Plans Are Progressing For New Hospital Wing

School Board Meets Monday

The regular monthly meeting of the Goldthwaite school board was held Monday night.

Thurman A. Head was elected to the faculty to teach math.

The board, on recommendation from the band boosters' club, approved band uniform rental reduction from \$15.00 to \$10.00 per year.

Parking spaces on Eagle field will be sold again this year to the highest bidders. Special notice of this offering appears on another page of this issue of the Eagle.

The board voted a change in policy and adopted a retirement age of 65 years, beginning with the 1965-66 school year. This provision may be waived when necessary.

The tax roll showing a small increase over last year was approved.

Homer Doggett was employed as a bus driver, Doug Collier, Pure Milk Company, was granted contract for supplying milk and ice cream to the lunch rooms and J. D. Kight, Mobil Dealer, was granted contract to supply gas and oil to the district for the school year.

Plans for the new wing to be added to Childress and Cruzcosa Clinic and Hospital are progressing on schedule, it was announced Wednesday by Drs. M. A. Childress and C. S. Cruzcosa.

Officials hope to have plans completed in the next three weeks for final approval and

calling for bids for construction. The new addition to the hospital, as announced three weeks ago, will provide six private rooms with private baths and two double rooms with one of the double rooms being equipped with two doors and can be used for isolation patient.

In addition to the eight rooms it will also provide new surgery room and a basement to provide an area for heating and cooling units and storage space.

FINANCING STILL OPEN FOR INVESTMENT
The new addition to the hospital will be financed in the same manner as the original clinic and hospital and the addition that was added three years ago.

Cost of the new addition will be approximately \$75,000.00 and equipment and furnishing will be about \$25,000.00.

Financing of this amount will be done through Mills County State Bank and a group of about 60 citizens who invest funds through a citizens committee at six per cent interest.

Drs. Childress and Cruzcosa announced Monday that the response to the finance campaign from individual citizens has been most encouraging.

Pledges are still being accepted and will be welcome from any interested parties who want to invest some funds.

The citizens will be paid six per cent interest and will be paid 10 per cent of the principal each year, with the loan to be paid out in 10 years.

Anyone desiring to lend some money should contact Dr. Childress or Dr. Cruzcosa during the next few days. Money pledged for this loan will be needed by November 1, but an estimate will be needed before work can get underway.

WHEN THE OLD BIRD
WAS YOUNGER

10 YEARS AGO-

(Taken from The Eagle
Files of August 12, 1954)

Duren Grocery has moved to their new location in the old Post Office Building and will have their grand opening Friday and Saturday of this week.

The school board received the final evaluation figure from equalization board of \$3,756,520.00 and set the rate for retirement of bonds and interest on bonds at \$0.40 and local maintenance tax at \$1.00 for a total rate of \$1.40 for next year. This is 10 cents lower than at first anticipated but will provide monies for remodeling of the present structures and making necessary improvements not provided in the bond issue.

Miss Dolly Fuqua, who lived on Route 1, Goldthwaite, died at 11:15 Sunday morning in a Brownwood hospital after a short illness.

Mr. and Mrs. Jim Faulkner received a message telling of the death of her brother-in-law, G. N. Atkinson, at Lubbock last week.

Willis Hill, president of Central Texas Telephone Cooperative, was re-elected a member of the Hamilton County REA at their annual meeting last week. He represents Mills County.

In an installation program of Delta Epsilon Chapter held at North Texas State College at Denton recently, Emory C. Walton was elevated from Senior Vice President to the office of President of the Chapter. He was one of the speakers on the program and used as his subject "Founding Of Phi Sigma Phi."

Mrs. J. M. Spinks returned to San Diego, California, with her daughter, Mrs. Ray Turner, who has been visiting here with her mother and other relatives for several days. Mrs. Spinks will remain for several weeks in California.

— IT PAYS TO ADVERTISE —

25 YEARS AGO-

(Taken from The Eagle
Files of August 11, 1939)

Next week will tell the world whether Mills County has an oil field or not. The Spinks No. 1 well near Williams Ranch has been shut down at 1,770 feet to set casing preparatory to drilling into oil bearing lime. If no unforeseen events occur, that stage should be reached within a few more days. Indications so far have been uniformly favorable and backers of the well are optimistic over the outcome.

At the regular meeting of the City Council Monday night, Clyde Lane, drilling contractor, was asked to submit an estimate on drilling a 10 inch water well through the sand which is now producing most of the water. He was also asked to figure on making a smaller test to see if sufficient water could be secured from that sand.

Another step forward into the city class is being made by Goldthwaite, with the marking of the city's streets. Walter Reeves is labeling each curb with a neatly stencilled name of the street on which it is located.

According to the records in County Clerk L. B. Porter's office, two marriage licenses have been issued this week.

The first was issued to Floyd Green and Miss Florina Sauer, both of Pecan Wells. The other was issued to Eli Edmondson of Mullin and Miss Bessie Fulton of Priddy.

W. L. Oliver, aged 77, passed away at the home of his daughter, Mrs. Harry Couch, Tuesday morning at one o'clock, August 8. Funeral services and burial was held at Mt. Olive Cemetery Tuesday afternoon at 3:00 p. m.

Mrs. Claude Eacott, Mr. and Mrs. Sam Henry Rahl and Mrs. Will Rahl attended the registered sheep and goat sale last Tuesday at Brady.

50 YEARS AGO-

(Taken from The Eagle
Files of August 15, 1914)

W. H. Oglesby, in charge of the "Big Steer," did well with his exhibit at the San Saba Fair last week and expects to be on the road for the next fifteen weeks, exhibiting the steer at various fairs in the

state, including the Waco Cotton Palace and the State Fair in Dallas. Early next year he expects to start with the animal to the Panama-Pacific exposition at San Francisco.

Fred Faulkner has been employed by the Farmers Union Warehouse company to manage their warehouse and cotton yard the coming season.

Mrs. W. C. Dew and Miss Kerfoot of California, who is visiting her, spent Monday with friends and relatives in Brownwood.

W. H. Leverett and R. W. Geeslin, two of the most prosperous farmers of the Caradan community, were pleasant callers at the Eagle office one day this week.

Captain D. T. Busa returned the first of the week from a business trip to Colorado City. He expected to go to the state convention in El Paso, but became ill and decided to return home.

S. F. McBurney, telegraph operator for the Santa Fe at Brownwood, spent Sunday with his sister, Mrs. E. P. Thompson, and family in this city.

J. B. Whitman, manager of the West Texas Telephone Company's business at this place, has been given the management of the Brady Exchange, which is a decided promotion, as the Brady exchange is much larger. The promotion is well deserved for he has given good service here and the good will of the people has been advantageous for him in a business way.

H. C. Ezzell has purchased J. H. Burnett's one-third interest in the big steer and left Thursday for Hillsboro to exhibit the animal at the fair.

When a Miss becomes a Mrs., she should safeguard her "dowry" by changing her name on her social security record.

Almost daily, new drugs appear which we are urged to offer. To reject the unproved products is just as important to this pharmacy as is the service of being alert to provide the newest and the best.

There are certain helpful guides on which we rely. HOW I QUIT SMOKING

I've been a heavy smoker now for the past three years. Smoked so much everyone near me noticed it. I was almost to the point of being a "junkie." Then I met a cute little hardtop who told me about this place where she received special treatment. She suggested I do the same thing. Well, I did, and I never felt better. Since my ring and valve job at Saylor Chevrolet, I've quit smoking and perform so well, my owner is going to keep me. CALL "SPOT" SAYLOR IF YOU CAN'T KICK THE HABIT.

Community News From Mullin

By MRS. JOHNNIE HOLLAND

MISS BETSY CORNELIUS WINS TROPHY IN RIDING CONTEST

Mr. and Mrs. Grover Dalton of Mullin are quite happy over the winnings of their granddaughter in a riding contest held recently in Fort Worth.

The Silver Saddle Club of Fort Worth held a registered Paint Horse Show recently, in which Betsy was a contestant, riding her registered Paint horse, "Black Mark."

She won first place in pole bending, first in barrel racing, third place in Western Horsemanship, and the pony won third place in the halter class. She took home the trophy for winning the most points in the show. Betsy is also the granddaughter of Mrs. C. F. Cornelius of the Ridge community.

The Rev. and Mrs. J. R. Hagan, James Robert and Roger of Missouri visited a day last week in Mullin with friends. Rev. Hagan and his family are former citizens of Mullin. He was pastor of the Baptist Church here.

Mrs. Azalea Ellis of Comanche, Mrs. Minnie Gunter and Mrs. Myrtle Garner, all attended the revival at the Baptist Church Friday night.

Mrs. W. A. Elms is home after visiting for several days in Marfa with relatives and friends. Her son and his wife are here visiting with her at this time.

The W. S. C. S. of the Methodist Church met at my home last Tuesday afternoon for a business discussion, and to make plans for the year ahead. Those present were Mrs. Dudley Aldridge, Mrs. Kyle Smith, Mrs. Minnie Pickens, Mrs. Vesta McCormick, Mrs. Margaret Tolliver, and Mrs. Johnnie Holland.

Mr. and Mrs. W. S. Kemp of Weatherford visited here last week with Mr. and Mrs. G. W. Chancellor, Ernest Kemp, and Mrs. Kemp visited Thursday afternoon with her uncle, W. L. Barker and Mrs. Barker.

Captain George Chancellor and family of Ft. Sill, Oklahoma, have been here visiting with his parents, Mr. and Mrs. G. W. Chancellor. Capt. Chancellor is attending an advanced artillery school at Ft. Sill.

Miss Artie Mosler and Mrs. Verna Lee Dudley attended the San Saba County Singing Convention Sunday.

Mr. and Mrs. James Driskill of Zephyr attended church services at the Baptist Church in Mullin Sunday morning.

Mrs. Margaret Tolliver is visiting in Sherman with her daughter, Mrs. Dudley Holland and family.

Mr. and Mrs. Otis Smith of Center City and Mr. and Mrs. A. G. Barrett of San Antonio were recent visitors here with Mr. and Mrs. Grover Dalton.

Mrs. Vesta McCormick is in Fort Worth visiting with her son, Bobby.

Ernest Kemp and Elza Smith are in Ruidosa, N. M. I imagine the climate there is much cooler than here.

Some of the people around here who are in the turkey feeding business had bad luck on the extreme hot day we had last week. Howard Ethridge lost over six hundred from heat, Rodney Carlisle lost some, but

not so many as Howard. Bill Reid, who lives at Blanket, lost over sixteen hundred. For the benefit of the people who at one time lived in Mullin, but are in cooler climates now, this is how dry and hot it is in Mullin.

Mr. and Mrs. Whit Reid and family of Odessa have been here visiting with Mr. and Mrs. Lynn Roberts and Mr. and Mrs. Allen Ratliff and family.

Also Mrs. Joe Holland of San Angelo, and Mr. and Mrs. Marvin Green and family of Midland visited a short time in Mullin an afternoon last week with Mr. and Mrs. Lynn Roberts. They were on their way home from Louisiana where they had visited with relatives.

Mrs. L. A. Williams is spending this month at Dalhart with her son, Leonard and wife.

The Baptist revival closed last Sunday night in Mullin. Nice crowds were in attendance each night.

Mrs. Lena Leineweber is in the hospital in Goldthwaite. Also Mrs. Charlie Warren is in the Memorial Hospital in Brownwood.

Mr. and Mrs. Jim Steakley of Cransfills Gap visited here last weekend with her parents, Mr. and Mrs. Albert Spinks.

Mrs. Gossett Roberts and Mrs. Lizzie Roberts and son, Robert and daughter attended the Reid reunion held at Goldthwaite last weekend.

Mr. and Mrs. Deward Chesser and Debbie and Mrs. Joe Singleton have been visiting in Jal, N. M., with Mr. and Mrs. DeWayne Chesser and family, and in Odessa with Mr. and Mrs. Wilber Chesser and family.

Hunting And Fishing Licenses For New Year To Be Ready By August 14

The new hunting and fishing licenses required for the state fiscal year beginning September 1 should be in the hands of dealers by August 14, it was announced by J. Weldon Watson, executive director for the Parks and Wildlife Department. He said they will be ready in ample time—2,350,000 licenses for hunting and fishing and for assorted commercial fishing uses. Approximately 2,800 official deputies handle the licenses which are available generally where sporting goods are available and at departmental offices.

All persons 17 years and under and 65 and over are exempt from the regular hunting and fishing licenses but they need to get a regular exempt license

if they hunt deer or turkey. Hunting licenses cost \$3.15 and fishing licenses cost \$2.15.

The only new provision in the licenses is that persons obtaining exempt licenses for hunting deer or turkey on their own land where they actually reside must present an affidavit along with their application. "In other words," said Watson, "just the mere verbal statement that they will hunt on their own land of residence is no longer adequate."

Watson said that for the fiscal year ending August 31 the total hunting and fishing licenses issued show an increase of about 25,000 over the preceding year.

Revenues from the combined licenses approximate \$3,000,000 annually. The money is used to finance wildlife restoration, law enforcement, administrative functions and other activities.

Fees for the forty-eight different kinds of licenses sold range from fifty cents for exempt doe licenses in Eastland County to \$200 for both non-resident trappers licenses and wholesale fish dealers.

Watson cautioned sportsmen that their old licenses are not valid after August 31 "under any circumstances."
