Priddy Cited For Top Recognition In Soil Saving

Upon recommendation of the Board of Supervisors of the Brown-Mills Soil Conservation District, a committee headed by President Earl T. Fairman of the Trent State Bank has nominated J. Hobart Priddy for recognition as the outstanding soil and water conservationist among all of the Supervisors in Texas.

The award for which Mr. Priddy has been nominated will be made by the Texas Bank & Trust Co., of Dallas. Soil District Boards of Supervisors throughout Texas are naming their candidates for the honor through committees of bankers. In this area Mr. Fairman's committee is composed of bankers from Brownwood, Rising Star, Blanket and Bangs.

Mr. Priddy has been a Supervisor of the Brown-Mills Soil Conservation District since 1941 and on his own farm he has applied and completed the practices of which he has been so ardent an advocate. Mr. Priddy himself sought to have G. G. Goss of Rising Star nominated for the award by the Dallas bank but he was over-ruled by Mr. Goss and the other members of the Board—Willis A. Hill, Chairman; W. M. Hancock, Treasurer; and Anson Oden, Secretary.

After consideration of all of the candidates, the Texas Bank & Trust Company will name, in several weeks, the foremost soil conservation Supervisor in Texas who, with his wife, then will be presented with a trip to a chosen example of soil and water conservation success in the United States or its territories.

Next week the Eagle will publish further details of Mr. Priddy's accomplishments, the significance of the nomination that now is his, and the achievements of the Brown-Mills Soil Conservation District generally. Mr. Priddy is Vice Chairman of the Brown-Mills Soil Conservation District Supervision.

Incomplete returns from Goldthwaite show contributions of \$237.75 toward the fund for the United Service Organizations, which provide entertainment and recreational facilities for the American Armed Forces, it was announced this week by Ray Duren, Mills County Chairman of the USO October campaign. Mr. Duren said that reports on the campaign from Mullin, Priddy, Star and rural communities have not yet been received.

Mrs. H. O. Blair Called By Death On October 23rd

Funeral services were conducted on Wednesday afternoon of this week at the Presbyterian Church in Santa Anna for Mrs. H. O. Blair, mother of Floyd Elair of Goldthwaite.

Mrs. Blair, who was 75, had been ill for some time. She had lived in Santa Anna for many years.

Mrs. Blair, whose husband died a number of years ago, is survived, in addition to Mr. Floyd Blair, by another son, Hugh Blair of Wichita Falls. A daughter, Mrs. Ernest Overby of Santa Anna, also survives.

On many occasions Mrs. Blair was a visitor in Goldthwaite, where she had many friends. In tribute to her memory the Piggly Wiggly grocery store in Goldthwaite, which is operated by Mr. Floyd Blair, was closed on Wednesday of this week. While Mr. Blair was in the Armed Services during World War II, Mr. Hugh Blair lived in Goldthwaite and for a time took his brother's place.

\$200 From Mason

School Board Secretary Ray Duren announced this week that in accordance with a guarantee agreement, Goldthwaite received \$200.00 from the gate receipts of last Friday night's football game at Mason between the GHS Eagles and the Cow Punchers of Mason.

Weather Report

Harry Allen came back into the news this week — but not in a very big way. It was not Mr. Allen's fault, either. After all, the showers of last Monday night and early Tuesday morning in Goldthwaite measured up to only .04 of an inch on Mr. Allen's official U. S. Weather Bureau gauge. All that was brought by the clouds as the Eagle went to press was some cooler weather and reports that early this week both Mullin and Brownwood had more rain than Goldthwaite, with even less in the eastern and southern part of the County.

MARBLE FALLS MUSTANGS TO PLAY EAGLES HERE FRIDAY NIGHT IN CONFERENCE GAME

Mustangs from Marble Falls, four of them tipping the scales at 200 pounds each and the rest of them looking anything but under-nourished, will play the lightweight Goldthwaite High School Eagles at Eagle Field in Goldthwaite tonight, Friday. Game time will be 8:00 o'clock.

Coach Carl Knox said this week that the Eagles are set to pit skill against heft and that if they carry the spirit of their workouts into action against Mustang Coach Lehoff and his invaders, the fans will be assured of an evening of splendid football.

Last week, playing at Mason, the Eagles lost to the Cow Punchers by a score of only 12 to 17 despite the fact that John Gilliam still was suffering from an injured ankle. An account of the Goldthwaite-Mason game, as written by R. C. McCollum, appears on another page of this week's Eagle.

In the game against the Mason Cow Punchers a back injury that has been plaguing Bobby Carr was aggravated and he will

Led by Armand Zoe Clary of Star with a Grand Championship for a pen of birds, Mills County 4-H Club members came home from the State Fair of Texas at Dallas with more than a score of ribbons—purple, blue,

red and white—and settled down at once to working on projects that will be exhibited next at the January Show of the Mills County Livestock Raisers Association.

This was the first year that Mills County 4-H Club members exhibited chickens at Dallas but all the same Armand Zoe Clary won the Grand Championship with five white rock cockrels that were auctioned for \$225.00 on Thursday of last week.

At Dallas a Hereford calf that was exhibited by Wayne Poe took fifth place among 25 places in a class of steers weighing from 850-1,000 pounds and another Hereford calf that was exhibited by Dana Saylor took seventh place among 25 places in a class for steers weighing over 1,000 pounds.

As a representative of the Goldthwaite High School Chapter of the Future Farmers of America, Bobby Letbetter at Dallas took eighth place with his Aberdeen-Angus calf in a class of steers weighing from 850-1,000 pounds.

Also at Dallas, Armand Zoe Clary took seventh and 20th places with his Southdown muttons among about 40 sifted entries. And a Southdown that was bred on the Delton Banett ranch in Jones Valley (Rattler) won the Reserve Grand Championship at Dallas.

This week County Agent George G. Reese received for distribution among 4-H Club members 12 ribbons that had been won at Dallas just by Mills County turkeys, including the purple tom turkey champion-ship ribbon that went to Harold Clary, aged 9. For quite a while it is likely that Mr. Reese will find ribbons at the Post Office every time he goes for his mail.

Local Citizens Will Confer On Army Maneuvers

By invitation of Major General Bruce Clarke, representatives from Mills County will go to Fort Hood today, Friday, to discuss arrangements for "Exercise Longhorn," the great military maneuver that will be conducted in this area late next March and in early April.

County Judge Lewis B. Porter, County Clerk Earl Summy, Sheriff C. F. Stubblefield, Precinct Commissioners Jess Y. Tullos, K. B. Henry, Fred V. Wall and J. Frank Davis, County Agriculture Agent George G. Reese, and the editor of the Eagle were scheduled to participate in the Fort Hood conferences.

This Friday's conferences at Fort Hood will start at 10:30 a. m., with Major General H. R. Gay, Deputy Fourth Army Commander, describing the forthcoming maneuvers, the means of obtaining permits for troop movements from land owners, and answering questions. Those who will attend then will be luncheon guests of General Clarke, who is the Commanding General at Fort Hood, and then they will witness the working out of a problem on the new Tank-Infantry Combat Course. In addition to those who attend from Goldthwaite there will be representatives from McGregor, San Saba and Lampasas.

In his invitation to Friday's conference, General Clarke wrote that "Exercise Longhorn will be participated in by both the U. S. Army and the U. S. Air Force. It will bring to Central Texas a great many important visitors, both in and out of the Service. It will attract national attention."

At least 150,000 troops will be involved in the maneuvers, for which it will be necessary to obtain temporary access to private property and to use the roads in the maneuver area.

JUST A PINT OF YOUR BLOOD CAN SAVE THE LIFE OF A MAN WHO OFFERS ALL OF HIMSELF

As the Eagle went to press this week about 115 Mills County citizens had volunteered to donate blood — at absolutely no discomfort or inconvenience to themselves — in a grave crisis that has become so serious that unless there are other donors, men who fall in battle for their own people and the highest ideals of all of us may die of neglect.

Depleted stocks of whole blood and plasma throughout the United States have caused the deepest worry among those who care for American wounded and among those whose responsibility it is to keep America strong and ready to meet challenges and dangers yet to come.

Brian Smith, Executive Secretary of the Mills County Chapter of the American Red Cross, this week underlined with emphasis a statement of fact that has been verified in countless quarters—that men already in the American Armed Services are giving their blood for their comrades in arms but that civilians, whose lives have not been disrupted, are lagging in what can be only a privilege.

Magazines of national circulation, metropolitan daily newspapers, and other publications are trying to bring home to the American people the painful fact that with this nation's blood banks depleted, there is an appalling lack of response to the call to show responsibility and to express gratitude.

"We need at least 100 more volunteer blood donors in Mills

County and there should be many more before, soon, the Bloodmobile unit of the national defense department of the American Red Cross comes to Goldthwaite," Mr. Smith said. "More than 1,000 cards asking our people to register as blood donors have gone out. Please do not wait for a date to be set for the Bloodmobile unit to come to Goldthwaite. Please return your cards immediately with your signature affixed as a citizen willing to donate only a pint of blood—not only to meet the needs of our men in combat in Korea but to safeguard and to build up our supplies of plasma and whole blood against the possibility of natural disaster and the ever present danger that the same sort of casualties there are in Korea can happen right here at home."

The need for volunteer blood donors is so urgent that locally those who are responsible for recruiting volunteers for the forthcoming visit of the Red Cross Bloodmobile unit have been spurred to new action. They are Mrs. A. L. Whittaker, Blood Program Chairman of the Mills County Chapter of the American Red Cross; Mrs. T. C. Graves, Goldthwaite Chairman; and Mrs. John G. Berry, Chairman for Mullin, Star, Priddy and rural communities. This week Mrs. Berry added the following workers to her committee:

Jimmy Leonhard Is Peanut Farmer

The Goldthwaite Post Office was back to normal this week after a week's vacation that was spent at the place of his father-in-law, George Brooks, in Jones Valley. Mr. Leonhard said he liked peanut farming so well that he kept at it at night even after his vacation ended. Speaking of the Post Office and forgetting about the peanuts, did you mail your Christmas parcel to that Service man overseas? You have only until November 15 to mail Christmas packages overseas if they are to arrive in time to take cheer to men who are lonely away from home.

Birthday Present

As the Gospel Hall on the west side of the Square in Goldthwaite began its second year of religious service this week work proceeded apace on the construction of a new permanent awning over the entrance and on plastering the facade of the building. The words, "Gospel Hall," will be painted over the entrance, the Rev. E. W. Dickson and W. B. Wooster said as they watched the transformation of the building.

Ethridge as Jury Commissioners for the November term of Court. The Jury Commissioners then will select the new Grand Jury and draw a panel from which petit jurors will be selected.

ELECTION ON NOVEMBER 13

There will be a constitutional amendment election on November 13. The voters will be asked to vote for or against five proposed amendments to the Constitution of the State of Texas.

Elsewhere in this week's Eagle there is a statement in support of Amendment 4. It was issued by County Judge Lewis B. Porter in his capacity as Service Officer of the Harry F. Edmondson Post 289, the American Legion.

We are FOR Amendment 2, which seeks to provide for the investment of the permanent Fund of the University of Texas in securities other than bonds issued or guaranteed by government units and agencies.

Amendment 1, which we are AGAINST, would authorize a State-wide system for retirement and disability pensions for appointive County officials and employees.

We are AGAINST Amendment 3, which seeks to authorize the legislature to levy an ad valorem tax for the creation and establishment of rural fire prevention districts.

Finally, we are AGAINST Amendment 5, which would eliminate all requirements as to citizenship and residence in Texas for eligibility to receive old age assistance, aid to the blind and to dependent children.

GUEST EDITORIAL

(Editor's Note: Senator Robert A. Taft's unusually early announcement that he is a candidate for nomination as President of the United States by the Republican Party has stirred great interest. Most political writers have taken the position that Senator Taft hurt himself by throwing his hat in the political ring so early.

By GEORGE E. SOKOLSKY

This much is now clear in the Republican canvass to find a candidate for the presidency:

- 1. Robert A. Taft is an announced candidate who is corollary delegates.
2. General Eisenhower has not yet declared himself a candidate, which nobody else can do for him.
3. Governor Warren of California is clearly not a party to any measure to support or oppose any other candidate, but could be and is likely to be a candidate in his own right.
4. Harold Stassen is no longer to be regarded as without personal aspirations.
5. Tom Dewey remains totally out of the picture.
6. Paul Hoffman, dispenser of E. C. A. and Ford money, is a comer-upper who is emerging into the storm with powerful longings that the lightning might strike.

This makes for an extremely interesting situation. General Eisenhower's friends feel sincerely that only he can defeat Harry Truman; his opponents are equally sure that he would be an easy target for Truman because of his affiliations with the Truman administration.

It is the organization politician who produces the delegates to the conventions. Such stalwart Republicans as Marquis Childs or Doris Fleeson will not send a single delegate to the Republican convention nor will many of the businessmen who so ardently support General Eisenhower.

Therefore, if General Eisenhower wants the presidency enough, he must go after it himself. In the traditions of this country, the presidency is a good enough job for a man to be willing to fight to get it.

As for Robert A. Taft, these purely political factors stand in his favor: 1. He has become the symbol of the Republican party. While Mr. Dewey likes to be regarded as the titular head of his party, no one in it takes that seriously.

2. Taft's success in Ohio offsets the argument that he cannot be elected, which no one can even estimate with any degree of accuracy until the votes are in. The arguments on both sides of this question seem futile and inconclusive.

3. The fact that the Truman people conduct a propaganda that Truman would prefer Taft (Continued on Page 9.)

(Editor's Note: A first page column in the Houston Chronicle that was entitled "Give 'em a Hand," might just as well have been written in and about Mills County. The column made the point that nobody can be a good driver without being courteous.

Every person passing the State Highway Department's driving test has demonstrated familiarity with hand signals. Otherwise they do not pass the test and get a driver's license.

What is the matter with Americans, anyway? Back in the horse-and-buggy days, road etiquette was no more generally known but much more commonly practiced than in this day when streets and highways are crowded with vehicles as never before.

Narrowing it down still further, what is the matter with Houstonians? Until the mechanical age, Houston was known far and wide as a city of hospitality, its citizens as exceptionally courteous to strangers.

The giving of hand signals is a form of necessary courtesy. It is only ordinary consideration to let the drivers behind know what we are going to do, if we plan to deviate from the straight ahead at regular speed.

Every local driver knows that it is no uncommon experience to have a car ahead slow up, turn right, pull over to the curb, or come to a dead, sudden stop without a signal of any kind.

The most irritating of the drivers are those who merely because it is personal, not partisan. 2. Taft's success in Ohio offsets the argument that he cannot be elected, which no one can even estimate with any degree of accuracy until the votes are in.

3. The fact that the Truman people conduct a propaganda that Truman would prefer Taft (Continued on Page 9.)

There are two types of accidents in driving a car. The first is automatic, like slipping on a curb or avoiding obstacles. The second are acts of negligence and deliberate as: Should I try to pass? What does that driver intend to do? Do I have a make a left turn at intersection?

Not all of us have the ability to make hand signals become automatic. The only way we can be sure to forget them. Nearly has had his memory of seeing a driver ahead signaling, and, with twinge of conscience, suit.

Here is a way that consider themselves good drivers may help the cause of safety. If any large number of drivers adopt the proper hand signal practice is certain to and to save lives, like property.

As someone put it a few days ago: "In driving it is to be courteous without good driver and you will be a good driver being courteous."

YOU BETTER SAY PRETTY SOON.

All Star Is Agog Over Contest For Hallowe'en Queen

Tonight, Friday, will be a big night at Star when at 10:30 o'clock the 1951 Hallowe'en Queen will be crowned in the Star School Gymnasium after a race among candidates that will continue with great enthusiasm right down to the finish line.

Partisans of the various candidates have been working hard to raise money that will be spent at the rate of a penny a vote on ballots for the Star Hallowe'en Queen. There have been parties, hayrides, cake auctions and practically every other known means of raising funds to be cast as votes. That sort of activity will continue until 10:00 o'clock tonight, Friday—just a half hour before proclamation of the identity of Her Majesty.

Before the Star coronation there will be a big Hallowe'en Carnival at the Star School Friday night. By way of dramatics "The Shooting of Dangerous Dan McGrew" will be produced at the Alama Plaza Theater—which is something brand new for Star. There will be a House of Horrors, a Country Store, Fortune Telling, a Variety Show, Chunking Cats, a Shooting Gallery and a Battle Royal.

Leading candidates for election as Star Hallowe'en Queen are May Bell Cox and Wandalene Head.

Cancer Program For Women Set For November 7

An educational program, including motion pictures, will be presented by the Tuesday Study Club of Goldthwaite for all of the women of Mills County at 4:00 o'clock on the afternoon of Wednesday, November 7, at the Goldthwaite Grammar School auditorium.

Films dealing with cancer and of particular interest to women will be presented.

"The Club has planned to bring this film because of belief that any Mills County family some day may have to face cancer," Mrs. Delton Barnett said this week in behalf of the Tuesday Study Club. "The experience may be difficult, even tragic, but thousands of families have met this serious threat and we hope that through the films certain kinds of cancer may be detected in time for the victim to triumph—as many have done because of knowledge of the facts."

Mrs. Barnett emphasized that all women in Mills County are urged to attend the program on the afternoon of November 7. The films that will be shown have been produced for the American Cancer Society and have the approval of medical societies.

THE NEW, PROVEN WAY TO KILL RATS

Rats develop "BAIT SHY-NESS" when most ordinary poisons are used because of Taste, Odor, or physiological reaction which the animals associate with the poison.

There is no "BAIT SHY-NESS" when Tasteless, Odorless, WARFARIN BAITS are used, because they act slowly and produce a gentle death.

At all times the properly placed bait is effective in killing Rats that enter the area.

Love Gatlin Urges Citizen Action On Art, Civic Club

At the fact that a general amendment election November 13 will call citizens to meet their duties as voters, a program of the Goldthwaite Art and Civic Club on the afternoon of last week.

Love Gatlin, who teaches in the Goldthwaite school, spoke on the responsibilities of citizenship.

"It is high time that we use our power to elect well informed voters," Gatlin said in her address to the members and guests of the Art and Civic Club.

"We are living, we are living in a grand but awful world. We are living at the end of an epoch—in one of the greatest transition periods of history. In the midst of great changes a new epoch is approaching. Man has reached the place at which he can, if he will, move forward into a new period of light, self-government and justice. . . . The time is grand because of our opportunity to do our part—it will be awful if we fail."

Miss Gatlin emphasized the necessity of the exercise of influence by persons in all walks of life. Such influence can be brought to bear, she said, "by being active and well informed voters, by understanding that we cannot separate our civic duties from our private lives."

"Next month we will have an opportunity to exercise our political rights by voting on the constitutional amendments on November 13," Miss Gatlin said. "May we, as sovereign citizens—carrying upon our shoulders the responsibility for self-government—be ever mindful of our priceless and hard-won heritage. May we build our lives on the greatest spiritual truths of the ages, realizing that if our lives are right, our citizenship will be worthy. May we all accept our trusteeship for gov-

ernment of the people, by the people, for the people."

For the meeting of the Art and Civic Club on Wednesday afternoon of last week Mrs. J. H. Saylor was the program chairman and Mrs. George G. Reese and Mrs. George Hartin were the hostesses.

Relax, Everybody

Following a campaign that was waged with vigor and imagination and that resulted in considerable free publicity for a certain brand of coffee, the Jennie Trent Dew Library this week was assured of a 48 cup electric drip pot. Mrs. V. A. Hudson, Secretary of the Library Committee, announced this week that she has in hand enough coupons to assure a coffee urn for the Library kitchen. She said never mind what she went through to get them but to please just thank everybody for being so helpful, generous, cooperative, sympathetic and understanding. Everybody please be thanked and relax a bit while Mrs. Hudson decides what she will start collecting next.

Shower At Mullin Honors Ann Sebolt

Miss Ann Sebolt and Joe Paul Smith, who were married Saturday, October 20, were honored with a miscellaneous shower at the G. I. building in Mullin on Friday afternoon, October 19th. Hostesses were Mrs. S. V. Roberts, Mrs. Lynn Roberts, and Mrs. W. T. Lee.

The Hallowe'en motif was carried out in the decorations. Refreshments of chicken salad sandwiches, cake, potato chips, mints and bottled drinks were served to the guests.

A large chair, gayly decorated with Hallowe'en colors, was placed in front of the gifts and the honoree sat in the "Magic Chair" and opened the gifts. About 50 guests were present, and a large number sent gifts who were unable to attend.

Grocery Winners

Miss Molly Lane, 8, daughter of Mr. and Mrs. Bill Lane of Caradan Route, and Mrs. J. D. (Dorothy) McKenzie, were the winners of groceries—whole baskets of groceries—that were given away at the Loy Long Grocery on Saturday of last week.

Tuesday Study Hour Proves Popularity

The regular weekly Story Telling Hour at the Jennie Trent Dew Library on Tuesday afternoon of next week will be conducted by Mrs. Dean Dickerson and Mrs. George Gilbert and all children between the ages of three and six, along with their mothers, are invited to attend.

Every Tuesday, starting at 2:30 o'clock, the Story Telling Hour at the Jennie Trent Dew Library provides both entertainment and instruction for children of pre-school age. Mrs. Voyd Lee Doggett said this week that 31 children attended on Tuesday of last week and that the sponsor, the Goldthwaite Art and Civic Club, hopes for even a larger attendance next week. On Tuesday of this week Mrs. Doggett and Mrs. J. H. Saylor were in charge of the program.

Then, at 4:00 o'clock next Tuesday, she will speak to members of the Girls' Auxiliary, also at the Mullin Baptist Church.

Library Meeting

County Judge and Mrs. Lewis B. Porter and Miss Lalla Burney, Librarian of the Jennie Trent Dew Library in Goldthwaite, last Saturday attended a meeting of District 8 of the Texas Library Association at Buchanan Dam. The meeting was attended by representatives of 21 Counties. In addition to considering expanded and better public library facilities, those who attended participated in a well-rounded program that included an address by Eduard Taborsky, who at one time was secretary to President Benes when Czechoslovakia was free.

Girl Scout Week To Start Sunday

Next week will be observed as Girl Scout Week with observances starting on Sunday, when Girl Scout and Brownie Troops, will attend the morning service of worship at the First Baptist Church.

Announcing plans for Girl Scout Week, Mrs. Fred Reynolds said that Monday will be home-making day while Tuesday will be observed as citizenship day. On Wednesday the Girl Scouts and Brownies will engage in health and safety studies and Thursday will be international friendship day.

Next Friday will be arts and crafts day and the Girl Scout Week will end with a picnic on Saturday, November 3.

THE SIGN OF THE FLYING RED HORSE

News Of Chappell Hill

By PEARL CRAWFORD

Mr. and Mrs. Roger Smith have been very busy folks. Last Saturday, while loading some yearlings to take to the Comanche market, Mr. Smith fractured his collar bone. Mrs. Smith rushed him to the Childress Clinic and after treatment, they went on to Comanche. Mr. and Mrs. L. C. Knowles visited with the Smiths over the weekend, and last Monday Mr. Smith's parents of Gatesville came. On Tuesday, with the help of Mr. and Mrs. Smith, they moved to the Crowder residence. We surely did hate to see Mr. and Mrs. Smith move from the mountain. They have lived here almost two years and have been excellent neighbors but we are very happy to have them reside nearby.

Mrs. F. H. Tiemann visited Mrs. Bill Oxford Friday afternoon.

News from O. A. Evans is that the condition of his sister, Mrs. J. N. Crook of Abilene, is regarded as about the same, and his other sister, Mrs. O. C. Hill of Wingate, had to return to the Abilene Hospital.

We are sorry that Mrs. Albert Stahnke is on the sick list. Melvin Tiemann went to town Thursday for some medicine for his aunt, and at last report she was feeling better.

F. H. Tiemann and Melvin cut feed for B. J. Crawford Friday afternoon and Saturday. Bill Oxford also helped the Tiemanns with the feed.

Mr. and Mrs. Lamar Chandler and children of Del Rio visited Mr. and Mrs. O. A. Evans Wednesday afternoon. Mr. and Mrs.

Chandler were formerly residents of this community. Mrs. Chandler will be remembered as Minta Cockrum.

Mr. and Mrs. O. A. Evans visited Mr. and Mrs. Albert Grayson of Comanche Thursday night.

Mr. and Mrs. A. L. Crawford and William G. were Mullin visitors Sunday afternoon. Mr. Crawford visited with Commissioner Henry. On their way home, they visited at the B. J. Crawford home.

As we drove by the G. K. Lynch home we saw the hands putting in the pump. We hope they found a fine well of water. We can just see the flowers grow, as Mrs. Lynch is a lover of pretty flowers.

Mrs. Albert Stahnke spent last Tuesday night with Mr. and Mrs. F. H. Tiemann and boys. Others who called at the Tiemann home were Mrs. Minnie Soules, Rynard Waggoner, Bill Bufo, and Bill Oxford.

J. C. Chancellor of Seminole visited his mother, Mrs. J. L. Chancellor and other relatives last weekend. Mrs. J. C. Chancellor, who has been visiting her mother, Mrs. J. W. Ratliff, accompanied him home.

Mrs. Alecy Utzman and son, Sgt. Chas. Utzman, visited relatives in Fort Worth last weekend.

Mr. and Mrs. Albert Jenke and Sammy of Austin were recent visitors with her parents, Mr. and Mrs. W. J. Sanders.

Mrs. W. S. Lowe and Janette Lowe and Mrs. Fowler White were Brownwood visitors Saturday.

Recent visitors in the home of Mrs. Will Mosier were Mr. and Mrs. Fred Mosier; Mrs. Margaret Kaylor, Atlanta, Georgia and Mr. and Mrs. Azell Mosier and baby of Carlsbad, New Mexico.

Mrs. Vesta McCormick left Thursday for Ft. Worth, where she will visit with Mr. and Mrs. L. S. McCormick, Jr. and family.

Ladies Invited To Attend Men's Bible Class Birthday On Sunday

Marking its second birthday anniversary and the start of its third year, the Downtown Men's Bible Class of Goldthwaite has invited ladies to attend, for the very first time, the meeting of the Class at 9:30 o'clock next Sunday morning.

In addition to plans for an impressive meeting on Sunday morning, there will be an anniversary observance next Sunday afternoon at the Grammar School auditorium.

President Delton Barnett, who will be succeeded after Sunday by Luther Ray Rudd, said that a most cordial invitation has been extended to all ladies to attend Sunday morning's meeting.

"Seats will be reserved for the ladies on the left side of the aisle at the Melba Theater," Mr. Barnett said. "We hope not only for a record attendance by the men but also by the ladies since Sunday will be the first time that the ladies have been asked to meet with our Downtown Men's Bible Class."

On Sunday afternoon, starting at the Grammar School auditorium at 2:00 o'clock, there will be anniversary observances to which everybody has been invited, Mr. Barnett said. The speakers will be the Rev. Joseph L. Emery, Pastor of the First

Baptist Church at Ballinger and former Pastor of the First Baptist Church in Goldthwaite; the Rev. L. L. Hays, Dean of the Ministers of the Gospel in Mills County; the Rev. J. T. Ayers, Pastor of the First Baptist Church in Goldthwaite; and the Rev. E. W. Dickson of the Gospel Hall. In addition, all Ministers in Mills County have been invited to Sunday afternoon's observances.

An invitation has been sent to the Men's Bible Class of Brownwood to attend next Sunday morning's meeting and to stay over for the observances in the afternoon, Mr. Barnett said. It was hoped that a large number of the members of the Men's Bible Class of Brownwood would attend next Sunday's anniversary observances of the Downtown Men's Bible Class of Goldthwaite.

The public as a whole is urged to join with the Bible Class in next Sunday's anniversary observances, Mr. Barnett said. Founded two years ago on a non-denominational basis, the Class not only has made a gratifying growth but it has consistently and unobtrusively rendered countless services to the ill, the needy and to many who have suffered other misfortunes in one form or another.

Money Is Needed For Paint For Pleasant Grove Methodist Church

The Methodist Church at Pleasant Grove, which has not

had a coat of paint in nearly 20 years, is about to be painted both outside and inside if a committee that has been organized to get the work done is able to obtain help toward buying paint, shellac and other necessary material.

David Watters, Clark Miller and O. Z. Berry are the members of the committee. They estimate that at least 25 gallons of white paint will be needed in addition to shellac, putty and other decorating material.

Emphasizing that the labor will be provided by volunteers, the committee this week asked that donations toward purchasing the paint and other materials be sent to any one of its members.

In addition to painting the inside and the outside of the Pleasant Grove Methodist Church, plans also are being made to paint the benches. It is hoped that the work by the volunteers can begin in about two weeks but realization of that hope depends upon donations so that Mr. Watters, Mr. Miller and Mr. Berry can see their way clear toward buying the paint. If the money for the paint is forthcoming, the painting job will become a community project.

The Pleasant Grove Methodist Church is served by the Rev. C. A. Hogan, whose charges also include Star and Center City.

Bradford Accused Of Ruining Horse

There is a sequel to a recent Eagle story about how V. C. Bradford, stage-manager and directed by Hollis Blackwell and Charlie McLean, made a public appearance as a cowpoke in Goldthwaite. In the course of the goings-on, El Rancho Bradford rode Bruce Perry's horse. Last week Mr. Perry was asked how his horse had reacted to the experience. "He's ruined, completely ruined; that Bradford ruined him -- burned him, burned him with his spurs," Mr. Perry replied.

Personals

Mr. and Mrs. Carl Featherston and mother, Mrs. Henry Featherston, and the Carl Featherstons two daughters, Mrs. R. B. Balentine and little daughter, Deborah Ann, all of Brownwood, and Mr. and Mrs. Dick Adkins of Albuquerque, New Mexico, were in Goldthwaite Saturday visiting friends and relatives. Mrs. Henry Featherston also attended to business while here.

Story Telling Hour Tuesday.

Brother Lovelace On Visitation In Evangel-Mission

As Ministerial exchange visitations shift from the southern to the northern portion of Texas in the great Statewide Methodist Evangelistic Mission, the Rev. Ed H. Lovelace, Pastor of the First Methodist Church in Goldthwaite, was scheduled to leave on Friday of this week

BROTHER LOVELACE

for Friona where, starting Saturday night, he will conduct inspirational services from the pulpit of the Rev. James E. Tidwell.

During Goldthwaite's part in the evangelistic mission, Brother Tidwell came here and conducted a series of services at the First Methodist Church from October 7 through 14. Now Brother Lovelace is to return the visitation.

In the absence of Brother Lovelace next Sunday, services of worship at the First Methodist Church in Goldthwaite will be conducted in the morning by laymen of the Church. Next Sunday there will not be an evening service at the First Methodist Church. Brother Lovelace will return to his pulpit here in time for the services of Sunday, November 4.

So far in the evangelistic mission in the southern portion of Texas, Brother Lovelace said this week, offerings for the work of the Methodist Church

have totaled \$51,897.66. They are apart from the regular contributions by Church members. It is expected that by the time this month is over, more than one million persons will have attended Youth Rallies, Revival Services and Mass Meetings that have been conducted as part of the evangelistic mission. Brother Lovelace added that it is apparent, even before the end of the evangelistic mission, that it will result in the addition of thousands of new members to the Methodist Church in Texas.

"Standard of the Highway"

News Of The Ebony Community

By CLEMENTINE WILMETH BRILEY

The passing of Joe Ratliff of Mullin last week brings memories of the Ratliffs and the Buffalo School. When we first moved to this country there were many Ratliffs here. Uncle Arch Ratliff owned the Edward Egger place. His son, Tom, owned the Jim Tippen place. Bud, another son, lived farther up the Indian Creek road on the place still known as the Bud Ratliff place, though it is now owned by Mr. Beck. When the maneuver area took over, the big, two-story Ratliff home which used to face south, was moved across the perimeter road and made to face north. It has remained vacant most of the time since, and looks forlorn and dilapidated.

I have a special fondness for the house, because I can't forget the thrill I got the first time I saw it. It was the fall of '98. Nice houses were as scarce as hen's teeth here then. We were moving to Brownwood. The road then ran up through the Kawthorne pasture straight on north right by the Ratliff house. I had been away from home a

year attending school at Snyder. When we got in sight of the Ratliff place there stood that new, beautiful, white, two-story house. It was a perfect surprise, and just like a fairy story. Mr. Ratliff had a big family, and in later years he hired me to come to his house and teach his children at home until time for my school to begin. I have very happy memories of the Ratliff home.

In the fall of 1889 my father taught school at the Buffalo schoolhouse. We lived five miles away, so we went in the hack to school. I had started to school when I was six, but for two years I had not got to go to school. I was delighted to get to go again. At dinner we took our tin dinner pail out under the trees and ate our lunch. I said to my father, "How long will school last?" He said, "Till the grass gets green in the spring." I still remember how joy welled up in my heart, I was so happy that school would last so long.

The schoolhouse was not far from Uncle Arch Ratliff's place.

In later years when my brother and I went alone to school, it was understood at home that if the weather was too bad for us to come home, we were to stay at Uncle Arch's. We were happy when it was bad. Well do I remember the games of Blind Man's Buff and Hide the Switch we played with Ben and Jennie after supper.

Joe Ratliff's father, Polk, was a brother to Uncle Arch. They lived somewhere beyond the low-lying ridge of hills east of the schoolhouse. I used to see the Polk Ratliff children come and go over those hills, and I wondered just where they lived and how their home looked. But 'till this day I have never known just where the Polk Ratliff house was.

Joe married Pet Jarrett. I used to see them out at meetings here in their courting days. I thought Pet was very sweet and pretty. When I taught at Mullin, I met up with her one day. I marveled that she was still so pretty.

A little dash of rain, 3 inch, came with the cool breeze Monday night.

la, Armand and Harold.

But we're not so proud of that automobile law they've got passed down at Austin. Whose paying the taxes to keep things going down there, anyway? Is it these smart alecks who speed past cops in sporty new cars, or the old codgers who stay on with the job, but with the load, and lame with the years, but yet the mainstay of our country? What's the good of a perfect car, with perfect lights and faulty brakes if there's no sense and caution behind the wheel?

And no drivers license for the old folks when they reach 75 years of age. How are they going to get about with the boys and girls all off to war, or all married and gone? Are these sane and fairly able-bodied veterans of the years the ones who act like fools and crash head-on into trains and fellow travelers? Why are these oldsters having to walk as they struggle to carry on? Is it fair to deny them the use of the car when there's no one else

left at home to drive? Is it right for them to suffer under such a law—while irresponsible youngsters, egotists, and dangerously reckless half-drunks burn the pavement?

And, too, with half the cars going off the roads when inspection starts, as I've heard said, won't there be quite a financial deficit somewhere?

How come?

Cow Punchers Win From Eagles By Only 7-12 Score

By R. C. McCOLLUM

Mason on Friday week and although the Goldthwaite School Eagles at 12 points per man, the Cow Punchers were able to win the contest when they scored 12 to 7. There were several plays in the contest when the Cow Punchers who have had bad luck all season, defeated the Goldthwaite potential champions. Mason took over and in five plays scored the first touchdown of the game. The Cow Punchers made a first down on two running plays, picked up four yards and then were held for no gain on the next play. The Cow Punchers were penalized for a backfield in motion and then they scored on a pass of 40 yards. The try for extra point failed. After the first score the Eagles took the Mason kick and John Gilliam picked up 25 yards

around end for the second first down of the game for Goldthwaite.

On the next play the Eagles were penalized five yards and then Dick Lindsay threw two passes; one was incomplete and the second was intercepted by a Cow Puncher. Mason was held and was forced to punt. The Cow Punchers got off a nice, high kick that traveled 40 yards. The ball was caught by Vernon Whitley, who returned it for 20 yards. The Eagles then picked up another first down on ground plays by Whitley and Gilliam.

An Eagle fumble and a Mason recovery gave the Punchers the ball. They were penalized five yards. Then they gained two yards but on the next two plays lost eight yards on each and Mason punted for 30 yards. Gilliam pushed through for a yard and a pass, Gilliam to Miller, was good for six yards. The Eagles were penalized on the next play for offensive holding but then they got off one of the most beautiful plays of the entire game.

A screen pass, Gilliam to Whitley, was completed. Whitley then took the ball on the line of scrimmage and raced and plunged for 45 yards. He had blocking for about 20 yards and then he was on his own. Whitley picked up 25 yards more and then the Eagles were held on a fourth down with a pass incomplete.

Mason was held for downs. The Punchers attempted three passes, one of which they completed. They were penalized for five yards and then the Eagles took over after Mason punted for 40 yards. The Eagles ran four plays before the half ended. A pass, Gilliam to John Stark, was good for nine yards. On the next two plays, Gilliam lost 17 yards. A pass, Lindsay to Gilliam, was good for eleven yards. The half ended on the play with Mason leading 6 to 0.

The Eagles took the kickoff and on the first play from scrimmage Joe Hammond showed his best running form of the season, taking a handoff and racing around his left end for 20 yards. The Eagles then were held for downs and Mason took over. They ran five plays and then fumbled, with Joe Hammond recovering the ball for the Eagles. The Eagles ran two plays and gained three yards. Gilliam's pass was intercepted and Mason went from there in four plays for their second touchdown. The try for extra point was no good.

The Eagles scored from the kickoff after Gilliam had taken the ball on his own ten yard line. The center section of the Goldthwaite forward wall opened a gaping hole in the middle of the field around the 30-yard line and Gilliam raced on, untouched, for the touchdown. Bobby Letbetter booted a perfect kick for the extra point. After the Goldthwaite score Mason took the kickoff and lost

Judge Porter As Legion Service Officer Supports Amendment 4

Acting in his capacity as American Legion service officer, County Judge Lewis B. Porter this week urged the citizens to cast their ballots in favor of Amendment 4 in the November 13 constitutional amendment election.

Amendment 4 provides for increasing from \$25,000,000 to \$75,000,000 the amount of bonds that may be issued for the Veterans' Land Fund. It would make Texas veterans of service since 1945 eligible for loans and it would make clear the authority of the legislature to pay interest and principal on bonds out of the general revenue fund, if necessary.

(Readers are invited to give their attention to an editorial on page two of this week's Eagle. This newspaper favors Amendment 4 for the same reasons as those set forth by Judge Porter. Amendment 2 is the only other proposition to be submitted to the voters that is supported by the Eagle.)

"Every Texan should vote for the Veterans' Land Bill or Amendment 4 in the election of November 13," Judge Porter said this week. "This amendment would not cost the taxpayers money since funds are simply advanced to veterans as loans to be repaid with the land purchased as security. The land fund permits our veterans to buy land with a five per cent down payment; it enables them to make repayment over a period of 40 years at an interest rate of three per cent."

Judge Porter pointed out that Amendment 4 would pro-

vide recognition to veterans of service since 1945, including those who have fought in Korea and in Far Eastern waters. Also, Judge Porter said, Amendment 4 would make it possible for veterans of World War II and for those who have served since 1945 to own land—something which otherwise might prove to be impossible.

Impartial surveys and studies that have been made by a number of qualified and responsible organizations in Texas have resulted in the conclusion that Amendment 4 ought to be enacted into law.

the ball on downs after having picked up a first down in two plays. They were held for downs after throwing three passes. The Eagles took over on downs and ran one play before the third quarter ended.

Opening the final quarter the Eagles picked up a first down on two plays. A pass, Lindsay to Gilliam, was good for five yards and a pass, Lindsay to Hammond, was good for nine yards and a first down. Three Eagles then threw three passes with the third intercepted. The Eagles held the Punchers and forced them to punt on fourth down. The Mason kicker got the ball off for 20 yards.

The Eagles were held and Gilliam got off a 55 yard punt from deep in the Eagle end of the field. Mason started a march forward but after picking up three first downs the Punchers were held and the Eagles took over. A pass, Gilliam to Whitley, was good for 25 yards and a first down. Gilliam was thrown for a 15 yard loss. The Eagles threw two passes—the last of which was intercepted as the game ended.

I. Z. Woodards Go To Havana In Recognition Of Business Success

Mr. and Mrs. I. Z. Woodard of Brady, formerly of Goldthwaite, will leave their home on Saturday of next week on an extensive trip that will take them as far as Havana, Cuba, in recognition of outstanding

I. Z. WOODARD

business performance by Mr. Woodard.

Mrs. Woodard is the daughter of Mr. and Mrs. C. G. Featherston of Rt. 3, Goldthwaite, and Mr. Woodard is the son of Mrs. Pauline Woodard of Goldthwaite.

As head of the Woodard Truck and Tractor Company of Brady, which he has operated since 1946, Mr. Woodard was invited to Havana by the International Harvester Company in recognition that among 119 other dealers in his district, he exceeded his sales quota of home freezer units by 480 per cent. On the trip, Mrs. Woodard also will be a guest of the International Harvester Company. During their absence Mrs. Pauline Woodard of Goldthwaite will stay in Brady with her grandchildren, Betty Carol, 13, and Bobby, 11.

Mr. and Mrs. Woodard will first go to Dallas on Saturday of next week where they will be spectators at the S.M.U.-Texas football game. On Sunday of next week, they will fly to Miami, where they will be guests at the fabulous Roney-

Plaza Hotel. On November 7 they will sail from Miami for Havana aboard the S. S. Florida. In Havana they will be guests at El Nacional Hotel, which is one of the world's most famous hostleries. They plan to return to their home in Brady about November 15.

In addition to establishing the best freezer sales record in his own district, Mr. Woodard has been notified by the International Harvester Company that his performance was outstanding among all of the IH dealers in the entire United States. In his district, he also was tops in sales of International trucks, although that achievement was not reckoned in planning the trip to Havana, which will be made by approximately 500 International Harvester Company officials, employees, dealers and their wives.

For a number of years Mr. Woodard was with the former Fairman Company, Inc., in Goldthwaite. Then, in 1945, he built a most modern and extensive plant in Brady which includes attractive and elaborate sales rooms, air-conditioned offices, a work and service shop, warehouses and considerable acreage for farm implements and used cars. In addition to selling such International Harvester products as tractors, trucks and household appliances, Mr. Woodard also sells Packard automobiles, other appliances such as stoves, and he is both a distributor and a retail sales representative for Goodyear tires.

Mr. and Mrs. Woodard, both of whom are widely known in Mills County, were married on July 25, 1937. They "come home" frequently to visit relatives and their many friends in Mills County.

Mr. and Mrs. William Biddle and Miss Mabel Deats of this city were visited this week by relatives, Mrs. Hattie McKinney, Mrs. Ollie Hamon, and Herman Warnica of Coleman and Mr. and Mrs. Dick Gordon of Kenedy.

Gospel Hall Anniversary Services Start Sunday; Continue All Week

Services marking the start of the second year of the Gospel Hall on the west side of the Square in Goldthwaite will start next Sunday and will culminate the following Sunday, November 4, with an all-day gathering, it was announced this week by the Rev. E. W. Dickson.

Hillside Mission

The following is part of an article written in World War Two: "A man in today's Germany was asked to fill out a questionnaire. He came to the question: 'What is your race?' He wrote: 'Human.' What better one-word parable? Don't forget it! Your race is the race for which Christ died! ... But that pride of nationality, which leads one race to hate another is a wicked thing."

Personals

Mrs. Otto Simpson and son, James Leslie spent the weekend in New Braunfels visiting Pfc. and Mrs. John Alex Miller, Sunday Mrs. Simpson, James Leslie and the Millers visited Breckenridge Park in San Antonio.

Mrs. Mary Philen of Brownwood visited her sister, Mrs. Jim Brim, Saturday.

Mr. and Mrs. Lee Vaughan of Pine Bluff, Arkansas, and Mr. and Mrs. Milton Vaughan of Levelland are spending this week with their parents, Mr. and Mrs. J. H. Vaughan of the Trigger Mt. community.

Brother Dickson said that the anniversary services at the Gospel Hall will be conducted by an evangelistic group that will be headed by the Rev. T. L. Taber of Perryton. Brother Taber is known in Goldthwaite and Mills County inasmuch as he conducted a tent meeting here last summer.

Assisting Brother Dickson and Brother Taber during the week of anniversary services will be the Rev. and Mrs. Leonard Carlson. Brother Carlson also is an evangelist and Mrs. Carlson is an accomplished vocalist.

On Thursday of next week, the Rev. and Mrs. J. M. Scott of Laverne, Okla., will arrive in Goldthwaite to participate in the anniversary services at the Gospel Hall. Their arrival will mark a double anniversary since Brother Dickson and Brother Scott started their evangelistic work together.

On Sunday, November 4, there will be all-day services at the Gospel Hall, Brother Dickson said. There will be a service in the morning, a basket dinner at noon, a baptismal service in the afternoon and a night service. The Gospel Hall was opened just a year ago when Brother and Mrs. Dickson arrived in Goldthwaite to establish residence.

Social Security Cover Applies To County Employees

Mills County employees, both elected and appointed, now are covered by "social security," including old age and retirement as well as death benefits.

County Clerk Earl Summy said this week that under federal and state laws and with the approval of the Mills County Commissioners Court, the County, during October, began making social security payroll deductions retroactive to last January 1. As in private business 1.5 per cent is deducted for social security from County payroll checks and the deduction is matched by an equivalent payment from the County treasury.

Mr. Summy said, however, that the social security deductions and payments involving County employees are not forwarded to the Bureau of Internal Revenue, as in the case of private business, but are handled through the State Department of Public Welfare.

It is because the Federal Social Security Act now applies to County employees that this newspaper opposes Amendment 1, which will be submitted to the voters on November 13. Amendment 1, which seeks to provide a State-wide system of retirement for appointive officers and employees of Counties, would be a duplication of the system such as that which came into effect in Mills County this month.)

Social security deductions and payments by Mills County now cover from 20 to 25 officials and employees, depending upon the number employed at various times by the Precinct Commissioners, Mr. Summy said.

Pvt. C. F. Davis Is Home On Leave

Private Charlie Frank Davis, son of Mr. and Mrs. Joe Davis of the Rock Springs community and a grandson of County Commissioner J. Frank Davis, was home on military leave with his parents this week. He now is stationed in Denver, Colorado.

Bruce Perry Writes Message Of Faith From Depth Of Experience

Bruce Perry, who has lived in Mills County for 50 years, has been expressing his experiences and thoughts, on paper, for about a year. In that time, he has been hiding his light under a bushel and the Eagle would never have known of his writing except for the kindness of Mr. Perry's niece, Mrs. J. O. Coffey of Crane. Mr. Perry and his wife, the former Rhoda Gray of Caradan, will observe their 49th wedding anniversary on November 5. They have a son, Fred Perry, of Caradan Route. Mr. Perry, who now is 67, last August wrote some verses which he entitled "Keep Faith in God on Life's Weary Road." They follow:

Life's weary road I've traveled, through hardships, grief and tears, My body is growing weaker as I've suffered all these years.

Yes! I've tried to face life's burdens with the least amount of fear; now the road is growing shorter, and the end is drawing near. As I travel down the highway that so many men have trod, I wonder just how many have kept their faith in God.

Massey Brothers Have New Posts

Ralph Massey of the United States Navy was on his way to Pearl Harbor, Hawaii, this week as his brother, Pvt. Bobby C. Massey, completed the Tank Leader Course at the Armored School at Fort Knox, Ky. Ralph and Bobby are the sons of Mr. and Mrs. Jess R. Massey of Rt. 2, Goldthwaite. Ralph recently completed boot camp training at San Diego.

Mr. and Mrs. B. A. Condon and children of Dallas spent the weekend here visiting Mrs. J. D. Urquhart and other relatives and friends.

Mr. and Mrs. M. F. Horton and Kathryn Ann spent last Wednesday in Waco, guests of Mr. and Mrs. Allan Horton.

Mr. and Mrs. Jerry Walker spent Sunday in Rising Star with his parents.

Larry Simmons Is Shipped Overseas

Larry Simmons, son of Mr. and Mrs. T. M. Glass, was on his way this week to United States Navy duty in the Far East. He visited Goldthwaite recently following completion of a training course at San Diego. Pending his arrival in Japan, it was not known whether Larry would be assigned to shore duty. He sailed for Japan from Treasure Island, near San Francisco.

Mesdames Jacob Saylor, M. F. Horton, Dean Dickerson, Hoyt Cockrell, Raymond Summy, C. F. Stubblefield, Ray Stanley and Lee Doggett of the Art and Civic Club attended a Club meeting in San Saba last Thursday.

Roy Lee Hill Uses Lady's Lost Handbag To "Plug" Legion Dance

Blood Is Needed

(Continued From First Page.)

Mrs. Walton Daniel, Rock Springs; Mrs. Oran Carothers, Pleasant Grove; and Mrs. Zella B. Conway, Caraway.

"Please return your card registering yourself as a blood donor this week," Mr. Smith said. "All of this week the Bloodmobile unit has been at Fort Hood, taking donations of blood from soldiers. Certainly, the civilians can do as well—and they should do better—as the men who already are making sacrifices through their service in the Armed Forces."

Mr. Smith urged also that every recruitment worker on the committees headed by Mrs. Whittaker, Mrs. Graves and Mrs. Berry make a supreme effort to emphasize to everybody the utmost necessity, for the sake of America and especially for the sake of our young men in the Armed Services of registering just as many blood donors as possible.

Mrs. Gertrude Eckert, Mr. and Mrs. W. T. Eckert and son and Mrs. Gertrude Fletcher, all of Miles, visited Mrs. Loyd Eckert last Thursday.

Mr. and Mrs. Fred Thomas visited Mrs. Thomas' uncle, Mr. and Mrs. Loyd Eckert, Sunday. Mrs. Jimmie Mason of Hico spent this week in the home of her parents, Mr. and Mrs. Walter Henry.

If the lady who lost her handbag at the American Legion dance last Saturday night will come to the office of the Goldthwaite Eagle and identify it she may have it—but she will have to deal with Mechanical Superintendent Roy Lee Hill. Please ask to see only Mr. Hill.

Why? Well, all of the other members of the Eagle staff think that Mr. Hill who, by coincidence, also is publicity chairman of the Harry F. Edmondson Post 289, the American Legion, planted that handbag purely and simply because the Legion is to have another dance on the night of SATURDAY, NOVEMBER 3.

An opinion poll among members of the Eagle staff showed votes in favor of the following:

- 1—A lady was willing to part with her handbag just to get rid of Mr. Hill.
- 2—Mr. Hill knows the identity of the rightful owner of the lost handbag but wants to be present, personally, when she tries to describe its contents.
- 3—Mr. Hill is without guile except that he does want all the publicity he can get for the NOVEMBER 3 dance. (A tiny minority went on record on that point.)

Whatever it is that Mr. Hill is cooking, the music for the American Legion dance at Legion Hall on NOVEMBER 3 will be by Earl Lawson and his "Texas Farm Hands" and the program will be given added sparkle by Comedian Sammy Lillibridge "and his silver trumpet."

Tomorrow night, Saturday, the same music and entertainment will be available for all tersichoreans at the Priddy Lodge Hall at Priddy. Mr. Hill asked that mention be made of an admission charge of \$1.50 per couple for the dance at Priddy tomorrow night, Saturday.

4-H livestock judges will not be able to make the trip to Chicago unless a community obligation—actually a privilege—is met promptly.

It would be a very sad reflection on Goldthwaite and Mills County if Texas were not represented at the International Show at Chicago. Many a community would burst its buttons in behalf of youngsters who have brought such honor as our 4-H livestock judges have brought to us. I simply cannot believe that this community would do less than any other community would do under the same circumstances.

Times are hard and the drought has been long. But there are many little expenditures that all of us, men, women and children, could pass up without feeling the loss. And the dime or a quarter or a half dollar that could be saved here and there just by refraining from a few self-indulgences could be handed to Bob Steen. Please let's all pitch in and make sure that our 4-H livestock judges will go to Chicago. If we let the boys down, we shall also be letting ourselves down and we shall have to stand as a sorry sight before other Texans who would give their eye teeth to have the honors that are in the possession of Mills County.

For the sake of the kids, our own pride and our community pride, please make your call on Bob Steen at once.

4-H Fair Champs

Mr. Reese expressed great pride in them.

At Dallas last week Myron Hillman of the Mullin F.F.A. took fourth place in Class 1, Fat Lambs. In Class 4 for crossbreed fat lambs Fred Daniel, also of the Mullin F.F.A., took 14th place among 25 places.

(If you have not done so, please read The Eagle's Eye on page one and then decide that you would like to be a part of a great Mills County community effort in which everybody, by giving just a little through Robert L. Steen, will send our champion 4-H livestock judges to the International Livestock Show at Chicago—where they will represent the entire State of Texas if they can get there.)

son. On Friday of next week the Eagles will play Burnet at Burnet. The final game of the season will be at Eagle Field here in Goldthwaite on November 9, when Goldthwaite winds up the season against Llano.

Fans who have been aware of the handicaps under which the Eagles have played this season—shortage of manpower, loss of manpower, injuries and competition by far heavier and more numerous squads—are hopeful that Mills county fans will turn out en masse to cheer the Goldthwaite team on against the Mustangs and then on against Llano on November 9.

By MRS. DUTCH SMITH

I am very sorry that I missed the news last week, but I just didn't know anything, only about our own family, and it is very near as bad this week.

Mr. and Mrs. Leo Morrisey of Goldthwaite visited her brother, Fate Eckert, and family recently.

Mr. and Mrs. Dutch Smith were in the Barney Laughlin home Monday night. Their new house is almost finished. They thought they might get it finished this week. It is a very nice little house, and I know that they will be happy to get moved in.

Mr. and Mrs. Velmer Gage and Judy of Priddy, Mr. and Mrs. Leo Morrisey of Goldthwaite, Mr. and Mrs. Fate Eckert, Mr. and Mrs. Nolan Malloy and children of Temple, and Mr. and Mrs. Jess Ball and Jimmy helped Dutch Smith celebrate his birthday Sunday, October 14.

Mrs. Terrell Casbeer visited Mrs. Fred Laughlin Saturday evening.

Dutch Smith went to the Dallas Fair with C. H. and Huntis Black. Huntis entered a calf in the stock show, and he won Grand Champion in the Short Horn Division. He also won in the showmanship. We are very proud of Huntis. He came back from Dallas just to play football Friday night, then went back after the game. I really call that being loyal to his term.

Mr. and Mrs. Loyd King and Rocky visited in San Angelo over the weekend.

Mrs. Tom Hale had some of her children for lunch Sunday. They were Mrs. Willadean Early and children of Brownwood, Mr. and Mrs. Forest Straley and children of Goldthwaite and a friend of Brownwood, and Louis Hale.

Mrs. Lois Scoby was in the P. R. Jordan home one day last week.

Mrs. Dutch Smith was in the F. R. Hines home Thursday evening.

Mr. and Mrs. Jess Ball and Jimmy, and Mr. and Mrs. Dutch Smith visited the Terrell Casbeers one night last week.

Johnnie Smith of Mullin visited his Mother and Dad Tuesday night.

Mrs. Tom Hale is visiting her daughter, Mrs. Willadean Early, in Brownwood this week.
