It is getting dry down here again. These nice rains that make us happy don't last long. Clayton Egger and Monroe Bradley are helping Charn Whittenburg bale Sudan grass this week.

Doug Grogan of Zephyr visited at the Griffin home this past week.

Mr. and Mrs. O. B. Singleton, who work on a ranch near Eldorado, are spending their vacation with relatives here.

Mrs. J. R. Briley returned Tuesday to Brownwood from a

trip to San Angelo to visit her sister, Mrs. Clara Miller. She spent Tuesday night with the Wilmeths in Brownwood. She got to visit with the former Mrs. L. G. Wilmeth and little daughter, Sylvia Jean, of Fort Worth, who were spending the week with the Wilmeths.

Mrs. Briley left on Monday and got home Wednesday to find that while she was gone, carpenters had come out from Brownwood and built a closet on the end of the sleeping porch and had put a new roof on the house and were thorough and home.

Miss Olga Olson from Indian

Creek spent Sunday with Lila Jo Thompson.

Mr and Mrs. Jack Williams and Mrs. Hattie Whittenburg of Indian Creek visited with the Edward Eggers and attended church here Sunday morning.

Mr. and Mrs. Blue Thompson and Ezelle spent Friday night and Saturday with Miss Dorothy Thompson at Dublin.

Relatives from Temple are visiting the Shafers this week. Norma Sue Duren of Goldthwaite is spending a week in the Thompson home.

Mr. and Mrs. John Briley and Mrs. Edna Dwyer visited Mr. and Mrs. Henry Egger and Mrs. Egger's mother, Mrs. Martha White, at Regency Sunday afternoon. Mr. and Mrs. Alton Jones had just come in with a freezer of ice cream for Mr. and Mrs. Egger. So the Brileys and Mrs. Dwyer go in on the ice cream feast as well as the talk fest.

Mrs. Egger's mother, Mrs. White, will be 89 when she has a birthday in October. She seems alert and well, and was able to sit up in a straight-back chair and talk to the rest of us.

Mr. and Mrs. Ben Egger are in Marlin where Ben had just undergone a very serious operation. The Henry Eggers are hardpressed with the store to tend to and everything else to do while the Ben Eggers are away.

Mrs. Ben Eggers' daughter, Wade Ann Harbour, is staying with her step-sister, Mrs. Walter Fry, at Brownwood while her parents are away.

Ynell Egger is spending the week with her cousin, Mrs. Orville Cummings at Lampasas.

Misses Edith and Lila Jo Thompson spent Wednesday night with Mr. and Mrs. Floyd Lee at Lometa.

Ernest Malone went to Regency Saturday evening. It seems good to see him riding round in his car again after having to do without it so long.

Mrs. Edna Dwyer went to town Saturday with the Cecil Eggers. While there they attended the funeral of Grandmother Harrison, mother of Mrs. Platt Hollis. Mrs. Harrison was buried at Regency.

Mrs. Irene Reeves had the

following guests for dinner Sunday, Mr. and Mrs. O. B. Singleton, Mr. and Mrs. Charles Griffin and boys, Mr. and Mrs. J. R. Reeves and Sherry, Mr. and Mrs. Gene Egger and Bill Ketchum, Mr. and Mrs. Blue Thompson and Mrs. Cecil Crowder and children.

John White of Los Angeles and his half brother, Jerry White of Baird are visiting the Reeves. They also called to see a great aunt, Mrs. Martha Louise White, at Regency.

Remember our meeting starts here the second Sunday in August and lasts through the third Sunday. Bro. Blake of Goldthwaite will do the preaching.

**Honored On 78th Birthday**

The annual birthday celebration and reunion was given Sunday honoring Granny Stevens, who was seventy-eight.

Relatives gathered at the Pat Parker tank, which was a grand place for the occasion, to spread the basket lunch that each one brought.

After the lunch was served to over one hundred people, the afternoon was spent in playing games, renewing memories of the other many happy gatherings, and kodaking, which included the four generations. Mrs. R. A. Stevens, Mrs. Inez Reynolds, Mrs. Opal Hawkins and J. F. Hawkins.

All the children were present except two sons, Frank and Coley Stevens of Hanford City. The other children were: Mr. and Mrs. Tiny Stevens, Goldthwaite; Mr. and Mrs. Clarence (Esther) Hill and Velda, Winters; Mr. and Mrs. Floyd (Inez) Reynolds, Winters; Mr. and Mrs. Bill (Susie) Barrington, Waco; Mrs. Emmitt (Bettie) Parker, Lott; Mr. and Mrs. Avery (Ollie) Manuel, Goldthwaite; Mr. and Mrs. Albert (Clara) Crawford, Goldthwaite; Miss Lola Stevens, Goldthwaite; Mrs. Maude Parker, Goldthwaite; and Henry and Tom Stevens of Goldthwaite.

There were 22 grandchildren and 21 great-grandchildren.

White and daughter, Mr. and Mrs. A. J. White and daughter, Mr. and Mrs. C. C. White, Mr. and Mrs. A. E. Van Winkle, and Grandmother White, a step-mother to Mrs. Stevens, all from Lampasas.

### HUMPHREY BOGART BLAZES TRAIL TO MEXICAN GOLD

Tense, undiluted drama throbs in Warner Bros.' newest hard-fisted offering, "Treasure of Sierra Madre," starring Humphrey Bogart with Walter Huston, Tim Holt and Bruce Bennett, which comes to the Melba Theatre Saturday night, Sunday and Monday. For real dramatic fare, nothing like this entertainment has ever been seen before.

The film is realistic to the nth degree, with all the performers completely submerged beneath their rugged characters, and telling of man's pursuit of gold. This drama, adapted from the novel of the same name by B. Traven, is shot against a vivid panorama of hinterland Mexico. Scenically, it has a wild beauty. Dramatically, it is gripping.

Briefly, "Treasure of Sierra Madre" is the story of three Americans, all stranded in Tampico, who set out to strike it rich. They meet in a flop-house, pool their lottery winnings, and head for the hills. After the gold dust begins piling up, greed and distrust creeps in until there is gunplay. Finally Dobbs (Humphrey Bogart) goes it alone with all the treasure, but the trip back to civilization turns into a nightmare of trouble.

### ACE HIT UNITES LADD, LAKE IN GLAMOROUS SETTING

Alan Ladd and Veronica Lake, the team that provided a thrill a minute in three memorable adventure romances, meet again! This time the stars of "This Gun for Hire," "The Glass Key," and "The Blue Dahlia," are starred in Paramount's "Saigon," in which the two are reported to reach the ultimate in dangerous living and loving. "Saigon" opens next Tuesday at the Melba Theater. Known as "the Paris of the Orient," Saigon, the city which gives the thriller its name, provides a new and exotic setting for the torrid adventures of Alan and Veronica. It is in Saigon that the desperate crooks and adventurers from all over the East meet to carry on their international intrigues. And it is intrigue which brings the two together in Saigon.

Ladd, portraying Larry Briggs, late of the Army Air Forces, and a man ready to brave any danger for a dollar, becomes involved with Miss Lake, "secretary to a sinister businessman played by Maurice Carnovsky, veteran character actor.

Carlton Webb returned to Wills Point Tuesday. He has been visiting his grandmother, and uncle and aunt, Mrs. F. D. Webb and Mr. and Mrs. Charles Frizzelle.

## OKLAHOMA MAN ELECTED INTERNATIONAL LIONS PRES.

**EUGENE S. BRIGGS**  
New York, July 28—Eugene S. Briggs, Enid, Oklahoma, is now the new president of the International Association of Lions Clubs. He was elected by unanimous vote at the 31st annual convention of the Association which closed here today. Briggs succeeds Fred W. Smith of Ventura, California.

The convention concluded one of the most successful years in the history of Lions International, according to the report made by the Secretary-General and founder of the Association, Melvin Jones, Chicago, Illinois. He reported the formation of 819 new Lions Clubs and the addition of 31,696 men to the roster of the Association in the twelve months period ended June 30, 1948, for a total of 6,808 clubs and 358,144 members. He stated also that during the year Lions Clubs were established in four additional countries: Sweden, Switzerland, Chile and Newfoundland. Lions International, he added, is now the largest, strongest and most active service club organization in the world, with Lions Clubs in 23 countries on five continents.

Briggs, in accepting the presidency, said: "Peace is the number one problem of today. It is the first obligation against our efforts and resources. It is the primary obligation of our generation. Since Lions International is vitally interested in every constructive movement for world peace and good will around the world, it shall be our unwavering purpose to see to it that well-qualified representatives of our organization attend all meetings of Specialized Agencies of the United Nations, such as UNESCO, if it appears that we can be of service in charting a way to better international understanding."

"It is a distinct privilege for me as President of Lions International, officially to appoint our esteemed Lion and retiring International President, Fred W. Smith, to represent Lions International at the General Assembly of the United Nations to be held this autumn in Paris, France. As your President, I am calling on every genuinely devoted Lion to do his part wherever he can serve to hasten the day when good will among men shall reign upon the earth."

Lion Briggs is married and has two children. He is a member of all the Masonic bodies except the Shrine and is affiliated with a number of religious, welfare, and educational organizations. He also belongs to Phi Delta Kappa, Kappa Delta Pi (honorary educational fraternities), and Pi Gamma Mu (honorary social science fraternity.)

WBAP  
FORT WORTH  
Wed. Days—10:15 AM. Sundays

Counted its opportunity at the Ninth Annual Cotton Research Congress in "Big Week." Cotton men from the country looked at domestic market, the synthetic fibers, the op-

portunities to be gained through emphasizing the fashion angle in women's clothes, and the chances for reducing the cost of production through further mechanization.

One of the high points of the three-day affair was a clinic of farm implements, at which experts commented on individual machines and their best adaptability in cotton farming, regardless of make of the machine.

Secretary of Agriculture Brannan said we have a better opportunity now in our domestic markets than our foreign ones, though our overseas outlets for cotton are coming back through the foreign relief and aid programs.

The new secretary of agriculture had a tight schedule for the cotton congress when he came to Dallas, but interrupted it to spend a couple of hours with Carl Estes, Longview publisher, at the latter's retreat near Mineola. Mr. Estes called for and delivered the secretary by private plane, getting him back to Dallas in time for his 5 o'clock appointment.

American farms now have 3,114,596 tractors—compared to 2,777,000 a year ago. Another million will be sold in the next five years, it is expected.

One-half of the nation's farms, more than 3,887,000 are electrified. But only 16 percent of the nation's population lives on farms—against 25 percent in 1929. Total farm acreage has jumped from 987 million acres in 1930 to 1,100,000,000 now, and acreage per farm is up from an average 174 to 190 in 16 years.

Porter A. Payne bought 160 acres of sandy land southeast of Fort Worth four years ago. Part of it produced only grass burs. But he used phosphate fertilizer profusely, last year on one field took off a bumper crop of hegari and this year has corn which looks like it will make 40 bushels. It's Hybrid No. 12, is firm, good-looking.

He says you can use phosphate to make good land out of any poor land. Also, he likes Austrian winter peas as a soil builder better than hairy vetch, because his peas survived some cold weather that laid his vetch low.

We have understood right along from the experts that kudzu wouldn't grow in less than 40 inches annual average rainfall. But H. H. O'Hara, southeast of Fort Worth, has some four-year old kudzu covering about quarter of an acre of

corn field, which he started with 100 crowns. It gets no more water than any flat place in that vicinity.

**DOUBLE BIRTHDAY PARTY**

Mrs. Lee Parker and Mrs. Claude Wicker of Cardadan entertained Monday afternoon from two until six in the Parker home with a double birthday party honoring Charles Parker 5 and Janell Wicker 7, who have the same birthday.

The children played games, then they were called into the dining room where the candles were lighted on each one's cake. Ice cream and cake were served. After the refreshments the two opened their gifts. Then a treat of ice-cold watermelon was served to the following children: Edwina Burns, Betty Mae Southerland, La Juana, Paul, and Gerry Denman, Evelyn, Charles and Jan Parker, Janell Wicker, Harvey Parker and Dorene an Corene Kerby.

The grown-ups to enjoy the party and refreshments were Mrs. Pat Parker, Mrs. George Denman, Sr., Mrs. George Denman, Jr., Mrs. Oleta Kerby, Mrs. Edwin Burns, Mrs. Claude Wicker and Mrs. Lee Parker.—One Present.

**Health Notes**

According to the morbidity report for the week ending July 3, more than 463 cases of diphtheria occurred throughout the state so far this year.

The morbidity report is released weekly by the Texas State Department of Health. It shows the prevalence of communicable disease by counties.

"In the light of our present knowledge regarding the control of diphtheria, it is unfortunate that the disease is allowed to flourish," Dr. George W. Cox, State Health Officer, said.

For the week June 26 to July 3, Nueces County reported four cases; Hopkins, Tarrant and Val Verde Counties reported one each. For the year 1947, seventy-seven deaths from diphtheria were recorded.

"A lifetime immunity may be established in 90 per cent of the children receiving the diphtheria toxoid," the health officer said. "If all parents of children over six months of age would have their children inoculated, the incidence rate of the disease would be rapidly reduced."

The administration of toxoid causes little or no discomfort in the child, Dr. Cox added, and a positive immunity can be determined by a Schick test conducted four or six months after the final dose of the toxoid has been given the child.

**"Log House Saloon" Was Operated Here Seventy Years Ago**

(Alvarado Newspaper)  
During the early days of Texas the saloon had its place in every village alongside the other business houses that were established to supply the community with the necessities of trade. And in that period the saloon was one of the prime necessities, so regarded by men who loved their liquor and used it, regardless of what other people thought about it.

Whiskey frequently came in jugs and some of them were ornate in appearance and trim, "real fancy," and often bore the name of the saloon and the dealer where it was dispensed. And that brings up the reminder that Bryan Smith of Goldthwaite, has for his hobby the collection of antique jugs.

Recently, Mrs. Lena Ball, Rt. 3, Alvarado, was in Joshua to visit in the home of her daughter, Mrs. Geo. T. Stringer. While there, Mrs. Ball was told by Mrs. Stringer that she and Mr. Stringer attended a birthday party given for a Mrs. Smith at Dallas on her 86th anniversary and Mrs. Smith told them of a find her son, Bryan Smith, at Goldthwaite, made in his search for curios. He had come into possession of a whiskey jug that bore the legend: "Log House Saloon, Dep. Head, 1878." That was 70 years ago, and Alvarado had several saloons, among which was the "Log House."

Liquor was cheap, then, and it sold as low as one dollar per gallon from bulk in barrels. It may have been of questionable qual-

ity, but it got results for the imbiber, whether from bulk in jugs, flasks, or in sealed bottles. It may not be much better in quality today, and it does the same thing for the one who uses it to excess, but the price is another thing. Some of it sells as high as \$25 per gallon, and more. And that is quite a contrast brought about with some of the changes that have followed the era of the "good old days" of long, long ago.

**SANTA FE CARLOADINGS**

Santa Fe handled a total of 39,275 cars in the preceding week of this year.

**KAISER**

**FRAZER**

In just two years we've built and sold more fine cars than any other new manufacturer in automobile history.

Why? Because America fell in love with the KAISER and the FRAZER on sight. Folks are streaming into Kaiser-Frazer showrooms and learning from present owners how dependable these two great cars are. They're learning — from people who drive them — how soundly they are built... how economical they are... how much enjoyment there is in owning one.

THESE ARE THE MOST-COPIED CARS IN AMERICA, road-proved by 250,000 owners in two billion miles of driving.

Because plenty of Americans insist on comfort, convenience, style and value, traditional leaders had to "move over!" — Kaiser-Frazer became the fourth largest manufacturer of motor cars in the world in two short years.

Why wait? Enjoy your new car this summer. You'll get fair treatment and highest trade-in allowances.

Margaret Jane Lockridge, daughter of Mr. and Mrs. O. Lockridge of Goldthwaite, James Ernest Mosier, son of Mr. Robert Mosier of San Diego, California, were married at the home of the bride's mother, July 19, 1948, at 5:30 p. m. Rev. M. E. Blake, Minister of the Goldthwaite Church of Christ, read the single ring ceremony.  
The bride, given in marriage by her father, was lovely in a white two piece alpaca street dress. She carried a copy of the Bible. Carrying out the traditional bridal custom, she wore for something old, a watch which was her grandmother's, the watch was borrowed from her mother; something new was her wedding dress, and for something blue she carried a white handkerchief edged in blue.  
Those present for the ceremony were members of the bride's family.  
Miss Lockridge was a 1947 graduate of Goldthwaite High School, and at the time of her marriage was in nurse's training at Scott and White Hospital

**BILL LANE LOSES FURNITURE IN FIRE**  
Right after noon on Friday of last week, Mr. and Mrs. Bill Lane lost their furniture and most of their household goods in a fire that also did some damage to their garage apartment here. Mr. Lane had left a few minutes before to take Mrs. Lane to a hospital out of town and the door was locked. Minister M. E. Blake discovered the fire, notified the fire department, and helped save the little furniture that was not burned. Most of the furniture was a total loss.

The Goldthwaite Volunteer Fire Department gets the credit for saving the building. They were called back to the location a second time, after smoke was discovered in the building.

**FULLFILLING OUR OBLIGATIONS**  
We have tremendous international responsibilities, and we mean to fulfill them.  
But we have no responsibility exceeding that owed to the American taxpayer. We owe it to ourselves to see that American tax dollars do the job intended—that our help really helps instead of impoverishing Americans to pamper, if not pauperize Europeans.  
Our supreme obligation is to see to it by constant and close Congressional supervision and practical business administration, that the European Recovery Program does not become a gigantic government pork-barrel program.

**SALVATION ARMY AT WORK**  
The Salvation Army steadily is extending its work to prepare the youths of Texas for better citizenship through a program which places emphasis on both religious and recreational training. Lt. Col. Charles H. Dodd, Texas Divisional Commander, reports.  
These youth activities of The Salvation Army spread through 30 cities and towns of Texas.  
Major William T. Pyke, Texas youth director for the Army, offers these figures:  
The Salvation Army has more than 1,200 "Junior Soldiers"—boys and girls up to 15 years of age enrolled in its work. The average Sunday School attendance for each three months of the year is in excess of 24,000, and attendance at Salvation Army Summer Vacation Bible Schools will exceed 20,000.  
In addition there are 37 vocal and instrumental music groups at work in the 30 Corps areas of The Salvation Army in Texas, 30 different groups of Junior Soldiers, and 252 students enrolled in The Salvation Army's world wide correspondence Bible course, a six-year study for youths 13 to 19 years of age.

In its young people's activities, The Salvation Army attempts to provide a well-rounded program for youths of all ages, Major Pyke reports. It has a Junior Legion for boys and girls 6 to 11 years of age and a Young People's Legion for those 12 to 30. The Salvation Army also sponsors Scout troops and Cub packs for boys and Guard and Sunbeam organizations for girls.  
To give an idea of the work, attendance at Salvation Army young peoples meetings in 1947 was 250,645 and attendance at club and recreation activities was 139,750.

**FARM ACCIDENT PICTURE DARKER**  
The fifth observance of Farm Safety Week, July 25-31, finds the Texas farm accident picture growing increasingly darker, according to George Clarke, managing director of the Texas Safety Association.

Most of the gloom is the result of an upsurge in the number of farm residents killed or injured in motor vehicle accidents, Clarke said. The motor vehicle accident total for rural areas for the first five months of this year was 6634, as compared with 3852 for 1947, which showed a six per cent increase over the previous year.  
"This indicates that farm people must be more careful on their way to and from markets, while pleasure riding, or while crossing the highways," said Clarke. "It is true that more farmers are driving cars than ever before, but that only emphasizes the need for greater caution, courtesy and common sense. Farm Safety week should encourage farm people to brush up on their driving habits, as well as to check up on their own working and living habits and hazards around their farms."  
Highlights of the Texas farm accident picture are: If the present trend continues, 1,036 residents of Texas farms have met or slated for deaths as the result of accidents of all kinds during 1948.  
Inflationary-scarred Texans will dig deep into their pockets to pay \$35 per farm resident in the State for farm accidents this year, including fire, motor vehicle and property damage. The added cost will be reflected in increased insurance rates, extra taxes and in business lost because of death.

**Baruch, The Scribe**  
Lesson for August 1, 1948  
Baruch, whose name means "blessed," was the grandson of Manasseh, "governor of the city" under Josiah (II Chronicles 34:8) and his father, Neriah, appears to have been an official during the reign of Jehoiakim. He was a trusted friend of Jeremiah (Jeremiah 32:6-15 and 43:5-6). Tradition holds that Baruch was carried to Babylon, where he wrote the apocryphal "Book of Baruch," and died in 574 B.C., twelve years after the fall of Jerusalem.  
Our golden text for this lesson is found in Psalms 119:105, "Thy word is a lamp unto my feet, and light unto my path."

**OUR BIBLE**  
"THEN Jeremiah called Baruch, the son of Neriah, and Baruch wrote from the mouth of Jeremiah all the words of the Lord, which he had spoken unto him, upon a roll of a book. And Jeremiah commanded Baruch, saying, I am shut up; I cannot go into the house of the Lord. Therefore go thou, and read in the roll, which thou hast written from my mouth, the words of the Lord in the ears of the people in the Lord's house upon the fasting day; and also thou shalt read them in the ears of all Judah that come out of the cities," Jeremiah 36:4-8.  
How did we get our Bible? Through this simple process of God speaking through his appointed prophet, and by the faithful work of men like Baruch who served as scribes.

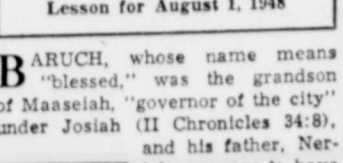

**THIS SCRIBE OF LONG AGO**  
IN the introductory paragraph I sketched briefly the story of Baruch. He was a trained man, trusted and beloved. This he had to be, else God would not have approved Jeremiah's selection of Baruch to copy what he was saying for God. And not only was he selected to write down what God was saying, through his prophet, but he was used to proclaim the words of God to the people in the Lord's house. Baruch was amanuensis, reader and distributor of the Bible—a distinguished role, indeed. Let us today be gladly ready to read the Bible to others, and to distribute and circulate the Scriptures wherever we may. Here I pause to pay tribute to the American Bible Society and all others, including the Gideons, who help to make the Bible known to all men everywhere.

**A MAN ON WHOM GOD COUNTED**  
"I saw a man on whom God counted. His work was done well, and we read that, "When they heard all the words, they were afraid both one and other, and said unto Baruch, We will surely tell the king of all these words."  
Young people will do well to ponder this incident in the varied contacts of young Christians in this modern day. We may be used of the Holy Spirit in making known the words of God in countless ways. Thus, like Baruch, you may be used of God to make known his will unto all mankind.

**BARUCH, A COURAGEOUS SCRIBE**  
"THE full context reveals the fact that Baruch exhibited courage as well as faithfulness in his service as scribe to Jeremiah. It was not an easy task. Nor will it be easy to fill our posts as couriers of the Good News. But it was a rewarding experience for Baruch. He served his day and generation according to the will of God.  
Mr. Henry Ford, Sr., believed in having a copy of the Bible near at hand wherever he might sit down in his home. I heard him say once that he had a Bible on every table in his home. "I do this in order that I may reach over and spend a few minutes with the Lord wherever I may sit down. And I always cherish the hope that others will find it a lamp unto their feet and a light along their daily pathway."  
Let us give thanks for Baruch—the trusted friend who served Jeremiah, and thus served God.

SCRIPTURE: Jeremiah 32:4-15; 46-57; 43:2-4.  
DEVOTIONAL READING: Psalms 92.

It is further provided that in the event the person with the highest number of votes for the office of Governor, as declared by the Speaker, shall become disabled, or fail to qualify, then the Lieutenant Governor shall act as Governor until a person has qualified for the office of Governor or until after the next general election. Any succession to the Governorship not otherwise provided for in this Constitution, may be provided for by law; provided, however, that any person succeeding to the office of Governor shall be qualified as otherwise provided in this Constitution, and shall, during the entire term to which he may succeed, be under all the restrictions and prohibitions imposed in this Constitution on the Governor."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at a General Election to be held throughout this State on the date provided by law in the month of November, A. Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this State.

H. J. R. No. 13

HOUSE JOINT RESOLUTION amending Section 15 of Article XVI of the Constitution of the State of Texas, by adding thereto a provision that the husband and wife from time to time may in writing partition between themselves in severally or into undivided interests all or any part of their community property, whereupon without prejudice to the right of existing creditors the portion or interest set aside to each spouse shall be and constitute a part of the separate property of such spouse; further providing that such Constitutional Amendment, if adopted shall be self-operative and self-executing; providing for the submission of this Amendment to the voters of this State; prescribing the form of ballot; providing for the proclamation and publication thereof.

This Amendment is self-operative but laws may be passed prescribing requirements as to the form and manner of execution of such instruments, and providing for their recordation and such other reasonable requirements not inconsistent herewith as the Legislature may from time to time consider proper with relation to the subject of this Amendment. **ADAMS MONUMENT COMPANY MOVES TO NEW LOCATION**

Mr. E. B. Adams is moving his Monument Company to his newly constructed building on the San Saba Highway about three-fourths of a mile from the business district of Goldthwaite. Mr. Adams has been located for the past seven years in the building on Fisher Street, formerly occupied by Mr. J. N. Keese, monument dealer. Mr. Adams moved to Goldthwaite from Hamilton on September 23, 1941, and bought out Mr. Keese.

Mr. Adams' purpose in moving to the new location is so that he may have more room and better working conditions so that he may render better and faster services to his customers. He has installed a new overhead traveling crane to carry the heavy stones. He hopes to move the rest of his equipment next week. The new building, being 60 ft. long and 26 ft. wide, is a great improvement in size over his former location.

Mr. Adams and his father have been in the monument business since 1883. They have been in three locations in that time, Waco, Hamilton and Goldthwaite.
