PLANS FOR COUNTY FAIR ARE BEING FORMULATED

A Catalog Is Forming Very Rapidly

Every indication points to one of the most successful fairs in the history of the organization at this place.

The fair catalogue is now in process of building and will be ready for distribution in the very near future. The copy was turned over to the printers last week and Tuesday morning Messrs. W. P. Weaver and Dow Hudson undertook the work of securing the advertising to make the catalogue possible. The business men of the town were very liberal and prompt in co-operating with the plan and in a very short time the advertising was secured and delivered to the printers, to be included in the book. Thus, everything is in readiness for issuing the catalogue as soon as the printing can be accomplished.

Much praise is due Messrs. Weaver and Hudson for their unselfish and patriotic work in this particular and every citizen interested in the fair should appreciate their services in this matter.

MISS ALTA GRAY TO MARRY WEDNESDAY, JUNE 25

Miss Alta Gray of Goldthwaite will be married to Mr. L. C. Jameson, Jr., of Talpa, on Wednesday, June 25. The marriage will be quietly solemnized.

Following the ceremony the bridal couple will leave for points of interest in South and East Texas. They plan to return to Talpa about July 6, and will be located at their home on Jameson's ranch, two miles from Talpa.

Miss Gray, daughter of Mr. and Mrs. Wilford Gray, is one of Goldthwaite's most attractive and talented young ladies, having finished Goldthwaite High school in three years at the age of sixteen. She attended Baylor University and has completed her junior work. For the past four years she has taught in each of the following schools respectively: Crews, Valera, Talpa and Coleman. Miss Gray has accepted the position as principal of Talpa High school for the next term. She is also a teacher of expression and violin, and has had wonderful success in these lines along with her school activities.

GOOD RAINS

Mills county has been blessed with good rains lately and the prospects now are for crops above the average. Corn is looking fine and doing as well as could be wanted, while cotton is growing nicely, where it was planted before the rains, while that of recent planting is coming up to a good stand. Small grain is being harvested this week and the yield is expected to be much better than was indicated a month ago. Some of the grain will not make a full crop and much of it will, doubtless, not reach beyond a half a crop, yet that is far better than was thought possible a few weeks ago.

The people of Mills county have no reason or just cause for complaint over either crop prospects or general conditions. While wool and mohair did not bring a satisfactory price, the growers of this county received as much as those of other sections, while the clips were well up to expectations.

Taken all in all, every thing is lovely in good old Mills county, Texas.

Depot Mail Boxes Ordered Placed

Congressman Blanton Gets Results

Several months ago the Lions Club took up the matter of having mail boxes placed at the depot, in order that mail originating after the closing of the post office in the afternoon might be forwarded on the night trains, without delay, as well as mail desired forwarded on the day trains, where it could not be placed in the postoffice within the required time. Communication was had with Congressman R. Q. Lee by the Lions club, while Postmaster A. J. Harrison, co-operating in the movement, communicated with the postal department at Washington, endorsing the request. In due time the Lions club and the postmaster received the information that the railway postal service did not endorse the plan; therefore, the application was rejected.

When Congressman Thos. L. Blanton was elected recently the Lions club renewed the request through him and in response to the letter he wired that he had taken the matter up with the proper authorities and on Tuesday of this week Secretary W. C. Barnett of the Lions club received the following telegram, sent at the Congressman's expense:

Washington, D. C., June 10, 1930.
Hon. W. C. Barnett, Secretary Lions Club, Goldthwaite, Tex.
Have finally succeeded in persuading the Department to install East and West mail boxes at the Goldthwaite railway depot. Boxes will be installed ready for service in about two weeks.

THOS. L. BLANTON.
The Lions club and the citizens generally, especially the business men, are certainly grateful to Mr. Blanton for this prompt service in securing the needed mail boxes. Since the changing of the grade of Goldthwaite postoffice to second class the hours of the working force of the office has been reduced and certain other requirements made rendering the facilities for outgoing mail far less satisfactory than under the former grade. This is no fault of Postmaster Harrison or his force, but is the plain law governing the handling of mail in a second class office; hence, something needed to be done to relieve the situation. The hotels employ persons to place the mail of their guests in the mail cars, when it can not reach the postoffice on time, but it is clearly an imposition upon them to ask that they handle the mail for the general public and the result is that much delay is suffered in transporting mail that originates after the postoffice is closed at 6 o'clock, or shortly thereafter.

In this matter Mr. Blanton has sustained his reputation for being "on the job" all the time and giving service to his constituents.

FORMER PASTOR HERE

Rev. W. R. White, who was conducting a revival at Coleman, was here Saturday, accompanied by the gentleman who conducts the song service for his meeting. Rev. White was pastor of the Baptist church here a good many years ago and has many friends here. He is now secretary of the Baptist State association, with headquarters in Dallas.

BAPTIST CHURCH

Plans that had been made by the "Athens" for an old fashioned squirrel stew, with all the accessories, materialized at the Fair Park last Monday evening at eight o'clock. Approximately sixty Athens were present and a few visitors. The out of town visitors were Mr. and Mrs. Edgar Martin from Douglas Arizona, and Mrs. Tinseth from Chicago, Illinois. We do not know who cooked the stew or who brought the other necessary things along, the writer of these notes did not do it, but it was one of the best prepared suppers we have been privileged to partake of since coming this way. If you do not believe what we say about it, ask Floyd Jackson. After this sumptuous feast order was restored by the request of the president, Mrs. Jim Cockrum, and speech making was the order of business. After several speeches by the home folk the visitors were asked to talk. Mrs. Edgar Martin being the first, gave us a very interesting talk on how they manipulate the Sunday school in her home town. Her husband being the next called upon declined. Personally we thought it very unjust to call on Mr. Martin. A man that ate as much stew and boiled and fried spuds with English peas, pickles, bread and almost every kind of sweets, all "conglomerated" certainly is not in an attitude to make a public speech. Mr. Martin is not responsible for this. Those who served are, and it being a custom in Arizona to eat everything served Mr. Martin tried to carry out the Arizona custom, but that won't do here in Goldthwaite. They next called on Mrs. Tinseth from Chicago, but before she had time to speak, Mrs. Walter Fairman spoke up and said that she did all the talking for her family, to which her husband and the pastor of the Baptist church said "Amen," but in very low tones. Really, if this preacher is any judge, we had the best social that we have had. With all the good eats that was not the best part of the program. The good fellowship that was before and after.

Our entire church is in deep sympathy with Brother Lambert and family on account of the serious illness of his daughter. We are earnestly praying that her health may be restored. In fact, every one in our town is interested in the outcome of illness, anxiously hoping that she may come back to us in such condition that she may rapidly regain her health.

Don't forget the services Sunday. More of our folk were out of town last Sunday than usual and we failed to reach our stand in attendance. Now listen, folk: It is summer or time for summer anyway, and there is a tendency to forget God, especially if you are in good health and have a few dimes in your pocket. Just remember that we must take care of the spiritual side of life. If you are out of town, make it convenient to go to church. If on the other hand, you have visitors make it convenient for them to worship with us. G. C. IVINS, Pastor.

APPLICATION FILED

F. D. Anderson of San Saba county filed an application yesterday with County Clerk Porter for license to wed Miss Addie Drew, also of San Saba county.

CHURCH OF CHRIST

We will, the Lord willing, begin a short meeting by home forces next Monday evening, June 16, at 8:15. If people are not too busy to attend, we will continue over the fourth Sunday. If the attendance and interest justify, we may continue over Wednesday night after the fourth Sunday. The preacher will boost for a good hearing Monday night. This is usually the hardest time to get a good crowd to attend. Do not fail to be present Monday night, June 16, if possible. The adult Bible class will boost for a good crowd. Tuesday night. This will be the Adult Bible class' night. Members of this class will make a special effort to get a large hearing Tuesday night. Wednesday night will be the Adult Quarterly class' night. This class is taught by Miss Abbie Ervin. They will make an extra effort to get a large crowd to attend Wednesday night. Thursday night will be Young People's Quarterly class taught by Earl Hale. Brother Hale and his class will try hard to have a record crowd to attend Thursday night. Friday night will be the boy's girl's class night. This class is taught by Miss Ruth Ervin. She and her class will work hard to get an encouraging audience for Friday night. Saturday night will be the small boy's and girl's class night. The class at present is taught by Mrs. Fitzgerald. The boys and girls in this class will try to get the largest crowd of the week to attend on Saturday night. Sunday night of the fourth Sunday will be the little folk's class night. With all the others helping, we hope in this way to have a number making an extra effort each night next week to have a fine crowd at church. We will study in this meeting such themes as "Putting God First," "The Conversion of a military officer," "A model revival," "What we teach and why we teach it," "Change of heart," "The office and work of the Holy Spirit in conviction and conversion," "The Bible," "The infallibly safe way," "The establishment of the church," "For the remission of sins," "Can good people be saved out of the church?" "Seeing things alike or what it is that divides people," "Why cannot all see alike," "Types of the church," etc.

I take this opportunity to invite the people of this community to be with us in this meeting conducted by home forces. We hope to have an old fashioned meeting, old fashioned singing, old fashioned preaching, with old fashioned people.

Come—You will be welcome and treated with courtesy. Don't forget the date.

E. S. FITZGERALD.

FISH FRY

Mr. and Mrs. G. H. Frizzell entertained their out of town guests and a few friends Saturday night, June 7th, with a barbecue and fish fry, at "Welcome Inn," the lovely new Lake camp of Mr. and Mrs. Walter Fairman. The following out of town guests were: Miss Willye Johnson and James Gilland of Weatherford, Texas, Miss Bertha Woods, Messrs. Etheridge Clifton and James C. Frizzell of Fort Worth, Mrs. P. W. Butcher of Amarillo, Mrs. Raymond Huff of Clayton, N. M., and Mr. and Mrs. Frank Overstreet of San Antonio. A GUEST.

A SERIOUS ACCIDENT

Last Friday night about 10 o'clock a traveling man's car, driven by a young lady, ran in to the Royal Cafe, breaking the door and striking the lunch counter, driving it to the north wall, pinning Mrs. W. F. Brim between the counter and the wall, hurting her badly. She was jammed against the wall so hard that it was with considerable effort she was extricated. The hurt was so severe that the lady fainted and after being restored to consciousness she was carried to her home, where she has since been confined to her bed and it is feared there was some internal injury. She will be carried to the hospital as soon as she is able to make the trip and it is hoped that the developments will prove the injuries are not serious.

The car was not seriously hurt, but considerable damage was done to the Cafe, including the breaking of the long marble slab on the lunch counter and considerable glass.

The accident was doubtless caused by the young lady pressing the gas pedal instead of the brake, as it is said the car was coming to a stop in front of the Cafe when it suddenly shot forward through the door.

GOLDTHWAITE GIRL GRADUATES

Miss Mary Florence McCullough, daughter of Mr. and Mrs. W. P. McCullough of this city, recently received her B. A. degree from the University of Texas, where she majored in English. She played a prominent part in campus affairs the last four years. She has been a member and officer of the Phi Mu fraternity, and was chosen this year as its beauty representative.

Miss McCullough graduated from the Goldthwaite High school as valedictorian of her class.

With her present victory, her friends congratulate her and wish her success in the coming years.

COUNTY BOARD MEETS

There was considerable interest in the meeting of the County School Board, held in this city Tuesday, when a number of petitions for consolidation and changes of districts were presented. Some of the petitions were found to be in the wrong form and were withdrawn, while one or two were held in abeyance by the Board.

The Plainview district was abolished and the territory heretofore included in that district was transferred to Star district. It is understood, however, that the west end of the district will later be placed in Center City district.

An election has been ordered held in Mullin and Blanket Springs districts to determine whether or not Blanket Springs district will be abolished and territory transferred to Mullin district. The election is to be held in both districts on June 28 and if a majority in both districts favor the change it will be made. However, the county board had no part in ordering the election.

REPORTER

MRS. EDDY PASSED AWAY

Mrs. W. L. Eddy died at her family home in Plainview community Monday and her remains were interred in Center City cemetery Tuesday afternoon. Mrs. Eddy, nee Lee Jones, was born and reared in the Center City community and made her home there the greater part of her life. She was a daughter of Mr. and Mrs. C. C. Jones, formerly of that community, and a sister of C. P. and Walter Austin and Paul Jones and Mrs. T. F. Elliott. Her death was not unexpected by her relatives and others watching at her bedside during her last illness and the bereaved husband and other members of the family had the sympathy of all their friends.

NEW BUILDINGS

The building heretofore occupied by W. A. Richards' Cafe on Fourth street has been torn away and the building occupied by Dickerson Bros. market is being moved to the opposite corner of the block, to the lot formerly occupied by Dr. Swanger's office. The two lots vacated are to be covered by two brick buildings, Mrs. A. J. Gatlin will have erected. When these buildings are completed they will be occupied by Dickerson Bros. and W. A. Richards. The new buildings will be ten feet longer than the frame houses they replace and will be a decided improvement to that part of town.

THE GOLDTHWAITE EAGLE

The board of legal examiners, in its meeting at Austin Monday, had 165 applications for license to practice law. This is the largest number in the history of the board.

When the state Democratic committee met in Austin to arrange for placing names on the ballot, Governor Moody requested that his name be not certified, although friends had filed the application and supplied the \$100 to have the name placed on the ticket.

The Farmers' Marketing Association of America has called a statewide meeting of farmers, bankers, merchants and others in Dallas June 17, to discuss the cotton situation and methods of improving it. The board of directors of the association will meet at the same time.

The state republican executive committee in session in Houston Monday selected San Angelo as the place for their state convention September 9, while the Democratic committee in Austin chose Galveston for their convention city, the same date being fixed by law, September 9.

The house of McAdoo, Oklahoma county, Okla., will have two candidates for the Legislature this year. Mr. and Mrs. W. C. McAdoo, the former one-time Mayor of Okmulgee, have sent in application blanks to the state election board with announced purpose of running for the Legislature for a second and first division, respectively.

A negro charged in the Federal court at Dallas with possessing whisky made claim that the officers had confiscated a jar of water at his home and denied owning the fire liquor. After the case had proceeded for some time, the prosecuting attorney tasted the fluid from the jar, pronounced it water and asked for a verdict of acquittal.

Congress was asked Monday for \$25,000 for a memorial to Theodore Roosevelt on the boundary between the Clark and Flathead National Forests in Montana, marking the summit of the Rocky Mountains there. The monument, an arch, would be erected under an act approved June 2, to provide commemoration of Roosevelt's leadership in the cause of forest conservation.

T. P. Gore, who for fourteen years served Oklahoma in the United States Senate, announced his candidacy Friday night for the senatorial nomination on the Democratic ticket. Gore became a United States senator in 1907, at the time Oklahoma became a state and was defeated in 1920 for the Democratic nomination by Scott Ferris, present Democratic national committeeman from Oklahoma.

A burglar entered a jewelry store in Fort Worth Saturday night, by sawing a hole through the floor from an office upstairs. He carried an acetylene torch with him and burned into one of the safes containing thousands of dollars worth of gems. Working all night and until 9 o'clock Sunday morning he was preparing to leave by way of the opening in the ceiling when one of the clerks of the store arrived, captured him, recovered the gems and landed the burglar in jail.

Alex Pantages, multimillionaire theater owner, was released from the county jail in Los Angeles late Friday under \$100,000 bond, after he had been in custody since October ending decision on his appeal from a one to fifty-year penitentiary sentence for criminal assault. Pantages won in the State Supreme Court Friday the fight he had waged since December for release on bond in order that he might obtain expert medical care for a heart ailment, recurrent attacks of which had caused his confinement in the jail hospital for five months to become dangerous, he claims.

TO STABILIZE COTTON

The Federal Farm Board is going to organize—in fact, has already organized—a Cotton Stabilization Corporation. This group will do for cotton what was done by a like agency for wheat, for it is going to buy cotton from the co-operatives and hold it. How long it will hold on to the cotton, of course is not announced. The obvious thing is that the co-operatives have already held it too long and will be glad to turn it loose.

As soon as a substantial surplus appears to be dealt with, stabilization becomes something short of valorization. The Farm Board and its agencies will soon come to this conviction, if by any chance they have dodged it hitherto. The history of valorization schemes is not encouraged; money has always been lost in them thus far.

In cotton stabilization, there is a surplus before the arrangement gets going. Should this be a good crop year, there might be a larger surplus at the end of the season than at the beginning. If that turns out to be the case, we will have a typical valorization set-up.

It is highly probable that the economic experts of the Farm Board do not want valorization. But Congress has virtually demanded it, so everything is made ready for the experiment. Perhaps the new corporation can keep on making rabbits come out of the hat. If it can, it is going to be famous on the rules that we have to be remodeled extensively.—Dallas News.

AGE COUNTS

It is true that readers seldom look at the volume number of a newspaper, and it is equally true that many do not get the significance of same when they do notice it. But age for a public journal is an asset. Endurance is proved by long life, and long life connotes substantial set-up. A publication that isn't useful doesn't survive the rigors of many winters, the droughts of many summers. A philosopher of other days declared that where there is no vision the people perish. He might have gone further and remarked that without merit no book or other print endures. Many authorities judge a work by its worth as a legacy to succeeding generations. Those which are preserved by virtue of their apparent value become classics, therefore something to be revered, although such reverence may be bestowed by the few. That which may become classic by reason of its quality is not necessarily better to be praised than if it were more transitory. A thing useful to one generation is entitled to honor, though it have no attribute of immortality. The tree that shelters the child in his childhood may decay before the child matures, yet it served a useful purpose in its time, even if it received no public acclaim. In other words, the minor servants of man may do him more service in terms of daily familiarity than the major and more monumental contributors to his occasional needs. Newspapers may be listed among the former, great books among the latter.—State Press in Dallas News.

Thin, Pale, Weak. I HAD been through a bad spell of sickness which left me very weak, says Mrs. Virginia Spruce, of Stapleton, Va. 'I was pale and felt lifeless, and my strength did not return. I spent most of my time on the bed. I was very nervous, and the least thing upset me. I did not have strength enough to lift a broom. At times I would have had headaches, which would hurt me until I could hardly see. Someone asked me why I did not try Cardui. I had read of it, so I thought I would see what it would do for me. It was really remarkable how I came out. My strength returned, and my health was better than it had been in years. I gained in weight about ten pounds. My color was good, and I ceased to suffer from headaches. I have told my friends about Cardui because I was benefited after taking it.' CARDUI Helps Women to Health. MR. COBB'S LETTER

Dear Brother Bob: A little laziness or indifference has pushed your scribe over into June, trying to think of something to say no one has ever said before. Originality of thought either expressed or not expressed, as the great pendulum of time moves back and forth, something from afar off, speaks forth in laudable words "Nothing new under the sun." What do you think of that, Brother Bob, as a starter? All in favor of Brother Bob's decision say "Aye." Unless there is some unforeseen business needing attention at once we will proceed.

Ladies and gentlemen amid the conglomerations of the mad rush for money and pleasure we might call a halt, take an inventory of our bearings, to see whether or not we are headed in the right direction. The Old Book of books says, "Pride goeth before a fall and a haughty spirit before destruction." That's a wonderful statement to come from the source it has, in this day of pride, haughtiness and general drifting away from the source of light, which calls us to the highest and most noble purposes, to honor, magnify and love Him, who is able to life up, line up, build up, and keep up, (not only for ourselves but all whom we can and may help) a steady, healthy, happy and glorious marching orders to love God with our neighbors as ourself.

When we consider the uncertainty of life and the certainty of death, where are we going to find room for pleasure, such as being indulged in by so many of us, claiming to be heirs to an inheritance at the right hand of Him who is the giver of all good and who has said in His word, "He is a Sun and Shield, will give grace and glory and no good thing will he withhold from them that walk uprightly?"

If we will get the real meaning of uprightness in all the affairs of life as we love to think of it, when we are to be the recipients in dealing with our fellow men, can we conscientiously make room for any crookedness to place along side of the uprightness we consider due us, to help the other fellow to have an excuse to be crooked in his dealings with us?

Please give an honest answer. "Time and tide wait for no man," but take time to answer this question honestly. If your answer is what we are sure it will be, can we expect God to make allowances for so much of our crookedness toward Him, when we demand uprightness of our fellow man? When we line up with the world and go to so many questionable places where Satan and all his followers are playing a high hand against God, the church, and us individually, to deceive, mislead and ruin us forever, can we entertain a single hope of our Divine Father not discovering very, very great crookedness in our pretended uprightness? Let's close this part of the program and retire for private serious meditations, to give another honest answer.

This kind of a letter may not suit all who read it, but we will not ask time and space to make an apology, but ask your indulgence to a serious reading and honest consideration of same. If you like it tell Brother French and Hays to say "Amen."

I am still upon my pegs, working a little, dieting, reducing and trying to do as little harm

SHERIFF'S SALE

The State of Texas, County of Mills.

Notice is hereby given that by virtue of a certain Order of Sale issued out of the District Court of Mills county, Texas, on the 3rd day of June, A. D. 1930, in Cause No. 2278, entitled Mrs. Lois Hicks and husband, John C. Hicks, plaintiffs, vs. W. M. Stewart, defendant, for the sum of four hundred, eighty (\$480) dollars, and cost of suit, in favor of plaintiffs against the defendant placed in my hands for service, I, C. D. Bledsoe, as sheriff of Mills county, Texas, did on the 3rd day of June, 1930, levy on the following described real estate lying and being situated in Mills county, Texas, to-wit:

Twenty five acres of land off of the west side of a 110 acre tract of land out of the east Harrison Shropshire survey, patent No. 279, conveyed by Eli Fairman to D. D. Reed, by deed dated Jan. 6th, 1930, recorded in volume 44, page 581, of the deed records of Mills county, Texas, the said twenty five acres being described by metes and bounds as follows:—

Beginning at the S. W. Corner of the said 110 acre tract of land out of the said survey and 831 vrs South 71 West from the S. E. Corner of the Harrison Shropshire survey; thence N. 19 W. 746 3-4 vrs to N. W. Corner of said 110 acres; thence N 71 E 190 vrs to corner; thence S 19 E 746 3-4 vrs to corner in South line of survey; thence S 71 W 190 vrs to the place of beginning.

As the property of W. M. Stewart and that on the first Tuesday in July, 1930, the same being the first day of said month, at the court house door of Goldthwaite, in Mills county, Texas, between the hours of 10:00 a. m. and 4:00 p. m. by virtue of the said levy and said order of sale I will sell the above described real estate at public vendue for cash to the highest bidder as the property of the said W. M. Stewart and in compliance with law.

Witness my hand this 3rd day of June, A. D. 1930.

C. D. BLEDSOE, Sheriff of Mills county, Texas.

CHEVROLET IT'S WISE TO CHOOSE A SIX SIX reasons why it's wise to choose a "SIX" 1. It's Smooth! Chevrolet has a 50-horsepower six-cylinder valve-in-head engine that delivers its power with a smoothness and silence that are impossible with anything less than six cylinders. 2. It's Comfortable! Chevrolet offers modern spring suspension, roomy bodies, and a smooth-running six-cylinder engine. 3. It's Easy to Drive! Chevrolet provides an extra-easy ball bearing steering mechanism. And six-cylinder flexibility means unusual simplicity of control. 4. It's Beautiful! Chevrolet is the only low-priced car with Fisher. Hence, its style compares favorably with that of costly cars. 5. It's Economical! Chevrolet costs no more for gas—tires—or service. And six-cylinder smoothness holds down cost of protection the car from destruction. 6. It's Easy to Buy! Chevrolet A. C. plan, with easy terms available through Chevrolet dealers. Confirm all reasons why it's wise to choose Chevrolet. TRIGGER MOUNTAIN

Somehow or other I failed to get the Eagle last week. Understand I am not blaming anyone, but I surely did miss it.

Some in the community have been slightly ill, but are up now.

Sorry to report Mrs. L. L. Hayes sick.

We have had some showers the last few days, which will ripen grain and help gardens.

The grain in this immediate neighborhood is fairly good.

J. D. Kennedy and wife visited Mr. and Mrs. J. B. Lively Sunday.

Mr. and Mrs. Ira Byler and children of Brownwood spent Sunday in the home of Rev. L. L. Hayes.

Mr. and Mrs. Will Crumley and children of Lampasas visited in the home of Mr. and Mrs. Sam Maxwell Sunday afternoon.

Mr. and Mrs. J. D. Nix and son and Mrs. Grady Kennedy and children were Sunday visitors in the home of R. E. Davis.

We are sorry to learn that Mrs. Johnnie Dechart is ill at the home of her mother, near Priddy.

Mr. and Mrs. Byron Hayes, who have been teaching in West Texas, are visiting in the home of his parents.

The youngsters went to the party at Charlie Brown's Saturday night and some to a party at Center Point.

We had Sunday school and B. Y. P. U. as usual, but there wasn't many at Sunday school. Guess the shower scared them off.

Glen Lewis spent Saturday night with J. D. Nix.

Berley Lively of McCamey visited his father and mother Friday night and Saturday.

Rev. Lawrence Hayes and family of Fort Worth visited in the home of his father, L. L. Hayes, the past week.

Mr. and Mrs. Truman Vaughn of Goldthwaite visited her parents, Mr. and Mrs. W. S. Cunningham, Sunday.

THERE IS NO "JOKER"

The above head sounds strangely familiar to County Newspaper Advertising ears. Glad it "clicked." It appeared over the very fine editorial in the Vinita, Oklahoma, Daily Journal.

Does a merchant give away his goods? Does an automobile dealer give away his cars? Does a butcher give away his service? Does a manufacturer give away his products? Does a railroad give away passenger fare tickets?

Then why should individuals, firms, politicians, associations, manufacturers and others expect a newspaper to do differently than other legitimate business? A newspaper's source of revenue is its advertising columns.

The newspaper's news columns are for the purpose of publishing the news. However the daily mail of the newspapers are full of 'advertising,' 'political announcements,' and 'what have you?' Supposedly disguised as news sent for the purpose of getting the newspapers to run free news.

There is no 'joker' in the newspaper business. The editor knows news from Advertising. The progressive editor must ever be alert to the tricks of the 'free publicity and the 'space grafter.'

and relatives were surprised when Miss Blanche Dellis and Hillard Prater were quietly married last Friday evening. Miss Blanche was reared here and counted her friends with her acquaintances. She will be greatly missed in Sunday school. In fact, when time came for the secretary's report we could have all wept a little weep Sunday morning. Mr. Prater is a young man of sterling qualities. Mrs. Prater is a recent graduate of Mullin high school. The good wishes of the entire community go with this happy couple to Coolidge where they will make their future home.

THE FARMER'S WIFE

WHY DAIRYING IS UNPROFITABLE

Since county agents have been stressing the importance of cow testing and proper feeding, a number of farmers and dairymen are finding out why milking cows has not paid them a profit. County Agent DuPuy, of Bee county, induced a farmer to weigh his milk. He also tested for butter fat and took note of what each cow consumed in the way of feed. After testing for a month, he learned that several cows in his herd were consuming feed costing from 18 to 25 cents more than their milk was worth, not taking into account the labor of milking and caring for the animals. Prior to the test, the farmer considered these cows about the average in his herd. By weeding out these boarders, this man has doubled his net profit.

Mr. DuPuy found another farmer who was losing money milking cows. The error in this instance was in the feeding. This farmer was feeding altogether too much high-priced feed when a different ration would have produced as much at half the cost.

Another farmer in Bee county said that his cows were not paying, but upon investigation it was learned that the milk the calves were consuming was not credited to the cows, nor was the value of the calves. In all three cases, no credit was given the cow for the fertilizer made available—Farm and Ranch.

You should see the stylish samples of spring suits Burch is showing.

Every citizen of Mills county should take interest in preparation for the coming county fair, July 16, 17, and 18.

Mr. and Mrs. J. M. Hicks of San Angelo came over Saturday for a visit to relatives and friends.

ICE keeps air fresh in new Ice Refrigerator

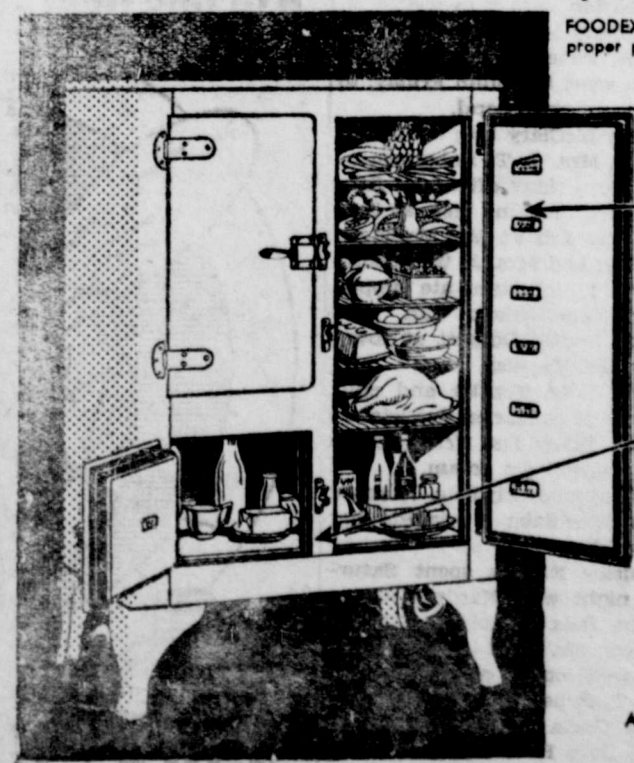

6 distinct advantages offered to you in new refrigerator at prices all can afford to pay

1. Keeps air fresh. Mixed odors condense on melting ice surface to be carried out. Prevents odor taint in all foods.
2. Plenty of ice at all times! This new refrigerator assures a sufficiency of wholesome ice for all home uses always. Think of baby's milk and know it's safe!
3. Economical operation. A few cents a day is all that is necessary to have perfect refrigeration and a plentiful supply of clear sparkling ice.
4. Keeps food fresh. Maintains a colder temperature than recommended by Bureau of Home Economics, U. S. Department of Agriculture. Thus meat and other foods retain their natural, inviting brightness without excessive drying or shriveling.
5. Prices all can afford. This new ice refrigerator is made in all sizes to meet every home need at the price you want to pay. Why have an inferior refrigerator when you can afford to have the best?
6. Ice is wholesome — always ready to use. Ice in this refrigerator provides clean, safe, care-free refrigeration.

Popular Songs to be Used as Themes for Scenarios

JULIA SHAWELL

Famous Motion Picture Critic Presents New Idea

New York City.—The importance of a popular song as the musical theme for a motion picture is emphasized by Julia V. Shawell, who under the name of Betty Colfax is motion picture critic of the New York Evening Graphic, the paper that received the highest metropolitan rating for its movie criticisms.

"A song hit associated with a film is just as effective as a musical hit in a Broadway revue or operetta," Miss Shawell declares. "The time will come when a cinema producer will consider the special and original musical accompaniment to his film as essential as good titling. And the next step will be that of writing motion pictures around popular hits as themes. Indeed, I have a song to suggest to some producer. It is, 'Are You Thinking of Me Tonight?' which tells a complete story and would make a corking scenario."

"Songs and movies are so closely connected that they are similar in their purpose and effect. In a season when intense love plots prove most popular with screen audiences, the same taste is shown in songs which make a hit. In an era when snappy comedy or light romance prevails on the screen, the situation is the same over the counter where sheet music is sold."

"Whether songs and pictures create a public sentiment or whether they reflect it, they are two of the most important and best known mediums of public impression and mass expression."

ROCK SPRINGS

Sunday afternoon—Mr. Editor and Friends: At this writing it is raining, and all are proud it is. We got a good rain Thursday night, too. We feel like now our corn is helped.

The faithful few were at Sunday school Sunday morning—two teachers present.

I hope the writer from South Bennett continues to help feed the old Bird.

I'm afraid my letter will be short this time, for the rain kept us from visiting Sunday afternoon and no one took dinner away from home that I know of.

Claud Liard is visiting his family in the Faulkner home.

Mrs. J. F. Davis and son and family and Misses Stark and Cooke visited Arlie Davis and wife in Brown county Sunday.

The candidates have been making this territory lately.

J. M. and Jim Traylor had business in the city one morning last week.

James Nickols is not at all well at this writing.

Most everyone caught up with their sleep Sunday afternoon, while it rained.

Horace Cooke visited his father and Rudolph Sunday. Horace is going to summer school at Stephenville.

Miss Oleta Daniel, who is in school at Alpine, is now keeping up with her friends at home.

The Eagle was ordered to her address Saturday.

R. C. Webb and wife went to town to church Sunday morning.

Ernest Strickland and wife from Brady spent last Monday night in J. W. Roberts' home.

Tuesday morning Mrs. Roberts went with them to Dallas to see their sister, Mrs. W. W. Fowler, who is no better.

M. R. Circle and family, Mrs. J. W. Roberts, Miss Nellie D. Cooke and Mrs. Eula Nickols and Philip attended the Nazarene meeting Saturday night.

Last Thursday afternoon, Homer Doggett and wife and sister, Miss Estel, from town and Mrs. Cleo Scott from Abilene came by Mrs. Nickols' and got her and three sons, and they went to the river fishing. Mr. Landy Ellis and family joined the crowd at supper time. The supper was fine, but the ice cream was better. A cloud began to act like it might rain, so at ten o'clock the crowd scattered for home, as Mr. Ellis said it was going to rain. As to the fish; some were caught, but they were too small to eat.

Some from here went to C. H. Black's at Center Point Saturday night to a party.

There was a very interesting game of 42 at R. C. Webb's Saturday night.

I will write a few items, as
we have had another fine rain
and everyone is busy working
their crops and cutting grain.
Mrs. Ora Black and Billie
spent several days in Brown-
wood, visiting relatives. Her
daughter, Mrs. Thelma Wright,
and children came home with
her. They returned home Sun-
day evening.
Mrs. Walter Ford and two
children from Austin are spend-
ing some of their vacation on
the ranch with her sister, Mrs.
Alley.
Miss Nancy Evans passed
away Sunday evening at 6:30,
after being sick about 40 days.
The funeral services were con-
ducted at Scallorn church by
Brother Mayfield. There was
a large crowd of friends and re-
latives to pay the last tribute to
dear Nancy. They laid her away
in the Mohler cemetery by the
side of her brother, to await
the resurrection. We sympathize
with the loved ones, but we
know that dear Nancy is sleep-
ing peacefully with Jesus. There
were several from San Saba,
Lampasas and Goldthwaite at-
tended the services, but I failed
to get all their names.
Mrs. Elliott went to Center
City Monday to attend her sis-
ters, Mrs. Eddy, funeral.
Mr. and Mrs. Richard Burgess
and Mr. and Mrs. Dalton spent
Sunday at the home of Mr. Cot-
cher.
Poster and Walter Ford of
Austin spent the week end on
the Ford ranch.
Mr. and Mrs. Joe Morgan
spent Sunday in Brownwood
with Earl Blake and wife.
Phil Ford returned home from
California, after spending about
17 months there.
Mr. and Mrs. John Crawford
and son, Garland, left Tuesday
night for their home in Topeka,
Kansas.
Mrs. Carrie Herford of Gold-
thwaite returned home Thurs-
day.
Alva Ford went home with his
sister, Mrs. B. E. Moline, to visit
awhile.
Mrs. Walter Ford and Mrs.
Alley and children spent Sun-
day in San Saba. REPORTER.
Mrs. M. Y. Stokes, Jr., and
sons, Lawrence Morrison and
Melmoth Young III, are expect-
ed to arrive from Houston Sun-
day for a visit to her parents,
Mr. and Mrs. R. M. Thompson.
H. B. Johnson had the mis-
fortune to have his Buick sedan
burned yesterday afternoon, on
the Center City highway near
M. H. Fletcher's residence. The
car was on fire when he discov-
ered smoke emitting from it and
was destroyed in a few minutes.

CENTER CITY

Will send a few items to our
Eagle readers, after being sil-
ent so long.
We certainly appreciated the
good rain, which fell last Thurs-
day night. It was needed on all
the crops.
Our community was saddened
to learn of the death of Mrs. W.
L. Eddy Monday morning. She
had been quite ill for some time
and her death was not unex-
pected by close friends and re-
latives. Funeral services were
held at the cemetery by Broth-
er Frizzell of Goldthwaite. A
large crowd of relatives and
friends attended. We extend to
all the bereaved ones our sin-
cere sympathy in their loss.
Lee Hendry, who recently
moved to his place here from
Goldthwaite, is reported ill.
Grain cutting is the order of
the day with farmers, while the
women folks are busy canning
vegetables and fruits for winter
use.
Ben Littlepage of Mineral
Wells visited relatives in this
community recently.
J. M. Oglesby and family met
Fort Worth relatives at Stephen
ville Sunday and enjoyed a short
visit with them. Ira Hutchings
and family were also present.
Brother Mayfield of Brown-
wood filled his regular appoint-
ment Sunday.
Mr. Putnam, who left Center
City some thirty-eight years ago,
was here the first of the week.
He now lives in Oklahoma.
Friends of Mrs. Fred Day are
glad to learn she is slowly im-
proving and hopes to be able to
return home soon.
Joe Evans and family left last
week for Grand Island, Neb.,
where they will make their
home.
Misses Lena Mae Casbeer and
Hartal Langford are at home,
after attending school in Lome-
ta. Friends of Lena Mae were
glad to learn she was valedic-
torian of her class and wish for
her a very successful life.
Miss Pearl Casbeer, who
taught the last two winters in
Lometa, made a short visit here
and left for San Marcos, where
she will study this summer.
Miss Varnell Geeslin, who at-
tended John Tarleton, is spend-
ing her vacation with home
folks.
After the decision of the
school board, the Plainview dis-
trict was transferred to Star. XX

MIDWAY

We are sorry to report that
Mr. Shipp is not feeling so well
this week; otherwise, health in
our community is very good.
The play was certainly well
attended. One of the largest
crowds ever seen at Midway was
present. We sold enough ice
cream to amount to about twen-
ty-five dollars, but we cleared
eleven dollars and seventy-sev-
en cents. We surely thank every
one. There has been two dozen
and a half song books ordered.
There is two dollars and seven-
ty-seven cents left for other ex-
penses, such as oil and mantles
for the lights.
Miss Hazel Beard left last Sat-
urday morning for Georgetown,
where she will enter summer
school. We hate for her to be
gone during the summer, but
wish for her a very pleasant
time.
Miss Ollie Mae Featherston
has returned from Georgetown,
where she attended school dur-
ing the winter.
Services were well attended
over the week end. Brother
Stripling brought his family
down. We always enjoy having
them very much.
Next Sunday, June 13, at eleven
o'clock Brother Lewis Spark-
man will preach for us. Every-
body is invited to come.
Harvest time is here. We can
hear the hum of reapers on
every side.
Durward Reynolds and family
and Mrs. C. C. Ellis and chil-
dren visited in the Petsick home
Sunday.
Morgan McNeil and Luther
Ellis attended a singing conven-
tion at Cherokee over the week
end and report a fine time.

FARM HOME BURNED

The residence of Lon Harris,
in Pecan Wells community, was
destroyed by fire last Sunday
night and was a total loss, to-
gether with its contents. The
family was away from home at
the time, hence nothing was sav-
ed from the building and the
family only had left the cloth-
ing they wore. It is not known
how the fire originated, al-
though several theories have
been suggested.
Walter J. Sparkman, a neigh-
bor of the Harris family, circu-
lated a subscription list in this
city Monday, and secured a very
liberal amount to help the un-
fortunate family and show the
sympathy of the business men
of Goldthwaite for them.

CARD OF THANKS

We are indeed thankful to the
kind friends who so tenderly
and willingly ministered to our
dear girl during her illness and
were so kind and sympathetic
to us after her death. Every-
thing was done for her and us
that loving hands could do and
sympathetic hearts could dic-
tate. Many friends also brought
flowers for the funeral and to
place on the grave. We are sin-
cerely grateful for all of this
kindness and sympathy.

THE GOLDTHWAITE EAGLE

Mesdames W. C. Dew and E. T. Fairman were Brownwood visitors last week end.

Claud Dickerson and his wife and son spent Sunday with relatives in Cherokee.

Archer Grocery Co.—Cotton White Flour.

V. E. Gotcher, a rancher of the Scallern community, had business in the city last week end.

Mr. and Mrs. W. H. Kirk of San Angelo visited in the home of J. H. Saylor the early part of the week.

Mr. and Mrs. Wallace Powell of Fort Worth were guests of Mr. and Mrs. J. H. Saylor the first of the week.

Supt. and Mrs. E. D. Stringer left Sunday for Austin, to be ready to enter the University summer school Monday, for special courses.

Supt. and Mrs. J. M. Scott of Mullin were visitors to the city Saturday. They were preparing to leave for Austin, to enter the University summer school for special courses.

S. C. Finley, a former newspaper man of Comanche and now a resident of Brownwood, was a visitor to this city last week end and made the Eagle an appreciated call.

Charles Hicks, who is a student in Texas University at Austin came over Sunday for a visit to relatives, before entering the University summer school, where he is to receive a degree.

Don't put your winter clothes away dirty. Have them cleaned by Barch and the material will be preserved.

Rev. W. A. Thornton and wife and son, Boyt, left Monday morning for a visit to Sweetwater, Midland and Odessa. He has been invited to fill the pulpit in Sweetwater Sunday that he filled as pastor several years ago.

Editor Cerrigan and family of Fairfield Recorder passed through the city last week end, en route to Brownwood and Sweetwater to visit his sons, who are linotype operators. They stopped for a short fraternal call at the Eagle office.

Eventually Cotton White flour.—Archer Grocery Co.

Alvin Priddy and wife were here from Valley Mills Saturday and Sunday visiting his parents and other relatives. They went from here to Lometa for a visit to relatives and expected to go from there to Corpus Christi for a few days stay.

Wilbur Fairman and family, accompanied by Hulon Fletcher, left Friday for points in Colorado, to see the sights and enjoy the climate. Hulon expected to remain until the end of this week with them and will probably return home Monday.

Mrs. J. W. Grisham of Waco spent the first of the week here, visiting among her old-time neighbors. She is kindly remembered by many people in Goldthwaite, where she lived a good many years, and we are all glad to know that she and her sons are doing well in Waco.

Eventually Cotton White flour.—Archer Grocery Co.

Mrs. Laura Sullivan and daughter, Miss Lois, returned last Friday from Dallas, where they visited Mr. and Mrs. Marvin Atnip and family and attended the closing exercises of Oak Cliff high school. William Ledbetter, a member of the senior class, received his diploma at this time. He will enter Southern Methodist University at the beginning of the fall term.

NEW KONJOLA

"Too Bad I Did Not Hear Of Konjola Long Ago," Says Happy Man

MR. J. A. KIN

"Too bad I did not hear of Konjola long ago; it could have saved me much suffering. My stomach was the cause of my trouble," said Mr. J. A. Kin, 122 Oriental road, Waco. "Every thing I ate caused pain, gas and bloating. My whole system was run down, my vitality was low and I was gradually losing my strength. I had no ambition and was worn out all the time."

"So many medicines had failed me that I had about lost hope. Then came Konjola. After taking four bottles my appetite increased; I found I could eat anything without a trace of indigestion in any form, and my whole system has taken on new life. I have plenty of ambition to do my work, and I will always recommend Konjola as a real medicine."

Konjola is not a "Cure-All"—there is no such thing, but when taken for from six to eight weeks will produce amazing results. The countless thousands of indorsements of Konjola have proven that it makes good in even the most stubborn cases.

Konjola is sold in Goldthwaite, Texas, at Hudson Bros. Drug Store, and by all the best druggists in all towns throughout this entire section.

ROADS MAKE FARM PROFITS

Profitable farming is dependent upon good highway transportation. The better the roads the more profitable the farming. This is the conclusion reached by a survey recently conducted by the Agricultural Experiment Station of Cornell University. More and better farm-to-market roads enable American farmers to transport their products quickly and cheaply. In the state of New York it was disclosed that farmers living on paved roads drove their trucks 725 miles more a year, on the average, than those living on dirt roads. Further, while but one-half of farmers on dirt roads own trucks, two-thirds of the farmers served by paved roads have them. Several states are now conducting campaigns to provide rural districts with all weather roads. Thousands of miles of expensive main highways have been built which are of little benefit to the farmers until feeder roads are built connecting them with rural districts. Such feeder roads would be of value to town and city merchants who would gain business that is now kept away by impassable roads. They would attract tourists by opening up new territory and relieve main highways of congestion. Such roads must be built if agriculture is to keep up with the march of progress.

TAKING TO THE AIR

The American public is taking to the air. Last year 90,000 persons made scheduled trips on passenger planes—double the 1928 number, and more will ride this year. The airplane has ceased to be a novelty and has taken its place along with railroads, buses and automobiles as a standard mode of transportation. Little more than a year has passed since the modern passenger transport planes came into use.

EPWORTH LEAGUE NOTES

Sunday evening, June 8, the Epworth League met at its usual hour. After having the regular session, a short business meeting was held for the purpose of electing and installing League officers for the 1930 year. The following officers were elected: Miss Ruth Featherston, president; Miss Anniegene Johnson, vice-president; Miss Virginia Lambert, secretary; Miss Willie Mae Horton, treasurer; Miss Elizabeth Lambert, Era agent; Mrs. J. T. Helm, devotional superintendent; Mr. J. T. Helm, reporter.

We had a number of young men to meet with us and hope that they will be with us next Sunday evening and bring more of their young friends. Our young ladies enjoy their presence also. REPORTER.

Constipation Troubles

"I HAVE used Black-Draught as a family medicine for a good many years," says Mrs. Sallie Langh-run, of Hunt Dale, N. C. "I have found it an excellent remedy for constipation and the troubles that follow it. I have suffered frequently from gas pains, and when I am bothered that way I begin at once to take Black-Draught. Relief follows quickly."

"I give Black-Draught to the children when they are constipated, and it is not long until they are running around again."

Thousands of others have reported good results from the use of this purely vegetable medicine. Insist on the genuine Theoford's

A FORMER CITIZEN DEAD

Mrs. Amanda Cox, wife of "Uncle Tom" Cox, was born in Erath county, April 3, 1853, and died May 30, 1930, being 77 years, one month and twenty-seven days of age at the time of her death. She had been in failing health for several months, but the end came unexpectedly, only her husband and four children being at her bedside when she died.

Granny, as she was lovingly called, was converted and united with the Baptist church in her early married life and lived a consistent Christian life until the end. She leaves 10 children, 43 grandchildren and 29 great grandchildren an her aged husband, besides a host of other relatives and friends to mourn her passing. She was always patient and kind to every one and bore her sufferings without complaint. She was a loving, gentle mother, a true wife and kind friend, and a help to all with whom she came in contact, her life being a noble example of Christian fortitude. Dear mother, we feel that it isn't good bye. Your life here gives us the sweet assurance that we shall meet again, where no tears are shed and no sorrow or heart ache will be. May we live so we shall join you in the "Sweet Bye and Bye."—Ones who loved her—Stamford Leader.

Mrs. Cox and family lived in the Rock Springs community until eleven years ago, when they moved to the west. She was the mother of Mrs. George F. Bohannon of this city and is kindly remembered by a host of friends in this section.

NEW PLAN FOR CO-OPERATIVE SELLING

It is of interest to Texas farmers to know that the contract to be used in the co-operative selling of their cotton through the new Texas Cotton Association, has been liberalized. Under the rule of the old Farm Bureau Cotton Association, a farmer had to contract to deliver all cotton coming into his possession for a stipulated period of years. Under the rule of the new organization, a member of the Association is obligated only every other bale up to 10 bales, and then he may dispose of the remainder of his crop at will. He also has the option of delivering cotton to be held and sold on his order, or place it in a pool to be sold at the option of the Association.

state, is being divided into seven districts, which will be organized and have, in a measure, local control, each to eventually become self-governing. Branch offices will be established in each district. These district organizations will have close relationship with the state organization which in turn will be represented on the board of directors of the National organization.

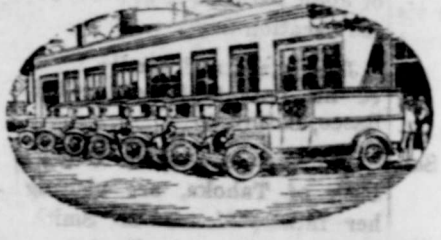

Farmers may be assured that the Federal Farm Board will keep an eye on the operation of every co-operative organization and see that it is conducted economically and in a business-like way. At the same time, it is the intention of the law to leave the control of all organizations in the farmer's hands.—Farm and Ranch

Experience of large fleet owners
the unusual reliability and economy
of the new Ford

A SIGNIFICANT TRIBUTE to the value of the new Ford is found in its increasing use by Federal, state and city governments and by large industrial companies which keep careful day-by-day cost records. In most instances, the Ford has been chosen only after exhaustive tests of every factor that contributes to good performance—speed, power, safety, comfort, low cost of operation and up-keep, reliability and long life.

Prominent among the companies using the Ford are the Associated Companies of the Bell System, Armour and Company, The Borden Company, Continental Baking Corporation, Firestone Tire and Rubber Company, General Electric Company, Goodyear Tire and Rubber Company, Kellogg Company, Knickerbocker Ice Company, Morton Salt Company, Pillsbury Flour Mills Company, The Procter and Gamble Company, and Swift & Company.

Each of these companies uses a large number of Ford cars and trucks. The Associated Companies of the Bell System use more than eight thousand.

Modern business moves at a fast pace and it needs the Ford. Daily, in countless ways and places, it helps to speed the production and delivery of the world's goods and extend the useful service of men and companies.

Constant, steady operation over many thousands of miles emphasizes the advantages of the sound design of the Ford car, its high quality of materials, and

unusual accuracy in manufacture. Beneath its graceful lines and colors there is a high degree of mechanical excellence. An example of the value of the Ford is the use of more than 100 roller bearings. They are within the car and you may not see them. Yet they play an important part in satisfactory, economical performance. Their function is similar to that of a fine watch.

Throughout the Ford chassis or roller bearing is used at every point where it is needed to reduce wear and give smooth, efficient mechanical operation.

At many points, as on the counter-shaft, clutch release pump shaft, and front drive shaft and roller bearings are less costly types of bearings considered adequate.

Additional instances of quality built into the Ford are the use of steel forgings enclosed four-wheel brakes. Steel, four Houdaille double-draulic shock absorbers, aluminum, chrome silicon alloy torque-tube drive, three-quarter rear axle, and the Triplex glass windshield.

The Ford policy has always been to use the best possible material part and then, through large production, give it to the public at

Never before have we seen such a swing-over to any Gasoline

One after another they're driving up to our Texaco-Ethyl pumps — drivers who used to use other premium or special gasolines. They're telling us that Texaco-Ethyl is the finest premium anti-knock gasoline they can buy! We knew that — that's why we're selling it!

Texaco-Ethyl is different. It's a "dry" Ethyl! And this is something to remember — All Ethyl gasolines are not the same. The Ethyl compound is always the same but the gasolines to which it is added are not! It's the *gasoline you start with* that makes the difference in Ethyls!

And in Texaco-Ethyl you start with the famous *new and better* Texaco Gasoline, the original "dry" gas. When Ethyl is added to *that* you've got Ethyl Gasoline at its best! Because this "dry" gas vaporizes instantly and allows a *complete and uniform* diffusion of Ethyl Compound through that manifold into the cylinders. Here's anti-knock *and* performance that only Texaco-Ethyl can give you! Try it today.

CITY ORDINANCE

Chapter 69

An ordinance to be a part of the Code of Ordinances of the city of Goldthwaite, Texas, levying taxes for the said city of Goldthwaite, Texas, upon all real and personal property, and on certain occupations for the year 1930, and providing for the collection of the same, and assessing a penalty.

Be it ordained by the City Council of the city of Goldthwaite, Texas:

ARTICLE 1.
Section 1. That there shall be and there is hereby levied a city tax for the year 1930, on all real estate situated, lying and being in the said city of Goldthwaite, Texas, and on all personal property that was in said city of Goldthwaite, Texas, on the first day of January, A. D. 1930, not exempt from taxation by the laws and constitution of the State of Texas, for the purposes hereinafter provided, as follows:

- 1st. For General Revenue purposes, to be known as the General Fund fifty cents on the one hundred dollars valuation, which is hereby set aside for general purposes.
- 2nd. For a Road, Street and Bridge Fund, twenty-five cents on the one hundred dollars valuation.
- 3rd. To provide interest and to create a sinking fund for outstanding water works bonds, twenty-five cents on the one hundred dollars valuation.
- 4th. For taking up indebtedness due on permanent improvements, and paying off time warrants, given, for Fire Truck, Fire Station, and for General Fund, the sum of fifty cents on the one hundred dollars valuation.
- 5th. It is further ordained and ordered, and there is hereby levied an occupation tax on all such occupations as are set out and taxed by the provisions of Article 7047, and all of the 39 sections therein, of the Revised Statutes of the State of Texas, the tax being the same as that allowed and provided for the Counties of the State of Texas. Any person pursuing any of said occupations within the corporate limits of the city of Goldthwaite, Texas, with out first having applied for and obtained a license from the City Secretary, shall be deemed guilty of a misdemeanor, and on conviction, shall be fined in any sum not less than the amount of the occupation tax assessed, and not more than double the same, provided no fine greater than two hundred dollars shall be assessed.

Section 2. All such taxes so levied, except the occupation tax, shall be due and payable on the first day of October, A. D. 1930, and on and after that date, the City Tax Collector is hereby authorized and empowered to collect and receipt for the same before and until the first day of February, A. D. 1931, and if said taxes are not paid by such time, there shall be taxed against the owners of said real and personal property and against said property, ten per cent additional on the amount then due as a penalty, as the same is provided for and authorized by laws of the State of Texas, and the City Collector of taxes is hereby authorized and empowered to enforce the payment of said taxes according to the laws of the State of Texas, and ordinances of the city of Goldthwaite; and all taxes not paid on or before the 31st day of January, A. D. 1931, shall be deemed delinquent, and the same, when collected, together with the above penalty of ten per cent, shall be apportioned among the several different funds and the City Tax Collector shall, by virtue of his office, levy upon, seize and sell said property, real and personal, for payment of taxes thereon, according to law.

It is further ordained and provided, that taxes levied hereby, if not paid on or before the 31st day of January, A. D. 1931, shall bear interest at the rate of six per cent per annum from the 1st day of February, A. D. 1931, until paid.

The fact that no ordinance has been passed levying taxes for the year 1930, and that assessments have been made and that the tax roll should be made, creates a public necessity and renders it imperative and necessary that the rule requiring

ordinances to be read at 3 several meetings be suspended, and the same is by unanimous consent of the council hereby suspended, and this ordinance is passed to its third and last reading, and passed by unanimous vote of the Council on this the 2nd day of June, A. D. 1930.

(Signed) H. G. BODKIN, Mayor of Goldthwaite, Texas.
