Local Post Office Has Business Gain

November, which celebrated the 25th anniversary of the establishment of parcel post service in the United States, showed a marked gain in receipts at the Goldthwaite post office, making it the largest November on record.

This An' That

Thanksgiving Day has gone but there are some things for which we Americans are still thankful, and a number of others that we are thankful that we do not have.

Now one thing we are thankful for is that our hunters are such Nimrods. These are the fellows who, emulating their Pilgrim forefathers, sally out into the forests and bring back fresh venison (yum-yum) and wild turkey, and set down to a true Thanksgiving feast with their families and friends.

We can tell a sad tale of eight hunters in a far-away village who fared forth and bagged two deer and one turkey. That wasn't so bad you might say. Oh, no? Well, it developed that the two bucks had been killed by the negro cooks, and as for the turkey, it probably strayed into camp.

The Reader's Digest is always on the look-out for figures of speech which add color to the language. This from the Houston Post is what we call good— "Thanksgiving turkey only a bony memory."

CHURCHES

First Baptist Church

Christmas and the end of the year loom large on our horizon now and we make ready for the holidays and the entry of a new year. These will be busy days for Pa and Ma and all others of the family. They will not be much good, however, if we forget our obligations to worship and attend the things of paramount importance; the Spiritual. Songs and hymns and Scripture in these closing days of a dying year will have the thought of the times and sermons will reflect the season too.

All regular services will be held at regular hours:
Sunday school at 10:00.
Worship at 11:00 and 7:45.
B. T. U. at 6:15.
Mid-week service, 7:15.

The only variation will be to cancel the evening service on the night of December 11 in favor of the Glee Club Cantata at the school auditorium.

You are always welcome at our church.

Goodness, goodness! A Pittsburgh symphony orchestra director takes a jungle tune and makes it into an orchestral number. We're just waiting now for Toscanini to life some of our highly-touted swing music.

Athens Class

The Athens Class was entertained in the lovely home of Mr. and Mrs. Tom Toland Monday night of last week.

The forty members present with the guests, Mr. and Mrs. Lloyd Sykes, Mr. and Mrs. W. E. Miller and Mr. and Mrs. George Robertson, enjoyed an evening of forty-two and Chinese checkers.

After the games pie and coffee were served by the host and hostess.

A short program of songs was given by members of the class and were thoroughly enjoyed by everyone.

The officers for the coming year were installed. Mrs. Delton Barnett taking Mr. Cloninger's place as president. We are glad to have Mrs. Barnett, and we feel that Mr. Cloninger will continue his good work as superintendent of the Sunday school.

Mrs. Jim Cockrum was elected first vice-president, Mrs. Tate second vice-president, and Mrs. Tom Toland, third vice-president. Mr. Toland, secretary and treasurer with Mrs. Marvin Rudd as assistant. Mr. Bowman, teacher; Mr. Sansom, assistant and Mrs. L. J. Gartman, reporter.

We hope to have the pleasure of meeting in the Toland home again soon.

The First Noel

(Traditional)

The first No-el the an-gel did say
Was to cer-tain poor shep-herds in fields as they lay;
In fields where they lay keep-ing their sheep
On a cold win-ter's night that was so deep.

They look-ed up and saw a star
Shin-ing in the East beyond them far,
And to the earth it gave great light,
And so it con-tinued both day and night.

This star drew nigh to the north-west,
O'er Beth-le-hem it took its rest,
And there it did both stop and stay
Right over the place where Je-sus lay.

Then en-ter'd in there Wise-men three,
Full rev-er-ent-ly up-on their knee,
And of-fer'd there in His pres-ence,
Their gold and myrrh and frank-in-cense.

Chorus: (Repeat after each stanza)
No-el, No-el, No-el, No-el,
Born is the King of Is-ra-el.
(This is the first of a series of Christmas cards that will be taught to listeners over radio station KGKO at 6:30 p.m. Monday, Dec. 5, by the Director of Music of N. T. A. C. Arlington.)

Santa Fe Profit Best in 3 Years

Galveston, Texas, Dec. 1.—Santa Fe's net railway operating income for October was \$2,804,790 according to a statement released today by President S. T. Bledsoe. This is an increase of \$1,556,139 over October of last year, and \$353,883 over October, 1936.

Gross for the system was \$15,241,355, a decrease under October, 1937 of \$379,306 or 2.43 per cent. Operating expenses were \$11,184,493, a decrease of \$1,814,742 or 13.96 per cent under the same month of 1937. Railway tax accruals were \$1,322,576.

Howard Payne To Play Saturday

With the Texas Conference championship safely stowed away as a result of an undefeated record in conference play, the Howard Payne Yellow Jackets face their traditional foe, the Hardin-Simmons Cowboys at Brownwood, Saturday. This contest, long a Texas grid classic, will be the highlight of homecoming festivities for hundreds of Howard Payne exes.

The Jackets' 7-0 victory over the Southwestern Pirates last week was earned at a dear price. The hard fought win cost them the services of Waymon Wilson, who turned in one of his best performances of the year. The loss of Wilson was a serious blow to the Jacket offense. However, James Minor, the boy who scampered 75 yards for a touchdown that marred the Cowboys undefeated, untied record of last

Mt. Olive 4-H Club

W. P. Weaver came to Mt. Olive Tuesday, Nov. 22, to see the club boys about helping with a 4-H Club paper. It was unanimously voted to help with it.

We held our club meeting while Mr. Weaver was here. Six members were present.

Mr. Weaver taught us how to fix our reports for this year's project.—Reporter.

Post Season Game Is Evenly Matched

H. D. Agent Will Not Convene With Clubs This Month

I will not meet with the Women's Home Demonstration Clubs during the month of December. I will be busy in the office with annual reports, Girl's 4-H Clubs, and plans for 1939.

I suggest that the clubs continue with their work on patterns the first meeting in December, and for the second meeting have some type of Christmas entertainment.

The Mills County Home Demonstration Council will meet Saturday, December 3, 1938 at 2:00 o'clock in the District Court room.

EMMA SCOTT,
County Home Demonstration Agent.

Rat Campaign To Start Dec. 17.

We are pleased to announce that J. E. Boog-Scott, Jr., Bureau of Biological Survey, San Angelo, will assist the County Agent in a "Rat Campaign," December 17. It will be remembered that a very successful campaign was carried out last year under direction of Mr. Boog-Scott, and the rat population of the county was greatly reduced.

The County Agent will give further information concerning this campaign through the local papers and through the schools.

Singing Convention

There will be a convention of singers at Mt. Olive Sunday, Dec. 4.

A number of out-of-county singers are expected to be present.

All people who enjoy good singing come and bring a basket for dinner.

Wm. B. HUGGINS, Chairman

S. E. Q. Club

The club met with Mrs. Glenn Nickols Tuesday afternoon. We pieced on a string quilt and some of the members embroidered.

There were five present. Mrs. Nickols served tuna fish sandwiches, oatmeal cookies, potato chips, and pickles and coffee, which we all enjoyed. Mrs. Ira Dewbre was our visitor.

We meet with Mrs. Tas Renfro next time.

We will plan our Christmas tree at our next meeting. We hope all of the members can be present.—Reporter.

Playing their final game of the 1938 season, the Goldthwaite High Eagles will meet the Gorman High Dragons on the Eagles' home field this afternoon at 3:00 p. m. Although this contest will have no effect on the present standing of either team, it will be a good opportunity for the followers of the Eagles to partly determine what the 1939 Eagle squad will be like, as the boys who will probably make up that team will be on the field at least part of the time.

The Dragons completed their schedule for this season last Friday when they were defeated by the Hico eleven, a team that held the Eagles to a scoreless tie in the third game that Goldthwaite played this year. The Eagles finished their 1938 program a few weeks ago when the Llano Yellow Jackets won 14 to 0.

The starting line-up for the Eagles will probably be as follows:

- FB, Sumter Gerald.
- LH, J. Langford.
- RH, Sheppard.
- QB, A. Smith.
- LE, D. Hogan.
- LT, D. Langford.
- LG, S. Graves.
- C, M. Miller.
- RG, Stoddard Gerald.
- RT, E. Dyas.
- RE, D. Denson.

Bids Are Called For Paving to Star

As forecast in The Eagle two weeks ago, announcement has been made that bids will be called on Dec. 21, for paving U. S. Highway 84 between Goldthwaite and the Hamilton county line at Star. The 14.7 miles will receive flexible base and double asphalt surface treatment.

Bid for paving U. S. Highway 190 between Lampasas and Lometa will be received at the same time. These jobs are included in 38 construction projects that will cost \$3,600,000.

Garden Club

The Goldthwaite Garden Club will meet Wednesday, December 7, at the home of Mrs. W. J. Weatherby.

Hostesses: Mmes. W. J. Weatherby, Walter Summy, Jim Weatherby, Jim Brim, H. B. Johnson and the following program will be given:

Urges Support of Christmas Seal Sale

AUSTIN.—Widespread support of the Christmas Seal Sale which finances the work of the national, state and local tuberculosis associations was urged this week in the following proclamation issued by Gov. James V. Allred at Austin:

"The advent of the Christmas season with all its prospective pleasures brings to mind the joy and satisfaction arising from the ability to make others happy. For many years there has been conducted an annual nationwide sale of Christmas Seals by the National Tuberculosis Association and its affiliated organizations, the proceeds of which furnish the financial means that aid and accelerate the triumphant endeavors of the medical profession and benevolent and charitable organizations to curb tuberculosis.

"Confronted as we are with the necessity of continuing this important battle, now that fruits of victory have been achieved in large measure, as is indicated by statistics compiled by the National Tuberculosis Association and by various public and private instrumentalities which have undertaken in the interest of humanity to suppress completely this preventable and curable disease, to the end that future generations may profit and benefit by the diligent and determined efforts to eradicate tuberculosis to the footnotes of medical history.

"NOW, THEREFORE, I, JAMES V. ALLRED, Governor of the State of Texas, do hereby proclaim to all our people THE ANNUAL SALE OF CHRISTMAS SEALS to be conducted from November 25th, 1938, to the beginning of the year 1939, at the same time urging them to lend every support to this great humanitarian endeavor by purchasing these 'seals of health' thus insuring that the benevolent work of eradicating tuberculosis may be consummated."

Bro. Green preached for us Sunday, so will not be with us the fourth Sunday as was announced. He sent us word of the change and tried to get it here in time to go in the paper, but the notice came the day the letter went off. We got the word pretty well distributed anyhow. The house was full, and we were glad to see so many of our neighbors out. Bro. Green expects to be with us again the third Sunday in December.

Mrs. Lula Kelly is sick again. Her daughters, Mrs. Frank Crowder and Mrs. Lloyd Neal have been waiting on her.

Several of our men have been off on the merry hunt this past week. Billie McNurlin took his family to the Pleas McNurlin home at San Saba Tuesday where they spent two days while he and Pleas went off on the hunt. Mr. and Mrs. Henry Egger and Mr. and Mrs. Cecil Egger went down near San Antonio. Mr. Day and his brother went to Kerrville. Dale Reid and Jim Jamar went down below San Saba. No one seems to have brought back any venison yet except Mr. Day and it has not been confirmed whether he bought it or caught it.

R. M. Haynes left Sunday for Missouri to visit his people there. Miss Odene Russell returned this week from visiting friends in San Antonio.

Mr. and Mrs. Orville Egger spent Sunday with Mr. and Mrs. Beeman.

Mr. and Mrs. Billie McNurlin and children spent Sunday at the P. R. Reid home, and Mr. and Mrs. Wood Roberts and Mr. and Mrs. Charm Whittenburg visited there Sunday after church.

Little Joe Hubert Reeves came out to church for his first time Sunday. He and his parents visited with Mr. and Mrs. John Briley after church.

Miss Vivian Day spent Armistice Day at Abilene where she attended the A. C. C. homecoming.

Mr. and Mrs. Stanley Reeves and Charles Stanley Roberts

have moved into one of Mr. Jernigan's houses.

Mrs. Dollie Langford visited in Lampasas Sunday.

Mr. and Mrs. Tip Roberts visited Mr. and Mrs. W. B. Wilcox Sunday afternoon.

Mr. and Mrs. A. Murphy visited Mr. and Mrs. John Duncan Sunday.

Geo. Brooks is working at North Bennett this week. He is building a rock and brick fireplace in Clarence Geeslin's new home.

Earnest Geeslin and boys called on Geo. Brooks Sunday.

Mrs. A. D. Kirk and baby and Mrs. Geo. Brooks called on Mrs. Shirley Nickols Friday evening.

visited Dr. and Mrs. May at Brownwood Sunday afternoon.

Louis Perkins, Orville Egger, and Ernest Russell are working on a tank for Mrs. Nellie Malone.

Oll Dwyer is still at the hospital at the time of this writing and doing as well as could be expected. He is scheduled to be brought home Tuesday.

P. R. Reid took a truck load of calves to Fort Worth Sunday night. He says he struck the market good.

Louis Honea of Brownwood hauled off two big truck loads of calves from this community Monday. He purchased them from Earl Day, Jim Tippen, and Mrs. Effie Egger.

E to FACE, Mileage Merchant can give you these straight reasons for winter starting oil savings your engine OIL-PLATED... than an change!

SEE how refreshing it is, the way Your Mileage Merchant—here in the paper and at his Conoco station—backs up his statements about Germ Processed oil. It brings you more than an oil-change, because right after it is pumped up from the crankcase like any oil, it does something any oil cannot do. Energized by the Germ Process—patented—it bonds to every working part and stays up lastingly in the form of OIL-PLATING. Even grindstones can scarcely remove OIL-PLATING, so it certainly cannot drain down while your car stands cold—no matter how long. Therefore the instant you want to start up, every engine part swiftly and safely slides into action on its ready OIL-PLATING—the lubricant that plainly can't be held back by any cold; that can't hold back your battery. The quick starts tell you there's no grinding wear in your OIL-PLATED engine. It won't get hoggish with your Conoco Germ Processed oil, another good straight reason for you to change to Your Mileage Merchant today.

There was Sunday school and church Sunday morning and J. C. Wade also preached Sunday night.

Those who didn't go to Center Point Sunday night to the singing missed a treat. The singers from Mullin were good. There were several quartets of ladies and also a duet by two men. One young lady who did go to school here when a small girl was one of the singers, Miss Gwendolyn Westerman has a nice alto voice.

The cold weather has been fine. Some have killed one or more hogs, others will kill before Christmas if the weather is allright.

Remember Sunday is singing day at Mt. Olive. Let's take our lunch and go and hear some good singing.

E. D. Roberson is enlarging some of his rooms which will be more convenient.

Mr. and Mrs. Harry Boyd are the proud parents of a nine and a half pound daughter, born Nov. 27. We welcome this young lady into our community.

James Nickols and wife and Wesley from town enjoyed themselves at Mrs. Stark's Saturday night at the party. This was Wesley's first party.

Mmes. Rudolph Cook and Eula Nickols visited in the Boyd home Monday afternoon.

J. C. Wade and J. O. McClary were Sunday afternoon visitors in the Boyd home.

Philip Nickols and mother visited with Gus Hardendoff and Otis and Bessie Hutchings at Center Point Thursday night.

Clifton Boyd spent Sunday night with James Roberts.

M. R. Circles and Duce Bohannon went to San Saba Saturday afternoon to join the Circle boys in a hunting trip.

Gus Hardendoff from Houston, a cousin of mine took Mrs. Nickols and Mrs. C. H. Ford from the city and Otis and Bessie Hutchings from Center Point to San Saba, Llano and Buchanan Dam last Wednesday.

H. D. Club Meeting

The Goldthwaite Home Demonstration Club met with Mrs. Claude Eacott Tuesday, Nov. 22. There were eighteen present including four new members and two visitors.

After a short business meeting we took up grafting of foundation patterns and a skirt pattern was almost completed for our hostess.

At our next meeting, which will be with Mrs. Winsor, Tuesday, Dec. 13, Miss Scott will meet with us to make up the meeting we missed while the pattern school was in session.

Every member please be present and bring your material for your foundation waist pattern: domestic, pins, needle, thread, tape measure and the best plain fitting commercial sleeve and waist pattern that you have.

It is the duty of each club member to cut and fit at least one foundation pattern, therefore everyone who has been fitted in a skirt pattern please cut and fit one for some other member of the club so we can soon check them and start the waist pattern.

Mrs. Furr has printed a copy of each graft sheet and each member may get your copy of sleeve and skirt by calling at her home for them. If every member has studied these sheets before we meet our cutting will be much faster and easier, so please gett yours and study it.—President.

Kluge—Hill

The marriage of Miss Lena Bell Hill and R. J. Kluge took place at the bride's home at 12 o'clock, Wednesday, November 23.

The brides is the daughter of Mr. and Mrs. S. J. Hill of Star. She is a graduate of Star High School and is well known in the county.

The groom is the son of Rev. Kluge of Priddy. He is now the band director at Hico and is a graduate of Howard Payne College.

Rev. Kluge performed the marriage ceremony after which the happy couple departed on a short honeymoon at Corpus Christi.

Miss Enna Kluge, sister of the bridegroom, served as maid of honor and R. M. Edgar, Jr. was best man.—A friend.

Houston Mill Has Huge Plant

The new Houston Milling Company with a milling capacity of 4,000 barrels of flour daily and 1,000 barrels of corn meal each 24 hours, is the largest individual flour mill in Texas and one of the most modern in the entire United States. Not only does it provide direct employment for the wage earners of approximately 300 Houston families, but indirectly it contributes to the support of literally thousands of Texans engaged in farming, transportation, merchandising, and other activities.

Grains amounting to a dollar value of \$6,250,000 were handled and to a great extent processed into flour, meal, and feeds in this modern plant. The company has paid \$518,194.50 on unbound grain shipments, to the railroads serving this territory during the past twelve months; and in addition has paid \$232,581.62 to railroads and steamship lines on outbound movements of American Maid Flour, Corn Meal and Arrow Feeds.

While this milling operation is truly a "Texas institution" it actually serves an international trade, shipping flour, meal and grain products to all ports along the Gulf Coast and eastern seaboard as well as to the West Indies, England, Holland, France,

Thanksgiving and Birthday Dinner

Mr. and Mrs. A. C. Langlitz were pleasantly surprised Thursday when several of their children and their families arrived to celebrate Thanksgiving and Mrs. Langlitz's 68th birthday. However Mrs. Langlitz was ready for the surprise with a turkey dinner.

Mrs. Herman Landrum presented her with a large birthday cake.

The day was pleasantly spent, this being the first time their 7 grandchildren had been together.

Those present were: Mr. and Mrs. B. J. Elliott, Jack, Dean and Wilma, of Eastland; Mrs. Frank Karnes of Center City, Mr. and Mrs. W. C. Karnes of Bangs, Mrs. Luther Ward, Carol and Colburn of Goldthwaite, Mrs. Wayne Reynolds and Sue Frances of Mullin, Mr. and Mrs. Herman Landrum and Harold of Abilene.

Although the Jackets have not fared so well outside conference competition, the Texas Conference champions have not been scored upon by a conference opponent. A scoreless tie with ACC is the only blemish on an otherwise perfect conference record.

Hardin-Simmons has only two blots on their impressive season's record. These were at the hands of the powerful Centenary Gentleman and the San Francisco Dons.

The only advantage that the Howard Payne team lays claim to is that traditional Howard Payne "spirit," which will be reinforced by hundreds of exes returning for homecoming.

Brownwood Shows To Aid Europeans

The Lyric Theatre, The Gem Theatre, The Queen Theatre in Brownwood along with 138 other movie theatres in Texas and New Mexico belonging to the Interstate Circuit, Inc., group will give the entire gross proceeds of their ticket sales on Wednesday, December 7, to the aid of peoples now destitute in Central Europe, according to an announcement made today by Mr. Karl Hoblitzelle, president of the syndicate.

Karl Hoblitzelle, a Christian German-American, visited Germany and Austria this year and was appalled at the terrible conditions that exist there. The persecutions of Protestants, Catholics and Jewish minorities in Central Europe so stirred Mr. Hoblitzelle that upon his return he determined to join the millions of Christians in this country in expressing his opposition to the ruthlessness and un-Christian acts of the dictator states.

The entire proceeds of all of the three Brownwood Theatres, without deductions for cost and expenses, will go to the American Joint Distribution Committee. The American Joint Distribution Committee has a record of 20 years experience in Jewish relief activities in Europe. This joint committee is also chief contributor to the National Coordinating Committee for aid of German refugees, an affiliation of 24 Protestant, Catholic and Jewish relief organizations.

THOSE TRAVELING OFFICIALS

According to the Texas Tax Journal the travel cost of State officials in Texas last year jumped from \$619,145 to \$1,963,457. Since this year is an election year, the cost will undoubtedly be still higher. These gallivanting officials are the ones who truly find it cheaper to travel around than to stay at home.

DON'T KID YOURSELF

In commenting on the belief of many that they "pay no taxes," the Kansas City Star says: "The complacency of millions over taxes would be sharply upset if a few facts were allowed to sink in."

The Star then takes a survey of "indirect taxes" made by a large life insurance company and shows what the man who thinks he "pays no taxes," actually pays in taxes each year.

Out of the \$960 annual income an \$80 a month worker receives, he pays \$10.29 a month, or \$123.48 a year, in indirect taxes that have to be added to the cost of necessities he buys, such as food, rent, clothing, fuel, light, recreation, insurance and dozens of other things—about 13 per cent of his income in this case. And the tax total increases as he earns more.

You are kidding only yourself when you laugh about taxes. The less you earn, the harder they hit you from an indirect angle, for they increase the cost of every necessity of life you buy.

HOME BUILDING IS NEWS

In a recent issue, the magazine Life published a handsome housing portfolio that should come as "news" to millions of American families.

The purpose of the portfolio is to point out that these families can build and buy far better homes than they now rent without increasing their housing budgets, with the aid of modern construction methods and long-time, low-interest mortgage loans.

Life does not simply illustrate a variety of homes, with dry-as-dust statistics concerning costs. Instead it takes four actual families, one each in the \$2000, \$3000, \$5000 and \$10,000 income groups, and discusses their housing needs, wants and ambitions. As it says, it "invited them to make their individual housing problems a laboratory test tube."

In pursuing this idea, it retained eight of America's foremost architects to design actual houses for these families. Two architects were assigned to each income level—one to plan a modern house, the other an up-to-date traditional house. It is pointed out that building costs in 1938 average a full ten per cent below 1929—and that it is impossible, for the same amount, to build a far more efficient, attractive and livable home than you could build ten or twelve years ago.

"This country needs home building on a vast scale. It needs it because so many families today live in inadequate houses, and can afford better. It needs it because residential construction provides a big answer to the recovery problem. Every dollar spent for a home creates an hour of labor for a workman. It stimulates the great heavy industries, such as metals, cement and lumber, which are now dormant. Life, and other publications which have taken an interest in this question, are performing a fine service by dramatizing home-building to the public."

THE TIME TO MAKE PEACE

Said Benjamin Franklin, sagest of American statesmen and philosophers: "There never was a good war or a bad peace."

With America racing towards the brink of hostilities, let us reverse the usual process and think of peace beforehand. Force engenders force. Retaliation, rebuff, recriminations, where do they lead us in times like these? Is not the present the accepted time for sober second-thought?

The United States has withdrawn its ambassador to Germany. The Germans have retaliated with a similar gesture. The United States has maintained for some years an unofficial boycott of German manufactures, and now an official boycott is being urged.

The United States has expressed itself volubly and without restraint on the Jewish situation in Germany. Palpable anti-Nazi propaganda is being disseminated unchallenged throughout this nation. Where is all this leading us, if not to war?

The American people do not want to fight the German people. We do not believe that the German people desire to go to war with our people. Surely there is an amicable, civilized way in which to settle matters. At any rate let us give it a trial.

It makes no difference what we think of Germany's rulers, Germany is now a powerful nation and a proud nation. Rattling our sabers and shaking our fists will not intimidate her. Heaping abuse upon her government will not abash her. Nor will it make her disposed to seek an amicable settlement. We do not condone in the slightest degree any of the proved wrongs which Germany has committed. But we do say they are not yet sufficiently grave to justify our going to war over them, and we seriously doubt whether a war will ever be the sensible solution of national differences, no matter how grave.

If what we are saying and what we are doing is not making for good feeling, why continue it? Every denunciation heaped against Germany for her treatment of the Jews has resulted only in further indignities for them and increased rancor toward us. If we are not getting anywhere with our present policies, let us change them. Let us practice towards Germany some of the restraint and good feeling with which we insist she should treat the Jews. Let us seek means of increasing our common trade to the mutual benefit of both nation rather than add to the barriers already existing. Let us do more thinking and less shouting. Let us bring to use our well-known common sense.

This paper is not pacifistic. We have urged and still urge an adequate defense force for the protection of our nation. But the emphasis must remain on the defense.

Voltaire, wise old Frenchman, when informed of impending war, testily said: "Won't it be necessary to make peace after the war? Well why the devil don't they make it at once, then?"

Why don't we?

THE SIN OF LYING

LESSON TEXT—Exodus 20:16; John 8:44-47; Ephesians 4:25.
GOLDEN TEXT—Behold, thou desirest truth in the inward parts.—Psalm 51:6.

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

"God is truth. The word truth describes the very nature of God. Lying, therefore, reveals a character opposite from God. Satan is a liar. He was a liar from the beginning and is spiritually the father of all liars. A lie does not necessarily have to be an untruth. A statement of a truth may be a lie if its purpose is to deceive. A half truth may be the worst kind of a lie. Satan's lies . . . are usually mixed with truth." Consider "modernism, which has enough truth in it to make it accepted by thousands of people, but sufficient error to deprive it of any power to save souls" (L. D. Higley).

I. Forbidden to Lie (Exod. 20:16). This commandment specifically forbids perjury, which is one of the worst forms of lying, because it may result in the forfeiture of the very life of a fellow being. It is obvious, however, that it includes all forms of lying, whether in business, in social contacts, in the home, or in the church. We might do well to consider what the Bible has to say about whisperers, talebearers, backbiters, and others (see Lev. 19:16; II Cor. 12:20). A man's reputation may be as easily ruined by a whispered lie over the back fence or the luncheon table as by formal perjury in the courtroom. "Thou shalt not bear false witness" at any time, anywhere, or in any way.

II. Fountain of Lies (Matt. 15:19, 20).

Our constant concern for the body that it may be healthy, clean, and well groomed is commendable up to the point where it becomes an attempt to "glorify" the flesh. But after all, the body is not the most important thing. The heart is what makes a man (read Matt. 15:7-11). But what comes out of man's unregenerate heart? What a horrible catalogue we read in verse 19! It is not what a man eats or what he wears that makes him, but what is in his heart. How foolish then to hope to redeem humanity by improving housing, having better schools and bigger playgrounds. All these are desirable, but the one thing needful is that man's heart be washed in the blood of the Lord Jesus Christ, that he be born again.

III. Father of Lies (John 8:42-47). Liars had better consider their "family tree" and see how they like their spiritual father. He is lustful, murderous, and there is no truth in him (v. 44). If you belong to that family would you not like to change families and be born into God's family.

As we have already suggested, the prize lie of Satan is modern religious liberalism. We quote again from Mr. Higley: "The first lie was told by Satan and it brought about the fall of the human race. The last lie . . . by Satan is being told even now . . . in the form of modernism, that makes the Church impotent even to save its own people." Let us have no part in putting forward this falsehood.

Note that in verses 45-47 Jesus challenges His enemies to convict Him of sin or of falsehood. No one has ever been able to meet that challenge. Even those who deny His Godhood and Saviourhood speak swelling words of commendation of His pure life and exalted moral teaching. If then He told the truth about other things, surely He spoke the truth about Himself. The claims He made for Himself as the Son of God and the Saviour of the world are plain and unmistakable. If we deny them we either make Jesus a liar, or we lie ourselves, and it is obvious that the latter is the case.

IV. Forsaking of Lies (Eph. 4:25). "Wherefore" refers us back to the preceding verses where we are told how, as Christians, we have put off the life of the "old man" (v. 22) and put on the "new man"; therefore we are to live in true holiness. But evidently the Ephesian Christians still fell into their old heathen habits of lying. Would that the tendency had died out with the early Church, but as a matter of fact, it seems to have become aggravated as the years have come and gone.

Being in Christ—members of His body and thus united to one another in Him—should make us scrupulously truthful toward all men. Let us—*which means you and me*—scrutinize every relationship of life and be sure that we have not by word, act, or inference told lies. Think carefully of your family life, your church life, your community life. Deal with such practical things as grocery bills, taxes, tendencies to gossip. We preachers need to consider our sermons. Are they true to God's Word? Are they honestly prepared? Do we "stretch" our illustrations to make them effective? Surely all of us who bear the name of Christ must put away every form of falsehood.

Getting the Breaks

THE MEN WHO GET THE BREAKS usually earn them! Tad the famous cartoonist, said that a man may work for twenty years and then suddenly become famous in twenty minutes. In twenty minutes he gets the breaks, but there are twenty years of work behind them.

O. Henry wrote for years without being able to sell a single story. At the time it probably seemed to him that he was doing work without being paid for it. Gradually he became a master craftsman. Then he began to get the breaks. He collected pay for his years of toil at a rate as high as a dollar a word.

I called on a sales manager recently whose firm is working day and night, employing hundreds of men. "Our plant is busy now," he said, "because even when times were the hardest we kept pounding away. We made calls. We sowed the seeds of service. Now, we are harvesting the rewards of our faith and work."

Getting the breaks is seldom a matter of blind luck. Behind the breaks are usually years of toil, study, courage, faith. When we deserve the breaks they are most likely to come.

Whooping Cough Still Uncontrolled

AUSTIN.—"Some communicable diseases are measurably controllable from a public health point of view. However, whooping cough is not yet one of them. It appears and spreads rapidly despite every effort to hold it in check. Because of the great difficulty in applying effective measures, many parents consider this childhood trouble as inevitable. They foolishly argue that since their child is bound to get whooping cough anyway, the sooner it is history, the better," states Dr. Geo. W. Cox, state health officer.

"It is true that many older children do not appear to suffer serious consequences from this disease, nevertheless in this group pneumonia and tuberculosis sometimes follow in its wake, which is serious enough. But when the attack is experienced by the very young, it is likely to be extremely dangerous. For example, of the whooping cough deaths in Texas during 1937 totaling 337, 95 per cent were under five years of age," Dr. Cox pointed out.

"While it is impossible to keep children from other youngsters, parents must realize that a cold actually may be the forerunner of whooping cough. Once this possibility is appreciated, a physician will be summoned when a cold evidences it self and the child prevented from mingling with other children. It should be understood that it is at this period of the attack, usually before a diagnosis has been made, that whooping cough is most contagious. This rule may seem unduly harsh. However, if parents would apply it, there is reason to believe that the whooping cough incidence would decline, and perhaps markedly so. And in this connection, the necessity for early recognition of the disease in very young infants cannot be stressed too strongly.

"As it now stands, in most instances physicians and health officials have no knowledge of the case until the disease is well defined and usually noted by the parents themselves through the characteristic "whoop" in the cough. By that time the child has contacted many other children and has been the spreader of the infection. Moreover, the

possible damage to the youngster himself through this delay has been increased.

At best, whooping cough is a mean antagonist. It requires wholehearted and prompt cooperation not only on the part of the physicians and public health officials but by parents also. Until this happy combination is more generally recognized the likelihood of definitely diminishing the present power of whooping cough will continue to be slim.

CLUB

Memorial Club has made good progress since a few weeks ago. Plans have been planned and all activities for the year have been definitely defined.

At the second meeting on November 8, the club voted to hold its annual Constitution and appendices for State-affiliated clubs.

At the November 22, the program for the year was announced. The subject was "The Good Citizen" and excellent speeches were made by the following: Mr. Jones, Mr. Smith, Mr. Brown, Mr. White, Mr. Green, Mr. Black, Mr. Grey, Mr. Blue, Mr. Yellow, Mr. Red, Mr. Purple, Mr. Pink, Mr. Orange, Mr. Silver, Mr. Gold.

At the December 6, the club adjourned to meet on Tuesday, December 13, for its final meeting.

The class received the news that their rings were available at any time.

When we consider, the class of any G. H. S. ring, it is a finger is sparkling beauty.

REPORT

All enjoyed a delightful trip to school. The year is about to end that means more and more.

The class has been very well this year and we hope to keep up our good work.

Say you saw it in The Eagle!

FACULTY SPENDS THANKSGIVING

Even though the Thanksgiving holidays give the students a chance to forget some of the excess intellectual avoirdupois with which they have been burdened since Armistice Day, not a few of the teachers used the freedom to attend the Texas Teacher's Association Convention.

Those attending the meeting of the association which met at Dallas were Supt. A. H. Smith, Miss Love, Mrs. Marshall, Mr. Stephens, Mrs. Barnett, and Miss Sivells.

These instructors who did not go to the convention spent their holidays as follows:

Mr. Peterson went to Jacksboro, Texas; Mr. Henry went deer hunting in Old Mexico; Mrs. Baker went to Lamesa, Texas; and Mr. Cloninger went to Brownwood Thanksgiving Day to see the Hoyard Payne-Southwestern football game.

NEW HIGH SCHOOL TEACHER

James D. Rogers has been added to the faculty of the high school. Mr. Rogers will teach history and do study hall work. In addition to his teaching work he will serve as assistant coach.

Mr. Rogers was reared in Quanah, though he comes here from Brownwood, where he has been living the past few years. He is a graduate of Howard Payne College where he had special training for teaching, and also made quite a record as a football player. He comes highly recommended as a student and as a Christian gentleman.

As soon as he locates suitable living quarters his wife will join him.

FFA FATHER-SON BANQUET TO BE HELD TONIGHT

The FFA Father and Son Banquet will be held tonight at the Methodist Church.

It is expected that over 130 fathers and sons will attend the affair.

The principal speaker of the evening will be Joe Adams, head of the By-Products Department of Swift and Company at Fort Worth.

We have asked the Home Economics girls to serve the meal.

DIDJA KNOW? DIDJA?

Question of the week: What's this we hear about "men at work" on the Goldthwaite Mountain?

We are wondering why Ellis makes so many right-hand turns. Who said the students of G. H. S. were not loyal? They don't even desert the campus at night.

Have you heard of the blue roadster which has been frequenting this community lately. They say the mysterious driver is rather large.

We've been wondering some more. This time it's the long, drawn look on the face of a certain senior boy? Could it be because a girl has withdrawn from school? Are we right?

Wealth of U. S. The following figures, which have been widely published and quoted give very interesting facts in regard to what we have in our great country: The United States contains 6 per cent of the world's area and 7 per cent of its population. It of the world's coffee, 3 per cent normally consumes 48 per cent of its tin, 56 per cent of its rubber, 21 per cent of its sugar, 72 per cent of its silk, 36 per cent of its pig iron, 47 per cent of its copper, and 89 per cent of its crude petroleum. The United States operates 60 per cent of the world's telephone and telegraph facilities, and 80 per cent of the motor cars in use, operates 33 per cent of the railroads. It produces 70 per cent of the oil, 60 per cent of the wheat and cotton, 50 per cent of the copper and pig iron and 40 per cent of the lead and coal output of the globe. The United States possesses almost \$11,000,000,000 in gold, or nearly half of the world's monetary metal. It has two-thirds of civilization's banking resources. The purchasing power of the population is greater than that of the 500,000,000 people in Europe and far larger than that of more than a billion Asiatics. From the above it would seem that our trouble is in having too much of everything. There is no scarcity of raw materials or manufactured goods and on the whole, in spite of unemployment we are living pretty well. It may be that our progress in some lines has been too rapid and that we need to slow down and get things adjusted. Not long ago the writer read an article in regard to Italy, given as an interview with a former American citizen who, thinking he had enough to live on in comfort for the remainder of his life His money was promptly taken over by the government and he was allowed to draw only enough for a bare living. In Italy the common people go without shoes that more warships may be built and more soldiers fed and equipped. There is no freedom and one dares not express his own opinion. Such is the lot of the common man in Italy, whose leader bluffs and blusters and claims he can whip the world. Menard News.
