Eastern Firm Asks For Labor Survey

Information Needed In Considering Goldthwaite For Factory Location

Committee Needs Information Now

The Goldthwaite Industrial Committee and a representative from the Texas Employment Commission are in the process of making a labor survey of Goldthwaite, Mills County and

surrounding area to be presented to an eastern firm who is interested in locating a factory in the southwest.

At the request of the eastern firm the survey got underway last week and it is hoped that the job will be completed by the end of this week. The firm is compiling information to be considered in connection with selection of a location. Members of the Goldthwaite Industrial Committee were in contact with a representative of this firm a few days ago when the labor survey information was requested. Employment requirements of the company are 100 to 150 men and women.

The survey will cover an area, or radius of 35 miles of Goldthwaite. Anyone 18 years of age and older who is interested in regular or part time work in Mills County is requested to fill out the labor survey questionnaire printed below and turn it in not later than next Monday evening, November 5. This information is being compiled by the local committee while the Texas Employment Commission representative is making his survey in Goldthwaite and surrounding area. Information from both will be compiled into final report to be presented to the company as soon as possible. It is important that the company get the details of this survey so that they will know first hand about how many men and women will be available for employment.

Everyone interested in employment is urged to clip the form printed below and fill it out and mail it to the Industrial Committee, Goldthwaite. Or the forms may be left at the Eagle Office, Yarborough & Duren or Glass and Clements Insurance Agency.

Extra forms will be printed and made available at business firms throughout the county. For additional information regarding the survey interested parties may contact Ray Duren, Yarborough & Duren Dry Goods, T. M. Glass, Glass and Clements Insurance or Vic E. Koleber at the Eagle office.

Folks are reminded that this is not an application for employment, it is simply a survey to determine how many men and women in a radius of 35 miles of Goldthwaite are available for employment, if a factory were established here.

Parents Urged To Caution Children Shooting Air Guns

Sheriff C. F. Stubblefield this week issued an appeal to parents to caution children who shoot air rifles to be more careful.

Some complaints have come to officers about broken windows in homes and business buildings from air guns. Sheriff Stubblefield said some of these broken windows are probably accidents which happened while boys were shooting birds.

He pointed out that shooting air rifles can be dangerous and put out a person's eyes very easily. Officers will appreciate the cooperation from parents in cautioning children about the matter.

FHA To Execute Drouth Freight Rates Certificates

Walter T. McKay, the agency's State Director, was advised today of the designation of Farmers Home Administration to execute certification forms in connection with reduced freight rates recently worked out between the President and railroad representatives to further assist farmers and stockmen in drouth stricken areas.

This revised tariff provides for a reduction of 50 per cent in the freight rate of hay forwarded to destination due to the drouth, and applies only in connection with hay purchases of individuals who are entitled to assistance under the Hay and Roughage program.

Farmers Home Administration is authorized to execute certificates in behalf of farmers and ranchers only. Details of the program and forms required may be obtained from local county Farmers Home Administration offices.

LABOR SURVEY QUESTIONNAIRE

Persons 18 years and older living within 35 miles of Goldthwaite and interested in employment in Mills County please fill out this form and turn it in not later than Monday evening, November 5, 1956.

AWARDS FOR J. H. PRIDDY

—Pictured here are members of the Soil Conservation Service and the Goldthwaite Lions Club who took part in presenting awards to J. Hobert Priddy at the last meeting of the club.

Left to right, David Watters, holding the plaque he presented to Mr. Priddy; Mr. Priddy; Scott Lanford, guest speaker for the evening, and Dr. T. C. Graves who presented Mr. Priddy the letter of recognition.

Floyd Spradley Jr., returned to Goldthwaite Sunday night after having spent a week at Prosper where he had charge of song service at the Prosper Baptist Church during their revival meeting.

Mr. and Mrs. Franklin Weathers and daughters of Llano were guests of their parents, Mr. and Mrs. Fred Reynolds and Mrs. Bertha Weathers last weekend.

Wellis Cline, who is a student at Tarleton State College, spent the weekend with his parents, Mr. and Mrs. Aubrey Cline.

Mr. and Mrs. Charles Dennard and children of Fort Worth spent the weekend with their parents, Mr. and Mrs. C. A. Faulkner and Mr. and Mrs. Hugh Dennard.

Priddy Honored For Fifteen Years As Soil Conservation Supervisor

By CHARLES HAENISCH
 J. Hobert Priddy, supervisor of zone three of the Brown-Mills Soil Conservation District for the past fifteen years, was honored by members of the Goldthwaite Lions Club at their last meeting. Approximately sixty Lions, their wives and guests were present to pay tribute to Mr. Priddy for the fine work he has done in the field of soil, water, and plant conservation. Mr. Priddy has recently retired as a supervisor of the District.

As a cooperator of zone three of the District, Dr. T. C. Graves presented Hobert a letter from the cooperators of his sub-district. They expressed their appreciation for his untiring efforts in places of responsibility during the past fifteen years; not only in the field of agriculture but also in school affairs, war emergency boards, youth work, community projects, and many other worthwhile projects. A special "THANK YOU" was extended him for his work with the local Soil Conservation District in encouraging landowners to try new conservation crops and providing equipment for planting and harvesting these crops. Also mentioned were the services provided the local people in the way of tours, trained technicians, and assistance in food prevention programs.

Scott Lanford of Blanket, supervisor of zone three, was the principal speaker for the evening. Lanford related the work that had been done in soil, water, and plant conservation in the last fifteen years. He pointed out the need of each one present in helping promote the conservation of these resources. In conclusion of his portion of the program, Mr. Langford read a letter from Honorable O. C. Fisher, representative of the 21st Congressional District of Texas, commending Mr. Priddy for his efforts in this all important job of soil and water conservation.

HALLOWEEN CARNIVAL AT STAR FRIDAY

The Halloween carnival will be held at the Star School this Friday. Festivities will begin at 7:00 p.m. Final count of votes for Halloween Queen will be made at 9:15 p.m. and coronation of the queen will be at 9:30.

STAR FOOTBALL TEAM TO CROWN QUEEN

The Star football sweetheart will be presented during half-time ceremonies Thursday evening (tonight). Star will be host to Carbon and kick-off time is set at 7:30 p.m.

Mrs. Annie Armstrong and Barbara had as their guests over the weekend: Mr. and Mrs. Jack Burns, Jackie and Debbie of Midland, Mrs. Duane Barron, Diana and Mary of Hearne and Bill Armstrong of Winters.

Weather Report

Rainfall recorded here Tuesday morning measured .31 inch. This brings the total for the month of October to 1.64 inches. Total recorded here for the first 10 months of this year measured 14.54 inches.

YARBOROUGH ATTEND MEETING AT LUBBOCK

Mayor and Mrs. Wm. G. Yarborough attended the annual meeting of the Texas League of Municipalities which was held in Lubbock, last Thursday, Friday and Saturday.

Mr. and Mrs. Webb Karnes of Borger spent the weekend with Mr. and Mrs. Luther Ward, and other relatives here. Mrs. Ward and Odena and Mrs. Ida Sevier accompanied Mrs. Karnes to Ranger and Olden Sunday where they visited friends and relatives.

Vote Expected From Mills County Voters In General Election

This is presidential election night, midnight, November 2. Absentee ballots will be received until 12:00 noon on election day, Tuesday, November 6. In the general election nearly 100 absentee ballots were cast. The total number is not expected to be that high this year.

Mills County citizens have been keeping rather mum on their sentiments regarding the presidential candidates and how they may vote next Tuesday. While there has been some campaigning on the parts of Democrats, Republicans and Texas Democrats for Ike, the run of the mill man on the street has been keeping his opinion pretty much to himself.

Election returns will be posted on the bulletin board on the courthouse square as fast as they come in from the voting boxes on election night. Tabulations will be made in the office of the county clerk. Election officials hope that judges from the various boxes will give their cooperation so that all returns may be reported on election night and as early as possible.

ELECTION RETURNS

July primary election, 2,317 votes were cast county. Four years ago, 1952 general election, 2,317 votes were cast in Mills County.

ABSENTEE BALLOTS

County clerk Walter A. Bryant announced that about 50 absentee ballots had been cast of this week. Dead-line for making application for ballot is this Friday

STUDEBAKER

provide a new Luxury-Level ride over rough surfaces as standard equipment on all Studebaker sedans; and the non-slip Twin-Traction safety differential which gives the driver new control under slippery or adverse road conditions by shifting engine power to the rear wheel with the best traction.

The Studebaker line for 1957 covers the low price field with 11 models of two- and four-door sedans in the President, Com-

mander and Champion series and a series of four station wagons, which include four-door models for the first time. The big design of the sedans is in sharp contrast to the long, low styling of the Hawk sports-type line to be announced later. Non-fading, finned brake drums, dashboard padding, new recessed steering wheel hubs and double socket rear view mirrors are among standard equipment items on the 1957 President Classic.

Markets

sheep sale at the Mills Commission Company a good increase in the of head last Friday the goat sale on Monday week was off slightly. A total of 6,000 sheep sold and 3,839 goats.

sheep division the only showing a decrease in yearlings, other classes an increase or remain same. All classes of were up at the Monday with the exception of good and kids which remain same as last week.

SHEEP

lambs, 17c to 18½c; lambs, 11c to 17.75 cents; ewes, 8c to 12c; stocker to \$9 per head; old to 4½c; old bucks, 4c yearlings, 10c to 14c.

GOATS

mountain goats, \$5 to \$8; weighing kind, 4c to 5c; good nannies, \$5 to \$7, per small nannies, 3c to 4c; to \$6 each.

EGGS, PER DOZ.

receipts were listed at 28c this week with pullets at 20c.

VIC'S . . .
SOLILOQUY

Some years ago a Supreme Court Chief Justice Charles Evans Hughes said: "What the majority of the people really want, they generally get."

This week as we listen to the last days and minutes of the current political campaign, that remark by Mr. Hughes, comes to our mind over and over.

As we get ready for another big general election next Tuesday we are getting ready to again see it come to pass — what the majority of the people really want, they generally get—if the people will vote.

When the election is over and the smoke clears away and politicians, as well as voters, settle down for another four years of stark truth and reality, let's hope that those who went to the polls and cast their ballot did so determined to cast a vote for what they honestly believed would be the best thing for the country as a whole in the long run. Not just for today, this year, or the next four years, but for many years ahead.

If the majority of voters in the United States will go to the polls next Tuesday and cast their ballot with the general good of the nation foremost in their minds then we will have nothing to worry about.

☆☆☆

That same thing holds true for the State.

Whether on a state level, or national, the people will get just exactly what they demand—whether it be good for them or bad.

The danger lies in the fact that too many times folks will be tempted to overlook the future and what it may bring while being concerned wholly with the present.

Sometimes folks refuse to be concerned with what the future may bring and take the attitude of 'Let the future take care of itself'. When we take that attitude the future will take care of itself and just as surely as it will do that it will in all probability take care of us too—only, maybe not in the way we had hoped it would.

☆☆☆

As a state, or nation, we will have just exactly the type of public officials and the type of government and the type of administration as the type of men we elect to office. We can't hope to have anything else.

Individual voters must take a good deal of the campaign 'hash' with a grain of salt and do some of their own thinking about who in their own opinion is the man best suited for that particular office.

With the free flow of information, as we have it in this country, it is nearly impossible for voters not to get enough factual information along with the 'Poop' to help them in forming a pretty good opinion of who is the best man.

☆☆☆

If voters will try earnestly to learn about the candidates and to evaluate that which is reported for or against a particular candidate and then make up their own mind as to which they think is the best man for the office then, and only then, we will have good government.

If voters rely on campaign promises and vote accordingly then they will be in for some big surprises. History proves that. And, if people go to the polls and vote in response to campaign promises then they will elect class candidates and we will have class government and, just as surely as the Lord made green apples, some place down the line someone will have to pay the price.

☆☆☆

One of the most important factors in the forthcoming election next Tuesday is for every qualified voter to consider it his or her privilege and duty to go to the polls and vote.

Maybe you don't like either party or candidates they have selected for you to vote on in this election. That is no reason for you, if you are a qualified voter, to stay away from the polls.

If you are a strictly party man or woman, then vote your party. If you are independent, then vote independently for the candidate you think is best—the heck with party line. If you don't like either party's candidate then go vote anyway—cast a protest vote and write in a candidate for the office.

The main thing is—GO VOTE.

Instead of Officer Eisenhower?

WHEN THE OLD BIRD WAS YOUNGER

10 YEARS AGO—

(Taken from the Eagle files of November 1, 1946.)

Last Sunday night when Rev. and Mrs. Paul Weiss and children were returning from the Methodist Conference at San Antonio they came upon a scene ten miles out of San Saba on the Llano road where two cars had run together head-on just a few minutes before. Two young men from Richland Springs, in one car received cuts and bruises while the man in the other car died while on the way to a hospital and his wife and children were badly injured.

Mr. and Mrs. Floyd Blair reported that a new daughter will reside at their home, Mary Louise made her arrival October 29 at Scott and White Hospital. The young lady weighs seven pounds and 14 ounces.

Miss Zenita Louise Stahnke, daughter of Mr. and Mrs. Louis Stahnke, and J. C. Wesson, son of Mr. and Mrs. C. C. Wesson, were married October 19 in the home of Rev. D. A. Bryant.

Introducing Sherry Lynn Grierson, weight five pounds, born October 21st, at Champaign, Ill., daughter of Mr. and Mrs. Harold Grierson. The mother was formerly Miss Onida Toliver.

In a ceremony performed at 6:00 o'clock Saturday evening, Miss Cieta Black, daughter of Mr. and Mrs. Bob Black of Star, became the bride of J. D. Hunt, son of Mr. and Mrs. Tom Hunt of Moline. Rev. Lewis Sparkman read the double ring ceremony.

Wednesday afternoon, October 30, from 4:00 until 6:00 o'clock, Mrs. D. A. Bryant opened her home with an announcement tea announcing the approaching marriage of Miss Emogene Sansom to Charles Haensch.

Mr. and Mrs. Marvin Laughlin of Los Angeles, California returned home Wednesday afternoon after about four weeks vacation here visiting relatives and friends.

25 YEARS AGO—

(Taken from the Eagle files of October 30, 1931)

Mills County is known as an excellent county along many lines but few people know that some of the soil here is especially adapted to growing apples and fewer still know that this county was awarded first prize for apples at the State Fair just closed at Dallas. Mr. J. J. Cockrell of Big Valley was given the award on his Golden Delicious and those who saw the display agree fully with the awarding committee that no other display equalled that made by Mr. Cockrell.

Jack Long had the misfortune to lose his Rio coupe by fire Monday night. The accident occurred about six miles from San Saba, on the China Creek road. Jack had driven to San Saba and loaned his car to a friend to make a short trip into the country and it was while the car was running that the fire occurred.

Mr. and Mrs. L. R. Conro celebrated their fiftieth wedding anniversary Wednesday. They and their two daughters, Mrs. Robert Robertson and Miss Lucille Conro, drove over to Fort Worth and spent the day in the home of Mr. and Mrs. R. M. Bratton.

Mrs. W. M. Featherston died at the home of her daughter, Mrs. Longley, in San Saba County Tuesday night after a long illness, and her remains were laid to rest in the Pleasant Grove Cemetery Wednesday afternoon.

John Patterson will leave this city as painfully injured in a car accident Friday night at San Saba. The young lady and other friends were out riding. She was brought home Tuesday and at last report she was doing nicely.

Friends here of Mr. and Mrs. K. A. Childress have been informed of the arrival of a son, James Arthur, at their home in Groesbeck, October 15.

50 YEARS AGO—

(Taken from the Eagle files of November 3, 1906)

R. D. Shumate had the misfortune to get his right hand caught in the saws at the Perry gin Wednesday and the third

finger was cut off at the first joint and the first and second fingers were badly lacerated. The gin stand became choked and Mr. Shumate attempted to "unchoke" it when his hand was caught.

The Baptist Church was burned at Mullin last Saturday night. The fire started from a cigar or cigarette being thrown into a trash pile near the front of the church it was thought. There was no insurance and the loss was complete. It is understood the denomination will build another house at the same place in the near future.

At a meeting of the Woodmen last Saturday night, Mr. J. H. Kelly was authorized to draw plans for the lodge room to be built over the Roach building on Fisher Street.

J. C. Burnett has sold his farm north of town and is

arranging to move to his residence known as the Haquist place, in this city.

City Marshal Fox has suffered for several days a fragment of steel or iron which struck him in the forehead while he was grinding on an emery stone.

Marshall Butz, son of W. Butz, celebrated his 35th birthday Wednesday with a party of his little friends and mates were present in the afternoon with him. All had a fine time.

Mrs. Mary Hogan and little grandson, Frank Vane, arrived in the city Monday after a visit to the Dallas and to relatives at Parisville.

Whit Smith reports by Long Brothers of the place north of town.

Inside WASHINGTON
MARCH OF EVENTS

Nation's Foreign Policies To Undergo a 'Face-Lift' Congress, Citizens Re-evaluating

WASHINGTON—The nation's foreign aid policies are expected to undergo a drastic "face-lifting" next year as the result of broad scale studies being conducted on three fronts.

At work on the re-evaluation are the Senate foreign relations committee, the House foreign affairs committee and the recently created President's citizen committee headed by Benjamin Franklin, retired board chairman of United States Steel.

One key question which is expected to be answered in the time has come for the United States to minimize military and develop new imaginative economic assistance programs.

One indication of this is the development of special international commission proposed by President Eisenhower which held a preliminary meeting in Washington this month.

The United States represented by the President's brother, Dr. Milton Eisenhower, along with the other American republics in initial long-range plans for closer economic cooperation.

● SUEZ AND CHINA—State department officials are keeping their fingers crossed in hope that Red China isn't planning any further expansion in Asia while the West is so occupied—worried—about the Suez problem.

Some Republicans, notably Indiana's Sen. William E. Jenner, feel that the Suez crisis is just a "red herring" to divert U. S. attention from other Kremlin plans for expansion of the Soviet empire.

Secretary of State John Foster Dulles takes the view that Suez is of paramount importance and that some solution must be found to safeguard our Allies in Western Europe.

However, he also is alert to the possibility of danger in the East. For that reason, U. S. diplomats are studying all developments out of Red China for a tipoff on any future Communist moves.

The U. S. will press its demands that Peiping compensate for American plane shot down by the Red Chinese, even though incident now has been overshadowed in the news by the Suez situation. In addition, the U. S. is still determined to back National Chinese President Chiang Kai-shek and will continue to oppose seating of Red China in the United Nations.

● ATOM'S PUSH—A combination of atomic and chemical fuels present offers the best possibility for success of the nuclear-powered rocket the government is seeking to build.

This means using the atom's heat instead of its explosive capability to power the space ships of the future, and it means that conventional fuel will have to be carried.

However, the propositions with which the scientists are working indicate that the amount of propulsion obtained from a given amount of rocket fuel may be multiplied hundreds of times through the use of the extremely high temperatures which the atom can produce.

An idea of the difference is given by comparison with the created in the flaming exhausts of present-day rockets. These exhaust temperatures reach a maximum of about 7,000 degrees Fahrenheit.

By contrast, atomic heat created under controlled conditions has already passed the million-degree mark, not to mention the hundreds of millions of degrees possible in uncontrolled explosions.

The amount of propulsion provided by a rocket fuel is proportional to the extent and rapidity of its expansion into gas, which is proportional to the temperature.

MRS. ROBERT DAVENPORT

Miss Joan Jones and Robert Davenport were married Saturday evening, October 20, 1956, at 7:30 o'clock in the First Methodist Church of Goldthwaite. Rev. Walter J. Cartwright, pastor of the church, read the double ring ceremony. The bride, daughter of Mr. and Mrs. F. K. Jones of Goldthwaite, is a senior student nurse at Scott and White Hospital. The bridegroom, son of Mr. and Mrs. Carl Davenport, Bruceville, is a former student of Southwest Texas State Teachers College.

Miss Frances Ann French was organist and accompanied Mrs. Carol Bail, vocalist, as she sang. Miss Sylvia Jones was her sister's only attendant. Bill Deviny served as best man and Walter Jones, brother of the bride, and Penn Barnett lighted the candles and ushered. The bride, given in marriage by her father, wore a waltz-length taffeta gown designed with an empire waist line, the bodice was made of lace featuring a bateau neckline following the natural scallops of the lace. She carried a white Bible topped with an arrangement of white carnations centered with pink rosebuds and showered with white satin

Mrs. John Berry Wins Therapy Award At State Fair, Garden Clubs Day

Mrs. John G. Berry member of the Goldthwaite Garden Club was presented the State Fair Award for Outstanding Achievement in Garden Club work last Tuesday morning, October 17, in the Women's Building Auditorium, at Dallas.

The presentation of the State Fair silver bowl was made by James H. Stewart executive vice president and general manager of the fair, "for the fine and unselfish work in horticulture therapy she has done during the years."

Mrs. Berry described the bowl as a symbol of the joys and sorrows shared with the many garden clubs who had helped her to blaze a pathway to health, hope and happiness for the many who might have thought they were forgotten. Credit was given her husband for his help and support during the many years of her activities in garden therapy and also to her mother, Mrs. Ada Denison Hooks, for whom the library for the blind she established was named. Mrs. Berry also said she would adorn the president's table with the bowl at the spring convention in the name of all the clubs who had been so generous in helping in the project.

MRS. JOHN BERRY

Besides the State Fair silver bowl, she received a beautiful bouquet of red roses from the Houston Council of Garden Clubs.

Following the presentation she streamers tied in lovers knots.

A reception was held in the Fellowship Hall with Mrs. Robert Steen, Mrs. W. C. Barnett, Mrs. Emma Oltrogge, Misses Sammie Stutts, Joyce Helbert, Cornelia Patterson and Miss Minnie Oltrogge serving in the house party.

Out-of-town guests included Misses Peggy Logan, Ruth Hogan, Francis Ann French, Joyce Helbert and Mrs. Carol Ball, all of Temple; Mrs. E. V. Shelton, Bill Deviny and Miss Betty Baren of Bruceville; Miss Minnie Oltrogge of Fort Worth; Mr. and Mrs. Floyd Jones of Menard; Lathan Jernigan of Dallas; Penn Barnett of Austin; Richard Workman and Sylvia Jones of San Antonio.

Mr. and Mrs. Davenport will make their home in Temple for the present.

Her advice has guided garden clubs in Chili and Canada in

Mr. and Mrs. L. W. W. of Brownwood, Mrs. Weathers and Miss Ad Goldthwaite spent Saturday with Mr. and Mrs. Frank

Tex Says He's No Expert But He Believes Ike Is

The other night a bunch of us were sitting around in the drug store after the football game, drinking coffee and talking. You know how it is after a game in a small town, especially after the home team loses. Nearly every man in the crowd had a theory as to why we didn't win the game. Most of them, of course, blamed the coach. I couldn't help remembering that before we consolidated the county schools we didn't even have enough boys to make up a football team. And these same football experts who were saying what Ruckins or Bud Wilkinson would have done, up until a few years ago they didn't know a football from a watermelon.

But that's the way it is in a small town (and in big ones, too, I understand). I guess there's no real harm done, although sometimes it's pretty rough on the coach.

I guess we have a right, in this free country, to be self-appointed experts in any line we want to pick out. It seems to me that most people choose either football or politics.

Take this presidential election coming up next Tuesday: During the last few weeks I have heard so many stories and theories from so many different political experts that I nearly got confused some-times. I have to stop and think that the fellow who is talking probably doesn't know any more about it than I do, and that helps me keep straightened out.

In fact, I guess I have had my mind made up all along. To make no bones about it, I like Ike. He's a man you can always look up to and respect—the kind of

man you'd be proud to point out to any person, from any country on the face of the globe, and say: "That's our President!"

About Adlai, now, I'm not so sure. Of course, if he was elected, he would be my President, too, and I would hope he'd do a lot better than most people around here seem to think he would. This is something I don't think we need to worry about, because from all I can hear and read, Ike is going to win it again.

It seems to me that if Adlai ever had a chance around here, he threw it away when he came out with that H-bomb business. Now, the folks in our town don't know much about H-bombs, except that they don't want any personal dealings with them. Our scientific knowledge of H-bombs is about on a par with our football knowl-edge, I reckon. But we do know one thing: We don't want some misguided, inexperienced fellow fooling around with our national defense. When it comes to trust-ing what Bulganin says or what Eisenhower says, I'll take Ike. So will the rest of the country, if I don't miss my guess.

Just before we broke up the other night Doc Brown came into the drug store, and somebody asked him: "Hey, Doc, how's the doin'?" (Doc's a big Eisenhower man.) Doc said: "Well, it's a busy campaign for the medical profession. Last week Ike went and got his heart examined; and I understand that this week Adlai is going to get his head exam-ined."

Tex

(Pol. adv. paid for by Texas Democrats for Eisenhower, Weldon Hart, Director.)

FELLOW DEMOCRATS It's Easy To VOTE FOR TEXAS BORN IKE SAMPLE BALLOT No. 0000 HERE'S HOW TEXAS DEMOCRATS FOR EISENHOWER IS A BETTER DEMOCRAT THAN STEVENSON

You are a free Texan... You can vote any way you like. Regardless of what you may have heard, it is perfectly legal to split your ticket if you want to, just as it is legal to vote the Democratic ticket straight, or the Republican ticket straight. The purpose of the ballot is to determine what the people want. And if you want to vote for Eisenhower and Nixon — then cast the rest of your ballot for the Democratic nominees — that is your privilege. Don't let anyone tell you otherwise! BY LAW YOUR VOTE MUST BE COUNTED.

(Pol. Adv.—Paid for by Texas Democrats for Eisenhower, Weldon Hart, Director.)

Geese Headline Program

Prospects for the waterfowl season opening in Texas at one half hour sunrise November 2, described as "promising" by Executive Secretary for Game and Fish Commission. He said the situation represented the duck and goose seasons opening simultaneously this fall, with the sixty day goose season closing on December 31, while the duck season comprising seventy-five days continues through January 15.

"is the Upper Texas Gulf Coast where unfortunately there is such a great concentration of hunters. If we can get some substantial rains right away, the incoming birds will stop at their old haunts because feed there is reported adequate."

He said "the back country hunter" apparently will get some breaks since recent rains filled up ponds, tanks and small streams "which are always irresistible to touring ducks and geese."

The duck and goose seasons open simultaneously this fall, with the sixty day goose season closing on December 31, while the duck season comprising seventy-five days continues through January 15.

Regulations otherwise are identical with last year—five ducks a day, 10 in possession; five geese a day and five in possession; daily hunting from one half hour before sunrise to sunset.

The goose regulation stipulates that the daily possession limit "shall not contain more than two Canada geese, or its subspecies or two whitefront geese, or one of each."

Hillside Mission
By LIDA BYRNE

How great is the necessity for the gospel to go forth! The Bible tells us regarding what our Lord Jesus Christ said: "Therefore said he unto them, The Harvest truly is great, but the laborers are few: pray ye therefore the Lord of the harvest that he would send forth laborers into his harvest." St. Luke 10:2.

News From Your COUNTY HOME DEMONSTRATION AGENT

BY LUCY MAY BURRUS

Wednesday, October 17, had been designated as Achievement Day for the Home Demonstration Clubs of Mills County. Club members from Goldthwaite and Mullin met at 9:00 o'clock and went to the home of Mrs. Sherwood Owens in the Center City community where we registered. Eighteen members were present. We studied the different shrubs and learned to identify them by seeing them growing. From Mrs. Owens' home we drove to the homes of Mrs. Lee Walton and Mrs. Harry Welch, where again the shrubs were identified and care and pruning were discussed.

The group then came to the home of Mrs. J. M. Oglesby in Goldthwaite where several other members joined them. From Mrs. Oglesby's we went to Padgett Nursery and then to Mrs. C. E. Heatherly's home. After visiting at Mrs. Heatherly's the group headed for Mullin for the covered dish lunch as it was getting very near 12 o'clock.

After the bountiful lunch, of which we all ate too freely, Mrs. Charles Haensch judged the dresses and shrub books that were on display. Mrs. George Fletcher's dress was given first place, Mrs. Carey Owens' dress second place, and Mrs. Eda Frank's blouse was judged third.

A "best" shrub book was picked from each group. Mrs. W. H. Dudley of Mullin, Mrs. J. M. Oglesby of Goldthwaite and Mrs. Joe LeMay of Center City received this recognition. Recognition was also given to the club who had the greatest number of books in relation to their average attendance. Mullin and Center City both had 75 per cent representation and Goldthwaite had 50 per cent. Mrs. Nelson Waggoner, president of the Center City Club, said, "I did not know I would have so

much fun making my shrub book or I'd have started it sooner. I am going to keep mine and add other shrubs as I find them."

I was very happy to learn that some one else had found so much joy in making the book as I did when I made mine.

Each club also had other things to exhibit. Mrs. Tom McArthur of Mullin exhibited a tailor's pressing hem and a sleeve roll that she made. Also a sewing drawer which she had organized by putting in cardboard divisions. She also exhibited the use of the tracing wheel and tracing carbon as a method of marking construction details on a garment. Mrs. Carey Owens of Center City also exhibited some pressing equipment that she had made.

Among the crafts exhibited were some beautiful pictures—some numbered oil paintings that Mrs. Eda Frank had painted. They were beautiful and difficult to recognize as numbered paintings. Aluminum trays, cork work, crochet and other works rounded out the craft exhibit.

Twenty-seven women attended. Mrs. H. E. Galloway, home-making teacher, and seven of her girls from Mullin High School came to see the exhibit.

The program was finished by a talk on the amendments to be voted on in November by Mr. Lewis Porter.

All in all it was a very beneficial day to the ones that attended. It was very encouraging to see some beautiful lawns and shrubs in the landscape in spite of the drouth that has the country in its grip. It showed that we need not give up only that we need to turn our attention to growing plants that are more drouth resistant.

Mr. and Mrs. Milt Hairston had the following children visit them recently, Mr. and Mrs. Sandy Hairston and Mr. and Mrs. Ernest Hairston and children of Killeen and little Milt Hairston of Waco.

Specialists Offer Suggestions On Pecan Marketing

COLLEGE STATION (Spec.)—Indications are that opening pecan prices will be below average. The major contributing factor to this outlook for a lower price structure in 1956 is the large carry-over of pecans from the 1955 crop purchased at above average prices, say pecan specialists at Texas A & M College.

In an effort to combat this impending problem, representatives of the Federated Pecan Growers have recently consulted with U. S. government officials of the School Lunch Purchase Program and the Commodity Credit Corporation. The Federated Pecan Growers is made up of members of state pecan growers associations in the southern pecan belt, including Texas. While nothing definite has yet come from these consultations, hopes are high that some relief will be forth-

coming and that it will help stabilize a reasonable price for this important Texas crop.

The specialists and representatives of the Texas Pecan Growers Association urge pecan growers not to become unduly alarmed and as a consequence sell their pecans at an unreasonably low price. While it is true that the Texas market for pecans is influenced greatly by the size, condition, and prices paid for the Southeastern crop, Texas growers generally do not experience as great a difficulty in marketing their high quality pecans.

Growers are advised to harvest their pecans as early as possible to avoid losses from crows, squirrels and bad weather. The crop should be handled carefully to insure clean pecans of uniform high quality.

LT. JERRY PRIDDY IS PLATOON LEADER

Cadet First Lt. Jerry Priddy, of Priddy, has been named one of the platoon leaders of Company A, Tarleton ROTC, according to announcement by Belton E. Weeks Jr., professor of military science and tactics.

Suddenly you know how modern a range should be—**flame-fast gas ranges alone offer 4 times less fuel cost!**

Sally, this is Jane... I'm so upset. Our electric bill has really jumped since we got our new electric range.

Jane, our gas bill is one of the lowest-cost conveniences we have! Why don't you switch to gas at less than 1/4 the cost!

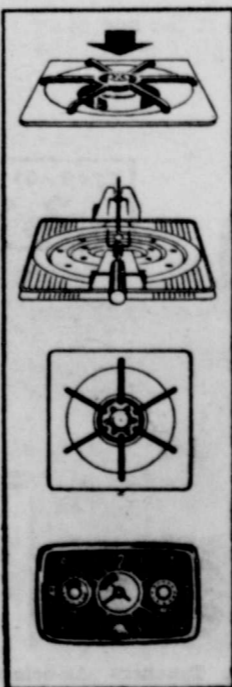

ONLY WITH EXCITING NEW FEATURES LIKE THESE CAN YOU REALLY COOK MODERN!

Cook-Saver Automatic Top Burner Control. New flame-fast gas Cook-Saver holds pre-set temperature. Foods won't burn! Makes all your pans automatic!

Built-In Rotisserie. Broil indoors with flame-kissed "barbecue" flavor. Turns out your favorite foods easily and deliciously.

Simmer Flame. On each burner, tiny points of flame make waterless, "Vitamin-save" cookery a snap. Unlimited keep-warm and simmer settings.

Automatic Clock-Controlled Oven. Cooks whole meals while homemaker is away... turns even on and off automatically. Even circulation of heat... use any rack position.

But of course! Smart Southwest Moderns know that cooking with gas is the most economical way to cook. It costs less than 1/4 as much to use as electric cooking. This means: If you can cook on an electric range for \$2.20 a month—you can do the same amount of cooking with gas for less than 55¢ a month. (Or a savings of \$19.80 a year!) What's more, an automatic gas range costs less to buy, less to install, and less to operate and maintain. No wonder smart women say truly modern cooking is cooking with flame-fast gas.

SAFEST COOKING EVER! American Gas Association seal assures reliability. Fire insurance statistics prove gas is safer! **SIZZLING TRADE-INS NOW** on your gas or electric range. Cook modern—change today to a new ultra-modern gas range.

Eagles Chalk Up Second Conference Victory By Downing Mason 'Punchers'

BY JERRY COLLIER

The Goldthwaite Eagles met the Mason Cowpunchers on Eagle Field here last Friday night. The Eagles won over the Cowpunchers by a score of 20 to 13. This made the Eagles second conference victory.

The Mason Cowpunchers received with Pat Keller being stopped by the Eagles on the 10. A pass was completed to Keller for 19 yards. The Cowpunchers were forced to kick on the fourth. The Eagles brought the ball back to the 47, then fought their way down to about the one foot line, with Johnny Vaughan going across the goal line for the Eagles first TD. Kirby kicked the extra point. The Eagles kicked-off and S. Kothmann was stopped on the 17 by Todd. Passes were completed to K. Kothmann, Mueller, and Hoffman, for 10, nine and three yards respectively. The score at the end of the first quarter was 7-0 in the Eagles' favor. The Eagles made four first downs to the Cowpunchers three in the first period.

The Cowpunchers were forced to kick on the fourth and the Eagles were brought down on the 20. A pass was completed to Jerry Kight for 18, then the Eagles worked their way down to the one foot line again with

Tilmon Kirby carrying the ball over for the second TD. Kirby kicked the extra point for a score of 14-0. The Eagles kicked-off. Taylor, Keller and Koffman made good yardage for the 'Punchers and a 20 yard pass was completed to Larry Wilson for the 'Punchers first TD. Taylor carried the ball over for the extra point, making the score 14-7. Each team made five first downs in the second period.

Todd received for the Eagles and carried the ball back to the 41. Vaughan made good yardage for the Eagles and a pass was completed to Kight for 19. Johnny Vaughan made a 20 yard run for the Eagles third touchdown. The extra point was blocked. Sammy Martin was stopped on the 32 on the kick-off. The 'Punchers kicked on the fourth. Phillip Edgington carried the ball back to the 45 for the Eagles. Todd and Vaughan picked up yardage and a pass was completed to Jones for 8, but the Eagles kicked on the 4th. Taylor was stopped on the 12 by Jones on the kick. Passes were completed to Hoffman and Black for 37 yards. The Eagles made four first downs to the Cowpunchers three in the third period.

The 'Punchers fought their way down to the one yard line with Taylor going over for the TD. Try for extra point was no good. Tommy Long carried the ball up to the 49 on the kick-off for the Eagles. They worked their way down to the 41 and fumbled with Underwood recovering for Mason. Passes were completed to Keller for 30, Kothman for 10 and eight, and Taylor for 7. The ball went over on the fourth. Vaughan picked up about eight yards for the Eagles, then they kicked and a pass was completed to Hoffman for 11. One of the 'Punchers passes was intercepted on the five by P. D. Head. With the ball on the five, Vaughan made about seven yards and the Eagles kicked on the fourth.

Mason fumbled and the Eagles recovered on the 38. Vaughan made seven yards before the end of the game. The Cowpunchers made four first downs to the Eagles one in the last period.

Mason received three penalties for 35 yards and the Eagles received two penalties for 20 yards.

Co-captains for the game were Charles Reynolds, Johnny Vaughan, and Connie Todd for the Eagles and Larry Dannheim, Max Burnett, and Fred Jordan for the Cowpunchers.

EAGLES TO PLAY RISING STAR FRIDAY

The Goldthwaite Eagles will play the Rising Star Wildcats on the Rising Star field this Friday night. The game will start at 7:30. Let's all go to Rising Star and watch the Eagles rack up another victory.

Mrs. R. H. Hannah of Junction spent the weekend with her mother, Mrs. W. H. Linkenboger.

Wayne L. Zuck To Conduat Meeting At Church Of Christ

Wayne L. Zuck, minister of the local Church of Christ, will begin a gospel meeting at the church Sunday morning, November 4, to continue through Sunday, November 11.

Brother Zuck is a native of North Dakota and has worked with several churches in Texas. He, with his wife and daughters, recently moved to Goldthwaite from Sterling City where he had served the church there the past three years.

The song service will be under the direction of Allen Hardgrave.

Services will be conducted at 10:50 each Sunday morning and at 7:00 o'clock nightly.

Everyone has a most cordial invitation to attend these series of meetings.

REGENCY CEMETERY WORKING NOVEMBER 12

There will be a cemetery working at the Regency cemetery Monday, November 12.

Everyone interested in cemetery is invited to bring lunch and tools to with and spend the day.

Delbert Jewel visited in water with his brother-in-law and brought him home.

Funeral Services For Eddie Hawkins
Mrs. Hawkins had passed away at her home in Wilcox, Arizona, Tuesday night.
Mrs. Hawkins was the daughter of the late Mr. and Mrs. Jas. Rahl and was reared in Goldthwaite. Funeral services will be conducted in Goldthwaite Memorial Cemetery tomorrow morning (Friday) at 10:00 o'clock.

Mr. and Mrs. Bill Cornelius of Hico were over night guests of his sister, Mrs. Clark Miller and Mr. Miller, one night last week.

Plans have been made in the Heart of Texas Girl Scout Council to give advanced leadership training for all leaders and assistant leaders who have either completed the group leadership course or have led a troop for one or more years. This training is given in each community where there is a community association.

Advanced Training Planned For Experienced Girl Scout Leaders

Many leaders with troops need help with some problems that they meet in their troop program. This advanced training is being planned around some of these problems and needs of the experienced leaders. New ideas for program will also be included in the training.

The Girl Scout trainer will be in Goldthwaite on November 20, at the Girl Scout house. The training will be for Brownie leaders and assistant leaders from 9:00 a.m. to 11:30 a.m. and for intermediate leaders and assistant leaders in the afternoon from 1:00 to 3:30.

Mrs. H. B. Campbell, community vice chairman, has expressed a hope that all leaders and assistant leaders interested in this training plan to attend for it is the well trained leader that is the happy leader and has the best program in her troop with her girls. As the leader grows in her knowledge of Girl Scouting and its aims, so will the Girl Scout organization grow in each community, for without leaders there will be no troops.

CRAFT WORKSHOP FOR GIRL SCOUT LEADERS

The Heart of Texas Girl Scout Council has planned three craft workshops so that leaders may get new ideas to take back to their communities, to share with others who are not able to attend and to help them plan better troop programs with their girls. On November 7, leaders from Coleman, Ballinger, Brady, Baird, Cross Plains, Goldthwaite, Brownwood and Winters will meet at Coleman at the Girl Scout house from 9:30 to 2:30 for their workshop. All Girl Scout leaders planning to attend the craft workshop are asked to bring 50 cents to pay for the material used, a nosebag lunch, scissors, thumbtacks, a flyswatter, a tuna can or pineapple can, frozen juice can, small aluminum pans (frozen) old light bulbs, good ends of worn towels, and a package of sequins.

LOCAL DELEGATES ATTEND CONFERENCE

Mr. and Mrs. H. J. Leonhard, Judge and Mrs. John L. Patterson, Wm. Schneeberg, Rev. and Mrs. M. O. Childress, Rev. Walter J. Cartwright, Mrs. T. C. Graves and Mrs. Tom Collier were official delegates from the Goldthwaite Methodist Church to the Methodist District Conference meeting at Fredericksburg Wednesday.

Mrs. W. W. Ligon is visiting her son, Mr. and Mrs. W. H. Todd, and Kay in Houston this week.

Cotton Bowl Game To Be Shown Here

The Cotton Bowl game for 1956 will be re-presented at the Methodist Men's program to be held at the Fellowship Hall of First Methodist Church on Thursday, November 8, at 7:30 p.m.

Ray Standley is in charge of the program. A former football player at TCU, he is securing the film through the athletic department there. In addition he has plans to invite other sports figures to be present as speakers, if arrangements can be completed.

ERVINS ENJOY REUNION SUNDAY

Misses Abbie and Ruth Ervin and J. P. Ervin were hosts Sunday for a reunion of their brothers and sisters. Those present were Mr. and Mrs. C. D. Ervin, Mr. and Mrs. O. R. Ervin, J. R. Ervin and J. H. Ervin, all of Ranger; Mrs. L. R. Hendry, Mrs. Mae McMillon of Coleman, and Mr. and Mrs. O. S. White of Temple.

Others present were Mr. and Mrs. J. R. Eudy, Mrs. B. Close and Carolyn of Coleman, Miss Mary Sue White of Temple, and Mr. and Mrs. C. T. Wilson of Goldthwaite.

ROCK SPRINGS CLUB TO MEET THURSDAY

Mrs. Ben Zieschang will be hostess to the Rock Springs community club next Thursday afternoon at the school house. She plans to do handwork.

Mrs. J. W. Strickland was hostess for the last meeting. Seven members and a visitor, Mrs. Bailey, were present.

Miss Edith Covington and Mrs. Nancy Self spent a few days in Fort Worth last week and attended the Grand Chapter of the O. E. S. Mrs. Clark Miller and little granddaughter accompanied them and visited her nieces, Mrs. Floyd Cole and family and Mr. and Mrs. Bob Whalen.

Wallace Wilkey of Odessa spent the weekend with his parents, Mr. and Mrs. Dude Wilkey.

HERE'S HOW

1. At the top of the Democratic Party column, strike out the names of Adlai E. Stevenson and Estes Kefauver.

2. Leave the rest of the Democratic Party column as it is.

3. At the top of the Republican Party column, leave the names of Dwight D. Eisenhower and Richard M. Nixon.

4. Strike out the rest of the Republican Party column.

5. Strike out all other columns on the ballot.

EISENHOWER IS A BETTER DEMOCRAT THAN STEVENSON!

TEXAS DEMOCRATS FOR EISENHOWER

W. R. BOB SMITH CHAIRMAN

You are a free Texan... You can vote any way you like. Regardless of what you may have heard, it is perfectly legal to split your ticket if you want to, just as it is legal to vote the Democratic ticket straight, or the Republican ticket straight. The purpose of the ballot is to determine what the people want. And if you want to vote for Eisenhower and Nixon — then cast the rest of your ballot for the Democratic nominees — that is your privilege. Don't let anyone tell you otherwise!

BY LAW YOUR VOTE MUST BE COUNTED.

(Pol. Adv.—Paid for by Texas Democrats for Eisenhower, Weldon Hart, Director.)

Photo by Roger Parker

GOOSE ISLAND STATE PARK's camp shelters overlook salt water at vantage points on the island which is a favorite haven of wild geese. Most of the park is on the mainland touching three coastal bodies of water—Aransas, Copano and St. Charles bays. The park is 10 miles north of Rockport, Texas, on State Highway 35 at the Copano Bay causeway.

PARK OF THE WEEK — GOOSE ISLAND STATE PARK is the only salt water Texas state park. Situated north of Rockport on Aransas, Copano and St. Charles Bays, it furnishes access from its boat dock to a large area.

The name comes from the island portion of the park which has long been a favored haven for wild geese. The mainland portion of the park is larger than the island and occupies much of the Lamar peninsula.

Perhaps the best known physical feature of Goose Island State Park is its big liveoak tree. It is tree number eleven among the chartered members of the Liveoak Society of America, which ranks the trees by specific measurements. Statisti-

cally, the tree has a girth of 32 feet and one inch, measured at a height of four feet above the ground. It has a crown spread of 140 feet and its height is 80 feet. It is estimated to be more than 2,000 years old.

Many legends have been woven about the tree. It is said to have been the council place for the Karankawa Indians; pirate treasure is reputed to be buried with the tree as the landmark for finding it; it is known variously as Hangman's Tree for executions and as the Bishop's Oak because of nearness of a bishop's residence.

Fishing, boating, bathing and picnicking are the park's chief recreational attractions. Many dances are held at its stone refectory. In season the park's wildflower display is unusual, as is the bird life on all the Lamar peninsula.

Entrance to the park is at the Copano Bay causeway on State Highway 35 about 10 miles north of Rockport.

Band Performs At Football Game

BY JACKIE McCASLAND
The Goldthwaite Band formations for the Goldthwaite-Cross Plains football game Friday evening, October 19, were in the form of TV programs.

The band marched onto the field playing "Music In The Air," formed a TV set and then played "Howdy Dowdy Time."

Afterwards they formed a horse to represent the Lone Ranger program and then went into Isolation Booth for the \$64,000 program. As they marched off the field they played "On Wisconsin."

Last Rites For Mrs. Nora Gorley Are Held In Goldthwaite Wednesday

Funeral services for Mrs. Nora Karnes Gorley, 68, were held in the First Baptist Church of Goldthwaite, Wednesday afternoon, October 24, at 3:00 o'clock. Services were conducted by Rev. Morgan Beach, pastor of the First Baptist Church of Mullin.

Mrs. Gorley was born July 12, 1888 and passed away October 21 in Miami, Oklahoma. She had lived in Goldthwaite a number of years before moving to San Antonio to make her home. She was a member of the First Baptist Church of Goldthwaite and had attended the Trinity Baptist Church since moving to San Antonio.

Survivors are the husband, Henry Gorley of San Antonio; four daughters, Mrs. Oletha Ly-

Burks of Goldthwaite, Mrs. Tonya Sherrell and Mrs. Lorraine Williams, both of San Antonio; a son, Sgt. John Hill, member of the U. S. Marine Corps; six grandchildren and 12 great-grandchildren; three sisters, Mrs. Lilly Jones of Goldthwaite, Mrs. Myrtle Doggett of Austin, Mrs. Azora Bambural of Miami, Oklahoma; a brother, Charlie Karnes of Brownwood; other relatives and friends.

Pallbearers were Wallace Johnson, Lewis Porter, F. P. Bowman, Houston Duren, E. D. Hamilton and W. P. Woody.

Funeral arrangements were under the direction of the Roy Wilkins Funeral Home with interment in Goldthwaite Memorial Cemetery.

Vehicle Safety Inspections Are Off To Slow Start

Getting early automobile safety inspections may mean the difference between life and death, according to G. C. Morris, executive secretary of the Highway Safety Council.

During the first month of the current inspection period, which will run through April 15, only four per cent of the registered vehicles in Texas had been inspected.

"The importance of inspections has been proven by Department of Public Safety statistics," Morris said. "In 1951, before the inspection law went into effect, mechanical defects were a causative factor in 19 per cent of the fatal accidents in Texas. Last year, that figure had been reduced to five per cent."

"These figures show beyond a doubt that a person whose

car is in good mechanical condition is much less likely to be involved in a fatal accident," Morris said. "A person who waits until the last minute to get his car inspected is taking a dangerous gamble with his own life."

Last year, 43 per cent of the vehicles inspected in Texas

needed some adjustment or repair, and the average cost of such services was only eight cents, according to the Department of Public Safety.

Mr. and Mrs. J. G. Broun of Lubbock spent the week with Mrs. Fannie House and other relatives here.

Clementine Wilmeth Briley Writes From Temporary Home In El Paso

By CLEMENTINE WILMETH BRILEY

Last night (Thurs.) Bill came a little early for supper to a few minutes changed cooling system to heating. Two or three mornings this week there was frost on the back yard. Last night was our coldest night—42 in the Heights and 36 in the city. Wednesday we had wind gust, but most of our days

are still and bright and beautiful.

I was happy to read in the Oakland News that 1.5 in. rain had fallen there. I was doubly happy when the Goldthwaite Eagle reported rain west of the Bayou 1.50 in. And tonight I'm treading on air since a letter from Mrs. Edna Dwyer today said they had had two good

Countess Vandal. Our neighbors across the street, the Cohns, who were two weeks ago called to New York on account of the death of his mother, returned last night. I thought, "Now is the time to take them flowers". So I took a large bouquet of long stemmed chrysanthemums—three shades of lavender, two kinds of white. They were beautiful.

San Saba Peak

By MRS. DUTCH SMITH

This morning (Tuesday) a nice shower is falling and we hope it will come a good rain before it clears off.

Little Kim King, son of Dr. and Mrs. Steve King of Brady, spent last week with his aunt and uncle, Mr. and Mrs. Loyd King, while his parents attended the National Veterinary Convention in San Antonio.

Mr. and Mrs. Johnnie Smith visited his parents Saturday night.

Mr. and Mrs. Dutch Smith, Mr. and Mrs. Glenn Nickols and Mrs. Minnie Ashley ate lunch with Mrs. Eula Nickols Sunday and attended the singing at the school house Sunday afternoon.

Mrs. Johnnie Smith and cousin, Sue Crocker of Temple, visited Mrs. Dutch Smith Saturday afternoon.

Mr. and Mrs. Loyd King and children visited her parents, Mr. and Mrs. Monty Stone, last weekend.

Dr. and Mrs. Steve King and Diann visited Mr. and Mrs. Loyd King recently and Kim accompanied them home.

Mrs. Joe B. Karnes spent the weekend in Fort Worth with her son, Joe P. Karnes, and family.

WILLIAMSES RETURN FROM FORT WORTH
Mr. and Mrs. Cecil Williams returned home last Sunday after attending the 74th annual ses-

sion of the Grand Chapter of Texas, Order of the Eastern Star, which was held in Fort Worth where Mr. Williams served as a Grand Officer. After

the Eastern Star session closed, they spent the weekend with her brother, Mr. and Mrs. Wayne Locklear, at the Horseshoe Bend Ranch near Weatherford.

Sir Galahad never had it so good! Today's up-and-coming knight gets a royal performance with horsepower to spare from his OK Used Car. That's because OK Used Cars are inspected, reconditioned and warranted in writing by Chevy dealers. Volume trading for new Chevrolets means princely selections at popular prices, too!

Only franchised Chevrolet dealers display these famous trademarks.

Antonio Livestock Exposition Include Wool And Mohair Show

San Antonio Livestock Exposition and Rodeo, to be held in Antonio February 8th and 9th, 1957, will include the State Wide Wool and Mohair Show, according to Exposition officials.

J. L. Jones, Secretary-General of the 8th Annual San Antonio show stated that the show will include the State Wide Wool and Mohair Show and the State Wide Sheep and Goat Show.

Classes will also be provided for Purebred Mohair Fleece of Angora Buck and Buck Kids. Range Fleece for Mohair Range exhibits will be the same as for Purebreds. The Mohair division will also contain classes for the best group of five Fleeces from one breeder and the best County exhibit.

In both the Wool and Mohair Show, each exhibitor will be limited to two entries in any single class, both of which may be placed. Livestock officials further announced that while each Fleece may be entered in only one class for single Fleece, they may also be shown in the best group of five Fleeces from breeders and in County groups.

Total premium for this Wool and Mohair show will amount to approximately \$800.00 plus banner and ribbon awards. The San Antonio show has prepared specific housing facilities, including special lighting, exhibit platforms and tables where Fleeces will be shown and exhibited for the 10 day show.

While the Wool and Mohair contest is labeled as a State Wide show, entries from other states are also welcome.

For detailed information regarding entry applications, entry fees, eligibility, identification, preparation of fleece and shipping instructions, plus a break down of premiums by classes write the San Antonio Livestock Exposition and Rodeo for the 1957 premium list. Correspondence should be addressed to Mr. W. L. Jones, P. O. Box 1746, San Antonio 6, Texas.

FIGHTS ALL COLDS
SYMPTOMS AT ONE TIME...
IN LESS TIME! IT'S THE
PROVEN COLDS MEDICINE

YOU get the benefit of years of research on thousands of cattle when you order Purina Steer Fatena

Workers at Purina's Research Farm have asked thousands of cattle what they needed. Yes, the cattle themselves, built Steer Fatena by telling research men just what kind and amounts of nutrients they needed to help them get the most from home-grown grain. The answer is Steer Fatena, the feed that helps your grain make lots of low-cost beef.

Whether you feed light or heavy cattle, whether you have good or poor roughage, we have a proved Steer Fatena Feeding Plan to fit your particular need.

WE ARE ALWAYS INTERESTED in your problems... would like to tell you more about Purina's Feeding Plans, which are designed to help you make feed dollars count. Pay us a visit next time you're in town.

PURINA STEER FATENA is available with or without STILBESTROL

State Capitol NEWS

By VERN SANFORD
Texas Press Association

AUSTIN, Tex.—Gov. Allan Shivers again is heading the ranks of Texans for Ike. After killing a 1,000-pound bear in Alaska, the governor came home gunning for Adlai Stevenson.

Shivers is to make three out-of-state speeches for Eisenhower this week. He said he is ready to make more "any time, any place."

He criticized scheduled appearances in Texas of out-of-state U. S. senators who voted against the tidelands bill.

In reply Sen. Lyndon Johnson said that the Governor was "being discourteous and insulting" to visitors to Texas. "The tidelands issue," he said, "is as dead as Allan Shivers."

SPECIAL ELECTION DANGLES — Campaigners for Price Daniel's U. S. Senate seat are in for more tortuous waiting.

Gov. Shivers has said he will have no announcement on calling an election until after Nov. 6. A special senate election, he added, "has no place being mixed up with a presidential election."

COTTON REFERENDUM SET — Texas cotton farmers will vote Dec. 11 on whether to extend federal marketing quotas to the 1957 crop.

Two-thirds approval of farmers voting nationwide is required to put quotas into effect. Continuation of wheat quotas has already been voted.

USDA also announced that each Texas county's 1957 cotton acreage allotment will be within at least one per cent of its 1956 level. This decision apparently was aimed at quelling a prolonged rivalry between East and West Texas counties for increased acreage.

Total Texas cotton acreage for 1957 is to be 7,410,893 bales, slightly higher than 1956.

ELECTION INVALIDATED — Local option elections held in an area less than a justice precinct are illegal, say the courts.

Texas Supreme Court has upheld a Civil Appeals Court decision to this effect. As a result, a section of Austin considered "dry" since 1935, is now legally "wet."

Local option elections, said the appellate court, can be held only county-wide, city-wide or in an entire justice precinct.

STATE GROWTH FORESEEN — Texas' need for state office

space will be tripled by 1980. So say planning consultants for the state building program. They estimate that Austin alone will have some 11,500 state employees 24 years hence. State-wide the total is set at 24,000 to 30,000.

Planners say the 200,933 square feet of floor space in the Capitol should be augmented to make a total of 1,720,000 square feet. To accomplish this, four new office buildings would be built. Capitol grounds would be extended north six blocks to 19th Street.

"Broad estimate" of the cost: \$87,000,000. Another recommendation in the recently completed Capitol area master plan is to sell or abandon four older state-owned buildings dotted over Austin.

GAS TEST CASE SET — Whether the state should refund some \$4,000,000 in natural gas taxes will be considered by the Third Court of Civil Appeals on Feb. 6.

District court ruled for the gas company in the test case. An issue is whether some 30 companies who paid taxes, without protest, can get their money back.

Companies which paid under protest were repaid shortly after the law was declared unconstitutional.

ALCOHOLICS INCREASE — A sharp rise in alcoholism among Texans during 1956 is indicated.

Twice as many patients have been admitted to alcohol wards this year as last, reports the State Hospital Board.

Total number of alcoholics in the state is estimated at 155,100. This is almost twice the 1940 estimate of 83,304, represents about three per cent of total population.

FARM INCOME UP — Texas cash farm income for 1956 is running slightly higher than 1955, despite the drought.

But, according to the University of Texas Bureau of Business Research, the figures reflect desperation, not prosperity.

High income, it is explained, comes from sale of production materials, such as breeding stock. Specialists compare it to the situation of a factory which

keeps income up by selling its machinery.

Total through August was \$927,000,000, compared to \$925,000,000 a year ago.

SCHOOL TRUSTEES CONFERENCE — Texas school board members talked all around their integration problems, finally settled on a resolution urging each district to approach the question with "dignity."

Only one dissenting vote was heard among the some 200 attending the Texas Association of School Boards convention in Austin.

One speaker declared integration should be handled strictly on a local basis. Another deplored that school boards have been made the "goats" in the controversy.

night. Mr. and Mrs. George Brown and Georgie visited Mr. and Mrs. Tom Perry at Mullin Sunday.

The shower for Charles and Patsy Head was a success and they received a number of nice gifts.

Harvest Queen Carnival To Be Presented By Schools November 9

The faculty of Goldthwaite schools is cooperating with the Parent-Teacher organization in presenting a program in our gymnasium on November 9, 1956 that will involve the participation of every pupil in our school.

Each room in the elementary school has nominated a candidate for Harvest Queen who has selected a boy as an escort. The winner on this occasion will be

determined by admission vote at the door and the one receiving the greatest number of votes will be crowned as Harvest Queen—all others will be used to form the queen's court and will participate in the crowning ceremonies.

The crowning of the queens, one from elementary school and one from high school, will be the highlight of the evening. A school-wide program will also

be presented by all other pupils of the schools who will use Thanksgiving theme for basis of the program.

The overall program requires an admission of 25 cents for every pupil and 75 cents for every adult that attends even though they take an active part in the program. The money will be used in Parent-Teacher activities for the year instead of seeking donations.

The Senior Class, as is the custom, will offer a Thanksgiving supper in our school cafeteria preceding the program and at a fee that will be well worth considering for such a luscious meal as will be offered.

Democrat Store Changes Owners

Change of ownership for the Democrat Store is being announced in this issue. The new owners, Mr. and Mrs. A. C. Carr will open the store for business this coming Monday morning, November 5.

Mr. Carr is formerly of Ranger while Mrs. Carr is a native of Democrat, the daughter of Mr. and Mrs. John Brown. They have just recently returned from Germany where he was stationed with the U. S. armed forces for two and one-half years. He has served with the Army for 17 years and is presently stationed at Fort Hood serving as master specialist M. P., C. I. D. Mrs. Carr also formerly taught in a business college at Abilene.

Mr. and Mrs. J. L. Auldridge, who have been operating the Democrat store for the past eight years, are making plans to build a new home on their ranch three miles south of the store. Mr. Auldridge will continue with his land improvement business.

Mrs. Mattie Casbeer and Mrs. H. Y. Phelan of Brownwood were guests of their sister, Mrs. E. L. Pass, and Mr. Pass last Thursday.

clubs, junior class, and men's class and displays.

In the artistic classes some of the featured arrangements will be "Our Post Office," "Our Insurance Companies," "Our City Utilities," "Our Wool Industries," "Our Funeral Home," "Our Bank," "Our Library," "Our Churches," "Our Drug Stores," "Our Service Stations," "Our Theater," "Our Schools," "Our Dry Goods Stores," "Our Cafes," "Our Florists," "Our Motor and Appliance Companies," "The Eagle," "Our Lumber Yards," "Our Laundries," "Our Beauty Shops," "Our Dairy Cup," "Our Doctors and Dentists," and "Our Photographer."

In the junior class will be "Our Variety Store," "Tots to Teen Shop," "Our Feed Stores," and "Our Shoe Shop."

In the home demonstration club class members will make arrangements using any household article as a container.

The men's class, "Our Barber Shop," will feature arrangements masculine in feeling, using shaving mugs, pipes and etc.

Displays will consist of any type depicting "Litterbugs," or "Soil Conservation."

The show will open Saturday at 2:00 o'clock and close at 6:00. All entries must be in the building by 10:00 a.m. and removed between 6:00 and 7:00 p.m.

Everyone has a most cordial invitation to attend the show.
