Emergency Hay Is Arrive From This Week

E. Jones, Mills County Administrative Officer, announced on Wednesday received a telegram advising of the first carload of emergency hay for farmers suffering from drought will arrive in Goldthwaite this week.

S. Guenther Chairman of the PMA Committee in Mills County, Iowa, advised Mr. Jones by telegram that a freight train carrying 25,920 pounds of emergency hay rolled out of Rock, Ia., on September 18.

It is merely the first shipment of mixed hay—one-third timothy and two-thirds grass—the Mills County PMA Committee has ordered for our farmers and ranchers at \$32.00 per ton. Mr. Jones said, "So far we have ordered 201 tons of mixed hay—number two or mixed."

Jones added that a number of farmers and ranchers have placed orders for number two hay—75 per cent legumes and 25 per cent grass—but he said that such fodder is in short supply and may be some time arriving. First claims to the emergency hay program were by eastern states in the emergency hay program was started earlier than in this area.

Thursday night of last week Mr. Jones said, Don teacher of vocational agriculture at Mullin, sent out a letter through school children meeting of farmers and ranchers in the Mullin area on emergency hay program. About 25 persons attended the meeting, which resulted in ordering 50 tons of hay. A number of farmers who expressed a preference for emergency hay have designated their hay as their second crop, Mr. Jones said.

Caradan, North Bennett Groups Work On Center

Members of the Caradan-Bennett Community Club scheduled to rally at the highway school house on Friday morning of this week to clean up the yard and repair structure that now is a community center. Plans for the rally were made at a meeting Thursday night of last week when about 100 men, women and children heard School Superintendent J. T. Jones discuss problems in and his plans for the Goldthwaite Independent School District.

Mr. Jones said in his report that he was working on better school facilities, improved transportation and instruction, the members of the North Bennett-Caradan Community Club had voted their project for the month would be improvement of the community center playground. They also voted to sign nearly a hundred cards as volunteer donors.

Eagles Play Dublin Lions Friday After Fine Show In Season Opener

By R. C. McCOLLUM

Friday night of this week the Goldthwaite High School Eagles will travel to Dublin to meet the Dublin Lions in what Coach Ray Akins said he had listed as one of the toughest games of the year on the local gridiron schedule. But the Eagles were pointing for the game at Dublin with confidence high as result of a fine performance in the season opener here last Friday.

Cross Plains won last Friday, 13 to 6—but only by salvaging victory in the final minute of play. With the score at 6-6, the Buffaloes blocked an Eagle punt almost on the Eagles' goal line and Buffalo Halfback Jim Cade plunged over for the winning score. Buffalo Dewayne Wilson kicked the extra point.

While the Goldthwaite varsity team will play at Dublin Friday night, the local "B" team will travel to Early to play their opposite numbers there on Saturday night. Early will play

a return engagement in Goldthwaite on the night of October 11.

Next Tuesday night the Goldthwaite Junior football team will play Evant at Evant and on the night of September 30 the Evant Juniors will return the engagement in Goldthwaite.

As for Friday night, Coach Akins and his Eagles will face a formidable foe at Dublin. Last Friday night Dublin defeated Hamilton 15 to 6, so the Eagles will need everything they have to hold down the score when

\$609.85 GATE

Goldthwaite and Cross Plains each received \$272.27 from Friday night's football game. It was announced this week by School Superintendent J. T. Jones. Mr. Jones said that 649 adult tickets were sold at 75 cents each for a total of \$486.75 and that the sale of 246 tickets for children at 35 cents each brought \$86.10. The game share of season tickets was \$37.00, making a total "gate" of \$609.85. After payment of \$65.30 to officials there remained \$544.55 to be divided between Cross Plains and Goldthwaite. Goldthwaite also received \$27.60 from the sale of programs and a donation of \$1.25 from a program purchaser for a total of \$28.85.

they play the Lions.

Against Cross Plains last Friday night and before approximately 1,200 spectators at Eagle Field here, the Eagles played hard, aggressive football throughout the game. In preparation for the contest with the Buffaloes the Eagles had had only seven workouts, having been rained out on two days last week.

John Gilliam was benched with his right arm in a cast because of a dislocated elbow and several of the Eagles were playing their first games at their positions.

Preview At Barn Saturday Offers Calf, Hog Show

Saturday, from 9:00 a. m. until 4:30 p. m., the Mills County Livestock Raisers' Association will hold its annual Preview at the Barn or Agriculture Building in Goldthwaite.

The Association's President, Robert L. Steen, said that about 35 good calves will be on exhibit, along with a considerable number of sheep.

County Agriculture Agent George G. Reese said that calves to be exhibited at next month's State Fair of Texas at Dallas will not be on view Saturday.

Also, carry-over calves from last year's major livestock expositions will not be brought in but otherwise, those who admire and who wish to see the projects of 4-H Club members and of the Future Farmers of America will be able to do so Saturday at the Barn without having to spend hours driving out into the country to visit nearly two score feeding sheds.

One calf that will not be at Saturday's Preview is a Hereford that was taken by Bobby Zane Eger to the Centex Fair at Temple on Tuesday and which was to be judged on Thursday. A good calf it is too, said Mr. Reese, who will be present in Temple for the judging.

A feature of the Preview will come on Saturday morning when hogs that were awarded to Mills County 4-H Club members by the Sears Foundation will be judged by Tom Henry of San Saba. The boar, which will be exhibited by Billy Mac Newton, and the first place gilt, will compete in a district swine show at Coleman on September 27. Competing gilts have been entered for the judging at Saturday's Preview by Harold Clary of Star, Raymond Kunkel and Charles Ray Roark of Priddy, and by Richard Womack and Charles Eiler of Mullin.

W. A. Hill's Post To Be Filled At October 7 Election

Charles O. Haenisch, Chief of the Goldthwaite Work Unit of the U. S. Soil Conservation Service, announced this week that at 8:00 p. m. on October 7 there will be an election in the District Court Room at the Court House to select a Supervisor for subdivision number four of the Brown-Mills Soil Conservation District. The post now is held by Willis A. Hill.

Mr. Haenisch said that eligible to vote in the election will be all landowners whose properties are south of highway 84 and south of the Blanket Springs road near Mullin.

When the Brown-Mills Soil Conservation District was organized in 1942, Mr. Hill was elected a supervisor from subdivision four. Mr. Hill resigned in 1944 and his unexpired term was filled by Luther Jernigan. At the election held in 1947, Mr. Hill again was elected supervisor for a period of five years.

A program has been prepared for the election meeting D. V. Speakman, Work Unit Conservationist of the Soil Conservation Service stationed at Brownwood, will show pictures of conservation work that has been done in the District during the past three or four years. George Dorman, Supervisor of the Farm Home Administration will explain disaster loans to farmers under Public Law 38. Then the election will be held with qualified voters electing a farmer to represent them on the Board of Supervisors for a term of five years.

FLAMES GUT FAIRMAN-WILKINS FUNERAL HOME CAUSING \$100,000 LOSS; LOCAL FIREMEN WIN BATTLE TO SAVE ADJACENT BUILDINGS

Fire of undetermined origin destroyed the Fairman-Wilkins Funeral Home on Third Street in Goldthwaite in the early hours of Wednesday morning of this week.

Damage was estimated conservatively at \$100,000.00, including stock valued at approximately \$15,000.00 that had been stored in the building by the adjoining Collier Company, Inc.

Lost in the fire were two ambulances, a station wagon, all mortuary equipment, including caskets and burial clothing of the Fairman-Wilkins Funeral Home.

Also lost were papers and records, winter clothing that had been stored in the now-destroyed structure by Mr. and Mrs. Roy Wilkins, office furniture and mortuary chapel furnishings.

Papers in the Fairman-Wilkins Funeral Home safe and in the personal safe of E. T. Fairman were found intact. A report that the wedding gifts of Mrs. Billy Ray Harper, daughter of Mr. and Mrs. Wilkins, had been destroyed in the fire proved erroneous.

Only the wise and, in many cases, the brave work of members of the Goldthwaite Volunteer Fire Department under the direction of Chief Jack Reid kept the flames from spreading to adjacent structures. Lack of wind was a great help. Buildings on the west side of Fisher Street between Raymond Lit-

tle's and Piggly Wiggly were scorched in the rear but none of the establishments housed in them suffered serious damage.

A number of volunteer firemen took grave personal risks as they fought the flames from the roof of the Collier Company building. At the same time C. C. Collier, members of his staff and willing and hard-working volunteers removed stock from his display room to Parker Street as a precautionary measure.

The flames were discovered about 12:30 a. m. Wednesday by Night Watchman Jack Davis. He said that when he detected the fire it had not broken out of the building but when he

Ambulance And Mortuary Service Not Interrupted

Even while the embers still were smoking in the fire-ravaged ruins of the Fairman-Wilkins Funeral Home on Wednesday morning, Roy Wilkins not only had an ambulance available for service but he used it to take Mrs. G. B. Olsen and her infant son, Jerry Lynn, from the Childress Clinic to the home of Mrs. Olsen's parents, Mr. and Mrs. A. A. Waddell of Star.

Mr. Wilkins said that despite the fire, Mills County has had uninterrupted ambulance and mortuary service and, he said, such service will continue without interruption.

Any persons requiring mortuary or ambulance service may reach the personnel of the Fairman-Wilkins Funeral Home in the daytime by asking the Goldthwaite telephone operator for Mr. Wilkins. At night such calls should be made to Goldthwaite 256.

After the fire Mr. Wilkins said that soon he would make an announcement of the new location of the Fairman-Wilkins Funeral Home. Meanwhile, he said, the service to the public that his organization renders will be continued at all times without interruption.

Weather Report

A thunder storm that rode in on strong gusts of wind out of black clouds shortly after six o'clock Wednesday night brought more than half an inch of rain to Goldthwaite. The Sam Henry Rahl gauge that is shared by Mrs. Anna Jean Evans and Ira O. Harvey on north Fisher Street measured .8 of an inch of precipitation.

Just north of Star Fred Mason—(welcome, Fred)—measured an inch of rain, but 3½ miles southwest of Star the Eagle's Roy Lee Hill said his precipitation was only 3 of an inch. Thursday morning a heavy fog blanketed Mills County so nobody knew whether there were any clouds.

Drive For Blood Donors Is Pushed As Bloodmobile Visit Approaches

Intensive efforts were being made this week to recruit 200 volunteer donors for the October 9 visit to Goldthwaite of the Bloodmobile unit of the American Red Cross.

Next Sunday, volunteers will be given opportunity to register as blood donors at Church services and between now and October 9 the same opportunity will be given at meetings of Clubs and other organizations.

At a meeting of the Goldthwaite Lions Club on Tuesday night, when 15 donors registered, Mrs. E. T. Fairman, Goldthwaite Chairman, made a moving appeal for additional registrations, pointing out that "at any time any member of one of the families represented here" might require blood transfusions. Mrs. Fairman was supported by Brian Smith, Executive Secretary of the Mills County Chapter of the American Red Cross, who said that "the giving of blood can work both ways."

"We can receive as well as give blood," Mr. Smith said. "I like to think of the Red Cross as the medium through which

we can serve humanity."

On Wednesday some 53 donors had registered, not counting a score who registered last week at a meeting of the North Bennett-Caradan Community Club. Places where registration cards may be signed in Goldthwaite are listed in an editorial on page two of this week's Eagle.

This week, Mrs. Warren P. Duren, Mills County Blood Donor Recruiting Chairman, said that Mrs. Hollis Blackwell, who is in charge of registering donors in rural communities, has completed her organization. The local Chairmen who are working with Mrs. Blackwell are:

Mrs. Field Hines, Scallorn; Mrs. Lee Walton, Center City; Mrs. Jack Elms, Payne Gap; Mrs. Pierce Hodges, Democrat; Mrs. Floyd Sykes, Big Valley; Mrs. Erle D. Roberson, Rock Springs; Mrs. O. B. Bell, Jones Valley (Rattler); Mrs. Ben Egger, Regency; Mrs. Warren Freeman, Ridge; Clyde Kerby, Mrs. H. C. McNeil and Mrs. Ercher McCasland, Mt. Olive, Midway, Caradan and North Bennett; and Mrs. Britt Berry, Pleasant Grove and Kelly.

Mr. Wilkins said that despite the fire, Mills County has had uninterrupted ambulance and mortuary service and, he said, such service will continue without interruption.

Any persons requiring mortuary or ambulance service may reach the personnel of the Fairman-Wilkins Funeral Home in the daytime by asking the Goldthwaite telephone operator for Mr. Wilkins. At night such calls should be made to Goldthwaite 256.

After the fire Mr. Wilkins said that soon he would make an announcement of the new location of the Fairman-Wilkins Funeral Home. Meanwhile, he said, the service to the public that his organization renders will be continued at all times without interruption.

turned in the alarm it was apparent that the inside of the structure was being burned from end to end.

The building, which had a red brick facade, was of two storeys and had sheet iron sides and a sheet iron roof. The roof, sides and rear collapsed. The brick facade remained standing but it was roped off because of fear that it might fall of its own weight and cause injury to passersby.

Almost immediately after Night Watchman Davis had turned in the alarm the Goldthwaite Volunteer Fire Department under Chief Jack Reid was on the job. It used both trucks and stretched 2,000 feet of hose from five hydrants. A Brownwood tank truck also came to Goldthwaite to give assistance to the local firemen, who were reinforced by a large number of public-spirited citizens.

Within an hour after the fire had been detected it seemed certain that it could be kept from spreading to other structures, although there was no hope of saving the Fairman-Wilkins building. Embers still were smoking at noon on Wednesday and volunteer firemen and city employees were on the job with hoses ready to quench uprising flames.

City Utilities Manager W. C. Earnest estimated that about 65,000 gallons of water were hosed into the fire without causing any appreciable drop (Continued on Back Page.)

Lions Roar As Carlos Ashley Flavors Texas

State Senator Carlos Ashley, whose district includes Mills County, laid 'em in the aisles at the Goldthwaite Lions Club on Tuesday night with recitations from his famous book, "That Spotted Sow and Other Hill Country Ballads."

Senator Ashley spoke before 63 Lions, their ladies and guests. The occasion marked a tribute to Lions Club President Jess Moreland and it served to demonstrate that the Goldthwaite Lions Club is, as Senator Ashley said, a vital force for community welfare.

Before he recited from his book, Senator Ashley told of the shifts of population that had made legislative redistricting necessary in Texas for the first time in 30 years. The 16th Senatorial District, which he represents at Austin, includes 18 Counties which stretch from Brown County to the Rio Grande.

Senator Ashley noted the common interests of the Counties in his district and, in reflecting briefly his own philosophy, he expressed conviction that "the least governed people are the best governed." He said there has been too much control over the lives of Americans by legislative fiat and he expressed his own opposition to "the trend toward socialism that is so popular among so many law-makers."

Paper Drive Ahead

Mrs. Tom Collier, President, said this week that with the assistance of the Boy Scouts the Goldthwaite Garden Club will conduct a pickup of old newspapers and magazines on October 3 and 4. Mrs. Collier asked all persons to save waste paper for the forthcoming pickup.

1500 Thronged Dedication Sunday Of Center City Methodist Church

A throng estimated conservatively at 1,500 persons thronged Center City last Sunday when the new edifice of the Methodist Church there was dedicated by Bishop A. Frank Smith.

Throughout the day there was a constant going and coming of people from near and far who attended the morning Service of Worship, the dedication ceremonies, luncheon on the Church grounds, a gathering for reunion and reminiscences, and a memorial service at the Center City Cemetery.

Among those who were present were two former Pastors of the Church—the Rev. Tom Mitchell, who now occupies a

pulpit at Castell, and Brother Loudin, who at present is the Methodist Pastor in Lometa.

Bishop Smith, who was introduced by the Rev. L. U. Spellman, District Superintendent, praised the devoted effort that had made the Center City Methodist Church possible. He urged those who heard him not to minimize the opportunities of the present day by dwelling on "the good old days" and he pointed out that it is not possible to live in the past—that good works have to be done now. Mere Church membership is not sufficient for the practice of Christianity, Bishop (Continued on Back Page.)

Star Plays Six-Man Football At Eagle Field Against Brookesmith

Six-man football will be played at Eagle Field in Goldthwaite at 8:00 o'clock on Thursday night of this week when Star will open the season against Brookesmith.

Coach Ray Pruitt of Star has had a squad of 14 men working out for the game and the hope is to send Brookesmith home defeated. The general public, which last year so much enjoyed the Mullin-Star six-man football game at Eagle Field in Goldthwaite has been urged to attend the Brookesmith-Star game on the same field THIS Thursday night. Admission will be 50 cents for

SAVE LIVES WITH YOUR DONATED BLOOD

If all persons do their part, Mills County again will establish a record when the Bloodmobile unit of the American Red Cross comes to Goldthwaite on October 9.

Already, many persons voluntarily have registered as blood donors so as to help to meet military needs for whole blood and plasma and so as to make certain that the necessary supplies also will be available for civilian emergencies.

We happened to be present last Thursday night at a meeting of the North Bennett-Caradan Community Club at the Midway schoolhouse when blood donor registration cards were offered by President Clyde Kerby and when they were distributed by Mrs. H. C. McNeil. At that one meeting a score of persons signed the cards and they will have appointments on October 9 when the Red Cross Bloodmobile unit will be stationed at the First Baptist Church of Goldthwaite.

The Eagle already has reported that after a recent morning Service of Worship at the Church of Christ in Goldthwaite a number of persons wrote their signatures on the registration cards.

Early registrations will greatly assist the corps of volunteer recruiters who are working in every Mills County community under the over-all leadership of Mrs. Warren P. Duren. An additional list of community workers is published in this week's Eagle. All that anybody has to do is to ask any one of these workers for a registration card. After signing, those who volunteer as donors need merely to await receipt of a postcard that will notify them of the time of the appointments that will be made for October 9.

The recruiters have made it as simple as possible for blood donors to register. Registration cards will be available at Churches during the coming weekend. They may be signed at Club meetings. And, if you are on the Square in Goldthwaite, you may recruit yourself by seeing Brian Smith at the Fire House, Glynn Collier at the Mills County State Bank, any member of the staff at the Post Office, at Clements' or Hudson Drug, at the office of the County Judge in the Court House, or at the T. M. Glass insurance agency opposite the bank.

The "creeping war" goes on in Korea with its long weekly list of maimed men whose chance for recovery depends upon the blood that is given voluntarily. Every day in every hospital lives are saved because of the availability of whole blood or plasma.

We have written before but we think it is important to repeat that Mills County now is affiliated with the Central Texas Regional Blood Center at Waco. Either now or soon any hospital in this area to which you or someone dear to you might be admitted as a patient will be able to draw upon the Central Texas Regional Blood Center at Waco. The program adds up to the fact that the blood you give here on October 9 could be the means of saving your own life or the life of someone very near and dear to you.

The last time the American Red Cross Bloodmobile unit came to Goldthwaite, Mills County, on the basis of population proportion, did establish a record over many other Counties. We did it before and we shall do it again.

10 YEARS AGO—

(Taken from Eagle Files of September 18, 1942.)

Saturday, September 5, was a red-letter day for Mrs. A. J. Gatlin when a few of her friends surprised her with a party in honor of her birthday, each taking a little gift to show in this small way their love for her.

Mrs. John Berry was hostess at an informal dinner on Friday evening, at which the engagement of Miss Laura Helen Saylor and Robert Sumpter Gerald was announced.

J. C. Sexton this week bought the Willis Hill filling station and has taken charge of same. Mr. Sexton is experienced and will make a go of the business. Mr. Hill has built this business from a losing proposition to one paying a nice profit and attributes a great deal of his success to the fact that he used the columns of the Eagle consistently.

The Masonic Lodge has recently bought the back portion of the Post Office building, directly under their hall, and have converted it into a dining room. Under the direction of L. R. Conroy an inside stairway has been built, tables and stoves have been placed and the building invitingly decorated. This arrangement will be very nice for the members on "feast" nights.

The new contractors are livery men at San Saba and they will continue to run a transfer hack between the two towns.

S. J. Littlepage and family have moved back to their old home at Stroble, Hamilton County. Mr. Littlepage was engaged in the restaurant business here last year but this year he has engaged in farming.

GUEST EDITORIAL

(Editor's Note: In the wake of the action of the Texas State Democratic Convention in putting Adlai Stevenson and John Sparkman on the ballot and then urging that Democrats vote against them without fear of losing "good standing," the best comment that we have seen was offered by Lynn Landrum in the Dallas Morning News. Enjoy it; it's good! Here it is:)

If anybody doubts that the Irish settled Texas, let him read the minutes of the Democratic convention at Amarillo: (1) This convention nominates Adlai Stevenson and John Sparkman. (2) This nomination is done under a profound sense of moral obligation. (3) Any Texas Democrat who votes for the ticket nominated by this convention is disloyal to his state, his conscience and his intelligence. (4) Everybody is hereby urged to vote for Eisenhower and Nixon.

It is doubtful if the history of American politics contains a more absurd statement of complete frustration and obfuscation. Yet one line of quotation from Adlai Stevenson, himself, would have resolved everybody's doubts about the morals and good sense of voting independently according to the best dictates of your judgment: "In Illinois the independents (and I include in this term all those who wear a party label over their hearts but not over their eyes) shared with me, I think, certain ideals and objectives for the state government."

If your party label isn't over your eyes this year, you ought to be able to see what is being done to you, to your state, to the country. And if you do see it, are you going to lie to yourself about it?

The column hopes that the biggest guns in the Democratic party of Texas debate this situation face to face with the captive Democrats of this state. Maury Maverick and Atty. Gen. Price Daniel ought to be heard debating this proposition of whether Texas is actually bound, hand and foot, to the chariot wheel of Stevenson, Creekmore Fath and Governor Shivers ought to have opportunity to put this great debate before the voters of this state by radio and television.

It is a high opportunity for the statesmen of Texas to revive the voice of statesmanship in a Texas election. And, instead of hatred and contempt for people, we ought to resort rather to the more noble emotions of state pride and of indignation against graft, waste, and greediness for power.

Texas is paying now the penalty of having, in effect, a one-party government for seventy-odd years. We are in painful process of groping for the means through which to express our will at the November election.

The Republican party can not believe its good luck. Indeed, it is not difficult to see that the leaders of the old-line Republican machine in this state are startled and alarmed at the emergency which is upon them. It will be a miracle, of course, if the Republican party of Texas suddenly becomes a major factor in national affairs, as well as a substantial factor in state affairs. Yet miracles do happen. They happen in Texas.

If the Republicans now content themselves with the windfall of fortune, without doing anything to make sure of gains this year and without planning carefully for further gains in years to come, they will deserve to be ignored in all future programs of good citizenship in Texas.

On a silver platter, almost, the Republicans are offered a really big increase in voting power. Only a modicum of wisdom plus a maximum of hard, practical work, is necessary to carry Texas for Eisenhower and Nixon. But it will take work, hard work. And the time is short.

He is the property of Miss Jean Ann Evans but Tippy makes frequent visits to the editor to confer on matters of neighborhood concern, including the behavior of W. J. Weatherby, Sheriff C. F. Stubblefield, and Ira O. Harvey.

The other night the editor was talking to Tippy about border collies and how some of the most famous dogs of the breed in the entire State of Texas will come to Goldthwaite on the night of September 27 to compete in sheep dog trials at the Municipal Baseball Park under the auspices of the Eagle Chapter of the Future Farmers of America, the Goldthwaite High School. Border collies have been in the United States from Scotland for only about 50 years and they have been in Texas for only about 20 years. Accordingly, they are very reserved—especially because every once in a while somebody refers to one of them as a "furriner."

When the editor found that Tippy hesitated to say very much about border collies he went to Y. B. Johnson, Jr., Advisor to the Goldthwaite F. F. A., and to Joe LeMay of Center City, who has two noted border collies, Tip and Midge who, the editor feels sure, would enjoy meeting Tippy. Mr. Johnson and Mr. LeMay consulted Guy Powell of Kerrville, who will be the Master of Ceremonies for the Sheep Dog trials here on September 27, and he came up with some highly interesting information on border collies that had been prepared by Joe W. Pachek, also of Kerrville.

Inasmuch as EVERYBODY will be going to the sheep dog trials at the Goldthwaite Municipal Baseball Park on the night of September 27, here is an article by Mr. Pachek about border collies. Whether it will do any good or not is something the editor does not know, but he intends to read Mr. Pachek's article to Tippy so that Jean Ann Evans' dog can start bragging and thereby feel that he is a real Texan and not a descendant of recent immigrants. The following article by Mr. Pachek ought to do a great deal to boost Tippy's morale and to interest people in the September 27 sheep dog trials in Goldthwaite.

By JOE W. PACHEK

Much has been written in recent years about the border collie, yet there are many persons who live outside the sheep grazing ranges who never have seen one of these wonder dogs. To begin with, a border collie is a sheep dog—a very special kind of sheep dog. His strain goes back some 1,000 years to the rugged border of England and Scotland. Hence the name, border collie.

It was among the highlands, the broad moors and the kilted Scots that the border collie was bred to such perfection over a period of centuries until now he stands head and shoulders in his class without an equal.

The first sheep dog trials, naturally, were conducted by the Scots in their native land with the outside world knowing very little and caring even less about them. Many years later, when Australia became settled by the British, the Scots who started the great sheep ranges "down under" took border collies with them. There, in their new land, they became of tremendous value as they tended hundreds of thousands of sheep on many ranches. Gradually

their fame spread and their worth became more and more apparent among sheep raisers until today the border collie is found wherever sheep and goats are raised throughout the world. Recently, Louis Ragland of Junction and Hal Peterson began importing very fine border collies into Texas from Scotland by air express.

The border collie is not a very large dog. It is of medium build and weighs about 40 pounds. Some, of course, are much larger and some, especially the females, are smaller. Border collies have a thick coat of black hair, marked with white in some areas, but such dogs do not command a high value—especially in sheep regions where sheep are worked in the mountains. Under such conditions, a white dog is difficult to see in the distance.

When working sheep, border collies seldom bark or make a sound. They rely upon their speed to get under a fast sheep to bring him under control and then shift from side to side much as a cutting horse will in singling out a yearling. Sometimes, however, the dog will use force to turn a stubborn sheep, which he does by charging into the animal with his shoulder, much in the manner of a football player throwing a block into a runner. Yet a good dog never bite an animal. Packed in pens, especially in shipping time, a good sheep will walk over the top of sheep on their backs in order to get to the back of the pen to drink them out.

The first border collies to reach American shores were brought in by Sam Stoddard of Concord, New Hampshire, more than 50 years ago. For many years all of the sheep dogs in this country traced their blood line to the dogs that Mr. Stoddard imported. Sam is getting far along in years now but still loves his dogs. Some years ago he made a trip to Kerrville and was judge of the Southwestern Sheep Dog Trials.

The first border collies to be brought into Texas came to the Hill Country with Tom Hampton of Rock Springs some 20 years ago. Tom brought a male and three females from Sam Stoddard and most of the sheep dogs of this area trace their ancestry to Tom Hampton's original four dogs.

Louis Pasco of Chicago probably was the first to train an exhibit border collie in America. He showed them at county fairs all over the nation. Later Arthur Allen of McLennan County, Ill., had some very fine dogs that he worked in show and rodeos from coast to coast. Recently, Hal Peterson brought all but one of Arthur Allen's dogs. There now are 100 dogs at the Charlie and Hal Peterson Border Collie Ranch, four miles south of Kerrville. This ranch has become the sheep capital of the nation.

Otto R. Kendall Died September 11, Final Rites Here On Monday

Funeral services were conducted last Monday afternoon at the First Baptist Church of Goldthwaite for Otto R. Kendall, who died in hospital in Memphis, Tenn., on Thursday of last week. He would have been 74 next October 29.

Mr. Kendall, a veteran of World War I, was injured in a fall on December 21, 1949, while at work as a carpenter—an occupation that he had followed for more than 50 years. From the time of his injury until his death, he was hospitalized at Temple or Memphis.

A native of San Saba, Mr. Kendall was born on October 29, 1878, to the late Ed and Nora Kendall. During World War I he served for three years in France. He was a member of the Harry F. Edmondson Post number 289, the American Legion, which gave honor to his memory at the final rites last Monday.

On March 28, 1939, Mr. Kendall was married to the former Minnie Mason, who survives. Other survivors include two stepchildren, J. W. Mason of Houston and Wilma Spears;

three sisters, Mrs. I. M. Steen of Canyon, Mrs. M. C. Fuqua of Floydada, and Mrs. J. J. Geeslin of Lubbock; three brothers, E. W. Kendall of Chandler, Okla., J. M. Kendall of Graham, and R. L. Kendall of Goldthwaite; and a half brother, Harvey Willson of Goldthwaite.

Mr. Kendall became a Church member at the First Baptist Church of McMellon in San Saba County. He was baptized in the Colorado river.

Final rites were conducted for Mr. Kendall by the Rev. Joseph L. Emery, Pastor of the First Baptist Church of Ballinger and former Pastor of the First Baptist Church of Goldthwaite. Brother Emery was assisted by the Rev. Alfred Nelson, Pastor of the Baptist Church at Olden. Interment was in the San Saba Cemetery, with arrangements by the Fairman-Wilkins Funeral Home of Goldthwaite.

Pall bearers were Dow Hudson, Charlie T. Wilson, Charles Frizzelle, Tom Booker, Terrell Casbeer and Lewis B. Porter.

Representing the local American Legion Post at the final rites for Mr. Kendall as color bearers were Commander H. D. Smith and Bertram Geeslin. The color guards were Alex Shaw and Robert Terry. Bertram Geeslin was the bugler.

Mrs. Laura Starnes Died At 82 Friday

Funeral services were held last Friday at the Mullin Methodist Church with the Pastor, the Rev. Howard Morgan, officiating, for Mrs. Laura Betts Starnes, 82, who died in a Brownwood hospital on Wednesday of last week after an illness of three weeks.

Mrs. Starnes was born in Illinois on November 8, 1870, but she had lived in Mullin since she was a child of eight.

Survivors include three daughters, Mrs. Frank S. Wood of Brownwood, Mrs. N. H. Sellman of Rochelle, and Mrs. L. B. Petty of Farmington, N. M., and a son, Cecil C. Starnes of Mullin. Also surviving are four grandchildren, six great grandchildren and two half brothers.

Interment was in the Mullin Cemetery.

George W. Gray Died September 8

George W. Gray of Newcastle, who had lived in Mills County for about 40 years before moving to Young County 37 years ago, died on Monday of last week at the Olney-Hamilton Hospital at the age of 94. Final rites were conducted in the Newcastle Baptist Church by the Rev. Carl Wright.

Two of Mr. Gray's surviving sisters, Mrs. F. M. Anderson and Mrs. E. M. Page, are residents of Mills County. Also surviving are two sons and five daughters.

Mr. Gray, who was born in Hill County on July 18, 1858, was married to the former Mary Cook in 1900. She died three years ago.

Mrs. Jess Geeslin of Lubbock is here visiting her brother, Lee Kendall and wife, having been called here for the funeral of her brother, Otto Kendall.

Mrs. Lula Laceywell of Lometa is visiting her mother, Mrs. A. D. Karnes.

Mrs. Julius Hickerson To Speak Sunday At First Baptist Church

Mrs. Julius Hickerson, whose husband was killed last year in a tragic airplane crash in South America, will speak next Sunday night at 7:00 o'clock at the First Baptist Church of Goldthwaite — of which she will be a guest all day Sunday.

Since her husband's death Mrs. Hickerson has been carrying on the work that they were doing together in Colombia and which has been supported in part for nearly two years by the Fellowship Class of the First Baptist Church here. Mrs. R. V. Littlepage said this week that the Fellowship Class will continue to aid the work in Colombia for the remainder of this year.

Mrs. Hickerson was graduated from the Southwestern Baptist Theological Seminary at Fort Worth. At present she is home on furlough but she plans to return to the missionary field in Colombia where, largely due

to her efforts and those of her late husband, a Baptist Theological Seminary has been established at Cali.

Mrs. Hickerson's father-in-law, Dr. J. R. Hickerson, is in charge of missionary work in Baptist District number 16, which includes Mills County. Dr. Hickerson now is on a leave of absence because of ill health.

GHS EAGLES LOOK GOOD IN SEASON OPENER BUT FACE "TOUGH" FOE AT DUBLIN FRIDAY

(Continued From First Page.)
The backfield. It was the first time that he had played at halfback. Joe Hammond both called and played a good game at quarterback—his first time out with that responsibility.

JOE HAMMOND

—EAGLE PHOTO BY WICKER STUDIO
Penn Barnett was one of the stars of the game at fullback and Lester Geeslin gave a wonderful accounting of himself.

RAY C. HUDSON

—EAGLE PHOTO BY WICKER STUDIO
It was the first time that he had played out of the junior ranks. Ray Campbell Hudson at center was playing in that position for the first time as an Eagle and he showed the crowd that even a left arm that was made painfully sore could not dim his spirit.

All of the boys in the Goldthwaite backfield turned in good, offensive performances. The longest run of the game—some 30 yards—was by Joe Hammond.

On the defense, the Eagles exceeded even the most optimistic expectations. Gary Head played an outstanding game as a defensive end and Bill Parker was especially valuable to the Eagles on the defensive. Ray Campbell Hudson and Jimmy Don Elliott repeatedly brought Buffalo ball carriers down from behind, ending suspense during which it had looked as though the Buffaloes were almost sure to be running for touchdowns. Penn Barnett's pass defense was one of the outstanding features of the performance by the Eagles. He swiped two Cross Plains passes.

The first score last Friday night was in the second quarter when Homer Robinson plunged over for the Buffaloes from the two-yard line. The try for extra point failed. The Eagles tied the score in the third quarter when Wayne Wicker bucked across the Buffalo line. Again, the try for the extra point failed.

The statistics on last Friday night's game indicate that

22 New Jerseys And Three New Headgear

Superintendent of Schools J. T. Jones this week announced the purchase of 22 new jerseys and three new headgear for the Goldthwaite High School Eagles so that more members of Coach Ray Akins' squad can be turned out in what the well-dressed football player should wear. For the opening game against Cross Plains last Friday night the Goldthwaite squad men appeared in an assortment of jerseys that from now on will give way to a much more uniform appearance.

Star-Brookesmith To Play Thursday In Goldthwaite

(Continued From First Page.)
School District patrons are expected to move into Goldthwaite this Thursday night to cheer their team on and to back the pep squad, which will be leading the cheering in the Star School colors of red and black.

W. V. Horton, Jr., is Manager of the Star six-man football team. LeRoy Beard is Superintendent of Schools at Star.

GHS Seniors Elect

Dana Howard Saylor has been elected President of the Goldthwaite High School Senior Class and Mrs. George G. Reese has been selected to be Class Sponsor. Other officers are Gary Dale Head, Vice President; Dorothy Cline, Secretary; Patsy Hale, Treasurer; and Chester Edward Brooks, Reporter. The Seniors, for the enrichment of their treasury, will sponsor a series of pie and cake sales, the first of which will be held at the PCA office on September 27.

Robert Lee Roberson, son of Mr. and Mrs. Erie D. Roberson, has returned to his studies at Texas A. & M. College.

Judge and Mrs. Lewis B. Porter and Mrs. Myrtle Forehand of Goldthwaite were visitors in Houston last weekend.

Boy Scout Troop 77 of Goldthwaite, led by Scoutmaster James Nickols, who was assisted by Scoutmaster Charles Conrad of Troop 45, directed the parking of motor vehicles and the organization of lunchtime food lines. Many of the members of Troop 45 sang in the Junior Choir, under the direction of Mrs. Talbot Ledbetter and to the accompaniment of Mrs. John G. Berry.

All of the 1,500 persons who attended the ceremonies at Center City last Sunday probably were not present at the same time but from 800 to 900 were there for the morning service. For the dedication there were 257 persons inside the Church and 600 or 700 listening to loud-speakers outside. At lunchtime, after 1,000 plates had been used, Star School Superintendent LeRoy Beard went for another 1,000 plates and approximately 500 of them were used.

From now on, the regular meeting night of the North Bennett - Caradan Community Club will be the Thursday before the first Friday of each month.
