VOLUME FORTY-NINE

GOLDTHWAITE, MILLS COUNTY, TEXAS, —FRIDAY, NOVEMBER 20, 1942

NUMBER THIRTEEN

SCHOOLS SUSPENDED TODAY FOR GASOLINE CAR REGISTRATION

Today is gasoline registration day for all of Mills County. Registration will be held at the school houses over the county, all schools being suspended for the day in order that teachers may aid in the registration.

Owners of automobiles must fill out and sign a registration application blank, and take or send it to the schools today, together with the last license receipt for the car.

It is expected to take only one or two minutes to register each car, if the application blank is in order.

The following Mileage Rationing Board has been appointed to handle gasoline rationing in Mills County:

Wiley Mahan, Goldthwaite, Chairman.

C. S. Miller, Big Valley.

D. A. Hamilton, Mullin.

Mills County motorists, registering for basic mileage rations at school house registration sites must take along their application forms, listing serial numbers of their tires, and their registration cards. A. T. Pribble, Chairman of the Mills County War Price and Rationing Board, said this week.

The following information is furnished by Supt. Smith of the Goldthwaite Schools:

Again the public schools have been called on to assist in a Rationing Program—this time affecting gasoline.

The Goldthwaite Schools will suspend classes on November 20 to assist in this program. On that day all the teachers will be available to help all car owners.

Car owners are requested to come to school house Friday, Nov. 20, for the purpose of securing a gasoline ration book. On Thursday the teachers will all be in classes and will not be available to render the needed service. The teachers will not be on duty Saturday. PLEASE COME FRIDAY.

HOW TO REGISTER: First secure from your Filling Station OPA Form 534. Fill this out as indicated. Be sure to bring with you your car registration receipt—not a certificate of title, as first announced.

We quote below from OPA Form 534:

"At the time of application the registration card of the vehicle must be presented."

We quote below from the Handbook of Instructions:

"You are not to issue a Coupon Book on the basis of a certificate or document of title or bill of sale, but only on the basis of the motor vehicle registration card or a certification."

It will be the plan of your public school teachers to render you the very best service possible. Your cooperation in the matter is earnestly solicited.

Hal R. McDonald.

WILLIS HILL ATTENDS SOIL CONSERVATION MEETING IN DALLAS

Soil and water conservation measures are increasing per acre yields of war crops wherever these methods are used in Texas, Willis Hill of Goldthwaite reported this week when he returned from the second annual meeting of the Soil Conservation District Supervisors at Dallas. Mr. Hill is vice-chairman of the Board of Supervisors of the Brown-Mills Soil Conservation District.

Hill is more impressed than ever that we should save the soil which supports the nation, and protect the agriculture which brings the products of the soil to man's markets.

He says that this increased interest is the result of his hearing District Supervisors from all parts of Texas say time and time again that the use of soil and water conservation practices, as recommended by the district program, results in a greater production of beef and milk, and a greater yield of cotton, corn and grain sorghums and peanuts. These are important goals which must be kept in sight while we are carrying on this war to looking forward to the peace that will follow.

These same supervisors stated that the importance of going ahead without letup in the program of Soil Conservation cannot be overestimated, as it is vital to the entire future of our nation. And also the future of the world, for this nation must help feed and clothe the world when war is through ravaging the nations of the earth.

Mr. Hill concluded this interview by summarizing in the following manner an address made at the meeting by V. C. Marshall of Temple, State Administrator of the Soil Conservation Board: "The health, wealth and security of all civilization are entirely dependent upon the natural resources at its disposal. We should remember that the war drums sounding on our borders will some day be silent. When that day comes, there must be more than glory on which to build."

"More than glory, indeed! There must be land—land that will produce."

CHURCH OF THE NAZARENE

The Rev. W. L. French, District Superintendent of Belton, will be with our church to preach Sunday, Nov. 22, at 7:15 p. m. We would like for the people of Goldthwaite and surrounding country to hear him. He is a very inspirational speaker, and will only be with us for the one service. If you are not going to other services in town, come and enjoy the good message.

BIG VALLEY

By MRS. CARL WOODS

Mrs. Doss Hunt of Seagraves visited her parents, Mr. and Mrs. W. S. McConnell, and other relatives and friends last week.

Charles Dennard of Waco visited homefolks over the weekend.

Mr. and Mrs. Johnny M. Woods and Mrs. Carl Woods and children visited Mr. and Mrs. A. O. Harrell at Adamsville Sunday.

Leman Reagan left for Fort Worth Sunday where he has employment in an aircraft factory. His wife and children will join him soon.

Mr. and Mrs. Dan McConnell and children, Dean and Syble Woods, visited in the Wells home Sunday.

Dr. and Mrs. Colvin had as visitors last week their son, who is in the Navy, and a brother of Doctor Colvin.

Mr. and Mrs. Leman Reagan and children spent Saturday night with Mr. and Mrs. Dan Calaway and boys in Goldthwaite.

There will be preaching services Sunday. Everyone is invited. The Sunday School classes have prepared a program.

JUNIOR RED CROSS RESPONSE WAS GOOD

The campaign for Junior Red Cross enrollment officially ended on November 15, according to Mrs. Delton Barnett, County Chairman. However, since some schools of the county began a week late, the time has been extended to November 25, but all enrollment funds and material must be ready to send to area headquarters by that time.

Response by the schools of the county has been good. The following schools have completed their enrollment with a one hundred per cent report:

Payne Gap School—50c.
Goldthwaite Elementary—\$20.50.

Mullin Elementary—\$3.60.
Mullin High—\$4.86.

Lake Merritt—\$1.21.
Goldthwaite High—\$15.03.

Pridy Elementary School—\$9.41.

Pridy High School—\$1.95.

Star Elementary School—\$5.69.

Star High School—\$2.85.

All other schools of the county have either declared that enrollment is in progress in their community or expressed their desire for enrollment but three. It is hoped that these three will take advantage of the extended time and enroll their schools.

ELMER GEESLIN SENDS THANKS TO FRIENDS

Medical Arts Hospital, Brownwood, Tex., Nov. 9.

To every one who has been so thoughtful of me since I have been in the hospital, I want to thank each and every one for your cards, magazines, letters, flowers, chewing gum, candy, radio and every kindness I have received. Everyone has really been swell. I think I'm doing a.k. painful, yes—but I heard about the last game. Keep up the good work, boys!

Yours truly,
ELMER GEESLIN.

SANTA FE RAILROAD HELPS IN SCRAP DRIVE

GALVESTON, Texas, Nov. 17.

As a result of intensive company campaigns at all on-line points during first nine months of 1942, the Gulf Lines of the Santa Fe Railway accumulated and contributed nearly 15 million pounds of scrap metal to the nation's salvage pile. It was announced here today by R. B. Ball, vice president and general manager of the railroad.

Figures compiled the period from January 1 through September 30 show that the Gulf Lines gathered 8,435,760 pounds of highgrade miscellaneous scrap and turned it over to the steel mills. Also forwarded to steel mills during that same period were 6,417,000 pounds of scrap rail.

Mr. Ball revealed that the Gulf Lines scrap drive was in full swing well in advance of an appeal for aid issued to railroads by the salvage director of the War Production Board this past summer.

Employees of the railroad's store department, using a huge electric magnet mounted on a the scrap accumulated at round-houses, shops and stations along the Gulf Lines, he said. The medal is transported to store department headquarters at Cleburn, where it is stored and sent to the steel mills.

Exploration of new fields heretofore considered unprofitable yielded considerable additional scrap tonnage" Mr. Ball declared. "Our workers were instructed not to overlook a single piece of metal, no matter how small, and this all-out salvage policy will continue on the Gulf Lines for the duration."

ATTENTION, RED CROSS KNITTERS

Those who have knitted sleeveless sweaters for the Red Cross, please bring them in as soon as possible, for we are ready to ship them.—Acting Chairman of the Red Cross Knitting Committee.

NEXT WEEK WOMEN'S WEEK FOR SALE OF WAR BONDS, STAMPS

Next week—November 23 to 29—has been designated as Women's Week over the nation. The women of Mills County will have charge of War Bonds and Stamps sales for the entire week—Help them make a success of this venture.

Convenient places will be provided where you can make your purchases of bonds and stamps. Let's help our boys whip the Axis.

Everybody help!
GROVER DALTON,
County Chairman.

CENTER CITY

By Mrs. J. M. OGLESBY

Frost fell here last week killing green vegetation. Some were thoughtful enough to cover some of the plants they wished to keep longer.

Glen Geeslin, Vernon McCasland, and R. L. Atchison were among the soldier boys home on furlough last week.

"Dade" Olgiesby and family of Brownwood spent Sunday with his brother, Mohler, and family. Miss Shirley Lucas, who holds a nice position in the Civil Service department at Camp Berkeley, visited her parents, Mr. and Mrs. Bill Lucas, last Saturday night and Sunday.

Mrs. Winnie Price and children of Houston are visiting her parents, Mr. and Mrs. Allen Carter.

The Home Demonstration Club met last Friday afternoon with Mrs. Flora Owens. Reports are they had a profitable, as well as an enjoyable, time.

Commissioner Jim Hamilton and son, Eddie Blake, visited recently at Fort Worth and Dallas.

Hollis Blackwell and Jack Kirby spent the first of the week on a deer hunt.

Archie Collier, who is at Grand Prairie, visited his family on Armistice Day.

Raymond Reid and Mrs. Stacy McCasland helped their parents, Mr. and Mrs. Ellis Reid, move to Goldthwaite. Mr. Reid is in declining health and it is thought best to have him near a physician.

Denver McCasland, who has been working in New Mexico, is at home with his parents, Mr. and Mrs. Stacy McCasland.

Jimmie Lucas is at home on a furlough visiting his parents, Mr. and Mrs. Bill Lucas.

Raymond Casbeer of Camp Bowie came in Monday on his furlough.

The W. E. Reid families enjoyed a family reunion in the Stacy McCasland home while the boys were home. The following were present on this occasion: Mr. and Mrs. Ellis Reid of Goldthwaite, Mr. and Mrs. Hugh Carroll and Mary Dean of Lockney, Mr. and Mrs. Thos. Atchison and La Verne of Pidoche, Mr. and Mrs. Lawton Mcbeth, Wayland and Vendell of Pidoche, Mr. and Mrs. Bill Reid, Mr. and Mrs. Duard Atchison and Barbara Kay of Fort Worth, Corp. R. L. Atchison and Pvt. Vernon McCasland of Camp Edwards, Mass.; Mr and Mrs. Kenneth McCasland and baby of Brownwood, Mr. and Mrs. Raymond Reid and two sons, Mr. and Mrs. Stacy McCasland, Elroy and Etheline, Mr. and Mrs. Monroe Geeslin, Mr. and Mrs. Chester Head and sons, Mr. and Mrs. Ira Aldredge and Mary Leigh, Mr. and Mrs. Joe Wilds.

In the afternoon all present enjoyed singing favorite religious songs.

CAMP BOWIE SOLDIERS TO HAVE BIG FEAST THANKSGIVING DAY

Camp Bowie, Nov. 19—Through the efforts of the United States government, department of culinary arts (non-official), "Ma" Hancock of the Camp Bowie Service Club No. 1, specialist in pleasing the most particular epicureans, and the people of San Saba, Eastland and Brownwood, the soldiers of Camp Bowie are have the opportunity of visiting sumptuous as that held by the early Pilgrims.

Here is the menu for the Thanksgiving Day dinner at Camp Bowie: Fruit cup, roast turkey, dressing and giblet, cranberry sauce, gravy, mashed potatoes, corn, peas, stuffed celery, tomato salad, assorted pickles, bread, butter, pumpkin pie, apples, grapes, coffee, candies and nuts.

Those soldiers who prefer the Service Club will have the following choice: Sea food or fruit cocktail; turkey and dressing and cranberry sauce, or broiled T-bone steak, or roast loin of beef; fresh fruit salads, fresh vegetable salads, hot rolls, butter, pumpkin pie with whipped cream, or mince meat pie, or Red Devil's Food cake; coffee, tea or milk—all prepared under the expert hand of "Ma."

No doubt both of these menus are tantalizing and stimulating, but should there be soldiers who desire a home atmosphere along with meals similar to these, they have the opportunity of visiting Eastland or Brownwood, if they can get leave. And special Thanksgiving dinners will be prepared by civilians and Camp Bowie soldiers may make contact by leaving their names at the Service Club.

In order to make the day a full one, a soldier may have a Thanksgiving dinner at his mess hall, another dinner at the Service Club, then a dance with refreshments at San Saba. Under the direction of Mrs. Elaine Roberts to San Saba, 50 Bowie men have been invited to attend a Thanksgiving dance there. A host of beautiful San Saba "Defense" girls will be at the dance. Contacts for the dance may also be made through Service Club No. 1 at Camp Bowie.

MULLIN, TEXAS AERIAL GUNNERS GETS HIS WINGS

Harlingen Army Gunnery School, Texas.—A graduate this week of the Harlingen Army Gunnery School wh o qualified as an expert aerial triggerman after five weeks of intensive training and now wears his silver Wings of a Gunner Sergeant is Enob Masters, son of Mr. and Mrs. William A. Masters, Route 1, Mullin.

He was promoted to sergeant and received his diploma at brief exercises here and, unless ordered to serve as an instructor, will depart immediately to join a combat crew aboard a bomber.

Now as an official crew member of the Army Air Force's fighting combination, it will be his job to fight off enemy aircraft while other men in the bomber crew finish off the job of destroying enemy concentrations. To qualify as a top-notch man at flexible gunnery, he spent many hours in careful study and actual practice at aircraft identification, sight harmonizing, machine gun nomenclature, and shooting every kind of weapon from BB to 50 caliber machine guns.

ANNOUNCING:

Mr. and Mrs. Roy F. Gholson are the proud parents of a 10-pound son, Billy Roy, who arrived November 16 at the home of his grandparents, Mr. and Mrs. D. W. Shaw.

NOTICE

There will be a cemetery working at Pleasant Grove Cemetery Tuesday, Nov. 24.

SPECIALIST VISITS MILLS COUNTY

Mrs. Bernice Claytor, Extension Specialist in Home Improvement from A. and M. College, and the Mills County Home Demonstration Agent visited several of the Home Improvement Demonstrators Friday, Nov. 13.

Mrs. Claytor, who promoted the cotton mattress program in Texas, was well pleased with the home-made mattresses, mattress covers, and protectors which were made in Mills County.

"We are all going to have to spend more time in taking care of our household furnishings and equipment," stated Mrs. Claytor.

Homes visited were Mrs. Jake Brown, Lake Merritt Club; Mrs. Allen Shotwell and Mrs. Teague, both from Star; and Mrs. Bula Sauters, Goldthwaite Club.

SAVE THOSE CANE BOTTOM CHAIRS

Save those cane bottom chairs when the seat is worn out, and weave in a new one by using rush, raffia, corn shucks, or Hong Kong grass. Even cattails are sometimes used. Before a new seat is woven on a chair, the chair should be put in good condition. The frame should be given any necessary repairs, screws and braces should be tightened and new parts supplied if needed.

Geraldene Summers, Home Demonstration Agent, attended an all-day chair seating demonstration given by Mrs. Bernice Claytor, Home Improvement Specialist, at Brownwood Saturday.

This demonstration will be given in Mills County after the first of the new year.

SHARING MEAT IS DEMOCRATIC

The government's share-the-meat campaign, a voluntary program for consumers, aim at a fair division of available supplies among those who need them, until a system of card rationing can be set up to achieve the same purpose arbitrarily. Meat rationing is not expected until early 1943.

The two-and-one-half pounds of beef, lamb and pork allowed per adult per week is sufficient for an adequate diet, provided other necessary foods are included, says Hazel Phipps, specialist in food preparation for the A. M. College Extension Service.

But, if you are terribly fond of meat flavor and miss it for that reason more than any other, spread the flavor of meat by mixing it with other foods" Miss Phipps says.

The specialist explains that cereal foods such as bread in stuffings, hominy, rice, and macaroni are good "meat extenders." Vegetables can extend the flavor of meat in stews, soups, chowders and pot roasts. With meat rationing many home makers will learn to become more thrifty with left-over meat, gravy, or drippings and make broth of the bones. Left-over cooked meat can be sliced and served cold or in a salad. Or, Miss Phipps says, it can be combined with other foods in appetizing hot dishes such as browned hash, meat pie, stuffed peppers, croquettes, and chop suey.

It will also pay housewives to make greater use of kidney, brains, heart, and other variety meats, which are not included in the "sharing allowance." Like other more familiar meats, these are good protein foods and are an especially rich source of iron and the B vitamins, Miss Phipps says.

THE FOOD OUTLOOK

What farm families can produce for themselves will largely determine what kind of diets have in 1943, Louise Bryant, specialist in home management, recently told the headquarters staff of the A. and M. College Extension Service on her return from the Annual Outlook conference in Washington, D. C.

The outlook conference is sponsored annually by the U. S. Department of Agriculture to give research and educational workers a preview of "what's ahead" for agriculture and home economics.

Shortage of containers, labor and transportation means consumers will use more fresh fruits and vegetables next year, the specialist added. The armed services and lend lease beneficiaries will get the bulk of the country's fruit and vegetables, she explained. The supply of frozen foods available to civilians also will be limited, although ice cream factories and fur storage houses likely will be converted to sharp freeze and storage plants.

Miss Bryant added that rationing will affect the higher income group more than the lower. She predicted establishment of a point system of rationing which would allow purchases according to food groups, such as proteins, for example. Marked increases in food costs are not possible, the specialist said, since 90 per cent of the nation's food prices already are under control.

ACHIEVEMENT WEEK OBSERVED

4-H Club girls have collected enough scrap rubber for seven battleships, 72 18-ton tanks, with a tire for a bomber thrown in, Onah Jacks, state girls' club agent of the A. and M. College Extension Service announced in a radio broadcast which opened National 4-8 Achievement Week on November 7.

In addition, 4-H members salvaged enough steel for 738 light tanks and enough waste paper to make more than 391,000 cartons for anti-aircraft shells. "With bonds and stamps you've bought, Uncle Sam can buy more than 700 machine guns with 10 rounds of ammunition each," Miss Jacks said in her radio talk addressed to nearly 38,000 club girls.

The state girls' club leader said that 4-H girls comprise a land army over 26,000 strong, and they are "on the job today—plowing, gathering crops, caring for chickens or livestock, or doing other extra farm work." In their ranks also are about eight and a half thousand fire fighters and 600 air raid wardens and plane spotters.

Besides growing food to supply 1,700 soldiers for a whole year. And there are enough 4-H Club girls who have studied first aid and home nursing to supply each of those soldiers with two nurses each....and there would be "more than 400 nurses left over," Miss Jacks said.

Concerning the national observance she said, "This 4-H achievement week is intended to give you and others an opportunity to look over your work—see where it's good and make it better. This week is time...to rest your sights and to go at it again to do a finer job for your country and yourself than you have done before."

SANTA FE'S OPERATING INCOME HAS INCREASED

Santa Fe's net railway operating income for September was \$9,144,740 according to a statement released by President E. J. Engel today. This is an increase of \$4,885,369 compared with September, 1941.

Gross for the system was \$33,204,181 which is an increase of \$13,227,266 over September, 1941. Operating expenses were a total of \$17,427,976 or an increase of \$4,384,947 over the same month of 1941. Railway tax accruals were \$6,305,613 for an increase over the same month last year of \$3,561,365.

Figures for three years; September gross; 1942, \$33,204,181; 1941, \$19,976,915; 1940, \$14,465,996

September net railway operating income, \$9,144,740.

Railway tax accruals for nine months ending September 30, 1942 include \$39,703,330 federal income tax compared with federal income tax of \$8,669,000 in 1941.

STAR NEWS—

By MRS. DORA GOODE

Tests prove that a newsboy is old at twenty; a baseball player is old at 25; a prize fighter is old at 30; a farmer is old at 50; a merchant is old at 60; a doctor is old at 75; a judge is old at 80; a preacher is old at 90.

Experience has proved to military men that men in their twenties make better quick-trained soldiers than men in their thirties; that men 35 and up have more wisdom and would be worth more to their country in industries back home.

There's been some visiting among friends and relatives before the shutdown on gas.

Mrs. Barton Henry of West Texas was in Star recently visiting homefolks.

Mr. and Mrs. Frank Stubbs and little son Paul and Mrs. E. T. Franks, all of Houston, visited their parents, Mr. and Mrs. Lant Adams, recently.

Charles Douglas Rickell, stationed somewhere in the north, is visiting his parents, Mr. and Mrs. Charlie Rickell.

Mr. and Mrs. G. D. Burney and Mrs. James Carter and daughters, Juanelle and Carolyn, of Evant spent a part of Sunday afternoon with relatives here.

Recent guests in the home of Mr. and Mrs. C. G. Grice were their son, Bob Grice, and a Mr. Nicols of Memphis, Tenn.

Mrs. Lonnie Baker had a pleasant visit from her sister, Mrs. J. M. Stimson, and daughters, Edna, Merle and Ruth, of Austin recently.

Mrs. Warren Ellis went last week for a visit with her parents at Llano.

Mr. and Mrs. Harry Soules have moved into the Boots Boykin residence on West College Street.

Mrs. Joe Moore has moved to Mrs. Bob Boykin's where she has an apartment.

Mrs. Harve Miles and children have moved into Star and will operate the switchboard which is now located on North Main in the Wall house recently vacated by Mr. and Mrs. Harry Soules.

Mr. and Mrs. Emmett Hawkins spent the week at Moline helping Shelby with the fall work on the farm. Shelby's wife, Helen, recently underwent a triple operation, and is slowly gaining strength.

JONES VALLEY—

By MRS. GEORGE D. BROOKS

Mrs. Pearl Long and children of Big Valley visited her parents, Mr. and Mrs. H. Hale, Saturday. Bro. Donnally of Brownwood preached for us Sunday. He visited in several homes.

Mr. and Mrs. J. D. Berry visited Mr. and Mrs. O. B. Bell Sunday.

Mr. and Mrs. C. P. Barcroft and children, Mrs. Lee Nelson and children, and Mrs. M. M. Cook of Hamilton spent the week-end with Mr. and Mrs. C. P. Barcroft and family.

Raymond Wilcox went to Dallas for an examination to join the Naval Air Corps. He will be leaving soon. How we hate to see our boys leaving, but it has to be.

Mr. and Mrs. I. Portwood, Vernon Marshall, Mrs. L. Jernigan and Mrs. A. Tully visited in the George Brooks home Saturday night.

Mr. and Mrs. Tip Roberts and Robert Roberts called on Mr. and Mrs. C. P. Barcroft Sunday night.

Mrs. A. Tully is visiting her parents, Mr. and Mrs. L. Jernigan.

TRIBUTE OF APPRECIATION

We wish to thank our friends for their kindness, their beautiful deeds of sympathy and understanding in our recent bereavement.

The beautiful flowers, cards and gifts you sent prove what she so often said, "I did not know there was so much love in the world."

God bless you.
 Homer Schulze.
 Mr. and Mrs. Geo. Fletcher and Family.

Mr. and Mrs. J. M. Gray of Killen spent Sunday in the home of Mr. and Mrs. Wilfred Gray. They are the parents of Captain Robert Gray, who was killed in a plane crash somewhere in Egypt on the 18th of October.

ROCK SPRINGS

By MRS. EULA NICKOLS

Sunday is church day. If it isn't so Bro. Sparkman can be here I am sure he will send some one.

Beryl Turner and family of Greenville spent a few days here visiting relatives and friends.

Marvin Edwards sold his farm last week. I failed to get the buyers name. I understand Arthur Cline has it leased.

Jim Gatlin spent Monday in town with his mother. Miss Love brought him home after school.

Mrs. Joe Davis hasn't been feeling so well this week. We hope she will soon be well.

V. D. Tyson and wife and Mr. and Mrs. Marvin Edwards and Amos Shelton visited in the Nichols home Sunday night.

James Nichols and family were Sunday guests in the Tyson home at Williams Ranch.

M. R. Circle and Sam Self took their turkeys to town Monday morning.

Marvin Edwards and wife went to San Saba one afternoon last week.

Otis and Bessie Hutchins from Center Point visited one night in the Nichols home.

I had a nice long letter from Glenn, my son, who volunteered in the Army. He is stationed at

Camp Sutton in North Carolina. The Hardcastle boy from Cardigan that went with Glenn was in the same camp, but not in the same tent.

Richard Sanders and family and Mrs. Eula Nichols spent Saturday and Sunday in the Ellis home at Stephenville.

Woodie Traylor and family and our new neighbour and wife whose name I haven't learned visited with James Nichols and family, Saturday night.

Miss Ruth Whitt was able to go back on her job this week.

Mrs. Mariah spent Monday with her daughter, Mrs. Joe Davis.

Will Stark is able to be back on the streets again.

Mrs. Fannie Brim spent several days last week in Waco at the Army Flying Hospital where her son, John L. Brim, underwent an operation. He was doing nicely when Mrs. Brim returned to Goldthwaite. She was accompanied by Mrs. John Brim.

Mr. and Mrs. Oscar Burns returned from Dallas last Thursday, where they were with their son, James Oscar Burns, and family. They were called to the bedside of the J. O. Burns twins.

The boys were seriously ill and were in the hospital, but at the time Mr. and Mrs. Burns left they were somewhat improved.

SENIOR REPORT

The Seniors have joined the Red Cross 100 per cent, and we are very proud that everyone was so cooperative in this way.

All the Seniors regret that football season has ended, but there are other things to look forward to, and we are all ready to settle down to some real work.

The latest report we had from Elmer Geeslin, he was doing as well as could be expected. We hope he will be coming home soon, and then back to school.

JUNIOR CLASS REPORT

The Junior Class is proud to say that we were the first class in high school to enroll 100 per cent in the Junior Red Cross.

We regret that football season has ended and are settling down to the rest of the year's work.

SOPHOMORE REPORT

The Sophomore Class has been divided into two sections. One section was put upstairs and Miss Featherston is their home-room teacher. We are trying to make our class 100 per cent in Junior Red Cross membership and since our Sophomores are all loyal, we will reach our goal this week.

PEP SQUAD REPORT

Football season is over, and although our team didn't win all their games we are proud of every one of them. They have played some wonderful ball and they all did their best every minute of every game, and they played clean ball—of course it is nice to win, but the score is not all the game.

We were sure proud of our boys Friday night—that was some swell playing you did, boys.

RED CROSS REPORT

From November the first to November the fifteenth Goldthwaite School, and all other schools, had a Red Cross drive for the purpose of obtaining funds to continue helping the men of our armed forces and unfortunate people of the world.

The Goldthwaite Elementary School has completed enrollment and is one hundred per cent with a total of \$20.50. This is an average of over 5 cents per pupil and is \$14.50 more than the bare enrollment fee. This means that the boys and girls of Goldthwaite Elementary School are not only one hundred per cent for enrollment but also one hundred per cent for service.

Particular credit goes to grade

8-I, Mrs. Gerald sponsor, which turned in over \$5.00. This makes an average of over 15 cents each for the pupils of that grade. A close runner-up was grade 7-I with something over \$3.00 collected from its 30 pupils.

The Goldthwaite Elementary School, according to the county chairman, is leading the county also in the services it has chosen to render to the Junior Red Cross during this year. They have chosen 350 articles to be made during the year and sent to the armed forces.

Meanwhile, High School has not been idle. Four or five Senior girls and one or two Junior girls, headed by their chairman, Barbara Walden, have been making Christmas carol books for all service men from Mills County. They are progressing nicely and hope to have completed them by the end of the week so they will reach the men by Christmas.

The Public Speaking Class had a program November 4 about the origin and work of the American Junior Red Cross.

We are sorry to say that even though the drive has been extended, High School is not yet 100 per cent. We are sure that by the end of this week everyone will have enrolled. There has been a total of \$13.63 turned in for enrollment fees in High School.

Mrs. Barnett, the Senior sponsor, is Red Cross chairman of the county. She is doing a wonderful job and is sincere in her work.

GRAMMAR SCHOOL NEWS

Editor-in-Chief — Reba Ford
 Associate Editors: Jerol Vaughan
 Carolyn Grison

We are sorry to lose Richard Garms, Dewey Garms, O. C. Laceywell, and Jo Ann Laceywell.

We are glad to have Harvy Palmer who went to school with us in the first grade with us in the 7-2 and also Mary Katherine Palmer in the fifth grade.

We are proud to welcome Hazel Byrd back to the eighth grade. We are a wee bit proud of the fact that our school turned in \$20.50 to the Junior Red Cross. This averages \$1.71 per room. This amount is more than enough to qualify each room for membership. However, this is only a step toward some of the things we hope to accomplish in this work.

The fifth grade had charge of our chapel program last week. They gave a very enjoyable play called "Peter, Paul, and Espan," and Ada Margaret Geeslin sang "Playmates" accompanied by

Cella Ann Simpson.

SNOOZY SNOOPER

Herman, could it be you and Adelaide that are always talking when the teacher asks "Who is that talking?"

It looks as if Billy John Eckert and Mildred Langford can't be separated.

Where was Robert Louis Miller going Sunday so dressed up?? Do you have any idea, Jane Ann?

Is it true that Pearl Cook has J. A. M. and C. G. on her notebook?

Who was it that sat by Jerol Vaughan in the show Saturday? Could it have been Bobby Burks?

John Alex, wasn't that Carolyn's picture you had in your pocket? It's nice to have a picture like that, isn't it?

Sealy, Laverne said that she never has taken that pin off that you gave her. She said she loved it just because you gave it to her.

IN THE SPOTLIGHT

ELMER GRAY

Elmer is the grandson of Mr. and Mrs. G. W. Smith. He is about five feet, 7 inches tall, weighs 138 pounds, and has red hair and brown eyes. He has attended school here all his eleven school years and he is one of our average students.

He has been a member of the football team this year and has made a swell showing.

Elmer is recognized by a lot of people by the name of "Red." Incidentally, he is the only red-headed boy in the Senior Class.

He is one of the most popular boys of the Senior Class. He gets along with all the kids, and all the teachers and that's saying a lot.

When Elmer graduates this year he plans to go to WYAC and study airplane mechanics.

His hobby—Teasing.
 Ambition—Be a good airplane mechanic.

Likes—Everybody.
 Dislikes—Bookkeeping.

LEWIS HUDSON

Lewis is the son of Mr. and Mrs. Dow Hudson. He is five feet 11 1/2 inches tall, weighs 135 pounds, has brown eyes and black hair. He attended school all eleven years at Goldthwaite.

He is one of the smartest Senior boys. He has a very winning personality and is very popular with everybody.

Lewis is good at anything he does and when he starts anything he always manages to finish it. Lewis was one of the flag-bearers of the Pep Squad this year. And he was also a very good member of the band from the time he was in the seventh grade until last year or as long as we had a band. So when you see somebody coming with a friendly smile and "hello," you'll know it's Lewis or "Bollweevil."

He hasn't thoroughly made up his mind as to where he will attend school after he finishes this year.

Hobby—Playing hockey.
 Ambition—To grow old and die some day.
 Likes—Kate.
 Dislikes—English.

SPORTS SLANTS

GOLDTHWAITE vs. LLANO

We are very sorry to say that we played our last game last Friday night, but we are glad to say that we won with the final score of Goldthwaite 13, Llano 12.

Our boys did some very good playing the first half of the game, but they played a lot better the last half when we made all our touchdowns.

We think the football boys have played some of the best football ever played before. They have not won every time but you can be a good loser as well as a good winner and these boys have been good losers as well as good winners. They have played good clean football throughout the season.

We are all very proud of the 1942 football squad.

THE HOLIDAY SCHEDULE

November 26-27 — Thanksgiving.
 December 17-January 5 — Christmas.

POET'S CORNER

The poet is at it again. Elizabeth has written another poem

that we want to publish. She has the ability of a good poet and we want to publish a few of her possibilities.

THANKSGIVING BLESSINGS

It's delicious and good,
 The dinner, I mean!
 But it should mean more than that

To us, it seems.

To me it means thankfulness
 For all the years gone on;
 For all the deeds our fathers have done

Keeping for us this liberty and home.

It's Thanksgiving Day, I'm talking about,
 The dinner with all the trimmings;

It's the cup of blessings and thankfulness

For us is full and brimming.

Always remember your blessings,
 Give thanks for them each day;

Do your best, and all will be blest—
 Make them all a Thanksgiving Day.

—C. E. Campbell.

"THE PEEPIN' TOM"

The old snooper has been on the watch lately, so you'd better be careful if you don't want him to catch you and put your name in print.

Adelaide, what would Sonny say if he knew you were out with two boys Saturday night? (Close friends at that.)

All right, kids, let's not get too serious, Lanette and Weldon. Twice a week breaks the record.

How did Claude feel when you went with Jimmy Rex Saturday night, Bobbie? And how did Jimmy Rex feel when you went with Elvis Sunday night? Did Elvis think he was doing good?

Jack didn't stand you up Wednesday night, did he "Eppy"? It seems as though you accept his dates but he doesn't accept yours.

Dorothy Nell needs some Kol-or-Back. She turned gray-haired on the football field Friday night, why Jolly??

That football hero John Soules and Kathleen J. aren't a bit bad together—Ever notice 'em?

Mary Elaine and Billie Ray were seen runnin' roun' loose Sunday night. Don't stay out late, kids.

Mary Ann has decided her heart beats for San Saba. Know Jack Watson? Well, that's her latest. Not bad, either!

Well, folks, they're at it again, Mary Nell and "Tweedle O'Twill" were together Friday night and Saturday night.

SNOOZY SNOOPER

Modene Letbetter and John Alex Miller seem to have a very good time in Class 6th sitting so close together!!

Did Ed Gilliam go after Jerol Vaughan Friday night? She was waiting.

Why does Norma Ruth Featherston always turn her head when seen on the street at night with friends?

Snoozie Snooper wants to know more about Norma Sue's party. Beware, Seventh Graders!

For a while Allen Moreland would not look at any girls! now since he moved near some girls, he won't look at boys!

Where was Billy Mace Saturday night? (Working?)

Why didn't Earline Nix go to Norma Sue's party?

Why was J. B. S. and M. E. S. on Jim Bob's pencil?

James Calaway surely was lonesome at Norma Sue's party. Do you know why, Joyce?

Charles B., where are you when you're not in school?

Billy Max, why were you so dressed up Friday night?

Why is Carol Ward wearing a bandana these days?

Reba, Elizabeth, Helen and Robbie Jean were sure enjoying cokes Saturday night. (Jim Bob Allen, Charles, and Lewis.

Reba certainly is enjoying Allen's company, Snoozie thinks.

Well, it seems you never can tell who the joke's going to be on when you start those Hal-lowe'en pranks, eh, Tanner?

Hub Horton: I have to make an "E" in Math this month.

George Featherston: Why?

Hub: It isn't quiet on the home front.

What happened to Lawrence's face???

Floyd Fox has purchased the Buell Condon house on Parker Street and is having it remodeled into a modern duplex.

JUST A PUSH—

Uncle Sam is a great chap. He's my chap and I have been most anxious to help him in the present fierce struggle against the bloody powers that be. But he reminds me that I'm too old to help except to keep the home fires burning. I grin a lot to step in line such as rationing sugar and coffee and anything to help, but there's one more thing I could help in doing if he would let me. That is to get the liquor beverage out of the army, out of the economy, and out of human thinking. It is well no doubt to fight for liberty but not a liberty by which we destroy ourselves.

I was recently amused at a pacifist, a go-between. From his illustration he had been reared on the farm. Said he, "Why all this fume and noise about prohibition? It's power and efficiency that matters. Why be so choice as to whether a mule or a horse is harnessed to the plow? The furrow is all that counts."

So there you have a case of moral blindness. It is neither horse nor mule drawing the liquor business. It's a destructive

lion in a bad way.

Many, many of us haven't yet come to serious thinking. Let us do that before it's too late. Lord bless the man that can't distinguish a lion from a mule. Nom de plume.

SAM SAY.

What's worse:—35 miles an hour or 00 miles an hour?

People in dead earnest to battle wear from the very start are having their engines OIL-PLATED, simply by changing to Conoco Nth motor oil. This oil's added synthetic—with apparent "magnetic attraction"—closely bonds lubricant to inner engine parts. That's OIL-PLATING. It resembles any protective plating in not all "going elsewhere" while the car stands cold.
 OIL-PLATING doesn't all quickly drain off to the crankcase. Oil down there is still trying to "get a move on" as the engine starts, while OIL-PLATING is already fastened clear up to the topmost piston rings. It's there ahead of rampant wear in starting cold. It's there the rest of the time, too. And so the strong liquid-type film of Conoco Nth is sliding between OIL-PLATED surfaces. Not much look-in for wartime wear. Better change at Your Mileage Merchant's Conoco station. He knows your correct Winter grade of Conoco Nth, Continental Oil Co.

'There Goes Your New Refrigerator'

THAT NEW REFRIGERATOR you ordered — and couldn't get—has sprouted wings. Now it's part of a four-motored bomber carrying "love letters" to the Axis!

Yes, and that new car you planned on has become a General Grant tank. Instead of speeding you to Yellowstone this summer, it's carrying a crew of hard-fighting, eager young men across the sands of Africa. The same is true of a lot of other things we've been accustomed to. They've gone to war! Your radio, washing machine, vacuum cleaner, electric iron, your breakfast toaster, too—they're all first cousins to tanks and planes and ships and guns. Many of these weapons are being made on the same machines that used to turn out the household implements for your kitchen. That's why it's so important to make the things you now have last for the duration. Chances are there

just aren't any more where they came from. Either the materials that went into their manufacture are now needed to build fighting machines . . . or, the factories that made them are now busy producing goods for Uncle Sam's Army and Navy. The result is—civilians will have to go without until the war—and the Axis—is finished. So don't take chances on the things you now have. Keep them in working order. If something needs fixing, have it repaired by an expert. For fine workmanship at economical rates, bring your repair work to our SPECIAL SERVICE REPAIR DEPARTMENT. We will courteously discuss with you the job to be done.

Remember—to keep the home front strong—to keep our households running on a steady keel—we must make the things we have last for the duration. They've got to outlast the Axis!

SOCIETY

Athens S S Class

The Athens Sunday School Class of the Baptist Church met last Thursday evening at the church in a business meeting and social. Mrs. Omar Weatherby is the newly elected president of the class, and Frank Bowman is the very efficient teacher. A warm welcome awaits you, and every member invites you if you are not now attending Sunday School. Come next Sunday at 9:55.

Nabors Creek H-D Club

The Nabors Creek Home Demonstration Club met with Mrs. J. M. Wrinkle Nov. 12 for the last regular meeting of the year. There were eight members, two visitors and our home demonstration agent present.

The president, Mrs. J. M. Wrinkle, called the house to order. Our secretary, Mrs. C. T. Wrinkle, called the roll and read the minutes of the last meeting. Our council delegate, Mrs. L. C. Williamson, gave an interesting report on the last council meeting. The club discussed our Christmas entertainment and decided to have a community tree at the school house Christmas Eve night.

The meeting was turned over to Miss Summers and she demonstrated making and canning tamales. She also gave the club several pointers on canning chicken and gave several good recipes for different kinds of meat dishes, which the club enjoyed very much.

Those present were Mesdames J. M. Wrinkle, C. T. Wrinkle, L. C. Williamson, J. H. Plummer, E. G. Letbetter, J. A. Starks, J. R. Parker, H. S. Davenport, Bruce Burnett, E. L. Pass, and Miss Summers.

Lake Merritt H D. Club

The Home Demonstration Club met with Mrs. Jake Brown Nov. 4. Miss Summers met with us and we canned six chickens with a yield of 20 pints. This will be a very good way of curing our slacker hens. We also discussed the curing of pork.

We made plans for our Christmas party. The committee consists of Mrs. John Calaway, Mrs. Hutchens, Mrs. Key and Mrs. Travis Long.

There were four members present and three visitors. We elected new officers for the coming year:

Mrs. Truman Vaughn, president.
Mrs. Hutchin, vice-president.
Mrs. Brown, secretary-treasurer.
Mrs. Massey, Council delegate.
Mrs. Waddell, reporter.
We adjourned to meet with Mrs. Hutchin in January.—Reporter.

Tuesday Study Club

Mrs. T. C. Graves was hostess to the Tuesday Study Club November 17th. Mrs. Raymond Little gave a most enjoyable review of "See Here, Private Hargrave," by Marion Hargrave.

Guests present were: Mrs. J. M. Campbell, Mrs. R. E. Clements, Mrs. Nell Dickerson, Mrs. John A. Hester, and Mrs. B. B. Campbell.

Self Culture Club

The Self Culture Club met in the home of Mrs. Raymond Little with Mrs. J. M. Campbell and Miss Love Gatlin as hostesses. Excellent papers were read by Mesdames J. C. Evans and R. E. Clements on the very pertinent question of the Mediterranean region today. The club especially enjoyed meeting in the home of Mrs. Little. A good attendance of club members was present and the following guests, Mesdames Sylvan Cloninger of Mason, Walter Fairman, Marvin Hodges, T. C. Graves, and Miss Leila Mae Sivells.—Reporter.

Priddy Junior Red Cross

The enrollment campaign for the American Junior Red Cross was completed at Priddy School last Friday. The three rooms in grammar school report the following: Grades one and two, 40 pupils, \$1.41; grades four and five, 44 pupils, \$4.05; grades six and seven, 36 pupils, \$4.95; making a total of \$9.41. The quota set by the American Red Cross is 50 cents per room. All above this goes into Junior Red Cross Service Fund.

In high school, 71 pupils contributed \$1.95. These pupils do not expect to stop with the enrollment campaign, but hope to begin soon on some of the numerous service projects for the Junior Red Cross.

Mills Co. National Service League Meet

The Mills County National Service League will meet in regular business session Saturday, Nov. 21, at 2:30 p. m. in the City Utilities Office. Every citizen of Mills County has a part in this League, and your attendance is needed. We will make plans for the Christmas program to be carried out at Camp Bowie Service Club and Hospital.

Remember the date, Nov. 21, and the time, 2:30 p. m. Be there.

W.S.C.S. Meeting

Fifteen members of the W.S.C.S. met in the Raymond Little home Monday at 3:30 p. m. for business and study. In the business session, led by Mrs. Malcolm Jernigan, the society voted to send a Christmas box to the San Antonio Mission and training school and to the Ozona Mission Center.

Mrs. Little led our study on Latin America, and Mrs. John Hester gave an interesting book review on Latin America.

Mrs. Little read an interesting article on the work of Dr. Lowrie in Brazil.

Mrs. Little served refreshments to members present. We will meet Nov. 23 with Mrs. Charlie Bayley at 3:00 p. m.

Midway 4-H Club

The Midway 4-H Club met November 11 at the school house. The house was called to order by the president, and the minutes were read and approved.

We said the 4-H Club Prayer and Pledge, while Miss Summers fixed a "Thanksgiving table centerpiece," which was very beautiful. Instead of flowers she used vegetables and fruits.

Miss Summers let us name some gifts which were good for Christmas. She showed us how to make aprons, dollies, pillow slips, waste baskets, letter holders, scrap books, home made jewelry, home made toys for children, and a cap she had crocheted.

We showed a patched apron and a pair of anklets. We had no recreation because the leader was absent, and there were no reports from the committees.

Those present were: Dorene Kirby, Patricia Lockridge, Joy Anderson, Virgeline Wickert, Reta Bell Horton. There was one absent, Jane Lockridge.—Reporter.

George Bohannon received a greeting card from his nephew, Vernon Bohannon, who is with the U. S. Navy in Hawaii. He is doing fine and is liking Navy life.

Ike Welch made a business trip to San Angelo this week.

Local H-D Club

The Home Demonstration Club met with Mrs. Walls on Nov. 10 at 2 o'clock. The club members brought arrangements of flowers, which were criticized for their good and bad points.

After the business meeting, Miss Geraldene Summers demonstrated to us the different ways to can turkey and chicken, also hot tamales, which we enjoyed very much.

A lovely salad plate with drinks was served by the hostess. The club's next meeting will be our Christmas party Dec. 15, at 2:30, with Mrs. Bulah Sauters. Each member is urged to come. We will bring gifts and draw names.—Reporter.

EBONY NEWS— By CLEMENTINE WILMETH BRILEY

A white frost greeted this section Wednesday morning.

Mrs. Edna Dyer, accompanied by her daughter, Mrs. Austin Cawyer, and her granddaughter, Ednabeth Cawyer, returned from San Angelo Saturday.

In spite of the fact that the doctor pronounced her trouble typhus fever, Mrs. Dyer is on the job again, staying alone and locking after things at her home. However, she is considering leasing her place and moving to San Angelo by the first of the year.

Mrs. Effie Tippen is moving to the Sawyers place which she has bought. Her sister-in-law, Mrs. Will Tippen of Abilene, is here to help her.

Mrs. Nellie Malone and Mrs. Irene Reeves spent Tuesday afternoon with Mrs. J. R. Briley.

Mrs. Ira Egger has been called to Dallas to the bedside of her daughter, Mrs. Nelson Williams, who underwent a very serious operation there last week. News from Mrs. Williams says she is getting along as well as could be expected.

Tom Riggs has moved to Regency.

Mr. and Mrs. P. R. Reid, Mr. and Mrs. Henry Egger, Billie McNurlen, and Cecil Egger left Sunday for Llano for their annual hunt.

Mrs. Geo. Jones is staying with her sister, Mrs. Bob Egger, who has not been so well this past week.

Granny Hobbs is visiting her children in New Mexico.

Mrs. C. L. Mashburn of the Moline community beyond Goldthwaite came after some more of their things and visited their daughters, Mrs. Alvin Ketchum and Mrs. Dale Reid.

Mrs. Geo. Jones and her son, Hard will live on the place with Mr. and Mrs. Mashburn as soon as a house is built for them.

Mr. and Mrs. Roscoe Jones and children for the present are living on the Sawyer rent place.

Mr. and Mrs. Stapleton, who have had the Sawyer place leased for the past two years, expect to be leaving us soon.

Miss Marie Wilmeth, home demonstration agent of Childress County accompanied by her sister, Mrs. Paul McClung, and daughter Martha Nell of Ardmore, Okla., spent from Wednesday to Saturday with their parents, Mr. and Mrs. J. R. Wilmeth. Little Lucy Gale Brooksmith was also a guest there during that time.

Mrs. Nellie Malone and Mr. and Mrs. J. R. Briley, were guest of Mr. and Mrs. Wilmeth Friday. Believe me, it was an elegant dinner, cooked and served as only those home demonstration agents and their coached followers know how to do it.

And while we are on home demonstration agents, we send congratulations to Mr. and Mrs. Earl Parks of Locker on the arrival of their daughter. All of Ebony would like to make the young lady's acquaintance.

Mrs. R. M. Haynes enjoyed her charming little grandchildren, Douglas and Paula Jean, while she shopped in Brownwood Saturday with her daughter, Mrs. Raymond Allen.

We are holding our breath and hoping that the thrasher will really get here this week and wind up this business of peanut harvesting.

The McDorman place has been sold, but Ed Jones says the owner is going to let him stay there and is going to remodel and rock the house for him.

Mrs. Martha Sewell is spending this week in McAllen and other South Texas towns.

WAR AND INCREASED SMOKING

By GEORGE C. HESTER

WAR BRING MANY changes in the habits of people. Some of these changes are temporary and incidental to the psychology of the emergency, while others become permanently fastened upon society.

One of the interesting sidelights of our wartime ways is the rapid increase in both drinking and smoking. This is not someone's theory gleaned from casual observation. The hard and inescapable facts are borne out by the revenue receipts from taxes on these two non-essential commodities. In Texas, for example, the receipts from liquor, wine, and beer for 1942 will total about 8.9 million dollars, compared with 4.8 million for 1941. While some of this increase is due to a small raise in the state tax rates, the major portion of the increase is due to larger consumption.

In the case of cigarettes, this year's state revenues will total about 9.5 million dollars compared with 7.9 millions the year before. The state cigarette tax rates were unchanged. The Federal tax rates, however, were materially increased on both commodities, which, of course, meant increased retail prices to the consumer. In spite of these higher prices, the increased consumption took place. Other states reveal the same trend.

There is no point in attempting to explain such trends. The increased purchasing power of the middle classes, the natural diversions from the deepening seriousness of wartime psychology, and many other factors may enter any attempt at explanation.

What the social results may be is still another question. Let us take, for example, the smoking habit and its possible long-time effects on the nation's health. In the past, much argument has been devoted to the pros and cons of the smoking habit. Most of it proved nothing. Fortunately today we have some reliable data that might serve as pointers whereby each smoker might be better able to appraise his own situation.

Young people who have not developed the smoking habit might well ponder the story these figures reveal.

That smoking might have some effect on the health has long been known, although the facts as a rule have been rather hazy. Football coaches, for example, forbid smoking among their players, because there is proof of its bad effects upon effective training.

In recent years many tests have been made in an attempt to discover the facts about the effects of tobacco.

A most interesting report of this nature was recently released by the Northwestern National Life Insurance Company of Minneapolis, Minnesota. It is entitled TOBACCO AND HEALTH. "A Summary of the Results of Recent American and European Medical Observations." Copies are available to anyone requesting them.

While no attempt is made in this column to reiterate all the facts of the report, a brief summary of its high-points might be stated as follows:

- 1. People generally are divided into three classes with reference to the smoking habit. There are heavy smokers, moderate smokers, and non-smokers.
2. Heavy smokers invariably inhale, usually smoke rapidly with a maximum absorption of nicotine and other chemicals.
3. Exhaustive records kept at Johns Hopkins University of several thousand otherwise normal average subjects have shown that heavy smokers suffer approximately double the death rate of non-smokers, in the age brackets between 30 and 50.
4. While smoking may increase some people's blood pressure, it may actually lower others. If you are a smoker, a proper test by a physician will determine whether you are the type whose blood pressure climbs or falls under the influence of nicotine.
5. If you have a tendency toward stomach ulcers.—No smoking! The smoking of one cigarette may cause an increase of as high as 90 per cent in free acid and of 35 per cent in total acid content of digestive fluids.
6. If your hands and feet are habitually cold, smoking will make them colder, tests have proven. There is universal agreement that smoking slows down the blood flow to the hands and feet.
7. The moderate smokers who is relatively free of the many ailments and pre-dispositions so adversely affected by tobacco may receive no visible effects from smoking, provided it is moderate.
8. People of a nervous temperament or of the "jumpy" type are affected by smoking in increased pulse rate to as high as 90 on one cigarette. The type should not smoke.
In like manner people with certain existing ailments, such as gastric troubles, bronchial infections or pre-dispositions toward cancer, should not smoke.

The Magic Of Beginning

IN THE BACK of desk drawers, in old files, buried deep in the minds of men, are the germs of great ideas, big plans, inspiring poems, revolutionary inventions. These things have never been born because the men never got started working on them.

Ideas remain dreams until we take off our coats and begin building foundations under them.

The cold plunge of diving in and beginning things, is a plunge many people refuse to take. They spend their lives on the shore envying the strong swimmers, and never getting in the swim themselves. They never start and so they never arrive.

Goethe wrote a poem that contains the secret of achievement. He points out the simple fact that the only way to begin is to begin. Placing this poem where it can be read every day would help us all to start faster, and to get more done. Here it is:

Are you in earnest? Seize this very minute:
What you can do, or dream you can, begin it:
Boldness has genius, power and magic in it.
Only begin and then the mind grows heated.
Begin and then the work will be completed.

LOOKING BACKWARD

TWENTY-FIVE YEARS AGO

(From Eagle Files Nov. 24 1917)
Capt. Jack Ball, one of the Eagle's most appreciated friends and a leading man of the McGirk community, had business in this city Thursday and dropped a big dollar in the Old Bird's caw.

Mrs. Tom Lasley and children expect to leave for Drumright, Okla., where Mr. Lasley has located and has employment. Their many friends regret their departure but wish for them the best of fortune.

County Clerk Summy issued marriage license this week to Wm. E. Gromotsky and Miss Olga Meyer, and C. P. Mauldin and Mrs. Lee Davenport.

Roy Clements, who has been telegraph operator for the Santa Fe at Buffalo Gap, has been transferred to Clifton, in the same capacity.

J. W. Smith and Floyd Ligon returned this week from a deer hunt in Llano County. They brought back a deer as evidence of their skill and marksmanship.

Dr. J. M. Campbell, L. R. Conroy and Judge Weaver returned Tuesday from Austin where they appeared before the State Highway Commission and secured the designation of two public highways through this county—one from Waco via Gatesville, Evant and Star to Goldthwaite and from this place to Brownwood and San Angelo; the other from Temple via Lampasas and Lometa to this place to intersect the Waco-San Angelo road.

State Department Health Notes

The human heart pumps approximately 50 gallons of blood every hour with no vacations, no days off, no sleep, and no rest except between beats, according to Dr. Geo. W. Cox, State Health Officer, who says that since the heart has such a tremendous task to perform, it deserves your whole-hearted cooperation.

In order to give your heart every possible assistance in the performance of this amazing task Dr. Cox suggests the following rules for keeping the heart healthy:

- Go to your doctor at least once a year for examination and then follow his advice.
After serious illness have your doctor give your heart a thorough examination and then return to active life as carefully and slowly as possible. This will give your heart sufficient time to rest and recuperate from the unusual strain of a severe illness.
Go to your dentist regularly and do not neglect infected teeth or tonsils.
Keep your weight near the average for a person of your age, sex, and height.
Be sure that your diet is well balanced and be careful not to overeat.
Do not take headache medicines without consulting your doctor. Many so-called headache cures contain drugs that are injurious to the heart.
Ask your doctor about the use of tobacco and stimulants. Live a well rounded life, exercising regularly without overtaxing yourself.

GIGANTIC CIVIL HOUSING PROJECT FOR KILLEEN

Killeen, Texas. — A gigantic civilian housing project for Camp Hood, providing for 1,091 units and 2,267 bedrooms was announced this week by Col. Charles M. Thirkield, post commander at Camp Hood. Construction is expected to get under way immediately. The projects will be built south of the present cantonment site, across the new Lampasas road on the ridge overlooking the cantonment warehouse area.

It will include a complete city, with a three-acre recreation area, a community building and a school house.

The construction plans call for 705 units of hollow tile eight inches thick, with interior walls four inches thick. Floors will be of concrete.

SUNDAY SCHOOL LESSON

By HAROLD L. LUNDQUIST, D. D. Of The Moody Bible Institute of Chicago. (Released by Western Newspaper Union.)

Lesson for November 22

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

MOTIVES THAT STRENGTHEN FAMILY LIFE

LESSON TEXT—Exodus 2:1-4; Joshua 24:14, 15; Ephesians 5:22-31; 6:1-4. GOLDEN TEXT—Love never faileth.—1 Corinthians 13:8.

Last week we saw the things which mar the life of the family, now we turn to those things which give strength to the home and to daily life. This is a lesson much needed just now when so much of our normal home life is thrown out of joint. We begin at the right place when we say that there must be a

1. Recognition of God in the Home

(Exod. 2:1-4; Josh. 24:14, 15). Failure at this point is without question the great mistake of our day. Christianity touches every phase of life, but nowhere is its blessed influence of greater importance than in the home.

Our lesson suggests that this is to be done in two ways in our homes.

1. By Faith in God (Exod. 2:1-4). The story of the birth of the babe who was to be Moses, possibly the greatest civic, social and religious leader of all time, reminds us that the Jewish people, who had found favor in the eyes of the Pharaohs in Joseph's time, were now being persecuted. A decree had gone out that all boys were to be destroyed at birth.

Here were two parents faced with the awful fact that their baby boy was condemned to death. Did they weep in fear and despair? No, they trusted God and sent the little one forth on a venture of faith, the charming story of which follows the verses of our lesson. God honored their faith by using their enemies to serve them.

2. Service for God (Josh. 24:14, 15). Joshua, who followed Moses as the God-appointed leader of Israel, was giving his last admonition to his people. He knew how they had repeatedly turned from God in unbelief and sin; yes, that even now some were worshipping false gods.

He pleads with them to turn to the one true God, but notice that his plea is made effective by the fact that he and his house were serving the Lord. Every man who has a position of leadership in this world is responsible for the use of that place of power, as a testimony for God. Now and then we hear of a high public official in our own land who loves and serves Christ in sincerity, and our hearts rejoice. The faith of a whole nation may thus be strengthened.

Every one of us has a sphere of influence, and our family life counts for or against God in our own community and among our own friends. The members of a family that recognize God have a high

II. Regard for One Another in the Home

(Eph. 5:22-31; 6:1-4). It is pure hypocrisy for the family to parade an outward show of religion which does not effectively touch the relationships within the home. Incidentally, it is the kind of hypocrisy which is strikingly ineffective—men see through it too easily.

What then does Christianity do for the home itself? It determines, directs, sweetens—yes, glorifies the relation between

1. Husband and Wife (Eph. 5:22-31). This passage puts marriage on the highest plane, comparing it to the relationship between Christ and the church. This marriage is the joining of man and wife in a sacred union which calls forth love in its highest and noblest sense.

This means that the husband cherishes his wife as his own body, against which no man would do any harm, and for which he makes every possible provision for its comfort, health, usefulness and attractiveness. Such love between parents will lead the entire home life along in a serene, happy and wholesome way. It will not only double the joy, but will give strength in the hour of sorrow, dividing the griefs and burdens of life.

It will set the pattern for the right relation between

2. Parents and Children (Eph. 6:1-4). The first, and one might almost say the only, law of childhood is obedience. It is God's way to joy and a satisfying life experience for the child in the Christian home. The command to obey carries with it the understanding that the parents are "in the Lord." What father or mother is competent to direct a child apart from faith in Christ?

Notice too, that the parent has an obligation to deal intelligently and kindly with the child. We need a great deal of improvement, and perhaps instruction, at that point. Authority asking obedience is necessary, but it can be wise and kind.

Above all, there is to be a divine nurture, a guiding of the tender child life in the ways of God. Here is life's greatest opportunity and its mightiest challenge. How surprising that fathers (and mothers) who are looking for the greatest measure of usefulness to their generation fail to see it in the privilege they have to rear intelligent, godly children.

BABSON GIVES TEN REASONS FOR WHICH TO BE THANKFUL

By ROGER W. BABSON (Copyright, 1942)

Babson Park, Mass., Nov. 20.—As we draw near to Thanksgiving Day it seems to me that this year, of all recent seasons, we have much for which to be thankful. I should like to comment specifically upon ten reasons why this is so:

1. First and foremost, we can celebrate this year for the same reason that occasioned the first Thanksgiving of the Pilgrim Colony in 1623, namely A FINE HARVEST. As I recently wrote, crop yields this year surpass all previous records. There is plenty of wheat, corn, and other farm products. America will not go hungry and we shall have an abundance for our Allies.

2. Without GOOD HEALTH AND STRENGTH none of us can work or think efficiently. Hence, those of us who are in good health should be particularly thankful. Health is the greatest of all blessings. We should educate those who suffer poor health, that all may have the strength and energy to live vigorously and usefully.

3. Now that the Thanksgiving season finds us in the midst of our greatest war we should be thankful for the CRYSTALIZATION OF WAR EFFORT ON THE PART OF THE PEOPLE. Remember that we are a democracy and thus unused to regimentation, to controls over our individual wills, likes and dislikes. But our people have rallied and are cooperating magnificently with the rules and regulations that the administration has thought necessary to the times.

4. Whether Republicans or Democrats, we should be thankful that we can enjoy an ELECTION this month. Here is tangible evidence of the continued existence of our country as a true democracy. The people have spoken again. The two-party system still lives. Political control is not to lie in the hands of a few but in the hands of many.

5. In view of the intensity of the fighting action in which our armed services have participated throughout the world, we at home should all be grateful and thankful for the MORAL AND PHYSICAL COURAGE that our men and women have shown. Our fighting forces believe, first, that they are engaged in a great moral crusade, and, second, they have the courage to back up their beliefs. This is giving them victory in all parts of the world. Yes, and we should be thankful that World War II is three years nearer its end.

6. A short time ago we were in the midst of a depression, saddled with all the dire results of low wages and unemployment. While it is, unfortunately, a result of our entry into war the bulk of our people are now thankful for FULL EMPLOYMENT AND FAIR WAGES. No one capable of lifting a finger need be without a job today. As a result, old debts are being settled and, to the joy of the retailer, large sales are being rung up on the cash registers.

7. Those who believe in the free enterprise system should be thankful that values have kept up so well. Our rulers at Washington are showing more justice and less prejudice. They are beginning to realize that people should be encouraged to save as well as to spend. The capital gains tax, while not low, is also more attractive to those whom we need to take risks in order that the rest of us may enjoy employment.

8. We should be thankful FOR OUR NEWSPAPERS and the evidence their pages contain of our continued right of free speech; of the privilege that every American has to write his editor and, if worthy, get his letter published. Within the limits of censorship, our papers are doing a wonderful job of reporting. More than the peoples of any other nation, we are being kept informed as to what is going on. The modern newspaper is a remarkable intellectual and mechanical achievement. Editors and publishers stand high on the rolls of integrity.

9. Our EDUCATIONAL INSTITUTIONS represent a part of

our national life that has become almost commonplace. Too often they are taken for granted. We should all be grateful to our teachers and those educators who are seeing the light. They are now willing to give our boys and girls at least some degree of practical training to fit them for the hardships and responsibilities of life.
10. Last but by no means least we should be thankful FOR OUR CHURCHES. There is today, in accord with our more serious thinking, a deepening of interest in spiritual affairs. Church attendance may not be increasing much, but the desire for a larger participation in church work and personal meditation is evident on the part of millions.
Yes, we have much to be thankful for this year!

Last week Mrs. G. W. Bohning stated that the women had made their first 50 kit bags to be presented to soldiers upon embarking for foreign service, and since it takes \$1 to outfit the bag, she asked for donations for this purpose.

An estimated total of \$1,200 votes were cast in Comanche County at the General Election vote going to Perry St. Clair for Sheriff who polled 1184, a vote or two ahead of most of the other local candidates. A total of 331 votes were cast in the two Comanche boxes.

Lampasas

The annual flower show by the Lampasas Garden Club which was held Saturday and Sunday afternoons was the largest and most diversified yet held in Lampasas. Coupled with the Flower show this time was the

Victory Garden displays of the school pupils, which were excellent illustrations and fine arrangements. These claimed the interest of all the large crowd of visitors during both days, as did the gorgeous flowers differently and attractively arranged. The school pupils and their teachers are to be congratulated on their harty cooperation with the show.

The engagement and approaching marriage of Miss Reba Abney, daughter of Mr and Mrs. Carlton C. Abney, to Flying Cadet Lloyd Earl Davis of Ellington Field, son of Mr. and Mrs. Mack Davis of Bartlett, was announced Saturday, Nov. 7, at a tea given by Mrs. John Abney, aunt of the bride-to-be and her daughter, Miss Clementine Abney.

Geo. E. Lenert of LaGrange, district governor of district 28-3, was a visitor with the Lampasas Lions Club Tuesday and used the time for the program in making a short talk to the club.

Thirty-six young men in Lampasas high school are members of the local Future Farmers of America and are pursuing the courses taught here by Director Sims. Twenty-three of the boys are freshmen and thirteen, second year students in the courses. Each young man has a project or more than one which he does practically and that must be completed before his year's work is completed.

The temperature went down to 28 degrees here Thursday morning early and was the coldest time this winter to date. There was plenty of ice and tops of buildings and other places were white with a heavy frost. The balance of the leaves from all but evergreen trees will fall now those who have holding off for cleaning yards may do so following this.

Arthur Cline's home on Fisher Street is being re-roofed, painted and repapered.

CENTER POINT

By MRS. JEWEL SPINKS

MRS. HOMER F. SCHULZE CALLED TO ETERNAL REWARD

(Mullin Enterprise)
 There was gloom in our town
 and it extended out into other
 areas, as it was whispered sadly
 from home to home of the pass-
 ing of the beautiful spirit of Mrs.
 H. F. Schulze at the home of her
 parents, Mr. and Mrs. G. M.
 Fletcher, at six o'clock Thursday
 afternoon.

An angel came and she was
 waited to her Father's House of
 Many Mansions, where there is
 no pain or death, all peace and
 glory over there.

She was born in 1915 and reared
 in this area, had happy
 school days here. After complet-
 ing high school she attended
 college at John Tarleton and
 Howard Payne, receiving her de-
 gree at the latter place and
 taught school for a while. She
 was recognized as one of the
 most efficient instructors ever
 in this school, thorough and ca-
 pable in her work.

She was married in March,
 1940, to Homer F. Schulze of
 Mullin.

Mrs. Schulze was a Christian
 who loved to go about doing
 good, scattering sunshine and
 had an abounding faith in her
 God and was an adorable wife,
 daughter and sister.

I can not say—and I will not say
 That she is dead—she is just
 away.

With a cheery smile and a wave
 of the hand,

She has wandered into an un-
 known land,
 And left us dreaming how very
 fair
 It needs must be since she is
 there.

Funeral rites were held Friday
 afternoon at the Methodist
 Church by Mr. Grover Cleveland
 chaplain of Camp Bowie, Rev. B.
 A. Myers of Goldthwaite. Mrs.
 W. S. Kemp had charge of the
 music.

Randolph and Co. had charge
 of arrangements.

Pallbearers—I. McCurry, E. A.
 Kemp, W. L. Smith, Willard Mos-
 ler, Lee Tesson, A. L. Faubion,
 Lubbock

Flower girls were former pu-
 pils of Mrs. Schulze.

She is survived by her hus-
 band, Homer F. Schulze, Asper-
 mont, Texas father and mother,
 Mr. and Mrs. George M. Fletcher,
 and the following sisters and
 brothers Mrs. S. W. Isham of San
 Saba, Texas; Mrs. Ralph Le-
 grande, Gonzales, Calif.; Miss
 Mary Fletcher, Mullin; Corp. J.
 Fred Fletcher, Camp Perry,
 Ohio; Av. C. Joe H. Fletcher,
 Sherman; Av. C. L. D. Fletcher,
 Randolph Field, San Antonio.

Out-of-town relatives: Mr.
 and Mrs. Jim Rashell and son
 of Brownwood; Mr. and Mrs. O.
 C. Schulze, Zephyr; Mr. and Mrs.
 Ed Jeske, Priddy, Texas; Mrs.
 M. E. Casey, Wolforth, Texas;
 Mr. and Mrs. T. A. Crockett, Mrs.
 Baylor Fletcher, Mr. and Mrs.
 Kenneth Fletcher and Mrs. Bert
 Fletcher of Ballinger; Mr. and

Mrs. A. M. Baskin, San Saba; H.
 P. Schulze and family, Potts-
 ville; F. A. Schulze and family,
 Star; Mrs. Ada Schulze and fam-
 ily, Pottsville; Mr. and Mrs.
 Ernest Phillips, Hamilton.

MILLS COUNTY COTTON CROP DOUBLES LAST YEAR

Luther E. Booker, special agent
 for the Department of Com-
 merce, announces that the cen-
 sus report shows that 1,903 bales
 of cotton were ginned in Mills
 County from the crop of 1942
 prior to Nov. 14, 1942, as com-
 pared with 981 bales for the crop
 of 1941.

Mr. and Mrs. Leon Burkes and
 daughter, Lynelle, and Mr. and
 Mrs. Charles Blakney of Gaines-
 ville were week-end guests of
 their parents, Mr. and Mrs. G. A.
 Knowles, of Big Valley, and also
 Mr. and Mrs. Connie Knowles of
 Goldthwaite.

Miss Alliene Mahan from
 Houston visited her parents over
 the week-end. Shirley Mahan,
 who is attending college, visited
 Mr. and Mrs. W. L. Mahan. Mrs.
 Mahan has just returned from a
 month's visit with her son, Ellis
 Mahan, at Long Beach, Calif.

MELBA THEATRE NEWS

"MY FAVORITE BLONDE"
 Bob Hope's pictures are always
 events, but the new Paramount
 comedy chase, "My Favorite
 Blonde," the Thanksgiving spe-
 cial at the Melba, is even more
 than that. It's just about as
 close to being a laugh riot as it's
 possible for a film to be.

Hope's co-star is blonde, beau-
 tiful and terrific Madeleine Car-
 roll who proves herself a super-
 lative comedienne. Bob sells
 his gags across and Madeleine
 bats them back with a speed
 that makes the audience limp.
 Laugh piles on laugh and thrill
 piles on thrill without pause in
 this latest, fastest and funniest
 of the Hope pictures.

"MOONLIGHT MASQUERADE"
 Newest in the succession of
 screen hits to come to the Melba
 Theatre is "Moonlight Masque-
 rade," the Republic comedy with
 music which shows Saturday
 night and Sunday matinee.

Headlining the cast are Dennis
 O'Keefe, Jane Frazee, Betty
 Kean, and Eddy Foy, Jr. Erno
 Verebes, Paul Harvey, Jed
 Prouty and Franklin Pangborn
 have important featured roles.

Three new tune hits in wtp
 Three new hit tunes—"But Are
 We Worried — Yes," "Liverlip
 Louie," and "What Am I Doing"
 —were written for the film by
 Harry Revel.

"GONE WITH THE WIND"
 No other picture ever made is
 as big as "Gone With the Wind,"
 has cost so much to produce,
 runs so long, or has been seen

by so many people, according to
 the Audience Research Institute.
 The world premiere that took
 place in Atlanta, Ga., in Decem-
 ber, 1939, was followed by road
 show engagements throughout
 the country during the follow-
 ing year; after the road show
 engagements, the David O. Selz-
 nick picture, distributed by Met-
 ro-Goldwyn-Mayer was sent out
 once again, in its original form,
 but at popular prices. It shows
 Monday and Tuesday at the
 Melba Theatre in exactly the
 same form that it was first
 shown, but again at popular
 prices, 50c night, 40c matinee.
