Government Jobs

Examinations for Government jobs were announced this week by Postmaster Lucile Fairman. One is for a State Program Assistant at an entrance salary of \$3,100.00 per year with employment by the field headquarters of the Production and Marketing Administration in southwestern States. Other civil service examinations are for a dental technician and dental hygienist. Complete details on the examinations and the vacancies may be obtained from Mrs. Fairman at the Post Office in Goldthwaite.

Mrs. M. C. Sanders and Mrs. J. M. Campbell left Monday morning for Marlin where they will be for about two weeks to take the baths.

Goldthwaite Junior Grid Players Have A Chance For Conference Tie

The Goldthwaite School's Junior football team went down to Burnet last Thursday night and caused great excitement by defeating the Burnet Juniors 7 to 6 in a hard and well played game. Last night, Thursday, the Eagles were scheduled to play Marble Falls at Eagle Field in Goldthwaite and excitement was running higher than ever.

If you receive your Eagle on Thursday, there still is plenty of time for you to make up your mind to see the Eagles in action against Marble Falls. The time, 7:30 p. m., at Eagle Field. Admission is only 10 cents for school pupils and 30 cents for adults.

The game between the Eagles and Marble Falls on the night of October 19 had much of the element of suspense in it. For if the Eagles won and if Burnet won the Conference game they also were scheduled to play there would be a three-way Conference tie among Goldthwaite, Burnet and Lampasas,

necessitating a play-off. As for last Thursday night's game at Burnet, the Goldthwaite touchdown was scored by Dick Lindsay, the "one-man backfield."

Coach Jack Locklear said the Goldthwaite Juniors now are playing extremely well. He said the entire line showed great stuff with especially fine performances by Wayne Roberts and Jimmy Elliott. Ray Campbell Hudson, James Gilliam and Penn Barnett also gave good promise of fine future football careers.

Dick Lindsay's touchdown against Burnet last Thursday night followed a spectacular 45 yard run.

Coach Locklear said this week that he is highly pleased with the progress of the Eagles this season and he urged that everybody who receives the Eagle on Thursday make it a point to see the junior football team in action on Thursday night, October 19, in the first home game of the year—a Conference game.

Christian Science Services

"Probation After Death" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 22.

The Golden Text is: "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him" (James 1:12).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For this corruptible must put on incorruption, and this mortal must put on immortality" (I Corinthians 15:53).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Good demands of man every hour, in which to work out the problem of being. Consecration of good does not lessen man's dependence on God, but heightens it" (page 261).

LIGHT - MEDIUM - HEAVY MODELS
 Made in widest variety of engine-body-chassis combinations to fit every trucking need.

Think twice today when you buy a truck!

THAT new truck you're considering may have to last a long time. So you'll be wise to look at a GMC for these important reasons:

GMC's are built by the world's largest exclusive manufacturer of commercial vehicles — with the broadest truck engineering experience.

GMC's are real trucks. Engine, transmission and frame, as well as cab and axles, are all specially truck-built to give you longer service.

GMC truck-built engines have high horsepower with higher sustained torque—greater pulling

power. They are built to give extra years of service with less maintenance.

GMC extra-value features include Synchron-Mesh transmission, Tocco-hardened crankshaft, full-pressure lubrication, recirculating ball-bearing steering gear, airplane-type bearings and Lifetime Weathersealed cabs as standard equipment on practically all models from 1/2 ton up.

That's why more truckers are buying GMC's today than ever before—experience proves them best in the long haul!

Get a real truck!

Ed. H. Lovelace Elected
 Annual conference of the Society of Christian Workers at Austin last week, Ed. H. Lovelace was re-elected Recording Secretary for the next two years. There were 100 delegates and visitors in attendance representing more than 20 societies in the community. Mrs. Frank G. Brooks, President from Iowa, was the featured speaker. Missionary deaconesses told of their work in the foreign field. Delegates were Mrs. M. J. Hodson, Mrs. Walter and Mrs. Jerry Walker.

Guests of Mrs. Ella were Mrs. O. P. Curtis and Mrs. O. P. Jr. of Fort Worth and Mrs. Floyd Kennon.

Mrs. Howard Evitts and Sharon and Michael of Dallas spent Sunday with their aunts, Mrs. Brown and Miss Bess.

W. M. U. Quilting
 Mrs. O. B. Hale, President of the Women's Missionary Union of the First Baptist Church in Goldthwaite, announced that next Thursday there will be an all-day quilting in the Church Chapel for the benefit of the Children's Home at Round Rock.

Hobson Miller of Goldthwaite spent the weekend with Lester Smith in the Jones Valley community.

Luther Jernigan and Hawley Jernigan went to Rock Springs after a load of sheep Monday.

Mr. and Mrs. Jim Kelly had visitors over the weekend, their daughter, Mrs. V. O. Tolle, and family of Houston. They left Monday.

Ira Wright of Levelland spent several days the first of last week with his son, Gordon Wright and family.

Mr. and Mrs. R. B. Hamilton of Houston spent part of their two weeks' vacation with their parents, Mr. and Mrs. D. A. Hamilton. They left Sunday evening.

Junior Gardeners Select Officers - Dozens of 'em

By ROSALINE SAYLOR
 The Junior Garden Club got off to a good start on October 3. Each room organized an individual Garden Club. The officers for each room are as follows:

5th Grade Officers—President, Jack Carothers; Vice Pres., Tillman Kirby; Secretary, Jerry Hammond; Assistant Sec., Joyce Schuman; Reporter, Bill Whitliss; Assistant Reporter, Linda Hall.

6th Grade Officers—President, Rellis Earl Worley; Vice Pres., Carlene Woods; Secretary, Ester Thorne; Assistant Sec., Charles Reynolds; Reporter, Barbara Isham; Program Chairman, Larry Day; Program Committee, Nelda Terry and Bobby Booker.

7th Grade Officers—President, Michael McCullough; Vice Pres., Kenneth Perry; Secretary, Leona Mae Carter; Assistant Sec., Willis Cline; Reporter, Betsy Smith; Assistant Reporter, Peggy Blackwell; Program Chairman, Charles Newman; Program Committee, Anna Collier and Jimmy Petty.

8th Grade Officers—President, Ray Campbell Hudson; Vice Pres., Penn Barnett; Secretary, Jean Ann Evans; Assistant Sec., James Gilliam; Reporter, Rosaline Saylor; Assistant Reporter, Bobby Elliott; Program Chairman, Bill Jack McKee; Program Committee, Barbara Blackburn, and Lathon Jernigan.

Our teacher-sponsor is Mrs. Mary Bigham and our Senior Garden Club sponsor is Mrs. Barnett.

We have had a very interesting lecture on flower arranging by Mrs. Jim Weatherby. She showed us how to make niche arrangements. We have also planted narcissus bulbs for our rooms. We hope that they will bloom by Christmas.

We will have a meeting the first Tuesday in every month.

Raymond Wilcox of the Jones Valley community is harvesting peanuts this week.

Mr. and Mrs. Luther Jernigan attended the funeral of Jack Smith of Mercury, Texas, last Thursday at Indian Creek in Brown County.

Personals

W. M. Kemp underwent an appendectomy Monday at Memorial Hospital at Brownwood. At last report he was doing nicely.

Mrs. Maud Newbury spent the weekend in Brownwood with relatives.

Mrs. M. P. Hopkins returned to her home in Brownwood last week after several days visiting

with her son, Levi Aldridge and family.

Mrs. Frank Casey of Oakland, California spent a few days recently with her brother, Levi Aldridge and family. She also visited other relatives at Gatesville, Brownwood and Copperas Cove.

Mrs. Frank Bowman visited last week in Kermit with her daughter, Mrs. John Graves and family.

Mrs. R. D. Towerton and

children of Camp Hood visited Sunday with her aunt, Mrs. E. L. Pass and Mr. Pass.

Mr. and Mrs. Floyd Frazier of Brownwood spent Sunday with his parents, Mr. and Mrs. W. C. Frazier.

Mrs. Ralph McCallester and Sylvia of Brownwood are spending this week with her sister, Mrs. Roger Powell and family.

Lester Rusler of San Angelo came Sunday for a visit with his cousins, Mrs. O. B. Hale and

family, and the Charles Conrad family.

Sybil Reid of Howard Payne was here Sunday with her parents, Mr. and Mrs. Jack Reid.

Webb Hill of Atascosa visited Goldthwaite on business this week. A brother of Willis A. Hill, he moved away from Goldthwaite for the last time about eight years ago. On his visit this week he reminisced about going to school in Goldthwaite 62 years ago.

Scare Buying

We do not believe in scare buying. All ELECTRICAL APPLIANCES—especially the larger items, such as refrigerators and ranges—are getting harder to get each day.

If you are in need of anything using steel or copper, we will pay you to get the best, as it may have to last you a long time.

We Handle Only The BEST Appliances:

General Electric and Kelvinator

YOUR CREDIT IS GOOD with us. We can extend you time payments on any merchandise. New government regulations now require that you pay one-fourth down and have 15 months on the balance.

Congressman Fisher Gives First Hand View Of German Conditions

Editor's note: The following article by our own Congressman, Representative O. C. Fisher of the 21st Texas Congressional District, was written from Heidelberg, Germany. The material for it was gathered while Representative Fisher was on tour as a member of the House Armed Services Committee.

By O. C. FISHER

Communism is losing ground in Western Germany, according to the views of most of the people with whom I have talked

O. C. FISHER

here. But the ideological war is terrific here and the Russians are fighting hard for converts in the industrial Ruhr, as well as elsewhere in Germany. Their best foothold is in the Ruhr Valley.

There are several factors which seem to account for our success in the war of ideas thus far:

1. The Marshall Plan which has undoubtedly had a vital stabilizing effect.
2. Our victory in Korea, which has had a strong effect in bolstering the will to resist in Europe.
3. The progress of efforts to unify the democracies militarily, and the stepped-up preparedness program in the U. S.
4. Counter propaganda thru the Voice of America, newspapers, picture shows, and thru other methods. At the same time, the Commies formerly had a dozen newspapers in Western Germany; now there is but one that could be called pro-Communist.

We flew from Western Air Force Base, Mass. via the Azores, to the Rhein-Main Airport near Frankfurt. This city, on the barge-choked Rhein, is the headquarters of the American Military Government. It was practically destroyed by bombs during the war, but reconstruction has been rapid. The fields

are green and crops are good. Unemployment throughout Germany has dropped a lot during the past year. Post-war recovery has been achieved in Germany faster than in any of the other war-stricken countries.

While in Frankfurt a group of people from the Ruhr, 100 miles away, came to see and talk with us about their struggle against Communism in that area. A Mr. Dutling, who operates a third of the Ruhr Valley coal mines, told the story of Communist tactics and of the things being done to combat them. A considerable number of the coal miners who had been Communists or pro-Communists, have recently joined up with a Moral Rearmament movement and they claim this has done a

lot of good in getting rid of the "class struggle" complex, which is a keystone of the Red scheme for conversions.

A German labor leader named Fritz Heske, who accompanied Dutling, told us of his repudiation of Communism during the past year.

"I finally learned," he said through an interpreter, "that Communism instead of being beneficial to the workers is a fraud and destroys the freedom of people when it is imposed".

Heske, who was a CP member for 20 years, and who was in a German concentration camp during the war, went with Dutling and others in the coal mining industry to the annual conference of the Moral Rearmament movement in Caux early this year. And the mine workers' leader is now leading the fight against Communism in the Ruhr Valley.

The occupation, military and economic picture in Germany

was presented to us by our High Commissioner, Mr. John J. McCloy, Lt. Gen. Thomas Handy, who is our occupation Military Commander, and others. There seems to be a lot of sentiment over here in favor of Mr. Atchison's proposal to accept German troops into the MCAP (Mutual Defense Aid Program) with proper precautions against giving them any control over production of arms and military equipment.

Most of the people you talk with don't believe Stalin is ready to march on western Europe, although they are very cautious in their optimism and there are a lot of "ifs" connected with it. If we continue to rearm, and if an effective western European army of some 60 divisions is formed, and if there is a firmness and no appeasement, they reason that the Russians are not likely to start a war, at least not for sometime yet. And a lot of things can happen during that time.

Mrs. J. N. Keese Does It Again

For the third time this year Mrs. J. N. Keese—goody, goody—has sent a subscription to the Goldthwaite Eagle as a birthday present. This time, Mrs. Keese subscribed to the Old Bird for her son, Carl Keese, who lives in Magnolia, Arkansas. Happy birthday, Carl. Have at least a couple a year!

Mrs. E. B. Anderson and Mr. and Mrs. E. B. Gilliam attended the funeral Thursday afternoon of last week of Don Anderson at Brady. Don was taken seriously ill last Monday with polio and was rushed to a San Angelo hospital. He died Wednesday, October 11th. He was the son of Dr. and Mrs. James Anderson and a nephew of Mrs. E. B. Anderson.

Neil Carman Wilkins of Southwestern University and

Jane Ann Steen of McMurry of Abilene were here over the weekend with home folks.

Mr. and Mrs. Milton Schorn and Larry of Fort Worth visited relatives here over the weekend.

Oil has been ready!

Today the U. S. oil industry will be called on to supply the United States with 6,400,000 barrels of U. S. oil. It supplied that amount every day last week, and will supply it every day this week and next. It is a million barrels a day more than the peak of World War II, and it is 65% more than it was in 1940.

An increasing amount of today's oil goes to the needs of national defense, but the bulk of it supplies power for the millions of cars and trucks on American highways, the hundreds of thousands of tractors on American farms, and for the industries that make all the things that add up to a high American standard of living.

More cars, more tractors, more industries mean a need for more oil, year after year. This need has required the oil industry to look far ahead, to keep itself more than ready to supply current needs. It must be able *quickly* to meet increased demands.

And it is. Since World War II, U. S. oil companies have plowed back into the development of U. S. oil resources about

\$8 billion to find more oil, to increase oil production, to extend pipe lines and build tankers, to increase and improve refining capacity.

So the oil industry has *been* ready for the Korean emergency all along. It supplies today's greatly increased demand for oil in its stride. As still heavier demands are placed upon it, the industry is confident that it can supply them, too. It will be a big job. And make no mistake about it: it will involve many problems; consumers may be called on to make sacrifices; the job will require time for change and adjustment. But the oil industry is better prepared than ever before to take it on.

Wooster Converts Store On Square Into Gospel Hall; Revival Soon

W. B. Wooster announced this
week that throughout the com-
ing winter the premises on the
west side of the Square between
the Duren Furniture Company
and the Mauldin Boot Shop will
be used as a Gospel Hall with
all of the religious services un-
der the direction of the Rev.
E. W. Dickson of Magnolia, Ark.
For the past two or three
weeks, Mr. Wooster has been
working on the hall, which has
been cleaned, re-wired and
painted a restful green inside.
A rostrum has been built in the
hall, which is 60 feet long and
30 feet wide. It will have a seat-
ing capacity of about 200.
With Mrs. Dickson, Brother
Dickson will establish residence
in Goldthwaite for the winter.
They will be accompanied by

American Legion Dances Saturday Night To Strains Of Dixie Playboys

Billy Baker Writes From Fritzlar Post

Pfc. Billy Baker, formerly of Goldthwaite but now on duty with the Army at Fritzlar, Germany, was heard from this week in a letter in which he renewed his subscription to the Eagle.

Hamilton Singing

There will be a Hamilton County Singing next Sunday afternoon at the Littleville Baptist Church in Hamilton, it was announced this week by Ollie McDurmitt.

Watch Tower

S. G. Taylor, representing the Watch Tower Society, will speak before the local group of Jehovah's Witnesses at three o'clock next Sunday afternoon in the District Court Room at the Mills County Court House on the topic, "True Riches; How Obtained."

Mr. and Mrs. George Overby of Sweetwater visited his aunt, Mrs. Ella Curtis Saturday.

The Harry F. Edmondson Post number 289, the American Legion, will sponsor a dance at the Legion Hall tomorrow night, Saturday.

Music will be by the Dixie Playboys of Lampasas and Commander Larry Dalton this week issued a cordial invitation to everybody to join the members of the Legion for fun and entertainment from 8:30 o'clock until midnight.

Table reservations may be made by telephoning Commander Dalton at Goldthwaite 128.

Last Saturday night the Harry F. Edmondson Post held its annual banquet, which took the form of a chicken barbecue. Mr. and Mrs. E. D. "Dumble" Hamilton were guests of honor at the banquet.

In preparation for next Saturday night's dance, the Legionnaires were scheduled to turn out on Thursday afternoon of this week to give the Legion Hall a good GI scrubbing and waxing. (That means the Eagle should hit the Goldthwaite Post Office early, since Roy Lee Hill just dotes on housework.)

Wallace Johnson was among those who attended the Texas-O. U. game.

Washington Letter

(Continued from Editorial Page.)
ern Germany in an attempt to keep those people away from Berlin while the big exhibition is going on. They even cut the electric power off, but the generating plant in the West Zone was able to meet the requirements without the aid of the plant in the East Zone.

This power plant was damaged by bombs and the remaining part was dismantled by the Russians when they first came in and shipped to Russia. By December however, it will have a capacity of 1.2 million kilowatt hours and will be able to provide ample electricity for

the Western zones.

A high-light of our visit in Berlin was a visit with Ernest Reuter, the Mayor of Berlin, recently described by TIME as "one of the few authentically big figures in Western Europe".

Himself a former Communist in his younger years, Reuter is today regarded as Russia's Public Enemy No. 1, in Germany. He was once a close friend of Lenin and an intimate of Stalin years ago. But he changed with experience. And after his exile from the Nazis during the war, he was permitted to return to Germany from Turkey in 1946 and was twice elected Mayor of Berlin.

We had lunch with Reuter at the Berlin City Hall. He talked freely of the Communist peril and of what may happen.

Will the Reds communize the East Germans? He doesn't think so. There's too much compulsion, he thinks, and the German people can see through it.

Speaking of Berlin, Reuter said he wasn't worried about his own safety there. "Berlin is the safest place in the world right now", he commented, "Because if the Russians march into Berlin they know it would mean war and Stalin isn't yet ready for that to happen".

Freedom Scrolls Up For Signing Until October 24

The time available in which to sign the scrolls of the Crusade For Freedom has been extended to next Tuesday, it was announced this week by Eugene L. Dyas, President of the Goldthwaite Junior Chamber of Commerce.

The Jaycees, who have been sponsoring the Crusade For Freedom in Goldthwaite and Mills County, continue to urge that everybody who is aware of the need to defend and preserve human liberty sign the Freedom

Scrolls, which are on display at the office of the Goldthwaite City Utilities, the Trent State Bank, and at the office of the Lone Star Gas Company.

Signed scrolls will be placed in a freedom shrine in Berlin. Contributions, which may be made at the time of signing the Freedom Scrolls, will be used to keep Radio Free Europe on the air. It is a non-Government station which broadcasts in a number of languages daily in an attempt to pierce the Iron Curtain on a people-to-people basis.

Mr. Dyas pointed out, however, that it is not necessary to make a contribution while signing the Freedom Scrolls. Contributions are welcome, he said, but it is important, also, to have as many signatures as possible on the Freedom Scrolls in order to show the people of western Europe that Americans are willing to stand up and be counted by name as defenders of freedom.

General Lucius Clay is the national chairman of the Crusade For Freedom.

A. P. Fambrough, who suffered a lacerated right foot when it was caught in a tractor, is recovering. He was able to be afoot again this week.

FORD MOTOR COMPANY'S

New Automatic Drive Makes its Bow in the new 1951 MERCURY

"Smoother, simpler, more efficient!"
—that's how engineers hail this amazing new automatic drive that's coming soon in the new 1951 MERCURY.

MAYBE you've read about it. Surely you've heard about it. It's the amazing new automatic transmission developed by Ford Motor Company. Now you're going to see it, thrill to it, for the first time in any car, in the new 1951 Mercury.

Called Merc-O-Matic

Merc-O-Matic is the name. And of this you can be sure: there'll be nothing like it on the road! The thrilling new 1951 Mercury will be making a debut in our showrooms in a very few days. And once you see it, we think you'll agree:

For "the drive of your life," it's the new 1951 Mercury with Merc-O-Matic Drive!

What is Merc-O-Matic Drive? It's a completely new, completely automatic drive developed under the direction of Ford Motor Company and Borg-Warner transmission engineers, and made to order for Mercury's great, V-type, 8-cylinder engine. It's s-m-o-o-t-h-e-r, simpler, more efficient!

Makes every driver an expert

Naturally, there's no clutch or gearshift. But there the resemblance to other drives ends. For this new Merc-O-Matic Drive is different. Even the easier-to-read indicator panel is different. The drive selector is so arranged that a person accustomed to a standard shift will feel perfectly at home. And if you're familiar with other drives, you'll notice immediately the big

difference in the way this new 1951 Mercury with Merc-O-Matic performs.

There's no "mushiness." With Merc-O-Matic Drive you get instant, certain response. You start in one smooth sweep of power. No tugging as gears change. There's a "down-shift" for extra hill-climbing and passing power; just press the accelerator smartly to the floor. And Merc-O-Matic is cool operating—no uncomfortable heat in the passenger compartment.

There's no "runaway" downhill. You are in control all the time with the engine's compression at work to save your brakes.

There's no stalling in traffic. Park on a hill if you like. You're safe. Merc-O-Matic Drive locks when in Parking position.

Yes, Merc-O-Matic is going to make you forget all you ever knew about automatic transmissions. This is it—the easy, sure, safe, s-m-o-o-t-h-e-r "drive of your life." And—it's extremely thrifty.

Dozens of New Features in 1951 Mercury

But Merc-O-Matic is only part of the great new Mercury for 1951. There's a new look from end to end... beautiful new styling... rich, new fabrics and colors to make Mercury for 1951 one of the smartest cars on the road.

New safety, too—the new rear window alone gives you more than 1,000 square inches of safe viewing area. Greater comfort in a new, improved ventilating system which brings you just the amount of fresh air you want, when you want it, and where you want it.

It's the plus car of the year—plus on beauty, plus on comfort, plus on safety, plus on economy—plus on everything but price!

All that and the great new Merc-O-Matic Drive, too. Yes, you'll want to see these new Mercurys. So watch Mercury showrooms for the new 1951 Mercury with Merc-O-Matic for "the drive of your life"—for "the buy of your life."

"It has always been the first aim of Mercury and its dealers to bring you each year a better car, better in every way that engineering, research, and experience can achieve. "For 1951 we are proud to present the great new Ford Motor Company automatic transmission—Merc-O-Matic Drive—developed by what we regard as the greatest team of engineers in the country today. We think this automatic drive is as efficient and as reliable as the automobile industry knows how to build today. "We sincerely believe that the new 1951 Mercury, with its Merc-O-Matic Drive, its new style and comfort, will be the greatest of all Mercurys."

CURLEE FALL SUITS

Feature Smart Styling

WHEN you select your fall wardrobe, keep in mind the importance of always maintaining a smart, well-groomed appearance. If you do this, you are certain to choose a Curlee Suit.

These new fall suits are smartly styled and expertly tailored. They feature quality materials in the season's newest patterns. We're featuring them in a complete range of styles, models and sizes—priced to fit your pocketbook. Come in and see them today.

YARBOROUGH & DUREN

ALL ACCOUNTS DUE IN FULL THE FIRST OF MONTH.

Library

(Continued From First Page.)
and meetings sponsored by individuals.

All applications for use of the Library, for dates, terms and access to the keys should be made, Mrs. Weatherby said, to Mrs. Marvin Hodges, who is Treasurer of the Library Committee.

For afternoon meetings, Clubs with an attendance of under 50 may use the Library for \$2.50. Clubs with an attendance of more than 50 will pay \$5.00 for afternoon meetings. Any night meeting or party at the Library will involve a cost of \$5.00 and the fee for any gathering sponsored by an individual, whether afternoon or night, will be \$5.00. The purpose of the fees, Mrs. Weatherby said, is to defray actual costs such as lighting, custodian service and the use of the Library equipment.

The terms under which books may be withdrawn, how long they may be kept out of the library and the fines to be levied on books that are returned late, will be explained to card holders at the Library by Mrs. Reese.

Grass Seed

(Continued From First Page.)
their seed plots that were planted two years ago.

With the Little bluestem harvest going full swing on Mullins' ranch, in Lampasas county, a plentiful supply of Little bluestem will be available.

Many farmers and ranchers are keeping their eyes on patches of Indian-grass that are making seeds now. These small plots will be hand stripped and the seed planted next spring. From results of this practice, Luther Soules has a fine plot of Indian-grass to show what can be done, Mr. Day said.

Charles W. Hill also has evidence that Indian-grass is easily harvested and planted. Ewell Priddy hand stripped Indian-grass last fall and scattered the seed in a fresh bulldozed pasture. He now has a good showing of vigorous seedlings of Indian-grass.

Dalton Dies

(Continued From First Page.)
the first barbed wire fences went up to divide the range. He told about fence cutters and "the fence cutters' law."

Mr. Dalton's parents, John Dalton and his wife Rebekah, meanwhile had moved to Mills County in 1888. They bought a place on the Long Branch where they lived out their lives. John Dalton, who was born in 1825, died in 1909. Mrs. Rebekah Dalton, who was born in 1836, died in 1911.

James C. Dalton was married on December 10, 1893, to Oriana Shipp at Old Emma, near the Double Mountains. With the money that Mr. Dalton had saved as a cow puncher and ranch foreman, they moved to Mills County (then part of Hamilton County) and bought, for \$1.00 an acre, 320 acres adjoining the home of his parents on Long Branch, near Center City. There was a log cabin on the place. It had been built by J. M. Queen in the early 1860's. It had neither floor nor ceiling, but it did have a rock chimney, which still stands. Mr. Dalton hauled lumber for the floor and ceiling from Lampasas. In those days Goldthwaite was merely a hamlet. As time went on, four rooms were added to the original log cabin which, however, remains to this day as the basic part of the homestead.

Mr. Dalton is survived by five children—Mrs. Maggie Barnes of Blackwell, John Calvin Dalton of Coolidge, Arizona; Mrs. Tabitha Ann Stephan of Parker, Arizona; Mrs. Lola May Harris of Abilene, and Ida Rebekah Robertson of Prescott, Arizona. All of the children except Mrs. Barnes were born in the log cabin home. Mrs. Barnes, the first born, was born on the adjoining place owned by Mr. Dalton's parents.

Also surviving are 31 grandchildren and 22 grandchildren, as well as two brothers and a sister—J. Wesley Dalton of San Saba, Joe M. Dalton of Center City, and Mrs. Tabitha Ann Langford of Goldthwaite.

Mr. Dalton helped to build the Center City Baptist Church, of which his mother had been a charter member. He was a trustee of the Long Branch school throughout its entire existence. Since the death of his wife in 1940, Mr. Dalton had spent the winters with the Stephans in Parker. Other portions of the year were spent with the Harris family in Abilene.

Pallbearers for the funeral were Brock McCasland, Stacey McCasland, Sherwood Owens, Cary Owens, Charles Stephan and Dyer Stephan.

Firemen

(Continued From First Page.)
north of Mullin. Most people thought the alarm was the noon whistle, but not Chief Reid. Off the department went to douse the flames out in the County—the first such call to which the smoke eaters have responded since the conclusion of an arrangement under which Goldthwaite and Mills County are cooperating in fighting fires.

Now that the Goldthwaite Fire Department has two trucks, one of them can be sent beyond the city limits.

"We got to the Mullin fire in about five minutes," Chief Reid said. Then he amended his report. "Maybe it did take a little longer than that," he said, reluctantly.

Mrs. Ernest Wilson is spending this week with her mother, Mrs. E. C. Miller, in Ranger.

LITTLE'S
"SINCE 1898"

Football

(Continued From First Page.)
Curtis Lawson, Billy Anderson, John Stark and Dizzy Clifton.

At one point in the game, an old foot injury took Alvidoye Roberts out, but when he was needed, he went back in again and played with all his heart.

The green-clad Burnet Bulldogs had six Seniors in their starting line-up and their line averaged 162 pounds in weight as against 155 Goldthwaite pounds.

Ray Little was announcer for the game and James Gilliam was his local spotter. Fred Smart kept the statistics in the announcer's booth and R. C. McCollum totted up the figures on the field.

The Goldthwaite School Band and pep squad gave a splendid demonstration of the progress that has been made under the direction of Howard E. Gill and Mrs. Ray Duren, President of the Band Mothers Club, reported good business at the Club's concession stand—where good business also will be needed tonight, she said.

As the Eagles waited to take on the Lampasas Badgers, Coach Carl Knox was making no predictions. That was understandable, since Lampasas is

"Since 1898"

rated high. For the season, Lampasas holds victories over the Waco "B" team 20 to 0. The Badgers beat Rosebud 32 to 7 and played a scoreless tie with Killeen. The score for the Lampasas game with Gatesville was 7 to 7 and, as has been reported earlier in this story, Lampasas last Friday night trounced the Fredericksburg Hillbillies 39 to 6. This season, however, the Llano Yellowjackets have stung Lampasas 24 to 9.

For tonight's game, the scoreboard will be up at Eagle Field. It was estimated that some 1,400 persons saw last Friday night's game against Burnet.

FOR SALE—73 acres, 25 in cultivation, fair implements, good water, mail bus Rt. \$2,750.00. Also have larger places. See me before you buy or sell. JOE GREEN, Goldthwaite, Rt. 3, (Center City.) 10-20-2T.P.

Friendship Class
Mr. and Mrs. Pete retained Mrs. Cobb the Mullin Method on Thursday of last business meeting. "Friendship Class" was the name for the group.

Mrs. Barton
Mrs. Blanche Barton has lived in Mills County since 1886 when she moved to Milam County, was a visitor to the Eagle last week. Mrs. Barton is a subscriber since the Eagle came off the press. She had to the Eagle's press Mountaineer.
