Eagles Defeat Mountaineers 21-0 In First Conference Game Friday

This Friday Eagles Play Host To Cross Plains For Homecoming Game

BY R. C. McCOLLUM

The Goldthwaite Eagles defeated the Santa Anna Mountaineers again this year by a score of 21-0 in the Mountaineers own field. This was the first conference game for the Eagles. Last year the Eagles won 26-0.

The Eagles received the kickoff to start the game and they started a drive up field but a penalty set them back and they couldn't overcome it. Santa Anna ran two plays good for seven yards and punted to the Eagles. The Eagles looked like they were on their way but bogged down on the Santa Anna 42 yard line. Kirby punted out of bounds on the Mountaineers 7 yard line, the Eagles held Santa Anna and they were forced to kick. The Eagles went to work and 8 plays later had their first TD of the night. A 40 yard pass was caught by Eagle left end, Jerry Kight, who made a fine catch and was knocked out of bounds on the nine yard line.

Kirby picked up 5 yards, Hammond one, then Kirby two, and then one yard for paydirt. The try for extra point was good and the Eagles were ahead 7-0. Santa Anna ran two plays and Phillip Edgington intercepted a Santa Anna pass and again here came the Eagles with Kirby, Hammond and Gerry Head, carrying the ball. The Eagles seemed bogged down again but Kirby hit Kight with a pass and a fine run by Kight good for 18 yards. From there the Eagles used 4 plays to cover 39 yards with Kirby getting good backing on the right side of the Eagle line and a good run for 31 yards and the Eagles scored their second TD. Kirby's kick was again good and the Eagles had a 14 to 0 lead seconds before the end of the half.

Santa Anna came back strong after the half and it looked as though they meant business but the Eagles dug in and stopped them. Neither team could get up a scoring drive in the third quarter. One of the highlights of the game for the Eagle fans was a beautiful quick kick by Kirby for 55 yards. He kicked from his 15 yard line and the ball rolled dead on the Santa Anna 30 yard line. The Eagles recovered a Santa Anna fumble and were on their way. They took over on the Mountaineer 41 yard line and 7 plays later, right end Jones had his TD.

Hammond was held for no gain then he bulled his way through for 20 yards. Kirby picked up 6 yards, in two tries, Graves lost 2 and here Kight made another fine catch of a Kirby pass good for 16 yards on the one yard line. Kirby passed to Jones for one yard and the final score of the night, Kirby's kick was good and the Eagles had the game all tucked away.

Every boy, twenty two in all, had a part in this game. Both coaches, made frequent substitutions and each boy did a fine job. The outstanding players in this game were Kight, Dellis and Wigley in the line and Hammond and Kirby for the backs. All of the boys though turned in a good game, Kirby had an exceptionally good night having a hand in all the Eagles scoring.

EAGLES	MOUNTAINEERS
18 First Downs	8
229 Yards Rushing	127
4 Yards Lost Rushing	23
89 Passing	26
314 Total Yards Gained	130

The Eagles attempted 13 passes with six completed and none intercepted. One punt for 35 yards and one for 55 yards; 8 penalties for 100 yards and one fumble. Kirby attempted 8 passes, completed 5 for 86 yards, none intercepted; Edgington attempted 2 passes, completed 2 for 3 yards, none intercepted; Graves attempted one pass, none completed and none intercepted. Hammond attempted 2 passes, completed none and none intercepted.

Kirby carried the ball 17 times, gained 112 yards, for 6 10/17 yard average. Edgington carried the ball 8 times, gained 44 yards, lost 2 for 5 1/4 yard average; Hammond carried the ball 15 times, gained 59 yards, for 3 14/15 yard average. P. D. Head carried the ball 1 time, gained 4 yards, for 4 yard average. Gerry Head carried the ball 2 times, gained 7 for 3 1/2 yard average. Kirby scored on runs of one and 31 yards, kicked three points, passed to Jones for other TD. Kight caught 3 out of 4 passes for 74 yards; Jones caught one out of 5 passes for one yard. Edgington caught one for 11 yards. Kirby caught one out of 2 passes for 3 yards.

EAGLES HOME COMING GAME TOMORROW NIGHT

Tomorrow night the Eagles will play host to the Cross Plains Buffaloes. They have been waiting for this game for a year, since the Cross Plains team won last year and went on to district. Eight of the Eagles, who started the game last year, will be in there again this time and they are all hoping for a big victory this year. This will also be the Homecoming game for the Eagles and a large crowd of fans is expected to be on hand for the game and will be cheering for the Eagles.

Boy Scouts To Park Cars At Home Games

Local Boy Scout Troops, under the direction of Scout Master Floyd Langford, will be in charge of the parking of cars in all parking areas at all home football games. This week, assisting the boys will be members of the Goldthwaite Lions Club, wearing their caps and jackets.

Each car will be parked so as to leave any time in case of emergency. All cars will be lined up so as to leave an aisle between each two rows. The aim is to make parking systematic and if each driver will look for directions from the Scouts and Lions members, parking should not be a problem but a pleasure.

Mullin Sheep Entries Placed At State Fair

Annette Duncan, Mullin 4-H Club member received five placings with her lambs which she exhibited at the Livestock Exposition State Fair of Texas at Dallas last week. She received 10th place with her entry in the Junior Delaine-Merino Sheep Show, ram lamb; in Class 83 her ewe lamb entries placed 6th and 8th; 4th place was won in pen of 3 ewe lambs and 4th in lamb flock.

Jimmy White, president of Mullin FFA Chapter received 10th place with his entry in the Junior Rambouillet Sheep Show with his ram lamb and 10th place with his ewe lamb. In the Yearling Ram Suffolk Sheep Show Glynn Sanders and Son received 9th and 10th placings with their entries and in the Ewe Lamb Class their entries placed 4th in pen of 3 ram lambs; also their entries placed 9th in ewe lamb and 4th in pen of 3 ewe lambs.

Taylor Duncan also of Mullin placed 8th with his entry in Delaine-Merino Sheep Show with a yearling ewe.

James Clary Has Reserve Champion Cockerels At Fair

James Clary, Star FFA member exhibited the Reserve Champion Pen of Cockerels at the Junior Market Broiler Show at the State Fair of Texas last Saturday.

This was the biggest Junior Market Broiler Show ever held at the State Fair of Texas. There were 182 pens of pullets, 160 pens of cockerels, or a total of 1710 broilers shown by 175 exhibitors.

Mullin P-TA To Meet, Oct. 21

Mullin P-T.A. will meet Monday night, October 21, at 8 o'clock, with Mrs. Herald Locke and Mrs. H. H. Ethridge in charge of the program. Program theme is "Partnership-Parents, Youth and Teachers."

All parents are urged to attend the meeting.

DANCE AT LEGION HALL SATURDAY NIGHT, OCT. 19

The American Legion Post of Goldthwaite is sponsoring a dance at the Legion Hall Saturday night, October 19. Music will be furnished by Red Barrett and the Drifters. Ladies will be admitted free and the Legionnaires are hoping for a good crowd.

ATTEND FORD SHOWING FRIDAY

D. R. Edgington, LeRoy Blasdel and H. D. Roberson will leave tomorrow morning for Fort Worth where they will attend the dealer's showing of the new 1958 Fords. The show will be held at the Will Rogers Coliseum.

Miss Wanda Kelly, teacher in the Snyder Schools was a guest of her mother, Mrs. Aline Kelly and Brenda last weekend.

Mr. and Mrs. Aaron Stacy and Mrs. Stacy's niece, Sue Steigerwalt of Fort Worth spent the weekend with Mr. and Mrs. Dan Covington.

Mullin F.F.A. Chapter Elects New Officers And Sweetheart For Year

LINDA CALDER

Linda Lou Calder, senior of Mullin High School was elected sweetheart of the Mullin Chapter of F.F.A. for the year 1957-1958. She is the daughter of Mr. and Mrs. E. L. Calder and has been an outstanding student in all phases of school life.

Linda has been a class officer for three years and was chosen class favorite and outstanding freshman in her freshman year. During her junior year she was chosen Who's Who in Grammar and Homemaking. This year she is Pep Squad President and is completing her fourth year on the annual staff.

JIMMY WHITE

At a recent meeting of the Mullin FFA Chapter, Jimmy White, senior student of Mullin High School was elected president. Jimmy has held the office of treasurer in F.F.A. in the local chapter and also in the district. He holds the Lone Star Farmer Degree. He is the son of Mr. and Mrs. Fowler White.

He held a class office for three years and has been a member of the annual staff for two years. During his sophomore year he was chosen Who's Who in Agriculture and sophomore favorite. In his junior year he received the honor of Who's Who in Algebra, Most Popular Boy and Mr. Mullin.

Annual Homecoming Game And Festivities This Friday Night

The annual Homecoming Game is scheduled for Friday night of this week when the EAGLES meet the powerful Cross Plains Buffaloes on the local gridiron at 7:30. It is said that the Buffaloes robbed the Eagles last year by one score that came about forty six seconds before the final whistle. You will recall that our team moved across the field on the three plays that time allowed after this but sunk on the Buffalo 20 yard line for lack of time for another play.

To date, neither of these two teams has suffered defeat in Conference play and this game can well be a determiner in the district championship drive. The Cross Plains Buffaloes and the Goldthwaite Eagles tied with Mason for top place in conference play. Rain hampered usual workouts this week but the melee Friday night will be "one for the Books."

The activities start Thursday night at 7:00 with a hugh BON FIRE on the Elementary school ground under sponsorship of the Pep Squad and Miss Love Gatlin. You can add to this pep rally by bringing all of your spare wood, carton and boxes, and pile them on the stack of dead wood and boxes accumulated there. Secondly, you can add zest to the drive by attending. Every person will be asked to get out of their cars and yell "E-L-L, Y-E-L-L!" This annual bon fire is looked forward to by every child of the school each year. If the bon fire is rained out, the rally will be held in one of the buildings. The Band will find the "Old Gray Mare" and other lively tunes.

Second attraction is the crowning of FOOTBALL Sweetheart for 1957. This event will be presented between halves Friday night. A more detailed event will be found elsewhere in the Eagle. If a member of the Student Council sees you, be ready for the purchase of a ribbon. The school wants everyone to have a ribbon for this week's game.

Cross Plains promises to bring a great crowd to this game and shall strive to capture the undisputed lead in conference play. The Eagles will be after revenge in victory. Get to the game early if you do not have reserved seats.

SAYLOR AND MILLER SEE 1958 CHEVROLET

Walter G. Saylor, Chevrolet dealer for Mills County and Tom Miller, salesman for Saylor Chevrolet Company, left Monday morning for Fort Worth where they attended the Chevrolet dealer's and personnel showing of the new 1958 Chevrolet at the Will Rogers Coliseum.

DUREN SINGING THURSDAY, OCT. 24

There will be a singing at the Duren schoolhouse next Thursday night, October 24. A number of good singers are expected to be present. Everyone that likes to hear or sing gospel songs is invited.

Mr. and Mrs. Hud Hamilton of Wilcox, Arizona, were guests of her father, Henry Morris, other relatives and friends last week.

Betsy Glass To Be Crowned Football Sweetheart

Miss Betsy Glass, freshman, will be crowned Football Sweetheart tomorrow night at the annual Homecoming football game between Goldthwaite and Cross Plains. She was elected by receiving the largest number of votes by the football boys, thus becoming the "SWEETHEART NOMINEE OF 1957."

Linda Ward received the second largest number and will become the Sweetheart attendant and will be assisted by Nelda Gene Sherwood, who received the third highest number of votes.

Miss Gatlin, Pep Squad Sponsor, will be assisted by the band and director, Miss Anna Gene Hale in the crowning ceremony between halves, when one of the tri-captains will do the actual crowning.

Since this is the homecoming game, Coaches Gunn and Hampton allowed the boys of the squad to elect Tri-Captains for the year. The three boys elected were, Clarence Dellis, Johnny Wigley and Tillman Kirby. These three boys will act as escorts for the Sweetheart and her attendants.

Mrs. Jim Bob Steen and son, James Robert of Marfa were guests of Mr. and Mrs. Robert Steen the first of the week.

of the sheriff and had him almost to the pavement when a car came by, he flagged it down and they took the Sheriff to a doctor's office in Buffalo for emergency treatment, after which he was carried to the Memorial Hospital in Corsicana.

Woolsey, who was captured about three hours after the shooting and Larkin, who did not try to escape at the time of the shooting, were transferred to Huntsville by law officers Friday, afternoon, Smith also surrendered to peace officers about three miles from the scene of the shooting.

These three prisoners were sentenced here last Wednesday for burglary of C. D. McLean's Cafe, several months ago. According to Mr. McLean, jailer, they were "tough customers" and had given trouble while confined to the jail here.

Sheriff Stubblefield will have to remain in the hospital in Corsicana for sometime yet before he will be transferred to Dallas for bone surgery on his jaw.

VIC'S . . .
SOLILOQUY

OIL PROGRESS WEEK

The simple phrase "Fill 'er up, please" has become an accepted part of the American way of life. But backing up the men who service the request to "Fill 'er up" is a fascinating industry of some 1,600,000 men and women, working at more than 2,000 different trades, crafts, skills and professions—the American oil industry.

This week has been designated by the men and women of the oil business as "Oil Progress Week." They define it as "that period of the year when the oil industry reports to the nation."

Without doubt, there is a great deal to report. The contributions made by the petroleum to almost every phase of American life are nothing short of astounding. We not only owe our mobility to petroleum, in the form of gasoline and lubricants, we also are indebted for such contributions as cosmetics, fertilizers, insecticides and a host of other products—some 2400, in all—covering every activity from aviation to zoology. Even the new synthetic fibers—dacron, orlon, etc.—are derived from oil.

When America's first well was drilled, back in 1859, we were a third-rate power, a horse-and-buggy nation, with most of our energy furnished by men, animals, and crude machines run by steam.

Today we are an acknowledged world power, and most of the energy we use comes from petroleum or petroleum products. After World War I, Lord Curzon said the Allies had floated to victory on a sea of oil. After World War II, Admiral Nimitz said we had won it with "oil, bullets and beans." More recently, the industry again displayed its preparedness—and patriotism—when it went all out to supply Europe's oil needs, in addition to domestic demand, after immobilization of the Suez Canal.

On its record, the oil business merits tribute. And so, this Oil Progress Week, we join the rest of the nation in a salute to the American petroleum industry—to its people, its products, and its progress.

NATIONAL BIBLE WEEK—1957

National Bible Week, the annual all-faiths observance sponsored by the Laymen's National Committee, Inc., will be observed from October 21 to 27 this year. Charles R. Hook, Chairman of the Armco Steel Corporation is National Chairman and serving with him as his Honorary Vice Chairmen (representing the three major faiths) are James A. Farley, Chairman of the Board of the Coca-Cola Export Corporation; Sidney Weinberg, Partner of the investment house Goldman, Sachs & Company, and H. W. Prentiss, Jr., Chairman of Armstrong Cork Company.

In today's world—a world confused, tense and floundering—more and more of us find that the Bible provides the true solace and understanding of life and our fellow men. It is in the Bible that we find the fundamental laws that govern the right way of living and the pathway to everlasting Peace. . . The Bible is not just another book—it is, always has been, and always will be the greatest Book of all. It is the Book we must acknowledge as being always a part of us—TODAY, TOMORROW, FOREVER.

WRITING ON THE WALL

It is significant that a distinguished Democratic Senator, Lausche of Ohio, and a distinguished Republican Senator, Knowland of California, have both spoken out in favor of right-to-work laws—laws which give each individual the privilege of deciding for himself whether he shall join or not join a union, and guarantee him the right to his job in either case.

There is writing on the wall in the action of these Senators. More and more people, in and out of government, now see that corruption and bad practices in the unions stem directly from monopoly power—the power to tell a man that he must join and take the union's orders or go hungry. Not until that power is exercised and this form of "involuntary servitude" is legally forbidden, will it be possible to cleanse the unions of the crook, the racketeer, the goon, and the dictators.

From Editor & Publisher: "Three hundred employees—about 5% of the total working force—succeeded in blacking out Boston newspapers for about three weeks. About half that number—2 1/2% of the working force—blacked out all the Detroit newspapers for a week. There is something radically wrong with a system that permits a handful of people to decide that millions of people cannot read their daily newspapers until their own conditions are satisfied."

WHEN THE OLD BIRD
WAS YOUNGER

10 YEARS AGO—

(Taken from the Eagle files of October 17, 1947)

Mr. Will Kennedy was born March 12, 1862 and passed away October 11, 1947, at 4 p.m., being 85 years six months and 29 days old. He came to Mills County in 1882 and was married to Miss Virginia Smith, October 30, 1891, who preceded him in death February 18, 1910. Seven children were born to this union, one preceded him in death.

Little Chyrel Bramblett was born at 3 o'clock Friday afternoon October 10th and died at 11:30 o'clock Saturday night, October 11 having lived only a few short hours to bless the home of her parents, Mr. and Mrs. L. B. Bramblett.

Olney Kelly, 23, a Navy Veteran has opened a radio repair shop to establish Goldthwaite's newest business.

Pat A. Obenhaus left Tuesday for Albuquerque, New Mexico, where he will attend school for five weeks, prior as his employment as Security Inspector with the Atomic Energy Commission, at Los Alamos, New Mexico.

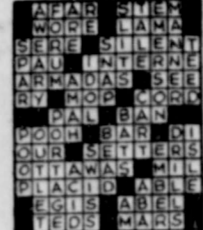

Word was received here yesterday at noon that Mrs. Lora Grishame, mother of Mrs. Lucille Fairman of Goldthwaite, and Mrs. C. M. Allen of Dallas, sister of Ira Harvey of this city, were instantly killed in a car wreck at Salem, Alabama, some time Thursday morning. Mr. Allen was with them taking Mrs. Grishame to her home in Florida. One report was that Mr. Allen had been killed in the accident also, and another was that he was hurt and in a hospital in Salem.

Mmes. John Hester, Fred Reynolds, John Keese, Jim Weatherly, Henry Morris, Aubra Hudson, W. C. Frazier, Tom Collier, John Patterson, Sam Sullivan, and Ray Blackburn of the Methodist Church attended an all day meeting at Star Wednesday of last week.

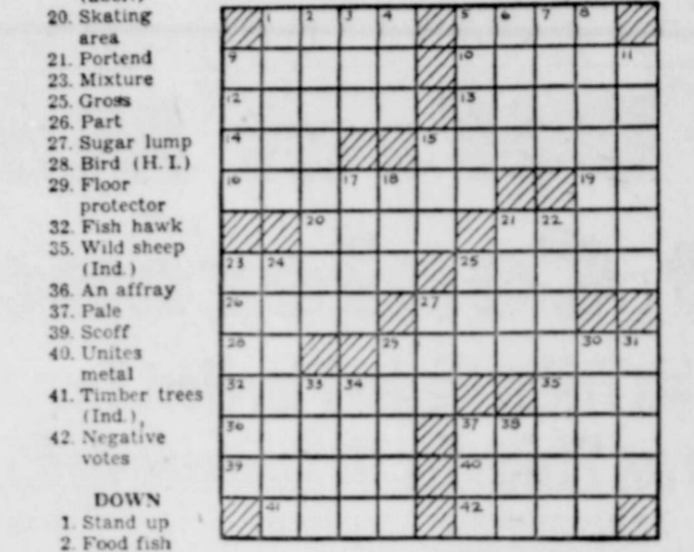

Mrs. Elvis Morris left for her home at Los Angeles, Texas, Thursday of last week after staying two weeks with her mother, Mrs. M. E. Archer. Mrs. M. L. Oquin is now here staying with her mother.

MARCH OF EVENTS

Democrats Hope to Acquire More Senate Seats in '58 | Believe Next Congressional Election Will Up Margin

By HENRY CATHCART
Central Press Washington Writer

WASHINGTON—Senate Democrats, still aglow over William E. Proxmire's surprise victory in Wisconsin, are convinced now they will materially increase their four-vote margin over the GOP next year in the regular congressional elections.

They jubilantly note that in 1958, of the 32 Senate seats at stake, 20 of them are now held by Republicans, only 12 by Democrats. Furthermore, five of the Democrats who must run are from the still more-or-less Solid South and thus assured of re-election. Two others, Senators John F. Kennedy of Massachusetts, and Mike Mansfield of Montana, seem to be shoo-ins. Senators Stuart Symington of Missouri, John O. Pastore of Rhode Island and Henry M. Jackson of Washington, are heavily favored to defeat any opposition the GOP may offer.

Democratic analysts insist that all of the 20 Republican seats involved next year are in danger of being annexed. GOP strategists won't concede this point but privately admit that some of their seats are doubtful.

Included in the doubtful category are Senators William E. Jenner of Indiana, George Malone of Nevada, John W. Bricker of Ohio and Irving Ives of New York.

In addition, the Republicans may find the going difficult in California where Minority Leader William F. Knowland won't be campaigning to succeed himself; in Maine where popular Democratic Gov. Ed Muskie is expected to run, and in Pennsylvania where the Democrats have been scoring heavy voting gains in recent years.

● SENATORS IN 1960—Meanwhile, looking two years beyond 1958 to the 1960 presidential year, there are eight Democrats sitting in the Senate who will figure prominently in the contention for the party's presidential and vice presidential nominations.

Whereas the Democrats have never nominated a senator for top spot on the ticket, 1960 may see precedent broken.

A quick run down shows that Kennedy, Lyndon Johnson of Texas, Estes Kefauver and Albert Gore of Tennessee, Stuart Symington of Missouri, Hubert Humphrey of Minnesota and Joseph Clark of Pennsylvania, will be carefully eyed as presidential timber.

In addition, three prominent Democratic governors—Muskie of Maine, G. Mennen Williams of Michigan and George Leader of Pennsylvania—may bid for Senate seats and all three figure in 1960 political speculation.

● LABOR ALARM—A number of influential labor insiders are becoming alarmed that, despite the AFL-CIO efforts to clean-up corruption in a few unions, the public and a heavy segment of Congress remain unconvinced.

Here is what they are saying: The labor movement has already received a severe black eye as far as public opinion is concerned because of the disclosures before the Senate rackets committee.

The result is that the organization drive to sign up new workers has virtually come to a standstill. However unjustified, thousands of people have come to think that organized labor is dominated by leaders such as Dave Beck, James R. Hoffa and New York hoodlum Johnny Dio.

Key advisers insist that the AFL-CIO must formulate a better public relations campaign to show that the clean-up campaign was initiated even before the Senate committee began to dig.

as, Arkansas, Tennessee, Missouri, Kansas and Oklahoma. On their way home they visited the Dallas Fair.

Supt. and Mrs. John S. Scott of the Mullin School were weekend visitors to this city and reported school starting off fine with a very satisfactory attendance.

50 YEARS AGO—

(Taken from the Eagle files of October 19, 1907)

J. C. Street this week shipped a car of 80 calves to the Fort Worth market.

A. J. Weathers reports the sale of the Curtis farm in Big Valley to H. G. Forehand. Messrs. Curtis took in exchange for their farm two sections of land in Irion County. The valuation about \$6,000.

Captain W. S. Chapman died at his home in Temple Wednesday night. Captain Chapman married Miss Mattie Cox in this city a few years ago and has a number of friends and acquaintances here who were pained when they learned of his death.

R. M. Fisher and Miss Clara Baskin, both of the Fisher community, were married in the county clerk's office Wednesday, Rev. G. W. Templin officiating.

Mrs. Rikard's little daughter, aged about 4 years, died at the family home in the northern portion of this city last Sunday afternoon, from poisoning. One of the older children had been sick and a boxful of tablets containing stychinine and other compounds had been procured for it. The box contained forty or fifty tablets to be given at intervals but the little girl got hold of the box and ate all of them before her act was discovered.

Calvin Bolton died at his home in Mullin Thursday morning and his remains were interred in the cemetery at that place yesterday.

Mrs. Kate Moncrief, one of

the principal property in the Corsicana area, was visiting her son, R. M. S. H. Allen, who has four miles southwest of west of town from Moncrief of Powell.

Dr. H. E. Brown, Mrs. Hammond's residence will occupy it in a new sold his residence to V. L. Neal and Miss Clerk's office Thursday Gartman officiating.

Menzdorf and Andrew Montoya Exchange Wedding Vows In Odessa

Wedding vows were exchanged by Miss Verda Menzdorf and Andrew Montoya, Saturday, September 13, at 6:30 p.m. in Christ's Lutheran Church.

Miss Verda is the daughter of Mrs. A. E. Menzdorf of 13th Street and Mr. Andrew Montoya, son of Mr. and Mrs. J. C. Montoya of Albuquerque, N. M.

The marriage by her father, the bride wore an ankle-length gown of lace and tulle. It was designed on long sleeves tapering to the hands. Her wedding veil was small seed pearl tiara and a white Bible topped with gardenias and carnations.

Salb, Albuquerque, was matron of honor. She wore a fuchsia taffeta dress with bustle and a bouquet of gold

and yellow mums showered with bronze ribbon. Miss Linda Witzsche, bridesmaid, wore a pale gold taffeta dress and carried a bouquet of gold and yellow mums.

Tom Saib of New Mexico was best man. Ushers were Roth Robertson, Goldthwaite and Beryl Roberson, Odessa. Martha Ann Henry was flower girl and Jacky Lynn Hinds carried the rings.

The bride's mother wore a pink suit with a corsage of white carnations.

Immediately following the wedding a reception was held after which the couple left on a wedding trip.

Mrs. Montoya is a graduate of Odessa High School and Draughon's Business College and Mr. Montoya is attending business college.

Mrs. Montoya is a niece of Mrs. Roth Robertson of Goldthwaite and attended school here one year, while the family were living at Mt. Olive.

C. Graves Guest Speaker At Culture Club Meeting Thursday

Culture Club met at Trent Dew Library after a very interesting program. Invocation was given by Rev. Harold Yarbrough and J. Blackburn as co-hostesses. After a short business meeting Mrs. Ray Duren led a very interesting program. Walter J. Cartwright, pastor of the First Methodist Church, Dr. T. C. Graves gave some of the highlights of the National Scout Jamboree at Valley Forge and introduced the Scouts that were privileged to attend the Jamboree. Gary Straley, Gerry Head and Charles Wilkins gave some Indian dances. They were in their Indian costumes which made the dance very colorful.

Colored slides taken at the Jamboree were shown and explained by Gerry Head and Charles Wilkins. Tom Cody Graves showed slides and told of his trip to England for the International Scout Meeting. The program was well rendered and club members and guests felt they had been to the Jamboree and also abroad.

Mrs. Yarbrough's Cub Scouts were guests. Delicious ice cream and cake was served by the hostesses.

Goldthwaite HD Club Presents Program On Good Health

BY MRS. OSCAR BURNS
Mrs. W. W. Reynolds was hostess to the Home Demonstration Club October 8, at her home. Mrs. Lloyd Reynolds, president, presided at the meeting. The club opened by singing "Divine Love," followed by prayer by Mrs. Harvey Hale. Roll call was answered with "What I like about Fall." The Council report was given by Mrs. Mohler Oglesby.

Achievement Day and the Council Christmas party will be held December 4 with a covered dish luncheon and gift exchange. The club voted, instead of giving prizes on dresses being made now at the Work Shop, to have constructive criticism on each garment made.

Program for the meeting was on health, led by Mrs. Mohler Oglesby. She gave a talk on "The Heart and How to Take Care of It, and Cancer Concerns." Others on the program were Mrs. Dutch Smith, "First Aid"; Mrs. Allen Ross, and Mrs. A. L. Reese, "Rural Health," and Mrs. A. D. Harville, "Good Health."

It was brought before the club and discussed about dead animals being dumped at the dump ground, where they breed millions of flies, also the out-houses, which are neglected. For health's sake, all the decaying matter should be burned or buried.

At the conclusion of the meeting, the hostess served delicious refreshments to 20 members and two visitors.

The next meeting will be October 22 in the home of Mrs. A. L. Reese. Program will be on "Clothes Line and Trash Burners," by the agent, Miss Burrus.

NEW BULLETIN ON YEAST BREADS
Tasty homemade breads and rolls make any meal or snack a special occasion. . . and the art of bread making can be learned easily.

Extension foods and nutrition specialists take the mystery out of bread making in a colorful new bulletin entitled "Yeast Breads Made at Home."

Steps for mixing ingredients, kneading the dough, shaping loaves and rolls of many kinds are clearly outlined and pictured in the bulletin.

You'll find recipes for French bread, rye, whole wheat, cheese, yeast bread, in addition to the plain white yeast bread. Refrigerator rolls, buttermilk rolls, oatmeal yeast rolls, and many other tested recipes are featured. . . On the sweet side, there are special recipes for different kinds of coffee cake, fruit filled rolls of all kinds, kolaches, and yeast doughnuts.

Surprise your family with some of the delicious homemade breads or rolls. . . Ask for the new bulletin on "Yeast Breads" at my office.

Center Point News

By MRS. RUBY FRENCH
Mr. and Mrs. L. W. Farris had as their guests over the weekend his daughter and family from Houston.

Mr. and Mrs. Verne French and Mr. and Mrs. G. L. Spinks called in the Roger Smith home Saturday night.

Mrs. Ellis Shelton visited Mrs. E. L. Calder Friday evening.

Billy Ray Hammond, and Gene Shelton played dominoes in the A. K. Shelton home Monday.

Mr. and Mrs. Verne French spent Sunday with Mr. and Mrs. Roger Smith.

Tommie Shelton visited Lee Singleton Monday.

Mrs. Slick Vines and Brad were Sunday visitors with Mrs. Bertha Weathers.

We have had 6 and one half inches of rain and it is still raining.

Charles Cornelius, student at Tarleton State College, Stephenville spent the weekend with his parents, Mr. and Mrs. V. Z. Cornelius.

CARE OF LEATHER ACCESSORIES

Leather accessories are expensive items in the clothing budget these days. Fall and winter costumes call for more leather belts, bags, gloves and shoes.

Preserve the beauty and lengthen the life of leather articles by proper care.

Shoes especially receive hard wear. An economical plan is to have two pairs for alternate daily wear, permitting each pair to rest or dry out between wearings. Perspiration weakens leather, and causes shoes to crack and rip. Use a good shoe cream frequently to protect the leather. Preserve the shape of your shoes by using shoe trees or paper pads in toe and heel.

On belts, bags and gloves, use cream or wax polishes to protect the leather and keep it pliable and soft.

To remove spots from leather articles with benzene or gasoline, air well and re-polish. Saddle soap can also be used to remove dirt and grease from leather articles between polishings.

Prevent cracking and preserve the finish on patent leather articles with vaseline. Use a cheese cloth pad to apply a light, even coating once or twice a month.

rolls make any meal or snack a special occasion. . . and the art of bread making can be learned easily.

Hillside Mission

BY LIDA BYRNE
It is recorded in St. Luke 21:25 that our Lord Jesus Christ said that the time would come when there would be distress of nations with perplexity. Is it not a fact that now our rulers do not know how to solve many confused situations?

TODAY'S Menu

Humdrum Dish Changed To Cinderella Dessert

By ALICE DENHOFF
CHOCOLATE can make the difference between a humdrum dessert and a festive one.

For example, it would be difficult to find a more simple dessert than bread pudding. Yet what happened to Cinderella happens to bread pudding when chocolate glamorizes it.

Spiced Pudding
Spiced Chocolate Bread Pudding, made with semi-sweet chocolate bits, is the real proof of the pudding, as it were!

Combine 1 c. soft bread crumbs, 1/2 pkg. semi-sweet chocolate, 1 c. sugar and 1 1/2 c. milk. Cook over hot water until mixture is smooth.

Beat 1 egg slightly. Add 1/2 c. milk (2 c. milk in all used) and 1/4 tsp. salt. Combine both mixtures and continue cooking until thick. Add 1/4 tsp. ginger and 1/2 tsp. cinnamon. Turn into a greased baking dish.

Bake at 350° F. 20 min.

Cool. Serve with cream. Makes 6 servings.

French Treat
Now there's the other half of that pkg. of semi-sweet chocolate morsels. What to do? Well, you might like to do a Chocolate Puff Soufflé. This dessert might impress you as formidably French and fussy, but it has been streamlined and made easy-to-manage.

To serve 6, heat 1/2 pkg. semi-sweet chocolate and 1 c. milk in top of double boiler. Beat with egg beater until smooth.

Add 3 tbsp. sugar, tsp. vanilla, pinch of salt and 3 eggs. Beat with egg beater 1 min. Cover and cook over boiling water for 20 min. without lifting the cover.

Remove from heat. Serve immediately. Serve with cream.

The Texas Department of Agriculture
By John C. White, Commissioner

SHORTAGE OF HORSES
faces many Texas ranchers who are trying to rebuild beef herds depleted by the prolonged drought. Prices are high for good saddle horses with young mounts bringing around \$250 as against pre-drought prices of \$50 to \$75 a head.

TEXAS TURKEY PRODUCTION will set a new record this season with producers raising an estimated six percent more than 1956's record yield. Total U.S. production is expected to be slightly behind Texas with an overall five percent increase over last year. Distressing note is that live turkey prices are and will likely remain below last year's levels. However, experts are predicting a price rise after Thanksgiving and before Christmas when there will be less storage costs.

TEXAS CRUDE OIL PRODUCTION came from 194 counties during the 1956 fiscal year, according to this map by the Texas Mid-Continent Oil & Gas Association. Four counties produced gas only. Lipscomb County, northeastern Panhandle, broke into the production column for the first time, while

Humble Operations in West Texas
Three major oil discoveries and one important gas discovery were made in West Texas during the last 12 months by Humble Oil & Refining Company. The wildcats which struck oil pay are in Winkler, Cochran and Coke Counties. The gas well is in Runnels County. A total of 223 wells were drilled in West Texas by Humble during the 12 months prior to September 1, 1957. One hundred eighty-eight of these wells are producing oil, 2 are gas wells and 33 were dry holes. Humble first started drilling and production in West Texas in the McCamey field in 1925. In that same year Humble Pipe Line Company completed the first major pipe line into the area. The line connected the Big Lake Field with Humble's main North Texas to Webster line at Comyn. Now the daily average production of oil and condensate in the area is about 55,285 barrels. The company has 1789 producing wells in this region and there are about 849 production department employees stationed there. The company has 253 persons working out of the West Texas exploration office at Midland. Seismograph crews are operating in the San Angelo, Fort Stockton and Big Lake regions. Humble Pipe Line Company operations in West Texas have also expanded tremendously in the past 32 years.

Edwards County, southwest Texas, dropped out. Culberson County, far West Texas resumed production during the fiscal year after a year's absence.

last meeting on October 8, we studied clouds and made a trail. Refreshments were served by Sue Childress at the conclusion of the meeting. Mr. and Mrs. H. L. Greenhaw, Valley Mills and Mr. and Mrs. L. L. Reagan, Fort Worth attended the Berry-Warlick wedding here Saturday night.

Officers Elected By Girl Scouts Troop 2, Oct. 3

BY MARJORIE SPRADLEY
Girl Scouts, Troop 2, met October 3, 1957 in the Girl Scout house. Our leaders are Shirley and Lucille Humphries and Mrs. Houston Duren. The following officers were elected.

Jeannie Bramblett, president; Linda Geeslin; secretary; Gay Ketchum, treasurer; Marjorie Spradley, reporter.

After we elected officers we had our Girl Scout Promise and sang a song. We played games and had nibbles. We also had our wishing ring and sang Taps, then we were dismissed.

VISITORS IN OWEN HOME

Mr. and Mrs. Hugh Owen entertained the following guests during the weekend. Mrs. R. T. Short, Mrs. T. A. Garret and Miss Ruth Taylor, sisters of Mrs. Owen, from Richland Springs; Mrs. Jack Ford, Richland Springs, and Mrs. Walter Dove of Mercury, nieces of Mrs. Taylor and Mr. and Mrs. Owen K. Taylor and children of Austin. On arriving at the Owen home, the guests found Mrs. Owen suffering from deep bruises caused by slipping and falling, hitting her back against the corner of a table and causing her considerable pain.

Odd Fact

Arrested for drunken driving, a Chicago man was released when he told police he'd just spent eight hours cleaning out brewery vats.

Survey takers, out gathering figures on hunting and fishing, have come up with some rather amazing statistics.

For example: More people hunt and fish than take part in all spectator sports combined. And anglers and hunters outnumber golfers nine to one.

Texans spend twice as much money to hunt and fish than they do for admission to all football, baseball, and basketball games, plus all other spectator sports, plus all movies and all other theatrical attractions combined.

The hunting and fishing bill of Texans is greater than that spent on medical care, dental work, and hospitalization insurance.

And the money spent for outdoor pursuits is rapidly increasing. That's because the population is growing and folks nowadays have more leisure time.

These are cold facts, based on accurate, scientific surveys, conducted for the Texas Game and Fish Commission.

PLENTY FOR ALL

Fortunately there is going to be a bountiful supply of fish and game for all these anglers and shooters. Building of many new lakes, stocking them, and good rains this year will mean many fish.

Deer and turkey, along with antelope, once faced extinction in Texas. Game management programs and favorable conditions afield have brought back the deer and the turkey populations and put them in proper balance.

Viewers of the situation are pleased. But they see a need for more and better facilities and accommodations for the hunter and the fisherman.

TREND IN MOTORS

Another indication of change, is the trend toward bigger outboard motors. A decade ago most of these were five horsepower and under. But this year, a major manufacturer predicts that 48 per cent of the motors will be in the 30-horsepower class or larger.

This big stuff is for the speed boat people and those who tow the water skiers. It's not so much for fishermen. A Mercury-6 is plenty of motor for me.

You can stir around and get up an argument between the speed boat boys and the fishermen. But don't think it's necessary. There's plenty of water for all.

Mostly the conflict comes when the lakes are crowded on weekends and holidays. At those times I fish where the big boat boys don't go. Below a certain dam, for instance, it's too shallow for the heavier craft. I chug along up there, dodging rocks and stumps as I go, anchor just below the dam, and catch fish.

BELLIGERENT BLACKS

The best black bass fishing I know is in one or two South Texas lakes. I was down there the other day when the blacks were hitting surface lures like mad.

In this particular lake there's a wooded area, with plenty of weeds and brush. The bass abound there. They are in-

furiated by the noise of a top-water lure.

I had spectacular success with one lure that had a spinner aft. The sound it made was like a school of minnows in flight.

One thing we noticed was that a hooked fish was nearly always followed to the boat by one or two of his fellows. When I hooked one, my partner cast to the same spot to try for the other fish. I did the same when he had a fish on. Sometimes this strategy paid off.

It was a great day and a great place for bass fishing. The weather was cool enough, except just in the middle of the day. We drifted around, among the old mossy trees, casting into the shade where bass were hiding. Very often, after a twitch of the lure, a bass hit. Before the end of the day, we had our limit of blacks.

That kind of fishing is rare, but there will be more of it during the coming months, as this year's fine crop of young bass reaches maturity.

If you hanker for bass, plan to be in your best fishing spot during February and March.

WHOOPERS MOVING

The big whooping cranes are in process of moving from their breeding grounds in Canada to their winter home. Eight adult and two young birds have been sighted on the wing.

Whoopers move along by easy stages. Usually they begin arriving at their Texas refuge about the middle of October or later. Laggards will trail along at intervals.

There are only about 30 whooping cranes alive now. In flight, they appear as huge, white birds, with jet-black wing tips, red-crowned heads and long legs trailing. Please don't shoot them!

A FEW QUICK ONES

Word reaches us that the hottest duck hunting grounds during the coming season will be in far Southeast Texas, around Beaumont. There is water in the marshes to entice the quackers. Hunting should be excellent.

Sportsmen's Clubs of Texas is timely in planning now to inaugurate a firearms training program. With the deer and turkey season just around the corner, people will be conscious of safety precautions necessary to prevent hunting accidents.

Cecil Reid, SCOT executive secretary, said the plan is designed mainly for teenagers and "would hinge on gun safety, but naturally would include emphasis on the handling of modern weapons, some of which are much more complex than the old type one-shot hammer gun."

Well Mr. Reid sure has got something there. In the old days a shot gun was either a single barrel or a double barrel, and not much complication either way. Today's shotguns—and rifles too, for that matter, are as intricate as can be.

Mrs. Lula Morrissy had as her guests Sunday, her niece, Mrs. Hobert Smith, Mr. Smith and three children and Mr. and Mrs. Gene Blackman all of Austin.

THE OLD HOME TOWN By STANLEY

SOIL CONSERVATION DISTRICT NEWS

By HUBERT BERRY

With good rains widespread over the District, it is very important that farmers and ranchers plant crops which will provide the most soil and water conservation. Many farmers have all ready planted either peas, vetch, or clover to provide much needed nitrogen and loosen up hard soils.

Crop residues should be handled so as to get the maximum benefit from them. Left on the surface, they will help prevent erosion and surface crusting.

Grain crops should be allowed to develop good root systems before turning in livestock. This will permit them to withstand

more cold weather as well as produce more forage.

Farm ponds for livestock water and to better distribute grazing have been constructed since last report on W. D. Hardcastle, Guy Waldon, Glenn Collier, F. M. Head, Mrs. E. F. Neighbours, S. D. Perry, Bert Lockett, L. W. Ferris, R. E. Cox, C. J. Humphries, A. O. Dunlap, C. R. Butler, Jim Soules, I. L. Toney, H. C. Tieman, Alfred Pax, J. W. Paduh, Mohler Simpson, Frank Kerby, and James Weatherby.

Terraces to control the flow of water and check soil erosion have been built by E. E. Roberts, C. R. Butler, J. W. Laughlin, Harold Johanson, and H. P. Harris.

Diversion terraces to intercept runoff water and divert it off of cultivated land or into farm ponds have been constructed on W. E. Murry, D. E. Chesser, W. W. Boykin, W. H. Reeves, Guy Waldon, Jim Soules, H. C. Tieman and Marion Burnham.

Mrs. Billy Hightower, Gale June and Pam... visited her... and Mrs. Oscar... weekend.

ROUND UP HEARTY APPETITES

FOR Western Ranch Dinner

WESTERN RANCH DINNER

- 1 cut-up frying chicken (about 3 lbs.)
- 1 1/2 cups Fat Evaporated Milk
- 1 1/4 cups flour
- 1 teaspoon salt
- 1/4 teaspoon pepper
- 2 teaspoon paprika
- 1/2 cup shortening
- No. 2 1/2 can cling peach halves
- 1 can oven-ready beans
- 1 cup water

Turn on oven and set at 425 (very hot). Dip chicken in milk, then roll in mixture of 1 cup flour, salt, and paprika. Melt shortening in 13 x 9 x 2 1/2 pan. Put chicken into pan, skin side down. Bake 75 min. chicken and move to one end of pan. Arrange peach halves, separate biscuits and put into other end of pan. 15 min. longer, or until biscuits are light brown. Feed to hot plates.

For gravy: Mix 1/4 cup flour into drippings left in water gradually. Boil and stir 2 min. for 1 min. Heat, but do not boil. Add salt and pepper to taste over biscuits. Makes 4 servings.

DEAR NOAH - DO MOST PALM READERS COME FROM THE TROPICS ? ALICE M. MARLOWE NEWTON, N.C.

How many acres could you farm without oil?

Only you could answer that question. Without oil, it would depend largely on how many back-breaking hours of toil you were willing to put in. But no one knows better than you how farming with oil has stepped up your production and helped move your crops to market. Yes, the power of petroleum has made farming easier, better, more profitable. That's why we're proud to be your oil supplier—part of the progressive oil industry that helps bring about better living on our farms. We're proud of the high quality oil products we sell and the services we give. This is our assurance that we will always be on the job for you, doing everything we can to power your farm with the newest, most improved oil products.

Cole Circus Scheduled To Show In Goldthwaite On October 28

Mr. Floyd Hill, general agent of the George W. Cole 3-ring Wild Animal Circus was in Goldthwaite recently to complete arrangements for the circus to show under auspices of the Lions Club here on Monday, October 28.

The Cole name is one of the oldest and most honored in the circus business, and Mr. Hill reported in a visit to the Lion's Club officials that the Cole Show this year is right abreast of the times with the most elaborate features and equipment that it has ever carried.

Certainly the most unusual

feature of the circus will be the presentation of a live junglebred African Rhinoceros, an animal noted throughout the world for its size, strength, running speed and extreme viciousness. In addition to the rhinoceros and a herd of performing elephants, the Cole Circus boasts a menagerie which includes lions, leopards, bears, apes, white deer, camels, a giant chimpanzee, and numerous other jungle animals.

To provide all the elements of a thrilled-filled and action-packed three-ring circus performance demands an array of top notch acrobats, trapeze per-

formers, daredevils and clowns. The Cole Circus this season is featuring the Rawls family of teen-age gymnastics, widely known for their speed and their reckless daring; Charley Rex, balancing star on the high trapeze; Miss Jeanie Kreef, aerial stunner featured in 1953 at the Palladium in London, England; Miss Mary Frazier featured in motion pictures as well as a nation wide TV show because her daring feats on the tight wire and aerial stunts. Bob Grubb and his educated Liberty horses; the Shirley Walters performing bears and a host of others competing in a performance that lasts close to two hours.

Alfred Timo Named Leader

DENTON (Spec)—Appointment of commissioned and non-commissioned cadet officers for the fall semester have been announced by the Air Force ROTC unit at North Texas State College.

Capt. Z. K. Kochanek, detachment public information officer, also reported names of cadets assigned to the ROTC Band and to have the Sabres, award-winning drill team. He said 359 cadets have enrolled in the program this year.

Wing commander for the year is Cadet Col. J. W. Inman, a senior from San Benito.

Among those receiving appointments is Cadet A/1c Alfred

Timo, assistant element leader of Element B. Timo, son of Mr. and Mrs. David Jackson Williams of Goldthwaite, is a junior business administration major.

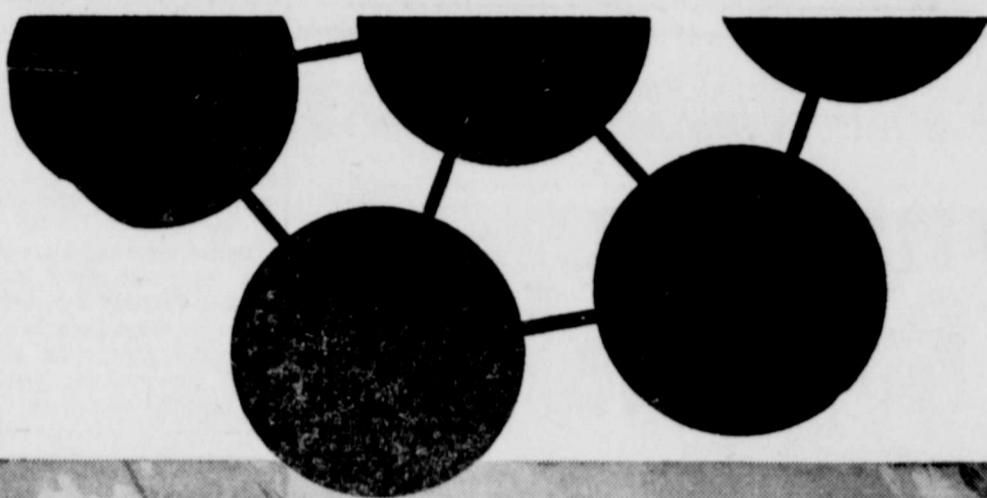

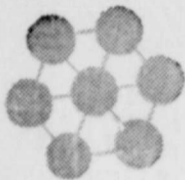

Miss Marsha Wilkins, student at Southwestern University, Georgetown spent the weekend with her parents, Mr. and Mrs. Roy Wilkins.

THE WONDROUS YEARS OF OUR TIME...

Man's use of petroleum — of oil and natural gas — began before the first records of history.

But petroleum's full usefulness to man has been a matter of decades only.

They have been wondrous years, those decades. Years that saw automobiles built by the millions because gasoline was available as a cheap source of power. Years that saw the oceans dwindle under the high speed of great ships powered by oil. Years that saw the evolution of a more comfortable living in homes warmed by oil and natural gas. Years that saw rubber, fibers, paints and many other useful items of everyday living produced from petroleum's hydrocarbons. Years that saw the earth shrink under the wings of the airplane, and great wars decided by the availability of oil.

Thus, the oil industry has led the way into the wondrous years of our time. The industry, through foresight, ingenuity, research, and risk-taking, has found and produced the oil required in greater quantity each year, has conserved

oil for the future, has devised the transportation systems that move oil economically, has built the refineries and plants that convert crude oil and natural gas to the hundreds of useful products needed by a growing United States.

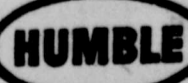

The Humble Company, founded in 1917, has participated in petroleum's progress during four great decades, and has pioneered in the development of many current techniques for finding, producing and refining oil. This week, with the industry, Humble invites you to consider the variety and extent of oil's progress . . . Surely no other industry has contributed more to the making of modern America.

Seeks Education

Extensive national statistics on the number of persons receiving adult education will be available for the first time as a result of special studies being conducted in the October 1957 Population Survey, to be conducted by the U.S. Census Bureau. The major aim of the study is to obtain an accurate picture of the types of adult education programs being received by adults and to determine the types of agencies conducting them.

A secondary aim of the study is to obtain an accurate picture of the types of adult education programs being received by adults and to determine the types of agencies conducting them.

Scout Troop First Meeting
Scout Troop met Oct. 15 for their first meeting of the year at the Scout house, members present. In this meeting, plans for the year were made.

Who are just entering the Scout program are working on their membership requirements. Meeting was held at the home of Mr. Lovelady.

AUSTIN, Tex.—There's talk now of not just one, but two special sessions of the Legislature.

East Texas House members, who served as a tightly-knit team in pushing pro-segregation laws last spring, are asking Gov-

ernor Price Daniel for a chance to put through some more.

Texas needs laws to prevent the kind of trouble that developed in Little Rock, say the East Texans. Specifically, they propose (1) a law to allow local boards to close schools in case of riots or occupation by troops and (2) a measure directing the Attorney General to assist local school systems involved in federal suits to enforce intergration.

Daniel said, "It may be we should take some further action." But he said he thought the East Texans were wise in not suggesting the segregation issues be added to the agenda of the session which opened Monday. It was called to work

on lobby registration, regulation of practice before state agencies, water conservation and crime study. Most observers think thrashing out all the details on these will take a full 30 days.

FOUR INDICTED—Travis County Courts, which serve as the arena in which state officials are taken to task, are due many more months of state-wide attention.

After four months of studying the history of the ICT Insurance Co., a Travis grand jury returned perjury indictments against Former Insurance Commissioners Garland A. Smith and J. Byron Saunders. It also indicted ICT's onetime manager, BenJack Cage, on charges of bribing the commissioners. Also Smith's son-in-law, Max Wayne Rychlik, on

perjury charges.

Jurors recommended state laws be strengthened, particularly in regard to liabilities and responsibilities of company officers and board members.

There wasn't time to go into legislative lobbying, said the weary jury. But urged a law requiring registration and expense reports by lobbyists.

Proof that the jury's tiresome task took its toll was the hospitalization of one member just as the term ended, reportedly suffering from "physical exhaustion."

WATER PREVIEW—Sectional rivalries and lack of money have hobbled past efforts for an overall water conservation program in Texas. So said speakers at the Texas Water Conservation Association meeting where water problems confronting the special legislative session were previewed.

State Water Board Chairman R. M. Dixon said his department has never had enough money to carry out its assigned duties. He asked for more money to gather data and pay salaries comparable with other state departments.

House Speaker Carr pointed out that legislators have had trouble getting together on a water program because they reflect the conflicting ideas of their constituents, said Carr. He urged cooperation.

Governor Daniel recommended a water plan to take care of needs up to the year 2000. "We can go forward," he said, "and guarantee the future growth and prosperity of our state, or do nothing and face economic stagnation."

WATER AMENDMENT—Gov. Daniel has expressed great pleasure over the widespread interest in passage of the Constitutional Amendment for water development.

He pointed out that the measure, which is third on the Nov. 5 ballot, has received the endorsement of the state's leading organizations and associations.

"Each day's mail brings additional support from local chambers of commerce and other civic organizations, as well as private citizens interested in the welfare of Texas," the governor added.

ROD AND GUN STATISTICS—Texans spend twice as much money to hunt and fish as they do for admission to all football, baseball and basketball games, plus all other spectator sports, plus all the movies and other theatrical attractions combined.

So said L. A. Wilke of the Texas Game and Fish Commission at a Rotary Club luncheon in Austin.

Here are some other facts with which Wilke surprised the Austin Rotarians: Anglers and hunters outnumber golfers 9 to 1. They also spend more on hunting and fishing than all Texans spend on medical and dental care and hospitalization insurance.

FLU CASES PILE UP—"That foreign flu" is getting familiar to Texans. Reported cases doubled in a week, according to the State Health Department, bringing the total of flu-like illnesses to 62,319.

A number of schools had to close after absences skyrocketed. Many others canceled football games, band concerts and other special events.

COTTON FORECAST UP—Texas' 1957 cotton crop will be 83 per cent of normal, says the U.S. Dept. of Agriculture. October estimate is for 4,100,000 bales—a half million bales more than was expected in September.

USDA also reported that mild fall weather was helping farmers in many areas. Scattered showers brought up winter wheat on the plains and encouraged volunteer oats and other pasturage for cattle over wide areas. Weather also was favorable for harvesting peanuts, rice and sweet potatoes.

APPOINTED BY GOVERNOR—Named by Governor Daniel to serve on state boards are:

W. W. Heath, Austin attorney, rancher and banker. . . to the State Board for Hospitals and Special Schools.

Dr. B. B. Brown of Dallas (re-appointed) and Dan McKnight of Rocksprings to the State Board of Pharmacy.

Dr. Elmer C. Baum of Austin, Cyrus Hill Lambert, a pharmacist of El Paso, and Dr. William Hibbits of Texarkana, to

DRY GOODS

"SINCE 1857"

the State Board of Health. Dale Broussard of Beaumont and Norman Bratcher of Denison to the State Board of Morticians.

SHORT SNORTS—People in Brazos County, home of Texas A&M, are unhappy. Their county was assigned auto license plates with the prefix letters TU. That, to Aggies, sounds too much like the initials of their arch-rival, the University of Texas. What they don't know is that tags with AM letters now are appearing on Austin cars. . . Texans leaving the Armed Forces in September was more than double the number entering service, reports State Selective Service Headquarters. . . Despite an attorney general's ruling that the House speaker and lieutenant governor are legally entitled to Capitol living quarters, former State Sen. Joe Hill is still trying to get them thrown out. Hill has carried

his fight to the Court. Appeals where he says the practice was unconstitutional and "ridiculous."

Household Help—To prevent dress trouble, pucker from slowly and roughly dry.
