Baptists Plan \$56,000 Building Expansion

Membership To Take Final Action On Improvements Sunday Morning

FIRST BAPTIST CHURCH—This is an artist's sketch of the First Baptist Church building, Goldthwaite, as it will appear with the proposed new educational wing extension and improvement program. The proposed \$56,000 building program will come before membership of the church Sunday morning for final action.

Members of the First Baptist Church, Goldthwaite, will vote on a \$56,000 building expansion program at their regular morning service this coming Sunday. The program will provide a two story educational wing extension, re-modeling the chapel, provide air-conditioning and other general improvements.

The new addition to the educational building will be 44 ft. by 60 ft., two stories and completely air-conditioned for year 'round comfort. In the new addition there will be a suite of four nurseries complete with reception room, kitchenette and restroom. Also a banquet room kitchen and three departments with 13 classrooms.

Present chapel will be made into a permanent chapel with pulpit furniture and new pews to accommodate 100 persons. It will be completely redecorated and carpeted.

There will be a covered porch to connect present educational building and the new extension. Also new entrances to the chapel and the educational building.

When the program is completed it will provide for a maximum educational capacity of 500 persons. This is in line with a general enlargement program of the church which will increase their educational organization from three to four adult departments, two junior departments and from three to four nurseries.

In addition to new construction and redoing the chapel the present building is being redecorated, the library will be moved downstairs, there will be provided a work and storage room and a choir room.

Truett Aldridge, General Contractor, Goldthwaite, submitted the low bid for the job. His bid for general construction of new addition and remodeling and redecorating chapel was \$40,062.80. For air-condition his bid was \$6,850, making his total bid \$46,912.80.

The building committee is allowing an expenditure of \$6,000 for furniture and furnishings. Also approximately \$3,000 for additional minor repairs and

improvements to the overall physical plant. This brings the total cost of the entire program considered by the church to \$56,000.

The matter will be brought before the membership Sunday morning for final action after it was thoroughly discussed last night when members were given an opportunity to go over every phase of the proposed program. It was brought before the church in business conference Wednesday night after it was recommended by the general building committee and approved by the Board of Deacons last week.

Fifteen members served on the general building committee which was divided into three phases as follows:

Plans and construction—J. D. Harper, chairman, J. D. Berry, D. R. Edgington, Houston Duran and Loy Long.

Equipment and Furnishings—D. W. Arnold, chairman, Win-cill Page, Mrs. Delton Barnett, Mrs. W. P. Duren and Mrs. Glynn Delapp.

Finance—W. P. Duren, chairman, Lee Tabor, H. C. Schunck, E. B. Gilliam, Jr., and Charles Conrad.

J. D. Harper is chairman of the general committee which has been laboring on the program for the past eight months.

The program got underway a little over a year ago when a committee was named to survey the building needs of the church. This committee reported to the church their findings and recommendations in April. After this a general plans committee went to work and in July the plans and construction committee started to work with J. M. Zolliecoffer and Associates, Dallas, in developing these plans.

According to announcement by Rev. Presnal H. Wood, pastor, the church has approximately \$36,000 in the building fund at this time. Of this amount \$35,000 was contributed through generosity of Mr. Walter Fairman.

Mr. and Mrs. Arnold K. Kelly and family had as their guests Saturday night, Mr. and Mrs. Robert Morgan of Ballinger.

School Trustee Filing Deadline Is March Fourth

Next Wednesday, March 4, is the last day on which candidates may file for the school trustee election and have their names printed on the official ballots. Filing deadline is 30 days before election which is scheduled for April 4.

Three trustees are to be elected to the board for Goldthwaite, Mullin, Star and Priddy school districts. Two members are to be elected to the county school board, one for precinct three and one member-at-large.

Candidates for Mullin, Star, Priddy and the county board must file with county judge Wm. G. Yarborough while candidates for the Goldthwaite school board must file with the secretary of the board, Dr. M. A. Childress.

Names of candidates may be placed on the official ballot by the candidate signing application, or intention, to be a candidate or by petition properly signed by five qualified voters.

Clabe Locklear returned home last Friday from the San Saba Memorial Hospital where he was a surgical patient for more than two weeks. At last report he was improving satisfactorily.

Improvements Are Being Made At Horton Lumber Co.

Improvements are being made in the office of Horton Lumber Company, according to Mr. and Mrs. M. F. Horton.

They are moving the office into new quarters across the hall of the yard. Along with the new office there will also be new paint display shelving, wall paper display and a special drafting room.

The new office will have new entrance in the west wing of the building. It will have new counter and mahogany paneled walls.

Plans call for the old office space to be used for storage room.

Mills County Schools To Observe Annual Schools Week March 2-6

Public Schools Week was founded in 1950 and launched for the single purpose of advancing the general interest of the public school. The annual observation of the event has established the first week of March as Public School Week and the observation has become a tradition. It has won the whole-hearted support of school authorities and the cooperation of countless individuals. We of Goldthwaite Schools "Open Our Doors To You" and ask that you visit us in person, to see first hand what is being done in our schools, according to announcement by Supt. J. T. Jones.

"Last year we had more than 300 visitors to sign our books. This year we want more—we want every person to visit us," stated Mr. Jones.

MULLIN SCHOOLS TO HOLD OPEN HOUSE

Mullin Schools will observe Public Schools Week with open house all week and the public is cordially invited to visit the schools anytime during this week, according to announcement by Supt. Stanley.

STAR SCHOOLS TO HOLD OPEN HOUSE

The Star Schools will observe Public Schools Week with open house and the public is cordially invited to visit the school during the week, according to announcement by Supt. Jackson.

Weather Report

Rainfall measured here since last report according to an official report from Harry Allen was 35 inch on February 19, .07 inch on the 20th and .04 inch on the 22nd. This brings the total for the month of February to 1.32 inches.

Methodists Will Dedicate Educational Building Sunday

Goldthwaite Methodist is happy to announce dedication of their Educational Building next Sunday at the Morning Worship. The building was constructed in 1954 and it is now debt free. It will be presented to the pastor and

dedicated, following which the Rev. Lowell O. Ryan, Superintendent of the Kerrville District of the Church, will preach the dedicatory sermon.

The building, constructed in 1954 when the Rev. Ed H. Lovelace was pastor, has not been dedicated because of the debt against it. At a special Thanksgiving Service held November 25, the Rev. Mr. Lovelace was the speaker and a drive was started which has resulted in paying the note against the building.

The program is being arranged by a committee of: Col. M. Y. Stokes, Jr., Chairman, Mrs. R. L. Steen, Dr. T. C. Graves, Mrs. Talbot Ledbetter, Dr. M. A. Childress and the pastor.

On the platform with the pastor and the district superintendent Sunday morning will be the Building Committee, Dr. T. C. Graves, chairman, Wallace Johnson (Chairman of the Commission on Education), W. C. Barnett, Secretary-Treasurer, Malcolm Jernigan, Ray Duren, (Chairman the Official Board), Dr. M. A. Childress (Chairman Commission on Finance), and R. L. Steen, Jr., (President Trustees).

At the Evening Worship, 7:00.

PUBLIC SCHOOLS WEEK—The need for public school never changes, but times and conditions may change or require to be changed methods and practices of public education. This is inherent with anything that grows, for growth is the result of change.

Our Texas public schools were created 105 years ago. In 1854 the first law was passed establishing the public school.

It is a healthy thing in our democratic way of life to have intelligent understanding of the important functions of our basic institutions. This is especially true of the schools. The initiative and resourcefulness and the wisdom and leadership that our schools are inculcating in the youth of today are the answers of the problems of citizenship in the years ahead.

"Yes, bring me men to match my mountains." That is the need of our times and must come from the public schools—schools that are strong in virtues required for building men and women.

We can be assured of this and do our part in understanding and helping the public schools to fulfill their great obligation to our times by being a participant in the annual Public Schools Week, March 2 through 6. Schools will hold open house; accept their hospitality, and you will enjoy the experience of going back to school—if but for a day.

Elsewhere in this issue you will find information in the news columns about special activities that are being planned by school officials of Mills County in observance of Schools Week.

☆☆☆

DRIVE FOR FUNDS—The Mills County March of Dimes drive for funds which got off to a late start this year is about to be completed with final tabulations being reported by the committee.

While this drive, usually done in January, was still in progress there came the county drive for the Heart Fund which is always undertaken in the month of February.

Before this drive is over plans are already well underway with workers being lined up for the annual Red Cross fund drive which always takes place in March.

These are but three that are mentioned here which take place in that many months, aside from a number of the other special drives that need to be conducted as strictly local activities, and not tied in or associated with a national drive or campaign.

These fund drives coming as fast as they do has brought more and more local citizens, and especially businessmen, to the point where they wonder: "Why don't we get organized and have a UNITED FUND drive once a year and get it over with."

That is a good point to be given serious thought. The United Fund drive, done once a year—say in the fall, about October—could take care of the job. With a board of directors and a budget that would include all these worthy causes that need to be supported the problem could be taken care of and financed with one drive. With everyone working on such a program and all contributing to it the job could be done in one month, instead of having a drive every month, so to speak.

☆☆☆

THE BANK CLOCK CHIMES—Some time back when Mills County State Bank repaired, or replaced, the big electric chime clock on the bank corner we printed information about it including how the clock worked and on what schedule the chimes sounded.

At that time we didn't have concrete information on what words were tied in to fit the chimes. We were informed that the Westminster Chimes had words to fit, but, no one was certain what they were.

Raymond Casbeer, assistant cashier of the bank staff, is in charge of the bank clock and looks after the mechanism. He has been concerned about finding out what the chimes are saying.

The other day Ewell Friddy was standing on the corner across from the bank as the chimes sounded. He listened to them and then he said: "Those chimes sound like they are saying something."

Casbeer then wrote to the company that manufactures the clocks and chimes inquiring about it. He received this reply: "We are most happy to supply you with the words to fit the Westminster Chimes on your clock;

"Lord, through this hour,
Be thou our Guide
So by Thy power,
No foot shall slide."

WHEN THE OLD BIRD WAS YOUNGER

10 YEARS AGO—

(Taken from The Eagle Files of February 25, 1949)

R. G. Kelly had the misfortune of breaking his leg, close to the ankle, Tuesday evening. He was employed on the R.E.A. and was taken to Memorial Hospital, Brownwood.

Marriage licenses issued by County Clerk Earl Summy since last report included: Leonard E. Jones and Robbie Pittman; Paul B. Whiteley and Bettie Lois Dollins; Oran P. Stark and Ovelida Harmon.

Announcing the arrival of a seven pound nine and one-half ounce daughter born February 16, in the Methodist Hospital, Dallas, Texas. The little lady, Marsha Karen, will make her home with Mr. and Mrs. Bobby Lee, 313 West Twelfth Street, Dallas. Marsh Karen is the first granddaughter of Mr. and Mrs. Bud Oden of Goldthwaite.

Mrs. H. B. Johnson was born March 22, 1889 in San Saba County, where she joined the Methodist Church at an early age. She married Henry Bascomb Johnson in 1910. Mr. and Mrs. Johnson moved to this community where he was in business until his death in 1936. Mrs. Johnson died at 1:35 a. m. February 11, 1949.

Mrs. Sallie Jane Faulkenberry passed away Thursday at her home in Mexia, Texas. The body is being brought overland here and the services and burial will be at 2:00 o'clock this afternoon (Friday) at South Bennett Cemetery.

Henry Clay Knowles of Star, youngest son of Mr. and Mrs. U. R. Knowles, and Miss Patricia Williamson were united in mar-

riage in a double ring ceremony in Memorial Methodist Church in Austin where she is employed at the Bell Telephone Company and where Henry Clay is a student in business school.

Mr. and Mrs. Ira O. Harvey were guests of their son, Omar Harvey and family in San Antonio Sunday.

25 YEARS AGO—

(Taken from The Eagle Files of February 23, 1934)

The annual Junior - Senior banquet of the Mullin School took place last Saturday night, and was, as always, one of the most enjoyable and best managed social events of the year.

Ranger boasts one of the youngest Boy Scouts to reach the Eagle rank in Texas. He is "Wally" Reed, 13, son of Mr. and Mrs. J. L. Reed of Ranger. Wally completed tests and examinations incident to gaining the rank of Eagle Scout in 19 months.

Mesdames Hugh Moreland and Dutch McKenzie gave Miss Leatrice Berry a surprise birthday party Saturday night.

Mr. and Mrs. O. H. Yarborough and Mr. and Mrs. W. F. Brim spent a good part of this week in the Republic of Mexico and in Southwest Texas. They left Monday for Monterey, expecting to stop at other points on the trip.

J. C. Frizzelle, who was employed for a good many years in one of the large banks in Fort Worth has resigned the position to accept a place as bookkeeper for a large shipping firm in New Orleans.

Mr. and Mrs. Leonard Daugherty returned to their home in San Antonio Sunday, after a short visit to friends here. It was Mr. Daugherty's first visit to Goldthwaite in twenty-five years and he thoroughly enjoyed meeting with many of his friends of long ago.

Rev. J. S. Bowles filled the pulpit in the Methodist Church last Sunday, by invitation of the pastor, who was out of the city.

J. B. Whitman and Wm. Cobb, two former Goldthwaite citizens, have been elected members of the board of directors of Brady Chamber of Commerce.

Mr. and Mrs. J. H. Randolph returned the first of the week from a visit to relatives in Temple and Belton.

55 YEARS AGO—

(Taken from The Eagle Files of February 27, 1904)

Mr. E. W. Ligon died at his home near Warren Crossing Friday morning at 11:00 o'clock, after a long illness with pneumonia. His wife died five years ago leaving him to care for four little children and they are now left to the care of their elder brother and sisters. The two little girls have gone to Hamilton with their sister, Mrs. Steen, and the two little boys will be cared for by their brother, Walker Ligon.

The death Sunday afternoon of Mrs. G. H. Frizzelle about 4 o'clock caused sadness to many people of this city, outside her

family circle, for her Christian character and kind disposition had drawn to her many friends among the people of this community.

P. M. Morris is arranging to engage in ice business in this city as soon as the weather becomes warm.

Mrs. H. P. Smith this week sold two lots on Hutchings Street, one to Henry Martin and the other to R. M. Thompson.

Joe A. Price left the first of the week for Dallas and expect-

to go from there to

California. J. H. Randolph is building a telephone line to his farm on the river. This is a great convenience for him in that part of the county.

Government Concerned Over So Many Jobless Panaceas Likely Unless Figure Drops By Spring

By HENRY CATHCART

WASHINGTON—The nation's unemployment total has risen above four million again, despite recovery from the recession in most other categories.

The figures have the administration and Congress worried, searching for plans and programs to ease the situation. Underlying the fear in both branches of the government that failure to solve the problem speedily will encourage drastic and poorly thought-out panaceas on the part of liberal bloc members in Congress.

The Capitol

The failure of unemployment totals to fall proportionately as economic recovery continues has puzzled and concerned both government and private industry leaders. While other economic indices point to a new high level of production and general prosperity, business has been unable to absorb much of the idled labor force which caused so much alarm a year ago. For the current size of the labor force, an employed pool of two to three million workers is not considered excessive. However, any rise in that figure is viewed as being economically wasteful and politically troublesome.

It is true that the unemployment rate has fallen sharply in building and other outside activities during the cold winter months. Behind the current figures, however, is the haunting fear that not even the spring thaw will correct the situation.

Should spring not bring with it a job boom, look for more agitation in Congress for more federal public works, tax concessions to the idle, and moves for more liberal unemployment compensation. All of these programs will have a better chance of enactment in the new, more liberal makeup of the Senate and House.

STRANGE COMPANIONS—Recently, at a big Washington dinner, GOP conservative Senator Barry Goldwater, of Arizona, seated next to a liberal Democratic female columnist.

A senator humorously noted the pair and inquired of Goldwater how things were going. He replied, "We're discussing a safe subject—solid propellants."

UNUSUAL OCCUPATIONS—A young woman at a big Washington Walter Reed Army medical center holds one of the unique jobs in this world. She is a medical artist.

Her job is to sketch the progress of operations as the surgeon actually being performed, a formidable undertaking as, in her words, "you can't stop an operation for more time."

Her work is used by surgeons and medical students to check their own techniques, and as illustrations for lectures. She has illustrated seven medical books.

She finds she must work rapidly and, in most cases, only she can understand her original rough sketches, which she works up her finished illustrations. She is well fitted for her work. Her father was a doctor and she studied medicine and art.

Asked if she has done any normal art work for her own amusement, she replied that she has, "but my trees usually turn out look like gall-bladders."

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

By I. H. COPELAND

Root plowing combined with range seeding is to be started this week on the L. B. Burnham ranch. Root plowing has been done for several years in South and West Texas and has been very effective in controlling brush and in improving grass.

The plowing opens the soil enabling it to take up water rapidly and does away with competition from the brush.

WHAT DISTRICT COOPERATORS ARE DOING

Ponds have been constructed by: Taylor Duncan, Blue Thompson, Clayton Egger and Frank Beyer, in Ebony community; P. R. Jordan, Arthur Wilcox, Marion Burnham, Weldon Mahan and Walter Tubbs.

Terraces have been constructed by: G. L. Kemp, Milton Schwartz, Jack Welch and Tony Kraus.

Diversions have been constructed by: Clyde Cockrum, Frank Kerby, Weldon Mahan, G. L. Kemp, and T. L. King.

Basic Values of Terraces and Contour Farming: A terrace

system with contour cultivation makes a valuable improvement to the farm. The basic value of terraces is to reduce the length of the slope and reduce soil and water losses. Success of terrace depends upon proper maintenance after construction. The care of the land between the terraces has an effect on the maintenance of the terrace system.

Contour tillage results in minimum damage to the channel and ridge of terraces. Contour tillage has a basic value in that, by running rows parallel to the terraces, soil and moisture is held on the land.

The Goldthwaite Garden Club met in regular meeting in the Jennie Trent Dew Library Wednesday afternoon, February 18, at 3 o'clock, with Mmes. Ray Standley, Lee Roy Stacy, F. M. Stephens and Walter Bryant hostesses.

Mrs. V. Z. Cornelius, president presided over the business meeting. Reports were given by the different committee chairmen. Plans for Flower Show School Course III to be held at Brownwood, March 2nd, 3rd and 4th were discussed. Book list recommended were Handbook for Flower Show (1957 edition); Woman's Home Companion, Garden Book by Webster (chapters 39-49); Corsage Craft, Noble and Reusch; Color Notation, Munsell; Judging Fruits, Vegetables and Nuts, Pettit; All About House Plants, Montague Free; and Review: Color in Flower Arrangement.

The resignation of Mrs. Floyd

Sykes was accepted with regret.

Mrs. O. O. Smith announced that the yard of Dr. and Mrs. T. C. Graves was judged "Yard of the Month" and Mrs. Graves was presented an Angel Wing Begonia from the yard of Mrs. Mary Winsor. The Yard of the Month Marker was placed in the Graveses' yard for a month.

After the business meeting a program on "Flower Arranging" was led by Mrs. G. C. Head.

Mrs. Jim Weatherby gave a very informative discussion and demonstration on Corsage Making.

Bring Beauty Into Your Home was given by Mrs. T. C. Graves. Mrs. Graves gave a discussion on bulbs and showed slides of Tulip Gardens and Parks in Chicago, to the delight of all present.

At the conclusion of the program the hostesses served a delicious refreshment plate to club members and guests.

Ten Memorial Books Donated To Jennie Trent Dew Library In February

The Jennie Trent Dew Library Board met Tuesday, February 24, with the chairman, Mrs. Harold Yarborough, presiding. Mrs. W. C. Barnett, secretary, read the minutes of the previous meeting and also gave the Librarian's report.

During February the following memorial books were donated: "Women And Thomas Harrow," Marquand; "The Steel Cocoon," Plageman; "The Thorn of Arimathea," Slaughter; "The Ugly American," Lederer & Burdick; "Daybreak," Slaughter; "Very Truly Yours," Swor; "Everest," Morin; "The Lady And The Deep Blue Sea," Roark; "Detective Book Club," and "The Rubayyat of Omar Khayyam," Fitzgerald.

"The Flying Tigers," by Lt. Col. Walter Lasly was donated to the library by Mrs. Tom Lasly, mother of Col. Lasly.

Star Thursday. Mr. and Mrs. J. Y. Hamilton were Star visitors Sunday.

Mrs. O. J. Lee of Evant visited her mother, Mrs. Will Gent, Sunday.

Miss Kathryn Wall of Fort Worth visited the weekend with her parents, Mr. and Mrs. Fred Wall.

Miss Betty Kincheloe visited Sunday and Sunday night with Miss Edwina Burns.

Miss Pearl Casbeer of Austin was a weekend guest of her brother, Carl Casbeer, and family. Sunday, Mr. and Mrs. Carl Casbeer, Sheryl and Miss Pearl visited with Mr. and Mrs. Raymond Casbeer and family at Goldthwaite.

Mr. and Mrs. Bose Kincheloe visited Sunday with Mr. and Mrs. Bill Kincheloe and family.

Mr. and Mrs. Albert Powers have moved into our little town. Welcome to Star.

There were 547 books checked out of the library during February, 315 by adult readers and 237 juvenile readers.

Plans were made for some improvements to be made; also to purchase some useful accessories, which will make the club rooms more convenient.

Mrs. M. T. Burnham, treasurer, reported a balance of \$60.52.

Those present were Mrs. Harold Yarborough, Mr. and Mrs. W. C. Barnett, Mrs. M. T. Burnham, Mrs. John Berry and Mrs. Walter Doggett.

Mrs. Fred Reynolds served as librarian in the absence of Mrs. V. C. Bradford, who has been ill.

BIRTHS

Mr. and Mrs. R. V. Geeslin of Hamilton are the proud parents of a son, Michael Wade Geeslin, born at Childress Clinic, Goldthwaite, February 20, 1959. He weighed eight pounds and 14 ounces. He has one sister to welcome him home.

Maternal grandparents are Mr. and Mrs. J. F. Hendrix of Redland, California and paternal grandparents are Mr. and Mrs. L. P. Geeslin of Goldthwaite, Texas.

"Sweetie" To Be Presented By GHS Juniors, March 5, 6

On March 5 and 6, 1959, the Goldthwaite Junior Class is presenting "Sweetie." The play is a deft and delightful farce in three acts.

In order to get a position with the Stanley Frost Company, Blair Broderick applies for a job stating that he is a married man. Everybody knows that Stanley Frost never hires a single man. Blair expects to be married very soon to Alice Hornsby, but a few days before the wedding, Alice leaves town. To make matters worse, Mr. Frost cuts his vacation in Europe short and comes back home suddenly.

In desperation Blair confides in Dana Dumbro, his closest friend. Dana gets Dawn Sweet, an ambitious young actress, to pretend to be Blair's wife. To make matters still worse Sweetie's real boy friend, a prize fighter named Slugger Batts, decides he wants to marry Sweetie. One complication leads to another and soon Blair is snowed under with more situations than he knows how to handle.

Flower Show School Number III To Be Held In Brownwood

Division I of District V State Garden Club of Texas is sponsoring Flower Show School Number III, March 2nd, 3rd and 4th, at the Central Methodist Church, Brownwood.

Mrs. R. F. Morelock, Nationally Accredited Flower Show Judge, is chairman of the school and Mrs. Chester Kilpatrick, San Antonio, will present the Monday lesson on "Flower Arranging."

Tuesday morning, Mrs. Garland Barcus of Austin, will teach Horticulture Classes.

Tuesday afternoon, Mrs. W. S. Pence of San Saba will talk on Flower Show Practices. All three guest speakers are accredited National Flower Show Judges.

Registration will begin at 8 o'clock Monday morning and lectures will start at 9:30 o'clock.

Everyone interested, whether Garden Club members or not, are invited to attend the school.

Mr. and Mrs. W. B. Richmond and daughter of Midland spent the weekend with Mr. and Mrs. J. B. McCasland.

Lawn Care versus Health Care

Even with a power mower available, small boys today are disdainful of anything under two dollars for mowing your lawn. Since the average lawn gets cut twenty-five times a season, that's fifty dollars or more a year. Yet the average family does not spend much more than this on doctor bills... not as much on medicines.

HIS PITCH IS HIGH-SOUNDING—Dr. Edward H. Jacobsen adjusts wave guides with which he has produced the "highest-pitched sound" ever reported. Working in the General Electric Research Laboratory, Schenectady, N. Y., Dr. Jacobsen says that a frequency of 10,000 megacycles, almost one million times greater than the highest-pitched sound the human ear can hear, has been reached. The guides direct microwave pulses at a quartz crystal, cooled by liquid helium, which is recaptured in the plastic bag. High-frequency vibrations will be used to study atom energy levels and other phenomena.

"You can notice the difference..."

...with the first full tank."

That's what users say of Golden Esso Extra gasoline . . . and truer words were never spoken!

Golden Esso Extra will improve the performance of any car in any price class.

It is a modern gasoline of highest octane rating and exceptional purity, formulated with special chemicals from Humble's great Baytown refinery. It gives superior anti-knock performance; it burns cleaner than any other gasoline; it eliminates "bucking" when you start and "rumble" as you run; and it adds the power and response

that make driving safer and—yes, more fun! As one Humble customer puts it, "Golden Esso Extra wakes up your car!"

The cost is only pennies more than the cost of gasoline in the middle-price range (about a nickel a day on the average), and you get a dividend of improved performance on every mile you travel. Any car in any price class.

See for yourself—fill up with Golden Esso Extra under your neighbor's Humble sign. Every time!

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Austin, Texas—After nearly seven weeks in session, the Legislature has not yet given any clear indication of how it will solve its basic problem—how much to spend and where to get it.

State agencies still insist they need every cent they asked for—and need it bad. But those who would be "fall guys" of money-raising measures proposed thus far show no general willingness to ante up.

Gov. Price Daniel is still pushing hard for his tax program. He suggested that critics would do better to stop sniping and start snooping—for a better way.

State Comptroller Robert S. Calvert called the governor's plan to gain \$18,000,000 by a change in bookkeeping just "legalizing a false statement."

Budget Board Director Vernon McGee termed it "unworkable." Daniel also contends that his plan for the state to take over unclaimed bank accounts, abandoned property, etc., might help a lot of people, since the state

first would advertise for rightful owners. But bankers and spokesmen for other affected industries called it "confiscation," said it would undermine public trust in their institutions.

Corporations continue to blast at a franchise tax raise they say would increase their burdens as much as 500 per cent. A two-thirds vote of each House would be necessary to put this into effect to help with the deficit this year. Many say chances are dim.

A Lubbock legislator, Rep. H. J. Blanchard, made a survey on tax and spending attitudes. About 60 per cent of those replying opposed a sales tax. Roughly the same percentage favored more spending for teacher pay, higher education, old age assistance, state hospitals and prisons.

Gotta Have It—Strong pitches for more spending are being made by spokesmen for three major state services.

"I don't see how higher education can be financed without some broad-based tax," said J.

THE POSTMAN WRINGS TWICE

definite candidates already are jockeying for speakership of the House in 1961.

They are Reps. Wade Spilman of McAllen, Ben Glusing of Kingsville and L. DeWitt Hale of Corpus Christi. It may be a close-quarters fight. All are R. Sorrell, chairman of the University of Texas Board of Regents. "You will have the backing of this administration and this board in selling it to the people of Texas."

"We are absolutely broke, we don't have a dollar," said Prison System Director O. B. Ellis. "Riots that will cost more than the appropriation requested may result, if conditions aren't improved."

"You can chop off dollars, but you can't chop off children," declared a representative of the Texas Youth Council. Director James A. Turman said money spent on parole supervision and rehabilitation of youngsters in trouble would save on future prison costs.

Three For Speaker—Three from the same general South

Texas area.

Rep. Joe Burkett, who lost to present Speaker Waggoner Carr in a very close race, said he won't run again. Many members have protested early campaigning. They say it hampers work of present session.

"Freedom" Bill Delayed—Senate Committee has put in its "back pocket" a bill to set penalties for those who refuse to make public records public.

Measure is one of several "freedom of information" bills sponsored by a group of newsmen's organizations.

It was sent to subcommittee for reworking with no time set for the subcommittee to report. In some cases, such action means the bill is buried for the session.

New Agency Urged—A bill has been proposed to take tax collecting out of the Comptroller's Department and set up a new agency headed by a state collector of revenue.

All members of last session's Senate General Investigating Committee joined in sponsorship. They said they felt tax collecting could be handled more efficiently by an appointive officer of longer tenure.

Committee investigated the Comptroller's Department extensively last session. At one time members commented on the awkward position of an official who had to collect taxes and solicit votes—from the same people. However, the present Comptroller hasn't had any opposition in years.

Safety Conscious—Traffic safety legislation is developing into a major issue this session.

Rep. Tom James of Dallas has introduced the uniform traffic ticket bill, which he says will make for more effective enforcement against violators. He also proposes setting up county courts of record to review corporation court cases and also city traffic appeals courts.

James said he would join Col. Homer Garrison Jr., Director of the Dept. of Public Safety, in asking better salaries for state

highway patrolmen. Garrison told a recent meeting that "if the present trend continues, every second child born in Texas today will be killed or injured in traffic accidents."

Speaker Waggoner Carr said he felt "the climate of opinion was more favorable than ever before" for safety legislation.

Short Snorts—Texas is pouring millions in state tax money into "inadequate, unnecessarily small school districts," said Texas Research League Director Alvin A. Burger in a recent speech. . . Maj. Gen. K. L. Berry has been reappointed state adjutant general by Governor Daniel. Brig. Gen. William H. Martin was renamed assistant adjutant general. . . Texas started 1959 by paying out more for unemployment compensation than it did in '58, the "recession year." Texas Employment Commission reported payments for January of this year were \$5,613,664, compared to

\$4,918,511 a year ago. . . In a generous gesture toward a new rival, a House resolution was proposed to fly the flag of Alas-

ka beside the Texas flag the new 49-star U. S. flag first raised at the State Capitol.

DELAINE TROPHY—Elam Miles, Star FFA, received the Premier Junior Delaine Exhibitor Trophy at the San Antonio Breeding Sheep Show from Mrs. G. A. Glimp, secretary of the Delaine record association of Texas. He is being congratulated by Judge Vernon Jones of Junction. The prized Delaine trophy was won by winning the greatest number of dollars in premium money in the San Antonio Delaine Junior show. Besides his FFA work, Elam is active in his school and community. He has been chosen a class favorite and is an outstanding athlete.

FIRST PLACE DELAINE—Elam Miles, Star FFA member, with his first place Ram Lamb of the Junior Delaine Show at the San Antonio Livestock Show. Elam is president of the Star FFA chapter and he holds the Lone Star Farmer degree. He is the son of Mr. and Mrs. J. C. Miles of Star. He began in the Delaine breeding field with animals secured through the Sears Foundation four years ago. Original breeding stock came from the ranch of Joe LeMay of Star. His projects are being carried out under the supervision of his Vocational Agriculture teacher, Jack Dickson.

Sunday was Joe's birthday and also George Washington's birthday. We went to Liano to be with our daughter and family. When we returned home Jim Green and family and Floyd Green and family came over to wish Joe many more "Happy Birthdays." We all enjoyed the evening.

There was Sunday School at both churches Sunday and several from this community went to Goldthwaite to hear the Negro Choir Sunday night.

Congratulations to Mr. and Mrs. R. V. Geeslin, it's a boy! They have one daughter, Lana, to welcome him home.

O. B. Hill, Truman and Roy, Mrs. Ola Howell and Mrs. Leonard Cole attended funeral services for an aunt in Ranger last Wednesday afternoon. O. B. said that this was the last aunt of his Dad's family. We extend our deepest sympathy to the Hill family in their loss. Also to

the David Hill family in their loss. May God bless each of them.

Mrs. Rosa Head had all her children home for the weekend. They were Mr. and Mrs. Doyle Head and children, Merlene Head from Austin, Mr. and Mrs. John H. Owens and son, Mr. and Mrs. Darrell Head and children. They all had a wonderful day together. Merlene returned to school today.

Mrs. Virgie Wild has been on the sick list for several days. She is doing better at this time and we all hope she continues to improve.

Merlene Head visited Mrs. C. M. Head and Truett Monday morning, before returning to school.

Mrs. K. M. Coffman and Kayvon, Mr. and Mrs. W. T. Alexander visited in Mullin Saturday evening with Miss Iva Henry of San Angelo, who was visiting her sister and brother-in-law, Mr. and Mrs. Henry Simp-

son. Sunday evening they visited Mr. and Mrs. J. W. Coffman.

My mother has been sick but there are so many colds and flu, and it just takes forever to get rid of them.

Mrs. Emma Ranson is not feeling so well, I hope she will soon be better. Her niece, Mrs. Cleo Pickett, is staying with her.

Mr. and Mrs. Lawson Kemp visited in Desdemonia Sunday. They reported Mrs. Joe Merrell and Mrs. Elmer Hugh to be doing better.

Mr. and Mrs. Walter Frank and Hilda Mae visited in the Paul Ising home at McGirk Sunday evening.

The Seniors at Star are working on the play, "Hillbilly Wedding." It sure is going to be funny and the date for the play will be some time in the near future.

From September through March we hear a great deal about the whooping crane. It is doubtful if any other species of wildlife gets as much publicity during these months as this bird. It is all because it looked like they might become extinct.

Thousands of dollars and many man hours are spent each year watching after this beautiful, wonderful bird that makes Texas its winter home.

This year at the Aransas Wildlife Refuge we have some 35 whoopers, including nine young. This is the largest crop of young birds since 1940-41, when apparently there were a dozen young birds.

Last year Texas sent 26 birds back to the North Country. The previous high count had been 34 birds in the winter of 1949-50. Officials of the Bureau of Sport Fisheries and Wildlife, of the U.S. Fish & Wildlife Service, are happy over this increase, which now brings the total to 41, including those in captivity.

The whooper is a marvelous bird. Winging its way across the marshes of South Texas, from one point to another, it is a giant among other waterfowl and shore birds because of its

majestic size and beauty. It really is a shame that more people do not go to the Aransas Wildlife refuge each year, to see these magnificent whoopers. There is much to be learned, so much thrill to be had.

This refuge is located near Austwell, south of Victoria and Refugio. It is coastal land, facing on San Antonio Bay and it abounds in all kinds of wildlife. There are visiting hours so that persons may drive through parts of the area in their cars. Wild deer and turkey often are seen, along with all types of water birds.

In fact, the Texas Ornithological Society holds frequent pilgrimages there. On the backside of the refuge there is a lookout tower, something like an oil derrick, where you may climb to the top and watch the wildlife through powerful glasses.

Occasionally you can see the big whoopers and observe them as they move about the marshes, or fly overhead.

No firearms or dogs are allowed in the refuge. There is an agreement with the Game & Fish Commission which permits the state to trap wild deer for transplanting in other areas and you'll see these deer traps scattered widely over the place.

The shore line of the refuge is very interesting, with enticing fishing waters in the bay. Boats will be working in these waters with their nets.

In the evening it is thrilling to see the ducks and geese that have been feeding in the rice and grain fields of the hinterlands begin their daily trip back to the coastal water. Ducks and geese, flying in formation and coming out of the evening sunset will run a chill down the back of any man.

The winter months really are the best for these coastal trips if you just want to see the birds. Usually there are plenty of cabins available in such coast towns as Fulton Beach, Rockport, Aransas Pass and along the highways at other points.

It is a nice trip for the family, an opportunity to let all the children enjoy the wonders of nature. It also is a good trip for mother and dad, filled with the thrill of winging waterfowl and shore bird watching.

There's even a state park nearby. It carries the name of Goose Island Park. Camping is permitted in this park, and good fishing is close at hand.

Of course there are other wildlife refuges in Texas. Farther down the coast near the mouth of the Rio Hondo there is the Laguna Atascosa Wildlife Refuge. In the Panhandle there is another refuge near Muleshoe, and in North Texas the Hagerman refuge on Lake Texoma. Any of these refuges are available to the public. They will give a new insight to what is being done to protect wild-

Accident Report For January

Sergeant G. E. Simmons of the Llano Area, of the Texas Highway Patrol, released Blanco, Burnet, Lampasas, Llano, McCulloch, Mills and San Saba Counties' Rural Traffic Accident Summary for January 1959.

The Highway Patrol in this Area investigated a total of 20 accidents with the following breakdown: Property Damage 15, Personal Injury 5, and Fatal Injury 5, and Fatal Accidents NONE.

Sgt. Simmons reported a total Property Damage of \$9,610.00 with 8 persons injured and none killed. This is a decrease of 11 accidents and a decrease of 2 deaths for December 1958.

There were no accidents on the reports from Mills County.

H. R. COLLIER'S ENTERTAIN GUESTS

Mr. and Mrs. H. R. Collier had as their guests last week Rev. Jesse Long; Mr. and Mrs. Loyd Hiller and children of Abilene; Mr. and Mrs. Herman Hargrove

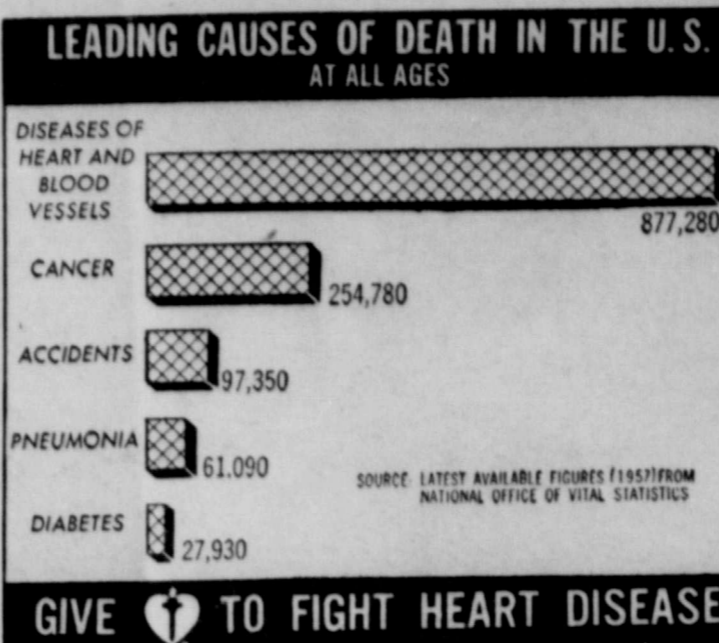

and children of Killeen; Mr. Goldthwaite; Mrs. Ola Howell; and Mrs. Darrell Head and children, Center City; Mrs. Vestus Horton and Leonard Collier, Carter and children of Kopperl.

life and prevent its extinction. Visiting one of these refuges can be a dual purpose trip. When you go to the coast, be sure to take your fishing tackle along. There is excellent fishing to be had on coastal waters adjacent to the refuges. The same is true at Lake Texoma. Try it some weekend.

Wildlife always knows where it has protection. The same is true on some of the state parks and most certainly in the Big Bend National Park, west of the Pecos. If you are interested in wildlife photography, you can really have a field day around one of these parks.

Incidentally, wildlife photography offers a very interesting hobby for the entire family, too. Outdoor publications are filled with lovely pictures each month. Some of these pictures are made by hobbyists, who have mastered the use of good cameras.

You can have as much fun with your camera, outdoors in Texas, as you can with your gun, and shooting film is in season the year 'round.

PONTIAC NAMED CAR OF THE YEAR

"Pontiac with wide-track wheels is the best combination of ride... handling... performance and styling of any '59 car" —The Editors of Motor Trend Magazine

In making its annual automotive award, the staff of Motor Trend Magazine, leading automotive publication, tests and evaluates all new cars. Here are quotations from the April 1959 issue:

"The stability of the 1959 Pontiac is the outstanding automotive advance of the year. Everyone considering a new car should experience it."

"It's the best balanced passenger car in America. We firmly believe that in moving the wheels farther apart, to develop the widest stance of any American car, Pontiac has created an entirely new sense of balance and handling security."

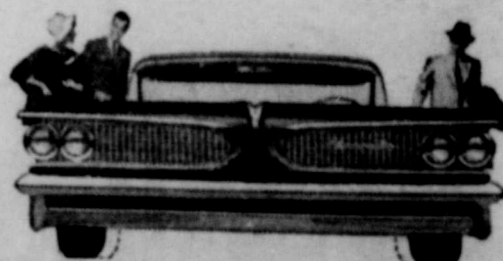

"Pontiac's lines are clean, simple and beautiful. It has a fleet look, a trim appearance. The wide wheel design contributes greatly to its

over-all integrated styling. Any comparison with narrower track cars readily shows the difference."

"For the economy-minded, an efficient new engine. The new 420E Tempest economy engine offers remarkable performance along with exceptionally high mileage while operating on regular grade gasoline."

"Pontiac is again tops in performance, based on our extensive road testing. Acceleration is outstanding, yet the engine is unusually quiet and smooth."

Your nearest Pontiac dealer will be glad to let you road-test this award-winning automobile on your own. You'll see why it's the year's most talked-about car!

THE ONLY CAR WITH WIDE-TRACK WHEELS

Wheels are five inches farther apart. This widens only the stance, not the car. Pontiac takes a better grip on the road, hugs tighter on curves and corners. Sway and lean disappear, ride is smoother, balanced, steadier. Handling is easier. You drive with a new confidence, a comforting security. Pontiac gives you roadability no "narrow gauge" car can offer.

FREE! If you would like a reprint of the complete, illustrated article with all the tests and evaluations on which Motor Trend judged Pontiac "Car of the Year"—see your Pontiac dealer or simply send your name and address on a postcard to Pontiac Motor Division, Department 10, Pontiac, Michigan.

Community News From Mullin

By MRS. JOHNNIE HOLLAND

Funeral services were conducted last Monday afternoon from the Methodist Church for Mr. W. (Albert) Savoy, Rev. Tom Mitchell officiating, assisted by Rev. J. K. Brimm, pastor of the Mullin Church.

Mr. Savoy passed away quietly at his home near Mullin last Saturday afternoon.

We all loved Mr. Savoy. We rarely did at our house. How true is the statement that the little things people do for us are what counts. Mr. Savoy was always interested in people. We could always count on him to come to our home to tell us a death message or anything that he thought we needed to know.

Pallbearers were Willard Moore, Ernest Kemp, M. L. Ethridge, J. B. Harper, Ernest Chesler and T. C. Chaney.

Honorary pallbearers were Johnnie Holland, Ernest Lynn Fisher, George Fletcher, Jimmy Wilkins, Bill Wilkins and Grady Hancock.

Interment was in the Mullin cemetery. We will all miss Mr. Savoy.

James Holland of Dallas was here last Monday to attend the funeral of Mr. Savoy.

Also Mrs. Will Burleson of Fort Worth and her two grandsons, Richard and Earl Burleson of Grand Prairie were here for the funeral.

W. H. Baskin of Hobbs, N. M., was here visiting with Mr. and Mrs. George Fletcher, Rev. and Mrs. George Henry, Miss Lillian

Baskin, Mrs. Sallie Chancellor, and Mr. and Mrs. G. W. Chancellor. Mr. Baskin attended church services at the Baptist Church Sunday morning.

Mr. Talmadge King is home from a Brownwood hospital where he has had surgery.

Russell Cobb has also been confined to a Brownwood hospital. Russell suffered a heart attack while in the Doctor's office one day last week. Johnnie Holland visited last Sunday afternoon at the hospital with Talmadge and Russell.

Mr. and Mrs. E. L. Fisher and family visited last weekend in Abilene with relatives.

Ralph Fisher visited here recently with his parents, Mr. and Mrs. Sam Fisher. Mrs. Fisher is ill at her home.

Mr. and Mrs. Carl Woods were recent visitors in Fort Worth.

Mr. and Mrs. A. L. French spent last week in San Saba visiting and helping out with their son-in-law, Melvin Murphy, who has had surgery in a hospital there.

Mr. and Mrs. Houston Rutledge and son, Gene, and Gene's buddy of Beville visited last weekend with Mrs. Gossit Roberts.

Mr. Leslie Bradberry and family, San Angelo, Mr. and Mrs. Walter Williams and Mr. and Mrs. George Garner, all of Goldthwaite, visited here last week with Mrs. Tip Hart.

Abbreviated Names On Refund Checks

"Don't fret if that tax refund check from Uncle Sam doesn't show your full name," says Ellis Campbell, Jr., District Director of Internal Revenue Service.

Due to mechanical limitations on the high speed electronic machines now printing tax refund checks, only the taxpayer's first initial of the given name, or names, is being used.

In rare instances, where a taxpayer's surname is unusually long, one or more letters at the end of the surname may even be dropped.

The IRS representative advises taxpayers to endorse their refund checks exactly as drawn. Then, if letters are omitted at the end of a surname, a second endorsement should be made showing the full surname.

Mr. and Mrs. Charles Dennard and children of Fort Worth spent the weekend with his mother, Mrs. Maude Dennard, and other relatives.

RESERVE CHAMPION STEER—Brady Wayne Duren, Mullin, exhibited his Angus steer to the reserve grand championship of the boys' division of the San Antonio Livestock Show in San Antonio last week. The steer was also declared champion Angus of the show. He is shown here with Richard Friedrich, Chairman of the Board of Friedrich Refrigerators Inc., who purchased the steer at a premium price of \$1,500.

Other steers exhibited by Mills County showmen placed as follows: Brady Wayne Duren, 1st light weight Angus, Charles Cornelius, 2nd medium weight Hereford, Alvin Glenn Tiemann, 2nd light weight Hereford, Jerry Duren, 2nd and 7th medium weight Angus, James W. Clary, 2nd and 6th light weight Angus.

Brady Wayne is the son of Mr. and Mrs. Ralph Duren. All steers were shown by members of the 4-H club under the direction and supervision of County Agent George Reese.

Final Rites For David Clements Hill Conducted Wednesday Afternoon

Funeral services for David Clements Hill, 27, of 3811 Rollins, Dallas, were held at 3 o'clock Wednesday afternoon, February 18, at the First Baptist Church of Goldthwaite. Services were conducted by Rev. Presnell H. Wood, pastor of the church, assisted by Rev. J. H. Sandstrom of Keller.

A short service was held in the Dudley M. Hughes Funeral Home in Dallas by David's pastor, Rev. M. E. McGlamery, at 9 o'clock Wednesday morning. David was born November 23, 1931, near Goldthwaite, son of Mr. and Mrs. George W. Hill. He passed away in the Methodist Hospital in Dallas at 3 a. m. February 17, 1959, after a short illness. He joined the Baptist Church at the age of ten years and lived a consecrated Christian life. He was a member of

the Hampton Place Baptist Church of Dallas.

He graduated from the Goldthwaite High School in the class of 1950 and finished at the Dallas Barber School in 1951. He enlisted in the Air Force in February 1951 and served four years. After his discharge in 1955 he and his family moved to Dallas where David was co-owner of Dodd's Barber Shop.

On January 9, 1952 he was married to Miss Betty Bratcher of Sweetwater and three children were born to this union. He was preceded in death by his brother, Weldon Hill, August 30, 1954.

Survivors are his wife, Mrs. Betty Hill and the children, Becky Jean, David Weldon and Sharon Kay of Dallas; his parents, Mr. and Mrs. George W. Hill, Goldthwaite; seven sisters, Mrs. Katherine Ellis of Comanche, Mrs. Elsie Wilkinson, San Antonio, Mrs. Hazel Anderson, Austin, Mrs. Ethel Morris of Terrell, Mrs. Gwendolyn Morgan, Sweetwater, Mrs. Christine Sandstrom of Fort Worth and Mrs. Norma Gene Weiss of Dallas; 14 nephews and three nieces and a multitude of friends.

Pallbearers were George Wayne Ellis and Joe Don Ellis, both of Alpine, C. J. Anderson,

Questions And Answers About Social Security

Question: In 1958 I worked for wages of \$3000 and operated a bookkeeping service from which I made a net profit of \$2500. Must I pay social security self-employment tax on the entire \$2500?

Answer: No. Maximum earnings which can be credited to your social security account for 1958 is \$4200. You received wage credits for \$3000; therefore, your social security self-employment tax would be based on \$1200 for 1958. Your Schedule C should show your actual total profit from your business even though you only pay tax on a portion of this income.

Question: Part of my farm is rented to a tenant who gives me half of the crop for the use of the land. Am I responsible for the payment of his social security tax?

Answer: No. He would be considered self-employed if he undertakes to produce a crop or

livestock for a proportionate share of the proceeds.

The Bible says: "Defend the poor and fatherless; do justice to the afflicted and needy." — Psalm 82:3.

Center, but the distance from home is considerably farther. Hence a tantalizing question arises, "Should we try to move nearer his work?" I think the family has decided to let the matter ride, at least till school it out.

I see from the Eagle that Mills County boys and girls still have champions at the stock shows. I also liked that ad from the beauty parlor that said "Do you have baby-fine hair? Then you are the lady we love! Come in and let us show you how we can beautify your hair with our expert skilled attention." My trouble usually is not enough money to go to the beauty parlor, so I have to deal with my problem hair myself. But if I save up enough money by the time I get home next spring I think I'll give that beauty parlor a try.

John is the world's worst at locking his key in the car, but now I always carry an extra key in my purse to relieve the tragic situation. Yesterday morning Grace had already gone to school and Bill and Billy were just ready to take off when Bill discovered that his key was locked in his car. How perfectly helpless is one when it is time to go and you can't get in your car! My first thought was, "We'll have to call Grace (she had the only extra key)." I waited till Billy said, "Call Mamma." The office girl at Cooley School answered promptly. "Listen carefully," I said, "This is Mrs. Belch's mother and we want you to send her home with the car keys. Her husband has locked his key in the car." "I'll do that very thing," she said. It wasn't long till the little black Chevy hove in sight. Grace took just enough time to deliver the key that unlocked the difficulty, but it didn't keep Billy from being tardy at school.

Clementine Wilmeth Briley Writes From Temporary Home In El Paso

By CLEMENTINE WILMETH BRILEY

Sunday afternoon, Feb. 15, Mrs. Lena Crowder called me. Her sister, Mrs. Lucy Manning, who had lived in El Paso 23 years, had passed away. In response to a call from another sister, Mrs. Anna Pearl Stephens of El Paso, Mrs. Crowder and her son-in-law, Ernest Helms, and her brother, Charlie Washburn, and his wife left Brownwood at one o'clock Saturday night and arrived in El Paso about noon Sunday. Mrs. Manning was found dead in the bathroom of her apartment Saturday. It is thought that she died Friday night.

I attended the funeral at Harding and Orr's Funeral Home Monday evening at three o'clock. Burial was in Restlawn Memorial Park. Dr. W. Herschel Ford of the First Baptist Church officiated. Mrs. Manning is survived by three sons, John L. Scott, Archie A. Scott, and Woodrow W. Scott, all of El Paso; three brothers, Charlie Washburn of Brownwood, John Washburn of El Paso, and Paul Washburn of Dallas; two sisters, Mrs. Stephens of El Paso and Mrs. Crowder of Brownwood; seven grandchildren, and five great-grandchildren.

The Washburn family lived at Ebony many years. They owned the home now owned by Mr. and Mrs. Johnnie Humphries. Mrs. Manning was already married when the family moved to Ebony. She and her first husband, Mr. Scott, lived near Jordan Springs. They often visited her parents at Ebony. When I taught the Reeves School in 1905-1906, Anna Pearl and John, just little tots, went to school

to me. After the funeral I went home with Anna Pearl where all the family were gathered. Grace came for me there. So we got to visit a little while with Lena and her family. Lena said that she and the other Brownwood folks were leaving that night for home.

The paper states that El Paso outbuilt all other cities in Texas in 1958: Our Mexican neighbors on the corner just across the street have had a crew of workmen there all the week building an extension all along the back of their house, including an extra bathroom, kitchen, and a den. The Mexicans are always adding something to their houses. I don't know how they manage it. I think, though that they are more frugal in their living than we are.

THE STAR Agriculture

By John C. White, Commissioner

OTHER GRASSHOPPER IN 1959?

Agricultural workers are keeping a close watch this year on grasshoppers — that ravenous pest that engulfed much of the Texas Panhandle in 1958. Late fall survey of insect shows that grasshoppers likely to be more widespread in the Western states this year than so heavily concentrated during the scourge of last year.

During the survey, grasshoppers were found on 22,666,922 acres in 15 western midwestern states as compared with 18,686,492 in 1957. However, where the previous survey showed many of extremely heavy infestations, the most recent count showed most of the acreage to be only a light or moderate

number of hatchable eggs. Field workers check the hopper eggs in order to give advance warning to farmers and ranchers. Later spot samplings will be made as the year progresses. One encouraging note in Texas and Oklahoma is the fact that they have found considerable parasitism of grasshopper eggs by blister beetles and bee flies, which should reduce the egg hatch.

Colorado, Montana and California have the largest range-land areas with heavy grasshopper populations, followed by Wyoming, Utah, Oklahoma and Texas. Some 3,460,000 acres in Texas have an egg count ranging from "light" to "very abundant."

The effects of the Texas Department of Agriculture's campaign against the hopper last spring showed up clearly in the survey. Few grasshoppers were found in many of the areas treated with insecticides. Over 1,000,000 (M) acres were treated in Texas during the campaign.

Grasshoppers are a very real threat to the farmers' and ranchers' pocketbook. The average annual loss to crops and range forage in 17 states west of the Mississippi, is estimated at \$90 million.

Pest control workers urge land owners to keep a sharp eye on potentially threatening areas so they can act promptly if spring surveys show that grasshoppers are hatching in abundance.

I. O. O. F. Lodge To Be Instituted Here Monday Night

The new American Legion Hall will be the meeting place Monday night, March 2, at 7 o'clock for the instituting of a new I. O. O. F. Lodge in Goldthwaite for Mills County, according to announcement by District Deputy A. B. Smith of Comanche.

A large crowd of members from Brownwood, Comanche, San Saba and Hamilton counties are expected for this ceremony. A degree team from Brownwood will confer the degrees and Mr. Smith will be the Instituting Officer.

Announcements will be made at this meeting on the progress of the remodeling of the building to be used for the Lodge Hall.

Applications will be accepted for the next few days for Charter members and anyone interested in becoming a member may contact Mr. Smith here or at Comanche.

Claud Holley Named New President Of Seminole State Bank

The controlling interest in the Seminole State Bank was sold recently at a reported figure of \$200,000. Exchange of 1,015 shares of the bank's 1,500 shares took place when five merchants met with bank president, L. G. Daugherty. One of the buyers was Claud Holley of O'Donnell.

Mr. Holley resigned as president of the First National Bank at O'Donnell to become president of the Seminole Bank.

The Seminole Bank was founded in 1940 and has a capital structure of \$301,650. The bank call at the end of December 1958 showed total deposits of \$5,012,879.

Mr. Holley is the husband of the former Miss Mary Nickols of Goldthwaite and son-in-law of Mrs. Eula Nickols of Goldthwaite.

Unused Cotton Allotment

College Station (Spec.)—Cotton is a commodity which creates a good "multiplier" effect in the economy, says Bob Cherry, economist for the Texas Agricultural Extension Service, because most of the cotton farmer's dollar is usually dropped into the money stream of the community. Though the dollar's identity may be quickly lost, it tends to circulate through all the avenues of trade and commerce.

Bart Miller, New Employee At Oliver Radio & TV Shop

Bart Miller is now employed at the Oliver Radio & TV Shop; he became associated with Mr. Oliver on the first of February after attending a course in radio and television at the Southern College of Commerce in Fort Worth.

Mr. Miller is no stranger to the people of Mills County as he was reared here and is the son of Dan Miller.

Local Steers To Be Shown At Houston Stock Show

There will be seven steers from Mills County shown at the Houston Fat Stock Show, according to announcement by George Reese, county agent.

Local 4-H exhibitors and their club steers are as follows:

Jerry Duren, one Angus; Jimmy Soules, one Hereford; Brady Wayne Duren, two Angus; Charles Cornelius, one Hereford; and Lynda Cook, two Herefords.

Household Hint

Paper cups and napkins are the smart thing to use for a member of the family who has a cold or some other contagious disease.

The loss of cotton income, on the other hand, can adversely effect a community's whole economy, points out Cherry. For that reason, adds the economist, communities can look upon unused cotton allotments as a matter of community concern. Last year, for example, about one out of each 20 allotted areas was neither planted nor put in the Soil Bank.

The law under which cotton farmers are now operating contains provisions for the voluntary release and reallocation of 1959 cotton allotments. Where the release is made, the released acreage is retained on the releasing farm as history and is used in figuring future allotments as though it were planted. But, Cherry points out, it will not qualify a farm for an old allotment as having planted cotton in one of the three previous years.

It is very important that released allotments be reallocated to any old or new farm on which such acreage is needed and planted. Any excess of allotments in a county surrendered to the State cultural Conservation and Reclamation Committee for reallocation to other counties only after each cotton acreage in the releasing county received all of the allotted cotton plant.

Cherry suggests that contact their local ASFC or county agent for details on this important part of the cotton allotment program.
