High School Courses In Driving Help Eliminate Highway Accidents

The driver who killed himself and also the driver of another car in this shambles had stubbornly persisted in driving when he was fatigued after too many hours on the road. As his car came over the bridge, his weary brain blanked out for a split second, his hands relaxed on the wheel. His car grazed the bridge abutment, skidding across the road, and crashed into an approaching automobile. Motorists for their own safety, and for the sake of others on the road, have no right to drive when overtired. National Conservation Bureau safety specialists advise: don't wait until you are tired; pull off the road at intervals; drink a cup of coffee, take a few moments' rest.

By DR. HERBERT J. STACK

Director, Center for Safety Education, New York University

If we could get all the high schools in the country to offer driver education to all students before graduation, in a few years we could have an improved crop of drivers on the highways. These trained drivers would be far more skillful than their elders, better informed, and have better attitudes with regard to safe driving practices and regulations. What has been done by some states and communities can readily be done by all.

During the past year more than 5,000 high schools, about one fourth of the public high schools of the nation, have had some type of driver education, and the number of schools offering this instruction is steadily increasing. There is clear evidence that this instruction improves the driving performance of youngsters. In one state, Wisconsin, where more than 80 per cent of the school have been offering driver education, there has been a gratifying improvement in the accident record, in driver attitudes, and in the driver violations by younger operators. Other states and cities where a large percentage of schools are giving instruction show a similar improvement.

According to the report of the President's Highway Safety Conference, "a sound, comprehensive traffic-safety program can prepare the youngsters to take his place in traffic as an intelligent and skillful driver, bicyclist, and pedestrian." Just as it is necessary to train good teams in high school sports, skilled workmen in shops and good musicians in school orchestras, it is even more important to train youngsters to be good drivers.

The secondary school years, during which students reach legal driving age, are most suitable for training drivers. This training becomes an excellent preparation for the driver's license examination. At the present time the driver licensing bureaus in some 15 states award certificates to students who have completed an approved driver education course, and waive a part of the complete license test.

The driver-education course should consist of at least 30 periods of classroom work, followed, if possible, by behind-the-wheel training. Because of the lack of cars, some states are recommending a "home supervision plan," securing the aid of the parents in behind-the-wheel training. Where the school offers systematic road instruction, accidents are materially reduced. A study of 3,200 students in one city showed half as many accidents for those with driver

instruction as for those without.

The President's Conference looks to the schools for help in this national problem of highway safety. There are certain clear responsibilities of school superintendents and principals. They should work for adequate public assistance and support by informing the community about the aims, nature and scope of the school traffic-safety problem. Moreover, according to the conference, they should immediately determine adequacy of the instructional program and make plans for driver instruction as near to the legal driving age as is practicable. In addition they should provide this instruction whenever possible as a service during the summer, at night sessions, and for adults.

In a nationwide survey reaching thousands of people, the Opinion Research Corporation not only found that 78 per cent were in favor of driver instruction in the high schools, but 60 per cent favored actual road instruction. It is quite as important to see to it that youngsters learn good driving as to run a lathe, solve problems in mathematics, or learn foreign languages. Schools have found it important not only to teach the rules of the road, sound driving practices and certain units on the mechanics of the car and preventive maintenance, but also to stress psychophysical skills and good driving attitudes. This instruction includes visits to inspection stations, traffic courts, and garages. There are some excellent movie films for visual aid available which are being used widely by the schools.

Driver education has been approved and recommended by school administrators of the National Education Association, and by officials of more than 80 organizations that make up the National Committee for Traffic Safety. It has been clearly demonstrated that traffic education produces real results in the reduction of child accidents. What is needed now is to have all states and communities move ahead with the preparation of young people for their responsibilities as motorists.

GWIN CLEANERS RECEIVES NATION-WIDE PUBLICITY

Gwin's Dry Cleaning Shop in Goldthwaite recently received nation-wide publicity in the July issue of The National Cleaner and Dyer magazine, trade magazine for the cleaning industry. The article dealt with the installation of new finishing equipment, and a demonstration which was open to the public.

Goldthwaite Lions Club Petitions City To Equalize Tax Renditions

At the regular first Tuesday night meeting of the Goldthwaite Lions Club held at The Hangar at 8 p. m., the members present voted to petition the City Council of the City of Goldthwaite to appoint a tax equalization board to equalize tax renditions in the city in order that the City could build badly-needed sidewalks from Reynolds Street to the school buildings about four blocks west.

Lion John A. Hester, appointed chairman of a committee at the meeting to confer with the Council, reported a meeting was held July 25, and the tax rendition equalization plan was decided upon instead of a bond issue. He pointed out that the present \$1.50 tax rate was the constitutional limit, and that just before the 1929 depression city tax values were \$1,200,000 and that now they were rendered at only one-half that. A motion carried that the Lions Club petition the City Council to appoint an equalization board to equalize taxes and build sidewalks on each of the two streets leading to the school plant.

Visitors introduced Tuesday night were: Lion Billy Saylor of Port Lavaca, County Commissioner J. Y. Tullos, and Rev. Larry Stokes of Houston.

Lion President Jesse J. Saeger announced that at a recent board meeting Lion Jack Reid had been appointed a director of the club to take the place of W. C. Barnett, who had resigned. The president read a letter from Cong. O. C. Fisher of San Angelo stating he would be unable to meet with the club until early September due to a necessary trip to the West Coast on congressional business. The club voted to postpone Ladies' Night until such time as the Congressman could be here as guest speaker.

Lion Supt. H. E. Patton, by unanimous vote, was commended on the radio speech he had made Tuesday night boosting Goldthwaite and Mills County.

It was decided to postpone for two weeks the turtle race scheduled for Wednesday, as only four turtles had been received when about 40 are needed. The turtle race is an outgrowth of the appointment of an Activities Committee to work out projects to raise money for the club to carry on its civic activities.

After discussion a motion was carried for the president to appoint a committee of two to contact Goldthwaite merchants to see if they wanted to continue or drop "Appreciation Days" which the Lions Club has been sponsoring here. The president appointed Lion John L. Gwin and himself as the committee.

Lion W. E. Cantrell of Lometa, who has just returned from the Lions International Convention at San Francisco, is to be invited to meet with the club at its next meeting, August 19, and report on the convention.

Following is the petition that is to be submitted to the Goldthwaite City Council:

We the undersigned members of the Goldthwaite Lions Club go on record as endorsing and further urge action of the City Council of the City of Goldthwaite in the appointment of an equalization board for the purpose of adjusting valuations of taxable property in the City of Goldthwaite, Texas.

In order that the City may have additional funds for needed improvements, chief of which is concrete sidewalks from Parker Street to the High School on both the Hannah Valley Road and First Street to its intersection with Queen Street, thence on

County-Wide Revivals In Baptist Churches Now In Full Progress

Rev. Charley Jackson, a Mills County boy who has made a great success in the Baptist evangelical field, is in charge of the countywide Baptist Revivals now in progress in almost all Baptist Churches in Mills County.

Rev. Jackson started last Sunday morning bringing the messages to great congregation at the new First Baptist Church in Goldthwaite. Services are being held twice daily—10 a. m. and 8 p. m.—except Saturdays when the morning service is omitted. Mr. and Mrs. Claude Lawson, who are well known to the people here, are in charge of song services and music. The revival at First Church will continue through Sunday Aug. 17.

Sunday services at the First Baptist Church follow:
Sunday School—9:45 a. m.
Preaching Services at 11 a. m. and 8 p. m.

Evangelist Jackson's sermon subjects for the next three days follow:
Friday night, "Hell"; no services Saturday morning; Saturday night, "God Has a Plan for Your Life"; Sunday morning at 11, "Blood Bought"; Sunday night, "Saved by Grace."

First Baptist extends a cordial welcome to all to attend the services. The Auditorium will be cool, the singing will inspire and the gospel messages will challenge. The leaders observe that, "Strangers are invited; visitors are welcomed; members are expected."

A revival meeting at the Baptist Church a Moline begins tonight. The pastor Rev. T. F. Collier, will do the preaching and Mr. and Mrs. Tommy Dennis will be in charge of song.

At the Mullin Baptist Church a revival meeting will also begin today, with the Evangelist being Rev. Laurence Hayes, also a Mills County product. Lester Savage will be in charge of singing. Rev. Claude Tipps is the pastor. The meeting will continue through Sunday Aug. 17.

At Priddy Baptist Church, Evangelist J. C. Masager has been conducting a revival that began August 1 and will continue through Sunday Aug. 10. The pastor is Rev. John Nance, and singer for the revival is Mrs. Martin.

At Long Cove Baptist pastor-evangelist-singer is Rev. Bill Rudd, who started a revival there last Sunday which is to run through Sunday, Aug. 17. Rev. Barney Whatley is pastor of the church at Long Cove.

Evangelist Truman Fekner also began a revival last Sunday which is to continue until Sunday Aug. 17, at the Center City Baptist Church. A fire new church building is being built there for the Baptists. The pastor is Rev. C. F. Cloud, and singer for the revival is Johnny Slaughter.

At Scallorn Baptist Church Evangelist Lanham Campbell started a revival last Sunday, Aug. 3, to run through Sunday, Aug. 17. Mrs. Ora Black is in charge of song services. Rev. C. F. Cloud is also pastor for the Scallorn congregation.

Evangelist Chester Sylvester is in charge of preaching and Berl Cavin in charge of song at the Caradan Baptist Church revival meeting which started August 4 and is to run through next Wednesday, Aug. 13. The pastor for Caradan is the Rev. James Braswell.

Starting next Friday, Aug. 15, Rev. Leslie Bell, pastor of the Loving Avenue Baptist Church of Fort Worth, will hold a revival at the North Bennett Baptist Church. A pre-revival prayer service will be held Thursday

REV. CHARLEY JACKSON

night preceding. Rev. J. C. Weathers is pastor of the Church, and Calvin Weathers is to be in charge of the song services.

REV. LARRY STOKES TO PREACH AT M. E. CHURCH HERE SUN.

The reverend Mr. Larry M. Stokes, son of M. Y. Stokes, Postmaster of this city, will deliver the morning sermon in the First Methodist Church this Sunday. "An Anonymous Christian" is the subject of his sermon. Bro. Stokes has many friends in the community and we are delighted that he is preaching for us while he is in Goldthwaite.

Since completing his theological training in the Perkins School of Theology at Southern Methodist University in Dallas four years ago, Bro. Stokes has been associated with Dr. Dawson C. Bryan as Associate Pastor in the St. Paul's Methodist Church in Houston, one of the leading churches in the Texas Conference.

The subject of my evening sermon is, "The Value of 'Thank You'."

All are cordially welcome.

Mrs. Reta Saylor and children of Avon, Fla., and Mrs. Kelly Saylor spent last week-end in the home of Mr. and Mrs. W. A. L. Graves in San Antonio.

Texas gave 3,000,000 acres of land for the building of the State Capital building at Austin.

SAFETY TIP OF THE WEEK

WERE YOU BORN IN AUGUST?

Your horoscope says you are restless and energetic; you also tend to follow the line of least resistance and make hasty decisions you later regret!

It doesn't take a horoscope to tell us that lots of people are like that—and not all of them born in August, either. Last year at least 8,000 pedestrians—two out of every three killed—made hasty decisions to follow the line of least resistance—which they didn't even live to regret.

Pedestrians who walk to the right instead of the left on highways, dart out from behind parked cars, cross in midblock, disregard traffic lights—are not only making hasty and foolish decisions, they are shirking their important share of responsibility for safety.

The watchword for pedestrians at all times—be watchful. Whether or not you were born in August, WATCH OUT that you don't die in August!

SHERIDAN IS EXCITING IN 'NORA PRENTISS'

Warners' new melodrama titled, "Nora Prentiss," with Ann Sheridan in the title role, opens at the Melba Theatre Tuesday night. The film, which co-stars Kent Smith and Bruce Bennett with Ann Sheridan, also features an imposing cast of supporting players including Robert Alda, Rosemary DeCamp, John Ridgely and Robert Arthur. The screenplay is based on an original story that has been deftly transformed into a deeply moving film.

Set in San Francisco and New York backgrounds, the story relates of a love so overwhelming that it is to eclipse everything in the lives of Nora Prentiss, and Dr. Richard Talbot (played by Kent Smith).

Dr. Talbot is married to an overbearing, demanding woman, Lucy (as played by Rosemary DeCamp) and is the father of two children. When his wife and children leave for a weekend, Richard finds himself attracted to a new patient of his, Nora Prentiss, a night club singer in a run-down club on Fisherman's Wharf. Nora's free and relaxed attitude gives Richard a new lease on life and he falls in love with her, just as Nora is attracted to him. After furtive meetings, Nora realizes that it is impossible for them to be happy under the circumstances, and she accepts a singing job at a New York night club, run by her former boss Phil Dinardo (Robert Alda), who is also in love with her. Talbot, desperate about their separation, trumps a scheme which enables him to change his identity and accompany Nora to New York. Beset with the fear of discovery, Richard begins acting strangely toward Nora and they quarrel vigorously and continuously. Richard's strange secret finally involves both him and Nora in a bizarre situation that leads to the pulsating climax of the film.

LOVABLE HARDY FAMILY REUNITED IN 'LOVE LAUGHS AT ANDY HARDY'

Mickey Rooney, back on the Melba screen as the irresponsible Andy Hardy in "Love Laughs at Andy Hardy," first post-war film of the popular series, has lost none of his boisterous vitality, enthusiastic lift or happy-go-lucky charm.

Andy, as you may suspect, is in hot water again. This time, back from the war, he looks forward to returning to Wainwright College and particularly to seeing his old campus heart-beat, Kay Wilson, portrayed in this film as in the preceding one by Bonita Granville. Comes the college prom at which Andy intends to propose to Kay, but the latter is unexpectedly summoned home and Andy is forced instead to escort Coffy Smith (Dorothy Ford), a blind date who turns out to be six-feet four inches tall!

Andy rises to the dilemma with flying colors and makes the towering Coffy the most popular girl at the dance.

NEW MANAGEMENT AT DURENVILLE

Norman Duren, ex-school teacher and an army veteran, has bought the Texaco Service Station and Cafe North of Goldthwaite known as Durenville. Until August 1, it was owned by Ray Duren, who recently sold the establishment to his brother.

Norman Duren is a graduate of Texas A. and M. College. He

served with the Army in Japan and taught in the GI School at Yokohama. For the past several years he has been on the Priddy school teaching staff.

The Durenville Station and Cafe was originally built by Floyd Burkett, who turned it over to Williams. Three years ago the business was bought by Ray Duren. At the present time six steady workers are employed by the concern.

Accompanying Duren to this vicinity is his wife, the former Coleta Faye Wigley, and their two children.

SCALLORN

By MRS. ORA BLACK

The Baptist revival, which started here Sunday morning, drew a good attendance for the eleven o'clock service. Subject for discussion, delivered by Rev. Campbell, was "What Doth A Man Profit If He Gains the Whole World and Lose His Own Soul?" The revival will continue through the next two weeks.

C. H. Black and son Hunter left Saturday for McGregor, where they will see after sheep located in the maneuver area.

Mrs. Webb Laughlin spent several days last week in Florence visiting with her two brothers, Chester and Tom Ford, and families.

H. H. Brooks went to Muleshoe Tuesday to attend the funeral of a brother. Mrs. Brooks was unable to attend on ac-

count of illness.

The Brooks have one of the finest orchards in this section of the country, and are loading out several truck loads of peaches each day. Pickers by the dozens gather early each day at the Brooks' home to load up the trucks to be sent out in all directions.

Mrs. Lora Maund received a message Monday stating her sister, Mrs. E. J. Ward, had undergone a major operation in a Fort Worth hospital.

Mrs. Louelle Richardson of Palacios is a guest this week of Mrs. John Harris.

Mr. and Mrs. John Kuykendoll went to Brownwood Monday, a guest of their daughter, Mrs. Bob Simms and Mr. Simms.

Frank Eckert and grandson Billy John of Miles were guests last week of Mr. John Kuykendoll.

After spending a week in Brownwood Wyvon Johnson returned here to the home of her parents, Mr. and Mrs. Leon Johnson.

Mrs. Irvin Smith of Lometa visited through the week with her sister-in-law, Mrs. David Jones and family.

Mr. and Mrs. T. J. Laughlin and family of Blanket were guests Sunday of Mr. and Mrs. Barney Laughlin.

Mrs. C. H. Black was taken to Rollins-Brook Hospital Monday due to a foot infection caused by a nail piercing almost through her foot.

The cream supper scheduled for last Friday night in the Dutch Smith home was postponed until a later date due to the death of an uncle of Mr. Smith.

Mrs. Webb Laughlin accompanied by Mrs. Marvin Laughlin, went to Sonora Monday to attend the funeral of their aunt,

Mrs. Lucky, who passed away at her home in San Saba Saturday.

Miss Selma Johnson of Llano is a guest this week of her sister, Mrs. Gene Turbville.

Mrs. Ernest Johnston visited in Houston last week with her son Floyd and wife.

Mrs. Chas. C. Wright came over from Mullin Monday for a visit with her mother, Ora Black.

Mrs. Wallace and children of Llano were Sunday guests of Mr. and Mrs. Gene Turbville.

Mr. and Mrs. Nolan Mallory and little daughter and Mr. and Mrs. Robert Smith were Sunday guests of Mr. and Mrs. Fate Eckert.

Mr. and Mrs. Lester Moon and daughter Lorene Ann of Austin were week-end guests of Mr. and Mrs. Frank Hines. Lorene Ann will be a guest this week of Greta Sue.

Afternoon guests Sunday of Mr. and Mrs. Fields Hines were Mr. and Mrs. John B. Sampley of Lometa and Mr. and Mrs. Carl Kahns of Goldthwaite.

THANKS TO JOE CORONO

The Eagle Force expresses their thanks to Joe Corono, one of the progressive farmers of Big Valley, for the big box of fine peaches he presented to the Eagle last Saturday.

OLD-TIMER VISITS HERE

Will Clark, who was reared at Center City but moved away 50 years ago when he was 8, was in Goldthwaite Tuesday of this week meeting his old friends. He now lives at Ballinger and has been a wholesale cotton buyer all his adult life. He has bought many a bale of cotton from G. H. Frizzell and, other Goldthwaite cotton buyers.

Miss Wetzel Is Honored At Shower

(From Austin Statesman)
Mesdames Horace Anderson, Herbert Kraushaar and Harold Robinson entertained Monday evening with a miscellaneous shower in the Pan-American Room of the Driskill Hotel complimenting Miss Marjorie Wetzel, bride-elect of Karl Doggett. The gifts were placed on a table around a large black parasol decorated with yellow, orange and green crepe paper streamers which were attached to black rain boots filled with yellow and orange marigolds. Vari-colored match folders were scattered on the table. The refreshment table was decorated with marigolds and appointed in crystal. Vari-colored napkins and green tapers in crystal holders were used. On another table centered with an arrangement of marigolds were orange and blue napkins and embroidery thread and needles. During the evening songs about rain, including "Singing in the Rain" and "Roses in the Rain" were played for background music. Each guest embroidered her name across the corner of the orange and blue napkins which were then presented to the honoree. Guests included Mesdames Roger Busfield, L. R. Benson, Esther Buffler, Lawrence A. Bruckman, C. O. Ceder, M. H. Coleman, B. B. Chappell, Henry Garner, Jimmy Lewis, W. J. Lucas, Nannie Moore, Ed Odom, Arthur Riely, Chester Sikes, Lee Satterwhite, I. E. Thompson, Conrad Vernon Jr., Jessie Waltrip, Sterling of Austin, Mrs. Walter Doggett of Goldthwaite, Mrs. Frank B. Rigby of Fort Worth, Misses Faye Anderson, Whynell Aston, Annette Ceder, Joyce Renneberg and Robbye Sharp.

LAMPASAS MAN STABS HIS WIFE

According to District Attorney Jim Evetts, W. H. Turner, 48, of Lampasas has signed a written confession that he stabbed his wife to death at their home in Lampasas about 5:15 p. m. August 1 during a squabble. A three-bladed pocket knife was used. Turner told the district attorney that his wife struck him with his crutch before the stabbing. Turner's leg has been amputated. He is being held in the Lampasas County jail under \$12,500 bond, charged with murder.

Miss Wetzel To Be Wed In August

(From Austin Statesman)
Tea Will Honor Bride-Elect Of Karl Doggett
The engagement and approaching marriage of Marjorie Wetzel, to Karl Doggett, son of Mr. and Mrs. Peter Doggett of Goldthwaite, has been made by the bride-elect's mother, Mrs. Frank B. Rigby of Fort Worth.

The couple plan to be married August 23 in the Rosen Baptist Presbyterian Church in Fort Worth.

The bride-elect was honored at a tea given Sunday afternoon from 3 to 5 p. m. by her mother in her home. Guests were received by the hostess, the bride-elect's mother, Mrs. Frank B. Rigby of Beaumont, sister-in-law of the bride-elect.

Castle Centers Table
The tea-table was centered with an air castle resting on a cloud of tulle, chiffon and tulle. Small fairies standing at the door of castle were holding ribbons telling the names of the couple and the wedding date. Around the arrangement was a circle of white flowers.

Miss Annette Ceder of Austin and Miss Laura Goodman of Dallas presided at the party service, and guests were registered by Mrs. Pete Goch of Fort Worth. Mrs. Bill Miller of Fort Worth also in the house party were Misses Dorothy Jo Smith and Shannon Schwain of Fort Worth, who gave musical selections during the afternoon.

Miss Wetzel, a graduate of Polytechnic High School in Fort Worth attended Wheatland College and the University of Texas. She is now receptionist and music director at radio station KNOW in Austin.

Mr. Doggett was graduated from Goldthwaite High School and Nixon-Clay Business College in Austin. He is now employed at the Milam Cafeteria in Austin.

After their marriage the couple will make their home in Austin.

CHRISTIAN SCIENCE SERVICES

"Spirit" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, August 12. The Golden Text is: "Teach me to do thy will; for thou art my God; thy spirit is good; lead me into the land of uprightness" (Psalms 143:10). Among the citations which comprise the Lesson-Sermon is the following from the Bible: "God is a Spirit; and they that worship him must worship him in spirit and in truth" (John 4:24).

CIVIL SERVICE EXAMINATIONS

The Civil Service Commission announces examinations for the positions of Accounting and Auditing Assistant, and for Clerk, CAF-5 and 6. Salaries range from \$2644 to \$3021 per year. Employment will be in various Federal agencies in the state of Texas. Application form and further information may be obtained from any 1st or 2nd class post office in the state of Texas.

ON VACATION

Mrs. R. L. Harris of the Mt. Olive community is spending her vacation with her children and grandchildren. For the past three weeks she has been in the homes of her son Vernon and family of Arlington and her grandson Elton Geeslin and family of Dallas. MMs. Geeslin complimented her with a lovely tea. Mrs. Harris will visit in Stephenville, Morgan Mill, Hamilton and San Saba before returning to her home in September.

CARD OF THANKS

I wish to thank my many friends for the many nice cards and letters and enjoyable visits while I was in the hospital.

WILLIAM BIDDLE

Mr. and Mrs. B. L. Casbeer and children were here Friday and Saturday visiting relatives. Guests in the home of Mrs. Jim Cockrum are her children, Mr. and Mrs. Lewis Shead and Susan, of Abilene.

Swing Of Southwest Farm Markets

(By U. S. D. A.)

Except for cotton, most farm products found steady to strong markets last week, according to the Production and Marketing Administration, U. S. Department of Agriculture. However, some minor easiness developed in livestock and vegetables.

Active demand for a wide range of cotton qualities failed to stem the downward trend. Prices sagged steadily most of the week, and netted losses of around \$7.50.

Grain prices dipped lower toward midweek but more than recovered later on. Corn soared toward new high marks and

closed Friday at \$2.98 for No. 2 white and \$2.41 for yellow in bulk carlots at Fort Worth and Galveston. Barley gained 8 cents. Eggs and young chickens continued to sell at firm prices last week, as demand remained good. Mature poultry held about steady in most places. Low grade and current receipt eggs ranged generally from 30 to 35 cents per dozen, while medium grade candied eggs brought around 40 to 45, and top grade 45 to 50, some higher.

Slaughter cattle showed a great deal of easiness on southwest markets last week, while

most replacement classes sold at steady to higher levels. Houston took common to medium stocker steers and yearlings at \$13.50 to \$16.50, and calves at \$11 to \$12.50. Medium to good stocker steers and yearlings brought \$17 to \$20 at Wichita.

Most hog markets closed the week 25 to 50 cents or more higher but Fort Worth and Oklahoma City netted slight losses on butcher classes. Closing top was \$26.50 at San Antonio and Fort Worth.

Sheep and lambs sold steady to a little higher than a week earlier. Medium spring lambs brought \$15 to \$19 at San Antonio, and medium to good kinds \$19 to \$22 at Fort Worth.

You can't match the "heart" of BIG-CAR QUALITY AT LOWEST COST

World's Champion Valve-in-Head Design!

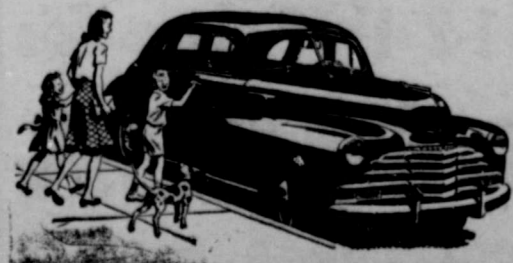

The new Chevrolet is the lowest-priced motor car with a Valve-in-Head Engine—the type of car engine which holds all records for efficiency—for giving maximum power from every ounce of fuel. Moreover, Chevrolet's Valve-in-Head Engine is the "champion of champions" on all these counts: (1) Valve-in-Head performance

at lowest prices; (2) billions of miles of service to owners; and (3) number of owners served. In fact, this sturdy Chevrolet Valve-in-Head Engine has delivered more miles, for more owners, over a longer period, than any other automotive engine built today, regardless of type, size or price!

Chevrolet gives you the BIG-CAR styling of Body by Fisher—exclusive to Chevrolet in the lowest-price range. Chevrolet also brings you the safety of Fisher Unisteel body construction, the Knee-Action Ride and Positive-Action Hydraulic Brakes—a combination of safety factors found only in Chevrolet and higher-priced cars.

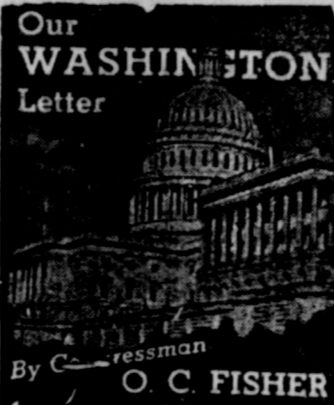

You can't match Chevrolet's BIG-CAR COMFORT at lowest cost, either—the outstanding comfort of its Knee-Action Gliding Ride—for this, too, is exclusive to Chevrolet in its price range.

Be wise! Keep your present car in good running condition by bringing it to us for skilled service, now and at regular intervals, until you secure delivery of your new Chevrolet. Come in—today!

Our WASHINGTON Letter By O. C. FISHER

THE SCORE BOARD on the first session of the 80th Congress shows a fairly good batting average.

1. It enacted a new labor law designed to give the public badly needed protection against the whims and abuses of certain irresponsible labor leaders. The success of the new law, like the success of any law, will depend largely upon the vigor of its enforcement and the efficiency of its administration. This measure had the overwhelming support of both democrats and republicans in the House which passed it 4-to-1 and the Senate gave it a better than two-thirds vote.

2. The Congress enacted a bill to outlaw the big \$7 billion portal-to-portal phony lawsuit racket being pushed by the CIO.

3. The session merged the armed services. This new law, designed to strengthen our defenses and eliminate overlapping of commands and procurement, is considered by General Eisenhower and Admiral Nimitz as being of the highest importance to the strength and security of our country. For the first time, the Air Force is put on an equal footing with the Army and the Navy, all under one Secretary of National Defense who will be a Cabinet member.

4. On recommendation of President Truman, a law was passed making the Speaker of the House next in line to succeed the President where there is no Vice-President.

5. War veterans were given the right to cash their terminal leave bonds if they desire. Nearly \$7 billion was voted to meet the annual budget requirements for the Veterans Administration. This includes hospital construction and all aid and benefits to war veterans.

6. Rent control, with some adjustments, was continued to February 29, 1948.

7. Upwards of \$75 million was provided to blot out the foot and mouth infestation in Mexico. The latter country is likewise a heavy contributor in the battle.

8. Congress passed a bill to continue the wool purchase program through 1948 on the same basis as in 1946.

9. The national budget was balanced for the first time in more than a decade and a payment was made on the national debt. A total of nearly \$3 billion was lopped off the annual budget, and many wartime controls and restrictions were lifted or limited.

10. The budget for the armed services, involving our national security were hardly touched by the economy ax. Nearly \$9 billion was provided to carry our armed forces through the fiscal year. That supports an army of 1,070,000 and a navy of 500,000.

11. The first postwar treaties—with Bulgaria, Italy and Rumania—were ratified by the Senate.

12. The so-called Truman Doctrine—putting America on the side of those who oppose being gobbled up by communism—was in effect given bipartisan congressional approval. The degree of success of a session is measured not alone by what laws are passed, but, of equal or perhaps more importance, by what it fails to pass.

This session refused to enact a law to break down our immigration law and allow 400,000 eastern Europeans from displaced persons camps to come in.

A proposal to socialize the practice of medicine was given a cold shoulder, and action on a bill to increase the minimum wage was postponed to the next session. Likewise, no action at this session was taken on proposed federal aid to education. A huge housing subsidy

program, opposed by the American Legion, got nowhere.

A bill to set up a system of military training was given a favorable committee report but failed to reach the floor for a vote, and therefore goes over to the next session. The bill is important because it deals with our national preparedness program.

Prospects for slight tax reduction by 1948 went out the window with a presidential veto.

So, all in all, the degree of success of this session depends upon the way you look at it. It has been a session remarkably free from lobby pressure influences, as evidenced by the passage of the labor bill, the portal-to-portal bill and non-passage of the immigration proposal which was supported by 23 registered lobbyists. This latter group is highly financed and has a nation-wide organization at work.

This is the last Newsletter for this year. Our Washington office will remain open and one will be opened in the Post Office building at San Angelo. I plan to cover most of the district during the Fall and shall be glad to talk with anyone who has any problem wherein I may be of assistance. It will be necessary for me to go to the West Coast about August 15 for some committee hearings, and other hearings on proposed amendments to the Wage and Hour Act are set in Washington for mid-October.

HOW DID THE EAGLE BECOME OUR NATIONAL EMBLEM?

The eagle as a national emblem is not peculiar to the United States. It was the principle device on the standard of several ancient nations, and it is the national emblem of several modern countries. It became our national emblem when it was placed on the great seal adopted by the Continental Congress on June 20, 1782. The eagle was first suggested as part of the seal by William Barton, a private citizen of Philadelphia. His eagle, however, was created and was not the American or bald eagle. Charles Thomson, secretary of Congress, who modified Barton's design, put the eagle as the central figure of the device and specified that it should be an American eagle, rising, not displayed.

Miss Wetzel To Be Wed In August

(From Austin Statesman)
Tea Will Honor Bride-Elect Of Karl Doggett
The engagement and approaching marriage of Marjory Wetzel, to Karl Doggett, son of Mr. and Mrs. Doggett of Goldthwaite, has been made by the bride-elect's mother, Mrs. Frank B. Doggett, Fort Worth.

The couple plan to be married August 23 in the Rosen Heights Presbyterian Church in Fort Worth.

The bride-elect was honored at a tea given Sunday afternoon from 3 to 5 p. m. by her mother in her home. Guests were received by the hostess, the bride-elect and Mrs. Jack Wetzel, Beaumont, sister-in-law of the bride-elect.

Castle Centers Table
The tea-table was centered with an air castle resting on a cloud of tulle, chiffon and tulle. Small fairies standing at the door of castle were holding ribbons telling the names of the couple and the wedding date. Around the arrangement was a circle of white flowers.

Miss Annette Ceder of Austin and Miss Laura Goodman of Dallas presided at the party service, and guests were entertained by Mrs. Pete Gorch and Mrs. Bill Miller of Fort Worth. Also in the house party were Misses Dorothy Jo Smith and Shannon Schwain of Fort Worth, who gave musical selections during the afternoon.

Miss Wetzel, a graduate of Polytechnic High School in Fort Worth attended Wheaton College and the University of Texas. She is now receptionist and music director at radio station KNOW in Austin.

Mr. Doggett was graduated from Goldthwaite High School and Nixon-Clay Business College in Austin. He is now employed at the Milam Cafeteria in Austin.

After their marriage the couple will make their home in Austin.

Miss Wetzel Is Honored At Shower
(From Austin Statesman)
Mesdames Horace Anderson, Herbert Kraushaar and Harold Robinson entertained Monday evening with a miscellaneous shower in the Pan-American Room of the Driskill Hotel complimenting Miss Marjorie Wetzel, bride-elect of Karl Doggett.

The gifts were placed on a table around a large black parasol decorated with yellow, orange and green crepe paper streamers which were attached to black rain boots filled with yellow and orange marigolds. Vari-colored match folders were scattered on the table.

The refreshment table was decorated with marigolds and appointed in crystal. Vari-colored napkins and green tapers in crystal holders were used. On another table centered with an arrangement of marigolds were orange and blue napkins and embroidery thread and needles.

During the evening songs about rain, including "Singing in the Rain" and "Roses in the Rain" were played for background music. Each guest embroidered her name across the corner of the orange and blue napkins which were then presented to the honoree.

Guests included Mesdames Roger Busfield, L. R. Benson, Esther Buffer, Lawrence A. Bruckman, C. O. Ceder, M. H. Coleman, B. B. Chappell, Henry Garner, Jimmy Lewis, W. J. Lucas, Nannie Moore, Ed Odum, Arthur Riley, Chester Sikes, Lee Satterwhite, I. E. Thompson, Conrad Vernon Jr., Jessie Waltrip, Sterling of Austin, Mrs. Waite Doggett of Goldthwaite, Mrs. Frank B. Swing Of Southwest Farm Markets

(By U. S. D. A.)
Except for cotton, most farm products found steady to strong markets last week, according to the Production and Marketing Administration, U. S. Department of Agriculture. However, some minor easiness developed in livestock and vegetables.

Active demand for a wide range of cotton qualities failed to stem the downward trend. Prices sagged steadily most of the week, and netted losses of around \$7.50.

Grain prices dipped lower toward midweek but more than recovered later on. Corn soared toward new high marks and

closed Friday at \$2.98 for No. 2 white and \$2.41 for yellow in bulk carlots at Fort Worth and Galveston. Barley gained 8 cents. Eggs and young chickens continued to sell at firm prices last week, as demand remained about steady in most places. Low grade and current receipt eggs ranged generally from 30 to 35 cents per dozen, while medium grade candled eggs brought around 40 to 45, and top grade 45 to 50, some higher.

Slaughter cattle showed a great deal of easiness on southwest markets last week, while

most replacement classes sold at steady to higher levels. Houston took common to medium stocker steers and yearlings at \$13.50 to \$16.50, and calves at \$11 to \$12.50. Medium to good stocker steers and yearlings brought \$17 to \$20 at Wichita.

Most hog markets closed the week 25 to 50 cents or more higher but Fort Worth and Oklahoma City netted slight losses on butcher classes. Closing top was \$26.50 at San Antonio and Fort Worth.

Sheep and lambs sold steady to a little higher than a week earlier. Medium spring lambs brought \$15 to \$19 at San Antonio, and medium to good kinds \$19 to \$22 at Fort Worth.

REVIVAL AT NORTH BENNETT BAPTIST CHURCH STARTS 15TH

North Bennett is making every possible effort to get all things ready for the revival to begin August 15. We want to invite you to attend these meetings for many reasons. First, we wish for every Christian a growth in grace and in knowledge of the Word. We desire for you a spiritual life that you may serve God, the church, and others better. If your spiritual life seems to be clogged with care, worldliness, failure, etc., you come to this revival.

Secondly, we desire to see people saved with an eternal salvation. Saved from death to life; from sin to a Godly life; from hell to heaven; from the "far country" to the "Father's House". If your life is wretched and miserable, and you are tired of sin—you want to be saved—then, you come.

Thirdly, we want you to see what "God hath wrought" with our church. It will encourage you to see how much God can

do with so little. Fourth, we want you to hear Rev. Leslie Bell. We could say many wonderful things about this man, but if you will hear him once, you will go to your friends and say, "come see a man." I will say that he is a mighty preacher of the Word, successful pastor, and a soul-winner. Brother Bell is pastor of the Loving Ave. Baptist Church of Fort Worth, Texas.

There will be a pre-revival prayer meeting at the church Thursday evening at eight o'clock August 14. Brother Bell will be there to outline the work for the revival. The public is cordially invited to attend this prayer meeting. Let's fill the house.

Brother Calvin Weathers will conduct the singing throughout the meeting with Mrs. Montgomery, our church pianist, at the piano.

ANNOUNCING
Norman Keith, son of Mr. and Mrs. A. B. Yeager arrived July 31st at the Memorial hospital in Brownwood.

OAKLAND NEWS

—By MRS. E. T. CROWDER
Miss June Hanna is spending a week in Brownwood with Miss Nelda Ruth Rogers. They were among guests at a birthday party in honor of Miss Evelyn Mullis of Brooksmith Saturday night.

Mr. and Mrs. Raymond Eagleton and daughter, Wynell, her friend Mary, and Mrs. Violet Suggart of Dallas are visiting with the Crowder families. They had supper on the river Friday night. The young folks went swimming while the men put out fish lines. They caught four cat fish averaging three-pounds each.

F. L. Crowder, Jr., Mrs. Eagleton, Wynell and Mary spent Sunday with the Ross White family. Mr. Eagleton, Mrs. Suggart and Mr. and Mrs. F. L. Crowder went to Abilene Monday.

Brother Clark, Mr. and Mrs. Truman Crowder, Mr. and Mrs. Willie Sikes and Tommy Hinesly visited in the Hanna home Sunday afternoon and really enjoyed the good watermelon.

Mrs. Etta Jones has returned to her home here for an indefinite stay, to see her livestock through the dry spell. Some of us are hauling water for our stock now and tanks are all getting very low.

FUMIGATE BINS AND CRIBS

With grains of all kinds going into storage or about to go into storage here in Texas, Extension entomologists at Texas A. and M. College are reminding us that stored grain insects take a big toll in grain bins every year. . . and that there's an easy method we can employ to knock the insects out.

They say that fumigation is the best and probably the most economical way to protect grain in storage. And the material used in fumigation—and don't let this name scare you—is ethylene dichloride carbon tetrachloride. It's cheap and effective, and won't harm the grain in any way. You can buy it in 55 gallon drums for eight or nine cents per pound—and apply it in the grain bin with a watering can or sprayer. Takes about six gallons of the mixture to treat 1,000 bushels of grain.

If your bins aren't sealed tightly above, you can spread tarpaulin or other gas-tight sheets over the surface of the grain to hold those fumes in.

Incidentally, the entomologists say it's a smart idea to spray your bins and cribs—before storage—with five percent DDT in oil, to kill any insects that might be in your carryover grain.

But by the way, the entomologists warn you to be careful in applying that material, and get outside in a hurry if you begin to get a bit dizzy. And if you've got a lot of fumigating to do, it's a good idea to wear a gas mask.

Approaching Marriage

(Vernon Daily Record)

The engagement and approaching marriage of Miss Iris Holliman, daughter of Mrs. C. H. Holliman and Kenneth Campbell, son of Mrs. Bertha Campbell Goldthwaite, Texas, has been announced by her mother.

The wedding will be solemnized August 21 at the home of the bride's mother.

Miss Holliman graduated from Texas State College for Women and has done post graduate work at N.T.S.T.C., Denton, and Columbia University, New York. For the past fourteen months Miss Holliman has been librarian of Howard Payne College, Brownwood.

Mr. Campbell attended public schools in Maryville, Tenn. He has served six years in the U. S. Navy. On July 30 he graduated with honors from Howard Payne College. In the Fall he will do post graduate work at the Southwestern Baptist Theological Seminary Fort Worth.

Troop No. 2, the Carnation
Troop met July 23, 1947 at the
"Little House" at 6:30 a. m. for
our first "Hike", an activity in
the Foot-Travelers Badge. We
hiked to the little pond at the
edge of town then back by
another route. We covered 3
miles. On this hike we dressed
in the correct clothing for hik-
ing, and were careful in our ob-
servation of things passed.

The next hike will be longer.

On the morning of July 30, at
6:30 Girl Scout Troop No. 2 met
in the home of Mr. and Mrs. O.
O. Smith for a hike and to ex-
plore the Lost San Saba Mine—
which is supposed to be about
three miles north of the Smith
home—this was of much inter-
est. The caves, the crevices and
the "Dry Hole" shows where an
old shaft or maybe an old
smelter was.

Mrs. Smith told us part of the
story of Cornado's Children also
a map—which was or looked like
it could be the very place upon
which we stood.

W. P. McCullough told us sev-
eral stories connected with this
place, and showed us the very
spot where the Iron Chest with
the Gold Cross had been found.

We saw rocks that looked as
if they had the imprints of sea
animals on them. We covered
ten miles on this hike, that is
some of us did. We were accom-
panied on this hike by W. P.

Mrs. J. H. Saylor and Mrs. Char-

OPEN HOUSE

The children of Mr. and Mrs.
Jesse Cockrum held Open House
Sunday, August 3, from 2:00 to
6:00 o'clock at their lovely home
west of Goldthwaite in observance
of Mr. and Mrs. Cockrum's
"fiftieth wedding anniversary".

Two of the girls, Mrs. Fay Eck-

Mrs. Charles Rudd passed
away Wednesday morning at
2:15 at the family home in Gold-
thwaite. Mrs. Rudd had been
in failing health for some time,
having recently been in the
hospital in San Angelo and Scott
and White in Temple.

Funeral services were held
Thursday morning at 10:30 at
the First Baptist Church, Rev.
D. A. Bryant of Mexia, former
pastor of the First Baptist
Church, Goldthwaite, conducting
the service. Burial was in Gold-

attended the demonstration.

This method of terrace con-

the completed terrace has a
broad flat channel and ridge,
gentle slopes, and is economical
to build. Paul T. Koshi of the

**FARM CASH INCOME
DOUBLED IN JUNE**

Austin, August 6—Big news
to Texas farmers was the record
high farm cash income during
June. Earnings doubled the May
figure, according to estimates
by The University of Texas
Bureau of Business Research, to
push total June income up to
\$187,527,000.

June income was 90 per cent
higher than in June 1946, and
when compared with the 1935-
39 period was up 404 per cent.

Harvest brought jubilation in
all sections of the State, but
wheat sectors saw unprecedent-
ed farm cash income figures.
Wheat accounted for \$96,936,000
or more than 52 per cent, of
the total farm income.

For the Northern High Plains
wheat accounted for 86 per cent
of farm income, in the Southern
High Plains district 46 per cent,
in the Red Bed Plains 83 per
cent, in the Western Cross
Timbers 56 per cent, in the Black
and Grand Prairies 62 per cent
and in the Southern Texas

Prairies 31 per cent.

June farm income was the
largest June figure since the
Bureau's index was started in
1927. The effects of this large
wheat crop on business are ob-
vious. Banks all over the State
are already reporting expand-
ing bank deposits as a result
of the tremendous harvest.

Just how much of the income
gain was a result of the rise in
prices is difficult to estimate.
The prices of Texas farm pro-
ducts were in most cases above
June 1946 prices, but there were
declines in the May-to-June
comparisons of prices received
by farmers.

IDENTIFY 204 AMERICAN SOLDIERS BURIED BY JAPANESE

Identification of an additional 204 Americans who died in the Philippine Islands while confined in a Japanese Prisoner of war camp was announced today by the War Department. The men had previously been listed as unknowns.

The identified soldiers were among a group of approximately 1600 prisoners who were buried in the Camp O'Donnell Prisoner of War Cemetery on Luzon, Philippine Islands. In May 1947, the War Department announced that positive identification had been made of 353 other soldiers who were among those buried in the cemetery.

All remains have now been disinterred and reburied in the United States Armed Forces Cemetery Manila No. 2, within the city limits of Manila.

Evidence obtained from liberated prisoners of war, compar-

TRAFFIC LIGHTS ARE FOR PEDESTRIANS TOO!

Wait! The few quick seconds it takes the light to go amber or green may be the difference between life—and death!

Traffic lights aren't just for drivers, they're for pedestrians, too. They are your signals of safety. Drivers and traffic officers expect you to obey them. Yet in 1946, over 2,800 persons were killed at intersections. In addition, more than 4,000 jaywalked into the Hereafter between intersections. From all causes, 12,200 pedestrians—men, women and children—were given a ride to the morgue! They died at the rate of 33 every day.

Fantastic? Sure, but deadly true.

Of pedestrians killed who were old enough to drive, only 10% ever drove a car. That may be one reason why pedestrians have to be told, again and again, that traffic lights and all safety regulations are for them too. They have never experienced the responsibility of driving.

If you are a pedestrian, learn to cross with the lights, never run out from behind parked cars, or cross between intersections. Don't stand in the street or highway. Always be alert!

This advertisement is presented in the public interest by the President's Highway Safety Conference and the daily and weekly newspapers of the nation, through their Press and Publisher Associations!
