

DEMOCRATIC TICKET.

FOR PRESIDENT, GEN. W. S. HANCOCK, Of Pennsylvania.

FOR VICE PRESIDENT, HON. WM. H. ENGLISH, Of Indiana.

For Congressman—3d District, J. WADE McDONALD, Of Cowley county.

DEMOCRATIC STATE CONVENTION.

A delegate Convention of the Democratic party of the State of Kansas is hereby called to meet in the Hall of the House of Representatives, in the city of Topeka, at 9 o'clock, a. m., on Thursday, August 26th, 1880, for the purpose of nominating candidates for the following named offices:

Associate Justice of the Supreme Court, Governor, Lieutenant-Governor, Secretary of State, Auditor of State, Treasurer of State, Attorney-General, Superintendent of Public Instruction, Five Presidential Electors; and also for the purpose of selecting a State Central Committee.

The basis of representation in the State Convention will be three Delegates from each Representative District, and three Delegates from each unorganized county, not included in a Representative District.

We earnestly urge upon the Democrats of Kansas the absolute importance of prompt and thorough organization of the party in every county and township in the State, in order that every district may be fully represented in the State Convention, and an active and effective organization obtained at once, for a vigorous campaign the coming fall.

We respectfully request every Democratic newspaper in the State to publish this notice, and editorially call special attention to the importance of complying with the suggestions herein made.

We avail ourselves of this opportunity to congratulate the Democracy of Kansas upon the grand results of the National Convention, held at Cincinnati, on the 22d of June, in presenting to the country, as our standard bearers in the approaching campaign, the names of Winfield S. Hancock and William H. English, a ticket that must meet the cordial approval of every patriotic heart in the United States; and we have no reasonable doubt of their election to the high offices for which they have been nominated.

JOHN MARTIN, Chairman. H. MILES MOORE, Secretary.

THE REPUBLICAN RULE.

HEADS, I WIN; TAILS, YOU LOSE. 1877. (When Democrats were to be rejected.) (When Republicans were to be counted in.)

"That the maintenance of the principles promulgated in the Declaration of Independence and embodied in the Federal Constitution * * * is essential to the preservation of our Republican institutions; and that the Federal Constitution, the RIGHTS of the STATES, and the Union of the States, must and shall be preserved."

"That the maintenance violate of the rights of the States, and especially of each State to order and control its own domestic institutions according to its own judgment exclusively, is essential to that balance of power on which the perfection and endurance of our political fabric depends; and we denounce the lawless invasion by armed force of the soil of any State or Territory, no matter under what pretext, as among the gravest of crimes."—Republican Wigwag Platform of 1860.

W. E. TIMMONS, Editor and Publisher

The Benders it seems were not Benders at all.

Capt. T. L. Green, of Douglas county, has been nominated for Congressman by the Grapbackers of the Second District.

State Auditor P. I. Bonebrake has our thanks for a copy of his second biennial report for the fiscal year ending June 30, 1880.

The Democrats of the First District met at Beloit, August 12, and nominated John C. Tomlinson, of Atchison, as their candidate for Congressman.

The Atchison, Kansas, boy gelding "Col. Marks," belonging to H. S. Taylor, trotted three one-mile heats at Prophetville, Ill., on Aug. 11, in 2:12 1/2, 2:12 1/2 and 2:12, which is the fastest time on record.

There will be a meeting of the Democratic Congressional Committee of the 3d District of Kansas, at 4 o'clock, p. m., August 25, 1880, at No. 182 Kansas Avenue, Topeka. It is desired that every member of the committee be present.

According to a Republican organ 521,384 Negroes have been "butchered" in Alabama in five years, and yet the Negro population of the State is estimated at 521,354. This speaks well for the industry and tenacity of the colored race.

Weaver is the style of campaigner that we like. Having reduced the Democratic majority in Alabama to 90,000—official returns,—he has rushed off to Arkansas to preach the greenback doctrine and increase the Democratic majority in that State.

If the Democrats and Greenbackers of this State will unite on an Electoral ticket, they can easily elect it. Let there be a Union ticket of three Democratic and two Greenback Electors put in the field and wreat this State from Republican hands in the coming election.

Ex-Senator E. G. Ross, of Lawrence, will, in all probability, be the Democratic nominee for Governor. Mr. Ross, by his clear conception of constitutional rights, is eminently qualified for the position. If nominated, he will run ahead of his ticket, and, with the thorough organization being made in every county, greatly reduce the majority of the Republican candidate, whoever he may be.

J. WADE McDONALD.

The Topeka Post, in speaking of this gentleman, says: "J. Wade McDonald, the Democratic nominee for Congressman from this district, is a gentleman of marked ability as a lawyer, and is thoroughly conversant with the needs of the district. He is a Kentuckian by birth, but has been a resident of Kansas for several years, a part of the time in Sumner county, where he was elected Probate Judge by a fair majority, when the Republican majorities of the county were overwhelming. He removed from Sumner county to Winfield, Cowley county, about two years ago, and engaged in the practice of his profession, in which he has built up a large and lucrative practice."

The Topeka Democrat, under the heading "A Wise Nomination," says: "The Congressional Convention, held at Wichita, Wednesday, Aug. 11, did well in taking for their candidate Hon. J. Wade McDonald. Mr. McDonald is a lawyer of acknowledged ability, and is respected alike, in his large circle of acquaintances, both Republicans and Democrats. His record in the war was as honorable as his life in peace, he having been wounded three times in defense of the Union, and receiving an honorable discharge from the service. The Democrats of the Third District will rally to the support of Mr. McDonald."

DEMOCRATIC CONGRESSIONAL CONVENTION.

The Delegates Convention of the Third Congressional District of Kansas, which met in Wichita, on Wednesday, August 11, 1880, at 11 o'clock, a. m., in the Turner Opera House, was called to order by Gen. Geo. C. Rogers, of Eureka, Chairman of the Congressional Committee, who appointed D. M. Dale, of Wichita, Temporary Chairman. The appointment was confirmed, and, on taking the chair, Mr. Dale made a short but pointed speech on the importance of making a suitable nomination for Congressman.

W. E. Timmons, of the Chase County Courant, was then appointed Temporary Secretary.

On motion of J. H. Moss, of Topeka, Committee on Credentials, Permanent Organization and Reso-

lutions and Order of Business, consisting of five members each, were appointed. The Convention then took a recess till 2 o'clock, p. m.

On re-assembling in the afternoon the different committees made their reports, which were severally adopted.

The permanent officers of the Convention were J. H. Moss, of Topeka, Chairman; a number of Vice-Presidents; W. E. Doud, of the Eureka Sun, Secretary; W. E. Timmons, of the Chase County Courant, First Assistant Secretary, and C. C. Black, of the Winfield Telegram, Second Assistant.

On taking the chair Mr. Moss made a very neat speech, in which he acknowledged, for the Convention, the receipt of two handsome bouquets that decorated the stage, one from a Democratic and the other from a Republican young lady of Wichita.

The following is the report of the Committee on Resolutions: The Democracy of the Third Congressional District of the State of Kansas, through their representatives assembled at Wichita, declare:

First—That they hereby affirm their devotion to the principles of the Democratic party, as declared and contained in the resolutions adopted by the Democratic National Convention held at Cincinnati, Ohio, on the 22d of June, 1880, and that they hereby pledge their hearty support of the candidates nominated by said Convention, viz: Winfield Scott Hancock and Wm. H. English.

Second—That it is the duty of the General Government to open up for settlement by citizens of the United States, that portion of the Indian Territory ceded to the Government by the Indians in 1866.

Third—That it is the duty of the General Government to appropriate a sufficient sum of money for the purpose of ascertaining by actual survey, by a competent engineer, whether it is practicable to establish water communication between Fort Smith, Arkansas, and Fort Dodge, by improving the Arkansas river, and where such communication is not possible, to construct ship canal to be fed by the waters of said river.

Fourth—That they require the candidate nominated by this Convention to pledge his support of the principles of the Democratic party, and that, if elected, he will use his influence and means to secure the necessary legislation to carry into practical effect the second and third of the foregoing resolutions.

Fifth—That they hereby pledge their support to the candidate for Representative in Congress, nominated by this Convention.

C. C. Black, of the Winfield Telegram, then nominated J. Wade McDonald, of Cowley county, and J. E. Neal, of Harvey county, was nominated by J. C. Steinmiz. The first ballot resulted in 71 votes for McDonald and 19 for Neal. On motion the nomination of Mr. McDonald was made unanimous.

W. E. Timmons then moved that a vote of thanks be tendered the Atchison, Topeka and Santa Fe R. R. Company for free passes over their road to Delegates to this Convention. Gen. G. C. Rogers moved an amendment that the vote of thanks shall include the officers of the Convention, the Wichita Brass Band which had enlivened the proceedings by interspersing them with sweet music, the citizens of Wichita, and in fact every one who had contributed to the pleasure and comfort of the Delegates while in Wichita. The amendment was accepted, and the motion adopted unanimously.

On invitation, Mr. McDonald came before the Convention and, in an eloquent speech, thanked them for the honor conferred upon him.

A Congress Committee was then elected, consisting of the following members:

Table with columns: COUNTIES, NAMES, ADDRESSES. Lists names like Jacob DeCon, El Dorado, and W. E. Timmons, Cottonwood Falls.

Adjourned sine die. After the adjournment of the Convention the Congressional Central Committee met on the stage of the theater and organized by electing J. H. Moss, of Topeka, Chairman; Chas. C. Black, of Winfield, Sec-

retary, and Jacob DeCon, of El Dorado, Treasurer. The Chairman, Secretary and Treasurer, together with G. C. Rogers, of Eureka, and J. B. Fugate, of Great Bend, were designated as the Executive Committee. The committee adjourned to meet at the call of the Chairman.

Literary Revolution and Universal Knowledge.

An Encyclopedia in 20 volumes, over 16,000 pages, 10 per cent. more matter than any Encyclopedia ever before published in this country, and sold, handsomely and well bound, in cloth for \$10, in half morocco for \$15, and printed on fine heavy paper wide margins, bound in half Russia, gilt top, for \$20—an enterprise so extraordinary that its success, beyond all precedent in book publishing, may be fairly claimed to inaugurate a Literary Revolution.

THE LIBRARY OF UNIVERSAL KNOWLEDGE is a reprint entire of the last (1879) Edition of the "Chamber's Encyclopedia," with about 40 per cent. of new matter added, upon topics of special interest to American readers, thus making it equal in character to any similar work, better than any other suited to the wants of the great majority of those who consult works of reference, and altogether the latest Encyclopedia in the field.

Specimen Volumes in either style will be sent for examination, with privilege of return, on receipt of proportionate price per volume.

Special Discount to all early subscribers, and extra discount to clubs. Full particulars, with descriptive catalogue of many other standard works equally low in price, sent free.

Leading principles of the AMERICAN BOOK EXCHANGE:

I. Publish only books of real value.

II. Work upon the basis of present cost of making books, about one-half what it was a few years ago.

III. Sell to buyers direct, and save them the 50 and 60 per cent. commission commonly allowed to dealers.

IV. The cost of books when made ten thousand at a time is but a fraction of the cost when made 500 at a time—adopt the low price and sell the large quantity.

V. Use good type, paper, etc., do careful printing, and strong, neat binding, but avoid all "padding," fat and heavily-leaded type, spongy paper and gaudy binding, which are so commonly resorted to to make books appear large and fine, and which greatly add to their cost, but do not add to their value.

VI. To make \$1 and a friend is better than to make \$5 and an enemy.
