LOW PRICE — Customer: "There's a splinter in my cottage cheese."

Waiter: "What do you expect for twenty cents — the whole cottage?"

LIFE GOES ON — "In three words, I can sum up everything I've learned about life: it goes on. In all the confusions of today, with all our troubles . . . all of us become discouraged, tempted to say this is the end, the finish. But life—it goes on. It always has. It always will.

"I don't hold with people who say, 'Where do we go from here?' or 'What's the use?' I wouldn't get up in the morning if I thought we didn't have a direction to go in. But if you ask me what the direction is, I can't answer. It's different for each of us. The important thing to remember is that there is a direction and a continuity even if so often we think we're lost.

"Despite our fears and worries — and they're very real to all of us — life continues . . . it goes on. Three words above all else. In my eighty years, that I've learned."—From an interview with Robert Frost, as quoted by Ray Josephs.

VACATIONING IN HONOLULU—The following letter arrived at the Editor's desk the day before Thanksgiving.

"Dear Mr. Vic: On November 9, Mrs. Thelma Rudd (formerly of Goldthwaite) now from San Luis Obispo, Calif., sailed on the S. S. Matsonia for Honolulu. On November 13, I (Daphane Evans, also formerly from Goldthwaite) now living in Pasadena, Calif., flew over to meet her and we, two Texans, are having the time of our life. We wanted our home town friends to know about it so we thought we'd drop you a line.

"Tell Miss Ruth to keep the Eagle coming to me and I will send you a check when I get home—if I have any money left. Ha!

"We're returning home November 25, after spending Thanksgiving on the Island of Kauai at the Coco Palms Hotel." Sincerely, Daphane Evans.

National Debut For Debbie Sue As March of Dimes Poster Child

Debbie Sue Brown, a five-year-old winsome young lady of Clarkston, Wash., who is annoyed because she must wait a few years before marrying the boy next door, was selected this week as the 1962 New March of Dimes Poster Child.

Debbie Sue won out over hundreds of small children, afflicted with birth defects, arthritis or polio—health fields embraced by the program of The National Foundation—March of Dimes. The Poster Child lives a life both exciting and glamorous. If physical condition permits, there usually are visits to the White House to Senators, Governors and other prominent persons as well as radio and television appearances during the New March of Dimes in January.

She will star in a January TV special, "The Scene Stealers," and her picture will appear nationwide on thousands of March of Dimes posters, coin collectors, and mail appeal envelopes.

Debbie Sue, high-spirited and active today, although doctors once believed she wouldn't survive the open spine with which she was born, lives in a valley of the Clearwater Mountains near the banks of the Snake River.

She is brown-eyed and blonde, the daughter of Jack C. Brown, a state highway surveyor, and Barbara Brown, who have a younger daughter, Carla, one year old.

Debbie Sue's birth defect of an open spine was not immediately apparent. But a few days after birth her grandmother, Mrs. Fred Bening, a registered nurse of nearby Orofino, Idaho, recognized that a serious disorder was present; and the parents then drove 400 miles at headlong pace to Seattle's Children's Orthopedic Hospital. (The mother collapsed on arrival and was herself hospitalized.)

At the hospital the parents were told that Debbie Sue's spinal defect was of such severity that the infant probably could not live beyond three months. If she were alive at

Debbie Sue Brown, 5, Clarkston, Wash., is off to a swinging start as 1962 New March of Dimes Poster Child.

six months, however, she was to be brought back.

"We drove home sadly," Mrs. Brown relates, "trying to adjust ourselves to the tragedy of losing our beautiful baby. But our spunky Debbie Sue had no idea of leaving us at three months. At eight months, we returned to Seattle where her spine was mended. When she came out of surgery, she was so mischievous that she succeeded in wrenching free from the blood-transfusion tube and the needle used for intravenous feeding. Doctors told us she must lie face down on the night train riding home. Instead, she insisted on sitting up, jabbering without end and keeping all the passengers awake."

The Asotin County Chapter of The National Foundation—March of Dimes promptly offered assistance and, since 1958, it has financed much of the cost

of Debbie Sue's treatment, braces, medicines and the check-up trips to Seattle, the breadth of the state away. Happily, in her case serious crippling has been averted.

At least 250,000 infants are born yearly in the United States with birth defects—some even more severe than Debbie Sue's. The National Foundation, with March of Dimes financial support, is seeking the answers to this largest unmet childhood medical problem in the nation today.

When the 1962 New March of Dimes National Poster Child isn't scooting around the Lewis and Clark countryside with Daddy on his motorcycle, she plots how to provoke a proposal from Stevie, the six-year-old next door. Although it will be some time before she can consider marriage, Debbie Sue's idea is to get her man committed now.

In Memoriam

IN MEMORY OF W. H. BASKIN
Recently, when W. H. Baskin of Mullin, passed away, the world lost one of its most loved men. He accepted Christ many years ago and was faithful in the service of his Master until his death.
Bill Baskin couldn't remember when he didn't know God, for as soon as he was large enough to understand the workings of God's plans, he immediately set out to help see that they were carried out. He interested others through his services as deacon of the Baptist churches in the various places in which he lived. He further carried out this work through acting as Sunday School superintendent for so many years.
Bill's most outstanding characteristic was his kind feeling toward humanity. He believed the world was made for all of us and that we were his friends. He liked to visit and chat with all classes of people. In fact he had a great love for all humanity.
Another characteristic was his unselfishness. He always made it his business to see that the church finances came first, then he thought of those in need. He was always serving by his acts and deeds. He had no time for other people's business, but he always had time for their needs.
Bill was at ease with anybody, and he judged people by their hearts only. His was a life of teaching and example. He never condemned and he never sought revenge. No one ever left him without experiencing "newness of life."
The good of Bill's life will long be remembered and an inspiration to all of those with whom he came in contact, for the good men do most certainly lives after them—and on and on!

COUNTY HOME DEMONSTRATION AGENT

By RACHEL B. TRENT

EVENTS TO REMEMBER
Monday, December 4, 1961—The Goldthwaite 4-H Club will meet at 7:00 p. m., at the Methodist Church Fellowship Hall.
Wednesday, Dec. 6—The Mills

County Home Demonstration Council will give a Christmas Party for all H. D. Club members. It will be at 2:00 p. m. in the Mills County Youth Center.
Dec. 7 & 8—Your agent will be attending the annual Home Demonstration Agents' meeting in Abilene.

HELPFUL HINTS

If you have a candle too large or too small for the holder you want to use, dip it into hot water for a moment or two. Then it will be pliable enough to work into your holder.

If you want some excellent recipes using cooked or left over turkey, write your county Home Demonstration Agent.

THIRTEEN FESTIVE FOODS ON USDA'S DECEMBER LIST OF PLENTIFULS

Cooking, baking and festive eating get into high gear in December. It's a month for entertaining lavishly, at times, and informally on many occasions.

Thirteen versatile foods suited to either big dinners or quick snacks are listed on the U. S. Department of Agriculture's December list of plentiful foods. By using them extensively, Texas homemakers can serve tasty, attractive meals that reflect joys of the season, suggests Mrs. Rachel B. Trent.

A perfect Yuletide trio—turkey, cranberries and broiler-fryers—share top billing on the December list. Also to be available all month in abundance are pork, apples, fresh grapefruit, pecans, almonds, honey, vegetable fats and oils, peanuts and peanut products, pinto beans and rice.

The supply of each exceeds normal trade needs. Producers, processors and distributors will do everything they can to encourage full use of the abundance. Plentiful foods usually are more economical than items in tight supply.

Take turkeys and broiler-fryers for example. This year's turkey crop of 107 million birds is the largest on record—26 per cent more than a year ago. And prices on live turkeys have been at near-record lows. The same is true with broiler-fryers. Marketings are running 7 per cent more than a year ago. Storage holdings in September were 40 per cent higher. And prices paid to producers in mid-September hit a record low.

Comanche Trail Council Scouters Annual Dinner Meeting December 7

Howard T. Tellepsen of Houston will be the speaker. Mr. Tellepsen is President of one of the largest construction companies in the Southwest. He is a member of the National Council of the Boy Scouts of America and is past Chairman of the Region Nine Executive Committee of Scouting.

The annual business meeting, to be attended by Council members, will be held at 5 p. m. in the hotel with Firman H. Smith of Brownwood, President of the eight-county Council, presiding.

An informal reception for the ladies will be held at 5 p. m. in the hotel and a special program is being planned.

The Tarleton State College ensemble under the leadership of D. W. Morton, Director will play during the dinner and as a part of the program. Resume of accomplishments in 1961 and introduction of officers to serve in 1962 will be presented by W. Doyle Graves of Stephenville. Rev. Wallace J. Shelton of Brownwood will install the officers. Boy Scouts of Troop 78 of the Church of the Good Shepherd of Brownwood will have charge of the opening ceremony and Boy Scouts of Troop 32 of the Coggin Avenue Baptist Church of Brownwood will be in charge of the closing ceremony.

Special awards will be pre-

sented by Jodie E. Baker of Breckenridge, Charles Conrad of Goldthwaite, Frank Sayre of Eastland and Dr. H. H. Hargrove of Brownwood. John R. Wood will award the coveted Silver Beaver awards.

Dr. T. C. Graves of Goldthwaite will introduce the speaker, James D. King of Brownwood, Chairman of arrangements and program, stated res-

HERE'S WHERE YOU GET THE GOOD WORD ABOUT THE '62 JET-SMOOTH CHEVROLET

Jet-smooth ride 542 slim-roof styling

Jet-smooth ride, n. 1. The cloud-9 feeling of comfort that people in Chevrolets enjoy wherever they go. **2.** A supple Full Coil spring flexing at each wheel of a Chevrolet to absorb road shock. These are teamed with over 700 noise and vibration filters throughout the automobile so that the total effect is a ride of supreme quiet and smoothness. **3.** The reason why so many Chevrolet-owning families leave home ever so happily. **4.** A habit-forming pleasure for which no cure is known, wanted or sought.

new V8-skedaddle, n. 1. The result of touching an accelerator that's linked to one of Chevrolet's new V8 engines (also known as "six-skedaddle" when engine is Chevrolet's trusty 135-hp. Six). **2.** The moving power of Chevrolet's 1962 V8 engines. There are five of them, ranging from a standard 170-hp. version up to an optional-at-extra-cost 409-hp. powerhouse.

Body by Fisher craftsmanship, n. 1. The closest that a body manufacturer has come to the infinite care and skill of the jewelry maker. **2.** The art and science of designing and forming metal into the strong, solid body structure of the 1962 Chevrolet. Typical hallmarks are long, smooth sheet metal shapes without ripples or blemishes, neatly joined seams, and doors and trunk lids that are carefully shaped and fitted into place for easy opening and closing. **3.** Something you won't find in any other car in Chevrolet's field.

deep-well trunk, n. 1. The giant warehouse built into the rear of a 1962 Chevrolet. **2.** A trunk that loads at the bumper level and has a capacity of 29.7 cubic feet. It is built with an extra-deep recession in its floor so that it can easily accept odd-shaped outside objects.

comfort-high seats, n. 1. Thought by many to be the most comfortable things to happen to the bottom side of the human lap since dad's overstuffed armchair. **2.** Seats that are high enough to support and relax the thighs and weight-bearing muscles of the body (better for sitting, better for seeing). By providing resilient, deep-padded support throughout the backrest and seat itself, they bring on a remarkable feeling of comfort and well-being.

front fender underskirts, n. 1. An advance that's causing people to say things like "What won't those Chevrolet engineers come up with next!" **2.** Sturdy steel linings that are under the front fenders of 1962 Chevrolets to add extra protection against flying stones, mud, slush, road salt and that old bugaboo, corrosion. **3.** One of many ways the 1962 Chevrolet is built to stay beautiful.

rich new interiors, n. 1. One of the principal reasons why people step into the 1962 Chevrolets and promptly feel luxurious all over. **2.** An arresting combination of lovely, long-lived materials used in an elegant way to decorate the new Chevrolet's passenger compartment and tickle the fancy of its occupants. **3.** A harmonizing blend of the functional—such as the clean-cut, neatly ordered instrument panel—with the tasteful and the fresh.

slim-roof styling, n. 1. The clean-etched lines that typify the 1962 Chevrolet and contribute so much to its look of elegance. **2.** Sometimes followed by words such as "Wow!" and "Look at that, will you!" **3.** The happy result of inspired designers who are steeped in the art of using imagination and restraint.

One-Stop Shopping Center 543

One-Stop Shopping Center, n. 1. Where people go to get the most car for their money and get exactly the kind of car they want. **2.** A concentration point for the 33 cars Chevrolet offers for 1962. These come in three lines: The elegant new Jet-smooth Chevrolet which gives you just about everything you could hope to find in an expensive car—without the expense. The new-size Chevy II that brings you sensibility at its Sunday best via nine models, including a hardtop, sedans, a convertible and station wagons. The sporty new Corvair which retains the rear-engine traction and nimble steering that made it a rally star and adds many new touches to please people with sports-car fever and a budget to answer to. And the Corvette, which offers new refinements, new V8 power. **3.** Where '62 values are way up but prices are the same—or less—on comparably equipped models. **4.** A Chevrolet dealer's place of business, which includes a showroom manned by friendly and knowledgeable salesmen; a large, carefully stocked parts department; a modern service center where factory-trained mechanics ply

their skill; and best-buy OK used cars. **5.** The place where you enter a new world of worth in automobiles. **6.** Where most Americans go for a pleasant, instant cure the moment the new-car bug bites them.

You
need not
walk
alone

When was the last time you woke up in the morning and said to yourself "It's a great day to be alive"?

When was the last time you tossed a cheery "good morning" to your bus driver . . . or smiled at a stranger on the street?

When was the last time you felt that the world was really for you—helping you celebrate the good days and standing behind you when things were not so smooth?

You need not walk through life alone and annoyed with it. The strong companionship of deep religious Faith can be yours through regular weekly worship—with others who believe as you do.

In the peace of your church or synagogue, in the ritual of the service, in the quiet assurance of prayer you'll find the way to whatever is missing in your life.

"King" And "Queen" Are Selected At GHS Homecoming Saturday Night

The Goldthwaite Ex-Students and Teachers annual Homecoming last Saturday night was a big success judging from the number of members and guests present.

Festivities got underway at 5:00 o'clock with Mrs. Margie Manuel, Miss Mae Featherston and Maston Pribble in charge of registration. Mr. and Mrs. Delton Barnett were official greeters.

A covered dish supper was served at 6:30 with Del Barnett giving the invocation. After everyone had been served, Cecil Parker, vice-president, took over in the absence of president, Hawley Jernigan.

Highlight of the evening was naming of the Homecoming King and Queen. Mrs. Harold D. Roberson won the privilege of naming the "King" and she named her husband, then Cecil Locklear chose the "Queen," Mrs. Eula Nickols. They were escorted to the front of the room where they were crowned and seated on the two golden

thrones on the stage.

At the conclusion of the crowning ceremony, all classes ending in the year one were recognized.

Mr. Parker then turned the meeting over to Robert Burdette, program chairman, who in turn presented Mrs. R. W. (Pete) Hester, who entertained the group as only "Pete" can do with jokes and short stories. Mr. Burdette then called on F. P. Bowman to introduce the guest speakers, Hines H. Baker and Rex G. Baker of Houston, former citizens of the Big Valley community and who attended school in Goldthwaite in 1903. Both men made short talks as did Eugene Thompson of Dallas, a former student and one who never misses a homecoming.

After the talks and introductions of all present Harold Yarborough made a short speech on the book, "History of Mills County," this was the 1,000th copy of the book and he asked Delton Barnett to auction it off to the highest bidder. Mrs. Flora Gatlin Bowles who compiled the book was present and offered to autograph it for the lucky one. Delton did a good job of auctioneering and the book went to Dr. T. C. Graves on a high bid of \$32.00. Mr. Yarborough stated that the proceeds from the sale of the book would be equally divided between the Lions Club and the Memorial Cemetery Association.

At the conclusion of the program, the election of officers for the new year was held with Cecil Parker being elected president; Mrs. Anna Gene (Hale) Moreland vice-president; Bob Steen, re-elected treasurer; Miss Love Gatlin, re-elected secretary, and Mrs. Alma (Locklear) Williams re-elected reporter.

After the election of officers, Mrs. Flora Steen made a motion, which was seconded and passed to have a catering service serve the meal next year and all can make their reservations in advance.

Mr. Parker then called for a rising vote of thanks to the committees for the wonderful job they had done in preparation for the Homecoming. The meeting then adjourned for a period of visiting and meeting friends and former classmates. Those registering were: Mr. and Mrs. Lawson Griggs (Clara Corts), Fort Worth; Kyle G. Sims, San Saba; Mr. and Mrs. Weldon Barnett, Brownwood; A. M. Pribble, Lewis Eubank, Mr. and Mrs. Charles Frizzelle, Goldthwaite; J. H. Collier, Pasadena; Joe Boland, Houston; Harry Allen, Alma Locklear Williams, Cecil Williams, Goldthwaite; Mr. and Mrs. Rex Mahan (Pauline Harper), Brownwood; Mr. and Mrs. Bill Daniel, Mr. and Mrs. Oscar T. Burns, Mrs. R. W. House, Mr. and Mrs.
