School Bond Election This Saturday For Proposed Improvement Program

Patrons To Vote On \$93,000.00 Bond Issue And 25¢ Tax Increase

Voters of Goldthwaite independent school district will vote this Saturday, April 6, on a bond issue and tax rate increase to finance a \$93,000.00 school improvement program.

The two-fold program has been presented by the board of education after a long period of study and planning to provide building facilities that will meet minimum accreditation standards as set up by the Texas Education Agency and approved by the State Board of Education.

Physical education building at the Elementary school will provide all purpose room of about 40 by 60 feet and dressing rooms and storage space. It will be located east of the north end of the elementary building which houses the school lunchroom.

The present gym entrance will be remodeled providing a 13 foot addition at the front of the gym, and modernizing the dressing rooms.

COST ESTIMATED AT \$93,000.00

School officials have announced that the cost of these improvements based on plans as presented will be an estimated \$93,000.

TAX RATE INCREASE

In addition to the bond issue, school patrons will also vote on a 25 cent increase in the tax rate to retire the bond issue. This would increase the tax rate from \$1.50 to \$1.75 per \$100 valuation. The bonds will be retired over a 25 year period with this increased tax rate on present school tax roll.

The school's tax rate at present is \$1.50 per \$100 assessed valuation on the tax roll. Of this amount \$1.10 goes for maintenance and operation and 40 cents goes for bonded indebtedness.

The additional 25 cents per \$100 valuation will be broken down with 15 cents going for bonded indebtedness and 10 cents for maintenance and operation.

The bond election was called by the board of trustees after a petition, signed by 107 patrons of the district, was presented to the board requesting that an election be called.

The election will be held in the Commissioners Courtroom in Mills County courthouse with polls open from 8 a. m. to 7 p. m.

All regularly qualified voters of the district who have property rendered for taxes with the school district tax assessor-collector are eligible to vote in this election. The term property covers real estate or personal property.

IMPROVEMENTS

The proposed improvement program will provide a new vocational agriculture building, new band hall, physical education building for the elementary school and new entrance and remodeling of dressing rooms in the gymnasium.

BUILDINGS

The vocational agriculture building will be located where the old high school building now stands. It will have shop, with class room and office space and contain approximately 3,200 square feet of floor space.

A band hall of approximately 2,500 square feet will be located just west of present auditorium with connected enclosed hallway between the new building and auditorium. It will provide band room to accommodate 50 students, practice rooms, office and uniform and instrument storage space.

Rainfall Light For Three Months

Rainfall for the first three months of this year, January through March, measured only 1.93 inches, according to official record kept by Harry Alton, weatherman.

Of this amount .35 inch was recorded during the month of March.

Star One-Act Play Wins Second; Bebe Harper Named Best Actress

"The House of Bernarda Alba," a one-act play, presented at the Interscholastic League

District Contest at Hamilton, Thursday, March 28, placed second among the four plays entered.

For the past two years, Star School has placed first in the contest. Miss Bebe Harper, a Star High School senior, won Best Actress of the four plays presented, and was awarded a gold pin. Other members of the Star cast were: Misses Sheryl Casbeer, Nan Duncan, Sharon Casbeer, Marsha Harper, Lynda Cook, Charlotte Miles and Hilda Frank. Mrs. Floy Burns, speech teacher, directed the play.

PRE-SCHOOL EASTER PARADE THURSDAY, APRIL 11

The Pre-School Easter Parade sponsored by the Art and Civic Club will be held in the High School Auditorium Thursday afternoon, April 11.

All Pre-School children are invited to participate.

CIVIC CLUBS SUPPORT SCHOOL IMPROVEMENTS—Pictured here are representatives of five civic groups at a special meeting last Thursday afternoon as they made plans supporting the school improvement program. The five organizations represented were: Garden Club, Tuesday Study Club, Lions Club, Self Culture Club and Art and Civic Club.

Ladies' organizations were invited to send representatives to meet with the Lions Club committee that was appointed earlier to work with school officials and the press with a program of public information regarding the bond election Saturday, April 6.

Members attending and the organizations they represent were, from left: Mrs. Gerald Head and Mrs. Walton Daniel—Garden Club; Mrs. T. C. Graves and Mrs. W. P. Duren—Tuesday

Study Club; Dr. C. G. Cruzcosa, Dr. M. A. Childress and Glynn Collier—Lions Club; LeRoy Beard, superintendent of schools; Miss Annie Laurie Petrick and Miss Love Gatlin—Self Culture Club; Mrs. W. G. Saylor and Mrs. Jack Earl Long—Art and Civic Club. Raymond Little, other member of the Lions Club committee, was unable to attend.

The committee discussed ways and means to conduct a public information program to bring

the need for school improvements, and the story about the bond election, to all residents of the district.

Plans were outlined for contact work to be done by club members in person, and by telephone, in addition to newspaper advertising and circulars to be distributed this week.

A number of clubs have reported endorsement of the school improvements by 100 per cent of their membership.

Clean-Up Campaign Next Week

The Goldthwaite Garden Club, in cooperation with city officials, is sponsoring a Clean-Up Campaign here beginning Monday, April 8 and continuing through Saturday, April 13.

All home owners, all businessmen and residents of the city are requested to do their part in the clean-up drive in seeing that all alleys and vacant lots are cleaned during the drive.

The city is giving the fullest cooperation to the Garden Club's civic project in the hope that this year's clean-up week will be more effective than ever before.

City trucks will be made available for hauling away trash, rubbish and debris, according to W. C. Barnett, city

manager. Hauling will be done by city crews on Thursday, the 11th and Friday, the 12th, according to Barnett, who is urging everyone to do as much of their clean-up work as possible before hauling gets underway on the 11th. Trash should be placed in a pile where it is easily accessible for trucks to pick up.

Mayor Howard B. Campbell has issued a proclamation in support of this spring clean-up, paint-up and fix-up drive.

HOGS ON SLATS...

latest advancement in Pig Parlor
plan for finishing hogs

Recently you've read and heard how Cornbelt hog raisers are growing out hogs in confinement on slat floors. Slat floor operations, with manure lagoons beneath, mark the latest advancement in the Pig Parlor plan of hog production, introduced by Purina over 6 years ago.

Purina Research has conducted exhaustive tests to weigh advantages and disadvantages of slat floors. We now have their recommendations. Slat floor units seem to have many advantages. Hogs on slats are more apt to suffer from extremes of cold or heat than those on concrete . . . but labor-saving advantages are obvious. Manure clean-out, a major problem in confinement rearing, is practically eliminated.

So let's talk about ways we can make hog raising in this area pay off. We'll be happy to share latest data from Purina Research. Drop by our Store with the Checkerboard Sign and we'll visit about a program for efficient, year-round hog production.

J. H. Burnett and O. C. Weatherby this week closed a deal for the purchase of the property known as the Burnett Ranch in the Nabors Creek community. The land was owned by Mrs. Libbie R. Porter of Houston and the purchase price was \$21,000. Messrs. Burnett and Weatherby already owned the improvements on the ranch which included fences, houses, etc., valued at several thousand dollars. The sale was negotiated by Judge E. B. Anderson.

Mrs. Will Ashbey of near Rattler, died Tuesday morning from the effects of being thrown from the wagon behind a runaway team Monday. She was returning from a visit to her mother and Mr. Ashbey met her at Goldthwaite and they were on their way home happy in each others love.—San Saba News.

On the morning of the 18th of March at 4:15, the grim monster "Death" visited the home of John W. and Mrs. Pearl Hunt and bore from their loving care, their sweet little babe, aged two months and twenty-two days.

The announcement of the death of Mr. John Carswell was received here with sorrow by those who knew him. He died at the residence of his granddaughter, Mrs. S. E. Ross in

It has been pointed out to us that our school plant is not adequate to meet State Education Agency requirements and that these improvements must be made if we are to continue with the proper school program of work and maintain our accreditation standards.

We are happy and proud to live in a country where we can send our children to school as we see fit and to have the good education system that we have.

We know that it takes tax money to pay for this education program and that it requires good building facilities to take care of our children and all children of the community.

We are proud to be able to pay taxes for school purposes and will certainly give our full support to the proposed school improvements to give our school system the buildings needed to carry out the educational program that is required to insure proper credit for our children.

The Goldthwaite Garden Club met Wednesday afternoon, March 20, at 3:00 o'clock, in the Library Club Room, for a study on "Beauty In Color In Flower Arranging." Mrs. O. C. Weatherby was program leader.

Mrs. Roy Wilkins gave an interesting discussion on "Combine Colors Carefully" and demonstrated her lecture with color charts.

Mrs. Robert Butler discussed "Principles In The Use Of Color," and demonstrated same with six arrangements.

Mrs. Ray King discussed "Stage Arrangements Carefully."

Mrs. Jim Weatherby conducted the business meeting and reports were given by the chairmen of different committees. Mrs. Roy Wilkins gave a report on the District Meeting held in Brownwood, March 7. Plans were discussed for the Spring Flower Show, "Bank of Beauty," to be held in Mills County State Bank April 27 and 28.

Hostesses Mmes. Haskell Alexander, Lloyd Reynolds and E. D. Roberson served a delicious refreshment plate.

Next meeting will be Guest Day, April 17, and Mrs. C. R. Keltner will be guest speaker.

Mr. and Mrs. Chas. L. Stephan and Lucille Lee accompanied Mr. and Mrs. Vernon Perkins to Fort Worth Tuesday to see Mr. and Mrs. Allen Shotwell. They found their sister, Lora, feeling as well as could be expected after having had surgery recently. Charles Van Stephan was a dinner guest also. Charles Van took the group to town to see some of the sights of the city.

Mrs. Vance Booker from San Saba and daughter, Mrs. Linda Churchwell and sons, Kevin and Lyndon from Stephenville were dinner guests in the Chas.

L. Stephan home Wednesday. Other guests were Mr. and Mrs. Vernon Perkins. After dinner the group visited Mrs. Perkins at the Care Home in Evant. She is in a "walker" now and doing well.

Mr. and Mrs. Vernon Perkins went to Galveston Friday to see their daughter-in-law, Rose Nell Perkins, who is taking a course in Nursing.

Mr. and Mrs. C. W. Lovell and children, Mike and Thresa of Evant and Mrs. Tom Hurst were Saturday night visitors of Mr. and Mrs. Jim Hamilton and Shirely.

Weekend visitors of Mr. and Mrs. Slim Hurst were Mr. and Mrs. Tom Hurst and family of Lampasas.

Mrs. Frank Stubbs and Julia of Abilene spent the weekend with Mrs. T. L. Adams Sr.

Mr. and Mrs. Ben Udd and family of Fort Worth were weekend guests of Mrs. Hazel Waddell.

Mr. and Mrs. Johnny Soules of San Angelo spent the weekend with Mrs. John Hamilton. Mrs. Hamilton returned home with them Sunday.

Mr. and Mrs. J. W. Christian and Randy of Weatherford spent Sunday with Mrs. E. R. Henry and Wanda.

Mr. and Mrs. C. W. Lovell, Mike and Thresa and Mrs. Hamilton Henry and children, Bart, Flo and Wade, all of Evant, and Shirley Hamilton all went to the Colorado River Sunday afternoon.

Mr. and Mrs. Jim Hamilton visited her sister, Mrs. Ida Simpson at the Sunset Nursing Home Sunday afternoon at Hamilton.

Mr. and Mrs. Chas. L. Stephan visited Mr. and Mrs. Vance Booker at San Saba, Sunday.

Mr. and Mrs. Odie Berry and children, Mr. and Mrs. Bill Sanders and boys, and Mrs. J.D. Hunt and boys were guests of the Hugh Soules Saturday night where they enjoyed several games of "84," and refreshments.

Your
REPRESENTATIVE
Reports

**TO THE PEOPLE
OF MILLS COUNTY:**

Last week the Texas House of Representatives passed to the Senate a \$3.1 billion Appropriation Bill to cover the biennium for 1964-65. While this may appear on the surface to be a large Appropriation Bill, it actually is the most conservative passed by the House in many years since the spending stays within the State's present income.

The Appropriation Bill is about three inches thick and weighs over five pounds. Of course, a spending bill to cover all the functions of State Government necessarily contains many items that your Representative favored and some that your Representative opposed.

As a protest to the appropriation of \$250,000 to improve the "Wheatley Park," thus, meeting the conditions of the Wheatley deed and accepting this land as a new State park, I offered an amendment which would cause this money to be spent on our existing park system.

As I said in debate, "Should the State Parks System be expanded by an additional park, or should the money be put in the parks we already have? We are getting ready to sap-off the State Park System, which even now does not have sufficient money to maintain the present parks." Although the House turned down the amendment, your Representative hopes to have planted the seed to protect and provide adequately for our existing State parks in the future.

By investigation, I had learned that some of the "Chiefs" in the Texas Education Agency were receiving salaries in excess of that provided for in this biennium's Appropriation Bill. Four top officials are receiving almost \$20,000 over what previously was set. By questionable methods they have diverted Federal funds from the State's General Fund to supplement their salaries. Dr. J. W. Edgar, Commissioner of the Texas Education Agency, wisely chose to accept only the State pay which is \$18,825 a year; but the Deputy Commissioner raised his annual salary from \$12,600 to \$15,000 and three other Assistant Commissioners raised their annual salaries from \$11,000 to \$13,500. This session's Appropriation Bill for the next two years contains, at my request, a rider which cuts-off such salary supplements. I have introduced

a Resolution calling for a House Investigating Committee to examine thoroughly the diversions of \$19,800 from education to the selfish benefits of four men.

Your Representative also brought to the attention of the House the costly purchase and maintenance last year of a staff plane by the General Land Office. This plane of foreign make originally cost \$250,000 and was purchased by the Land Office for \$60,000. It is twin engine, fully carpeted, and is the most high powered, powerful plane of all of those owned by State agencies. In one year's time the flight log indicated only 68 flights, 24 of which were only test flights. In ten months time, only 100 hours of flight time were logged. In addition to the \$60,000 purchase price, it costs more than \$20,000 a year to maintain the aircraft and its pilot, who is listed as an appraiser. It is my understanding from the Appropriation Chairman that the Conference Committee on the Appropriation Bill will look long and hard into this particular extravagance of our State Government.

Your Representative joined with an overwhelming majority of the House in passing the Appropriation Bill. This bill is within our budget and will re-

**9 big
differences in
clean, modern
GAS cooking**

If you're cooking on a teen-age range, you'll find worlds of difference in the good looking, good-cooking gas ranges in 1963. ■ Burner-with-Brain ends pot-watching. ■ Cook 'n' Keep Oven cooks to perfection then automatically keeps food serving-hot for hours without over-cooking. ■ Lighted oven and window let you check foods without opening door. ■ Meat thermometer gives you perfect roasts automatically. ■ Automatic rotisserie adds a new dimension to cooking. ■ New styling that gives a built-in look also offers you lovely colors. And there's a difference that no other range but gas gives you: ■ Closed-door broiling for a cleaner, cooler kitchen. ■ Instant-hot, instant-off control. ■ 4-to-1 economy. Isn't it time you had a new gas range? Now's the time to buy... they're on sale!

TIPS for OUTDOORSMEN

Slowing Down Fast Dog

There are many ways of slowing down a fast hunting dog.

When training your bird dog pup, if you find he ranges too far afield in his eagerness, an easy way to slow him down is to tie a bicycle inner tube to his collar and let the tube drag the ground.

Tube will throw him when he runs too fast, but if he trots slowly, it will not.

Pup will soon wise up.

Picking Ticks Off Dogs

When picking ticks off dogs, be careful not to leave the tick head buried in the animal's skin. It may cause severe irritation.

Before trying to pick off the ticks, cover each tick with a glob of grease or petroleum jelly.

Deprived of air the ticks will let go. You can then remove them whole by picking them off with a pair of tweezers.

Clip Dog's Nails

Unless a hunting dog gets all the exercise nature intended, his nails will grow too long.

This is most likely to occur during the summer months.

When you notice his nails are getting too long, take time to cut off the dead ends with ordinary nail clippers. Otherwise the pooch may be badly crippled by the time hunting season rolls around.

Chasing Skunks From Camp

When skunks are hanging around camp, they can be

chased away by throwing several handfuls of mothballs around the camp area.

Toss balls in every direction, and use as many as possible.

If the job is well done the skunks will leave the vicinity.

Long-Billed Cap

One of the biggest problems duck and goose hunters must overcome is covering the white of their faces turned to the sky. Incoming ducks and geese almost invariably flare away when they catch sight of a face down below.

Try wearing a long-billed fisherman's cap next time you are in a blind. It will help shield your face when you look up to shoot.

But be sure to dull any shine the long visor may have by scraping the visor cloth either with a penknife or a piece of broken glass.

Frozen Car Locks

Hunters in the northern sections of Texas sometimes find the door locks on their cars frozen stiff when the car remains closed for any great length of time.

This can be remedied by heating the key in the flame of your lighter or a match for a moment before inserting the key in the lock.

Lock will respond instantly.

Save Frayed Shells

Many hunters discard pocket-worn shells when using pump or auto loading shotguns.

VOTE Saturday April 6th

This is a wanton waste of shells.

Usually these worn, scuffed shells are good and will perform perfectly if fed directly into the gun chamber, rather than into the magazine.

Don't Distract Your Hound

Leave your hound alone when he is trying to unravel a trail.

If you try to encourage him, or egg him on to faster efforts, you will only confuse him.

The pup usually knows what he is doing and doesn't need your help.

Don't Change Ammunition

You may ridicule the idea, but experts tell us that guns are highly sensitive to ammunition change.

For instance: If you have carefully sighted-in your rifle before deer season, using Brand X, then switch to Brand Z for the actual hunt, even though Z is of equal quality, your gun is apt to shoot off-target.

So the best bet is to stick to the same brand of cartridge throughout the season — unless you intend sighting-in the weapon again.

Nail-Trimming The Dog

You won't need to trim your dog's nails providing you allow him enough normal exercise to keep his nails worn down.

Training A Hunting Pup

Start training you pup in

the spring for fall hunting. First, obedience training in the yard, followed by field experience once cool weather sets in.

Prevent Forest Fires

One precaution you can take to prevent your campfire from starting a disastrous forest fire is to build the campfire on a double-thick sheet of aluminum foil.

Foil will keep the fire from sinking underground, then flare up later when you are gone.

Dousing the campfire with water doesn't always extinguish the fire.

Feather For A Gun Barrel

Maybe your hunting friends will think you are nuts. And they may even laugh at you. But if you will tie a small feather to the end of your shotgun barrel you'll improve your marksmanship.

The feather will record the slightest wind action, which will help you to subconsciously adjust your lead accordingly.

Quick Reload

Carry a quick reload for that .22 repeating rifle (if the tube type) by using the hollow handle of a plastic fly swatter.

Simply fill the handle with .22's, then when needed, pour the contents into the empty tube of your rifle.

Rabbit-Pointing Bird Dogs

Bird dogs frequently develop the annoying habit of pointing

Community News From Mullin

By MRS. JOHNNIE HOLLAND

Dusty, dry weather is the main topic of discussion around Mullin at this time; however we have a promise of some rain by the weather men. We surely hope the promise holds out.

Mr. and Mrs. Grover Dalton were recent visitors in Fort Worth with their two daughters, Mr. and Mrs. Wayne Cornelius and family and Mr. and Mrs. Glynn Dunn and family. They also visited with Mrs. Dalton's sister, Mrs. R. M. Burgess while in Fort Worth.

Last Sunday visitors with Mr. and Mrs. Bob Collier were Mr.

and Mrs. Jess Vick of Brownwood, and Mr. and Mrs. Edward Michael of Houston.

Mr. and Mrs. Walter Keating and Mr. and Mrs. Autry Keating visited last Sunday with Mr. and Mrs. Braney Keating and family of San Angelo.

Mr. Fred Mosier is ill in a Temple hospital. His brother, Willard, sister Artie, also Mr. and Mrs. B. O. Musgrove of Coleman visited at Temple with him last weekend. Also his daughter, Mrs. Claude Kaylor of Carlsbad, New Mexico, is here to be with him for several days.

Mr. and Mrs. Albert Spinks and Mr. and Mrs. Alvin Spinks and Richard visited in Brownwood Sunday with their parents, Mr. and Mrs. Will Spinks. They also visited with Mr. and Mrs. Alfred Anderson, and with Mr. and Mrs. R. V. Leverett.

Mrs. L. A. Williams is home

after spending two weeks with Mr. and Mrs. Jimmy Williams near Fort Worth.

Mrs. Jessie Reid remained in a Brownwood hospital a number of her children and grandchildren visited with her the past weekend. Mrs. Holand of San Angelo, Mrs. Hilton Burleson and son, Grand Prairie, Mr. and Mrs. Langford and Susan of Dallas, Mr. and Mrs. W. H. Odessa and Charles of Minden, La., all visited with her last weekend.

Mrs. John Neil received a severe fall at her home in Mullin last Monday morning. She was carried to the hospital at Goldthwaite. I do not know what the x-rays showed, but it is feared that she may have some broken bones. Surely hope not.

Mrs. C. C. Wesson has been quite ill in the hospital in Goldthwaite, but is much improved at this time. Mrs. Wesson's sister, Mrs. O. E. R. R. French of Mullin, is home.

...few more months Texas will have a wonderful new lake. One of the reasons is that the Texas Game & Fish Commission just recently has poured thousands of large mouth bass into the new Twin Mountain lake, west of San Angelo. The rate of bass in West Texas is very rapid. This was established only last year when the season was reopened. The lake had undergone a major renovation. Then it was re-opened. Within something like those bass had grown to a size. Now some of the bass are being taken. These waters are hundreds of fine fish in West Texas, and of the live in and

CONVICT LABOR

Use of prison labor to improve state parks is under consideration. This fact was brought out in a legislative hearing of the House Appropriations Committee. Dr. George Beto, director of the Texas Department of Corrections, was asked about the prospect of using convicts to clean up and repair parks buildings. He replied that prison officials already are considering this.

CARR DISCUSSES PROSECUTIONS

Atty. Gen. Waggoner Carr and Polk County Dist. Atty. Sam Freas have held preliminary discussions toward possible state-county coordination of prosecutions for graft in Polk County. Carr said the Polk County official has asked for help in prosecuting indictments returned by the county grand jury against four county commissioners and a county judge for malfeasance of office.

SECURITIES EXAMS

Securities dealers and salesmen will have to pass a written exam to get a license if a bill by Rep. Gene Fondren of Taylor becomes law.

SADLER SAVES FUNDS

Land Commissioner Jerry Sadler says he is doing more work for less money. Sadler has written the chairman of the Senate finance and House appropriations committees that he is asking \$82,000

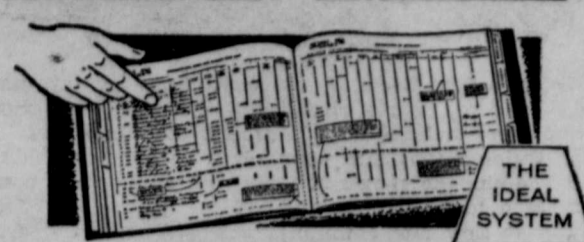

less for 1964-65 operations than the present budget.

SULPHUR PINCH

Sulphur industry spokesmen have asked for a tax cut to help them fight competition from Louisiana, Mexico and elsewhere. After hearing three Texas sulphur producers tell of declining sales, closed mines, worker layoffs and shrinking dividends, the House Taxation Committee assigned three members to make further study.

Rep. Bill Walker of Cleveland is author of the bill for a \$1.03-per-ton rate.

Calling All Voters In
Goldthwaite Independent School District
To Tell Them About Our Improvement Program...

Here Is A
MESSAGE
From Your School Board

The need for providing more and better buildings to meet minimum accreditation standards has been facing your school board for the past several years. During this time it has been considered from every possible angle to try to figure out how to provide the most in the way of buildings with the least cost and yet meet requirements set forth by Texas Education Agency and approved by the State Board Of Education.

Time is running out and your school board has now come up with a proposed building program, providing new vocational agriculture building, new band hall, new physical education building for the Elementary School and remodeling the gymnasium, that will meet requirements and be within cost range that will not be too heavy for any tax payers of the district.

As your trustees we want you to know that we are in full accord in our belief that this is a good and sound building program to provide for the needs of our school children in the district and we recommend it to you.

1. VOTE FOR THE \$93,000.00
BOND ISSUE NECESSARY TO PAY
FOR THE IMPROVEMENTS AS
OUTLINED BY THE BOARD OF
EDUCATION AND SCHOOL OFFICIALS

2. VOTE FOR THE INCREASE IN
TAX RATE AS PROPOSED BY YOUR
SCHOOL TRUSTEES TO PROVIDE THE
NECESSARY FUNDS TO PAY FOR
RETIREMENT OF THE BONDS

This increase will raise our tax rate from \$1.50 to \$1.75 per \$100 valuation as rendered on tax roll. The increase in tax rate will pay for the bonds and interest over a 25 year period based on present valuations as rendered for school tax purposes, with no increase in valuation except for normal expected growth.

THIS WILL INCREASE OUR SCHOOL TAXES ONLY ONE - SIXTH,
FOR EACH DOLLAR OF SCHOOL TAXES THE INCREASE WILL BE 16 2/3c

FOR EXAMPLE

A Person Whose Property Is Rendered For School Tax Purposes At \$100,000.00

Present Rate -- \$1.50 \$100,000.00 Rendition \$15.00 Tax	Will Pay Only \$2⁵⁰ More Each Year	Proposed Rate -- \$1.75 \$100,000.00 Rendition \$17.50 Tax
---	--	--

As your board of trustees we want you to know that we certainly appreciate the words of encouragement, from the many patrons in the district, expressed to us in connection with this building program that must be faced.

Also we appreciate the wonderful support from individual citizens and the various civic clubs and organizations in endorsing the program and backing us in our efforts to better our school system.

The School Bond Election Is Saturday, April 6th, -- We Urge You To Go And Vote.

Improvement Program

Realizing the importance of maintaining the accreditation of our school the
Goldthwaite Lions Club unanimously supports the school improvement program
and the bonds and tax increase necessary to pay for it.

Members of the club urge every citizen who believes in the importance of our
children's education to vote for the school bonds . . .

Bond Election Saturday April 6th

The grade school and high school are the two most important stepping stones
in their education. Here is where they learn their fundamentals, the foundation, the
strength of which will decide whether they succeed or fail in college.

Let us give them better facilities and a better fighting chance.

WHAT IS POOLING

In spite of all the jokes about "oil-rich Texas" Texans aren't rich. Relatively few of them have an oil well.

All Texans have a stake in the oil business, however, cause it makes jobs, puts money into circulation, and taxes.

Texas oil operators have to compete with those in states and foreign countries. This competition is becoming tougher. Improvements in production methods and greater efficiency are necessary in Texas. It is a question to whether Texans prefer to do this job themselves or let the federal government do it.

Many of the most responsible people in the oil business believe the Texas Legislature can solve some of the troublesome problems by passing House Bill 510, an oil gas pooling bill. "Pooling" in oil field language simply means putting separately-owned pieces of acreage together, sharing costs of drilling a well, and splitting any income proportionately.

A fair pooling law would create drilling blocks of a certain size (according to the spacing pattern of the field). It would help the industry to cut down on unnecessary development drilling and thus free capital for more productive drilling. It would provide a legal way for landowners to divide their minerals in proportion to their holdings.

An outcry has been raised against House Bill 510 by professional "small-tract drillers," who for many years enjoyed the legal sanction to produce oil and gas on land rightfully belonged to someone else. Advocates of pooling NOT think that property rights should be confused with "right" to take another man's property — or that a pooling prize should cover the FREE CONFISCATION of another's oil and gas.

Contrary to claims of persons who, for reasons of their own, want to retain the outmoded methods of the House Bill 510 does NOT tie up large blocks of land with one well; it does not affect any wells already in reservoirs already developed; it does not take away the owner's bargaining power or change the terms of any contract except to the extent necessary to form a drilling unit. House Bill 510 would merely give all landowners an opportunity to have their properties developed when some cannot be located or one owner seeks to obtain an advantage. The rights of all would be EQUALLY protected.

Ask your Senator and Representative at Austin to support House Bill 510 — so Texas, too, will have a reasonable legal way to assure each landowner his FAIR SHARE.

Community News From Mullin

By MRS. JOHNNIE HOLLAND

W. S. C. S. REPORT

The W. S. C. S. met March 18th, at the Methodist Church. Mrs. Kyle Smith and Mrs. C. A. Warren brought the lesson on "Dimensions of Prayer."

It was decided that the W. S. C. S. will support the financing of the Vacation Bible School which will be the first week following the close of school—May 27th through May 31st.

There will be a Pre-Easter Revival at the Methodist Church starting April 12th. There will be three nights of the Revival. It is hoped that the church will be able to secure a different speaker for each night.

There were eleven members present for this meeting. Meeting days are each first and third Monday of the month at 2:00 o'clock in the afternoon.

Weekend visitors with Mr. and Mrs. Will Sanders included Mrs. Will Burleson, Mrs. Albert Savoy, Mr. and Mrs. M. S. Savoy, all of Fort Worth, Mrs. W. B. Summy of Goldthwaite and Bill Sanders and boys of Star. Mr. and Mrs. M. S. Savoy also visited Saturday night with Mr. and Mrs. Johnnie Holland.

Miss Exa Sanders has returned home after spending last week in Goldthwaite with her sister, Mr. W. B. Summy.

Mrs. Grady Hancock is in the Goldthwaite Hospital where she has had major surgery. She is doing fine after the surgery.

Mrs. Jessie Reid is also confined to a hospital in Brown-

wood. Mrs. Reid has been ill for some time.

Mr. and Mrs. Bob Hughes of Waco visited in Mullin last Saturday with her father, A. F. Shelton and with Mr. and Mrs. Dew Shelton. They visited Saturday afternoon in Zephyr with Mr. and Mrs. Brooks Coffey.

Word has been received in Mullin telling of the marriage of Miss Sue Davee of Swiss-home, Oregon to Mr. Bill Van Winkle of the same place. They were married March 14th. Sue is the daughter of the late Frank Davee and Mrs. Davee. Mrs. Davee, Sue and Gertrude left Mullin last summer to make their home in Oregon. Sue has lots of friends in Mullin who wish her well in her new life.

Mr. and Mrs. Billie Hobbs, Guion, Gregory and David of Brownwood spent Sunday in Mullin visiting with her parents, Mr. and Mrs. Dew Shelton.

Mrs. Vada Singleton is here visiting with her sister, Mrs. Russell Cobb, and Mr. Cobb.

Mr. and Mrs. Thurman Scribner of Denison visited the past weekend in Mullin with Mr. and Mrs. Arvel Adams and Joy, and other relatives.

MULLIN F. F. A. BANQUET

The annual F. F. A. Banquet was held Tuesday night, March 19, at 7:30 in the school lunchroom.

Douglas Spinks and Richard Welch entertained the group with several musical numbers.

Leonda Locke was chosen as F. F. A. Sweetheart for the term. The FFA Chapter presented her a jacket.

Edgar Smith and Kurt Singleton were named honorary members this year.

The menu consisted of fried chicken, creamed gravy, salad, hot rolls, green beans, iced tea, and coffee and for dessert, apple pie topped with ice cream.

The film of the football game between Oglesby and Mullin was also shown to the group. It was a good football game although Mullin was defeated.

Damage Done By Shot

Many hunters are either too lazy, too negligent, or don't care enough to clean their game promptly after shooting it. This holds doubly true in warm weather.

Failure to promptly clean birds or other game can result in flavor-spoilage of meat due to shot bruising.

Field dressing is messy, it's inconvenient, but it sure means better meat on the table after you get home.

Train Your Dog To Scent

Many hunting dogs hunt more by sight than they do by scent.

Often this is due to poor poor training when a pup. Such a dog is a poor hunter. Bring your own pup up the right way by doing as many professional trainers do—practice at night when the dog can't use his eyes and must rely on his nose.

Construct a dummy made of quail feathers wadded and tied into a reasonable facsimile of a bird. Use it for his night training.

By MRS. DUTCH SMITH

We did not have any rain out this way Tuesday, but we are still hoping we will.

Dutch started shearing our sheep and it looks like I will have to tie wool. But I am just about to "lose my marbles" anyway after having our grandchildren for a week, you can imagine how quiet everything is.

Our daughter-in-law, Mrs. C. S. Smith Jr. and her parents, Mr. and Mrs. R. R. Fleming of Richland Springs spent Saturday night with us, as Johnny and Margaret Ann were in Temple and Johnny would be with his brother Chili, who is still in Scott and White Hospital. As yet his case is still a mystery. He isn't suffering as bad as he was. His eye sure looks bad. Those who visited him Sunday were Mr. and Mrs. New Roammon, Mr. and Mrs. Owen Beeman of Corsicana, Mr. and Mrs. R. R. Fleming, Richland Springs, Mr. and Mrs. Arnold Keeling and children of Wortham.

Mr. Kenneth Holloway, assistant County Agent and Skeet Carter and James Vinard, all of Tulla, flew down to see Chili. They took Chili's little girl, Carolyn Ann, back to put her in school. She was really excited about going back by plane.

Dutch, Billy Helen, Jimmy, Jesse Loyd and I also visited Chili. Also Mr. and Mrs. Johnny Smith and Cliff of Burnet. We enjoyed being with everyone and hope it made Chili feel better.

My Dad is about the same, gradually getting weaker.

I visited Mrs. Terrell Casbeer last night as she is sick. Her daughter from Fort Worth is with her.

Mrs. Forrest Jernigan and

Jesse, Mrs. Lila Ward and Mrs. Carrie Hereford also visited Mrs. Casbeer.

We were so shocked to hear of Rodney Kauhs' death. May God bless his mother and dad and every loved one in their

sorrow.

Mrs. Ulen Laughlin and children visited Mrs. Fred Laughlin Monday night.

Dutch attended the FFA banquet last night. He reported a real nice time and good eats.

Special Easter Services Slated For Star Circuit

The Star Circuit announces a full slate of Easter services, beginning with Palm Sunday, April 7, and continuing through the week with services every night at 7:30, and closing on Easter Sunday, April 14. These services will be unique in that there will be a different Methodist preacher each night to bring the message.

The Rev. John McKay of Kyle, will speak at 11 a. m. Sunday at Star and a covered dish luncheon will be served. John Flute, pastor of the First Methodist Church in Lampasas, and Clyde Stanfield of the New Mexico Conference are the preachers who will conduct the other two services, which will be held in the Star Methodist Church.

Bill Trude, pastor of the First Methodist Church in Lancaster and Paul Hood, pastor of the First Methodist Church in Evant, will conduct the Wednesday and Thursday night services at the Pleasant Grove Methodist Church.

Murray Johnson, on the staff of the Southwest Texas Conference, Jerome Duterstadt, pastor of the Lampasas Circuit, and Frank Hursh, of the Kansas Conference, will hold the last three services at the Center City Methodist Church.

Everyone is invited to attend all of the services.

FHA Week Is Being Observed By Local Members

Future Homemakers of America, Goldthwaite Chapter, are taking part in observing national FHA Week which continues through Saturday.

Activities started with the group attending church services last Sunday. Today will be Smile Day, Friday they will take part in the school clothing bundle drive and Saturday will be Family Day.

Future Homemakers of America are working together on these four objectives: (1) Discovering myself and my worth to others; (2) Contributing to the joys and satisfactions of family living; (3) Launching good citizenship through homemaking; (4) Strengthening my education for future roles.

The FHA motto is "Toward New Horizons." This motto is a challenge. It reminds members that their contributions to home life today will influence the kinds of homes they have tomorrow; that the family life of members will influence the community and world.

FHA flower is the red rose. It represents the search of Future Homemakers of America for beauty in everyday living.

The FHA colors are red and white. Red suggests strength. White is recognized as the symbol of sincerity. These colors inspire Future Homemakers of America with the courage and determination to succeed.

The local chapter, composed of 64 members and advised by Mrs. Wallace Johnson, has worked on such projects as taking Thanksgiving fruit baskets to needy families, sending Christmas cards and gifts items to the Tuberculosis Hospital in Sanatorium, Texas, collecting toys for needy children, selling all-occasion cards, and operating concession stand at basketball games. We will participate in the Clothing Drive.

Two Local Lions Are Appointed To Conven. Committees

The annual convention of District 2A-1, Lions International, will be held in Midland May 4-5, with headquarters in Hotel Scharbauer.

Midland's Westside Lions Club is the host organization, assisted by the other six Clubs of this Headquarters City of the Permian Basin Empire.

David M. Ellis of Midland is district governor. International Counsellor Roy A. Minear is general convention chairman, and R. E. Womack is co-chairman.

The convention is expected to attract delegates from each of the district's 59 clubs.

Two Goldthwaite Lions have been appointed to serve on convention committees.

Harold Yarborough will serve on the convention credentials committee and Warren Duren will serve on the International Committee.

Mr. and Mrs. Tom Booker of Azle visited her brothers, Messrs. Ollie and Cloys McNeill at Caradan the first of the week.

George G. Reese To Attend Wheat Referendum Meet

County Agent George G. Reese and co-workers from some 20 other wheat producing counties will meet in Waco next Thursday afternoon, April 11th, to obtain detailed information on the approaching wheat referendum.

Similar meetings will be held in six other Texas cities, all conducted by a panel of A&M College specialists headed by John E. Hutchison, director of the Texas Agricultural Extension Service. In this series of meetings, agents will receive training and material which will prepare them to conduct needed educational programs that are designed to acquaint producers with all aspects—pro and con—of the referendum, the director said.

As in the past, county Extension agents will take no sides in

this issue, but will present factual, unbiased information so that wheat growers can decide for themselves whether they wish to vote "yes" or "no," Hutchison explained.

Notaries Public Must Re-Qualify With Co. Clerk

Secretary of State Crawford C. Martin announced that all qualified Notaries Public desiring re-appointment for the new term ending June 1, 1965 must re-qualify by the payment of the required fee and the filing of a new oath and bond with County Clerk of his residence between June 1, 1963 and June 10, 1963.

Martin emphasized that Notaries Public should NOT send requests for re-appointment or for commissions directly to the Secretary of State. The law specifically requires that the County Clerks approve notary

bonds. Any person not now a Notary Public who desires appointment should apply to his County Clerk between April 1, 1963 and May 20, 1963. Application during this period will prompt attention before rush procedure of re-qualifying present Notaries.

The Secretary of State pointed out that a Notary Public applying for a commission as a Notary Public must be at least 21 years of age and an inhabitant of the county for which he is appointed. The name and permanent address of the applicant must be furnished the County Clerk.

Mrs. Vin Gambin returned home Tuesday spending several days with her sister, Mrs. C. Locklear.
