## Eagle To Publish 9th Special Soil Conservation Issue May 7

Plans are underway for the ninth special Soil Conservation edition of the Eagle to be published on Thursday, May 7, it was announced this week. The announcement was made by members of the Eagle staff and Elgin Smith, supervisor of the local work unit, Soil Conservation Service.

Members of the Eagle staff, members of the Soil Conservation Service and a number of other interested individuals will take part in preparing material for this special edition.

The special edition will come out on Thursday during Soil Conservation Week which will be observed this year from May 3 through May 10. Many churches in the area will observe Soil Stewardship Sunday on May 10.

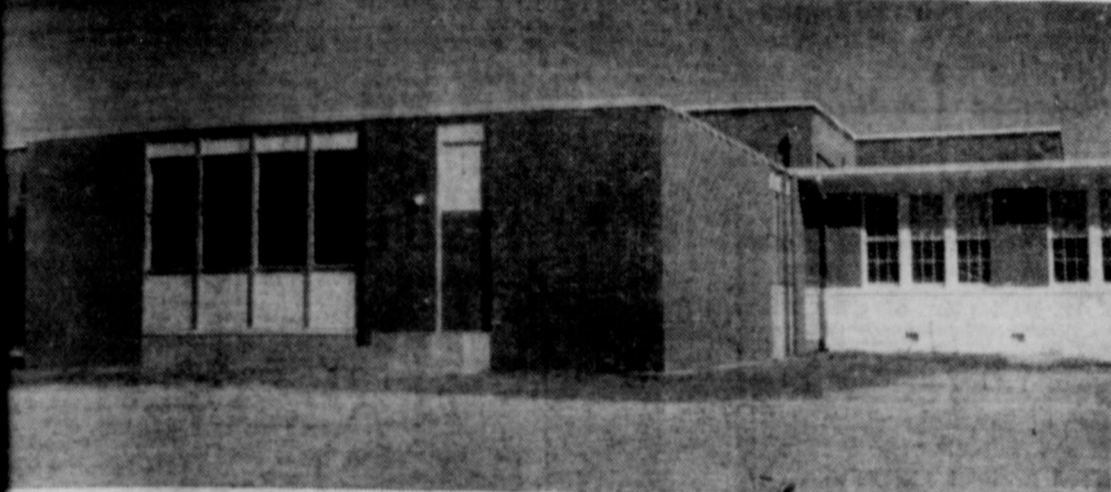

Last year the eighth annual such edition, received favorable comment from a wide area. There were more than fifty special feature articles and pictures telling the story of benefits from soil conservation practices. A large number of business firms and individuals who are interested in the program carried special advertising messages in the issue. Also a number of contractors who do much of the work in connection with soil conservation practices in the area.

Plans this year call for more pictures of soil conservation and range management practices and their benefits in Mills County.

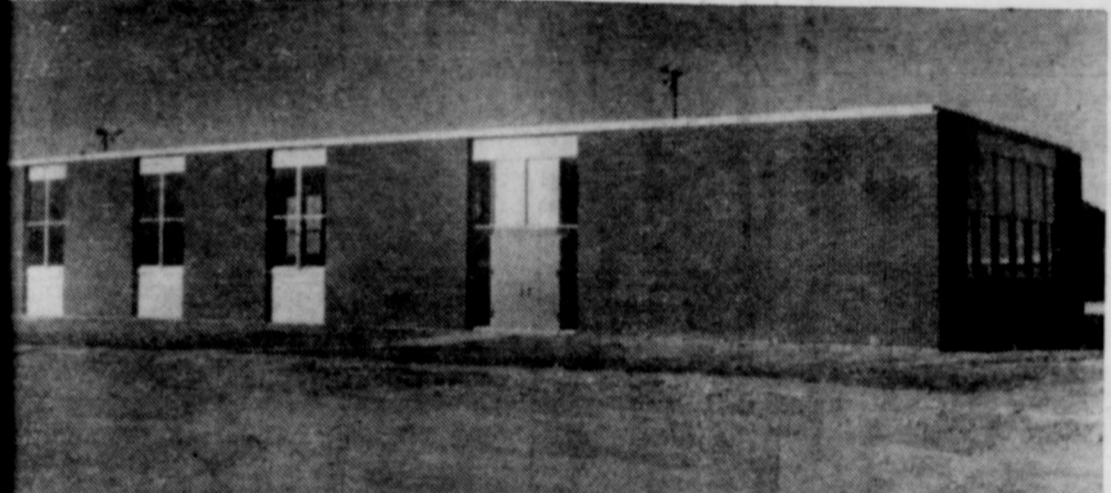

A number of those who carried ads in last year's issue have already indicated that they will

again want space this year for their special messages.

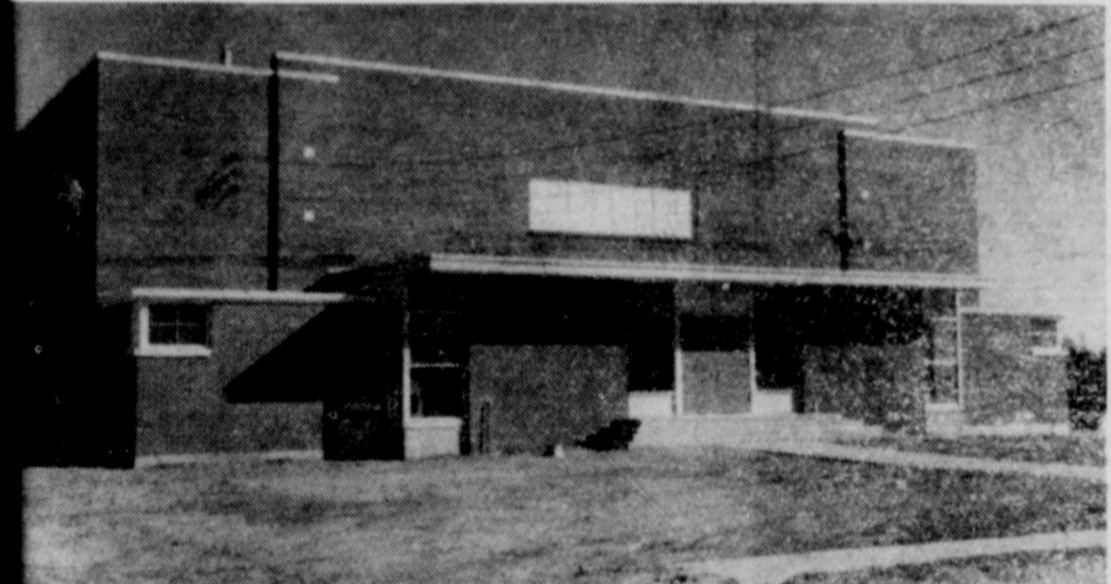

Work on preparing material got underway last week and typesetting on feature stories for the issue will start next week.

10 YEARS AGO—

(Taken from The Eagle Files of February 25, 1954)

Malcolm and Signor Jernigan, of Mills County Commission Company, reported the Tuesday cattle sale as "very good." There was demand for more stock than was on hand, prices were exceptionally good.

Floyd Blair, who underwent surgery at Memorial Hospital in Dallas on Tuesday of this week, was reported doing as well as

could be expected at last report. Mrs. Blair is with her husband at the hospital.

The family of Mr. and Mrs. J. C. Morgan met in the home of Mr. and Mrs. Ancil Morgan Sunday, February 21, for a family reunion. This was the first time all the family had been together for a number of years.

25 YEARS AGO—

(Taken from The Eagle Files of February 24, 1939)

Hurley Wilcox stood at the supposedly safe end of a mule last week, but was kicked and received a broken leg. He was examining the mouth of a 19-year-old mule belonging to Smith Brothers when Guy Rudd touched her tail. The mule jerked around kicking Hurley in the shins and breaking both bones in his right leg just above the ankle. He received prompt attention and is doing satisfactorily.

Mills County boys made a clean sweep of debate honors in the tournament staged in the Brownwood High School last Saturday by the Central Texas Speech Arts Association. Representatives from a dozen high schools were entered.

The weatherman made good his threats with a vengeance Monday night and sent the mercury down to 20 degrees. It stayed around freezing all day Tuesday although the weather was fair.

A few lambs were lost from the cold, but it is believed that the chance for a good fruit crop this year was greatly helped by the cold spell.

Supt. A. H. Smith is in receipt of a letter from Deputy State Supt. G. D. Holbrook stating that Miss Thelma Henry's name was drawn in District 9, which is in the Brownwood District, as the successful candidate for the D. A. R. trip to

Washington, D. C.

Her name will now be sent to Austin together with names from 23 other districts and one name from that group will be drawn. As the matter now stands Thelma has one chance in 24 of getting the trip.

Mrs. Rufus McKinney and little daughter returned Saturday from a visit with her parents at Gatesville.

## A Long Step Forward!

### A LONG STEP FORWARD!

No public institution, school system, business firm or individual can stand still for long. One must go forward or one will go backward.

So . . . the only natural thing to do is move forward.

That is what Goldthwaite Independent School District did during the past year when residents approved bond issue to finance new buildings needed to provide adequate facilities for a well rounded educational program.

We commend school officials and patrons of the district for the job done during the past year which included construction of three new buildings and remodeling and improvements to the fourth. This school improvement program was indeed, . . . "A LONG STEP FORWARD!"

## Community News From Mullin

By MRS. JOHNNIE HOLLAND

Our Junior boys and girls won the district basketball tournament at Gustine last Saturday night. I haven't seen them play, but from all I hear about both teams they can really play basketball.

Susan Kay Fisher, daughter of Mr. and Mrs. E. L. Fisher, and Brenda Ethridge, daughter of Mr. and Mrs. Howard Ethridge, were selected to be on the all-tournament team, and were awarded gold basketballs for outstanding work.

Woody Egger, son of Mr. and Mrs. Hulon Egger, and Carl Ray Hohertz, son of Mr. and Mrs. Carl Hohertz, were selected to be on the all-tournament boys team, and were also awarded gold basketballs for outstanding work. Mr. Bob Askey is the girls' coach and Mr. Tommy Hickman is the boys' coach.

Mrs. Janie Dorbandt, Lester received his P. H. D. degree from State University last semester. His mother expressed much joy over her son completing his school work. She said he had been going to school all of his life. He is also a teacher in the Austin school system.

I might say that our son-in-law, Jimmy Ethridge, made the Dean's list at the University last semester. In order to make the Dean's list a student has to make a B or above on all subjects.

Mrs. Kyle Smith, Larry and Craig, visited last Sunday at San Saba with her niece, Mrs. Leo Woods and family. She also visited with her Grandfather Bode who is in the San Saba Hospital. He will celebrate his 90th birthday in the very near future. The family are planning a big celebration for him.

The 4-H Club students, agriculture students and H. E. students left today for the Livestock Show at Houston.

Mr. and Mrs. Earl Eaton of Fort Worth visited in Mullin last Monday with friends. They visited in our home Monday morning.

Mr. and Mrs. W. R. Clendener and Donna and Gary of Garland spent Sunday with their mother, Mrs. T. J. Clendener.

The W. S. C. S. of the Methodist Church met last Monday afternoon at the church with Mrs. Dudley Aldredge presenting the program on "The Christian Family and Their Money." The program was an interesting one and well presented.

On our next day to meet we will have a Clean-Up Campaign at the church. We hope as many ladies as can will come, bring their brooms, vacuum cleaners, etc., to help with this work.

Mr. and Mrs. Albert Spinks visited recently at Cranfills Gap with their daughter and husband, Mr. and Mrs. Jim Steakley.

Mr. and Mrs. Jimmy Ethridge of Austin visited last weekend with their parents, Mr. and Mrs. Johnnie Holland, and Mr. and Mrs. Howard Ethridge.

Earl Fisher remains in McCloskey Hospital in Temple. His condition is critical.

Lester Howard and son Michael of Austin, also a friend, Tommy Brannum, visited here last Sunday with his mother,

## STATE CAPITAL Highlights AND Sidelights

by Vern Sanford  
TEXAS PRESS ASSOCIATION

STIN, Tex.—It used to be dogwood blooms which set politics in Texas. But the legislature changed that when it moved primaries to May June.

Texas candidates are losing no time in getting down to house campaigning. Gov. John Connally and his son, Don Yarborough, spoke at the AFL-CIO Committee on Political Education, but neither was for endorsement.

Neither made no endorsements for state offices. Instead, it centered its interest on Washington. It gave strong support to President Lyndon Johnson and Senator Ralph W. Yarborough and to the re-election of Texas Congressmen who support the Johnson program. It urged union members to help elect Congressmen who do not support the LBJ administration.

Republican candidate for U. S. Senate George Bush complained that COPE failed to invite Republicans to its meeting. Sen. Van Crenkrite of Dallas announced his withdrawal from the senate race after what he called "unbelievable pressure." But Gordon McLendon,

conservative Democrat, said he was in the race "as solid as a grand piano set in concrete."

Former District Attorney Dan Sullivan of Andrews provided the upset of the session. COPE leaders recommended that the group support former Sen. Robert W. Baker of Houston for the statewide Congressional seat now held by Rep. Joe Pool. Sullivan made a speech that sold many delegates, and when it came to a showdown, the roll call vote was 139-139. As a result, COPE endorsed no one for the place.

### Petticoat Politicians

A look at the roster of Democratic candidates for the legislature shows 404 contestants for 150 seats in the House of Representatives, with 13 of these women. And three women are among the 83 House candidates on the Republican side of the ledger.

Two of the female candidates are incumbents—Miss Maud Isaacks of El Paso and Mrs. Myra Banfield of Rosenberg.

Texas also boasts a woman state senator, Mrs. Nevelle Colson of Navasota. She is a veteran with 24 years' service in the House and Senate. However, Senator Colson drew a four-year term last year and is not up for re-election.

History shows that women

have had scant success in state elections. One notable exception is the late Miriam A. Ferguson, governor of the state from 1925 to 1927 and from 1933 to 1935.

Whether their luck will be better in legislative races in 1964—a leap year—remains to be seen. It may be significant to note that as of January, 1964, the number of Texas women aged 21 and over was estimated to be a little more than 300,000, while their male counterparts were estimated to number less than 300,000.

### Free Voter Registration Continues

Registration of voters who want to qualify for free votes in federal elections will continue through March 7. County tax collectors are issuing the free receipts which may be obtained by direct personal or mail application.

Holders of the free registrations cannot vote in state or local races, in constitutional amendment or bond elections—only for president, vice president, U. S. senator, U. S. representative and congressman-at-large.

State attorneys emphasize, however, that the free registration receipts are good for primary elections, the November general election and any special election involving federal offices during the coming year. In other words, those who have them can vote in their party primary for senator, congressman and congressman-at-large or in any special election for these offices, as well as the general election.

Voters over 60 in cities of 10,000 or more population who did not get their poll tax exemptions before the January 31 deadline cannot qualify for special registration. Over-age voters in smaller cities need no certificate of any kind.

### SHORT SNORTS

Texas Water Commission approved moving of the site of a proposed \$10,200,000 dam on the salt form of Red River seven miles upstream.

Texas Animal Health Commission reported only one sample of screwworms for the entire period of December 29 through February 1.

State Highway Department authorized a bridge across the Trinity River in Polk County between Goodrich and Shepherd as part of the four-lane highway project (US 59) from Houston to Lufkin.

Texas Industrial production rose six per cent during 1963, and outlook for continued expansion of the economy in 1964 is "generally promising," reports The University of Texas Bureau of Business Research.

The following counties are being tested for brucellosis eradication by Texas Animal Health Commission staffers: Bell, Bexar, Caldwell, Collingsworth, Guadalupe, Hale, Hall, Live Oak, Lubbock, Palo Pinto, Randall, Uvalde, Wilson, Crockett, Reeves and Throckmorton.

## Proceeds From Chuck Wagon Supper Pay Debt On Mullin Community Center

The Chuck Wagon Supper sponsored by the Mullin Community Club last Saturday night at the Community Center was attended by a large crowd from Mullin and surrounding area. Proceeds from the affair enabled officials to announce that all indebtedness against the building could now be paid.

The project for a community center had its beginning in 1959, when a small group of people met and organized, in order to enter The Texas Community Improvement Program. Plans were discussed and in 1960 the old deserted bank building was purchased for the Community Center Building.

During the ensuing years finances for repairing the building were obtained by suppers, dinners, auction sales, rummage

sales, concession stands, home talent plays, one drive for contributions and many, many hours of free work by the men folks.

The building looked like a hopeless wreck with windows and doors out and the ceiling falling in. Windows and doors were replaced, the ceiling sheet-rocked, the building painted inside and outside. The auditorium was furnished with modern furniture and equipped with electricity and gas. Also a kitchen equipped with electrical appliances has been added, cement walks laid and foundation plantings made.

Future plans are to level the grounds and add playground equipment, install out door lighting and many other improvements.

MR. AND MRS. EDDIE CARLTON BRAMBLETT

## Linda Faye Martin Becomes Bride Of Eddie Carlton Bramblett

Miss Linda Faye Martin, daughter of Mr. and Mrs. D. E. Humphries of Goldthwaite, became the bride of Eddie Carlton Bramblett, son of Mr. and Mrs. L. B. Bramblett, also of Goldthwaite, Saturday evening, February 1, at 7:00 o'clock, in the First Baptist Church of Goldthwaite. Rev. Dwaine Greene, pastor of the church, officiated at the impressive ceremony.

Vows were exchanged before

an archway decorated with hearts covered with red roses and entwined with greenery and flanked by candelabras.

Traditional wedding music was presented by Miss Judy Tubbs, who accompanied Miss Marjorie Spradley, soloist, as she sang "Because" and "Whither Thou Goest."

As the recessional and processional were played the bride presented a long stemmed red rose to her mother and Mrs. Bramblett, mother of the bridegroom.

Miss Jan Parker was maid of honor. Bridesmaids were Misses Mary Tubbs and Betty Miller,

and junior bridesmaid was Melissa Humphries, sister of the bride. They wore red velveteen sheaths designed with long fitted sleeves. They carried heart shaped bouquets of red roses.

Denise Humphries, sister of the bride, and Della Wilcox, niece of the bridegroom, were flower girls. They wore white organza dresses with red velvet cumberbunds.

The bride, given in marriage by her father, wore a floor length gown of white bridal satin with lace appliques centered in beads. Her shoulder length veil was also edged in lace appliques. Her only jewelry was a strand of pearls.

Rodger Dale Horton served as best man. Groomsman were Charles Parker, Darrell Yeager, cousin of the bridegroom, and Danny Humphries, cousin of the bride. Ushers were Bob Wilcox and Hobson Miller Jr., brothers-in-law of the bridegroom.

Immediately following the ceremony a reception was held in the banquet room of the church.

For a wedding trip to Buchanan Dam the bride chose a beige wool suit with black patent accessories.

The bride is a senior in Goldthwaite High School. The bridegroom is a graduate of Mullin High School and is presently employed by Mills County Locker Plant.

# progress

... depends upon contributions from every segment of the population, ... it is the sum total of the combined efforts of a community's people!

We are all a part of this community's progress . . . what each of us is accomplishing now and hopes to accomplish in the future makes up the picture of progress that we present to the rest of the county and state.

Community progress has been keenly demonstrated in what has been accomplished in this community during the past year.

Just a year ago, next week, announcement came out in the paper that plans were being formulated for calling a bond election for school improvements. The following week the election was called to approve the bond issue to finance new school buildings.

Through the combined efforts of the community's people the bonds were approved paving the way for the new school buildings to be constructed.

Today, less than a year later, the new school facilities have been completed, accepted by the district, and will be shown to the public with open house next week, during Public Schools Week.

The Lions Club has always supported, and will continue to support, every move or project that is designed for improvement of facilities and conditions in the community and every effort for progress that is undertaken.

We urge you to take time out and visit your schools during this special Public Schools Week program and inspect the new buildings during open house on Monday, Tuesday, Wednesday and Thursday.

These new school buildings are the result of the combined efforts of this community's people and something of which everyone can be proud.
