ABILENE PREPARING FOR STATE BAPTIST GEN'L CONVENTION

ABILENE, Oct. 29.—Abilene is preparing for the largest State Baptist General Convention ever held in West Texas. November 11 to 14, according to Dr. W. R. White, president of Hardin-Simmons University and general chairman of the local committee arranging convention plans.

Preceding the convention proper, which opens Tuesday night, Nov. 11, will be the simultaneous meeting of the Woman's Missionary Union Convention, in the First Baptist Church, and the Brotherhood Convention in the Hardin-Simmons University auditorium. These conventions start Monday afternoon, Nov. 10, and close Tuesday afternoon.

"Responsibility for working out the wisest possible distribution of housing space has been accepted by the various churches and civic organizations heading up in the Convention Housing Committee," said Dr. White. Four thousand homes, in addition to hotel rooms, are being sought for the visitors.

The Hon. Pat M. Neff, president of Baylor University and former governor of Texas, will bring a patriotic message at the opening session of the convention Tuesday night. A. D. Foreman, Sr., Houston, convention president, is another featured speaker Tuesday night.

Wednesday's sessions will feature Baptist work in Texas. Dr. George W. Truett, Dallas, will bring the closing message Friday.

Senator Josh Lee, Washington, D. C., will climax the first day's program of the annual Baptist Brotherhood Convention, meeting in Abilene Monday night, Nov. 10, with an address on "America, the Arsenal of the Cause of Christ." It is announced by Judge E. S. Cummings, Abilene, State Brotherhood president.

METHODIST WOMEN HAVE DAY OF PRAYER

Beginning at 11 o'clock the women of the Society of Christian Service carried through an interesting program on week of prayer subjects, and at 12:30 a covered dish luncheon was served, after which the program was resumed. Splendid talks and papers were given by a number of the ladies.

The attendance was small on account of sickness and rainy weather. Mrs. C. E. Bayley had charge of the program.

MILLS COUNTY H-D COUNCIL MEET

Mills County Home Demonstration Council will meet Saturday, Nov. 1, 1941. All council members are urged to attend this meeting. Nineteen forty-two council officers will be elected.

DR. W. R. WHITE

SING-SONG TO BE HELD HERE NOVEMBER 7

"Battle Hymn of Republic" Is Week's Scrap Book Song

The next Mills County Sing-Song will be at the Melba Theatre Friday, Nov. 7, sponsored by the Women's Defense League. Everyone come and help sing.

The song for this week is "Battle Hymn of the Republic." Slip it for your scrap book. Julia Ward Howe, author of this stirring war song, was born in New York May 27, 1819, and was married to Dr. S. G. Howe in 1843.

In December, 1861, Dr. and Mrs. Howe, with a party of friends, paid a visit to Washington. Everything about the city had a martial aspect. The railroads were guarded by pickets, the streets were full of soldiers, and all about could be seen the "watchfires of a hundred circling camps."

One day the party drove several miles from the city to see a review of the Federal soldiers. An attack by the Confederates caused much excitement and delayed their return. Finally they started back to Washington under an escort of soldiers, and to while away the time they sang war songs, among others "John Brown."

Waking in the gray dawn of the following morning, Mrs. Howe found herself weaving together words to the music she had sung the day before. Fearing she might forget the lines if she slept again, she arose and wrote down the verses of the "Battle Hymn of the Republic." The poem was first published in the Atlantic Monthly for February, 1862. The verses were published without the author's name, and she received five dollars for them.

Of this great hymn a recent writer says: "Unlike many of the songs of the Civil War, it contains nothing sectional, nothing personal, nothing of a temporary character. While we feel the beauty of the lines and their aspiration after freedom, even in the piping times of peace, it is only in the time of storm and stress that their full meaning shines out. Written with intense feeling, they seem to burn and glow when our emotions are aroused."

Here are the words:
BATTLE HYMN OF THE REPUBLIC
My eyes have seen the glory of the coming of the Lord;
He is trampling out the vintage where the grapes of wrath are stored;

He hath loosed the fateful lightning of His terrible swift sword.
His truth is marching on.
CHORUS:
Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah!
His truth is marching on.

MILLS COUNTY FFA AND 4-H CLUB SHOW TO BE PLANNED HERE

There will be a meeting of the Mills County Livestock Raisers' Association, and all persons interested in a livestock show, on November 6 at 7:30 p. m. in the District Court Room, for the purpose of discussing plans for the Annual F.F.A. and 4-H Club Livestock Show.

According to John A. Wright, county agent, it is very important that all members of the association and any one interested in helping promote a good show to be present, as there are many important things to be discussed and much help will be needed in making the show a success.

The Call America Heeds

The Red Cross nurse is the symbol of the 1941 American Red Cross Roll Call poster, appealing to all men and women to join their local Chapters during the annual Roll Call. Bessie Grandell, distinguished poster artist, painted the poster and Frances Fedden is the model.

GOOD ROADS TO MANEUVER AREA SOON?

Fairman, Gatlin And Harris Are On Road Committee

Efforts are being made to get the Army to build roads from the maneuver area of Mills County into Goldthwaite and Mullin in order to relieve the situation that arises when the Army is using the roads. Army traffic, such as those roads carried last winter and spring, on these narrow roads makes it very hazardous for civilian traffic, especially when it is wet.

About forty miles of roads have been built in the western end of the county, and the Army engineers have intimated that they were favorable to building outlets into Mullin and Goldthwaite on condition that the land owners give the right-of-way and topping material.

County Judge R. J. Gerald has appointed a committee of three land owners on the route from Ridge to Goldthwaite to confer with other land owners along the route to determine whether or not the owners will be willing to set fences back and give gravel for the road in case the Army decides to build it. The committee appointed for this purpose is E. T. Fairman, Oscar Gatlin, and J. H. Harris.

A committee at Mullin has been working toward getting right-of-way for the road from Jackson Bridge to Mullin and it is reliably reported that all land

F. HOWINGTON DISCUSSES FEW TIMELY ITEMS

Says Government Trying To Encroach On State's Rights

The following letter discussing some of the questions under legislative consideration in Texas, has been received by the Eagle from Frank Howington, representative from this district:

The safety question is one of the most outstanding questions and is a very serious one—a question that is hard to work out so that it does not work a hardship on the general public. The death rate is increasing daily in Texas by leaps and bounds. Steps must be taken to protect the lives and property of the innocent. There is talk of forcing every car owner to carry accident insurance to protect the public. Some say educate the public. The Sheriff's Association declare that you cannot educate the man who thinks he is the only driver on the road who uses good judgment. There is a great move on to place governors on all cars, none to run

(Continued on page 5)

owners have pledged to give the land and material. A committee of citizens, J. Y. Tullos, J. H. Harris, O. H. Yarborough, and E. T. Fairman, conferred with Army engineers at Camp Bowie one day this week and report that things seem favorable, although a definite decision on the matter must await word from Washington.

3A COMMITTEE TO LAY PLANS FOR MORE FOOD

'Food-For-Freedom' Campaign To Is Be Started Here Soon

Farmer-committeemen of the AAA and representatives of government agricultural agencies from Mills County will meet in Abilene Thursday and Friday, October 30 and 31, to lay plans for the Food-For-Freedom campaign in this area, according to J. M. Geeslin, chairman of the Mills County USDA defense board.

The district meeting will be one of 12 similar meetings being held throughout the state at the same time to get the food production campaign into high gear. The defense board official said. Representatives of Mills County who will attend are J. M. Geeslin, A. A. Downey, L. H. Soules, County Committeemen; John A. Wright, County Agent; Sylvan E. Cloninger, Performance Supervisor, and G. R. Goosby, Administrative Officer.

Following the district meeting, the County USDA defense board, working with AAA committeemen, will undertake a farm-to-farm canvass in the food production pledge sign-up. Farmers in the county will be asked to produce their share of the foods which are needed for defense and for aid to the nations resisting aggression.

"We are undertaking the greatest food production job in the history of the world," Mr. Geeslin declared. "We have the goals to meet and we will meet them. I believe the farmers of this county will go all-out in their effort to do their share in the Food-For-Freedom campaign."

Mr. Geeslin explained that the USDA defense board would announce definite plans for carrying on the campaign in the county after the district meeting, but it is anticipated that county and community meetings to explain what is needed will be held in conjunction with the farm plan and pledge sheet sign-up which will be handled by AAA committeemen.

EAGLES PLAY METHODIST HOME TONIGHT

Good Game Seen, As Teams About Evenly Matched

The Goldthwaite Eagles meet the Methodist Home in a football game on the local gridiron tonight. The game is called for 7:45 and promises to be a good display of football, from the point of both teams.

The Methodist Home record to date is not available. We know they lost to the strong Fredericksburg aggregation to the tune of 20 to 0. Other games we do not know about.

The Eagles have made some shifts in the line-up since last game. Also have added some new strength to the team.

The Eagles have played the Methodists the past two years, tying them one time and suffering defeat from them last year.

Coach Johns reports that his charges are in fair condition. He does not have any injuries that should interfere with the progress of the team.

The boys from the Methodist Home always have a warm place in the hearts of Goldthwaite people, though it is needless to say that the Eagles have first place. It should be a game all will enjoy.

ALL AIRCRAFT WARNING UNITS NOW COMPLETE

12 Observer Posts In County Have Named Members

All the Aircraft Warning stations in Mills County have been organized and reports sent in to the governor and Army headquarters.

The Army Interceptor Command located twelve stations in Mills County and requested that they be organized for service. All the men and boys of the various communities have entered into the organization with surprising enthusiasm and determination to see that Mills County shall not fail in doing its part in any of the defense program which the government deems necessary for defense of the country.

To date, it is not known when these stations will be manned for practice. It has been stated by the Interceptor Command that maneuvers will be conducted in the near future and that notice will be given at least a week in advance.

The chief difficulty in the way of organizing these posts has been the fact that most of them were located in places without telephones, which are essential to their operation. Of course, this handicap will be removed in time. The most important thing now is to get the personnel organized.

Mills County Chairman for Civilian Defense, Judge R. J. Gerald, says it has been a great pleasure to work with all these patriotic citizens of Mills County in preparing for the defense of our country. If matters continue their progress in the direction of war, we shall, no doubt, be called on to do many things in the future to help carry on the fight for freedom.

The following extract from a letter received from Governor Coke Stevenson yesterday addressed to all County Judges indicates the immediate concern and objectives of the Civilian Defense:

"Civilian Defense has two tasks: The first is to prepare for the day we pray may never come; when bombs and artillery fire fall on our cities, towns, and the countryside, and when men, women and children must stand prepared to defend their homes and liberties. The second is to better the health, economic security and well-being of our people, to make our country strong."

County Judge Gerald has appointed the following organizers for the 12 posts in Mills County: Floyd Weaver, Charles Conrad, Tolbert Patterson, Paul McCullough, Lewis Burdett, J. M. Mays, George M. Fletcher, W. C. McNeil, Grover Poir, Lee R. Tesson, George W. White, C. O. Norton.

Lake Merritt Post Observers: 95—Kildare—32. C. O. Norton, Organizer. Raymond Williams, Chief Observer.

F. D. Waddell, first assistant chief observer.

Omar Weatherby, second assistant chief observer.

Joe Anderson, third assistant chief observer.

Observers: John Long, Floyd Daniel, J. D. Nix, W. C. Dellis, Sr., George Lewis, J. D. Robertson, August Eilers, Henry Nauert, Earl Nowell, Norris Crook, Travis Long, Jake Brown, Bob Reynolds, Orville Evans, A. A. Reynolds, Alvis Newton, V. T. Stephens, Jess Massey, Will Crowder, J. C. NOT MUCH CHANCE for you to go clocking different brands of motor oil to prove which one flows fastest in Eskimo season. Yet the quicker the lubrication at every cold start, the less "dry rub" on delicate surfaces in your engine. Then why not change now to Conoco Nth oil for Winter and get an OIL-PLATED engine? OIL-PLATING is high up in the cylinders to fight fierce grind, much sooner than any plain oil-flow alone could even start wiggling.

Conoco Nth oil, you see—all in addition to speedy flow—fastens OIL-PLATING to inner engine surfaces, as if by "magnetic attraction." This close-bonded OIL-PLATING is up to its topmost point before you even touch the starter—and that's "faster than fast," to aid you toward anti-friction starting.

Even up in Iceland, of course, any engine's normal firing is hotter than the Land of the Hottentots. Yet you don't want to "burn up the oil." And Conoco Nth proved it could last for more than twice the mileage averaged by the five other big-name oils in the impartial Death Valley Death-Test. When all five others were used up—engines ruined as each strict 5-quart fill gave out—the Conoco Nth oil that competed under identical conditions was still up at 2.7 quarts! Certified!

A known economy record... plus a known aid to safe prompt starting... when you change to Conoco Nth for Winter OIL-PLATING, at Your Mileage Merchant's Conoco station. Today. Continental Oil Company

GAVE TWICE THE ENGINE LIFE!
This oil that OIL-PLATES gave its engine more than twice the life averaged by the engines using the other oils in the Death-Test.
In these times use your car prudently. And use oil that's great for engine life—changing regularly as recommended.
Good starting—good lubrication against all needless wear—helps conserve gasoline, too.

Home Coming

Mrs. E. B. Anderson has just received an invitation to a Home Coming of her graduating class of fifty years ago at the Sam Houston State Normal at Huntsville, Texas, beginning Oct. 31. A half century has passed since that happy event in her life, and many of the bright and happy faces of fifty years ago will doubtlessly be missing on that occasion, but she anticipates a most enjoyable time in meeting again faces of that long ago. The program outlined for that event is as follows:

Friday 7:30 p. m. -A Get-together Meeting at the home of Dr. Harmon Lowman, acting president of the college.

Saturday, 7:30 a. m. -Breakfast at the home of Prof. Claude D. Farrington, 9:30 a. m. Registration and Coffee at Austin College Building, 12:30 p. m. Luncheon at Belvin Hall, 2:30 p. m. Ball game at Pritchett's Field, 8 p. m. Square Dance at Woman's Gymnasium.

Sunday- Sunday School and preaching service at the old church buildings.

Mr. and Mrs. Wylie Johnston, Mr. and Mrs. H. G. Bodkin and Marialice Smith attended the circus in Brownwood last Thursday.

Mr. and Mrs. W. G. Saylor and children of Vernon spent the latter part of the week with his parents. Mr. and Mrs. Kelly Saylor.

District Meeting Of Texas Garden Club At Comanche Today

COMANCHE, Oct. 29.—The district meeting of the Heart of Texas Garden Club will be held Friday, Oct. 31, at Comanche, with headquarters at the First Methodist Church. The president, Mrs. Mildred Baze, of Mason will preside.

Guest speaker for the occasion will be Mrs. Walter Crow of Dallas, well-known lecturer on Arrangements and Demonstration of Fruits and Vegetables.

The Heart of Texas District is composed of 13 towns in the 17th District, with a membership of approximately a thousand. The program starts at 9 o'clock in the auditorium at the First Methodist Church. Delegates to the district meeting are expected from San Saba, Lampasas, Coleman, Brady, Llano, Goldthwaite, Santa Anna, Brownwood, Mason, De Leon and Hamilton.

Merry Wives Club

Mrs. V. C. Bradford was hostess to the Merry Wives and a few friends Tuesday afternoon. Halloween was featured in the bridge accessories and salad plate. Mrs. Ed Gilliam as club member and Mrs. A. L. Whitaker as guest, received attractive trophies for their success in the games. Other guests were Mmes Kelly Saylor, Marvin Hodges, C. M. Burch, Earl Summy, W. C. Dew, J. Raymond Little, Walter Fairman, Rufus McKinney, Hulon Fletcher, Sylvan Cloninger and Mrs. Duncan Campbell of Rotan, Texas.

McCain-Johnson

In a quiet candlelight ceremony Saturday at 7 p. m. at the home of Mr. and Mrs. Fred L. Coats, Miss Arlene McCain, daughter of Mr. and Mrs. A. E. McCain of Tyler, became the bride of Worth Frank Johnson of Tyler, son of Mrs. H. B. Johnson of Goldthwaite. Dr. S. S. McKenney performed the singlering ceremony in the presence of relatives and close friends of the couple.

As guests arrived for the wedding they were greeted by the bride's mother, the groom's mother, Mrs. Coats and Mrs. Harold Yarborough of Goldthwaite, sister of the groom. During the reception period Mrs. L. S. Foreman, violinist, accompanied by Mrs. C. E. DeWeese at the piano, played Ah Sweet Mystery of Life, At Dawning and I Love You Truly.

The bride, given in marriage by her father, wore a suit of RAF blue trimmed in mink. Her hat was of mink and fashioned with a veil. Other accessories were brown. She carried a white prayerbook on which rested gardenias showered with sweetpeas. Miss Virginia McCain was her sisters only attendant. She wore a gown of cocoa brown with black accessories. Her corsage was of Peruvian lilies.

For the wedding the bride's mother wore a navy blue ensemble with white carnations. The groom's mother was dressed in a black gown. Her corsage was of white carnations.

After the reception the couple left for a wedding trip to New Orleans, La. Mrs. Johnson's traveling corsage was of white gardenias. They will be at home in Tyler upon their return.

The groom is a graduate of Goldthwaite High School and the University of Texas. A certified public accountant, he is employed at present with Arthur Squyres and Company.

Out-of-town guests for the wedding included the groom's mother and Mr. and Mrs. Harold Yarborough of Goldthwaite.

Jerry Walker was operated on at the Brady hospital Monday, and was doing nicely at last report.

Mrs. Ernest E. Wilson came in from Brownsville the first of the week to visit with relatives and friends.

Miss Clara Dell Howard of Lampasas is now employed as an operator in the Rosebud Beauty Shoppe.

Horace Caldwell and family of Corpus Christi spent Sunday and Monday with her mother, Mrs. C. L. Stephens.

Mrs. Lina McLean spent last week in Alice, visiting her son, Mr. and Mrs. Cecil Bradley and family.

AS SEEN FROM THE STREET CORNER

No man ever rises above the average without becoming a shining mark for criticism.

There is no virtue in criticism, but some people think there is. Those who do things usually get the bricks from those who don't.

The best things in life are not the things we get, but the things which we become.

Avoid any success that costs your self-respect.

Some people want to go to heaven on the other fellow's paying and praying.

I heard a fellow boast the other day of the fact that he never gave the Church a dollar

in his life. Well, I never heard a hog say "thank you" for the corn he eats either.

The trouble with America is that, we have too many Americans who are not Americans. Just because a man can smoke a pipe and grow whiskers gives him no privilege that he has not earned. To be an American means that you are putting more into your country than you are taking out.

The most talkative parrot does not do his own thinking. There are a lot of folks like that too.

Before you start talking about your neighbor find out what your neighbors are saying about you.

Most condemnation comes from people who have nothing better to offer.

No man fails alone, just as no

man can succeed alone. Woe unto him that knocks, for he shall be knocked.

NEWSPAPER FAMILY VISIT NEWS FOLK

An interesting family from Thornton, Texas, stopped in last Monday afternoon for a little visit with the News folk. They were Mr. and Mrs. King A. Childress and daughter, Miss Doris Childress. A young son, James Arthur, was with the party.

Mr. Childress, formerly owner and publisher of the paper at Carlton, The Citizen, which discontinued publication several years ago, publishes the Thornton Hustler; Mrs. Childress is editor and Miss Childress—well, just a roustabout, probably. This is a Texas One Man's Family enterprise, and they are certainly

wide-awake and Hamilton County Mr. Childress and thur were also ple at the Eagle Office doing fine work and getting out a for a small town.

A badly decomposed body of a woman was found Tuesday afternoon about 5 o'clock in a ravine in the roadside park just north of the intersections of the highways north of Lampasas.

The body, which was in a bad state of decomposition, the head being away from the main part of the body and other members not intact, was viewed and examined by Dr. H. B. Rollins, District Attorney Jim K. Everts, County Attorney Gordon C. Cass, Glenn B. Gamel and members of the sheriff's department, and was taken in charge by the undertaker and was buried Wednesday afternoon.

Saturday night, while returning from the Texas-Arkansas football game, four students of Lampasas High School were slightly hurt when the car in which they were riding collided with another as it started to pass a wagon on the highway.

Again this year, the underprivileged children of Lampasas will have turkey dinner on Thanksgiving. The Men's Bible Class of the Baptist Church is sponsoring the dinner.—Record.

F HOWINGTON—

(Continued from page 1) faster than 60 miles per hour. Each car would carry a sticker on the windshield showing allowable speed, the speed of each car to be determined by its equipment and the ability of the driver to drive; and there are other measures being discussed in connection with safety.

Another question being discussed is the liquor question. The last session of the Legislature amended the liquor law and placed certain restrictions on the sale of liquor in dry territory. From all accounts it seems to have increased the number of bootleggers. There is going to be an effort made to increase the penalty and strengthen the enforcement laws.

Another issue being discussed which is of great importance is the state and federal control. Secretary of the Treasury Morgenthau stated that his office was preparing to submit legislation to be known as a "tax and credit" device; in other words, where a duplicate tax was being collected by state and federal agents, as on gasoline, liquor, cigarettes and amusements, the states would cease to collect the tax. The federal government would collect all the taxes in the respective fields, then return back to the respective states their share. Well, this might look good at a glance. Some say federal administration is more efficient than state, but any one who is at all familiar with the operations of these alphabetical bureaus of the federal government know that they are grossly inefficient. The 48 states paid to the Social Security Board last year 97 million dollars. Of this sum only 62 million was returned to the states. In other words, the employees of the United States contributed 35 million dollars to the Social Security Board to tell the states how they wanted them to run their employment security agencies. In a few words, Morgenthau's plan simmers down to this: The money would not be granted to

the states unless it was spent for the things some alphabetical bureau set up for that purpose said it had to be spent for, and could only be spent according to the rules and regulations of that bureau, which under our present system cannot be called to account for its action no matter how capricious or arbitrary, in any court in the land.

I repeat to you in the words of Benjamin Franklin that "He who surrenders part of his liberty for a little temporary economic security will eventually lose both his liberty and his security." My friends, hold fast to that which is good.

Next week I will give you an article on the pension law.

Mr. and Mrs. I. O. Harvey left last Saturday morning for San Antonio, where they visited for a few days with their son, Omar Harvey, and wife. They will spend the winter with their son, Earl, who has a government position at San Diego, Calif.

Improved Uniform International SUNDAY SCHOOL LESSON

Lesson for November 2
 Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.
SIN AND ITS CONSEQUENCES
 LESSON TEXT—Galatians 6:7, 8; 1 John 1:2-6.
 GOLDEN TEXT—If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.—1 John 1:9.

Sin is an appalling reality, hideous and horrible in itself, and bearing with it the gravest consequences both in this life and in the life to come. Man does not find it pleasant to face that fact, and so he makes light of sin and even may go so far as to deny its existence. Obviously such an expedient does nothing to solve the difficulty or to meet the gnawing distress of a heart facing and fearing the judgment of God.
 Far better to meet the reality of it, admit its awfulness, and seek God's way of full deliverance. Sin, which came into the world when man listened to Satan and disobeyed God in the Garden of Eden, has gone on to mar and to mark all mankind. We note that
 I. Sin Brings Corruption (Gal. 6:7, 8).
 Seedtime is followed by harvest. This is the law of nature, the law of God. The farmer who sowed wheat in the spring looked for wheat when the harvest time came. The same principle holds in the spiritual realm. Just as the one who sows to the Spirit reaps eternal life, the one who sows to the flesh reaps corruption, and death.
 A life of self-indulgence (which is sowing to the flesh) brings moral decay. The weakened will yields to desire, and it "bringeth forth sin; and sin, when it is finished, bringeth forth death." (James 1:14, 15). This death is spiritual, bringing separation from God, a loss of fellowship and communion with Him. Spiritual death as well as physical death came upon mankind through Adam's sin.
 II. Sin Loves Darkness (1 John 1:5-7).
 There is not a bit of darkness in God. He is light. When Jesus came into the world, He came as the Light of the World. But "men loved darkness rather than light, because their deeds were evil. For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved" (John 3:17-21).
 The corollary of that truth is that a man who says he has fellowship with God, but continues to walk in darkness, brands himself a liar (v. 6). Compare Revelation 21:27-28 for what God thinks of liars.
 The light still shines, and the one who is walking in darkness has only to step over into the light (v. 7) where he will find fellowship with all God's people and know the cleansing of the blood of the Son of God.
 III. Sin is an Undeniable Fact (1 John 1:8-10).
 It seems impossible that a man who knows himself and knows the life he lives would ever deny sin, for it is one of the most evident of all facts. Yet men have denied it, or sought to explain it away, calling it error, or a "fall upward," or a step in man's development, or the evidence of man's self-consciousness and desire to learn.
 There is no hope for a man as long as he assumes such an attitude, for he not only lies himself, but he makes God a liar. He denies the truth of God's Word about sin, makes meaningless or wicked God's dealings with sin, and reveals that God's Word is not in him. Those who make such statements declare that they do not belong to God and do not accept His Word. It is evident that they ought never to be permitted to teach such things in the church, or in the name of Christianity.
 IV. Sin Calls for a Saviour (1 John 2:1-6).
 Christ the propitiation, the mercysit covering for our sins, is the only Saviour. He paid the price, and made it possible for God to be just and at the same time a justifier of the ungodly. The sinner needs such a Saviour.
 Sin in the life of the believer also calls for a Saviour, one who will cleanse us (1:9) and who will in His own blessed name plead our case "if we sin." He is our Advocate (2:1) pleading His righteousness in our behalf when we do fall.
 This does not mean that we may then become indifferent or careless about sin. If we say we know Him about sin, if we say we commandments, and do not keep His commandments, we lie about our professed relationship to Him. The mark of a true child is a spirit of obedience.
 God's children prove their love to Him by keeping His commandments. Talking about our devotion to Him, giving our service to Him, or sacrificing for His cause Him, or sacrificing for His cause mean nothing if we do not obey Him. We only pile evidence upon evidence of our untruthfulness by making claims and doing things which are negated by our disobedience.

STAR ITEMS—
 By MRS. DORA GOODE
 Since writing last, Star has had a variety of programs. We've had the "Sunshine Boys," the box supper, a P-T.A. meeting, and the dedication of the school building—and Sunday afternoon songs. And all of these gatherings have been full houses.
 Recent visitors in our midst were C. G. Guice's son, Bob Guice, and family of Memphis, Tenn.
 Mr. and Mrs. James Witty and little son of San Antonio spent the week-end with his parents. Mr. and Mrs. J. J. Witty.
 Charles Baker and nephew, Ansel Fuller, of Brownwood, were down for the box supper.
 The Christian church has a new coat of paint, and looks so nice.
 I guess everybody is getting ready for winter; at least we should be. For this morning we have a nice little norther.

EVERY MEMBER OF THE FAMILY SHOULD READ
The Dallas Morning News
 DAILY AND SUNDAY (365 Days a Year)
 The latest news is not all! The Dallas News is full of special features that every member of the family will read and enjoy after he is through with the headlines and news items. . . . Comic strips—"Facts and Features," a popular column for boys and girls—and helpful food and fashion pages—complete agricultural, sport, and financial pages make The News the ideal family newspaper.
 —And in THE BIG SUNDAY NEWS is even more—"This Week" Colorpage Magazine, a big comic section in full colors, also Dr. Gallup's weekly poll of public opinion.
