Park Maintenance Fund At \$844 As Contributions Keep Coming In

The park maintenance fund was boosted by \$102 during the past week with 10 more interested citizens making their contribution, according to report Tuesday morning from W. P. Duren, park board chairman, and Ray Duren, maintenance fund drive chairman.

This brings the total to date to \$844, contributed by 82 interested citizens in Mills County.

Sixty-three contributions are for the suggested amount of one dollar per month, or \$12 for the year. A limited number are paying on monthly, quarterly or semi-annual basis. Total contributed by the 63 is \$756.

Nineteen others contributed \$88 to the fund.

The following contributed during the past week and are added to the honor roll of 72 names published last week.

- Sherwood Owens
 - Charley D. Swindle
 - E. F. Jackson
 - Raymond Summy
 - Mills County Locker
 - Worley W. Laughlin
 - George A. Ellis
 - Truett Auldridge
 - R. M. Robertson
 - Wesson's Western Auto
- The committee is still working and hoping to enlist enough interested citizens to support the park maintenance fund to raise \$1200. That will enable the park board to employ a caretaker on a year around basis.

Letters were mailed out four weeks ago to 400 citizens in Mills County soliciting their support for the fund. The committee feels that a good number of interested parties who have not made their contributions yet still plan to do so.

Checks should be made out to the Park Fund and presented to a member of the committee or they may be turned in at Mills County State Bank.

Dr. M. A. Childress this week announced the association of C. G. Cruzcosa, Jr., physician and surgeon, with the staff of Childress Clinic and Hospital in this city.

DR. C. G. CRUZCOSA, JR.

Dr. Cruzcosa started his duties at the clinic and hospital Monday morning.

He and Mrs. Cruzcosa and their two sons, Catalino "Cris," 3, and Mike, 2, moved here last week Wednesday from Wichita Falls where they have resided for the past 21 months. They are making their home in the former Charlie McLean home on East Fourth Street.

Mrs. Cruzcosa is the former Carol Anne MacArevey of Albany, New York, where her parents still reside.

Dr. Cruzcosa is a native of the Philippines and has been in the United States since 1953.

He graduated with M. D. degree from the University of Philippines in Manila in 1953. From 1953 to 1954 he interned at St. Peter's Hospital in Albany, New York. He then had four years of residency work. Two years at St. Francis Hospital, Trenton, New Jersey, and two years at Good Samaritan Hospital in Cincinnati, Ohio, with the last year as senior resident doctor.

For the past two years he has been with Wichita Falls Clinic and Hospital as surgical preceptee. He has also done post graduate work on Surgical Anatomy at the University of Ohio.

Dr. Cruzcosa was licensed in January to practice medicine and surgery in Texas and is presently a candidate of the American College of Surgeons.

His father is a retired surgeon living in Manila, Philippines and he has a sister who will graduate as M. D. in June. She plans to intern in the Philippines.

Mills County Farm Bureau Annual Membership Drive Now In Progress

Mills County Farm Bureau began their annual membership drive with a kick-off supper at the Legion Hall Monday night. Approximately 44 workers, com-

Shivers gave a very interesting discussion on the advantages of belonging to Farm Bureau and the benefits derived from being a member, and along with his talk showed posters pertaining to Farm Bureau. J. D. Jordan of Mason, Area Representative, gave a short talk on the membership drive.

After talks by the two speakers, Mr. McCasland presided during the business meeting. The four precinct chairmen then called their workers together and each outlined the needs and ways of contacting prospects for membership in Farm Bureau.

This year the Mills County Farm Bureau has set its goal for a quota of 250 members. The Farm Bureau was organized in Mills County in 1947 with 26 members. In 1958 the enrollment was 144 members and in 1959 it had reached an enrollment of 192.

Tuesday night, March 22, Murry Cox of Dallas will meet with the Farm Bureau at the High School auditorium where he will show slides of some of his farm tours. Everyone is invited to attend this gathering, according to Mr. McCasland.

graded by Thad Boswell of Cassidy Commission Company. The lambs will be shipped immediately after the grading Saturday. Boys and their advisors and sponsors will go to Fort Worth on Sunday afternoon and the lambs will be sold on Monday. The group will tour the stockyards, packing plants and other points of interest and return home Monday evening.

The commercial lamb feeding program is sponsored in Mills County by the Goldthwaite

Lions Club and the Mills County Livestock Raisers Association. Committees in charge of the sponsorship are: Lions Club, Truett Auldridge, Charles Conrad and Hubert Berry. Livestock Raisers, R. L. Steen, Norman Duren and Glynn Collier.

The lamb luncheon Saturday is sponsored by Blackwell Wool and Mohair Company and Sam H. Rahl and Company, warehouses.

FFA and 4-H boys will be guests of Fort Worth Stockyards Company and Cassidy Commission Company for their hotel stay in that city.

The three meals for the boys while out of town will be provided by the Goldthwaite Lions Club, Mills County Livestock Raisers Association and Mills County State Bank.

Adult advisors and sponsors will take care of their own expenses on the trip.

Forty-five boys took part in the lamb feeding program this year with approximately 800 lambs.

On Cancer Education Shown At Lions Club Meeting Tuesday

Harper, president of the County Unit, American Cancer Society, presented the program at the Tuesday night Lions Club meeting in the Legion.

Harper made introductory remarks about work of the unit in Mills County, the drive for the coming up in April and need for films on cancer education.

year. Those appointed were, Houston Duren, Charles Conrad and Jesse Moreland.

Norman Duren was named to represent the Lions Club on the high way safety committee with representative from the HD Club and Farm Bureau in sponsoring an Adult Driver Training Course.

Advisors and the number of boys and lambs are as follows. Ag teacher Jim Steakley, Star, 11 boys with 231 lambs. County Agent George Reese, eight boys with 65 lambs. Ag teacher J. D. Franklin, Priddy, five boys with 37 lambs and Ag teacher Thurman Head, Goldthwaite, 21 boys with 194 lambs.

Dividend Days At Moreland Feed

A customer "thank you" event is in progress this week at Moreland Feed Store, according to Jesse Moreland, operator of the establishment.

Known as "Dividend Days," the store is featuring nationally known brands of appliances to be given with Wayne Feed purchases during the week. Some of the items, such as electric clocks, percolators and steam irons are on display in the store now.

Dividend Days will run through Saturday of this week.

Goldthwaite Boys To Take Part In Tarleton Track Meet

Goldthwaite will be among the 39 high schools that have entered the Ninth Annual Tarleton Relays scheduled there Saturday, March 19, according to announcement by Coach Johnny Dunn, director of the relays.

Three Goldthwaite boys will participate in the second division schools in the 2A, A, and B Class. Masonic Home is the defending Champion in the second division. Five records fell in the relays last year with some of the outstanding prep-school trackmen in the state competing, announced Mr. Dunn.

PRACTICE MEET HERE TODAY

Coach Jackie Williams announced that there will be a three-way practice meet here today (Thursday) at Eagle Field at 3:00 p. m. Schools competing in the practice will be Lometa, Mullin and Goldthwaite.

Mr. and Mrs. C. J. Anderson Sr. of Austin visited her parents, Mr. and Mrs. George W. Hill, Sunday.

VIC'S . . .
SOLILOQUY

OUR NEW DOCTOR—Welcome to Goldthwaite, Dr. and Mrs. C. G. Cruzcosa, Jr., and sons Catalino "Cris" and Mike. We are glad you are here and we hope you will like it and that your stay will be most pleasant and for a long time.

The announcement by Dr. M. A. Childress this week of the association of Dr. C. G. Cruzcosa, Jr., with Childress Clinic and Hospital as physician and surgeon, is indeed good news for Goldthwaite and Mills County.

Elsewhere in this issue you will find news story and announcement telling about Dr. Cruzcosa joining the hospital and clinic this week.

There has been a definite need for a surgeon since the new clinic and hospital was opened by Dr. Childress a year ago.

With the addition of a surgeon to the staff that need will be met.

Now the surgery will be equipped and a wide range of additional services will be available to residents of the city, county and surrounding area.

We congratulate Dr. Childress and members of his clinic and hospital staff on the progress that has been made during the past year.

With the addition of a surgeon to the staff there comes also the need for additional beds in the hospital.

During the past year the hospital has been filled to capacity most of the time, with patients overflowing into spare rooms which are normally used for doctors' offices and consultation rooms.

With additional patients that will result from surgery being available the need for more beds becomes even greater.

This means only one thing—the hospital will need additional rooms—an extension providing rooms with 10 or 15 more beds will have to be added.

APPRECIATION—From the Heart Of Texas Girl Scout Council comes the following letter: "We want to express our appreciation and thanks for the fine cooperation you gave the Girl Scouts during our recent Annual Cookie Sale. It is through the support of organizations such as yours we are able to broaden our interpretation of Girl Scouting in the community.

"We think camping is an integral part of the Girl Scout program and through our Annual Cookie Sale, we are able to provide camping facilities as well as offering campership incentives to all Girl Scouts within our Council.

"Thank you again for the part you played in making our 1960 sale the best ever."—Mrs. Ray A. Hoyle, Executive Director.

☆☆☆

ENOUGH SAID—A blushing young woman handed the Western Union clerk a message containing only an address and the word "Yes."

"You know you can send fifteen words for the same price," said the man helpfully.

"I know, but don't you think I'd seem too eager if I said it fifteen times?"

☆☆☆

MISSED THE OLE BIRD—The following telephone message came from Mrs. Walton Daniel the day after the paper came out last week.

"We failed to get the 'Ole Bird' this week. When it comes every week on time you think nothing about it, but, let it fail to come and you really miss it. We all enjoy the Eagle. I'll come by and pick up an extra copy today."

☆☆☆

CAN'T DO WITHOUT IT—"Will send the four dollars for the Eagle, just can't do without it. I'm always looking forward to getting the news from Mills County."—Mrs. Otto Lippe, Route 2, Elfton, Texas.

LIKE NO LONGER BACKS | SOME HELP FOR BENSON FARM PROGRAM | SEEN IN NEW ST

By HENRY CATHCART
Central Press Association Washington Writer

WASHINGTON—With President Eisenhower's conservative support, his administration is now in the process of trying to maneuver its position on the farm program. It will help, or at least not hinder, the presidential candidate Vice President Richard M. Nixon.

Significantly, it marks the first time that the President actively supported the position of the Secretary of Agriculture, Ezra Taft Benson, the administration's inner pulling and tugging over the farm program.

The tip-off came in Eisenhower's farm message to Congress which was more conciliatory in tone than previous ones of this sort. In effect, the President it up to Congress to find some way out of agricultural woods which has seen huge piles pile up and depress prices over the country.

Mr. Eisenhower called for construction and promised to approve it. But the formula up to Congress.

The play apparently will go something like this: Republicans will propose a low support program coupled with sharper acreage restrictions on government crop payments to individual farmers. Democrats, in control of Congress, will reject it, and President, in turn, will reject any plan the Democrats are able to put through Congress.

Nixon will thereby be able to go into the political campaign next fall with the claim that the Democratic majority Congress cannot pass an acceptable farm program, which, tally, under present political conditions, is true.

● **FREE MAIL**—For many years, Congressmen and Senators have had free mailing privileges. A facsimile of their signatures printed on their envelopes where stamps usually are affixed sufficient to get their mail prompt attention and delivered.

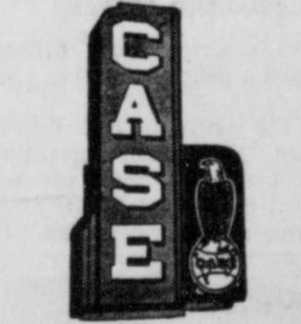

This privilege is supposed to be reserved for official use, but many have resorted to the money-saving device of using the envelopes for personal and campaign mail. It's illegal, not much is ever done about it. After all, what post-office official wants to snoop into a legislator's mailings?

But during the last two years two new and distinguished signatures are appearing as the franking mark of the President. They are Harry S. Truman and Herbert C. Hoover.

The two living former Presidents are the first in American history to be granted free mail privileges. Congress passed such a law in 1958 in recognition of the personal expense of the volume of mail which they handle to Americans in all walks of life.

In the same law, former Presidents were given \$25,000-a-year pension and a \$50,000 account annually for a life, as well as free office space in a building of their choice. Hoover, independently wealthy, accepts the franking privilege but not the pension, Truman, who has no independent income, accepts both.

GHS Junior Class To Present Comedy, "Shy Guy," March 25-26

The Goldthwaite Junior Class will present the comedy, "Shy Guy," in the High School Auditorium, March 25th and 26th at 8:00 p. m.

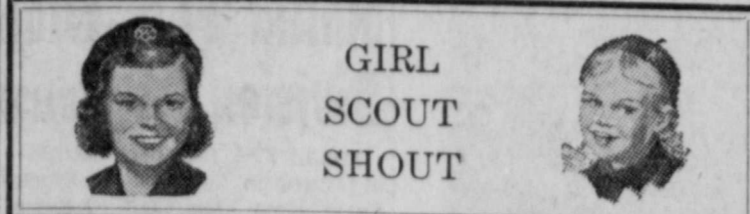

When Fred Hastings spends more money than his parents believe he is earning, when his friend Larry Madison attempts to get his chum out of hot water, and when an eccentric little lady of eighty decides to play football, any attempt at trying to preserve the sanity of other casual observers becomes futile.

Fred's mother, Cora, is planning a birthday party for Fred's girl, Nancy, but when two strangers, beautifully feminine, appear, in the persons of Gloria Patterson and Lois Corwin, the plot thickens, indeed. Fred is doomed; his job as model for Glamour Girl Cosmetics is about to be revealed. But leave everything to Larry, Larry insists. Gilbert Hastings, Fred's father, is furious when he learns of Fred's modeling job. Nancy isn't sure how she feels about it; Julie Tucker's chief concern is being able to keep the puppy Larry has bought for her on the installment plan. And that's when Melinda Whipple, that wiry bundle of energy, eight years strong, appears.

The members of the cast are: Fred Hastings, Jerry Stanford; Cora Hastings, Linda Faulkner; Gilbert Hastings, Sam Stubblefield; Nancy Graham, Patsi Ruth Miller; Larry Madison, Jimmy Ward; Julie Tucker, Judinell Benningfield; Gloria Patterson, Marilyn Long; Melinda Whipple, Ellagene Saylor; Lois Corwin, La Jauna Denman; Mr. Danbury, Jimmy Smith; Bill Sterling, Glen Tabor. Mrs. George Reese is the director.

DUREN SINGING

There will be "Singing" at Duren church Thursday night, March 24, at 7:30 p. m. Everyone has a most cordial invitation to come and enjoy the singing and fellowship.

GIRL SCOUT SHOUT

By MRS. HOUSTON DUREN

Girl Scout Week, March 6-12, began Sunday with the girls attending the Church of Christ as a group, where we received a most cordial welcome.

Monday afternoon, Mrs. Johnnie Head, Cookie chairman, met with the Troop leaders for the final Cookie Sale report for this year. The Goldthwaite Girl Scouts sold a total of 756 boxes of cookies, or \$378.00 in cash. Of this amount, \$37.80 remains in our own troops and \$170.10 goes into the Camp Woodlake Maintenance Fund. The remaining \$170.10 goes to pay for the cookies.

The following girls sold 20 or more boxes of cookies: Faylene Smith, Carolyn Kelly, Tylenne Smith, Vicki Mosier, Frances Hammond, Cindy Head, Jan Moreland, Judy Dalton, Linda Featherston, Linda Yarborough and Judinell Benningfield. Each of these girls earned a \$5.00 Campership to Camp Woodlake, for selling 48 boxes of cookies: Roberta Childress, Wynona Wasserman, Phyllis McAden, Judy Gotcher and Danna Thorne.

Saturday, March 12, was the 48th Anniversary of the founding of the Girl Scout Organization in America. The Girl Scout Organization has grown to more than 3 1/2 million girl members and more than 700,000 adult leaders, who are trying daily to live up to their Promise to Do

Their Duty to God and Country, to help other people at all times, and to live by the Girl Scout Laws of Loyalty, Honesty, Courtesy, Cheerfulness, Usefulness, Kindness, and Helpfulness to others.

We invite you to have a share in Girl Scouting by lending us your moral support, and by encouraging more girls in our community to take advantage of the opportunities offered in the Girl Scout Program. It isn't an easy job to be a Leader of a Girl Scout Troop, but it is one of the most rewarding things you can ever do. We would encourage more adults to consider Girl Scout work your opportunity to help build better citizens for the future.

TROOP MEETING REPORTS

Brownie

Troop 7 (2)—These Brownies began making plans for the Girl Scout Banquet, which will be our next community event. Cheryl Hudson, reported also that they had a new Brownie, Melissa Ann Humphries, who met with them for the first time, Tuesday.

Troop 4 (3)—Mrs. Eric Looney, the leader, brought her camera to last Thursday's meeting, and everyone had fun as they made pictures for their Troop Scrapbook.

Troop 9 (4), discussed plans for the coming Banquet when they met Wednesday.

Intermediate

Troop 3 (5 & 6) are still busily working on Badges. They started two new Badges Thursday afternoon: Outdoor Cook badge from "Fun in the Outdoors" field, and the First Aid badge from the "You and Your Home" field.

Seniors

Troop 8 (10), met for a short business meeting Friday afternoon.

Mills County HD Clubs Hold All-Day Meeting

Mills County Home Demonstration Clubs met in the Mills County Youth Center Tuesday, March 8 for an all-day meeting, with Mrs. A. D. Harville and Mrs. Charlie Hall hostesses.

At the noon hour a covered dish luncheon and "Grab Bag" was enjoyed by about thirty members. In the afternoon a very interesting program was presented.

Next meeting will be Tuesday, March 22, with Mrs. S. P. McCasland and Mrs. J. H. Hale hostesses. Miss Annie Laurie Petsick will be guest speaker and all members are urged to be present.

WWI BARRACKS TO MEET MARCH 18

TODAY'S Menu

Three Hearty Dishes Star Franks And Kraut

By ALICE DENHOFF

THERE has just been a special week dedicated to that steady-going twosome, franks and kraut. Our contribution to this happy, hearty twosome is a pie that is an adaptation of the famous Quiche Lorraine of France, but much easier to prepare.

Egg Pie
To make 1 (9 in.) Kraut Frankfurter Egg Pie, drain 2 c. kraut and combine with 1 lb. frankfurters, sliced, 3 beaten eggs, tsp. salt, 1/4 tsp. pepper, 1 medium-sized, finely-chopped onion; mix well.

Turn into 9 in. unbaked pastry shell. Sprinkle with 2 tsp. grated Parmesan cheese. Bake for 40 min., or until set, at 375° F.

Next, a tangy casserole to serve 8.
Combine 3 1/2 c. drained kraut, 1/4 c. chili sauce, 1/4 c. chopped parsley, 1 crushed garlic clove, 1/2 tsp. dehydrated minced onion, 1/2 tsp. salt and 1/4 tsp. pepper. Mix well.

Add Franks
Dice and add 1 lb. frankfurters. Mix well.

Arrange half of kraut mixture in greased 2 qt. casserole. Top with 4 oz. Mozzarella cheese, sliced.

Add remaining kraut mixture and top with 4 oz. more of the sliced cheese.

Bake at 350° F., 25 min.

Hearty sandwiches next, nice for luncheon or supper or for that substantial snack demanded by teen-agers at all hours.

Combine Ingredients
To serve 6, combine 2 c. drained kraut, 1/2 c. prepared mustard, 1 c. grated Cheddar cheese, salt and pepper to taste, mixing well.

Split 6 frankfurters in lengthwise halves without cutting all the way through.

Split 6 frankfurter rolls in halves and place frankfurters on rolls.
Broil 3-4 in. from source of heat 5-6 min.

Mrs. John G. Berry To Be Listed In "Who's Who Of American Women"

Mrs. John G. Berry of Goldthwaite, has been notified that she will be listed in the new edition of "Who's Who of American Women."

This book is now being compiled in co-operation with the Women's Archives of Radcliffe College. The issue includes life sketches of each woman.

Mrs. Berry is a member of the First Methodist Church of Goldthwaite and is organist of the church, having served in that capacity without remuneration for 50 years. She is very active in civic affairs. In addition to her church and civic works she is an ardent Garden Club member. She was organizer of a Garden Therapy program of rehabilitation through horticulture in Texas State Garden Clubs, Inc., and National Council of State Garden Clubs for the physically disabled.

Among the most important and interesting phases of the five disabilities areas of service to Mrs. Berry, in the therapy program was the establishment of the Ada Denison Hooks Memorial Braille Library for the Blind in Texas.

At present Mrs. Berry is co-editor with Mrs. Mary Alice Combs, O. T. R., Austin, in

writing a Garden Therapy Manual, giving the procedure and treatment of the handicapped through horticulture.

Community News From Mullin

By MRS. JOHNNIE HOLLAND

The weather is the big news at Mullin now, but I had rather have the kind we are having than to have the March winds and sandstorms. I was reared in De Leon, where the sand really blows, and I can't say I like it.

Miss Thelma Casey of San Angelo and Mrs. Glen B. Waggon and sons, Chuck and Phill, of San Antonio, visited here last weekend with their parents, Mr. and Mrs. S. M. Casey.

Mrs. Ollie Lee Holland, Mrs. Jimmy Holland, Joe and Lark, all of San Angelo, were last weekend visitors with Mrs. Jessie Reed. They also visited in the Johnnie Holland home Saturday afternoon.

Connie Carmichael, who is with the U. S. Navy, stationed in California, is here for a visit with his mother, Mrs. J. B. Harper, and family.

Owo. Herbert Rothwell, who is just home from overseas, was in Mullin last weekend. His mother, Mrs. Lou Rothwell, who has spent the winter in Washington with her other son's wife, also arrived in Mullin Saturday afternoon. Mrs. Rothwell did not know Herbert was home from overseas, and Herbert did not know his mother would arrive in Mullin Saturday afternoon. "God works in mysterious ways His wonders to perform," Jimmy Rothwell is also serving overseas.

Bert Lowe of Brownwood was a Mullin visitor last Wednesday.

Miss Artie Mozler has been visiting in Coleman with Mr. and Mrs. B. O. Musgrove. She also visited at Denton and Fort Worth with relatives.

Mr. J. E. Phillips made a business trip to Council Hills, Oklahoma, recently.

Mr. and Mrs. S. J. Casey of Dallas visited here last weekend with Mrs. L. J. Vann and Mrs. Jewell Ivy. They also visited with Mr. and Mrs. S. M. Casey.

Funeral services were conducted last Wednesday afternoon from Coggin Avenue Baptist Church in Brownwood for Mr. J. C. Fisher. Mr. Fisher was a brother of Mr. Sam Fisher and the late Will Fisher of Mullin. He was the father of Mrs. Herald Locke, also of Mullin.

Mr. and Mrs. Autry Hart and family of San Angelo were weekend visitors here with Mrs. Emma Hart, J. T. and family.

Mr. and Mrs. Charles Coburn and daughter of Crane have been here visiting her parents, Mr. and Mrs. Lindsey Kittle. They also visited in Brownwood last Monday with Aunt Maranda Kittle who is in a rest home there.

Mr. and Mrs. Willie Steele of San Angelo are on their vacation, and are visiting here with Mr. and Mrs. Glynn Sanders. Mr. Hiram Phillips, also of San Angelo, was a visitor at the Sanders home Monday morning. Mr. Phillips is the owner and publisher of the Sheep & Goat Raisers magazine at San Angelo.

Mr. and Mrs. Paul Westdyke and little daughter, Mary Kay, of Dallas visited here last weekend with Mr. and Mrs. J. B. Harper and family.

Mrs. Ollie Pafford suffered a stroke while staying in Marble Falls with an elderly couple.

Mr. and Mrs. Otto Singleton have gone to Houston to be at the bedside of the little daughter of Mr. and Mrs. Johnnie Vaughan who is critically ill in a hospital there.

A number of Mullin folks attended the Mills County Baptist Associational meeting held at Priddy last Monday night.

Mr. and Mrs. Eldred Collier and son, Robert, of Mason, and Mrs. Tom Cooper, also of Mason, visited here last Sunday with Mr. and Mrs. Bob Collier.

Mrs. Janie Dorbandt, Mrs. Gossit Roberts, Mrs. Verna Lee Dudley, Mr. and Mrs. Gilbert Chancellor, Rev. and Mrs. George Henry and Miss Lillian Baskin, and Mrs. Vesta McCormick all attended singing at Ridge

last Thursday night.

El Dora Edmondson has returned to JTAC at Stephenville after being home ill for two weeks.

Mr. and Mrs. Charlie Warren have returned home from Crane where Mr. Warren has been working.

Mr. and Mrs. Raymond Lawson and family of Brownwood visited here last Sunday with Mr. and Mrs. Kyle Lawson.

Mr. and Mrs. Melvin Murphy and family visited here last weekend with Mr. and Mrs. A. L. French.

Mr. and Mrs. Jim Ulke, Kay and Sara, of Stamford spent the weekend with Mrs. T. J. Clendenen.

Manuel Urbina Jr., To Conduct Revival At Trigger Mountain

A weekend revival will be held March 18-20 at the Trigger Mountain Baptist Church, with Manuel Urbina, Jr., as the evangelist.

Brother Urbina is from Houston and is a sophomore student at Howard Payne College.

The music will be under the direction of Rodger Croker, pastor of the church, and Miss Jimmie Griffin, pianist, from Brownwood.

Services will begin at 7:30. A cordial invitation is extended to everyone.

Mrs. Harper Hosts Mullin HD Club

The Mullin Home Demonstration Club met in the home of Mrs. Mozelle Harper, March 10th. Mrs. W. T. Lee, president, presided at the business meeting.

Mrs. Janie Dorbandt gave the council report and also reported on the covered dish luncheon and "Fun For Folks" program, held at the Youth Center in Goldthwaite, March 7th.

Mrs. Verna Lee Dudley and Mrs. Walter McFall gave the program on "The Legal Status Of Women." Mrs. McFall also gave a few practical rules for flattering the figure, under the

Sheep and Civic Club To Present School Easter Parade, April 13

Sheep and Civic Club met last week Tuesday at the home of Mrs. Wallace Thurman Johnson as the hostesses served a salad plate as the guests arrived.

W. O. Saylor gave a most interesting program, "Women Enriched America." Mrs. Burnham presented those most interesting duties of a committee chairperson.

Mr. and Mrs. Otho Daymon Loudamy of Fort Worth are receiving congratulations on the arrival of their first child, a son, Michael Wayne, born Friday, March 11, at 10:15 a. m., in a Fort Worth hospital. He weighed eight pounds, eight and one-half ounces.

Grandparents are Mr. and Mrs. Houston Loudamy and Mr. and Mrs. O. L. Rind, all of Goldthwaite. Great-grandparents are Mrs. Cora Loudamy of San Angelo and Mr. and Mrs. Harry Melvin of Paris, Texas.

Mr. and Mrs. Dennis Auldridge of 8116 Kinder Lane, Fort Worth, announce the arrival of a daughter, Donna Lynn, March 10, 1960. She weighed seven pounds and 13 ounces. She has a big brother, Dennis Jr., age two, to welcome her home.

Grandparents are Mr. and Mrs. L. N. Auldridge of Gatesville, formerly of Goldthwaite.

Mr. and Mrs. Ramiro Rodriguez of Star Route, Democrat, Comanche, announce the arrival of Rogelio Rodriguez at Childress Hospital, Goldthwaite, on March 10, 1960, at 9:40 a. m. He weighed six pounds and twelve ounces. There are five other Rodriguez children to welcome him home.

torium. The theme adapted for this style show will be "Sweethearts On Parade." All mothers are urged to enter their little pre-school children regardless of age — large or small. The children will not compete for prizes.

Appropriate Easter music will be presented by high school girls with other special music in addition.

Many mothers will be contacted in the next few weeks to enter their children in the contest. Group pictures will be made at the Easter Parade, also individual photos before and after the parade, making it convenient for mothers, since the children will already be dressed.

Mrs. Raymond Summy was accepted as a new member into the club.

Goldthwaite FHA Girls Attend Area Meeting At Stephenville

By CONNIE POPE

At 5:00 o'clock March 4, twenty-two FHA girls, three mothers, Mrs. Rhoades, Mrs. Taylor and Mrs. Reid, and their sponsor, Mrs. Johnson, left Goldthwaite to go to Stephenville for the F. H. A. area meeting.

After arriving at Stephenville the girls and sponsor unloaded the cars at the Tarleton girls' gym where they spent the night with the F. H. A. girls from May, Hamilton and Rochester.

Later Mrs. Johnson and Pamela Berry, who was running for an area office, went to the

al of Rogelio Rodriguez at Childress Hospital, Goldthwaite, on March 10, 1960, at 9:40 a. m. He weighed six pounds and twelve ounces. There are five other Rodriguez children to welcome him home.

House of Delegates meeting. At the meeting, Maria Eubank was Chapter Voting Delegate. Officers were elected for the coming year.

While the meeting was in progress the remaining girls amused themselves by going to a downtown show. Upon returning to the gym the girls found the meeting was over, so they got a basketball game in progress.

Since the girls were still not sleepy, after they finished the game, they decided to have a talent show. As the idea spread, many girls entered. They did such things as skits, readings, imitations, and singing. It was put on in a very informal way and all the girls enjoyed it.

The rising sun found the girls and their sponsor sleeping. But it didn't stay that way very long because they were up near 7:00 o'clock and were getting ready for breakfast.

After breakfast the girls went to the main auditorium to register. When they registered they each received a program and a name tag to wear.

Morning session was opened by the president. The invocation

was given by the Sergeant-At-Arms, which was followed by the presentation of colors and the pledge of allegiance.

After the introduction of the State guests, they had a relaxer session where they sang songs. For entertainment they had the teenqueens sing.

The morning speaker spoke on "Developing Your Potentialities," which was followed by a speech from Sammie Williams, the president, telling how much valuable experience she had received from her office during the past year. After her talk we were dismissed for lunch.

Mrs. Ruth King, of the King House of Charm, was the afternoon speaker. She brought out points on sitting, standing, and applying make-up.

Several of the chapter presented a passion show with "Fashion Through the Ages" as the theme.

Next was a report of the National meeting and a report of State projects which was followed by an honorary membership ceremony.

Climax of the program was the installation of officers and the ceremony was very beautiful.

The closing ritual was followed by the Song of the Future Homemakers which ended the meeting.

The entire theme, "Mirror, Mirror On The Wall . . ." helped all the F. H. A. girls to get a better understanding of themselves and their organization.

The FHA'ers, tired but happy, arrived at Goldthwaite with many new friends and a new outlook.

F. H. A. girls attending were Judith Reid, Ellagene Saylor, Charlotte Straley, Ann Prescott, Maria Eubank, Sarah Cockrum, Pam Berry, Arnette Sears, Marsha Edington, Connie Pope, Lynetta Duren, Linda Featherston, Phyllis McAden, Jennie Taylor, Michelle Krueger, Carolyn Rhoades, Ann Kemp, Kaye Benningfield, Mary Parker, Pat Price, Vicki McClung and Linda Miller. Others were Mrs. Johnson, the sponsor, and Mrs. D. E. Rhoades, Mrs. Hugh Taylor and Mrs. D. E. Reid.

Questions And Answers About Social Security

Question: My wife and I have been receiving our social security benefits in a combined check. However, now that she is in a nursing home, is it possible for us to get separate checks—one sent to me and one sent to my wife at the nursing home?

Answer: Yes. Separate checks can be issued when a couple are separated. Individual checks

will be issued upon request in cases where it is burdensome or difficult for the payees to promptly negotiate their checks.

Question: In 1958, I suffered a heart attack and have been unable to work since that time. In an effort to train me for work I might be able to do, the State Vocational Rehabilitation program has offered me a training program in watch repair with pay. If I sign up for this course, will my disability checks stop?

Answer: No. Disability checks are payable for 11 months after the month you start training under a State Rehabilitation program. However, you should notify the Social Security Office when your training starts.

Scripture—Matthew 4:23—7:29; 9:14-17; Mark 4:1-2, 10-13, 32-34.

"Jesus went about all Galilee, teaching in their synagogues and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people."—Matthew 4:23.

His fame went forth throughout all Syria, and the people brought their sick who suffered from various diseases, torments and evil spirits, lunacy or palsy, and he healed all.—Matthew 4:24.

"And there followed Him great multitudes of people from Galilee and from beyond Jordan. Seeing the multitude of people, Jesus went up into a mountain and taught them all.—Matthew 4:25; 5:1-2.

Show love to all, Christ taught. If you have quarreled with another, do not bring your gift to the altar until you have first become reconciled.—Matthew 5:23-24. MEMORY VERSE—Matthew 4:23.

Clementine Wilmeth Briley Writes From Temporary Home In El Paso

By CLEMENTINE WILMETH BRILEY

Spring seems to have suddenly come to El Paso. The grass is getting green, the peach trees are in bloom, trees are leafing out, my daffodils, Dutch Iris, pansies, and violets are blooming. We hear of terrible snow storms and unusual cold in many places, but in El Paso the days are beautiful, mild and sunny. During the Sky Chef luncheon hour, Ted Bender of Radio KTSM interviews those who come and go at El Paso's International Air Port. Yesterday (Thursday) Ted interviewed a couple, who were on their way to Miami, Florida, but were being held up here. Ted asked WHY. They answered, "Big Spring is knocked out with snow." I could hardly believe my ears. It was 81 in El Paso.

A letter from Miss Cora Posey of Indian Creek Wednesday said June 8 would suit her fine for the date of our Auld Lang Syne Party which is to be given at her home this year.

Mrs. Brownie Reeves White writes from Los Angeles that their winter has been on the cold side this year, and they have had lots of flu. Her daughter, Anita McCall, was coming for her this week to take her to the school play as her granddaughter, Christie, is in it. Christie is doing well in drama this year. Her brother, John McCall, is also winning honors

at school this year. Brownie said, "Had you ever thought that all the men and boys in my family except Charles' oldest son, James, are named either John or Charles?" Her father was John Reeves, a pioneer of Ebony. Her husband was Charles White of Milam County. Her two sons are named John and Charles. Her daughter's son is named John. Charles' sons are James, Charles, and John Reeves. Brownie says she hopes to come to Ebony in June.

My sister, Mrs. Grace Bateman of Fort Worth had a birthday in February. She writes that she had a wonderful celebration. Her son, John Robert, came from San Antonio and stayed from Friday till Monday. During this time she had all her family together. She said, "Of course Brette was the center of all our attention. Every day she becomes cuter, sweeter, prettier. She laughed out loud for the first time on my birthday—at the age of seven weeks. How's that for a grandmother's story?" She also said that Brette and her mother left Paris, France, Feb. 4 at 1 p. m., and arrived at Love Field in Dallas that night at 10:52. Brette was five weeks old that afternoon, and her mother said, "That baby enjoyed every minute of the trip."

We had a letter written Feb.

Carol and Don and Larry attended the ACC Lectureship at Abilene the week of Feb. 21. While there she saw her uncle and aunt, Mr. and Mrs. Jim Wilmeth of Brownwood, and her cousins, Dr. Marie Wilmeth and Ednabeth Everitt of Abilene. She and Don are going with a group of missionaries to Brazil in June, 1961. She said the group met several times during the Lectureship. Several of them have already begun private lessons at Berlitz language schools.

A letter from my niece, Dr. Marie Wilmeth of Abilene says she and two of her boarding girls plan to see Carlsbad Cavern and come on to El Paso during their spring holidays, March 31 to April 4, so we are looking forward to a nice visit from them.

Mr. and Mrs. Arthur Griffin attended the singing at Ridge last Thursday night.

Emory Walton called his mother last Thursday night, saying he and another man from the same office were leaving Friday morning for Washington, D. C., for an eight-week course in their line of work.

PARENT PROBLEMS

Do School Scrapbooks Help Or Hinder Study?

By GARRY CLEVELAND MYERS, Ph.D.

COMES this letter from an Arizona mother:

"I would like to see something in your column concerning scrapbooks.

"My daughter spent her sixth-grade year assembling scrapbooks. For proof, I have two large cartons of them which she made last year.

Too Demanding

"Scrapbooks have filled our evenings, weekends and holidays. We must buy scrapbook covers, typing paper, suitable magazines, etc. It has been difficult to get her to bed at a reasonable hour. My daughter is intelligent and conscientious, and the few other parents I have met have convinced me that the entire class spends just as much time on these assignments.

"The seventh-grade year has just begun, and the assigning of scrapbooks is well under way. They are assigned by the home-room teacher, the science teacher, the music teacher and the art teacher. Tonight, I will attend the first PTA meeting of the year and, I am sure, examine scrapbooks.

Questions Value

"I do not believe that scrapbooks have enough value to warrant the time spent on them. Since yours is a common-sense column, I hope you will write something soon on this subject."

This letter raises a problem many of my readers—parents and teachers—all weigh thoughtfully. If the writer of this letter is reporting accurately, there's obviously too much scrapbooking in her school.

Wisely assigned, scrapbook

projects can be a valuable educational procedure. They set a definite job the child can work at alone and afford his parents an opportunity to help him collect pictures, clippings and materials from other sources.

They can motivate creative classification and organization of ideas and facts. But they can have abuses, especially when assigned from several areas of school work simultaneously, or when any one requires an unreasonable amount of time and work by the child.

Mere Busy-Work

Too often they become mere busy-work. They may be easy for the teacher to assign, and she may suppose she has checked well on each one with a few minutes of hasty inspection. Also there's the zeal to have something to show parents on PTA night with any thought of value to the children often minor.

Let me propose a discussion of scrapbooks by parents and teachers at an early meeting. A few students might well be a part of the panel.

Furthermore, every principal should reappraise the nature and value of scrapbook assignments in his school.

(My bulletin "Parents Can Help Child Succeed at School," may be had by sending a self-addressed, U. S. stamped envelope to me in care of this newspaper.)

Answering Parents' Questions

Q. At what age should a child be taught to speak a second language?

A. After he is three or four and has pretty well started his English speech.

Since March 3, the new Textile Fiber Products Identification Act has been in effect. This means that all textile fiber products must now carry a label which gives the generic (family) names and percentages by weight of the fibers in the product.

We all recognize the natural fibers—cotton, linen, silk and wool—but, some of the man-

made fibers have unfamiliar generic names. It is very important to learn these new names because they give an important clue to proper washing, drying and pressing temperatures and to spot removal.

Trade names also exist for many fibers. But when a manufacturer uses a trade name he must pair it with the generic names of fibers, so that you still have this important clue to

clothing care. We have a practical five-point plan for buying clothing in a new leaflet, "For Clues To Clothing Care—Read Your Fiber Label."

Included are suggestions for identifying the new fibers and for choosing garments that will be comfortable, attractive and easy to care for.

Ask for a copy of this new bulletin at my office.

At the vegetable counter, you will find the hardy vegetables, such as potatoes, sweet potatoes, turnips, onions, cabbage, rutabagas and carrots, continued to be the best buys. Iceberg lettuce and some tomatoes are good choices for salads.

Oranges and grapefruit offer the best value for your fruit dollar. Bananas, avocados and pineapple are available in some stores and fresh strawberries from the Valley are appearing at fruit counters in some parts of the state.

NEW LEAFLET GIVES CLUES TO CLOTHING CARE

Next time you shop for fabrics or ready-to-wear, be sure to check the fiber label. That's an important clue to the kind of care and wear you can expect.

IQ FOSTERS TROUBLE FOR FAMILY—Richard Combs, 25, and his wife, Gloria, 28, gather lovingly around their foster daughter, Alice Marie, 4, in Old Bridge, N. J. The New Jersey Child Welfare Board has said that the child, with an IQ of 138, should be taken from the Combses and put in a home with "greater possibilities for the intellectual and cultural development of this outstanding youngster." Combs says no other family could love Alice Marie "more than we do." She has been with them four years. The Combses have two other children.

TEXAS EGG LAW WORKS
March is National Egg Month, and is as good a time as any to make note of the outstanding success achieved in the operation and enforcement of the Texas Egg Law.

Within the short span of a little more than two years since it became effective, the Texas Egg Law has come to be accepted as one of the bulwarks of their business by producers, wholesalers, dealers and retailers alike. As the licensing and enforcement agency, the Texas Department of Agriculture was able to develop a program of education and explanation which was credited largely with bringing about this acceptance.

As enacted by the 55th Legislature in 1957, the Texas Egg Law was aimed at preventing eggs of poor quality or unfit for human consumption from reaching our consumers. For many years Texas had been a dumping ground for poor quality eggs which failed to meet prescribed

standards and could not be sold in the states where they were produced. This not only brought poor quality eggs from other states into the homes of Texas consumers but also acted to depress the price of premium eggs produced in Texas.

Rules and regulations promulgated by the Texas Commissioner of Agriculture under authority of the Texas Egg Law prescribe the standards of weight and grade, along with methods for determining the quality of eggs offered for sale, and these various grades must be plainly marked on each package of eggs offered for sale. Widespread physical inspection is accomplished through field inspectors who work out of the six District field offices of the Texas Department of Agriculture. Weekly reports are filed by each inspector as to the number of lots of eggs inspected, along with the results of the inspection.

The general acceptance of the new law is reflected in the reports covering the last fiscal year of its operation. In that year, 19,444 lots of eggs were inspected, amounting to 1,346,311 dozen eggs. Out of this huge quantity, only 610 lots were found to be in violation of the Texas Egg Law, 89 by retailers offering the eggs for sale and 521 by the wholesaler or dealer who had graded and cartoned the eggs. This was a ratio of violations amounting to only three per cent of the eggs inspected.

Artificial worms seem to be luring most of the big fish nowadays.

As the worm's popularity as a fish attractor grows, more and more manufacturers produce more and more of these tempting baits.

Makers of DeLong Lures have just perfected "The Witch Weedless." It is sliced across the back every half inch to give it more action. Its two large hooks are protected by weed guards.

DeLong suggests that if you want more weight you add a split shot to shank of hooks.

Also suggested are two ways of fishing — on the bottom, retrieving in slow jerks; and on top retrieving slowly before sinking.

Heddon Is In Tune Too

Heddon has come out with a worm which you can add to your own jig or spoon. It features a gold band around the body of the worm, about an inch and a half from the head.

Special light flashing qualities of the "Gold Band" help fish see it better, thus attracting more fish, says Heddon.

This bait is extra buoyant, for lifelike action. Also it will not melt, freeze, or affect other plastics.

Heddon suggests adding weight to get to the desired depth — and to move it very slowly.

Most worm and eel fishermen stress the great importance of working this type of lure very, very slowly. If there ever was a lure for the patient fisherman, this is it.

Evans Improves Shyster

A new wrinkle has been added to the Shyster lure by the Glenn L. Evans Company.

Shyster's front end hitch now is made "off center." Purpose is to eliminate line twist.

This enables the fisherman to troll for hours and to fish in fast water without fear of a "spiral-spring" line-twist fouling the reel and ruining the disposition as well as the line, says Evans.

Paddle Is A Friend Indeed

Haven't you often thought how nice it would be to have a paddle — tucked away under the bow of your boat — in case of sudden emergency?

Failure to remember to take along a paddle has caused many a small boat owner to have that empty feeling in the pit of his stomach.

Well, here's your answer. Boat Names Co. of Kansas City, Mo., now makes a collapsible paddle that is 51 inches long. This floating Port - A - Paddle folds down to 29 inches. It has a plywood blade and aluminum handle. Overall weight is a mere 2.5 pounds.

Much Needed Gas Can

For years we wondered why someone didn't make a portable gas can, especially for outboard motor enthusiasts — a can that held the proper amount of gas, plus the specified amount of oil required in the mixing process.

Our hat now is doffed to the Edward Can Company.

This Chicago firm now is making a 5-quart container. So, today, you can buy a gallon of gasoline and a pint of outboard motor oil — and mix it on the spot — without fear of having too much oil or overflowing a can.

A compact emergency container such as this should prove popular with the fishermen, especially.

Edward calls it the Porta-can. It's a wide-based, rectangular shaped can, which means it's also easier to store in the car trunk, or on the boat, and less likely to tip over or slide about like the round-based cans do.

The Edwards can also has a reversible, flexible pouring-spout with a fine mesh filter.

Schoolmaster Lures Take Fish
Texas has a new bait factory. It makes lures that are designed to master schools of fish. Fact is, the product is called the Schoolmaster.

Robert P. Nelson is owner of the concern, known as the Schoolmaster Bait & Tackle Co., of San Antonio.

Featured are bottom dragging lures with two sets of treble hooks. Lures are heavily leaded, have a tadpole-like appearance, and are most colorful. Nelson gives each color of lure a name — such as Joe, Jim, Jack, John, Don, Paul, Herman, etc. — for roll-call purposes, I guess — so none will miss school.

This is where we are, "phileo." Christ seeks us in "agape" love. When He doesn't find us there, fortunately for us He doesn't quit. It seems to be a habit of the Master's to set goals for us we seemingly cannot reach, but through the "agape" of our Father we are able to progress.
He comes to us at our level—where we are now—accepts us for what we are, and seeks to elevate us to His . . . if we will only let Him.

**Last Rites For
J. C. Fisher, 88,
Held March 9**

Funeral services for J. C. Fisher, 88, of Zephyr, were held at 3 o'clock Wednesday afternoon, March 9, in Coggin Avenue Baptist Church, Brownwood, with Dr. H. H. Hargrove, Dr. James Basden and Rev. Walter Lis officiating. Burial was in the Zephyr Cemetery.

Mr. Fisher, a native of Denton County, was born February 28, 1872, son of the late Mr. and Mrs. W. D. Fisher. He died Monday night, March 7. He moved to Brown County with his parents as a child.

Survivors are three sons, J. W. and Roy Fisher, Brownwood and S. E. Fisher of Lubbock; seven daughters, Mrs. Clark C. Coursey of Brownwood, Mrs. Earl Horton, Midland, Mrs. Fred Greer, and Mrs. Leland Lockridge of Zephyr, Mrs. Jay Turner of Blanket, Mrs. Herald Lock of Mullin and Mrs. Denton Smith of Carlsbad, New Mexico; one brother, S. J. Fisher of Mullin and a sister, Miss Alice Fisher, also of Mullin; 25 grandchildren and 37 great-grandchildren.

**Revival To Begin
At Church Of The
Nazarene, March 16**

Rev. and Mrs. B. Edwin Perkins, pastors of The First Church of The Nazarene in Brownwood, will conduct a revival meeting at The Church of The Nazarene in Goldthwaite, beginning March 16 and continuing through March 27. Services begin nightly at 7:30 p. m.
Everyone has a most cordial invitation to attend these services, according to announcement by Rev. E. F. Waskom, pastor of the church.

IS VIRUS PIGEON-TOWED?—Dr. L. M. Graves, health officer of Memphis, Tenn., checks a local pigeon to find out whether the bird carries virus infections that can be contracted by humans. Authorities opened the campaign to test a theory that the feathered residents may constitute a "health menace."

Plans and Movements of General Houston

Gen. Houston's letter to the press stated that he has received more than 80 applications from parties who desire to raise volunteer companies to defend and protect the frontier of Texas.

Gov. Houston has advised such companies to be raised and placed under the command of officers in every county along the frontier of Texas.

He advises these companies to be always ready to defend the country and in case of an alarm to pursue and exterminate all war like forces who may dare to cross into Texas for the purpose of ravaging the country.

Letter From Lamar

Lamar, Refugio County, Texas
February 16, 1860

I wonder if we poor denizens this way have the right to complain of the irregularity of the mails? If so, we would like to say to Postmasters generally that Lamar is in the county of Refugio and not in Lamar county. Our mail should come via Saluria, such is the mail contract, but it has often come via Victoria and (Heaven save the mark) to judge by the lapse of time, our letters and papers take an airing into the interior of the state.

From the Richmond Examiner:

The cry of love for the Union is a cuckoo song, and may titillate the ears of nonthinking men. Some who find it useful to themselves may sing it and the idle people may find amusement in listening. The real people of the South wish to know what is doing to unite the people whose rights these monotonous song singers say they are endangered. They desire to know why these gentlemen prize a Union with Black Republican enemies so highly and dread a consultation with slave holders so extremely. Let the people be informed how much of this abhorrence of Black Republicanism is real—how much of this story of injustice done to the

STEEN HARDWARE
Goldthwaite, Texas

Austin, Texas — Texas politicians have been finding it hard to make hay with no sun shining.

A number of statewide candidates are stumping the state, and legislative contenders are getting invitations to speak at rallies and before special group meetings.

But bad weather and the unaccustomed earliness of this year's election schedule have made it harder for most to get campaigns rolling.

Legislative candidates report that they are most often quizzed on whether they favor (1) a teacher pay raise and (2) a general sales tax. "Yes" to the first and "no" to the second are generally regarded as safest answers. But many old hands have misgivings, feeling that the two commitments together may put them in a hard situation come the next session.

Amendment Line-Up—In the hoopla of a presidential campaign year, amendments to the Texas constitution probably will get only secondary attention, though they are of vital importance to all Texans.

Four are to be voted on by the people at the general election Nov. 8. Their order on the bal-

lot, as determined by a drawing conducted by Secretary of State Zollie Steakley, will be:

1. An amendment authorizing the Legislature to create a hospital district in Lamar and Hidalgo Counties and part of Comanche County.

2. An amendment authorizing the Veterans Land Board to issue bonds at 3½ per cent interest instead of the present 3 per cent maximum.

3. An amendment giving members of the Legislature annual salaries of \$4,800 a year and \$12 per day allowances for a 120-day session. Sessions could go no longer than 140 days.

4. An amendment authorizing the Legislature to license and regulate lenders and fix maximum rates of interest.

School Costs Jump—A baby boom in the fifties means soaring school bills in the sixties, as indicated by the State Board of Education's 1960-61 estimate.

Board reported that cost of Texas public school program for next year will be \$365,000,000. This is an increase of some \$15,000,000 over the previous year.

Reason for the rise is more children—requiring more teachers, more books, more desks, etc. Total enrollment for next year is expected to be 2,254,574, an increase of more than a half million since the 1954-55 year.

Counties will have to pay \$73,080,000, or 20 per cent of the \$365,000,000 total cost.

"Sleepy Villages" Go To Big Time—Twenty-one small Texas towns mushroomed into cities during the fifties.

Texas Municipal League reported on towns that had grown 150 per cent or more—some as much as 1,617 per cent.

Twelve of the 21 big growers are towns near to one of Texas' three largest cities—Dallas, Houston and Fort Worth. Topping the list with runaway expansion were three Dallas County towns—Irving, up 1,617 per cent; Mesquite, up 1,323 per cent and Farmers Branch, up 1,211 per cent.

Industrialization was the key

to the spectacular growth of most of the 21. In a number of cases, the coming of a single large plant started the boom rolling.

Teacher Fund Grows—Texas' teachers retirement fund has increased more than 35 per cent in the past decade, according to State Auditor C. H. Cavness.

Cavness reported that at the end of the last fiscal year the fund stood at \$389,341,289. This is \$140,000,000 more than 10 years ago.

Teachers pay 6 per cent of their earnings up to \$8,400 into the fund. State matches their payments.

Fund provides for a minimum of \$100 per month retirement pay for teachers and \$75 a month for other school employees. To make the fund grow, it is invested in municipal, state and federal bonds and certain corporate securities under supervision of a board of trustees.

Atomic Disposal Hit—Water pollution from atomic waste materials could pose a real threat to public health, fish and wildlife in Texas, said Gov. Price Daniel.

Daniel praised the Sportsmen's Clubs of Texas for their concern over a proposal made at one time to dump concrete containers of low-grade radioactive waste materials in the Gulf of Mexico.

State Health Department, said the governor, keeps a continuous check on the state's surface waters for atomic pollution from fallout.

Need For More Economy Cited—Need for the next Legislature to raise between \$150,000,000 and \$200,000,000 in new tax revenue has been predicted by the director of the Texas Research League.

Alvin A. Burger, head of the private organization which studies state government, said state spending will require \$1,000,000,000 a year in the 1961-63 biennium.

Burger urged careful analysis of the highway, education and welfare programs which take 85 per cent of the state budget.

As a money saver, he recommended taking the cost of maintaining farm-to-market roads out of the farm road funds. At present, this money can be used only for new construction, and farm road repair has to be paid out of other highway funds.

He suggested school consolidation as another avenue for economy. County governments, he said, need reorganization to eliminate duplication and problems in the efficient handling of money.

Car Inspections Due—Drivers without a green Texas-shaped sticker on their car windshield are advised to stop by an inspection station the first pretty day.

Department of Public Safety estimates that only about half of the 4,300,000 vehicles in Texas have had their 1960 inspection. Deadline is April 15. Col. Homer Garrison Jr., DPS director, suggests that the trip be made soon, before the lines get long.

NO WATCHDOG—This friendly "watchdog," Rattler, is shown outside the home of Mr. and Mrs. Ray Boales near West Palm Beach, Fla. The canine raised no protest during the night, when a prowler entered and ransacked the house. The Boales' two daughters were asleep and the parents were out. The intruder was believed to be an escaped murderer.
