Annual Broom Sale Slated For September 21-22 By Lions Club

What Is P-TA?

Objects of the National Congress of Parents and Teachers:

To promote the welfare of children and youth in the home, school, church, and community.

To raise standards of home life.

To secure adequate laws for the care and protection of children and youth.

To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child.

To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social, and spiritual education.

Theme for this year is "Strengthening the Home, Source of Our Nation's Greatness." The state theme is "Homes Create Community Strength."

The program is educational, policies are non-commercial, non-sectarian, non-partisan. The P-TA does not seek to direct administrative activities of the school or control its policies. There are almost 12 million men and women members in 45,000 local units. Many persons at home and abroad venture to say that the parent-teacher movement may lead the way to world-wide understanding of the democratic way of life. Already movement has spread from the United States into other countries.

E. L. Burkett Announces Same Wheat Program Continues For 1961

With winter wheat planting getting under way, Chairman E. L. Burkett of the Mills County Agricultural Stabilization and Conservation Committee pointed out August 31 that the wheat program for 1961 will be essentially the same as it has been in recent years.

As highlights of the program, Mr. Burkett listed the following:

1. Marketing Quotas: As a result of an 87.4 affirmative vote of wheat growers who voted in a referendum July 21, marketing quotas will be in effect for the 1961 crop and the marketing of excess wheat will be subject to a penalty.

2. Price Support: Price support will be available on 1961 crop wheat at a minimum national average rate of \$1.78 per bushel, the same as the rate for the 1960 crop.

3. Acreage Allotments: Each wheat-producing farm has an acreage allotment, representing the farm's share of the national allotment, which again in 1961 stands at 55 million acres, the minimum permitted by law.

Under the marketing quota system, any farmer who keeps within his wheat acreage allotment (or does not exceed 15 acres of wheat) may market his total wheat crop without penalty. Also exempt from penalty is any farmer who obtains approval to participate in the feed wheat program and produces 30 acres or less of wheat for use on his farm.

Other growers who exceed their allotments will generally be subject to a marketing quota penalty on the normal yield of the excess acres. The penalty rate for 1961 will continue at 45 per cent of parity, which for

Members of the Goldthwaite Lions Club will sponsor a broom sale Wednesday and Thursday, September 21 and 22.

Truett Aldridge, chairman of the sales committee, said that the Lions Club will start taking orders by telephone next Monday and that people may order by phone by calling the San Saba Production Credit Association office in Goldthwaite Monday through Wednesday of next week.

Chairman Aldridge pointed out that all of the brooms, mats, mops, etc., to be sold on the courthouse square from the caravan, are made by Texas blind workmen in blind shops or lighthouses, which are non-profit organizations. The chairman also said that all proceeds from the sale will be used for the Lions Club project during the year.

Working on the sales committee with Chairman Aldridge will be Charles Conrad, Raymond Little, Floyd Spradley, Harold Yarborough, Lewis T. Hudson and Chester Berry.

Next meeting of the club will be Tuesday, September 20, which will be teachers' night when members of the school faculty will be guests of the club. This meeting will also be ladies' night.

Eagles Lose To Mountaineers 12-0; Play Llano Friday Night

The Goldthwaite Eagles were defeated again last Friday night on the local football field as the Santa Anna Mountaineers won 12-0. This was a disappointment to the fans as most everyone felt as though the Eagles could hold their own with this team. But again inexperience and weight were against the Eagles. They almost scored several times but the Mountaineers held them to a no score game.

Statistics for the game were as follows:

Goldthwaite	Santa Anna
10	First Downs 13
9	Passes Attempted 12
1	Passes Completed 6
195	Yards Rushing 124
35	Yards Passing 99
4 for 20	Penalties 3 for 25
4 for 79	Punts 4 for 124

The Mountaineers made both of their touchdowns late in the first quarter with Tommy Stewardson making both TD's on passes from Pete Simmons, the first one for 42 yards and the second one for 17 yards. The try for extra points was no good either time.

LETTER OF APPRECIATION—Pfc. Glenn Lucas, son of Mr. and Mrs. W. W. Lucas, Moline Route, who is doing his "hitch" in the Army, recently received special letter of appreciation for his effort and personal interest displayed during training mission in Germany.

The letter was from his commanding officer, William L. Clarke, Major, Infantry, Headquarters, 2nd Battle Group, 28th U. S. Infantry, at Hohenfels, Germany. Here is what the Major had to say:

"I wish to take this opportunity to express my appreciation for the outstanding effort and personal interest which you displayed during the Battle Group training period between 27 May and 15 June 1960 at Hohenfels, Germany.

"The major efforts which were the FTX and ATT, included many problems not anticipated and in spite of personal discomforts you demonstrated your high state of training and morale by cheerfully accepting and accomplishing each assignment in an outstanding manner which greatly added to the assurance of Battle Group reaching its goal of a SUPERIOR rating.

"My personal thanks goes with this letter, because without your interest we would not have been able to accomplish our Staff Mission in support of the Battle Group."

LETTERS TO THE EDITOR—The editor of the Montello (Wisconsin) Tribune recently answered some questions he had received from readers of his weekly newspaper. Here are some of the questions and the editor's answers:

- Q. Why don't you have funny papers?
A. We think we have the funniest paper in Wisconsin right now.
- Q. Why don't you have an "Advice to the Lovelorn" column, like Abby Lane?
A. None of our readers have any such problems.
- Q. Why do you have all those misprints?
A. They're the most entertaining part of the whole paper.
- Q. Why didn't you publish the poem I sent you?
A. It was a lousy poem.
- Q. Why do you always say "we" when referring to yourself in the paper?
A. We want our readers to think they're outnumbered.
- Q. Why don't you put out a bigger paper, like the Milwaukee Journal?
A. We plan on it as soon as the population of Montello equals that of Milwaukee.
- Q. What would you give me for writing a weekly column of moral homespun philosophy?
A. A poke in the eye with a sharp stick.
- Q. Why don't you write an editorial and tell those guys on the city council what they can do to improve the town?
A. Why don't you go down to the next meeting and tell 'em yourself?
- Q. Why don't you print more letters to the editor?
A. Why don't you write me one? And sign it with your name, please—don't be chicken.
- Q. Why do you devote space to such trivialities as "Joe Smith is feeling poorly this week?"
A. Because good old Joe has many pals who are concerned over his health, even if you are not. Who knows, somebody might read this item and send Joe a bottle of sympathy.

WHEN THE OLD BIRD WAS YOUNGER

10 YEARS AGO—

(Taken from The Eagle Files of September 15, 1950)

Mr. and Mrs. W. W. Reynolds of Caradan spent most of the past week celebrating their 50th wedding anniversary. Their Golden Wedding Day was last Tuesday, when there was "open house" at the Reynolds home and a huge cake.

Marriage vows were exchanged by Miss Ruth Duncan, daughter of Mr. and Mrs. H. G. "Chock" Duncan of Moline and Earl Sebolt, son of Mr. and Mrs. Tom Sebolt of Goldthwaite, Saturday evening, September 9, at eight o'clock in the parsonage of the First Baptist Church of Copperas Cove. Rev. T. F. Collier, pastor, officiated at the single ring ceremony.

Miss Barbara Ann Harrell of Goldthwaite became the bride of Rex Mahan Jr. of San Saba, Sunday afternoon, September 10, at five o'clock in the First Baptist Church of Goldthwaite. The Rev. J. T. Ayers, pastor, officiated at the impressive double ring ceremony.

Mrs. Millard Collier, the former Miss Bonez Wasserman, was honored with a bridal shower on Monday afternoon, September 4th, from two until four o'clock in the Veterans' Building in Mullin. The hostesses were Mesdames A. J. Adams, Reva Keating and Jake Burkett.

Mr. and Mrs. Sam Saylor of Port Lavaca are the proud parents of a daughter, born August 4. She has been named Cheri Sue. Maternal grandmother is Mrs. Vera Polk of San Antonio and Mr. and Mrs. Claude Saylor of Goldthwaite are the paternal grandparents.

Workmen have been busy this week building the drainage guttering on the east side of the square, preparing for the laying of pavement by the highway department.

Last Thursday afternoon at 4 o'clock at the home of his sister, Mrs. H. E. Moreland, Forest Ross and Miss Elsie Morgan of Big Valley were united in marriage. Forest is the son of Mr. and Mrs. J. T. Ross and his bride is the daughter of Mr. and Mrs. Morgan of Big Valley.

Friday morning at about the dawn of day several of our citizens discovered thieves had raided them while they slept. Dr. J. L. Herrington and P. R. Han-

cock both lost car wheels and jacks, E. A. Kemp a jack. Then the thieves decided on clothes and visited the clothes lines of Z. T. McCown and Milton Swenney, taking liberally of the families' wet wash. Mexicans camped at the tabernacle gave a clue that a man and woman visited them in the early hours of the morning and the Mexicans awoke to find them meddling around their truck—Mullin News.

Russell Mullin Jr., left last night for his home in Dallas after spending the summer here in the home of his grandparents, Mr. and Mrs. J. C. Mullin. Walter Bauerfeind of San Antonio was here the first of the week, having come to be with his sister, Mrs. L. E. Miller, at the time of the illness and death of her husband.

Professor and Mrs. Cloninger have moved into their new home, recently completed, on Parker Street.

60 YEARS AGO—

(Taken from The Eagle Files of September 15, 1900)

Friday night the sable plumed angel visited the Big Valley community and carried away the spirit of one of the most honorable young men that has ever grown to manhood in this county—Walter Robertson.

A. E. Weathers delights in telling his friends of the arrival of a fine boy at his house last Saturday morning.

BORN—Thursday night to Bascomb Sullivan and wife, in the Pleasant Grove community, a fine boy.

Tom Knight, one of the best citizens of the Center City community, is dangerously sick and the last report from him was that there is very little hope for his recovery.

Up to five o'clock yesterday afternoon 870 bales of cotton had been received at the cotton yard.

J. H. Chenault is exceedingly joyful over the arrival of a big boy at his house Thursday.

T. A. Walters and Miss Kelsadia Rhodes were married at

the residence of Judge McLeod Tuesday afternoon, the judge officiating.

Mr. and Mrs. F. N. Irwin have returned from Fort Worth, where they placed their son in Polytechnic school. They also visited Wise County and Pauls Valley, Indian Territory. Mr. Irwin says, after passing through

twelve counties he returned to his home and can be content in Mills County.

G. C. Curtis spent Sunday in this city and reported that the telephone line was being put up rapidly and would soon be completed from the town of Zephyr, and the line between that town and Brownwood was in good

working order.

D. R. Atkinson, who has been in this county for a good many years and has a host of friends especially in the Star City communities, has made his home for a few years, left with his family Thursday for New Mexico where he will reside in the future.

What To Do In The Garden

Watch for the first buds on your chrysanthemums. As soon as buds show, disbud the large varieties to from two to three buds, and the smaller varieties to from 8 to 10.

Chrysanthemums in rows should be supported with wire and those in single spacing should be staked. Rains are less damaging to the blooms if plants are supported. Super Phosphate or B. R. 61 make strong stems.

FALL COLORS FOR YOU

Do the colors you wear really "do something for you"? They can, if you will choose them wisely, with a definite purpose in mind.

The colors you wear should do the most for your skin, eyes and hair. They should suit your own particular type of personality, whether it's vivid or retiring, and be right for your age and size.

Youth has few color problems, and a person of average size with perfect figure can get by with many colors. However, most of us need to study ourselves carefully, pick out our best points, recognize our problems, and make colors work for us in "accentuating the positive."

"Colors For You," a colorful leaflet, will help you choose becoming colors. Included is a guide for choice of colors, which lists colors to avoid and becoming colors for the various color types, figure types and personalities.

Copies of the leaflet are available from your county home demonstration agent's office.

A Moment With The Bible

"But go ye and learn what that meaneth, I will have mercy, and not sacrifice; for I am not come to call the righteous, but sinners to repentance." (Matt. 9:13). Do you think you are righteous? Then not only do you need Jesus, you wouldn't follow him anyway. Do you know yourself to be a sinner? Then the Master came for you! The self-righteous of Jesus' time believed in ritual before right; in sacrifice before mercy; in display more than obedience. Repent! That was a joke to them. But no man can go to heaven without repentance (Luke 13:3).

**GIRL
SCOUT
SHOUT**

By MRS. HOUSTON DUREN

Thursday, September 8, from 9 a. m. to 4 p. m., was spent in getting Girl Scouting organized for the 1960-61 meetings. Mrs. Wayne Holland, official worker, from the Brownwood office, was available for consultation on community offices as well as assisting in troop organization.

At 3:00 o'clock other interested mothers joined the officers and leaders at the Girl Scout House. Mrs. Holland reviewed the purposes of the Girl Scout Program which are:

1. To inspire girls with the highest ideals of character, conduct, patriotism, and service, so that they may become happy and successful citizens.
2. To keep the motivating force in Girl Scouting a spiritual one.

She then discussed the promise for both Brownies and Girl Scouts. The two promises are very similar, but the Girl Scout promise is stated more definitely:

The Promise
On my honor, I will try to do my duty to God and my country;

- To help other people at all times;
 - To obey the Girl Scout Laws.
- Mrs. Holland pointed out that the Girl Scout promise clearly places the girls' duty first, to God; second, to country; third, to other people, and last of all, to obey the Girl Scout Laws.

The Girl Scout Laws

1. A Girl Scout's honor is to be trusted.
2. A Girl Scout is loyal.
3. A Girl Scout's duty is to be useful and to help others.
4. A Girl Scout is a friend to all and a sister to every other Girl Scout.
5. A Girl Scout is courteous.
6. A Girl Scout is a friend to animals.
7. A Girl Scout obeys orders.
8. A Girl Scout is cheerful.
9. A Girl Scout is thrifty.
10. A Girl Scout is clean in thought, word and deed.

Everyone who attended the meeting went home with a renewed desire to serve others.

After much discussion pro and con, it has been decided that all Brownie and Intermediate Troops will meet each Tuesday afternoon at 4:00 o'clock for the year 1960-61. This will be especially helpful to families who have more than one girl in Scouting.

The second grade Brownies will meet with Mrs. W. G. Saylor in the Girl Scout House.

The third and fourth grade Brownies will meet in the Youth Center. Mrs. Eric Looney will meet with the 4th grade. As of this date, there is no leader for the 3rd grade, but we hope to have one by next week.

Mrs. A. W. Wasserman will meet with the 5th, 6th and
