SEEK TO CURE RADIO PHONOGRAPH NOISES

Shreveport, La., Oct. 23.—The city council, seeking to muzzle annoying radio and phonograph noises, Tuesday adopted an ordinance on first reading which proposes to forbid the operation of radio sets and phonographs which can be heard more than 200 feet away. Mayor Thomas explains the purpose of the ordinance is to eliminate annoyances such as have been caused, he said, in many of the residential sections, by loud radios and phonographs, causing sick people to be disturbed by radio enthusiasts who "fail to regard other people."

L. R. CONRO RECOVERS AUTOMOBILE STOLEN IN SEPT.

Last September thieves broke into Little & Sons store and stole several hundred dollars worth of clothing and then stole L. R. Conro's Chevrolet to haul their loot off. Officers had been working on the case since, but no clue of any importance had been uncovered until Wednesday, when Deputy Faubin, Lometa, discovered Mr. Conro's car deserted in a pasture near Lampasas. The car had been stripped of two tires and other accessories, and indications were that it had been abandoned the same night it was stolen. Several pairs of pants with Little & Sons mark on them were discovered at the car and others have been uncovered near Lometa. Officers are still working on this new lead and are hoping to nail the culprits within the next few days.

DR. SWANGER ATTENDS ASSOCIATIONAL MEET

Dr. R. A. Swanger, as a member of the National Board of Examiners, left the first of the week to attend the National Board and Association of Universal Chiropractors at San Antonio.

The Association is in session three days, beginning October 24th and ending Saturday.

Mrs. Mabel Duncan of San Francisco California, visited Mrs. Claude Dickerson this week.

Motor Cars of the Future will be low, slender, graceful, like the NASH "400" today

NASH has achieved tomorrow's motor car vogue in the Nash "400," today.

Every line and contour of the new Salon Body style suggests the fleet, clean-cut profile of the thoroughbred. The "400" models are big, roomy cars, but without excess bulk, smart cars without exaggeration. They're low, slender, and graceful.

You only need to compare the appearance of the "400" to that of the other

new cars of the year, to know definitely that you would rather have the Nash. You only need to drive the "400"—to steer it, park it—to know that here is, exactly the kind of a car you've always wanted to own. Its new Twin Ignition performance and ease-of-handling are easily the year's most important additions to the pleasure-of-motoring.

We'll give you the key to any model you care to drive. Then, we'll leave it to you!

**Nunn-Bush**

DEAR SIR:—

The new Nunn-Bush shoes for fall and winter are here. Swanky styles for the young man; refined styles for those who are a little more conservative in their tastes

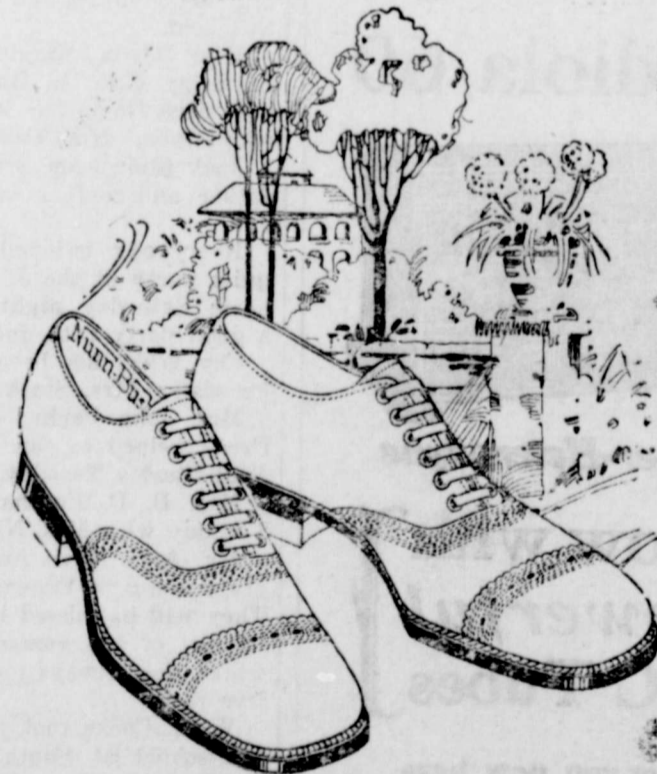

**Nunn-Bush**  
Ankle-Fashioned Oxfords

The ANKLE-FASHIONED feature in Nunn-Bush oxfords is something that is appreciated by well dressed men. It is a careful method of "hand-tailoring" which assures a trim, snug fit around the ankles.

Nunn-Bush shoes are not made by hurrying piece workers. Only salaried craftsmen are employed, who make these shoes as fine as they can be made

It pays to buy Good shoes. Come in and look them over.

Expectantly yours,

# WHEREVER Summer traits may lead

Swift, eager miles—smooth, soaring mastery of the hills—all the keen satisfaction of driving a car that fairly out-performs all its past records, is yours with the new and better Texaco Gasoline.

For the new and better Texaco is a true product of modern science—a gasoline formulated and produced to meet exact, scientific specifications, and available everywhere.

With the new and better Texaco, the action of the carburetor alone is sufficient to vaporize it completely. At all engine-speeds it forms a dry gas, free of every trace of wetness, a perfectly blended mixture of gasoline vapor and air, it flows freely and swiftly from carburetor to spark. Combustion, whatever the compression, is smoothly progressive and complete.

Wherever you are—wherever you go—this summer you can enjoy the advantage of the new and better Texaco Gasoline. It is sold at all pumps displaying the Texaco Red Star with the Green T.

**WET**  
A wet gas is an atomized mixture of gasoline vapor with liquid drops of raw gasoline. These drops, resisting the action of the spark, make starting difficult and cause an uneven and sluggish power-flow.

**DRY**  
The new and better Texaco Gasoline vaporizes completely. It forms a dry gas—a perfect mixture of gasoline vapor and air which responds immediately to the spark, providing maximum power from all cylinders.

You buy the LIQUID but you use the VAPOR

Don't just ask for "Motor Oil"

"Take-a-chance" oil in the engine sends many a good car to the scrap heap before its time has come. That's why it is so important to use a full-bodied motor oil—a highly refined oil—like TEXACO, the clean, clear, golden motor oil. We have the right grade for your car.

What has gasoline to do with lubrication?

Everything. The new and better Texaco Gasoline forms a Dry Gas. It burns completely. No "heavy ends" are left in the cylinders to dilute the oil film, break the seal, enter the crankcase and destroy the lubricating value of the oil.

You use the vapor—  
—but you buy the liquid—

When you drive up to a filling station you ask for "gas." And correctly, too. It is the gas—the vapor of the gasoline and not the liquid which gives the power. The better the gasoline—the better it vaporizes—and the more power it produces. The new and better Texaco Gasoline vaporizes perfectly. It forms a dry gas. Full power—real "Pep"—mileage. Try Texaco today. There's a difference.

If you aren't using the new and better Texaco Gasoline now, it's high time you started. In every particular it is a "high test" gasoline. Starts easily, responds like a flash, and is there with plenty of power. Best of all, it is easy on the valves and forms a very minimum of carbon.

**ART AND CIVIC CLUB**

Ms. Harry Allen added a pleasant hospitality to Thursday's social calendar when she was hostess to the Art and Civic Club.

The home decorations were beautiful home grown cut flowers of the season, roses being used in the living room with the exception of the dining table which was graced with brought a wagon load of gifts colored geraniums and long fern fronds.

A very helpful program was led by Mrs. Roy Rowntree on Customs and Conventions, using for the day's motto, "Seek elegance rather than luxury, and refinement rather than fashion." Following the lengthy business session an inspirational paper prepared by Mrs. Haynes Harrison was read by Mrs. Walter Fairman.

The round table discussion on Practical and Impractical Conventions and Customs occasioned many exchanges of ideas which are sure to prove useful to these women who are striving to study the University Course in Social Psychology to prepare themselves for greater usefulness in the homes and community.

At the conclusion of the program little Harriet Allen brought in a wagon load of gifts as an expression of love from the members of the club to Mrs. James Lewis, formerly Mrs. Bina Oquin, who recently married.

A song by Mesdames F. P. Bowman and Fred E. Martin was especially rendered for Mrs. Lewis.

The club feels that these little tokens are very small com-

pared with her usefulness and loyalty to the club throughout the years. Mrs. Lewis plans to make her home in Brownwood soon and the club will feel the loss of one of its best members and her place will be hard to fill.

A dainty ice course was served to members and Mrs. Lois Reeves of Waco.

The Self Culture Club met October 11 and after the interesting program was completed, the demonstration of setting a breakfast was a delightful surprise. The program was:

HOOVER BRANDED

Peek Proves That Candidate Was Responsible for Low Price of Wheat.

BORAH "EITHER IGNORANT OR GUILTY OF FRAUD"

CHICAGO—Senator Borah either is ignorant of Herbert Hoover's record or is "willfully guilty of fraud" in his campaign speeches to Western farmers, George N. Peek, noted farm leader and former chairman of the Industrial Conference Board of the Department of Commerce, has charged in a telegram to Dr. Hubert Work, chairman of the Republican National Committee.

Mr. Peek, who is active in behalf of Governor Smith because of the Governor's stand on the farm relief question, directly challenged the truth of Senator Borah's statements and the claims of the Republican campaign managers. He said: "I realize that I am insisting upon a good deal when I demand fairness and facts from the Republican National Committee and its spokesmen, judging from the claims made in Mr. Hoover's behalf."

"Senator Borah in his address at Minneapolis raised a serious question of veracity as between himself and Mr. Hoover.

"Senator Borah asserts that Mr. Hoover held up the price of wheat. Moreover a large part of the Republican campaign among the farmers is built on this claim. This is fraud.

"The records prove that if wheat had not been 'controlled' the price would have risen, as did the price of other cereal crops that were not controlled. It would have advanced, as corn advanced and as oats advanced, and would have sold for at least \$3.48 a bushel.

"I say that Mr. Hoover used every effort in his power to keep down prices, and I submit in proof of this assertion Mr. Hoover's own words.

Held Prices Down  
"Early in April, 1919, Mr. Hoover from Europe addressed a cablegram to me, from which I now quote:

"If the control of wheat were removed during the next two or three months in the face of the world situation, prices in this commodity would advance materially beyond the present level. I wish to repeat that unless some superior force intervenes, we intend to hold the price of wheat to the figures it has stood at during the entire war under Congressional guarantee."

"On May first, 1918, Mr. Hoover, then Food Administrator, in a public address declared:

"I agree with the contention of some farmers that they would be getting \$5 and perhaps \$16 a bushel for their wheat if it had not been for the restraint imposed by the Government."

"I repeat that either Senator Borah and other Republicans leaders are wholly ignorant of the 'record' which Senator Borah so persistently quotes, or he or they are guilty of fraud.

"I insist that you and other Republican leaders inform Senator Borah, other speakers and the public whether the cable from Mr. Hoover in 1919 or the claims of Republican leaders now as presented in the campaign textbook and in the public statements of Republican speakers are a fraud.

"Somebody is not telling the truth. The public will be interested in knowing who it is."

In a speech in New York City, on April 22, 1920, reviewing the work done by his Food Administration, Mr. Hoover said:

"The Grain Corporation was successfully managed by Mr. Barnes. In 1917 the wheat price was \$2.20 per bushel. The farmers could have obtained \$5 per bushel."

Gov. Smith Convinces Big Business Men That Farm Prosperity Will Aid Industry

That Governor Smith, in his determined stand in behalf of agriculture, has already accomplished great things for the farmer becomes more apparent every day.

Governor Smith is convincing the important business men of the East that prosperity of agriculture means as much to them as it does to the farmer himself. The indifference of the East to farm legislation is disappearing. For eight years the business interests of the East in general have accepted Herbert Hoover's belief that agriculture's gain would be industry's loss.

Governor Smith has undertaken to show them how essential it is to increase the prosperity of the farmer, and thus to increase the buying power of one-third of the national population for manufactured products.

Announcing his support for Governor Smith, Owen D. Young, Chairman of the General Electric Company, said:

Protestants Lead  
Smith Appointees

Conclusive proof that Governor Smith has never been controlled by political or religious influences is found in his appointments as Governor of New York.

Statistics made public by Secretary of State Moses reveal that a great majority of the Governor's appointees are Protestants and that there are twice as many Republicans as Democrats in his Cabinet.

The Governor's Cabinet is comprised of 10 Protestants, 3 Catholics and 1 Jew. Of these 8 are Republicans, 4 are Democrats and 2 are Independents.

Of 25 State Department appointees, 14 are Protestants, 10 are Catholics, 8 are Democrats, 3 are Independents and 1 is a Democrat.

Of 156 other state officers whose appointments require the approval of the Governor, there are 105 Protestants, 33 Catholics, 11 Jews and 7 undesignated. In every case, regardless of all other considerations, Governor Smith appointed the person he thought best fitted for the office.

BIGOTRY A BLUNDER

Hamilton Fish, Jr., Warns Hoover That Republican Success Is Jeopardized.

WASHINGTON.—Hamilton Fish, Jr., Republican representative from New York, has warned Chairman Work of the Republican National Committee, that the injection of the religious issue into the campaign by accredited Republican speakers will result in a clean sweep of New York and the Eastern states by Governor Smith.

Calling on Mr. Hoover, Mr. Fish told the Republican presidential candidate that he was "so disgusted with such political blunders" as are being committed by the Hoover campaign managers that he contemplates abandoning his speaking tour in the East.

The Republican representative said he "informed Mr. Hoover that Republican leaders committed a stupid political blunder by forcing the nomination of Ambassador Houghton," which "would endanger the entire ticket and alienate labor and the World War veterans, and jeopardize the entire Republican ticket. The failure of the Republicans to nominate a single World War veteran... will be resented by the rank and file."

Mr. Fish advised that Mrs. Willebrandt and all others who are appealing to bigotry, be silenced "before irreparable harm has been done to the Republican ticket."

McLEAN HITS INTOLERANCE

RALEIGH, N. C.—A vigorous campaign for the election of Gov. Smith is being made throughout North Carolina by Governor A. W. McLean. Attacking religious intolerance, he said:

"I am ready to defend the right of Governor Smith and every other man or woman, whether Catholic or Protestant, to worship God in his own way.

"I am for Gov. Smith because I believe he is in every way qualified to fill the office of President."

CHURCH DEcriES BIGOTRY

The Rev. Dr. Hugh K. Walker, moderator of the General Assembly of the Presbyterian Church, is censured in an editorial in this week's Presbyterian, national church paper, for his call upon Presbyterians to support Hoover.

"On this farm problem, we must affirmatively move, because staying here will spell disaster. I believe in Governor Smith's capacity to lead the American people to action.

"I am supporting Governor Smith because I believe in his willingness and his capacity to put the farmers of this country on an equality with its industry. I am tired of hearing of farm relief as though the farmers of this country, as a class, to whom all my people belong, are the kind of men who stand with their hats in their hands begging alms in the shape of Government doles.

"They ask for an equality of economic opportunity, and they are entitled to it. Not only must they be given it politically because it is right, but they must be given it from an economic standpoint if the prosperity of this country is to continue."

NEW YORK TICKET  
IMPRESSES  
NATION

Candidates Named by Governor Smith—Not One Affiliated With Tammany.

ROOSEVELT SUPPORTED BY REPUBLICAN PRESS

A distinctly favorable reaction to the nomination by the Democratic party of Franklin D. Roosevelt for Governor of New York State is perceived by political observers in almost every State of the Union.

Nobody in New York has any doubt that he will be elected. One of the most able and most highly respected figures in the history of American politics, he is said to be sure of the largest majority ever received by a candidate for Governor. His presence on the Democratic ticket, coupled with the fact that he is one of Governor Smith's closest friends, leaves the Hoover forces without hope in the Empire State.

But what is of greater significance, since no well-informed person has ever doubted the Governor's ability to carry his own State, is the reaction to Mr. Roosevelt's candidacy in the West and South. His consent to become the nominee, at Governor Smith's request, has made ridiculous the "Tammany cry" with which Republican campaign managers have attempted to influence voters in the districts unfamiliar with the Governor's record.

Tammany Not Represented  
Mr. Roosevelt has never been affiliated with Tammany Hall, nor any other political machine. In fact, not a single candidate on the State ticket, which was in actuality named from top to bottom by Governor Smith, has any connection with Tammany.

New York Republican leaders acknowledge that, unlike their own candidate who is linked with the big power interests, Mr. Roosevelt is invulnerable to attack. A distinguished official of the Wilson Administration, in which he served as Assistant Secretary of the Navy, and the Democratic candidate for Vice President in 1920, he consistently refused to run for Governor until pressed to do so by Governor Smith.

One significant reaction to Governor Smith's choice of a man of such character and reputation to succeed him at Albany is the defection of two strong Hoover newspapers in New York, the Sun and the Telegram, both of which announced editorially that they would support the Democratic candidate for Governor.

To Preserve Smith Ideals

WARM SPRINGS, Ga.—Explaining why he had consented to be drafted by the party leaders of New York state, after his previous refusal to accept the nomination for Governor, Franklin D. Roosevelt said:

"It was because they felt and I felt that the whole splendid structure of government built up by Governor Smith and all the high ideals of service to the people which he had established were in peril that caused me to accept the nomination.

"That is something too important to let any personal considerations weigh in the slightest. I am in this fight not to win personal honor, but for the carrying forward of the policies of Governor Smith."

Wilson Urged Kin To Support Smith

WASHINGTON.—President Wilson in 1918 urged his relatives to vote for Alfred E. Smith, who was then a candidate for Governor of New York, and to work for his election.

The incident was described to friends by Mrs. Rolfe E. Bolling, a sister-in-law of Mrs. Wilson, who now resides in Washington.

"Mr. Bolling and I called on President and Mrs. Wilson during a Red Cross drive in the late summer of 1918, when we were living in New York. President Wilson asked if I had registered. I replied in the negative, explaining that we had not done so because we thought Mr. Smith was the candidate of Tammany Hall.

"I will never forget how he looked at me and said in a very serious tone:

"Go tomorrow and register and work and vote for Mr. Smith."

"We did," added Mrs. Bolling, "and I feel that in voting for him again this year we are obeying almost a solemn injunction."

Famous Authors for Smith  
Forming the Authors' Committee for Alfred E. Smith, 147 noted writers, many of them Republicans, have pledged themselves to write and speak in behalf of the Democratic presidential candidate.

BAPTIST CHURCH

Naturally we looked for a good day last Sunday. The services went beyond our expectation. We had 195 in Sunday school, some of the classes being 100 per cent. We had two fine congregations at both preaching hours, and five additions to the church. The choir was at its best and the congregational singing could not have been better.

It doesn't matter whether a man preaches much or not—if he has good singing people will come to church. There is nothing that can bring heaven closer to men than good singing. God will honor every one who uses his voice in carrying the "gospel message" in song.

Out of the goodness of the hearts of Dr. Wilson and his staff of workers, our services were broadcasted over KGKB. We wish to thank them for the interest they take in our work, and pray their efforts will be crowned with success.

Let's everyone be on time next Sunday Sunday school at 10 a. m., preaching services at 11 a. m. and 7:15 p. m.

Look in next week's paper for announcements about our services for Sunday, November

NERVES  
Went to Pieces

"I suffered a long time, before I tried Cardui," says Mrs. Lillie Pruitt, 130 "K" St., Anderson, S. C.

"I was badly run-down in health. My nerves 'went to pieces', and I had to go to bed. I got so bad off, I could not bear to have anybody walk across the floor of my room. The least little thing upset me. Sometimes I became hysterical. I had bad pains in my back and sides, and my head and limbs would take spells of aching, which almost set me wild.

"One day I saw where a woman, who had a trouble like my own, had been relieved by Cardui. I decided at once to try it. It began to help me from the very first. I took Cardui regularly, for several months, and my improvement was so remarkable my family and friends were delighted." Try Cardui for your troubles. At all drug stores.

### SOPHISTICATED SOPHS

There isn't much news this week now that six weeks tests are over and every one has settled down to the coma that surrounds them after tests. We get our report cards this week. Some will be glad and some will be sad, depending upon whether or not they applied themselves to the task of getting up their lessons and making good grades on tests. The Parent-Teachers' Ass'n are going to give a big party on the Court House lawn Friday night. Let's all go and have a good time.

### CHAPEL PROGRAM

Last Friday under the direction of Mrs. Stringer, the following program was enjoyed by all:  
Piano Solo—Mary Ellen Trent.  
Reading—Bernadine Rudd.  
Song—Maadia Wilson and Belva Obenhaus, accompanied on the piano by Miss Adiel Wilson.

Mrs. D. Newton returned home yesterday from a few day's visit with her daughter, Mrs. John McNeill, at Valley Mills. Mrs. McNeill taught English in high school last year and was loved by all. We are very glad to hear that Mrs. McNeill is happy in her new home and hope that when she visits in Goldthwaite that she will come to the high school.

J. E. Bohannon, Jr., an ex-student of G. H. S., visited school Friday and attended the football game. J. E. is attending Daniel Baker College and is making an excellent record.

### EDITORIAL STAFF

Editor in Chief: Maadia Wilson  
Assistant Editor: Beatrice Hendry  
Business Manager: Minnie Cody  
Department Editors:  
Sports—Carene Ducey.  
Humor—Marvin Rudd.  
Senior—Bernadine Rudd.  
Junior—Annagene Johnson.  
Soph—Hildagene DeWolfe.  
Freshmen—Letha Ola Burks.

### HALLOWE'EN CARNIVAL

Witches, goblins, spooks, ghosts, Jack o' lanterns and cats will be found at the Court House lawn Friday night, Oct. 26 at six o'clock. Every one come to the carnival Friday and help put over Hallowe'en as it should be. Candy, pop corn and cold drinks will be on sale.

### EAGLES WIN OVER LOMETA

The Eagles played Lometa Friday for the second time this season and came out victorious again with a final score of 13-0.

A large crowd of fans was out to watch the local boys "do their stuff" on the local field. Cheer after cheer rose from the crowd as the Eagles ran off brilliant plays, Johnson and Evans doing most of the ball carrying for the Eagles.

The Eagle line-up was changed slightly and Coach Stringer seemed well pleased with the result.

Head, Brown, Harvey and Smith worked wonderfully well, and showed promise of becoming really valuable play-

ers. Evans, Johnson and Ducey carried the ball over the line for touchdowns.

### GIRLS BASKETBALL TEAM WINS OVER LOMETA HIGH

The Goldthwaite basketball girls played a game with Lometa Thursday afternoon on the local court. Both teams were in excellent shape for the contest, but the Goldthwaite girls managed to outpoint the Lometa squad 27 to 5.

The local girls were never in danger of losing the game as the first quarter ended with the Goldthwaite girls enjoying a 22 to 0 lead over their rivals.

This was the first game of the season, and with many games to be played, the girls feel sure they will be ready to win the county basketball tournament when the time comes to play for the champion ship.

Goldthwaite used the following line-up to beat Lometa:

Forward—Minnie Cody.  
Goal—Estelle Doggett.  
Jump Center—Mary Alice Weathers.  
Run Center—Maadia Wilson.  
Guard—Myrtle Crawford.  
Guard—Jesse Neal, Pearl Hale.

### NOTICE!

I am still in a hospital in Los Angeles, but expect to be home to attend to my business affairs at an early date.

**TRIGGER MOUNTAIN COMMUNITY CLUB**

The community club met with the 4-H club on the night of October 5th. Because of the rush of cotton picking, we did not have much of a program prepared. Our president was absent and the house was called to order by the secretary.

We elected officers for the coming year which will be as follows:

President—Mr. Meize.  
Vice-Pres.—A. A. Reynolds.  
Secretary—Eva Vaughn.  
The program consistents are Belle Reynolds and Eva Vaughn.

The clubs will meet again and render programs on the night of November 2nd. Come and see what they have.

—REPORTER.

**FERTILIZER PAYS BIG PROFITS**

Six bales of cotton on five Whitmire of Madison County by the use of 5,500 pounds of 9-6-3 fertilizer costing \$75.00. The bales of cotton seed are worth \$660, making a net profit above cost of cultivation and fertilization of \$542. At a field meeting on this plot arranged by the county agent and attended by 47 farmers, Mr. Whitmire pointed out that his success was due to breaking, proper cultivation and heavy fertilization. A five acre check plot, unfertilized, produced only 1 1/4 bales of cotton and 1 1/2 ton of cotton seed all of which was worth only \$140.00.

**GOOD COWS PAY WELL**

Milk enough to pay for their own feed, food for a family of six and to pay the family gasoline and clothing bill is the achievement of five registered and three grade dairy cows on the farm of J. G. Sanderson in Cottle county, who told the county agent that with only a small cotton crop in view and a hospital bill to pay the cows are real lifesavers.

**NEED GLASSES?**

Dr. Jones, the eye man, will be in Dr. Campbell's office on Saturday, October 20. See him about your eyes, headaches and glasses.

You are invited to see the ghosts of your friends on Friday evening October 26 at 8 o'clock at J. I. Stewart's, Caradan, Texas.

J. V. Cockrum and B. F. Geeslin visited in Brownwood Wednesday.

**TO THE COLLEGE DROP OUTS**

There may be any number of reasons why it was impossible for you to continue your college work this year. If you are one of those who had to drop out for any reason whatever, are you going to hoist the white flag and acknowledge defeat? Not on your life you are not. If you give up now you are defeated.

Why not do this: enroll immediately with us for an all-around business course. We have a very special proposition to offer as many as fifty young men and women if quick action is taken which will enable you to pay for your course with the use of your course. A special plan has been consummated to help young ambitious boys and girls, young men and women through our school. If you should want to go on to the university or some other school of higher learning the work done here in most cases will be recognized, and with your business training you may work your way through the university or if you prefer will be placed by our Employment Department in a position as quickly as you graduate.

You can complete a business

course here with a small outlay of money and your success is almost as sure as the rising of the sun. By enrolling immediately you will almost be ready for a nice position by the first of the year.

Write your name on the coupon below and send it to us quick. Our special plan will enable us to accommodate only a limited number.

**RELIEF FROM CURSE OF CONSTIPATION**

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies which attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough movement without forming a habit

or even increasing the dose. Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store.

Jim Tomlinson, Miss Beula Tomlinson and Miss Maurice Jones of San Saba were visiting in Goldthwaite Sunday.

Mrs. J. V. Cockrum left Sunday for El Paso, to attend the Grand Chapter of the O. E. S. as a representative of the Goldthwaite Chapter. She is expected in next Sunday morning.

Miss Lois (Pete) Keese spent last week-end in Dallas.

**Are You Overdoing?**

Overwork Throws a Heavy Burden on the Kidneys.

OVERWORK, rich foods and stimulating drinks put extra burdens on our kidneys. When the kidneys slow up, impurities remain in the blood and are apt to make one languid, tired and achy, with dull headaches, dizziness and often nagging backache. A common warning is scanty or burning secretions.

Use Doan's Pills. Doan's, a stimulant diuretic, increase the secretion of the kidneys and aid in the elimination of waste impurities. Are endorsed by users everywhere. Ask your neighbor!

THERE'S a reason why the users of Purina Poultry Chows have eggs for sale when prices are highest. Purina Poultry Chows are made by an organization that's had 34 years experience mixing poultry feeds. Purina has the machinery to mix Poultry Chows thoroughly. Purina has the experimental farm to test Poultry Chows practically. Purina has the chemists and biological laboratory to prove Poultry Chows scientifically. That's why Purina Poultry Chows are rich in the very stuff that eggs are made of. That's why Purina Chicken Chowder and Purina Hen Chow build up a reserve that keeps the birds laying all winter—and paying all winter. Order Purina today.

**THE ONLY WAY TO WIN**

It takes a little courage  
And a little self-control  
And some grim determination,  
If you want to reach the goal  
It takes a deal of striving,  
And a firm and stern-set chin  
No matter what the battle,  
If you really want to win.

There's no easy path to glory,  
There's no rosy road to fame,  
Life, how'er we may view it,  
Is no simple parlor game:  
But its prizes call for fighting,  
For endurance and for grit;  
For a rugged disposition  
And a "don't - know - when  
to quit."

You must take a blow or give  
one -  
You must risk and you must  
lose,  
And expect that in the struggle  
You will suffer from the  
bruise.  
But you mustn't wince or falter  
If a fight you once begin;  
Be a man and face the battle—  
That's the only way to win.
