Speaker Barnes Names Townsend To Texas Legislative Council

Speaker of the House Ben Barnes today announced the appointment of Representative Terry Townsend of Brady to the Texas Legislative Council of the 59th Legislature.

The Council, of which Barnes is vice chairman, is a permanent legislative service agency with a full-time professional

staff which provides research, statutory revision and bill-drafting assistance. Council members, who determine policy and provide general direction for the agency's work, are designated by the presiding officers of the House of Representatives and the Senate after each regular session of the Legislature. They participate actively in dealing during the interim with problems of state-wide significance confronting the next Legislature. Appointments to the Council are considered choice assignments by legislators because of the influence and prestige attached to membership.

In announcing the appointment, Speaker Barnes said, "Representative Townsend, because of his four terms of service in the House and his performance as a legislator, will be a valuable member of the Council. His experience and background will enable him to make significant contributions to the work of the Council and to the development of a constructive program for the 1967 legislative session."

During the 59th Legislature this year, Townsend was chairman of the House standing Committee on Motor Traffic and also served as a member of the Committees on Agriculture, Banks and Banking, Criminal Jurisprudence, and State Affairs.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.
SENATE JOINT RESOLUTION NO. 24 proposing an Amendment to the Constitution of the State of Texas by amending Article VII, Section 17, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning; providing for allocation of funds therefor; authorizing the issuance of bonds or notes and the pledging of allotted funds for the payment of same; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 17 of Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows: "Section 17. In lieu of the state ad valorem tax on property of Seven Cents (7c) on the One Hundred Dollars (\$100.00) valuation heretofore permitted to be levied by Section 51 of Article III, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two Cents (2c) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the continuing payment of Confederate pensions as provided under Section 51, Article III, and for the establishment and continued maintenance of the State Building Fund as provided in Section 51b, Article III, of the Constitution."

"Also, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Ten Cents (10c) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings or other permanent improvements at the designated institutions of higher learning provided that none of the proceeds of this tax shall be used for auxiliary enterprises; and the governing board of each such institution of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as

hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed four per cent (4%) per annum and shall mature serially or otherwise in not more than ten (10) years; provided further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty Cents (30c) on the One Hundred Dollars (\$100.00) valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. "Eighty-five per cent (85%) of such funds shall be allocated by the Comptroller of Public Accounts of the State of Texas on June 1, 1966, and fifteen per cent (15%) of such funds shall be allocated by said Comptroller on June 1, 1972, based on the following determinations:

"(1) Ninety per cent (90%) of the funds allocated on June 1, 1966, shall be allocated to state institutions based on projected enrollment increases published by the Coordinating Board, Texas College and University System for fall 1966 to fall 1978.

"(2) Ten per cent (10%) of the funds allocated on June 1, 1966, shall be allocated to certain of the eligible state institutions based on the number of additional square feet needed in educational and general facilities by such eligible state institution to meet the average square feet per full time equivalent student of all state senior institutions (currently numbering twenty-two).

"(3) All of the funds allocated on June 1, 1972, shall be allocated to certain of the eligible state institutions based on determinations used in the June 1, 1966, allocations except that the allocations of the funds allocated on June 1, 1972, shall be based on projected enrollment increases for fall 1972 to fall 1978, and fifty per cent (50%) of such funds allocated on June 1, 1972, shall be based on the need for additional square feet of educational and general facilities.

"Not later than June first of the beginning year of each succeeding ten-year period the Comptroller of Public Accounts of the State of Texas shall reallocate eighty-five per cent (85%) of the funds to be derived from said Ten Cent (10c) ad valorem tax for said ten-year period and not later than June first of the sixth year of each succeeding ten-year period said Comptroller shall reallocate fifteen per cent (15%) of such funds to the eligible state institutions then in existence based on determinations for the said ten-year period that are similar to the determinations used in allocating funds during the twelve-year period beginning January 1, 1966, except that enrollment projections for succeeding ten-year periods will be from the fall semester of the first year to the fall

semester of the tenth year. All such designated institutions of higher learning shall not thereafter receive any general revenue funds for the acquiring or constructing of buildings or other permanent improvements for which said Ten Cent (10c) ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the uninsured loss so incurred may be made by the Legislature out of any General Revenue Funds. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this Amendment, and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose. This Amendment shall be self-enacting. It shall become operative or effective upon its adoption so as to supersede and repeal the former provisions of this Section; provided further, that nothing herein shall be construed as impairing the obligation incurred by any outstanding notes or bonds heretofore issued by any state institution of higher learning under this Section prior to the adoption of this Amendment but such notes or bonds shall be paid, both as to principal and interest, from the fund allocated to any such institution.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election to be held on the first Tuesday after the first Monday in November, A.D. 1965, at which election all ballots shall have printed thereon:

A GOOD NAME is the FINEST ENDORSEMENT

Almost daily, new drugs appear which we are urged to offer. To reject the unproved products is just as important to this pharmacy as is the service of being alert to provide the newest and the best.

There are certain helpful guides on which we rely. Reliable pharmaceutical manufacturers, such as Parke, Davis & Company, establish quality and effectiveness with exhaustive clinical tests before a product is announced. Your Doctor is then given facts, and on his judgment we rely in making our decision.

Thus, if a preparation is in our stock, you are assured of its reliability.

Community News From Mullin

By MRS. JOHNNIE HOLLAND

The Baptist Revival closed last Sunday night with a nice crowd present; although all electricity was off in Mullin. I think they used lanterns for light. We used our old kerosene lamp which we keep just for such times.

We had a nice shower of rain Sunday afternoon. Some places around Mullin received over an inch. We can really use the rain. It is very hot and dry here.

Mrs. Grady Hancock, her daughter, Dorothy Jean Parker and Donna Jean of Kermit returned last week from a trip to East Texas to visit relatives in Henderson, Marshall, Mineola, and Arlington. They visited with Mrs. Parker's two aunts, Mrs. Luther Anderson and Mrs. Lige Livingston and families in Marshall, and the M. E. Williams family in Mineola, and on to Arlington to visit Mrs. Hancock's nephew, Mr. and Mrs. Gerald Wallace and family. They also made a shopping trip to Fort Worth.

Miss Marie Wallace accompanied Dorothy Jean and Donna back to their home at Kermit. While there she visited in Pecos, and in Carlsbad, N. M., where she went through the Caverns. She also made a trip through the Guadalupe Mountains.

Mrs. Joe Lovett is in Wichita, Kansas, visiting with her daughter and family, Mr. and Mrs. Jack White. Mrs. Lovett injured her finger last year in a lawn mower, and it has been giving her trouble, so she is also under the care of a doctor in Wichita.

Visitors last Tuesday with Mr. and Mrs. Grover Dalton were Mr. and Mrs. Grover Meyer, Herbert Meyer and Herbert Jr., all of Houston, and Jimmy Cornelius of Brownwood. Also Ceth Randle and daughter, Hulda, from the State of Colorado, visited last Sunday in the Dalton home.

Dr. Richard Burgess of Fort Worth recently had eye surgery. He is recovering nicely from the surgery.

Mr. and Mrs. Jimmy Ethridge and Randy of Austin are spending the week here with their parents, Mr. and Mrs. Johnnie Holland and Mr. and Mrs. Howard Ethridge and family. They were accompanied by Alice Wyatt of Austin who is spending the time with Brenda Ethridge. Gayla, Jimmy and Randy visited Sunday in De Leon with Mrs. Clyde L. Lightfoot and Gene. This was Randy's first time to see his great-grandmother Lightfoot.

Mr. and Mrs. C. E. Ferguson and family are on their vacation this week. They are spending it in parts of East Texas.

Mr. and Mrs. Azelle Mosier and family of Carlsbad, N. M., have been here visiting with relatives.

Mr. and Mrs. Harry Warren of Kerrville visited here last week with his parents, Mr. and Mrs. C. A. Warren.

Mr. C. C. Hancock of Brownwood and Taylor Hancock of Phoenix, Arizona, visited here Sunday with Mr. and Mrs. Grady Hancock. Taylor Hancock is the son of Hatton Hancock, and is a first cousin of Grady's.

TAX MAN SAM SEZ:

The old saying that only death and taxes are sure is still considered a pretty sound statement. Unless we change things a lot, operating the government is gonna require us to pay taxes. This includes taxes on our death.

Of course, Texas, along with most other states, collects an inheritance tax.

Internal Revenue collects an estate tax if your estate is worth more than \$60,000 (or \$120,000 community property). The estate tax works similar to the income tax but most of us would like to postpone the filing date on this tax for a long, long time.

Jan Horton of Waco is spending this week with her grandparents, Mr. and Mrs. M. F. Horton.

Sidelights

TEXAS PRESS ASSOCIATION

AUSTIN, Texas — Water remains very much in the spotlight over the state.

As June ended, cattle were in better than average condition, says the US Department of Agriculture. Pastures and ranges continued to furnish good grazing and rising cattle prices have resulted.

On the High Plains heavy showers boosted range prospects, but grass growth was slowing in many areas because of high temperatures which sapped soil moisture.

In the Trans-Pecos ranges some farmers and ranchers were forced to begin supplemental feeding.

Some farmers have been combatting the rain problem by irrigating their crops. A joint study by the USDA, the Texas Water Commission and the State Soil Conservation Board indicates that irrigation in Texas rose significantly from 1958 to 1964. Amount of water used increased nearly one third, to 12,500 acre feet or an average of 18 inches per irrigated acre.

Amount of irrigated land increased by 15 per cent during the six-year period. Much of the gain occurred in the High Plains—in the upper parts of the Canadian, Colorado, Brazos and Red River Basins — but some of it also was in the basins of the Rio Grande and Nueces Rivers.

By next September studies to show how much water will be available in 2020 from Texas reservoirs and ground water strata already in use will be complete.

Then will come the job of finding additional sources to match yields to needs. This will involve searching for new surface water supplies as well as desalination of poor underground water.

When in-basin sources are

checked out against the needs of each river basin, the planners expect to find some of the heavy rainfall regions will have more water than they will need, even to 2020, while others will not have enough.

Then, the question will be: where to take the surplus?

\$100,000,000 Surplus

State government will begin the new fiscal biennium with a surplus of nearly \$100,000,000. But it will wind up with a balance of only \$4,200,000, according to estimates of the Governor's budget office.

In a recap of legislative spending, Gov. John Connally's staff tallied all appropriations at \$3,700,000,000, of which \$622,900,000 will come from general revenue. (Vetoes by the governor of \$2,600,000 from the spending bills are deducted.)

Figures put state cost of the average \$553 teacher pay raise at \$70,600,000 for the year period beginning September 1. Total new revenue provided by the 59th Legislature comes to \$82,500,000, according to revised figures. Biggest part of this comes from the cents-a-pack increase in cigarette tax.

TIPS for OUTDOORSMEN

Live Crawfish

Wise fishermen allow their live crawfish bait to sink to the bottom—where crawfish naturally are found. Also, they remove the two claws so the bait won't be able to grab hold of underwater weeds and brush.

Boy Scout Watch Trick

Every Boy Scout knows how to use his watch as a compass. Here's how to do it: Hold the watch flat in your hand, face up, with the hour hand pointed toward the sun. South then will be halfway between the hour hand and 12 o'clock. Use standard time and forget the minute hand.

Scale, Or Not To Scale

Whether a fish should be scaled or skinned before cooking depends largely on where the fish was caught.

If it came from cool, clean water, scale it.

But if the fish was taken from a turbid pond or stream, it will taste much better with the skin pulled off. This eliminates most of the muddy flavor.

Don't Snag Your Handgun

Hunters wearing handguns experience constant annoyance at the way their holsters hang up on projection when passing through brush.

This needn't be. Just fasten a left-handed holster to your belt at the back. There the gun will be out of the way of brush, yet can be easily reached by the right hand.

Make Your Oars Last Longer

If you will cover the part of your oars that rub against oarlocks, and also the oar tips, with strips of fiberglass and epoxy resin, the oars will last much longer.

Instant Traction

Hunting and fishing enthusiasts often travel over icy roads—and they often find their

wheels spinning helplessly on a spot of glazed ice.

When this occurs, relief can be had in many cases by scraping off the mud that has accumulated under the fenders. This dirt will afford enough grit on the slick spot to supply the necessary traction.

Gun Rack Cushioning

Most gun racks come with felt strips to prevent gunstock damage.

Replace these strips with ordinary weather stripping. It's foamy cushioning affords better protection and will out-wear felt.

Keeping Soap Clean

Keeping soap clean and handy in camp can be something of a problem.

It needn't be, if you will take the precaution to place a bar of soap in the toe of an old nylon stocking. Just hang the stocking close to the wash-up pan, and it will always be ready for use.

Suds come through the nylon mesh as though the stocking wasn't there.

Protecting The Axe Blade

A sharp bladed axe or hatchet is dangerous to have around camp, if not protected.

Keep all such tools covered by forcing a length of ordinary garden hose (slit length-wise) over the cutting edge.

Hose is rigid enough to remain clamped firmly in place when the blade is not in use.

Excellent Match Holder

You can't beat the plastic case of an empty nasal inhaler as a match container for use in camp, or in the field.

Shortened to size it will hold about a dozen matches and keep them dry and ready to use.

For added waterproofing just smear a little melted paraffin on the cap threads.

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 5 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor. BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows: "Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas, the Veterans' Land Board, which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Board and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature. "The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present. "The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for

not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4 1/2%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board hereunder shall be deemed to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same. "In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds. "Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price thereof, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the

moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes. "All moneys comprising a part of said Fund and not expended for the purposes here provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund. "When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all of the bonds secured by such Division, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of the moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violator of any contract to which said Board is a party. "The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein. "All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, for a period ending eight (8) years after the date provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold

Texas veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1965, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, on such terms and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law. "Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board may be used by said Board as is now or may hereafter be provided by law for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due on or to become due on any such additional bonds. "All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1964, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein. "All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, for a period ending eight (8) years after the date provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold

shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein. "This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary. "Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature. "This Amendment shall become effective upon its adoption." Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following: "FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1965; such funds to be expended in accordance with instructions and requirements that may be provided by law;" and "AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1965; such funds to be expended in accordance with instructions and requirements that may be provided by law." If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith. Section 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and shall have the same published as required by the Constitution and Laws of this state.

Miss Linda Louise Dorough Becomes Bride Of Malcolm Lathon Jernigan

The Marvin Methodist Church of Tyler was the site for the wedding that united Miss Linda Louise Dorough of Tyler, and Malcolm Lathon Jernigan, 6000 Revere Pl., Dallas, in marriage Saturday evening, July 24, at 8:00 p. m.

Parents of the couple are Mr. and Mrs. Paul Gideon Dorough of 2802 Copeland Road, Tyler, and Mr. and Mrs. Malcolm Luther Jernigan of Goldthwaite.

The Reverend Byron Wolfe officiated for the double ring ceremony before an altar centered with a massive arrangement of white chrysanthemums and pom poms. Arched candelabra holding white tapered roses above massed palms in the background. A tall basket at the center held an arrangement of white gladioli, asters and small chrysanthemums. White columns brushed with gold held massive arrangements of white gladioli, asters and pom poms. Palms and greenery decorated the chancel and the pulpit platform.

Mrs. Lafayette Wofford was organist. Joe Lee Porter was soloist and Mr. and Mrs. Joe Porter presented a duet.

The bride, given in marriage by her father, chose a formal gown of candle light peau de sole designed with a slim sheath front and full back sweep skirt. The closely molded bodice featured an Empire waistline and scooped neckline. Chandelier sleeves were etched with re-embroidered Alencon lace. Wide scallops of lace entirely encircled the camelot train which fell from the shoulders into a chapel sweep. Her matching mantilla of imported French net with re-embroidered Alencon lace fell in deep folds over the shoulders.

Miss Paula Dianne Dorough was her sister's maid of honor and Misses Patty Sproule, Tyler, Jan Harris, Royse City, Jill Prestidge, cousin of the bride of Troup, Janell Jernigan of Goldthwaite, sister of the groom, and Mrs. Ben Fomy of San Marcos were bridesmaids. They

wore identical floor length Josephine empire formal sheaths of Nile Georgette over taffeta. Long sheer sleeves were a part of a bolero worn unseen under the fitted scooped neck empire bodice. A detachable sheered floating hemline panel floated from a bow at the empire back. Nile georgette bows were worn in the hair and they carried cascade bouquets of yellow roses.

Malcolm Luther Jernigan served his son as best man. Jay Koonce of Dallas, Adrain Hugkins and Tom Lowry, both of Dallas, Charles Childress, Goldthwaite, David Theriot of Tyler, were groomsmen. Claude Harris, Jr., of Tyler, and Jim McPeck of Dallas were ushers.

Immediately following the ceremony a reception was held in the Fellowship Hall. The bride's table was laid with a white satin cloth with tulle overskirt. A footed silver bowl held an arrangement of white beauty asters and small chrysanthemums flanked by five-branched silver candelabra with white tapers.

The bride is a graduate of Robert E. Lee High School, at

tended Tyler Junior College, member of the Apache Belles and Phi Theta Kappa. She received a B. A. degree from North Texas State University and is a member of Pi Delta Phi, honorary French fraternity.

Mr. Jernigan teaches orchestra in the Dallas Public Schools, is associate conductor of the all-city Del-Hi Orchestra. He

received his B. A. and M. A. degrees from Southern Methodist University, Dallas. He is a member of Phi Mu Alpha fraternity. He did extra musical study in Santa Barbara, Calif., Chicago, Ill., New York City, Salzburg, Austria, and Hancock, Me., where he was a conducting

student of the late Pierre Montoux for three summers.

For a wedding trip the bride chose a three piece champagne suit with matching accessories. On their return from their trip through Colorado and Michigan the couple will be at home at 6000 Revere Place in Dallas.

Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions hereby established shall be alternative to and cumulative of those provided elsewhere in the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows:

"Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent

him from serving the remainder of said term nor be applicable to him before his period or periods of judicial service shall have reached a total of ten (10) years.

"(2) There is hereby created the State Judicial Qualifications Commission, to consist of nine (9) members, to wit: (i) two (2) Justices of Courts of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who shall have ceased to retain the qualifications above specified for his respective class of membership. Commissioners of classes (i) and (ii) above shall be chosen by the Supreme Court with advice and consent of the Senate, those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate, and those of class (iii) by appointment of the Governor with advice and consent of the Senate.

"(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years.

"(4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission.

"(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceed-

ings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.

"(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.

"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.

"(8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.

"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.

"(10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giv-

ing of testimony before, the Commission, Master or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character.

"(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.

"(12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.

"(13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

"AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

Section 3. The Governor shall issue the necessary Proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.
