

### METHODIST VACATION BIBLE SCHOOL STARTS

All children of the town between the ages of 4 and 14, are invited to attend the vacation Bible School to be held at the Methodist Church May 31 to June 11th.

The beginners, ages 4 and 5 years old, will study a course on "Our Happy World" taught by Mrs. J. J. Stephen and Mrs. F. K. Jones.

The primary children, 6, 7 and 8 years old will have for their text "Bible Homes and Homes Today," taught by Mrs. T. C. Graves.

The juniors, 9, 10, and 11 year olds, will study "What is in Your Bible." This course will be taught by Mrs. Robert Steen.

Our intermediates will study a course on "O Come, let us Worship," Mrs. Julian Evans will teach this text.

We will have classes in memory work, story telling, singing, playing together and other activities.

A Junior Home Nursing course

will be taught by Mrs. Neal Dickerson for girls 9 years old and up.

There will be a manual training class for the junior and intermediate boys.

Remember the date, starting Monday May 31, lasting through June 11th. Five days a week. Send your children, we need them and they need us.

Mrs. Jim Weatherby School Director.

Mrs. Haynes Harrison spent last Friday afternoon with her mother, Mrs. J. D. D. Berry.

Mr. and Mrs. C. W. Woods and children of Big Valley visited last Wednesday with her niece Mrs. Dan Calaway and family.

Harvey Dunkle left last Wednesday for Cross Plains where he accepted a drilling job.

Glynn Collier returned home last Friday from A. and M. College where he was a student.

Mr. and Mrs. S. H. Allen of Brady spent last Wednesday in the Walter Fairman home.

Mr. and Mrs. Charlie C. Smith of Austin spent last week with her parents Mr. and Mrs. L. J. Gartman. They left Sunday.

### SHOULD REPORT NEW JOB TO S-SEC. BOARD

Many workers who have been receiving monthly payments under the retirement provisions of the Federal old-age and survivors insurance system of the Social Security Act have returned to employment covered by the law, said David S. Pruitt, manager of the Austin office of the Social Security Board, "and it is important," he emphasized, "that each worker report this employment promptly to the Social Security Board provided the wages received amount to more than \$14.99 for any month."

In this connection Pruitt explained that meals, lodging, room and board if furnished by the employer are considered the same as cash and should be reported in addition to any cash that may have been paid to the worker. "If the total room, board and cash exceed \$14.99, no insurance payments will be made during the month in which the total was more than \$14.99," Pruitt said.

It was further pointed out that there is a penalty deduction of another month's benefit for failure on the part of the worker to report promptly such earnings to the Social Security Board.

Workers who receive less than \$15.00 per month are not affected and when those who are receiving in excess of \$14.99 per month again retire, or their earnings fall below \$15.00, their monthly checks will be resumed as soon as the Board has been notified that they are no longer earning more than \$14.99 per month. All beneficiaries of the old-age and survivors insurance program have received post card forms for making such reports. Any individual desiring information or assistance in completing these forms should call on the Social Security Board office at Room 104 in the Old Federal Building, Austin, Texas, Pruitt said.

H. D. Schulze of Nederland arrived last Thursday to be with his family, Mrs. Schulze and children, who are visiting in Goldthwaite with her uncle and aunt, Mr. and Mrs. Sam Sullivan.

### CHEVROLET VICTORY SERVICE ENROLLMENT

A check-up of membership rolls of the Victory Service League, national patriotic alliance of car and truck owners sponsored by the Chevrolet dealers of America, reveals that among the 1,141,920 persons now enrolled are an imposing number of prominent Americans in all walks of life.

Statistics show that a total of 1,937 United States and state senators and congressmen are enrolled, together with 52 governors and ex-governors; 3,667 prominent industrialists and business leaders; 1,405 eminent educators, presidents and deans of universities and colleges; 594 mayors of cities; 194 religious leaders and a total of 10,913 persons who are prominently identified with the arts, professions and in other fields.

These prominent and influential citizens, under the guidance of Chevrolet dealers, who are sponsor-directors of the League in their communities, spearhead the patriotic activities to which the Victory Service League is dedicated. Among the activities in which the VSL participates are aid to the American Red Cross, cooperation in War Bond drives, collection of scrap, furnishing books and athletic equipment to men in the armed forces, and the conservation of the nation's essential wartime automotive transportation system.

#### FROM EDWARD GEESLIN

Editor Eagle: I am sure that our friends in Goldthwaite would be interested in knowing the whereabouts of our sons in the service.

Conrad is Flag Lieutenant at Admiral Haxley and is stationed in Western Australia at the Naval Base. He has had some very narrow escapes and interesting experiences not the least of which was his marriage.

Davis is with the intelligence division of the army and is stationed in East Texas.

Gaddis is a Camfleur and is located in North Africa since about the first of the year, he is rated a technical Sargent, his work is very interesting.

The last boy born in Goldthwaite finished high school this year with highest ranking honors for the boys and has enrolled in the University of Texas, Music department, majoring in Organ. We are hoping that the war is over before he becomes eighteen.

We enjoy reading the Eagle very much, especially the news of the boys in service, Mr. Bowles letters and the coming and going of our friends. Goldthwaite will always seem like home to us, I remain,

Yours Sincerely,  
Edward Geeslin.

Mrs. J. A. Youngblood spent last Wednesday and Thursday with her sister Mrs. Walter Fairman. She left for her home at Dallas Friday afternoon.

Mrs. Lewis Gartman spent several days in Dallas on business and visiting relatives. She returned last Friday.

Betty Sue Cloninger of Mason is visiting her grandparents Mr. and Mrs. Luther Rudd and Mrs. J. D. D. Berry. Betty Sue's father brought her as far as San Saba where she was met by her grandmothers, Mrs. Rudd, Mrs. J. D. D. Berry, and Mrs. Luther Ray Rudd and son, Don, last week.

Tom Collier's mother Mrs. F. G. Collier is very sick at her home at Center City. Mrs. Tom Collier spent several days with her last week.

James McNiell and sons Jerry and Jack came last week for a few days visit with Mrs. W. C. Dew. Mrs. McNiell, who spent several weeks with her aunt Mrs. Dew, accompanied them back to Nederland Monday.

Mr. and Mrs. Dan Holland left Wednesday for a visit with their son, Mr. and Mrs. Berl Holland at San Antonio.

Cakes, Pies, Sandwiches, Donuts and Cookies.—Bill's Sweet Shop.

Claude B. Bullard volunteered May 13 and has been accepted for Sea Bees and will be stationed in Virginia.

Mr. and Mrs. C. E. Skagg and children of Fort Worth, visited his parents, Mr. and Mrs. M. M. Skagg and Miss Lois Skagg last Sunday.

### TO MY SON

The following poem was written by a citizen of Goldthwaite who has two sons in the service of the United States:

(The happiest moments of my life were spent with my boy in dream.)

It had been a long time since He went across in our defense To fight a war on foreign soil Oh! The danger, the hardship, the toil.

He went with a father's blessing And a loving mother's caressing And of him we were very proud For his heart was as light as a cloud.

We well remember the day he went away But for how long no one could say

We worried much of his concern And longed for his safe return.

One night I dreamed of his returning And Oh! how my heart was yearning

No one can ever know my joy While I held my own dear boy.

There in my tightly clasp arms Safe from all of war's harms I was so happy I cried for joy For the safe return of my boy.

Then so suddenly I awoke My aching heart most broke For all this joy had seemed Too real just to be dreamed.

I could not help but cry No matter how hard I'd try So on into the early morn With all my happiness shorn.

My heart was heavy and sad After the happy moments I'd had

Life's happiest moments it seemed Had been spent with my boy in a dream.

A FATHER.

### Health Notes

"If you have not been vaccinated against typhoid fever within the last two or three years, go to your doctor and secure this protection at once," Dr. Geo. W. Cox, State Health Officer, advises prospective campers, Boy and Girl Scouts, and other summer vacationists as the out-of-door season approaches.

"Typhoid fever," he continued, is unnecessary and preventable. Every case is due either to community negligence or to the ignorance or carelessness of some individual. There would be no deaths from typhoid if every person were protected by typhoid "shots."

Some of the most serious and far reaching outbreaks of the disease have been caused by drinking milk or eating foods that have been handled by carriers. A typhoid carrier is a person who has had typhoid at some time and who even after recovery carries the germs of the disease in the urine and the discharges from the intestinal tract. Carriers who are careless in their personal habits are likely to infect any food they handle with unwashed hands.

Dr. Cox explained that typhoid germs are picked up and spread from person to person by water, fingers, food. Every case of typhoid is contracted by way of the mouth and the digestive system. "The only way to be absolutely sure of typhoid prevention is by immunization," he declared.

#### Can Buy Ice Cream Alone

Retailers can not force their customers to buy an equal amount of sherbet or any other frozen confection to obtain any given quantity of bulk or packaged ice cream, OPA and WFA have emphasized. This requirement is a violation of the prohibition against tie-in sales under the General Maximum Price Regulation.

#### Many Housing Units Planned

A total of 8,464 public war housing units of all types will become available during the next thirty days in the states of Texas, Oklahoma, Louisiana, Arkansas, and New Mexico, Marshall W. Amis, regional director of the Federal Public Housing Authority, has announced. Of this total, 6,165 are family units; 950, dormitory units; and 1,353, trailers. Already completed for occupancy by war workers are 13,725 units.

**Longer Furlough Granted**  
The War Department has authorized extension of the furlough period between the day of induction and the date men must report for duty from seven days to fourteen days. This change will be made in all commands not later than July 1. After July 1, but before September 1, the period will be increased from fourteen days to twenty-two days.

**Small Plants Get Money**  
More than 25 small plants in the Southwest have received financial help through the Smaller War Plants Corporation during April, Guy L. Woolley, regional loan agent, announced. Loans were made to shipbuilding

companies, machine and mattress manufacturers, and other companies, and department stores. In the states of Oklahoma and Louisiana, loans made to date range from \$500 to more than \$750,000.

#### Stoves To Be Rationed

Rationing of six types of stoves (including laundry stoves but excluding water heaters) will begin late in June. These include coal or wood, oil, gas, and electric stoves. The plan becomes effective when the ration board issues its ration book and stove certificates will be issued on the basis of need.

**A report on the most tremendous financing task in history - - - the Second War Loan**

**DURING** the three weeks between April 12 and May 1, the American people tackled the biggest job of financing in the history of the world.

In these three weeks it was proposed to raise the sum of 13 billion dollars, or more than half as much as was raised by five drives in the first world war.

It was obvious that the task was hopeless unless the people of the nation were desperately in earnest about the war. And it was equally obvious that here was, so to speak, a thermometer by which the fervor of the people could be measured with reasonable accuracy.

This is why we believe you, as an American citizen, can take pride in this report. For it was written solely by you, the people.

**The result, in dollars**

Our goal was 13 billion dollars. Actually, the American people subscribed 18 billion, 500 million dollars.

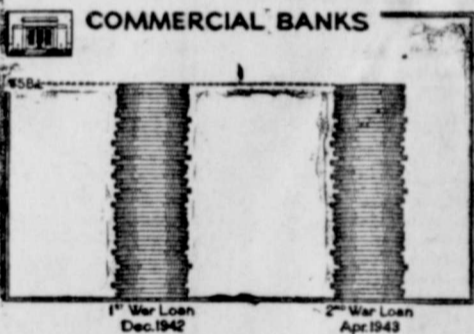

This was 90% as much as was raised in all five drives of the first world war combined.

It was, I think, as much a victory for America and the free American democracy as any military triumph.

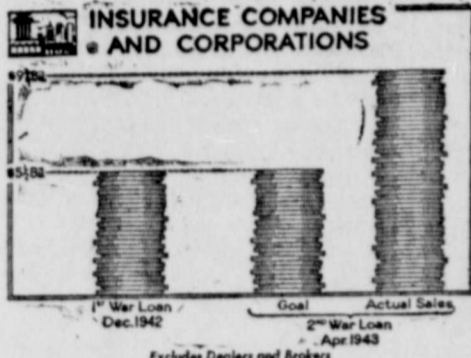

**Where did the money come from?**

You will be interested in where this 18½ billion dollars came from—for every dollar invested in War Bonds is more than a purchase; it is a demonstration of faith.

The chart below shows the portion of the 18½ billion that came from commercial banks. They were eager to buy more, but were limited to set amounts:

Insurance Companies and other Corporations know that there is no sounder investment than a U. S. Bond. The chart (top of next column) shows their purchases:

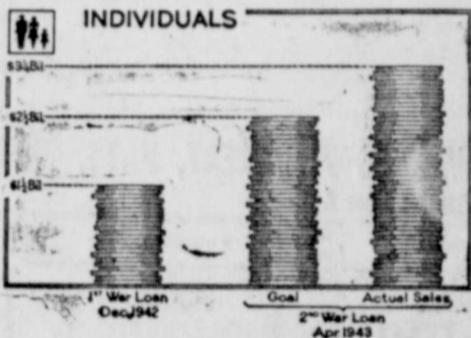

Naturally, it was your money that bought the bonds in the two groups above—for you are the people who put your money in banks and invest in insurance.

But how about what might be called your "personal" money.

That is a very important question, for it is vital that Americans, as individuals, buy War Bonds with all they can spare.

Our goal, here, was 2½ billion dollars. The chart below tells the story:

**50 million bondholders**

To review your record to date, almost half our entire population own at least one bond—including infants, children, the lame, the halt and the blind.

Or, to look at it in terms of those best able to buy bonds, see the chart below:

**Who gets the credit?**

The credit for the 2d War Loan goes to the people.

It goes to the children who put dimes and quarters into war stamps. To everyone who bought a bond. To thousands of patriotic banking people. To advertising people who donated their creative talents. To patriotic merchants and companies who paid the bill for war bond messages. To radio stations, newspapers, movies, outdoor advertising companies, and publications.

But chiefly, perhaps, to those who turned voluntary bond salesmen—a loyal legion of patriots.

10 out of every 1,000 men and women in the U.S. were **VOLUNTARY BOND SALESMEN** During the 2nd War Loan Drive

**What lies ahead?**

Yes, America's record is good. But we cannot become complacent—for our biggest financing job lies ahead.

In the first 4 months of this year, we raised 25 billion dollars. During the balance of this year we must raise 45 billion dollars more.

The war is costing us 100 billion dollars this year. Part of this will come from taxes, and the balance must come from War Loans.

You, as an American, can take pride in what you have done. You have shown the Axis that Americans on the home front, like Americans on the battle front, will do all that is required of them—and more.

But our need is great. Dig as deeply as you possibly can and invest it in War Bonds now—either through the Payroll Savings Plan or through special purchases. Don't wait for "drives."

We must win this war with bayonets—and with dollars. We who stay home in safety must provide the dollars—all that are needed. It is the very least we can do.

## GOVERNMENT NEEDS NAUTICAL SCIENTISTS

Military demands for up-to-date information on ocean air routes creates the need for nautical scientists, C. F. Moore, local civil service secretary, disclosed this week.

The government especially needs men not now available for service who have graduated from such institutions as the U. S. Naval Academy, Coast Guard Academy, or Merchant Marine Academy and who have service at sea as Navigational Watch Officers.

But persons who can show an appropriate combination of formal education and responsible navigational experience that in four years may also qualify for the position.

Appointees will help the government prepare vital information dealing with hydrography, navigation, and related subjects.

The Commission also issued an announcement for medical attendants to be employed in institutions which care for federal prisoners, according to Moore.

In reissuing its announcements for this position, the Commission lowered the age limit to 21. There is no maximum age limit.

Registered graduate nurses qualify for medical guard duty, and also former soldiers and sailors with three years' service in the Army or Navy hospital corps.

For persons of medical technical assistance, supplementary training or experience in clinical or x-ray laboratory techniques or in pharmacy

is required.

Persons interested in this federal employment, and not engaged in war work of equal skill, should secure an application from Moore, local civil service secretary at the Goldthwaite, Texas post office.

## GOLDTHWAITE GIRL GRADUATES

Denton, Texas, June—Miss Mamie Lou Womack, Route 2 Goldthwaite received a bachelor of science degree from the Texas State College for Women at the commencement program Monday, May 31. Dr. L. H. Hubbard, president of the college, delivered the address.

The commencement culminated a three-day activity program for the 258 graduates and their families, including a garden party, baccalaureate service, and a music recital. With the abandoning of the Ex-Student Reunion and other social affairs the senior program of final events was streamlined this year.

Miss Womack, daughter of Mr. and Mrs. C. A. Womack, received her degree in home economics education. She was an outstanding student while attending TSCW, having taken part in many of the extra-curricular activities.

## CAR WRECK

Mrs. J. E. Mayo and Mrs. Lois Dewbre were coming from Brownwood last week when Mrs. Mayo went to sleep at the wheel and ran into the end of a culvert and the car turned over and damaged it considerably. Mrs. Dewbre received a bad cut on the chin, and other bruises.

Mr. and Mrs. W. F. Hiller of Shine visited Saturday afternoon with her sister, Mrs. Henry Martin.

## Winners In Eagle's Dog Poisoning Essay Contest Are Listed Below

Dr. O. A. Danford, Goldthwaite veterinarian, has just completed judging the essays entered in the recent Eagle Dog Poisoning contest. He judged by number only, with the following results.

### First Prize

The essay given first prize—a \$25 War Bond—was written by Bina Beth Casbeer, Route 2, Box 346 B, Fort Worth, on "What Should Be Fit Punishment for a Dog Poisoner." It follows:

I think the most fitting punishment for a dog poisoner would be for the poisoner himself to get a dose of poison, just enough to make him real sick, so he will know how the dog suffers. This would stop so much dog poisoning, and people would have more sympathy for "Man's Best Friend"—his dog.

### Second Prize

Second prize of \$1 cash and lifetime subscription to the Goldthwaite Eagle was given to Glenn Nickols, now in the U. S. Army in California, on the following essay:

I think that any one who poisons a dog should have to take enough strychnine to make him good and sick and not enough to kill him—to see what a dog has to go through.

### Third Prize

Third prize—\$1 cash—was awarded to W. M. Johnston of Goldthwaite for this essay:

The man who poisons or otherwise destroys a stray dog that is a nuisance, or a dog that depends on his, the poisoner's, property is not in the meaning of this article a dog poisoner.

The man who sneakily places poison on another's property to kill an innocent dog that is harmless is a real dog poisoner.

All human beings—this includes the poisoner—have deep in them a heart—a soul, and when that God-given attribute is active he will not poison an innocent dog.

Now, if every writer on this subject will give the poisoner a real good blistering, a deep blister, a blister that will hurt for days, that will be punishment enough.

One way to make the blisters hurt is to publish them in The Goldthwaite Eagle.

### Fourth Prize

Fourth prize of \$1 cash was awarded to Mrs. C. A. Eacott of Goldthwaite. Her essay follows:

The perfect crime has been committed. Dogs have been poisoned with strychnine planted in the private yards of their owners in the dead of night. And the perpetrator walks among us glorifying in the results of his activities. We are sure he is deeply satisfied, that feelings of civic pride over his achievement fill his broad mind and his heart.

We might wish that the tears of the youngsters and the horrible sufferings of the dumb animals would haunt him. But they will not, of course. He will sleep the complacent sleep of the just, for in his imitation omnipotent way has he not gone about town dispensing midnight justice! We do not know who he is, but his personality is quite apparent. If he is old, he has done small, mean, underhanded things all his life and crowded over the fact of getting away with them without being found out. If he is young, he will do small, mean, underhanded things all his life and glory in the acts as long as he is not detected in them.

Bad deeds reap reward, which bring punishment with regrets.

### "ODE TO MY DOG"

(By Mrs. Arena Harris, Star)  
(Note—Dear Editor, I am enclosing a poem about my dog, which was evidently poisoned in my yard.)

To be a true and faithful friend He evidently tried, Wherever I went about my work He was always by my side. At evening when we were alone, My little black dog and I, He would lie right down beside my door, And keep a watchful eye.

Nothing approached that he did not see, No sound he did not hear, And he would always warn me If any thing came near.

Now the lonely nights seem lonelier still, Since never, never more I can have my little bodyguard To watch beside my door.

One evening not so long ago As I lay upon my bed, He chased away some prowler— Next morning he was dead.

Now I'm not grieving for my dog For that would be wrong, you see,

But I've found out what a wonderful friend A little dog can be!

## COON DOGS

Big Kelly and Pet Mills are still hunting.

Big and Pet, old hunters, were bragging about their coon dogs. Big said he had such a good coon dog that all he had to do was to whittle out a skin stretcher, show it to the dog, and the dog would go fetch a coon the right size to fit the stretcher. But he said that one day his wife set the ironing board outside the door and the doggone critter hasn't come back yet.

## TEXAS MAN IN THE STREET DID HIS PART IN SECOND WAR LOAN

Texas' man in the street paced the entire nation in the purchase of war bonds in the Second War Loan drive.

Frank Scofield, State War Bond Administrator, disclosed Monday that bond sales to individuals, partnerships and personal trust accounts nearly doubled the fixed quota.

Sales to small investors totaled 199 percent in the 11th Federal Reserve District which comprises all of Texas and parts of Louisiana, Oklahoma, New Mexico and Arizona. Texas has 254 of the 311 counties making up this district.

The district had a goal of \$400,000,000 for all bond sales in the war loan drive. It handed Uncle Sam a cool \$572,451,600 to make it hot for the axis in translation of bonds to armament and ammunition. This means the goal was oversubscribed by 43 per cent.

Banks, institutions and governmental departments invested heavily in the war loan drive, but the individual investor—the man in the street—emerges as a great factor in its success, the No. 1 Bond Salesman declared.

"This shows beyond a doubt that the average man has wholeheartedly accepted his responsibility in the people's war," Scofield added.

"Uncle Sam needs everybody in this all-out war. He called for that help and he got it. The average man has rolled up a victory of his own on the home front.

The Atlanta Federal Reserve District ranked next to Texas in bond sales to the individual investors, attaining a goal of 189 per cent. The Minneapolis district was third and Kansas City fourth.

Mrs. Gaylord Mullin and son, Gaylor Eugene Jr., of Waco arrived Wednesday afternoon for a few days visit with Mrs. J. C. Mullin and other relatives.

Mrs. A. T. Pribble who visited last week with her son, Maston Pribble and family at Amarillo, returned Wednesday morning. She was accompanied by Mrs. Maston Pribble and son who will spend several weeks with her parents, Mr. and Mrs. R. V. Littlepage.

Marshall Miller, son of Mr. and Mrs. Marshall Miller, who volunteered in the marine corp in January, and who has been stationed at Paris Island, S. C. has been transferred to Jacksonville, Florida, where he is attending Radio School. When he completes his course he will be qualified as a Radio Technician.

Mrs. Bernard Perry received word from her husband, Cpl. Bernard M. Perry that he had graduated from the Douglas Aft. School at Long Beach, Cal. and would be a crew chief and a Co-Pilot on a C47 transport plane.

## CENTER POINT—

By MRS. JEWELL SPINKS

School was out Thursday, much to the delight of the twenty-eight school children. A program was rendered by the smaller children. Due to the fact that everyone was so busy at home and in their crops the attendance was small.

Mrs. Young and Mrs. L. D. Spinks of Bastrop were recent visitors of their parents, Mr. and Mrs. Hamilton.

Mrs. Inez Hammonds canned beans at her mother's this week.

Mrs. Perry Goodwin of Mullin has been visiting in the Creg Wesson home. Mr. Wesson was brought home from the hospital very much improved.

Mrs. Ila Mae Calder and Glenda Kae and Mrs. G. L. Spinks and Barbara Ann Warren were recent guests of Mrs. Arthur Scribner of South Bennett Community. Mrs. Scribner had that day received a telegram from her son, Hubert who had been stationed in Ark. He had arrived safely in California last Friday.

Mr. and Mrs. Verne French were in Goldthwaite Saturday.

Mrs. Joe Spinks called in the Mayes home one day recently.

Mr. and Mrs. Monroe Hillard visited with Mr. and Mrs. Russell Cobb last Tuesday night.

## USDA WAR BOARD SUPPORT PRICES

College Station, June 1—Three canners already have signed contracts for processing this year's vegetable crop in Texas.

Approved and certified by the State USDA War Board, the Henderson Pickle and Canning Company, Henderson; Delta Canning Company, Raymondville; and Eagle Pass Canning Company, Eagle Pass, have agreed to cooperate in canning the 1943 vegetable pack.

Under the terms of the contract, the companies will pay growers a rate equal to or in excess of the base prices established recently by the Department of Agriculture. Vegetables for canning on which floor prices have been set on a per ton basis are as follows: snap beans, \$80; lima beans, \$90; beets, \$19; carrots, \$20; cabbage for kraut, \$12; sweet corn, \$17; green peas, \$77.50 and tomatoes, \$22.

Under the processing program, canners will contract with growers sufficient acreage to operate processing plants at full capacity during the 1943 season. The contractual relationship is required in order that supplies of the commodities will be available to processors, that supplies will be produced in areas where processing facilities are available and to prevent unnecessary waste.

ty during the 1943 season. The contractual relationship is required in order that supplies of the commodities will be available to processors, that supplies will be produced in areas where processing facilities are available and to prevent unnecessary waste.

Growers' only assurance of receiving price supports is through a contract with certified processors, the board said in explaining that the Department does not guarantee the specified prices to individual producers.

County USDA war boards in vegetable producing areas are cooperating with producers and processors in contracting for the acreage needed this year. After canners have contracted to make purchases at the announced support prices, they are certified by the state USDA War Board for participation under the 1942 program, which assured growers the minimum price.

### New Support Prices Announced

College Station—Support prices on No. 2 and No. 3 dry edible beans were announced this week through the state AAA office. Under previous instructions outlined by the War Food Administration only No. 1 beans were covered by the increased price support program, which also includes dry peas, peanuts, soybeans, and flaxseed.

The price for No. 2 grade will be 15 cents below the No. 1 price while No. 3 beans will be purchased at a discount of 40 cents from the No. 1 price. Beans grading No. 3 will be purchased by Commodity Credit Corporation if the supply of No. 3 grade is so large as to make purchases necessary to assure the maximum quantity of beans reaching consumption channels, AAA officials said.

Grower support prices for No. 1 beans range from \$6.50 to \$7.50 per hundred pounds, depending on variety. Basis for the price is cleaned and bagged beans in carlots, f.o.b., carrier at country shipping points.

The discounts for No. 2 and No. 3 beans apply also to the CCC loan program for dry edible beans.

Loans will be made on thresher-run beans of all classes (except tepary and mixed beans), at \$5.50 per hundred pounds for U. S. No. 1, \$5.35 for U. S. No. 2, and \$5.10 for U. S. No. 3 with appropriate discounts for substandard beans having a percentage of defects in excess of the maximum permitted in U. S. No. 3.

According to present plans, loans will be made on thresher-run beans stored either on the farm or in the warehouses, AAA officials said.

**ALLEN-BAILEY**

The wedding of Miss Harriet Allen, daughter of Mr. and Mrs. Harry Allen of Goldthwaite, and S-Sgt. Allen Bailey of Kenbridge, Virginia, was solemnized at 6 p. m. Sunday in the chapel of St. Paul's Methodist Church in Houston. Dr. Dawson C. Bryan officiated.

The altar space was decorated with pink gladioli. Mrs. Irving Swanson, organist, played "I Love You Truly" and Miss Dorothy Campbell of Houston sang "Because." The wedding marches were rendered by Miss Helen Sue Kerby of Tuscola, cousin of the bride.

The bride, given in marriage by her uncle, wore an aqua blue suit with harmonizing accessories, accented by a corsage of gardenias. Miss Ellen Allen, sister of the bride and maid of honor, wore a blue suit with a corsage of gardenias. Francis Deering of Houston was best man.

After the ceremony the young couple left for a two-weeks' honeymoon in Virginia.

Out-of-town guests at the wedding included Mrs. Harry Allen of Goldthwaite, Miss Mary Abbie Simms of Lubbock, Miss Helen Sue Kerby of Tuscola, and Miss Eva Faye Boland of Fort Worth.

The Trigger Mountain Home Demonstration Club met at the home of Mrs. O. B. Eidson Monday, May 24.

The home demonstration agent was supposed to meet with the club, but she didn't come. There was to have been a canning demonstration. The ladies spent the day quilting.

The following were present: Mmes. Charlie Simpson, J. L. Bachus, P. M. Hutchings, E. J. Eidson, A. A. Reynolds, O. B. Eidson, and Misses Marie Reynolds, Melba Jean Bachus, Ruby Reynolds, and Margaret Eidson.

The next meeting will be with Mrs. J. L. Bachus Monday, June 14.

**Goldthwaite Home Dem. Club**

The local Home Demonstration Club met in the home of Mrs. Jon Schooler May 27 at 3 o'clock.

In the business meeting Mrs. Weatherby gave us a report from the district meeting of the clubs and the fine work they are doing. Mrs. Burdelle Harris had charge of the program. She gave an interesting talk on the canning of vegetables and fruits and so graciously demonstrated to us the different ways of canning green beans and dewberries.

Our hostess, Mrs. Schooler, served delicious pineapple sherbet and cake to the seventeen ladies present.

We welcomed three new members into our club, Mrs. Clem Hoover, Mrs. Carl Bledsoe, and Mrs. Allan Ross.

The guests for the afternoon were Mrs. Martin, Miss Lillie Martin, and Miss Dera Humphries.—Reporter.

**GET THE ACIDS BACK TO THE BLIND GUT**

Coccidiosis kills swiftly when its parasites get into the ceca or "blind gut." Fight them with acids that can reach these vulnerable spots... use COCCI-DINE, preferred by thousands of poultry raisers for many years. Use COCCI-DINE on our positive money-back guarantee—if it does not get results it costs you nothing. If your chickens or turkeys show signs of coccidiosis—bloody droppings or ruffled up feathers and general unthriftiness—put them on COCCI-DINE for four days.

It is not only the best treatment we know of for real Coccidiosis but it is unexcelled for treating bowel trouble caused from over-feeding, or improper feeding. Compare our prices with other Acid Treatments.

**Peanut Butter for Quick Bread**

now and then it's fun to make homemade bread. Here's a recipe for Peanut Butter Bread designed to make a nutritious loaf that stays moist. With so many war workers and school children carrying lunches these days, a new kind of bread for lunches adds interest to lunch box menus. Peanut Butter Bread has a distinctive flavor and makes a good sandwich when it is spread with butter or margarine. Cream, cheese or red jelly are also good sandwich fillings for this bread. To make loaf:

- 1-2 cup sugar
  - 1 1-4 cups milk
  - 2-3 cup peanut butter
- 1/2 cup enriched flour  
1/2 cup baking powder  
1/2 cup salt
- Measure and sift again  
Mix powder, salt and sugar  
Add peanut butter. Add to  
ingredients and mix thoroughly.

**THE WAR IS DOING THINGS TO US**

By J. S. BOWLES

POSSIBLY THERE IS no better authority on the delinquencies of our people than J. Edgar Hoover. He has a right to know because it is his business to know. The figures which he gives are appalling: they may be found in any of our papers.

One of the things that confronts our people, both young and old, when they go to our cities is a sense of disillusionment. They have gone seeking a wider field of social life, a broader field of social activity. They are disappointed; things are not what they had expected. They are sadly disappointed. They spend a few days seeking companionship, with indifferent success, and life takes on a gloomy picture. They had expected a large circle of friends and acquaintances, but they are as much alone as if they were upon an uninhabited island. Unfortunately they sometimes seek companionship, but seek it in the wrong way, and the wrong place. They find companionship, but it is to their own undoing.

There is not a city in the land where there are not tragedies from wrong associations that are heartbreaking. We find them everywhere.

This is not true of all who go to the cities. There is not a church or a lodge or a club in any great city the main force of which is not constituted of people from our rural districts. These are they who sought association among the best to be found. But, alas, all who go to the cities are not actuated by the spirit that brings about such happy results.

Some time ago I asked a lady of intelligence and culture where she attended church. She admitted that neither she nor any member of her family attended any church. Then, with a tone of sadness, she said that when she came to the city she lost her church identity, and lost the religious life of her family. She had been a faithful and useful member of a small church in the country, where she taught in the little Sunday School, and was happy in her work. She had joined a large church in the city where she had no interest, had nothing to do, and as a result she drifted with her large family out into the world of forgotten people. Had she gone into one of the smaller churches, where she was in demand, her story would have been quite different.

Yes, the very best type of citizenship of any great city are the recruits from the country. These are they, however, who seek the best. Some of the most hopelessly lost to be found are also from the country. They simply drifted with the tide, always downward, and found their level in ruin.

**"HE FORGOT"**

He brushed his teeth twice a day.  
The doctor examined him twice a year.  
He wore rubbers when it rained.  
He slept with the windows open.  
He stuck to a diet with plenty of fresh vegetables.  
He relinquished his tonsils and traded in several worn-out glands.  
He golfed, but never more than 18 holes.  
He never smoked, drank, or lost his temper.  
He did his daily dozen daily.  
He got at least eight hours sleep every night.  
The funeral will be held next Wednesday—  
He had forgotten about trains at grade crossings.

**LOOKING BACKWARD**

TWENTY-FIVE YEARS AGO

(From Eagle file of June 1, 1918)

Mrs. J. H. Logan, chairman of the Red Cross, left yesterday for a trip of inspection to Temple, Fort Worth, Dallas and perhaps other points.

F. E. Schultz of Democrat was here last Saturday to bid the soldier boys good-bye, when they left for Camp Bowie.

Hugh McCullough and Maurice Stephens left on last night's train for Dallas to enter the service of the government in the navy.

Postmaster Clements made a trip of inspection to Star and McGirk Tuesday to look into the feasibility of extending rural route No. 3 to include both of these places.

Miss Adeline Little returned Saturday evening from a visit to relatives in Lometa.

Friends here received, some days ago cards announcing the safe arrival of Roach Fox on "the other side."

Mrs. Sam Frizzell and children returned to their home in San Saba the early part of the week after a visit to relatives in this city.

Miss Mamie Kelly, who has taught in Fort Worth schools for several years, and has been elected again at an increase of salary, is expected home this

morning, to spend a part of the vacation period with her parents and other relatives.

Mrs. J. M. Campbell and children, left Thursday for Kopperal, to spend a few days with relatives. Dr. Campbell accompanied them as far as Temple.

Howard Trent and wife of El Paso accompanied by Misses Nina and Daisy Burks, arrived in this city Wednesday for a visit to relatives.

A number of Goldthwaite people attended a patriotic service Thursday at Indian Gap, where Reverend W. R. White delivered the principal address.

Corporal Arthur Cline spent the first of the week here visiting his parents and other relatives, and returned to Camp Travis Wednesday. He expects to be ordered to France in the near future.

O. H. Yarborough and wife are the proud parents of a fine boy, who arrived at their home Monday evening.

Mrs. E. Oden and Mrs. Bud Oden and children left Thursday for Fort Worth to visit relatives.

Mr. and Mrs. Randolph left Thursday in their car for Coolidge, where he has large business interests.

**Our WASHINGTON Letter**

By Congressman O. C. FISHER

**For Them The Best**

Mothers and fathers of boys in service want "him" to have the best ships, planes, tanks and guns obtainable. Admiral Chester W. Nimitz has just confirmed that the new Navy fighter, the Corsair, "can out-climb, out-fight, and out-maneuver the Jap Zero." If we give "him" the best there is, we needn't doubt that the American fighting man will get the job done—and right.

**Eagerly Awaited**

President Benes of Czechoslovakia is convinced Germany will cave in "about the end of the 3rd month of next winter", which would be Jan. 31, 1944. He means a military collapse. Some say the end may resemble Tunisia—men and supplies still available, but not enough in the right place at the right time.

**The Farmer, Rancher Not To Blame**

In this column last week I referred to the wide spread between the price the agricultural producer gets for his products and the cost that is eventually paid by the consumer. The agricultural and livestock producer is blamed for inflation in living costs when in most instances he gets but 10 or 15 per cent of the price eventually paid by the consumer. Most of that increased cost comes from the handling and varied commission charges that accumulate along the line after the product leaves the producer.

Today the House passed a resolution authorizing the House Agriculture committee to investigate causes and proposed remedies for this wide spread between producer and consumer prices. I don't know of a better way they can spend their spare time.

**Pressure Cookers**

The War Production Board is coming to the assistance of the farm housewife. It has just announced allocation of materials for 275,000 pressure cookers for home canning. Of this 1943 production, 31,000 were to be in the stores by June 1, the rest in time for fall canning. Never has home canning been as vital as now.

**Delayed Bulletins**

If some of the 2,000 persons who requested Farmer's Bulletins of me recently do not receive an acknowledgment or the bulletins within a reasonable time, they should write again because 41 failed to sign their name on the blanks. War worries are a good excuse. Now I'm worried, though, about the names that are missing.

The new Office of Civilian Requirements in the WPB has designed several means of enabling farmers and ranchmen to obtain 50 "hard to get" items with less red tape and trouble. Your county USDA War Boards can help on these needs, as they have on many other agricultural war matters already.

Farm Machinery output will be increased to aid food production, President Roosevelt announced. He disclosed that the WPB has allotted steel for an additional 18,690 harvesting machines and said that 55,000 units would be delivered in time for the 1943 harvest. Mr. Roosevelt also made public WPB plans to allow agricultural equipment makers to operate next year at 80 per cent of 1940 levels.

Overnight camps will permit the boys to cover a wider territory and to carry some light scrap back to collection trucks.

**Used Inner Tubes Are Ration-Free**

Used inner tubes for passenger car or truck tires can now be purchased without a ration certificate. It is estimated that there are about 765,000 used passenger car tubes and 225,000 used truck tubes now idle in dealers' stocks. All rationing regulations have been removed on used tubes to help conserve the supply of new ones.

**PETER COMFORTS PERSECUTED CHRISTIANS**

LESION TEXT—1 Peter 3:13-17; 4:12-16; 5:6-10.  
GOLDEN TEXT—For it is better, if the will of God be so, that ye suffer for well-doing, than for evil-doing.—1 Peter 3:17.

What shall we do? Where shall we turn? Is there no help for us? Such are the natural and understandable cries of those who bear the heavy heartbreak of persecution. God's Word has the answer, for from the very beginning the followers of Christ have had to meet that problem.

Peter is especially the apostle of comfort, and the portion now before us is rich in helpful instruction. His word to persecuted people is five-fold.

**I. Do Not Be Afraid—Christ Is Lord (3:13-17).**

By doing good the Christian will escape much suffering (v. 13), but if even then it comes, he is not to be afraid (v. 14). He is to sanctify Christ in his heart, that is, fully recognize the holiness of Christ and all that He is and can do for him. This is to be done in his heart. That means the exercise of full faith in Christ the Lord as the indwelling Presence. Who then can be afraid?

Note that this is not just a subjective spiritual exercise for his own enjoyment—it will show in his "good manner of life in Christ" which will put his persecutors "to shame" (v. 16). How effectively that has worked only recently in Germany, Norway and elsewhere.

**II. Do Not Be Surprised—the Enemy Will Attack (4:12, 13).**

Surprise attack is effective. Remember Pearl Harbor! Satan is an expert in strategy, and is eager to keep Christians in an easy and comfortable mood, so that he may strike a vicious blow when it is not expected. We best prepare to meet him when we recognize that persecution and suffering will come.

We are to bear in mind that it is not some "strange thing" which has happened; we who suffer as Christians are "partakers of Christ's sufferings." Joy and glory are ahead.

**III. Do Not Be Ashamed—You Suffer for Christ (4:14-16).**

Sadness and depression rest upon the one who suffers for his own evil deeds, but those who suffer for Christ's sake may be ever rejoicing. Can you not see that "the spirit of glory and the Spirit of God" are resting (v. 14) even now on some who sit in prisons and concentration camps? What a glorious picture of His grace!

It is proper to observe here that the believer is not to be guilty of that which justly brings the law's condemnation (v. 15). Do not fail to note the last of the list of crimes—"meddler in other men's matters." Has not just that caused endless trouble in the church, and harmed its testimony before the world? Let's quit meddling!

**IV. Do Not Worry—He Careth for You (5:6, 7).**

Worry! Worry! How it does crowd itself into our thinking. Yes, we know we are Christians, that we are unjustly accused or persecuted, that we are suffering for Christ's sake. That's all true, but how is it all coming out? What about my family? Will they harm my children? If I do survive will I be able to start life anew? And so on—questions without end; and soon comes the corroding touch of worry.

What shall we do? The answer is plain. Cast all your care on Christ—"He careth for you" (v. 7). That takes an act of faith just as it does to become a Christian in the first place, but it works.

The cure for all anxiety is right there—but it can only be reached by the path of humility. "Humble yourselves" (v. 6). There is the gateway to comfort, and to true exaltation in God's own good time (cf. Jas. 6:4-10).

**V. Do Not Waver—God Is Your Strength (5:8-10).**

Steady, perfected, established in Christ, sure of his eternal destiny and with the eyes of faith seeing the glory to come—such is the man who is ready and able to meet the devil when, like a roaring lion, he seeks to disturb and devour God's people. The believer should be ready and equipped.

That does not mean that the Christian sits with his hands folded waiting in a fatalistic way for the inevitable to happen. Never! He is "on the alert" with his spiritual ears attuned to hear the approach of the enemy's "bombers." He is "sober and watchful" against the "roaring lion" (v. 8).

Satan is unusually busy in our day. Alert Christian people see his deadly onslaughts on their brethren, which are possibly more severe now than for many years. He is seeking to break them down physically, mentally and spiritually, to make them fearful, to make them timid about work for Christ, to limit their usefulness, and to steal from them their victorious assurance. He is busy—let us be alert against him.

**Ration Reminder**  
Gasoline—"A" book coupons No. 6, good for four gallons each, outside the Eastern gasoline shortage area.

Sugar—Coupon No. 13 became valid June 1, and will be good for 5 lbs. through August 15. Coupons No. 15 and 16 are good for 5 lbs. each for home canning purposes. Housewives may apply to their local boards for additional rations if necessary.

Coffee—Stamp No. 24 (1 lb.) became valid May 31 and is good through June.

Shoes—Stamp No. 17 in War Ration Book One good for one pair through June 15. Stamp No. 18 (1 pair) will become valid June 16.

Meats, Etc.—Red Stamps J and K good through June 30. L becomes valid June 6.

Processed Foods—Blue stamps G, H and J remain valid through June 7. K, L, M, will continue good through July 7.

**More Canned Food For Civilians**

Civilians will gain 30 million cases of canned fruits and vegetables as a result of reduced government requirements. The reductions are mainly for corn, peas, spinach, tomatoes, snap beans, fruit cocktail, sweet cherries, peaches, pineapple, and pineapple juice. Since the 1943 production is not known, current point values for these items will not be immediately affected.

**Pay Off Farm Debt**

Increased revenue from crops and livestock should be used to pay off farm debt, said Secretary of Agriculture Claude R. Wickard recently. He emphasized that payment of outstanding obligations, along with as large an investment as possible in war bonds, is a sound protection for the future.

**Food For 3—Day Furlough**

A serviceman on leave or furlough of at least 3 days hereafter will be provided with a complete application form for obtaining rationed food before he leaves camp. He will give the application to the person who provides his meals, who will submit it to the local board for food certificates within fifteen days after the furlough ends.

**Further Cheese Rationing**

To conserve supplies of milk, rationing will be extended to include all cheeses and cheese products, except cottage, bakers, and pot cheese, the War Food Administration and OPA have announced. All hard cheeses and most cheese foods have been rationed since March 29. Early in June soft perishable cheeses such as cream cheese, neufchatel, camembert, biederkrantz, brie, and blue cheese are to be added to the ration list.

**Women Must Work**

By December, 1943, one-third of the female population of working age—17.4 million women—will be required for the civilian labor force and the armed forces, said WMC Chairman Paul V. McNutt. At least 2 million women must be added to the labor force in 1943.

**Ham Prices Reduced**

Maximum retail prices for all parts of processed hams (bone-in) and processed picnic hams, have been reduced from one to three cents per pound by OPA. One-third of a ham may now be sold in slices, to accommodate consumers who do not have enough points to buy a larger piece.

**Hearings On Gas Rations**

New rules permit local war price and rationing boards to conduct hearings to revoke gasoline rations if—(1) the motorist is charged with speeding (driving over 35 miles an hour); (2) the motorist is charged with abuse of his tires; (3) an applicant for a new gasoline ration is believed to have committed a previous violation; (4) a ration holder charged with a violation demands return of his book before a written notice of hearing can be sent him.

**Save Typewriter Ribbon Spools**  
Saving typewriter ribbon spools will postpone the day when ribbons must be wound on wooden "carriers" says WPB. All materials for ribbon spools are scarce and substitutes for steel—such as paper—have not proved satisfactory. Typists are asked to turn a used spool when buying a new typewriter ribbon.

**War Alarm Clocks At \$1.65**

The new war alarm clock will be sold for not more than \$1.65 exclusive of tax. WPB is allocating materials for 1,700,000 of these clocks to ease a national shortage.

back to boiled coffee and toast? Not if you keep your automatic toaster and percolator in tip-top shape! Just give them the care—use them but don't abuse them—and they'll last for years!

**TIPS ON TOASTER CARE**

Keep toaster clean by wiping inside with damp cloth, using a mild abrasive powder if necessary. Heating element cleans itself when current on.  
Use small soft brush for removing crumbs from base if toaster has no crumb tray. Never use a knife or fork on heating elements as they are easily damaged.  
Never immerse toaster in water.  
Do not put buttered bread in toaster with cheese spread on it. Spread these after toast is made.  
Be careful not to drop your toaster. You may damage the thermostat or heating elements.

**TIPS ON PERCOLATOR CARE**

A clean percolator is the secret of good coffee. Wash inside with warm soapy water, rinse and dry. Wash outside with damp cloth and mild scouring powder. Never immerse percolator in water.  
About once a week substitute a tablespoon of baking soda for coffee and percolate as though making coffee. This will get rid of rancid coffee oils that cling to metal.  
Always make sure you have put in water before connecting the percolator. Otherwise you will blow out fuse in base of percolator.  
If you have a glass coffee maker with cloth filter, rinse filter cloth thoroughly after each using. Between usings keep cloth in glass of cold water.

For the Russian peasant with no choice but to burn his home before the Nazis reached it; for the Chinese of Nanking who suffered the terrorism of the Jap; for all of those in

But for you—a choice still remains. For you—among all the peoples of the world, the road to freedom is still clear.  
Never before have we been able to measure the price of freedom for ourselves and our children in such tangible terms: Will you help to keep the road to freedom open? Will you invest—all you can—in War Bonds?  
It's not so much to ask. Many of us are

That group was the list of dignified Seniors the year of 1942-43.

We would like to conclude by saying that we hope in the future years every Senior Class is as wonderful as ours was.

**THE SENIORS SAY GOODBYE TO G. H. S.**

The day of parting has come and as we look over our high school days here at Goldthwaite High School, we have many happy memories of some good times we have had, and of the carefree gaiety that has been ours throughout high school, but the time has come when each of us must do something with his time and talent, not something to merely waste it away, but something that will be worthwhile and something that may eventually make this a better world in which to live.

As we go out into the world, each of us shall have a place in our hearts for Goldthwaite High School and her teachers and all that she has meant to us these four years. "And may she always rank the highest and may her colors ever fly" is our sincere wish as we leave the happiest moments of our life for other students to enjoy.

**WHAT THE SENIORS PLAN TO DO THIS SUMMER**

Commencement Day holds for the Seniors two separate feelings. One is a feeling of joy because they have achieved their long-sought-after goal; the other emotion is a feeling of sadness because they must leave the familiar buildings, teachers, and friends. Although they have this feeling of sorrow, each must part to take his position in the game of life. Because of the war the 1943 graduates are breaking away sooner than previous classes. Four of the Senior boys are destined to enter the armed forces in June. These boys are Wayne Massey, Lynn Martin, Cash Curtis, and Larry McCasland. The Seniors are proud of these boys. Our best wishes go with them wherever they are stationed. Not only are the Senior boys going to help in this war but also a number of girls are leaving to prepare themselves for work in various government fields. These girls are: Velma Fox, Beryl Oglesby, Dorothy Lee Hanks, Lorena Smith, Barbara Carter, and Kathryn Miller. Several students are planning to work in Goldthwaite this summer. They are: Francis Adams, Adelaide Holland, Mary Alice Arrowood, and Lewis Hudson. Wanda Burkett intends to rest his summer in Austin before entering Texas Tech in Lubbock in the fall. Gene Trotter, one of the highest ranking boys, is going to prepare himself to work in Consolidated Aircraft Corporation in Fort Worth. Joe Taylor is anticipating work in North American Aviation in Grand Prairie. John Soules expects to join the armed forces before long. Students who are undecided as to what they will do this summer are Patsy Shaw, Weldon Barnett, and Mary Nell Epperson. Jimmy Caraway who

Dallas to take the mental examination for entrance into the Naval Air Corps. Bobbie Obenhaus, Senior Class president, has a good position promised to her in this city. Wherever they go and whatever they attempt, you can be sure that the Seniors will come through their tasks with flying colors.

**SENIOR PICTURES**

Hey, kids, the Senior Class pictures are here! Yes, everyone is decked out in the traditional caps and gowns. The pictures are excellent considering the conditions under which they were taken. The wind was blowing a cold breath down their backs while the sky was dark preceding a rain.

Those who wished to have something to remember their fellow class members and pleasant school days placed their order on May 27 for a picture. The cost was 50 cents.

**FACULTY'S PLANS FOR THE SUMMER**

As the school semester is nearing a close, each teacher has a summer vacation to look forward to. Some will spend the summer resting at their homes. Others will visit and participate in constructive work.

Miss Welch, our English teacher, will spend the summer visiting friends and relatives in Fort Worth, Dallas, and Grand Prairie, if she does not teach in a summer school. If she can locate a defense job to which she will not be frozen, Miss Welch may go into defense work. Whether she works or loaf, she will be going to such entertainments as theatre parties, bridge parties, picnics and dances. While in Fort Worth and Dallas Miss Welch is going to read material from the public libraries. At any rate, she is not going to idle this summer!

Mrs. Campbell will spend her first month of vacation on home economics summer projects. Then she will visit relatives in Hopston and Knox City. She says, "I am going to spend the remainder of my time sewing, fishing, and swimming. My favorite interest is clothes."

The first few weeks of Mrs. Bigham's vacation will be spent in Marlin taking refreshing treatments and resting. She plans to visit in West Texas and then come to rest and spend some of her time at Lake Merritt.

"I am going to spend most of the summer at home, reading, sewing, and preserving food," says Miss Gatlin. She is also going to visit in Fort Worth.

Mr. Johnston is going to conduct scheduled meetings throughout the summer. He will attend a two weeks' pastors' school at Southwestern University then take several correspondence courses during the summer.

Mrs. Barnett plans to spend most of the summer at home rearing her child. Mrs. Barnett says, "My child means more to me than anything else in the world." Of course rearing her child will include traveling and anything else to build his character. She will probably visit her brother who is in the Air Corps in South Texas.

No definite plans for spending the summer have been made by Mr. Black, the coach. He has not definitely decided what he is going to do.

Miss Featherston is anticipating a summer of rest. She has no other definite plans.

Mr. Smith will devote his time until after the first part of June to completing annual reports, taking invoice of textbooks, and making requisitions for next year's textbooks. Throughout the summer he will be on the lookout for teachers and keep up his correspondence and office work, thus being available to help people in any way he can. The last of August will be spent in supervising improvements in buildings and buses. He will work out the courses of study for next year. Mr. Smith states, "I will spend a small amount of my time mowing the lawn." He will try to find time for about a week's vacation.

During the summer months, the office assistant, Barbara Walden, will be the bookkeeper for Little's Store. She plans to take a short vacation in San

**GRATITUDE**

Our gratitude has been expressed to our parents and our present teachers, but no word has been said about the teachers of our earlier school years. A few members of the Senior Class were questioned about their past school life and favorite or outstanding teachers. Of all of them there were eight who have attended Goldthwaite High School all their school days. They are Jimmy Caraway, Lewis Hudson, Mary Nell Epperson, Dorothy Nell Rudd, Elmer Gray, Velma Fox, John Soules and Georgia Porter. Their favorite teachers have been W. T. Smith, Miss Lucille Welch, and Mrs. Sparks Bigham. Mary Alice Arrowood attended Payne Gap for 6 years. Some of her teachers there were Mr. O'Neal and Mr. Smith. Barbara Carter and Larry McCasland attended Center City School for 7 years and Dorothy Lee Hanks attended there for 3 years. Lois Blackwell, the present Mrs. Aubry Hudson; Miss Hudson, the present Mrs. Floyd Blair; Hollis Blackwell, Jack Kirby, Miss Lucky and Miss Fisher. Lorena Smith attended Gatesville, Whitney and Goldthwaite. Kathryn Miller attended Kelly school until she reached the 7th grade when she moved to Goldthwaite. Her outstanding teachers there were Edward Smith, Miss Harbour, and Miss Casbeer.

Joe Taylor went to Center Point School for 6 1-2 years. His favorite teachers were Miss Lorain Duey, Anderson Shelton, Miss Fry, and Emmitt Cunningham. For eight years Wanda Burkett attended Mullin School. Her outstanding teachers there were Miss Mabel Smith, the present Mrs. Charlie Gill, and Miss Summy and Mr. Tesson. Frances Adams went to Sunshine, Carlton, and Hamilton schools before she came to Goldthwaite. At Hamilton where she attended four years, her favorite teachers were the football coach, Pete Roach, Mrs. John Sullivan, and Lucille Hays.

We of the Senior Class extend to all the hundreds of other teachers not mentioned our thanks and appreciation to you for being patient and helpful with all of us, and we want you to know that we are really thinking of you.

**JUNIOR RED CROSS**

The Junior Red Cross of Mills County with Mrs. Delton Barnett as chairman has made great progress throughout this school year. The enrollment campaign which was conducted at the first of this school year brought in a nice sum of money. Goldthwaite Grammar School contributed \$20.50, and Goldthwaite High contributed \$15.86.

The Junior Red Cross Emergency Fund, which is a fund created for the purpose of helping the ones who might be in an emergency disaster, also brought in a nice sum. ### More Radio Batteries

To bring relief to farmers in non-electrified areas of the nation, production of radio batteries has been boosted to 425,000 a month. If the present rate of production is continued over a twelve-month period, normal requirements for the 3,200,000 radios estimated to be on farms will be met.

### Get 50 Gals. Of Gas Any Time

Farmers will benefit from a change made in Petroleum Administrative Order No. 4 which allows bulk deliveries of gasoline in quantities of 50 gallons or more to be made at any time. This will be particularly helpful to farmers who drive to town after work and buy gasoline in steel drums of 50 gallons or more capacity.

The country's 25,000,000 car owners and 160,000 motorcycle owners may renew their present basic gasoline rations ("A" and "D" coupon books) by mail. Motorists and motorcycle owners outside the Eastern gasoline shortage area will pick up a simple application form about June 22 at a place designated by local ration boards. The form must be filled out and mailed to the War Price and Rationing board with (a) the signed back cover of the present "A" book, and (b) the current tire inspection record showing that proper inspections have been made. All new "A" books should reach the motorists by mail before July 21.

### Public Exceeding Speed Limit

Recent checks in 11 states showed average speeds as high as 47 miles an hour. Speeds approximated the 35-mile limit only in Maine, Minnesota, North Carolina, and Oklahoma, except that in Minnesota the average speed of buses was 45 miles per hour. Earlier this year, speed counts showed national averages of 37 miles an hour for passenger cars, 35 for trucks, and 37 for buses. The present national average cannot be accurately determined until additional reports are received.

Addington, early Monday morning and return here with Lieut. Addington Monday night and assist in recruiting for the WAACS, here next Tuesday.

Co-Pilot Ben Ray Hopkins, son of Mr. and Mrs. J. H. Hopkins of Richland Springs, was killed in action over Eastern Europe, April 17th. He was the only member of this Flying Fortress crew who was killed or hurt. Ben was hit by a 20 M. M. shell. He was buried in London, England, Monday, April 19th. He was married last fall in Idaho. He graduated from Richland Springs High School in 1939.

Aviation Cadet Rufus Oldham, of San Saba, was recently graduated, after completing the course in primary training from the Curtis Flying School, Brady, with an excellent record and has been sent to W. A. I. S. Waco, Texas for basic training.

Jaycee President Milt Harris yesterday announced appointment of leaders of the Jaycee Rodeo War Bond campaign teams, the Reds, Whites and Blues. W. T. Little is to head the Red team, Roy Ragsdale, the Whites, and Rev. W. B. Holmes, Jr. the Blues. This group of team captains is to meet Friday to select their helpers and plan their respective campaigns.

The campaign will close during the Rodeo when Hitler, Hirohito and Mussolini will be hung in effigy, the final night of the rodeo, Saturday, June 19.

Remember, every bond or stamp you buy between now and June 14th entitles you to vote for each penny spent for your favorite candidate for Rodeo Queen.

One of the largest groups of young men to take their final army exams in some time, left for Abilene by special bus at 6 o'clock Thursday morning, May 27.

### Hamilton—

Mrs. Leaid P. Meadows, Sr., is reported to be critically ill in Temple hospital, the former Scott and White institution. Exploratory surgery has been performed.

An announcement this week that will be gratifying to the entire people of Hamilton County is the confirmation of the news that J. B. Pool, former county judge, has been officially appointed by Governor Stevenson as a member of the local Selective Service Board.

### There will be a new heartache of sympathy when Hamilton County people know that Mrs. John T. Perkins, of this city, had a pioneer settler in this county, is the grandmother of Cpt. James R. Gilcrease, who met a tragic death in the Chicago, Illinois, plane crash, Thursday, May 20.

A correction the Herald-News is most happy to make because of the greater safety of our boys who are prisoners of the Italian government is that Tech -Sgt. Jesse Eargle Kirk, son of Mr. and Mrs. O. E. Kirk, is held by the latter enemy nation instead of the Japs as was stated last week.

Spread of the news of the death from illness of Joyce Evadean Morgan, 16, daughter and only child of Mr. and Mrs. Ira Amon Morgan, of Gustine, brought heartache to many Hamilton County acquaintances and friends of the stricken parents and relatives of the beautiful and brilliant young girl.

### Lampasas—

Funeral services were held in the First Baptist church Sunday afternoon at 3:00 o'clock for Alvin T. Williamson who passed away in the Rollins-Brook hospital Friday, May 21, at 3:20 a. m. after a serious illness of about three weeks. He had been in failing health for the past few years.

Pvt. Chas. Word left today for Westover Field, Mass., where he is stationed with the U. S. Army Air Corps. He had been visiting his parents, other relatives and friends on furlough.

Twenty-eight Lampasas county men will leave Friday morning for San Antonio where they will don Army uniforms following a weeks furlough after their acceptance and induction into the Army last week. Others of those who went for induction last week were accepted by the Navy and Marine corps.

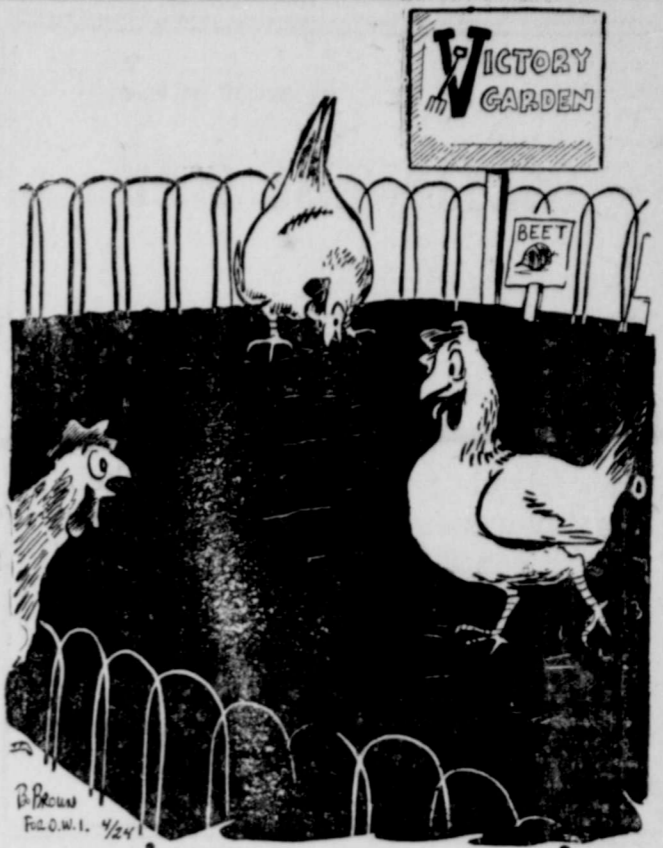

The body of J. A. Huffaker will arrive in Lampasas Saturday morning, May 29, at 4:05 o'clock, according to a telegram from the Briggs-Gamel Funeral Home. Mr. Huffaker died suddenly at Gettysburg, Pa. either Tuesday or Wednesday, the telegram not stating.

A letter to his parents from Sgt. Fred Maund somewhere in England stated that he is doing fine, and is over his slight injury of a few months ago.

Petty Officer (2-C) Chester Roberts is spending a 12-day furlough here and at San Antonio with relatives and friends. He is stationed at N. T. S. Navy Pier, Chicago, Ill.

Miss Margaret Ivy, daughter of Mr. and Mrs. Angus Ivey, and Lt. N. F. Coover of Ames, Iowa were married Saturday, May 22, at Burnet, the Rev. Buren Sparks officiating with the single ring ceremony.

Miss Wilma Shropshire was called to Brady the first of the week on account of the death of her mother, a long time resident of Brady.

"BETTER COME OUT OF THERE, GIRLS - REMEMBER, YOU'RE NOT RATIONED!"

### Poultry Price Violations

More poultry price violators are facing OPA enforcement proceedings. Between April 15 and May 15 court actions were started against another 113; 84 asked for injunctions to restrain sellers from charging too much, and 29 were criminal injunctions.

### May Adjust Machinery Prices

In exceptional cases where production of farm equipment is threatened, manufacturers may get an adjustment in their ceiling prices, OPA said in issuing Amendment No. 5 to Maximum

Price Regulation No. 246 (manufacturers and wholesale prices for farm equipment), which became effective May 20, 1943. However, any adjustment of manufacturers' prices will result in a price increase to the individual farmer.

Mrs. W. O. Holland will leave next Monday for mid summer market in Fort Worth and Dallas.

Thirteen billion dollars—the sum the Treasury must raise in the Second War Loan drive, is only one sixth of the estimated cost of the war for the fiscal year of 1943.

Gas For Vacations are fine, but there extra gasoline for travel this year, says administrator Prentiss M. With rubber and gasolines are too critical to motorists any "luxury" ration.

processed, by a recent OPA amendment to rationing regulations. No points need to be transferred, but the processor must keep adequate records.

### Eggs Cannot Go Into Storage

After June 15 egg dealers, wholesalers, and other distributors may not keep shell eggs in storage and after May 20, no eggs may move into storage. L. J. Cappelman, regional Food Distribution Administrator, stated. The only exception is when eggs are held in storage to cover existing contracts with government agencies. All shell eggs in cold storage on May 20 are to be reserved for sale to government agencies at no more than ceiling prices applicable to grades for government purchase in effect when the offer is made.

**SHORTAGE OF PASSENGER TIRES GROWS**

The passenger tire situation seems to grow worse daily and we are of the opinion that it will approach the situation which existed last summer on truck tires.

We are of the opinion that local Boards will have to begin to grade tire applications in order to be sure that those vehicles most essential to the war effort receive first attention.

We have all agreed on the fact that vehicles used in food and armament production are now most essential to the winning of the war, and in Mills County the Board will give first preference to the people who are engaged almost exclusively in farming in granting their certificates for tires.

Local Boards must be sure that gasoline is issued only for essential driving and that new tires are issued only when the existing ones are no longer usable or recappable.

 Mr. and Mrs. John Davee.

Henry Featherston is having his home west of town remodeled and redecorated.

Among students who returned home last week from various colleges were Misses Evelyn Burns, Eloise Slaughter and Bobbie Fairman of TSCW, Denton. Marvin Hodges and Aubrey Smith from the University of Texas.

Mr. and Mrs. Bill Stephens and little daughter, Mary Carolyn, of Brownwood visited with Mrs. L. E. Miller Sunday.

Pvt. Willis Neal of Camp Phillip, Kansas, left Tuesday night to resume his duties, after a ten-day furlough spent with his parents, Mr. and Mrs. A. B. Neal, at Caradan.

Cpl. and Mrs. R. L. Udpik of San Antonio Aviation Center came in Tuesday night for a visit with his grandmother and aunt, Mrs. Henry Martin and Miss Lillie Martin.

Jimmie Booker of San Antonio spent the week-end with his family and his parents, Mr. and Mrs. Luther Booker.

Miss Eloise Lowrey of Washington, D. C., left Monday after a few days' visit with Miss Florine Simpson. Other guests in the Walter Simpson home were Misses Earline Simpson, Connie Harrell and Buren Crawford, all of Brownwood, who were here for the week-end.

Mrs. N. Karnes had the misfortune of falling from the steps at the home of Mrs. Chas. Rudd Tuesday afternoon. She was rushed to a Brownwood hospital. She has both arms broken, a jaw fracture and other injuries.

**CURLEE SPRING SUITS ARE HERE!**

Well... they've done it again!

You know every year along about this time we watch with what you might call breathless anticipation for the arrival of Curlee's Suits for Spring and Summer. Because, as you probably know, Curlee has a reputation as a sort of style-leader and men consider Curlee the criterion of Clothes.

Well, this year, with a war on and things more or less upset, by rules, regulations and redtape, we wondered what Curlee would do.

Now we've got the answer. They've done it again! Yes sir, in spite of Hitler, Hirohito and high water, they've actually surpassed every previous effort of all the years.

Cheerful colors, courageous craftsmanship and styles that have captured the spirit of Spring. If there's the slightest doubt in your mind won't you please come in soon and convince yourself that Curlee Clothes are marvelous.

Any time, at your convenience, and pleasure.

We'll be waiting for you.
