## SAC Supersonic Training Flights Start January 1, Over Goldthwaite

OFFUT AFB, Neb. — Supersonic training flights by Strategic Air Command B-58 Hustler bombers will be flown Jan. 1-March 31, 1965 along a route from a point 20 miles southeast of Paducah, Texas, over Austin and ending near Shiner, Texas.

Goldthwaite is on the direct line of these flights.

Flights along the route may occur daily, but normally will not be scheduled between 10:00 p. m. and 7:00 a. m.

Scoring equipment at the Air Force radar bomb scoring site

at Bergstrom Air Force Base near Austin will determine the accuracy of simulated bomb drops through the use of radio and radar signals. No bombs are carried on these training missions.

The bombers will fly at supersonic speeds up to Mach 2 (1,300 m. p. h.) at altitudes above 35,000 feet.

Training corridors for the SAC bombers are rotated periodically because realistic training benefits diminish when the crews become familiar with the land marks, simulated target complexes and other identifying characteristics of a particular area.

One of the features of the B-58, the free world's fastest bomber, is its ability to sustain supersonic speed over substantial distances while approaching and leaving its target. This capability enhances crew survival and assures a high probability of mission success despite strong enemy defensive measures normally expected over a target.

A costly supersonic bomber is of little value in combat if the crew cannot use its full capabilities because of inadequate prior training. Consequently, these aircraft must fly at high speeds, creating sonic booms along the route. Because of the high altitudes, the booms are comparatively weak in strength. Although sometimes startling or distracting in their suddenness, the booms will in no circumstance cause personal injury.

Towns and cities along the route of these flights between Paducah on the North and Shiner at the South include the following: Guthrie, Haskell, Stamford, Albany, Abilene, Rising Star, Brownwood, Goldthwaite, Lampasas, Liberty Hill, Austin, Lockhart, Waelder and Gonzalez.

## Lions Meet Next Week On Saturday

Members of the Goldthwaite Lions Club will have their next regular meeting on Saturday of next week instead of on Tuesday, their usual meeting date.

The dinner meeting will be held in connection with the Mills County Stock Show on January 9, and it will be at 12 noon.

## FIGHTING EA

TOM DUREN

**1964 FOOTBALL HONORS**—Tom Duren, Goldthwaite high school junior, brought home several Class A football honors during the 1964 season with selections recently announced.

Duren, the son of Mr. and Mrs. W. P. Duren, was named on the 9-A all-district team. In addition to district honors he was named to the All-West Texas Class A first team by the San Angelo Standard-Times and coaches of West Texas.

The star Eagle tackle was named to the second team Class A football by the Abilene Reporter-News sports department for their West Texas area selection.

**TAX MAN SAM SEZ:**

The new Form 1040 for 1964 has been mailed out. The new form has been completely revised. Page 1 of the 1040 looks about the same although there are several changes, but page 2 has one column for the itemized deductions, and on the left side of the page is a column for listing the income. Internal Revenue hopes to cut down on the number of pages most taxpayers will have to file. My good free advice is to read those instructions just like your dollars depended on it—they do.

### Hillside Mission

By **LIDA BYRNE**

Your baby is like our Lord Jesus Christ says it is: Let us find what our Bible says in St. Matthew 18:1-7:

"At the same time came the disciples unto Jesus, saying, Who is the greatest in the kingdom of heaven?"

"And Jesus called a little child unto him, and set him in the midst of them,

"And said, Verily I say unto you, Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven.

"Whosoever therefore shall humble himself as this little child, the same is greatest in the kingdom of heaven.

"And whoso shall receive one such little child in my name receiveth me.

"But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea."

### WYLIE OIL COMPANY ELECTED TO AMERICAN ANGUS ASSOCIATION

Wylie Oil Company Inc., Mullin, has been elected to membership in the American Angus Association at St. Joseph, Missouri, announces Glen Bratcher, secretary.

This membership was one of 456 issued to breeders of registered Aberdeen-Angus in the United States during the past month.

during the years 1939 through 1943.

The membership equity including operating capital and reserves is furnished by the members as a part of the electric service bill which they pay each month. At the end of each year, all funds which are in excess of actual operating expenses are credited to the members, capital accounts.

In keeping with the ideals of a cooperative, non-profit operation, it is the aim of the management and the Board of Directors to return this capital as soon as it is financially possible to do so.

This year it was felt that the Cooperative could begin to refund the oldest capital and have prepared checks to 2,000 members totaling \$28,000. Most of these were mailed last week and the others are being mailed as correct addresses can be found.

## Community News From Mullin

By MRS. JOHNNIE HOLLAND

Christmas has come and gone once more, and we had beautiful weather all the time, and lots of strange cars in Mullin.

We at our house were thankful that Johnnie is doing so much better. He is able to be up some now, but he can't get too far from his oxygen. He is eating well, and gaining weight. That is something he has not been able to do in years. He said this morning (Monday) that he had less air in his lungs than he had had for years, so you can see why we are so thankful.

Holiday visitors with Son Lee and wife were Mr. and Mrs. Chester Charnetski and David of Port Lavaca; Mr. and Mrs. Eugene Tyson and family of Beaumont; Mr. and Mrs. Wesley Lee and family of Brownwood; and Mr. and Mrs. N. J. Tyson of Brownwood. Mr. and Mrs. Charnetski and David also visited in the Lindsey Kittle home. Also Mr. and Mrs. Eugene Tyson and family visited in Brownwood with his parents, Mr. and Mrs. N. J. Tyson.

Mr. and Mrs. Bob Hughes of Waco were recent visitors here with her father, Mr. A. F. Shelton, and with Mr. and Mrs. Dew Shelton. Also Christmas Day dinner guests of Mr. and Mrs. Dew Shelton included Mr. and Mrs. Billie Hobbs and family of Brownwood, and Mrs. Betty Coborn and family of Kermit.

All of the above also visited with Mrs. Addie C. Davis of Goldthwaite.

Mr. and Mrs. Edd Ferguson and family spent Christmas Day in Brownwood with his mother.

Friends of Mr. Tom Cooksey Sr., will be sorry to hear of the car wreck he had Christmas Eve. He was attempting to cross the highway above the Baptist Church and he ran into a car that was pulling a trailer and a horse. It is my understanding that none of the people were seriously injured, but Mr. Cooksey was bruised and shook up badly. Mr. Cooksey was in a pickup.

Mr. and Mrs. Jim Tullos had their son, Rex and family, also their grandson, Jimmy Rex and family with them Christmas Day. Mr. Tullos says they really had a pleasant day together.
