"Martha, where's the dust that was on this table? I had a phone number written in it!"

Suppose lke and Adlai Bow Out-What Happens? Harriman or Kefauver; Veep Nixon, Knowland?

Special to Central Press

WASHINGTON-President Eisenhower and Adlai Stevenson remain the overwhelming choices to head the presidential tickets again in 1956, but either could throw his party into a dilemma by

The problem for the Republicans is probably more acute. GOP leaders frankly admit that they are in trouble unless Mr. Eisenhower chooses to seek a second term. However, the Democrats would have their problems, too, if Steven-

son should bow out. The unsuccessful presidential candidate in 1952 can keep the various elements in his party together better than anyone on the

scene right now. In the Republican picture, a free-for-all probably would develop if Mr. Eisenhower unexpectedly said "No." Although two Californians, Vice President Richard Nixon and Senator William F. Knowland, are the best bets at the moment, they both have

enemies within their own party. Should Stevenson not run, or fail to get the Democratic nomination, the favorites would be New York's Gov. Averell Harriman or Michigan's Gov. G. Mennen Williams. However, both are identified with the strong liberal branch of the party

and face some southern opposition. Harriman Another Democrat who certainly cannot be counted out of the presidential picture if Stevenson doesn't run-and maybe even if he does-is Senator Estes Kefauver of Tennessee.

Kefauver inadvertently has come up with the leading role in two investigations which may provide him with almost the same headline potential that precipitated him into the Democratic race in 1952 after he conducted his sensational crime investigation. Democrats on the Senate Judiciary committee carefully maneuvered

so that Kefauver could not become chairman of a group which will conduct a study on monopolies. They did so because they feared that he would reap too much publicity. However, Kefauver will wind up empowered to look into other

subjects which will serve him even better than a complicated monopoly investigation.

These two are civil defense and juvenile deliquency-issues that are of extreme importance to every mother and father in the nation and also are very easy to understand.

As a result, Kefauver is in an excellent position to keep his name before the voters this year and next. And even though he has not declared his intentions to seek the presidential nomination, he has a pair of potent springboards if and when he makes the bid.

• C-BOMB-Rep. Wright Patman (D), Texas, says the United States has discovered how to build the cobalt bomb-a bomb described by nuclear experts as the most destructive weapon ever dreamed of. Patman said it far overshadows the atomic and hydrogen weapons. The congressman said that "200 cobalt bombs will be sufficient to

make a ball of fire out of the entire earth." He added: "It is the weapon of ultimate destruction and presents a great challenge." Patman said American scientists "have the know-how for it manu-

facture." However, he did not say whether it is being made. • FARM FANTASY-Prospects are slim that the government will permit a group of Russian farmers

to visit this country as a midwestern newspaper has

To begin with, it is known that the State depart-Unwelconte? ment didn't take to the idea. President Eisenhower has questioned whether they legally may be allowed to enter. Those are two very important strikes against the plan.

The proposal was endorsed by the Soviet government-controlled press, which didn't help matters any.

An official blessing by Moscow is, in itself, enough to make the State department highly suspicious. At this stage American authorities are convinced that the Soviets see the proposed exchange as a chance to collect Communist propaganda material and nothing more.

form of a wire story appearing n the press a few days ago. The hydrogen bomb. court has now ruled that it is alright for married men to annoy their wives. The story said: Married men may annoy their wives, according to a ruling by Judge Anne Alpern. (this comes from Pittsburg) Alpern ordered John Chara, 44 to keep away from his divorced wife. Mrs. Chara complained er former spouse kept calling her on the telephone and she objected to some of the remarks. Alpern who is married told Chara: "You can annoy your wife if you're married to her but not if you're divorced." By the way, Deputy Sheriff Clyde Cockrum was kind enough to hand us this story in printed form and we are indebted to him for it, since we failed to see it when it came out in the papers. And, he said he showed it to Mrs. Clyde just to let her know where he stands—accord-ing to court rulings. When asked what her reply was to such a gesture he said: "She just

The topic of this meeting was Health". Dr. R. Glynn Raley vas guest speaker and opened he program with a talk on Mental Health. As a rule for good mental health, the Dr. juoted the story of the old netro woman, who, when she "works easy", when she "sits loose" and when he worries she "goes to sleep! He defined the various types of nental illness and reviewed rexas laws regarding the care f the mentally ill.

Following Dr. Raley's talk, members participated in a uestion and answer period.

The second half of the proram was devoted to a phase of physical health and during this period Mr. Lawrman Newton howed a film on the Gonzales Warm Springs Foundation for rippled Children.

A delicious refreshment plate vas served to members and everal guests by the hostess at the conclusion of the meeting.

KCYL To Broadcast Local Play Friday

Friday afternoon at 3 o'clock on the "Goldthwaite Hour" over Radio Station KCYL, Lampasas, 1450 on your Dial, the One-Act Play entitled, "NOTHING TO SELL" will be presented.

This play was presented in the First Baptist Church of Goldthwaite as a Radio play and Elene Griffin and Charles Ter- ed inset of tulle. Traditional wedding music was played by Mrs. Emmett F. Roberts, and Mr. Charles Samford sang. "I Love Thee" and "The Lord's Prayer."

Mrs. Griffin, mother of the bride, wore a mauve brocaded taffetta dinner dress fashioned with a shirred bodice. Her accessories were navy and white and her corsage was a dark purple orchid. Mrs. Thomas, mother of the groom, wore a navy and pink crepe dress and her corsage was a pale purple orchid.

The Griffin home, which was the site of the reception after the wedding, was decorated with white gladiolas and stock. Miss Carolyn Snider greeted guests at the door, and the receiving line was made up of members of the wedding party.

A three tiered wedding cake decorated with white roses and topped with a minature bride and groom was the center of interest at the bride's table. Assisting in the dining room were Mrs. Jack Wheeler, Mrs. I. E. Wasson and Misses Shirley Lanford and Betty Hooks. Rosemary Reed presided at the guest book.

For the couple's wedding trip, they wore navy suits individually tailored to match. The bride's accessories were irredescent blue, pink and white.

The young couple will make their home in Waco where they are locally employed.

HERE'S WHY New 1955 No-Nox burns clean...

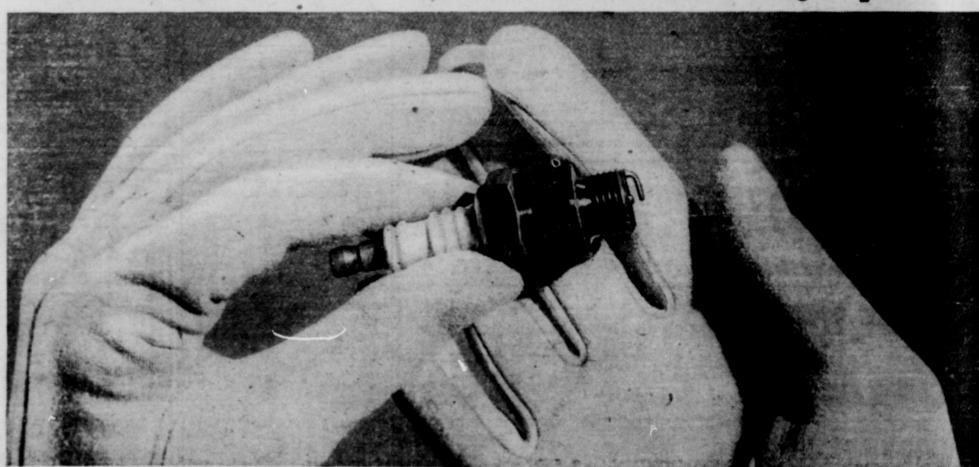

This tar-like, gummy residue is what's left after evaporating a single gallon of "dirty-burning tail-end" of gasoline. There's at least this much in a tankful of ordinary gasoline.

HERE'S HOW New 1955 No-Nox burns clean...

This lamp test shows what a difference Gulf super-refining makes. Gulf refines out the "dirty-burning tail-end" of gasoline-at the refinery-to bring you new, clean-burning Gulf NO-NOX.

HERE'S WHAT New 1955 No-Nox does for engine parts...

This spark plug is from one of the many sets of original equipment plugs used in Gulf test fleet cars. Normally, plugs need cleaning or replace-

ment after 5,000 to 10,000 miles. This plug and its mates did not need cleaning or replacement after 15,000 miles with new NO-NOX.

what's more... No gasoline-no, not a single one-has higher octane than...

This is GULF'S PLEDGE to the motoring public

- · We at Gulf make this promise to America's motorists. We will not permit a single competitor -no, not a single one-to offer a gasoline superior to our own superb No-Nox.
- · It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the finestin power, in performance, in engine protection.
- . This is not a boast, not a claim. It is a pledge to you, the motoring public-a pledge backed by the resources- and the integrity-of the Gulf Oil Corporation.

New 1955 GULF NO-NOX

Now . . . get the full advantage of all this full octane power. Fill up with new Gulf NO-NOX and feel the difference in full engine power that lasts. You'll get these lasting benefits:

- · More engine protection than with "miracle-additive" gasolines.
- Extra gas mileage in short-trip, stop-and-go driving you do most,
- Stall-proof smoothness, instant starts, fast, fuel-saving warm-up,
- No knock, no pre-ignition, even in high-compression engines.

Long Look

By VERA WINSTON

THE feminine type of blouse above the boyish pants is a formula much liked by the possessor of a long, lithe figure. It makes for a most admirable and admired look. For this one, the blouse is of cotton all over pleated save for the yoke and collar which plunges in a deep slit. The pants are of blue and white striped cotton and are built up high at the waist with an extra tasseled sash for a softening

An inch of rain out our way ver the weekend brought smiles to many discouraged farmers and stockmen.

Last Sunday Mr. and Mrs. Frank Hines and Greta Sue had as their guests Mrs. Janie Weathers and Mrs. Minnie Ashley of Goldthwaite.

Huntis Black spent the Easter folidays with his parents, Mr. and Mrs. C. H. Black,

Mr. Edwin Dunlap of San 'ntonio visited here last week vith his sister, Mrs. M. C.

Mr and Mrs. Jack Turman of Austin were weekend guests of the C. H. Blacks. Friday was a holiday for our

grandson Layton, naturally he wanted to have it a special day. I suggested we go fishing which he thought was a fine idea. Soon he had a can of bait and our son Billy filled a basket of what have you for lunch, which we enjoyed very much. On our Colorado we found the river lower than I have every seen it Brother Henry Walker, Mar- and we have been going down

> In the afternoon we crossed the river dry shod but on the way back over the footing gave way and I landed broad side in the river. Rather early for a swim but after all it was a lot of fun to gather Blue Bonnets which were growing in the river bed and gather shells along the sand

Sunday guests of Mr. and Mrs. Fields Hines and Gregory were Mr. and Mrs. Drew Wheeler of Goldthwaite and Mr. and Mrs. Frank Hines and Greta Sue.

We went to Mullin Thursday to meet our daughter, Mrs. Charles Wright and 20 other ladies of the Mullin Club for an all day meeting.

Here's a new Jarman style which offers a three-way appeal with its softness, its smartness and its lightness. It's a good-looking moccasin-type shoe made of the wonderfully soft new Mocco glove leather. It's so light in weight you'll think you're back in your barefoot days! Try a pair and you won't want to take them off.
