Mr. and Mrs. S. E. Pass of Abilene visited his parents, Mr. and Mrs. E. L. Pass, Saturday night and Sunday. They also attended church at the First Baptist Church Sunday.

4% Interest On Savings Now At Mills County State Bank

Mills County State Bank will pay four per cent interest on Savings Accounts starting January 1st, it was announced this week by W. P. Duren, president of the bank.

The four per cent will be paid on all savings accounts on deposit with the bank for one year or more, according to the announcement. Savings accounts of less than one year will draw 3½ per cent interest.

Mills County State Bank has followed the trend of city banks in boosting the interest paid to savers. This gives Goldthwaite and Mills County savers the top

5TH SUNDAY SINGING AT CENTER CITY

The annual 5th Sunday singing will be held at the Center City Baptist Church, December 31, from 2:00 until 4:00 o'clock. Everyone has a most cordial invitation to attend.

The following persons each donated a kid goat for the barbecue: Bill Murray, George Caldwell, H. G. Gibbard, Ray Lindsey, Charm Whittenburg.

A. R. Whisenhunt, Bruce Scott and John Smith. Each and everyone is invited to attend the show and enjoy a good barbecue lunch.

Veteran Banker, E. D. Hamilton, Buried Here Friday, December 22

Funeral services for Edgar Dumble Hamilton, one of Mills County's leading citizens, were held in the First Baptist Church of Goldthwaite Friday afternoon, December 22, 1961, at 3:00 o'clock.

Services were conducted by Rev. Presnal H. Wood, pastor of the Crestview Baptist Church of Midland assisted by Rev. George B. McCrary, pastor of the First Methodist Church of Goldthwaite, Mr. and Mrs. Lee Birdsong of Killeen, former Educational Director of the First Baptist Church of this city, were in charge of the music.

Burial was in Goldthwaite Memorial Cemetery under the direction of the Roy Wilkins Funeral Home and the Hamilton Funeral Home of Evant.

Mr. Hamilton was born in Gatesville October 13, 1899, son of the late Mr. and Mrs. T. E. Hamilton, and passed away in Childress Clinic and Hospital in Goldthwaite December 20, 1961. He had been critically ill since August 14th when he first entered the hospital.

He moved to Star in 1901, residing there until he graduated from high school. He attended Howard Payne College in Brownwood, majoring in Business Administration. He was in Officers Training School during World War I.

At the age of 14, Dumble joined the Presbyterian Church and in 1956 joined the First Baptist Church of Goldthwaite with their son, Glenn. He was a charter member of the Men's Downtown Bible Class and had served as secretary since its organization. He was also a member of the Star Masonic Lodge.

A veteran Central Texas Banker, Hamilton started with the local bank in July 1921 and at the time of his death was Cashier of Mills County State Bank. He left for a time when he went to First National Bank in Brownwood in 1927, then to San Angelo National in 1928, returning to Goldthwaite in 1932.

DUMBLE HAMILTON

On June 18, 1939 he was married to Jane Archer Brim of this city. In 1954 they adopted a son, Glenn Hamilton.

Survivors are his wife, Jane Hamilton; one son, Glenn; three sisters, Mrs. Maurine Soules and Mrs. Lucille Hurst, both of Star, and Mrs. Thalia Shelton of Katy; a number of nieces, nephews and a multitude of friends.

Pallbearers were S. D. Jernigan, Charlie McLean, W. P. Duren, Will P. Woody, Ed Gilliam, C. A. Keeler, all of Goldthwaite; Pete Kirby, Lometa and Jim Soules of Star.

School Bells Ring Out Again

Mills County school children and faculty members will conclude their Christmas and New Year's vacation this weekend and will return to classes on Tuesday and Wednesday.

Goldthwaite, Star and Priddy schools will open on regular schedule Tuesday morning, January 2, 1962. Mullin school classes will be resumed on Wednesday morning, January 3.

WWI Veterans Elect Officers

Mills County Barracks of World War I, Inc., No. 1564, at their regular meeting December 15, elected the following officers:

Ercher McCasland, Commander; Harry Oglesby, Adjutant; Marcus W. Trotter, Quartermaster; Koehn Harrell, Sgt.-At-Arms; L. E. Lane, Trustee; Earl Welch, Trustee; W. J. Rickel, Trustee and L. B. Porter, Service Officer and Chaplain.

Santa Made Special Effort To Visit Everyone In Mills County

Santa made a special effort again this year to visit everyone in Mills County, with the help and support from the Lions Club, Mills County Ministers' Association and a group of volunteer workers.

The Lions Club provided toys and fruit for needy children and for elderly citizens. List of places to be visited by Santa were furnished by members of the Ministers' Association and the Department of Public Welfare office.

Preparation of toys, fruit and the list of stops were made by a committee composed of Mrs. Bill Whit, secretary, Department of Public Welfare office, Mrs. Rachel Trent, Home Demonstration Agent, Mrs. Norman

Committee Issues Appeal For Mills County Park Fund

The Committee in charge of development of Mills County Park this week issued an appeal to citizens for financial support to insure a continued program of maintenance and improvement for the park.

W. P. Duren, chairman, announced that letters were mailed to approximately 400 citizens, soliciting their aid. He said the need is urgent, since the fund fell \$500 short of reaching the goal to provide enough money for park maintenance the past year.

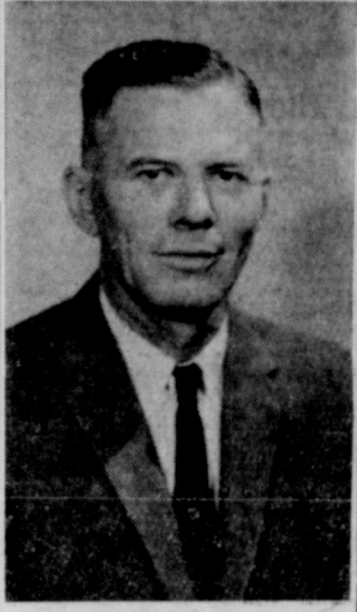

The park committee is faced with the problem of raising \$2,000 to take care of this deficit and provide funds for the coming year.

Much progress has been made the past two years in maintaining the park and providing permanent improvements — much

more needs to be done. The park is being used and enjoyed by many throughout the year.

The appeal is made at this time to give contributors an opportunity to get it in before the end of the year for tax purposes.

RAYMOND E. CASBEER District Deputy

Raymond E. Casbeer was appointed District Deputy Grand Master of the 114th Masonic District at the 125th annual Communication of the Grand Lodge Of Texas. The district is composed of Lodges in Center City, Goldthwaite, Star and Mullin. He is a Past Master of Center City Lodge No. 558 and his term of office will expire in December 1962. Casbeer succeeds Will J. Rickel of Star Lodge.

the park project, whether they live in Mills County or not, or whether they receive letter from the committee, are invited to send in their contribution.

Following is copy of letter mailed by the committee:

"Dear Friend: "Mills County Park fund fell \$500.00 short of reaching the goal to provide enough money for park maintenance the past year.

"Your park committee must raise \$2,000 to take care of this deficit and provide funds for next year.

"A number are contributing one dollar per month (\$12.00 per year) towards this goal.

"The money is being used principally to pay a grounds keeper for the entire year, or at least through the growing season.

"We hope you will join us by contributing, that the Mills County Park will continue to be improved and beautified.

"You may make your payment to Mills County State Bank or to any member of the committee. Contributions of more than \$12 are urgently needed and will certainly be appreciated.

"Make your check payable to the Park Fund—we understand it can be used as a tax deductible item for tax purposes. A self addressed envelope is enclosed for your convenience.

"We thank you and invite you to make use of the park for your picnics, outings, and outdoor entertainment."

Sincerely,
PARK COMMITTEE,

New Social Security Tax Rate Goes Into Effect January 1st

On January 1, 1962, a new social security tax rate goes into effect for nine out of ten working people.

For employed people the 1962 rate is 3 1/8 per cent for employee and employer, a total increase of one-fourth of 1 per cent. For self-employed people, the new rate is 4.7 per cent, an increase of three-sixteenth of 1 per cent. The maximum taxable earning remains \$4,800 during the tax year in earnings, net income from self-employment, or a combination of both.

In dollars and cents the increase means that an employed person earning \$4,800 or more during 1962 will pay \$150 in social security tax instead of the \$144 he paid on these earnings in 1961. With 52 weekly checks totalling \$4,800, about 12 cents more will be withheld from each check. His employer's tax will also be about 12 cents more

a week. A self-employed person netting as much as \$4,800 will pay \$225.50 instead of \$216 for the year. Spread over 12 months, this is about 79 cents more a month, or by the calendar quarter, \$2.38 more.

In line with its policy of setting a schedule of social security tax rates sufficient to meet the cost of all present and future insurance benefits, the Congress provided for the increase to finance four significant program changes effective with the 1961 amendments signed by President Kennedy late last June. These changes:

1. Enabled men to apply for reduced old-age insurance benefits at age 62.
2. Increased by about 10 per cent monthly benefits due 62-year-old or older widows getting benefits on the accounts of their husbands, and dependent widowers and dependent parents.
3. Increased the minimum old-age benefit payable to a 65-year-old or older retired worker or to a sole survivor of a deceased worker from \$33 to \$40 a month, with corresponding increases for dependents and other survivors of workers due less than \$40 a month in uncredited benefits under the old law.
4. Reduced the amount of work needed to qualify for benefits, allowing many workers, dependents, and survivors who were not eligible under previous work requirement provisions to get benefits.

**Kolebers Entertain
Eagle Staff With
Christmas Party**

Mr. and Mrs. Vic E. Koleber entertained the Eagle Staff and their guests with an annual Christmas party and dinner at McLean's Coffee Shop Thursday night, December 21. The Christmas theme was carried out in table decorations and the many beautifully wrapped Christmas packages.

After a delicious dinner Carolyn Kelly was Santa Claus' helper and presented the gaily wrapped gifts to the following:

Mr. and Mrs. Arnold K. Kelly, Kenneth Dale and Carolyn; Misses Elsie Ruth Crumley, Abbie Ervin, Ruth Ervin, Roy Lee Hill and Truman Hill, and the hosts, Mr. and Mrs. Koleber.

The members are: Mrs. Harvey Hale, Mrs. Walter McFall, Mrs. Ellen Galloway, Mrs. Lena Reynolds, Mrs. Stacy McCasland, Mrs. Ruby Ross, Mrs. Dutch Smith, and Mrs. H. J. Leonhard.

LAUNDRY HINTS

Add a small amount of paraffin to hot starch to keep it from sticking to the iron.

Never touch an iron directly to pile fabrics such as velvet and corduroy. They should be steamed to bring up the nap of the fabric.

To wash jeweled neckwear and gloves without damage, shake them in a jar half-filled with warm, sudsy water. Use the same method in rinsing. Then roll in a towel and dry on a flat surface. Press with a steam iron.

Food Marketing Tips

Now that the Christmas season is almost gone, the busy homemakers will welcome food marketing tips. Quality on most fresh vegetables is good and prices, as a rule, are reasonable. Collards, mustard, turnip greens, potatoes, cabbage, yellow onions, rutabagas and carrots are low in cost per serving. The fruit counter is well laden with juice oranges, red grapefruit, cranberries, bananas, avocados, apples and tangerines. Buy tangerines in small quantities—they are not good keepers. Pecan prices vary but you can find good values in pecans in the shell as well as the shell-ed pecans. There is plenty of turkey at low prices. Fryers remain an excellent value in most meat departments. Eggs are high in food value and one of the better protein values.

A Happy and Prosperous New Year to all.

Community News From Mullin

By MRS. JOHNNIE HOLLAND

Today is Christmas Day. Everything is very quiet in Mullin except for a few firecrackers, and now and then a car passes the house. My Christmas letter will not come until next time; however my family had our Christmas dinner at my mother's yesterday (Sunday), at De Leon. We had a very nice day. Sickness prevented some of the family from coming to my mother's. We happen to be a large family (three girls and four boys) and when we all get together the house is full.

A Christmas program was held last Sunday night at the Baptist Church. It was presented by the little children of the church. A nice crowd was present to enjoy the program.

Dennis King who is attending Tarleton State College at Ste-

phenville is home for the holidays visiting with his parents, Mr. and Mrs. Talmadge King.

Mr. and Mrs. Bob Parker of Kermit are spending the holidays in Mullin visiting with her parents, Mrs. Grady Hancock and Mr. Hancock. They are also visiting relatives around Goldthwaite.

Mr. and Mrs. Glynn Gavin and little daughter, Teresa of Midland, are here spending the holidays with her parents, Mr. and Mrs. Glen Calder, Ronald and Darlene.

Mrs. Lloyd Hancock of Gatesville is visiting in Mullin with her mother, Mrs. Emma Hart, J. T. and family.

John Shelton from near Houston has been visiting here with his father, Mr. Frank Shelton, Dew and family.

We extend our sincere sympathy to the loved ones of Mrs. Ida Martin in their loss.

Mrs. Lonnie Williams is visiting at Sherman with her daughter, Mrs. Jimmy Wilkins and family.

Pfc. Carroll Lockett, with the Armed Forces stationed in Germany, is spending the holidays in the States visiting with his parents, Mr. and Mrs. Bert Lockett. They have all been visiting in Mullin with friends and relatives.

Mrs. Vesta McCormick, accompanied by Mr. and Mrs. Oran Coor of Eola, and Mr. and Mrs. L. S. McCormick Jr. and family, Bobby McCormick, and Mrs. Katie Pyburn. They are also visiting with Mr. and Mrs. Alva Masters and family of Greenville.

Miss Betty Sue Craven and her brother, Billie Craven, are spending the holidays at Greenville with their parents. Betty Sue is the Home Economics teacher in Mullin and Billie is a senior student in the high school here.

Mr. and Mrs. Walter Summy Jr. and children of Calgary, Alberta, Canada, are spending the holidays with his parents, Mr. and Mrs. Walter Summy Sr.

The Christmas holidays have been warm and pretty.

There was a program at Trigg Mountain Baptist Church and a Christmas tree. Also a visit from Santa Claus.

Mr. and Mrs. J. S. Ivy, who have been on the sick list, are much improved at this time. Their guests Christmas Day were Mr. and Mrs. Knox Coffy of Lampasas, Mr. and Mrs. D. C. Ivy and Jerry, Mr. and Mrs. William Ivy and family of Priddy and R. G. Ivy of Fort Worth.

George and Pearl Crawford enjoyed a turkey dinner with all the trimmings Christmas Day with Mr. and Mrs. A. L. Crawford and William G.

Alvin G. Tiemann attended a birthday party for Clarence Greele Thursday night. They went hunting and killed a ring-tail, "Happy Birthday" Clarence and we wish you many more.

Mrs. O. Brown and Mrs. Victor Williams went to San Antonio last Friday and Miss Wanda Williams accompanied them home for a holiday visit with homefolks.

Mr. and Mrs. Grover Dalton were recent guests of Mr. and Mrs. W. A. Berry. We were happy to learn that Mr. Berry's health is improving satisfactorily.

Mr. and Mrs. George Adams of Bryan spent the holidays at old Barton home. They visited Mr. and Mrs. Hugh Nowell, other relatives and friends.

It was nice seeing Joe Dennis in Goldthwaite Saturday. He was visiting his father, Frank Dennis, who celebrated his 92nd birthday, the 23rd. Mr. Dennis was also enjoying visiting old neighbors and friends Christmas Eve.

The golden wedding celebration of Mr. and Mrs. Lonnie McCarty at Priddy was a very happy occasion.

Mrs. F. H. Tiemann visited Mrs. McCarty last Tuesday and found her doing nicely and overjoyed at seeing so many of her loved ones. We all send our best wishes to them and wish for them many more happy reunions with loved ones.

We're seeing in the New Year by thanking all of you whose friendship we so deeply cherish. We wish you and your loved ones the best of everything throughout '62 and ever after.

Mothers-to-be Must Diet Properly, March of Dimes Research Shows

No doubt many a healthy young mother-to-be has wondered why her doctor puts so much emphasis on proper diet during pregnancy—especially if she's never been ill a day in her life, and she has a yen for wholesome foods.

But there's good reason for it. More and more it's becoming evident that for the sake of her child a pregnant woman must have a diet adequate in vitamins and minerals, particularly in the early stages of the baby's development.

The reason lies in the dread words: birth defects. Until about 29 years ago, scientists generally went along with the idea that birth defects in higher animals—and that includes man—were due for the most part to heredity. So if a baby had picked out the right ancestors, he had a better than good chance of coming into the world perfectly normal, and sound of mind and limb.

Complex Factors Involved
Today, however, doctors know the story is not that simple. An increasing number of studies have shown that a wide variety of factors play a part in the birth picture. If a mother gets either too much or too little of such vital substances as hormones, oxygen, minerals or vitamins during certain stages of her pregnancy, the baby may fail to survive, or may be born malformed.

Timing Is Critical
When Dr. Nelson puts the normal pregnant animals on such a folic acid-deficient diet during the second week of their pregnancy, at least 80 per cent of the embryos die or are malformed. However, if she carries out the same experiment about a week earlier or a week later, the young appear to suffer no adverse effects, thus underlining the importance of proper diet at the critical stages of pregnancy. In a woman, the comparable period of pregnancy extends primarily from the second to the eighth week of the baby's development.

Radioactivity Used
Dr. Nelson has also obtained a high incidence of skeletal defects in young rats when the

Dr. Marjorie Nelson, March of Dimes grantee at the University of California, inspects research specimens under the microscope. It's part of her study to determine the influence of vitamin and mineral deficiencies as causes of birth defects.

In her San Francisco laboratory Dr. Nelson has demonstrated that even a temporary deficiency of a vitamin such as folic acid during early pregnancy can cause birth abnormalities in these young laboratory animals. The defects may range from the relatively minor to the very severe which include brain damage, displacement of intestinal organs, cleft palate or serious malformations of the heart and eyes.

Birth Defects Treatment Centers
These are supported on the local level by The National Foundation's chapters. In addition, Birth Defects Clinical Study Centers are located in Oklahoma City; Nashville, Tenn.; and Columbus, Ohio. These Centers are maintained on a national level with March of Dimes funds which are being applied by The National Foundation to continue support and expansion of such Centers for the development of total medical care for youngsters afflicted with congenital defects.

mother animal's diet was deficient in the mineral manganese. She is extending these studies with support from The National Foundation—March of Dimes using radioactive material in the diet to trace what goes wrong inside embryonic cells to hinder their normal development.

According to Dr. Virginia Appgar, director of the division of congenital malformations of The National Foundation, "Dr. Nelson's project has a direct bearing on the question of birth defects in humans. It is definitely known, for example, that severe folic acid deficiency in a woman can lead to loss of a baby during early pregnancy."

And as Dr. Nelson has pointed out, equally significant, the congenital malformations in the young animals that survive are irreversible. No amount of vitamins given later in pregnancy can undo the damage once a deficiency has occurred during the critical period of pregnancy.

Clinics Are Established

Because of the increasing problem of birth defects—it is now estimated that significant malformations occur in one in every 16 babies born in this country—each year—the National Foundation—March of Dimes has recently established a number of Special Treatment and Clinical Study Centers for coping with this crucial medical question. The Birth Defects Treatment Centers are in Jackson, Miss.; Atlanta, Ga.; Seattle; Portland, Ore.; San Francisco; Little Rock, Ark.; Indianapolis; Morgantown, W. Va.; New York City; Baltimore; and Washington, D. C. These are supported on the local level by The National Foundation's chapters.

In addition, Birth Defects Clinical Study Centers are located in Oklahoma City; Nashville, Tenn.; and Columbus, Ohio. These Centers are maintained on a national level with March of Dimes funds which are being applied by The National Foundation to continue support and expansion of such Centers for the development of total medical care for youngsters afflicted with congenital defects.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

By ELGIN SMITH

Wildlife, Like Livestock, Needs Extra Care During Winter Months

Nature gave us wildlife for our food and enjoyment. With it she gave us the job of providing for the wildlife and keeping it, the livestock, and the forage all in balance. All of which adds up to "conservation farming and ranching." If we take care of the land for soil and water conservation, it will take care of the wildlife. Wildlife is a necessary part of nature's plan just as are minerals, plants, water and soil. Abuse any part and you upset nature's balance.

Most of us are about to forget about deer and turkey hunting and soon will forget about quail hunting until next fall. What about the wildlife that is left? Will it last through the rest of the winter to produce hunting prospects for next year?

It is an accepted fact that to prevent excessive loss of weight, livestock have to be fed at least a few days in the winter, even when on good range. They have to be fed many days on short range. Have we ever stopped to think what effect this good or poor range will have on our wildlife?

During the hunting seasons, we may find hunters feeding deer and turkey near their deer stands. We find quail feeders for quail. However, the deer and turkey season ends Dec. 31 and the quail season ends Jan. 16. After these dates those feeders usually run empty.

How does our range look at that time of year? The warm season plants are dormant and will remain dormant into March. There will be some winter grass and maybe some annual grasses and weeds if conditions are favorable.

When conditions are not favorable, the food must come from forage and seed saved from last summer and fall. If this food is not available, the wildlife either moves to a place where food is available or starves to death. Biologists tell us that on the average, about 10 per cent of the quail that are hatched are killed by hunters. The remaining 90 per cent die from starvation, predators, and accidents. Plenty of food and cover can change those figures.

In areas with high deer populations, we find that the numbers build up during better years and have huge die-offs on bad years. The die-offs are higher on over-grazed ranges. This dead wildlife doesn't help any of us. To prevent it we need to keep the forage, the livestock,

and the wildlife all in balance.

and the wildlife all in balance.

In the Brown-Mills Soil Conservation District, we know that a hundred-acre pasture will not support 50 cows and calves all year. Nor will it support five cows and 200 deer. It wouldn't run that many deer alone. Nor will one acre carry 1,000 quail all year.

To find what a range will carry, it is necessary to make

months and saving profits which otherwise go for winter feed. The deer are replacing our livestock or cash crop, so they need to be kept in balance by harvesting rather than die-off.

Quail are not giving our livestock competition, but the stock can give the quail competition. Quail will help us by eating insects, but they need cover and protection. They can get this on properly used ranges and ranges that are deferred. Many odd areas in fields can be fen-

Teen-Agers Add Lively Lift To New March of Dimes Drive

Slave auctions in this Civil War Centennial Year?

It can—and does—happen here, with the flower of American youth on the block.

But in this century, there's a difference. Now it's all in a good cause. Members of the New March of Dimes Teen Age Program (TAP) auction their services to the highest bidder among local merchants. The money goes to support The National Foundation—March of Dimes attack on birth defects, arthritis and polio.

It's all part of TAP members' lively approach to volunteer community service. They also sponsor walkathons (shades of the Thirties!) in which teams from rival schools move toward the finish line as dimes are contributed. They dance for dimes at casual sock hops and formal balls, man concessions at school sports events, and hold community car washes.

Through such ingenious fun-for-funds projects, TAPs raised nearly three-quarters of a million dollars during the 1961 March of Dimes.

For the 1962 New March of Dimes in January, tens of thousands of the youthful volunteers are literally "on TAP." In more than 75 per cent of The National Foundation's 3,100 local county chapters, active TAP committees are determined to hit new highs in fun as well as funds.

Adult advisors who work with TAPs point out that underlying the outward frivolity of the teenagers' projects is a deep awareness of the need for increased research and progress in the fight against crippling birth defects, arthritis and polio. During the year, many youngsters assist in local patient services by reading to disabled children, writing letters for severely crippled arthritides or working as hospital aides.

A prime year-round responsibility of TAP members is distribution of information about National Foundation Health Scholarships to students in high schools and colleges. Each year, more than 500 four-year scholarships with a full value of \$2,000 apiece are offered for study in medicine, nursing, physical therapy, occupational therapy and medical social work. TAP members know the desperate need to reduce the shortage of manpower in the health professions by encour-

TOP TEEN—Katherine Anne (Katie) Keith, 18, of Columbia, Mo., has her hands full as newly-appointed chairman of the 1962 New March of Dimes Teen Age Program (TAP).

aging students to undertake careers in these fields.

Leader of the Teen Age Program for the 1962 New March of Dimes is national chairman Katherine Anne Keith, 18, of Columbia, Mo. Blonde, brainy and born to be busy, Katie will handle her major responsibilities as top TAP while she pursues an ambitious freshman schedule at the University of Missouri.

On the basis of past performance, juggling scholarship and volunteer service won't intimidate Katie. She was 1961 Missouri state TAP chairman during her strenuous senior year in high school. Under her leadership, Missouri TAPs showed record gains in membership, services to chapters and funds raised for the March of Dimes.

At the same time, Katie maintained grades that ranked her third in her graduating class of almost 300 students. She was a National Merit Scholarship finalist and received the Kiwanis Good Citizenship

award. She was business manager—and occasional sports-writer—for the school paper, treasurer of the National Honor Society, queen of the major social function of the school year, had a lead role in the school play, "Teahouse of the August Moon," and actively participated in math, history, English and French clubs.

She also teaches a Sunday School class at Missouri Methodist Church in Columbia.

After a summer in Europe, including study at the Sorbonne in Paris, the energetic Katie began to plan for a banner year of TAP activity for the March of Dimes.

"Teenagers who are looking for a sense of satisfaction along with fun and friendship are missing a bet if they don't check TAP activities in their local March of Dimes chapters," she said. "A TAP committee isn't just another youth organization—it's not merely a club to serve youth. Instead, it gives us an opportunity to serve our communities."

NEWS WORTHY

One of Texas' finest, and most popular press rooms is in itself news worthy and truly a sight well worth seeing.

This press room accommodates 142 reporters and 20 photographers. As if that weren't enough, there are also facilities for six broadcast teams and 40 Morse and teletype operators. Nothing like getting the news out fast and with broad coverage.

Photos need to go out fast too, so two darkrooms are available for the use of the cameramen. There are also wire photo facilities for sending the photos direct from the press room.

Where is this great press room? In the Texas Capitol? Wrong.

This is the press box that hovers 130 feet above the playing field at the Cotton Bowl in the State Fair grounds at Dallas.

ARCH OF FUN

Forming a 600 mile arch, the Texas coastline on the Gulf of Mexico is a paradise in fun and relaxation for year-round living.

Tremendous business opportunities have brought a huge upsurge of residents and development and the tourists increase every year.

Boating, fishing, swimming, shell collecting, gull feeding or just taking in the beauty of the area and enjoying life, the Gulf Coast is unsurpassed.

Not the least of the attractions is the fabulous Padre Island.

This 100 mile long sliver of sand dunes and beaches is the longest remaining stretch of undeveloped coast line in the nation. Its unspoiled beauty is in itself perhaps one of the most talked about assets of the Gulf Coast area.

Its attraction is none the less diminished by the tales of buried pirate treasure from the former inhabitant—the pirate Jean LaFitte.

PUT YOUR LITTLE FOOT RIGHT HERE

White man first set foot on Texas soil in 1528.

Since then, Texas soil has felt an ever increasing traffic of new feet. Between 1836 and 1845 for instance, immigration from the United States to Texas almost quadrupled the population.

Now Texas stands as host to some of the nation's leading population centers. The 1960 census rated Houston sixth in the nation.

Texas has, by history, seemed to always attract those seeking that special friendship or that exciting opportunity so well known throughout the world as uniquely characteristic of Texas.

COURTIN' IN THE GROVE

History tells us that the first District Court in Parker County was held in 1856.

Most unusual is the fact that in the beginning it was an outdoors court. Hearings were held in a post-oak grove alongside the old Fort Worth and Fort Belknap Road.

Presiding judge was Nathaniel Burford.

A monument now marks the

spot, some six miles north of Weatherford.

PIONEER WOMAN STATUE AT TWU

What better setting could there be for the impressive Pioneer Woman Statue than on the campus of Texas Woman's University in Denton, some 20 miles north of Dallas?

And, what more appropriate words could have been chosen, to help guide the young women of today, than those appearing on the statue's base?

It reads: "Marking a trail in a pathless wilderness, pressing forward with unswerving courage, she met each untried situation with a resourcefulness equal to the need, with a glad heart she brought to her fron-

tier family her homeland's cultural heritage. With delicate spiritual sensitiveness she illumined the dullness of routine and the loneliness of isolation with beauty and with life abundant, and withal, she lived with casual unawareness of her value to civilization. Such was the pioneer woman, the unsung saint of the nation's immortals."

WANT COTTON BOWL TICKETS?

Sorry, all sold out. These words have fallen on many a disappointed ear belonging to a would-be Cotton Bowl attendee.

To help decrease the number of disappointed, the Cotton Bowl has twice been expanded. Once in 1498 by adding 21,924 seats and again in 1949 by the addition of 7,073 seats.

Realizing the competition for tickets, sales for the bonds to finance the expansion of the Bowl were spurred by promising bond and option holders

priority on tickets.

It worked, too. And now 19,982 Cotton Bowl seats are set aside and given priority to the holders of the bonds and options. These priorities last for 20 years.

Bond holders of 1948 receive priority to buy one ticket for each \$100 bond held. The other priority goes to those who paid \$50 for a ticket option in 1949 to finance the construction of the east deck. The option holders' priority is limited to the upper deck tickets.

A FRUITFUL PROBLEM

It has been said that the world is best known by its inconsistencies.

Orange County, in Southeast Texas on the Louisiana border, is the bearer of one such inconsistency.

Someone pulled a lemon out of the crop of towns in Orange County, for there we find a fine little village with the very distinctive name of Lemonville.

Austin, Texas — Announcement that John B. Connally was resigning his post as U. S. Secretary of the Navy to run for governor caused a bit of confusion and conjecture in the Capital City.
Attorney General Will Wilson, also an announced contender, referred to Connally's candidacy as "a Washington fairytale." He recalled his October 9 prediction that Connally would run with Governor Price Daniel's blessing. Wilson doesn't believe Daniel will now bid for a fourth term.
Governor Daniel says he appreciates Connally's courtesy in advising him of his decision before making it public. He told Connally he would extend the same courtesy, "when my decision is made." Daniel says, "He (Connally) is an able man and my high regard for him will continue even though we end up as candidates for the same office."
Senator Ralph Yarborough, also mentioned as a possible candidate, says he won't make a decision "until after Congress convenes January 10."
Houstonian Don Yarborough has a lot of liberal encouragement to run for governor, but may run as lieutenant governor. Already in the Governor's race is Marshall Formby of Plainview.
Nearly 600 paid \$12.50 each to hear Republican gubernatorial candidate Jack Carr and Republican Senator John Tower at a dinner in Austin's Municipal Auditorium.
TOURIST COUNCIL READY
The 22-member executive committee of the proposed Texas Tourist Council has drafted a bill for advertising funds.
Chairman W. Price Jr. says the bill will be introduced at the January 3 special session of the Texas Legislature... providing Governor Daniel enlarges the scope of the session to encompass more than escheat legislation.
Tourist bill calls for \$300,000 in state money from the General Revenue Fund. Council will attempt to raise \$200,000 in contributions to complement the program.
Harold Robbins of San Antonio was named chairman of the constitution and by-laws committee. Others on the committee include Rep. Joe Ratcliff of Dallas; Callan Graham and H. C. Pittman of Austin and J. W. Burton of Decatur.
Steve Matthews of Austin will head an organization and nominations committee which includes Scott Hardy of San Antonio, John Ben Shepperd of

Odessa, J. A. Jameson and Charles Simons of Dallas, Ed St. John of Austin, and Bob Conwell of Corpus Christi. Price and Tom Taylor, Highway Department Travel Director, will serve as consultants both committees.

HOLIDAY GUESTS IN LOCKLEAR HOME

Mr. and Mrs. Clabe Locklear had the following guests during the Christmas holidays: Cecil Locklear, Grove City, Ohio; Mr. and Mrs. Clyde Locklear, Hot Springs, Arkansas; Mr. and Mrs. Jack Locklear and children, Brady; Mr. and Mrs. Wayne Locklear, Weatherford; Mr. and Mrs. Tommy Locklear and little son, Andy, of Denton; Mr. and Mrs. Cecil Williams, City.

Other guests than the above named children and grandchildren were: Mrs. Marjorie Locklear, San Saba; Mr. and Mrs. Ward Locklear, Austin and C. H. MacMillan, Oklahoma City, Oklahoma.

Cecil Locklear left Christmas Eve to spend part of the holidays with his wife and daughter, Jane, in Ohio, before returning to Brady where he is spending the winter.

Misses Abbie and Ruth Ervin spent Christmas in Coleman with relatives, and were accompanied home by their sister, Mrs. Mae McMillon.

MRS. GEORGE WESLEY JACKSON

Miss Beverly Ann Maritt Becomes Bride Of George Wesley Jackson

Miss Beverly Ann Maritt became the bride of George Wesley Jackson, Friday evening, December 22, in the chapel of the Highland Baptist Church, Dallas. The impressive ceremony was performed by Dr. C. B. Jackson, uncle of the groom.

The parents of the bride are Mr. and Mrs. Earl D. Maritt of Bartlesville, Oklahoma, and Mr. and Mrs. John A. Jackson of Goldthwaite are the parents of the groom.

Mrs. J. M. Keaton, organist, provided a program of traditional wedding music.

The white floral arrangements on either side of the church altar consisted of white stock, mums and carnations, highlighted by tiered candles. The bridal aisle was marked with white satin bows. Don Maritt, brother of the bride, lighted the candles.

Escorted to the altar by her father, the bride wore a gown designed with applique French peau d'ange lace over peau de sole on the upper bodice and three-quarter length sleeves. The Moyan age neckline was outlined in scallops of the lace design. This treatment followed at the lower bodice and small gores of peau de sole formed the waistline. The bouffant skirt was caught up in deep inverted pleats at the back and the small bows of self material which trimmed the sleeves extended down the back of the dress into a court train. A spray cap of orange blossoms secured her tiered veil of silk illusion. Her bouquet was a cascade of white rosebuds.

Mrs. David L. Hemsell, sister of the bride, of Kansas City,

Kansas, was matron of honor and Miss Janie Mitchell of Dallas, was her only bridesmaid. Each wore ruby red silk chiffon with Grecian crushed bodices accented by wide contour belts. They wore white feather mariboe half hats with matching muffs.

Charles A. Robison of Oklahoma City was best man. Assisting in seating the guests were William N. McDaniel, Dallas; Don Maritt, Bartlesville; Austin Glover, Jr. Austin, and Ralph B. Taylor and Robert A. George, both of Dallas.

Assisting at the reception in the church parlor were Miss Eve Hughes, Miss Carolyn Wallace and Miss Barbara Lynn Wright, all of Dallas; Mrs. Grover E. Smith of Liberty, sister of the groom was in charge of the guest book.

For a short wedding trip the bride chose a burnt orange wool, two piece suit dress with black accessories. On their return they will live at 4412 Cole Avenue, Apartment A, Dallas.

The new Mrs. Jackson is a graduate of Oklahoma State University and a past president of Gamma Phi Beta social sorority. She is presently employed by Texas Instruments Inc., of Dallas.

Mr. Jackson is a graduate of the University of Texas and is an employee of the J. W. Bateson Company Inc., of Dallas.
