Football Season Opens Friday Night

Eagle Prevue To Be Sponsored By Quarterback Club

A prevue of the GHS Eagle football squad will be presented on Eagle field next week Thursday starting at 7:30 p.m. It was announced this week. The prevue will be sponsored by the Quarterback Club as a benefit project for their activities fund. This will be the night before the Eagles' first home game of the 1957 season. In addition to this prevue of football squad members the Pep Squad is also planning a big pep rally on the field.

Coach Bill Gunn will introduce the individual players with their numbers and give a brief history of each one. Formations and how they work will also be explained for the benefit of football fans.

Members of the Quarterback Club extend an invitation to all fans to attend this prevue. Funds from the admission charge will go towards the Club's contribution to help build the first class press box on the new stadium on the north side of the field.

School Men Talk To Lions

Three members of the Goldthwaite School faculty took part in presenting the program at the regular meeting of the Lions Club Tuesday night. They were J. T. Jones, supt., David J. Williams, high school principal and Alvin Hurt, vocational agriculture teacher.

They discussed the school enrollment and schedule of work and activities for this year and also pointed out some of the many improvements that have been made in the school plant during the past five years. Charles Conradt, Glenn DeLapp and LeRoy Stacy were in charge of the program.

LARRY GRAY INJURED IN AUTO-BICYCLE ACCIDENT

Larry Gray, 9 year-old son of Mr. and Mrs. Leon Gray of Hurst has been carried to his home from Harris Hospital in Fort Worth, where he received treatment for face cuts and a head injury received when a car hit his bicycle in Hurst.

Larry is the grandson of Mr. and Mrs. Wilford Gray of Goldthwaite and visited here several days recently with his grandparents.

WELCOME GIFT—Pictured here in the foreground is the electric chair car formerly owned by the late W. G. 'Butch' Saylor as it was being presented to members of the Goldthwaite Lions Club last Thursday afternoon by W. G. 'Spot' Saylor and Kelly Saylor, father and grandfather, respectively of 'Butch.' Kelly Saylor is shown presenting keys to Lions Club president Harold Yarborough.

Other members of the Lions Club are, left to right, T. M. Glass, Dr. M. A. Childress, C. D. McLean, Ray Duren, J. T. Jones, L. J. Ward, Floyd Spradley and Vic E. Koleber.

The electric chair car was presented to the local Lions Club and the club in turn presented it to the Texas Lions Camp for Crippled Children at Kerrville.

A committee representing the club made the trip to Kerrville Thursday evening and presented the car to camp officials. Those making the trip to Kerrville included Harold Yarborough, C. D. McLean, Floyd Spradley, Norman Duren, J. T. Jones, Ray Duren and L. J. Ward.

Lunch Rooms Get Off To Good Start

Many parents took advantage of the opportunities of a reduction in cost of lunches by paying for a long period of time. Many sent a full year payment; others paid for half a year and many paid for a full month while others paid for only a week. Several appeared with the daily quarter.

The single day deposit amounted to an even \$1000, which is approximately one sixth of the expected income. School officials appreciate this.

It saves the teacher many hours of collecting thus making it possible for more hours of teaching. Patrons help the school program by paying in advance besides saving 10% or more on the cost, if in high school.

Joe LeMay Shows Prize Winning Sheep At Fredericksburg

The Grand Champion Delaine Buck of the 69th Annual Fair at Fredericksburg held recently, was bred, developed and exhibited by Joe LeMay of Route 3, Goldthwaite. The ram was proclaimed by sheepmen to be the finest of the breed ever seen in Texas, with its all around conformity and fleece being outstanding.

Grand Champion Delaine Ewe and Reserve Champion Delaine Ewe were also shown by Mr. LeMay.

Weather Report

Rainfall recorded here during the month of August measured 1.08 inches. This brought the total for the first eight months of this year to 23.05 inches.

So far this month 35 inch was recorded here. This was recorded early Tuesday morning, September 3.

How Boys Get Scouting

BY VALL HINKLE

Many people who are not acquainted with the program of Scouting feel that they have no place in it because they were never a Scout and know nothing about Scouting. They feel that a person must be an expert to help in any way. In opposition to such thoughts, let us consider how Scouting gets to the boys and notice how many people are needed. These people are ones who may have never been in Scouting in any capacity, and may know nothing about how it operates.

Everyone knows what a Scoutmaster is and knows that he deals directly with the boy. But could one man, alone, keep thirty or forty boys happy if he had no support from others who stand behind him and hold up his hands when he needs support. Many men, prominent men in any community, are behind the scene providing help for the Scoutmaster. These men work as Committeemen, as Institutional Representatives or as Commissioners, and in many other jobs see that your boys have the greatest possible benefit from Scouting.

For every Scoutmaster there is a committee. This committee is composed of not less than three men and usually five or more. It is the responsibility of these men to provide for the Scouts and Scoutmaster the things he may have need of, but does not have. An example is transportation. These men also assemble together to review the boys for advancement.

These men are not alone, but have behind them men from every walk of life who are willing in any possible way to see more boys get Scouting. They put in long hours with no financial retribution to do all in

their power to further Scouting. Were it not for the multitudes of unpaid volunteers, whose only reward is to see our boys become tomorrow's men, Scouting would be far from what it is today. Let us all offer our thanks to these men who do so much for our boys.

Goldthwaite P-TA Meets Tonight, Sept 5

The Goldthwaite P-TA will have their first meeting of the school year Thursday night, September 5, (tonight) in the Elementary School Lunch Room at 7:30 o'clock.

This meeting will be a "Get Acquainted Party," honoring the school faculty. Everyone is invited to attend and get acquainted with our new teachers at this time, according to an announcement by Mrs. Truett Auldridge. A very entertaining program has been arranged for this meeting.

CONNIE TODD IS STATIONED AT LACKLAND AIR BASE

Mr. and Mrs. D. C. Todd, Jackie, Sue and Laveta and Mr. and Mrs. Allen Ratliff, Ronnie and Brenda accompanied Mrs. Connie Todd to Lackland Air Force Base to visit Connie, who is stationed there, last weekend. They reported Connie doing fine and liking his work very much. Connie's address is, A.B. Conrad G. Todd, AF185333-41, Flight 1078, Box 1509, Lackland Air Force Base, San Antonio, Texas. He would like to hear from all of his friends at home and those who are stationed at other bases.

Mrs. Hobson Miller and Miss Lucy May Burrus spent the weekend in Kermit with relatives.

GHS Eagles Travel To Hamilton For Tussle With Double A Bulldogs

Reserve Tickets For Game At West Now On Sale Here

One hundred reserve tickets for our West Game on Sept. 27 have been received by Supt. Jones. They are all excellent seats. These tickets sell for \$1.25 and the 100 general admission tickets received will sell for \$1.00 each. Student tickets to that game will be 35c. These tickets may be picked up at the superintendent's office anytime.

For home games about 15 reserve seats remain for sale.

An error has been made in our seat numbering and Supt. Jones will be calling owners and asking them to change the numbers on the tickets as the location will remain the same.

Ernest R. Rickel Receives Degree At A & M College

Ernest R. Rickel, son of W. J. Rickel of Star has been awarded a Bachelor of Science Degree in Mechanical Engineering at Texas A & M College. Graduating along with twenty-one other Mechanical Engineers at the end of this Summer Session, Ernest's activities are highlighted by being Cadet 1st Lt. in the Corp of Cadets, being elected President of the Texas A & M Student Branch of the Society of Automotive Engineers, and recipient of the Distinguished Student Award.

At present he is employed in the Engineering Department at Convar and resides at 1916 Fifth Ave., Fort Worth, Texas.

SENECA COWAN JR. RECEIVES DEGREE

Seneca Cowan Jr. received a Masters degree in Agriculture Education, at Texas Tech, August 30. He has accepted the position as VA Teacher at Clint.

Mr. Cowan is the husband of the former Miss Jane Long of Goldthwaite.

Mrs. Mamie Price of Abilene spent last weekend with her sister, Mrs. Osear Burns and Mr. Burns.

Mullin Baptist Church Wins Town And Country Achievement Award

The First Baptist Church of Mullin has been named winner of the Town and Country Achievement Award sponsored by the Mills County Baptist Association, spokesmen said in Dallas.

The church is now competing with other associational winners in District 16 of the Baptist General Convention of Texas. Both district and associational winners will be recognized at the annual state convention in Fort Worth, Nov. 5-7, when the first place state award will be made. The Rev. Alvis M. Bell is pastor of the Mullin Church, one of 335 Texas Baptist town and country churches participating in the competition this year.

The award is designed to stimulate interest in small church work, to recognize outstanding achievements by pastors and churches and to help Texas Baptist broaden their concept of Christian responsibility.

The Goldthwaite High School Eagles will open their 1957 season tomorrow night when they go to Hamilton for the opening game of the season. This will be a non-conference game but will be a good workout for the Eagles. The Hamilton Bulldogs are a AA team and will outweigh the Eagles considerably.

Coaches Bill Gunn and Dick Hampton have been putting the squad through some intensive training during the past ten days and in the Scrimmage game with Dublin last Saturday night, the Eagles gave a good account of themselves. Coach Gunn states that he is very well pleased with the way the Eagles are shaping up.

Following is a probable starting line-up for Friday night's game.

OFFENSIVE

Jerry Kight and Eddy Jones, Ends; Leo Reynolds and Pete Dellis, T; Jackie Reynolds and Johnny Wigley, Guards; Earl Covington, C; Tilmon Kirby, Q. B.; Phillip Edgington, L.H.; Prentiss Head, R.H.; Jerry Don Hammond, F.B.

DEFENSIVE

Bobby Laughlin and Eddy Jones, Ends; Leo Reynolds, and Earl Covington, T; Jackie Reynolds, and Johnny Wigley Guards.

LINEBACKERS

Jerry Kight, Prentiss Head; Pete Dellis and Glen Carr; Phillip Edgington and Tilmon Kirby.

Quarterback Club Schedules Workday At Stadium Today

Members of the Quarterback Club will meet this afternoon at 4 o'clock to give the stadium on the south side of Eagle field a paint job.

Lewis T. Hudson, president, has issued an appeal for all members to report for this painting project. Each member is to bring his own paint brush. Paint will be furnished.

In addition to the paint job that is to be done plans also call for marking the field in preparation for first home game which will be played on Friday night September 13.

Achievement competition is divided into three categories with points given for projects which help build a better church, community and world. The association is one of 122 geographical areas in which the BGCT promotes such work each year. The denomination includes one out of every six persons in the state, with 3,754 churches and 1,524,000 members in Texas.

Approximately two-thirds of the churches are classified as town and country congregations.

Winning pastors in each district will receive a parchment scroll and the church a metal plaque which may be displayed in a prominent position outside the building.

Top state award last year went to Pastor Robert Wimpey and the Taylor's Valley Baptist Church in Bell County.

VIC'S

SOLILOQUY

POWER OF THE PRESS

An 81-year-old country newspaperman, Chet Lampson, editor of the weekly Jefferson, Ohio Gazette, has provided the country with a dramatic example of the power of the press. Mr. Lampson's paper is small, and its power was exerted against one of the biggest organizations in existence—the U. S. Treasury Department. But David slew Goliath!

Here's what happened: Mr. Lampson received a notice from the Internal Revenue Service demanding payment of an alleged income tax indebtedness of \$9. The notice sent his blood pressure soaring. First of all, he didn't believe he owed the money. But that was a minor consideration. What really angered him was the insulting wording of the notice, and its threats of attachment of income and seizure of property unless the claim was paid at once.

Mr. Lampson didn't confine his views to the columns of his own paper. He wrote the President of the United States and various other officials, including members of Congress. He stated that, "No agency of Government should be allowed to insult any citizen, or deny him his constitutional rights or inflict cruel and unusual punishments on a mere assumption that the taxpayer is a willful violator of the income tax law." To make a long story short, Mr. Lampson got results. The Internal Revenue Service is changing the wording of its form, and you can bet that the new version will be couched in much more courteous language.

So a small-town newspaperman took up the cudgel against a branch of a great government—and won a battle that affects the rights and dignity of all our citizens. Honor to him!

SAFE ON THIRD

The batter who gets on first or second base has a chance to go places. But if he is to score he also must get past third. The same principle holds for polio-vaccination. Here's the way it works:

The Salk vaccine sets up protecting antibodies in the bloodstream that prevent the polio virus from destroying the nerve cells, thus paralyzing the muscles.

One shot of vaccine sets up antibodies in some people. Two shots set up antibodies in people who did not react to the first shot. Three shots set up antibodies in about 96 per cent of the people and provide maximum immunity—that is, the most protection for the longest time.

If you're one of the more than 70 million people who have had your first shot, remember this: three are essential. Like a baseball batter, you must be "safe on third" before you can score in the polio war. And if you're one of the 39 million under 40 years of age who have had no shots at all, you'd better go to bat at once.

GREATEST OF ALL IMMUNITIES

Suppose someone seriously announced a plan whereby all the nation's transportation agencies—that is, all the railroads, all the airlines, all the trucking companies, and all other domestic shippers—would be combined into one gigantic monopoly.

This, you may say, is absurd. For one thing, no man or group of men could conceivably possess the powers and the resources that would be necessary. Then, more important, the government would move instantly to block the project, using all the great authority given it by the anti-trust laws.

That would happen as surely as night follows day if a financial and operating monopoly of this nature were contemplated. But matters are very different when it comes to labor monopolies.

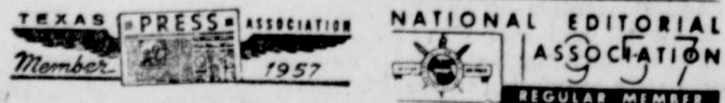

James R. Hoffa—who, it is almost universally believed, will soon succeed Dave Beck as head of the Teamster's Union—has made public a plan under which he hopes to put all the nation's transportation workers into a single union or federation. That means just what it says—all the workers in the rail, truck, air and other shipping industries.

Senator McClellan has said that this would amount to a "super-government." Senator Goldwater has said, "Control the nation's transportation and you control the country." And nothing has more vividly or ominously pointed to the inherent danger that lies in unbridled big labor, immune to laws that affect all the rest of us. The Wall Street Journal told the story in these moderate words: "... the basic reason for the breakdown of most efforts to check unions is that union leaders, alone of the citizenry, are beyond the reach of many of the nation's laws. . . . And the greatest of all immunities is the unions' unique exemption from the anti-trust laws." In other words; the unions now have monopoly powers—and as the Journal added, "Only the Congress of the United States can remove that power."

WHEN THE OLD BIRD WAS YOUNGER

10 YEARS AGO—

Taken from the Eagle files of September 5, 1957

On Friday August 29, voters of the Midway District voted to consolidate with the Goldthwaite Ind. School District by a vote of 19 to 10. At the same time Goldthwaite voters approved consolidation by a vote of 13 to 0.

First Mills County balé of 1947 cotton was ginned at the Priddy gin early Wednesday morning, September 3. The bale weighed 560 pounds, was grown by August Senger. Priddy has grown the first bale of cotton in Mills County for several years.

R. D. Egger and Mrs. Nora Murphy were married at the home of Justice E. A. Obenhaus at high noon Tuesday, September 2.

Miss Stella Mae Hasty, daughter of Charlie Hasty was married to Eddie Rickel of Star Friday afternoon at 3 o'clock.

In a candle light service at the College Avenue Baptist Church on Saturday evening at 7:30 o'clock, Miss Donna Ruth Yeager, daughter of Mr. and Mrs. J. E. Yeager became the bride of Hubert Lynn Berry, son of Mr. and Mrs. R. C. Berry of Goldthwaite.

New Arrival—Lena Ruth, weight seven pounds and seven ounces, made her arrival August 19th at Hamilton Sanatorium at Hamilton. She will make her home with Mr. and Mrs. Virgil R. Geeslin of Goldthwaite.

Miss Audine Cromer of Wichita Falls and Mr. Jack Kluge of this city were united in marriage at 2:35 p.m., August 24. The bride is the daughter of Mr. and Mrs. J. C. Cromer of Gordon and the groom is the son of Mr. and Mrs. E. A. Kline of Goldthwaite.

B. Close of Coleman, sister of Mrs. C. T. Wilson received painful burns about the face and arms Wednesday morning from an explosion of an oven. At last report she was doing nicely and it is hoped that her face and hands will not be scarred.

25 YEARS AGO—

(Taken from the Eagle files of September 2, 1932)

Today marks the forty-seventh birthday of the city of Goldthwaite. The sale of lots took place on September 2, 1825, and on several anniversaries the event was celebrated with a barbecue or some other mode of commemoration. It is proverbial in the town that rain will fall here on September 2, but we will hope the rule does not hold good today.

One of the hardest fought political campaigns in the history of Texas closed with the

Mr. and Mrs. W. P. Weaver returned last weekend from an automobile trip through the northwest carrying them into eight states, and covered a distance of 4500 miles. Relatives from Bartlesville, Oklahoma accompanied them and other relatives were visited in some of the states through which they traveled.

50 YEARS AGO—

(Taken from the Eagle files of September 7, 1907)

Mr. F. F. Henry of Star had a narrow escape from being killed yesterday morning. He was coming to town with a load of cotton and as he came down the mountain in the eastern suburbs of the city, one of his wagon wheels dropped into a rut and the force was so great that one of his mules was thrown down. This loosened a bale of cotton on which Mr. Henry was riding and the bale fell onto the tongue of the wagon and the gentleman was thrown to the ground, but fortunately he fell clear of the wagon. He was bruised by the fall but not hurt seriously.

With this issue of the Eagle begins its fifteenth year of its existence and the outlook is encouraging.

A son of Mr. J. W. Davenport arrived at his house this week after an illness of six years in California, Arizona and elsewhere.

Married at the home of the bride's parents, Mr. and Mrs. J. A. Fletcher, Sunday evening at 8 o'clock, Miss Alva Fletcher and Mr. Tom Crockett, Mullin News.

County Clerk Crawford has issued marriage licenses since last report to T. A. Crockett and Miss Alta Fletcher, J. M. Geeslin and Miss Florence Langford, O. M. Murphy and Miss Ida Roberts.

Oscar Swindle of the Indian Gap Community has accepted a position with the Goldthwaite Mercantile Company and entered upon his duties Monday.

The Kemp family is arranging to move to Memphis, Texas. George and Miss Julia are already there and Miss Ada and John are packing the household goods to move.

Henry Martin's chicken house was discovered to be on fire

yesterday morning and caused some excitement in that part of town. No serious damage was done.

Mrs. W. R. Ross and baby left

yesterday for their home in Worth. Her sister, Miss Hicks accompanied her and will remain in that city this winter studying music.

MARCH OF EVENTS

Vice President Nixon May Pay Moscow Visit in '58

Russian Trip a Possibility If Cold War Really Threatens

Special to Central Press Association

WASHINGTON—Political and diplomatic observers believe that if there is a real thaw in the cold war, should an exchange of visits between Soviet Defense Minister Georgi Zhukov and Defense Secretary Charles E. Wilson materialize and bring about better U. S. Russian relations, the way would be cleared for a goodwill trip to Moscow by Nixon.

Vice President Nixon

The vice president is said to be not only willing but eager to make the journey. As President Eisenhower's goodwill emissary, Nixon already has toured virtually the entire free world. He is reported to feel that Nixon could demonstrate his ability to make friends in Russia as successfully as he has done in other countries.

The feeling in high GOP circles is that such a mission would not impair Nixon's chances for the 1960 Republican presidential nomination. As of now, however, any such trip hinges on the still highly tentative Zhukov-Wilson exchange.

HOUSING HEADACHE—Although the nation's builders are screaming they will go bankrupt if something isn't done to stimulate housing buying, there is no indication the government will do anything about it.

President Eisenhower already has been granted authority by Congress to lower substantially the down payments on houses bought under the federal housing authority guaranteed loans. However, reliable reports are that he will not put the reduced down payment schedule into effect.

This is in line with the administration's tight money policy, which is premised on the grounds that too much credit already has been extended and is having an inflationary effect on the national economy.

LABOR LIKED McCONNELL—The recent decision of Rep. Samuel McConnell (R), Pennsylvania, to resign from Congress shocked and dismayed American labor leaders.

McConnell, who will become executive director of the United Cerebral Palsy associations, Inc., was senior Republican on the House labor and education committee, and during the 83rd Congress served as chairman of the group.

What alarms union officials is that McConnell's resignation elevates Rep. Ralph Waldo Gwinn (R), New York, to the senior GOP post on the committee and if the Republicans regain control of the House, the conservative New Yorker would become chairman.

Gwinn has been a constant outspoken critic of labor in general and has used his influence frequently to combat measures advocated by union chiefs. McConnell made no pretense of being "pro-labor" but he was liked and respected by union leaders, who considered him eminently fair in his dealings with them.

KENNEDY'S FOES—The unannounced but active candidacy of Senator John F. Kennedy of Massachusetts for the 1960 Democratic presidential nomination has developed to the point where his opponents are privately assailing him on the issues of loyalty and youth.

The senator's intra-party enemies are saying that he made no attempt in 1954 to bring about the defeat of his Republican colleague from the Bay state, Senator Leverett Saltonstall. This, they argue, casts a reflection on Kennedy's party loyalty.

On the youth question, Democrats who don't like Jack say that if he were to head the ticket at the age of 43, it would prevent the party from calling Richard M. Nixon "too young" should he be the Republican nominee. The vice president will be 47 in 1960.

Long Awaited "Giant" Comes To 84 Drive-In

After more than three years in production, the George Stevens filmization of "Giant" will make its long awaited premiere Sunday, Monday, Tuesday and Wednesday at the 84 Drive-In Theatre. Elizabeth Taylor, Rock Hudson and James Dean star in the picture.

Filmed on an epic scale commensurate with the novel's locale, the vast empire of Texas, "Giant" is more than a regional story of Texas and its people. It is reportedly essentially a stirring chronicle of three decades of American family life and profound human emotions generated out of the problems of our changing times.

George Stevens, who directed the film and produced it with Henry Ginsberg, is responsible for such screen masterpieces as "Shane," "A Place in the Sun," "Talk Of The Town" and "I Remember Mama."

"Giant" has become one of the most eagerly awaited motion pictures ever to be produced.

Some of the screen's most exciting stars will be seen in "Giant." Elizabeth Taylor, Rock Hudson, James Dean, Carroll Baker, Jane Withers, Chill Wills, Mercedes Cambridge and Sal Mineo.

In Warner Color, "Giant" is a Warner Bros. presentation.

Rev. and Mrs. R. M. Hocker of Austin were visitors in Goldthwaite Sunday and Rev. Hocker preached at the Nazarene Church.

Rev. and Mrs. D. A. Bryant of Colorado visited friends here Sunday and he conducted services at the First Baptist Church Sunday night.

When your pharmacist hands you a small bottle of one of the "new" medicines and tells you the cost, it may seem like a high price to pay for a prescription.

But when you consider what these new medicines your doctor prescribes can do—in getting you well quicker, back on the job, earning money again—you realize what good value you're getting.

Due to the constant advances in medical science and the development of more potent drugs, a siege of sickness costs a person less today than ever before in history.

Twenty years ago, for example, hospital patients stayed an average of 14 days, as compared with 9 days average now. An appendicitis operation used to mean a hospital stay of 3 weeks—now it's usually 5 days. Hernia cases were usually hospitalized 21 days—now they're often home in a week. And pneumonia patients, if they survived, had to stay 3 to 6 weeks. Now they're usually home in a week—if they leave it at all!

Any way you look at it—in terms of saving days of hospital time, the fewer visits needed from your doctor, or your return to income-producing work much sooner—the money you spend for prompt and proper medical care can well turn out to be one of the really big bargains of your life.—Reprinted from a copyrighted advertisement published by Parke, Davis & Company, Detroit 32, Michigan.

WRAP MEATS PROPERLY
FOR FREEZING

Many stores use tight transparent film for packing fresh, unfrozen cut-up chicken or other ready-to-cook poultry and meat. For the stores this is a

convenient, sanitary self-service, and rapid sale prevents storage problems. For storage in home refrigerators or freezers, may I suggest certain precautions.

A loose wrap is recommended for fresh, unfrozen poultry and meat in household refrigerators; for freezer storage a durable, moisture-vapor-resistant wrap is needed to protect against drying out or "freezer burn."

In the home refrigerator a tight wrap in a moist atmosphere encourages growth of micro-organisms and development of off-odors. Micro-organisms that grow on uncooked meat at refrigerator temperatures are not known to be toxic, but they do cause unappetizing tastes and odors.

Fresh meat and poultry keep best at 32 to 35 degrees F. in home refrigerators. For practical home use, here's a guide to refrigerator keeping, based on USDA and other research: Loosely wrapped fresh meat, 3

to 6 days at 38 F. (shortest time for fresh pork); loosely wrapped fresh poultry, 2 to 3 days at 35 F. (shortest time for cut-up poultry; loosely wrapped organ meats, such as liver, 2 days at 38 F.; loosely wrapped chopped meat, 1 day at 38 F.

When fresh, uniform meat or poultry reaches the home kitchen, loosen the tight film for refrigeration. Often, it's better to remove both film and paper-board tray, place meat on a plate, cover loosely with waxed paper or foil and put in the refrigerator. Chicken giblets, often packed in a separate bag under the pieces of cut-up chicken, keep best in the refrigerator out of the bag, loosely covered, and apart from the rest of the chicken.

Mrs. E. E. Greathouse
Buried At Burnet

Funeral services for Mrs. E. E. Greathouse were held in the Burnet Church of Christ Saturday afternoon at 3 o'clock. Burial was in the Burnet Cemetery.

Mrs. Greathouse died in a Brownwood hospital Thursday afternoon after a short illness. She was born in Millam County August 2, 1903 and lived in Blanket before moving to Burnet. She also taught school in Mullin before her marriage.

Survivors are her husband, E. E. Greathouse of Burnet; her mother, Mrs. Beulah Dabney, Brownwood; two sisters, Mrs. I. M. Ross, Brownwood and Mrs. Lawrence Kelly, Dublin.

The Greathouse family formerly lived here and Eulis has the sympathy of his many Mills County friends in his sorrow.

Wiedebusch Babies
Buried At Caradan

Graveside rites were held for Darrell Wayne and Debrah Coantha, infant twins of Victor and Vivian Wiedebusch, Saturday afternoon at 5 o'clock, in the Caradan Cemetery. Services were conducted by Curtis Ripley of Goldthwaite.

The babies were born in San Saba Memorial Hospital Friday, August 30. Darrell Wayne died at birth and Debrah Coantha lived 25 hours.

Survivors are the parents and four brothers, Vicky, Vernon, David and Gary; Maternal grandmother, Mrs. W. D. Koen and paternal grandmother Mrs. Paul Wiedebusch.

Funeral arrangements were under the direction of the Roy Wilkins Funeral Home.

Annual Reunion Of Koen Families
Held At Lake Eanes Last Weekend

The annual Koen Reunion was held at Lake Eanes, near Comanche Saturday and Sunday, August 24 and 25, with an attendance of 161. All descendants of the late F. D. L. Koen, originally from Northern Tennessee.

The late Ben F. and John Wesley Koen, (brother of F. D. L.) were not represented, only by letters from Jim Koen of McKinney and Floyd B. of Liberty, (grandsons of Ben F.) and an oral report by Jack Koen of Hamilton for Claude I. Koen (grandson of John Wesley Koen) of Memphis Tennessee. Jack had recently visited Claude at his home.

Six of the eleven children of the late F. D. L. and Susan Koen, (Claude, Albert, Nancy, Argie, Will and Wayne) were represented by direct descendants.

A business meeting was held Sunday morning just before lunch by the assistant chairman, O. V. Koen of Austin. The invocation was given by Elder Jesse Bass of Abilene. Since the last reunion three of the relatives have been claimed by death: Stillman Elkins, (son of the late W. D. Koen of Caradan) Covie Lawson, (son-in-law of the late S. O. Koen also of Caradan) and Mrs. Ruth Couch, (daughter-in-law of the late Mrs. Cora Couch of Dallas). A song "Stand By Me" was sung in their memory and also for the ones who could not attend.

Recognition was given the "first time visitors": Mrs. Campbell Koen, Midland, Mrs. Jack Bleeker, Brownwood, Mr. and Mrs. Bill Parker, Houston, Elder Jesse Bass and family, Abilene, Mr. and Mrs. Malcom Lee and two children of Hico.

Recognition was also given the oldest and youngest relatives present, Mrs. Georgia Knoll Whittington, 78, Aleman and Troy Campbell Koen, 11 months old son of Mr. and Mrs. Campbell Koen of Midland.

Movies of previous reunions were shown Saturday night by Billy Ray Wicker.

Plans are to meet next year, last Sunday and Saturday before, in August.

Those attending the reunion were: Mrs. Pink Koen, Caradan; Mrs. Stillman Elkins, Grand Prairie; Mr. and Mrs. Campbell Koen and son, Midland; Mrs. Mattie Hardcastle and Shella, Caradan; Mr. and Mrs. Ralph Cline, Houston; Mr. and Mrs. J. V. Check List For Veterans Who Plan To Enter School Under Korean Bill

Veterans planning to start school this fall under the Korean GI Bill were urged today by Dr. George T. McMahan, manager of the VA Center in Waco, to follow an eight-point check list to avoid unnecessary delays and to guarantee "clear sailing."

With some three-quarters of a million veterans expected in training this fall, VA Regional Offices will be operating at top speed to process their papers. Incorrect applications slow things up for everyone, VA and veterans alike, Dr. McMahan said.

Following is VA's check list:

1. Since veterans are allowed only one change of course, they should give plenty of thought to their goal and the training program leading to the goal.
2. Veterans not sure of their training goal should request VA

3. Veterans should be certain their course has been GI-approved by the State in which the school is located. VA Regional Officers—and not VA headquarters in Washington, D.C.—can furnish information about approved courses.
4. Veterans should complete arrangements for admittance to their school before filing applications with VA.
5. The application for GI training should be completely filled out and signed. It should be sent, along with a photostat or certificate copy of the veteran's separation paper, to the VA Regional Office serving his area.
6. The application should go to VA as soon as possible. This will enable VA to iron out any snags before school starts.
7. Veterans with dependents

should have the necessary proof of dependency ready when VA requests it. For a wife, this would be a photostat of the marriage certificate; for a child a photostat of the birth certificate.

8. Veterans should take along enough money of their own to tide them over the first two months of training. It takes that long, ordinarily, for a veteran's first monthly GI check to reach him. The reason is that payments are made only after each month of training completed, and not before.

Further, before VA may make a payment, it must receive a certification signed by the veteran and his school, stating that he has been in class all month. The law allows VA 20 days after receipt of certifications to get checks in the mail.

Veterans administration Office at Brownwood is located at 207 Brown Street.

New Licenses Now Needed To Hunt And Fish

Austin, August—New hunting and fishing licenses are now on sale all over Texas, according to the Chief Clerk of the Game and Fish Commission.

The new license will be required for all hunting and fishing after September 1, for persons between the ages of 17 and 65 who hunt or fish outside their home counties.

The hunting license this year will be \$3.15 and the fishing license \$2.15.

Licenses will be required for salt water fishing as well as for fishing in fresh water.

Tourists get a break, with non-resident fishing licenses reduced to \$2.15, the same as residents.

These licenses can be bought from wardens, county clerks and most sporting goods dealers.

Austin, August—Dove season opened Sunday. A final word of warning was issued by the Director of Law Enforcement of the Game and Fish Commission. This time his warning is to careless hunters.

"It's serious enough to violate laws," the Director said. "It is much more serious, however, to shoot a fellow hunter."

Mr. and Mrs. George Shumate of Pecos were luncheon guests of her aunt, Mrs. C. Locklear and Mr. Locklear last Thursday.

Mrs. La Ogle of Gorman visited her sister, Mrs. M. M. Skaggs last weekend.

Final Rites For Mrs. J. D. Sims Held In Killeen Sunday Afternoon

Funeral services for Mrs. J. D. Sims were held in the First Baptist Church of Goldthwaite, Sunday afternoon at 2 o'clock. Services were conducted by Rev. E. E. Dawson of Hico, former pastor of the First Baptist church of Goldthwaite.

Lucy Ellen Tobey Sims was born April 22, 1872 in the Tobey Community in Burnet County, daughter of the late Martha Harlow Tobey and Samuel Tobey. She passed away at her home in Goldthwaite Friday night, August 30. She was converted in Fairland, Texas in July 1898 and united with a Baptist church and was a member of the First Baptist Church of Goldthwaite. She was married to J. D. Sims in 1888 near Crowley, La., and came back to Texas in 1890. She was preceded in death by her husband Jan-

uary 10, 1928 and also a sister and brother.

Survivors are eight children, I. Y. Sims, Gatesville, Mrs. B. V. Littlepage, Goldthwaite, Frank Sims, San Antonio, Mrs. Archie True, Big Spring, Mrs. John H. Gary, Winona, Mrs. H. W. Batsell, Fort Stockton, V. V. Sims, Phoenix, Arizona and Rev. Kyle G. Sims, San Saba; two sisters, Mrs. W. A. Hall, Ardmore, Oklahoma, and Mrs. Charlie Mangham, Corpus Christi; 16 grandchildren, 30 great-grandchildren; a number of other relatives and a multitude of friends.

Pallbearers were the following grandsons and grandsons-in-law, Walter Beaty, James R. Piper, Loyd Ivy, Tobey Sims, A. M. Pribble, Albert Ivy, D. Moore and H. E. Tannahill.

Funeral arrangements were under the direction of the Roy Wilkins Funeral Home with burial in the Killeen Cemetery, with a short graveside service conducted by Rev. J. T. Ayers, pastor of the First Baptist Church of Gatesville, and a former pastor of the First Baptist Church of Goldthwaite.

Mr. and Mrs. Allen Hardgrave and children visited Mr. and Mrs. B. A. Hodges in Austin Labor Day.

Mr. and Mrs. Jack B. Midland spent the Labor Day weekend with his mother, Annie Armstrong, Jack Debbie Burns, who had been visiting here returned with them, while Barbara remained, as she will school here again this year.

Mr. and Mrs. Dena son and children, Tom and Robtown were guests of his parents, Mr. and Mrs. Claude Dickerson.

Campbell Gas Company Employees Honored For Safety Records

Employees of Campbell Gas Company and one former employee received honors from the Texas Butane Dealers Association for their safety record of the past year. They are Collier, Virgil Geeslin and McLean.

Through this statewide safety contest only a year old, Mr. Campbell of Campbell Gas Company announced that these men have actually a safety record of nearly ten years. "The safety honors," he said, "are a group of more than 100 men who have entered the contest of a statewide effort to reduce accidents. Listed in the contest are employees and representatives of 150 firms of butane gas in an industry-wide program created and sponsored by the Texas Butane Dealers Association."

"The hard way" contest goes beyond the average accident elimination effort," explained Jack Walcher of Midland, president of the dealers' association. "In order to win the contest, an employee must complete a full year without accident of any kind, including traffic, at home, on the job, etc. Any type of accident involving a contestant eliminates him from competition. President Walcher explained that he doesn't believe that practicing safety in any one field of work is enough," Mr. Walcher said. "If a man runs up a safety record and then is careless in his own carelessness is a home accident, he is not called a safe operator. Attention is that to be a safe operator, he must practice safety in every activity."

Through the "hard way" contest, attaining a perfect safety record is extremely difficult. Mr. Campbell received awards at the first year of this

contest recently. Colonel Homer Garrison, Jr., head of the Texas Department of Public Safety, personally passed out the awards to representatives of the firms listed in the contest and paid a high tribute to the butane dealers' organization and to the individuals taking part in the effort. "Safety has to go all the way," he said, "and this group has demonstrated that it can be completed with unceasing care and constant alertness to hazards."

Tischler Wins Men's Softball Bat Crown

Bernis Tischler, son of Mr. and Mrs. Louis Tischler of Priddy, Texas has won the "Men's Softball Bat Crown," in Prescott, Arizona. Tischler of Whipple, led the men's softball batting division with 40 trips to the plate, 24 hits, and an even 600 average. With three home runs, he was also in a four-way tie for fourth place in the home run bracket.

Bernis and wife, Bernice, both of whom attended Priddy Schools, moved to Prescott in 1955. This is his first year of softball but he played hardball with Indian Gap, Priddy and Goldthwaite. He is well known in this part of Texas and his friends will be interested to know that it took a "Texan" to show the boys out there how to play baseball.

Second baseman, little Steven Earl Tischler, who was born on July 5, 1957, is his dad's best and most faithful fan this season.

Mr. and Mrs. Bobby Brown and children, Guy, Greg and Teresa of Fort Stockton and Colburn Ward of Austin were guests of their parents, Mr. and Mrs. Luther Ward and Odena during the Labor Day Holiday.

THE ECONOMIC PRESSURE ON FARMS

The story of the cost-price squeeze on the nation's farmers has gradually slipped from the front pages of the newspapers. It has been an economic reality so long that it just isn't news anymore.

But it is still with the farmers, just the same. Somehow, the charts and graphs of rising prices and falling farm prices just doesn't have the same dramatic impact—except to those who are suffering from its effects.

Eliminating the cold charts for a moment, here's what it means to its victims!

Five years ago, it took 951 bushels of wheat at \$2.06 a bushel to buy a 20-29 tractor at \$1,960. It takes 1,130 bushels at the Today, it takes 1,130 bushels at the prevailing price of \$1.91 to buy that same tractor at the current cost of \$2,160. This represents 179 more bushels of wheat the farmer must raise to get that tractor.

Here are a few more startling examples.

CORN: In 1952, 147 bushels at \$1.73 bought a 2 bottom plow at \$255. Today it takes 214 bushels at \$1.22 for the same plow at \$262, or 67 more bushels.

RYE: 1952, 866 bushels at \$1.72 for a combine at \$1,490. Today, 1,528 bushels at \$1.04 for the combine at \$1,590, or 662 more bushels.

MILK: 1952, 447 cwt. at \$4.38 for a two-ton truck at \$1,960. Today, 744 cwt. at \$3.84 for the truck at \$2,860 or an increase of 297 cwt., amounting to \$2,650 more gallons.

MILK COWS: 1952, seven head at \$254 to buy that \$1,960 two-ton truck. Today, 17 head at \$163 for that truck now costing \$2,860, or 10 more head.

EGGS: 1952, 390 dozen at

\$0.338 for a wringer-type electric washer at \$132. Today, 562 dozen at \$0.249 for same washer now costing \$140, an increase of 172 dozen.

These few figures bring home the fact that the farmer must produce a great deal more at a reduced price to buy commodities which have increased in cost. It shows better than any chart how inflation combines with steadily falling farm prices to put a strangling squeeze on our farms.

By CLEMENTINE WILMETH BRILEY

It's Saturday night and we have reached the hour of parting. From early dawn we've worked to pack the things we need to take and set the house in order for its nine months stay alone. We've disconnected and drained the hot water heater. We've brought the air conditioner inside. We've put out the green light to keep the mice away. In the morning we'll disconnect and clean out the refrigerator, then we'll turn off the butane, and we'll be on our way.

That all that water should flow on forever through all this drouth. The view from there is magnificent. At the Reeves home supper was awaiting—homemade steak, hot rolls, real butter, apple pie. Evelyn Hardin of Big Spring was helping her grandmother in the kitchen. Evelyn is happy that she will soon start to Big Spring's Junior College. She is also happy over a new step-mamma and six brothers and sisters.

Cline Descendants Meets For Reunion At Belton Dam

Descendants of the late Andrew J. and Alice Cline celebrated the Labor Day weekend with a family picnic at the Belton Dam, Belton. Boating and fishing was enjoyed by the group and plans made to meet again next year.

Those present were: Mr. and Mrs. Colter Leverett and son, Mr. and Mrs. Howard Leverett all of Houston; Mr. and Mrs. Aubra Cline and children, Willis, Ronnie, Coy and Mrs. Dorothy Parker, Mr. and Mrs. A. A. Cline, Mr. and Mrs. Lloyd Reynolds, and sons, Walter Cline, Neal, Earl Wayne all of Goldthwaite.

work and canning. Mr. and Mrs. William Ivy and sons, Mr. and Mrs. D. C. Ivy and Jerry of Priddy were recent guests of their parents, Mr. and Mrs. J. S. Ivy.

O. A. Evans visits Mr. and Mrs. C. M. Bramblett quite often. W. A. Elms has been a victim of the flu but at last report he was much better.

A large crowd attended the Angora Goat Show and Sale Saturday. They (surely) had some nice goats. Mr. and Mrs. Pete Geeslin have bought the Arthur Frambrough farm and ranch. They have been doing some house cleaning and other improvements. It has been a lot of work as no one has lived on the place in the last few years. We wish for them and the three daughters good health and much happiness in their new home.

Mr. and Mrs. R. F. Daniel visited Mr. and Mrs. Floyd Daniel and Mark last Tuesday.

Mr. and Mrs. Riley Burdett of Alice spent the holidays with their parents, Mr. and Mrs. Joe Burdett. They also visited other relatives and friends.

Mr. and Mrs. W. O. Oden have returned home from a two weeks visit with Mr. and Mrs. Joe Ivy of Denver, Colorado. They reported a happy and most wonderful trip. The climate was grand and they saw snow on the mountains with valleys green with alfalfa and long rows of cotton. The most beautiful sight was the tall pines on the forest trails.

Mr. and Mrs. Dee Shipman and children of Brady, Mr. and Mrs. Stone Shipman, Shirley and Nita were guests Saturday and Sunday of their parents, Mr. and Mrs. Pearl Shipman.

Mrs. W. A. Elms was a dinner guest Saturday of Mrs. Milton Smith at Goldthwaite. We regret to see the Smiths move to Lubock and wish for them much happiness in their new home.

George and Pearl Crawford visited Mr. and Mrs. C. M. Bramblett Friday.

W. P. (Uncle Proc) McCullough's death brought sorrow to our community. He had been very active and would see about his livestock and farm and ranch until his health failed. He was never to busy to take time to visit his neighbors. We extend our sympathy to his loved ones.

We also wish to express our sympathy to the Victor Weidbusch family in the death of their infant twins. They were

laid to rest in the Caradan Cemetery Saturday afternoon.

Guests of Mr. and Mrs. A. R. Whatley included Mr. and Mrs. Roland McBride and Kenneth Austin, Mr. and Mrs. Ernest White, Lometa, Mrs. W. R. Bliton, Mrs. M. F. Bliton of Lometa and her daughter, Mrs. Taylor of Fort Worth. The Whites brought their moving picture machine and Mr. and Mrs. Whatley got to see themselves walking around doing their work.

We extend our sympathy to the Sims family in their sorrow at the death of their loved one.

Mr. and Mrs. H. Porter were guests of Mr. and Mrs. Hugh Nowell Sunday.

George and Pearl Crawford visited Mr. and Mrs. A. R. Whatley Monday and enjoyed ice cold watermelon.

Planted Fish In Farm Ponds Grow Rapidly

Farm ponds in Texas this year will produce some wonderful fishes, according to a report just issued by the Director of Inland Fisheries of the Game and Fish Commission.

For instance a fry bass planted in an unstocked pond during May, 1957 under proper conditions, may reach 9 inches in length by November, 1957. By the time it is a year old it will weigh 1½ pounds, according to the Director.

Not all the planted fish will do this, he pointed out, but such growth is possible where conditions are right.

There has been a great deal of farm pond study on the part of the Commission biologists. Thousands of small impoundments have been created by putting dams across small dry stream beds within the state during the last several years.

Invariably the Game and Fish Commission is called upon to stock these ponds through its hatchery program. Some 13 million fry have been produced by the Texas hatcheries for this year. Most of them have been bass.

Another favorite fish for restocking is the channel cat, according to the Director. Fingerling cats will grow at the rate of one inch per month, again under favorable conditions.

"The history of the average farm pond is good growth from the initial stocking, with a decreased growth of subsequent spawns," he says. "When sunfish are stocked in a pond they usually will dominate the population composition of fishes present by the third year, presenting a stunted aspect and cause fishing to become poor."

The Director pointed out that hatchery restocking will not help such conditions because the survival of the restocked fish will be practically nil. They either will be eaten by other fish, or they will starve.

He warns that no matter how many fish are restocked by a hatchery they can only begin to approximate the number that will be produced by natural spawn. A pair of good brood bass will produce some 24,000 baby bass, many more than might be stocked from a hatchery in any given pond.

Catfish, however, do not spawn so well unless special conditions have been provided. For that reason the Commission advises the restocking of catfish ponds after several years. This depends, however, upon a survey of the pond fish population.

He recommends remedial measures when fishing becomes bad in farm ponds. This can be achieved either in drainage, selective pond treatment or by fertilization.

Additional information is contained in Bulletin No. 24, issued by the Commission in Austin. This booklet, on "Utilizing Farm Ponds for Fish," may be had without cost by any one interested. Information concerning the use of fish toxicants for selective pond treatment will be sent to pond owners on special request.

Mr. and Mrs. Eugene McNutt of Midland spent the weekend with his mother, Mrs. Edgar McNutt.

Auto Inspections For New Year To Start September 1

Inspection time has rolled around again for more than four million automobile and truck owners in Texas.

The inspection period has been lengthened this year under a provision of a state law setting Sept. 1, 1957 until April 15, 1958 as the time in which all vehicles must be checked for mechanical defects.

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, in announcing the opening of the inspection period, recommended that every owner have his cars and trucks inspected at the beginning of the period. This, he said, will enable vehicle owners to obtain inspection stickers before the holidays and before the last

minute "log jam" at inspection stations.

Garrison said that more than 4,200 licensed inspection stations in the state would have stickers on hand by the starting date and would be equipped to check vehicles without delay.

Sears Pig Show at the show barn in on Saturday, Sept-

September 7th. Judging will start at 10:00 a.m. The following 4-H club members will have their pigs, that were awarded by the Sears Foundation, at the show; Jimmy Soules, Bobby Boykin, Barbara Sheldon, Patsy Boykin, Larry W. Boykin and Wanda Soules.

The premium money will be donated by the Sears Foundation and the best gilt and the male pig will be shown at the district show at Brownwood the following Saturday.

A total of 45 registered Duroc gilts and 9 male pigs have been awarded, in the past 9 years, to Mills County 4-H club members. The payment for these gilts is one gilt pig from the first litter of pigs. This swine program has introduced in the county some outstanding pigs and also has taught 4-H club members how to care for swine.

The U.S.D.A. estimate for the 1957 crop of Pecans is 30 million pounds for Texas, 119 million pounds for the U. S. The crop will be 33 percent less than in 1956 and 14 percent less than the

ten year average of 138 million pounds.

Reports of Walnut Caterpillar damage to pecan tree foliage have been general in widespread localities of the state in recent weeks. Eggs are laid by moths and the worms that develop from them are reddish when young, but become black later with rows of soft, long white hairs, they become about 2 inches long. They are voracious eaters and once started they quickly defoliate trees.

Freeman Fuller and Connie Garner, Extension Entomologist, state that these caterpillars can be readily controlled by spraying when they first appear with either of these added to 100 gallons of water.

- (a) 2 pounds of 50 percent wettable DDT Powder.
- (b) 3 pounds of lead arsenate.
- (c) 2 pounds of 15 percent wettable parathion powder.

Planned selection will pay off in any breeding flock of sheep. Comparative tests have proven that ranchmen practicing selection received 7.7 percent more for wool than those not following selection.

A ewe's fleece should pay for her keep. But due to poor selection practices, many are kept in breeding flocks that do not live up to this requirement, says James Gray, Extension Animal Husbandman, in a recently released bulletin, "Selecting Sheep for Wool and Mutton Production."

This bulletin contains very helpful information for any ranchman who wishes to practice selection. It gives points on how to make selection work, pointing out the requirements for success as well as some of the obstacles to be faced. It also contains sections on types of programs; equipment needed to start a program; when to select; points to consider in selection, including quantity and quality; and some suggested forms for keeping records on commercial and registered flocks. This bulletin may be obtained from the county agents office. Request bulletin number B-858.

The Mills County 4-H Club has unloaded a car of prairie hay this past week. This hay was shipped from Kansas and will be used for feeding 4-H Club steers that will be shown this fall and spring.

Alvin Glenn Tiemann and Wayne Poe have entered a Hereford steer each, at the Heart O' Texas Fair in Waco. They also have these 2 steers entered at the State Fair of Texas at Dallas. Margaret Reese has a shorthorn steer entered. Eugene and Brady Wayne Duren have two Angus steers entered in this show.

Wanda Soules, Jimmy Soules, James Woodson Clary and Ella Ruth Clary have turkeys and broilers entered in the State Fair of Texas at Dallas.

All of these poultry demonstrations are from the Star 4-H Club.

George and I visited Mr. and Mrs. A. R. Whatley Saturday afternoon and found them slightly improved, over what they said was the worst bad cold they ever had. On our return home we visited Mrs. B. F. Humphries and Mr. and Mrs. Bobby Campbell and daughter. They showed us through Mr. and Mrs. Don Humphries new home. The boys were painting. The house surely is nice. They plan to move soon and Dannie is getting ready to start to school. We wish the Humphries much happiness in their new home.

Buddy Robertson baled hay at the Joe Burdett farm Saturday for Mr. Henry Eller.

Alvin G. Tiemann has been helping round up goats at the W. P. McCullough ranch.

George and Pearl Crawford visited Mr. and Mrs. A. L. Crawford and William G. Sunday afternoon.

Mr. and Mrs. Bobby Campbell and daughter returned to their home in Charleston, South Carolina Sunday, after spending their vacation with her mother, Mrs. B. F. Humphries and other relatives. Tommie Sue said Mills County looked good to her. She reported rain every day in that country.

We were very happy to learn our good neighbors, Mr. and Mrs. Tom Stephens and Edwin of Anton, after visiting the Crawfords, Mr. and Mrs. V. T. Stevens, Mr. and Mrs. J. B. F. Manuel, Mr. and Mrs. Walter Reynolds, Miss Lola Stevens extended their visit to Lott where they visited Mrs. Betty Parker and Mrs. Maud Parker. They returned to Waco and visited Mr. and Mrs. Bill Barrington and found all members of this family enjoying a family reunion. They visited a few hours in Goldthwaite Saturday before returning home.

Mr. and Mrs. A. L. Crawford and William G. went to Bangs Saturday to visit Mr. and Mrs. R. J. Schindler. Mrs. Schindler had the misfortune of breaking

her ankle. After several days stay in a Brownwood hospital she was able to be brought home. At last report she was doing as well as could be expected.

Albert Stanke of Priddy, a former resident of this community was carried to a Hamilton hospital. He was reported to be quite sick. We wish for him a speedy recovery.

Mr. and Mrs. W. P. Oxford and sons went visiting Sunday.

Mr. and Mrs. C. D. McMillon of Mason visited Mr. and Mrs. A. C. Starks and Wilford Sunday.

Mr. and Mrs. O. A. Evans visited Mr. and Mrs. A. A. Reynolds Thursday night.

Mr. and Mrs. V. T. Stevens, Mr. and Mrs. Tom Stevens and Edwin visited Henry Stevens Monday.

Mr. and Mrs. A. A. Reynolds were recent guests of her mother, Mrs. Eubanks and Lewis.

Mr. and Mrs. Don Humphries report a new son, born Friday night at San Saba Memorial Hospital.

We send Happy Birthday Greetings to Mrs. J. S. Ivy and wish her many more birthdays.

Recent guests of Mr. and Mrs. W. R. Whatley were Mrs. Ernest White and grandson, Joe of Brownwood and Mrs. Lois Richardson of Lometa; Mr. and Mrs. C. B. Fisher and children, Mr. and Mrs. Tommie Edwards and children, Mrs. Kate Putman, Nelda, Arthur, Mrs. Elvin J. Strauser and children all of Brownwood.

It was nice seeing Mr. and Mrs. Joe Burdett Saturday, they reported their health was much

AUSTIN, Tex.—New faces, new jobs enter the Capitol scene as laws passed in the last legislative session go into effect.

A consolidated Texas Securities Board swung into action with a statement by newly appointed Chairman Maurice Bullock of Fort Stockton that "all doubts (about securities issues) will be resolved in favor of the buying public."

Also appointed to the board by Gov. Price Daniel were Jay A. Phillips of Houston and Pete Rodes of Emory. An attorney, Bullock is former president of the State Bar of Texas. Phillips is a certified public accountant, former president of the Texas Society of CPAs and present chairman of the State Board of Public Accountancy. Rodes is president of the First National Bank in Emory.

Board members selected William King to be acting securities commissioner, a full-time, \$10,000-a-year job. He is a former assistant attorney general and had charge of securities in the secretary of state's office.

Approving or disapproving proposed issues of both general and insurance securities will constitute the prime duties of the new agency. Formerly, these functions were divided between the Insurance Department and Secretary of State's office. It also will supervise the licensing of securities dealers and salesmen.

Governor Daniel called the new law an "outstanding measure for protecting the public against fraud and swindling."

YOUTH COUNCIL—Frank M. Wilson of Waco will be chairman of the new Texas Youth Council.

Other members named by Daniel are Louis Henna of Round Rock and Robert Kneebone of Houston.

New agency replaces the old Youth Development Council. It will have charge of the three state correctional schools for young people and the Corsicana State Home, the Waco State

Home, and the Blind, Deaf and Orphan School at Waco.

Wilson is a Waco attorney and instructor at Baylor University School of Law. Henna, a member of the old Youth Council, was one of the founders of the Baptist Children's Home in Round Rock. A banker, Kneebone has been active in youth work in Houston.

SCHOOL STUDY PANEL—Six legislators and two private citizens are early appointees to a new committee to study the growth problems of Texas public schools.

Named by Lt. Gov. Ben Ramsey were Sens. George Parkhouse of Dallas, A. M. Aikin Jr. of Paris and Floyd Bradshaw of Weatherford plus former Atty. Gen. John Ben Shepperd of Odessa and Laredo school superintendent J. W. Nixon.

House Speaker Waggoner Carr named Reps. Scott McDonald of Fort Worth, L. DeWitt Hale of Corpus Christi and Malcolm McGregor of El Paso.

Full committee will number 24. Ramsey and Carr were directed by the law to pick three legislators and three laymen. Governor Daniel and the State Board of Education are to pick six more each.

One proposal made during the session was to have the state build school buildings and lease them to districts. Numerous Texas officials have opposed federal aid for school building.

HOUSE COMMITTEE—A long list of groups has been set up by Speaker Carr to study basic state problems and report to the 56th Legislature. They include:

Legislative Budget Board—Reps. Max Smith of San Marcos, Frates S. Seeligson of San Antonio, William S. Heatly of Paducah, J. T. Ellis Jr. of Weslaco. Legislative Council—Reps. Robert

Hughes of Dallas, Wesley Roberts of Lamesa, A. R. Schwartz of Galveston, Tony Krieth of Sherman, James M. Cotton of Weatherford, R. H. Cogy of Victoria, Menton J. Murray of Harlingen, Alonzo W. Jamison Jr. of Denton, Don Kennard of Fort Worth and Harold B. Parish of Taft.

State Tax Study Commission—Reps. Seeligson, Richard C. Slack of Pecos and John A. Huebner Sr. of Bay City.

Full list includes 12 committees—even a committee to study the committees.

HARVEST TIME—Typical hot, dry August weather has been good for harvesting, but hard on pasture and late crops.

Dry weather and insects stunted the cotton in central, southeast and coastal counties, U. S. Dept. of Agriculture reported, but better yields are expected in the northern half of the state.

However, USDA noted northern crops are two to three weeks late and could be damaged by an early freeze.

EGG DEALERS GET LICENSES—State Agriculture Department is in the process of licensing some 36,000 egg producers, handlers and sellers.

New egg grading law will be in effect Oct. 22. Enforcement will begin Feb. 17, 1958.

Exempt from the license requirement are retailers who sell less than a case of eggs a week to persons other than consumers and producers who do not claim a certain grade for their eggs.

TEXAS LEADS IN ROADS—Texas is out in front in the interstate highway building program with 293 miles of roads "in the mill."

These are projects which are either under construction, con-

tracted or advertised for bids. Cost will be \$86,000,000 with \$76,000,000 coming from federal funds.

California is ahead of Texas in cost of projects, but second in mileage. It has 95.5 miles underway at a cost of \$96,000,000.

SHORT SNORTS—Texas prison population increased 7.5 per cent last year for a total of 9,268 persons behind bars. National average was 2.2 per cent. National average is 102 prisoners per 100,000 population; Texas ratio is 106 per 100,000—Texas Railroad Commission retained the lowest-in-history 13-day producing pattern for the Texas oil industry in September.

Several weeks ago President Eisenhower asked oil companies to cut their imports to 10 per cent. But Texas commissioners said the request had not as yet brought any increase in demand for Texas oil. "Intangible assets" evaluated for tax purposes in Texas hit an all-time high of \$130,790,050 this year, reported Comptroller Robert S. Calvert. These include such things as the equipment of railroads, pipelines, bus and truck lines. J. E. Connally of Abilene will head the October "Dollars for Democrats" drive, state party headquarters in Austin announced. Goal will be at least one dollar from each voter in the state. Railroad is considering a quest of some 30 bus lines operating in Texas for a 50 per cent increase in fares. Lines also have asked for in commuter fares. A is not expected for weeks. Most hens app took a mid-summer USDA reported Texas production down 9 per cent to 182 million eggs.
