GOLDTHWAITE, MILLS COUNTY, TEXAS — FRIDAY, APRIL 9, 1948

NUMBER THIRTY-FOUR

## GOLDTHWAITE LIONS HAVE 4-H CLUB WINNERS AS GUESTS

Mills County 4-H Club boys and their fathers were honor guests of the Goldthwaite Lions Club at the regular first Tuesday night meeting at the Hangar. A large crowd heard Jimmie W. Potts, 4-H Club Specialist from A. and M. College, tell the 4-H Club boys present of some outstanding achievements made in Texas and the United States by members of the youth organization.

Lion T. C. Graves extended a welcome to the boys and introduced the local guests, the 4-H Club boys and their fathers, and the state, district and county 4-H Club officials present. He complimented R. L. Steen for his work in helping the boys select and groom their calves; Vocational Agriculture Teacher Y. B. Johnson; and Mills County Agent Darlus B. McCombs, and complimented County Judge Patterson and Commissioners Court for their selection of such outstanding county agents as McCombs. Lion Graves said the officials of the Houston Livestock Show had done much for Mills County boys in offering the large purses, and pointed to the number of ribbons on display in the room that 4-H Club boys had won and brought back in the past two years. The fathers of the boys were asked to stand and were introduced and the speaker said they needed a greater hand than the club was able to give them for standing behind the boys. Later the 4-H Club boys and one 4-H Club girl were introduced, and after the meeting was over pictures were taken of the boys and girls, together with their trophies and ribbons.

After the club members had introduced their invited guests, County Agent McCombs introduced the guest speaker for the evening, Jimmie Potts, A. and M. College 4-H Club specialist, who praised the Lions Club and the fathers for backing up the boys, and said the greatest crop Texas produces is the boys and girls who come off the farms and ranches. He cited the fact that there were more Grand Champion ribbons pinned on the board here than in any other place in Texas. He said Texas boys have won Grand and Reserve Champion ribbons from the best shows in the United States, and that Mills County boys have won first place in three Texas shows this year.

The speaker, after saying "some of the best county agents in Texas are here tonight," told something of the 4-H Club organizations of the state. Last year there were 3,870 4-H Clubs with enrollment of 42,350 white boys and 46,308 white girls, with other clubs of negro boys and girls enrolling 22,041. He said they represented the finest group in America. The Houston Rotary Club this year will pay the expenses of one Texas 4-H Club boy and one girl to Europe to remain from four to six weeks and come back to tell 4-H Clubs what he learned overseas. Next year five boys from Texas may be sent.

Mr. Potts then spoke to the boys on how they could become a champion 4-H Clubber and said agriculture is the most complicated business in America today. He was accompanied here

by R. G. Buryell, District Extension Agent, Stephenville, and R. E. Callender, Extension Game Specialist from College Station.

Lion President Jesse J. Saeger then presented a cup on behalf of the club to Robert Henry Johnson for his achievement in winning the Grand Championship award at the Houston Show this year, and Supt. Leroy Beard of the Star Schools, a 4-H club leader presented a cup to James Horton for winning Grand Championship at Brownwood and San Angelo shows this year. A picture of the two winners and their trophies was taken before the background of the board displaying the ribbons won by Mills County 4-H Club boys in recent county, district and state livestock shows.

County Judge John L. Patterson presented the county awards, one for poultry producing going to Leroy Tesson and the meat animal awards presented to Allen Poe.

Lion McCombs expressed appreciation for work done in the county by three 4-H Club leaders, Messrs. Beard, O'Neal and Tesson. Lion Secretary Duren said a check was ready for the county agent from the Lions Club and others, and Mr. McCombs said the money would be used for a good purpose.

Lion Graves presented the 1948 charter to Troop 45 Boy Scouts Scoutmaster Charles Conrad. The club sponsors this troop.

The nomination committee consisting of John A. Hester, T. C. Graves and Jesse Moreland, appointed at the last meeting to select officers for the club for the coming year, reported the following:

For President—J. B. Karnes; First Vice-President—Loy Long; Second Vice-President—Brian Smith; Third Vice-President—F. M. Stephens; Lion Tamer—Jack Reid; Tail Twister—John Gwin; Secretary—Treasurer—Ray Duren; Directors—Jesse Saeger, D. D. Tate, Leonard Archer, W. P. Duren, Harold Yarborough.

Lion M. E. Blake, chairman of the club's playground committee, reported on the city soft and hard ball park that is now being constructed north of town. He said two or three clubs for softball would be organized in Goldthwaite, and it is hoped that Mullin, Priddy, Star, Lometa and other places may join the league. Principal Tesson of Mullin said that town would have a softball field ready in ten days, and Supt. Beard said Star would probably have a team.

Thirty-eight guests were introduced, as follows:

Oran Carothers, D. R. Reynolds, W. V. Horton, Garl Perry, T. C. Chaney, Dave Nugent, Y. B. Johnson, Bobby Egger, W. V. Horton, Jr., Love Perry, Larry Walton, R. E. Callender, R. G. Burwell, Floy Woodard, J. S. Kelly, Dr. Sadler, David Nugent, Jr., Leroy Tesson, L. B. Burnham Jr., Jimmie McLeod, J. D. Walton, Leroy Beard, H. J. Leonard, A. E. Egger, Cleo Woodard, Sammie Owens, John Owens, Davis Owens, James Horton, Marion Reynolds, E. D. O'Neal, Allen Poe, J. S. Owens, Robert H. Johnson, Lee Tesson, Jimmie Potts, Charles Chaney.

## BARNES & McCULLOUGH START ON REMODELING LUMBER YARD

### JUNIOR PLAY TO BE PRESENTED HERE TONIGHT: FRIDAY

The Junior Play, "Papa Says No," which will be presented here at the Goldthwaite School Auditorium tonight, will have you rolling in the aisles with laughter. Curtain time is 7:30 o'clock.

If you want a series of good laughs and at the same time help the Junior Class along with their activities, you should see "Papa Says No" tonight.

Carlin Wicker plays Mr. Alonzo K. Page, a businessman from Milwaukee, Wis. Kathleen Clements plays his daughter, Janet, who is deeply in love with Jack Prescott, played by Wilbur Heath. In order to be close to her, he dresses as a coffee shop waitress. His friend, Pete Carter, dresses as a girl and tries to get Mr. Page to propose to him. Pete is played by Robert Henry Johnson, and Mary Palmer plays his mother, Mrs. Carter. Janet Soules plays a meddlesome, gossiping, flirtatious old maid. Betty Willford plays Toots, the elevator girl who makes Joe, the bell-hop, step a chaikin. Joe is played by Johnny Head. Mrs. Hawkins and Genevieve are always coming in to get a room. This annoys Bill Sykes very much. Scottie Vaughan plays Mrs. Hawkins; Jimmie Rita Simpson, Genevieve; Bennie Long, Bill Sykes; Greta Barnett plays Sallie, a waitress, and Nelda Hodges plays Liz, the other waitress. Taylor Owen plays a cigar-smoking detective.

Tickets are on sale now. Admission: Adults, 35 cents; school children, 25 cents; reserve seats, 50 cents.

Mrs. A. J. Parrish of Lubbock has returned home, after a visit here with her sister, Mrs. A. T. Pribble.

Work was started this week on remodeling and enlarging the Barnes and McCullough Lumber Yard on the west side of the square. O. O. Smith, manager, said the job should be completed within 60 to 90 days, but that service and sales would not be interfered with during this period.

When completed, this will be one of the most modern lumber yards in this section of Texas. The entire plant will be completely remodeled, and the new plant will include the Rahl lot adjoining which will give the yard an additional 3,240 square feet. The entire offices and yards will include approximately 17,540 square feet.

Included in the plans for completely remodeling the plant will be a new front which will be nearly all plate glass, with structural glass around openings. A sales room and office will be 50 by 70 feet.

This building when completed will add materially to the west side of the square business district, and will be one of which the entire city can be proud.

### QUIET VOTING IN CITY ELECTION HERE

The ticket being unopposed, only 14 votes were cast in the City election held in the district court room here Tuesday.

Elected to serve the City of Goldthwaite for two-year terms were:

Loy Long—Mayor.  
Raymond Summy—City Secretary.

Howard Hoover, R. E. Worley and Jack Reid, City Aldermen. Holdover Aldermen elected last year for two-year terms are Hollis Blackwell and Jesse Moreland.

Mrs. Maud Newbury spent the week-end with relatives in Brownwood and Mullin.

## MUNICIPAL BALL PARK BEING BUILT IN NORTH PART TOWN; BE COMMUNITY PLAYGROUND

### AMERICAN LEGION DONATES STAND TO BASEBALL CLUB

The Harry F. Edmondson Post American Legion, in regular first Thursday night meeting April 1, voted unanimously to donate to the newly-organized Mills County Baseball Club the old grandstand that has stood since 1921 on the old Mills County Fair Association ground, which now belongs to the Legion.

The grand stand will be moved and parts of it used to build a grand stand on city property just north of town and across the railroad on what is known as the old cottonseed oil property.

The baseball club will build a non-profit baseball park, which is to be lighted for night games, and will be used this summer for both hard and soft ball games. It is planned to have the park ready for use by the first of May.

Post Commander Eugene Dickerson, on motion, appointed a Building Committee composed of Van Straley, Otto Kendall, and Jack Reid to work with a similar committee from the Veterans of Foreign Wars Post to repair the building which was recently deeded to the two organizations by the City of Goldthwaite.

A good crowd of veterans was in attendance and several new and old members paid their dues 1948.

### TIME TO "START THINGS ROLLING," SAYS JERNIGAN

Malcolm Jernigan stated this week that it was time to "start things rolling" for Goldthwaite's Third Annual Rodeo to be held May 31 and June 1 and 2, at the Malcolm Jernigan Rodeo Arena two miles from Goldthwaite on the Waco highway.

Last year's event was the first at the new arena and was sponsored by the Goldthwaite P. T. A. Rainy weather cut the expected crowds, but the rodeo turned out to be one of the best staged in central Texas and drew professional cowboys from near and far.

Plans for advertising have not been decided upon, but Goldthwaite Lions Club are expected to act in the near future and carry out an extensive advertising campaign. It is also believed at this time that other events will take place as last year. A parade was held on the opening day, the town was decorated and a motor caravan covered the nearby towns. The show was approved by the Rodeo Cowboys' Association.

As this is one of Goldthwaite's greatest events, plans will be made several weeks in advance.

### LADIES MEET

The Ladies' Bible Class of the Church of Christ met in the home of Mr. and Mrs. Oma Robertson Monday afternoon at three for regular class work. The class is studying a series of lessons on "The Church". The last of this series will be discussed at the next meeting which will be held at the home of Mr. and Mrs. R. L. Cooner. The subject of this lesson will be "The Model Church". Ten ladies were present Monday for the study hour. The class is taught by the minister of the church, M. E. Blake.

Work is under way this week constructing a Municipal Ball Park on city-owned land north of Goldthwaite. It is planned to have a modern ball park ready for the opening game of the season for the Heart of Texas Baseball League on April 29, when Goldthwaite will play San Saba on the new field, in a night game.

Both hard ball and softball will be played on the new field, with both day and night games. Work of clearing off the ground, building fences and the grandstand is already under way, and the field will be ready for daytime games soon.

The Municipal Ball Park, which is later to be made into a community playground open free to the public, is the outgrowth of the organization of a non-profit Baseball Association formed here this week, when 35 citizens signed notes for \$100 each, with the Trent State Bank making a substantial donation to the project. First profits from admission fees are to go to paying off these notes, after which it is hoped to throw the park open to public recreation.

At the City Council meeting Monday night, a steering committee of trustees was appointed to have charge of operation of the Municipal Park. They are: Hollis Blackwell, Chairman; W. C. Barnett, Secretary-Treasurer; and Howard Hoover, Jesse Moreland, V. C. Bradford and Y. C. Johnson.

Backing up the project with notes are: W. C. Barnett, Hollis Blackwell, V. C. Bradford, Oscar T. Burns, M. A. Campbell, Dave Clements, A. W. Cline, Charles Conrad, Ray Duren, Clyde Estep, Forest Frazier, Harmon Frazier, T. M. Glass, Everett Holland, Howard Hoover, Y. B. Johnson, Robert Kirby, Al T. Langford, Joe S. Langford, Carl Letbetter.

J. Raymond Little, Jack Long, Loy Long, I. W. Mauney, Tom Miller, Jesse Moreland, W. E. Rose, Jesse Saeger, Saylor Chev. Co., Ruel Slaughter, Barton Smith, R. L. Steen, Marshall Wash, C. T. Wilson, Harold Yarborough, Trent State Bank.

Chairman Blackwell said yesterday that the Municipal Ball Park would be run on a businesslike basis. A separate account for the association is to be set up by Secretary Barnett, and the books of the association will be open to any of the backers at all times. No one is to receive a profit from its operation.

HEART OF TEXAS LEAGUE  
Opening hard-ball game of the season here for the Heart of Texas League will be on the night of either April 29 or 30. If the lighting of the field is not ready by then, the game will be played in the afternoon. The Heart of Texas League includes teams from Goldthwaite, San Saba, Brownwood, Cisco, Coleman and De Leon.

A second team will be included in a nine-team league of teams from Goldthwaite, Priddy, Indian Gap, Aleman, Hamilton, Pottsville, Star, Evant and Purnellia.

The Lions Club voted to sponsor a soft-ball team here, and several teams will probably be organized by Minister M. E. Blake, chairman of the Lions Club Playground Committee, and the Lions Club Committee appointed Tuesday night: Harold Yarborough, Charles Conrad, and George Gilbert.

Schedules for play are now being worked out and will be published probably next week.

## Spring Wool Shearing Now In Full Swing—Hundred Thousand Lbs. In

Shearing of the spring wool clip is now in full swing over Mills County, and local warehousemen estimate that around 100,000 pounds of new wool have already been bought here.

The warehousemen say that there is an excellent outlook for wool this spring, with the mohair outlook a little bit better than it has been.

## Hancock Initiative And Energy Restores Depleted And Eroded 567-Acre Farm To Productivity

**EDITOR'S NOTE —** The Brown-Mills Soil Conservation District Board of supervisors has made three nominations from the district for the Fort Worth Press "Save The Soil and Save Texas" statewide contest. Those nominated are Vernon Carr, W. M. Hancock and the Rev. Dwight L. McCree. The following article concerning the contributions to soil conservation work made by Hancock was prepared by the board of supervisors.

We, the supervisors of the Brown-Mills Soil Conservation District, are glad to have the opportunity to tell what we have seen happen to a depleted and eroded farm that was the victim of neglect and lack of understanding. This farm with its eroded and gullied fields grazed-out pastures, sagging four wire fences, and disintegrating house, was purchased by W. M. Hancock in October of 1945.

Hancock, who was reared on a farm near Goldthwaite, spent 20 years as a clerk in a dry goods store in Kingsville, Texas. By resourceful management he was able to save enough money to make a down payment in 1945 on a 567 acres livestock farm near Zephyr, in the Brown-Mills Soil Conservation District. This farm was formerly owned by a widow, Mrs. S. E. Petty, who had leased the farm for the past 25 years. As too often happens under lease, the pastures were badly overgrazed resulting in an eroded and depleted condition. The cropland was eroded and gullied to the extent that 40 acres were lying idle. The land use at the time of purchase was as follows: 140 acres cropland, 40 acres, idle, 376 acres pasture (in poor condition) and 4 acres farmstead.

Hancock realized the problem before him and having no other source of assistance other than himself and Mrs. Hancock, he called on the Brown-Mills Soil Conservation District for assistance in tackling the job that was his to win or lose. After explaining his situation to us, we asked him to take the lead in forming a conservation group of his neighbors. This was done, by calling his neighbors together on two occasions. As a result of forming a soil conservation group, Hancock and his neighbors received the assistance of the Soil Conservation Service technicians in working out a plan to protect and improve the pasture and cropland, after lots of thought and discussion, Hancock decided on his plan of attack to protect and improve this eroded and depleted stock farm.

He started working at the job by constructing diversion terraces and field terraces to protect the gullied fields from additional gullies and help head the present large active gullies. He decided on a rate of stocking a management plan to restore his depleted pasture to a productive state. These were jobs which he realized that he must get underway if he was going to restore and improve his farm. Along with this tremendous job he was found with the problems of repairing and remodeling their home.

In going about the job of improving his pastures, he decided on a rotated and deferred grazing system with a very light rate of stocking. Realizing that the few remaining good grasses must be given an opportunity to grow and produce a seed crop before his pasture could be protected from erosion were capable of producing. Partition fences were constructed by him and his father which would allow a rotated and deferred grazing plan to be put into effect. His results have been spectacular, as he has changed from poor to good pasture and has at least doubled the carrying capacity on the rejuvenated Little Bluestem and Sideoats Grama.

After much thought and analysis of the situation he made the decision as to the portion of the eroded and gullied land which would be kept in cultivation. The remaining portion

would be seeded to pasture grasses. Terraces were constructed with his plow to help in healing these gullies. Due to limited resources he seeded and fertilized 10 acres of Vetch and small grain in the fall of 1946, with the thought of not only improving the soil in this field, but also of producing seed with which he could seed the rest of his cropland in 1947. He now has 75 acres seeded to Hairy Vetch and 10 acres to Madrid clover. By keeping records he found that he received \$42.00 net profit per acre on his 10 acres of Vetch and small grain while on a similar field across the fence failed to repay his investments in small grain seed, equipment and labor. At the present time, he is getting three times as much grazing from his Vetch and small grain field that was seeded in the fall of 1946 to Vetch and small grain for the first time.

The 40 acres that was lying idle due to the large gullies and badly eroded condition, along with 15 additional acres which was taken out of cultivation, was the next job to be tackled by constructing a diversion above it which would allow the large active gullies to start healing. Then the land was prepared and seeded to pasture grasses. (Yellow Bluestem)

In addition to the large job of protecting his farm from erosion and restoring it to a productive state, he has spent much time and thought with his neighbors in his group as conservation group leader. For example his group realized that they would need a combine to harvest their first Vetch crop in the spring of 1947, so, with Hancock's initiative he managed to purchase a used combine which was used in harvesting the conservation group's vetch crop. He also recognized the need for a means of separating the vetch from the small grain so he took the lead in securing a spiral separator for his conservation group. Since Vetch has proven itself as a soil improving and winter grazing crop, all of the members in this conservation group wanted to seed Vetch on their own farms. This situation brought about the need for a combination drill which was met by Hancock who took the lead in getting his group to purchase a combination grain and fertilized drill. He has also assisted the group in securing Madrid clover seed for trial planting.

Eroded land, house falling apart, sagging fences, anywhere he looked he saw neglect. Yes, Hancock recognized the grave situation of injustice that had occurred, yet he had the desire to make a home. He realized that his savings were spent and now that it was a battle that he and nature must fight together. So he put his shoulder to the wheel with the determination and push that is necessary to right a wrong.

### SCALLORN

By MRS. ORA BLACK  
(Written for last week)

A large crowd attended worship here Sunday. Rev. Cloud delivered a wonderful message at the eleven o'clock hour and the well rendered program given in the afternoon on Missions led by Mrs. Cloud was very inspirational. At the closing of the meeting several dollars was contributed to foreign missions.

From now on there will be Sunday night services instead of the afternoon.

Sunday guests of Mr. and Mrs. Webb Laughlin from Lometa were Mr. and Mrs. Bas Laughlin and little son.

Mr. and Mrs. Fields Hines called Sunday afternoon in Lometa with their aunt, Mrs. Lizzie Lockhart.

Mrs. Durst and two daughters visited last week with relatives in Mason.

Mr. and Mrs. Wayne Henry attended a "42" party Saturday evening in the home of Mr. and Mrs. Sam Buttress.

Mr. and Mrs. Alvie Johnston of Houston visited here over the week-end with his parents, Mr. and Mrs. Ernest Johnston. Their little son, Burton, remained for

a weeks visit with his grandparents.

Mr. and Mrs. Webb Laughlin called Saturday evening with Mr. and Mrs. Albert Faubin.

H. C. Carothers, who made his home here for a while with his aunt and uncle, Mr. and Mrs. Ran Gunn, is now a popular druggist of Lometa, was married Monday to Miss Betty Williams.

Noble Doggett came in from Odessa to spend the week-end with his family.

Mr. and Mrs. Walter Featherston attended the funeral Sunday afternoon of Mr. Jarrett. Mr. Jarrett lived on the Berry place.

Mrs. Frank Hines and daughter, Greta Sue, and Mrs. Fields Hines went over to Comanche last week to attend the Baptist District Convention.

Mr. and Mrs. Bob Simms and little daughter, Jo Bob, of Brownwood were guests Sunday of Mr. and Mrs. John Kuykendall and attended church here.

Mr. and Mrs. Bishop, who have bought the Willie Jackson place and will soon move to this community, attended church here Sunday.

### CHRISTIAN SCIENCE SERVICES

"Are Sin, Disease, and Death Real?" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, April 11.

The Golden Text is: "Israel shall be saved in the Lord with an everlasting salvation" (Isaiah 45:17).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Touching the Almighty we cannot find him out: he is excellent in power, and in judgment, and in plenty of justice: he will not afflict" (Job 37:23).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "All reality is in God and His creation, harmonious and eternal. That which

### 'WELCOME STRANGER' TOPS 'GOING MY WAY'

It took Paramount three years to find the right vehicle for the screen's dream team, Bing Crosby and Barry Fitzgerald, but for "Welcome Stranger," which will open Sat. Mid. Prevue at the Melba Theatre, it was time well spent and richly rewarding.

With co-star Joan Caulfield, lovely, charming and talented, providing a romantic foil for Bing's songs "Welcome Stranger" has everything the terrific two-some's first hit, "Going My Way," had, plus a tender love story. The acting of Bing, Barry, Joan and the quality supporting cast is superb, and the down-to-earth story they enact will make you glad you're part of the human race.

Bing is cast as a doctor, but a most unprofessional sort of doctor. He's gay, he loves to sing and he hates settling down. When he does agree to take over Barry Fitzgerald's small town partridge while the latter vacations, it is only, he insists, for two months. And when Barry gets a look at his flashily dressed, city-wise substitute, that's two months too long for him.

### FORTHCOMING ADVENTURE PICTURE STARS ILONA MASSEY, NELSON EDDY

The unusual is the commonplace on the Republic Studio lot these days. Witness the casting of that golden-voiced singer, Nelson Eddy, as a swash-buckling American soldier of fortune in an outdoor musical drama, "Northwest Outpost," which will come to the Melba Theatre on Sat. Mat. and Night. Lush and lovely Iлона Massey is co-starred with Eddy.

Added novelty is the theme of "Northwest Outpost" which deals with a little known unique period of early California history long before someone fell into Mr. Sutters mill pond and came up clutching a gold nugget. Before that event there were several thousand adventurous souls, not counting Indians, who milled around in California trapping, trading and raising sand whenever they got down to the little military outpost of Fort Ross on the Pacific coast. It is at this spot that Republic's screen play unfolds in a tale of handsome freebooters, rogues and fair ladies.

### HILLSIDE MISSION

Some people get confused concerning what our Lord Jesus Christ said about impending events just before His second coming. They quote some of the 6th verse of chapter 24 of St. Matthew. It says, in part: "And ye shall hear of wars and rumors of wars," stopping there, indicating that we can expect wars and rumors of wars at any and all times, assuming that there is no evidence now that these times are any different from other times pertaining to His coming. The disciples had asked Him what would be the sign of His coming. He told them what is said in verse 6 and then He continued to describe the condition of affairs. Let us look at the following verse, 7: He used the word "For" to start off the sentence in describing a particular time; thus we read: For nation shall rise against nation, and kingdom against kingdom, and there shall be famines and pestilences and earthquakes in divers places." We know heads of nations and kingdoms are perplexed at this moment. People in our foreign lands can tell us now, whether or not there is famine in their midst, also as to pestilences, which means diseases. Earthquakes are occurring in different places. One was reported to have shankened El Paso, Texas recently. Something unusual for Texas. Read the rest of the 24th chapter of St. Matthew. It will give you a veritable lot of information.

Speaking of our Lord Jesus Christ, we read in Acts 3:23: It shall come to pass, that every soul, which will not hear that Prophet, shall be destroyed from among the people.

**MANUSCRIPT TYPING**

In typing manuscripts, use paper of uniform sizes, usually 8½ by 11 inches. Most manuscripts should be typed with double spacing, but quoted material of more than four lines may be single spaced and indented on the left and the right. When quotations are thus set off by single spacing and by the indentations, it is not necessary to use quotation marks, although the use of the marks is not incorrect.

Use an approximate 2-inch top margin on the first page, with the heading centered horizontally and typed in all capital letters. If the heading is a quotation, a question, or an exclamation, use the appropriate mark of punctuation, but a period is not used with the title, or heading. Triple-space between the heading and first line of the copy (two extra spaces.)

If the manuscript is to be bound at the left, leave a left margin of 1½ inches and a right margin of approximately an inch. If the manuscript is to be bound at the top, leave an inch for both the left and the right margins.

Number each page except the first. Use Arabic numerals.

Johnny Schlee, Group Leader of the Lower Cowhouse Group and Paul Schwartz operator of the Willie Schlee farm and a member of this group, last week constructed a terrace outlet channel approximately 2500 feet long with their tractors and plows. This channel was thirty feet wide at the upper end and seventy feet wide at the lower end with a depth of 1½ foot.

Two days were spent constructing this channel. The purpose of this partnership channel was to provide an outlet for the terraces of both farms. Upon completion of the channel it was seeded to King Ranch Bluemeadow to obtain a good turf in the channel before emptying terrace water into it. Terrace construction will begin as soon as a

satisfactory cover is obtained. Where channel empties and spread on the Willie Schlee farm three acres of Indian were planted.

Last week Earl Henry, of the Duren Conservation Group, seeded 30 acres of Madrid Clover and fertilized it with 100 lbs. of 20% superphosphate with a combination grain and fertilizer drill belonging to the Brown-Mills Soil Conservation District. Mr. Henry plans to graze this during the summer and harvest seed from it next summer.

C. V. Whatley, of the Lake Merritt Conservation Group, recently built 650 feet of diversion terraces. This was constructed above a cultivated field to keep pasture water from running

HEALTH—is the inherent right of man but certain fundamental laws must be complied with. One of the laws governing man is that there be an uninterrupted flow of energy over the nerves between the brain and the organs and glands of the body at all times. When a bone in the spine slips out of line and interferes with the flow of energy over the nerves the result will be weakness and disease.

When a Chiropractor removes the interferences by adjusting the misaligned bone to its proper position there will again be a free flow of energy over the nerves and health will be the natural result.

CASE REPORT:—On March 26, 1948 this column carried a personal testimony of a Brownwood resident who had gained most remarkable results from Asthma under the care of this office. It seems timely to me to make this further report regarding the case. DUST was one of the aggravating elements that would bring on the attacks, but he went through the recent dust storms without even choking up.

WHEN THE NERVE CHANNELS ARE CLEAR, NATURE WILL MAKE THE BODY STRONG AND HEALTHY AND YOU WILL BE FREE FROM FUNCTIONAL DISORDERS.

amount of money flowing back into this country in the form of trade and purchases. So while the cost will be terrific, some of it will be retrieved for our own economy through expenditures in this country.

The assistance program provides for relief, rehabilitation and the third and very important objective of containment of Russia within her present bounds. If we succeed in stiffening the resistance of the people of Italy and of Western Europe, and thereby keeping the Russian flag off the Atlantic shores, we will thereby save our own taxpayers many billions of dollars in increased costs for national security in the future. The program will, according to plans, be accompanied by a stepped-up increase in our own military strength as well as that of our allied countries to benefit from the assistance. It is admittedly a gamble but a gamble we can hardly afford not to take.

### GILMER FOR AGRICULTURE SECRETARY

Texas-born Jesse Gilmer, now Chief of the Production and Marketing Administration, has high-level support to succeed Clinton P. Anderson as Agriculture Secretary. If it were put on the basis of merit, Gilmer would undoubtedly get the nod. But he is obviously handicapped by the fact that already one cabinet member—Tom Clark—is from Texas, and the further fact that Democratic politicians may want the job for the resident of a "doubtful" State.

I hope Gilmer gets the appointment. He is a very capable man and is endowed with unusual administrative ability. Above all, he understands the problems of the farmer and livestock producer. A native of Edwards County, Jesse said to me the other day: "You know, I'd like to be out there in Edwards County helping kid out a bunch of goats."

### SOME RECENT VISITORS

Among friends from our section who have recently called on us have been: Gerald C. Allen of Robert Lee; H. G. Wendland, Grady Hill, Mr. and Mrs. M. A. Avinger, Owen Gray, Capt. Gerald Fairbanks, Mr. and Mrs. Wm. L. Bales, Mrs. Ray Willoughby, all of San Angelo; Mrs. Lee Aldwell of Bronte, Mr. and Mrs. Granville Kerley and children, Jimmy and Deanna, of San Angelo; H. L. ### EBONY—

By Mrs. Clementine Wilmethe Briley

In spite of dry, windy, dusty weather spring comes steadily on with greening elms and bud-

ding oaks and now and then a blooming redbud. But the fragrant beauty of wild plum blooms along the creek is not for us this year. The recent blizzard killed them in the bud. Many of the redbud blooms were also killed.

Bro. Terry Blake of Goldthwaite preached for us Sunday, preaching on the Commemoration of the Lord's Supper.

Miss Edith Thompson of Big Spring and Miss Lila Jo Thompson of John Tarleton College at Stephenville spent the Easter holidays with their parents, Mr. and Mrs. Blue Thompson. Miss Edith also spent Friday night with her sister, Miss Dorothy Thompson at Dublin. Little Sherry Reeves, daughter of Mr. and Mrs. J. R. Reeves and grand daughter of Mr. and Mrs. Blue Thompson, spent the week-end at the Thompson home.

The Shafers had to go to Abilene over the week-end to attend to business.

Homer Reeves of Brownwood spent the week-end with his 90-year-old mother, Mrs. Sarah Ann Reeves, down at the old Reeves homeplace.

Mr. and Mrs. Wm. A. Belich and Billy of Lubbock took advantage of the Easter holidays and spent from Friday to Monday with her parents, Mr. and Mrs. J. R. Briley.

Mr. and Mrs. Truman Crowder and children of Indian Creek had dinner with Mr. and Mrs. Charm Whittenburg Sunday after church. Mrs. Charles Griffin accompanied Mr. and Mrs. Hubert McMullen to Evant Sunday where they visited their uncles, Jim and Will Singleton.

Mr. and Mrs. Dewey Smith had for their week-end guests Mr. and Mrs. Gladney Smith of Grosvenor.

Mr. and Mrs. Blue Thompson went to Brady Friday where they visited Mr. Thompson's sister, Mrs. Fanny Welch, and her daughter and husband, Mr. and Mrs. Frank Hearne.

Mrs. Irene Reeves is visiting her daughter, Mrs. O. B. Singleton, at Eldorado.

Mr. and Mrs. Dewey Smith

visited Mr. and Mrs. Jay Wilkins Sunday. They also called on Mr. and Mrs. W. C. Whittenburg Sunday night.

Mr. and Mrs. J. R. Reeves had dinner with Mr. and Mrs. Jake McMullen at Indian Creek Sunday.

Mr. and Mrs. Blue Thompson, Ezelle, and Misses Edith and Lila Jo attended Easter services at the Methodist church at Indian Creek Sunday night.

The Hubert Reeves house is nearing completion. The paper hanger was there last week. They hope to be able to move in soon.

Mrs. Edna Dwyer was hostess at Sunday dinner at her home Sunday after church. Guests were: Mr. and Mrs. Stanley Reeves, Mr. and Mrs. Wm. S. Belich and Billy, and Mr. and Mrs. J. R. Briley. The dinner was delicious and the association of the afternoon was very pleasant.

Mr. and Mrs. Hubert Reeves and children went to Mullin Sunday where they visited Mrs. Reeves' parents, Mr. and Mrs. John Guthrie, and met several other members of the Guthrie family there.

Mrs. W. A. Burn writes from Van Horn that she expects to fly for Manila soon after April 1.

### SHIRLEY MAHAN LEAVES FOR NEW POST

Mr. and Mrs. Shirley Mahan accompanied by Mr. and Mrs. John Soules left Goldthwaite Monday morning for North Dakota near the Canadian border, where they will be engaged for the summer with the U. S. Geographical Survey. They will go through Missouri to pick up a truck. Mahan has been engaged in this work for about eighteen months.

**Health Notes**

**NURSING WEEK**

The State of Texas is planning to observe national "Public Health Nursing Week" April 11-17, as proclaimed by President Harry S. Truman. Dr. Geo. W. Cox, State Health Officer, urges high school graduates to consider public health nursing as a career.

"Public health nursing offers young women opportunities for lifetime careers which are highly useful and satisfactory. The demand for professional nurses now exceeds the supply in public health and other fields of work," Dr. Cox said. "Possibilities of travel, worthwhile service, income, and other features of the nursing profession compare very favorably with those open to women in other careers."

Education for nursing is available in 33 schools in Texas and enrollment is now under way for all classes, which open about September 1. All schools still have vacancies. Applicants should be graduates of high school or have some college credit, with a record of good scholastic standing, be in good physical condition, and of high moral character. An interest in

ability to work well with one's hands is necessary.

**LOCAL BALL CLUB  
RECEIVES SUITS**

The Goldthwaite High School baseball players have received new suits for the season which were purchased by local merchants and businessmen. Those persons and establishments buying one suit each for the team are: The Locker Plant, Cline Motor Company, Saylor Chevrolet, The Trent State Bank, Fairman Company, Long and Piper Grocery, Jess Tullos, Howard Hoover, Melba Theatre, High School FFA Chapter, Dan Holland, Steen Hardware, Loy Long, Hudson Bros., and LeRoy Miller. Ted Kirby and the team wish to extend their thanks for these suits. The uniforms are white with black trim.

The team has played two games this season with Hamilton and won with scores of 9-3 and 6-4. The next game will be with Burnet next Tuesday. The locals are in the same district as they will be in football this fall. They are scheduled to play all teams in the district with the exception of Mason and San Saba.

**JOHN TARLETON  
JUDGING CONTEST  
TO DRAW 1000**

Stephenville, April 7. Special entertainment has been planned for 1000 FFA boys of Areas 4 and 8 who will compete in the annual Livestock Judging Contests at John Tarleton College April 10.

Afternoon entertainment will include tours of local industries and a sports program in the Tarleton gymnasium. Hugh Wolfe will offer a tour of the Wolfe Nursery and Aluminum Gate Works; B. C. Langley will show the West Cross Timbers Experiment Station to the boys; and the Tarleton livestock farm will offer a tour of its facilities.

Russ B. Hoogerhyde, six times national archery champion, will demonstrate his proficiency with the bow and arrow following the afternoon tours. The Tarleton fencing teams and boxers of the William E. Dyess Legion Post will be featured in the sports exhibition.

Eighty vocational agriculture teachers will bring 250 teams to complete in the morning contests. Judging will start at 7:45 a. m. at the College Farm's new livestock pavilion, a converted army theater. Teams distant from Stephenville will arrive the night before, and at least 200 contestants will sleep in college dormitories and the gym. Murray Cox, WFAA farm editor, will present his noon broadcast from the judging area, and the awards to the winners will be broadcast over Stephenville's KSTV.

Jake Payne is Vocational Agriculture Supervisor of Area 4 which includes 26 counties with headquarters on the Tarleton Campus. Bill Childers is supervisor of Area 8 consisting of 24 counties with headquarters at Mart.

**Center City H. D. Club**

The Center City H. D. Club met with Mrs. Ernest Ranson the 4th Thursday in March. We opened our meeting with a prayer and song.

The roll call was answered by "Something I Have Learned from Another Club Member". Fourteen members, two visitors and two children were present.

Our president, Mrs. Sherwood Owens, acted in Mrs. Haenisch's place. She gave a very interesting talk on "Electric Plugs for Convenience" and "Selection of Equipment for the Kitchen". The hostess served frozen salad and punch.

Next meeting will be April 23, with Mrs. Sherwood Owens. —Club Reporter

**All-Day Quilting**

Last Wednesday the Big Valley ladies gathered in the home of Mrs. Hugh Smith to help quilt two quilts. There were twelve ladies present for lunch which was nothing less than a Christmas dinner. After noon several other ladies came and with their help we finished two quilts for Mrs. Smith.

All ladies reported having had an enjoyable day as well as a busy one, too.

**Big Valley H. D. Club**

Eighteen ladies met in the home of Mrs. A. E. Johnson April 1, there being fifteen members, two visitors and two new members. Our club has increased since Jan. 1, having 20 members now.

A very interesting program was given: "New Styles and Ways of Remodeling old Clothes" by Pearl Long; "New Faces" given by Mrs. Robert Doak; "The Magazines We Should Read and Why" was given by Mrs. Lela Robertson; "Closet Accessories" discussed by Mrs. Hoyt Cockrell.

There being no old business, new business was called for. We voted to meet at 2:30 instead of 2:00 o'clock. Next meeting to be April 15th with Mrs. Robert Doak.

Mr. and Mrs. T. L. Hammond and Bobbie went to Brownwood Saturday evening on business. They also called on Mrs. Joe Anderson while there.

Walter Ligon has been quite ill at his home; his sister, Mrs. Jenny Bryson, came Sunday. Mr. Ligon accompanied her to Comanche.

**CARD OF THANKS**

We wish to thank our many friends and pastor, from the depth of our hearts, for every prayer, visit, card and flower.

And every kindness shown us during the illness and death of our loved one. It has helped to lighten the burden of our sorrow.

The C. L. Featherston Family.

**Girl Scout Council**

The Council met in regular session April 5 at 7:00 o'clock.

The Day Camp, and preparation for it, were discussed. The date was changed—it is to be held May 31 to June 3 at Lake Merritt.

We do want a large attendance of Girl Scouts in this camping program to make it worthwhile for the ladies who give their time and effort to it.

There will be classes in swimming, dramatics, out-door cooking, arts and crafts, nature study, and many others. Mrs. Charlie McLean will be Camp Director.

Mr. Reid announced that a new flag pole had been put up. —Public Relations Officer.

SCRIPTURE: Ezekiel 18: 34; 26: 23-36; 27: 1-14  
DEVOTIONAL READING: Ezekiel 34: 25-31

His Message to Exiles

Lesson for April 11, 1948

CONTINUING the theme of last Sunday's lesson, we go further into the ministry of Ezekiel as God's messenger to a people in exile.

For this Sunday we have chapters 18 and 34, and portions of the 36th and 37th chapters.

The 18th chapter opens with a revealing rebuke to Ezekiel. God tells him expressly that he is not to say any more to the Jews that "the fathers have eaten sour grapes, and the children's teeth are set on edge. As I live, saith the Lord God, ye shall not have occasion any more to use this proverb in Israel. Behold, all souls are mine." And then God adds, "The soul that sinneth, it shall die."

ALL through these chapters in Sunday's lesson, two solemn truths appear—God's love for his people, manifest in unwearied care; and the responsibility of each soul for the sin which such commits against God.

This truth, or these truths, I should say, are equally applicable for us today. As Ezekiel was sent to remind the people of God's love and care, so must we, early in our youth, accept the responsibility of accepting his love or rejecting his love.

We cannot claim his care if we despise his will. That is the message of Ezekiel for us.

WHAT GOD IS LIKE NOWHERE in the Old Testament is the love of God more manifest and compelling than in Ezekiel 24:11-27. I hope that you will open your Bible to this passage. Here the Bible speaks in words that burn with the compassionate love of God for sinful souls.

"I will both search my sheep, and seek them out. As a shepherd seeketh out his flock in the day that he is among his sheep that he is scattered; so will I seek out my sheep, and I will deliver them out of all places where they have been scattered in the cloudy and dark day. . . . And I will bring them to their own land, and feed them upon the mountains of Israel by the rivers."

One is reminded here of Jesus, when he said, "For the Son of man is come to seek and to save that which was lost."

A NEW HEART "A new heart also will I give you, and a new spirit will I put within you," Ezekiel 36:26.

Here we have, perhaps, the sublimest sentence in the prophecy of Ezekiel. God is speaking. Ezekiel is merely the messenger—the voice, as John the Baptist delighted to describe himself.

Ezekiel has faithfully declared that each individual is responsible unto God, and just as faithfully he has proclaimed God's love and care, and now he adds the third great truth, namely, that God waits to bestow the new heart and the new spirit to every repentant soul.

A new heart and a new spirit. That is what the Jews needed. That is what the world needs today—a new heart and a new spirit. Only God could give a new heart then, and only God can make such gift today.

EZEKIEL'S MESSAGE FOR US WOULD we listen to Ezekiel today? He has the message we need above all other words that may be spoken. He called the Jews to repentance of sin. That is what America needs today. Boys and girls need it. Men and women need it. And just as God waited patiently to bestow the new heart and spirit to Israel in the long ago, so does he wait to grant us today a new heart and a new spirit.

"Our God, our help, in ages past, Our Hope for years to come; Our shelter from the stormy blast, And our eternal home."

There's No Substitute

"I thoroughly believe in a university education for both men and women, but I believe that a knowledge of the Bible without a college course is more valuable than a college course without the Bible. Every one who has a thorough knowledge of the Bible may be truly called educated, and no other learning, or culture—no matter how extensive and elegant—can be a proper substitute."

### Mills County Veterans' Vocational School

Owing to the fact that our regular reporter for the school had to be out of town on the day that the report was due, no news items from this institution was given to our good paper for publication last week. However, we are not in the least selfish about this privilege of getting our news items together and giving them to the paper. So we suggest that if other emergencies of this sort occur in the future it will not offend this writer for some other member of the "College" to give us a write-up for publication.

Coordinators for the western division of Veterans' Training Schools of the Waco District met in Goldthwaite for a conference last week with eleven members in attendance. They

met with Mr. Robertson, our coordinator, in the Mills County Vocational School. He reports an interesting meeting which was in charge of Mr. Ralph Evans of Corsicana.

Mr. Hall, the veterans' training officer in agriculture, is spending this week in Mills County visiting the different trainees and their farm projects over the county. Mrs. Hall is with him and we are glad to welcome these visitors to our town. And we hope they will enjoy their visit, also that Mr. Hall's work will be made very pleasant while among the good citizens of Mills County.

Mr. Ford, the instructor in agriculture for the Mullin district, reports that their new building is being put in shape and that the classroom is ready for use now. Mr. Duren, of the Priddy district, also reports that they have their classroom ready for use now and that good progress is being made on the remainder of the building.

The agriculture class at Star under supervision of Mr. Carothers has recently been doing work in appraisal of farms and

farm property in different parts of the community. Object of this type of project is to teach the veteran, who is interested in purchasing a farm, the more important elements in appraisal and requirements for G. I. Loans, Farm Security, and Federal Land Bank for assistance in securing farm homes. The agriculture class at Priddy is also doing some work in appraisals. Mr. Duren and Mr. Carothers are working together in these projects. Mr. Carothers has served on the committee of appraisals for this county for several years and this experience should provide valuable information for these veterans planning to buy homes.

Again let us mention this buzzard business. One trap built by Marion Curtis has recently caught 65 of these pests that destroy so many young lambs and "lamb goats". Good work, Marion. Keep it up.

Now we come to the most important part of this report—the Distributive Education class. A goodly number of our former students are changing from the cooperative class to full time classes. Also there are eleven new students who are beginning on April 6th. Nine are for full time and two for cooperative. New students are as follows: Lewis D. Spinks, Charles W. Laughlin, Thomas E. Denton, William L. Biddle, Oscar M. Neal, Conrad L. Henderson, Herbert A. Marwitz, Arthur C. Kincheloe, Alfred P. Harris. New cooperative students are: John L. Gwin and Edmond C. Tischler. Those changing to full time from coop. are: Bruce A. Archer, J. D. Nix, R. T. Padgett, Lawrence Dalton, Floyd W. Hook, Milton B. Schorn, J. D. Crowder, James N. Kincheloe, Allen D. Moreland, Elmer A. Ratliff, Ira V. G. Wright, Cecil A. David, and Edwin D. Lawton. Four new students have also been enrolled in agriculture classes as follows: Willford Witzche, Ira Toney, Roddy Duren, and Gaylon O. Geeslin.

Mr. Williams and Mr. Swindle, instructors for distributive education, are planning to attend a state-wide vocational teachers' conference to be held in Houston this week-end, April 8, 9, 10, and because of this fact there will be no D. E. class on Thursday night, April 8.

The T. and I. which is taught by Mr. Locklear is planning for full time work in cabinet making when classroom facilities, tools and equipment can be provided. We are hoping this will be sometime within the near future.

**FORMER MULLIN GIRL WEDS**

Miss Faye Hamilton, daughter of Mr. and Mrs. D. A. Hamilton, became the bride of Bill Lincecum, son of Mr. and Mrs. C. G. Lincecum in a candlelight, double ring ceremony March 5. The ceremony was held in the Baptist church by Rev. H. E. East. The altar was decorated with baskets of calla lilies and white candelabras. Fern was entwined in the choir railing.

Mr. Hamilton gave the bride away.

Mrs. David A. Ligon played "Speak to Me of Love" and Victor Herbert's "Sweet Mysteries of Life." John Potter sang "Because" by d'Hardelet and Carrie Jacob Bond's "I Love You Truly."

The bride wore an aqua crepe dress with side drape and a peek-a-boo neckline. Pink straw hat topped with flowers and tulle, her corsage consisted of three orchids.

She wore black accessories. Maid of honor wore a toast brown draped dress with black accessories and metallic roses. Clarence Phillips was best man.

The bride's mother wore a crepe navy dress with a white figure, navy accessories and white carnations.

The groom's mother wore a navy afternoon frock, pink hat and gloves, and pink carnations.

The reception was held at the church in the reception room. The table was decorated with calla lily candies and candy tuft. The three tiered cake was decorated with tiny pastel flowers with bride and groom on top. The cake was served by Alberta Norman. Mrs. Jack Anderson served the ginger ale and ice cream. Mrs. Opal Johnson presided over the bride's book.

The bride graduated from Mullin High School and attended John Tarleton and was a member of the A. W. S. Sorority.

Bill Lincecum graduated from Freer High School and is now a senior of A and I majoring in gas engineering. He served 18 months in the navy. Mr. and Mrs. Lincecum are at home on the campus.

Out of town guests were R. B. Hamilton of Dallas and Mr. and Mrs. John Lincecum of Freer, Texas.

**Scallorn H. D. Club**

The Scallorn H. D. Club met Wednesday the 24th with Mrs. Fate Eckert. As Mrs. Haenisch could not be present for the meeting, Mrs. Fields Hines had charge of the meeting.

Her demonstration of electric devices used in the home proved to be very helpful.

Mrs. Eckert assisted by her mother, Mrs. Blackman, served a delicious plate of home-made ice cream and cake to the following club members; Mrs. P. R. Jourdan, Mrs. Fields Hines, Mrs. Frank Hines and Greta Sue Hines, Mrs. Dutch Smith, Ora Black and Mrs. Blackman a visitor.

**FIRE DEPARTMENT CALLED WEDNESDAY MORNING**

The Goldthwaite Fire Department morning was called Wednesday morning to the south part of town. A board fence was burning in an alley. Although there was no considerable damage, the fire could have spread to a garage only a few feet away. After the new siren atop the Saylor Hotel sounded, thirty or forty people raced to the fire. In approximately 3 minutes after the siren sounded the blaze was out.

**THE METHODIST CHURCH**

**M. D. LOWRY, Pastor**  
**THE PASTOR'S PARAGRAPH:**

How many times in the past week have you asked yourself or someone else the question, "What in the hell is wrong with the world, anyway?" Well, brother, I will tell you. You and I are turning loose too much hell in the world. And as long as we help to produce hell we cannot expect to live in a world free from the consequences of hell. You know that, didn't you? Why don't you do something about it? Your church provides an excellent opportunity if you are interested in doing away with part of the hell in your life and in the world. Through the church's program of Christian education you may improve your character and to that extent improve your whole community. Do you want proof? Attend Sunday School and church worship regularly for six weeks and see if you are not living a more satisfactory life to yourself and to your neighbors.

**MINISTER BLAKE TO SPEAK AT KERRVILLE**

M. E. Blake, Minister of the Church of Christ in Goldthwaite, will be the guest speaker at the Church of Christ in Kerrville, Texas, Sunday, April 11th. Mr. Blake will speak at both morning and evening services. Monday night Mr. Blake will address the Mens' Training Class of the Kerrville church on the subject: "Teaching The Bible", and on Wednesday night he will conduct the Prayermeeting services for the church there.

Terry Blake, 15-year-old son of the Goldthwaite Minister, will fill his dad's pulpit at the local church at both services Sunday the 11th. The public is invited to hear the young Evangelist.

Mr. Blake will return to Goldthwaite Thursday, April 15, in time to resume his duties at the local Church of Christ by conducting Prayermeeting services that evening. You are invited to attend this and all other services of the Church of Christ in Goldthwaite.
