VOLUME FIFTY-SIX GOLDTHWAITE, MILLS COUNTY, TEXAS—FRIDAY, JANUARY 13, 1950 NUMBER TWENTY-ONE

LIVESTOCK SHOW OPENS MONDAY

MORE ENTRIES, HIGHER QUALITY TO FEATURE 12TH AN. SHOW

The cream of Mills County's fat livestock will compete for ribbons and cash prizes here Monday and Tuesday of next week, when the 12th Annual Mills County Livestock Show officially opens at the Mills County Agricultural Building at 10 a. m. Monday morning.

Winners in the Mills County Show have for the past few years gone on to regional, district and state livestock shows to bring back ribbons, cash prizes and bigger honors than can be claimed by any county in the United States.

Weather permitting the show will see the largest crowds in the 12-years the Mills County Livestock Raisers' Association have staged the annual events. Winners here will go to the Brownwood Show which starts next Thursday, then on to San Angelo, Fort Worth and Houston.

4-H CLUB ENTRIES
Mills County Agricultural Agent George G. Reese will have about 25 4-H Club boys and girls who will enter at the Livestock Show here:
Thirty Fat Calves.
Five Lambs.
15 Fat Hogs and Breeding Gilts.

Eighteen boys and girls of the Mills County 4-H Club will have entered at the Brownwood Show opening next Thursday:
Twenty-two Fat Calves.
Two Duroc Gilts.

F. F. A. ENTRIES
Y. B. Johnson, Vocational Agriculture teacher in the Goldthwaite Public Schools, will have between 40 and 45 boys to enter livestock in the various Boys' events.

To be entered are 62 head of sheep, including muttons and breeding sheep; 10 hogs, barrows and breeding gilts; four calves; group of breeding chickens and capons.

J. C. Yeary, Vocational Agriculture teacher in the Star Public Schools, listed three boys from his classes who will enter hogs in the show here Monday morning. Others will also enter from the school. Listed are: Ernest Rickel, fat barrows; Bill Beard, Duroc boar; and Davis Owens, fat barrows.

In addition to the Mills County Livestock Raisers' Show, Breeders' Exhibition and Ribbon Show, the Mills County F. F. A. and 4-H Club Boys and Girls will show prize-winning livestock. These boys and girls during the past few years have won national fame and honors by winning most of the big prizes offered at Fort Worth, Dallas and Houston.

Officers this year who will have charge of the 12th Annual Show here are R. L. Steen, President; Willis Horton, Vice-

President; and Glynn Collier, Secretary-Treasurer. The General Arrangements Committee is composed of Avery Poe, Ellis Mahan, C. C. Wesson, Arl Egger, Sherwood Owens and Willis Horton.

Following will be superintendents of the different divisions:
Hereford Cattle Division—Willis Horton.

Goat Division—R. C. McCollum.
Sheep Division—J. L. Hillman.

Swine Division—Avery Poe.
Poultry Division—Jimmie Welch.

Boys' 4-H Club and F. F. A. Fat Calves Division—Willis Horton.

4-H and F. F. A. Sheep Division—J. L. Hillman.

4-H and F. F. A. Hog Division—Avery Poe.

4-H and F. F. A. Poultry—Jimmie Welch.

Remember the dates—Monday and Tuesday, Jan. 16 and 17, at Mills County Agricultural Building, Goldthwaite, Texas.

MRS. BERTHA WEATHERS FOR RE-ELECTION AS CO. TREASURER
In the Announcement Column this week will appear the name of Mrs. Bertha Weathers, who has authorized us to announce her candidacy for re-election to the office of Mills County Treasurer, subject to the July Democratic Primary.

Mrs. Weathers has served the Mills County public faithfully, courteously and well during her past terms as Mills county Treasurer, and is familiar with all details of the job. She wants to thank the citizens and voters for their support and influence in the past, and asks their continued vote in her race for re-election this year.

She says she appreciates every courtesy that has been extended to her by the citizenship of the county. She has been faithful in discharging the official duties of the office, and believes her past experience well qualifies her for further service.

Mills Co. Political Campaign Opens This Week With Announcements

C. F. (Stub) STUBBLEFIELD ANNOUNCES FOR MILLS CO. SHERIFF

C. F. (Stub) STUBBLEFIELD

C. F. (Stub) Stubblefield has authorized this newspaper to announce his candidacy this week to the office of Sheriff, Collector and Assessor for Mills County, subject to action of the July Democratic Primary.

Mr. Cooksey was born in Mullin 29 years ago, and has lived there all his life. He made the race for this important county office in 1946, and was in the run-off with the present sheriff, W. L. Mahan. He is, therefore well known to most of the voters of the county. He is a graduate of Mullin High School, and attended John Tarleton College for two years. He had three years' Army service during World War 2, being discharged as First Sergeant. For the past three years he has been in the garage business at Mullin.

Mr. Cooksey will make a formal statement to the voters through this paper at a later date. He asks for your vote, influence and support in his race.

GENE TURBIVILLE ANNOUNCES FOR MILLS CO. SHERIFF

E. B. (Gene) Turbiville has authorized this newspaper to announce his candidacy for the office of Mills County Sheriff, Tax Assessor and Collector, subject to action of the Democratic Primaries next summer.

Mr. Turbiville is well known from his classes all over the county. He owns a stock farm in the Scallorn section, is 39 years old, and feels he is well qualified to hold down this important county job. He is a high school graduate, and had about two and a half years college work at Texas Tech.

Mr. Turbiville expects to make an active campaign for the office he seeks, and will try to contact all the voters in Mills County before the election. He will make a formal statement to the voters through this newspaper at a later date.

Mr. Turbiville will appreciate your favorable consideration of his candidacy, and solicits your vote, active support and influence in his race for the place of Sheriff, Tax Assessor - Collector of Mills County.

CEMETERY WORKING AT PLEASANT GROVE

There will be a cemetery working at Pleasant Grove on January 17th. All interested parties should be there with tools.

Due to the fact that the season is almost at the half mark, Coach Lucas urges that any one interested in forming teams for this league, please contact him immediately.

J. FRANK DAVIS FOR RE-ELECTION AS COMMISSIONER PRECT 4

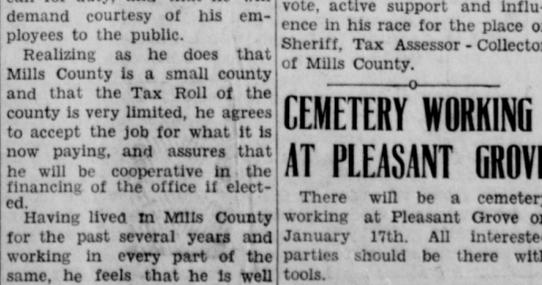

The Eagle was authorized this week to announce the candidacy of J. Frank Davis for re-election as Mills County Commissioner from Precinct No. 4, subject to Democratic Primary action. His name will be found in the Political Announcements column in this week's paper.

Mr. Davis knows all the voters and citizens in Precinct Four, and needs no introduction. Due to past experience in this office, he knows the precinct's road needs, and also is well acquainted with the county's business and the business of the Commissioners' Court, making him well qualified in every way for the job he seeks. Mr. Davis wants to thank the voters and people for past favors and co-operation with him, and asks their continued vote and support in his race for re-election. And if re-elected, he promises to give the best of his ability to the job.

BY OLD MAN 100
KNOWS ALL — TELLS NEXT TO NOTHING
THE BOSS IS NOT RESPONSIBLE
WHAT OLD MAN 100 SAYS IN THIS COLUMN - NEITHER IS THE OLD MAN. IF YOU GET MAD, COUNT AT LEAST A THOUSAND BEFORE YOU HOOT OR BEAT HIM UP.—THE BOSS!

Look, Momma! I think I've stumbled onto some of that island oil.

Here's something that O. H. told me from Otho Lloyd Crawford, who is attending college at Austin: "Sirs: The wolf at my door has not had pups. The one Hesa Ha (U. S. A.) gov't is paying me for not producing anything; therefore I shall endeavor to pay your modest bill when I sell my cotton next fall." On second thought, send me another \$0c worth of your paper, official organ of Mills County in the healthiest and most prosperous section of Texas. Do turnpicks bring a great-punch cash return than crude oil?"

Also, little Willie came home after playing a tough game of football, and said: "Ma, you once told Aunt May that I had your eyes and daddy's nose. Well, look at me now—I'm like grand-dad's nose."

Also, Confucius says: "Wash your face in morning, Neck at night." "Sweet Adeline" is the battle hymn of the republic.

Jerry—"He seems to have a very good opinion of himself." Perry—"Yes. On his last birthday he sent his parents a telegram of congratulations."

GHS Teacher—"If I give you 36 nuts to share equally with your private brother, how many will be left?" Bobby—"Six." Teacher—"Nonsense. You can't count." Bobby—"Yes, I can, teacher. But my little brother can't."

Also, Old Hunnert notices course; some that them burro-crats in costs \$5 Washington might have been down here how much cotton we can plant, how many skunks we can skin in a given year, and the good also they're wanting to send about noopers (them FBI's) to see if the pres're wasting water by taking a bath on any day but Sattiday.

Better keep your bathroom blinds up at all times—else you'll have a bath-room sitter all week, at us T-Pers expense. That gives O. H. a brand new idea on the sitting business. He, like everybuddy, wants a govt. job—and bad.

News from Wash. says they're trying to hand us a one-package overall help to them down-owners. But they work no-how Europeans of today for us T-Pers to swallow. Them govt. officials who want to help everybuddy in the hull world but themselves should remember this: "You'll never see a contented communist because greed and contentment ain't never wrapped up in the same pack-

Old Hunnert—"Look here, there's a ladybug in my hand spent today. The new water fished the bug out and inspected it all the future." "By golly, you've got bet-ter eyes than I have."

Old 100rt must be five-third stuff—jest like the Indian children if they was offered a job but re-quested, saying: "White man in-vented work—let him keep it."

GOLD SMUGGLERS THREATEN PEACE

Gold smugglers and black marketeers have become a real menace, not only to the financial structure of nations but to world peace itself. One ounce of gold, fixed by the United States at a price of thirty-five dollars, can bring seventy dollars in Tangier, or a hundred dollars on the island of Macao in the China Sea.

"The black market in gold, if unchecked, could wreck some of our friends," warns Leland Howard, Assistant Director of the United States Mint, in the January issue of Cosmopolitan magazine. He is quoted in an article titled "Hot Gold," which describes the various systems resorted to by gold racketeers.

"Once gold is smuggled out of this country," says the author, "it goes on a round of complex global adventures worthy of the boldest tales of spy and counterspy. The international clique of racketeers who handle it are skilled to the nth degree in international finances and global politics."

Gold has been hidden in automobile hubcaps, in upholstery stuffing; it has been made into two-pound cigarette cases (just to get the metal out of the country) and it has been shipped in the form of religious articles to be melted down when they reach premium markets overseas. Unethical members of the jeweler and dentist professions—licensed to handle gold—have been trapped by Secret Service agents while trafficking with the racketeers.

The article relates the case of an American flier serving as a ferry pilot with the RAF Transport Command in 1945. He took off from Canada in a B-24 and flew to Bermuda, thence to the Azores, and finally to Sale, French Morocco. He carried six pieces of luggage. At Rabat, RAF police thought the flier acted suspiciously. When they arrested him, his luggage told the story. It contained gold bullion. American gold coins, Mexican gold pieces, and other foreign gold coins with a total value of up to \$250,000 on the black market.

Mrs. Mattie Cook of Moline, aged 84 years and one month, passed away December 21, 1939, and was buried at Payne Gap the following day.

Miss Willie Johnson of Weatherford spent the week-end with her sister, Mrs. G. H. Frizzell and family.

23 YEARS AGO—

(Taken From Eagle Files, January 12, 1924.)

For nearly three years the Goldthwaite post office has been administered by what the post office department terms an "acting postmaster." When Mr. Clements resigned in 1921, Mr. McDermott was appointed as acting post master. Mr. McDermott resigned effective June 1st 1923 and in his stead Mr. A. J. Harrison was appointed acting post master. In December when Congress convened, President Coolidge nominated Mr. Harrison for permanent appointment and the U. S. Senate confirmed the appointment, so this gives us Mr. Harrison as a regular appointee.

Quite unusual and quite Oriental was an afternoon Mah Jong party given by the Entrenous Club and a few guests Wednesday at her home by Mrs. John Berry.

The members of the Central Embroidery Club and a number of friends met Miss 1924 in the first social hour of the New Year, Friday, January 4, when Mrs. I. O. Harvey charmingly opened her home in compliment to her sister, Mrs. Eugene Yates of Stamford.

Seven of the leading business

and professional men of Goldthwaite, namely, W. C. Dew, J. C. Darroch, J. A. Hester, T. F. Toland, W. P. McCullough, O. H. Yarborough and L. E. Miller this week caused seven fine budded pecan trees to be planted on the court house lawn.

J. D. Lowe of Plainview came home Monday night for a visit with home folks.

T. A. Gardner and W. F. Page of Lometa were looking after business here the first of the week.

Mrs. Barney Carter and little daughter of Ranger are visiting her parents, Mr. and Mrs. P. G. Palmer.

Mr. and Mrs. D. Albert Trent and Tom Toland left Thursday morning for Sweetwater.

J. M. Allen of Dallas was shaking hands with his many friends here on Wednesday.

Judge and Mrs. E. B. Anderson spent Thursday in Brownwood.

Fellowship

Lesson for January 15, 1950

THE FIRST CHRISTIANS didn't have everything we have, but on the other hand they had one thing seldom to be seen nowadays. They did not have the New Testament, only the Old; they were not surrounded by an even partly Christian civilization;

they had no centuries of Christian tradition; they had no world-wide Christianity, only a small knot of people in one small and out-of-the-way city, Jerusalem. On the other hand, for all they lacked, they had one great thing: Fellowship. We have it too, but too often in a week and watery fashion as compared with what they enjoyed.

... ..

Family Living

THE VERY FIRST Christians lived literally like a big family. This is all the more extraordinary when you think of the variety of their backgrounds. (Look up the list of places mentioned in Acts 2:9,10 on a map of Asia, Africa and Europe.) A good family is a unit.

If little Willie comes down with appendicitis, his parents don't get out the family account book and figure out how much Willie has been worth to the family, in dollars and cents, in his eight years of life.

Suppose they calculated that his services, such as they are—carrying in the wood, feeding the chickens, or what not—had been worth about \$23.75 since the last time he was sick, they wouldn't send little Willie to the hospital with the note to the doctor: "Please give our Willie \$23.75 worth of operation. That's all he has put into the family budget and that's all we're going to let him take out!"

Not by any means. Little Willie is taken to the hospital and whatever operation he needs, that is the one his parents want him to have, even if it costs 20 times what Willie has been worth in cash. The family give Willie what he needs, and they also expect him to help out in all the ways he can.

... ..

Church Living

ONE TROUBLE with our churches today is that so many of them have actually lost this family-feeling. The early Christians, we are told, "were of one heart and soul." Could you say of your church that all its members are of one heart and soul?

The early Christians, feeling thus close to one another, "had all things in common." What do the members of your church have in common? They meet in one place once a week. But what else? Do they even speak to one another? If one member of the congregation falls sick, do the others find out about it quickly, and when they find out, what do they do about it? If trouble comes to a member, do the other members rally around him?

Does the church say to its members, as the Salvation Army does of hard-pressed men, "You may be down but you're never out?" Some churches have a pastor's or deacon's fund, to be used in cases of need.

Contributors to the fund are as anonymous as are those who are helped by it. The idea is for those who are blessed with large income, or those who may have special windfalls, bonuses, extra dividends, big crops, and so on, to chip in for the aid of all who may run into trouble.

... ..

Not All Troubles Are Financial

NATURALLY, not all troubles are financial. Some of the most serious troubles have little or nothing to do with money. There are many other kinds of needs. For example, in any church there will be lonely people, and you can't cure loneliness with a check, no matter how big.

The minister is the key man, he can locate the needs, but he can't supply them all. Lonely people, those who have been through deep sorrow, men trying to find the right job, young folks in danger of serious temptation—a church which is like a family will not let these people fight their battles alone.

What we all need is the feeling that we belong. The church can make all the difference between despair and happiness simply by making every single person in it feel that no matter what happens to him, he still belongs; he is more than among friends, he is among brothers.

'STAMPEDE' ACTION- PACKED FOUR-STAR WESTERN FILM

Highlighted by two of the most vicious fight scenes ever recorded on film, "Stampede," a spine-tingling western production for Allied Artists, opened last night at the Melba theatre before an enthusiastic audience. This action-packed picture co-stars Rod Cameron, Gale Storm, Johnny Mack Brown and Don Castle.

Cameron gives his finest screen portrayal as the older of two brothers who own a large cattle ranch in Arizona, and fight the influx of settlers on their grazing land. Castle, as the fun-loving brother, is excellent, and injects a needed light touch into the tense outdoor drama.

'FAR FRONTIER'

Smuggling is one of the oldest practices in the annals of crime, but something novel and intriguing has been added in Roy Rogers' newest Republic picture, "The Far Frontier." Photographed in spectacular Tru-color, the film comes next Saturday Matinee and night to the Melba Theatre.

Taking its cue from the newspaper headlines, the film is the first to hit the nation's screens with an amazing exposure of the methods of the gangs whose nefarious trade is "wetback smuggling" — the smuggling into this country of crooks hidden in oil drums. As a topical story embellished with all the thrills and suspense of the traditional saga of the West, it is reported to be tops in entertainment.

'ENCHANTMENT'

The producer of "The Best Years of Our Lives," ventures into the field of Victorian love-drama with his production of "Enchantment," an RKO Radio release adapted for the screen from the best-selling novel, "Take Three Tenses," by one of England's foremost writers, Rumer Godden. The Samuel Goldwyn production of "Enchantment" stars David Niven, Teresa Wright, Evelyn Keyes and Farley Granger, and introduces a Goldwyn discovery, 7-year-old Gigi Perreau; on Saturday night prevue, Sunday and Monday nights.

The spells of "Enchantment" was first woven by Rumer Godden when her story of three generations of a London family, covering a span of 99 years, began appearing in the Ladies' Home Journal as a "A Fugue in Time," later published as a book under the title of "Take Three Tenses." Mr. Goldwyn, who had for some time been seeking a dramatic successor to "Wuthering Heights," purchased the screen rights immediately upon publication.

Mrs. C. S. Faulkner came the first of last week for her son, Jimmy, who remained for a longer visit after his parents were here at Christmas. Mrs. J. C. Faulkner accompanied them back to Houston for a few days visit.

Miss Nina Summy of Boerne was a week-end guest of her parents, Mr. and Mrs. W. B. Summy.

Floyd Fox of Fort Worth was here over the week-end with his wife. He also attended the funeral of his uncle, Mr. Wayne Bennett, at San Saba Saturday afternoon.

Mr. and Mrs. Charles Conradt are the proud parents of a baby son, born at 12:06 a. m., Tuesday morning, January 10th, at the Brownwood Memorial Hospital. He weighed 8 lbs. and 5 oz. and has been named Charles Michael.

Mr. and Mrs. Jack Shaw of Goldthwaite are the maternal grandparents, and the paternal grandparents are Mr. and Mrs. Fred Conradt of Lometa.

The Conradts have a daughter, Addie Jo, to welcome little Charles Michael.

Friends and relatives of Mr. and Mrs. A. B. Neal of the Mt. Olive community in Mills County met at the Primitive Baptist Church there, Monday, Dec. 26 to join them in celebrating their golden wedding anniversary. Christmas Day was the date of their marriage.

Mr. Neal was born in Johnson Co. Texas and moved with his parents, Mr. and John Neal, to Mills County some years later. Mrs. Neal, who was Miss Eliza Roberts was born in Carbon Hill, Alabama, but while yet a young girl came to Texas with her parents, Dr. and Mrs. S. F. Roberts, who settled in the Sunshine community in Hamilton County. They were married Dec. 25, 1899, living almost their entire life in Mt. Olive Community. They have resided more than thirty-five years on the farm where they live. They are charter members of the Mt. Olive Primitive Baptist Church and seldom miss a church service. They have seven children living, all of whom were present. They are W. B. Neal, Dallas; Mrs. Bass Hawthorne, Brownwood; Mrs. Janie Conner, Hamilton; Mrs. Loyd Cathey, Kermit; Mrs. Furman Crawford, Houston; Mrs. H. H. Quitmeyer, Dumas and Willis Neal Caradan.

At the noon hour, a table was spread on the church grounds with all the good things anyone could wish to eat. In the afternoon a short program in charge of W. B. Neal was given. The rest of the time was spent in making pictures, just talking and admiring the gifts received by the honorees.

Children, grandchildren, great-grand children and families present were Mr. and Mrs. Neal and Brooks, Dallas; Mr. and Mrs. Bass Hawthorne, Elwana, Mr. and Mrs. Elwin Hawthorn and Glenna Jeane, Brownwood; Mrs. Medford Muse and Linda Ruth, Douglas, Arizona; Mrs. Janie Conner, Mary Lou, Johnnie Meryl and Jo Ann, Hamilton; Mr. and Mrs. Marvin Altenhoff, San Marcos; Mrs. Furman Crawford, Dale and Darwin, Houston; Rev. and Mrs. H. H. Quitmeyer, Elizabeth Jane and Catherine Ruth, Dumas; Willis Neal, Caradan; Mr. and Mrs. Loyd Cathey, Mr. and Mrs. Doyle Cathey, Charles Loyd and Jenny Lou, Kermit. One son-in-law, three grandchildren and three great-grandchildren were unable to attend.

Others registering were Mr. and Mrs. Arleigh Harris and son, Mr. and Mrs. Willie Roberts and family, Indian Gap; Mr. and Mrs. John Montya and sons, Norman Ray Conway, Vernon and Mr. and Mrs. Claud Wicker and children, Caradan; Mr. and Mrs. Dale George and son, Mrs. May Banks, Mrs. May Bunting, Mr. and B. B. Skaggs, De Leon; Mr. and Mrs. Bernice Wicker, Goldthwaite; Mr. and Mrs. Allen Harris, Hamilton.

Mr. and Mrs. Henry McClesky and son, Fort Worth; J. B. Cody, Goldthwaite; Mr. and J. H. Roberts, Mrs. Ola Harris, Mrs. T. J. Burks, Mr. and Mrs. M. H. Hodges, Caradan; Mr. and Mrs. G. L. Marsh and sons, Hobbs, N. M.; Mrs. Ida Journey, Mr. and Mrs. J. C. Journey Sr., Dublin; Mr. and Mrs. Tommy Sellers and sons, Freeport; Mrs. Virgie Roberts, Hamilton; Mr. and Mrs. A. Dooley and children, Sudan; Mr. and Mrs. Orville Harris and family, Goldthwaite; Mr. and Mrs. Arthur Neely and daughters, San Saba; Dr. and Mrs. T. C. Graves and children, Goldthwaite, and Misses Addie and Emma Harris.

Kenneth Campbell, who is with his mother, Mrs. Bertha Campbell, went home to Fort Worth for the week-end. A friend, Mrs. Georgia Huffman, is with Mrs. Campbell. She fell during the Christmas holidays and received a fracture above the knee. She is slowly improving.

Bridal Shower For Mrs. Jimmy Mason

On Friday evening, January 6, from 7:00 till 10:00 o'clock, Mrs. Lynn Nix and Miss Earlene Nix were co-hostesses at a come and go miscellaneous bridal shower, honoring Mrs. Jimmy Mason, the former Rita Henry.

Hot spiced punch and cookies were served with salted nuts and mints to those who called during the evening.

The bride received many lovely and useful gifts, along with good wishes for much happiness.

Mr. and Mrs. Mason are making their home near Hico.

Art And Civic Club

The Art and Civic Club of Goldthwaite met in the home of Mrs. Marvin Hodges January 5, 1950.

During the business meeting the Federation Council reported that Mrs. W. E. Cantrell had been elected Secretary of the Texas Federation of Women's Clubs, and that Mrs. J. H. Saylor was appointed as a member of the State Board of Directors. She also reported the Mills County History Scrapbook won first place in District and in State. This book will be placed in the Goldthwaite Library. The club voted to continue the compiling of the county history each year—clippings from local and state papers.

Mrs. Philip Nickols reported on the Youth Activities of which the club is sponsoring. She told of the Roy Rogers' Club, and how much the children enjoyed it.

The club discussed "Federation Day" which will be February 18th. The State President of the Federation of Women's Clubs, Mrs. J. Howard Hodge of Midland and the T. F. W. C. Sixth President, Mrs. Jeff D. Jackson of Lampasas, will be honor guests, and speakers at both the luncheon and afternoon tea.

The following officers were elected for 1950-51: President—Miss Mary Elna Fouse, Vice-President, Mrs. Jesse J. Saegert, Recording Secretary, Mrs. Ben R. Day, Corresponding Secretary, Mrs. W. E. Cantrell, Treasurer, Mrs. Jesse Moreland, Parliamentarian, Mrs. Oran Carothers, Reporter, Mrs. Lewis Glass.

Our program covered the following subjects: Recreation, Radio and Television. Mrs. Philip Nickols, Mrs. Jack Reld and Mrs. George Gilbert gave some very interesting points on these subjects.

Mrs. Hodges served a delicious salad plate.

Club adjourned.—Reporter.

Mr. and Mrs. Edward Eugene Palmer and little son, Tommy Joe, of Austin, were here Sunday in the home of his parents, Mr. and Mrs. Joe Palmer.

Mr. and Mrs. H. T. Vaughan and family had as guests last Sunday Mrs. Bill Roberts, Mrs. Charles Jedlicka, Mr. and Mrs. E. A. Dorsey and family of Houston, Mr. and Mrs. J. B. Lowry of Midland, Mr. and Mrs. Nathan Breeding of San Angelo, Mr. and Mrs. Jim Farris and Mr. and Mrs. Kenneth Farris of Belton.

CHRISTIAN SCIENCE SERVICES

"Life" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, Jan. 15.

The Golden Text is: "Now that the dead are raised, even Moses shewed at the bush, when he calleth the Lord the God of Abraham, and the God of Isaac, and the God of Jacob. For he is not a God of the dead, but of the living: for all live unto him" (Luke 20:37, 38).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For as the Father hath life in

himself; so hath he given to the Son to have life in himself"

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Life is divine Principle, Mind, Soul, Spirit. Life is without beginning and without end" (page 468).

Mr. and Mrs. G. P. Matson of Zephyr have moved to Goldthwaite after having lived in Zephyr 43 years. They have purchased the C. F. Moore house in the Campbell Addition. Mr. and Mrs. Matson are the parents of Mrs. J. H. DuBose.

SEVENTH AND EIGHTH GRADE NEWS

The seventh and eighth grades are very busy studying for mid-term tests. We hope every one makes good grades. We surely do hate to see Jo Ann Collier leave. Here's hoping she will come back soon.

FRESHMAN NEWS

The freshman are glad that school turns out for the Goldthwaite Livestock Show January 16 and 17, 1950. Several freshmen boys are going to show livestock.

The class is studying for the mid-term tests this week. Several of us have become very industrious with the mid-term tests drawing near.

They have finished the novel, "Ivanhoe," in English.

SOPHOMORE NEWS

The Sophomore Class has been reading the novel "Silas Marner" in English.

They are looking forward to the ball games they are going to play.

They seem to be studying hard for the mid-term tests. They are hoping to pass.

They have been reviewing Algebra and are beginning their review in other subjects this week.

The Public is cordially invited to come and attend these services.

Mr. and Mrs. G. H. Templin of Austin were here recently visiting their sisters, Mrs. Jesse Cockrum and Mr. and Mrs. Frank Bowman.

The Junior Class is preparing for the mid-term exams. They hope to pass them all. The class has been working on a supplementary problem in Book-keeping.

SENIOR SPOTLIGHT

Dorothy Waddill, seventeen year old daughter of Mr. and Mrs. A. A. Waddill of Star, will graduate this year. She has brown hair and grey eyes, and stands five feet and five inches tall. Dorothy plans to go to Draughton's Business College in Abilene after graduation. She plays basketball on the team this year. Dorothy has been practicing with the girls for four years.

Likes—Home Economics.
Dislikes—English.
Ambition—To do Secretarial Work.

THIRD AND FOURTH GRADES

We welcome Fay Phillips to the Fourth Grade; and Beth Bushoney, Florence Phillips and James Jeffers to the Third Grade.

We have all been very busy taking mid-term tests. We hope we all pass.

Old man Winter played a joke on us by taking possession of our school ground last week. But with the ice all gone and the sun shining today we plan to resume our play-ground activities.

H. E. NEWS

The H. E. girls are trying to finish their garments. They are doing nicely with them. Barbara and Dorothy Waddill have finished their garments, and the others hope to finish theirs this week.

4-H CLUB

The Star girls 4-H club met Thursday, January 5, 1950. We had a song led by La Ray Winner.

The club selected two girls, Jo Ann Collier and Jannet Doss, to help Miss Hintz judge the bedrooms of the different girls.

The president turned the meeting over to Miss Hintz who gave a very interesting program on "How to Make a Dresser Stool."

SPORTS

The girls basketball team was quite disappointed last week when the game with Lometa was called off, but they are looking forward to playing Mullin on Tuesday night. The girls are sorry that Cherokee doesn't have a girls team, so that they could play them Friday night.

"SNOOPY SUE"

Corene, what's the matter with you lately? You surely seemed sad last Friday.

Gloria, it seems as you and Corene are having the same trouble.

Doyle, you surely seem sad because Jo Ann is leaving.

Veleria, that surely is a pretty bracelet you had on after Christmas. We wonder where it came from?

Wandalene, why are Gloria and Corene mad at you? We think we know!

Merline, why aren't you using all of those mirrors you got for Christmas? We wonder!

Velda, you were seen quite a bit over the week-end. Isn't it nice that Bill works at Mullin now?

Floy, were you and Allen looking at the new 1950 Chevrolet, and thinking about buying one? Wouldn't that be nice?

May Bell, did you have company over the week-end? We heard it was a nice looking boy.

Gee! Bobby and Melba are always seen together over the week-ends. Keep it up kids!

Mary Lou you seem a little sad, is it because James Embrey has moved away.

La Joy, you surely seemed

happy Monday morning, did you have boy company too? We wonder.

G. A. KNOWLES ✓
 G. A. Knowles, 89, a resident
 of the Big Valley section of
 Mills County for nearly 60 years,
 died in a Brownwood hospital
 Tuesday, Jan. 3, 1950, after a
 long illness.

Funeral services were held in
 the Methodist Church here
 Wednesday, Jan. 4, with the Rev.
 Harry Hames of Brownwood
 officiating, assisted by the Rev.
 Ed H. Lovelace, pastor. Inter-
 ment followed in the Lower Big
 Valley Cemetery.

Moving to Texas at an early
 age, Mr. Knowles had lived in
 Mills County for the past 59
 years. He made his home in the
 Big Valley Community. The re-
 tired farmer was born in Missis-
 sippi.

His wife died five years ago.
 Survivors include three broth-
 ers, R. L. Lee and Tom Know-
 les, all of Oakwood, and a sis-
 ter, Mrs. Kittle Holley, also of
 Oakwood.

Other survivors are five sons,
 G. A. Knowles Jr. of Fort Worth,

Citizens' Committee For Hoover Ask Matching Federal Budget For 1951

Washington, Jan. 12.—Strong
 approval of the restyled format
 of the forthcoming 1951 federal
 budget along lines recommend-
 ed by the Hoover Commission,
 was expressed this week by the
 Citizens Committee for the
 Hoover Report.

"For the first time the budget
 will be restyled on a 'perform-
 ance' basis," the Committee said
 in its publication, "Reorganiza-
 tion News." "In it are incorpor-
 ated most of the Hoover Com-
 mission's recommendations on
 budgeting. This is one of the
 most significant fiscal steps in
 the nation's history.

"Granted, as has always been
 true in the past, the contents of
 the budget will always give rise
 to sharp controversy. But it
 would be unfortunate if the
 historical significance of the
 1951 budget were overlooked in
 the future. For the budget in its
 new form is a long, forward
 stride toward lasting order and
 clarity in federal financial
 planning.

"Basically the 'performance'
 type of budget gives the mem-
 ber of Congress, the administra-
 tor, and the citizen a clearer
 idea of the real purposes for
 which federal funds are spent.
 Heretofore, federal budgets,
 complex and voluminous, had
 been highly detailed but un-
 informative. The new plan em-
 phasizes the objectives of ex-
 penditures rather than the
 things to be acquired. Thus
 logic replaces antiquated custom.

"Under the old system for
 example, 'personal services' were
 lumped together as an item.
 This could embrace a variety of
 work performed. But it furnis-
 hed no clue as to how much work
 was performed were-or why. It
 was literally impossible to cite
 one case among many, for the
 Navy to tell how much it cost to
 run an individual Navy Yard
 though it did tell how much the
 Navy spent, in toto, for 'sup-
 plies' and 'services.'

In homely household terms,
 'personal services' could include
 a doctor, a painter, a plumber,

or a baby sitter. A household
 budget, based on old-style gov-
 ernment lines, would show how
 much was spent for 'personal
 services' but not how much for
 medical care, home mainten-
 ance, or baby-sitting. Similarly,
 the householder would know the
 cost of 'supplies' but would have
 no idea how much he spent for
 food, gasoline, or writing
 paper.

"Another change which may
 be less noticeable in form but
 equally significant is the im-
 provement of 'activities sched-
 ules.' Where more than half the
 appropriations in the past have
 not been accompanied by any
 breakdown showing how the
 dollars would be related to pro-
 grams, the new budget will
 break down over 90% of the
 appropriations to show the pro-
 grams, projects, or activities to
 be carried on and the dollars to
 be devoted to each."

"The restyled budget is far
 from perfect, as its own spon-
 sors will be the first to admit.
 It may take as much as two
 years to complete the process.
 But Frank Pace Jr., Director of
 the Budget, and his aides have
 wrought the fundamentals of a
 memorable, major reform in the
 short space of six months.

"Preparation of the Commis-
 sion's original Report on Bud-
 geting was personally under-
 taken by Mr. Hoover because of
 his strong belief in its impor-
 tance. President Truman gave
 every possible support and as-
 sistance to the modernization
 of the budget form. This is an-
 other example of the value to
 the nation of a truly bipartisan
 effort."

'TERRORISTIC TACTICS' CHARGED BY STATE MEDICAL ASS'N.

The State Medical Association
 of Texas was informed last
 week in Austin that the Depart-
 ment of Justice has ordered an
 investigation of the organization
 for anti-trust violations and
 that the investigations will be
 made by agents of the Federal
 Bureau of Investigation.

Dr. G. V. Brindley of Temple,
 president of the State Medical
 Association, branded the investi-
 gation of the association "as
 terroristic tactics which have
 been confined heretofore to
 nations marching toward statism."

"The F. B. I. is only doing its
 duty in carrying out the orders
 it has received from higher up,"
 Dr. Brindley said in making the

GILCHRIST TO BE CHAIRMAN CANCER FUND CAMPAIGN

Houston (Special)—Gibb Gil-
 christ, Chancellor of the Texas
 A & M College System, and
 widely-known engineer and ed-
 ucator, will serve as state cam-
 paign chairman for the 1950
 membership and fund-raising
 campaign of the American Can-
 cer Society, Texas Division.

His selection was announced
 by Frank C. Smith of Houston,
 President of the Texas Division.

As state campaign chairman,
 Mr. Gilchrist will head the So-
 ciety's April drive in Texas. By
 Act of Congress, each April is
 designated as Cancer Control
 Month throughout the nation.
 At that time county units of the
 American Cancer Society solicit
 support for the organization's
 year-round program of educa-
 tion, service, and research to
 fight cancer, a disease which is
 the second leading cause of
 death in Texas, ranking second
 only to heart disease.

Accepting the chairmanship,
 Mr. Gilchrist said that the So-
 ciety's program should be great-
 ly expanded throughout the
 state of Texas.

"There are still too many
 Texans who do not know that
 cancer can be cured if caught
 in time," he said. "More still do
 not know or recognize the early
 danger signals of the disease.
 Cancer control is a tremendous
 problem. Cancer research pro-
 jects underway this year call
 for millions of dollars in funds.
 I urge every Texan to join us
 in our 1950 drive to strike back
 at cancer."

S. J. Tullios, 88, Recalls Some Early-Day History Of This Section

Mr. S. J. Tullios was born December 23, 1861 in Trinity County. When 5 years of age his parents moved to Navarro County. When he was 21 years of age he married Miss Milesey Harper, after which they remained in Navarro County some time. Six of their children were born there: namely, Jesse, Sam, Mittie, B. H., Jim and Grady, and Gertrude came after they moved to Caldwell County.

Congress in 1885 authorized the President of the United States to open negotiations with the Creek and Seminole Indians of Oklahoma for the purpose of opening these vacant lands to settlement. This was accomplished in 1889. Troops kept the expectant settlers in order until noon of the appointed day, April 22. A mad race for the best lands and townsites ensued; canvas towns were laid out and each began to lay plans to secure the capitol. There was at once a vast influx of settlers and the population increased at an extraordinary rate. Additional lands were laid open to settlement in 1891, 1893, 1895 and 1901. This last date, 1901, Mr. S. J. Tullios and brother and their families heard of the big boom in Oklahoma. The Tullios brothers decided they would go and made ready and were soon on their way.

They stopped at Austin, Texas and learned of the irrigation project which was near San Saba and they came to San Saba, and remained there 2 or 3 weeks, but they never got a day's work.

So they decided they would go on to Oklahoma. On Jan. 1, 1902, they camped on the Colorado River on the continued trip. They reached Goldthwaite with some of their children sick and saw the necessity of remaining here for a while. Each of these men rented a house for

his family. Within three days S. J. Tullios' brother, W. W. Tullios, had bought the only restaurant in town at that time from G. W. Gartman. In an old wooden building on the corner where Yarborough and Duren's Dry Goods Store is now. He secured Frank Collins for the cook. S. J. Tullios bought the wagonyard (just north of the restaurant, where Fairman's building now stands), from Mr. Denman, the father of Frank and George Denman.

They didn't think they knew anyone but found four Navarro County families and old neighbors: namely Jim Kinnemore at Trigger Mountain, Arch Price, Jim Evans, and a Mr. Crawford, north of Goldthwaite on the mountain. They were all mighty happy about it all.

Later he traded the wagonyard and bought the old Russell 50-acre place in Bulls Creek Community. He made a little crop and sent the children to school. A Mr. Stark was the teacher.

In July, Rev. Vann, Mullin, Texas came out to our place and said "Let's have a meeting at the Bulls Creek School House." We began to notify the people, as you know they were few in number at that time, namely: Jake Jenkins, George Jackson, John W. Davenport, Joe Beck, Dan Kelly, Pop Carothers, Frank Bull, Julius Kahns, William Haas and a Mr. Deer. All walked to church except Beck, Carothers, and Kelly. Joe Taft was running a hotel at Goldthwaite and every night or two he would fill his wagon with people and bring them to the meeting. Everyone enjoyed the meeting.

While they lived at this place B. H., about nine years of age, saw a hound (owned by Lee Armstrong) run a deer into the bushes near the house. Mr. Armstrong had shot this deer

broke its foot. The hound bayed it. B. H. ran out to see and the deer made fight and hit him on the back with the crippled foot but didn't hurt him too badly but what he went to the house and got a rope and roped the deer and tied it to a bush, and as none of the older men were at home he went for Mr. Jenkins to dress the deer.

In the fall they moved back to town and ran the livery stable back of Henry Martin's Store on the east side of the square. Later Ross Bros. ran the stable for a short time and they soon went to Fort Worth. Waddy Ross is still in Fort Worth; Sam Ross is in San Angelo, E. Ross is in El Paso.

Next Charley Harris turned his contract to him for the John Roberts building and livery stable. Later J. S. Tullios bought the wagonyard west of the Roberts stable and sold it to M. McGirk when he moved here, and he lived there until his death.

Then S. J. Tullios put up \$800 forfeit on the Sam Littlepage place (also called the old Burleson place) 3 miles out on old Brownwood Road. In 30 days the contract would be closed. The date came and he met Mr. Littlepage in the bank. The money hadn't gotten in the bank as expected. Mr. Tullios called Mr. Heifner at Frost Bank, Frost, Texas. When he was on the line Mr. Tullios asked Mr. Will Trent to talk to him, Mr. Will Trent asked Mr. Heifner if he knew Sid Tullios? Heifner said "Yes." Mr. Trent said, "Is he good for \$1,000.00?" Heifner said, "Yes." Mr. Trent said, "\$2,000.00?" Heifner said, "Yes, let him have all he wants. I am responsible for any amount." Mr. Trent took all notes up and \$2800 was paid down, including the \$800 forfeit. They made good crops on this farm, as it was very productive and Mr. Tullios was an excellent farmer.

The second year he produced 126 bales of cotton on 125 acres of land and cotton was a good price that year, and a large amount of other crops, such as

oats, corn, cane, milo and the best garden man could hope to see. Plenty of watermelons, and good ones. This second year he paid off all indebtedness on the place.

One year he sold to the Confederate Reunion 100 melons at \$1.00 each. Another prize melon weighing 69 pounds sold to Mr. J. C. Evans for \$1.50.

They lived around 35 years on this place and made good crops each year.

"Over a short period of time we lost three of our loved ones, Mittie, Mrs. Edgar Jenkins, wife and mother, Mrs. S. J. Tullios, and brother W. W. Tullios, which broke up our home. Since that time I have lived mostly in Goldthwaite with and near my children."

On December 23, 1949 he celebrated his 88th birthday at which time we all had a little party and wished him many more happy birthdays and this little prayer as his own:

Dear Lord! Kind Lord!
Gracious Lord! I pray
Thou wilt look on all I love
Tenderly today!
Weed their hearts of weariness
Scatter every care
Down a wake of Angel-wings
Winnowing the air.

Bring unto the sorrowing
All release from pain;
Let the lips of laughter
Overflow again;
And with all the needy
O, divide, I pray
This vast treasure of content,
That is mine today.
—James Whitcomb Riley.

So drop him a card or note, or come by to see him. He will enjoy them these cold days, as he is shut-in, I was happy to take these notes, and read to him and I want to say:

"Here's to him:
For his loving kindness; his loving heart; the things you have done, the cheer you impart, all gladdens our memory, and prompts us to say: 'Dear Uncle Sid, we are grateful for your love today!'"
—Mrs. C. A. Ecott.

Goldthwaite H. D. Club

The Goldthwaite Home Demonstration Club met Tuesday afternoon, Dec. 10 in its regular bi-monthly meeting in the home of Mrs. Fannie Brim.

The new 1950 officers had charge of the meeting. It was presided over by the President, Mrs. Tom McArthur. The committee chairmen of the standing committees were appointed. They in turn read the council recommendations of their respective committees. These were adopted.

The club voted to have penny March each club day to swell the sunshine fund. Also to shower the hostess of each meeting with a small inexpensive gift.

After the lively business session Mrs. Brim served delicious refreshments to the following members: Mrs. Tom McArthur, Mrs. Glen Lewis, Mrs. A. L. Cole, Mrs. Berry, Mrs. Waters, Mrs. S. D. Robertson, Mrs. Eula Nickols, Mrs. Allen Ross, Mrs. L. B. Hart, Mrs. Ellen Galloway, Mrs. T. F. Sansom, Mrs. Arthur Famborough, Mrs. Berry and Mrs. L. B. Benningfield, a new member.

Guests were Mrs. Lula Horton, Mrs. Delton Barnett and Mrs. Hugh McKenzie. The next meeting, January 24th will be with Mrs. A. L. Cole at 2:00 o'clock. An interesting and instructive meeting is planned. All members are urged to be present and bring prospective new member. Guests are always welcomed.

Those who attended a family gathering at Eastland Sunday at the home of their sister, Mrs. A. F. Taylor, were the brothers and their wives. From Goldthwaite Mr. and Mrs. Walter Weatherby, Mr. and Mrs. Jim Weatherby and Mrs. Omar Weatherby. Other relatives from Ft. Worth and Brownwood were also guests.

FILE SS CLAIMS PROMPTLY AT AGE 65

Loss of Social security benefits, particularly to 65 year old retired workers, continues to be a major problem, according to James B. Marley, manager of the Austin Social Security Administration office.

"The smart thing for a worker to do," said Mr. Marley, "is to contact the social security office when he is 65 and discuss his particular problems with us. Financially successful people apparently became successful because they did not overlook their opportunities. We find that very few financially successful workers lose their benefits."

Mr. Marley explained that social security claims may be back-dated for a period of three months only and that workers who do not check into their rights within three months after they first became eligible may lose some of the benefits they have paid for.

"The social security office," Marley concluded, "is a good place for a worker to spend a part of his 65th birthday. Our job is to help workers collect all the payments they are entitled to. However, we can't do this unless the worker comes in and talks it over."

Mr. and Mrs. Al Barton moved to Colorado City, Texas, the first of last week.

FIRE IN GARAGE DOES MUCH DAMAGE

V. C. Bradford suffered considerable loss when fire of undetermined origin completely destroyed his two-car garage, the pickup and coupe, a deep freeze loaded with food, and a boat and boat trailer.

The fire was discovered about two a. m. last Sunday morning, and the Goldthwaite Volunteer Fire Department did good work in saving surrounding property on North Fisher Street. All the items were completely destroyed, with only part insurance coverage.

Birthday Dinner

Mrs. Vance Booker honored her husband with a birthday dinner Sunday. Those present were: Mr. and Mrs. Mel Booker of Goldthwaite, Mr. and Mrs. Raymond Booker of North Bennett, Mr. and Mrs. Chas. L. Stephan and Charles Van of Star and the honoree, Vance Booker and wife and Linda Lou. Those who called Sunday evening were Mr. and Mrs. J. E. Perkins of Star, Mr. and Mrs. A. R. Schmitt and Shirley of Killeen. Fifteen guests enjoyed this happy occasion. It was indeed a pleasant get together.

Mrs. Debell Harper of Sandusky, Ohio, spent last week in the home of her sister, Mr. and Mrs. D. D. Tate.

HARPER IMPLEMENT HAS FORMAL OPENING

The Harper Implement Company, dealers in John Deere Farm equipment, had their formal opening last Thursday. The company is owned by two County boys, J. Dewayne Harper and Tommie B. Harper of Star Community.

The events of the opening began at 10:00 a. m. in the company building on Front Street with a display of tractors and equipment. A free lunch served at noon, and at 1:00 a free picture show at the Theatre. Despite falling weather many farmers were glad to welcome these boys and their services to Mills County.

Mrs. Will Harris, Mrs. Sheppard and Mrs. Melvin and children were guests. Mr. and Mrs. B. L. Casber family at Lampasas, Sunday afternoon.

Mr. and Mrs. E. M. Stearns, San Angelo spent last week with their mothers, Mrs. M. E. Webb and Mrs. F. D. Webb.

Mr. and Mrs. Jim Weatherly returned from San Angelo Monday where they were on business.

Charles Van Stephan of recently visited his sister, B. J. Butler and family at Worth.

At last you can forget wintertime fuel shortages! Icy roads or driving blizzards do not interrupt Lone Star Natural Gas Service. Lone Star's pipeline network is safe underground.

At last you can enjoy this nationally recognized service that can give you all the advantages of modern, automatic home appliances at surprisingly small cost.

Five months of hard work by some 250 Lone Star employees has made this town a link in the interconnected pipeline network of Lone Star Gas Company that supplies dependable, low-cost fuel service to over 350 towns in Texas and Oklahoma.

Give your family the complete fuel service they deserve...start saving money now...by joining the parade to Lone Star Natural Gas Service.

Lone Star will help you change-over

Despite the widespread demand by local homeowners for immediate natural gas service, Lone Star realizes that in most instances, a switch to natural gas will involve an expenditure or investment by users. To help you change-over, Lone Star offers three plans:

1. For homes that require house piping, Lone Star has available a financing plan through your own plumber. Payments are spread out over months for your convenience.
2. For those who desire financing of modern gas appliances, Lone Star offers a liberal time payment plan with low down payment and up to three years to pay for most appliances.
3. Where only a change or adjustment of burners is required, Lone Star will make the change without charge where there are no repair parts needed. This is in line with Lone Star's policy of offering free adjustment service to customers.

Lone Star Gas System is an interconnected network of over 5,333 miles of pipeline supplied by 1,140 wells in over 100 separate gas producing fields. Lone Star Service is known for its dependability. The small amount required to use Lone Star Natural Gas Service is a safe investment.

ASKS CONGRESS FOR DOG STAMP

Legislation in Honor of "Man's Best Friend" Sought by Dog-Lovers

The United States may soon issue a postage stamp honoring "Man's Best Friend," if the efforts being put forth by dog-lovers throughout the country prove fruitful.

Spearheading the movement is Harry Miller, director of the Gaines Dog Research Center, New York, who has appealed to Congressman John Phillips of California, him- self a long-time champion of the dog, to introduce the necessary legislation providing for the issuance of such a stamp.

In a letter to Congressman Phil- lips, Mr. Miller points out that the United States at the present time has more dogs than any country is ever known to have owned be- fore—one in every three Ameri- can families owns one or more dogs—and that certainly the dog's contributions of heroism, loyalty and intelligence are worthy of honoring in this manner.

He further states that to date 13 countries have issued postage stamps which either show dogs as the principal point of their de- signs, or have included dogs as an incidental to the composition. The only U. S. stamp which shows the likeness of a dog is one of 30-cent value issued in connection with the Columbian Exposition of 1893. This stamp shows Columbus with a globe demonstrating to a group of listeners his theories of geo- graphy and navigation, while a dog, which appears to be of a large Mastiff type, is shown lying on the floor in the foreground. Mr. Miller feels very strongly that with the country's dog population at the 20,000,000 mark, "Man's Best Friend" is now deserving of a postage stamp of his own and merits more than the incidental

Typical dog stamps of other lands. (Courtesy C. E. Pelander)

recognition given him on a stamp issued 55 years ago.

"There are several well-known breeds, truly American dogs, which would be eligible to represent the dog family on United States post- age," Mr. Miller wrote. "The Chesapeake Bay Retriever, the American Cocker Spaniel, the Alaskan Malamute, the Boston Terrier and the Black and Tan Coonhound are all pure-breeds of undeniably American origin which have been brought to their present perfec- tion by American breeders and dog-owners. If dogs besides native American ones were to be fea- tured on stamps, the breeds which served so gallantly in the K-9 Corps during World War II are entitled to the glory."

Dressed quality broilers should be thoroughly chilled, but not frozen, before being wrapped or packaged.

Turkey poultis should be plac- ed in the brooder as soon as they are received from the hatchery and fed and watered

Mrs. Hugh Nowell visited Sunday afternoon in Stephe- nville with her son, Ralph Nowell, who is a student at John Tar- leton College.

Mr. and Mrs. Omar Warren of Rankin visited with his brother, Cicero Warren and fam- ily over the week-end.

August Kauhs was taken to Brownwood where he under- went an appendectomy at the Medical Arts Hospital last Sat- urday. At last report he was recovering nicely.

Mrs. Loy Long and Mrs. Jim Kelly spent Monday in Brown- wood.

Sunday visitors of Mr. Jno. Lee Schooler were Mr. and Mrs. Buck Means and little Mary Gil of Winchell and Mr. and Mrs. Cecil Brown of San Saba.

Ernest Strickland of Brady was a Sunday guest of his sis- ter, Mrs. John W. Roberts, and Mr. Roberts.

Walter Nelson underwent a major operation at the Memori- al Hospital at Brownwood on Thursday of last week. He is slowly improving. Mrs. Nelson and his daughters, Mrs. Floyd Weaver, Mrs. Oral Bohanan and Miss Laura Nelson have been at his bedside.

Ford remains alone in low-price "Eight" field

"Reports were current several months ago that Ford might encounter competition in the low-price eight-cylinder car field. The manufacturer considering such a development, however, apparently has decided against it.

"The temptation to enter competition for this market is strong. Ford derives considerable sales appeal from its ability to offer an eight as well as a six in the low cost bracket. Buyers are attracted by the additional smoothness and power performance afforded by the extra cylinders.

"Principal reason why rivals have steered clear of eight-cylinder power plants is cost. Ford has been able to hold expenses down by manufacturing economies not often duplicated by others.

"In pioneering the low-price V-8, the Dearborn producer had to strike at the heart of the cost problem. The company was the first to evolve a method of making an integral V-block and crankcase casting.

"The Ford Company is noted for excellence of manufacturing technique. Part of the reputation is based on willingness of the management to spend money on work-saving equipment. The Rouge plant foundry, for example, is a model of efficiency. Air-conditioning eliminates some of the disagreeableness common to most foundries, while conveyor systems and automatic machines obviate much of the usual back-breaking and inefficient hand work.

"With the use of advanced production methods the company has been able to hold expenses within reasonable limits. This is true even though use of the larger engine means two more cylinders—with more pistons, rings, 'con' rods, sparkplugs, etc.—for each car produced.

"The Ford production technique involves a high degree of precision. Vendors regard the company as a 'tough customer' because of the rigidity of inspection standards. Suppliers know they must comply closely with specified requirements or face heavy rejection.

"The precision, together with the extra power of the engine, accounts for the unusual performance of the Ford V-8. Ford's ratio of applied horsepower to gross vehicle weight has long been a favored design characteristic. Other manufacturers have found this power plant too difficult to build inexpensively enough for a small car.

"From present indications, it may be a long time before competitors can challenge Ford in the low-priced eight-cylinder field."

The 1950 Brownwood Livestock Show opens at 8:00 P. M. Wednesday, January 18, 1950 with the Grand Coronation Ball at Memorial Auditorium in Brownwood, Texas. The Queen will be attended by Duchesses from communities in the surrounding areas. This gala affair opens the largest stock show ever held in Brownwood.

The show continues Thursday, Friday, Saturday, and Sunday, with showing and judging of the best cattle, sheep, goats, swine, and poultry raised in the southwest. Quality of animals shown is exemplified by the fact that the Reserve Grand Champion Steer of Brownwood's Show in 1940 was Grand Champion Steer of Houston's Livestock Show that year.

Other attractions include carnival games operated by the Jaycees and the Brownwood merchants are sponsoring several booths showing the latest in home and farm appliances such as radios, ranges, television sets, tractors, implements and many other items too numerous to mention.

Saturday night a square dance will be held in the Field House, Camp Bowie, near the show grounds. This will be one of the largest square dances ever held in Texas. An exceptional dance is assured since the field house floor is hardwood and the best of sound systems has been obtained for the callers. Over 1200 square dance enthusiasts are expected to attend this affair.

Thousands of pigs are lost each year because they are forced to depend entirely upon the sow's milk during the suckling period.

Benjamin Franklin, we once read, wanted the turkey instead of the eagle to be the emblem of the United States because the turkey is a peace-loving, useful creature and besides had done a mighty good turn to the Pilgrims and other early arrivals. The eagle, on the other hand, is a bird of prey.

Along about Thanksgiving and Christmas each year we get to thinking that maybe Ben had something there, but after three or four days of cleaning up he holiday bird, we're glad he didn't win the argument.

Even so, turkey meat served in its many delightful ways is one of the better things of this country where most of the citizens live better than some kings do. Even better than kings used to live in their heyday. This holiday season we've had roast turkey, smoked turkey and barbecued turkey, and we know some folks who had it fried.

Turkey producers of Texas need a better market; but then so do the poultrymen, the dairymen, the cotton farmers, and so on.

If you smell something like decaying cottonseed, chances are that's what it is. The government has a lot of it piled up around Texas.

Friend of ours just got back from Georgia where he has some property. Says the cotton crop in his old neighborhood was the worst ever. Boll weevil got it. Nope, they hadn't dusted or sprayed.

W. M. Teal, who sold his interest in a chain of retail stores 37 years ago to regain his health, won it back by living outdoors, raising gardens, and (he says) by eating turnips. Hale and hearty at 77 Mr. Teal eats turnips twice every day, sometimes for breakfast. In his garden he raises whoppers, and good crops of other items, too, practically without cultivation. He used the mulch method, never fertilizes nor waters the garden. His fine gardens year after year speak for his methods. He lives in Oak Cliff, Dallas.

A group of cattlemen plan a three-weeks educational tour of South America in February and March to see the livestock industries of Argentina, Uruguay and Brazil. It's the WBAP Cattlemen's Tour, and leaves Fort Worth on Feb. 11, traveling by air. They will be entertained along the way by livestock men of South America, and will be accompanied by English-speaking guides.

Texas cattlemen have long been looking with interest at

In Memory Of Mrs. Mary D. Seider

Mrs. Mary Dising, wife of John Seider, a long-time resident of Priddy, died December 20, 1949 after a long illness at the home of her daughter, Mrs. Joel Christenson.

She was married to John Seider in Lampasas County. They moved to Mills County soon after.

She professed a faith in Christ in childhood.

Funeral services were conducted at the Baptist Church at Priddy, December 21. Interment was in the Becker Mountain Cemetery.

She was 74 years old and was loved by all who knew her. She left to mourn her passing three daughters, six sons, twenty-two grandchildren, one sister and a host of other relatives and friends.

"A precious Mother from us has gone,
A voice we loved is stilled;
A place is vacant in our home
That never can be filled.

"Yes, God took you home,
It was His will—
But our hearts your memory
Will still
Lead us to that abode over
The grass
Of the one we loved and

the southern continent, with its competition for us on the world market, its grass fattened cattle and its ability to produce large quantities of beef at low cost.

Some of the enterprising folks around Athens, which they call the blackeyed pea capital of the world, point out that it has long been known that to eat blackeyed peas on New Year's day will bring good luck. As proof of this, they relate that President Truman ate them on New Year's day in 1948 and thus was elected in November of that year.

INVITATION GIVEN TO RIDE IN FAT STOCK SHOW PARADE

Do you want to ride in a parade?

If so, all you need is a horse and a western costume!

If you qualify with these two requirements, you are invited to be a part of the gala all-western parade that will open the 1950 Southwestern Exposition and Fat Stock Show in Fort Worth on Friday, Jan. 27. Sheriff's posses, riding clubs, families, delegations and individuals from twons far and near are urged to join in the colorful event that traditionally touches off the show.

The parade will be completely western in flavor with only horses and horse-drawn vehicles—buggies, surries, carriages or other old-time modes of travel—in the line of march. Participants, all in cow-country attire, will gather at 12:30 p. m. at the T&P Reservation and will hit the trail through downtown Fort Worth at 2 p. m. on the show's opening day.

Ernest Allen, vice-president of the show and chairman of the parade committee, announces that groups from towns or organizations may identify themselves by flying banners. Bands to provide music for the event also are invited to appear.

PEP CLUB AND PEP MEET PLAN FOOTBALL

The annual football banquet, jointly sponsored by the PEP Club and the Pep Club on January 16. The PEP Club will sell tickets to those who wish to attend the banquet. McAdoo Keaton, assistant of Southern Methodist University will be guest speaker and will show a film of the Notre Dame football team. This banquet promises to be the best one ever held at Goldthwaite High School. Committees have been formed and are now at work on the banquet. Members of the football team, band, and Pep Squad are to entertain guests at the banquet.

G.-H.-S. SET PLAY DATES

Plans are being made for the junior and senior play dates. The play will be presented on April 7, and the senior play will be presented Friday, May 12. A committee from the class has also set the dates for the junior-senior banquet, Friday, May 12.

BASKETBALL REPORT

Basketball girls have been a great deal, and suits have been ordered. There will be playing suits and work-out suits. All of the girls are working and hoping to be one of the twelve girls.

N. Faith, the coach, and the team will be entered in the tournament in February. Games will also be played.

The team has a late start in the making of a team. Many are looking forward to the opening of the gymnasium because they can practice outdoors.

Nelda is five feet, five and one-half inches tall, weighs (?) and is seventeen years old. She has blue eyes and brown hair.

G.-H.-S. PLANS MADE FOR FIRE DRILLS

The Goldthwaite High School Student Council met January 2 and worked out plans for fire drills for the student body of the high school. These fire drills will be held once a month in compliance with state law. Every class at every period will have an elected fire captain whose duty it will be to see that all windows and doors are closed after the class marches out.

The council also voted to write to the Lampasas Student Council and ask what sort of activities they are carrying out this year.

G.-H.-S. TYPICAL SCHOOL LUNCH

Upon entering the Goldthwaite School lunch room, the students of the school are greeted by the delicious odor of hot food. Perhaps this arises from a tasty meat loaf or from cooked vegetables. Often it is the aroma of hot buns, fresh from the oven.

While eating the delicious food prepared by Mrs. Teague, Mrs. Stark, Mrs. Roberts, Mrs. Vaughan, Mrs. Batchelor, and Mrs. Collier, the students sit at long tables in comfortable chairs.

Following is a typical menu:
Rib Roast With Potatoes
Black-Eyed Peas
Canned Tomatoes
Vegetable Salad
Peanut Butter Honey
Peaches Topped With Whipped Cream, Milk

A lunch such as this is served for only 20c. The lunchroom is a convenience for the students and teachers of the Goldthwaite Public Schools and is appreciated very much.

G.-H.-S. SENIOR SPOTLIGHT

Nelda Charlene Hammond is the attractive daughter of Mr. and Mrs. George Hammond. Nelda is five feet, five and one-half inches tall, weighs (?) and is seventeen years old. She has blue eyes and brown hair. Nelda's entire school career

has been spent at Goldthwaite with the exception of ten months. Nelda was the reporter of both her Junior and Senior Classes. She was the secretary of the Twentieth Century Quintillians, as member of the Commercial Club in 1948-49, and the reporter of the Pep Squad and the F. H. A. department.

Nelda plans to graduate at mid-term and her ambition is to be a beautician. She likes best, cheeseburgers and R. G. (of course). She dislikes for people to ask her when she is to be married.

G.-H.-S. GRADE SCHOOL NEWS

Grammar School has recently added two new pupils and lost one of those already enrolled. Linda Edgington has entered the sixth grade, and Mike Ynastreros has entered the fifth grade. Janie Slaughter, a fifth grade pupil, has moved away. The pupils are glad to have the new ones, but sorry to lose Janie.

The grade school pupils enjoyed two movies last week—Sking and Winter Wonderland.

G.-H.-S. THE SNOOP

Well the old snoop has been hunting the new haunts of the kids for this year!

It was noticed that Charles Wylie, Ralph Massey, Billy Harper and others had a special cheering section at the San Saba - Goldthwaite basketball game.

A couple we took special note of this week was Anita C. and Billy Anderson. This has proven to make quite a nice couple, seems pretty steady, too!

We noticed one of the old steady couples taking in the show, and they were none other than Cella Ann and John Alex. This appears to be the longest romance in high school.

It seems Goldthwaite went to Brownwood Saturday night. Among the couples that went there were Mac and Jane Ann, Charles Wylie and Lane L., Carlin W. and Nell Carman, a cute blond and Sybil Reid—he could not have been from San Angelo, could he? Betty Barnett and Billy G. were also noticed. That

certainly is a lovely class ring Betty is wearing. The old steadies, Jo Ann and Kenneth Wesson were seen together also.

Well things have really been happening during the holidays. It all started off with lots of parties and it looks like the high school and college kids have been having some happy reunions.

From the smiles on every one's face it looks like Santa might have been pretty good to them. There are new bracelets, neck-

laces, pins, ear skrews, belts, ties, socks, tie pins, cuff links. Some even have new rings. We noticed Anna Merle is sporting a new diamond; we wonder what she gave Jerry!

While we were snooping around the movies we saw Jane Ann and Mac, Charles Ed and Jane, Cella Ann and John Alex, Nell Carman and Carlin Dale, Betty John and Tommie H., Monette and Ralph, Jo Ann D. and Billy McN., Jay Lea and Lee Roy, Bobbie B. and Dorman

H. and many, many others.

By the way we saw Sybil R. with a cute boy—please don't hold out on us, Syb.

Guess what! "Red" M. finished up the old year and started the new one off with his "old" girl friend, Mary G. Have a good time, "Red"!

The old snoop saw a moving van backed up to Mary Alyce's house—bet Miss Nelson misses her in her study hall.

So long for now—don't forget to keep busy this "New Year."

Mr. and Mrs. Jim Hale and family of Bakersfield, Calif., spent two weeks recently visiting her sister, Mrs. Alfred Harris and her father, Barkley Renfro. They were also in Brownwood with her mother, Mrs. Betty Renfro and sons.

Mr. and Mrs. L. K. Patterson left Wednesday for their home in San Antonio after visiting several days with her mother, Mrs. J. C. Evans and Mr. and Mrs. Julian Evans.

"I have some good reports to make on the effectiveness of garlic used. Mr. Turner, Texaco dealer here has taken two bottles and is much better, his blood pressure down about 60 points. Mrs. W. F. Nelson, San Benito, who was in bad shape, is also very much better and her blood pressure down considerable. This garlic works, and you are doing a fine job of producing it for the benefit of those suffering from high blood pressure or heart trouble."

New Plymouth Car Now On Display Letbetter Motor Company Here

The 1950 Plymouth car, with important styling changes and improvements for safety and comfort, will go on display here and throughout the city January 12, Roy Letbetter of Letbetter Motor Co. announced this week. There are new lines in the Reminette which give the new car a longer, lower, more streamlined appearance. The new Plymouths are readily apparent from front, rear and side.

The front and rear tread have been increased, a factor which increases stability, eases tire loading stress on curves, and enhances the car's general appearance. Thirty-two percent larger than on previous models, the new rear window increases visibility and its lines blend into the car's new streamlining motif. The window is set in a newly designed locking rubber seal. There are larger bumpers on both front and rear. In addition to providing greater protection for the grille, rear deck and fenders, the bumpers add materially to the general appearance of massiveness. The theme of simplicity which has been carried out in the medallion and name plate on the front has been continued in the ornamentation of the rear deck. The block-letter name plate, the license plate light ornament, the license plate recess, and the T-shaped luggage compartment handle are styled to accent the car's low, sleek lines. Combination tail lights and stop lights are set into each rear fender.

Military Preparedness Or European Donations Won't Bring Lasting Peace

By JOE BELDEN
Director, The Texas Poll

Austin—What is the most important thing that can be done to bring about lasting peace? To weary statesmen groping to find the answer, here it is: The most important thing is to pray and observe the teachings of Christ.

This prescription for peace topped every other idea offered by a representative cross section of adults in a statewide survey by The Texas Poll. It was the feeling of one out of every three that prayer, trust in God, living according to the precepts of Christ were the real road to peace.

Less than one out of every ten suggested strengthening the United Nations or military preparedness as "the most important thing."

Thus, while other polls have shown that Texans favor the United Nations and a strong national defense establishment, this survey points out they have greater faith in religion as a war preventive. This appeal of religion, moreover, appears consistently among all classes, men and women alike, of all educational levels.

But in spite of everything that is being done to insure peace, most Texans believe the world is moving toward another war. This view is held by a majority of men and women, and by the upper educational level as well as the lower level. It is more pronounced, however, among women and the less educated.

In the tables below, opinions are compared by sex and educational levels. The "more educated" group includes persons who graduated from high school, while the "less educated" group is limited to those who did not finish high school.

"The way things look to you, do you think the world is moving in the general direction of peace or another war?"

PLENTY TO EAT IN 1950

College Station—A look at the possible food supplies for 1950 reveal that Americans are in for a good year so far as eating is concerned, says Louise Mason, extension foods and nutrition specialist of Texas A. & M. College.

Total supplies of meat and fish in 1950 are expected to be larger than in 1949. There'll be more pork, more grain-fed beef, more fish but perhaps less lamb and mutton. Turkeys should be plentiful throughout the year.

There should be plenty of orange juice for the breakfast tables of the nation, she says. Florida is expected to harvest a record and much of it may go into frozen concentrates. Lemons and grapefruit supplies are expected to be smaller because of the freeze damage last year in Texas, California and Arizona. Apples, pears, grapes and other fruits should be plentiful during the coming months. Milk production continues at a high rate and this means more dairy products.

Eggs will be more plentiful during the first half of the new year. Supplies later in the year may depend on how much the poultrymen get for their eggs during the first part of this year. Good supplies of fats and oils are predicted.

Indications now point to smaller quantities of fresh and canned vegetables but to near record quantities of frozen vegetables, she says.

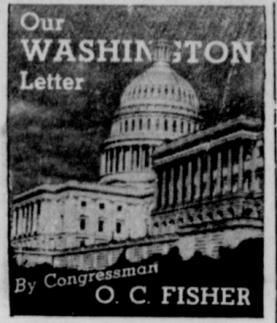

HILLSIDE MISSION

According to research experts, Bible sales, year before last, totaled 30,000,000 copies. The Good Book continues to remain the world's best seller in literature.

Mr. and Mrs. Erie D. Robertson had their children, Mr. and Mrs. Harold Robertson for the New Year holidays.

Dressed quality broilers should be thoroughly chilled, but not frozen, before being wrapped or packaged.

Largest reptile in the U. S. is the alligator.

The first order of business for many of us when the Congress met on Jan. 3 was correction of the unfairness of the cotton acreage control law.

The trouble arose when the Secretary of Agriculture ruled in November that Texas farmers would not get credit for war crops planted in lieu of cotton during 1946 and 1947. That ruling was directly contrary to the intention of Congress when the cotton acreage law was passed. The resulting effect, if permitted to stand, would be to drive many of our cotton farmers out of the cotton business.

To correct this injustice I introduced two bills—one to require that full credit be given for such war crops, and second, that farmers who are given allotments but who don't care to plant cotton, may surrender the acreage for reallocation within the county, but without losing credit for such acre-

age in future allotments. In my first bill, I provided that the County Committees rather than the Bureau of Agricultural Economics (BAE) shall by a survey determine the number of acres actually planted in cotton on farms during the base period.

It will be recalled that in 1945 Congress enacted a law (Public Law 12) which encouraged cotton farmers to turn to war crops in lieu of cotton and assured them that such war crops would be treated the same as cotton if acreage control should be imposed in the future.

On Thursday of last week the House Committee on Agriculture met to consider the cotton acreage muddle. Without formal action being taken, the Committee did decide to provide that no farmer shall receive an allotment of less than 70% of his average acreage planted in cotton and war crops during the base period of 1946-47-48. The Committee measure would also provide that no farm allotment shall be less than 50 per cent of the highest acreage in cotton and war crops during any one of the three base years.

It is believed a bill along these lines will be passed by the House in the near future. It is too early to anticipate, however, what objections may be raised and what the exact contents of the amendment will be. But with the solid support of the powerful House Agriculture Committee, chances for early passage appear good.

LEWIS PORTER OUT FOR SECOND TERM AS COUNTY JUDGE

Lewis B. Porter this week authorized The Eagle to announce his candidacy for his second term as County Judge and Ex-Officio County School Superintendent of Mills County, subject to action of the July Democratic Primary. His name will be found in its place in The Eagle's political Announcement column.

Mr. Porter has served the county well and faithful in the position for the past year, and has given universal satisfaction to all the citizens of Mills County. He is perhaps the best-known man in the county, and needs no introduction. He is a native of Mills County and has served as a public servant of the people in various capacities. He began teaching school in Mills County in 1914 and holds a life certificate. He has reared and educated five children, all of whom graduated from the Goldthwaite High School. Being a veteran of World War I, he has taken an active part in veterans' affairs in Mills County, having served as American Legion Commander for two terms and continuously as Service Officer for the past 23 years. He has helped many veterans and their families with claims during this period. Mr. Porter also served as Acting Postmaster here for five and a half years during World War II.

Mr. Porter has issued the following statement to the people of Mills County:

"May I take this opportunity of thanking you for your past support and the courtesy shown me in the past year as County Judge and School Superintendent of Mills County?"

"The year 1949 has been one of the most enjoyable years that I have spent. I have devoted my entire time to the business of Mills County and the schools. If you will elect me to a second term, I assure you I will continue to give my time and energies to the best interests of the county and schools of Mills County."

L. B. PORTER.

PRESENT SHERIFF WILL NOT ENTER FOR RE-ELECTION

To the Citizens of Mills County: I want to thank the people of Mills County for their cooperation given me during my past three years of service as Mills County Sheriff, Tax-Assessor and Collector.

I have had many requests from the voters of the County to re-enter the race for another term as Sheriff, but have decided not to enter the race for re-election.

I have talked with Jack Cooksey, who informed me that he would not enter now if I wanted to make the race for re-election. I appreciate his confidence in me, and will be glad to know that he is running for the office, as I think he is worthy. Jack Cooksey made a clean-cut campaign against me in 1946, and was a worthy opponent.

I do not intend to take an active part in politics during this campaign. Thanks again for your loyalty and cooperation with me in my work as Sheriff, Tax Assessor-Collector. I will continue to serve you to the best of my ability for the remainder of my term. W. L. MAHAN.

NOTICE

At 2:30 p. m. Saturday afternoon, January 14, a meeting of all land owners in Mills County who want to sign up for the Camp Bowie Game Refuge, will be held in the District Court room in Goldthwaite. This includes the Camp Bowie property that lies in Mills County.

The purposes and etc., of the Game Preserve will be outlined at the meeting by John R. Woods, State Game Warden for Mills County.

Mrs. Mable Holt has had her little house on Fisher Street moved to the Southeastern part of town. She purchased the lot from Mrs. Pearl Holland.

Political Announcements

The Goldthwaite Eagle has been authorized to announce the following candidates for the offices listed, subject to the action of the Democratic Primary to be held on Saturday, July 22, 1950:

For County Judge and Ex-officio County School Superintendent:
LEWIS B. PORTER
(Re-Election)

For Sheriff, Tax Assessor-Collector:

(Re-Election)

EARL SUMMY SEEKS RE-ELECTION FOR COUNTY-DIST. CLERK

County-District Clerk Earl Summy has authorized this newspaper to announce his candidacy for re-election to the County-District Clerk position, subject to the July 22 Democratic Primary. His name will appear in the Political Announcement Column.

Earl Summy needs no introduction to the voters or people of Mills County. He is a native of the county, and has served as County-District Clerk for five terms, three years of which were filled by Mrs. Summy while he was in the Service during World War 2. His present knowledge of the details of the office, combined with previous varied business experience, education and training qualify him exceptionally well to keep the records of Mills County as well as those of the District Clerk's office here.

He asks for the influence, support and vote of all the voters and citizens of Mills County, promising if re-elected to give them the very best service possible.

JESS TULLOS FOR RE-ELECTION MILLS COMMISSIONER NO. 1

In The Eagle's Announcement column this week appears the name of Jess Y. Tullus, who has authorized this paper to announce his candidacy for re-election to the office of Mills County Commissioner from Precinct No. One, subject to action of the July 22 Democratic Primary.

Mr. Tullus has served the precinct as County Commissioner in the past with almost universal satisfaction, he knows the road needs of the precinct and knows how to handle county finances and other business of the Mills County Commissioners' Court. He needs no introduction to the voters, being a native of Mills County and being known and liked by practically all the citizenship.

Jess Tullus says if re-elected he will do the best he can. He wants to thank the citizens for their courtesies and favors in the past, and asks their continued vote and influence in the coming election.

GRADY HANCOCK IN RACE FOR MILLS CO. COM., PRECINCT 3

Grady Hancock of Mullin this week authorized The Eagle to announce his candidacy for Mills County Commissioner for County Precinct No. 3, subject to the Democratic Primary next July 22.

Mr. Hancock needs no introduction to the voters of Precinct No. 3, having been born and lived all his 42 years in the bounds of the precinct. He knows practically all the voters of the precinct.

Mr. Hancock feels he is well qualified for the job he seeks, having been employed for the last three years by County Commissioner K. B. Henry as road supervisor on Precinct 3 roads. He also adds to his experience three and a half years with the Army Engineers in World War 2 in Alaska, Burma, India, and China.

Mr. Hancock is a graduate of Mullin High School and has attended John Tarleton College at Stephenville. He is 42 years old, and has lived in his precinct all his life.

Mr. Hancock asks for the vote, support and influence of the voters of Precinct Three, subject to action of the July 22 Democratic Primary, promising if elected to give his very best ability to the job.

FRED V. WALL STAR ANNO FOR RE-ELECTION

Fred V. Wall of this week authorized The Eagle to announce his candidacy for re-election as Mills County Commissioner from Precinct No. Two, subject to the Democratic Primary next July 22.

Mr. Wall feels that he is well qualified for the job he seeks, having been employed for the last three years by County Commissioner K. B. Henry as road supervisor on Precinct 3 roads. He also adds to his experience three and a half years with the Army Engineers in World War 2 in Alaska, Burma, India, and China.

Mr. Wall says if re-elected he will do the best he can. He wants to thank the citizens for their courtesies and favors in the past, and asks their continued vote and influence in the coming election.

Mr. and Mrs. J. B. Luchini and children of Hot Springs, New Mexico, visited recently in the home of her mother, Mrs. Fred Barton.

Mrs. Mable Holt has had her little house on Fisher Street moved to the Southeastern part of town. She purchased the lot from Mrs. Pearl Holland.
