VOLUME FIFTY-FIVE GOLDTHWAITE, MILLS COUNTY, TEXAS— FRIDAY, NOVEMBER 19, 1948 NUMBER FOURTEEN

Date Set For Mills County 1949 Livestock Show; Best In Section

At a special meeting of the Mills County Livestock Raisers Association Wednesday night, Nov. 10, the date was set and plans got under way for the 1949 livestock show. After much consideration, January 14-15 was decided upon as the appropriate date. This will be immediately preceding the Brownwood and Fort Worth shows. The 1949 show will be the first two-day show to be held in Mills County. With the new Agriculture Building to house the show, it should prove to be one of the best in this section of the state.

A publicity committee consisting of L. P. Bain and Y. B. Johnson was appointed. It is hoped that Murray Cox, Frank Reeves, and other livestock interested men from throughout the state can be present for this show. It was decided that appropriate banners should be provided for the 4-H and F. F. A. exhibitors. Different organizations of the town will be given an opportunity to furnish the banners.

The same judges will be used as were selected to judge the 1948 show. In case some of the judges are not available, alternate judges will be selected. Catalogues, ribbons, and other supplies are now being prepared and will be in readiness for the show.

The association voted to add a class of fat lambs to the classes already named. Southdown fat lambs will show in one class and cross-bred fat lambs and other mutton types will show in another class. Winners in each class will compete for grand champion.

It will take about four days to get the building ready for the show. Cards will be sent to the association members notifying them of the work days and anyone else desiring to help will be appreciated.

For the past few years, the state winners have been coming from Mills County. This has certainly put Goldthwaite and Mills County out in front. The calf feeders of Mills County have set a pace other counties have not been able to match. The Livestock Raisers Association is indeed proud of these boys and girls and want the help of everyone in the county to make the 1949 show the biggest and best yet.

GOLDTHWAITE P-T A

The Goldthwaite P-T. A. met in regular meeting November 10, 1948 in the School Auditorium. Mrs. Mohler Simpson led the following program:

Prayer—Rev. M. E. Blake.
The Library and The Books—Mrs. O. O. Smith.
The Home—"A Pattern For Building Sound Character And Moral Values," was a dramatization given by the High School Speech Class under the direction of Mrs. Margaret Thompson.

Mr. Hope Shultz used the same topic for a very interesting talk. This program was very good and each parent is urged to attend the next meeting December 21, 1948, at 8 p. m.

The Sophomore Class won the attendance prize.—Reporter.

REV. LOWRY IN BROOKS HOSPITAL

Rev. M. D. Lowry, pastor of the Goldthwaite Methodist Church, is in Brooks General Hospital, Ward 28, San Antonio, for a check-up and possible treatment.

Rev. Lowry writes that he is very anxious to be home, but the tests they are giving him will take time. He hopes to be home next week. He writes: "Relay my sincere interest in the church and community."

High School Eagles Play Annual Benefit Game With G'waite Exes

Scheduled for Eagle Field here next Monday night, Nov. 22, beginning at eight o'clock, is the annual football game between the regular Goldthwaite High School Eagles team and the Goldthwaite Exes. The game was at first advertised for last night, but was changed to Monday night.

This is always one of the best and hardest-fought games of the season, and attracts large crowds. Proceeds are to go to buy awards for this year's Eagle team.

The Eagle Exes lineup will consist of many Eagle star players of former years, and they list 32 players in their line-up. The regular Eagles last Friday night ran over the Llano Yellow Jack-

Lions Club Ready With Christmas Lights For Business District Display

The Goldthwaite Lions Club met Tuesday night in regular third Tuesday meeting at The Hangar, with President Joe B. Karnes and Secretary Ray Duren in charge.

Lion M. E. Blake reported for the Christmas lights committee and said \$147.50 had been made up by Goldthwaite merchants to buy materials necessary for crossing in the center of several streets in the business district with Christmas lights. City Utilities has already ordered the materials and they are ready to go up.

A motion carried that each member be assessed \$3 per month as dues, and any member unable to make any meeting is to notify the secretary not later than the day before if he wants to save his fee for that meeting. The secretary was asked to mail letters to all members explaining this new regulation.

Lion President Karnes announced that a Ladies Night and Christmas Party combined meeting would be held at The Hangar on the third Tuesday night meeting in December, Dec. 21. An entertainment committee is to be appointed to make arrangements.

Lion Mayor Loy Long expressed appreciation for the Club's co-operation in the City's last Clean-up Campaign, and said the members may be called upon to help out in another, citing two serious cases of polio that had broken out in Brownwood this week.

Lion M. Y. Stokes said the post office department is waiting for city street markers and house numbers to arrive and be placed before getting city mail delivery. The city has ordered the markers for all streets, as well as the necessary house numbers.

Rainfall Here During Past Week Totals Inch; First Since Sept. 8

Rainfall in Mills County, starting Armistice Day and ending Monday night, totaled one inch, as registered by Harry Allen's government gauge here in town. It was the first moisture of any consequence since the 2.85 inches that fell over two months ago, on Sept. 8.

Although not nearly enough to break the long dry spell, the rain is sufficient to bring up winter wheat and other grains, and will do lots of good to winter pastures for the livestock men.

The month of October, 1948, brought nearly a blank for Mills County people who were hopefully watching the clouds. Total for the month was .13 of an inch, which fell on Oct. 21. The fall during the past week brought the total for the year to 17.94 inches, which is well below normal but well ahead of

Annual Garden Club 'Nigger Minstrel' To Be Staged Here Tonight

At the Goldthwaite Grammar School tonight (Friday), beginning at eight o'clock, will be staged the Annual Garden Club "Nigger Minstrel." Reserve seat tickets are now on sale at the San Saba Production Credit office next door to the Coffe Shop.

Sponsored by the Goldthwaite Garden Club, with proceeds to go to the Memorial Entrance to the cemetery, this will be one of the best local talent shows here this year. An overflow-house is expected. Members of the Garden Club and the best local talent in Mills County have been working hard to have everything in readiness by curtain time tonight.

PRES. TRUMAN

Praise the Lord!
For his re-election
Truly he
Deserves our recognition.
All alone
He fought for survival
Of Democracy.

Now, that he has done it—
Gone ahead and won it—
Let us show our loyalty!
Praise the Lord!
For the land we live in.

Is "takin' and a-givin'?"
All it needs
Is our cooperation—
Then we'll all stay Free!
Then we'll all stay Free!—ROG.

head man, O. H. likes
the Boss' drawers dept.

the street and ain't too
far, tell him it's good—
I know the difference.
This here's about all
I could think of to
say. When it comes
to beating, seems like O. H.'s
a whole lot better'n his
any.

CONGRESSMAN CLARK—
Just last week the Boss
got a letter from Cong. Clark
who sure lost the Boss
the political adv. money when
he beat two good men in the
primary without no run-
g-shall, and Cong. Clark put
a little paragraph about Old
Hunnert as per to-wit: "Please
advertis in my office have start-
ed reading Old Man Hunnert,
I can't tell whether they
are being elevated or drudg-
ed. Remember, Old Man Hunnert
is being watched and his in-
fluence is far-reaching." Old
Hunnert's head swelled till his
hat dropped off the top and
he asked the Boss for a
piece on the strength of this
good boost, the Boss set said it
was a bad knock instead and
took off.

Just this week, Old Hunnert
the Boss that when it comes
to the likes to do nothing
better, and the Boss said: "So
I notice."

And there's some women
around here that won't use
Eind's cold cream—because they
can't get their face.

"What a wonderful view,"
said the ship passenger as he
stepped into the women's show-
er room by mistake.

And the Boss tells Old Hunnert
that a man who is good for
making excuses isn't very good
for anything else. Also, every-
body knows Old Hunnert is a
pleasure-bent tonight he allus
stoke pleasure-broke the next
morning.

Old O. H. set up all night
trying to figure out where the
sun went when it went down—
and it finally dawned on him—
When the space professor
asked: "What always results
when a body is immersed in
water?" the coed answered:
"The telephone rings."

Fat was determined to pass
by his favorite tavern on his
way home. He became shaky as
he approached but steered him-
self and passed on. Then, after
going about 50 yards, he turned
and said to himself: "Well done,
Fat. My boy. Come back and I'll
treat, ye."

AIN'T SO TOUGH—

Old Hunnert admits he ain't
so tough as he onct was—Old
Father Time softens everything
some—but he used to be so
tough and maybe didn't bathe
often enough that here's what
happened a long time ago: O. H.
and two other tough hombes
around here got maybe too
much of them brave goods and
got up a bet as to who was the
toughest. They decided that the
one who could stay in a skunk
under some rocks the long-
est would win the bet and there-
after be known as the toughest
man in Mills County. They found
a din, and one man went in,
stayed one minute and staggered
out; the second man went in,
stayed for two minutes and
rushed out and fainted; then
Old Hunnert went in with his
chest sticking out (maybe you
have guessed it), stayed for
three minutes—and the skunks
all come out.

Allen Poe Of Star Wins Santa Fe Award All-Expense Trip To Chicago

29 TEXAS 4-H CLUB 3-YEAR ACHIEVEMENT BOYS ARE WINNERS RECORD OF ALLEN POE

COLLEGE STATION, Nov. 17.—Forty-seven 4-H club boys and girls reaped the awards of their work when announcement was made of 1948 state winners this week by the Texas A. & M. College Extension Service.

Individual awards range from all-expense trips to the National 4-H Club Congress to \$25 savings bonds.

Twenty-nine of the youngsters will make up the delegation to the Congress in Chicago November 28-December 2, and it is possible that the delegation will pick up additional members, since several of the girls and boys are entered in sectional and national contests which offer the all-expense trip award.

Texas' representatives will go to Chicago in two groups—one from Fort Worth and one from Amarillo. Both groups will leave by train November 26. The Fort Worth group will be accompanied by J. W. Potts, state boys' 4-H club leader, Gladys Martin, assistant state home demonstration agent and Fannie Brown Eaton, extension district agent for District 12, while the group from Amarillo will be accompanied by W. H. Jones, extension district agent for District 9.

HUMBLE OIL CO. TO BROADCAST 2 GAMES

The next-to-the-last Saturday afternoon football broadcast by Humble Oil & Refining Company this week features two conference games.

At 1:50 p. m. broadcast of the Baylor-S. M. U. game will go on the air from the Cotton Bowl in Dallas. Kern Tips will handle the play by play announcing and will be assisted by Alec Chesser, color man. Stations carrying the game will be KPRC, Houston; WFAA-820, Dallas; WOAI, San Antonio; KRIS, Corpus Christi.

2:20 is broadcast time for the Rice-T. C. U. game in Houston. Ves Box and Jerry Doggett will announce. Broadcast may be heard over stations WRR, Dallas; KPJZ, Ft. Worth; WACO, Waco; KNOW, Austin; KABC, San Antonio; KGKL, San Angelo.

Allen Poe of Star has just been notified that he is among 29 Texas 4-H Club Boys to win the Santa Fe Award of an all-expense trip to the Chicago National 4-H Club Congress. He won the award on four projects for the last three years.

Young Poe will leave here Friday, Nov. 26, by bus for Fort Worth where he will join other Texas boys who won the award for the trip to Chicago. The National 4-H Club Congress date is Nov. 28 to Dec. 2.

Young Poe won his award on four projects for the last three years: 1—Record of Sheep Project (1948); 2—Record of Meat Animal Project (1947-1948); 3—Record of Meat Animal Project (1946-1947); 4—Record of Meat Animal Project (1945-1946).

The following is young Poe's own record of "My 4-H Club Achievements and Experiences in My Livestock Projects."

I became a member of the Star 4-H Club in September of 1941. Mr. Joseph M. Glover was Mills County Agricultural Agent at this time.

I had for my first club project, a roan heifer, which was picked from my father's herd of cattle. I gave my project the best of care that I knew how to give. The following spring of 1942 I entered my heifer in the Mills County Live Stock Show, winning third place in the Breeders Class.

In December of 1945 I ordered a registered Duroc boar from U. G. Lewallen, Jefferson City, Mo. He placed 2nd at the county show and was Grand Champion Boar at the district show in Brownwood. My boar prize money at the county and district show was \$25.00. I received enough to pay from the breeding of gilts to pay for the boar and keep him up. The next year I sold him for \$90.00.

By the end of the 1946 club year I had begun to see that success and benefits from 4-H club work were not the placings that I had won or lost in the show ring. It had dawned on me that the contacts I made, learning to do and think for myself, the education I accumulated, the education I was gaining were some of the motives of 4-H club work which are invaluable in my life.

By this time 4-H club work had really gotten hold of me and March 20, 1946 I purchased three steer calves from H. A. Fitzsimmons Ranch, of Llano, Texas. April 12, 1946, I purchased one calf from Flat Top Ranch and May 5, 1946 I purchased one calf at Harrisdale Hereford Farm of Fort Worth, Texas. These gave me five calves for my project for 1946-47. I purchased these calves with money I had earned previously from my club projects. I had begun to operate on my own with very little capital assistance from my Dad. I placed these five calves on nurse cows and a self feeder supplied with a ration given me by Mr. Calvin Halcomb, County Agent. I named my five calves Tipy Top, Llano Kid, Fitzsimmons Stead and Bonnie's Top.

In the summer of 1946 there were five boys who attended the District 4-H Club Summer Camp at Brownwood Lake and I was one of the lucky five. At camp I was elected a camp position and served in that capacity.

We re-organized our club when school began in September of 1946 and I was elected secretary treasurer of our Star 4-H club and served for the ensuing year.

Our next county show came in January of 1947 with my five calves placing as follows: in the heavyweight class, Fitzsimmons Stead 2nd, in the middleweight class Bonnie's Top and Chief placed ninth and eleventh. In the lightweight class, Tipy Top placed first and Llano Kid placed 3rd, with Tipy Top winning Reserve Champion of the show. Then on to the district show at Brownwood where four of my five calves placed 1st, 3rd, 4th and 13th. At the Houston Stock Show I did not do so good, winning a 11th, 12th and 13th place with third in a group of

ed from Fitzsimmons Ranch of Llano, Texas, the third being purchased from the Evant Auction Company, Evant, Texas. I started these calves on nurse cows and regular rations on April 15, 1945. I had begun to see the importance of 4-H club work and my enthusiasm began to run high once more. I built a sun arbor of sea cane for a shade and covered the ground underneath with four inches of fine sand which was kept damp. These calves were fed a ration given to me by Mr. Halcomb who was county agent at this time. In our county boys club show in 1946 I had one calf to place 5th and the other two to place 13th and 17th respectively. We went to the Brownwood Live Stock show which is our district show. One of the calves placed 22nd in the heavyweight class, and the other two did not place. All three calves were used in the county car lot of 15 calves and the county placed 3rd. My next show was the Fort Worth Live Stock show with one calf placing 26th and the other two being sifted. I sold the two sifted calves for 25c per pound with the third calf bringing 40c per pound. The three calves brought me a total of \$921.00. Along with my three steers in 1945-46 I also had a duroc gilt which I won by writing one of the five best essays on "Better Swine in Mills County," these gilts were given by Mr. E. T. Fairman, of Goldwaite, Texas. I had to return a gilt from the first litter. I entered the gilt in the county show in 1946 and won second place, going on to the district show at Brownwood. I won third place with my gilt. After she farrowed I sold her for \$80.00.

In December of 1945 I ordered a registered Duroc boar from U. G. Lewallen, Jefferson City, Mo. He placed 2nd at the county show and was Grand Champion Boar at the district show in Brownwood. My boar prize money at the county and district show was \$25.00. I received enough to pay from the breeding of gilts to pay for the boar and keep him up. The next year I sold him for \$90.00.

By the end of the 1946 club year I had begun to see that success and benefits from 4-H club work were not the placings that I had won or lost in the show ring. It had dawned on me that the contacts I made, learning to do and think for myself, the education I accumulated, the education I was gaining were some of the motives of 4-H club work which are invaluable in my life.

By this time 4-H club work had really gotten hold of me and March 20, 1946 I purchased three steer calves from H. A. Fitzsimmons Ranch, of Llano, Texas. April 12, 1946, I purchased one calf from Flat Top Ranch and May 5, 1946 I purchased one calf at Harrisdale Hereford Farm of Fort Worth, Texas. These gave me five calves for my project for 1946-47. Then on to the district show at Brownwood where four of my five calves placed 1st, 3rd, 4th and 13th. At the Houston Stock Show I did not do so good, winning a 11th, 12th and 13th place with third in a group of

San Angelo Show winning the Grand Championship of the show. For the year from five calves my project books read prize money \$240.00 and income from the calves \$3,572.95. During this year, experience from being secretary-treasurer of our local club and helping with other functions of our local club has been an education within itself for me.

During June of 1947 Mr. Halcomb was moved to another county and Mr. D. B. McCombs replaced him. In September of 1947 we reorganized our club with myself being elected as president. This position placed a load of responsibility on me, and I have greatly benefitted by the experience. During this club year we put on several demonstrations which were enjoyed and beneficial to all who attended. I put on the horticulture demonstration. For my projects this year I have six calves, three of them from the Flat Top ranch, one from Horton's ranch, Goldthwaite and one from Harrisdale Farms, Fort Worth, Texas.

During the summer I made the Mills County 4-H Club stock Judging team and went to Harrisdale Farms with Jim Bob Steen, Billie Collier and myself as the team. We won second place in our livestock judging.

I carried two of my six calves to the State Fair at Dallas, Texas and placed 3rd in the lightweight class, the other calf did not place and I received \$615.93 from the sale of my two calves, winning an extra \$20.00 prize money.

I kept the other four calves for a later show. We did not have the county show this year due to bad weather. Going to the Brownwood district show I placed 4th, 12th, 14th and 16th winning fourth in a group of three. Two of my steers were used in the county car lot of fifteen which won first.

On to the Houston Show in 1948 where I was only allowed to enter two steers, I placed 1st and 5th in the different classes. Both of my steers were used in the county car lot of fifteen which also won first at the Houston show. In selling four of my calves I received \$1,176.55 a total of \$60.00 in prize money.

In November 1947 the Mills County 4-H Club and F. F. A. boys ordered a car load of registered Southdown sheep from E. W. McEwen, of Ontario, Canada. Out of this car load I purchased ten ewes and one buck and one mutton for show purposes. I added these to my projects and paid \$675.00 for them. The money coming from my 4-H club savings account, I still have them and I am selling other club boys lambs for club projects, at this time I have eighteen head of Southdown sheep.

In the spring of 1948 I purchased five calves for projects. I had one calf left from last year. This will give me six hereford calves to be used as projects. I will enter two at the Dallas Fair this fall and will show the remainder next spring at the spring shows. The above calves and sheep are being fed on rations furnished by Mr. D. B. McCombs county agricultural agent.

In July of this year I purchased fourteen head of registered Angus cattle which I added to my herd of sheep and club calves. I bought these cattle from Mr. H. C. Hennington of Goldthwaite, at a cost of \$4,000.00. My 4-H club savings have gone a long way in paying for my Angus herd. In this registered herd I have two heifers, eleven cows and one herd bull.

I made the district 4-H club encampment in 1946 and 1947 and was selected again in 1948 but could not go because of harvest work at home.

I have received the County Meat Animal Award for two years 1946-47. In 1948 I again made the 4-H club stock judging team, which went to the Harrisdale Hereford Farms for judging.

I attend church and Sunday school regularly and take part in all outstanding community affairs. I am a member of the foot ball squad basket ball squad and baseball teams and take part in all school activities.

At this time my inventory of live stock including nurse cows reads: one twenty-eight head of cattle of which fourteen head are registered Angus. Eighteen head of sheep all of

CHRISTIAN SCIENCE SERVICES

"Soul and Body" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 21.

The Golden Text is: "Rejoice the soul of thy servant: for unto thee, O Lord, do I lift up my soul" (Psalms 86:4).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And the very God of peace sanctify you wholly; and I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ" (Thessalonians 5:23).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Science reveals Spirit, Soul, as not in the body, and God as not in man but as reflected by man. The greater cannot be in the lesser" (page 467).

My experience in 4-H club work has been worth a great deal to me. I have learned many valuable things that will help me through life. I have not only learned to feed, care for and show livestock but I have learned how to associate with other boys and girls, how to care for myself when away from home. I have enjoyed talking to livestock judges and livestock men all over the state. From them I have received some very valuable advice and information. During my 4-H experience I have been interviewed over the radio twice and have made several personal speeches.

After finishing High School this year I plan to enter Texas Agricultural and Mechanical College. The cash that will be needed to send me through school will come from my accumulations in my 4-H club projects. My only regret is that I did not see the importance of 4-H club work in my earlier years as a club boy.

'ON AN ISLAND WITH YOU' OFFERS FUN FOR EVERYONE

Everybody from Grandpa to Junior should get a kick out of M-G-M's generously cast new Technicolor musical, "On An Island With You," showing at the Melba Theatre next Tuesday. For this tropical tuner has everything in the way of big-time entertainment, from Esther Williams in stunning underwater ballets, romance personified by Peter Lawford, the exciting dance team of Ricardo Montalban and Cyd Charisse, belly-laughs from the one-and-only Jimmy Durante, to a flock of new song hits backgrounded by the Latin rhythms of Xavier Cugat and his famed band.

The story, laid in exotic Hawaiian locales brilliantly filmed in the Technicolor hues, has Esther Williams (complete with sarong!) playing a movie star on location. Believing herself to be in love with her handsome leading man, Montalban, she spurns the advance of her film's technical adviser, Lawford. But the impetuous Lawford proves he is not so easy to spurn when he kidnaps the glamorous motion picture star by plane and holds her prisoner overnight on a nearby island. This old-fashioned caveman technique with a new twist brings about happily hilarious results.

'BIG CITY'
That astute showman, Joe Pasternak, has assembled a notable collection of performers of screen, stage, and concert hall for his latest M-G-M production, "Big City," at the Melba Sunday Monday. The result is a picture replete with humor, tender sentiment and delightful musical interludes.

into the category of a film musical, its multi-faceted story of a New York waif who is brought up by three foster-fathers, each of whom is eager to present her with a "mother," offers most of its principals not only the usual dramatic opportunities but an outlet for a display of other talents as well.

The Bluebonnet Club

The Blue Bonnet Club met with Mrs. Clyde Featherston October 28 with nine club members and five visitors, Mrs. Elton Horton of Caradan, Mrs. Ollie Covington and Edith and Mrs. Charley Hall of Pleasant Grove, and Mrs. Burchel Roberts. We were glad to have these ladies with us.

We spent the evening in quilting and having a good time. Mrs. Featherston served refreshments and we had our business meeting. Our next meeting will be on Thanksgiving, so we decided to have it December 2. We sure do want all the members to come, for it is time to elect new officers and draw our meeting places for another year and plan for our Xmas tree at Mrs. Skippings.

At a late hour we had finished two quilts and departed for home, to meet with Mrs. Willis Hill December 2 in the afternoon.—REPORTER.

H. D. CLUB

The club meets November 23 in Mrs. T. F. Sansom's home at 2:30 p. m. Come and bring some one with you. Be on time, you might miss something.—REPORTER.

MILLS COUNTY MEN AT A & M COLLEGE

BY JACK L. GROFF
College Station, Nov. 16—Eugene W. Trotter, son of Mr. and Mrs. Mark W. Trotter of Route 2 Goldthwaite, will receive a Bachelor of science degree in Animal Husbandry from Texas A and M College in January of 1949.

Trotter is a distinguished student at A and M, having a grade point ratio above 2.25. He is an active member of the Heart-of-Texas club, the Saddle and Siroloin club, and is now president of the JTAC Club.

Trotter is a veteran ROTC member of "D" Company Flight. He now has the corps rank of first lieutenant and upon graduation will receive a reserve commission as second lieutenant in the United States Air Force.

Trotter served eighteen months in the Army Air Force and was stationed on Guam, Iwo Jima and Siapan. After graduation in January he plans to work with the U. S. D. A. hoof and mouth disease control program and then enter graduate school next fall at Colorado A. & M.

Mrs. M. C. Partridge and Juanita visited Mrs. B. L. Kuykendall a while Monday.

Don't miss the Nigger Minister at School Auditorium, Friday Night, November 19.

Don't miss "Big City" with Margaret O'Brien. She keeps you in stitches and Butch Jenkins is uproarious as the biggest little brat in town. Saturday night prevue, Sunday and Monday at the MELBA THEATRE.

Mrs. Marvin Wetherby of Fort Worth spent several days the first of the week with her mother, Mrs. J. H. Burnett. Mrs. Weatherby also visited in San Saba with her son, Mr. and Mrs. M. R. Weatherby.

See Margaret O'Brien in "Big City." When she struts her stuff the whole city applauds for more. Saturday night prevue, Sunday and Monday at The Melba Theatre.

Mrs. Ola Howell and brothers, Roy and Truman Hill, visited Sunday in Mineral Wells with Mr. and Mrs. J. Frank Blue and his sister, Dove.

Earl Hale of Fort Worth brought 19 Boy Scouts and Scout Master Garrett and Assistant Master Penn down to his father's place Friday for an outing. They returned Sunday after attending Sunday School at Jones Valley Church.

See Butch Jenkins in "Big City." He's even funnier than he was in "The Bride Goes Wild." At The MELBA THEATRE.

Granddaddy Hale is doing as well as could be expected after having had two light strokes.

Mrs. Vera Mae Ware and children of Menard visited her mother and father, Mr. and Mrs. J. H. Hale, last Tuesday and Wednesday.

GIRL SCOUTS HAVE MONTHLY MEETING

November 1st the Girl Scout Council met at "The Little House" in its regular monthly meeting. The council voted to send a delegate to the Regional IX District Meeting in Fort Worth Nov. 16-18 but no one promised to attend all of the sessions. Plans were made for the Ladies' Training Class which will be held here December 1 and 2. Announcements were made that the Girl Scout cookies were here and ready for distribution. The council is very sorry that Mrs. McLean could not continue as program chairman. A new chairman will be elected soon.

In a call meeting at Mrs. Jake Saylor's Monday night, Nov. 8th, the local Girl Scout Council voted to pay \$165.00 in to the Heart of Texas Area Fund for 1949 and pay more if the interest and funds increased to the extent that it was possible to do so.

After the meeting of the council, the Ladies' Club held their first session after its organization which was Oct. 22. Fourteen members were present. The session was opened by singing a Girl Scout song. All four Brownie Leaders were present and discussed plans for their future work. They are Mrs. Famborough, Mrs. C. M. Smith, Mrs. Calder and Mrs. Benningfield. Some work of former Brownie Troops were displayed and discussed. Mrs. Saylor emphasized the importance of every Troop Committee taking the training course here December 1 and 2. There should be at least six mothers from every Troop that should take this training. If YOU are not interested in Scout work, WHY AREN'T YOU?

Ex-Sheriff F. D. Reynolds talked about the importance of Boy and Girl Scout work in a community. He stated that in his past work with the sheriff's department that they had been told that seldom was a Boy Scout ever found in a reformatory or disobeying the laws to any great extent. That proves

H. D. COUNCIL

The Home Demonstration Council met in the Agents office November 6, with 14 present and six clubs represented. Scallorn led in a lively recreation.

The Xmas party was discussed and the date is Saturday December 11 at 2:15 o'clock, all club members come and bring a gift that doesn't cost over fifty (50) cents.

The Chairman appointed separate committees to attend to the decoration, refreshments and entertainment. She also appointed Committees to see about having the year books printed. Final plans were made for the style revue, which will be held at the Melba theater November 19 at 3 o'clock. There will be three divisions of dresses. Tailored suits, tailored dresses and dress dresses. There will be 1st prize and 2nd prize for each division.

The dresses must be all wool or part woolen material. Dorothy Helen Featherston gave a very interesting report of her trip to the 4H style revue at Dallas.

Mrs. Fields Hines gave a report of the marketing committee meeting at Comanche.

Mrs. E. D. Roberson, Mrs. Harvey Hale and Mrs. J. D. Berry, told all the happenings at the T. H. D. A. State Meeting at Temple. The next Council meeting will be the first Saturday in January 1949. Every old and new officer is urged to be there, as we are planning to have a very beautiful installation program.

REPORTER

Circle No. 2 of the First Methodist Church met in the home of Mrs. Phillip Nickols on Monday, November 8, at 3 p. m.

The study on Alaska was continued. Mrs. Y. B. Johnson discussed "People of Alaska" and Mrs. Roy Wilkins, "The Influence of the Church in Alaska." Refreshments were served the sixteen members present.

The next meeting will be in the home of Mrs. Norman Duren on November 22nd.

B. A. Turner and wife and daughter Berylene and Marvin Robertson and wife and Mrs. Maymie Taylor were visiting in the home of Mrs. J. M. Traylor Sunday November 14.

FEDERATION DAY TEA SATURDAY

The Art and Civic Club celebrated their annual Federation Day with a luncheon and tea at the Hanger on Saturday, November 6.

Honored luncheon and tea guests were Mrs. Roy Rowntree of Houston, T. F. W. C. Chairman of the Council of International Clubs, and Mrs. Cantrell of Lometa, 6th District Federation President.

Upon arriving the tea guests were served from a beautifully appointed tea table with Mrs. Marvin Hodges presiding. Mrs. Oran Carothers presided at the guest register.

A large number of local and out of town guests were privileged to hear Mrs. Rowntree and Mrs. Cantrell. The speakers were introduced by the club president, Mrs. Jim Weatherby. Mrs. Cantrell spoke briefly of her recent trip to the Federation Convention in Portland, Oregon, pointing out the highlights of her trip. Mrs. Rowntree having formerly resided in Goldthwaite a number of years ago, and was a member of the Art and Civic Club at that time, expressed her pleasure of having the opportunity to greet old friends here. Her subject for the afternoon was "World Peace Through Understanding." She related many incidents during her trip last year to Mexico and Guatemala as a member of a good will tour of a number of federated club women. Mrs. Rowntree stresses the need for each woman in the United States to make some effort toward world peace and fellowship by correspondence with some woman in a foreign land. Lists of names from all over the world are available to club women everywhere. By this means we will be more able to understand the people in other parts of the world, and they will come to know more about us and the American way of life.

The club was glad of the privilege of having Mrs. Rowntree back with us, and we were honored to have the following: out of town guests present: Mrs. V. Z. Cornelius of San Antonio, Mrs. Fannie Belle Taylor of Eastland, Mrs. C. L. Arnold of McCamey, Mrs. Jeff D. Jackson of Lampasas, Mrs. M. W. Trussell, Mrs. Werden Scott, Lorraine Duey, Mrs. Stacy Oliver, Mrs. W. R. Payne, Mrs. A. J. Smith, Mrs. Calvin Gage, Mrs. Marvin Nance, and Mrs. R. M. Gage all of San Saba.

FIFTEEN MILLION EXPANSION OF SMU

Dallas, Nov. 16.—A \$15,000,000 expansion plan for Southern Methodist University was voted November 9 by the SMU Board of Trustees at its annual fall meeting.

University endowment will be increased by \$10,000,000. Dr. Umphrey Lee, president of SMU said, to provide funds for scholarships and special professorships.

The other \$5,000,000 will go into plant expansion, including the construction of an additional girls' dormitory and a building for the planned Law School quadrangle of SMU.

The \$15,000,000 fund drive was proposed by a newly-organized planning and development committee of the board of trustees.

Reporting to the 51 members of the board, Dr. Lee said that SMU's assets have increased 300 per cent, including construction now in progress, over what they were in 1935—from \$6,000,000 to \$18,000,000.

Since 1940, he added, approximately \$1,000,000 a year has been added to the assets of SMU.

CARD OF THANKS

I'd like to express my appreciation to our many friends for their cards, letters, flowers, calls and for being so grand to us while I was in the hospital. Our special thanks to Charles Conrad and Edward Harris, the blood donors. Also to all those who volunteered.

We will never forget how nice the people of Mills County have been. May we always be as ready and willing to help as you have been.

Mr. and Mrs. Willard Davis.

Martin - Pierce

Mrs. B. V. Martin of Comanche has announced the marriage of her son, Lynn L. Martin, to Miss Marian Ruth Pierce, Monday November 15, 1948, at 8:30 in the First Baptist Church, Clovis, New Mexico.

The Martins are former residents of Big Valley community, and Lynn attended school at Goldthwaite.

They're together again—Margaret O'Brien and Butch Jenkins in "Big City." What a pair! Saturday night revue, Sunday and Monday, Melba Theatre.

6:30 AM Week Days—9:15 AM Sundays

This is the season of the year when the missus wants the leaves removed from the yard but won't let us use the vacuum cleaner to do it.

Prize-winning slogan in a contest staged among Texas school children by the State Fire Insurance Department, was submitted by young Jerry Mac Hirby of Tom Bean, who won \$10 for it. The slogan is "Matches Strike Back." They do, too.

This is the worst year for forest fires in Texas since 1925. Enough timber to fill solid a strip 5 miles wide and 115 miles long as been burned since January 1 in nearly four thousand separate fires, most of which were set by hand, the Texas Forestry Service reports.

All the farm organizations are talking about subsidies now since the election. And comes a report that President Truman knew he was going to be re-elected because a friend traveled incognito through the midwest asking farmers for whom they would vote.

The cotton harvest is about down to the last cleanup now and most migratory workers have started migrating back to their winter quarters in South Texas where they'll work in the citrus groves during the coming months. Some cotton sledging has started in the plains country. Pulling bolls will continue until sometime in December.

Soil conservation men on the plains say dust storms this winter are as certain as the

winds that blow, because the soil is in blowing condition. We asked some of them to let us know when the blowing starts. They replied, "We don't have to, you'll know it soon enough".

Peanut land between Stephenville and Comanche, as well as other places, is being stripped of hay now and bare soil is being left exposed to the elements, highly susceptible to erosion by both wind and rain.

The best grass in Texas this year lies between the pavement and the fence.

J. Leonard Stallings Passes Away

J. Leonard Stallings died suddenly at Ballinger, Texas, Tuesday, Nov. 16, at 7:30 in the evening. Mr. Stallings was the husband of Josephine Gilliam, sister of E. B. Gilliam. The funeral was held at Ballinger at 3:00 p. m. Wednesday. Burial was from Henry Stallings home in Brownwood, Thursday, 10 a. m.

The Stallings were well known in Goldthwaite, and they and the Gilliam family have the sympathy of their many friends here.

The E. B. Gilliams with a host of Goldthwaite friends attended the last sad rites for Mr. Stallings.

VISIT IN OKLAHOMA

Mr. and Mrs. W. P. McCullough left Friday of last week for Haskell, Okla., where they visited Mrs. McCullough's sister, Mrs. R. G. Martin. On the return trip home, they stopped over in Gainesville and visited with Noel Harris and his mother, Mrs. Leon Harris, both long-

Mrs. Lucille Fairman left last Saturday for a week's visit with her sisters in Miami, Florida.

P.-T. A. MEETING

The P.-T. A. met for our regular meeting Nov. 10. The Program Subject was "The Home—A Pattern for Building Sound Character and Moral Values."

The High School Speech class, under the direction of Mrs. C. M. Thompson, gave a superb presentation of the subject in the form of a dramatization. Laverne Hale gave a wonderful talk on "Character in the Home." This was followed by a pageant by the following girls, Jane Ann Steen, Neida Hodges, Patricia Lockridge, and Monette Simpson, who were dressed like little old ladies.

Wilbur Heath, Sybil Ann Reid, Johnny Head, Ralph Massey, Jesse Hammond, June Tyson,

Jo Ann Partridge, Nell Carmen Wilkins, Annette Lindsey, and Robert Miller then presented a skit, expressing the teen-age opinion of an ideal home.

Six of the young people, Hamil Lynch, Raymond Mitchell, Jane Long, Ruth Groth, Pearl Cook, and Patricia Lockridge gave a parting challenge to parents and teachers to give the youth of today the best homes possible in order for them to have healthy bodies, minds, and souls.

Announcers for the dramatization were John Alex Miller and Larry Simmons.

As a representative for the Elementary Grades, Mr. Hope Schultz gave a lecture on character building that was easily understood, heart-warming, instructive and challenging. A

repeat performance of this lecture should be asked for wherever parents are gathered.

As a special feature, Mrs. O. O. Smith gave a ten-minute talk on books, comic books in particular, asking the cooperation of every one to weed out the bad for the sake of the characters of all the children in our community.

Altogether it was an outstanding program of intertainment and instruction, and if you missed it, you missed one of the most worthwhile performances of the year.

The Sophomore class won the room count with 12 parents present. The Juniors and Sixth Grade were runners-up with 11 each.

Don't miss the next meeting,

Dec. 21 at 7:30 p. m. as program by the Grades will be presented.

3 GOLDTHWAITE LADIES INJURED IN AUTO WRECK

About 7 o'clock last Thursday afternoon, Armistice Day, the car in which Mrs. Earl Fairman, Mrs. T. M. Glass and Mrs. John L. Patterson were riding struck a slick place in the pavement three miles this side of Lampasas and went out of control. The ladies had been to Austin to attend a Garden Club flower judging school and were returning to Goldthwaite when the accident happened.

The automobile was demolished. Mrs. Fairman was uninjured and flagged down a car to order an ambulance sent out for Mrs. Glass and Mrs. Patterson. The ambulance caught fire on the way to the hospital, but the blaze was extinguished.

Both Mrs. Patterson and Mrs. Glass are still in Rollins-Brook Hospital at Lampasas. Mrs. Patterson received a broken back and other injuries, while Mrs. Glass suffered chest and head injuries.

It was a very narrow escape for all three.

Reports from the hospital Wednesday morning said Mrs. Patterson was definitely better but would have to stay there for some time. Mrs. Glass was able to be in a wheel chair the first of the week and will be brought home this week-end.

It is believed the car turned over several times, and it landed with the wheels straight up. The lives of the ladies were probably saved when they were thrown from the car.

MANY HUNTING LICENSES BOUGHT HERE THIS WEEK

HUDSON BROTHERS INSTALL LATEST NEW FOUNTAIN

Hudson Bros., Druggists, have installed a new Liquid Carbonic Soda Fountain, made inside and outside of Stainless Steel, without seam or crevice—making it easy to keep clean and sanitary.

This fountain is electrically refrigerated throughout. Ice cream is kept just right. The syrups are pre-cooled and the soda water flows at 34 degrees temperature. Many other features make this the finest soda fountain available.

In addition to the fountain, a Stainless Steel Sterilizer is in operation, assuring sterile glasses and utensils. Mr. Hudson considers this the most important feature of any fountain. Also, Mixer has been installed.

The store is very proud of this new and modern equipment, and is sure it will be appreciated by the public.

Birthday Party

At the home of Mr. and Mrs. Leo Miller a birthday party was given for their daughter, Linda Kay, Tuesday afternoon.

Fourteen guests helped Linda celebrate her 4th birthday. They played games for several hours. Then were called in for refreshments. Cake and hot chocolate were served.

A number of nice gifts were received. The crowd left, wishing Linda Kay many more happy birthdays.

LEARN CHILDREN MONEY HABIT

"A wise money habit training program for children can be started with the very young ones," Mrs. Eloise Johnson, extension family life education specialist of Texas A. and M. College, recently pointed out. "As the child grows older, and his ability to understand increases, he can be included in the family plans for saving, sharing and spending of family money."

Even the youngest member of the family should be given the opportunity to learn where the family money comes from and how it must be spent. He should also be given the opportunity to earn a part of his money in addition to sharing the family funds through an allowance. "I really prefer to hear the 'allowance' called a 'share,'" Mrs. Johnson said. "A feeling that he is sharing in the regular family income creates a desirable feeling of security which the term 'allowance' does not convey."

A child can earn money by doing special jobs for which someone would have to be paid, she said. Mowing the lawn may be his share of the family chores, and he should not be made to feel that his allowance is payment for the job; but if washing woodwork is a chore for which payment would be made to someone, and the child takes the job, he should be paid for it.

"And to carry the training program to its logical conclusion," Mrs. Johnson said, "he should then be allowed to spend that money as he sees fit. He has earned the right to it. Experience—and your example—are the best teachers."

"It has been found, through a recent research study, that more progress has been made in the wise money habit training program for children in families where they are included in the plans for the use of the family income," Mrs. Johnson concluded. "They not only learn about the use of money, but they obtain a strong feeling of belonging to the family group, which helps to promote development of an emotionally mature personality."

Truth Set to Music

Lesson for November 21, 1948

"THE opposite of poetry is not prose; it is science." There were poets in the world long before there were scientists, but that does not prove that poets are out of date.

Many people in our modern world think we could not get along without science but could well burn all the books of poetry. If we did, it would be a dreadful mistake. Poet and scientist each has his truth to see and to speak. We need them both. Certainly if we tried to burn all the poems we should have to destroy some of the best-loved parts of the Bible.

Dr. Foreman

Not All Poets Have Long Hair SOME "practical" people sniff at poets for being peculiar. "Long-hairs" is a slang name for them as for other people who know something besides arithmetic.

As a matter of fact, many poets are very practical people themselves; engineers, farmers and soldiers all have written poetry. The poets of the Bible are of many sorts. If you will look into an edition of the Bible in which the poetic sections are printed as poetry is printed in other books, you will be impressed by the very large proportion of poetry, especially in the Old Testament. The new Study Bible or the American Revised Version or Moffatt's translation will show this at a glance.

These Bible poems are of various kinds. Some are war-songs (Judges 5), some are proverbs (the book of Proverbs), drama (Job), love-songs (the Song of Songs), odes (Isaiah 40), prayers (Psalm 136), hymns for public worship (the Psalms).

The writers were never professional poets, so far as we know. Of the poems which are this week's lesson Scripture, two were written by housewives, one by a sheep-herder, one or more by a soldier-king, one by a preacher (Habakkuk), and only one (Lamentations) possibly by a professional poet. The original Hebrew book of Lamentations does not claim Jeremiah for its author; but if he was the writer, then it was written by the most practical man of his time.

World's Greatest Hymn Book

"LET me write a nation's songs, and I care not who writes their laws," said a famous man. The same thing can be said about religion. "Let me write a church's hymnbook, and I care not who writes their theologies."

The hymns our mothers loved, the hymns we heard before we heard any other kind of poetry, the hymns that we have learned by heart and that become a part of our minds—these mean far more to most people than all the printed creeds.

Now the Christian religion is a singing religion. Our very first hymnbook was the Book of Psalms, and all the hymnals since, down to the present day, grew out of this one book in the Bible. It is the greatest hymnbook in the world; not the longest nor the oldest, but the greatest in its influence for good upon mankind.

Poetry Was in Jesus Blood

OF OUR Lord Jesus himself, it truly can be said, poetry was in his veins. He came of a poetic family. His most famous ancestor, David, was a poet; another royal ancestor, Hezekiah, wrote poetry. The book he knew best, the Old Testament, was full of poetry. His own mother Mary, before he was born, sang a song of her own making, so beautiful that it is still sung in Christian churches and loved the world around.

When Jesus died on the cross, two of the last seven sentences that came from his lips were quotations from the Psalms. The poetry of his people was in his blood, for in his last agony the words that came from his breaking heart were words first spoken by the poets of the Bible long ago.

So it is always. "Truth in song will tarry long." Today and always, the parts of the Bible which are most cherished, the parts most often learned by heart, the parts which we carry with us to the valley of the shadow of death, are the truths set to music, long centuries ago, by inspired men who knew how to clothe truth with garments of shining and immortal loveliness.

**IRA LEE BYRD WINS
TRIP TO KANSAS CITY**

Ira Lee Byrd left for Kansas City Sunday, Nov. 14, for the National F. F. A. Convention. He arrived there Sunday night, and will return to Goldthwaite on the 18th.

The trip was made possible by the Southern Agriculture Magazine offering the Goldthwaite F. F. A. Chapter a free trip. Several boys sold copies together with Ira Lee selling the most, which gave the trip to him.

Ira Lee is the first Goldthwaite F. F. A. boy to go to the National Convention. Besides the entertainment he will meet boys from the forty eight states and Porto Rica and Hawaii. We hope we can make this an annual affair.

CHAPPEL HILL—

By PEARL CRAWFORD
This community received 1-2 inch of rain Monday afternoon. Jim Evans is reported on the sick list.

Mrs. Tom Stephens and Alvis were called to Anton Friday to be at the bed side of her grandson, Henry Allan, who swallowed some rat poison.

Those who visited in Jim Evans' home were: Mr. and Mrs. Tom Stevens, Mr. and Mrs. A. L. Crawford and William G., Mr. and Mrs. J. S. Ivy, B. J. and G. H. Crawford, and W. T. Wilson of Brownwood.

Mr. and Mrs. Thurman Marton of Brady visited their parents, Mr. and Mrs. O. A. Marton and Mr. and Mrs. W. A. Heath. They were Monday guests of Mr. and Mrs. M. L. Heath and family.

Visitors in the B. J. Crawford home were Mr. and Mrs. R. J. Schindler of Bangs, Mr. and Mrs. A. L. Crawford and William G., Mrs. M. L. Heath and Richard. Miss Pearl Crawford visited awhile with Mrs. N. C. Karnes and son Tuesday. She found them better after a few days illness.

Mr. and Mrs. Tom Stevens and family were called to Winters Sunday to attend the funeral of Henry Allen Stevens, twenty-two month old son of Mr. and Mrs. T. J. Stephens.

We wish to express our sympathy to the Stevens family in the loss of their loved one. May the Lord bless them.

Guests during the week-end of Mr. and Mrs. Walter Fairman were Mrs. S. H. Allen, Sr., of Brady and S. H. Allen, Jr., and son Sammy of Houston.

time for the busy housewife.
It was decided to have a Christmas party on the 21st of December at the home of Mrs. V. Dunlap.

Mrs. Roberson, a member of the Big Valley H. D. Club, who had been a delegate to the State Texas Home Demonstration Meeting at Temple, gave a report of that meeting.

Mrs. Hodges served sweet potato pie with whipped cream and coffee.

WANTS TO READ MORE COMMUNITY LETTERS

Mrs. Lets V. Perkins, now of Birmingham, Ala., in sending in her renewal to The Eagle writes as follows:

"We enjoy The Eagle and look forward to receiving it very much, but wish some one would write the community news every week. I wonder if other out-of-state subscribers feel as disappointed as we do when they open The Eagle and scan its pages for their home community news, and it just isn't there? What about it, ex-Mills County residents?"

The Eagle would like to have a correspondent each week from every community in the county. Community News is the backbone of every community weekly newspaper and is read more thoroughly than any other part of the paper.

Collyer Advocates New School Course, "The American Way"

"The young men and women of America should be provided a sound understanding of America's greatness," so believes John L. Collyer, president, The B. F. Goodrich Co. Collyer was recently cited by Forbes Magazine of Business as one of America's fifty foremost business leaders.

"The American Way of Life, as enjoyed by millions of Americans, is a mode of civilized living which has to some degree affected the entire world, and yet is an intangible quality which most Americans find difficult to explain," Collyer believes. He has recommended that a comprehensive course on this subject be adopted by American secondary schools and universities as a required subject.

"The struggles to preserve our way of life has been felt in every American home," the B. F. Goodrich president points out, "and has affected every family pocket-book through high prices, defense appropriations and foreign aid."

"Americans in general believe they are enjoying the highest standard of living ever achieved in the history of mankind. And yet they find it difficult to put into so many words, a definition of how this has come about or the factors that have enabled the United States to successfully assist other nations in resisting world aggression."

RURAL PATRONS ASKED TO STAMP LETTERS

Instructions from the First Assistant Postmaster General at Washington, D. C. to all post offices read as follows:

In order to facilitate the collection and dispatch of mail matter on rural routes, all first and third-class mail matter deposited in rural mail boxes for collection by the carrier should have stamps affixed at the rate of postage.

Both postmasters and rural carriers should inform patrons of the desirability for their cooperation.

Postmaster M. Y. Stokes, Jr. states that many patrons of the Goldthwaite rural routes were already stamping their letters before mailing when these instructions were received.

SPEECH CLASS PRESENTS P-TA PROGRAM

The program began by a speech on "Character in The Home" by Lavern Hale. A pageant was then presented by five old ladies, who were Jane Ann Steen, Nelda Hammond, Nelda Hodges, Patricia Lockridge, and Monette Simpson.

Wilbur Heath, Sybil Ann Reid, Johnny Head, Ralph Massey, Jesse Hammond, June Tyson, Jo Ann Partridge, Nell Carmen Wilkins, Annette Lindsey, and Robert Miller then presented a skit, expressing their opinions of an ideal home. Six youths, Hamil Lynch, Raymond Mitchell, Jane Long, Ruth Groth, Pearl Cook, and Patricia Lockridge, gave a parting challenge to the parents and teachers to give the youth of today the best homes possible and the best of instruction to build strong children.

How's our railroad doing, young man?

"Is it making any money?"
"What are they paying for fuel these days?"
"Are you hauling much freight?"
"Do you like your job?"

The little old lady is not a busybody—she is merely looking after one of her investments.

She has some money in the Santa Fe. Maybe it's ten, maybe it's twenty, maybe it's fifty shares of Santa Fe stock.

She is entitled to attend a stockholders' meeting. She can get on her feet and ask our board of directors questions just like the above. She can compliment those gentlemen for their management, or she can bang her umbrella on the table and tell them off.

Alone, her few shares of stock can't do a lot. Alone, she couldn't elect a president of the United States. But stockholders just like her—housewives, teachers, merchants, salesmen, laborers—can tell us how to run the Santa Fe, and they do. (Actually 29,178 Santa Fe stockholders are women, most of them holding only a small number of shares each.)

And that's the beauty of America—the voice of the people is the voice that runs things, whether it's operating a transcontinental railroad or putting a man in the White House.

Isn't it a wonderful country where so many can own so much? That's "Free Enterprise."

Santa Fe stockholders, just as those of any railroad, know that American railroads must be permitted to earn at least 6% (many other industries earn more) on their investment in order to maintain sound and progressive operations and to continue to provide shippers and passengers with the finest in rail transportation.

Goldthwaite Eagles Roll Over Llano Jackets 33-12

G-H-S
The Goldthwaite Eagles swarmed over the Llano Yellow Jackets by a score of 33 to 12 Friday night behind the flashy ball carrying of the elusive Eagle halfback, Robert (Red) Miller and staunch line play from all the Eagle linemen.

Red Miller started the scoring after exchanging hands on a 28-yard run for the counter. The try for the extra point was no good.

The second period started with both teams battling desperately to score. The Eagles scored on an extravagant touchdown run of about 60 yards by Red Miller. Hamil Lynch ran over the goal line for the extra point. The Eagles kept the Llano Yellow Jackets scoreless the first half. The first half ended with the Eagles leading 13-0.

During the half the Llano Yellow Jacket Band made a formation. The band marched up field and then back to the 50 yard line where they played "The National Anthem." The Yellow Jacket pep squad made a flag with red, white, and blue cards in the grandstand. The band then marched off the field.

The Goldthwaite Eagles football squad honored their Football Sweetheart of 1948. The Eagle Band and pep squad marched up the south side of the field. At the 50 yard line the band went halfway across the field. Here they made a large heart. The pep squad continued to the southwest corner

arrow piercing the heart as the band played, "Let Me Call You Sweetheart." The captains, John Alex Miller and Jesse Wayne Hammond, escorted the Sweetheart from the south side of the field to the base of the heart. The Sweetheart was pretty Miss Norma Hammond. A beautiful corsage was given her by the captains who escorted her off the field. The pep squad continued to the northeast corner of the field and then off. The band continued up field and then back. The Goldthwaite Band and Pep Squad formation was the most beautiful ever presented on Eagle Field.

After a pep talk by Coach Brewer, the Eagles came out fighting harder than ever. Each team was very eager to score. Red Miller started the scoring in the third quarter by a 25 yard drive. Hamil Lynch ran over the extra point. It was in this period that the Llano Yellow Jackets made their first score. Their try for extra point was no good.

Both teams played as hard the last quarter as they did any other time. Hamil Lynch scored for the Eagles on a good 10 yard drive. The try for extra point was no good. After a long pass from Johnson to David Hill and a few ground plays, the ball was placed on the ten-yard line. Red Miller ran over from there for the Eagles' last touchdown. The try for extra point was good on a pass from Robert H. Johnson to Bobby Leverett in the end zone. The Yellow Jackets

Eagles' 20-yard line. The game ended with the Eagles on the big end of the 33-12 score.

During the last quarter, Coach Brewer sent in a lot of the Eagle reserves. All of the reserves played a good game. For some of the squad it was the first time to play, and for all the seniors it was the last. Even though the Eagles did not win district championship, we still believe we have the best team.

The complete Eagle squad of '48 will play one more game together. This will be the last time for some to play the rest of their lives. The Eagles will play the Exes Thursday night, Nov. 18, on Eagle Field. This will be the hardest fought and best game of the season, so do not miss it.

BROWNIE TROOP 1 MEET

The Brownies met at the "Little House" Wednesday for their regular weekly meeting.

First the dues were taken. The Brownies enjoyed playing "Make My Living In Sandy Land."

For our hand work we made little books.

We said our Brownie Promise and made our magic tunnel at the close of our meeting.

LAMPASAS SHERIFF HAS BROKEN ANKLE

About sunup Tuesday morning while Sheriff Fred Mason of Lampasas County was on a rock ledge looking for deer, the ledge caved off throwing him about 15 feet down. He received a broken foot so bad that the bone protruded through, causing much loss of blood. He had to crawl a half mile for help and was taken to a Lam-

P. is the strongest and longest lasting perfume yet invented, and it won't have to be imported from France and us husbands and sweethearts won't have to pay so much for it to satisfy them feminine bosoms, or wherever they dab it on. O. H. two years ago advertised this new industry which would give employment to many tough guys who'd run down them skunks and extract that perfume in a bottle so's it could be colored up some and labeled with them fancy ladies and names they put on other perfumes. Trouble was then, nobody needed that kind of job. O. H. jest got one pint of it and sent it to Old Man Methusalem jest before Xmas to try out—he drunk it instead of putting it on himself—but hasn't told O. H. jest what proof it turned out to be, but said it was a lot better than some of the stuff you buy in them package stores.

ONE MORE LAW—

Old Hünner—like everybuddy else—spends his time at the telephone waiting for one of them radio calls that'll give him them defective refrigerators and a trip to the moon with a two weeks honeymoon suite in their best hotel, and also waiting for some of them pollsters to knock on his door and ask him who he would vote for for president or something. But he ain't been bothered either way yet and—like everybuddy else—is wondering who they asked or who them radio men called. We've already got too many laws, by far, but they should be jest one more.
