## Legion Officials To Be Installed

FRANK McCLUNG

Members of the Harry F. Edmondson Post, American Legion, will meet in regular session Thursday (tonight) when officers for the new year will be installed.

The meeting is scheduled for 7:30 p. m. in the American Legion Hall.

Frank McClung is the newly elected Commander for the Post.

Other officers elected to serve with McClung for the coming year are: Bruce Archer, first vice-commander; Truett Auldridge, second vice-commander; Raymond Summy, adjutant; Howard Weaver, sergeant-at-arms; L. B. Porter, service officer; and Roach Fox, historian.

Retiring officers are: Lee Roy Stacy, Commander; Dr. R. Glynn Raley, first vice-commander; Charles Frizzelle, adjutant; and William G. Yarborough, service officer.

## Demonstration At Duren Equip. Co. Saturday Afternoon

Duren Equipment Company, International Harvester Dealer, will have a public demonstration and inspection of new Farmall tractors and McCormick equipment this Saturday afternoon, it was announced Tuesday by Norman Duren.

The demonstration will be held on the lot between the Hospital and the Locker Plant, from 1 to 5 p. m.

Equipment to be on display will be new Farmall Tractors, McCormick Self-Propelled Combine and McCormick Hay Balers.

## Mobil Station Is Redecorated

The Mobil Station located at the corner of 2nd and Fisher Streets has been redecorated during the past week.

Painting crew from the Mobil Company was here for several days to do the job which was completed the past weekend.

J. D. Kight, local dealer for Mobil products, said the station has been redone inside and out and new lighting fixtures will be installed in the station.

## HITS JACKPOT SEVEN TIMES

Kight was recently informed by company officials that he had hit the Payman for Jackpot seven times in a row. This jackpot is for giving customer complete five step driveway service with unknown company representatives serving as customers.

The Mobilgram, company publication, featured J. D. and Mrs. Kight with picture and story in the August issue about their local operation.

# Central Texas Angora Goat Breeders' Show And Sale Here Friday-Saturday

## Methodist Church To Show Historical Film

The historic film, JOHN WESLEY, will be shown in the Goldthwaite Methodist Church, Sunday night, August 30, at 8. This film was produced by the cooperation of The Methodist Church in America with the original Methodist Church of England and others, presenting the life of John Wesley and early history of the Methodist Societies.

"This is an authoritatively correct and dramatic presentation of the life of John and Charles Wesley and the early Methodists. The public is most cordially invited to attend. We especially extend this invitation to other churches out in the county who will not be having a service at this time, or even who would like to cancel their service in favor of this opportunity," the pastor stated.

## CUB SCOUTS TO HAVE WATERMELON FEAST

The Cub Scouts will meet at the City Park Saturday afternoon, August 29, at 4 o'clock to enjoy a watermelon feast.

All Cub Scouts and those wishing to join the Cubs and their parents are invited to come, according to announcement by Cub Master, Jesse Moreland.

The third annual Central Texas Angora Goat Breeders' Association show and sale will be held here Friday and Saturday of this week. Col. V. Z. Cornelius, president of the association, has announced that the show and sale will be held at the show barns in Goldthwaite.

The Show will get under way Friday when the top 25 Billies and top 10 Does will be selected from the group of top Angoras.

There will be forty-one breeders with goats in the show and sale, and officials of the association claim that goats of quality size and weight in body and fleece as good as any offered in Texas sales will be offered at this third annual sale.

Sale is scheduled to start at 1:00 p. m. Saturday with Lem Jones, Malcolm Jernigan and Pete Gulley as auctioneers. There will be 135 head of Billies and 30 Does offered for sale.

Lunch will be served on the grounds at noon Saturday.

## PREMIUMS AND AWARDS

An engraved silver trophy for the champion Billy and another one for the champion Doe will be presented through the courtesy of Blackwell Wool and Mohair Company.

These trophies are revolving awards and will go to the grand champion exhibitors each year. Winners' names will be engraved on the trophies each year. When the cups are awarded to the same party for the third time it will be permanent.

In addition to the trophies there will be a premium of \$100 for the grand champion Billy and \$50 for the grand champion Doe. Also \$200 in other premiums and prizes.

## "MISS MOHAIR" TO APPEAR AT SHOW

Miss Phyllis Sweeten, pretty blonde "Miss Mohair" for 1959, will be in Goldthwaite during this third annual show and sale. Miss Sweeten is the daughter of Mr. and Mrs. Brooks Sweeten of Rocksprings and will appear here on Saturday, August 29, the day of the sale.

## Weather Report

According to official report from Harry Allen, rainfall recorded here since last report measured .24 inch on Sunday and Monday of this week. This brings the total rainfall for August to .29 inch.

MISS MOHAIR—Miss Phyllis Sweeten, pretty blonde "Miss Mohair" for 1959, will visit Goldthwaite during the third annual Central Texas Registered Angora Goat Show and Sale this Friday and Saturday. Miss Sweeten, daughter of Mr. and Mrs. Brooks Sweeten, Rocksprings, will be here on Saturday.

# Livestock Raisers Meet Thursday; Officers Elected; Show Dates Set

R. L. STEEN

NORMAN DUREN

GLYNN COLLIER

CARL CASBEER

Members of the Mills County Livestock Raisers' Association held their annual meeting last Thursday night and elected officers and selected Friday and Saturday, January 15-16 as the dates for the next Stock Show. The meeting was held at the show barns in Goldthwaite.

Officers were re-elected as follows: R. L. Steen, president; Norman Duren, vice-president; Carl Casbeer, secretary and Glynn Collier, treasurer.

The following were named to head the various committees for the annual event.

Arrangements—Charles Conradt.

Cattle Superintendent—Willis Horton.

Sheep Superintendent—Glynn Sanders.

Hog Superintendent—Jim

## Max Blansit Gets Master's Degree From North Texas

Denton, (Spec.)—Max Muljenix Blansit of Goldthwaite was one of about 250 graduate students who applied for master's degrees which were awarded in summer commencement exercises at North Texas State College August 21.

Graduation ceremonies were held in Fouts Field.

Blansit, who coaches at Goldthwaite High School, was a candidate for the master of education degree in public school administration.

Steakley.

Goat Superintendent—David Watters.

Concessions—W. W. Fox.

Publicity—Vic E. Koleber.

Membership—Delton Barnett.

Hawley Jernigan, Charles Conradt, and Lee Tabor.

Ribbons—George Reese.

Catalogue—Norman Duren, chairman; Goldthwaite, Thurman Head, Hubert Berry, George Reese, Lee Tabor; Mullin, Argie Whisenant and Melvin Pafford; Star, Jim Steakley and Lynn Cook; Priddy, J. D. Franklin and Dick Vestal.

Auctioneers—Malcolm Jernigan and Delton Barnett.

Sales—Ray Duren, chairman; Y. B. Johnson, Charley McLean, Sig Jernigan, and Joe S. Langford.

George Reese was named chairman for the annual tour of show projects. He will have serving with him the six teachers of the county. Thurman Head, Goldthwaite, Argie Whisenant, Mullin, J. D. Franklin, Priddy, and Jim Steakley, Star.

Date for the tour and stops that will be made will be announced by the committee later.

Entry fees will remain the same as the past year. Cattle and club calves, \$2. Hogs, Sheep and Goats 50¢. Deadline for entries will be January 1.

The group voted to require that all animals that are to be sold must be designated on entry cards.

Judges for the show will be announced later.

## Dedication Day Set By Baptists For New Addition To Building

Work that was begun in March on the educational addition of the First Baptist Church is coming to a completion within the next week. Truett Auldridge, contractor, will complete all work next week, according to announcement by Presnall H. Wood, pastor.

The church has scheduled a day of dedication on Sunday, September 6th. In the morning worship service there will be a special dedication service.

The church choir under the direction of Lee Birdsong will sing.

Dedication sermon will be by Dr. E. S. James, editor of the Baptist Standard, the weekly paper for Texas Baptists. Dr. James has served in important places of responsibility in the life of Southern Baptists, and he served as pastor of the First Baptist Church, Vernon, Texas, for seventeen years.

(Continued on Back Page)

# Ballots Being Mailed To Sheep Producers For Referendum Vote

Ballots for voting the September referendum on the lamb and wool marketing development program will be mailed to producers in Mills County on August 31st, announced E. L. Burkett, Chairman of the Mills County Agricultural Stabilization and Conservation Committee.

The referendum will determine whether or not deductions will continue to be made from producer payments earned under the wool incentive program. Funds collected are used by the American Sheep Producers Council to carry out a program of advertising, promotion, and

related activities under an agreement with the Secretary of Agriculture.

The agreement, which has been in effect since the 1955 marketing year, will be extended for 3 years if approved in the September referendum. Producers having two-thirds of the volume of production represented in the referendum must approve if the agreement is to be extended.

Deductions from wool and lamb payments under the new agreement would not exceed 1 cent per pound for shorn wool and 5 cents per hundredweight for unshorn lambs. Deductions

at these rates have been made from payments for each marketing year since 1955.

Producers may vote throughout September. The entire month has been designated as the voting period to encourage as large a turnout as possible. Any producer who believes he is eligible to vote and does not receive a ballot within the next few days should get in touch with the county ASC office.

To be counted, ballots must be received by the county ASC office not later than September 30. Chairman Burkett urges producers to mark and return their ballots as soon as they are received.

VIC'S . . .

# SOLILOQUY

**SCHOOL DAYS**—Well here we are and little as we think about it, time for school to start for another year.

With the Labor Day holiday coming later than usual it seems like school days are a bit earlier.

School starting on Monday August 31, that August 31, at least sounds like early in the year. But then, there will be just the first day of school in August and then we are in September—the month that is more familiarly known as the school opening month.

**FOOTBALL TIME**—With the opening of school there is also more serious thought about the PIGSKIN season. Many have perked up during the past ten days and put in a few stretches on the sidelines while the boys have been working out and getting ready for the season. Many didn't have the chance to get out to watch the workouts, but will be on hand for the first game of the season come Friday September 4.

While on the subject of football, might as well toss out the reminder that there are still some good reserved seat tickets available for GHS home games.

School officials have reserved a special section which is being sold out to those who desire reserved seats for the season. These are being sold at the same price as regular admission. Only difference from regular admission is that you buy a block of six tickets for the home games—and be assured your good seat for all games.

Those desiring reserved seat tickets are reminded to get in touch with Margaret Duren or Charles Conradt at the Production Credit Office before the good ones are all gone.

**SATISFIED CUSTOMER**—A satisfied customer is something that most business firms are real proud of. And it is something to be proud of when one of your customers takes time out to write a nice letter to let you know about it.

M. F. 'Mac' Horton received such a letter the other day from a building contractor in Troy, Ohio, who had just received his new Universal Underbench Saw from Horton Manufacturing Co. here in Goldthwaite.

He wrote in part as follows: "I received my Saw O. K. I am using the saw and very proud of it. It does everything you said it would. I can't see how you could improve it."

"I had another saw that I have sold and I intend to keep the Underbench Model.

"Several carpenters have stopped to look at this saw and to see how it operates. They sure like it." Thanks, Stanley Kegley.

**SOME CONSIDERATION**—Sheriff C. F. Stubblefield tells of one of his recent experiences in which one of his roomers expressed amazement at the reasoning of a third party that happened to be indirectly responsible for him being one of the sheriff's roomers.

A party living off of highway 84 noticed a car parked along the side of the highway at 2 a. m. one morning with the doors open and the horn blowing.

After this went on for a while the party called "Stub" and reported it. The sheriff investigated and found two parties in the car, both apparently quite tipsy, with one of them leaning over the steering wheel and on the horn. Both were asleep.

The sheriff brought them to his rooming house and the next morning after they had sobered up one of them asked how come he was there.

When he was told how it came about he said: "WHY DIDN'T THEY CALL AN AMBULANCE?"

**HUNTING SEASON COMING UP**—The annual fall hunting season is almost upon us.

Dove season in the north zone will open next Tuesday, September 1. It will not be long after the opening of Dove season until the big game season will be opening in various parts of the country and Texas. Also the quail and duck season will be along before you know it.

At any rate, starting next week it will not only be school and football, it will also be hunting time.

On another page of this issue you will find official map by Texas Game and Fish Commission and story telling about the Mourning Dove and White-Winged Dove zones and hunting regulation for the season. It should be helpful to all who plan to hunt Dove or White-Winged Dove.

## ABOVEGROUND DOUBLE-WALL SHELTER

For Family Protection From Radioactive Fallout

AN OUTDOOR aboveground fallout shelter may be built of concrete blocks. It is recommended for houses without basements or for regions where water or rock is close to the surface, making it impractical to build an underground shelter. Two walls of concrete blocks are constructed at least 20 inches apart. The space between is filled with gravel or earth. The walls are held together with metal ties placed in wet mortar as the walls are built. The roof is a six-inch slab of reinforced concrete, covered with at least 20 inches of gravel or earth. Most people would have to hire a contractor to build this shelter. Plans appear in the OCDM 32-page booklet, "The Family Fallout Shelter." For free copies write: Box Home Shelter, OCDM, Battle Creek, Mich.

### WHEN THE OLD BIRD WAS YOUNGER

#### 10 YEARS AGO—

(Taken from The Eagle Files of August 26, 1949)

Installation has been completed on the pump on the City's new water well on the Mills place approximately two miles northeast of town. Production of this well has been tested at 150 gallons per minute and since last Saturday this well alone has been supplying the town according to City Utilities Manager W. C. Barnett.

On Monday evening, August 15, 1949, at 6:15 o'clock Miss Edna Roberts, daughter of Mr. and Mrs. P. A. Roberts of Goldthwaite, and Charles Featherston, son of Mr. and Mrs. C. G. Featherston, also of Goldthwaite, were united in marriage in the San Saba Church of Christ parsonage, Minister James Fry performing the ceremony.

Marriage licenses issued since last report by County Clerk Earl Summy are: Van W. Young and Mrs. Eula Lea Smith; Allen D. Moreland and Reva Mae Horton; Richard A. Scott and Betty Jean Featherston; T. I. Griffin and Mrs. Eunice V. Yates; Charles E. Featherston and Edna Jean Roberts; Elgin O. Hayes and Mrs. Ethel Lee; A. W. Clodfelter and Vita Louise Sanders; Owen Clark and Ruby May Clark; J. C. Byrd and Lena Robbins; and Doreto Martinez and Cuca Gonzales.

Charles Oran Stark was born December 22, 1894, in Goldth-

waite and died Friday morning, August 19, 1949, at his home in Goldthwaite.

George Ross passed away after a long illness at his home at Brownwood. He was laid to rest in the Memorial Cemetery at Goldthwaite Sunday afternoon at 4 o'clock.

Mr. and Mrs. Rube Caloway from the coast were here recently shaking hands with old timers. They also visited his brother, John Caloway and family.

#### 25 YEARS AGO—

(Taken from The Eagle Files of August 24, 1934)

An eight pound boy was born to Mr. and Mrs. F. M. Soules, who live on Moline, Road August 16.

The Rock Springs oil well was down 660 feet Wednesday night.

A family reunion was held in the home of Mr. and Mrs. G. A. Knowles of the Big Valley community, Sunday, August 19.

Mr. and Mrs. Edward Geeslin and sons, Conrad, Ben Davis, Lee Geddis, Campbell and Emzy, returned Friday night from an enjoyable vacation trip to Edinburg, where they visited relatives.—Brady Standard.

It was welcome news to the cotton growing states Tuesday

that President Roosevelt had taken action that assured a price of 12 cents or better for cotton. While the crop is light and the acreage is below the average in Mills County, the assurance of an improved price helps wonderfully.

Minnie Hoester was born in Gillespie County, May 5, 1855; was married to Henry Lefeste in Mason County, March 4, 1875. To this union 14 children were born, seven girls and seven boys, eleven of whom are living. She was called in death July 12, 1934.

O. C. Weatherby and wife came in from their Culberson County ranch last weekend for a visit to the Weatherby and Berry families and to meet with their friends. He reports rain needed in his part of Texas.

Grady Malone was here from Los Angeles, California, visiting relatives and meeting with his friends, recently.

Mrs. Joe A. Palmer and son and Mrs. Ira O. Harvey and son were Brownwood visitors one day this week.

#### 50 YEARS AGO—

(Taken from The Eagle Files of August 28, 1909)

D. L. Wheeler's residence in the Shaw Bend community known as the Grant place was

burned last Saturday night, at about 10 o'clock. The fire originated from the kitchen flue and had gained such headway when discovered that little could be saved from the house. The County Commission met here Tuesday and conferred with C. Q. Horton of the contractor who built the bridge across the bayou at Crossing, to build a bridge across Bennett Creek at City, on the Goldthwaite Center City road.

W. J. Stark of Cherokee a part of last week in this city looking after his interests in the Rock Springs community.

Miss Minnie Bowden home from San Angelo last night for a visit to her parents and other relatives. She accepted a position as grapher for the Standard and will enter her duties the first of the month.

Riley Welch and family arrived in this city Monday night from Sterling City, having been

### 'LADY CHATTERLEY'S LOVER'

CHEVROLET

most m.p.g.\* \*miles per gallon

one of 7 big bests Chevrolet gives you over any car in its field

Proof that Chevy delivers the most miles from a gallon comes from an indisputable source: this year's Mobilgas Economy Run. For a pair of Chevrolet sizes with Powerglide walked away with the first two places in their class—got top mileage, in fact, of any full-sized car. Over the Run's long, rugged course, over mountain and desert in the long, long haul from Los Angeles to Kansas City, the winning Chevrolet averaged a whopping 22.38 miles per gallon. That's the kind of economy-engineering that keeps you saving while you drive!

**BEST STYLE**—It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

**BEST BRAKES**—In competitive tests of repeated stops from highway speeds, conducted by NASCAR, Chevy outtopped both of the "other two." Naturally—Chevy brakes with bonded linings are far larger, built to lengthen brake life by up to 66%.

**BEST TRADE-IN**—Look at the record—the used car prices in any N.A.D.A.† Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two."

**BEST ENGINE**—Chevrolet engines have long won expert praise and, just recently, Chevrolet received the

NASCAR Outstanding Achievement award for "the creation and continuing development of America's most efficient V-type engines."

**BEST ROOM**—Official dimensions reported to A.M.A.† make this abundantly clear. Chevy front seat hip room, for instance, is as much as 5.9 inches wider than in comparable cars.

**BEST RIDE**—MOTOR TREND magazine names Chevy "the smoothest, most quiet, softest riding car in its price class." But this is one Chevy feature you really should discover for yourself, at your Chevrolet dealer's. Stop by soon!

\*National Association for Street Car Advancement and Research. †National Automobile Dealers Assn. ‡Automobile Manufacturers Assn.

County Wide H. D. Picnic Held Aug. 19

The Goldthwaite H. D. Council and the Mullin H. D. Club met at the Mullin Park for a picnic Wednesday, August 19, with the Mills County Commissioners and their wives as guests.

After a delicious supper Mr. Lee Tabor gave an instructive talk on "Conservation" and Mrs. Tabor was leader for a short recreation period. Those present were:

Mrs. Eula Nickols, Mr. and Mrs. Oscar Burns, Mr. and Mrs. Kyle Lawson, Mullin; Mrs. Homer Doggett, Dallas; Mr. and Mrs. Lee Tabor, Mr. and Mrs. A. L. Reese, Mrs. Jim Rudd, Mrs. Nelson Waggoner, Mrs. Allen Ross, Mrs. Walter McFall, Mrs. June Dorbandt, Mrs. George Fletcher, Mrs. Luther Rudd, Mrs. Arthur Wilcox and Lanna, Mrs. Della Davee and Mrs. W. W. Fox.

Also Mr. and Mrs. W. T. Lee, Mrs. Ellen Galloway, Mr. and Mrs. J. G. Boatwright, Regie Kirby, Mr. and Mrs. Fred Wall, Mr. and Mrs. Horace Brooks, Mrs. Ola Harville, Mrs. J. E. Ince and Linda Jones and Mrs. Rachel Cunningham.

Everyone had a good time and are looking forward to another picnic next year.

McConal Reunion Held At Legion Hall, August 14-16

The descendants of the late William and Nettie McConal met at the American Legion Hall in Goldthwaite for their annual family reunion, August 14, 15 and 16. Those attending were:

Mr. and Mrs. Dan McConal and Mrs. Merle Benningfield of Goldthwaite; Mr. and Mrs. Ben McConal of San Saba; Mr. and Mrs. Charlie McConal, Gail McConal, and Jerry Hunt of Loop; Mr. and Mrs. D. N. Hunt

News From Your COUNTY HOME DEMONSTRATION AGENT

By Mrs. Rachel B. Cunningham

**PICNIC**  
Our picnic was a huge success. We enjoyed delicious food and a short recreation period. Special guests were, Commissioners, Fred Wall, W. T. (Son) Lee and H. G. Brooks, Judge Wm. G. Yarborough and O. H. Shaw sent regrets.

**H. D. OFFICE**  
I surely have enjoyed your visits; come down often. I will be in Stephenville August 30 to September 8, at a workshop.

**KEEP THE FOOD**  
of Seagraves; Mr. and Mrs. Griff McConal, Mr. and Mrs. Mac McConal, Glen Rose; Billy John McConal, Navasota; Mr. and Mrs. Ernest Thorne, Farrel and Danna, Alvin; Mr. and Mrs. Jerry Faltys, Waco; Mrs. Andy Parker, Mrs. Lucian Brooks, Joe Kyle Parker of Moran; Alvah Parker, Beaumont; Mr. and Mrs. James Sloan, Mike and Eddie, Brady; and Sammy Lou Drew of Hobbs, New Mexico.

Friends of the family who visited were Mr. and Mrs. Fred Nowell, Mrs. John Warlick, Wanda and Gary, Mr. and Mrs. L. B. Burnham, Miss Armor Miller, Mr. and Mrs. Oscar Holland, Mr. and Mrs. Dewey Bohannon, Mr. and Mrs. Bob Johnson, Mr. and Mrs. Robert Doak, Mr. and Mrs. Hoyt Cockrell and children, Mr. and Mrs. John Walton and Mr. and Mrs. Troy Brown and family, all of Goldthwaite.

**VALUES IN VEGETABLES!**  
You get the most from vegetables when you treat them right—as you store, cook and serve them in daily meals.

First of all, freshness counts. Tired or limp and wilted vegetables have lost nutrients as well as flavor and appearance. Keep vegetables as fresh as possible by putting them in the refrigerator when you get home from the store or garden. Root vegetables, such as potatoes, dried onions, winter squash, parsnips and rutabagas need not be refrigerated. Frozen vegetables can lose nutrients and quality too, when the temperature gets too warm. Store packages at zero degrees F. or lower. Remember that you can wash, soak and cook water soluble nutrients away. Never soak pared vegetables before cooking. To cook, use the smallest amount of water possible—only enough to prevent vegetables from sticking as they steam.

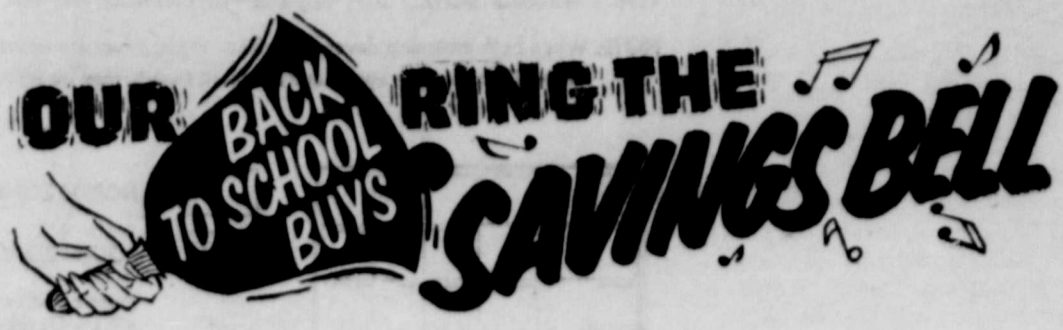

Avoid violent boiling of vegetables. After the food comes to a steam, reduce the heat to the lowest temperature required to maintain the steaming. This helps keep vegetables whole and saves food value.

Don't stir vegetables as they cook. This puts extra air in the vegetables and air destroys certain vitamins.

To preserve color, cook green vegetables in covered utensils and cook only until tender.

For other tips on how to get the most from your vegetables, get a copy of B-923, "Vegetables, Selection, Care, Cooking," from my office.

**SPECIAL NOTE:** Unlawful to take white-winged doves or chachalacs South of U.S. Highway 83, formerly State Highway 4, in southern tip of Texas, marked on map as "Game Sanctuary."

**SHOTGUNS:** Must be plugged permanently to three-shell capacity, may not be larger than 10 gauge. Hunting doves with rifles prohibited.

**SHOOTING HOURS:** Mourning doves, 12 noon to sunset—except in areas having whitewing season, where the shooting hours will be from 2 p.m. to sunset on September 11, 13, & 15, only. White-winged doves, in season, 2 p.m. to sunset.

# Dove Season Opens Tuesday

Austin, (Spec.)—Season opens for North Texas dove hunters Tuesday, Sept. 1, with perhaps one of the best crops in years, according to the assistant secretary of the Game and Fish Commission.

The new 1959-60 hunting and fishing licenses went on sale last Friday, August 21, according to the announcement. They will be effective Sept. 1, and all persons who hunt outside their own counties are required to have a new license. Fishing licenses also expire Aug. 31, and a new license is necessary for fishing outside the home county, or with any kind of winding device.

Persons over 65 years of age

are not required to have a license. Exemption cards are available at the regional offices or by writing to the Game and Fish Commission in Austin. Such cards are issued as a courtesy, and are not required.

The above map showing the Texas counties and their open seasons has been prepared by the Commission. A study of it will tell you where it is legal to hunt in both the North and South zone counties.

The season is open Sept. 1 through Oct. 20 in the North Zone, and Oct. 1 through Nov. 19 in the South Zone. There is an exception in the Lower Valley counties where mourning doves may be shot at the same

time as white-winged doves. In that area the season will close three days earlier.

The white-wing season is for the alternate days of Sept. 11-13-15, from 2 p. m. until sunset.

## Community News From Mullin

By MRS. JOHNNIE HOLLAND

Mr. and Mrs. Kyle Smith and children, Mrs. Elzy Smith, and Mrs. Marvin Bowden and son have returned home from a week's vacation. They visited Mrs. Smith's daughter and family, Mr. and Mrs. Sidney Carney and family of Dulce, N. M. From there Kyle and wife, along with her brother and wife, made a five day tour through Denver, Colorado, Casper, Wyoming, Salt Lake City, Utah, and parts of Idaho. They toured through Yellowstone National Park on the day prior to the earthquake that night, but luckily they spent the night a distance away. Mrs. Elzy Smith and Mrs. Bowden and son toured points of interest in New Mexico and Colorado while they visited Mr. and Mrs. Carney and children.

Mary Kay Locke attended the wedding of Judy Anderson at Pettus last Saturday night. She was accompanied by Sonja White of Kermit, Silvia Marshall of Temple, Dorothy Barnes of Killeen, and Marilyn Brown of San Antonio.

Mr. and Mrs. E. P. Smith of Brownwood were visitors in

Mullin with friends last Friday. Mr. and Mrs. Rex Ivy and family of Kingsville are here visiting with his mother, Mrs. Jewell Ivy and grandmother, Mrs. L. J. Vann. They are also visiting in Blanket with her parents, Mr. and Mrs. Dan Goodwin.

Mr. and Mrs. Harold Grierson and family of Wichita Falls, S/Sgt. and Mrs. Dudley Holland, Joy and Wayne of Sherman have been here visiting Mrs. Maggie Toliver.

Mr. and Mrs. Jim Tullos and Jimmy Rex of Kiowa, Oklahoma, have been here visiting with relatives.

Recent visitors here with Rev. and Mrs. G. C. Henry included Mr. and Mrs. Alton Carlisle of Lufkin, and Mr. and Mrs. Weldon Arnold of Beaumont.

Mr. George Fletcher is home again after being in the hospital for several days.

Some of the out of town friends and relatives who attended the funeral of Mrs. Juanita Cowen last Tuesday included: Mr. and Mrs. J. W. Cowan, Llano; Mr. and Mrs. Jake

Cowan of Burnet; Mr. Glen Cowan of Bertram; Mr. Roy Cowan of North Carolina; and Rev. Eulman of Llano; M. C. Pafford, Mr. and Mrs. O. D. Pafford of Burnet; Mr. and Mrs. Nelson Sinchelo of Pleasanton; Mrs. Ola Currey of Burnet; Mr. and Mrs. R. P. Pafford of San Saba, and Mr. and Mrs. Steve Pafford of Burnet.

Mrs. Jewell Ivy, Mrs. L. J. Vann and Mrs. J. L. Chancellor attended the Baptist Church homecoming held at Zephyr last Sunday afternoon. Mrs. Vann was baptized into this church seventy years ago. She is the only one living who joined this church that far back. Her husband, the late Rev. L. J. Vann, was the first Church Clerk there in his early years, and later he became pastor of the Zephyr Church. Rev. and Mrs. Vann were married at Zephyr in 1891, Rev. Bullock performing the ceremony.

A large crowd attended the homecoming and the Rev. Johnnie Halford brought the message in the afternoon.

Mr. and Mrs. Frank Tuggle and Mike of Dallas visited here recently with Mr. and Mrs. Walter Keating and other relatives.

Mr. and Mrs. Garth Gist and family of Fort Worth have been visiting here with Mr. and Mrs. Otto Singleton and family.

Mr. and Mrs. E. L. Fisher are home from a vacation from several of our northern states.

Mrs. Sam Murphy, Mr. and Mrs. R. G. Sneed, Carrie and Bobbie of Post visited the A. L. Frenches last weekend.

Also Mr. and Mrs. Melvin Murphy of San Saba, visited in the A. L. French home last Sunday. Paula and Donnie

Murphy returned home with them after spending a week in the French home.

Mr. and Mrs. Jake Davis and daughter, Barbara Ann, of Fort Worth spent Sunday with Mr. and Mrs. Bob Collier. They also visited with his parents, Mr. and Mrs. Jerry Davis of Goldthwaite.

Mrs. Albert Jenke of Austin has been here to get her son, Sammy, who has been visiting for two weeks with his grandparents, Mr. and Mrs. Will Sanders. Other visitors in the Sanders home included, Mr. Jim Sanders, and Mr. and Mrs. Garland Aldridge and family of Midland.

Mrs. Rex Tullos and children have returned to Mullin to spend the winter so the children may attend school here.

### MRS. J. M. SPINKS ENTERTAINS GUESTS

Mr. and Mrs. Ray Turner and children, Lana and Don, of Long Beach, California, visited her mother, Mrs. J. M. Spinks and other relatives here last week. They were en route to Arkansas, where they will make their home since Mr. Turner's retire-

ment from the U. S. Navy and Mrs. Carl Spinks of Midland also visited mother and sister, Mrs. The Turners spent the night with Mr. and Mrs. Spinks and family in Mullin while on their way to Arkansas.

## DO-IT-YOURSELF SHELTER PROJECT

For Family Protection From Radioactive Fallout

BASEMENT SHELTERS generally are the least expensive type that will give substantial protection. The basement shelter shown here can be built with solid concrete blocks as a do-it-yourself project for \$150 to \$200. Standard 8-inch solid concrete blocks are recommended because hollow blocks would have to be filled with concrete to

give effective protection. Bricks are an alternative. If they are used, the walls and roof should be 10 inches thick to give the same protection as 8-inch solid concrete blocks. Plans for this do-it-yourself project appear in "The Family Fallout Shelter," OCDM booklet. Copies may be obtained from Box Home Shelter, OCDM, Battle Creek, Michigan.

### Do You Know That -

"Livestock are animals that are bred and raised in Texas to keep the producers broke and the buyers crazy. Livestock are born in the Spring, mortgaged the Summer, pastured in the Fall and taken away in the Winter.

"They vary in size, color and weight, and the man who can guess the nearest weight and market grade is called the livestock buyer by the public, a robber to the rancher and a poor businessman to his banker.

"The price of Livestock is determined in Chicago and goes up after you have sold, down after you have bought. When you have light cattle the buyers want heavy ones, when you feed heifers you find they want steers, or vice-versa.

"When they are thin they should be sold, and when your steers are fat the buyer tells you the market on tallow is shot to hell, you've got them too fat.

"A buyer for a Texas packer was sent to Chicago to watch the livestock market. After a few days deliberating he sold his firm: "Some say the market will go up, and some say it will go down, but they are the same—Whatever you do will be wrong. Act at once."

Bring your livestock to the

### ALL-PURPOSE INSECTICIDE FOR HOME GARDENERS

The home gardener wants a single chemical which will control any pest which attacks his flowers, fruits, or vegetables.

To supply this market the pesticide manufacturer has prepared general-purpose mixtures containing several insecticides and fungicides designed to combat a number of pests on many different plants.

These complex mixtures are retailed in small packages and differ from pesticides sold to commercial growers in that they may be left open and used repeatedly over a considerable period of time.

Malathion is one of the most common constituents of garden pesticides. It combines the unique properties of high toxicity toward a number of different insects with a relatively high degree of safety towards warm-blooded animals. Malathion decomposes upon the plant surface to yield nontoxic residues within a few days. This desirable property in a residue introduces difficulties with the unused malathion remaining in the package.

Pure malathion is a pale yellow liquid sealed in glass ampoules to prevent its decomposition by atmospheric moisture. For effective use it must be diluted either impregnating onto

a dry powder or by dissolving into a spray liquid.

Although two-thirds of the deficient malathion samples examined in some test cases were dusts, emulsifiable spray concentrates also decompose in storage. The rate of loss has not been too serious the first year, but older samples have deteriorated more rapidly.

Aerosol formulations have been outstanding in quality. This is the only type of package in which admission of atmospheric moisture is prevented by vapor-proof walls and internal pressure on the closure. Although aerosols are still rather expensive, new developments in packaging are underway and many improvements may be expected.

The American Can Company reports that it will soon be making aerosol containers of extruded aluminum tubing. Plastic and metal foil packages need only a suitable closure to provide cheap moisture-proof packages for both dusts and liquids.

What can the consumer do to maintain quality in garden pesticides? He can help himself a great deal by selecting fresh packages from a reputable retailer, and then storing them tightly closed in a dry cool place.

### Personals

(Delayed)

Mr. and Mrs. F. B. Weaver of Robstown spent the weekend with Mrs. Liva Weaver and Howard Weaver and Miss Laura Nelson.

Mrs. Hettie Williams had as guests Sunday her son, Mr. and Mrs. Johnny Williams and friends, Mr. and Mrs. Bradley Guthrie of Brownwood.

Mr. and Mrs. E. L. Pass met her brothers and sisters in Brownwood Sunday for the Turner family reunion.

Mr. and Mrs. Aaron Stacy of Fort Worth spent the weekend with Mr. and Mrs. Dan Covington.

### GUESTS IN McCONAL AND BENNINGFIELD HOMES

Guests of Mr. and Mrs. Dan McConal and Mrs. Merle Benningfield last week were Mr. and Mrs. Bert Murphy and Butch Kenricks of Bendvices; Mr. and Mrs. Ben McConal, San Saba; Mr. and Mrs. D. N. Hunt, Seagraves; Sammie Lou Drew, Hobbs, New Mexico; Mr. and Mrs. Ernest Thorne, Farrel and Danna, and Miss Vera Booth of Alvin; and D. J. McConal of Seminole.

# U.S. OIL

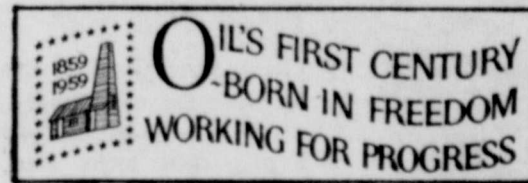

*Indispensable in our way of life... vital to our national defense*

In the 100 years since the drilling of the first oil well in the United States, the usefulness of petroleum has been often demonstrated in many ways . . . It is an economical and efficient source of energy and a raw resource convertible through petrochemistry into innumerable useful materials. . . . It is indispensable in our way of life, and vital to the national defense.

It is comforting to know that today's reserves are ample for today's needs. And if incentives to undergo the heavy risks involved are continued, there is no doubt that more oil will be discovered and produced to replace the oil we use . . .

The United States has found, produced, refined, and used more oil than any other nation. This has made petroleum products a feature of the abundant American life. Americans use more petroleum products than any other people on the globe.

The past is prologue to the future. During its second century, oil can serve you and your grandchildren, and the nation, as well or better than ever before.

The Humble Company, incorporated in 1917, has participated in the development of new and better ways to find and produce oil, and in the research that has improved petroleum products and discovered countless new uses for oil and natural gas. Humble is a major producer of U. S. oil, with production extending all across the southern tier of states from

Florida to California. Marketing operations are carried on in Texas, New Mexico and Arizona. Humble's Baytown refinery, near Houston, is one of the great refineries of the world. (Humble Pipe Line Company, a major transporter of crude oil and finished products, operates more than 9000 miles of pipe lines in Texas.)

#### Pastor's Column

In Cooperation With the  
Mills County  
Ministerial Alliance

By Geo. B. McCrary, Pastor  
First Methodist Church  
Goldthwaite

#### "AM I MY BROTHER'S KEEPER?"

According to the Biblical record, this is the first question asked of God by man. It is still a vital question today. It is a very simple question and has a simple answer, NO. You are not your brother's keeper, because he is endowed with the same God-given freedom that you have. So you are not his keeper in the sense of controlling or directing his decisions and actions. However, that age old question will not leave us alone. It continues to pop up again and again. I am not my brother's keeper, but I am my brother's brother. I do have a share of brotherliness and concern

for all that effects his life for good or evil.

If I lay snares or stumbling blocks in his way, dig pits into which he is liable to fall, set traps into which he is liable to be enticed; or in other words, have a share in placing before him temptations, or even have a share in not removing from him temptations to which he is weak to fall, then I am failing to meet my God-required responsibility. I fail to be a good brother, and I share in the guilt for the temptation into which he falls.

Carry this thought outside the immediate family into the community, large or small, and it is not difficult to see how that we share a personal portion in the community guilt for the sins that we lay before our

Mr. and Mrs. Franklin Dew Weathers and daughters, Cheryl and Rita, of Teague, spent the weekend with their parents, Mr. and Mrs. F. D. Reynolds and Mrs. Bertha Weathers.

Mrs. Nancy Self spent last weekend in Waco with Mrs. Nannie Shook and children.

Gregory Hines of Lometa spent several days last week in the home of his grandmother, Mrs. Frank Hines, and Greta Sue.

Mr. and Mrs. Howard Blackwell and children of Abilene were guests of his parents, Mr. and Mrs. J. C. Blackwell, Sunday.

Mr. and Mrs. Joe Carmichael and children, Nancy and Allen of East Bernard were guests of

people, into which many of them fall.

If we then purposefully and intentionally set up in our community means of temptation that will bring good to no one, but will surely bring evil to everyone who is tempted thereby and will be a continual agent of temptation to growing children and youths, that will produce evil in the lives of everyone who touches and will be the destruction of many of them, then we are clearly guilty for the same.

If on the other hand we do all we can to remove and prevent these temptations before our people, when we are meeting our responsibility therefore and not the guilty ones who laid the snares, but the true friends and brothers.

In this sense we are our brothers' keepers and it is in this sense that the question has been used through the ages to remind us of the responsibility we cannot evade.

Mrs. Carmichael's mother, Mrs. Ruby Ross last week.

Mr. and Mrs. Ernest Thorne, Farrell and Danna, left for their home at Alvin Tuesday after a visit with Mr. and Mrs. Dan McConal and other relatives here.

Mr. and Mrs. J. B. Bailey of Arlington spent the weekend with relatives here and also attended the Moreland reunion at Lake Merritt, Sunday.

Mr. and Mrs. Arthur Bryant returned home Sunday after visiting relatives in West Texas and New Mexico for several days.

Mr. and Mrs. Hollis Blackwell left this morning (Thursday) for New York, where they will

Odd Fact

After he announced that he  
knew a weapon was hidden in  
a cell block of the county jail,  
and threatened inmates with  
the TV blackout of a ball game  
if it was not turned in, a Ham-  
ilton, Ohio, police captain re-  
ceived six billy clubs and two  
hacksaw blades from prisoners.

- IT PAYS TO ADVERTISE -

# An OPEN LETTER To Wool and Mohair Producers of Mills County

This letter is being written for the attention of the wool producers in Mills County, who belong to a commodity group, which is fighting to keep its place in our nation's economy. Probably 90% of the people who are engaged in agriculture in this county are producers of lamb and wool. It has already been stated by a number of senators that the wool industry is a none essential industry, so, it seems to us that it is time we as producers woke up and did a little thinking for ourselves and the wool industry by voting to carry on the wool and lamb promotion program in the coming referendum.

Let's all think back to JULY 1 of the past several years and remember the incentive checks which we got through the mail and how much we counted on these checks coming in. This money you received for your incentive payments was taken from duties on imported wool and wool products, thereby making present low tariffs do a double duty. The growers use a portion of these funds for promotion, and advertising adds the "self help" feature to the sheep industry program. What is this "self help" business? Just think of any commodity which is trying to find a place with the consuming public and you will see a product which has to advertise. Look at your T. V. commercials, and the figures which companies pay to advertise their products on T. V. are almost unbelievable. The money which the Wool Bureau uses (\$2,120,988 for 1958-59) sounds as if it is a terrific amount, but would buy but a very few spot announcements on T. V., so the Wool Bureau uses it in other means to get their dollars worth.

If you are interested in just how it is used get a copy of the July issue of the "Texas Sheep and Goat Raisers" magazine, which you as a producer should already have and it gives a complete report on the wool promotion program as handled by the Wool Bureau. Well, to put it in plain talk, our voting yes in the referendum is a vote to help promote our commodity, which is the only way it is going to survive. It is to the credit of the sheep producer that he realizes the wisdom of promoting his products, just as other industries have been doing for hundreds of years, and is willing to spend his own money to improve the economic condition of his industry.

Any wool man knows that he is raising a product which is being put on a very competitive market. We only have to go as far as the nearest clothing store and look at the tags on the clothes to realize that your commodity is barely holding its own against synthetics, so, let's use a little common sense and see that the one cent per pound of wool and five cents per one hundred pounds of lambs sold is going directly to help us. We would feel that if a man doesn't think enough of his commodity to see that this small deduction goes to help himself, that he doesn't need any help.

This referendum is a democratic election and each producer has the privilege to vote as he wishes with the majority carrying, just as it does in any of our county, state, or national elections.

# Give them a Faith to live by

## Worship with them this week

Naturally you want them to have all the good things in life . . . a happy home . . . a good education . . . plenty of chances to meet other nice young people. But be sure to give them the most precious gift of all . . . Faith.

The wonderful part is that faith is yours to give . . . no matter who you are, what you do for a living, how much money you have in the bank.

Faith is the gift you give a little at a time. Every week you worship with the children at your church or synagogue. The youngsters see you . . . the biggest, smartest, most important people in their world . . . asking God for help, thanking Him for blessings. Then it's clear to them . . . here they can always find the strength they need, always find the happiness they want.

Then you've done the best a parent—any parent—can do.

WAS A. & M. COLLEGE EXTENSION SERVICE

**BY GEORGE G. REESE**

## PRODUCERS VOTE IN SEPTEMBER

Wool producers will have the opportunity to vote in September on a nation-wide referendum on the question of continuing to finance a market development program for wool.

The program of advertising, promotion and related activities carried out under an agreement with the American Sheep Producers Council. It is financed by deductions from wool prices and payments earned by producers under the national program.

The agreement has been in effect since the 1955 marketing

year, and if approved in the September referendum, will be continued for another three years. Favorable vote of producers having two-thirds of the volume of production represented in the referendum is required for approval.

Under the new agreement, deductions may not exceed the rates that have been in effect under the original agreement of one cent per pound for shorn wool and five cents per hundredweight for lambs.

To make it as easy as possible for all growers to participate, the referendum will extend over the entire month of September. Ballots will be mailed to producers from the Mills County ASC office before September 1 and may be voted and returned through September 30.

The referendum relates only to wool and lamb market development program and it will not affect the continuation of the payment program under the three-year extension of the wool act last summer.

## REFUND ON GASOLINE TAX

The refund of the Federal Tax on gasoline is important to all farmers of Mills County.

The refund claim will be allowed only if filed on or before September 30, 1959 and only one claim a year should be filed.

The period covered by this claim is from July 1, 1958, through June 30, 1959. The Federal tax on gasoline is at the rate of 3 cents per gallon on

gasoline purchased before July 1, 1959, which was used on the farm after June 30, 1958 and before July 1, 1959, for farming purposes.

This claim should be filed with your U. S. District Director of Internal Revenue.

Be sure and tell your friends and neighbors about the Central Texas Angora Breeders Sale which is to be held on Saturday, August 29 at the Mills County Livestock Show Barns in Goldthwaite.

## TWO NEW OAT VARIETIES

Two new oat varieties may be offered for sale this year. The varieties Suregrain and Moregrain were developed in South Carolina. These varieties were released only last year so supplies will be short and perhaps high priced. These varieties were entered in all State tests last year and both varieties produced outstanding yields in all state tests. These oats are early maturing, have very plump light red seed and strong, short straw. They produce forage early and in tests this year, maintained it very well through the season.

## Personals

Mr. and Mrs. Len Price and children visited his parents in Weatherford one day last week.

Mr. and Mrs. Raymond Little returned home Wednesday after a vacation trip to New York.

## FHA To Operate In Texas With Fewer Employees And Offices

Farmers Home Administration will operate its program in Texas this year with 117 fewer employees than it had a year ago at this time according to a statement this week from Walter T. McKay, the agency's State Director. Since the break of the drought, the agency, statewide, has reduced its force by more than 27 per cent and has discontinued 7 of its field offices on a full-time basis.

Insofar as the employees who lost their jobs, McKay said that in practically every case the training and experience they gained during their employment with Farmers Home Administration enabled them to step into jobs with banks, PCA's and other private and cooperative credit institutions — many of them at salaries better than they had with the Government.

In connection with the services available to farm families, there will be no change according to McKay. He said that during the past three years more than 12,000 farmers and ranchers paid their loans in full to Farmers Home Administration, and for the most part had reached or regained a position where private and cooperative sources can now handle their credit needs.

Farmers Home Administration will continue to make loans to eligible applicants for farm

and home operating expenses; for the purchase of livestock and equipment needed to put their farm programs on a sound basis and to finance farm real estate purchases and improvements.

## Personals

Mr. and Mrs. Arnold K. Kelly and children, Kenneth and Carolyn, spent Saturday in Breckenridge with Mr. and Mrs. A. C. Henderson. The Henderson children who had spent the past week here returned to their home with the Kellys.

Mrs. Homer Doggett of Dallas brought her mother, Mrs. Eula Nickols, home Friday from Graham, where she had been visiting her son, James and family. Mrs. Doggett visited relatives here before returning home.

Mr. and Mrs. Cecil Williams visited Mrs. Margie Locklear at San Saba Saturday afternoon. They also visited Mrs. Earl Locklear, who is a patient at the San Saba Memorial Hospital.

John and James Gilliam left Friday for Glacier National Park, Montana and Canada, while there they will visit John Rush, Baylor Medical student,

who has visited here a number of times.

Mrs. Paul Weiderbush of San Marcos spent the weekend with her sisters and brother, Misses Eula and Gertrude and Fritz Kauhs.

Mr. and Mrs. Louvell Sides and son, Mike, have returned from a vacation trip to White Sands Missile Range in New Mexico, where they visited with friends.

Mr. and Mrs. Philip Nickols and son, Phil, have returned

from a vacation trip touring Oklahoma, Arkansas, Mississippi and Louisiana. They especially enjoyed their stay at Hot Springs, Arkansas.

Mrs. Jack Locklear and children of Brady spent Thursday in the home of Mr. and Mrs. C. Locklear. They had just returned home from Raton, New Mexico, where they had spent the summer.

### WANTED

WANTED: Carpenter and Painting work by hour or job. See Roy Caton, 1711 Fisher, Goldthwaite. 8-26-4tp.

## Long Cove News

(Delayed)

Hay baling and maize combining seem to be the major jobs around here. Some are getting their land broke.

Another new home is being planned. The old two-story ranch house on the Pink Irving place which has been here some 60 years will soon be torn down and replaced with a modern home by the present owners, Mr. and Mrs. Sam Porter. Along with the old timers who remember this house in its younger days, we can remember too the Saturday night square dances we attended at the same place when the David Neals lived there some 25 years ago.

Mr. and Mrs. Barton Hodges and their daughter, Mrs. Bill Thompson of San Antonio, came up Wednesday afternoon and stayed until Thursday afternoon with her folks, Mr. and Mrs. Lonnie Hill. The menfolk went to Mullin awhile Wednesday night and visited Mr. and Mrs. Pearce Hodges and Bud.

Mrs. C. M. Lannon who makes her home with the J. O. Hoods had the misfortune to fall from the back porch one day this week. As a result she received a severely sprained ankle. The doctors x-rayed it. No bones were broken but she will have to be off of her foot for several days.

Mrs. Bill Thompson of San Antonio visited Miss Mary Jo Monday morning.

We thought that Brother and Mrs. John Chandler went back to their home at Fort Worth after church Sunday night but they spent the night with Mr. and Mrs. J. O. Hood and Mrs. Chandler went to the dentist at Goldthwaite on Monday.

Mr. and Mrs. David Jenkins of Austin arrived at the Bill

Manning home about 3 o'clock Thursday afternoon. They attended seeing the Barton Hodges by a couple of hours. Manning was a bit disappointed because they didn't come before he had to go back to San Antonio. Jo Manning returned home with the Jenkinses on Friday another short visit before he starts.

A large crowd of the Manning and Conradt kin met at home of Mrs. Fred Conradt Sunday for their annual reunion. J. D. Rusler's folks spent Saturday night with the Peabodys and they went to reunion together.

Mrs. Edward Smith and children from Kemper attended church here Sunday and were dinner guests of her parents, Mr. and Mrs. Enoch Godwin.

Mr. and Mrs. Porter of Gorman and one of their girls from Weatherford spent the weekend here with the Conradts and Sam Porter families.

Mr. and Mrs. Rusty Lantz and Linda of Corpus Christi and Mr. and Mrs. Glen Lannon of Fort Worth visited J. O. Hoods and Mrs. C. M. Lannon this weekend.

Rev. and Mrs. Bobbie Stuck and his sister were dinner guests of the Bill Manning Sunday.

## Questions And Answers About Social Security

**Question:** At the age of 53 needed 6 quarters of coverage in order to draw social security benefits; but I had only 3 quarters. I am now age 73 and working. Can I still earn the quarters I need?

**Answer:** Yes. Quarters of coverage needed for an insured status may be earned either before or after age 65 for men age 62 for women.

**Question:** Is it too late for me to file her claim for her wife to file her claim for her payments from social security? I have been drawing my check for some time. My wife became age 62 last September, and I heard recently that she could have begun drawing her check effective with September 1959. Has she lost her rights to the payments?

**Answer:** No. If she will file her claim with the Social Security Office before the close of September, she may still be entitled to retroactive payments beginning with September 1959.

Mr. and Mrs. Floyd McKenzie and family of Floresville have been visiting his brothers, Mr. and Mrs. Jack McKenzie and Robert Dale, Mr. and Mrs. J. McKenzie and Dianne.

MI8-2614 DELIVER 9 A.M. TO 11 A.M.

By MRS. J. A. JONES  
 almost blank this week, I heard of much visiting, I heard of a separation or even heard of a man leaving his wife. I had weekend visitors with Mrs. J. Jones were her daughter, A. R. Skelton and her son, Gordon Skelton and all of San Angelo. Jones attended the Bowser becoming Sunday. He said never saw so much good stuff. He and George Gains race to see who could eat most. Mrs. Willard Edington visited us Tuesday night. Mrs. Edington visited her parents, Mr. and Mrs. Sam Edington in Goldthwaite Tuesday night. Mrs. Fred Pafford of have our sympathy in the loss of their daughter. Mrs. Wick Standley of Goldthwaite, Mrs. Annie Cummings of San Angelo and her daughter, Mrs. Barney Tippen of Goldthwaite, Bob Cummings family of Lubbock and Mr. Mrs. D. A. Cummings, just

## FAMILY FALLOUT SHELTER — WHERE BASEMENTS ARE NOT AVAILABLE

For Family Protection in Nuclear War

PRE-SHAPED corrugated metal sections or pre-cast concrete can be used for shelters either above or below ground. They form effective fallout shelters when mounded over with earth as shown here. Materials would cost about \$700. A contractor probably would be required to help build it. "The Family Fallout Shelter," published by the Office of Civil and Defense Mobilization, contains building plans for five basic fallout shelters. Copies may be obtained by writing: Box Home Shelter, Battle Creek, Mich.

home from overseas, stopped at our store Monday afternoon. I was glad to see them. I had lost track of their whereabouts. They had been to Brady to see Mrs. Cummings and Mrs. Standley's brother, Lon Shelton. He is confined to his bed.

Mr. and Mrs. M. C. Partridge went to their old home place in Kelly community this week, seeing to their sheep and goats. Jack Edington went to Goldthwaite Friday evening to play football.

Mrs. Willie Edmondson of Spring Creek visited Mrs. J. M. Jones Friday morning.

Mr. and Mrs. A. R. Rowlett, Sue and Buddy and the Harold Locke family of Mullin went to Granite Shoals this weekend for an outing.

Mrs. Cecil Egger's mother, Mrs. Henry Smith, is still in the hospital at Brownwood, critically ill. Mrs. Butch Rowlett is helping care for her grandmother. Butch spent Thursday night in Brownwood with his mother, Mrs. Claud Rowlett while his wife sat up at the hospital.

Mrs. Nancy Self returned home last week from a vacation with relatives and friends in West Texas.

Sometimes it pays to count your own resources.

I have just been reminded of this by looking over a new brochure of the Game & Fish Commission. It deals with the lakes and streams of Texas.

It is quite complete, and has very helpful information for all who want to fish either in fresh or salt water. Lakes are listed on a watershed basis. These major watersheds include the Colorado, Brazos, Trinity, Red and Rio Grande. A number of smaller streams and tributaries also are listed, with the impoundments on each.

With this handy little two-colored 6 x 9 brochure, you can find almost any lake in which you may want to fish. Furthermore, it tells how to get there and something about the lake.

Perhaps you never thought of it before, but Texas has no large natural lake as such. Caddo, on the Texas-Louisiana line, is the nearest approach. But it has a small retention dam on the Louisiana side.

All of the other lakes in Texas are man-made. All have been developed within the last 50 years, and most of them in the last 20 years. In fact, Texas still is building lakes.

This interesting little booklet was compiled by L. A. Wilke, editor of the Game and Fish Magazine. He has fished on most of the lakes and likes them all. Each is good in its own way, he reports.

Wilke's booklet is a free publication. You need only write a letter or postcard to the Game & Fish Commission in Austin requesting the booklet, and one will be mailed to you without charge.

It is just one of many interesting publications developed in the commission's conservation program. Also in the commission's files are some very interesting 16mm sound-color movies which are available to service clubs, schools and organized groups. A card to the film booking department will bring a list.

Most of us think of fishing in connection with sports. We fail to recognize the tremendous industry of fishing. A recent report by the U. S. Department of Interior points up just how big the industry is.

U. S. fishermen, processors and distributors have a capital investment which runs more than \$1,000,000,000. Estimated value of retail prod-

ucts during 1958 amounted to \$1,700,000,000. Domestic fishermen landed 3,720,000,000 pounds for a record catch amounting to \$370,000,000.

Our country imported another \$320,000,000 in fish products. The total domestic and imports amounted to \$788,000,000 to the processor; \$1,384,000 to the wholesaler; and \$1,702,000 to the retailer.

Of the terrific tonnage, only 31 per cent was used for food. The other was processed into oil, paints and by-products.

San Pedro led all ports in poundage. Texas was not among the top ten.

Too often we overlook the tremendous importance of the fishing industry itself. Sports fishermen are far more numerous and it is easy for them to set up a hue and cry. Furthermore, the amount of money we sportsmen spend, in addition to recreational value, is tremendous. If you don't think so, ask my wife. In fact, ask yours.

This is merely to point out the necessity for us to work together... sports fishermen and commercial fishermen... in the conservation of our fishery resources. This can't be done if

we net our nursery grounds dry in the back bays, or catch shrimp and fish by the millions when they are too small for commercial value.

It means we must use every bit of skill and diligence we have to protect our oyster beds. We need to exercise care, lest we destroy these areas with dredging or with the destruction of the natural ecology.

This is not only contrary to the laws of nature, but contrary to economics.

Since the advent of the \$2.25 license, which covers both salt

and fresh water fishing, the Texas Game & Fish Commission has had more funds with which to carry on coastal research. But, our biologists, in co-operation with those of the Marine Institute of the University of Texas the marine research division of A&M College, the Gulf Coast Compact Commission, and even the fishing industry, are making slow headway.

We can't hope to accomplish all our research over night. It took many years to lay down our present resources. They can be destroyed very quickly.

We can apply science to our program, however, and in time develop our resources for the benefit of both groups.

Most of us would prefer to take our fish on the hook rather than out of a can. But there are just as many more who are not so fortunate. If they are to eat fish, those fish must be com-

mercially caught. So the commercial fisherman has a responsibility too... as well as a financial interest.

## Carlos Patterson Named President Of Goldthwaite Quarterback Club

Carlos Patterson was elected president of the Goldthwaite Quarterback Club Monday night at the annual organization meeting at McLean Restaurant. Club members entertained members of the Eagle football squad and their coaches with a chicken dinner after their business meeting was conducted with retiring president, Gerald Head, presiding.

Other officers elected to serve with Patterson are: Johnny Vaughan, vice-president; Frank McClung, secretary; and Chester Berry, assistant secretary. Directors named are: Ray Standley, O. O. Smith, Roy Lou-

dermik, C. D. McLean, Truett Auldridge, Roy Wilkins and Howard Hoover.

The club voted a life membership in the organization to Charles Conradt because of his interest in and untiring efforts on behalf of the boys in the community.

A committee was named to investigate the possibility of purchase of movie camera equipment for the club. Those serving on the committee are Roy Wilkins, Raymond Little and Joe S. Langford.

After the dinner Coach Max Blansit introduced all members of the football squad and gave a brief outline of the position they play.

He also spoke about the prospects for the season with reference to conference play. He stated, "The district race should be a lot more interesting this year than last." The Eagles are shaping up as a much stronger team both in the line and backfield than they have been the past two seasons.

### Too Late To Classify

FOR SALE: Angus Bull Calif. weaning age. L. B. BURNHAM. 8-27-tfc.

FOR SALE: 1956 Chevrolet 4-door Station Wagon, good condition. See Mrs. Bess Chapin at Durenville. Phone MI 8-2480. 8-27-2tc.

Line coach James Williams was introduced to the group. Several club members spoke briefly expressing their support of the QB Club to squad as they go into their new season.

### CLUB TO MEET MONDAY NIGHT

The newly elected president, Carlos Patterson, announced after the meeting that the first regular meeting for the season will be held next Monday night at the High School library. The meeting is scheduled for 8 o'clock and all members are urged to attend.

### Church Dedication—

(Continued from Page One)  
In the afternoon there will be open house for all of the buildings from 3 to 5 o'clock. The public is invited to see the new educational building and the remodeled chapel.

In the evening worship service at 8 p. m. Dr. W. R. White, president of Baylor University, will speak on "The Challenge of the Church."

All are invited to participate in this special day of dedication.

### New Lunch Room Worker Is Hired

Mrs. Lillian Welch has been hired as Supervisor of the Goldthwaite Public School Lunchrooms and will assume her duties along with the opening of the school year on August 31. Mrs. Welch has been employed by Mr. John Jackson at the Auction Ring Cafe thus preparing food is not a new thing for her.

Mrs. Welch will be assisted by Mrs. Earline Benningfield, Mrs. Opal Henkes, Mrs. Lola Huffman, Mrs. Inez Elliott, Mrs. Loretta Long and a lady yet to be selected that will work through the lunch hours only.

New menus will be provided in the lunchrooms. The fresh meats used will be bought through the local locker plant, vegetables will be purchased in larger quantities and milk will be furnished by Pure Milk of Waco with Douglas Collier the local distributor. The ice cream served will likewise come through Collier.

The increase in prices of the lunches is still low considering the advancement in prices of all meats, vegetables and milk. The usual discount will be allowed for those that will pay for a long period thus you can save 10% on high school lunches by paying by the month, semester or year. Please consider the payment of your child's lunch by the semester or year if the child is in an upper six grade.

School lunches will be served Monday of next week but school will be dismissed at 2:30 on this first day of school.

Mr. and Mrs. James Ervin White and children, Peggy, Jimmy and Virginia Ruth, of Bay City, were guests of Misses Abbie and Ruth Ervin and J. P. Ervin last weekend.

## Childress Clinic And Hospital Approved For Blue Cross Plan

Childress Clinic and Hospital, Goldthwaite, has been provisionally approved as a Blue Cross Member Hospital, Charles O. Childress, administrator, announced this week.

This provisional approval normally precedes full membership for the hospital for a period of 90 days. Provisional approval also permits full Blue Cross member benefits pending final acceptance of the hospital as a Blue Cross member hospital.

## Eagles Schedule Scrimmage Games Thursday And Saturday Nights

Goldthwaite Eagles will travel to Dublin for a scrimmage game Thursday night (tonight), on Dublin field at 7:30 p. m. Saturday night, August 29, the Eagles will be hosts to the Coleman team for a scrimmage game on Eagle field at 7:30 p. m.

At the conclusion of the first week 29 Eagles are still working at practice. There has only been one bad injury, Charlie Featherston suffered a broken finger in practice last Friday night. Others on the injured list are John Burdette with a charley-horse; Gerry Head, strained muscle in arm; and Charlie Wilkins, knee injury.

Most of the first two teams have been looking real good in the first week of practice, according to Coach Blansit.

Downfield blocking seems to have improved 100 per cent since this time last year and the overall team speed has improved greatly, according to the coach. At this point the break-

away threat that the team did not have last year seems to improve with each practice session to where the team will have four or five boys who will break away and go all the way for touchdowns. The line has shown much improvement in making holes for the backs.

Lettermen that have been looking good during the first week and a half of practice are: John Burdette, end; Charlie Wilkins, tackle; Jimmy Smith, tackle; Charlie Sherwood and Jerry Stanford, guards; Billy Blackburn, center. Backs who have also been looking good are: Jimmy Wigley, Mike Hoover, Gerry Head, Tom Graves and Alfred Starks.

Squadmen or Junior High players who have looked good also are Charlie Parker, tackle; John Pat Rudd, guard; Butch Schuman, center; and Jackie Burns, end.

### Special Arrangement For Transportation

According to records the enrollment on the bus that formerly served the parts of the Old Scallorn District and the Bulls Creek District dropped so low that not a sufficient number remained to justify a regular route. The State of Texas will pay full price for a route if fifteen or more pupils are transported thus it became necessary to set up "Hardship Transportation" on the group of children.

The Bulls Creek pupils will be picked up by Mr. Corona as a part of Big Valley Run while those pupils living on the old Lometa Road will be transported under contract by Mr. Jackie Williams. Time of the pickup of the first pupils will be at 8:10 daily. Mrs. Thurman Head will transport those pupils living on the old Scallorn Road.

This mode of transportation will be an advantage as no one will have to ride the excessive distance required of a bus to make the 5 1/2 mile run previously made.

### "YARD OF THE MONTH" MARKER PLACED IN THE ERCHER McCASLAND YARD

In the Yard of the Month contest sponsored by the Goldthwaite Garden Club, Mr. and Mrs. Ercher McCasland's yard was judged "Yard of the Month," according to an announcement by Mrs. Robert Butler, Yard of the Month Committee Chairman.

The "Yard of the Month" marker was placed in their yard for a month.

### CHILDRESS HOSPITAL NEWS

### Goldthwaite Schools Now Fully Staffed

The Goldthwaite Schools will open their doors for the 1959-60 school year in good shape financially and will be staffed by a full corps of highly qualified teachers.

Pre-registration was completed last spring BUT all new pupils will be taken care of so far as enrollment is concerned after the general assembly in high school Monday morning.

Mr. Standley will take care of all new pupils in the first six grades at 8:40 Monday morning. Enrollment and "mock" day schedule will be completed by
