## FARM BUREAU ASSOCIATION BEING REORGANIZED IN COUNTY

type of Physical Education Needed

By George C. Hester

After a period of more than fifteen years of inactivity throughout most of the state of Texas, the Farm Bureau is being brought back to life again. A systematized campaign is now going on over the entire state for new members and in each locality the membership drive is meeting with much success.

Three reorganization meetings were held in Mills county this week with the first meeting being held at Priddy Monday night, when a large crowd of interested farmers met to discuss problems that confront the farming people of the day. At this meeting County Agent Sam von Rosenberg, made an interesting talk on bettering the farmers plight against today's marketing opposition and obstacles. Arthur E. Gromatzky, of the AAA office of Mills county, discussed at length the federal farm program, especially acreage reduction in farm planting for 1941. G. R. Goosby, administrative officer of the AAA in Mills county discussed the Cotton Stamp proposition and gave other statistics in reference to the need of better operation among the farm producers of the nation and furnished much valuable information as to the accomplishments of the National Farm Bureau.

At the close of the meeting it was decided to organize a unit of the Farm Bureau at Priddy and the following were elected as temporary officers: Will Limmer, chairman and J. H. Priddy, secretary-treasurer.

Tuesday night a similar meeting was held at Mullin with officers being elected as follows: A. A. Downy, chairman, and E. L. Burkett as secretary-treasurer.

Wednesday night another such meeting was held at Star when the following were elected after a very interesting meeting was held: W. E. Hill, chairman and W. D. King, secretary-treasurer.

Three more interest arousing meetings are scheduled to be held through Mills county next week with a purpose discussing the many advantages of the Farm Bureau for the Texas farmers and also discussing the federal cotton stamp program and probably other things of interest to the farmers. Monday night the first meeting of the week will be held at Ebony, Tuesday night at Mt. Olive and Wednesday night a general mass meeting is planned to be held at the District court room in the court house here in Goldthwaite. Everyone directly or indirectly concerned about the farming interest of Mills county as well as the farming interests in general, is urged to be present.

It is said that a number of big meetings have been held over the state recently, and much interest is being shown toward a more complete cooperation among the farmers than at any time in the past. This movement prevailed several years ago in Texas and was allowed to die down. In many of the farming states, especially the corn growing states of the middle and north, the Farm Bureau is stronger now than at any time ever before. Especially is this true of the state of Illinois, where most of our federal farm program has been planned and put into operation by representatives to congress who represent that state.

The Eagle has been asked to state that a good sized crowd is desired at the court house Wednesday night of next week where the merits of the National Farm Bureau will be discussed by those who are in a position to know its merits.

## Another Goldthwaite Man Prepares For Defense Work

A young resident of Goldthwaite who is playing a vital role in the nation's preparedness program is Orville Huffman, son of Mr. and Mrs. J. W. Huffman of

ORVILLE HUFFMAN

this place, a recent enrollee in a Dallas Aviation School. He is taking a master mechanic's course.

While attending Goldthwaite high school, from which he was graduated in 1939, Huffman was a member of the football and track teams.

In addition to its commercial branch, where 250 students are enrolled, the Dallas school also gives primary flight instruction to U. S. Army Air Corps flying cadets as well as specialized training in aircraft mechanics to enlisted men in the army.

## Mills County Girl Directs Musical At Denton College

Miss Grace Briley of Ebony, daughter of Mr. and Mrs. John R. Briley, is one of the advanced music students at Texas State College for Women at Denton who is directing the dormitory singing-song contestants in preparation for the annual inter-dormitory competition.

Meeting with students daily, Miss Briley is planning musical arrangements and working with singers in Capps Hall, a senior dormitory. The ten groups of contestants will appear in college assembly April 29, at that place and winners will receive a silver loving cup for their dormitory.

## CENTER POINT SCHOOL VISITS EAGLE OFFICE

The Center Point school pupils composed of the following: Otto Truitt, Charles Utzman, Earline Perry, William Conner, Lewis Conner, Lindberg Spinks, Charles Edward Davis, Pansy Perry, Alvis Hamilton, and Betty Lou Truitt, with their teacher, A. L. Shelton, in charge, visited in Goldthwaite on a sightseeing tour Thursday and called at the Eagle office for a few minutes to get an inside view of how a newspaper is made.

## Choral Club Of Southwestern University Coming

The Southwestern University Chorus, of Georgetown, will appear in the auditorium of the First Methodist Church in Goldthwaite, Thursday evening, April 3, at 8:00 o'clock.

The Chorus is under the direction of Miss Aroxie Hagopian, Head of the Voice Department, an excellent director and possessor of a rich dramatic soprano voice. Miss Hagopian is a graduate of Oberlin of Ohio, Juillard in New York City, and had four years in graduate training in grand opera in Dresden. The program consists of solos, ensembles, well varied in repertoire, but of the highest type.

The Southwestern University Choir has gained an enviable reputation during the last few years, being well-received on several transcontinental tours, including performances in Chicago, Baltimore, Washington, D. C., Richmond, Atlanta, Birmingham, and other cities as well as Houston, Dallas, Austin, San Antonio and other Texas cities.

There will be no admission charged for this appearance and everyone who appreciates good music and singing is cordially invited to attend. There will be a free will offering taken.

## L.C.R.A. Purchases Power Systems In Seven Counties

Lower Colorado River Authority announced from Austin, this week, that complete purchase of electrical transmission facilities in parts of seven South Central Texas counties from Central Power and Light company.

As part of the same deal, six Texas cities acquired their local electric light and power distribution systems for municipal operation, and for a low schedule of rates to consumers similar to that applied in the 16-county area previously taken over by the Authority with Texas Power and Light company.

The Authority and cities immediately will begin operation of the transmission and distribution systems acquired from CP&L. The deal was closed at the federal reserve branch bank in San Antonio, and announced by Chm. C. R. Pennington of the Authority.

Cities taking over municipal operation in this deal are: Fredericksburg, Gonzales, Cuero, Waelder, Schulenburg and Moulton. Also turned over to the Authority were rural lines adjacent to these cities, and the distribution facilities in a number of small communities. All will be served by public power from the CRA multiple-purpose dams.

Counties in which the lines are located include Gonzales, DeWitt, Fayette, Lavaca, Colorado and Kendall.

## Greek War Benefit Show Expected To Attract Hundreds Here Sunday Night

All preparations are going ahead smoothly for the showing of "Manhattan Heartbeat" as the feature for the Greek War Benefit show which is to be given at the Melba Theatre, Sunday night, March 30, starting at 8:15 o'clock, according to Miss Annie Coleman, proprietor of the show. This benefit is given in accordance with a national movement to assist Greece in her effort to defeat Italy and will be used for the benefit of her thousands of refugees and wounded.

"There is to be no expenses paid out of the receipts of this benefit—every dime received will be used for direct Greek relief" according to Miss Coleman. The

## No Federal Aid Coming On Ebony Community Road

Recently a petition, signed by a large number of citizens of Goldthwaite and Mills County, was prepared and forwarded to Congressman Chas. L. South and other representatives from Texas in Washington, in regard to financial aid toward repairing the Mills county lateral road leading to the Ebony community and other points in northwestern part of Mills county and adjacent to the present artillery reservation. To this petition the following letter was received: The Goldthwaite Eagle Goldthwaite, Texas

"A letter signed by you and numerous other Mills County citizens, stating that the road leading from Goldthwaite to Ebony, and certain lateral roads in your county, are proving inadequate to handle civilian traffic, plus the demand made on such roads in connection with the training at Camp Bowie, has been received.

"From information furnished me by the War Department, the Bureau of Public Roads, and other officials with whom I have talked, it seems that no provisions have been made for the construction of roads of this type. They have expressed the opinion that you will have to work with and through the Texas Highway Department, and perhaps the Works Projects Administration. Since the mileage in roads of this character will be so great, they do not believe the Federal Government will be willing to undertake to finance them without assistance. There will probably be a few instances near the camps where traffic is heavy in which this rule will not apply.

"Hon. Wilburn Cartwright, Chairman of the Committee on Roads, tells me that he plans to introduce a bill in the next few days, providing for \$287,000,000, much of which will be used in connection with defense projects, training camps, etc. It is doubtful whether this bill will greatly change the policy outlined above, as it relates to your particular situation. A copy of this bill will be furnished Mayor Bodkin and Judge Gerald as soon as it is available.

"I realize that your problem is important, both to the citizens of Mills County and to the maneuvers which are being carried on in the vicinity of Camp Bowie, and I am anxious to assist in any way that I can."

Very sincerely yours, Chas. L. South.

Since the opening of this section of Mills county for the artillery range, traffic has been detoured, in many instances for those who formerly used roads traversing the present range, to roads that formerly were lesser travelled and in some instances many long convoys of heavy trucks have been routed over these rural roads, with a result that these same roads are now in, to a great extent, a bad state of repair.

It is true that a WPA project could be arranged to cover a greater part of the expenses for the construction of the road, to be matched by use of road equipment, etc. of the various commissioners' precincts of the county. This requirement would be difficult to meet due to two things. First, since the continued rains this winter, this equipment will be badly needed in various other parts of the county for road maintenance, and secondly, road equipment, when constantly used, will wear out and more money will be needed to replace this valuable equipment, which is not available at present.

The Ebony road is one of the most traveled, unimproved roads in Mills County today, and to remain open for care of this travel something must be done in the near future. This matter

## CONSTRUCTION WORK ON LIGHT PLANT TO START NEXT WEEK

### Tax Collections For 1940 Are Excellent

The tax collections for the current year beginning October 1st, 1940, and up to February 28, inclusive, for both county, rural school and road, totals \$27,602.74, according to Joe Frizzell, deputy collector of taxes under tax collector J. Hern Harris. This amount collected figures out a slightly less than 80 percent of the total rendition of the rolls which amounts to \$36,331.47. This is exclusive of State ad valorem. The final deadline of paying taxes before compiling delinquent rolls is July 1st at which time the total collections will probably exceed the past year and is expected to reach fully 90 per cent collection.

All unpaid taxes became delinquent after February first and are assessed a penalty of 1 1/2 percent per month and increases 1 1/2 percent each month until July when the penalty will reach 8 percent and after being placed on the delinquent rolls will require an extra payment of \$1 for redemption expenses.

The total state ad valorem collections for the above period is given as \$21,719.49, and is exclusive of the automobile license tax which is separate.

### Mills County Training Union

Time, March 30, 1941. Place, Long Cove Baptist Church.

Theme, "Our Training Union Task"

All the Baptist churches of Mills county are invited to attend the county meeting of the Training Union on next Sunday afternoon, starting at 2 o'clock. The program is as follows:

Song and devotional season led by Eric D. Roberson and Rev. Raymon Sims.

First, reaching them in training union—Through visitation and with programs, by the Goldthwaite Union.

Second, Training, Through weekly programs, by Mrs. Eric D. Roberson, and Training in Soul-winning, by Mrs. Harvey Boyd of the Long Cove Union.

Third, an Inspirational address, by District President Latimore Ewing of Brownwood.

Twenty minutes is allotted to each of these items.

### CITY ELECTION TO BE TUESDAY, APRIL 8th

The annual election of city aldermen will be held Tuesday, April 8th, according to a notice given recently by city secretary, Frank P. Bowman.

This election will be to elect four aldermen, two Neil Dickerson and E. B. Gilliam, whose terms expire and two to succeed Paul McCullough, who has moved from the city limits and Dr. T. C. Graves, resigned. The time limit for names to be filed with the city secretary having expired, the names of Messrs. Neil Dickerson, E. B. Gilliam, David Owen Clements and Howard Hoover will appear on the official ballot for election.

### CENTER POINT SCHOOL WINS VOLLEY BALL

Center Point school volley ball team won the county rural school championship for the fifth consecutive time, Wednesday night, when the championship was given them on default—there being no opposition. Previous championship was awarded to them on stiff competition, but for some reason or other they had no competition this year, according to A. L. Shelton, teacher of Center Point school.

is now receiving considerable discussion by the Mills County Commissioners court and citizens of the county who are affected by the road.

Final acceptance of the Goldthwaite Municipal Light and Power bonds by the bonding company and payment of the total amount of money, \$100,000 plus a small cash premium, on Saturday paved the way for the first step toward the actual construction of the new electric system for Goldthwaite.

In a letter to Mayor Bodkin of the city of Goldthwaite this week, the Garret Engineering Company of Houston states they will have a

**Ebony**

By Clementine Wilmeth Briley

Though this has been an unusually mild winter, we've hardly had a good washday since Christmas, but this week caps the climax with old rain, sleet, icicles, and trees encased in ice. We shudder and wonder how many of the weak little lambs will survive.

In spite of the prolonged winter, we thrill to the approaching footsteps of Spring. For we have found the enchanted turkey nest, have seen a robin in our woods, and have beheld once more wild plums in bloom along the creek.

Ebony's population increased immensely this past week when 2000 soldiers from Ft. Sam Houston, San Antonio, spread their tents overnight in the Whittenburg pasture near the dipping vat, making, as it were, a little city there. Now we see army trucks and soldiers everyday and everywhere. And do we feel important.

The oil rig was brought in last week and unloaded on Ben Egger's land near the Crowder pasture and the Charm Whittenburg place.

Most of the men from Ebony, who were laid off recently from Camp Bowie, went back to work last week.

Mr. and Mrs. Earl McCaleb of Anson and Miss Earlene Day of A. C. C. spent the week end at

the Day home and attended church here Sunday.

Mr. and Mrs. Ralph Wilmeth and Lucy Gale of Dublin attended church here Sunday and had dinner at the Wilmeth home.

Clayton Egger of Doole attended the Mid-Texas Teacher's Association at Brownwood last week and also visited his mother, Mrs. Effie Egger.

Mr. and Mrs. W. C. Whittenburg and children and Mr. and Mrs. Jack Williams spent Sunday with Mrs. Hattie Whittenburg and Mr. and Mrs. Edward Egger. Mr. and Mrs. Raleigh Egger and Pat of Brownwood also called in the afternoon.

Lillard Wilmeth of Camp Bowie spent the week-end with his parents, Mr. and Mrs. J. R. Wilmeth, and attended church here Sunday.

Mr. and Mrs. P. R. Reid and Wood Roberts attended a family dinner at the home of Mr. and Mrs. Richard Mayfield in Brownwood Sunday. Other guests were Mr. and Mrs. Dale Reid and baby, Charlie Roberts, John Mashburn, and Darvin Roberts.

Mr. and Mrs. Austin Cawyer and Ednabeth of San Angelo attended the Mid-Texas Teacher's Association at Brownwood Friday and spent the rest of the week-end at the Dwyer home, leaving Sunday morning to spend part of the day with Mr. Cawyer's mother at Mercury.

Mr. and Mrs. Ira Egger are

staying with Mr. and Mrs. Orvel Egger. Ira is plowing for J. R. Reeves when the weather will permit.

Louis Perkins and his tanking crew are working on government tanks in this community. They worked on one for Mrs. Nellie Malone last week.

Mr. and Mrs. Nelson Williams and children of Comanche spent Saturday night with Mr. and Mrs. Cecil Egger. Sunday they with Mr. and Mrs. Cecil Egger and Ynelle joined Mr. and Mrs. Ira Egger at the home of Mr. and Mrs. Orvel Egger making the reunion of the Ira Egger family complete.

The H. D. Club will meet Friday afternoon, at the home of Mrs. J. R. Briley. There will be some discussion of the mattress making and the cotton stamp plan will be explained.

The most important thing in our community these days is the presence of the soldiers. They surround us with their maneuvering. We hear a lumbering, and here comes the army trucks in a great, long line. Sometimes the foot soldiers pass. Sometimes we find just two or three, off duty, roaming the woods, a home sick look in their eyes that tugs at our heart. We have a feeling of profound respect for these boys called away from their homes to train for the defense of the nation. If we just knew they would never have to go, we would feel much better about it.

A few of the soldiers were out at church Sunday. Also a few who have lately moved in the neighborhood were out. Mr. Stapleton from the Sawyers place and Mr. and Mrs. Ledford from the Reeves place were present.

On the second Sunday in April, which will be Easter Sunday, Bro. Boyd Denman of Goldthwaite will preach for us in the afternoon.

Noel Haynes, who works in the office of the Highway Dept. in Brownwood, spent the week end with his parents, Mr. and Mrs. R. M. Haynes.

Mr. and Mrs. Frank Crowder have received word from their son, Neuma, who is working in San Angelo, that he has been called to go into training the latter part of this week.

Mr. and Mrs. Johnnie Egger were called to Coleman Saturday on account of sickness in the family. Mr. and Mrs. Y. Jack Egger of Brownwood came down to attend to their things while they were gone.

John Mashburn, who works at Camp Bowie, spent the week end with his parents, Mr. and Mrs. Claud Mashburn.

Mr. and Mrs. Ira Egger and Mr. and Mrs. Cecil Egger and Ynelle spent Sunday with Mr. and Mrs. Henry Egger at Regency.

Mr. and Mrs. B. Singleton are staying for the present with her mother, Mrs. Irene Reeves.

Mr. and Mrs. Dale Reid and baby, Benna Von, spent Saturday night and part of Sunday with Mr. and Mrs. P. R. Reid. They also visited with Mr. and Mrs. Claud Mashburn while here.

Little Johnnie Dwan Griffin has been quite sick with a bad sore throat, but is better.

Mr. and Mrs. Hubert Reeves took baby Nancy Ann on her first visit to her maternal grandparents, Mr. and Mrs. John Guthrie, at Mullin, this last week end.

Mr. and Mrs. Frank Crowder and F. L. Jr. had dinner with Mr. and Mrs. John Holder Sunday after church.

Mr. and Mrs. W. C. Whittenburg and children, Wood Roberts, Darvin Roberts, Wanda Mae Mashburn and Mr. and Mrs. Dale Reid and baby had dinner with Mr. and Mrs. R. P. Reid Sunday.

The soldiers are dog charmers. Nearly every dog in the community has quit home and taken up at the camp. Saturday Mrs. Edna Dwyer's dog disappeared. She could hardly believe he had gone to the camp. She hunted over the place for him, but could not find him. Sunday evening three of the soldiers were going from the river back to the camp. She asked them if they had seen him at the camp. They didn't know him. She told them that Capt. McKinley or Lt. Hanby would know him. They said they would try to find him and send him back to her. Just about dark here they came with the dog. They had walked all the way back to bring him to her.

They spudded in the oil well

and drilled 18 feet Saturday. Drilling is to be resumed this week. L. G. Akin of Cross Plains and Dewey Smith of Ebony are the drillers. Mr. Davidson of Cross Plains and Mr. Dunkle of Goldthwaite are tool dressers. Mr. and Mrs. Akin have rooms at the home of Mr. and Mrs. Billie McNurlen. Mr. Davidson had Mr. Dunkle stay with them. Clyde Lane, the promoter, is staying with Mr. and Mrs. P. R. Reid.

The Camp Bowie workers from this community, excepting R. M. Haynes, were laid off this last week end. Most of the men have been laid off at different times for a while during the work at the camp, but Alvin Ketchum, who went on duty as guard last fall, had not lost a night until laid off this week.

We were made sad Saturday morning when we received the news that our friend, Mr. Jess Green, had passed away. Leonard Pyburn, Mrs. A. J. Weathers and Jerry and Alline attended the funeral at Duren Saturday afternoon. We wish to express our sympathy to his family and friends.

Mr. and Mrs. Otto Singleton are the proud parents of a baby girl, born Saturday morning at 9:30 o'clock.

Mrs. C. Ashton is getting along very well at this time.

Lester Ivey of New Mexico is visiting in the Fred Ehrhridge home.

Mrs. Jess Whitley called on Mrs. Otto Singleton Saturday morning.

Several from this community attended the party at Ridge Friday night.

Mr. and Mrs. Jess Whitley and son visited with Ashley Weathers and family Thursday night.

Mrs. Fay Kight called in the Weathers home Friday.

Mrs. Jim Lee of Regency visited with her daughter, Mrs. Otto Singleton the past week.

Mr. and Mrs. George Whitley of Neil spent Sunday in the Jess Whitley home.

Mr. and Mrs. Turner of Ridge, Mr. and Mrs. Bud Lee, and Mr. and Mrs. Jim Lee of Regency were Sunday visitors in the Otto Singleton home.

J. R. Slack is visiting with his daughter at Mullin this week.

Mr. and Mrs. H. Harris of Goldthwaite spent Sunday with Mrs. C. Ashton and daughter.

Since our last chat with you we've had just about all kinds of weather—cold, warm, ice, mists, winds, clouds, sunshine and rain. And in the offing, the leavings of a duststorm. But these changes or variations of temperature have had little effect on the landscape. The vegetation is still green and pretty as if no ruthless hand had passed over it. In the coolness of these spring nights can be heard the guiding call of winged migrant leaders as they instinctively swing through the dark skies for their summer camps with only the twinkling stars as direction finders.

Well, back to earth again after so delightful a journey with the birds.

Wayne Baker, a navy boy stationed somewhere on the Florida coast, came in home last week for a visit with his mother, Mrs. Lonnie Baker, and Charles, his brother.

Miss Dorothy Jean Soules spent the week-end visiting with home folks.

We've had another siege of flu, or something, and everybody has been sick, but better now.

Mrs. Luther Piper who was injured in a car wreck last week, is home and okay, with no serious injuries.

Mr. and Mrs. Fred Langford and family visited Mrs. Myrtle Roe of the Locker community, over the week-end.

Mr. and Mrs. Bud Harper went to Dallas last week-end to see Sammy, their son, who was reported quite sick. At this writing we haven't heard how he is getting on. Oscar Karnes, who is with Sammie, was reported sick too. Now we're hoping the boys will soon be all right and back to their studies and work.

At last we have sunshine this morning. We need a lot of warm weather. No corn has been planted in this part yet.

There were quite a bunch of young, as well as old, folk in Regency Sunday.

Miles Calder of Ridge and Guy Calder and wife and baby were sight seeing at Regency Sunday. Several from Locker, Neal, Mullin, Goldthwaite, and Ebony were with us.

Ira Egger and wife, Mr. and Mrs. Cecil Egger and daughter, Wynell visited Mr. and Mrs. H. L. Egger Sunday.

G. H. Whitley of Neal visited Alton Jones and wife Sunday evening.

Miss Bonnie Whitley of Neal spent Saturday night and Sunday with Ida Mae Skelton of Regency.

L. D. Egger was seen in Regency Sunday.

Some two thousand soldiers took their first bath in the new shower, just completed at Regency, Sunday morning.

Little Miss Made Ann Harbor is visiting her grandparents, Mr. and Mrs. Hubert of San Saba County.

Clarence Carrol of San Saba county put out several budded pecan trees on his farm here last week.

Mrs. W. H. Rowlett had her children, Mr. and Mrs. Ben Steele and son and Butch Rowlett and family here as guests Sunday.

Mr. and Mrs. J. M. Jones took Sunday dinner with their son, Alton Jones and wife.

Mrs. Edgar Jones visited her parents of Spring Creek Tuesday.

Albert Reid and family made a business trip to Brownwood Saturday.

Alton Jones went to San Saba last week end and purchased 200 baby chicks.

By Mrs. Geo. D. Brooks

Bro. G. Nally of Brownwood preached for us Sunday. We were sorry that Mrs. Nally was unable to accompany him due to the illness of their baby.

Mrs. A. Wilcox is very ill. We hope she will soon recover.

Those calling on Mrs. A. Wilcox Sunday were Mrs. Frank Blair, Mrs. George Brooks, and Mrs. Tip Roberts.

Mr. and Mrs. Rush and Mr. and Mrs. Self of Comanche spent the week end with her parents, Mr. and Mrs. Barcroft.

Mr. and Mrs. Dalton Powell and family and Delwood Blair spent several days visiting his brother near Eden, Texas.

Mrs. Malcolm Jernigan and son visited Mrs. Luther Jernigan Wednesday.

Miss Dora Dean Hale spent the week end with her parents. Mr. and Mrs. Hale took her back to

Naruna to her school Sunday afternoon.

Mrs. Connie Knowles visited Mrs. Hale Sunday and attended church here.

Anna Jean Hale visited Elva Faye Brooks Thursday afternoon.

The school bus was out of order Thursday so most of the children had a holiday.

This community is wishing for a little sunshine to dry up fields and gardens so we can start planting.

**D. A. R. CLUB**  
 The members of the 7th grade organized a Junior D. A. R. Club. The sponsor is Mrs. Bigham, co-sponsor is Mrs. Berry. The aim of the club is to teach the fundamentals of our government and to foster a spirit of patriotism and loyalty. The following officers were elected: President, Douglas Collier; Secretary, Wilbur Geeslin; Treasurer, Lucy Lee Reeves. The club secretary, LaDelle Thompson.

for school to turn out because, since the sun has been shining all want to go fishing or some other place instead of going to school.

**VOLLEY BALL REPORT**  
 The volley ball girls are going to have a practice game with Mullin Tuesday afternoon. We have been working hard and hope to win the tournament, which will be held Wednesday at Mullin.

**SENIOR REPORT**  
 The seniors sold candy during the County Meet last Friday and Saturday. We netted over seventeen dollars during the meet. So far as we know, this is more than any former class has made. It will be added to our fund for the annual senior trip. We are looking forward to a crowded month of April. Our senior play and senior trip will be presented this month. We will also have the Junior-Senior banquet. The seniors did excellent during the contests of the County Meet. We are very proud of them.

**MAN REPORT**  
 Last Friday and Saturday our school was host to the other schools of the county. We believe that much good was derived from working on the various events, whether won or lost. Those who are eligible to compete at the district on April 11 and 12 are continuing their work to meet the competition there. We hope that Mills County will place in many of the events at district.

**STAR SCHOOL NEWS**  
 The seniors are happy to see the sunshine once more. Perhaps we will be able to practice our senior play, Wayne Baker, 1938 Star graduate, came home Friday evening, March 21. He seemed very happy to be home again. He has been in the navy eighteen months and is enjoying his interesting experiences as a sailor.

**SPOTLIGHT**  
 Virginia Reeves  
 Virginia is the attractive daughter of Mr. and Mrs. Walter Reeves of Goldthwaite. Virginia has a charming but rather reserved personality. Virginia has spent all of her eleven years in school at Goldthwaite where she has been an active member in all of her school work. Virginia is a member of the H. E. club. Virginia is five feet one inch tall, has blue eyes and brown hair. Virginia plans to make her career a beauty course, but she is undecided as to where she will attend school. Sam Saylor  
 Sam is the generous and hard working son of Mr. and Mrs. Claude Saylor of Goldthwaite. Sam has attended school in Goldthwaite all of his eleven years. He is an outstanding member of the track team and band. He is also a member of the Dramatic club. Sam is five feet eleven and one half inches tall, weighs 154 pounds, has brown eyes and light brown hair. Sam plans to take a flying course this summer and enter Tuleton in the fall. From there he will then enter Randolph Field. Christine Renfro  
 Christine is one of our diligent and winning senior girls. She is the charming daughter of Mr. and Mrs. J. A. Renfro of Goldthwaite. Christine has always been an active and dependable girl in her school career. Christine is one of our rather itinerant students, since she has attended school in Rock Springs her first six years, the seventh and eighth grades in Llano, and the ninth, tenth, and eleventh in Goldthwaite. Christine is five feet five inches tall, has blue eyes and brown hair. Christine is a member of the H. E. and Tennis Clubs. Christine plans for her career to be a business course in San Antonio.

**SOPHOMORE REPORT**  
 The Sophomores came out in most cases victorious in the county meet last week and are expecting to do likewise in the tennis matches tomorrow. Miss Gattlin's history classes will probably be disappointed this afternoon with the grades they received on their history notebooks. These grades were the lowest ones given on History notebooks this year. In Miss Gilmer's English classes the sophomores have been studying how to write news stories and editorials. This work is interesting to many, but the class in general is progressing in this work very slowly. Cash Curtis was at school part of this week after a long absence. Joe Taylor did not participate in the county meet because of an infected rising on his hand, which is nearly well now.

**THE LITTLE MAN WHO WASN'T THERE**  
 Ah! So Nella Beth is getting on the business end of a flash camera that isn't so funny, is it, Nella Beth? My, my, but it's getting so that Joe spends every week end in Zephyr. What's Zephyr got that Goldthwaite hasn't, Joe? Slaughter was selling "squeeze" five cents each Friday and Saturday. We regret to report that meant only orange squeezes. Who were those two tall and dark ones the two Chapman girls were with Friday night. Who's picture is that that Wanda Faulkner keeps in her room. It couldn't be a sailor, could it, Wanda? I see that Floyd and Billye Ruth's fortunes coincided especially on—oh! oh! It's kinda embarrassing. Why does Leslie like to wear Dutch's glasses. It seems as if Bonnie J. is doing better than most of the girls. She had three boy friends Saturday night. Florine and Floyd have said "Good-Bye" to each other and she has turned her interest over to Billye Ruth. What happened to Roberta's car Sunday evening? Billie Helen and Adeline were with Gordon Henry Sunday night.

**STAR SCHOOL NEWS—Senior Report:**

He seemed very happy to be home again. He has been in the navy eighteen months and is enjoying his interesting experiences as a sailor. We seniors are very glad to have June Clifton as one of our classmates. He captured three blue ribbons and two red ones in tract events at the County Meet, Saturday. Lendon Head is in school again after recovering from the german measles. Charles Rickel and Alba Merl Soules, who are in National Guard Training at Brownwood, visited home this week end. They were two high minded seniors in our class. Sophomore Report:  
 Due to bad weather we didn't get but very little athletic practice for the league meet. The boys who played on the Junior baseball team were Duward Crews, W. C. Adams, Ned Smith, R. C. McPherson, W. H. Decker, H. C. Knowles and W. J. Newton. The girls who played on the Junior Baseball team were Elizabeth Collier, Virgie May Soules, Evelyn Soules, Bobbie Jean Moore, Abanell Newton, and Ruby Nell Thompson. Mr. Blackwell is still out of school on account of illness. We will surely be happy to see his smiling face again in school. Freshman Report:  
 Our class is very happy to report that one of our class mates, Norma Jean Ball, won first place in the county as being the best declaimer in Junior High School. She will go to Brownwood to the district meet. We have finished our agriculture books and will soon be starting another unit. Jonell Wigley and Norma Jean Ball were absent from school Monday. The volley ball girls play at Mullin, Wednesday night. We hope they win. Doris Harper spent the week end in Hamilton with her brother and wife, Mr. and Mrs. Foster Harper, who are teachers in the Hamilton schools. High school track men won several first places. Joe Langford won three first places with

are; 100 yard dash, Discus throw, broad jump. He won two, second places which are low hurdles, and shot put. June Clifton three first place which are: High hurdles, low hurdles, shot put. He also won two second places, 440 yard run, 220 yard dash. Junior high declaimer won first place with Mr. Kirby as coach. Junior high boys baseball won first place in the county. Grammar School News:  
 Toddy Walton and Ladine Newton won second place in sub-junior spelling contest at County Meet. Charles Royce Head represented our school in story telling. Ward Glynn Soules won second place in Junior boys' declamation. Virginia Owens won second place in Junior girls' declamation with Miss Rape as Coach. Mrs. Giles visited with her friends in Mullin Friday night. Junior ward school baseball girls won third place in county meet Friday. Seventh Grade:  
 The seventh grade of Star school is very proud of several seventh grade pupils. On March 22nd when our county had the county meet, several of the pupils won blue, red and white ribbons. R. B. Jones won first place in three events, the 100 yard dash, the 50 yard dash and the running high jump. In the high jump, Jones tied the grammar school record for that event. Jones also won second place in the running broad jump. In the 440 relay, Star placed second. The members of the relay team were Bobby Lee, George Walton, Ward Glynn Soules and R. B. Jones. The choral Club directed by Mrs. Giles, won second place. The picture memory folks made an average of 92. Those who were in the contest were Bruce McPherson and Veldt Williams. Mrs. N. M. Henry visited her parents in Brownwood, Saturday. Jip and Nip (First and second grade). Each of the first and second graders are working hard to win a health pin. They have found it is much more fun to keep clean than to stay dirty. The second graders also have some nice health posters on display in their room. Three second graders, Freda Soules, Mildred Wall and J. O. Williams went to Evans last week and tried out for story telling, and although a third grader won they did well and hope for a chance next year. Both the first and second grades reading classes are having a contest and it's proving there are many good readers in both classes. O. C. and Horace Earles visited their grandmother in Hamilton Sunday.

# A REPORT to America

The Ford Motor Company's business has always been to serve the needs of the American people. In providing them with low-cost transportation for the past 38 years, we have developed one of the country's largest and most useful industrial units. During a national emergency, we feel that these facilities should be devoted without reserve to our country's needs. Toward that end we started rolling months ago, with these results:

- 1 A \$21,000,000 Ford airplane engine factory, started only 6 months ago, is nearly completed. Production will start with an initial order for 4,236 eighteen cylinder, air-cooled, double-row, radial engines.
- 2 We are building a new \$800,000 Ford magnesium alloy foundry, one of the few in the country. It is already producing lightweight airplane engine castings.
- 3 Army reconnaissance cars — military vehicles of an entirely new type — are rolling off special Ford assembly lines at the rate of more than 600 a month. We have produced Army staff cars and bomber service trucks.
- 4 The government has given the "go-ahead" and work is now under way for the fast construction of an \$11,000,000 Ford plant to produce bomber airframe assemblies by mass production methods.

5 Several months ago work was started, on our own initiative, on an entirely new 1500 horsepower airplane engine especially designed for mass production. This engine is now in the test stage and plans are being developed for producing it in large quantities when and if needed.

6 A Ford aircraft apprentice school has been established, to train 2000 students at a time.

That is a report of progress to date.

The experience and facilities of this company can be used to do much of the job which America now needs to get done in a hurry.

Our way of working, which avoids all possible red tape, enables us to get results and get them fast. This benefits users of our products and workers who produce them.

We are ready to make anything we know how to make, to make it to the limit of our capacity if need be, to make it as fast as we can go, and to start the next job whenever our country asks us to. And to this end, we know we have the full confidence and loyal support of the workmen throughout our plants.

**A. Green Passed Away Friday**

A. Green died March 21 at a Brownwood hospital.

As he was generally known had been in declining health for some time at his home in Goldthwaite. He was a devoted son, husband and father.

The funeral rites were held Saturday at his boyhood church in Duren where old friends came to pay homage to the departed.

Rev. W. H. Marshall of Goldthwaite officiated and the body was tenderly laid by the side of his baby that died years ago.

Survivors are the wife and three children, the aged mother, Mrs. Alice Green. The following brothers and sisters all present except Albert Green; the other brothers are Luther Green of Goldthwaite, Kirk Green of Colorado City, Mrs. Chas. Blackman, Tep, New Mexico, Mrs. Will Spinks, Mullin, Mrs. R. C. Duren of Duren.

Monk Welch and family returned to their home at Pompey last Wednesday after having stayed in the Guy Laughlin home while Mr. Laughlin was ill.

Burthel Roberts and family spent Sunday with relatives at Pecan Wells.

**A CORRECTION**

In last week's issue of the Goldthwaite Eagle we stated that recently the Court of Criminal Appeals had affirmed the decision of the District Court of Hamilton county wherein Tol Beckham of Mills county, charged with the murder of Raymond Thompson, and sentenced with 20 years to the penitentiary, when it should have been 30 years in the penitentiary instead. In fairness to all concerned we gladly make this correction.

**\$16,000,000 To Be Spent By Texans With Cotton Stamps**

COLLEGE STATION.—Texas merchants are eyeing with anticipation the \$16,000,000 worth of cotton stamps the 640,000 cotton farmers in Texas could put into circulation this year—if 100 per cent participation in the supplementary cotton program were achieved.

The stamps, which will be paid to cotton farmers who voluntarily reduce their cotton acreage in 1941, will be exchangeable in retail stores for any merchandise made entirely of cotton United States, Donald L. Cothern and manufactured in the state AAA committeeman and Lamar County cotton grower, declared.

Cotton piece goods, women's dresses and housecoats, men's shirts and pants, children's and infants' clothes, sheets, cotton blankets, and other household goods, work gloves, and stockings are but a few of the articles cotton farmers can buy with the stamps, the committeeman pointed out.

"More cotton goods in use by farm families instead of more raw cotton in warehouses already bulging with stored cotton will result from successful operation of the new supplementary cotton program, he said.

"With many export markets for cotton closed, and with government stores of cotton approaching 12,000,000 bales, the Department of Agriculture has developed this plan designed to increase the domestic use of cotton and at the same time maintain conservation and parity benefits under the AAA."

Under the supplementary program, a farmer who voluntarily reduces his acreage below the 1941 allotment or the 1940 measured acreage, whichever is smaller, will receive cotton stamps at the rate of 10 cents a pound times the normal yield of his underplanted acreage. Sharecroppers, tenants, or owner-operators may receive up to \$25 worth of stamps for cooperating in the program, while producers on more than one farm, or operators of a farm with two or more tenants, may qualify for a maximum of \$50 worth of stamps. Any acreage reduction made to comply with the program will not in itself affect cotton allotments in 1942 or any subsequent year.

**Eagle Office Prints Economy Circular**

The Economy Store, under the management of Irving Bornstein, is opening its regular Spring Opening Sale, beginning yesterday. They are announcing their sale by circulating several thousand large double page circulars, which were printed by the Eagle office the first of the week.

The Economy Store sale is under the management of Joe Bornstein of San Saba, a very capable and highly talented sales manager. Joe, as he is known here, formerly managed the Economy Store and has a host of friends here.

**CURTIS LONG BUYS 66 CASES EGGS SATURDAY**

What seems to be the record for handling eggs in one day was accomplished here in Goldthwaite Saturday when Curtis Long, proprietor of the Curtis Long Food Store, handled 66 cases of eggs in one day.

It is reported that there was a total of something like 150 cases handled Saturday here in Goldthwaite by all stores combined.

Mr. and Mrs. Irving Bornstein returned Monday from a week-end visit in Houston and other south Texas points.

**Law Makers Defeat Govs. \$26,000,000 Overdraft Scheme**

There were two outstanding events in the Legislature during the past week. The first of these was the action of the House on Monday in killing the bill appropriating some \$26,000,000 out of the general fund for the social security program and teacher retirement. This action was taken after the House had passed a bill levying taxes and allocating the taxes raised therein to pay the same program, and also after a communication had been read to the House from the head of the federal bureau dealing with these matters to the effect that the federal government would only match that portion of state funds which was paid in cash.

The second of these was the final passage by the Senate of the bill increasing the load limit on trucks, basing it on a gross weight of vehicle and load of 38,000 pounds. The Senate had amended the House bill by adding enforcement and safety features, and these amendments were promptly agreed to by the House, which means that the bill goes to the Governor.

The Senate passed finally the House bill setting up the machinery for payment to the treasurer of the Central Colorado River Authority of one-half of the state ad valorem taxes of Coleman county which had been donated to that authority in a previous act. This bill was filed with the Secretary of State on March 20, and will become a law about April 1.

The Governor signed my bill making an emergency appropriation of a small amount of funds to operate the wool scouring plant at A. & M. College for this year.

A report compiled by the State Department of Education shows that under the provisions of my bill, which was passed early in the session authorizing a supplemental school census in areas affected by defense projects, that some 9,290 scholastics were added to the rolls over Texas, and of these Brown County had 1,584 and Tom Green County had 119.

As the final date for introduction of bills without receiving a four-fifths vote has passed, there will probably be few new bills introduced and both houses will be busy acting on those which have been put in the hopper prior to the fifteenth. The calendars of both houses have a number of bills on them and there will be plenty to do for weeks yet.

The House bill raising revenue for the social security program, teachers' retirement, the schools and the rest of the state government, is on the calendar in the Senate committee, and hearings have been arranged extending throughout the next two weeks, at which time those favoring or opposing the proposal will be heard by the committee.

Penrose B. Metcalfe, State Senator.

**LIVESTOCK AUCTION ATTRACTS MANY BUYERS**

The Mills County Livestock Auction, conducted here each Monday attracted quite a few interested buyers Monday. It is reported that more than \$8,000 worth of livestock passed thru the sale, which is not a record breaker but is better than the average amount of sales for one day.

The Texas Dairy Products Association will meet in Fort Worth April 9 and 10.

**NOTICE TO BIDDERS**

Notice is hereby given that the Commissioners Court of Mills County will, at its next regular meeting at 10 a. m., Monday, April 14, 1941, open sealed bids on the following items:

One, two, or three one and one half ton trucks with or without dump (hydraulic) bodies. Approximately eighty - five horse power motors. Dual rear wheels. Short wheel base. Closed cab. 32x6 high pressure tires. Terms: cash, or cash less trade in value of used trucks.

Bids will be received up to 10 a. m., Monday, April 14, 1941 at the office of the County Judge of Mills County in Goldthwaite, Texas.

Usual legal rights reserved by County.

R. J. GERALD, County Judge of Mills County

**Two Are Hurt In Auto Accident**

Mrs. R. H. Morris of Moody and Miss Hazel Britton of Brownwood were injured late Saturday when the automobile in which they were driving to-

ward Brownwood skidded on wet pavement and overturned eight miles southeast of Goldthwaite on U. S. Highway 84.

The two young women were taken to Goldthwaite for emergency treatment and then were brought to Brownwood in a Fairman Undertaking company ambulance driven by Roy Wilkins of Goldthwaite.

Wilkins said both women received back injuries and bruises. Their car was smashed.

Mrs. Morris' husband is employed at Camp Bowie, it was understood. —Brownwood Bulletin.

**Rep. Howington Tells Of Capital Activities**

To date there has been filled in the House of Representatives 1,058 bills and resolutions and seventy-two have been sent over from the Senate, which makes a total of 1,130 bills and resolutions which the House has to consider, so you can easily see that we have quite a lot of work to do.

The House and the Senate have both passed a bill known as the Scientific Load Limit for Trucks which raises the gross load to 38,000 pounds.

Due to the fact that following information, a bill which changes the pass and get through laws. If you have paid for or care to, that money placed on your part of a new law and you will any loss.

**Goldthwaite Garden Club Entertained At Sullivan Home**

One of the most interesting and enjoyable garden club programs of the year was a musical program at Mrs. Sam Sullivan's home March 19, with Mrs. Sullivan, Mrs. W. M. Johnson, and Mrs. Fred Stephens as co-hostesses.

In the business session the old officers, with the exception of Miss Emma Scott, were re-elected for the ensuing year. Due to Miss Scott's other duties she was relieved and Mrs. J. M. Campbell was elected vice-president in her stead.

Following the business session each member answered roll call with a quotation about music. Mrs. John G. Berry, leader for the afternoon, very ably compared flowers with music, emphasizing the fact that the composition of both is the same. Harmony, balance, color, and contrast being the characteristics of each. Also she reminded us that it is the appreciative, sympathetic heart and mind that receive most pleasure from either.

The life of Robert Schumann was reviewed by Mrs. Mack Horton after which the Schubert Club sang his composition, "The Lotus Flower."

Mrs. Sullivan gave us an appreciation lesson on the Symphony. She first discussed the instruments included in every good symphony and then named some of the outstanding symphonies. Lastly, she discussed Beethoven and his Symphonies and brought us selections from his Third Symphony in E Flat by radio record player.

The high points in the life of Edward MacDowell, another composer who included flowers in the title of his musical compositions, were given by Mrs. W. M. Johnson, after which the Schubert Club concluded the afternoon's program with MacDowell's gem song, "To a Wild Rose."

Refreshments were served to 17 members, the members of the Schubert Club, Miss Bess Crews, Mrs. Sparks Bigham, and Mrs. W. C. Dew.

**Athens Class Social**

Mr. and Mrs. L. J. Gartman graciously opened their home to the Athens Class Monday evening, March 24th for a class social.

This home of spacious rooms, hung with choice paintings, and in the authentic Early American decor, was lovely; the rooms being further enhanced with bouquets of garden flowers in purple and white.

After the arrival of the guests, the games of Dominoes and progressive "42" started progressing. Some exciting scores were bid and successfully made; the number 168 being an outstanding favorite.

Then after the games, Mr. Clements' ice cream was served, each generous helping accompanied by slices of home made cake.

Though some of our regular members of the class were absent, (one being in the hospital) they were not forgotten and many expressions of love and fellowship were heard concerning them.

Those enjoying this social other than class members were Mr. and Mrs. W. E. Miller and Miss Jane Gracy of Austin.—A guest.

Aubrey Smith a university student spent the week end with home folks.

Mr. and Mrs. W. C. Frazier made a business trip to Star Monday afternoon.

Mmes. Kelly Saylor, W. G. Saylor and Miss Lucille Conro spent a while in Brownwood yesterday.

George Bohannon, who is at the Legion hospital at Kerrville is slowly improving.

Ellis Mahan, son of Mr. and Mrs. W. L. Mahan, enjoyed a ten days visit with his parents and left Sunday for California to resume his work in the Douglas aircraft factory. His sister, Miss Allene Mahan of Tariaton spent the week end at home to be with him.

It pays to advertise in the Eagle.

**Big Valley Home Demonstration Club**

"Choosing a bed for daily use is one of the most important things a homemaker has to do," said Mrs. Charles Conradt in the club at Mrs. Marion Robertson's home on March 13, 1941.

A few minutes of recreation was greatly enjoyed by all present.

A short business meeting was conducted by our president, Mrs. E. D. Robertson, in which Mrs. Homer Weaver was elected as delegate to the county council as a prospect to a district meeting to be held at Stephenville soon.

Mrs. Daniels told the club how she refinished a chair for the living room.

A pattern for a saddle to be used by turkey breeders was shown and suggestions were made as to its benefits.

Visitors present at this meeting were Mrs. Maggie Traylor, Mrs. Woody Traylor, and Miss Myrna Traylor. Members present were Mrs. Walton, Mrs. W. A. Daniel, Mrs. E. D. Robertson, Mrs. Chas. Conradt, Mrs. C. S. Miller, and the hostess, Mrs. Marion Robertson.

Miss Scott is to give a yeast bread demonstration at the next meeting. We are also having a flower show and shrub exchange at the next meeting which will be held in the home of Mrs. Homer Weaver on April 3. All members are urged to attend.—Reporter.

**Mt. Olive Home Demonstration Club**

An unusually good time was enjoyed by all when the Mt. Olive home demonstration club met in the home of our president, Mrs. Will Roberts, with a very interesting and educational program.

Mrs. A. B. Neal and Mrs. Olin Kemp were on the program, and Mrs. T. J. Burks gave the council report.

Mrs. Roberts was unanimously nominated to attend the district home demonstration club at Stephenville in April.

Instead of the usual recreation period, Mrs. Kemp gave an interesting account of her trip to the Fat Stock Show in Fort Worth.

Our hostess served delicious refreshments to Meses. Ola Harris, Olin Kemp, T. J. Burks, A. B. Neal, Melrose Hodges, Webb Hill, Orville Harris, H. B. Raney, and Miss Effie Roberts.

Miss Scott will be with us again when the club meets with Mrs. Tom McArthur, on April 2.

**Art and Civic Club**

The Art and Civic club met Thursday, March 20, at the home of Mrs. Billy Stephens. At the business meeting plans were discussed for the sale of Crippled Children seals, which the club sponsors each year.

Mrs. G. R. Goosby led a program on "Social and Economic Aspects of the South," a paper on "Health Conditions in the South," was read by Mrs. J. J. Stephen, and Miss Emma Scott gave an interesting account of her home demonstration work in Mills county.

Refreshments were served to fourteen club members and one guest, Mrs. L. E. Miller.—Reporter.

**Ware's Bakery Now Making New Bread**

"A new loaf of bread with new ingredients that makes good bread better bread," is the way Mr. A. Ware, of the Ware's Bakery, describes his new Vitamin B-1 Bread.

The new loaf remains the same size and wrapped in a similar wrapper but has new ingredients added that is making the bread better with this new vitamin B-1. The wheat berry in the field is rich with the new vitamin—and with certain valuable minerals as well. The new loaf has been enriched with the vitamins and nutritive qualities found in whole wheat bread—but it's the same white, light, delicious loaf it's always been. No change in taste or appearance says Mr. Ware.

**CIVIC CLUBS JOIN IN CHURCH SUPPORT**

Can Protestants alone bring the religious awakening needed? In Quincy, Mass., there is a unique demonstration of how interfaith cooperation can work to the benefit of all. Two years ago Victor V. Sawyer, "sky pilot of the Kiwanis Club," persuaded that group to invite the Rotary and the Quintonus, a Jewish club, to organize a "church attendance council," which, in the very effort to promote that objective cooperatively, creates mutual understanding between the three groups. "You go to your church, and I'll go to mine; but let's walk along together!" was the slogan. The local newspapers cooperated and listed more than 400 endorsing organizations. Lenten services in a theater, addressed by outside speakers of the three faiths, have drawn increasing audiences. A leading magazine has sent a staff writer to study the experiment. Other cities are imitating. On February 18 representative laymen of the three faiths in Somerville inaugurated a similar movement.

**SOLDIERS MAY WEAR CIVVIES WHEN AWAY FROM CAMP, CITY**

Enlisted men and officers of Camp Bowie on leave or furlough away from the camp and Brownwood are allowed to wear civilian clothing under new orders issued today by Major General Claude V. Birkhead, commander. When on leave or shorter duration civilian evening clothes only may be worn on proper occasions.

The wearing of cotton clothing by members of the command, with the exception of khaki shirts with the wool blouses, is forbidden until orders for the change are issued.—Brownwood Bulletin.

SCRIPTURE VERSE FOR THE WEEK

"Neither will I offer burnt offerings unto the Lord my God of that which doth cost me nothing." II Sam. 24:24.

YOU ARE LUCKY TODAY

The last century was a period of unbelievable progress. But in no field was greater progress made than in care of the sick, and in advancing the standards of public health.

A century ago, for instance, anesthesia for surgical operation was unknown—it did not come into use until 1846. And even later, in Civil War days, hospital death rates of 20 percent and more were not uncommon.

Startling is the fact that 99 out of 100 American hospitals were founded within living memory. Fifty years ago hospitals were generally confined to large cities—in small towns and rural areas operations took place at home, by the light of kerosene lamps and an open vessel steaming on a stove as sterilizer.

The whole history of medicine is a history of individual effort—of tireless private initiative—of unselfish men fighting the endless war against disease and public ignorance.

DUAL PROBLEM

Today's farmer faces a dual problem. He must obtain an adequate price for what he produces. At the same time, he must do his part to hold prices to the consumer down to a reasonable level.

It is to the credit of thinking farmers that they have long realized this. The marketing cooperatives, for instance, have made it a point to work for the consumer, no less than for the producer.

One Way To Have Hot Lunches For Mills Co. Schools

Plans are being made by some of the schools in Mills county for participation during the summer in the gardening phase of the WPA school lunch project.

It is hoped that during the early spring and summer that either a county-wide or a zone garden of 10 acres or more can be planted using WPA labor to cultivate and harvest the food which will be used during the school term.

STAR PEOPLE IN AUTO WRECK

Mr. and Mrs. Luther Piper, of Star, who were just leaving for Lampasas Wednesday morning to visit his father, who is in the hospital there, had a collision with the car driven by Ed Wilcox.

WPA will furnish labor and supervision in the establishment of a county garden. It will be necessary for the schools to secure an easement on the land to be cultivated, and to do the plowing, furnish fertilizer and irrigation facilities if needed.

den to the school lunch units or to the canning center.

WPA will also furnish labor to operate the canning center and will provide trained supervision. In addition to the labor and supervision, WPA will also provide funds for the purchase of cans, allowing \$5.50 per month per person employed for this item.

Each participating school can bring any surplus produce for processing in the WPA canning center with all finished cans being returned to that school for use in the school lunch unit the ensuing year.

In the event that any county in which the WPA school lunch project has been operating, and has been serving less than 1000 children, it will be possible for either bi-county or tri-county gardening and canning units to be established in cooperation with adjoining counties and schools.

Any information regarding establishment of a garden or canning unit in this county thru WPA, can be secured from Adella D. Hicks, WPA Assistant Project Supervisor, School Lunch and Matron Service Projects, County Superintendents Office, Comanche, Texas.

SUNDAY SCHOOL LESSON

CHRIST'S COMMISSION

LESSON TEXT—Luke 24:36-53. GOLDEN TEXT—Behold, I send the promise of my Father upon you.—Luke 24:49.

Calvary and the darkness of the tomb gave way to the glory of the resurrection morning. Jesus had appeared to the two on the Emmaus road, and when they hurried back to Jerusalem to tell the eleven disciples, who were gathered behind barred doors, they found that He had already appeared, not only to the women, whose story they did not believe (see v. 11), but also to Peter (v. 34).

I. A Risen Christ for Fellowship (vv. 36-43). The disciples were bewildered and slow to believe. Perhaps we would have done no better.

Note how patient and gracious He was in dealing with these frightened—and, in a sense, stupid—disciples. He might have been so discouraged by their unbelief as to be short and sharp with them, but He was not. We need to learn of Him. There are weak brethren even in the church of Christ who need our tender and patient consideration (see Rom. 15:1; I Thess. 5:14).

What a blessed time of fellowship the disciples and the Lord had together. Such times are greatly needed for our mutual encouragement. Let us not forsake the assembling of ourselves together (Heb. 10:25). In a day of need and trial those that fear the Lord should speak often with one another and with the Lord (Mal. 3:16; I John 1:7).

II. A Dependable Book for Guidance and Instruction (vv. 44-46).

Jesus gave His own endorsement to the Old Testament as a dependable record of the prophecies concerning His person and His work of redemption. The critics of God's Word must face the fact that their man-made theories are in conflict with the testimony of the Son of God. Of the two, we know whom we will believe!

Notice that an important part of the Lord's fellowship with His disciples was devoted to opening their minds so they could understand the Scripture. The word "opened" might be translated "disentangled." He took out the prejudices, the wrong ideas, and set them free to understand and appreciate the Scriptures.

III. A Great Message for Proclamation (vv. 47-49).

Fellowship with Christ and a knowledge of God's Word which does not result in an aggressive witness for Him is quite useless. We meet Him and learn His truth that we may carry it out to all nations, not forgetting (note it!) to begin at the wicked Jerusalem which is right at our doorstep.

The business, and the only business, of the Church is that witness. We need to renew our commission, get it clearly in mind, and then proceed to carry it out. "But," someone may say, "we are not able for this great task." Of course not; but He is able, and will enable us.

"Power from on high" is the portion of God's witnesses. This world worships power—mechanical, political or military power. The greatest power of all is spiritual power, and God is ready to give it to His faithful witnesses.

Note that the message is one of repentance and remission of sins "in His name." The gospel of Christ is the primary need of men and women, boys and girls, in your community and mine; yes, and to the very ends of the earth.

IV. An Ascended Lord to Worship (vv. 50-53).

The ascension of Christ is not often made the subject of a sermon or message in the church, but it is an important doctrine of Scripture. It marks the completion of the work of Christ, and His return to the place of honor at the right hand of the Father. There, before the Father's throne, He is the advocate of every believer, the pledge and assurance of a perfect and eternal fellowship between God and believing man.

The worship which the disciples gave to Christ as He ascended went on as they returned to their appointed place of witness, for they continually praised Him. Such should be the attitude of every true believer. In the temple of his own heart there should always be the joy of the Lord as He is there worshiped and adored.

Now we have completed our study of Luke, but we cannot stop here, for the Gospel, according to Luke's own statement in Acts 1:1, was only the story of what Jesus "began both to do and to teach." The continuation of that account is found in the book of Acts, which we begin to study next Sunday.

Hamilton

On March 14, a wide circle of friends and devoted relatives were saddened by the sudden death of Mrs. Lisette Dorothy Ising, widow of the late Charley Ising.

Lisette Dorothy Stunberg, was born March 8, 1856. Among the mourners were her twenty-five grandchildren, and four great-grandchildren. The daughters and sons are Mrs. Henry Nichter, Paul H. Ising, John G. Ising, Mrs. Fritz Schultz, and Mrs. Valentine Sauer, all of the Hamilton County section; Walter F. Ising and Mrs. Paul Klingsporn, of Washington County, and Mrs. Johnnie Rudolph, who made her home with her mother near Star; a brother, Gus Siems, of Aleman.—Hamilton Co. News.

Mr. and Mrs. Clyde Weatherby and Mr. and Mrs. George Goodlight were in Brownwood Sunday visiting in the homes of Lt. and Mrs. Scott H. Martin and Capt. and Mrs. Robert C. West. The officers are former Hamilton doctors recently called into the service.

Work was resumed at the Groover & Rose Fuqua well Wednesday afternoon at 4 o'clock after a shutdown of two days while the crew was waiting for the arrival of pipe and an under reamer.

Approximately 323 applications for electric power to be furnished by the Hamilton County Electric Cooperative Association through the REA have been received to date from farmers and other rural consumers eligible for this service.

At a council meeting Monday night the City of Hamilton voted to furnish a city lot and to build necessary sheds for the establishment of a farmer's cooperative marketing association, but emphasized the fact that the plan as carried out must be a direct market from the Hamilton County producer to consumer with no buying for resale.

Miss Ann Werstner of New York nationally known lecturer on horticulture and flower arrangement, is scheduled to speak

Comanche

Work will begin Monday on the construction of Highway No. 16 from the railroad tracks in Comanche to approximately 6 miles south towards Goldthwaite according to Hilton Burks, secretary of the Chamber of Commerce who stated that some of the machinery arrived Thursday.

Mrs. Beckham Guthrie suffered a lacerated arm Saturday night in an auto accident near the Comanche-Erath County line between Dublin and Comanche as she and her husband and their children were enroute from their home in Wichita Falls to visit relatives at Comanche.

A North bound Santa Fe Railway train in the western city limits of Comanche Friday afternoon struck Miss Loda Millican, 64 year old Comanche resident, as she stepped from a small railroad trestle near her home, breaking her right arm in two places. Following the accident Miss Millican rolled down a twenty foot embankment.

W. J. (Bill) Bagley and Miss Cleo Graham of Comanche were married Sunday afternoon. The ceremony was performed by Rev. E. R. Gordon, pastor of the First Methodist Church, at his residence.

# TACKLE ON AMERICA

## INSTALLMENT ELEVEN

from the air, Washington was bombed and the President killed. National forces were ordered mobilized, but they were ill prepared for immediate action. General Brill, area commander of the army in Texas, reported to General Hague, chief of staff at Washington, that he was being attacked by greatly superior

forces. General Hague ordered him to resist the enemy's advance at all costs. Brill hastily prepared plans with the help of General Mole, division commander. Suddenly the American outpost was attacked by a strong force crossing the Rio Grande.

Now continue with the story. Subalterns. Benning had served with the 11th for nearly a year until he went to the air corps, from which service he had been snatched for military intelligence duty. Breathlessly he followed every scrap of available information on the 11th. Benning was picking at his dinner at the Mayflower when there came a final flash on the Boll incident.

"You heard this afternoon of the gallant young officer, Captain Boll of our infantry," the broadcaster announced. "You recall that, although wounded in the cheek, he ignored his own wound and saw his men through to the Second Division south of San Antonio."

The announcer paused, his voice shook with feeling as he read a brief dispatch from San Antonio that brought the incident of Boll to tragic consummation: "Captain Henry Boll, 11th United States Infantry, died early this evening of wounds received in action. Captain Boll collapsed a few minutes after reaching the hospital and died this evening without having regained consciousness."

For a long time Benning sat looking across the blur of somber faces in front of him, then he left his unfinished dinner and went out into the street. The soldier spirit flared into revolt within him against this soft spot of his own present duty when there was a man's role on the border.

He walked to the Shoreham to get himself in hand. Even Flagwell's assertion that the Coalition spy nest was more dangerous to the country than Van Hasek's present invasion brought him small comfort. But he finally reminded himself that he had a job to do and not until he had done it would there be hope of transfer back to the line of the Army.

Washington, the whole country, was in a state of furore. All day Benning had been shut off from the War Department with its staggering problems, black uncertainties, and crushing workload.

Official reassurance was being fed out over the radio to those sections of the country outside the immediate reach of Van Hasek's invasion. They were told there was no immediate danger of new air raids. The Army was pushing through its interception nets and extending its intelligence service to bring timely warning well in advance of any future raid.

New Orleans, Galveston, and other cities were being organized against air raids that could not be circumvented for the time being. It was a matter of avoiding crowds, getting underground against demolition bombs and gas. People who could leave those cities were urged to take refuge in towns and hamlets until the danger could be brought under control, although tens of thousands needed no such warning and were pouring into the country with such of their effects as they could carry along.

In New York, Washington, Philadelphia, Baltimore, and other great centers of population, organization against air attacks had been feverishly undertaken. The Middle West and West were told there was no present need for alarm. However, some highly alarming, if unconfirmed, reports of a mysterious brewing of mischief in the Orient, had the coast cities on edge.

Mobilization of the four existent Regular Army and eighteen National Guard infantry divisions was reported sixty per cent complete. The Third Army was to concentrate in Texas as rapidly as possible, but the War Department refused to give out military details. No censorship of military news had been clamped down as yet and the press was printing, without restriction, whatever news it could get.

Benning ordered an elaborate dinner at the Shoreham. Though he had no appetite, he made a pretext of eating while he kept under observation those who came and went.

Before starting on his rounds, Benning had stationed Lieutenant Jones, an intelligence assistant, on guard over the Massachusetts Avenue apartment of Mme Pujol, with whom Boggio had dined and danced on the capital. Jones' instructions were to hold Boggio under close observation and let Benning know as quickly as possible if the Italian appeared.

Seven-thirty o'clock passed, the Chief of Staff of the Army would soon be on the air in a nation-wide hookup. New dispatches came in from San Antonio.

Flash—"Bombers reported approaching New Orleans, Galveston, and Houston. The Government's intercept nets and intelligence service will give prompt advance warning if any planes fly north of Texas. Everyone is urged to remain calm."

Several persons got up from table at this news and anxiously left the room. Others kept determinedly in their seats, a few affected nonchalance at this moment came Fincke, his face lined in a surly scowl. He sat down at a table across the room from Benning.

Benning and Boll had been classmates at the Military Academy, had gone to the 11th Infantry together as

## In Memory Of Dr. W. H. Nelson, Jr.

Dr. Walter Herndon Nelson of Silverton, Colorado, son of Mr. and Mrs. W. H. Nelson of this city died in Denver Colorado General Hospital Thursday morning, March 13, after an illness of less than two weeks.

Dr. Nelson was born and reared in Mills County. He was a graduate of the Goldthwaite high school and received both a B. A. and a B. S. degree from Southwestern University at Georgetown, Texas. He attended the medical branch of the University of Texas at Galveston where he received his M. D. degree. The year following he interned at Hotel Dieu Hospital, Beaumont, Texas.

Upon finishing his internship, Dr. Nelson served as medical doctor in a CCC camp near Durango, Colorado, at which place he later did private practice. At the time of his death he was a practicing physician and surgeon in the San Juan Hospital, Silverton, Colorado.

He held a first lieutenant's commission in the medical reserve corps of the U. S. Army and was eligible for captain a few days prior to his passing.

Dr. Nelson was a member of the Methodist Church and lived his religion. He belonged to the American, state and local medical associations, as well as to the Elks Lodge and other civic organizations of his community.

In his manner he was a refined Christian gentleman, as honest and conscientious in his convictions as it is humanly possible to be. His ideals and principles were of the highest type. He was proud of his profession, and in his brief period of practice had attained skill as a surgeon. He loved his God and his family, and his greatest joy was to meet life squarely and to serve humanity well. He was one who faced life with courage; never looked backward but marched breast forward to the end.

He is survived by his wife of Silverton, Colorado; a daughter, Carol Jane, of Tyler, Texas; his parents, Mr. and Mrs. W. H. Nelson of Goldthwaite, and one brother, D. H. Nelson of Los Angeles, California; three sisters, Mrs. O. L. Bohannon, Arlington,

Texas; Mrs. F. B. Weaver, Goldthwaite, Texas, and Miss Laura Nelson, Eagle Pass, Texas.

Funeral services were conducted in the Goldthwaite Methodist church with the Rev. W. H. Marshall officiating. His body was interred in the Lower Big Valley cemetery in the family lot.

He is not dead, only wandered into an unknown land and left us thinking how very near heaven is now that he is there.

## District W.M.U. To Meet With Local First Baptist Church

The annual meeting of the Baptist Women's Missionary Union of District 16, composed of sixteen central Texas counties, will meet at The First Baptist church at Goldthwaite, April 8 and 9, inclusive. An Executive Board meeting will be held at the church at three p. m.

The first general session will be held at 7:30 p. m. At the high school auditorium. Mrs. Karl H. Moore of Brownwood, secretary of young people's work in the district, will present a pageant at this time featuring the work of young people. The address of the evening will be given by a Japanese, Miss Itsuka Satio, whose home is in Hawaii. Miss Satio graduated at Baylor University and is now completing her work at the Seminary. She plans to return to her own people as a missionary. The music for this program and others of the meeting will be in charge of Mesdames Bowman and Pribble.

At 9:30 Wednesday morning, the convention will reassemble with State President, Mrs. B. A. Copass of Fort Worth, as the guest speaker. Mrs. Chas. W. Silvels of Brownwood, district president for the past twenty-four years, will be in charge of the entire program. The theme of the general sessions will be "That Thy Way May Be Known." All phases of the W.M.U. work will be presented during the day, and a pageant entitled "Waiting" will be given by Mrs. McClain, state stewardship chairman.

The ladies of the sixteen counties, together with the pastors of the churches and all others interested in the great work fostered by this organization are urged to be present that the work of the Master may be extended. Let us do our part to spread the only "Peace" message that can help this war-torn world.

## How Cotton Stamp Program Will Work

Pointing out the benefits to be derived by individual farmers from the new supplementary cotton program and the special home food conservation program to be administered by the Agricultural Adjustment Administration, G. R. Goosby, Administrative Officer of the AAA in Mills County this week begins a series of question and answer articles on the program.

"Now that the war has closed many foreign markets, the need for holding down the already huge surplus of cotton continues to be acute," the AAA official said. "With this reduced outlet for cash crops, it is more necessary than ever that farm people produce more food and feed for home consumption."

The supplementary cotton program puts added emphasis on the efforts to reach the objectives of the national farm program thru special payments. A total of \$25,000,000 worth of cotton stamps will be made available by the Surplus Marketing Administration for distribution by the AAA to cooperating farmers. In addition, \$3,000,000 in cash payments will be added to encourage additional food production and storage for home use.

This week's question and answer article seeks to show how to earn the cotton order stamps, which will be issued farmers for voluntarily reducing their cotton acreage. These stamps can be exchanged at local stores for cotton goods and clothing.

Some of the important questions concerning cotton stamps and their answers are as follows:  
 Q. How will cotton farmers be compensated for making an additional voluntary acreage reduction in 1941?

A. They will receive cotton order stamps, which can be used to purchase cotton goods. These stamp payments are in addition to the regular payments provided for under the 1941 Agricultural Conservation Program.

Q. Will underplanting of the 1941 cotton allotment affect the farm cotton allotment in future years?

No. Underplanting of the cotton allotment on any farm in 1941 will not affect the cotton acreage allotment for that farm in 1942 or subsequent years, except in case no cotton is planted in 1941 on a farm on which no cotton was planted in 1939 and 1940.

Q. Does participating in the Supplementary Cotton Program affect payments under other phases of the Triple A Program?

A. No. The Supplementary Cotton Program provides for additional payments and does not affect payments under other phases of the AAA Program.

Q. Who is eligible to participate in the Supplementary Cotton Program?

A. Any farm owner, operator, tenant, or share cropper entitled to share in the 1941 cotton crop on any farm for which a cotton allotment was established for 1941, provided cotton was grown on that farm in 1940.

Q. How may a farmer earn cotton stamps?

A. By planting in 1941 an acreage less than the 1941 farm cotton acreage allotment or 1940 measured acres for the farm, whichever is smaller.

Q. Is there any exception to this provision?

A. Yes. If the County Agricultural Conservation Committee finds that the acreage of cotton as measured in 1940 was reduced because of drought, flood, hail, insect pests, or any other natural cause beyond the control of the operator, the 1941 cotton acreage allotment shall be used to determine the acreage voluntarily reduced under this program.

## CARD OF THANKS

We wish to express our deep and sincere appreciation to our good friends and neighbors, both near and far, who, by your deeds, by your words of condolence, and by your beautiful floral offering, have helped to soothe our broken hearts at the passing of Dr. Walter Herndon Nelson.

It is our earnest prayer that God may bless you and abide with you forever.

Mrs. W. Herndon Nelson  
 Mr. and Mrs. W. H. Nelson  
 D. H. Nelson  
 Laura Nelson  
 Mrs. F. B. Weaver  
 Mrs. O. L. Bohannon

## Livestock Warning

People who let their cows and sheep out at night to roam over the town and destroy the flower yards that so many are trying to beautify the town with, had better keep up their stock, before a heavy penalty is assessed them, by order of City Marshall.

## IN GRATITUDE

The H. P. Beard family wish to express their deepest appreciation for the kindness of all their friends and neighbors. Sincerely, Mrs. H. P. Beard

## MRS. W. R. MOORE OF LAMPASAS

Mrs. W. R. Moore returned to her home Tuesday afternoon after an absence of several days.

Funeral services were held Wednesday morning at her family home by Dr. Senger, pastor of the Christian church and in Oak Hill cemetery.

Mrs. Moore was a native and pioneer resident of Lampasas. She was known for her charitable deeds. Survivors include her husband, Dudley S. Moore, a student of the Lampasas schools, and a sister, Longfield formerly of Lampasas but now of Lampasas.

## MILLS COUNTY SCHOOL TEACHER CALLED TO GOVERNMENT WORK

Miss Estell Bagwell, commercial work in the school, received a letter today to report for duty in Washington, D. C., as a member of the Department of the Interior.

Miss Bagwell is a devoted mother and a devoted worker. Her departure into the government service is a great loss to the school which will be sorely missed.
