VOLUME FIFTY-FOUR

GOLDTHWAITE, MILLS COUNTY, TEXAS FRIDAY, JANUARY 23, 1948

NUMBER TWENTY-THREE

HOWELL E. COBB ANNOUNCES CANDIDACY FOR U.S. CONGRESS

Howell E. Cobb of Brady, former McCulloch County judge and ex-district attorney of the 35th judicial district of Texas and currently practicing law in Brady, announces his candidacy for Congress from the 21st Congressional District of Texas.

A native of Williamson County, Cobb lived the first year of his life at Ballinger, and as a small boy, resided for four years at Uvalde, where he entered school for the first time. He was graduated from high school at Goldthwaite, following which he attended the University of Texas for four years, going to Brady in 1934 to engage in the practice of law.

HOWELL E. COBB

Cobb served as county judge of McCulloch County for four years, from 1937 through 1940, being elected district attorney of the 35th judicial district, comprising McCulloch, Brown and Coleman Counties, in 1940. He served in this capacity until May, 1942, when he resigned his office and volunteered for service in the United States Army. He saw four years of military service, the last two of the war being in the European Theater of Operations.

At the present time, Cobb is commander of the Allin-Stafford American Legion Post No. 327 of Brady, and is committeeman from the 25th Senatorial District on the State Democratic Executive Committee.

In making his announcement for the seat in Congress, Cobb declared that our people must come to realize that we are today engaged in a desperate struggle to determine whether our form of government and our American way of life shall prevail from the earth, or be supplanted by the ruthless slavery of totalitarian Communist Russia. He said that, were he in Congress today, he would cry out at the top of his voice against economic appeasement toward Russia because you can't appease a beast.

"We recently concluded the great Second World War to maintain our way of life," Cobb said, "and we must realize that the battle today, which is referred to as the 'cold war,' is no less desperate and its termination no less important for us than was our recent fight with the Germans and the Japanese. With many other American soldiers, I met the Russian army in Austria in 1945, and I know their sole purpose and aim is world conquest and domination."

Famous "Freedom Train" To Be On Display At Waco Monday, Feb. 2

Mayor Long of Goldthwaite has received the following letter from John Nix, President of the Junior Chamber of Commerce of Waco, inviting all Central Texas to come to Waco on Monday, February 2, to view the exhibits on display on the famous Freedom Train:

DEAR MAYOR: As you probably know through reading current press releases, the Freedom Train will be on display in Waco on Monday, February 2. Although we would like very much to write individual letters, we hope you will consider this a personal invitation to you and your citizenry to visit the Freedom Train. We are having to use mimeographed letters in the interest of time. Enclosed are several additional copies which we hope you will distribute to your public school, civic club and Junior Chamber of Commerce and Chamber of Commerce.

The Freedom Train, an eight-car red, white and blue special carrying more than one hundred

They are now practicing, and have already practiced the same imperialistic methods of dominating the peoples of the world that were preached and practiced by the late Adolf Hitler, except they are doing it on a much larger scale and in a more ruthless manner. Our government is still sending thousands of pieces of transportation equipment, machinery, machine tools and industrial material to Russia and her satellites. This has been called 'economic appeasement.' If I were in Congress today, I would cry out at the top of my voice against this practice, and would continue to cry out until it ceased. You can't appease a wildcat!

There are many issues confronting the people in this campaign, Cobb asserted, adding that to discuss them all in this announcement would be impossible. However, he stated his position on a few of these issues as follows:

Support of Marshall Plan For the Recovery of Europe.

"I well realize that this will be costly and will bring about some hardships on the American people. However, the cost and the hardships will be small indeed compared to what it will be if all of Europe should come under the domination of Red Russia. And this very thing will surely happen unless our assistance is adequate and timely. We cannot afford to be too late with too little. If Europe falls to Russia, so will Africa. Then we will be the victim of that great pincer movement which we feared so much during the last war, with one pincer in France aimed at

(Continued on back page)

historic documents of our American Heritage, will be on display from 10 a. m. until 10 p. m. on the side track of the M-K-T Railroad on Eighth Street in Waco. No scheduling of times for any group will be made because of the large number of persons in Central Texas who will want to see these priceless documents.

Detailed information on the contents of the Train have appeared, and will continue to appear in almost all newspapers and it is not our desire to impose upon you superfluous information by means of this letter. We do, however, want to extend this sincere and cordial invitation to all Central Texans to visit the Freedom Train and offer any assistance that may be desired to further the interest in this presentation in your city. If you feel it would help in any way to send one of the men from our speakers bureau to your city for a mass meeting, or possibly individual contacts, you may be sure it would be a pleasure for them to appear.

Churches THE FIRST BAPTIST CHURCH

All listed Services held in the Church, except Street Service, located on Farm Road 574, near High School in little rock building. Formerly the Websters' Laundry Building. Everyone is welcome to attend each Service!!!

LIONS CLUB HEAR TALK FOR UNIVERSAL MILITARY TRAINING

Twenty-six members and two guests heard Col. M. Y. Stokes, Jr., Goldthwaite Postmaster and a member of the local club, give an excellent talk on why the United States should have universal military training at their regular third Tuesday night meeting at The Hangar this week.

Guests introduced were Joe Bill Johnson and D. A. Hamiltion. Motion carried that the chairman of the health committee, Dr. T. C. Graves, investigate and secure information on "National Heart Week," February 8 to 14. A letter of invitation was read from the Houston Fat Stock Show.

Lion Brian Smith reported that March 14 was the regular time for the local club to sponsor the Sunday open-house for veterans in the Veterans Hospital at Waco. Lions T. C. Graves, M. E. Blake, M. D. Lowry, Harold Yarborough, and H. E. Patton volunteered as a committee of entertainment.

The club voted to pay one-third of the Golden Gloves expense, which amounted to \$55.90.

Pie and Cake sale Sat., Jan. 24th, at Campbell Butane, sponsored by Circle No. II of Methodist Church.

POSTPONED MILLS CO. LIVESTOCK SHOW TO BE HELD HERE WEDNESDAY, JAN. 28

The Eleventh Annual Mills County Livestock Raisers' Association and 4-H Club and FFA Show and Sale—postponed from Monday and Tuesday of this week on account of icy and rainy weather conditions—will be held at Eagle Field at the High School in Goldthwaite on Wednesday of next week, Jan. 28—one day only.

Mills County livestock is now on display and show at the Brownwood regional show and will be judged there today. The stock will be brought back here

ONLY EIGHT DAYS LEFT TO PAY POLL TAX TO VOTE THIS YEAR

This year of 1948 is going to be a terrific election year—and there are only eight business days left in which to pay your poll tax to vote in the following elections this year:

School Trustee Election in April
City Election in April
First Democratic Primary on July 24
Run-off Primary on August 28
General Election on November 2, with Constitutional Amendments.

Also a city bond election is talked about for this year. You will want to vote many times during 1948—and the price is \$1.75 per head for the whole

GREAT CHRISTIAN FILM AT THE METHODIST CHURCH

This Sunday evening at 7:00 o'clock the sound film, "THE POWER OF GOD," will be enjoyed by all who like to see Christian Ideals presented. Set in the little town of Ellendale—it could be in our town—"THE POWER OF GOD" tells in a gripping modern story form what Christianity is, what it does to the individual, and what the individual should do with his Christianity. The characters enact a true-to-life-story that has happened in thousands of villages, towns and cities throughout America. Maybe it has happened to you. The film effectively demonstrates that "the Gospel of Christ is the power of God unto salvation to everyone that believeth."

You are cordially invited to see the picture. A free will offering will be received to help pay for our projector.

J. FRANK DAVIS FOR RE-ELECTION AS COMMISSIONER, PREC. 4

J. Frank Davis this week authorized The Eagle to announce his candidacy for election to the office of Mills County Commissioner from Precinct No. 4, subject to action of the voters in the coming July Democratic Primary. His name will be found in the Political Announcement Column in this week's paper.

Mr. Davis needs no introduction to the voters of Precinct Four, as he knows them all, and due to past experiences in this office, knows the roads and needs of the precinct. He is also well acquainted with the county's business and business of the Commissioners' Court, and is well qualified in every way for the job. He wishes to thank the voters of the precinct for past favors, courtesies and cooperation, and asks their continued vote and support in the coming election. If elected, he promises to give the best of his ability to the job.

GIRL SCOUT COUNCIL MEETS

The Goldthwaite Girl Scout Council met at the First Baptist Church Sunday, January 18, 3 p. m.

The meeting was called to order by the council president, Mrs. Robert Steen.

The yearly budget for Girl Scouting was discussed.

Our budget for 1948 has been increased, due to the rise in prices. Plans were discussed as to how to make money to meet this increase.

At a meeting of the District Council at Hotel Brownwood next Sunday Mrs. Jim Weatherby and Mrs. Fred Reynolds will represent Goldthwaite in making plans for the New Year in Scouting. The public is invited to attend this meeting. We urge you to go, and lend support to our two voting members.

The Council discussed a Day Camp for our Girl Scouts this summer. Miss Bobby Wash will be in Goldthwaite some time in March to train us in setting up a Day Camp.

Between 40 and 50 little girls in our school have expressed a desire to become Girl Scouts. We need leaders for at least two more troops.

Won't you stand behind this most worthy organization by volunteering your services?

Let's not have these little girls deprived of the privilege of being Scouts, because we have no leader.

Our Scout executive, Miss Wash, is very efficient in training for leadership.

May we count on YOU!

ICEBOUND

The Mulberry limbs are dragging the ground. The old Willows are hovering around Like a hen over her chickens. The utility lines are sagging low. My, oh my, what a beautiful show.— And it really beats the dickens What Nature can do with water and ice Without doing things the same way twice. —ROG

CEMETERY WORKING

There will be a Cemetery working at the Pleasant Grove Cemetery Tuesday afternoon, January 27.

Everyone is urged to come and help in this worthy cause.

act in 1948, just consider how that business acted in these years 1938 to 1940. If the business prospered during those years, it will probably show increased activity during 1948. If it suffered, it may show a decline in 1948. There will be no World War III in 1948, but there will be marked preparation for it.

WHAT ABOUT INFLATION?
During 1948 there will be much talk in Washington about "checking inflation", but any attempts will be largely of the eyewash variety and not fundamental cures. It is sound legislation to allocate materials to the more important industries. Doubtless certain allocations will be instituted during 1948. It also would help to reduce taxes so as to force people to leave government employment and to produce. The only solution for inflation, however, is to discourage consumption and encourage production. Unfortunately, when the Government attempts to decrease consumption, people get panicky and increase their purchases; while control tends to reduce production.

All Government attempts to interfere with the basic laws of supply and demand fall in their purpose. The only cure for raising prices is to let them rise to a point where production will be so profitable that it will increase to an amount which will be in excess of demand. This causes an abrupt decline in prices and in employment also. This cure is unpopular politically, and we will not see it before November 2, 1948.

Beyond allocating materials and reducing taxes, the only fundamental cures which the Government can provide are: (1) putting an embargo on exports, (2) suspending the agricultural price supports, (3) freezing wages and profits, (4) causing interest rates to rise sharply, and (5) reducing Government expenses. These movements would be unpopular, and I doubt whether we shall see them in 1948.

All of us are selfish. We don't want the Federal Government to shut off the exports of OUR goods, to suspend price support of OUR products, to freeze OUR wages or profits, to raise the rate of interest which WE are paying—or to discharge some relatives of ours whom we must support—even although these things would be for the good of the nation as a whole.

Hence, I again say—"only a spiritual awakening can prevent another severe bust."

POLITICAL LEADERS LACK COURAGE

Members of Congress and the Administration know what to do. Chairman Eccles of the Federal Reserve Board has given Congress excellent advice, as reported in the morning papers of November 26. These recommendations, however, are unpopular. Even Congressmen are putting their own selfish desires ahead of the nation's good.

Congressmen are fearful of labor leaders. They are fearful of veterans, thus, unwilling to make a courageous stand on housing and rents. They are fearful of the bankers, in fact, of all pressure groups in Washington. Hence, 1948 will witness more or less of a do-nothing Congress. I visualize that economic conditions will continue about as at present during 1948; but as a fever is necessary to cure many diseases, so economic distress seems necessary to bring people to their senses and to their knees.

DON'T BORROW YOUR NEIGHBOR'S EAGLE

By BOYCE HOUSE

A man, too stingy to subscribe to his home town paper, sent his little boy to borrow a copy from a neighbor. In his haste, the boy ran over a stand of bees and, in 10 minutes, he looked like a warty summer squash. His father ran to his assistance and, falling to notice the barbed wire fence, ran into that, ruining a \$9 pair of pants.

The old cow took advantage of the gap in the fence, got in the cornfield and killed herself eating green corn. Hearing the commotion, his wife ran out, upset a four gallon churn of cream into a basket of little chickens, drowning the entire batch. In her haste, she dropped a \$35 set of false teeth.

The baby, being left alone, crawled through the cream into the parlor, ruining a brand-new \$50 carpet. During the excitement, the oldest daughter eloped with the hired man, the dog broke up 11 setting hens and the calves got out and chewed the tails off four fine shirts on the clothes line.

Morak: Don't borrow your neighbor's paper; it's too risky.

COUNTY AGENT GONE TO THE SHOW

The County Agent will not be in his office from the 19th of January until Saturday, the 7th of February. He will try and be back in his office on the 7th.

He will follow the following schedule: 19 and 20th of January, County Show, Goldthwaite, Texas; 21 to 27th of January, he will be at the district show at Brownwood. January 28 to February 7th he will be at the Houston Livestock Show, Houston, Texas. After the shows are over the same schedule will be resumed with Saturdays and Mondays office days and the other days spent in the field.

Babson Further Discusses 1948

By ROGER W. BABSON
Washington, D. C. January 15.—In addition to my formal forecasts which were in this newspaper recently, I now want to add something for readers to think over.

GENERAL OUTLOOK
As heretofore stated, 1948 will be much like 1947,—at least up to November 2. With most manufacturing companies enjoying large unfilled orders, there can be no depression in 1948. There, however, will be an increase in

war preparations. This will mean the shifting of employment and credits from one industry to another. For instance, we may expect some slackening in industries devoted wholly to unessential peace work. Industries which were booming during World War II, such as aircraft manufacturing, machine tools and shipbuilding, should pick up again during 1948.

If you are undecided as to how some special business will

Eastex Woman, Going Places For 23 Years, Is Still At It

By FAYE POOLE,
Special Correspondent of
The News.

Gilmer, Texas, Jan. 17—Mrs. P. K. Williams of Gilmer has made travel her hobby for twenty-three years.

Accompanied by Mrs. John N. Peterson of Kilgore, Mrs. Williams will leave Tuesday for New Orleans to board the S.S. Delmar for an 8-weeks cruise to South America. Her itinerary includes stops at St. Thomas, British Isles, Rio de Janeiro, Santos, Montevideo and a 10-day stay in Buenos Aires.

In 1925, faced with ill-health and the family doctor's advice that she needed rest and relaxation, Mrs. Williams was practically pushed by her husband aboard a steamship which took her to Panama and Costa Rica.

Today, Mrs. Williams is glad she took that first trip. It resulted not only in better health, but also other voyages during the intervening years which have brought her friendships over the world. She has gleaned a wealth of knowledge about how the rest of the world looks and lives.

All travel folders suggest, "See America First." Mrs. Williams has succeeded in that. Although her first big trip was to Panama, she has visited every state but Maine, Vermont and New Hampshire.

To Europe in 1937

The longest voyage was one that took her to Europe in 1937 for three months. She visited England, Ireland, France, Germany, Switzerland, Belgium, Italy, Austria and Hungary. In Italy she acquired an exquisite Venetian wedding veil in which two daughters, Mrs. William Yarborough of Goldthwaite and Mrs. Jack Conger of Uvalde, and her daughter-in-law, Mrs. Don Williams, Gilmer, were married.

Dallasites who have traveled with Mrs. Williams are Mrs. R. L. Thornton, Nancy Richey Ranson, Mrs. William Tardy, W. Arthur Strain, Fred L. Haskett, Mr. and Mrs. Sam Lobello and daughter, Mrs. Lucy Burroughs, and Mrs. Rufus Higginbotham.

The Gilmer woman's quarter century of travel reads like a book of geography. She has been to Alaska; to the eastern part of Canada, up the St. Lawrence River to Quebec and Montreal; to the western part of the United States from California through Washington, Yellowstone Park; to Hawaii twice; to Panama again in 1934, this trip including the central part and on to Honduras; to Guatemala in the Caribbean Sea; to Mexico on three tours; and to Sun Valley, Idaho, in 1933. On a 1939 trip to New York, the World's Fair, Washington, D. C., West Point, up the Great Lakes to Niagara Falls, Buffalo and Chicago, Mrs. Williams was accom-

panied by her daughter, Sarah, who met her future husband, Jack Conger, on the cruise.

Meets Old Captain

Last year when Mrs. Williams went back to Panama and Guatemala by boat, she met again, for the first time since her 1925 Panama cruise, the captain of the boat on which she made her first trip. The captain had much to say about the difference in the 1947 world-traveled Mrs. Williams, and the timid, half-sick, lonely little lady he first saw in 1925.

The Gilmerite has taken movies of her trips to Guatemala, Mexico, California and Panama. She has nineteen rolls of film she plans to take in South America.

If a title were in the offing, and contestants those other than military personnel, Mrs. Williams could be termed "East Texas' Most Widely Traveled Person." Her only problem, she says, is "where to go next."
(Dallas Morning News.)

Mrs. Williams is the mother of Mrs. Wm. G. Yarborough of Goldthwaite and is quite well known here by many, as she has visited here with Mr. and Mrs. Yarborough a number of times

MIDWAY

By MRS. COLEY SEVEIR
Despite the inclement weather on January 16th, four ladies ventured out for club work and made two blouses and one doll dress. Mrs. Burns' little daughter said: "Mother, why can't we give a doll shower for my new doll?"—Some idea.

We cut and made two blouses for Mrs. Burns. We plan to do work for our hostess, such as she has need of, this year. Wish more of you ladies could meet with us.

Our next meeting is with Mrs. George Denman Jr., the last Friday in February. Unless hindered, come out.

Mrs. Burns served hot chocolate and muffins to four ladies, two children and the hostess. We are planning a Valentine party for pre-school children February 13, in the afternoon. We'll be looking for all ladies February 6th at Mrs. Denman's.

Mr. and Mrs. Bob Miller and baby Katherine Ann went to Brownwood Saturday.

Mr. and Mrs. Floyd Frazier, Barbara and Barbara Dell Ross of Brownwood visited in the home of Mr. and Mrs. W. C. Frazier.

Gerge Ross, former resident of Goldthwaite, and now of Brownwood, has been moved from the Brownwood Memorial Hospital, where he was for several months for treatment. He is suffering from a broken hip caused from a stroke.

The holiday season is a try to let the rest know what is happening in our way. Here are the new and Mrs. Conrad - a 9 pound boy; Mr. and Mrs. Vess - a boy. Everything fine. Mr. and Mrs. Vess and mother have a boy. Everything fine. Mr. and Mrs. Vess and mother have a boy. Everything fine.

Mr. and Mrs. Vess and mother have a boy. Everything fine.

Mr. and Mrs. Vess and mother have a boy. Everything fine.

Mr. and Mrs. Horace Brooks of Rock Springs community visited with Mr. and Mrs. Geo. Brooks one day last week.

The following are driving different cars the past few weeks - some new - some old - but everyone is glad to have them just the same. Marshal Wash - a pick-up, O. B. Bell, a Buick sedan; Willard Davis - a pick-up; Raymond Wilcox, a pick-up; Tillman Smith, a Chevrolet coach; Luther Jernigan, a Chrysler.

Mr. and Mrs. Ode Wilkey and daughter, Miss Alta Cook, Mr. and Mrs. Cliff Hammonds and children, Mr. and Mrs. M. R. Circle and Mrs. Ethel Davis visited with Mr. and Mrs. Willard Davis and baby last week. Mrs. Ethel Davis stayed for a few days.

Mr. and Mrs. Arthur Wilcox went to Temple last week to see her brother, Darwin Ledbetter, who is in the McCloskey hospital there. He is doing nicely and may get to go home soon.

Grandma Smith is spending the week at Mullin taking care of the little grandson.

Perry Cloud went to Brownwood Monday after a cow. Willard Davis, Barney Edminson and Raymond Wilcox were also in Brownwood attending to business.

Mr. and Mrs. Jimmy Lenohard visited in the home of her mother, Mrs. George Brooks, this week.

Rev. and Mrs. C. F. Cloud were visiting in the Valley recently.

The Jones Valley Home Demonstration Club met with Pauline Kuykendall Tuesday.

Art And Civic Club

January 1, 1948, the Art and Civic Club started the New Year by meeting in the home of Mrs. Jesse Moreland. After the business meeting, the leader, Mrs. Marvin Hodges, opened the program by giving several very interesting topics from the Territorial Magazine, "Alaska Life." Mrs. Voyd Lee Doggett then reviewed the Editorial, "A Congressman's View of Alaska." This article was then discussed by the club. The program was closed by Mrs. Jim Weatherby's interesting and educational talk on "January in Seattle." The club then compared our January to theirs.

Mrs. Moreland served a delicious refreshment plate.

Thirty-five men gathered at the Baptist Educational Building Friday night for a Brotherhood meeting.

Mr. and Mrs. Walker visited several days last week in the home of their son, Jerry Walker. They left for their home at Rising Star Saturday.

Rev. and Mrs. Joe Emery, who are students of the Baptist Seminary at Fort Worth, returned home Friday to see after official business. Bro. Emery filled the pulpit Sunday.

GOLDTHWAITE, TEXAS

THE NEW FEDERALLY INSURED FARM MORTGAGE LOANS

The first insured loan in Texas was made to Mr. and Mrs. Alfred Churchwell in San Saba County on December 9, when the check for the loan was delivered to Mr. Churchwell by Mr. Dofflemeyer, President of the San Saba National Bank. The new federally insured farm mortgage program of the Farmers Home Administration is now in effect throughout the country. George M. Dorman, County Supervisor for Mills and Brown Counties, said today. Three applications for such loans to buy farms have been received so far in this county.

Mr. Dorman explained that this new program supplements rather

than substitutes for the agency's direct farm purchase program in operation for the past ten years. The insured loans are advanced by private lenders.

Applications are accepted from qualified veterans and from tenants, share-croppers, farm laborers and owners of inadequate or underimproved farms—must have farming experience and be of good character. He must know of a suitable place he can buy at a reasonable price, and be able to pay down at least 10 per cent of the price of the farm and of the cost of any needed improvements. This 10 per cent investment gives him an equity in the place. He borrows the remaining 90 per cent from a private lender such as a bank, insurance company, investment firm or individual, and the Farmers Home Administration guarantees the loan's repayment.

The farmer has 40 years to pay off the loan, if he needs that long, and he pays 2 1/2 per cent interest. In addition he pays 1 per cent mortgage charge at the beginning of each year, including the first, to the Farmers Home Administration. The farm he selects to buy must be appraised on the basis of long-time average prices for farm products, to be sure it is worth what it costs.

We lean heavily on county committeemen for advice and assistance in insuring loans," Mr. Dorman said, "just as we do in making direct loans. In the matter of farm purchases the committee certifies as to a farm's sound value, and passes on the applicant's qualifications. Committee members for Mills County are Oran Carothers, Edgar L. Burkett, and Frank R. Hines.

CARD OF THANKS

We take this method of thanking our many friends for the kindness and words of comfort in our recent bereavement.

The many acts of kindness and expressions of sympathy has helped us to bear our burdens. We also want to express our thanks for the beautiful floral offerings.

May God's richest blessings abide with you.

Mrs. Will Roberts
Mrs. T. J. Burks and Family
Mr. and Mrs. A. B. Neal

Wildlife Protective Association Calls Statewide Meeting Jan. 26-27

Fredericksburg, Jan. 20—The Gillespie County Game and Fish Protective Association, with headquarters in Fredericksburg, Texas, has called a State-wide meeting for

January 26th and 27th, for the purpose of organizing a State-wide Wild Life Protective Association.

General discussions will be had by those in attendance concerning protection and preservation of wild game and fish, building of public preserves for hunting and fishing, relief to the small farmer whose crops are destroyed by deer and relief for the large rancher who is constantly annoyed with the law violator. In short, it is an open forum to hear the problems confronting all of Texas and outline a plan of correction.

Tom Martin, Fredericksburg, Representative of the 88th District of Texas, has invited

the entire House and Senate to attend. Many have accepted. "Our game laws must be streamlined, we have out-grown them, we hope to enact new and more up to date game and fish laws next year, we can only do this by hearing and understanding the problems of people from all sections of the State. Our tastes are diversified, we have the small boy with his target, the Commercial Fisherman with his problems and the hunter who leases a large ranch but there is room for everyone. We must get together and formulate a plan for the good of all," says Martin. "Among legislative changes contemplated and thoroughly discussed will be a regulatory act that will enable the Game Department to provide protective measures to preserve the game we have. Any and every one interested in the wild life of this State, whether it be from a commercial or a sportsman viewpoint, should attend this meeting. Let's begin to put our State in the class it belongs. Everyone interested in this subject matter is invited and urged to attend." Martin said.

'UNIVERSAL FARMER' HAS LOCAL STORIES

"Universal Farmer", a magazine distributed in this area by H. E. Moreland and Son recently carried stories of local interest.

One concerned the Welch Turkey Farm located east of Goldthwaite.

The story related in part: "Take a look at your map of Texas. Not far from the geographical center of the state you will find the county of Hamilton and right down in the most southern tip of that county is one of the most outstanding Broad Breasted Bronze turkey farms anywhere in the Southwest. It is the 266-acre farm of Mr. and Mrs. J. D. Welch. The Welches are native to that section of Texas. Mrs. Welch was born there and Mr. Welch migrated from adjoining Mills county.

If you are interested in turkeys and would like to see what enthusiasm, hard work and determination are doing for Mr. and Mrs. Welch it will pay you to make a trip to their farm. It is just off the main east-west highway No. 84, about 10 miles west of Evant and 15 miles east of Goldthwaite. Just east of the little town of Star, which is the Welches post office, you'll see a road sign marked "Hurst Ranch Cemetery" and that is where you turn south off the main highway. About three miles down the road is the Welch farm. . . and you can't miss it. You'll recognize it by the neat little farm home on the right and the big barn just across the road.

Jimmy Welch . . . that's what his friends call him . . . started raising turkeys when he was 15 years old and he hasn't missed a year since. He and Mrs. Welch took over their present farm in 1921 and they set out at that time to make turkey raising their principal business. Their idea was to start in a small way and grow with the years. They have never gone in for expensive equipment but you will have to go a long way to find better or healthier birds than you will see on the Welch farm."

Other items of interest to local readers was soil conservation work is the Brown-Mills District headed by W. L. Garner and Ben R. Day, known here for their outstanding work in that field.

WAREHOUSE EXAMINER

The Civil Service Commission announced today an examination for filling Warehouse Examiner positions in the Department of Agriculture, located throughout the United States. The salaries are \$2,644, \$3,397, and \$4,140 a year. To qualify for these positions, applicant must have had from 3 to 5 years' responsible experience in managing a grain warehouse or elevator or in inspecting grain.

Further information may be obtained from the Commission's Local Secretary, Lucile Fairman, located at the Goldthwaite Post

A Winning Combination

It has always been our policy to give service SECOND TO NONE. Products of the Humble Company are likewise second to none. Together they make a winning combination every time. We're proud to announce such a combination at our station; to tell you that a Humble sign hangs over our station now; that we're selling Humble Products.

You're Invited to Try Esso Extra

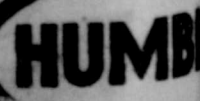

We invite our friends and neighbors to try Humble Products. ESSO EXTRA, from Humble's great Baytown Refinery and the same high quality product all over Texas, is the best gasoline you ever used. And Humble's other products—Esso and 997 motor oils; greases and lubricants,—all are products unexcelled in quality and performance. Like thousands of other Texans, you'll be sold on Humble Products too.

A Clean Station—Courteous Service

We're mighty proud of our new products, and we're even more determined than ever to match them with a clean station and give you efficient, courteous, complete service. You'll get just that; when we do a job for you, it'll be done right. You'll get the products and services that keep your car running right and make driving a pleasure.

THOMAS SERVICE STATION

FISHER STREET AT SECOND

Mills County Veterans' Vocational School

Goal to get in this vocational training is more than just a job for individuals. The intensive training in particular agriculture, carpentry, construction, business methods, salesmanship, bookkeeping, etc. It presents one of the best answers to problems of every just a the accelerated training programs provided of the best answers to winning the war. This type of training provides a direct means to definite end. A major portion of war losses are training losses, at least as they affect recovery. Business is a matter of leadership and better. It is the purpose of this school to go direct to the needs of the individual stu-

dents regardless of the occupation or vocation in which he is engaged and to eliminate the nonessential subjects. We need the attendance of all who are eligible for any courses offered in the Vocational School. Other courses could be started if sufficient interest is manifested in any particular one. Veterans interested in mechanical courses or any other course where sufficient numbers could be enrolled to make up a teaching unit—10 to 15 pupils.

In the Distributive Education classes, taught by Raymond Williams and Oscar Swindle, attendance and interest have been good. But we could use a few more students and we invite you to come in and see Mr. Conrad, county coordinator, or either of the instructors mentioned above. For other courses see the Coordinator or the instructor in charge of the particular course in which you are interested. The recent cold weather has interfered with all our classes to some extent but we are all "steamed up" for a new start now.

Agriculture class down at Star,

under supervision of Oran Carothers has been doing some experimental work winterproofing goats with oil during the past week, on the Hershel Williams farm. The class also plans to try this same oil winterproofing on sheep this week. Next week they plan to build some buzzard traps to eliminate buzzards before the lambing season. Mr. Carothers explains that the large black buzzard with white wing tip is the most destructive to lambs. Early in February the class will do some experimental work in grass projects and studies in propagation new types of grass, for pastures or grazing purposes, on the Owens Ranch. Classrooms are now equipped with tables and we hope to get our new buildings ready and install new shop equipment.

Similar work has been conducted in the classes taught by Mr. Ford, Mr. Duren and Mr. Conrad at that outlined by Mr. Carothers. So it is not necessary to outline in detail the things they have been doing, since it is all a cooperative program.

One very important thing that has been done by all the agri-

cultural classes is the testing of cattle for "Bangs" disease. Tests were conducted at various places in the county during December and several active cases of the disease were found. On Friday of this week, Jan 23, other tests will be made on any farm desiring such tests regardless of whether it is a student farmer. The cost is very small, being only \$1.00 per head for "Bangs" disease and 75 cents for each animal tested for T. B. If interested you should contact any of the instructors in agriculture or Mr. Conrad, county coordinator. Apply at once as there will not be another chance soon for these tests.

The work in carpentry and the building trades has been going along nicely with Mr. Locklear, in so far as the weather would permit. He has a number of projects under way and his classes are making good progress. He also could use some more students.

Students in agriculture are very busy setting up a new system of record-keeping. New record books have just been received and issued to students. The instructors, as well as students, are hoping these new records will add to the efficiency and ease of record keeping on the farm.

Mr. Williams and Mr. Swindle will attend a Vocation Teachers' meeting at Llano, Friday.

CORRECTION
In an article in last week's Eagle announcing that J. Oscar Swindle of Brownwood had accepted a position with the Mills

MULLIN SCHOOL BURGULARIZED

(Mullin Enterprise)
Supt. W. B. Williams went to the School well Monday night at ten o'clock to cut the water off. He heard a noise and called and was answered by a shot, and a man ordered him to "Go"—he jumped in his auto and went down for Mr. Moore and Tip Eaton. When they reached the school building the office had been broken into and a filing cabinet damaged, also a small amount of money taken. A nice Butane stove had been disconnected and put outside the building; evidently the thief left hurriedly, so failed to get the stove.

Sheriff Wiley Mahan and finger-print experts have been here investigating the case.

MANEUVER AREA WINS

Judge J. L. Patterson, J. Y. Tullos, K. B. Henry, A. G. Wasserman, and Dale Reid were among those who represented Mills County Thursday at Austin at the Texas Game, Fish and Oyster Commission. It was

County Vocational School here as Instructor in the Distributive Education class, the heading erroneously read "School Director." Charles Conrad is the Coordinator for the Mills County Vocational School.

voted to release the maneuver area consisting of more than 50,000 acres. This was good news to the people of this area and Brown County, as many of the land owners wanted their homes and ranches, and will buy them back from the government.

The area had formerly been proposed for a game preserve.

Art And Civic Club

January 15, 1948 the Art and Civic Club met in the home of Mrs. Charles Conrad.

Our course of study this year is Alaska. Mrs. V. Lee Doggett as leader, told of the country as a whole, showed some Alaskan newspapers, a picture of the U.S. flag and where the star would be placed when Alaska came into statehood.

Mrs. Phillip Nickols told of Anchorage, the nerve center of Alaska.

Mrs. Jessie Moreland's part was on Anchorage in July, and during that month it was indeed the "Hallelujah town."

During the business hour the club reported buying a \$5.00 Christmas Seal Bond. Mrs. Jesse J. Saegert was appointed as extension secretary to foreign clubs. And Mrs. Jim Weatherby as Mills County Commander on Cancer.

The following officers for 1948-1949 were elected:

President, Mrs. Jim Weatherby.

Vice-President, Mrs. H. E. Patton.

Rec. Secy., Mrs. Voyd L. Doggett.

Cor.-Secy., Mrs. Jesse More-

land.
Treasurer, Mrs. Parker E. Shaw.
Reporter, Mrs. Charles Conrad.
Parliamentarian, Mrs. Jacob H. Saylor.
Assistant Reporter.

THEY ALSO NEED TO LEARN CHRIST'S WAY. BRING THE CHILDREN TO CHURCH SCHOOL

AMERICA NEEDS RELIGION

Freedom of the human will makes religion an "elective", and that is as it should be. But too many people have voted to leave it alone.

There was a time when a state church had responsibility for the religious training of all citizens. We have decided—rightly so—that it is not the function of the state to sponsor a religion.

There are a good many cracks in the wall; increasing juvenile delinquency, an alarming divorce rate, a distressing number of alcoholics, frequent tragic consequences of trial and error living on the part of many youth.

It seems clear that our way of life will go to pieces unless we keep the resources of religion strong. We have reached the point that calls for action. One of the best ways to encourage religion is to teach children and youth to practice it.

The churches throughout our nation are stressing the importance of religious education. They should have the support and cooperation of every intelligent citizen.

THE COMPETITIVE SYSTEM IS WORKING

Congress' "inflation control" bill will not pull the props from beneath high prices. That is an obvious impossibility so long as such factors as government spending, wages, and consumer purchasing power remain at present levels.

The advocates of iron clad, police state price control and rationing claim that this is totally inadequate. What they don't point out is that involuntary controls would mean the eventual death of the competitive, supply-and-demand system.

The price charged under the competitive system is the honest price, based on production costs. And competition sees to it that it is the lowest possible price.

LOOKING BACKWARD THROUGH EAGLE FILES

TEN YEARS AGO

(Taken from Eagle file of January 28, 1938)
Dr. J. M. Campbell went to Meridian Monday and brought his mother, Mrs. G. M. Campbell, back with him for a visit. She will celebrate her 90th birthday next Sunday.

Mrs. John Patterson was carried to the hospital at Gorman for an examination Saturday. She came home Sunday afternoon.
Mr. and Mrs. Frank Crowder and Neuma, and Mrs. J. C. Crowder and Ed Crowder, J. R. Wilmett, Mrs. J. R. Briley, Mr. and Mrs. Wood Roberts, and Mr. and Mrs. Charlie Roberts attended the funeral of Bub Ratliff at Brownwood Sunday afternoon.

Sam Porter and family spent Saturday night in Lometa with friends.
Jim Hamilton and Will Rosen were out hunting in the North Bennett Community last week.

Dr. and Mrs. J. E. Brookings went to San Antonio Monday to attend the International Post Graduate Medical Assembly of Texas. They will return today.
H. G. Bodkin and Wiley Mahan spent several days in Hobbs, New Mexico this week on business.

Thirty Years Ago

(Taken from Eagle Files for January 28, 1918)
Miss Willie Taylor arrived from Portales N. M., Monday night for a visit to her sisters, Mesdames Harry Martin and F. P. Bowman.

Marvin Hancock has had a case of German measles this week.
Jake Benningfield, late of South Bennett community, has located near Alvoid, where he has purchased a farm.

W. J. Hopper of Priddy came in Tuesday morning from Temple where he had been with his little grandson, who was placed in the sanitarium for treatment.
John Malone was a visitor to Temple the early part of the week, to see Dr. Caraway.

R. L. Geeslin and family have moved from the Caradan community to Yuma, Arizona.
S. J. Batchelor died at his home near Caradan Saturday morning.

Prof. A. H. Daniel, superintendent of the Mullin school, was a business visitor to this city last Saturday.
S. J. Tullos made a business visit to Broynwood the first of the week.

45 YEARS AGO

(Taken from Eagle file of January 31, 1903)
Z. D. Kemp is off on a business trip to the Indian Territory.

Miss Bessie Davis spent Saturday and Sunday with Miss Mae Boulter.
One night last week Jess Crockett, Miss Willie Reed, Rufe Martin, Miss Mae Whitten, Al Rogers and Miss Pearl Reed attended a dance at the residence of Mr. and Mrs. Christians' in the Mountain Creek community and report a nice time. Came in home in time for breakfast next morning.

Noth Reed is making preparation to leave for Mexico the last of the month.
Marvin Rudd, John and Elmo Berry were visitors at North Brown Saturday and Sunday.

Monroe and Ernest Fletcher find some attraction in Goldthwaite.
J. W. Perkins is very busy fixing his irrigation works.
Frank Wash of San Saba County has moved to Hanna Valley on B. F. Eubank's farm.

Tom Rouse and Oscar Allredge have the Arizona fever.
Miss Emily Haas visited home folks Wednesday evening.
Julius Kauhs is all smiles this week, on account of the arrival of a fine son at his house.

Jim Walker of San Saba County visited Tim Davenport this week.
S. B. Howard, who is arranging to irrigate his farm on the river, was in town Wednesday and made the Eagle a short call.

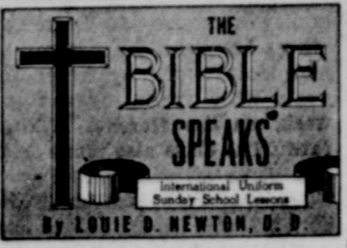

A. C. Lewis and his son, Len, left this week for Brady.
Chas. Knight has returned from a protracted stay in Oklahoma.

Miss Effie Hester spent last Saturday and Sunday with relatives in Comanche.
Dr. H. E. Brown and wife of Lometa spent a day or two in this city visiting his relatives.

FOR RENT—A three room dwelling, Hydrant water. J. D. Urquhart.
J. W. Young and R. H. Has-haw were two of the Big Valley citizens who had business in this city Thursday.

Leon Harris made a trip to Gainsville this week. He has a large bunch of steers on feed at the oil mill at that place.
Mrs. W. R. Hester was expected home last night from a visit to relatives in Comanche, where she was called by the serious sickness of her mother.

A. R. Cozier of Star sends in a renewal of his subscription to the Eagle this week.
Henry Rahl is building a black smith shop on the lot between the J. D. Sexton building and J. L. Lewis office.
John Geddes was one of the good farmers of Pleasant Grove who visited this city.

SCRIPTURE: II Corinthians 5:20 to 6:10; Hebrews 11. DEVOTIONAL READING: Romans 12:9-21.

When We Work With God

Lesson for January 25, 1948

DR. E. STANLEY JONES was in Atlanta on one of his several visits, and some of us were asking him about his notable and unique experience as a missionary in the Orient.

Paul would have been enheartened in the day that he wrote II Corinthians 5:20 to 6:10, and Romans 12:9-21, to have heard someone talk as Dr. Jones talked that afternoon, for in our lesson for Sunday, Paul is summoning every Christian to the highest possible commitment to the will of God as we go forth in the task to beseech all men to be reconciled unto God through Jesus Christ, who hath taken upon himself the iniquity of us all.

Thus we come to see the significance and the meaning of the memory verse for Sunday's lesson, "We are fellow workmen for God," I Corinthians 3:9.

PEOPLE WHO WORK WITH GOD

READ Hebrews' 11th chapter for a picture of some of the noble souls who really worked with God, by faith, as the writer delights to put it.
Abraham, for example, "went out, not knowing whither he went," but when he came to the end of life's day, he was accounted the friend of God. Moses, "choosing rather to suffer affliction with the people of God, than to enjoy the pleasures of sin for a season, esteeming the reproach of Christ greater riches than the treasures of Egypt, endured as seeing him who is invisible."

HOW WE WORK WITH GOD

READ again that eleventh chapter of Romans to discover how the men and women named there worked with God. Two words will quickly come to light—faith and obedience. They believed God, and they obeyed God. Junior boys and girls will do well to recall some of the heroes of history—men like Washington and Lincoln and Lee—who obeyed God. Remember the story of Washington kneeling in prayer in the snow at Valley Forge!

We cannot work with God unless and until we believe and obey him. "Can two walk together except they be agreed?" You cannot please your earthly father unless you believe him and obey him.

GOOD WORKMEN ESSENTIAL

WE COME now to the deeper implications of the lesson, revealed in II Corinthians 5:20 to 6:10. We then, as workers together with him, beseech you also that ye receive not the grace of God in vain; but in all things approving ourselves in much patience, in afflictions, in distresses, in watchings, by kindness, by love unfeigned, by the power of God.

Here is the acid test of being the work of an ambassador of Christ—we must first be fully committed to him before we can persuade others to accept him as Saviour and Lord. We shall not have better homes and better churches until we first have better Christians. We shall not have better business until we first have better business men.

JOY OF WORKING WITH GOD

WHY did Dr. E. Stanley Jones answer so quickly about giving a thousand lives to the benighted, wistful souls of Asia? Because he had discovered the unspeakable joy of working with God in reconciling men unto him. The largest, surest wages in this world is the experience of working for and with God. "What I kept, I lost; what I gave, I have."

Do you believe it? It is difficult to believe until you try it. Indeed, I would say that it is beyond all imagination to grasp the meaning of working with God. You have to take Christ at exactly what he meant when he said, "Come and see."

"When we walk with the Lord, in the light of his word, what a glory he sheds on our way!"

ALLEN POE
 Allen is the oldest son of Mr. and Mrs. Avery Poe of the Hurst Ranch community. He has dark hair and brown eyes, stands five feet and five inches. He has spent most of his school years at Star.

Allen is a very active member of the 4-H Club. He has won several ribbons and had the Grand Champion calf of San Angelo Show last year. He was given a banquet by the Lion's Club and by Star friends. He received a gold cup at the banquet.

Allen is also active in sports, playing mostly football. He also enjoys playing volleyball, softball and basketball. His favorite food is chocolate pudding.

Allen was chosen by Christine for her escort as Hallowe'en king both this year and last year.

'Success' is his goal, and we all hope he reaches it. Likes best—4-H Club work. Dislikes—Grippy people. Ambition—To go to A&M.

CHRISTINE RICKEL

The one you'll enjoy meeting is Christine, the attractive daughter of Mrs. W. J. Rickel of the McGirk community. With her personality plus, her sweetness, and kindness to everyone, she is well liked by the teachers and complete student body. Christine has long wavy blonde hair and blueish-green eyes. Her height is five feet and four inches.

Christine is very popular on the campus, taking part in all school activities. She has no special sport because she enjoys playing all of them. Her favorite summer sports are swimming and bicycling. She loves to skate. Her favorite foods are banana pudding and anything that is coconut.

Last year Christine was chosen a cheer leader for the Pep Squad, who really did her part in the cheering of the football boys. She was elected a candidate for Hallowe'en Queen for the Sophomore class. She and David Beard were elected the High School Favorites and she was also elected the Sophomore Class Favorite for the annuals.

This year Christine was a candidate for Hallowe'en Queen, and the struggling of her friends and classmates, she won over the rest of the candidates. She was also elected one of the flag bearers for the Pep Squad. Christine doesn't definitely know what her future plans will be after she finishes college, but we wish her a life-long success.

Likes best—Riding roller-coasters and go airplane riding. Dislikes—Uncooperative people.

SPORTS

We started our first Conference game with Lometa last Tuesday night, January 13. After a hard tussel, Star girls won with the scores of 41-20. We are sorry to say the boys lost by two points.

Last Friday night January 16, we went to Mullin for our second Conference game. Our girls and boys are very proud to say "We won". The girls scores were 17-11 and the boys scores were 35-26.

Our next Conference game will be January 23. We will play Priddy at Pottsville and we hope to have a large crowd roaring for the Tigers.

JUNIOR NEWS

We Juniors had a very nice week-end. We hope everyone else did too.

We have two new students entering some of our classes. Welcome Kenneth and Vernell Doss.

A report came that Jerry Collier, one of our Junior students, is moving to Thorton, Texas next week. We are sorry we have to lose her, but we wish her luck.

SOPHOMORE NEWS

By Frances Beard
 The Sophomores were happy to have a new class member, Vernell Doss. We wish to make her welcome.

We had another new class member a while ago that we

didn't mention. She is Janet Cummins. Although she is taking some subjects with other classes, she is still a Sophomore. Vernell's brother, Kenneth Doss, is taking Grammar with us.

We are proud to state that our class had a high average on our mid-term grades.

Some of our members are out of school attending the Stock Show at Goldthwaite (not this week), Brownwood, and Houston. We wish them luck.

FRESHMAN NEWS

We have started a new term now and are glancing toward new horizons. (Final tests.)

The freshmen are proud of the basketball players this year. Best of luck to you and plenty of it.

We have a new pupil in our World History and General Science. We are proud to welcome Vernell Doss to our class.

We are going to get our Poetry books in English sometime next week. The largest percent are anxious to start studying poetry for a change.

DOWN ANNA MAE'S ALLEY

Billy and Dorothy, Bruce and Laveta were seen together Saturday night.

Gwen, Anna Mae hears that Charles had to work this week-end. Cupid had better get to work.

It seems as if Billy and Anita, Jerry and Joyce, were enjoying themselves Friday night. Keep it up, kids.

Freda and Garland, Mary Leigh and Doyle were to gether Saturday night. This is getting to be a habit.

Velda, we hear you went with Charles B. Saturday night and Majorie went with Toby B.

Jerry and R. G. seemed to be having a little trouble Friday night. Maybe Cupid can help.

Geraldine, you and Buck make a cute couple.

SONG DEDICATIONS

To Freda and Garland—"Signed, Sealed and Delivered."
 Billy B. to Anita—"Saturday Night."

Jerry to Joyce—"I'm Beginning to See the Light."
 Velda W. to Wendell—"Beg Your Pardon."

Janetha to J. O.—"The Best Things of Life are Free."
 Janet to Thomas—"Just a Little Love Affair."

M. Jo to Billy L.—"How Soon."
 Gwen to Charles—"Always."
 Floy to Dizzy—"Rumers are Flying."

Lola to Dudley—"I Wish I didn't Love You So."
 Edward to Velda—"Today."
 Doyle to Mary Lee—"Wait For Me Mary."

Royce to Emmett—"Till The End of Time."
 Richard F. to Billy G.—"Shoo Fly Pie."

Mrs. J. C. Martin and Mrs. W. E. Thompson and Bill Potter, all of Brownwood, visited the first of this week with their mother, Mrs. W. B. Potter.

Mr. and Mrs. Walter Weatherby spent a few days in Dallas the first of this week.

Mr. and Mrs. Charles Boyd and Mary Alice of Tuscola were week-end guests of her sister, Mrs. Tom Collier, and other relatives.

Last Friday Mr. and Mrs. Arthur Cline, Mr. and Mrs. Ted Vance and Mrs. Fred Stephens made a business trip to Dallas.

Mrs. J. M. Campbell left Friday for San Antonio to spend the week with her sisters; while there she will attend the wedding of her niece.

Mr. and Mrs. Lloyd Laughlin and Nan of Lometa spent Saturday night with her parents, Mr. and Mrs. Bruce Burnett.

Mrs. Frank Overstreet of Kerrville spent a week with Mr. and Mrs. G. H. Frizzell and other relatives.

Mrs. D. D. Tate was able to be brought home Friday from the Medical Arts Hospital at Brownwood after being there for over four weeks. She underwent a major operation and is now slowly recuperating.

W. M. ROBERTS

Willie M. Roberts, 52, a life-long resident of Mills County, and rural mail carrier out of Goldthwaite until he retired on account of bad health several years ago, died last Friday morning. He had been in bad health for several years.

Mr. Roberts was buried in the Mt. Olive Cemetery Saturday afternoon. Funeral services were conducted by Rev. Alvin Chambers, pastor of the Mt. Olive Primitive Baptist Church, and a lifelong friend, and the Rev. Joe L. Emery, pastor of the First Baptist Church of Goldthwaite, last Saturday at 3 p. m., and interment followed beside his father and mother in the cemetery near the church.

Will Roberts was born Jan. 9, 1896, in Carbon Hill, Ala., his family moving here the same year, and he has lived in Mills County the remainder of his life.

In 1910 he was converted and united with the Primitive Baptist Church, and for several years he preached the gospel. Mr. Roberts served in both World Wars as a volunteer and was Chaplain of the local American Legion Post at the time of his death. He was also a member of the Odd Fellows and Masonic Lodges, and Masons had charge of the burial service at the graveside.

Mr. Roberts was preceded in death by his father and mother and five brothers and three sisters. He is survived by his wid-

ow; two sisters, Mr. T. J. Burkes and Mrs. A. B. Neal of Caradan, and numerous nieces and nephews.

A large number of friends from all parts of Mills County as well as other places mourn his passing.

AGRONOMIST FROM INDIA VISITS BROWN-MILLS SOIL MEETING

Dr. I. J. Kalankar, Agronomist with the Government of India, visited the regular meeting of the Brown-Mills Soil Conservation District Supervisors at Brownwood, January 13th. Dr. Kalankar, who received his Ph.D. from the University of London, is one of seven officers sent by the Government of India to study soil conservation in the United States. Dr. Kalankar is visiting this area with the view of studying the various practices used in soil and water conservation. While here he visited the farm of Vernon Carr, Brooksmith, and studied Mr. Carr's technique of planting Madrid Sweet Clover, which Dr. Kalankar stated seems to be a promising crop in this area. At the Supervisor's meeting, Dr. Kalankar expressed great satisfaction at the way in which the farmers get together and solve their own problems with the technical assistance of the Soil Conservation Service. Dr. Kalan-

kar was particularly interested to see the coordination between the Soil Conservation Service and the Extension Service in the furtherance of conservation work.

Dr. Kalankar, who has been in this country the past eight months, plans to visit Tulsa, Texas, and then the State of Washington. From there Dr. Kalankar will go to Washington, D. C., before his trip back home to India.

The Brown-Mills Soil Conservation District Supervisors appreciated Dr. Kalankar attending their regular meeting.

Mr. and Mrs. Walter Reed of Lometa spent Sunday with her mother, Mrs. F. D. Webb.

Mrs. J. T. Morris, who had been in Beverly Hills Hospital in Dallas for the past month, was brought home Sunday, and is getting along nicely.

Mrs. Will Roberts accompanied her mother, Mrs. J. F. Henderson, and sister, Miss Myrtle Henderson, to their home in Lamesa Tuesday, where she will spend a month. Mrs. Roberts will also visit a sister in Big Spring.

Mr. and Mrs. Floyd Henderson of Terrell were here last weekend to attend the funeral of his brother-in-law Will Roberts.

Miss Maxine Gesslin left recently for Sonora, where she has accepted a position as office nurse for Dr. Chas. Brown. Miss Gesslin writes she likes the work.

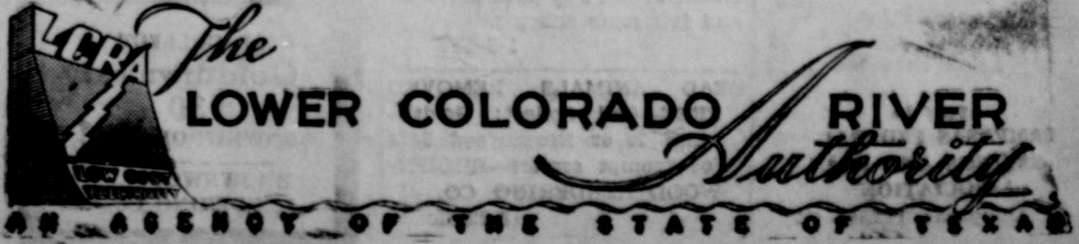

● WHY, the way electricity comes when you flip a switch! How quick is a wink? Well, scientists have clocked it at 1/300th of a second. But electricity arrives 1/10,000,000th of a second after you make that contact. That's speed! That's service!

And it's not only quick service, it's dependable service, too. Day and night, summer and winter, around the clock and calendar, electricity is ready and waiting.

Keeping it that way takes plenty of practical planning, plenty of skilled and experienced people. Yes, and it takes plenty of equipment that's hard to get these days, too.

That's why today, in spite of rising costs in living, the average family is getting twice as much electricity for its money as it did before the Lower Colorado River Authority's low-cost power was made available. That's why electricity is the smallest item in the family budget.

For Better Living... Go All Electric the Modern Way!

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood bark by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

TO RELIEVE **SORE THROAT**

W. E. SUMMY,
County Clerk.

U. S. farmers grow 92 percent of all the peanuts in North America.

**Jones Valley
H. D. CLUB**
(Written for last week)
The first meeting of this new year was Tuesday, January 13, with Mrs. B. L. Kuykendall. The president, Mrs. Albert Tully, called the house to order at 2 o'clock. The new Yearbooks were issued.

For the opening exercise, Mrs. Harvey Hale lead the group in a word of prayer. Roll calls answered by "what I can do to make my club a good club." Mrs. Tully appointed the following Standing Committees: Finance, Mrs. Glenn Nickols. Yearbook, Mrs. Harvey Hale. Education Expansion, Mrs. O. B. Bell. Marketing, Mrs. Delton Barnett.

Exhibit, Mrs. B. L. Kuykendall. Recreation, Mrs. J. D. Berry. A special committee reported about the club starting a club library. It was decided that each member receive enough reading material in their own homes. Therefore, a motion was made to discontinue plans to subscribe for the magazines and the starting of a club library. The motion carried.

A report of the January council meeting was given. The recommendation from the Recreation, Expansion and Finance Committees were read and adopted. Three reading certificates were issued to Mrs. Harvey Hale, Mrs. Delton Barnett and Mrs. Albert Tully.

Mrs. Haensch gave a preview of the year's work. We filled out the New Yearbook. Each member was more than glad to pay five cents to help cover the cost. The duties of the president, vice-president and parliamentarian were read. Also the responsibilities of the council delegate and duties of reporter were stated. After this discussion, each member has a clearer idea of the work that is ahead this year.

B.F. Goodrich Gives you MORE

MORE FOR YOUR OLD TIRES
You'll get a stand-out bargain when you purchase new B.F. Goodrich Silvertowns for your car. We'll give you a most liberal trade-in allowance for your old tires on new Silvertowns.

MORE IN YOUR NEW TIRES
Silvertowns give more mileage because they are built with the broader-faced tread. Silvertowns give more safety because the stronger cord body resists road shocks better.

Jack Long Service Station

B.F. Goodrich FIRST IN RUBBER

The president appointed a special committee consisting of chairman, Mrs. Arthur Wilcox and Mrs. Delton Barnett to fill out the programs in the Yearbook. This will be complete by our next meeting.

The meeting adjourned to meet Tuesday, January 27 at 2 o'clock with Mrs. Delton Barnett. At this time the yearly dues of \$1.00 per member will be paid.

For recreation several games were played. The hostess served cookies and coffee to 8 members, 3 children and the C. H. D. A.—Reporter.

The Texas Safety Association reminds drivers that DEATH hides behind an obstructed view—a building—a fence—a signboard—anything. Slow down so that you can stop quickly if necessary.

NEW DODGE "Job-Rated" TRUCKS

NEW "Pilot-House" Cabs with all-round vision

Higher and wider windshield and windows give the driver real "Pilot-House" vision... in all directions! It's all-round vision, still further augmented by newly available rear quarter windows. They're the safest truck cabs ever built, too, with welded all-steel construction. Their comfort is almost unbelievable. Take a ride... and you'll feel that you're "sitting on top of the world"... with all the road yours to command.

NEW All-Weather Ventilation
Real comfort at ten below or a hundred above! That's because of an ingenious combination of truck heater, defroster vents, vent windows, cow ventilator and a new fresh air intake from the radiator grille. It's the finest "All-Weather" heating and ventilating system available in any truck cab.

NEW Ease of Handling
You enjoy remarkable new ease of handling and driving in these new trucks. You can turn them in much smaller circles... the same size circle either right or left. You can park, or back up to platforms, with greater ease. With this shorter turning, you also get full-size bodies, longer cabs, better weight distribution.

NEW Comfort

- PLENTY OF HEADROOM.
- STEERING WHEEL... right in driver's lap.
- NATURAL BACK SUPPORT... adjustable for maximum comfort.
- PROPER LEG SUPPORT... under the knees where you need it.
- CHAIR-HEIGHT SEATS... just like you have at home.
- "AIR-O-RIDE" CUSHIONS... adjustable to weight of driver and road conditions.
- 7-INCH SEAT ADJUSTMENT... convenient hand control.

IN ALL, 248 BASIC CHASSIS MODELS UP TO 23,000 POUNDS G. V. W. ... UP TO 40,000 POUNDS G. T. W.

OPEN HOUSE

Mrs. C. F. Stubblefield and Miss Polly, will hold open house on Saturday, January 24th, from four to six p. m., honoring Mr. and Mrs. Louvell Sides with a miscellaneous wedding shower. All of their friends are cordially invited to attend.

Pie and Cake sale Sat., Jan. 24th, at Campbell Butane, sponsored by Circle No. 11 of Methodist Church.

STAR NEWS

By MRS. A. B. SOULES Well, here it is cold and raining, ice all over everything. All we can do is sit by the fire this kind of weather.

Mr. and Mrs. O. J. Lee and baby and Mr. and Mrs. Pat Patterson and children spent Sunday in the home of their parents Mr. and Mrs. Will Jent.

Mr. and Mrs. A. B. Soules are the proud grandparents of a new grand-daughter born to Mr. and Mrs. Alton D. Soules of Waco weighing eight and one-half pounds, named Kay Lynn. Mr. and Mrs. Weldon Edwards and son, Weldon Linn, spent the week-end in the home of Mr. and Mrs. John Soules and daughter, Billie Gale, and Mrs. Ed Hamilton and other relatives and friends.

Granny Hamilton is still improving very much. Mr. Hud Hamilton spent one day last week-end in the home of Mr. and Mrs. John Hamilton and Granny Hamilton.

Miss Ione Waddell of San Antonio spent the week-end in the home of her mother, Mrs. Hazel Waddell.

JOHN RILEY LEE

(The Mullin Enterprise) Born Mar. 22, 1880 in Travis County - died Jan. 13, 1948 at Port Lavaca. His father John Riley Lee and mother Laura Bradley Lee preceded him in death, also his wife.

Survivors are seven children and a number of grand children, two of his children Wm. Lee and Mrs. Lindsey Kittle reside here, also three of his grand children. He was a genial good neighbor and loved to help the sick, a friend to his fellow man.

Rev. Frank O'Hearn officiated at the funeral at Hearst Ranch Cemetery Friday afternoon at 2:30. A large crowd attended the rites.

Watch for Amateur Night, Friday, February 6, at School Auditorium.

FOR SALE—Used Underwood Standard typewriter. Perfect condition, \$50.00.—See at EAGLE OFFICE.

SELF CULTURE CLUB

The Self Culture Club and many guests were entertained in Mrs. M. D. Lowry's home with Mmes. M. D. Lowry and J. H. Randolph as hostess, January 8, 1948.

Upon arrival we were invited into the dining room to be served. The table was beautifully set with delicious refreshments and coffee and a lovely centerpiece of pink carnations.

After being served we were shown a very interesting picture on India and their way of life. Then Mrs. S. P. Sullivan favored us with the review of the opera, "Lakme", by De Lides. Lily Ponds played the leading roll when this opera was given in Dallas recently. Mrs. Sullivan also played the record of the famous "Bell Song" with Lily Ponds singing.

The opera was very beautifully given and we all thanked Mrs. Sullivan and our hostesses for a very enjoyable afternoon.

Chappell Hill-

By PEARL CRAWFORD We have had all kinds of weather; ice, rain, sleet, and snow.

Mr. and Mrs. L. C. Dellis of Edinburg were visiting relatives and friends in Goldthwaite over the week-end. They also visited with Mr. and Mrs. C. M. Bramblett.

Mr. and Mrs. Jim Evans received word their grandson, Charles Crook, was ill in a Abilene hospital.

Mr. and Mrs. R. J. Schindler of Bangs, Mr. and Mrs. A. L. Crawford, and Wm. G. was Sunday guests in the B. J. Crawford home.

Santa Fe carloadings for the week ending January 17, 1948, were 28,918 compared with 27,768 for the same week in 1947. Cars received from connections totaled 10,890 compared with 10,347 for the same week in 1947. Total cars moved were 37,808 compared with 38,115 for the same week in 1947. Santa Fe handled a total of 37,183 cars in the preceding week of this year.

HOWELL E. COBB

(From Front Page)

our shores and one in Africa aimed at South America. If this should happen, our economic position and living standards would decline, and the burden of maintaining an adequate defense would be almost insurmountable. Surely we have learned that it is better and cheaper to keep a dictator confined to his own precinct than to blast him out after he has fastened his grasp upon a country.

Our Military Establishment. "Until the United Nations organization is capable of discharging its purpose of securing and maintaining world peace, I shall favor the maintenance of the strongest military establishment possible. This should include the establishment of strong military bases and fortifications in Alaska and in the strategic islands of the Pacific, which we won at so great a cost from Japan. It should include a program of universal military training. I do not mean a program that would conscript our young men into the Army of the United States, but a training program, under the supervision of the Army and the Navy designed to train our young men in the latest and newest military tactics in order that, if they should ever be called to bear arms and protect this country in a future war, they would know more about protecting themselves from the weapons of the enemy and have a better chance of coming home alive and sound of health.

Military Courts "During the war, I had a good deal of experience with military courts, and I think they are unfair and prejudicial to the rights of free men. I believe that the military laws should be changed to provide that a majority of enlisted men shall sit upon all special and general courts martial when an enlisted man is being tried for any offense. Also, it should be required that any person being tried before a military court should be provided with defense counsel who is well versed in the practice and procedure of such courts.

Income Taxes "I believe that the payment of taxes on individual incomes should be tied in directly with the cost of living, and the personal exemption to which every person should be entitled should reflect the actual individual cost of living. It is certainly the duty of every man to first earn enough to pay for the bare necessities of life for himself and his family, and it should be his privilege to retain that amount of his earnings each year before paying income taxes to the government. We know that under present conditions, a married couple earning \$1,800 per year will barely have enough to pay for the necessities of food, shelter and clothing. Yet, under the present law, that couple is required to pay the sum of \$120 in income taxes. I believe this is an unnecessary burden and one that a government should not require of its people.

The State Tideland Question "Since the formation of the states into the union of our United States, the title and ownership of the offshore tidewater lands and the land beneath the rivers, lakes and bays have belonged to the respective states. In June of last year, under a decision of the Supreme Court, the Federal Government claimed paramount rights and dominion over these vital natural resources. Fortunately, the final decision is up to Congress. I will support and work for the passage of adequate legislation recognizing and affirming state ownership of these lands and natural resources to the respective states in accordance with our heretofore long recognized rights.

Farm Program "I favor an adequate farm program with special emphasis on soil and water conservation practices, and extension of the rural electrification system until every farm home in America has electric service available to it.

Foot-and-Mouth Disease Control "I think it is imperative that we attack this threat to our economy now, and as far south of the border as conditions will permit. We should take every preventive measure now to halt this disaster and keep it from spreading to our side of the border, and at the same time, we

should cooperate in every possible way with Mexico in eradicating the disease from their lands.

These and many other issues will be discussed at length as this campaign progresses, but in closing this announcement, I want to make this further statement: I may be a little old-fashioned, perhaps a little wedded to the past, but I believe the Constitution of the United States, along with its first ten amendments which we call the Bill of Rights, is the greatest document ever penned by the hand of mortal men, and I would yield to no man in my defense of the rights guaranteed us as American citizens under that Constitution. But, I do not believe that any man or group of men has the right or should be permitted to use those rights and privileges to the extent and for the purpose of destroying the very instrument which guarantees those rights to them. And this should apply to all subversive elements who seek to overthrow our form of government, and as well, to the labor bosses and racketeers who have fastened themselves upon our people."

OLD MAN 100

L. E. Argabright, who used to be a big farmer-rancher just over the mt. from town but who moved to Levita, Texas, wherever that is, a while back. Anyway, he writes Old Hunnert: Q "Dear Old 100: I been thinking I would scratch you a line to ask if you members when I begged you so hard not to put your confidence in that girl and you did it any how. When she showed you her appreciation (Note: Old Hunnert ain't seen a girl's appreciation in so long he forgits how it looks like) and sends that ring back and calls it glass. So I thought you could make up with the sweet thing by sendin' her a bottle of Polcaat P-pwey for the New Year and don't let the 7th no about it. I am hopin' you had a big Xmas like we used to with Rock&Rye, when we thought that we could fly then we got on a big cliff and did try Well, I think that you otter tell Old M. E. that you are the head of this paper, and if you don't git that dulle raise you aim to quit some day anyhow and invest your money in houses and lots of purty wimwen, and let him do the worryin'. Well I will quit fer dis time, and wish you a real knee year; so don't kiss the 7th for me—it will make the new year longer. So by by.—Old Sam Sixty." UnQ.

SAVE YOUR MONEY—

Old Hunnert don't know for sure yet whether anybody is taking his save your money campaign to heart and really doing it—but the Stingy Boss sure is, and has been before Old Hunnert started. The Old Man believes that them people who spend morn' they make every month depending on Old Uncle Samuel to see them through when and if they get to where they can't make any more, are going to wake up holding the sack some day. It's pretty hard to save money, all right, but take Old Hunnert—where would he be today if his age if he hadn't way back yonder somers between the 1st and 7th—Old Hunnert has had a very happy single days—saved some mazuma for old age (which he didn't). Saving money is like seeing your dentist when you have a bad tooth: Take the easy way and pass down the other side of the street from the dentist's office, and fall to save money, and you wake up with aches, pains, rheumatism, and neuritis and also too broke to do anything about it. Speaking of Old Age, one of Old Hunnert's "friends" malled him a pair of crutches the other day, figurin' he needed 'em, but Old Hunnert didn't even take them out'n the P. O.—how would he look rush'n' down the main street on crutches chasin' redheads?—P. S.—Old Hunnert's famous slogan is: Save your money and let Nature take its course.)

Joe—"I want to change my name, your honor." Judge—"What is your name?" Joe—"Joe Stinks." Judge—"I don't blame you, what do you want to change it to?" Joe—"Charlie."

And the Scotsman who had a bottle of Scotch on his hip slipped on some ice. On rising he felt something wet running down his leg. "I hope it's blood," he said. Mr. Finnegan, when he died, greeted St. Peter with the following: "It's a fine job you've got here." St. Peter—"Well, Finnegan, here we count a million years as a minute and a million dollars as a cent." Finnegan—"Ah, I'm needing cash. Lend me a cent." St. Peter—"Sure. Just wait a minute."

Two skeletons in the corner closet were grumbling about the heat, the dust and boredom. "What are we staying here for, anyhow?" asked one. And the other said: "Darned if I know. I'd leave here in a minute if I had any guts."

A certain Kentucky Colonel always closed his eyes when he took a drink. When questioned concerning his habit, he explained: "The sight of good

lickah, suh," he said, "always makes my mouth water, suh, an' I don't like to dilute my drink, suh."

Once when he was watching the 7th pack for their vacation, Old Hunnert told her: "I really don't think you should wear that bathing suit." And the 7th said: "But, dear, I have to. You know how strict they are at the beaches."

"Oh, doctor, will the scar show?" The Doc replied: "That, madam, is entirely up to you."

Also, a blonde sure made Old Hunnert mad this week when she told him, after staring at him from head to toe for at least three minutes: "I've always believed everything I ever read in the newspapers—but I read where you had been married seven times—and I just can't believe that!"

And when the grammar school teacher here had to separate two small boys Monday at recess, she asked: "Junior, why did you kick Johnny in the stomach?" Junior replied: "I couldn't help it—he turned around too quick."

And when Old Hunnert was watching a pretty girl on the street, and said: "These Monday clothes well," the girl replied: "I do—I've been dressed like that for 7 years."

Old Hunnert now has a half-brother made a mistake when he told the Boss about what he had on his hands: "He's been sittin' on his all day, doing nothing but straightening his time." Bos-a button I ov you know?" Old Hunnert replied: "cause I've been wearin' a top-hat all day."
