Blouse Factory In Full Production

STEP NO. 1—Oneita Ketchum, floor supervisor, is shown here with bundles of new cut stock as it arrives at the Goldthwaite factory from the designing and cutting department at Hamilton to be put into work.

STEP NO. 2—This is the first part of the assembly line for production of the garments. Operators are from left: Lorena Krueger, Betty Duren, Lorena Long, Beatrice Hendricks, Evelyn Roberts, and Ruth Sutherland. At extreme left with only arm and back of shoulder showing is Ruby Basham. Standing in back of operators is Clayda Hedgpeth, manager.

STEP NO. 4—Here is the finishing phase of the assembly line in blouse production. Operators from left are: Evalyn Reid, Hazel Lucas and Beatrice Ethridge.

The Goldthwaite Blouse Factory, operated by Sparks Manufacturing Company, Inc., is now in full production as is shown by the picture story on this page.

This story in pictures shows the various steps, or phases, of the garment factory in assembly line from the time stock arrives until the garments are finished.

The Goldthwaite operation is production only with designing, cutting, packaging and shipping being done from the Hamilton plant.

Picture number one shows new cut stock in bundles as it is prepared to be put into work on the line by floor supervisor Oneita Ketchum.

First phase of the assembly line is shown in step number two where the garments start. This part of the operation includes making darts, shearing and sewing facings.

Picture number three shows the second phase of the assembly line which includes sleeve hemmers, sleeve setters and collar setters.

Number four shows the finishing phase of the assembly line of producing a blouse. Operations here are: hem tails, sew pinking and sleeve setter.

Plant manager Hedgpeth stated that they came to their peak production after working 10 days. On the peak day to date they produced 64 dozen and six blouses with 22 machine operators and floor supervisor and manager. They are working on their third style since operations started here, Hedgpeth announced.

STEP NO. 3—This is the second phase of the blouse factory assembly line operation. Operators are, back row from left: Vera Collier, Alyne Thorne, Earline Benningfield, Dorothy Bishop and Louisa Flores. Front row from left: Delores Roby, Robbie Robertson, Marjorie Stewart, Jewell Yeager, Freda Pruet, Jackie Roberts and LaVerne Todd. At the right is Clayda Hedgpeth, manager, inspecting garments. The machine at the inspection table is a collar turner.

Little League To Meet Tonight

The Little League will meet tonight (Thursday) at the Lone Star Gas Company office at 7:00 p. m. It is hoped that all interested parties will be present as the Little League will elect new officers, name managers and teams at this meeting.

Mr. Thornton, president of Little League for the past year, stated that all fathers of boys wanting to play this year are invited to attend this meeting as well as any others who would like to help with the Little League.

OWNERSHIP CHANGE IN BARBER SHOP

D. V. Westerman this week announced that he has purchased the interest of his partner, J. C. Faulkner, in the Faulkner and Westerman Barber Shop. The change of ownership was effective this week.

Mr. Faulkner is retiring after being in business in the same location for 40 years. Westerman has been associated with the shop since 1946.

Clary Exhibits Reserve Champion Angus In San Antonio Club Show

Red Cross Fund Drive To Start On March First

The annual Red Cross Fund drive in Mills County will begin on March 1, it was announced this week by Harold Yarborough, Mills County Chapter chairman. The membership roll call will be conducted the entire month of March along with the national campaign.

Yarborough will serve as fund drive chairman this year.

Details are being worked out at this time for the various community chairmen and workers to take part in the drive.

Chairmen and committee workers are to be announced starting next week, Yarborough announced.

James Woodson Clary, Mills County 4-H Club member of Star, exhibited the reserve champion steer in the boys' club show of the San Antonio Livestock Exposition, it was announced here Tuesday.

His Angus was judged the champion of the middle weight Angus class and champion Angus of the Boys' show before taking the second highest honors in the entire boys' show.

Clary also exhibited another Angus that took second place in the light weight Angus class.

Alvin Glenn Tiemann showed the first place winner in the middle weight Shorthorn class and was then judged the reserve grand champion Shorthorn of the club show.

Jimmy Soules showed a Hereford that took 9th place in the middle weight Hereford class.

Charles Cornelius exhibited an Angus in the open show and took 3rd place in the middle weight class.

Bank To Have Holiday Monday

Mills County State Bank will observe a regular bank holiday next Monday, February 22, it was announced by officials this week.

The holiday is Washington's birthday and the bank will remain closed for the day.

SINGING AT DUREN THURSDAY, FEBRUARY 25

Park Maintenance Fund Campaign Started By Development Committee

A campaign for park maintenance fund got underway in Mills County Wednesday as approximately 400 letters were mailed out by the Park Development Committee to interested citizens soliciting their support.

The letter which is in the mail today tells the story and need for a park maintenance fund and outlines a way for accomplishing the goal.

Copy of the letter is as follows:

"We are trying to set up a maintenance fund for our park.

"The money is to be used principally to pay a grounds keeper for the entire year, or at least through the growing season.

"A number of us are contributing one dollar per month (\$12.00 per year) towards this goal.

"We hope you will join us by contributing.

"You may make your payment to Mills County State Bank or

to any member of the committee.

"Make your check payable to the Park Fund—we understand it can be used as a tax deductible item for income tax purposes.

"Thank you for your interest."

The letter is signed by members of the Park Committee. They are: W. P. Duren, chairman, Howard Campbell, Lewis T. Hudson, Charles Conrad, Harold Yarborough and Ray Duren.

This program got off to a limited start last year when a group of interested citizens contributed \$12 each to the fund to employ a grounds keeper for the park.

Although the drive was for a short time only and the support was limited there was considerable improvement in the park due to this effort.

The committee is hopeful that there will be a good response this year so that real

headway can be made in upkeep and improvement at the park.

The park committee chairman, W. P. Duren, and maintenance fund drive chairman,

New Equipment Installed At Saylor Chevrolet

W. G. Saylor this week announced the installation of some new and additional shop equipment at Saylor Chevrolet Company.

Added to their shop equipment were a new Alemi's front end machine and a new Alemi's electronic wheel balancing machine. Both machines are the very latest type equipment available, to serve all makes of cars, according to Saylor.

In announcing the additions, Saylor stated that they are now prepared to give the motoring public a service that heretofore has not been available in Goldthwaite.

Ray Duren, have announced that it will take a minimum of 100 members at the dollar a month, or 12 dollars per year, to set up the fund to do the job right.

Interested parties who may be overlooked on the mailing list for the letter are urged to join the group and make their contribution to this park maintenance fund.

I.O.O.F. Lodge To Hold Open House

The Goldthwaite I. O. O. F. Lodge No. 198 will hold open house next Monday night, February 22, at 8 o'clock, in the Lodge Hall. There will be domino games for those wishing to play. Refreshments of cake, coffee and cold drinks will be served.

An out of town speaker is scheduled to make a short talk.

The public is most cordially invited to attend.

Goldthwaite Lawyer Appointed By County Judges Association

Wm. G. Yarborough, Attorney, of Goldthwaite was appointed as Legal Counsel and Temporary Chairman of the Ex-Officio County School Superintendents Division, County Judges and Commissioners Association of Texas.

There are some 79 County Judges in Texas to whose offices are added the duties of County School Superintendent. In October, 1959 at the convention in Galveston the state association voted for the School Superintendent's Division. Yarborough is County Judge

of Mills County. His appointment was announced in a meeting of the State organization at A&M College this week by C. Y. Johnson, President. Yarborough was present and accepted the appointment.

The legal status of education and schools at the county level will be considered by the Ex-Officio County School Superintendent's Division, with recommendations to the Legislature and Texas Education Agency to be made after proper research and briefing, according to Judge Yarborough.

VIC'S . . .
SOLILOQUY

"CREDIT CARD" ECONOMICS—Maurice H. Stans not only holds one of the most important positions in the federal government, but one of the toughest. He's the Budget Director—and excerpts from two of his recent speeches deserve the widest possible notice.

In one, he pointed out that during the last session of Congress "there were 20 major spending bills introduced in the House, along with 20 others in the Senate, for new programs which altogether priced out to more than 326 billion dollars over an average period of five years. If these bills were passed as their sponsors want them, they would add 50 to 60 billion dollars a year to our present spending."

In the other address he said: "If anybody in the audience can tell me how we could squeeze fifty or sixty billions of additional spending every year within 80 billion dollars of revenues, which is what our tax laws yield when times are very good, I'd like to hear his formula. This is what I would call 'credit card' economics at the national level."

Eternal vigilance is still, as it always has been, the price of liberty—and now it is also the only defense against national bankruptcy.

IT ALL DEPENDS—The next decade could bring a rise of about 60 per cent in the gross national product, a jump in disposable income per family from \$6,000 to over \$8,000 a year, twice the present expenditures for research and development, and many other dramatic material advances. But it all is dependent on the nation overcoming "an appalling air of Complacency."

That statement was made some little time ago by Keith Funston, president of the New York Stock Exchange. We are, he went on, "up against stupendous stumbling blocks" to future progress. He listed these as "inflation, an unrealistic tax structure that discourages sufficient growth, and an apparent unwillingness to eliminate featherbedding and high cost production, to name a few."

For instance, if the high future goals are to be reached, it will require about \$55 billion in 1970 to just tool up our productive plant. This means that it will take \$30,000 of invested capital instead of approximately \$17,000 today to furnish the average production worker with the tools of his trade. Yet, our tax system—with its extremely high rates, along with the tax on capital gains and a double tax on dividends—is a heavy barrier to investment. In too many instances, it penalizes risk takers instead of stimulating them. And risk is essential to progress.

The way tax revenue is raised is as important as how much is raised. What we need is a revised system capable of producing needed government revenue with minimum obstruction and discouragement to investment.

CENSORSHIP BY TAXATION—The following editorial is reprinted from the American Press:

"The cost of advertising to promote or defeat legislation or to influence the public with respect to the desirability or undesirability of proposed legislation is not deductible as ordinary and necessary business expense even though the legislation may directly affect the taxpayers business."

"That is quoted from the newest proposal of the Internal Revenue Service for clarifying its regulations on propaganda advertising."

"Perhaps a clearer way to say it might be: 'Freedom of the press and freedom of speech are hereby repealed by order of the Internal Revenue Service.'

"For under the proposal, even though a businessman was faced with the prospect of legislation which might ruin his business, he would be prohibited from appealing to his fellowcitizens unless he agreed to pay Uncle Sam a high tax premium for the privilege."

"Although leaders in advertising and business have been doing their best to fight this vicious scheme for censorship by taxation, they are sorely in need of public backing and grassroots rebellion against such regulation."

"The House Ways and Means Committee is now considering the proposal in connection with rewriting of the Revenue Act. We urge editors to join the fight against this new threat to freedom through their editorials, through letters to their Congressmen, and through appeals to their readers."

LETTER FROM AUSTIN
Eds. News:— The House bill for the protection of game on Galveston Island, passed the Senate on Tuesday; also the bill to incorporate the Galveston casino; bill to charter the Trinity Valley railroad company; bill to prescribe police regulations in respect to slaves and bill to encourage publication of the reports of the Supreme Court.

Supt. Tolbert Patterson of Mullin was looking after business in this city Saturday.

Judge and Mrs. J. C. Darroch returned to their home in Brownwood Sunday, after a visit to relatives here.

The first movement toward paving the streets of Goldthwaite commenced this week, when grading and preparation for laying pavement started on West Fifth Street and a portion of Hutchings Street, from the Methodist Church to the intersection of Fifth Street.

The Goldthwaite School Board held a meeting last Monday night, at which time Supt. A. H. Smith was elected for another year as head of Goldthwaite school system.

50 YEARS AGO—

(Taken from The Eagle Files of February 19, 1910)

Rev. J. S. Bowles, pastor of the Methodist Church in San Saba and Miss Flora Gatlin, were married at the residence of the bride's parents in this city Tuesday afternoon at 2:00 o'clock, and left immediately for their home in San Saba.

Mr. Dennis and his sister, who live on the Driskill ranch, in the upper edge of the county were thrown from their buggy Tuesday afternoon, as they were leaving this city for their home with the result that they were both painfully though not seriously hurt.

J. D. Brown this week bought the County Drug Store from E. A. Murray and will continue the business at the same stand.

Marriage license was issued yesterday afternoon to R. D. Forehand and Mrs. Grace Robertson and the wedding was scheduled to take place in the Rock Springs community last night.

County Clerk Atkinson issued marriage license this week to T. C. Featherston and Mrs. Ethel Ryan; Jim Bass and Miss Jessie Brown.

Jo H. Frizzelle has been suffering a great deal this week with his foot which he recently cut on a window glass. At the time of the accident it was thought the glass was all removed from the wound, but a few days ago a fragment was discovered to still be in the wound. An operation was necessary to remove the glass and he has been confined to his room for a week or more.

W. E. Miller, president of the Goldthwaite National Bank, is having a large addition built to his already pretty residence in the eastern suburbs of the city.

Art And Civic Club To Stage Easter Parade Again This Year

Mrs. Kelly Hosts Pleasant Grove Club

The Pleasant Grove Club met in the home of Mrs. L. O. Kelly for their January meeting with sixteen members and a number of visitors present. Three of the visitors joined the club. Several ladies made plastic flowers and ivy, during the afternoon.

Next meeting will be at the Pleasant Grove Schoolhouse, Saturday night, February 27, with Mr. and Mrs. Neal Rose hosts. Bring card tables and dominoes and spend an evening of fellowship. Visitors are always welcome.

Members of the Art and Civic Club are sending out a flash again this year to mothers and grandmothers stating that now is the time to make plans for getting little "Junior" or little "Miss" ready for their Easter Parade, according to announcement by Mrs. Milton Schwartz, publicity chairman for the club. The club is planning an Easter Parade for pre-school age children on Wednesday, April 13, four days before Easter. The event will be staged at the high school auditorium at 4:00 p. m. All pre-school children are invited to participate. Advance ticket sales will begin April 1. Proceeds from the benefit will be used for the club's community activities and projects fund.

ENGAGEMENT ANNOUNCED—Mr. and Mrs. John W. Burnett of 1113 North Alleghany, Odessa, announce the engagement of their daughter, Joyce Faye, to Jerry Don Hammond of Odessa, son of Mr. and Mrs. Ray Hammond of Midland. The couple plan to be married after Miss Burnett's graduation from Odessa High School in the spring.

Art & Civic Club Presents Program, "Our Senior Citizens," February 9

The Art and Civic Club met Tuesday afternoon, February 9, in the home of Mrs. Lee Roy Stacy. The Valentine motif was carried out in the table arrangement and the refreshments. A delicious salad plate and coffee was served to club members and a guest, Mrs. Raymond Summy.

The two "rocking boats" that were made to present to the Community Park were on display at the meeting. They are to be presented to park officials in the Spring.

Mrs. M. F. Horton was leader for a program on "Our Senior Citizens." Mrs. Chester Berry spoke on "How Can We Stimulate Interest in The Aged." Mrs. Milton Schwartz, on "What Can Be Done To Educate the Public to the Fact of Growing Old" and Mrs. Wallace Johnson on "How Can They Make The Most of The Golden Years?" The club donated two books, "Elephants and Ivory," by John

Alfred Jordan and "The Home-owners' Guide to Landscaping," by Amelia Levett Hill to the Library. Six books were also donated to the Elementary School Library. They are: "Back Of Beyond," "Captured Words," "Cowman's Kingdom," "Flag For Laffette," "Return of The Alaskan" and "Wagon Wheels."

Mrs. Wallace Johnson, Finance Chairman, discussed plans for the Pre-School Easter Parade, date to be announced later.

Brownies
Troop 7 (Grade 2), made valentines for their parents last week. Their leader, Mrs. Lewis Hudson, was out due to illness. The assistant leader, Mrs. Doug Collier, met with the Brownies.

Troop 4 (Grade 3), have been without a leader for a short time, but have carried on with the help of Mrs. Bobby Lee, a Troop Mother, and the program aide, Phyllis McAden.

The Troop voted to send a gift of appreciation to Miss Louisa Flores, who had been their leader since September.

We are happy to report that Mrs. Eric Looney has consented to be their leader and will begin meeting with them next

week.

Troop 9 (Grade 4), discussed the approaching Cookie Sale. Then they had a Valentine party. There are only four Brownies in this Troop, but they are having fun as they work on their Requirements to fly-up into Intermediate Girl Scouting. We would encourage all Fourth Grade girls to join your troop. You are wanted, and needed. We feel you are missing a wonderful opportunity to become better all-around citizens by not doing Girl Scout work.

Star Sophomores To Present Play Feb. 23

The Star Sophomore Class will present a three act play, "One Minute To Twelve," at the High School Gym on Tuesday night, February 23. The play will begin at 8:00 p. m.

Everyone is invited to attend this play, laugh at the predicaments of these young people and hear the amusing readings between acts, according to school officials. Proceeds from the play will be used to help buy a tape recorder for the school.

Mr. and Mrs. Hud Hamilton and Mrs. Maurine Soules of Star left last Friday for the Rio Grande Valley where they visited relatives and friends. They returned home Tuesday.

ments for the Second and First Class Ranks. Their program includes quite a bit of outdoor activity, so they are looking forward to warmer weather. They would welcome more girls in their troop.

Seniors

Troop 1 has two Patrols. The Trail Blazers (Grades 9 & 10), with Mrs. Jim McClements as leader, are working on their 5-point program.

The Wing Scouts (Grade 11), with Mrs. L. V. Benningfield, do most of their work individually, as they are quite advanced in their program.

Troop 1 sent Judinell Benningfield and Judy Gotcher as voting delegates, and Danna Thorne, as alternate, to the Senior Planning Board meeting in Stephenville, last Saturday, February 13.

Troop 8 (Grade 10), the Mariner Ship, held a short business meeting and adjourned. Due to church activities no one from this troop went to the Senior Planning Board in Stephenville.

THE SMOOTHEST STREET IN TOWN

...IS THE ONE UNDER A BUICK '60

IF YOU WERE CONVINCED that the Buick '60 was the best-riding car in America...

AND YOU WANTED TO DESCRIBE this uncommon characteristic to other people...

DO YOU THINK YOU COULD DO IT nearly so effectively as a little ride around the block in the Buick could do it?

NEITHER DO WE... we don't know which is the best-riding car in America, but it must be a dandy if it rides any better than BUICK'S ALL-TIME BEST. You pick out the roughest street you can find and then call your nearest Buick dealer for a demonstration ride over it. The combination of deep-coil springs at all four wheels, front and rear ride-stabilizer bars and Buick's noise-baffling Torque Tube will make you think it's the smoothest street in town. Your dealer's number is in the Yellow Pages.

Clementine Wilmeth Briley Writes From Temporary Home In El Paso

By CLEMENTINE WILMETH BRILEY

This year, 1960, is a Leap Year with the traditional right accorded to women to drop their modesty and suggest to the boy friend that two can live as cheaply as one. But it doesn't seem to be working out that way in El Paso. The County Clerk's office reports only 160 licenses issued in January of this year compared to 174 in the same month of 1959.

The Southwestern Champion Rodeo and Livestock Show are holding forth at the Coliseum this week. Today's paper came out with a picture of Danny McBride, 9, of Blanket, member of Brown County 4-H Club, on the front page. His calf was Grand Champion at the Livestock Show. It sold today for \$3,521.25.

I told you about our windy, dusty Tuesday of last week, but Tuesday of this week broke all records. A wind that reached the velocity of 81 miles an hour hurled roofs off of houses, moved houses off of foundations, smashed plate glass windows, ripped power lines loose, tore away porches, smashed cars and house windows, knocked down pedestrians, uprooted trees, and covered the city with a cloud of dust. Visibility at Biggs Air Force was one fourth of a mile and all planes were grounded.

Bryce Lammert, City Park Director, said 100 big trees were thrown into the streets, and hundreds of smaller trees were turned loose on yards. A 50-man team of City Park Department workers did a big clean-up job Wednesday. Damage to homes, cars, and trees amounted to \$500,000. Clean-up operation will cost approximately \$1500.

Tom Ramsey, 33, has been named El Paso County's outstanding young farmer. He received the County winner's plaque at the annual Jaycee award banquet in the Hilton Hotel Tuesday night. His mother was a Pifer. She once told me that she had lived in Mills

County and taught school there years ago. (She is now deceased.)

A letter from my sister, Mrs. Grace Bateman of Fort Worth, says things have been happening lightning fast around there. Feb. 3 their son, Dr. John Bateman of Paris, France, called them from Philadelphia saying he would arrive at Carter's Field at 2:15 that afternoon. They knew then that he had been granted his request to come to Brooks Field, San Antonio for a 9 weeks course in aviation medicine. Harley and Brette were to arrive Friday or Saturday. But the next morning, Harley called from New York that they would arrive at Carter's Field at 10:25 that night. Joe and Dr. John met them at 10:52 So at about midnight that night Grace and John got to see their first grandchild for the first time. They will probably be in the States till May.

Right after Harley called Thursday morning a call came from Waco saying that John's youngest sister, Mrs. Edna Bateman Hudson, had passed away. She had been ill for several years. Joe, Grace, and John went to Waco Saturday morning for the funeral. Services were at St. Paul's Episcopal Church. They laid her to rest beside her husband in a beautiful new cemetery. She is survived by two daughters, Camille and Barbara, both of Waco; two brothers, John Bateman of Fort Worth and Wayne of McKinney; one sister, Mrs. Bodie Jones of Eddy. All the family were present for the funeral.

A letter from Ruth today said they were having a lovely day in Beaumont. The camellias have been blooming for some time, but so far not an azalea. She says they may have been frozen.

BIRTHS

Mr. and Mrs. Jesse R. Cortez of Lometa, Texas, announce the arrival of a daughter, Susan, at the Childress Clinic and Hospital in Goldthwaite on February 11, 1960, at 1:01 a. m. She weighed six pounds and two ounces. Susan has a big brother, Joe Louis, age 3, to welcome her home.

Grandparents are Mr. and Mrs. Quirino Reyna of Robstown and Julius Cortez of Bend.

Norma Fay Duren Is 1960 Betty Crocker Homemaker Of Tomorrow

Norma Fay Duren has been named the 1960 Betty Crocker Homemaker of Tomorrow at Goldthwaite high school. She is the daughter of Mr. and Mrs. Norman Duren.

She received the highest score in a 50-minute written examination on homemaking knowledge and attitudes taken by graduating seniors in her school. She will receive an award pin, manufactured by Jostens and representing the slogan, "Home is where the heart is." Her examination paper will be entered in competition with other high school winners to name the state Betty Crocker Homemaker of Tomorrow.

Each state Homemaker of Tomorrow will receive a \$1,500 scholarship and an educational trip April 23-29 with her school advisor. The tour will include New York City and Colonial Williamsburg and will culminate with the American Table Banquet in Washington, D. C., on April 28, at the Statler Hilton hotel where the All-American Homemaker of Tomorrow will be announced. The runner-up in each state will receive

NORMA FAY DUREN

a \$500 scholarship. The school of each state winner will be given a set of the Encyclopaedia Britannica.

The scholarship of the All-American Homemaker of Tomorrow will be increased to \$5,000. The second, third and fourth ranking Homemakers of Tomorrow in the nation will receive \$4,000, \$3,000 and \$2,000 scholarships, respectively.

Revised Standard Lamb Grading To Become Effective March 1

San Angelo, (Spec.) — Lamb grading, with revised standards becoming effective, is to be continued, officials of the Texas Sheep & Goat Raisers' Association have been informed. Revision of the standards is a compromise on which most segments of the sheep industry agreed.

The National Wool Growers' Assn., in Salt Lake City, further informs that the new standards will become effective March 1, 1960.

The TS&GRA joined with the NWGA, the National Lamb Feeders' Assn. and other groups in seeking suspension of grading, but protests from other organizations prevailed in the United States Department of Agriculture's decision to revise and continue grading.

Penrose Metcalfe, of San Angelo, a vice president of the

NWGA and a past president of the TS&GRA, represented the TS&GRA at lamb grading hearings before the House Agriculture Committee in Washington earlier this year. He urged suspension, asserting that both the producer and consumer would benefit if grading was suspended.

Metcalfe says that Secretary

WORTH MORE BECAUSE THEY WORK MORE!

Compare this list of Chevy advances with the features ordinary trucks are still talking about. You'll see why Chevy trucks get more work done in a day... why they go extra thousands of miles before trade-in time. These Sturdi-Bilt Sixties aren't just new, they're a full scale revolution!

TORSION-SPRING RIDE

Each front wheel, suspended independently of the other, is free to step individually over bumps. And shockproof torsion springs up front soak up the jars and jolts before they reach the body. With three rugged new tailored-to-the-truck rear suspensions to further reduce road shocks, Chevy gives you the smoothest truck ride you've ever felt.

NO SHIMMY, NO WHEEL FIGHT

Drive a '60 Chevy. Just once. Right away you'll notice the absence of I-beam shimmy and wheel fight common on ordinary trucks.

With independent front suspension there's a brand-new, smoother, easier handling feel behind the wheel.

CABS FOR BIG GUYS

Big guys get a bigger break in a Chevy cab. There's plenty of space inside to stretch out and relax; more room for hats and hips, more room for wide shoulders and long legs. There's horizon-wide visibility through a windshield with 26% more glass area; a new see-at-a-glance instrument panel. Cabs are safer, too, up to 67% more rigid.

G'S SWORN TO SAVE

Chevy's 6-cylinder engines are set to squeeze extra miles out of every drop of fuel. They're long famous for low fuel consumption, high performance.

SHORT STROKE V8'S

Power-packed for peak performance, Chevy's husky V8's make child's play out of the toughest hauls. They have a mind tuned to economy, too, that keeps costs down, profits up.

SLICK NEW SUBURBAN CARRYALLS

These handsome new handy haulers "double in brass"—can transport eight passengers or up to 950 lbs. of payload. Rear and center seats are easy to remove and replace when necessary. For work or for pleasure, these double-duty beauties are best for both!

"The time is come that judgment must begin at the house of God."—I Peter 4:17.

When one takes out of the church those who are not his, there are not many church people left. We all like the idea of a large church membership but only character will count in the day when the Book is opened.

Much of modern evangelism has been too lax and soft. Jesus

said, "He that confesseth me before men I will confess before my Father which is in heaven." Conditions were such when He said this, that the one professing knew he might lose his head.

"They wandered in deserts and mountains and dens and caves of the earth."—Hebrews 11:38.

TS&GRA officials believe that had Secretary Benson suspended grading, it soon would have been resumed as, in all probability, the House Agriculture Committee would have introduced a measure in Congress that would make grading of any agricultural product mandatory upon demand.

TEXAS PRESS ASSOCIATION

lin, Texas — Democratic Executive Committees decide on March 14 whether to change the old custom of holding rural area precinct conventions in the daytime. The election law passed last year has already doomed a number of Texas political traditions — like announcing when dogwood comes out and watermelon at election time. Conventions are now held the weeks of May and June, and of the last weeks of August, as before. Other change is that a man who wishes to participate in a Democratic precinct convention must already have been in the Democratic primary the same day in order to have a poll tax stamped on his ballot. Precincts won't be affected. There, customarily, the precinct conventions have been held after the polls close at 7 p. m. Rural area conventions have been held in the afternoon. This enabled people to attend the convention, buy their groceries, take one trip, and get home in time to do the milking. There is the necessity of giving everyone time to vote at the convention can be held for re-election, each of the two leading candidates speaker claims that half of these probable returns pledged to him.

Most active in the speaker's race are Reps. Wade Spilman of McAllen and James Turman of Gober. Some are predicting the race may be as long and hard as the last one between Waggoner Carr and Joe Burckett. Thirty House members are either retiring from public life (including Burckett) or seeking another office (including Carr). Of the 120 who are running again for the House, 82 have opponents. This means there'll definitely be no decision on the speaker's race until after the primaries. Neither Turman nor Spilman has an opponent for his House seat. Of the 16 senators up for reelection, all are running again and ten have opponents. Unless there should be an unusual number of "upsets," legislative turnover should be about the same or less than usual. "Normal" replacement is about one-third of the House (or 50 members) and a very small number of senators, usually not more than two or three. Trojan Horse— Consideration of a federal aid to education bill in Washington has Texans reacting with mixed emotions. It also adds new urgency to the efforts of those who want to see Texas shoulder school improvement responsibility through passage of the Hale-Aikin program. Gov. Price Daniel said Texans should accept U. S. Senate passage of the federal aid bill as "fair warning" that Congress will step in if states don't take the necessary action. If the states let in federal money, they will let in federal control of schools, the governor declared. He called "impossible" the idea of "federal money

Laymen To Preach In Spring Revival At Baptist Church

Laymen of the church will be the leaders in the spring revival of the First Baptist Church, Goldthwaite, it was announced this week. The revival will be March 6 through 13. This will be the third revival led by the men in the church. They have led in many other revivals in churches in the county and outside the county. This is an emphasis that spotlights the place of the layman in Christian service.

Those preaching for the revival will be: Charles Conradt, Winell Page, Luther Ward, Maeborn Sanner, Billy Hale, R. T. Ratliff, Hawley Jernigan, Del Barnett, J. D. Harper and J. D. Berry. A special feature of the revival will be a Youth Night on Saturday night with Del Barnett speaking. In each of the services there will be special music that will be directed by the song leaders, D. W. Arnold and Floyd Spradley. In each of the services two men will give their personal testimony of what Jesus means

to them and their lives. There will be special features for each of the services. On the first Sunday a goal for high attendance will be sought. On Monday of the revival the emphasis will be "Pack-A-Pew"; Tuesday, "Bring A Family Night"; Wednesday, "All-Church Night"; Thursday, "Andrew Night"; Friday, "Ladies' Night"; and Saturday, "Youth Night." The closing services on Sunday will emphasize "Higher Attendance" with an effort to fill the house. All phases of the planning and preparation are under the direction and control of the laymen of the church. All are invited to think ahead to the days of this Laymen's Revival, March 6 through 13.

Herefords Sold By Cornelius

V. Z. Cornelius this week announced that he has sold 55 head of registered Herefords from his herd to C. M. Ulmer of Morgan Mill, Texas. He retained 19 females from the herd which was established in 1939. The sale did not affect any of his flock of goats and sheep. Cornelius stated that cutting down his Hereford herd was of necessity because he has been advised by his doctors to slow down a bit. Eddie Thornton, son of Mr. and Mrs. Ed Thornton, underwent eye surgery at Scott and White Hospital last Friday morning. At last report he was resting satisfactorily. Mrs. Thornton is staying in Temple with her son. Mr. and Mrs. Bill Allen and children of Hamilton were guests of Mr. and Mrs. J. B. McCasland Sunday. Mrs. Mae McMillon of Coleman spent Saturday night and Sunday with her sisters, Misses Abbie and Ruth Ervin and her brother, J. P. Ervin. Mrs. Miller of Belton spent Sunday with her daughter, Mrs. W. W. Williams. LeRoy Warren of Houston visited his mother, Mrs. Cicero Warren, last weekend.

You never know until you try...

You never really know what you can do until you try. No one ever whacked a ball without trying. Or hemmed a skirt. Or painted a picture. Many people never even try. It's that way with Faith, too. Many people never try to find it—by opening their eyes and ears, their hearts, their minds. So they never learn the courage, the dignity, the hope that come with Faith. *But aren't these things worth a try?* The first step is so easy: visit your Church or Synagogue this week. You can be sure you are always welcome.

Find the strength for your life—worship together this week

CHECK LABELS ON SPRING FABRICS

Have you ever bought a lovely garment or piece of fabric that looked "sad" after the first laundering?

Much of the success or failure in laundering synthetics fibers lies in following directions given by manufacturers. Read your label carefully before buying if you want to be sure you can launder the fabric at home. Follow directions given. Your label may say something like this:

"Handwash." Specific directions may be given. In this case, the fabric cannot be handled carelessly or washed in a tub with strong soap and very hot water.

"Wash at home or in commercial laundry with careful methods."

"Can be washed in commercial laundry with ordinary methods."

"Color fast." Homemakers should be able to wash this with regular laundry if she is sure of the reputation of her dealer and manufacturer.

Labels should tell you what the fabric is, how to handle it, and what you can expect from it in the way of service. Look for a good descriptive label when you buy.

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

An issue is before this session of Congress that affects the welfare of every business, on every job. But because real issue will probably be obscured by so much political propaganda, it is perhaps well to discuss bare, brutal facts.

The issue is briefly this. While the United States government, with a debt of almost \$300 billion, has long been in debt to its own citizens, now for perhaps first time in this century, U. S. is a debtor nation.

In the last two years, due to almost unrestricted foreign imports into this country and to tariff barriers against U. S. goods existing in foreign nations, the U. S. has a \$7.4 billion trade deficit.

Not a small part of this situation has been created by about \$70 billion hung around the world in all kinds of so-called foreign aid schemes.

In other words, the more dollars that are shipped out of this country on one pretext or other, without a commensurate flow-back of currencies, goods, or other items of value, the deeper U. S. gets into debt to the rest of the world.

This is a serious situation. In the New Deal days when heavy government deficit spending created considerable concern, even though government expenditures in those days were peanuts compared to present level, official story was "the debt is of no consequence as it only represents what we owe to ourselves."

Without commenting on the soundness or unsoundness of this position at that time, it is significant that there is a great difference when a government owes its own people, and when it owes foreigners. For one thing, citizens must abide by whatever fiduciary snagging is dreamed up.

But foreign central banking systems have decided they would rather have American gold than American dollars, with the result that the U. S. gold stocks have been depleted by almost \$5 billion by these foreign banks exchanging dollars for the yellow metal.

But it is illegal for any American citizen to have any gold reserve.

The problem is complex. Some government economists feel that the easiest way to handle the situation is to increase taxes.

Then there are some who feel solution is to stop foreign aid, reduce government spending and employment, and also protect American business and labor from the predatory attacks made by dumping onto U. S. shores of goods made with cheap foreign labor.

This latter group may or may not turn out to be a voice crying out in the wilderness. It is quite interesting, if not ironic, that Japan, a recipient of large sums of the foreign give away schemes, has not only turned in a lot of dollars for U. S. gold, but is still embarrassed by a surplus of American dollars. It is perhaps fitting to observe that no one hears anything more about that song rushed out right after Pearl Harbor by Tin Pan Alley which was titled "You're a Sap, Mr. Jap."

THE TRUTH
JOHN 8:32

"Ye shall know the truth, and the truth shall make you free." These words of Christ were directed to people that were living in the bondage of sin. The words of Christ (His doctrine) is the only remedy for the sins of people because His words are truth. John 17:17.

Let us not be too concerned with the doctrine of men, but let our concern be with a "Thus saith the Lord."

science of agriculture, these Future Farmers are striving to continuously improve this great industry for the welfare of all citizens.

Texas now has 900 active FFA chapters with over 36,000 active members and more than a quarter of a million former members. During the past 31 years the Texas Association, FFA, has performed valuable services to our state by developing leadership, encouraging cooperation, promoting good citizenship, teaching sound methods of farming, and inspiring patriotism among its members.

THEREFORE, I, as Governor of Texas, do hereby designate the week of February 20 - 27, 1960, as

FUTURE FARMERS OF AMERICA WEEK

in Texas, and urge all citizens to give recognition and encouragement to these young men who are preparing for careers in agriculture.

In official recognition whereof, I hereby affix my signature this 8th day of Jan., 1960.

(Seal-Signed)

PRICE DANIEL,
Governor of Texas.

More Hunters Buy Licenses During 1958-59

Austin, (Spec.) — Texans bought 448,184 hunting licenses and 825,729 fishing license in the 1958/59 season, according to figures just released by the fiscal director of the Game and Fish Commission.

This was an increase of 22,640 hunting licenses, and an increase of 55,862 in fishing licenses sales over the previous year. Harris County was in the lead in the sale of both hunting and fishing licenses, and more than a million population in the Houston area bought 59,942 hunting licenses, and 99,672 fishing licenses. Dallas County was second with 34,546 hunting licenses and 54,812 fishing licenses. Tarrant County showed the greatest percentage of increase in both hunting and fishing license sales, jumping from 17,858 in 1957/58 to 19,669 hunting licenses in 1958/59, and 53,776 in 1957/58 to 56,893 fishing licenses in 1958/59.

A breakdown of the total sales shows that approximately 42% of all hunting and fishing licenses in Texas were bought in the nine top population counties. The lowest sale in the large population counties was

Now that the waterfowl season has come and gone, here I am reading about ducks and geese. Wish I had done so earlier.

If I had read Albert M. Day's book on the **North American Waterfowl**, before the hunting season opened, I would have had a better understanding of the waterfowl problem.

Albert M. Day is a former director of the U. S. Fish & Wildlife Service. He is a top conservationist. In fact, I suspect he is better informed on the entire waterfowl problem in North America than any other living man.

It is interesting, because Albert Day grew up on a Wyoming ranch. That state is in the Central Flyway, which means that when he was a boy, he shook hands with most of the ducks before they left for Texas.

A very long paragraph, on the first page of his book, pinpoints the main problem with our wildlife restoration program today.

He tells of attending a waterfowl conference in a western state, and quotes one of the old-timers present as saying:

"I represent the Pioneer Association, the oldest organization in the state. My father was one of the first children born in this territory and I have lived here all my life. I know from my own experience and stories that have come to me from many of the old pioneers that something is wrong with the present system of managing waterfowl. When the Federal Fish & Wildlife Service cut the season to 30 days, and the daily bag limit to four ducks . . . the lowest in the nation's history . . . they admitted their inability to manage migratory waterfowl. When we could use feed and have live decoys there were plenty of ducks in this area. The birds were fat, they remained for a long period. Since feeding and live decoys were prohibited, the duck life has steadily decreased. I condemn the Fish & Wildlife Service for prohibiting these fine sporting practices. They have completely ruined our duck hunting."

There exists in Texas today the same kind of arm-chair biologist, who can tell us what the trouble is, just as this man did.

Many of you can remember when the limit of ducks was 25 daily. You killed your limit day on end, with shotgun shells that cost 75 cents a box.

Chances are you also kept live decoys and you shed a bitter tear when they were outlawed. You were positive that this action had ruined duck hunting.

It took hunters a long time to realize that the reverse was true. If controls had not been put on waterfowl hunting, ducks and geese would be gone today, just like the wild pigeon.

This Albert Day book is recommended reading for anyone who has hunted or ever will hunt waterfowl.

There's another book worthy of your attention too. It's the 1960 issue of the **Gun Digest**, edited by John Amber. This is the 14th annual edition.

Not only is the **Gun Digest** interesting but it packs a tremendous amount of information about all the guns on the market today. In fact, it is one of the most important reference books for shooters and dealers.

If you don't believe this, just walk into any gun store and you'll find a well-worn copy of the **Gun Digest** right by the gun case.

This particular issue was most interesting because of the articles concerning various developments in guns and ammunition. One article which especially appealed to me was on the passing of the double-barreled shotguns. I had been watching this trend for some time, as more and more manufacturers dropped out of the picture.

There was a time when the double gun was THE gun. It came from many famous old makers. Remember the Parker and the L. C. Smith? Both are collector's items today. Another famous old double was the Ithaca. It too has been dropped from the list.

Several years ago Remington quit the double-barrel market. Then Winchester discontinued its doubles, one by one, until today only the model 21 is made by that firm. And it is a custom job with the price starting at \$1,000.

Today, we still have a double gun made by Savage, in both the Fox line and the Setvens line. And there is a new one on the market by Noble.

But that's it, with the exception of the over-under by Marlin. It is the only o/u gun now made in the United States. However, we do have some outstanding imports.

It is interesting to note what has happened to the shotgun market. Makes one realize that we are in a changing world.

In El Paso, where 3,251 hunting licenses were bought in each of the two years. On fishing licenses the number decreased from 844 in 1957/58 to 695 in 1958/59.

Borden County had the fewest hunting licenses, with only 8 sold in 1958/59. King County reported no fishing licenses sold in 1958/59.

Licenses are required for all persons between the ages of 17 and 65 hunting or fishing outside their own county, or fishing with a winding device. The resident hunting license sold for \$3.15; non-resident, \$25.00. The fishing license sells for \$2.15 for either resident or non-resident. The increase in hunting license sales was attributed to the increase in game population in the state last season.

Type Or Print Your Name On Tax Return

Failure to type or print information on that Federal income tax return for 1959 could cost you a lot of money.

This word came today from Virgil W. Newman, of Internal Revenue Service, Brownwood.

"Right here in this area hundreds of taxpayers had to be located last year so Uncle Sam could pay them refunds amounting to several thousand dollars. This business happens every year," Mr. Newman says, "because people either don't write legibly or they move to new addresses and neglect to leave forwarding addresses with their postmasters."

Mr. Newman said that Revenue is using more electronic devices than ever this year to speed work, but hurriedly scrawled numbers such as 1 and 7 and carelessly closed loops in letters e, l and f, often short circuit the entire IRS production line.

"So type or print your return and notify your postmaster of your new address if you should move. These simple precautions will save everybody lots of time and money, Mr. Newman said.

Questions And Answers About Social Security

Question: When I had my accountant prepare my 1959 income tax return, we discovered that my social security account number had been given incorrectly on my tax returns for 1956, 1957, and 1958. I have never been requested to furnish my correct number. Have I received credit for my self-employment income for those years?

Answer: You should obtain a postcard form OAR-7004 to complete and mail to the Central accounting office of the Social Security Administration. You will be mailed a statement of your account. If no earnings are shown for 1956 or 1957 or 1958, you should contact your local Social Security Office and present your tax returns and proof of payment of your social security tax so that your account can be credited with

your income.

Volunteers Are Needed For American Heart Sunday Collection

Dr. Paul Dudley White, world-famous American cardiologist and a founder and former president of the American Heart Association, calls the heart diseases "one of the largest epidemics in medical history."

The American Heart Association labels them the nation's Number One health enemy.

The latest annual figures on U. S. Deaths from all causes, compiled by the National Office of Vital Statistics, present the cold, hard facts behind both of these statements. They show more than 894,000 Americans died of the cardiovascular diseases. This is 54 per cent of all deaths from all causes during the one-year period.

Comparatively, the heart diseases took three and a half times as many American lives as cancer, nine times as many as accidents, fifteen times as many as pneumonia, 33 times as many as diabetes, 48 times as many as suicides or as cirrhosis of the liver, and almost 75 times as many as tuberculosis.

These facts present the soundest reason why you should give your fullest support to the annual Heart Sunday collection which will be conducted here on February 28 by the Mills County Heart Association of the American Heart Association. With the help of Heart Fund dollars, your Heart Association carries on a three-part program of research, education and community service which has saved thousands of hearts in recent years.

The Heart Association needs our dollars if more lives are to be saved and if the heart problem is to be controlled. But it also needs the help of some of us as volunteers—particularly for the Heart Sunday house-to-house collection on February 28—to help conduct this vital campaign.

If you can spare two to three hours to visit a dozen of your neighbors on Heart Sunday, or if you can find other free time between now and the end of February to contribute to this important fight, let your Heart Association know now. Phone

Mrs. Lee Roy Stacy, Mission 8-3374. You will be actively combating the greatest threat to you family's health and security.

Cancer Group Meets Thursday

Mills County Unit of the American Cancer Society met in regular monthly session, last Thursday night at the American Legion Hall. J. D. Harper, president, presided. Present were committee chairmen, members of the board of directors, and Steve Romanovsky and Dudley Hafner of the state headquarters at Austin.

Harper reported on a regional meeting in San Angelo which he, Mrs. Lee Roy Stacy, Mrs. V. C. Bradford and Mrs. Raymond Summy attended February 11. Theme of the San Angelo meeting centered around the coming crusade sponsored by the society. Mrs. Stacy also reported her impressions of the San Angelo meeting.

Hafner then presented a slide series on "Faces of Cancer Control." People in the state of Texas were presented who have been helped by the American Cancer Society program, were interviewed; doctors now working in cancer research told of their efforts; a newspaper reporter told of visiting the Anderson Cancer Hospital in Houston, and his impressions of the patients.

Eagles And Eaglettes Complete Basketball Season Tuesday Night

The Eaglettes and Eagles met the Burnet teams on the local courts Tuesday night for the final conference game of the season, with the first game beginning at 7:00 p. m. In the girls game the score was 36-34 in favor of Burnet. Janell Jernigan was high for the Eaglettes with 14 points.

In the boys game Burnet defeated the Eagle by a score of 70-36 with Tom Graves and John Burdette tying for high man with 12 points each.

SANTA ANNA, LLANO GIRLS MEET IN PLAY-OFF HERE

Friday night (tomorrow) at 7:00 p. m., the Santa Anna girls will meet the Llano girls in the Goldthwaite gymnasium for a chance to win the district championship title. According to the coaches this will be a very interesting game and will be the last game of the season. The Eagles and Eaglettes finished their conference play Tuesday night when they both lost to Burnet. The Goldthwaite girls finished in third place in the district rating.

EAGLES WIN, EAGLETES LOSE NON-CONFERENCE GAME WITH DE LEON

In a three minute overtime play last Thursday night, the Goldthwaite girls basketball team lost to the De Leon girls by a score of 43-41 on local courts. Maria Eubank was injured during the second quarter of play and was not able to play the remainder of the game.

or to play in the last conference game here with Burnet Tuesday night. Janell Jernigan played a remarkable game, according to Coach Williams. Jernigan was high point girl for the Eaglettes with 21 points, Eubank 8, Todd 5, Sears 4 and Edington 3. Gall Featherston, Johnny Elliott, Judy Gotcher, Pam Berry and Kay Jackson played their usual good game at guard.

High point girl for De Leon was Franko with 25 points, Gamblin 8, Qualls 6 and Upshaw 4.

The Goldthwaite Eagles defeated the De Leon team by a score of 54-51 with Graves being high for the Eagle with 17 points, followed by a tie between Burdette and Wilkins with 11 each, Starks 10 and Head 5. Morgan was high for De Leon with 21 points, West 16, Freeman 3, Sharps 4 and McInnis 6.

More Telephones In Goldthwaite

A 5.6 increase in telephones in Goldthwaite in the last twelve months was revealed today by A. J. Lacy, Division Manager, for The Southwestern States Telephone Company.

At the end of December, 1958, there were 677 telephones here. That compares with 715 telephones at the end of December, 1959.

"This is a sign of continued growth of the community," the division manager commented. In comparing the number of telephones with past years, he said that at the end of 1949, there were 489 telephones here and at the end of 1959, there were 715 telephones.

Local Man's Car Stolen Wednesday

F. D. Spradley, Sr., had his car stolen last Wednesday afternoon on the highway at Big Valley. He had gone to the pasture to feed his stock, leaving his car parked on the highway. Lesley William Wagner and Melvin Ryan Moore, both runaway boys from Dallas, driving a stolen car from Terrell, took Mr. Spradley's car and overturned it a few miles farther on a dirt road.

Sheriff C. F. Stubblefield was notified and the boys were taken into custody at Llano. Stubblefield brought the boys back here, releasing them to the officers from Terrell the next day. The car was also released to the preacher from Terrell, from whom it was stolen, according to announcement by Sheriff Stubblefield.

Girl Scouts To Start Seventh Annual Cookie Sale This Friday

"It's Cookie Time again!" Beginning February 19 and continuing through February 27 our local Girl Scouts will participate in their Seventh Annual Cookie Sale," Mrs. Johnny Head, Girl Scout Cookie Chairman for Goldthwaite, announced today.

"This is a project BY and FOR the Girl Scouts and it affords every Girl Scout an opportunity to assume responsibility while practicing sound business methods. The girls will not only add to their own Troop treasury, but will add the Heart of Texas Girl Scout Council, of which Goldthwaite is a member, in bringing better camping to more girls.

"We are again asking the support of friends of Girl Scouts," Mrs. Head continued, "in making this Annual Sale the

best yet. Through proceeds of the Annual Cookie Sale, it is possible for us to have a camping program second to none for girls of our Council.

"Our goal for 1960 is to have every Brownie, Intermediate and Senior Girl Scout participate in the sale.

"Troop leaders have been busy for the past month in giving proper training to the girls on approaching people to make a sale, on the importance of good grooming in meeting the public, and in learning to handle a simple business transaction. This is indeed citizenship training in practice.

"The success of the Cookie Sale is vital to all of us," Mrs. Head said, "and through the sale our daughters and all other Girl Scouts will benefit."

Rev. J. T. Ayers To Preach Sp. Revival At Evening

The First Baptist Church will begin its Revival Sunday, February 28, and will continue the revival through February 29. The revival will be held each night from 7 o'clock. Rev. J. T. Ayers, pastor of the First Baptist of Gatesville, will be the guest preacher.

Everyone has a special invitation to attend, according to Rev. Keith Roberts, pastor of the church.

TRIO IN PAYOLA HARMONY—Two disc jockeys and a music librarian employed by a Cleveland radio station are shown in Washington as they prepared to appear before the House Subcommittee on Legislative Oversight, investigating payola and other alleged broadcasting practices. They are (l. to r.): Wes Hopkins, a platter spinner; Charles Young, librarian, and Joseph Finney, disc jockey. They said they had received payment from a music record distributor as "consultants." All three insisted they had broken no laws and admitted they had accepted fees as "experts."
