MR. JOE CONNELY

"For over a year I suffered with muscular rheumatism,' said Mr. Joe B. Connely, 504 Bolknap street, Fort Worth. "My entire body was a mass of aches and pains. Finally I was forced to give up my work and was confined to bed. The pains were so severe that I had to be moved carefully and was belpless and bedridden for three months. My nerves were completely gone and I felt at times that I could not bear my suffering another day.

"I sent away for my first treatmennt of Konjola and was amazed at the results. Within three weeks I was able to get up and around without assistance. Gradually the pain and soreness left me and I began to feel my old self again. My nerves settled constipation was completely banished, and I do not remember when I have felt as well as I do now. Konjola certainly worked wonders in my case."

Though Konjola works quick ly, and many sufferers are greatly benefited in a week, a complete treatment of from six to eight bottles is recommended for thorough results-

50 Years' Use of Black-Draught

"Abour fifty years ago," says Mr.
Lewis G. O'Shields, of Porter sville, Ala., "my mother gave me the first dose of Black-Draught, and I have taken it ever since, when I needed a medicine for constipation. I have used this remedy all my married life, in raising my children.
"I have used Black-Draught for heartburn, as I have had spells of this kind, off and on, for years. This follows indigestion, and indigestion comes close on constipation." I have found that the heat

digestion comes close on a constipation.

"I have found that the best way to head off trouble is to begin taking Black-Draught in time. It relieves me of dizziness, tightness in the chest and backache.

"By getting rid of impurities Black Draught helps to

chest and backache.

"By getting rid of impurities, Black-Draught helps to keep the system in good order. I always keep it in the home, and have recommended it to many people, in my time."
