

The Goldthwaite Eagle

VOLUME FIFTY-FOUR GOLDTHWAITE, MILLS COUNTY, TEXAS — FRIDAY, NOVEMBER 14, 1947 NUMBER THIRTEEN

BY OLD MAN 100

THE BOSS IS NOT RESPONSIBLE FOR WHAT OLD MAN 100 SAYS IN THIS COLUMN—NEITHER IS THE OLD MAN. IF YOU GET MAD, COUNT AT LEAST A THOUSAND BEFORE YOU SHOUT OR BEAT HIM UP.—THE BOSS!

ANOTHER PICTURE—He allus takes the Old Man longer to think up something to draw than to draw it. This is the best he could do this week:

"Yes, sir, young man, I started from scratch."

THEY DON'T SAY THIS—
"You do not need," the dentist said,
"To open up that wide;
Just enough to give me room—
I mean to stand outside."

Once when a man walked up to Old Hunnert and asked him what time it was, the Old Man told him he knew all right but wasn't going to tell him. Of course the man asked why, and Old Hunnert explained: "Well, it's like this: If I tell you the time we'll get to talking. I might get to be your friend and ask you out to the house. You'd probably fall in love with my daughter and want to marry me! And I don't want anybody in my family who can't afford a dollar watch."

This here conversation took place this week right here in the Eagle Office. Boss—"Where have you been?" Old Man—"Getting my hair cut." Boss—"You know you can't have your hair cut on company time." Old Man—"Well, it grew on company time, didn't it?" Boss—"Not all of it." Old Man—"Well, I didn't have all of it cut off."

Lots of people don't know about Old Hunnert's grandmother. When a friend was visiting him, Old Hunnert told him: "Them's my grandmother's ashes." And the friend said: "Oh, so the poor old soul has passed on?" Old Hunnert—"Nope, she's jest too lazy to look for an ash tray."

The Old Man believes the lady that walked into Judge John's office this week must have been slightly mixed up in her legal terms when she asked: "Are you the judge of the reprobates?" Judge John told her he was the judge of the probate, and the lady said: "Well, that's what I want, I guess. You see, my husband died untested and left several little infidels, and I want to be their executor."

Once when an American lady in China balled her houseboy out for taking her linen into her bedroom without knocking, the native said: "That's all right, Missy. Every time come, lookee in keyhole. Nothing on, no come in."

Along about 1880 when a man moved in here, he told the Old Man: "I've come out here to make an honest living." Old Hunnert told him: "Well, there ain't much competition."

Old Hunnert was off the job three days this week because he lost his glasses out at his shack and couldn't see to hunt for them until he found them.

There are good editors and bad editors. Bad editors are the ones who put things in the paper, and good editors are the ones that leave things out of the paper.

FOOTBALL GAME AT EAGLE FIELD TONIGHT IS CANCELLED

The football game which had been advertised to be played on Eagle Field here tonight (Friday) has been cancelled, according to Eagle Field Coach Ted Kirby.

In a long-distance telephone call to the coach of the Episcopal Cathedral School of Dallas, Coach Kirby was told that it would be impossible for the Dallas school to send a team here,

due to so many injuries among the Dallas players and to so much sickness with flu.

Only other game scheduled to be played on Eagle Field is with the Texas School for Deaf of Austin, which is to be played here Friday night, November 21. This is admittedly the toughest team by far that the Eagles have had on their schedule for this year.

EAGLES ROAR TO 52-0 TRIUMPH OVER GATESVILLE STATE HOME

By ED GILLIAM

Goldthwaite turned on the heat here Friday night and waltzed away with a 52-0 victory over Gatesville State Home eleven. This was the Eagles' fifth win this season and their second victory over the State Home, having defeated the Gatesville Lad's at Gatesville two weeks ago.

In the first stanza of the game Jimmy Laughlin went over for the first touchdown and also kicked the point. Billy Miller, quarter back and co-captain of the Eagles, delivered the second touchdown and Dick Lindsey quickly added another with Laughlin covering.

In the 3rd period Billy Miller, Robert Henry Johnson and Herman Anderson all ran over touchdowns. There were no conversions.

Herman Anderson gave the cash customers their money's worth in the fourth quarter by contributing two beautiful brotten field runs that both resulted in touchdowns for Coach Kirby's lads.

The Goldthwaite eleven out-

played the State School team in every department of the game and only once during the entire game was any threat made by the Gatesville boys and this was when one of the Gatesville back's broke in the open for what looked like a race for a score but was brought down from behind by Wayne Williams.

Wilcox, Williams, Wicker and Lynch all played outstanding games in the line with Laughlin Anderson, Miller, Johnson and Lindsey carrying the load in the backfield.

About one half of the game was played by the Eagle's second and third string giving the local fans an opportunity to see Coach Kirby's prospects for a successful 1948 season.

Goldthwaite And San Saba All-Stars Battle To 0-0 Tie

Before a large crowd of football fans from Mills and San Saba Counties, the Goldthwaite All-Star Eagles and the San Saba All-Star Armadillos played to a scoreless tie in an Armistice Day game at San Saba. The Goldthwaite-San Saba All-Star game has become an annual classic.

The teams appeared evenly matched in most departments of the game, with Goldthwaite holding a slight edge in the air, which accounted for the fact that Goldthwaite was able to penetrate deeper and oftener into the Armadillo territory. San Saba never once threatened, while the Eagle exes twice barely missed scoring touchdowns.

Both teams exhibited strong lines, against which neither was able to make any sustained gains.

Outstanding in their play for the Armadillos were Dean Bagley and Terry.

Outstanding for Goldthwaite All-Stars were Wade Knight, Joe Shelby Langford, Charlie McLean Ted Kirby, Billy Miller, Robert Wolfe and James Miller.

IN TARETON BAND
Stephenville, Nov. 12—Miss Anna Gene Hale of Mullin, has entered the newly organized Concert Band of Tarleton College.

Miss Hale is a college freshman and is majoring in Public School Music.

The Concert Band is directed by Randolph N. Foster and plans to make several trips this year.

Sentimentality is no indication of a warm heart. Nothing weeps more capiously than a block of ice.

FFA SWEETHEART CONTEST ENDS

The F. F. A. Sweetheart contest was won by Geraldine Laughlin. In the near future the Chapter is to have a party in her honor and officially crown her the Sweetheart of the Year.

'BREAKFAST IN HOLLYWOOD' AT METHODIST CHURCH SAT NOV 22

You are invited to attend a breakfast at 9:30 o'clock Saturday morning, November 22, at the Methodist Church.

It's one of those famed "Breakfast in Hollywood" affairs and it will be lots of fun. Wear a crazy, funny hat or else an old one for the funniest and oldest hats win prizes. There will be lots of "door" prizes that you have a chance at, too. The lady present who is the oldest wins an "Orchid," from Tom Breneman, himself, who is sending one from Hollywood.

An "Orchid" also goes to the winner of the "good neighbor letter." This is your chance to write about that person who does so much for you and for everyone else in the community—that good neighbor of yours—and win an orchid for her to show your gratitude. Send your letter to Mrs. Tom C. Graves, and a committee will choose the best one.

The man wearing the loudest tie receives a prize; and the person coming from the longest distance also wins a prize.

As typical of the "Tom Breneman" program of Hollywood, there will be the wishing ring, and all other features of his program.

The price of your ticket entitles you to breakfast, a hat parade, chances at winning the many prizes and a bushel of fun.

These tickets are on sale at Clements' Drug and Yarbrough & Duren Dry Goods. Buy yours now!

PURCHASE OF SOUTHDOWN SHEEP

The F. F. A. boys of Goldthwaite High School and the 4-H Club boys of Mills County sponsored the buying of a carload of Registered Southdown breeding sheep which arrived here in good condition on November 3, 1947. These Registered Southdowns were imported from Canada, and everyone is highly satisfied with the extreme high quality of the sheep. We believe we have something that will make Mills County a hard one to beat in the mutton classes at the various shows that we will attend.

The Southdown is a sheep that cannot be matched in type and body conformation. It is a rare exception when another mutton breed can beat a Southdown at any show, and if you will watch the results of the shows over the country, the Southdown will be the big winner.

The sheep are very scarce in the South, and especially in Texas. Many of us have wanted the sheep for a good while, but the prices here have prevented the buying of any number down here. Although, we found cheaper sheep in price to buy, we feel we have as good a quality as anyone. The sheep were purchased from D. E. McEwin of Canada, and he has won twelve carload championships at the International of Chicago, which is one of the largest shows of them all.

We at last have the sheep, so if we are shepherds of the right quality, we should soon win some prizes of our own.

Y. B. Johnson, teacher of Vocational Agriculture, D. B. McCombs, Mills County Agent.

MILLS COUNTY PINK BOLL-WORM QUARANTINE

According to a recent letter from Mr. L. F. Curi, Division Leader from the Bureau of Entomology and Plant Quarantine, Mills County has or shortly will be placed under emergency pink bollworm quarantine, which came as the result of thash inspection at the gins at Star and Priddy in which pink bollworms were found at the Star gin.

This quarantine does not mean that cotton cannot be planted in Mills County. Cotton can be planted as usual, but precautionary measures will be taken to eradicate the pest.

D. B. McCOMBS
County Agent

EARL E. HARVEY BURIED HERE

Yesterday afternoon at 4:30, funeral services for Earl E. Harvey, son of Mr. and Mrs. Ira O. Harvey of this city, were being quietly conducted at the Goldthwaite Memorial Cemetery. The body was due to arrive here at 4:15 Thursday afternoon.

This is the first soldier reburial service held here. Stores of Goldthwaite closed at 4 yesterday.

A more extended report will appear next week.

FFA BOYS START PEST CONTROL CONTEST

The F. A. A. Boys of the Goldthwaite High School are having a Pest-Control Contest which started November 10, and is to end February 1.

The pests, such as crows, owls, hawks, armadillos, rats, etc., are a certain number of points per foot, ear, tail or such as it is.

This contest will be held between the morning II and III class and the first year class and the evening II and III class.

The losers will treat the winners to a party.

MEMORIAL DAY AND CEMETERY DEDICATION SOLEMNIZED HERE IN CEREMONIALS LAST SUNDAY

Despite threatening rainy weather, a good crowd was present last Sunday to memorialize the soldier dead and to dedicate the Goldthwaite Memorial entrance, which has just been completed after much work on the part of many citizens under the direction of Mrs. John G. Berry and the Goldthwaite Garden Club.

Probably the most beautiful, solemn and impressive ceremony ever held in Mills County was unfolded during the memorial, dedication and unveiling ceremonies held at the cemetery entrance at 3 o'clock last Sunday afternoon. The beautiful bronze plaque, containing the names of 38 Mills County men and women who gave their lives in the service during World War II, placed on a native stone which had been secured, hauled here and placed at the entrance of the cemetery, was unveiled to the public for the first time. An honor guard of World War II service men in uniform stood at attention while Post Commander Jesse Moreland of the VFW and Adjutant Harold Yarbrough of the American Legion removed the veil. Col. M. Y. Stokes was master of ceremonies, and Post Commander Eugene Dickerson of the American Legion cut the ribbon that stretched across the entrance and admitted the relatives of the soldier dead to view the plaque, which was then surrounded by the most beautiful flowers. Special seats had been provided for the relatives.

GARDEN CLUB HERE EXPRESSES THANKS FOR ASSISTANCE

Members of the Goldthwaite Garden Club wish to express their deepest appreciation to the citizens of Goldthwaite and former citizens of Mills County for their cooperation through the past year on our Memorial project at the local cemetery.

Because of your untiring aid and encouragement, this five-year plan is nearing completion.

We are especially indebted not only to the citizens for their work, but also to the following organizations for their help on the dedication program: City and county officials, American Legion, Veterans of Foreign Wars, American Legion Auxiliary, John Tarleton Band, Goldthwaite School Band Mothers, the Home Economics Class of Goldthwaite School, Boy and Girl Scouts, Brownie and Cub Scouts of Mills County and the ministers of all churches throughout the county for their recognition of this Memorial Service.

It is the sincere desire of the Goldthwaite Garden Club that this beautification program be continued until Goldthwaite becomes one of the most beautiful cemeteries in the heart of Texas.

MRS JOHN G. BERRY, Chairman, Memorial Cemetery Project, Goldthwaite Garden Club.

MILLS COUNTY TRUE SPORTSMEN'S CLUB

The Mills County True Sportsmen's Club enjoyed barbecue, etc., from the Eacott's barbecue pit on November 8, 1947, at 7 p. m. New officers were elected as follows:

President, Jack Shaw, Goldthwaite; Vice-President, Dudley Auldredge, Dem. Rt., Comanche, Sec.-Treas., Mrs. Dudley Auldredge, Dem. Rt., Comanche.

Directors:
Luther Geeslin, Goldthwaite, Glyn Nickols, Goldthwaite, Bruce Burnett, Goldthwaite, Son Kuykendall, Goldthwaite.

CHURCH OF CHRIST

M. E. BLAKE, Minister
M. E. Blake, local Minister for the Church of Christ, will exchange pulpits with Evangelist Alton Hall of the Star Church of Christ Sunday, Nov. 16.

Mr. Hall is a student at Abilene Christian College, and has preached at Star and Big Valley as well as Goldthwaite in times past. He will also have charge of the Young People's Meeting at 6:30 Sunday evening, and all young people are urged to attend.

Mr. Blake will return to his pulpit Sunday, Nov. 23, to continue his regular work of preaching the Gospel and ministering to the congregation and his many friends and neighbors.

THE PIRATES' TREASURE

(Written for last week)
CO-OPERATION IN SPORTS
Co-operation is one of the most essential things to be a good player in any form of sports.

To be co-operative, a player should forget that he is the main player. Pretend that you are just there so that the team has enough players. It isn't the player that makes all the scores in a game that makes him a good player. It's the backing co-

operation that he gives his fellow players that makes him a good player. If some player does not give you the chance to make all the scores don't get angry, just remember that it takes more than one player to play a game.

Most of all, remember how a good sport is supposed to act. A good sport doesn't show bad feelings toward fellow players or players of other teams when he loses a game, but rather

helps and cheers all players. So let's all be good sports and not expect everything to come our way just the way we want it. Co-operate one with another and win the games easy and happy.

REPORT ON HALLOWEEN

Halloween was really celebrated at Priddy last Friday night. Almost every class had some item to sell chances on. The lunch room sold stew and coffee, which were very good.

The crowd started arriving about 6:30. They were entertained with a "cake walk", "fortune teller", "crazy house" and in many other ways.

At 9:15 we had the crowning of the queen and princess and Mrs. Rankin had the Rhythm Band. Edeline Hohertz was crowned queen and Gay Druockhammer was crowned princess.

After the crowning of the queen and princess we sold boxes and called out the number of the person that had bought chances.

I think everyone had a nice time.

SENIOR NEWS

The Seniors are making good progress in all that they undertake to do.

The Seniors did very well in a dance sponsored by them. They also helped in the celebration of Halloween by selling chances on a beautifly blanket.

We are very sorry that one of our classmates, Lee Jones, is leaving us. We send with him the best of luck in everything and know the school that receives him as a senior will receive one of the best.

SENIOR INTERVIEW

ARLINE (SKINNY) LIPPE

Arline Lippe is the attractive daughter of Mr. and Mrs. Otto Lippe. She has blond hair, hazel eyes, is 5 feet, 5 inches tall, and weighs 125 pounds.

Skinny has received all her schooling at Priddy. She is one of the jolliest and friendliest girls at Priddy. She is loved for her humor and good nature.

Arline is active in all school activities. We know Arline will reach her goal in whatever she undertakes to do.

Likes Best—Having a good time.

Dislikes—Nosey People.

Ambition—To be a Nurse.

THE UNMASKED EYE

Wanda, is Emory's car seat softer right close to him?

We wonder if a Halloween Carnival is more exciting when you see it from a car. Maybe

La Verne knows.

Joyce Mae, does it take a deputy to keep you quiet?

After Luther Teague Sunday night, Frances and Wilma were said to be riding with Alton and George W.

Howard, we wonder if Ruth chews her chewing gum on dates, too.

What did you say happened to your eye, Bob? Maybe Rubeline knows.

THE UNMASKED EYE

Arline, whom have you got heart set on?

Ruth, can't you and Wilford get away from Priddy?

We are glad that Homer is at home, aren't we, Charline?

Edeline, why wasn't Pete back this week end?

Who was it Willie Mae, Wardell or Walter?

What is the matter, Charline, why didn't you accept that date with Lee?

As it seems Bettie Marie and Ramona are getting along just fine as they will be sisters-in-law later on in life.

Rosie, why can't you study when Geneva is near by? Does she get on your nerves?

HOUSTON LIVESTOCK SHOW JAN. 31-FEB. 15

Texans will be back in the saddle again in January, 1948, to either witness or participate in Houston's longest and largest Fat Stock Show and Livestock Exposition.

Destined to break all previous records, the sixteenth annual offering will be on view from January 31 through February 15 at the Sam Houston Coliseum—16 days packed with outstanding features. New events such as the quarter horse and Palomino horse competitions have been added to the full program of the past.

In addition to 150 beef calves awarded in the popular Calf Scramble, 100 dairy calves, for which the sponsors paid \$200 each, will be given to the winners of a new and unique milking contest.

The 1948 show will be produced at a cost of over \$300,000 and the attendance is expected to surpass the record crowd of 350,000 persons in 1947. More than \$80,000 has been appropriated for the livestock show in which the finest purebred cattle, sheep, swine and poultry of Southwestern breeders will compete. Rural boys and girls from all over the state will meet to place their animals and fowls before the sharp eyes of experienced judges and to be rewarded in the great auction.

In keeping with the over-all purpose of the show in Houston, that of encouraging improved and increased livestock production, several auction sales will feature the program. The source of greatest interest in arena auction selling will be the boys' fat steer sale. Last year, the 865-pound Hereford steer—"Flat Top"—entered by Jim Bob Steen of Goldthwaite, won first place in the boys' Hereford division and sold for \$15,000 to Edgar Brown of Orange.

Livestock will start moving into the Coliseum January 29 and 30.

FRUIT FOR LUNCHES

College Station.—Dried prunes, peaches and raisins will be added to the menus of community school lunchrooms and eligible institutions in Texas when the fruit is received in the latter part of November.

Seven carlots each of prunes and raisins and two and one-half carlots of peaches have been purchased by USDA's Production and Marketing Administration, according to the announcement received from the Dallas office. The peaches will be distributed only to school lunchrooms, because of the small quantity of the fruit, but the prunes and raisins will go to schools and institutions.

The Food Distribution Programs Branch of PMA figures that there will be a two months supply, providing one-fourth pound per child per month, and one-half pound per month for persons in institutions.

John Ruskin says the highest reward for man's toil is not what he gets for it, but what he becomes by it.

POST GRADUATE MEDICAL ASSEMBLY MEETS IN HOUSTON

An annual event of growing importance in Texas is the meeting in Houston of the Post Graduate Medical Assembly which brings to this district each year outstanding authorities in all fields of medicine who lecture on the most recent advances in the healing art.

Thus is brought to the very door of the doctors of Texas information which ordinarily they would have to travel far afield to get, and in this way they are able to keep abreast of the times without a long absence from their practice. This year the meeting will convene on the dates of December 1, 2, and 3, at the Sam Houston Coliseum, Houston.

TEXAS TEACHERS ASSOCIATION MEETS

15,000 Texas teachers will meet in San Antonio on November 27-28-29 for the Sixty-ninth Annual Meeting of the Texas State Teachers Association. The three-day program will open Thanksgiving Day with services held in conjunction with the annual community service of the San Antonio Council of Churches.

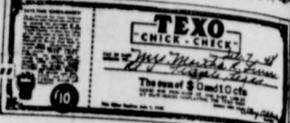

Fifty section meetings are scheduled for groups of specific interests. Colorful entertainment is being planned for the visiting educators by the San Antonio teachers. Business of the Association will be conducted by its Executive Committee and its House of Delegates.

Supt. Frank M. Jackson of San Angelo is president of the Texas State Teachers Association, and B. B. Cobb of Fort Worth is executive secretary. Lillian L. Gatlin of Goldthwaite is a member of the House of Delegates.

COMING—

"DEAR RUTH"

"THE YEARLING"

'PERILS OF PAULINE' DUE HERE SOON WITH EARLY MOVIE THRILLS

Forty years ago, a former circus performer named Pearl White saw her first flickering motion picture in New Orleans while touring with a theatrical stock company and swore, like all the proud "hams" of that era, never to work in the "degrading fillums."

Six years later, at the age of 24, she had not only broken her vow, but was launched on a career as queen of the spine-tingling serials. That career earned her \$2,000,000, the adoration of a nation and today, a degree of immortality in Paramount's Technicolor picturization of her life, "The Perils of Pauline." The film, starring Betty Hutton and John Lund, and featuring Billy De Wolfe, William Demarest, Constance Collier and Frank Faylen, arrives next Saturday night prevue, Sunday and Monday at the Melba Theatre.

Adult theatergoers who spent their nickels to find out "what happens next week" in hair-raising like "The Iron Claw," "The Exploits of Elaine" and "The Fatal Ring," will receive many nostalgic surges of excitement in "The Perils of Pauline." The villain's dastardly deeds, Pearl's breath-taking escapes, and the hero's death-defying rescues are briefly glimpsed as the behind-the-scenes story of the serials unfold.

NEW WARNER FILM AT MALBA IS DRAMATIC HIT

"The Two Mrs. Carrolls," Warners' exciting new mystery melodrama starring Humphrey Bogart, Barbara Stanwyck and Alexis Smith, plays at the Melba Theatre Tuesday and Wednesday. The film also features a fine cast of supporting players including Nigel Bruce, Isabel Elson and Pat O' Moore. The screenplay based on the stage success of the same name has been made into a top grade film.

It is a suspense-laden story of the terrifying effects of one man's love for two women.

"LUCKY LADY," COMEDY OF CHANCE, HECTIC ROMANCE IN LAS VEGAS

Weaving its hilarious story around the hectic love affair between a gambler and a gambler's anti-gambling granddaughter, REO Radio's "Lady Luck" stars Robert Young, Barbara Hale and Frank Morgan in one of the sprightliest comedy offerings of the season.

With Beverly Hills and Nevada's Las Vegas as its principal settings, the gay plot tells what happens when Larry Scott, successful professional gambler, meets and falls for pretty Mary Audrey, who detests all games of chance as much as she does on her rascally old grandfather, William. At the Melba Theatre Saturday night only.

ATTEND HUTCHINGS FUNERAL

Those from out of town who attended the funeral of Mr. Otis Hutchings were: Mr. Queen, Mr. Reynolds and Mr. Mays of the Queen Furniture Store of Brownwood, J. W. Edlin and Mrs. Bowden and Mrs. Kate Baird of Brownwood; Phil Ford and Mrs. Earline Roberts of Abilene; Burl Van Roberts of San Antonio; Mr. and Mrs. C. J. Anderson and Mrs. J. R. Sandstrom of Austin; those from Democrat were Mr. and Mrs. Ira Hutchings, James, Miss Evelyn and Mrs. E. E. Ellis and boys, Mr. and Mrs. Til Jenkins.

Mr. and Mrs. M. E. Williams and family of Big Spring, Mr. Johnnie Williams and family of Brownwood and Dorothy Jane Williams of Mullin all visited their mother and grandmother, Mrs. J. F. Williams, in Goldthwaite, also their sister, Mrs. Leon Jackson, last Sunday.

Mrs. L. R. Hendry spent last week-end with her daughter, Mrs. C. T. Wilson and Mr. Wilson. She attended the Memorial and Dedication Services, Sunday.

SCALLORN

By MRS. ORA BLACK
(Written for last week)

The Scallorn Church was well represented Monday evening at the Workers Meeting in Star. Again we feel honored in bringing the Attendance Banner back to our church.

We wish to say if you have never met with the Star Church you've missed a treat. Some of the finest people we've ever had the privilege of meeting live there and believe me they are fine cooks. If you don't believe it just attend some of their meetings and enjoy their good eats.

The ladies of Scallorn Missionary Society put on the program at Star in connection with the workers meeting.

The Scallorn H. D. Club members were invited to a party Tuesday afternoon in Goldthwaite at the home of Mrs. Albert Hunt. There we were met by the members of the Goldthwaite Club who with the hostess arranged for a very pleasant afternoon.

Mrs. Minnie Ashley of Goldthwaite visited Sunday with her brother, Frank Hines, and family.

Mr. and Mrs. Gene Turbiville and little daughter went over to South Bennett Sunday for a visit with his parents.

R. Dee Jones of Fort Worth was a week-end guest here of his father, Dee Jones.

Jane Black and grand-mother spent Saturday in Brownwood.

Mrs. Della Tyson called in the C. H. Black home Monday afternoon. Accompanying her was her little grand daughter, Barbara Jim Teague.

The Scallorn Missionary Society met Tuesday afternoon with Mrs. Noble Doggett.

Callers Sunday evening in the C. H. Black home were Mr. and Mrs. Silas Black and son, Perry Dean.

Greta Sue Hines left this week for Amarillo to visit with relatives and attend the Baptist Convention.

Delbert Harrison, grand-son of John Harrison, was bitten Tuesday by a rattlesnake. He with others were gathering pecans near Bend.

James Coleman and Helen Warren of Lometa were guests Sunday of Jane Black.

MRS. C. H. TEFFENTELLER BREAKS LEG

Mrs. C. H. Teffenteller, while at Tahoka, had the misfortune of falling and breaking a leg.

She was brought to Goldthwaite Tuesday by Ebert Teffenteller and at the present time she is doing nicely.

FRIDY 4-H CLUB

The Fridy 4-H Club met November 5, 1947. Our former president resigned. We elected a new president. She is Vernell Nymann.

We had a Hallowe'en party October 29, 1947. We dressed in Hallowe'en costumes and had a very good time.

For our demonstration Mrs. Haenisch showed us how to make draw string aprons and mittens.—Reporter.

Parents know that the world of wonder and adventure and DANGER to their children. The Texas Safety Association, conducting a Back-to-School campaign, asks you to give this plenty of thought. There are many things you would not want your children to learn by experience alone — at the cost of extreme pain, or perhaps even tragedy. Start early to teach your youngsters the good reasons for safe habits. Show them by example how to avoid all the traffic dangers. Your experience is their best teacher. Parents who furnish their children safe habits along with vitamins, knowledge and good manners are training those children for life -- long life.

It is said that half a million matches a minute are lighted in the United States. But it takes only one of those, dropped unextinguished or left within the reach of a venturesome child, to cause a destructive and tragic fire. The Texas Safety Association asks you always to break matches in two before they are discarded. And store them beyond the reach of children's hands.

Mr. and Mrs. Marvin Atnip of Dallas spent on Thursday until Sunday with Mr. and Mrs. Elmer Scuby. Mr. Atnip spent Friday afternoon in Brownwood, where he attended to business for his firm.

Mr. and Mrs. Lewis Porter and Mrs. Porter's sister, Mrs. Frank Walker of Lott, Texas, Miss Norma Featherston and Mrs. Carl Featherston were supper guest, Monday night of Mr. and Mrs. Jack Dankers of Hico, Texas.

STAR NEWS —

By MRS. A. B. SOULES

The weather has turned some cooler and it sprinkled a little Sunday morning.

Mrs. Rich of Fort Worth spent the week-end in the home of Mr. and Mrs. John Hamilton.

Mrs. Jim Goodnight spent several days in the home of Mr. and Mrs. John Soules and also visited other relatives and friends.

Granny Hamilton was brought home Sunday from the Gatesville Hospital and she is doing

fine.

Mrs. Barton Henry of Winters and Mrs. Wilbur Waggoner spent Sunday in the home of Mr. and Mrs. John Hamilton, and Granny Hamilton.

Miss Mildred Rickel, daughter of Mr. and Mrs. Charlie Rickel, and David Beard, son of Supt. and Mrs. Beard, were united in marriage. We all wish them a long and happy married life and success.

Robert Goode flew over from Fort Worth to spend the week-end with his parents, Mr. and Mrs. Bascom Goode.

A large crowd attended the house warming in the home of Mr. and Mrs. June Clifton. Coffee, cake and hot tea was served and every one had a wonderful time. Mr. and Mrs. Clifton received many nice gifts.

Mr. and Mrs. M. E. Williams and family of Big Spring, Mr. Johnnie Williams and family of Brownwood and Dorothy Jane Williams of Mullin all visited their mother and grandmother, Mrs. J. F. Williams, in Goldthwaite, also their sister, Mrs. Leon Jackson, last Sunday.

Mrs. L. R. Hendry spent last week-end with her daughter, Mrs. C. T. Wilson and Mr. Wilson. She attended the Memorial and Dedication Services, Sunday.

LITTLE'S

"Since 1898"

COUNTY AGENT NEWS

By D. B. McCOMBS
NITROGEN BENEFITS FROM LEGUMES

The question is often asked how to benefit our soil most from legumes. The ordinary belief is that the nodules on the roots carry all the nitrogen in the plant. That is partially but not the wholly truth. During a recent experiment with Vetch, it was found that the tops of Vetch carry 2.15 percent nitrogen by weight; the roots carry 1.53 percent nitrogen by weight. It was also found that the weight of the roots was less than 1-2 the weight of the tops. If the above is true, what do we do with the most of our nitrogen when we harvest our legumes? We are losing 60 to 85 percent of our nitrogen by not plowing it under at early bloom stages which is the stage of most top growth.

Don't be misled. Even if we have to harvest the legume, we still receive 15 to 40 percent more nitrogen than if we had never planted the legume.

MAKE MONEY

When it comes to poultry and livestock, it's always a good business to cull out the poor producers... these days and times, it's not only business... it's a must.

The extension poultry husbandmen for Texas A. & M. College say that it is up to each poultryman to sift his flock

down to a paying basis... if he wants to stay in the business. The chicken-feed ratio is lower than it's been in 24 years... and there's no help in sight. No help, that is; except efficient management.

Here's what the poultry husbandmen suggest... Cull your layers each week... especially the immature and slow-developing pullets... Feed a balanced ration... remember that mash furnishes the protein to balance the grain... Use a poultry pasture whenever possible... saves grain.

Then, unless you have a special breeding flock or selling hatching eggs, get rid of the roosters. Roosters don't help egg production... and they eat enormous quantities of grain. The best place for a rooster these days is in the can or freezer locker.

Another suggestion... don't fill the feed hoppers to the brim... the hens just have a good time flipping the mash out on the floor or ground. Wast-proof hoppers half-filled are grain-saving.

Cull each week... feed a balanced ration... use poultry pasture whenever possible... get rid of roosters... and watch the grain hopper. That's the best way to make money... and save... in the poultry business.

STATE FAIR OF TEXAS SENDS THANKS

Dallas, Texas, Nov. 5
Dear Mr. Wilson:
The 62nd Anniversary State Fair of Texas closed in a blaze of glory—to its credit a record-breaking attendance of 1,763,921 visitors.

You and every Texas newspaper and radio man can share pride with us in this success; we well realize only your most generous support made it possible.

We wish we could say "thank you" personally. We hope this little note from grateful hearts will be an acceptable substitute for the warm handshake we should like to extend you.

We believe this statewide institution has made, and will increasingly make, a big contribution to the social and economic life of the Texas Empire. We have big plans for the future. For one thing, we shall take bids immediately on a \$700,000 Automobile, Aviation, and Recreation Building. And we are going after even better exhibits and entertainment.

California's legislature has appropriated twenty-five million dollars to improve their State Fair. They say they are going to take away our title "the World's biggest State Fair." We accept this challenge, confident that the newspapers and radio stations and the State Fair of Texas are an unbeatable partnership.

R. L. THORNTON
President

SAD MEMORIES:—

Editor Eagle:
Well, another 11th of November is here again which brings back sad memories to me.

On the 11th of November in 1903 I was married to George A. Pratt and we tugged and scrambled through for 30 years together and through those long years there were five blessed children born to us. Two of them were taken by death in infancy and the other three are still living.

Their names are Mrs. Ida Warrell of Sanatorium and Mrs. Lillie Chandler of Littlefield, Texas, and the boy is Mr. James L. Pratt of Freer, Texas.

In 1933 my husband was called away in death, leaving me and son to scramble through our troubles.

In 1934 I came to Goldthwaite and in 1936 I was married to Mr. C. B. Burris and we have made Goldthwaite our home.

When the 11th of November always comes around it makes me think of those old days that are passed and gone, never to return any more. Those years were happy years, but they bring back sad memories to me. Since 1933 I had to give up my dear mother and step-dad, Mr. and Mrs. J. D. Kelly.

May our blessed Jesus put o'er them all a resting place and I hope to meet them all in a better and sweeter world some day.
—Mrs. Carrie Burris.

CARD OF THANKS

CHRISTIAN SCIENCE SERVICE

Thanksgiving Day services are held each year by The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, and its branches throughout the world. The order of service includes the reading of a Lesson-Sermon on the topic of "Thanksgiving," and opportunity is afforded for testimonies of gratitude to be expressed appropriate to the occasion. The public is cordially invited to attend these services. The Golden Text is: "O magnify the Lord with me, and let us exalt his name together" (Psalms 34:3).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "He loveth righteousness and judgment: the earth is full of

the goodness of the Lord" (Psalms 33:5).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Are we really grateful for the good already received? Then we shall avail ourselves of the blessings we have, and thus be fitted to receive more" (page 3).

FARM AND RANCH CHATTER
WITH LAYNE BEATY WBAP
4:00 AM. Week Days—10:15 AM. Sundays

If the congressmen who attended the agriculture hearing at Temple on November 1 forget all else about it, they should remember the repeated appeals from testifying farmers that soil conservation is a "must" if our nation is to survive, and they should remember that most farmers who spoke referred to the need for a dependable price for farm products. Most of the witnesses who referred to parity, asked for 100 percent of parity support prices on basic farm commodities, recognizing that this would make

the goodness of the Lord" (Psalms 33:5). federal production controls necessary. N. Foote, of Gatesville, said 75 percent of parity would be satisfactory.

The Temple hearing was the best-attended of any of the eight that the congressional agriculture committee had conducted. Seventy-five witnesses were heard in the all day long meeting.

Many farmers and farm women mentioned the need for extension of electric and telephone facilities to rural homes. A large number cited a need for improved telephone service. One or two said that Rural Electrification Administration (REA) facilities and service are too expensive.

Meanwhile, experiments in utilizing electric power lines to transmit telephone messages in the country are being increased. Two such experiments are under way in Texas—in Ellis county and near LaMesa in the south plains.

Farmers are a lot better off now than they were in 1940, but their financial condition hasn't improved as much as that of the people in towns, according to the Bureau of Agriculture Economics. With the ratio at 100 in

4,000 Camp Bowie Buildings Go On Sale To Highest Bidder

Starting next Wednesday, Nov. 18, and continuing through Wednesday and Thursday of next week, 4,000 buildings at Camp Bowie, at the edge of Brownwood, will go on sale to the highest bidder. The sale is expected to attract buyers from all nearby counties. No priority is needed, as priority holders have already been taken care of. The sale is being conducted by the War Assets Administration. Inspection can be made today or Monday.

A list of the buildings and a copy of the sales agreement can be obtained at the site. Fixtures of the buildings will be included with the sale.

The sale does not include the industrial area which is

being sought by the Brownwood Industrial Corporation or the area and buildings being sought as a permanent site for the Brownwood Livestock Show.

Included in the buildings to be offered at the site sale are barracks, recreation, supply, administration, storehouse, officer's quarters, mess halls, maintenance, hutments and other types of structures.

All the buildings sold must be moved or dismantled.

Hundreds of prospective buyers are expected to be in Brownwood for the opening of the three-day sale Tuesday, November 18, and the competition to obtain some of the buildings is expected to be keen.

Swing Of Southwest Farm Markets

By USDA

Lower prices for poultry, hogs and some other livestock marred other steady to strong southwest markets last week, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Unsettled conditions in the wheat markets during the past week left prices a little higher in the southwest. Feed grains strengthened too, as continued active demand for corn found only modern offerings from new crop. No. 1 hard wheat closed Friday at \$3.07.

Southwest poultry markets experienced general weakness, and eggs eased off at some places. Northwest Arkansas broilers dropped to 30 to 32 cents per pound on the farm, and principal cities paid 30 to 35. Heavy hens fell to 29 to 30 1-2 at New Orleans and from 20 to 25 at other points. Turkeys sold at or near support prices.

Cattle moved to markets at mostly steady to slightly stron-

ger prices except at Fort Worth, where considerable weakness appeared. Houston bought common and medium cows at \$12 to \$14.90.

Hog prices continued downward the past week in losses of 25 cents to \$1. Closing top was \$25 at San Antonio and \$25.75 at Fort Worth. Declines on sows fully equalled those on butcher hogs, and closing prices ranged from \$23.50 to \$25.50 except San Antonio.

Southwest sheep markets held mostly steady, but lambs lost up to 50 cents at Oklahoma City and Denver. Good Choice lambs brought \$21 at San Antonio and \$22.50 at Oklahoma City.

Cotton trading continued very active at about \$1 higher prices. Labor supply improved in the western part of the belt, but congestion at gins hampered movement.

EBONY NEWS—

By CLEMENTINE WILMETH BRILEY

(Written for last week)

Representatives from Ebony attending the Hallowe'en carnival at Mullin Friday night included Mr. and Mrs. Blue Thompson and Ezelle; Mr. and Mrs. Charles Griffin and Henry and Johnny; Mr. and Mrs. Hubert Reeves and Joe and Nancy; Mrs. Stanley Reeves; the Roy Reynolds family; Mr. and Mrs. Cecil Egger and Ynell; Mr. and Mrs. W. C. Whittenburg and Clint and Jack; and Mrs. J. R. Briley.

Mrs. Cecil Crowder and her children, Betty Lou, Norma Sue, and Cecil Jr. returned to Fort Worth last week.

Ernest Malone received a letter from his sister, Mrs. Clara Bean, of Van Horn last week telling him that his mother, Mrs. Nellie Malone, was at her house and some better. She said also that Mrs. Lena Crowder had promised to come to nurse her.

Miss Dolly Reynolds spent several days with Mrs. Effie Egger last week as Mrs. Monroe Bradley was at her mother's at San Saba, leaving Mrs. Egger by herself. Clayton Egger was home over the week-end.

Miss Erma Joy Reynolds went to Brownwood Saturday night to be present at a birthday supper given by her sister, Mrs. John Jones. Mr. Jones had made the birthday cake for her.

We met Riede Haynes, an old Ebonyite, at the bank at Brownwood Saturday. He was wearing his left arm in a cast from a recent car accident, but he said he was getting along fine. He said Brookesmith seemed more like home to him now since Ralph Wilmeth had come there to teach. He also said that work had already begun on an eighty foot paved highway to pass through Brookesmith and on to Santa Anna.

Mrs. Brownie Reeves White has gone to Texoma to see her mother. She said she might bring her home with her.

Mrs. Grace Belich spent Saturday at the Day home in Brownwood visiting her friend, Mrs. Earlene Day Tyler. Mrs. Tyler's husband is attending school in New York. She plans to fly to New York the latter part of this week to spend the last week with him. They will return by automobile.

Peanut harvest got underway here last week. Charles Griffin got his plowed up last week, and Gene Egger got part of his. They plan to get Dewey Smith's, the rest of Gene Egger's, and Jay Reeves' this week. Lem Egger's were being plowed up and thrashed last week.

Turkeys began to move to the market this week. Charm Whittenburg and Cecil Egger were hauling off some Monday.

Jim Tippen, a resident of Ebony for 39 years, passed away at his home near Goldthwaite, Saturday. He was born in San Saba County, March 23, 1872. He was married to Miss Mattie

CHRISTIAN SCIENCE SERVICE

"Mortals and Immortals" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 16.

The Golden Text is: "He that loveth his life shall lose it; and he that hateth his life in this world shall keep it unto life eternal" (John 12:25).

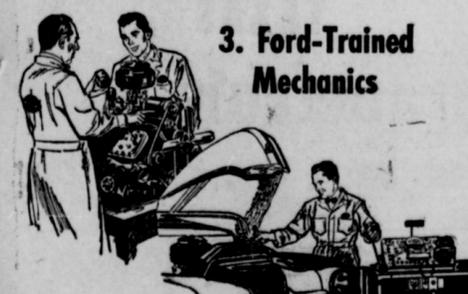

Among the citations which comprise the Lesson-Sermon is

the following from the Bible: "Wherefore thou art no more a servant, but a son, then an heir of God through Christ" (Galatians 4:7).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The real man being linked by Science to his Maker, mortals need only turn from sin and lose sight of mortal selfhood to find Christ, the real man and his relation to God, and to recognize the divine sonship" (page 316).

FORD PARTS FIT FORDS BEST

Comprising all Farms and Ranches in Brown and Mills Counties—Approximately 1,057,253 Acres.

Supervisors J. H. Priddy and Willis Hill, of the Brown-Mills Soil Conservation District, purchased, this week, a combination fertilizer and grain drill from John Deere Plow Company through Smith Brothers at Brownwood, Texas. This makes two drills that the Supervisors have to assist farmers cooperating with the District to sow legume crops and fertilizer at the same time.

In providing the fertilizers and grain drills, the Supervisors are enabling many ranchers and farmers to sow winter cover crop that not only provides supplemental pasture and possibly a cash crop, but the greatest benefit comes through the improvement of the soil fertility and an increase in organic matter. The legume crops, vetch, peas and clover, all have the ability to take the nitrogen out of the air and add it to the nitrogen content of the soil if the seeds are properly inoculated. These nitrogen-fixing bacteria establish themselves on the roots of the legumes and will add about 100 pounds of nitrogen per acre of the whole

crop is returned to the soil. This 100 pounds of nitrogen added to the soil is equal to the nitrogen in 10 tons of manure or 625 pounds of 16-20-0 fertilizer. Its cash value in fertilizer alone is valued at 20 to 25 dollars per acre.

The increase in yields following these soil building legumes tells the real story of what has happened to the soil. First, the farmer notes that he has better tilth of the soil; it plows easier. Next, he notices that he has more moisture, because the ground has absorbed more and the organic content has held it longer. Then, he notes that the crop grows better, has a healthy color, makes a greater yield. Again when he feeds the crop the livestock do better, and eat more of the feed, because it is nutritious and high in food values than crops grown on depleted soil.

The supervisors believe that the safest and quickest way to improve the fertility of the soil and increase production is through wise use of legume crops.

LAND BANK LOANS SHOW BIG INCREASE

A greater volume of Land Bank loans was closed in Texas during 1946 than in any year since 1935, according to C. A. Womack of Goldthwaite, president of the Mills County National Farm Loan Association, and Secretary-Treasurer F. P. Bowman, who attended a conference of NFLA leaders held in San Angelo this week.

"This increase in loans indicates a desire of landowners to put their financing on a long-term basis and tie down today's rates," Mr. Womack said. At the meeting in San Angelo, reports showed that the Land Bank has practically completed its program of decentralizing loan servicing functions begun 5 years ago. The result is that today most of the business farmers and ranchers have with the Land Bank can be transacted with their own home association. Operations of the local associations and plans for the annual stockholders meeting of the Federal Land Bank of Houston in February were discussed.

The Federal Land Bank of Houston is completely owned by Texas farmers and ranchers through the 143 local national farm loan associations. Mr. Womack said. The Land Bank with no government funds of any kind invested in it now has a combined capital, surplus, and reserves amounting to more than \$43,000,000. This is in addition to approximately \$6,000,000 in reserves and surplus of the association in their own local accounts.

MORE MEN NEEDED IN RESERVE FIELD ARTILLERY BATTALION

(WACO NEWS-TRIBUNE)
"We badly need additional enlisted reserve personnel in the 850th Field Artillery Battalion," Lt. Col. Jesse J. Saegert of Goldthwaite, battalion commander, has stated.

Col. Saegert is currently on active duty with the office of the Organized Reserve Corps, 201 Federal Building, Waco. He is urging that all enlisted reserve personnel of field artillery, tank destroyer or anti-aircraft branches who are interested in joining the 850th Reserve Battalion apply immediately to the ORC office in the Federal Building.

"The 850th Battalion is a Motorized battalion whose weapons are 240 millimeters, tractor drawn howitzers," Col. Saegert states. "Personnel of the battalion meet the third Thursday of each month in the Federal Building in night classes

of two hours duration. Credit toward advancement in rank received for regular attendance at these instruction periods."

Former members of the branches listed above who are not in the enlisted reserve may join the Reserve Corps now and request assignment to the 850th Battalion. Present members of the above branches of the Reserve may be assigned immediately upon application.

Waco officers of the 850th under Col. Saegert's command include: Majors Mike Rinehart and James P. Ledbetter; Captains Clayton H. Uran, Thad L. Farris, Paul D. Marble, Jr., Philip M. Cordell, Riley E. Fletcher, William A. Olsen and Kenneth D. Smith; First Lieutenants Alfred D. Douglas, Sidney B. Chadwell, J. W. Ray, Walter E. Sanders, James M. Honea Jr., and S. H. Pederson, and Second Lieutenant Gibson Gayle Jr.

GIRL SCOUT NEWS

TROOP 3
Mrs. McCombs had our Troop in her home Thursday, November 6, 1947.

The meeting opened with Mrs. Patton, our guest speaker, who gave a very interesting and enlightening talk on "Self-Confidence." It was of great help to us and every one enjoyed her talk very much.

Before we adjourned Mrs. McCombs served us with delicious refreshments. Meeting adjourned. Scribe, MARGARET BARTON.

INSURANCE CLERK

The Civil Service Commission announces examinations for the position of Insurance Clerk.

Entrance salaries will range from \$2644.80 to \$3021.00 per annum. Employment will be with the Veterans Administration, Branch Office No 10, Dallas, Texas. Application forms may be obtained from the Post Office.

The Bluebonnet Club

The Blue Bonnet Club met with Mrs. Chas. Wilbur Hill in the afternoon of October 30. They quilted a beautiful butterfly quilt.

Mrs. Hill was given a nice pink and blue shower. The hostess, assisted by her mother, Mrs. Lula Horton, and

Mrs. Willis Hill, served a refreshment plate to eleven members and fourteen visitors. The visitors were Mrs. Owen of San Antonio, Mmes. Raymond Horton, Oleta Kerby, William Cline, Vestus Horton, and Maxine Horton and two children of Caradan; P. A. Burks, Myrtle Stewart, Zelda Waldon and baby, Leonard Collier, Lula Horton, Floyd Benningfield and Willis Horton of Goldthwaite.

On account of our next Club day falling on Thanksgiving we will meet on November 20 with Mrs. Dan Covington. At this meeting we will elect officers and draw dates for meetings next year. We will also make plans for our Christmas tree.

MRS. DAN COVINGTON, Reporter.

H. D. COUNCIL REPORT

The Mills County H. D. Council met at 2:15 p. m. on Saturday, November 1st, in the Home Demonstrator's Office with 10 members, 2 visitors, and 5 clubs represented. The Chairman, Mrs. J. D. Berry, presided.

After the house was called to order, the group enjoyed playing the game "Turkey Gobler" for recreation.

The minutes were read and approved.

The Chairman requested the Yearbook Committee to meet just as soon as possible.

For reports of Clubs, Big Valley Club reported Mrs. Connie Knowles giving a demonstration on "Refinishing Kitchen Furniture," the election of officers, and a review of kitchen furniture. They reported 4 visitors and one new member.

Center City Club reported 9 members present, election of officers, and the demonstration "Refinishing Kitchen Furniture."

Goldthwaite Club reported a very good meeting with several new members. The demonstration was given by Mrs. F. W. Chadwick. Club is making plans to entertain another club.

Jones Valley reported two meetings during the month with 20 members, 4 visitors and one new member. The main demonstration was given by Mrs. J. D. Berry and Mrs. Harvey Hale. The other meeting was in the form of open house for members just completing new home. Members brought muffins for judging. The Club plans to prepare meals for one member's family for two weeks while she is in the hospital. The Club also elected officers for another year.

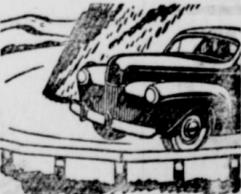

Scallorn Club reported the demonstration given by Mrs. Fields Hines and Greta Hines. The officers were elected for another year.

MRS. EMAGENE HAENISCH, Home Demonstration Agent.

IN THIS TIME OF TESTING

(Federal Council of the Churches of Christ in America)

In the present international disorder of man the Christian has a God-given opportunity to serve the nations of the world through courageous action. The door to a better world order is still open. It has not yet been closed by the fears, the hatreds, and the greeds of men. It need not be closed at all. Humanity is not bound by some blind destiny to self-destruction. Man is free through God's mercy to break the tragic cycle of wars and preparations for war, and to choose a new way of fellowship in international life. God's design can overpower man's disorder. Consequently, a hope, which is confirmed by Christian experience and expressed in united Christian action, is at the heart of the Christian message on world order.

Despite the forbidding obstacles to peace, despite discouragement among many men of goodwill, we stress the relatively favorable character of the present opportunity. While the victors have fallen apart in victory as in the past, the antagonism between the Soviet Union and the West need not lead to war, if the powers repudiate intolerant methods.

The relatively favorable time for peace action must be seized upon with courage, insight, and vigor, for the factor of conflict mount with each passing day. These obstacles to one world, like its foundations, are primarily moral and spiritual in character.

Fear is perhaps the greatest peril to peace. In every area of international life governments and peoples are taking counsel primarily of their fears. The growing threats to national and social security, heightened by the permanent military insecurity of this atomic age, lead more and more to a panic psychology. The impulse to bold and generous action is paralyzed, the nerve for patient goodwill is cut, and the causes of fear are intensified. Fear among the victors delays the peace settlements and makes them more difficult. Soviet fears have deadlocked the crucial atomic negotiations and Western fears are in turn speeding up the new race in arms. Economic fears hamper effective reconstruction in Europe, and fear of depression in America is enlarging the factors of depression. The nations are caught in a vicious spiral of their reciprocal fears.

The United States has an opportunity to exercise bold and generous leadership along the lines required, in responding to the present need of war-torn countries in Europe and Asia for material and technical aid in reconstruction. A comprehensive approach to the economic crisis, such as that proposed by the Secretary of State, involves disciplines which will measure the moral stature of our people and test the spiritual vitality of our churches. Large as the program must be when judged by traditional standards, the price is small when the stakes of peace are weighed in the balance.

In this time of testing, the churches of Christ are called to witness to the reality of their Gospel by faith in God, persistent goodwill, and sacrificial deeds of mercy. "Not by might, nor by power, but by my spirit," saith the Lord of hosts.

PRODUCTIVE AGRICULTURE

One reason for the economic strength of the United States is the efficiency of the American farmer. The high production of American agriculture means that a steadily increasing proportion of the population has been able to devote its thought and energies to other pursuits.

Scientific, mechanized farming has made far greater strides here than in any other major country. American farmers represent only 2 1-2 per cent of all the farmers of the world—yet they produce about 20 per cent of the world's food supply. There are various reasons for that achievement, and agricultural machinery is one of the most important. Tasks that, abroad, are slowly and laboriously done by hand are swiftly and economically accomplished by machinery here.

This illustrates, in turn, the close relationship between agriculture and industry. America produces 50 per cent of the world's steel—and it is steel which has made possible the mechanization of agriculture. The first steel plow was produced 110 years ago, and every since progress in steel and farm production have gone hand in hand.

The end result is higher standard of living for all Americans—a more prosperous agriculture—an industrial wage scale unequaled anywhere else—a stronger, richer nation.

LOOKING BACKWARD

THROUGH EAGLE FILES

TEN YEARS AGO

(Taken from Eagle File of November 12, 1937)

One of the largest crowds ever assembled in Mills County for a like purpose was that gathered together at the country home of Mr. and Mrs. Otto Tischler on Sunday, November 7, to help them observe and celebrate their 25th wedding anniversary.

Henry Dalton of Goldthwaite has returned to Drauhon's Business College, Abilene, to complete his accounting course.

Miss Lou Ella Patterson of Goldthwaite has been elected to membership in the Texas Iota Chapter of Alpha Chi at South-west Texas Teachers College.

The Eagle Editor received an invitation this week to the wedding of W. G. (Bill) Yarborough and Miss Virginia Williams of Gilmer, which will take place on Friday, November 19.

Kelly Saylor was hurried to Temple Monday morning when an emergency operation was performed for appendicitis and stomach trouble.

Bob Cokrum had his arm badly crushed by a truck close to Snyder.

More than 100 farmers attended the mule colt show at Goldthwaite Saturday.

John Plumley and family and Wesley Spruell of Bend spent Sunday with Mr. and Mrs. Jim Davee.

The members of the Blue Bonnet Club met with Mrs. J. M. Stacy for an all-day quilting November 2.

R. C. Webb and wife had a vacation last week. They visited relatives in Mart, Texas.

Cecil Allen and Mrs. Roy Simpson went to Lampasas Tuesday to bring Mrs. Allen home from the hospital where she underwent an operation.

Thirty Years Ago

(Taken from Eagle File of November 17, 1917)

Mrs. J. A. Gillispie and children returned Tuesday from seeing the Cotton Palace and visiting friends in Waco.

Walter Fairman and wife and J. D. Brown and family were among the visitors to the Waco Cotton Palace the early part of the week.

The announcement of White Bros. Garage appears in this issue. Messers. White have purchased the F. N. Hubbard garage on the south side of the square. The firm is composed of N. C., W. B. and D. L. White.

Mrs. A. V. Lane and three sons, W. H., Ans. and Clyde, left Wednesday for Del Rio in response to a message stating that her son Buck had been killed.

L. O. Hicks broke the record for a hog sale this week. He sold one meat hog on foot to J. C. Street for \$70.00.

Mrs. John Scott is preparing to move to Wills Point, where Mr. Scott has the management of a large hardware and implement business. She has many friends who will regret her departure. very much.

Miss Ethel Peel, who was visiting Mr. and Mrs. H. D. Banon, died at their home about 4:30 yesterday morning.

W. H. Leverett went over to Star Saturday night and organized a Red Cross Auxiliary with a most encouraging membership. Mr. Leverett is one of the most enthusiastic as well as the most successful workers in the county.

E. M. Thompson announces that he has sold the Commercial Hotel to Lee Armstrong of Payne who will take charge of the business the first of the coming week.

B. P. Hurdle and his two sons, together with Raymond Little and Sammie Thompson returned Sunday evening from an auto trip to Waco, where they saw the sights at the Cotton Palace.

The Saylor Hotel will be opened to the public in the next few days. In fact, some guests are already being entertained there and the furniture and fixtures will all be in place soon.

The timber cut from the national forests in the quarter ending September 30 totaled 1,127 million board feet, the largest cut from national forests ever registered in any one quarter.

50 Years Ago

(Taken from Eagle file of November 13, 1897)

J. H. Crockett of Mullin had business before the commissioners Court yesterday.

J. B. Coleman was one of the Mills County farmers in town Thursday selling cotton.

J. L. Kinnebrew and wife were in the city shopping Thursday.

Hugh Miller of San Saba has taken a position with H. T. Ard. J. M. Sexton returned Wednesday from an overland trip through the west.

Mrs. Mollie Millican from Turkey Peak is in the city visiting her friend, Mrs. M. S. Wallace.

Mrs. Joe Frizzell is visiting her mother near Zephyr, while Joe is enjoying a few days out- ing on the river.

J. N. Keese now has charge of the County Convicts who are working the roads.

Mrs. Pinckney Hawkins returned Wednesday night from the Baptist Convention.

W. A. Hollis of the Divide was in town yesterday spending money with our merchants.

M. M. Hancock has returned from a trip through the southern part of the state.

C. L. Dill and John Bradley were among the visitors from Star this week.

Edwin McMahon and Miss Lizzie Head were married at the residence of the bride's parents in the Head Community Thursday afternoon, Judge J. B. Head officiating.

Ben Halstead and Miss Ella Carter are to be married at Center City tomorrow.

J. Lee Fort and Miss Carrie Littrell are to be married at Antelope Gap tomorrow.

G. B. Stark's new house on the west side of the Bayou is nearing completion.

Elder R. W. Harrell and his brother, Chas. Harrell, were here Tuesday shaking hands with their friends.

Mrs. Mattie Daniels has returned to her home in the Rock Springs Community, after a pleasant visit to her sister at Evant.

The trustees of the Coki Springs school have secured the service of Miss Sallie Hilderbrandt to teach their school the coming session.

Mrs. Mattie Hart has our thanks for some of the finest sausage we have even tasted.

J. B. Huckabee was here Tuesday buying goods and looking after business before the court.

A dance at Will Ratliff's was enjoyed by all of the young people Friday night.

Bill James of near Mullin was in the North Brown Community the first of the week seeing after some business affairs.

F. M. Tillman took his fine sorrel horse to town last Monday to sell him, but he had been drove so much over the prairie that he looked so bad no one would bid on him.

There will be a candy breaking at Will Taylor's Friday night.

Bill Trowbridge and his mother went to Goldthwaite Thursday.

Waddy Thompson has bought the Living Issues and will continue its publication as a populist paper. Mr. Thompson is a brother of W. H. Thompson, Cashier of the First National Bank, and R. M. Thompson, editor of the Goldthwaite Eagle. —Brownwood Bulletin.

The Texas Safety Association reports that increased hours of darkness mean increased automobile death. Shadows, reflection and glare restricts the distance an object can be seen by the human eye. Remember your Uniform Traffic Code and dim your lights when approaching within 500 feet of an oncoming car. Safety is cheap—it costs only a thought!

PROVES WONDERFUL FOR ITCHING SKIN RASH!

First applications of Zemo—a doctor's wonderful stainless, irritable antiseptic—promptly relieve itching, burning of Skin Rashes, Eczema, Pimples and similar surface skin and scalp irritations. Zemo ALSO aids healing. Backed by amazing record of continuous success. First trial convinces. **ZEMO**

SCRIPTURE: II Peter; Jude; Luke 2:40-52. DEVOTIONAL READING: Matthew 9:3-16.

Building Character

Lesson for November 16, 1947

WE SHALL need to read carefully Second Peter if we are to profit most in the study of Sunday's lesson. Peter tells us:

Dr. Newton

"According as his divine power hath given us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue."

We may partake of the divine nature, having escaped the corruption that is in the world through lust.

That, I realize, is very difficult for us to understand, and yet it is within the grasp of every boy and girl, every man and woman, in all the world.

In addition to Second Peter, we are asked to read Jude and Luke 2:40-52. The passage in Luke tells how Jesus grew and waxed strong in spirit, filled with wisdom; and the grace of God was upon him.

As Jesus Grew

WE HEAR a great deal today about juvenile delinquency. The question everywhere arises, What can we do to prevent juvenile delinquency?

We have the answer in Sunday's lesson. As Jesus grew in wisdom and stature and in favor with God and man, so can every youth in America grow into strong and beautiful manhood and womanhood.

The parents of Jesus, we are told, obeyed God in doing for the Child all that they were commanded to do.

The Love of God

"KEEP yourselves in the love of God," Jude 21. There is the formula for building Christian character.

This business of building Christian character is based on a formula—keeping within the circle of God's love.

It is just as essential to have the proper nourishment in building Christian character as in growing a fine ear of corn. Progress is not accidental. It is the result of right thinking, right behavior, right purpose. Only in the love of God can the young life find the nurture for Christian character.

Christian Mathematics

TURN again, if you will, to Second Peter, and read his mathematical formula by which Christian character is realized:

"Add to your faith virtue, and to virtue knowledge, and to knowledge temperance, and to temperance patience, and to patience godliness, and to godliness brotherly kindness, and to brotherly kindness charity. For if these things be in you, and abound, they make you that ye shall neither be barren nor unfruitful in the knowledge of our Lord Jesus Christ."

Old-fashioned stuff, someone will cynically observe. Aye, old-fashioned it may seem, but only from this old-fashioned formula can character be built—Christian character.

And what is it that our needy, frightened world is asking for above everything else today? For the certitude of hope that is found only in hearts that are staid upon God.

We may smile at Peter's mathematics, but his formula is the only hope for United Nations, the only hope for world peace, the only hope for civilization.

Jude's Benediction

YOU have read, I hope, the brief Book of Jude, only 25 verses. You have followed his pungent, cogent argument. You have followed his exhortation. And now you come to his benediction—a very fitting climax for Sunday's lesson:

"Now unto him that is able to keep you from falling, and to present you faultless before the presence of his glory with exceeding joy, to the only wise God our Saviour, be glory and majesty, dominion and power, both now and evermore. Amen."

As you sit in your living room, or on the train, or in the plane, or in the hotel, or at the hospital, or wherever you may be, reading these lines, remember this—the need of America today is more Christian character in the home, factory, store, bank, mill, field, school room, in the meeting house.

God grant that we may heed the admonition of the Scripture passages above cited, and think on our ways while it is yet day. The night cometh apace.

(Copyright by the International Council of Religious Education on behalf of the Protestant denomination. Revised by WNU Feature.)

Under the Research and Marketing Act of 1946, the U. S. Department of Agriculture cooperating with state agriculture experiment stations, will conduct surveys to determine requirements and kinds of foods consumed by different groups with this country's population, the material to be used as a basis for estimating potential outlets for farm products.

The Texas Safety Association has a message for parents: your child is living on borrowed time if you have not taught him to cross streets properly. Teach him to cross only at intersections and only with the green light; and teach him to look carefully both ways before crossing. And remember that his best lesson is your own good example.

We realize our obligation when we fill your order for a Monument—And provide only materials of unending Serviceability, Design and Workmanship of the finest, and our prices are most moderate..

H. S. TO SAVE SCHOOL PAPER

The staff of the Goldthwaite High School paper, EAGLE SCREAMS, has decided to publish a regular newspaper, instead of having the school news in the EAGLE. Mr. Wilson has been very generous in giving the school so much space for the news and the students are grateful that it is the duty of every school to publish a school paper, and it can possibly do so. We think that Goldthwaite should be no exception; so when the high

school student body was consulted in the matter, they voted almost 100% for a regular publication. The grammar school pupils also seemed very interested.

The new paper will continue under the same name, Eagle Screams, and with the same staff, except a business manager, who is Gene Read. His committee includes John Garner, James Wesson, Vera Mae Bell, Carlene Featherston and Joyce Harrell who are now taking subscriptions for the paper. The staff is not only offering

the paper to the students, but any outsiders who want it may also subscribe. Subscriptions are six copies for twenty-five cents, or a dollar for the remainder of the school year. The school news will no longer be in the Goldthwaite Eagle, with the exceptions of some outstanding events. If you want to keep up with your high school, send your order to Gene Read, Business Manager, EAGLE SCREAMS, Goldthwaite High School. Individual copies may be had for five cents. The paper will be published each Tuesday, the first issue to come out on December 2. The subscription campaign closes November 21; so get your order in now.—

EARLINE NIX,
 Editor, EAGLE SCREAMS

LOCAL GIRL WINS F. H. A. HONOR

At an Area Meeting of Future Homemakers of America in Stephenville Saturday, Geraldine Laughlin of our local chapter was elected Area President. This Area is composed of the fifty-three schools having home-making in seventeen counties, namely: Bosque, Brown, Comanche, Coryell, Eastland, Ellis, Erath, Hamilton, Hill, Hood, Johnson, Lampasas, Mills, Palo Pinto, San Saba, Somerville and Stephens. The Goldthwaite Chapter is very proud to have the honor of providing the pres-

ident for these schools. The Stephenville Chapter, F. H. A., and the Tarleton Home Economics Club were hostesses for this meeting. Following registration, the group assembled in the Home Economics Auditorium for Welcome Address, Roll Call, and Announcements. The meeting of the House of Delegates was attended by the voting delegates and nominees for office. Betty Williford, local president, was Goldthwaite's delegate. She reports that Geraldine's presentation of her qualifications for office was outstanding. As soon as she had been elected, Geraldine presided for the election of other area officers. Meetings were held for each of the three districts within the area, followed by lunch in the college cafeteria, where Goldthwaite's group was heartily welcomed by many G. H. S. Ex-Students.

After lunch, the beautiful and impressive Installation Service was carried out. The Tarleton Club were hostesses for a tour through the building, ending with a Tea in the dining room, where, again, G. H. S. graduates were present.

INTRODUCING

Introducing the presidents of the senior class. He is one of the most active and popular boys in the class. He is sports

writer for the Eagles and is one of the football team's most enthusiastic boosters.

This boy has attended Goldthwaite Public Schools all his life. His hobby is swimming and his favorite sport is boxing.

If you haven't guessed by now, we are speaking of Ed Gilliam, son of Mr. and Mrs. E. B. Gilliam. Ed is 6 feet, 2 inches tall, weighs 195 pounds, has brown hair and green eyes.

Likes best—Strawberry milkshakes.

Dislikes—School.

Ambition—To have lots of friends.

Introducing—A girl with a very witty personality. Although this is her first year to attend Goldthwaite, she has made many friends and is an outstanding senior. Before coming here, she attended Star and Moline schools.

She is an active member of the pep squad and F. H. A. Club.

Her favorite sport is basketball and her hobby is collecting pictures.

Vondean is the seventeen year old daughter of Mr. and Mrs. D. M. Hairston of the Kelly Community. She has brown eyes, dark blond hair and is five feet and seven inches tall.

Likes best—To have a good time.

Dislikes—Smart alecs.

Ambition—To be a nurse.

Weakness—Chocolate candy.

IF—

If all boys had Jimmy's hair, Billy's personality, Gene Read's politeness, James Wesson's eyes, Dale Henry's sincerity, John Garner's mischievousness, Ed's Buick, and James Hillman's brains, then—all boys would be worshiped by the "Datless Eight".

IF—

If all girls had Joyce's figure, Norma Sue's personality, Earline's brains, LaVerne's hair, Carlene's smile, Rita's eyes, Jero's feet, and Vera Mae's sense of humor, then—the "Stag Club" would be satisfied.

The English four classes have been spending a very interesting week studying the life of many famous poets; such as, Milton, Pepsy, and Bunyan. Some of the greatest poetry was written during this period. Mrs. Thompson has been making this study more interesting.

"TOP DRAWER"

(Everything goes in it)

There was quite a crowd in Jimmy's car Friday night. Sue—Jimmy, Billy—Joyce, and Bobby and Anita.

The Hangar is very popular after the games. James and Carlene seem to make it every Friday night.

Modene is sure glad that Doug can come home every week-end, aren't you Modene?

Well, well, well, who'da thunk it, Rita and Gene L. were having a good time Saturday night.

David and Dorothy Helen must have taken the short way home Saturday night, or did they?

Carlene and Jimmy and the model "A" were doing all the good Thursday night.

Where were Joyce and James Saturday night? We didn't see them anywhere.

Barbara Porter is going with Earl Harkey of San Saba. That is his jacket, isn't it, Barbara?

Raymond, who is the red-head in your life? Could it be Sybil Reid?

We wonder what has happened to Barbara Porter's diamond ring. It has been replaced by a San Saba class ring.

Flash! ! George L. Horton has found a very cute freshman girl. The lucky girl is none other than Evelyn Parker.

A happy foursome painting the town red Saturday night was "Lena" and James Hillman and Pat and Gene Long.

Jesse's favorite girl friend seems to be Jane Long.

Ed, why didn't you get Billy's car back to the party on time Friday night? You sure took a long time to tell Kay goodnight.

Could it have been Neida Roberson that we saw with Dick Lindsey after the sophomore party? We wonder! !

Boy, does Edna Roberts get around! First, there is Carlene

Dale, and now she is stepping out with George Wayne Featherston.

SONG DEDICATIONS

Pat to Herman—"It's All Over Now."

John Garner to Barbara—"It's Love, Love, Love."

Vera Mae to Jody—"Keep Those Cold Icy Fingers Off Me."

"Red" Miller to James Hillman—"Feudin' and Fightin'."

Margaret to Ray Williams—"Always."

Carlene to James H.—"Near You."

SONG DEDICATIONS

Pat to Herman—"It's All Over Now."

Carlene to "Red"—"Oh! My Achin' Heart".

Ed to Sue—"Near You".

Betty Williford to Wayne Dunlap—"One Love".

Modene to Doug—"My Desire".

Edna to George Wayne—"It's Been a Long, Long Time".

Wayne to Bess—"For Sentimental Reasons".

Vera Mae to Jody—"Keep Those Cold Icy Fingers off Me".

Kay to "Nubbin"—"You Two-Timed Me One Time too Often".

Carlene Dale to "Susie"—"Why Don't We Do This More Often".

John to Barbara—"It's Love, Love, Love".

Jane Ann to Lary—"Always".

"Red" Miller to James Hillman—"Feudin' and Fightin'."

MARY HAD A FOOTBALL MAN

Mary had a football man

Who had a tricky toe,

And everywhere that Mary went,

Her man was sure to go.

He followed her to class one day,

Tho' not against the rule,

It surely made them laugh to see

A football man at school.

ALGEBRA TWO STUDY FRACTIONS

The algebra II class is taking up the study of fractions. Work has already been done on multiplication and division of fractions and now concentration is on reducing fractions to the lowest terms, using the rules of changing the signs of an expression.

THE STUDY OF POETS

"We Have Fresh Fruit the Whole Year 'Round... WITH OUR

INTERNATIONAL HARVESTER FREEZER

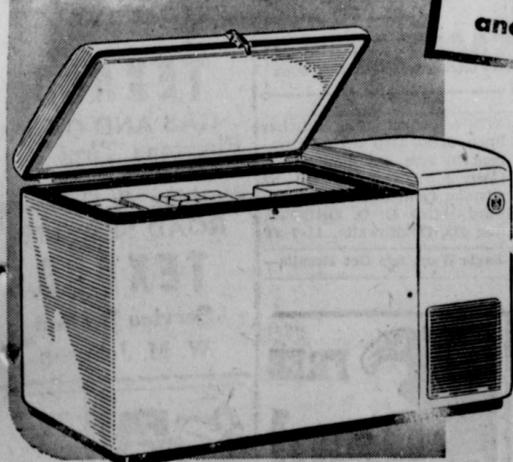

Yes, and not only fresh fruit, but vegetables, meat, poultry, fish, game, pies, cakes and ice cream, too! All sorts of out-of-season food that you can have any time you want... right out of your IH Freezer!

2 CONVENIENT SIZES

4.2 CUBIC-FOOT CAPACITY

The perfect size for every home—yes, even the tiniest! Holds a good 150 pounds of food! You'll always be prepared with plenty of fresh, flavorful eatables with this freezer in your home!

Both with **FROST-LOK VAC-U-SEAL TIGHT-WAD** and a host of other features

11.1 CUBIC-FOOT CAPACITY

This is the saving-est freezer ever! It SAVES you WORK because it preserves food the easiest, quickest way! SAVES TIME because you can do weeks of shopping at one time... weeks of cooking, too! SAVES MONEY, for you can buy food at lowest prices and store it safely. This giant-size, snowy streamliner stores about 385 pounds of food.

NINE VS. TERMITES

College Station, Nov. 6.—Whenever termites show up in a building, the owner feels like throwing up his hands at the very beginning of the fight. It seems to him that he has a never-ending, hopeless battle on his hands.

There are two remedies for fighting termites, extension entomologist of Texas A. & M. College say. The best remedy is and always will be "Build Them Out." Most termite infestations are due to faulty construction when they can get in at filled porches, terraces and other entrances, or through the foundations. The thing to do is block them out with concrete or similar materials.

Since it isn't always practical to re-build or repair, the entomologists suggest poisoning the soil around and under buildings. The poison will discourage the insects for some time.

According to research workers at Beltsville, Maryland, Stauffer, Mississippi, and the Canal Zone (an area if severe infestations) there are nine chemicals that do a reasonable good job at getting rid of termites. Five of them proved good under most conditions of test: sodium arsenite, pentachlorophenol, trichlorobenzene, orthodichlorobenzene and coal-tar creosote. The other four appear promising: lead arsenate sodium fluosilicate, cryolite and phenothiazine.

The soil treatment has to be thorough and complete to do the job. Instructions on dosages and application of the chemicals can be obtained from county agents.

CIVIL SERVICE JOBS

The U. S. Civil Service Commission has announced examinations to fill Elevator Operator positions in Washington, D. C. and nearby Virginia and Maryland, and Research Psychologist positions in Washington, D. C. and throughout the United States.

Full information and application forms may be obtained from the Commission's Local Secretary, Lucile Fairman, located at Post Office.

Also examinations for the positions of Soil Conservationist, Soil Scientist, and Agricultural and Civil Engineer. Entrance salaries range from \$3397.20 to \$4149.60 per year. Employment will be with Field Headquarters of the Soil Conservation Service in the States of Texas, Oklahoma, Arkansas, Kansas, and Missouri.

The Civil Service Commission announces examinations for the position of Clerk (for men only). Entrance salaries range from \$1756.00 to \$1954.00 per year. Employment will be with various Federal Agencies in the State of Texas.

FEATURE FRUIT

COLLEGE STATION, Nov. 4.—Now that flour and eggs are on the list of critical foods, it's a good idea to feature fruits in desserts for the family. A variety of fruits, fresh, canned and dried, are on the market this fall, and there is plenty of sugar and sirups for sweetening.

All homemakers know that baked pears and baked apples are easy to prepare as well as good to eat. Dried apples, peaches, apricots and prunes can be served many ways. Raisins add taste and texture variety to such dishes as baked apples, apple-raisin marmalade, fruit and waldorf salads.

Spiced prunes are good hot or cold and may be served as a relish with the meat course or as a dessert. Prepare the prunes in the usual way, Louise Mason, Extension food preparation specialist for the Texas A. and M. College, says, then toward the end of cooking, add sugar to taste, a few grains of salt, such spices as clove, nutmeg, cinnamon or allspice, and a little vinegar or lemon juice. Other dried fruits can be spiced by the same recipe.

If fruits are used as much as possible, Miss Mason pointed out, there is less need for cakes, pies and puddings. By cutting down on baked desserts, the housewife is doing her part in the government's program for saving certain foods.

Parsley lends flavor, color and value to many dishes and can be easily grown in a kitchen window or flower pot.

Some Statistics About 4-H Clubs Covering The Whole United States

Following statistics for 1946 covering the 74,711 4-H Clubs in the United States have been received by The Eagle from the National Committee on Boys and Girls Club Work, Inc., 59 Van Buren Street, Chicago:

Number of Clubs	74,711
Volunteer Leaders:	
Men	53,860
Women	87,226
Older Boys	17,359
Older Girls	27,649
Total	186,094
4-H Members: Boys	722,582
Girls	882,456
Total	1,615,039
Enrolled for first time	610,596
Farm Homes represented	942,954
Non-farm homes rep.	251,885
Number completing projects:	
Health Training (Members)	550,059

Garments made or remodeled 2,011,185
Acres of crops (including gardens) 590,896
Foodstuffs: Canned (qts.)—19,568,614
Cured (lbs.)—2,804,944
Frozen (lbs.)—2,205,503
Stored (lbs.)—6,033,105
Poultry projects (Birds) 8,898,996
Livestock (animals) 715,717
Value of 4-H projects (Est.)—\$25,000,000

To increase 4-H membership, the Federal, State and County Extension Services invite the aid of all persons and organizations interested in seeing 4-H Club work become an even greater part of Rural America. Your assistance can be invaluable.

"When every thing seems lost, noble souls find their opportunity."

NAVY MEDALS TO BE ISSUED IN GOLDTHWAITE POST OFFICE

R. E. Barkley, CMO MM, USN from the Brownwood Navy Recruiting Station, will be in the Goldthwaite Post Office Building from November 17 to Nov. 21, 1947—1:30 p. m. to 4:00 p. m. for the purpose of recruiting for the Navy and to issue World War II Victory Medals and American Defense Medals to all Navy Veterans.

Enlisted Personnel must present their original Discharge Certificate and Officer Personnel must present a Certified Copy of Orders releasing them to inactive duty under honorable conditions. Any exceptions to the above will be explained by the Recruiter.

The American Defense Medal will be awarded to all persons serving on active duty in the Naval service at any time between September 8, 1939 and

December 7 1941, both dates inclusive.

The World War II Victory Medal will be awarded to all persons serving on active duty in the Naval service at any time between December 7, 1941 and December 31, 1946, both dates inclusive.

Barkley reports that many Navy Veterans may now go back in the Navy with the same rate as when discharged regardless of date discharged. This authority expires 31 December 1947.

After Nov. 21, 1947, there will be a Navy Recruiter in Goldthwaite each Wednesday from 1:50 p. m. to 4:00 p. m.

BRIDAL TEA

Mrs. Carl Featherston and Mrs. R. C. Epperson complimented Miss Norma Featherston, bride-elect of Buddy Balentine, with a gift tea at the home of Mrs. Carl Featherston, Saturday, November 8, from 4 until 8 o'clock. Guests were greeted by Miss Norma Featherston and her mother, Mrs. Travis Long and Miss Anna Merle Epperson presided in the gift room, which was decorated in blue and white. After each one registered, they were asked to write a favorite recipe. Miss Carlene Featherston, sister of the bride-to-be, Miss Barbara Porter, Mrs. Henry Featherston and Mrs. R. C. Epperson, presided at the refreshment table. A large picture of Buddy and Norma centered the table. Blue tapers in silver candleabra flanked the arrangement. Blue and white streamers, inscribed "Buddy and Norma," complimented the decor. Blue napkins inscribed with "Buddy and Norma" were also used. The refreshments included blue iced cakes, blue mints and fruit punch. Pot plants and cut flowers were tied with white and blue ribbons were beautifully arranged. Miss Featherston wore a lovely corsage, compliment of Mrs. Epperson. Seventy-five guests called during the evening.

AMERICAN ART WEEK OBSERVED HERE

American Art Week, Nov. 1-7, sponsored by The American Artists Professional League, was observed by The Art and Civic Club of Goldthwaite with a seven-day local exhibit.

Included in the exhibit were oils, pastels, water colors and crayon, also seed. In the exhibit we found these unusual pictures: An original of a church in Germany by a Latvian displaced person, and given to Col. Saeger while on duty in Latvia; Another was made entirely of seeds and arranged to form a floral bouquet. This picture was by Mrs. Alta Cline Reynolds. Another, a painting of an arrangement of Pansys entirely from memory. Also a water color of a bowl of flowers, gathered, arranged and painted by a 73 year old lady.

We thank each of you who brought pictures. They were lovely.—Art Committee.

Mrs. Lizzie Galloway, Mr. and Mrs. Jack Galloway and children, Misses, An and Mary Galloway, of Franklin, C. H. Galloway of Bryan, and Mr. and Mrs. J. M. Taylor and children of Seagraves spent Sunday with Mrs. Elen Galloway and children. They attended the dedication service at the cemetery in the afternoon.

Local Girl Pledges TSCW Literary Club

Denton, Nov. 12, Miss Marjalee Smith, daughter of Mr. and Mrs. Barton Smith, has finished the informal initiation period and is now an active member of Adelpian literary and social club at the Texas State College for Women.

Adelpian is one of the eleven clubs on the campus, and the total number of girls pledged by the organizations is 279.

The purpose of the clubs is to stimulate interest in literature, art, and music, to promote social activities for members, and to encourage the achievement of high scholastic standing.

Miss Smith is a sophomore Home Demonstration major.

ROCHELLE CHRISTIAN CHURCH RAZED

The building of the First Christian Church of Rochelle was wrecked last week and the lumber and material divided between the Methodist and Baptist churches. The church building, which had not been used for several years, was given to the other churches by the governing board of the disbanded congregation at the request of Mrs. John Smith, one of the charter members. All the material will be used immediately in building programs for more Sunday School rooms for the Methodist and Baptist congregations. Rev. W. P. Anderson and Rev. C. J. Coffman are their respective pastors.

PARTY FOR JUNIOR HIGH FOOTBALL BOYS

Minister M. E. Blake accompanied the Junior High football team and their coaches, Billy Miller and Carlin Dale Wicker, to Lometa on November 6 where they won a victory over the Lometa Junior High team.

As a reward, on November 15 M. E. Blake and Mrs. Blake entertained the boys and their favorite girl classmates with a party in their home. Many jolly games were played, and refreshments consisting of pink lemonade and Hi-ho's were served to the following: Tom Wesley Boyd, Irene Hall, Norma Jean Ashcraft, Noble Humphries, Bobby Letbetter, Myrlene Reynolds, Marjorie Whitt, Charles Thomas, Walter Henry, James Patrick Noel Reynolds, Wayne Roe, Billy Miller, Gene Eckman, Billy Anderson, Carlin Wicker, Vernon Whitley, Calvin Lucas, Tommy Earls, Rhonda Farris, Billy McNutt, Sandra Barn, Thomas Murphy, Terry and Jack Blake, Wayne Long, Joann Duren, Pat-sy Hale, John D. Stark, Betty Jackson, Johnnie Stewart, Dana Saylor, Franklin Weathers, Larry Piper, Ann Dellis and Merion Reynolds.

Everyone had a wonderful time and wished that each victory could be so happily rewarded.

DISTRICT COURT CASES POSTPONED TWO WEEKS

Two cases against F. L. "Pete" King and one each against J. M. Johnson and A. O. Harper, which had been set for trial in District Court here Wednesday morning of this week, were postponed for two weeks when court met.

FOR RENT—Two room apartment. MRS. WALTER SIMPSON. 10-24-TPC

OLD MAN 100

(Continued from page 1.)

ed, "blowin' a saloon right out of me hand."

Jest before the 7th, Old Hunnert made up his mind to be boss this time or know the reason why. It didn't take him long to find out why.

Proud Parent on meeting the new first-grade school teacher: "I am happy to know you, Miss Smith. I am the father of the twins you are going to have next September."

Here's another Bombay joke: Cpl.—"The top-kick just hung himself." Sgt.—"Holy smoke! Have you cut him down?" Cpl.—"No, he isn't dead yet."

Professor—"My dear lady, may I ask whether you intend to hear my lecture on Buddhism?" 7th—"Certainly, I shall attend; you know I am very much interested in flowers."

It's the joits in life that bring big men to the top—like potatoes in a basket.

Any results from the lecture you gave your wife on economy? Yes; I'm giving up smoking.

Old Hunnert was good-looking onct, but got robbed of his good looks one time by a hurriedly-drawn shade. Also, the Old Man onct invisioned himself as a leader of men, but wound up as

a follower of women.

Customer—"Who's the responsible man around here?" Old Man—"If you mean the fellow that gets all the blame—it's me."

Pretty Nurse—"Every time I take this Old Man's pulse it gets faster. What shall I do?" Doctor—"Blindfold the old skunk."

And also, any girl can be a pretty picture if she has a nice frame. Furthermore, a jurv is twelve persons chosen to see who is the best lawyer.

When they're alive the newspapers call them politicians, but after they die they change it to statesmen.

And when the Goldthwaite father asked datter what her young man's intentions were, she replied: "Well, daddy, he's keeping me pretty well in the dark."

Another young squirt this week called the Old Man a gentleman, which he ain't. The Boss and the preachers won't let him print what he heard a gentleman is—but there ain't nothing wrong with Old Hunnert's definition of a lady, which is: A lady is a woman who makes it easy for a man to be a gentleman.

When Old Hunnert asked the Boss if he could please have the afternoon off, the Boss sneered. "Your grandmother, I suppose?" And Old Hunnert said: "Exactly;

she's making her first parachute jump."

SOME WISE SAYINGS?

And during the war the Allies was fighting for what is right—and now they're quarreling for what is left.

Don't live so that you'll leave only the mark of a heel on the footprints in the sands of time.

If you want to be dignified: Say nothing, do nothing, know nothing—and, you'll command lots of respect.

Always keep in step with yourself—don't worry about the rest of the parade.

"Well, mister," the farm woman replied when the census-taker asked her about the political faith of her family, "we uns is kindly mixed up. I'm a Republican, my husband's a Democrat, the baby's a Wet, the cow's dry, and the dog belongs to the Reform party—he don't do nothing but sit around all day and howl."

Onct Old Hunnert bought a pig for \$3, fed him \$5 worth of feed, and sold him for \$8. Didn't make much profit, but he had the pig's company all fall.

And the best way, young man, to make a girl believe you have good judgment is to propose to her.

CURLEE CLOTHES

MAKE MINE CURLEE . . . The Quality Overcoat

WHEN winter comes along — cold, blustery mornings and nights with snow flakes falling — it's business as usual, as far as you're concerned. You just slip into your new Curlee Overcoat and go your usual way, secure in the knowledge that you'll be warm and comfortable — and looking your best.

There is nothing so very surprising about this, when you come to think about it. The Curlee folks started a long time ago, making clothes for men who wanted the best. Over the years they have discovered or developed the ingredients which spell success. First of all, they search the market for fine materials, not only overcoat fabrics of good quality in the season's smart patterns, but linings and inner materials, as well. These they turn over to their skilled designers — men who KNOW what you want in the way of suits and overcoats. When they have created the patterns, expert workmen build lasting good looks and comfortable wear into every garment that carries the Curlee label.

One thing which IS surprising, though, is that so much downright quality can be packed into these Curlee Overcoats at such moderate prices. It is no wonder that when it comes right down to style — fit — and comfortable wear — so many discriminating men say "MAKE MINE CURLEE."
