

The Goldthwaite Eagle

ESTABLISHED 1894

AND THE MULLIN ENTERPRISE

VOL. 63, No. 52

GOLDTHWAITE, MILLS COUNTY, TEXAS

THURSDAY, AUGUST 16, 1956

Markets

Sheep market continues in the Mills County Com-pany on Friday's sale. A total of 7,336 head were sold last week, which was a hundred head from the previous week. The goat sale before. At the goat sale of this week, a total of 1,200 head were sold.

Sheep market showed a decrease this week than in the previous weeks with all classes showing an increase except ag-ers, stocker ewes and wethers. The goat sale was about the same as show-ers, some a decrease and others remaining about the same.

SHEEP
 15 to 18c; stock-er ewes, 12c to 16c; yearlings, 10c to 14c; aged wethers, 9c to 11c; goat ewes, \$6 to \$11 per head; old goats, 4c to 5c; old goats, 3 1/2c.

GOATS
 15 to 18c; stock-er ewes, 12c to 16c; yearlings, 10c to 14c; aged wethers, 9c to 11c; goat ewes, \$6 to \$11 per head; old goats, 4c to 5c; old goats, 3 1/2c.

ALL STARS TO GO TO COMANCHE FRIDAY NIGHT
 The All Star Team, composed of 5-12 year old boys, 5-11 year olds and 5-9 or 10 year old boys, have been selected from the four teams in the county to play in the tournament at Comanche tomorrow night. They will meet the winner of the Gustine-Priddy game, which will be the first game, the All Stars game will start about 8:30 or 8:45 o'clock.

65-PER DOZ.
 Receipts were listed as \$4.40 per pound. Receipts, per lb. \$6; hens, 9c.

LICENSES POSTPONED
 The license man will be at the Goldthwaite office on his scheduled date of August 16 to the fact that he is in Odessa at that time.

REGULAR TEST DAY HERE
 Wednesday, September 13.

RYAN SR. AND SON, JERRY
 Antonio attended the reunion which was held at the Park in Waco last week.

And Guests See Film On Harnessing The Colorado River

The Goldthwaite and their guests saw the film on harnessing the Colorado at their last regular meeting.

The film showed the Colorado River and with respect to the harnessing of the river for flood control, electric power, irrigation and recreation facilities.

The next regular meeting of the Lions Club will be held at Stacy's Cafe instead of their regular meeting place at The Hangar. This change of meeting places for the next meeting, Tuesday, August 21, was made due to the Hangar being closed at this time while Mr. and Mrs. John Jackson are on vacation.

Little League Baseball News

Last Friday night the Indians met the Priddy team on the local field for the second game of the two out of three play-off. The Priddy team was the winner by a score of 21-4. If the Indians had won this would have been the last game but since Priddy won, then the two teams had to play off the tie.

Monday night the Indians were the winners by a score of 8-1, thus giving them the championship of the Little League for the county.

Watch next week's issue of the Eagle for further details of the standings and results of the teams.

ALL STARS TO GO TO COMANCHE FRIDAY NIGHT

The All Star Team, composed of 5-12 year old boys, 5-11 year olds and 5-9 or 10 year old boys, have been selected from the four teams in the county to play in the tournament at Comanche tomorrow night. They will meet the winner of the Gustine-Priddy game, which will be the first game, the All Stars game will start about 8:30 or 8:45 o'clock.

The boys are hoping that a large crowd will be on hand to watch the game.

Mr. and Mrs. Herman Anderson of Abilene were guests of his mother, Mrs. Willie Belle Kirby, last weekend.

Joe and Jimmy McCrary of San Antonio are guests this week of their grandmother, Mrs. Myra McCrary.

Big Valley Baptist Church Revival, Aug. 19-26

The annual revival meeting at the Big Valley Baptist Church will begin Sunday, August 19, and continue through Sunday, August 26.

Rev. Clifford Nelson, District Missionary, will be the speaker and Erie D. Roberson will direct the singing.

Services will be held each night at 8:00 o'clock with prayer services at 7:30.

Everyone has a most cordial invitation to attend the services.

Jerry Griffin Resigns From Teaching Position

Jerry Griffin, who has been teaching one division of fifth grade in the public schools, has resigned his position. He is moving to Prosper in Collin County where he has accepted the pastorate of the First Baptist Church. He plans to do extension work in Seminary and Mrs. Griffin plans to continue her college work in North Texas State College.

Mr. Griffin, in offering his resignation said "I would like to submit my resignation as a classroom teacher. I want to thank each one of the pleasant year I had while teaching in your system."

NEW ASSISTANT DEPUTY IN SHERIFF'S OFFICE

Mrs. Roth Robertson has accepted the position of assistant deputy in the Sheriff's office, taking the place of Mrs. Anna Jean Evans. Mrs. Evans is leaving to assume a new position in Waco.

Mrs. Robertson resides on a farm with her son, Robert Lee, age eight, and her husband in the Rock Springs community.

Sheriff Stubblefield stated that they, the office force, were mighty proud to have Mrs. Robertson with them.

Weather Report

Still hot! Still dry!
 Mr. and Mrs. R. E. Davis and children left last Saturday for their new home in Colorado City where Mr. Davis will be employed in the newspaper office.

School To Begin September 4 Schedule For 1956-1957 Announced

In the August meetings of the Goldthwaite School Board, plans for the year were completed and the opening date for school set for the latter days of August when the seniors will be first to enroll. A complete schedule of school activities are as follows according to announcement by Supt. J. T. Jones:

August 29—School wide faculty meeting, 10 a.m.
 August 30—Registration of seniors and juniors.
 August 31—Registration of sophomores and freshmen.
 September 3—Labor Day, holiday.
 September 4—Class work begins.
 Registration of all elementary grades.
 October 12—End of first six weeks.
 November 21—End of second six weeks.
 November 29-30—Thanksgiving holidays.
 December 21—Dismiss for Christmas holidays.
 January 2—Resume class work after holidays.
 January 18—End of first semester.
 January 21—Beginning of second semester.
 March 1—End of fourth six weeks.
 April 11—End of fifth six weeks.
 April 12—Teachers meeting (tentative).
 April 19 and 22—Easter holidays.
 May 24—Closing day of school.

Several new faces will be seen among the faculty this year. Since the resignation of Jerry Griffin as an elementary teacher was accepted, Dan M. Wilder has been selected to take his place. Mr. Ray Standley previously was elected to the principalship of the elementary school thus giving two new teachers there and having 10 to return.

Mr. Standley is working and planning the work for the year and wants to remind the public that all pupils in the first six grades will register, have books issued and class work assigned on August 31, then September 3rd will be observed as a holiday and actual class work will start on September 4 and students will remain all day.

In high school work, David Williams will be principal. Mr. Williams moved here in early June but has been working in Fort Worth through the summer but plans to return here by August 24. Mr. Williams and Mr. Richard Hampton are to be the only new teachers in high school this year. Mr. Williams is planning the year's work and will have a new hand-

book for students when he and Supt. Jones completes work on the book and has it approved by the school board. Mr. Hampton will be working in physical education program but will teach class room work along with being assistant to Mr. Gunn in football, track and baseball and will coach girls varsity basketball.

B. T. Crumley has been employed as a new janitor of the elementary school and will assume his duties on August 20. Mr. Crumley has been employed by the Smith Humble station for some time. Robert Terry was re-elected as one of the janitors for another school year or until June 30, 1957. Repair of football field fence and bleachers are underway and will be completed before the opening of school.

The high school library is being completely recatalogued, rearranged and new volumes added to both the elementary and high school library. Mrs. Reese, Miss Nelson and assistant typist have been employed for more than two weeks doing this work. A librarian will be employed for the year beginning with the opening of school and working for nine months. Already 100 volumes of new books have been received in the elementary library.

Bus routes are being changed where necessary to give better service to students. Route number 4 has to be extended to take care of new students entering school. A complete listing of all drivers will be given next week as well as an explanation of the bus changes as made by the school board. For the second time, our local board has complete charge of hiring bus drivers which heretofore has been done by the superintendent and county school board.

BEGINNING STUDENTS REQUIRED TO HAVE BIRTH CERTIFICATES

All students entering Goldthwaite schools for the first time must present a birth certificate. The certificates will be recorded on the student's permanent cards and returned to the student, if the student or parent desires it. This is necessary in order to meet a state regulation and assure that students ages are properly recorded. Supt. Jones stresses the necessity of this so as to have this information available all the life of the individual.

If the child does not have a birth certificate, it may be obtained by writing the county seat of the county in which the child was born.

Comanche Co-Op Sets Electric Fair And Annual Meeting For This Week

One of the summer's liveliest attractions will invade Comanche August 16-17 for two big shows—a special Big Top show from 6:00 to 10:00 P.M., August 16 for townspeople of the area and an all-day show August 17 expressly for rural people. It's the annual Electric Fair sponsored by Comanche County Electric Cooperative, Ass'n. in connection with the Co-Op's Annual Membership Meeting which will be held during the day of August 17.

All members of the Co-op and townspeople are invited to come to the show under the Big Top at Lake Eanes Park where there'll be entertainment, news, and free ferris wheel rides for the children.

Comanche County Manager W. J. (Bill) Parks is urging Co-op members particularly to attend the all-day, all-free affair August 17 and attend the business session arranged for their information and participation. And for the Co-op, its board of directors, and personnel, he hopes their Comanche neighbors can make the night show, set especially at this time of day for their convenience.

Business to be attended to includes presentation of yearly reports of President and Manager and election of 3 directors for 3 year terms.

Awarding of door prizes will round out Annual Meeting day's activities August 17.

THRILLS AND SPILLS—such as the one pictured here are in store for fans when they turn out tonight to witness the donkey baseball game between the American Legion and the Lions Club. Members of the American Legion challenged the Lions to do battle, the challenge was accepted and both organizations will have their best nine—maybe more—on hand for this thrill and spill event.

The game is scheduled for 8:00 o'clock at the Municipal Ball Park in Goldthwaite, Thursday, August 16—tonight, and everyone is invited to be on hand for the Legion sponsored show of laughs, spills, fun and thrills.

Rules of the game are all players except the catcher and pitcher will have to ride the donkeys. When the batter gets a hit he must mount his donkey and ride around the bases in proper order—if he can. There are no strikeouts or walks. Fielders must ride to within one step to the ball before dismounting and must remain before throwing the ball. Soft-ball is used. Nine players on each team. Game plays five to seven innings—approximately one hour and a half.

Following is the list of players for both teams:

Officers Elected And Show Dates Set At Annual Meeting Of Mills County Livestock Raisers Association

The Mills County Livestock Raisers Association held their annual meeting at the Agricultural Building in Goldthwaite last Thursday night with a good crowd in attendance. New officers were elected, dates set for the spring show and several new amendments made.

Dates selected for the spring show were Monday and Tuesday, January 14 and 15, 1957. The show this year will be held one week later than last year.

In the election of officers, R. L. (Bob) Steen was re-elected president; Norman G. Duren, re-elected vice-president; Carl Casbeer, secretary; Glynn Collier, treasurer, both re-elected.

Duren and Charlie McLean. Auctioneer for the show this year will be Delton Barnett.

Amendments which were brought up at the meeting, voted on and carried were:

- "To set up a Billy and Doe Class in the Junior Show."
- "To pay three places in the Billy and Doe classes: 1st place, \$4.80; 2nd place, \$2.40 and 3rd place, \$1.20."
- "To change the Corriedale Class to a Shropshire Class."

Deadline for entries will be January 5, 1957.

Revival At Star Baptist Church August 19-26

The Star revival will begin this coming Sunday, August 19 and continue through the 26th, with morning services at 11:00 o'clock and services at 8:00 each evening. There will be services each morning at 10:00 o'clock. Rev. R. L. Higgenbottom, who is the new pastor at Star will conduct the services and Floyd Spradley of Goldthwaite will be in charge of the song service.

The public has a most cordial invitation to attend these services and help with the revival.

Mr. and Mrs. Lawrence Ballard and sons of Houston were recent guests of relatives here.

Mr. and Mrs. H. L. Metheny of Austin were visitors in Goldthwaite last Wednesday.

VIC'S . . . SOLILOQUY

Many local folks talk about industry for our home town from time to time without realizing what is involved in securing an industry for a small town.

If the facts are faced it must be realized that the chances for the average little town to secure industrial payroll are few. In spite of that fact it is necessary for the industrial committees to keep on the alert and investigate every possibility.

When one checks up on the history of many of today's industrial giants we find that most of them started very small at one time. Many who start small stay small while others grow into really big business. Many times when a small business, such as factory, gets started by someone who has dreams and plans and puts them to work in a small way, there are dark moments. Yet history proves that with all the dark moments that go into developing an industry there is the hope that all will work out and the business will grow and flourish as many do.

Goldthwaite has a small industry right now—which can well grow into a big business some day.

I am referring to the father-son team of M. F. 'Mac' and Herbert 'Hub' Horton who are now engaged in the manufacture of the Universal Underbench Saw on a beginning scale.

This business enterprise has been in the making for many years. Before they came to the point of where they are today there was planning, securing patents and more planning. After several years they got far enough along to build 12 sample, or demonstration, models. During the past year these have been sold and are now in use in various industries. Reports are coming back that all is well.

Since the demonstrators have been sold and put into operation the Hortons have done more planning and improving on their product and have assembled tools and equipment for further production of their saw. Their tooling was to a great extent designed by themselves and their small shop has been set up for production on a larger and faster scale.

They are now in the process of manufacturing machined parts and turning out parts for the production of their completed product.

The point I would like to make at this time is that while this is at present a small manufacturing business there is a keen possibility that one day it will grow into a sizeable manufacturing business that could employ a good number of people. That's exactly what Goldthwaite and Mills County are looking for.

A number of citizens have visited the Hortons in their factory which is located back of the Horton Lumber Company to see what is going on. It is interesting to watch the machined parts being turned out for assembling the complete product to go out on the market.

If you haven't visited Mac and Hub in their workshop then we would suggest that you stop by and pay your respects. Our guess is that this is the beginning of something that can grow big.

★ ★ ★

A few weeks ago when we got the scores from one of the Little League games crossed up it didn't take long to hear from Butch Schuman and Pat Rudd. They called in to inform us that the Indians won the game by 24-4 instead of losing it as was indicated in the story.

Can't blame them for being right on the ball in calling it to our attention. After all it's those wins that count most when the score board is posted for the season. The story must have looked pretty good to the Giants tho, who actually lost the game to the tune of 24-4.

★ ★ ★

THEY'RE YOUR DIMES

"A good thing to remember," says the Abilene, Kansas, Daily Reflector, "in these days of all kinds of 'federal aids' is that the federal government hasn't got a dime that it doesn't take away from the people, so it can't give anything to a school system, building program, county welfare, flood control, crop surpluses or anything else, without first having taken it away from the people."

In this gigantic federal process of taking and giving, a large chunk of the local taxpayer's dollar goes to support the bureaucracy which provides "give away" services that in most cases could be better handled locally in the first place. Moreover, the money that is taken from the people and returned in part under the guise of "federal aid" is to a large extent extracted from the taxpayers indirectly. The next time you hear the political cry for a higher tax on a business or an industry, you should remember that the latter are like government too, in one respect. They have no money except what they take from consumers in payment for products or services. Their profits are either regulated by law or by competition. When additional taxes are levied against them they are forced to become collection agencies for government. The taxes are passed along to their customers.

The old saying that you can't get something for nothing is still true, even though many of us act like we don't believe it.

BULLET PROOF VEST?

WHEN THE OLD BIRD WAS YOUNGER

10 YEARS AGO—

(Taken from the Eagle files of August 16, 1946)

Miss Earline Geeslin, daughter of Mr. and Mrs. Luther Geeslin, and Burl Holland, son of Mr. and Mrs. Dan Holland, were quietly married last Sunday, August 11, and left immediately for Monterey on a short wedding trip.

Mr. and Mrs. C. J. Stenzel of Fort Worth, have announced the approaching marriage of their daughter, Miss Audrey Stenzel, to Captain Charles E. Chambers, son of Mr. and Mrs. Tom Dyeas of Goldthwaite, August 17.

Miss Syble Miller became the bride of Thurman A. Head, son of Mr. and Mrs. J. W. Head of Lometa, in a garden ceremony at the home of her parents, Mr. and Mrs. Charlie Miller in Pleasant Grove community, Sunday afternoon at 6:45, August 11, 1946. The Rev. C. C. McKinney, who married the bride's parents, officiated.

A little daughter was born to Mr. and Mrs. Virgil Doggett of Priddy at the Gorman Hospital, July 29. She weighed seven pounds. The young lady has been named Brenda Carolyn.

On Sunday morning, August 11, at 9:00 o'clock, Miss Jonell Wigley, daughter of Mr. and Mrs. Walker Wigley of Moline, and Glen Dale Shave, son of Mr. and Mrs. Frank Shave of Evant were united in marriage.

Mrs. John Meadows, who broke her hip several weeks ago, was brought to her home at Lake Merret from Waco hospital and is doing nicely.

Don Rudd is visiting this week in Ballinger with his uncles, Jack Rudd and S. E. Cloninger and families.

Mr. and Mrs. P. H. Hamilton and Mrs. Y. H. Morris attended the Yoes reunion at Gatesville Sunday.

Mrs. L. E. McKee and sons, Bill and Jimmy of San Angelo are visiting Mr. and Mrs. Jim Weatherby.

H. A. Carter of Dallas was a weekend guest with his family at Three Oakes Cottage at Lake Merrett.

25 YEARS AGO—

(Taken from the Eagle files of August 14, 1931)

Tuesday afternoon, at 2:30 o'clock at the home of Rev. and Mrs. H. E. Moreland, Mr. John Carey and Miss Bernice Brooks were married by Rev. H. E. Moreland.

R. M. Thompson, the Eagle Editor of Goldthwaite and L. E. Patterson, former Judge of Mills County, were visiting in this city the later part of the week and admiring our new school building that has been recently completed and now ready for occupancy.

bration of the completion of a new Methodist Church.

Mrs. F. N. Irwin has as her visitors this week Mrs. Jane Johnson of Temple, Miss Elnora Hasting of Waco and Duke Carroll and wife of Graham.

Mr. and Mrs. O. H. Yarborough expect to leave for market the first of the week to buy fall and winter goods for their store.

50 YEARS AGO—

(Taken from the Eagle files of August 18, 1906)

J. L. Sherrill and Mrs. J. L. Shaw were married at the residence of Judge H. T. White in this city Sunday night, Judge White officiating.

Henry Muse and Miss Mary Kelly were married Sunday afternoon at the residence of the bride's parents a few miles west of this city, Rev. G. W. Templin officiating.

The first bale of Mills County cotton marketed this year was brought in Thursday by J. H. Henry from near Warren Crossing in Big Valley. The cotton was ginned by Fairman and Son and sold to B. F. Geeslin Mercantile Company for \$9.60 per 100 pounds. The bale weighed 471 pounds, which gave Mr. Henry \$45.10 for the cotton besides a premium of \$24.50 and two newspaper subscriptions was secured and presented by Mr. Fairman to the gentleman for having been the first to bring a bale of 1906 cotton to this market.

J. C. Street has sold two more blocks of his land near Antelope Gap, one to Joe W. Morgan and one to Ed Ringer.

Mrs. B. F. Minor and two daughters, Misses Della and Clara came in from Caradan last Saturday morning and boarded the train for Austin to visit relatives. The young ladies both secured teachers certificates and will teach this fall.

L. O. Hicks and family have moved back to town from Brownwood, where they lived the past several months.

John Little left Sunday night for Saint Louis and Chicago to buy fall goods.

J. T. Robertson writes from Bellvue, Clay County, to say he is glad Henry Ezzell has been nominated for sheriff and says he is sure Mills County will have a good officer as he is a good man.

ency. Mullin News.

Mr. and Mrs. Britt Davee and Mr. and Mrs. Moody Perkins visited their brother at Bend Wednesday.

Mr. and Mrs. B. L. Graham and family of Clyde spent the weekend with Mrs. Graham's parents, Mr. and Mrs. E. L. Pass. Sheriff C. D. Bledsoe and family left yesterday for an automobile trip to Corpus Christi and other points in that section.

J. J. Cockrell of Big Valley had business in Brownwood, Tuesday and Wednesday.

W. P. McCullough is having a fence built around his residence property on the mountain side, in the eastern suburbs of the city, and expects to begin work on the brick veneer residence in a short time.

Mrs. R. H. Patterson, editor of the Mullin Enterprise, who spent a part of last week in the sanitarium in Temple is again able to look after her newspaper business, which is good news to her many friends.

Mrs. Barton McPherson and baby returned to their home at Energy Tuesday, after spending several days here with her cousin, Mrs. Guy Rudd.

Rev. H. H. Dare and family spent the first of the week at La Grange, taking part in the cele-

Inside WASHINGTON MARCH OF EVENTS

'Part-Time President'

May Be Demos' Cry

Open Attack on Ike

On Health Issue Out

Special to Central Press Association

WASHINGTON—Democratic strategists are reluctant to hit too hard on the issue of President Eisenhower's health during the coming campaign for fear of antagonizing some voters.

The Democratic onslaught may well be limited to the accusation of "part-time President," and the theme will be that Ike isn't devoting enough time to his duties, not that he is disabled.

Ex-President Harry S. Truman set this pattern recently. Other party leaders feel that the "part-time President" charge is the only way the health issue could be brought in by inference and in good taste.

The Democrats are aware of the public opinion polls which show that a large bloc of voters might resent an open attack on Ike on the health issue as being shady politics.

They realize that Mr. Eisenhower is tremendously popular and that all efforts must be made to prevent any personal attack on him that could boomerang against the Democrats.

This doesn't mean the Democrats won't wage a heated campaign. They will open up with heavy fire on the administration's record and Ike's delegation of work to his subordinates.

The theme, as Truman put it, probably will be "I like Ike, but—"

● COUNTER-PLAN—The Republicans have developed a counter-plan to frustrate the effect of the "part-time" charges. One indication of the GOP strategy came when the White House announced that Mr. Eisenhower would not take a vacation before the Republican national convention.

Previously, the chief executive had planned to go to New England for a fishing trip, a less strenuous form of exercise than his favorite pastime, golf, which his physicians have forbidden him to play until about mid-August.

However, GOP National Chairman Leonard W. Hall is said to have counseled that it would be "better psychology" if the President remained at his White House desk, with week-end trips to his Gettysburg farm to provide the necessary relaxation from his duties.

Regardless of Mr. Eisenhower's great popularity, the Republican strategists considered these factors:

1—He was on vacation last Sept. 24 when he was stricken with his heart attack in Denver. He spent the rest of the year convalescing.

2—After returning to the White House in January, he took a Georgia vacation in February; and after announcing his decision to run again, he went south for a golfing holiday in April.

3—His ileitis operation kept him away from the White House from June 8 until July 15.

Thus, the GOP high command decided, any new absence from Washington might give ammunition to the "part-time" howlers.

● RED CHINA AND THE UN—House action in adopting a resolution to reiterate the opposition of Congress to admitting Red China to the United Nations clearly shows the concern felt on Capitol Hill about the situation.

There have been increasing reports that some State department quarters feel that the Chinese Reds will gain entrance to the world organization this autumn. This has aroused sharp suspicion in Congress.

Rep. Walter Judd (R), Minnesota, and Senate Republican Leader William F. Knowland of California, can be expected to keep up a running battle while Congress is not in session to forestall any effort to admit the Reds.

**PROPOSED CONSTITUTIONAL AMENDMENTS TO BE VOTED
IN AN ELECTION TO BE HELD ON NOVEMBER 6, 1956**

JOINT RESOLUTION NO. 23
For an amendment to Section 9 of
the Constitution of Texas
providing that the Commissioners
of each county may levy whatever
sum for general fund, permanent
improvement fund, road and
bridge fund and jury fund
purposes so long as the total of
these funds does not exceed
Eighty Cents (80¢) on the
One Hundred Dollars (\$100)
valuation in any one (1) year, and
provide that the Commissioners
may also levy whatever sum for
other purposes not exceeding
Eighty Cents (80¢) on the
One Hundred Dollars (\$100)
valuation in any one (1) year for
general fund and jury fund
purposes.
RESOLVED BY THE LEGISLATURE
OF THE STATE OF TEXAS,
That Section 9, Article VIII
of the Constitution of the State of
Texas be amended to read as follows:
Section 9. The State tax on property,
and of the taxes provided for
the public free schools, shall
not exceed Thirty-five Cents (35¢) on
the One Hundred Dollars (\$100) valuation
in any one (1) year for general
fund and jury fund purposes, and
not exceed Eighty Cents (80¢) on the
One Hundred Dollars (\$100) valuation
in any one (1) year for general
fund and jury fund purposes.
Further that at the time the
Commissioners of each county shall
levy the tax rate for the general
fund, permanent improvement
fund, road and bridge fund and
jury fund they shall not exceed
Eighty Cents (80¢) on the
One Hundred Dollars (\$100) valuation
in any one (1) year for general
fund and jury fund purposes, and
not exceed Eighty Cents (80¢) on the
One Hundred Dollars (\$100) valuation
in any one (1) year for general
fund and jury fund purposes.
Section 2. The Governor of Texas shall
issue the necessary proclamation for the
election and the effect thereof shall be
published in the manner and for the length
of time as required by the Constitution
and laws of this State.

MISS DOROTHY JEAN WILLIAMS
**Miss Dorothy Jean Williams
To Marry Bobby George Parker**

Mr. and Mrs. Grady Hancock of Mullin announce the approaching marriage of their daughter, Dorothy Jean Williams to Bobby George Parker, son of Mr. and Mrs. R. A. Parker of Goldthwaite.

Miss Williams is a graduate of Mullin High School and is a senior at Howard Payne College where she will graduate in August. She is a member of F. T. A., Alpha Rho Tau, Home Economics Club and is past president of the Dormitory Glee Club of Howard Payne College. She will be a first grade teacher in Kermit this fall. Mr. Parker is a graduate of Goldthwaite High School.

Wedding Bells
Marriage licenses issued by County Clerk Walter A. Bryant were to: Paul David McHan and Twila Sue Lucas, Bobby George Parker and Dorothy Jean Williams during the past week.

MRS. VIRGINIA MCGIRK AND JAMES B. BAILEY ARE WED IN ARLINGTON
Word has been received here of the marriage of Mrs. Virginia McGirk and James B. Bailey of Arlington. Mrs. Bailey resided in Goldthwaite a number of years before going to Arlington to make her home. Her many friends here and over the county wish for them much happiness.

Hillside Mission
By LIDA BYRNE
The Bible says: "Egypt is like a fair haffer, but destruction cometh; it cometh out of the north." Jeremiah 46:20.
Mr. and Mrs. Douris E. Rhoades and daughters, Anita, Beverly and Carolyn, spent Sunday in Stephenville with Mr. and Mrs. Velon Reese. Anita and Beverly remained for a longer visit.

Mr. and Mrs. C. S. Horton were in town last weekend. They have recently purchased a home in Weatherford and were here to move their household goods.

News From Your
**COUNTY HOME
DEMONSTRATION AGENT**
Agricultural Extension Service-Texas A. & M. College System

By LUCY MAY BURRUS
**USE CARE WHEN
BURNING TRASH**

The hot dry weather that we have been having this summer has aggravated the fire situation and points up the fact that we must all be extra careful when burning trash. An estimated 75 per cent of the fires in Goldthwaite this summer have been caused by burning trash. This figure should make us realize we should take every possible precaution to stop this destructive waste. Here are the recommendations of the Texas Forest Service for safe trash burning:

1. Burn trash in an enclosed metal container such as an oil barrel with a covering of one-fourth inch mesh wire or in a permanent trash burner made from native stones, bricks, etc. (I have plans for these from the Extension Service.)
2. Clear an area of at least 10 feet in diameter around the trash burner.
3. Burn in late afternoon when the wind is low and the air is cooler.
4. STAY WITH THE FIRE UNTIL IT IS COMPLETELY OUT. One small spark in dry grass and your property and even human lives are endangered.

**ELECTRIC IRON CAN
BE A FIRE HAZARD**

Careless handling of your iron can start a fire. Never forget that this handy piece of equipment can be a hazard. Develop safe habits when using the iron. First of all, don't depend on the switch to keep the current off. When you leave the room, remember to disconnect the plug. Choose an iron with automatic control. Select the correct temperature setting for the fabric to be ironed or pressed.

Always use the iron rest or iron stand. Never rest the hot iron on the combustible ironing board cover or flammable materials. Allow the iron to cool before you store it. Check the condition of the iron cord regularly and make necessary repairs to prolong the useful life of the cord and to prevent accidents. Check to see that all connections and screws are tight. Never splice the iron cord. When replacing the cord, select size sixteen asbestos heater cord which is rated at fifteen amperes. This is large enough to carry the electricity from the outlet to the iron easily. And while you are about it, select an outlet plug for the cord, a plug which has a finger grip to make it easy to connect or disconnect.

Beginning today (August 16) I will be on annual leave until August 27.

**QUILTING BEE AT
TRIGGER MT. CHURCH**

There is to be a quilting at the Trigger Mountain Church next Tuesday, August 21. All the quilts completed will be given to Mr. and Mrs. J. D. Calaway, whose home burned several weeks ago. Anyone wishing to help in this work is invited to come to the church that day. There will be a covered dish dinner at the noon hour, according to an announcement by Mrs. Tom McArthur.

Mr. and Mrs. James Ervin White and children, Peggy and James Robert, of Bay City were guests of Misses Abbie and Ruth Ervin and J. P. Ervin and Mrs. T. J. Shipp and Lewis Shipp at Caradan the first of the week.

HEADS PONTIAC—S. E. Knudsen, new General Manager of Pontiac, has had a distinguished career with General Motors. He started with Pontiac in 1939 and has held major positions with GM's Process Development, Allison and Detroit Diesel Divisions. He is 43 and the son of the late W. S. Knudsen, former president of GM.

Texans Just Gotta Have Red Beans

According to an article in last week's Brady Standard, 25 pounds of red beans were on their way to a couple of displaced Texans in far-off New Hampshire.

Waiting hungrily for the beans are Clyde and Cecil Locklear, brothers of Brady's Jack Locklear, Jubilee race manager.

Clyde is a trainer for Reynolds Bros. of Fort Worth and Cecil is in New Hampshire with a string of horses for G. R. White. Jack took two more horses up there recently and heard his brothers' pitiful tale of not being able to get any Texas red beans in New Hampshire.

Jack came home last week and on Tuesday of last week he bundled up the beans and put them in the mail.

The three boys mentioned in the above article are all sons of Mr. and Mrs. C. Locklear of Goldthwaite.

Church Of Christ Gospel Meeting Begins Friday 17

The Mullin Church of Christ gospel meeting will begin tomorrow night and continue through Sunday, August 26. Services will be held nightly at 8:00 o'clock and services on Sunday will be Bible Study at 10:00 and sermon at 11:00 o'clock with evening services at 8:00 o'clock.

L. C. Matheny of Austin will be the evangelist for the meeting and L. T. Chambers of Early will direct the song service. Everyone has a most cordial invitation to attend all the services of the meeting.

Center City News

By MRS. JOE GREEN

Brother McKay preached at the Methodist Church at both morning and evening services last Sunday. A good crowd was in attendance at each service.

Several of the neighbors here attended church and the Dedication of the New Church at Scallorn last Sunday.

Mr. and Mrs. Ace Kinchele and daughters of Llano and Mr. and Mrs. O. B. Hill and Tom Jordan were our dinner guests Sunday. Ace and Mattie reported that Bill Collins of Llano died Saturday night with a heart attack. He was a former owner of the Llano News paper. He owned the paper when Ace first started working there.

Mr. and Mrs. George Brown and Georgia took Bonnie Wellmaker to her home at San Antonio Saturday.

Mr. and Mrs. Billy Joe Hanilton and boys of McGregor visited Mr. and Mrs. George Brown Sunday evening. George is spending a few days with them.

Mr. and Mrs. Z. Karnes were Goldthwaite visitors Saturday.

Mr. and Mrs. Charley Horner attended a family reunion at the Comanche Lake last Sunday.

Gary Head visited Mr. and Mrs. Chester Head last weekend. He also visited with us Sunday

afternoon. Mr. and Mrs. Bud Fields of Cleburne visited with us Sunday afternoon.

The H. D. Club held their annual picnic at Mr. and Mrs. Charley Horner's last Thursday night. The entire community was invited and there was plenty of good eats for all. Everyone enjoyed themselves and are looking forward to the picnic next year.

Mr. and Mrs. Hardie Collier, Mr. and Mrs. Vestus Horton and children were dinner guests of Mr. and Mrs. Darrell Head Sunday.

Mr. and Mrs. Bud Townsen

PROPOSED CONSTITUTIONAL AMENDMENTS TO BE VOTED ON AT AN ELECTION TO BE HELD NOVEMBER 6, 1956

HOUSE JOINT RESOLUTION NO. 47 proposing an amendment to Article XVI, Section 1, of the Constitution of the State of Texas, changing the form of the Oath of Office to include appointive officers of the State.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 1 of Article XVI of the Constitution of the State of Texas be amended to hereafter read as follows:

"Section 1. Members of the Legislature, and all other elected officers, before they enter upon the duties of their offices, shall take the following Oath or Affirmation: 'I do solemnly swear (or affirm), that I will faithfully execute the duties of the office of _____ of the State of Texas, and will to the best of my ability preserve, protect, and defend the Constitution and laws of the United States and of this State; and I furthermore solemnly swear (or affirm), that I have not directly nor indirectly paid, offered, or promised to pay, contributed, nor promised to contribute any money, or valuable thing, or promised any public office or employment, as a reward for the giving or withholding of a vote at the election at which I was elected. So help me God.'"

Section 2. The Secretary of State, and all other appointed officers, before they enter upon the duties of their offices, shall take the following Oath or Affirmation: 'I do solemnly swear (or affirm), that I will faithfully execute the duties of the office of _____ of the State of Texas, and will to the best of my ability preserve, protect, and defend the Constitution and laws of the United States and of this State; and I furthermore solemnly swear (or affirm), that I have not directly nor indirectly paid, offered, or promised to pay, contributed, nor promised to contribute any money, or valuable thing, or promised any public office or employment, as a reward for the giving or withholding of a vote at the election at which I was elected. So help me God.'"

Section 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published as required by the Constitution and laws of this State.

PROPOSED CONSTITUTIONAL AMENDMENTS TO BE VOTED ON AT AN ELECTION TO BE HELD NOVEMBER 6, 1956

HOUSE JOINT RESOLUTION NO. 15 proposing an amendment to the Constitution of the State of Texas by amending Article VII, Sections 17 and 18, providing a method of payment for the construction and equipment of buildings and other permanent improvements at State institutions of higher learning and repealing Chapter 288, Acts, Regular Session, Fifty-third Legislature, and proposing an amendment to Article VII of the Constitution of the State of Texas by adding a new section after Section 11 thereof to be designated as Section 11a, providing for the improved support of the University of Texas and the Agricultural and Mechanical College of Texas from separate other tax revenue by providing for the broader inclusion of the Permanent University Fund in corporate bonds and stocks under certain conditions and limitations; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Sections 17 and 18 of Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 17. In lieu of the State ad valorem tax on property of one hundred dollars (\$100) valuation heretofore permitted to be levied by Section 51 of Article 3, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a State ad valorem tax on property of two cents (2¢) on the One Hundred Dollars (\$100) valuation for the purpose of creating a special fund for the continuing payment of Confederate pensions as provided under Section 51, Article 3, and for the establishment and continued maintenance of the State Building Fund as provided in Section 51b, Article 3, of the Constitution."

"Section 18. In addition to the taxes levied by Section 17, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a State ad valorem tax on property of five cents (5¢) on the One Hundred Dollars (\$100) valuation for the purpose of creating a special fund for the construction, equipping, and other permanent improvements of higher learning; and the governing board of each of such institutions of higher learning shall be authorized to pledge all or any part of said funds allocated to such institution as hereafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing, and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be limited to such amounts as may be determined by the governing board of said respective institutions, shall bear interest not to exceed three per cent (3%) per annum and shall mature serially on or before September 1, 1958, and September 1, 1978, respectively; provided, the power to issue bonds or notes hereunder is expressly limited to a period of twenty (20) years from the effective date of this amendment; and provided further, that the five cent (5¢) tax hereby levied shall expire finally upon payment of all bonds or notes authorized; provided, further, that the State tax on property as heretofore permitted to be levied by Section 51 of Article VII, as amended, exclusive of the taxes provided for the benefit of the public free schools, shall never exceed Thirty Cents (30¢) on the One Hundred Dollars (\$100) valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest."

"Funds raised from said Five Cent (5¢) tax levied for the ten-year period beginning January 1, 1958, shall be allocated by the Comptroller of Public Accounts of the State of Texas on June first of that year, based on the average long session full-time student enrollment (fifteen (15) semester credit hours shall constitute one full-time student) for the preceding five-year period of time, to the following State institutions of higher learning then in existence, to-wit:

Texas State College for Women at Denton; Texas College of Arts and Industries at Kingville; Texas Technological College at Lubbock; East Texas State Teachers College at Commerce; North Texas State College at Denton; Sam Houston State Teachers College at Huntsville; Southwest Texas State Teachers College at San Marcos; Stephen F. Austin State College at Nacogdoches; Sul Ross State College at Alpine; West Texas State College at Canyon; Texas Southern University at Houston; Lamar State College of Technology at Beaumont.

"Not later than June first of the beginning year of each succeeding ten-year period, the Comptroller of Public Accounts of the State of Texas, based on the average long session full-time student enrollment (fifteen (15) semester credit hours shall constitute one full-time student) for the preceding five-year period of time, shall re-allocate to the above-designated institutions of higher learning then in existence, all funds to be derived from said Five Cent (5¢) ad valorem tax for said ten-year period. The above-designated institutions of higher learning which participate in the allocation or re-allocation of such funds shall not hereafter receive any General Revenue funds for the acquiring or constructing of buildings or other permanent improvements at

which said Five Cent (5¢) ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the unsecured loss so incurred may be made by the Legislature out of any General Revenue funds. The State Comptroller of Public Accounts shall draw necessary and proper warrants upon the State Treasury in order to carry out the purpose of this amendment; and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose. This amendment shall be self-enacting; provided, however, it shall not become operative and effective upon its adoption so as to supersede or repeal the former provisions of this Section, but shall become so operative and effective on January 1, 1958; provided, further, that nothing herein shall be construed as invalidating the obligations incurred by any outstanding bonds or notes heretofore issued by any State institution of higher learning under this Section prior to the adoption of this amendment, but such bonds or notes shall be paid, both as to principal and interest, from the fund as heretofore allocated to any such institution under this amendment, nor shall the provisions of this amendment affect in any way the prior allocation of the revenue for the term period beginning January 1, 1948, as heretofore authorized by the provisions of Section 17 of Article VII of the Constitution as amended August 23, 1947, Chapter 350, Acts, Regular Session, Fifty-third Legislature, as revealed upon the effective date of this Amendment; but the principal and interest due on any obligations incurred by the governing boards of Lamar State College of Technology at Beaumont and of Texas Southern University at Houston under the provisions of said Chapter 350 prior to its repeal shall be paid from the allocations to Lamar State College of Technology and Texas Southern University from the funds raised by the Five Cent (5¢) ad valorem tax levied as provided in this Section, and the annual allocations to these institutions under the Section shall be first devoted to current requirements for meeting such obligations in accordance with their terms."

"Section 19. For the purpose of constructing, equipping, or acquiring buildings or other permanent improvements for the Texas Agricultural and Mechanical College System, including the Agricultural and Mechanical College of Texas at College Station, Arlington State College at Arlington, Prairie View Agricultural and Mechanical College of Texas at Prairie View, Tarleton State College at Stephenville, Texas Agricultural Experiment Station, Texas Agricultural Extension Service, Texas Engineering Experiment Station at College Station, Texas Engineering Extension Service, at College Station, and the Texas Forest Experiment Station, the governing boards of the Agricultural and Mechanical College of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of one-third (1/3) of twenty per cent (20%) of the exclusive of real estate at the time of any issuance thereof; provided, however, no building or other permanent improvement shall be acquired or constructed hereunder from the proceeds of such bonds or notes, except as may be authorized by the Legislature to grant such approval; and for the purpose of constructing, equipping, or acquiring buildings or other permanent improvements for the University of Texas System, including the Main University of Texas at Austin, The University of Texas Medical Branch at Galveston, The University of Texas Southwestern Medical School at Dallas, The University of Texas Dental Branch at Houston, The Western College of the University of Texas at El Paso, The University of Texas M. D. Anderson Hospital and Tumor Institute at Houston, The University of Texas Postgraduate School of Medicine, The University of Texas School of Public Health, McDonald Observatory at Mount Locke, and the Marine Science Institute at Port Aransas, the Board of Regents of the University of Texas is hereby authorized to issue negotiable bonds and notes not to exceed a total amount of two-thirds (2/3) of twenty per cent (20%) of the value of the Permanent University Fund exclusive of real estate at the time of any issuance thereof; provided, however, no building or other permanent improvement shall be acquired or constructed hereunder from the proceeds of such bonds or notes, except as may be authorized by the Legislature to grant such approval. Any bonds or notes issued hereunder shall be payable solely out of the income from the Permanent University Fund. Bonds or notes issued shall mature serially or otherwise not more than thirty (30) years from their respective dates."

"The Texas Agricultural and Mechanical College System and all of the institutions constituting such System, hereinbefore enumerated, and the University of Texas System, and all of the institutions constituting such System as hereinbefore enumerated, shall not, after the effective date of this Amendment, receive any General Revenue funds for the acquiring or

constructing of buildings or other permanent improvements, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the unsecured loss so incurred may be made by the Legislature out of General Revenue funds. Public Accounts are severally authorized to pledge the whole or any part of the respective interests of the Agricultural and Mechanical College of Texas and of the University of Texas in the income from the Permanent University Fund, as such interests are now apportioned by Chapter 42 of the Acts of the Regular Session of the Forty-second Legislature of the State of Texas, for the purpose of securing the payment of the principal and interest of such bonds or notes. The Permanent University Fund may be invested in such bonds or notes."

"All bonds or notes issued pursuant hereto shall be approved by the Attorney General of Texas and when so approved shall be incontestable. This amendment shall be self-enacting and shall become effective January 1, 1958, provided that nothing herein shall be construed as invalidating the obligations incurred by any outstanding bonds or notes heretofore issued by any State institution of higher learning under this Section prior to the adoption of this amendment, but such bonds or notes shall be paid, both as to principal and interest, from the fund as heretofore allocated to any such institution under this amendment, nor shall the provisions of this amendment affect in any way the prior allocation of the revenue for the term period beginning January 1, 1948, as heretofore authorized by the provisions of Section 17 of Article VII of the Constitution as amended August 23, 1947, Chapter 350, Acts, Regular Session, Fifty-third Legislature, as revealed upon the effective date of this Amendment; but the principal and interest due on any obligations incurred by the governing boards of Lamar State College of Technology at Beaumont and of Texas Southern University at Houston under the provisions of said Chapter 350 prior to its repeal shall be paid from the allocations to Lamar State College of Technology and Texas Southern University from the funds raised by the Five Cent (5¢) ad valorem tax levied as provided in this Section, and the annual allocations to these institutions under the Section shall be first devoted to current requirements for meeting such obligations in accordance with their terms."

It doesn't cost a cent to
Take a Ford Test Drive ...
and you may save hundreds!

Would you trade 20 minutes of your time for a saving of hundreds?

Why put off the fun of a Ford Test Drive for a single day? As you know, it puts you under absolutely no obligation. And it may save you literally hundreds of dollars—we'll get to that a little further on.

By a Test Drive we mean more than a once-around-the-block "spin."

We want you to test the power that rocketed Ford to a 500-mile stock car record at Indianapolis ... the GO that won the grand prize at NASCAR's Daytona Championships. We want you to feel how this Ford scats pays off in your kind of driving; in traffic, passing on the highway, getting going at traffic lights. We'll put either a Ford Six or a mighty V-8 with up to 225 h.p. at your disposal.

We want you to drive and listen—drive and feel.

That fine-car quiet results from sound insulation under the hood, under the roof, in door and body panels—the most insulation in any car at anywhere near Ford's low price.

Some other things that contribute to that smooth, silent, luxury-car ride are things which Ford's leading competitor certainly can't boast: Ball-joint suspension with wide base control arms for better steering, more stabilized wheel alignment ... shock absorbers that are mounted to the frame rather than the body.

"Sure," you'll say as you drive along the road. "Feels pretty good—but after all, this car is new."

Well sir, when you come in from your drive we'll show you why Ford will stay like new for a long, long time.

We'll show you how Ford has five cross-members (including a "K" member) in its frame. Ford's leading competitor only has two. We'll show you the deep-block V-8 engine design which enables Ford engines to take it.

Now—what you've been waiting for. How can you save hundreds of dollars by taking a Ford Test Drive?

Simply by proving to yourself that there really is a fine car in the low-price field.

You see, the reason a Ford does not cost hundreds of dollars more than it does is Ford's huge production and the huge volume which we Ford Dealers sell.

But enough of this talk. Come in. And you do the driving and the talking. Bring the family, too.

FORD goes first

Now! A FORD with AIR CONDITIONING costs less than many medium-priced cars without it. TRY ONE TODAY!

**Merlyne Long
Free Candidate**

Merlyne Long, (Spec) — Mona Kemp Long, 1953 graduate of Goldthwaite High, is one of the candidates who have applied for the position of State Representative for the 11th district at the State College this month. Her commencement exercises will be held at 8 p.m. August 17 in Fouts Field.

Kemp, (now Mrs. Jack Kemp) daughter of Mr. and Mrs. O. Kemp, Rt. 2, Goldthwaite, is a candidate for a bachelor's degree in business administration. She is a member of the Future Teachers of America, Business Leaders of America and the Texas State Teachers Association.

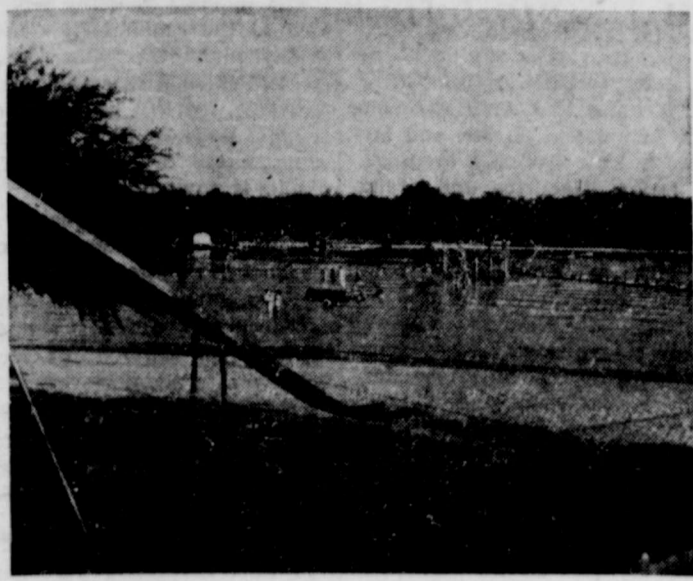

Photo by Roger Parker
LAKE CORPUS CHRISTI STATE PARK on U. S. Highway 59 near Mathis has a fine sandy swimming beach protected from motor boats by a barrier. There is a playground between the beach and the bath houses.

PARK OF THE WEEK—LAKE CORPUS CHRISTI STATE PARK is a popular fresh water playground on the Nueces River. It is near enough to the Gulf Coast to make good headquarters for those who wish to alternate fresh and salt water fishing.

The park takes its name from a lake of 11,676 surface acres behind a dam built to provide a water supply for Corpus Christi. A new dam, 20 feet higher, is under construction. It will increase the lake area but reduce the park's ground area of 2,400 acres.

Situated four miles southwest

of Mathis on U. S. Highway 59, the park is reached also by turning west on San Patricio Street in Mathis and then south on "Lake Road" to the park entrance.

Lake Corpus Christi State Park is one of the most heavily patronized day use state parks. It has no cabins but many people camp in its groves.

A lagoon, protected from rough water, has double boat docks, rental boats and a launching ramp. The lagoon is also the site for the park's "safety first" swimming beach. This sandy shore is protected by a barrier which keeps swimmers in safe water and motor boats at a safe distance.

On week ends, trips about the lake on a pleasure boat can be taken.

**E. C. McFadden Outlines Danger Of
Accidents In Superhighway Driving**

"How's your S.D.Q. — or, to be more explicit, your Superhighway Driving Quotient?"

If you're planning a motor trip in the near future, that question is meant for you. It was asked today by E. C. McFadden of Dallas, Vice President of Employers Casualty Company and President of Texas Safety Association, who is an active worker in the Share the Road program sponsored by the Texas Safety Association, the Department of Public Safety and the National Safety Council. This program is being conducted in cooperation with the Slow Down and Live program of the National Conference of State Safety Coordinators.

"Share the Road driving is a must on superhighways where one faulty move, one mind-straying moment can quickly involve you in a serious accident," he said. "And if you travel any great distance, you'll undoubtedly do some superhighway driving."

McFadden pointed out that superhighway driving is different from average driving, the main difference being the higher speeds permissible on superhighways. "High speed does two things," he said. "It gives you less time to think and react in an emergency situation, and it increases the severity of an accident if one does occur."

"For this reason you must leave plenty of room between you and the car ahead," he said. "Following too closely can cause you to crash into the rear end of the car ahead, if the driver stops or slows down suddenly. This is one of the most common types of super highway accidents."

He also warned against lagging behind the pace of surrounding traffic, because by doing this you invite a rear end collision with the car behind you.

He said another great danger is the lulling effect of driving for long periods of time on straight even pavement with little or no cross traffic. He advised drivers to break the monotony of the trip by stopping frequently at the rest areas which are provided on most superhighways. Here they can take a short walk, a brief nap, or get some refreshment.

"Quick thinking is essential on superhighways," McFadden said. "You must learn to anticipate dangerous situations so you can act in time to stay out of trouble. Look behind for signs of trouble. Look ahead for signs of trouble, (through your rear-view mirrors), watch the pavement for signs of trouble."

He also advised motorists to use great caution when entering and leaving superhighways, being careful to adjust their speeds to the prevailing pace as soon as possible.

"The best way to stay safe on superhighways is to stay alert at all times and to adopt a cooperative share-the-road policy," he said.

Mr. and Mrs. A. A. Harbour of Lometa spent last Tuesday and Wednesday with Mr. and Mrs. Charlie Miller.

PROPOSED CONSTITUTIONAL AMENDMENTS TO BE VOTED ON AT AN ELECTION TO BE HELD NOVEMBER 6, 1956

HOUSE JOINT RESOLUTION NO. 31 proposing an amendment to Article III of the Constitution of the State of Texas by adding thereto a new Section to be known as Section 51-c, providing that the Legislature may grant aid and compensation to persons who have been fined or imprisoned under the laws of this State for offenses of which they are not guilty.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto another Section, to be designated as Section 51c, which shall read as follows:

"Section 51-c. The Legislature may grant aid and compensation to any person who has heretofore paid a fine or served a sentence in prison, or who may hereafter pay a fine or serve a sentence in prison, under the laws of this State for an offense for which he or she is not guilty, under such regulations and limitations as the Legislature may deem expedient."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1956, at which election all of the ballots shall have printed thereon the following:

"FOR THE CONSTITUTIONAL AMENDMENT granting power to the Legislature to grant aid and compensation to persons who have paid fines or have served prison sentences under the laws of this State for offenses of which they were not guilty."

"AGAINST THE CONSTITUTIONAL AMENDMENT granting power to the Legislature to grant aid and compensation to persons who have paid fines or have served prison sentences under the laws of this State for offenses of which they were not guilty."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Representative To
Be Here Aug. 22**

The regular visit of the Social Security Representative to Goldthwaite, Texas, will be Wednesday, August 22, 1956. You are invited to contact this representative at the Department of Public Welfare at 8:00 a.m.

This community service is offered by the Austin office of the Social Security Administration for the convenience of residents of this area.

Dr. Robert Henry Johnson of Dallas was a guest of his parents, Mr. and Mrs. Bob Johnson last week.

You get more car when you buy it... more dollars when you sell it! Chevy has the highest resale value of the leading low-priced models.

**Why people who used to buy higher priced cars
are changing to Chevrolet**

More and more buyers are deciding that they prefer a sweet handling Chevrolet to a big, unwieldy high-priced car!

When you consider Chevy's reputation for performance and roadability, you wonder why anyone

would pay hundreds of dollars more for a higher priced car. Well, a lot of people have been wondering the same thing, and the result has been a big switch from high-priced cars to Chevrolet. Of course you save plenty, too. Come in and sample the fun and get the facts!

America's largest selling car—2 million more owners than any other make!

Death Claims Second Victim In Head-On Auto Crash Near Mullin

W. C. Lewis, 61, of St. Petersburg, Florida died in a Brownwood hospital last Friday night of injuries received Wednesday morning of last week in an automobile collision in which his wife lost her life, four miles northwest of Mullin on U. S. Highway 84-183.

Miss Marie Elizabeth Louise Lewis, daughter of the fatally

injured couple and Miss Mildred Eugenia Barnett, daughter of Mr. and Mrs. E. B. Barnett of LaMarque, were seriously injured in the accident.

Miss Barnett, public health nurse with the State Health Department, was driving alone in a 1953 Pontiac enroute from Austin to an assignment in Lubbock when the accident occur-

red.

The Lewis family was in a 1956 Buick. Both cars were demolished.

The bodies of Mr. and Mrs. Lewis were sent by rail early Sunday morning from Roy Wilkins Funeral Home to Lain and Son Funeral Home in Chicago. Burial was in Waldheim Cemetery of Chicago.

Mr. Lewis and his family were returning to St. Petersburg at the time of the accident. During their vacation tour they had visited in Illinois and Estes Park, Colorado, stopping at San Angelo just before the fatal accident to visit in the home of

Mr. Lewis' sister.

At last report Miss Lewis and Miss Barnett were reported in satisfactory condition.

Miss Patricia Bryan has returned to the Shannon School of Nursing in San Angelo after having spent her vacation here in the home of her parents, Mr. and Mrs. Cecil Bryan Sr. G. B. Bryan of San Antonio was also a guest of his parents while his sister was here.

Mrs. Anna Jean Evans left the first of the week for Waco where she has accepted employment.

Moline "Pick-Ups"

BY LEMON SQUEEZER

Mr. and Mrs. Arch Kincheloe of Star called on Mr. and Mrs. T. A. Hale Tuesday evening.

Dolan Kincheloe and grandfather Hale were in Evant on business Saturday.

Mr. and Mrs. Henry Soules, Mrs. Clyde Clary, Mrs. Red Arrowood and Mrs. Pat Carswell were in the John Witty home Wednesday to welcome Mrs. Witty home, but she was unable to come home. On Friday she was brought home and we wish for her a speedy recovery.

Mr. and Mrs. Sandy Hairston and Mr. and Mrs. Ernest Hairston and children of Killeen spent Sunday with her parents.

Mrs. Frank Adams of Son Saba spent the weekend with Frank and Mrs. Clem Adams.

The Baptist meeting will begin here the 19th of August and everyone is invited to attend these series of meetings.

The monthly meeting will be held at the Community Center Friday night the 17th. Bring freezers filled with cream ready to freeze, ice will be furnished. If you do not have freezers, bring cakes or cookies. The public is invited.

We learn that Mrs. Pearl Cox, patient in a San Marcos hospital, is no better.

Mr. and Mrs. Webb Laughlin attended the funeral services for Mrs. Sam Buttrel in Lometa Sunday afternoon.

Mrs. Pat Carswell and children and Mrs. Red Arrowood were at the Frank Hendricks home in Red Bluff Monday afternoon.

Emmett Kincheloe of Star and Paul Kincheloe were Austin visitors Tuesday.

Mrs. Brit Berry spent Monday with her parents, Mr. and Mrs. Mill Hairston.

Mr. and Mrs. Red Arrowood accompanied their nephew, Eldon Hammond, to Lubbock to attend the Cook reunion last weekend.

Mrs. M. L. Truett called on Mrs. Ruby Hunt Friday evening.

Mrs. Paul Kincheloe Friday evening with her mother, Mrs. Platt, in the home of her sister, Mrs. Jim Kincheloe in Adamsville.

Mrs. Orb Duncan was a guest of Mrs. Ruth Hunt Friday evening.

Mr. and Mrs. Don Cook several days with her mother, Mr. and Mrs. Jesse Barnett.

Mr. and Mrs. Glynn and children of Killeen were weekend guests in the home of her parents, Mr. and Mrs. Baird.

Mrs. Pete Miles visited Elmer Poe and Wince Elmer Monday evening.

Mr. and Mrs. Red Arrowood were guests of Mr. and Mrs. Webb Laughlin, Wednesday night.

Mrs. Ruthel Sobolt and Earl of Fort Worth spent weekend with her parents and Mrs. Chock Duncan daughters.

LOY LONG GROCERY
 PRICES GOOD FRIDAY & SATURDAY, AUG. 17 & 18

Annual Fair Friday At Fredericksburg

68th annual Gillespie Fair opens at Fredericksburg Friday through August 17, 18, and 19. Entertainment has been planned for each of the three days and good displays will be found in all departments. While there may be more displays of agricultural products than usual, as are that good com-

munity and 4-H and FFA exhibits will be arranged that that very exceptional displays of peaches and other fruit are to be shown at the fair this year, President Victor Krauskopf says.

Horse racing will be the feature attraction on each of the three afternoons with many of Texas' finest horses running in the thoroughbred and quarter horse races scheduled daily.

In addition to racing, baseball is booked afternoons with the Fredericksburg Giants meeting the Texans Friday, Boerne White Sox Saturday and Pat's Cubs in a Hill Country League game Sunday. Brass band music will round out the afternoon programs on each of the days.

Night entertainment at the fair features McGhee's Trained Elephant, the Portis and Mary Sims Liberty Horses and Dog and Pony Troupe; Johnny Lane of TV fame; the famous Lone Star Hitch and other interesting features including a pre-program concert by St. Mary's Band. Additional merriment will be provided for each afternoon and night by the glittering midway of the Empire State Shows.

The fair opens with a big parade Friday at 10 a.m. Opening day of the fair is free to all school children and prices are reduced for adults both to grounds and grandstand. An advance sale of reserved seats for the grandstand for all three days is being conducted through the Fredericksburg Chamber of Commerce.

Mrs. Tom Cave and daughter, Miss Ruby Cave returned home Tuesday from a visit with Mr. and Mrs. Tommy Cave and children at Hurst.

Chappell Hill

By PEARL CRAWFORD

A large crowd attended the services at Lake Merritt last Sunday afternoon. Rev. Karnes and his family are former residents of this community. He will hold services again next Sunday, August 19.

W. P. Oxford and sons have harvested a nice feed crop.

Hugh Nowell gathered corn at the A. R. Whatley farm last Monday.

Mr. and Mrs. W. P. Yeager and Mrs. J. C. Bramblett took Mr. and Mrs. C. M. Bramblett to Temple last Tuesday, where Mr. Bramblett went through the clinic. He received surgery but at last report was back at home doing satisfactorily.

Douglas Robertson has returned home from a Brownwood hospital where he was a surgical patient. We are hoping for him a speedy recovery.

Mr. and Mrs. Wilson Robertson and sons and Mrs. W. A. Elms visited George and Pearl Crawford Sunday afternoon.

Mr. and Mrs. W. P. Yeager, Mr. and Mrs. C. M. Bramblett were dinner guests Sunday of Mr. and Mrs. J. C. Bramblett.

Raymond Ivy of Goldthwaite spent last week with his grandparents, Mr. and Mrs. J. S. Ivy.

Everything is very quiet at the W. A. Elms home after a weeks visit of two families of grandsons. The boys surely enjoyed playing ball and eating watermelons. Mr. Elms took some of his nice goats to Junction to the show and reunion and Billy Robertson of San Angelo stayed with his grandmother to help with the work, and keep the home fires burning.

Mr. and Mrs. W. L. Conner, Mary and Dorothy attended church at the Church of God in Mullin Saturday night, Sunday and Sunday night.

Mr. and Mrs. John Cunningham of Blanco, Mr. and Mrs. Floyd Daniel and Mark visited Mr. and Mrs. Truman Vaughan, Scotty and Johnny Sunday.

Mr. and Mrs. Olen Simmons of Grand Prairie, Mr. and Mrs. Herschell Williams were recent guests of Mr. and Mrs. W. W. Williams.

Mr. and Mrs. W. P. Ledbetter, Mr. and Mrs. Noel Ledbetter and children attended the McCoy family reunion in San Saba Sunday.

Mr. and Mrs. J. S. Ivy and Mr. and Mrs. A. L. Crawford and William G. did some fishing during last week and this scribe enjoyed fish at the Crawford home Sunday afternoon.

Mr. and Mrs. Keese of Kerrville, Mr. Cook of Denton were guests Saturday of Mr. and Mrs. Woodrow Ratliff, Ronald, Steve and Wayne.

Mr. and Mrs. Luther Geeslin visited Mr. and Mrs. V. T. Stevens.

Mrs. Alice Sherrod of Texas City visited relatives here Sunday.

Humble Golden Esso Available August 17

The new, extra high performance gasoline developed recently by Humble Oil Refining Company will be available in Goldthwaite, Texas soon, R. C. Stoker, local Humble agent, announced today.

Humble's Golden Esso Extra gasoline, designed to satisfy the requirements of new high compression engines, will be available at three Humble service stations beginning Friday, August 17.

"The need for this new gasoline, became urgent earlier than was anticipated," Stoker stated. "Our No. 1 gasoline, Humble Esso Extra gives top performance in the vast majority of the high compression engines now on the road; however, there are already some automobiles that require a super-premium fuel. Golden Esso Extra is the answer to that need."

Stoker pointed out that this innovation enables the motorist to select the fuel that meets the power requirements of his car at the lowest cost. "This is the economical way to provide for the ever-widening range in power requirements," he said. "Every step upward in the performance rating of a gasoline

is a costly one; Golden Esso Extra will carry a three-cent higher tank wagon price than Esso Extra which is premium priced over Humble Motor Fuel. Thus the customer has the economic advantage of being able to choose the fuel that will operate his car at maximum efficiency."

Humble sales and service station personnel in this area attended a training meeting Monday, August 13, at Stacy's Cafe where they were given details of the new gasoline and the overall marketing plan.

Scallorn News

MRS. ORA BLACK
A large crowd from Scallorn were in Lometa Sunday afternoon to attend funeral services for Sam Buttrel who passed away Friday morning at his home in the Chadwick community.

Mr. and Mrs. Frank Hines and Miss Greta Sue attended funeral services for Mrs. Townsend, a friend, in Adamsville Saturday.

Mrs. Charlie Wright and two grandchildren of Coleman were our guests last Friday.

Mr. and Mrs. T. A. Casbeer were guests in the Dutch Smith

home Saturday evening. Mr. and Mrs. Dean Burk of San Angelo visited last weekend with his parents, Mr. and Mrs. Silas Burk.

We were in Brownwood several days last week visiting a brother-in-law, S. M. Black, who has been quite ill. He is recovering nicely since his return from a Fort Worth hospital.

Mrs. Lora Mound received a message recently stating her nephew, Joe Hodge Fox, and Mrs. Fox were the proud parents of a baby boy. Joe Hodge is a son of our Will Fox of Goldthwaite.

Mrs. Mamie Winsor and Mrs. Lou Burks of Goldthwaite attended church services at Scallorn Friday evening.

Mr. and Mrs. E. J. Callaway

and son, Ted, from Spear were guests of friends in this community Sunday.

Mr. and Mrs. Frank Hines and Miss Greta Sue attended the wedding of Mr. Fields and Miss Casbeer in Lampasas last Saturday. Mr. Fields is a nephew of the Hines'.

Miss Greta Sue Hines is a house guest this week of Mrs. Jud Strickland of Goldthwaite.

SUNDAY SERVICES AT LAKE MERRITT SCHOOL HOUSE

Rev. N. C. Karnes of Brownwood will preach at the Lake Merritt School house Sunday afternoon, August 19, at 2:30 o'clock.

Everyone has a most cordial invitation to attend the services.

Outdoor Cooking With LP-Gas

Outdoor cooking enthusiasts may be interested to learn that the newest and most efficient method of charcoal broiling is without charcoal!

It can be done quicker, cleaner, and cheaper with LP-Gas, according to the National LP-Gas Council, and the results are the same or even better.

Homemakers are just beginning to catch on to this idea, but progressive restaurants and roadside inns have for some time been using gas in their huge "charcoal" grills the Council reports.

Lava rock or pieces of ceramic rest on iron grates or wire mesh screen above gas burners. The gas flame heats the rock; and steaks, chops, hamburgers, chicken, and fish are broiled to mouth-watering perfection, through infra-red rays. Drippings are burned on the hot rock, and the smoky flavor permeates

the broiled food, giving a perfect charred-like flavor.

With controlled heat, the food is cooked more evenly. There is no long wait for hot coals, and there is no charcoal to replace. If the homemaker broils often, purchase of charcoal can be quite an item in the budget.

A complete LP-Gas unit can be built into an open hearth located wherever the owner desires. Liquefied petroleum gas can be piped to the grill from a bulk tank, if LP-Gas is used for heating or cooking in the home. Or if the owner wants to place the broiler on a patio or in a garden corner, a small tank or cylinder of gas will furnish plenty of fuel. For suburban, town or country living, there's nothing simpler.

Even in winter barbecue fans can enjoy foods cooked with that distinctive "outdoor" flavor. Broilers and meat ovens in the 1956 LP-Gas ranges use this same principle of penetrating infra-red rays for radiant "charcoal-type" heat.

BILLY WIMBERLEY RETURNS with his Drifting Texans to Lake Eanes August 16-17 for the Annual Meeting - Electric Fair of Comanche County Electric Co-Op. The Central Texas farm boy is veteran radio, TV and jamboree show performer.

Cool Eggs Mean More Profit To Poultrymen

College Station, (Spec)—Texas egg producers who sell on a grade basis are finding that on-the-farm egg cooling equipment when used with frequent deliveries to the egg grading station is both economical and profitable. Kermit F. Schlamb, extension poultry marketing specialist, says a 30 dozen case of eggs can be cooled for about 10 cents.

Research done at Texas A & M College, he adds, established this figure and also showed that producer returns could be materially increased. He cites the record of a producer who used adequate cooling facilities and delivered his eggs to the grading station five times plus each week. This producer, according to Schlamb, received 2.39 cents a dozen more than the average producer selling through the same program. That is almost 72 cents more for every case of eggs delivered.

The specialist emphasizes that during hot weather eggs should be gathered three or more times each day and then immediately cooled. The temperature of an egg when it is laid is above 105 degrees and unless it is cooled quickly, quality goes down. The egg, as designed by nature, contains self-destroying enzymes which work rapidly at temperatures above 55 degrees. The thick white and yolk membranes of the egg are broken down and the higher the temperature the faster the action of the enzymes.

Quality breakdown can be reduced to a low level by cooling eggs to about 30 degrees but the cost becomes too great. Therefore, says Schlamb, a cooling temperature of 55 degrees or lower is recommended. But, he warns, quick cooling and proper holding temperature are not a substitute for frequent delivery of the eggs to the grading station for age is also a factory in quality.

Changes Effected In World War II GI Loan Bill With New Law Passed

The Bill signed by the President extending the World War II GI Bill Loan deadline also has other important provisions affecting many veterans. — Scott B. Harrington, Manager of the Veterans Administration Regional Office in Dallas said today.

The new law will permit any veteran who sells residential property purchased with a GI loan to be relieved from liability to the Government under certain circumstances, Harrington said.

Previously, the veteran who sold his property and allowed the purchaser to assume his GI loan still remained liable to the Government in the event of subsequent foreclosure and the payment of a guaranty claim by the VA.

Now, Mr. Harrington pointed out, the veteran may be relieved of liability if the purchaser assumes full liability on the loan, the VA approves him from a credit standpoint, and the loan is current.

The new law also permits World War II veterans to have their GI loan entitlement re-stored up to January 31, 1956, if

their property was taken by a governmental agency for public use, was destroyed by a natural hazard, or was otherwise disposed of for compelling reasons without fault on the part of the veteran.

The law extended the World War II GI Loan program ending date for one more year to July 25, 1958. Any loan application received by VA up to that time may be guaranteed by VA if it is completed by July 25, 1959.

Another provision permits the restoration of GI home loan entitlement to a veteran in military service who disposes of his home because of a transfer under military orders.

Veterans will have to certify that they intend to live in the home they are buying with the assistance of a GI loan at the time of application and at the time of closing the loan.

The new law also clarifies and confirms VA's authority to make the final determination of reasonable value of property irrespective of the estimate of value made by an individual appraiser.

September Plentiful Foods List Topped By Turkeys And Rice

College Station (Spec) — A record turkey crop is expected this fall . . . about 10 million head more than a year ago.

Heaviest increases in farm marketings over a year ago are due in September, placing turkeys at the top of the U. S. Department of Agriculture's plentiful foods list for the month.

Rice is another top feature on the list. While this year's crop is estimated to be about 13 percent less than last, carryover supplies are still heavy.

With the drought forcing more

cattle to market than last year, beef also makes the September plentiful list. Since most cattle are off grass, intermediate and lower grades of beef will be especially plentiful. Good catches of hogs and sheep will be especially plentiful. Year have put canned tomatoes on the list.

Too, broilers and fryers and other dairy products, Bartlett pears, summer berries and peanut butter are on the list.

PROPOSED CONSTITUTIONAL AMENDMENTS TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 6, 1956

SENATE JOINT RESOLUTION NO. 8 proposing an amendment to the Constitution of the State of Texas, amending Section 44, Article III of the Constitution of the State of Texas, as amended November, 1954, or any enabling legislation passed pursuant thereto; providing for the necessary section, form of ballot, proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 44 of Article III of the Constitution of the State of Texas be amended so as to read as follows:

"Section 44. In addition to the powers given the Legislature under Section 44, Article III, it shall have the right to levy taxes to establish a fund to provide retirement, disability and death benefits for persons employed in the public schools, colleges and universities supported wholly or partly by the State; provided that the amount contributed by the State to such fund each year shall be equal to the aggregate amount required by law to be paid into the fund by such employees, and shall not exceed at any time six per centum (6%) of the compensation paid each such person by the State and/or school districts, and shall in no case (1) exceed the sum of Five Hundred Four Dollars (\$504.00) for any such person; and provided that no person shall be eligible for retirement who has not rendered ten years of creditable service in such employment, and in no case shall be entitled to refund of moneys paid into the fund.

"The Legislature may authorize all moneys coming into such fund to be invested in bonds or other evidences of indebtedness of the United States, or of this State, or any county, city, school district, or other municipal corporation or district of this State; or in such other securities as are now or hereafter may be permitted by law as investments for the Permanent University Fund or for the Permanent School Fund of this State; provided a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as may be provided by law; and provided that the recipients of such retirement fund shall not be eligible for any other State pension retirement funds or allowances from the State of Texas, unless such other State pension or retirement fund, contributed by the State, is released to the State of Texas

FRIDAY HUMBLE RESEARCH

presents to the motorists of Texas the world's finest automotive gasoline . . .

This new gasoline is designed for the growing number of automobile engines with very high compression ratios, and for cars that tend to knock on "premium" gasolines. In many cars, it is the only gasoline that will give you knock-free performance.

It has the highest octane rating of any automotive gasoline in town—the highest by far.

But octane rating is only one performance quality. Other improvements match Golden Esso Extra's increase in octane rating: this new gasoline also sets new quality standards for quick starting and fast warm-up, for protection against vapor-lock, for

minimizing engine deposits, for maximum acceleration, for protection against gum formation, for long mileage and maximum power.

It is the finest gasoline Humble has ever made—its performance rates it "premium over premium."

If yours is a car with a very high compression ratio—if your high compression engine tends to knock on "premium" gasoline—fill up with Golden Esso Extra at the golden pump under the Humble sign. You'll save the extra cost through performance, operating economy, and added gasoline mileage.

Golden Esso Extra is One of Three Great Humble Gasolines

Golden Esso Extra is for cars with very high compression ratios. But there are hundreds of thousands of automobiles in Texas that give perfect performance on Humble's famous Esso Extra gasoline, and there are others that perform well on regular grade Humble Motor Fuel.

Humble provides all three grades: Golden Esso Extra—premium over premium; Famous Esso Extra—premium; Humble Motor Fuel—regular.

Thus: you pay only for the quality your car requires.

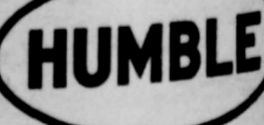

Those whose cars require Golden Esso Extra quality will find it profitable to pay more for this new gasoline.

But for many, Famous Esso Extra is the best gasoline they can use. No. 1 in Texas, first in sales among the "Premiums" because it's first in quality. This great gasoline will continue to be the leader in its field.

For others, Humble Motor Fuel sets the pace for performance and mileage among the "Regulars." It is the only regular gasoline in Texas that contains a patented solvent oil to keep your engine clean.

Use and pay only for the gasoline your car requires . . . You'll find it under the Humble sign.

Oh Yes You Can Keep Cool This Summer

Just put electricity to work to bring you the coolest, most pleasant summer you've ever known. With an electric room air conditioner in your home, you'll enjoy your favorite TV programs in air conditioned comfort. You'll relax in clean, dry, cool, filtered air — free from stifling heat and humidity. Your modern air conditioner filters out dust and dirt and moisture. You'll sleep better, too, without outside noises to disturb your rest.

Your dealer will be happy to demonstrate a new model today

News Of The Ebony Community

By CLEMENTINE WILMETH BRILEY

Clayton and Helen Egger have been painting some on the outside of their house. Helen has been elected to teach in the Early High School. She will go from home.

The Griffins had all their children at home this past week. Johnny, Odell, Gladys of San Antonio, and Charles and Helen from Alaska.

Joe Reynolds, son of Mr. and Mrs. Mack Reynolds of Lake Arthur, New Mexico, who has been staying with his aunt, Mrs. Effie Egger, and working for Clayton for quite sometime, left Monday for home.

John Briley and Clayton Egger put up a new "Can't Sag" gate in place of the tangled wire one at the end of the Griffin lane last week. And a phone has been installed in the Dwyer home. So in spite of the drought, the march of progress goes on.

The oil well being drilled on the old Kelly place is still the center of attraction for some of us. John planned to go over again Saturday afternoon when he discovered that the hose connection of the water pump to his car was leaking. He worked on it all evening without success. The next day was homecoming at Indian Creek.

It seemed that we were going to have to be resigned to staying home. Then we saw a car light coming. It was Marie Wilmeth and Mrs. Edna Dwyer. Marie said she would come by for us Sunday morning.

We first went to church at Oakland. Then we went to the services of the Baptist Church at Indian Creek and the Homecoming. The large tabernacle was almost crowded. Wayne Allen, an Indian Creek boy, son of Mr. and Mrs. Ludlow Allen, was the speaker of the morning. He gave a very forceful and interesting sermon.

It has been so long since I had been at Indian Creek, I kept glancing around for someone I might recognize. I discovered right in front of me Annie Knape McBride, Ada Honea Griffin, and right beside them Flora Reeves Hodges. On the left I saw Miss Cora Posey. And over on the right there were Luther Jernigan and Stanley Reeves, while Mrs. Reeves and Mrs. Effie Egger sat right near me. After a little in came Mrs. Louis Honea, Mr. and Mrs. Firman Smith and sons, Mrs. Ellie Locks and Mrs. Brownie Reeves White. So here we were the Ebony and Indian

Creek of long ago right here together in the same old places after all these years. It was a wonderful experience.

There was dinner on the ground. Then singing. I sat by Mrs. Stanley Reeves and quizzed her till I knew most everyone in the choir. I got to see Odie and Amy McCoy—two sweet little pupils who each went their first school to me. Also Odie's sister, Mrs. Elmer Posey. There were others—the Olson girls, Holmes Martin, Charlie Coburn. Alma Sikes I had not seen since she went to school to me at Ebony in 1920. She introduced me to her daughter, a graduate of Richland Springs. So pretty in her pretty white dress.

I looked for Dr. Cearnel's house where I had boarded when I taught at Indian Creek. It was gone. So were other houses. They had taken the roof off their nice, big, rock schoolhouse. The walls stood naked and jagged and useless beside the road. Where? Oh where have they gone? Our once thriving country communities.

Mr. and Mrs. Wayne Locklear of Weatherford visited his parents, Mr. and Mrs. C. Locklear Sunday afternoon.

PROPOSED CONSTITUTIONAL AMENDMENTS TO BE VOTED ON AT AN ELECTION TO BE HELD NOVEMBER 6, 1956

HOUSE JOINT RESOLUTION NO. 9 proposing an Amendment to Section 11 of Article I of the Constitution of the State of Texas by adding a new subsection to be designated as Section 11a, relating to denial of bail to a person charged with a felony less than capital who has been theretofore twice convicted of a felony; providing for the submission of the proposed Amendment to a vote of the people and for proclamation and publication thereof.

Section 11a. Any person accused of a felony less than capital in this State, who has been theretofore twice convicted of a felony, the second conviction being subsequent to the first, both in point of time of commission of the offense and conviction thereof may, after a hearing, and upon evidence substantially showing the guilt of the accused, be denied bail pending trial, by any judge of a court of record or magistrate in this State; provided, however, that if the accused is not accorded a trial upon the accusation within sixty (60) days from the time of his incarceration upon such charge, the order denying bail shall be automatically set aside, unless a continuance is obtained upon the motion or request of the accused; provided, further, that the right of appeal to the Court of Criminal Appeals of this State is expressly accorded the accused for a review of any judgment or order made hereunder.

Section 11b. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1956, at which election all ballots shall have printed thereon the following: "FOR the amendment to the Constitution of the State of Texas providing that a court, judge or magistrate may deny bail to a person who has been convicted of two (2) previous felonies."

PROPOSED CONSTITUTIONAL AMENDMENTS TO BE VOTED ON AT AN ELECTION TO BE HELD NOVEMBER 6, 1956

SENATE JOINT RESOLUTION NO. 9 proposing an Amendment to Section 49-b of the Constitution of Texas, so as to change the membership of the Veterans' Land Board; so that the total number of members shall be increased to Two Hundred Million Dollars (\$200,000,000); providing for the submission of the proposed Amendment to a vote of the people and for proclamation and publication thereof.

Section 49-b. There is hereby created a Board to be known as the Veterans' Land Board, which shall be composed of the Governor and two citizens of the State of Texas, appointed by the Governor with the advice and consent of the Senate. The Governor shall appoint one such member to serve for a term of four years, and the other two members shall be appointed for terms of two and four years, respectively, and all subsequent appointments shall be according to the terms of this section. One such appointive member shall be well versed in veterans' affairs and the other two members shall be well versed in finance. The Board shall be known as the Veterans' Land Board and shall be the administrator of the program under such terms and regulations as may be prescribed by law. The compensation for said appointive members shall be as fixed by the Legislature, and each shall make bond in such amount as may be prescribed by law. The Veterans' Land Board shall have the honor of the State of Texas and shall be known as the Veterans' Land Board. Such bond shall be executed by said Board as such bond, denominations, and upon the terms as may be provided by law or as may be provided by the Board. The rate of interest on such bonds shall not exceed three percent (3%) per annum, and the same shall be paid for not less than par value.

"The sale of any such bonds, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, the Permanent School Funds; such bonds to be issued as needed, in the opinion of the Veterans' Land Board.

"The Veterans' Land Fund shall be used for the sole purpose of purchasing lands for the sale of such lands to the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other institution of the State of Texas; (c) owned by any person, firm, or corporation.

Provided, however, the portion of the Veterans' Land Fund not immediately committed for the purchase of lands may be invested in short term United States bonds or obligations until such funds are needed for the purchase of lands. The interest accruing thereon shall become a part of the Veterans' Land Fund.

"All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of the Veterans' Land Fund.

"The lands of the Veterans' Land Fund shall be sold by the State to Texas veterans of the present war or wars, commonly known as World War II, and to Texas veterans of service in the Armed Forces of the United States of America subsequent to 1945, as may be included within this program by legislative Act, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now provided by law, or as may hereafter be provided by law.

"All monies received and which have been received under the Constitutional Amendment as adopted by the people of Texas at the election held on November 13, 1945, and which have not been used for repurchase of land as provided herein by the Veterans' Land Board from the sale of lands and for interest on deferred payments, shall be credited to the Veterans' Land Fund for use in purchasing additional lands to be sold to Texas veterans of World War II, and to Texas veterans of service in the Armed Forces of the United States of America subsequent to 1945, as may be included within this program by legislative Act, in like manner as provided for herein, for a period ending December 31, 1959; provided, however, that so much of such monies as may be necessary to pay the principal of and interest on the bonds heretofore issued and on bonds hereafter issued by the Veterans' Land Board shall be set aside for that purpose. After December 31, 1959, all monies received by the Veterans' Land Board from the sale of the lands and interest thereon, or so much thereof as may be necessary to pay the principal of and interest on the bonds heretofore issued and on bonds hereafter issued by the Veterans' Land Board, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law.

"This Amendment shall be effective on and after January 1, 1957.

"Section 1. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at the general election to be held throughout the State of Texas on the first Tuesday after the first Monday in November, 1956, at which election all ballots shall have printed thereon the following: "FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to change the membership of the Veterans' Land Board; increasing the Veterans' Land Fund by \$100,000,000; said fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans of World War II and to Texas veterans of service in the Armed Forces of the United States of America subsequent to 1945. Such funds shall be expended in accordance with instructions and requirements that may be prescribed by law."

Sale Of U.S. Farm Goods Overseas Shows Increase For This Year

COLLEGE STATION, (Spec) — Surplus agricultural commodities valued at about \$1½ billion have been sold to foreign countries in exchange for their own currency since September 1954. Of this, sale of \$759 million worth was arranged for in the first six months of 1956, says Extension Economist John G. McHaney.

He reports that the USDA's Foreign Agricultural Service has had primary responsibility for these agreements for sales of surplus commodities. The program of foreign surplus sales was provided for by Congress under Title 1 of Public Law 480. To date 59 agreements with 27 countries have been arranged with 27 of the agreements coming during the first six months of 1956.

Commodities sold for foreign currencies include wheat and wheat flour, feed grains, rice, cotton, tobacco, dairy products, poultry, fats and oils, dry edible beans, fruits and vegetables, meat products, cotton linters and seeds. In terms of dollar value, wheat flour leads the list of commodities exchanged (\$526 million worth), with cotton second (\$358 million).

The foreign money received is

being used to buy strategic materials, for developing agricultural markets abroad, payment of U. S. debts, and loans to friendly countries for trade and economic development.

Public Law 480 provides other ways of disposing of surplus farm commodities. These include shipments for famine relief and other assistance abroad, donations for foreign and domestic relief through non-profit voluntary agencies and inter-Governmental organizations and barter contracts.

Under all these programs, about \$3 billion worth of agricultural commodities have been disposed of since the beginning of operations under Public Law 480 in 1954.

HELPING COTTON HOLD ITS OWN

Only thirty years ago, cotton was king of our farmers' domain. It was the nation's No. 1 cash crop.

Today, cotton has been exiled to the third niche in national farm economy, below meat and dairy income. And unless much work is done on cotton's behalf, the famous mainstay of plantation days is in for an even tougher ride on the world's market.

One major threat to cotton's No. 1 spot on the domestic fiber market is the marked acceptance

of new synthetics which are gradually eating their way into all areas of the fabric trade. Last year alone, synthetics took three percent of the market from cotton, bringing rayon, acetate and nylon up to 27.8 percent of the total cotton's take was 65.7 percent of the market—still No. 1, but 10 percent below its standing a decade ago.

At the June meeting of the American Cotton Congress in Lubbock, a top economist for the National Cotton Council said competition is beating out cotton on three counts: research, promotion and price.

Total cotton research money spent last year by all public and private agencies was \$14 million dollars. Synthetic fiber producers are spending at least \$80 million a year for research alone.

Similarly, cotton producers, through the National Cotton Council, spent only a half-million for promotion in 1955 compared with \$12 million given over to promote synthetics. Since most synthetics are much cheaper to produce, many are under-selling cotton.

This would indicate that cotton's problem is largely financial, since there is no question as to quality and usefulness. Some say cotton producers, the farmers themselves, should insure cotton's future to the tune of \$1 to \$1.50 on each bale produced, spending the total on research and promotion.

Everyone concerned agrees that money spent now could mean a market saved some time in the future.

Much work has already been done in the right direction, and there's little doubt the cotton industry will respond in a big way to maintain its role at the top of the fiber market.

— IT PAYS TO ADVERTISE —

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

By CHARLES HAENISCH

A total of 20,000 catfish were delivered to farmers and ranchers of the Brown-Mills Soil Conservation District last week. The fish were delivered by the Fish and Wildlife Service which cooperates with the local Soil Conservation District in stocking farm ponds. W. E. Dickens was on hand to assist in making the delivery.

Those who received fish were Marian Baugh, E. B. Clardy, Bert Cole, J. T. Cole, S. R. Congleton, Katy Deeds, J. B. Denman, Bransford Eubanks, A. S. Ford, L. L. Gwathney, S. B. Haddon, J. T. Harrell, F. J. Heffington, W. H. Holleman, D. E. Mar Koller, Jack T. Lamkin, C. C. Lockwood, E. C. Martin, Alice Moseley, Raymond Moseley, J. D. Nabers, J. R. Newsom, O. H. Nichols, Hollis Pace, A. L. Pope, W. R. Reid, J. E. Shannon, B. B. Shoemake, A. R. Sikes, R. H. Smith, J. B. Stephens, H. C. Taylor, L. N. Vogel, Howard Wilson, C. B. Wisdom.

An average size pond properly stocked and fertilized will produce 200 to 250 pounds of fish each year. Fertilizer, while producing food for fish, will control moss and other water plants. For information on the kind and amount of fertilizer to use contact the S.C.S. technicians.

Two miles of terraces were constructed this last week for Vernon Holleman of the Jordan Springs Community and McClung of the Grosvenor Community.

Stock ponds were located and staked for the following farmers and ranchers of the Brown-Mills Soil Conservation District: D. S. Wheeler, O. T. Jarvis, D. S. Gentry and Arnold Boenicke.

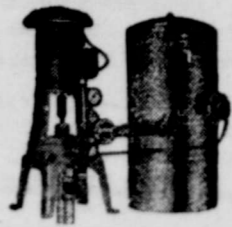

Favorites To Be Sung By Western Star, Eddie Dean

WACO — The songs that many millions of Americans have heard on records made by Eddie Dean will be given by the Western star in person when he appears at the world's championship rodeo in Waco during the Heart O' Texas Fair, September 29 through October 5.

His smile, his presence, his personality make the songs even more effective than when heard on a recording, over the radio, in a movie or on television.

He promises to sing the ones that have been great favorites,

and among them "Cry of a Broken Heart", "I Dreamed of a Hillbilly Heaven" and "On the Banks of the Sunny San Juan", to the music from his guitar. Incidentally, Dean is the composer of the songs which he has made famous.

AUSTIN, Tex. — The eyes of Texas are on Chicago this week. And, politically speaking, the state nestles in one man's pocket. Sen. Lyndon Johnson heads the 112-member Texas delegation, each of whom will cast one-half vote of the state's 56 nominating votes. They are pledged to support him as a favorite son nominee until he releases them. Thereafter they will vote under the unit rule, probably for whatever candidate is favored by Sen. Johnson. All delegates and the 70 alternates were selected by the May convention with the senator's approval. Another Texan, Speaker Sam Rayburn, figures prominently in convention affairs. He will be presiding over a presidential convention for the third time.

SEPTEMBER CONVENTION IN DOUBT — Who will win and how at the September State Democratic Convention is a subject of heated debate. Actual outcome will not be known until the meeting gets under way in Fort Worth. Rival conservative and liberal delegations will struggle for nearly 600 seats. Convention control hinges on these places. Precinct and county conventions named some 577 definitely liberal delegates, about 224 conservatives. But neither side can control the 1900-vote convention without the contested seats.

Mrs. Kathleen Voigt of San Antonio, liberal leader, charged last week the conservatives executive committee planned to "steal" the convention. She asked that the May state convention, which was recessed rather than adjourned, be reconvened to take charge of the situation. Executive Committee Chairman George Sandlin dismissed Mrs. Voigt's charges as "the same old thing, every two years."

He promised the committee would give all contesting delegations a fair hearing and seat those legally entitled to places. He predicted the convention would be made up of middle-of-the-road conservatives "with no ax to grind."

As for the May convention, he felt the intervening precinct and county conventions had made past history.

WEBB INVESTIGATORS IN CONTROVERSY — Who should investigate alleged voting irregularities in Webb County is still being debated.

Atty. Gen. John Ben Shepperd has twice been set back in efforts to set up a state-level inquiry. But his office said he intends to continue the fight.

At Shepperd's behest, Austin Dist. Judge Charles O. Betts sent Dan Moody Jr. to Laredo to act as master in chancery of an inquiry.

Webb County Dist. Judge R. D. Wright issued an injunction to stop the Moody investigation. He claimed prior jurisdiction for the questioning being conducted in his own court.

Shepperd and Moody took the matter to the State Supreme Court which rejected their petition.

Meanwhile, the Webb County grand jury indicted seven persons. But spokesmen for the Reform Party called this "window dressing." They were still working for an investigation originating in Austin.

RE-HEARING ASKED IN SANTA FE CASE — Awaiting the Supreme Court when it reconvenes in October will be a motion for re-hearing in the long-contested Santa Fe Railway case.

In July the court upheld the right of unions to make closed shop agreements in the railway industry. Such contracts are prohibited by the state "right to work" law, but allowed by the federal railway act.

In their motion, railway attorneys asked the court either to reverse the July ruling or modify it. They contended that union contracts should allow only for collection of "dues and assessments necessary to support collective bargaining action."

SMALLER COTTON CROP SEEN — King Cotton is wearing a drought-scarred crown.

U. S. Dept. of Agriculture estimates put Texas' 1956 cotton crop at 3,600,000 bales, compared to 4,039,000 last year.

Prospective yields ran to extremes. They were termed "extremely poor" in dryland areas, "excellent" in irrigated sections.

Farmers who did not grow cotton will get the lion's share of Texas' soil bank payments. Of the \$22 million to be paid to Texas farmers by the federal government within the next few

MRS. ROBERT HENRY JOHNSON

Miss Pat Barfield Becomes Bride Of Dr. Robert Henry Johnson

Miss Pat Barfield became the bride of Dr. Robert H. Johnson of Dallas before an altar banked with massive arrangements of white flowers and greenery intermingled with tall cathedral tapers in seven branched candelabra, Saturday evening, Aug. 11 in the First Baptist Church of New Boston. Rev. James Monroe, pastor of the church, officiated in the double ring ceremony.

The bride is the daughter of Mr. and Mrs. A. B. Barfield of New Boston and the bridegroom is the son of Mr. and Mrs. Robert C. Johnson of Goldthwaite.

Nuptial music was presented by Mrs. J. P. Looney, organist, who also accompanied Miss Elizabeth Holm of Houston, soloist, who sang "One Alone," "Because" and "The Lord's Prayer," a benediction.

The lovely bride, given in marriage by her father, was radiant in an original gown of imported Swiss organdy over taffeta. The molded bodice, marked at the deep decollete neckline with tiny bias folds of organdy and traced with white satin floral appliques, was closed at the back by covered buttons from the neckline deep into the skirt. The high empire line of the flared bouffant skirt was princess gored. A silk taffeta sash swathed the hips, forming a looped bustle in back. Her veil of imported French illusion cascaded from a lace headpiece encrusted with seed pearls and crystal beads. Her bouquet was fashioned of white stephanotis surrounding a white orchid. Showers of white satin streamers fell in love knots. For "something old" she carried a handkerchief which belonged to her great-great paternal grandmother, who made and used it for her wedding 100 years ago.

Miss Barbara Barfield, sister of the bride, was honor attendant. Bridesmaids were Mrs. Jim Conline of Midland, Mrs. Peppy McKinney of Pecos and Mrs. Bill Mayo of Dallas. They were identically gowned in waltz-length dresses of mint green organza trimmed with darker shades of green, fashioned with empire waists and flared skirts. They wore matching cloches trimmed with white leaves and carried white blossoms in miniature baskets.

Robert C. Johnson served his son as best man. Dr. Don Ox-

ford of Dallas, Dr. Jim Pace of Sweetwater and Dr. Billy Ward of Glen Rose were groomsmen. Pat Skelton and Mike Jordan, cousins of the bride, lighted the candles.

For her daughter's wedding Mrs. Barfield chose a champagne lace over taffeta dress which featured a rose taffeta sash tied in a large bow in the back. Her corsage was of pink rose buds. Mrs. Johnson, mother of the bridegroom, wore a rose faille dress featuring pearls and crystals embroidered at the neckline. Her corsage was white rosebuds.

Immediately following the ceremony a reception was held in the church parlors. The bride's table was laid with a white organdy cloth over green, centered with a beautiful candelabra filled with white blossoms and greenery illuminated by slender green tapers. Appointments of silver and crystal completed the decor.

For her wedding trip Mrs. Johnson wore a champagne suit and champagne satin accessories with the orchid from her bridal bouquet.

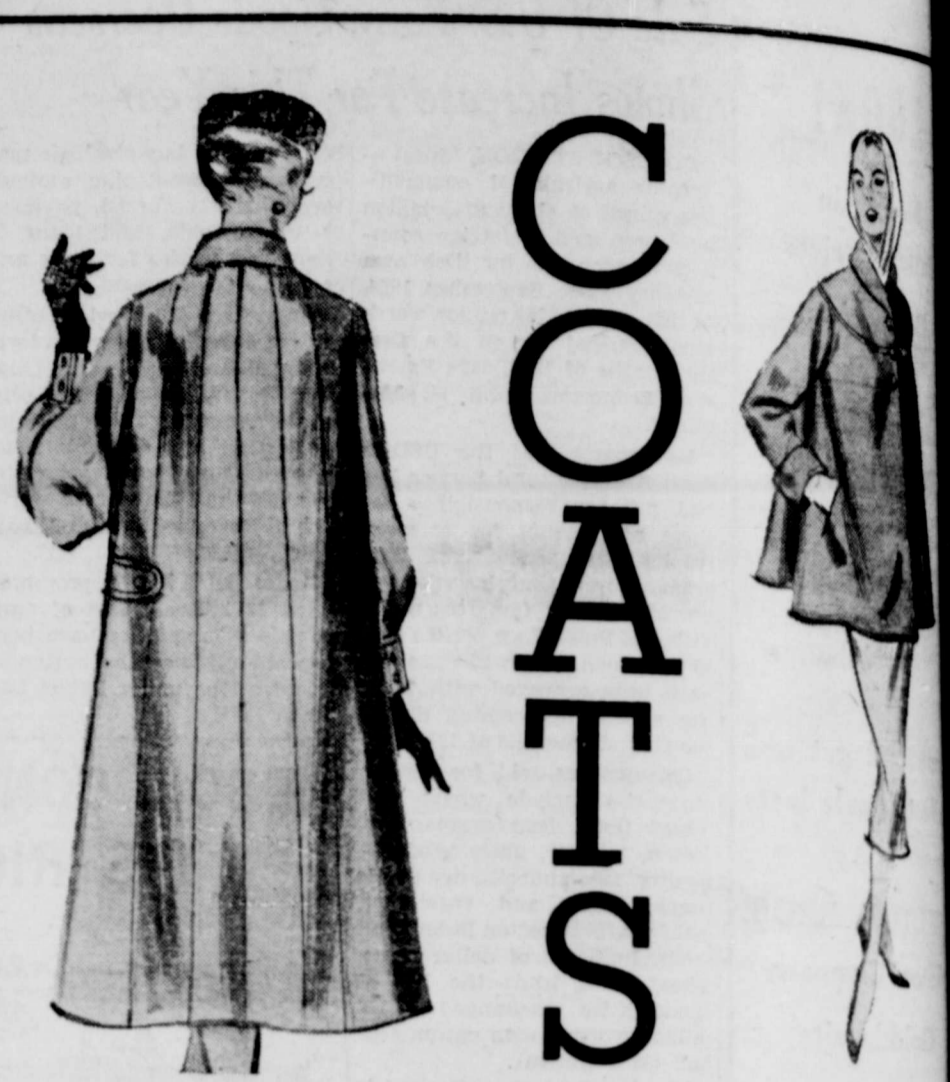

The bride is a graduate of New Boston High School and Baylor University where she was a member of Delta Alpha Pi social club and Phi Gamma Nu honorary society. She was Baylor sweetheart and Baylor Homecoming Queen. She has until recently been employed by Sun Oil Company of Dallas.

Dr. Johnson is a graduate of Goldthwaite High School, Baylor University and Baylor Dental College of Dallas. His dental fraternity was Psi Omega.

On August 25 Dr. Johnson will report to Montgomery, Ala. for a short period where he will begin his service with the U. S. Air Force. He will then be transferred to El Paso for a period of two years. He will be accompanied by his wife.

JUSTICE DEPARTMENT SUGGESTED — Texas needs a department of justice to bolster local enforcement of state criminal laws.

State Auditor C. H. Cavness made this suggestion last week in a report on the Department of Public Safety. He pointed out that legislative investigators had urged such a move three years ago.

Cavness also noted that while the DPS funds and staff have grown, they have not kept pace with needs and responsibilities.
