48 Fighting Eagles Report For Workouts

Forty-eight fighting Goldthwaite High School Eagles reported for the 1965 football season as workouts got underway Monday, according to Coach Jackie Williams.

Three more boys have been delayed because of vacations and are expected to come out in the next few days bringing the total to 51. This will be the same number that started the season a year ago.

The Eagles are going through two workout sessions daily this week and will continue through next week on the same schedule as they get ready for school and the opening of the new grid season. Workout sessions are from 8 to 10 a. m. and from 7 to 9 p. m.

Coach Williams stated Tuesday that prospects are "Mighty Good" for this year. The Eagles may just go all the way this year.

Seniors on the Eagle squad this year have been working under Coach Williams since they were in the 7th grade and this should be their big year.

The Eagles last year won the district for the second year and won bi-district before they fell to Archer City 6 to 13 in regional play-off. Archer City won State.

Workouts Monday and Tuesday looked good and as the coach stated: "They are really getting after it." There is keen competition for all of the positions. There are 31 boys who

weigh over 150 pounds and are in line for one of the 22 uniforms for the traveling squad.

Coach Williams has 18 lettermen back from last year, with seven of them offensive starters and nine are defensive starters. Eight of them were all-district last year.

Of those reporting for the new season 15 are seniors, 9 juniors, 13 sophomores, and 11 freshmen.

The coach reported Tuesday that there is more enthusiasm than he had ever witnessed before and that there is no absenteeism.

The Eagles will start off the season with the Class AA San Saba Armadillos on Friday, September 3. The game will be played in San Saba.

SCRIMMAGE MENARD NEXT WEEK FRIDAY

The Eagles will have a scrimmage with Menard, at Menard, next week Friday night, August 27, at 7:30 o'clock, Coach Williams announced.

Parents of the couple are Mr. and Mrs. Harold Yarborough of Goldthwaite, and Mr. and Mrs. Jefferson L. Campbell of 156 Cosgrove Drive, Mobile, Alabama.

The altar was decorated for the candlelight ceremony with palms and baskets of greenery. Arched candelabra with cathedral tapers formed halos over the arrangements of white gladiol and chrysanthemums fashioned to the candelabra. The chancel rail was outlined with votive candlelight and the center of the altar was graced with a large open Bible, that had been placed in the church as a memorial to the bride's maternal grandparents.

Miss Beth Gardner of Waco, accompanied by Mrs. Thurman Head at the organ, sang "The Lord's Prayer" and "Because."

The bride, given in marriage by her father, chose a formal gown of pearl white bridal satin featuring a controlled skirt that fell to the floor in a chapel train. Beaded Alencon lace accented the fitted bodice, scoop neckline and godet sleeves. A small matching satin pillbox hat appliqued with Alencon lace and pearls held the elbow length bridal veil. She carried a cascade of white glameillas and stephanotis centered with a white orchid.

Miss Gardner served as maid of honor. She wore a yellow street length dress fashioned after the bride's, with fitted bodice, scoop neckline and godet sleeves. She carried a colonial bouquet of yellow glameillas.

William H. Miles of Austin attended the groom as best man. Ushers were John P. Johnson of

Austin, Owen Yarborough, brother of the bride, James Ward, Phil Duren, and James Childress.

The mother of the bride wore a pink silk and lace dress with matching accessories. The groom's mother chose a champagne lace dress over peau de sole with matching accessories.

Immediately following the ceremony, a reception was held in the Fellowship Hall of the church. The bride's table was laid with a white satin cloth with an overskirt of white tulle. Silver and crystal appointments were used and the floral arrangements carried out the bride's chosen colors.

The bride is a graduate of Goldthwaite High School and Hillcrest Baptist School of Nursing. She also attended Tarleton State College, where she was a member of the Eternas social club. The groom is a graduate of University Military School of Mobile and is at present attending the University of Texas.

The couple left for a tour that will carry them to New Orleans and other points in the southern states. On their return they will reside at 608 Elmwood, Austin, Texas.

METHODIST PARSONAGE DESTROYED BY FIRE

The Methodist parsonage and all of the furniture, plus some furniture, clothing and important papers that belonged to the lady that was renting the parsonage, were destroyed late Sunday afternoon by fire. Cause of the fire is not known, but the ones who saw it first said the fire seemed to be in the top of the house, so it is assumed that bad wiring caused the fire. The fire truck from Goldthwaite came and helped to prevent the fire from burning the church and other close buildings. Luckily, the wind was not blowing, so the fire did not spread. The church carried in-

surance to partially cover the loss, but the lady living in the house did not have insurance on her furniture. She said their greatest loss was clothing and important papers.

Due to the ever increasing cost of operating the school and the increases in teacher salaries we feel that it is necessary to increase the tax structure of our school district.

Under the proposal to be voted on our school district tax rate would be changed from the present maximum of \$1.50 per \$100 valuation for both local maintenance and bonded indebtedness to a maximum of \$1.50 per \$100 valuation for local maintenance plus amount necessary for bonded indebtedness.

Your school board feels that this move is necessary IF THERE IS A SCHOOL TO BE MAINTAINED IN MULLIN.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all of the bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund hereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all of the bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violation of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

Texas veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enrollment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys hereafter issued and sold by said Board, may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1956, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, on December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction) shall be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold

shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."
Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing lands in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing lands in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of some Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.
Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

NUMBER FOUR ON THE BALLOT**

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.
SENATE JOINT RESOLUTION NO. 14
Amendments to Section 4, 22 and 23 of Article IV of the Constitution of the State of Texas, so as to provide a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office and Secretary of State; and certain statutory state officers; providing for the necessary election and the form of the ballot; and providing for the necessary proclamation and publication.

RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 4, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:
"Section 4. The Governor shall be installed on the first Tuesday after the organization of the Legislature, or as soon thereafter as practicable, and shall hold his office for the term of four years, or until his successor shall be duly installed. He shall be at least thirty years of age, a citizen of the United States and shall have resided in this state at least five years immediately preceding his election."

Section 2. That Section 22, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:
"Section 22. The Attorney General shall hold office for four years and until his successor is duly qualified. He shall represent the state in all

suits and pleas in the Supreme Court of the state in which the state may be a party, and shall especially inquire into the charter rights of all private corporations, and from time to time, in the name of the state, take such action in the courts as may be proper and necessary to prevent any private corporation from exercising any power or demanding or collecting any species of taxes, tolls, freight or wharfage not authorized by law. He shall, whenever sufficient cause exists, seek a judicial forfeiture of such charters, unless otherwise expressly directed by law, and give legal advice in writing to the Governor and other executive officers, when requested by them, and perform such other duties as may be required by law. He shall reside at the seat of government during his continuance in office. He shall receive for his services an annual salary in an amount to be fixed by the Legislature."

Section 3. That Section 23, Article IV of the Constitution of the State of Texas be amended so as to hereafter read as follows:
"Section 23. The Comptroller of Public Accounts, the Treasurer, the Commissioner of the General Land Office, and any statutory state officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution,"

Section 4. The foregoing Constitutional Amendments shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendments providing a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office, Secretary of State, and any statutory state officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution."

Section 5. Nothing contained in this Resolution shall be construed so as to extend the term of office of any officeholder previously elected to a two-year term.

Section 6. The Governor shall issue the necessary Proclamation for the said election and have the same published as required by the Constitution and laws of this state.

NUMBER EIGHT ON THE BALLOT**

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.
HOUSE JOINT RESOLUTION NO. 57
Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them from office, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions hereby established shall be alternative to and cumulative of those provided elsewhere in the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows:
"Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent

him from serving the remainder of said term nor be applicable to him before his period or period of judicial service shall have reached a total of ten (10) years.
"(2) There is hereby created the State Judicial Qualifications Commission, to consist of nine (9) members, to wit: (i) two (2) Justices of Courts of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who shall have ceased to retain the qualifications above specified for his respective class of membership. Commissioners of classes (i) and (ii) above shall be chosen by the Supreme Court with advice and consent of the Senate, those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate, and those of class (iii) by appointment of the Governor with advice and consent of the Senate.
"(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years.
"(4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission.
"(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceed-

ings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.

"(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.
"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf, and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.
"(8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the report and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.
"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.
"(10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giv-

ing of testimony before, the Commission, Master or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character.

"(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any Justice against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.
"(12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.
"(13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

"AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

Section 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.

Hunting And Fishing Licenses To Be Available By September 1

The annual scramble for hunting and fishing licenses will be eased this fall by earlier shipment of the permits to the approximately 2,500 dealers throughout the state.

Bill Marks of the Texas Parks and Wildlife Department staff, said arrangements have been advanced to have all licenses in the hands of dealers well before the new state fiscal year begins September 1.

The total consignments will comprise 775,000 fishing licenses and 736,000 hunting license of which 175,000 will be exempt hunting licenses.

experimental projects leading toward better luck for the angler and better shooting for the hunter.

The ordinary sports fishing license cost \$2.15 and the resident hunting license \$3.15. There are numerous exceptions, such as for those under 17 and older than 65 years. But in the case of deer hunting, these privileged persons need a special exempt license to provide the proper tags, which may be obtained for an issuance fee of 25¢ per license.

In the past, efforts to make last-minute delivery to avoid conflict with the old license routine caused some inconvenience among sportsmen and also a sizeable problem for the harassed dealers, said Marks.

"We expect to have the licenses in the mail very shortly," said Marks. "Of course, there will be the usual rare instances of unrecieved shipments, unavoidable in handling the great number of parcels, but the extra time will help us adjust these cases."

Marks wanted to make it clear that the new licenses will not be good until September 1 and that the old licenses will be invalid after this date.

Sale of hunting and fishing licenses provides more than half of the revenue needed to finance departmental operations, including costs of the vast

Increase In Social Security Benefits Starts In September

"The Social Security Amendments, signed into law Friday, August 6, by President Johnson, constitute a major change in the social security system," Jack Calvert, district manager of the Temple Social Security district office, has announced.

"The provisions of the new law affect virtually all persons in this area directly or indirectly," he said.

"Until further information is available, there is nothing the social security beneficiaries, or persons over age 65, or the general public need do at this time," Calvert added. "Specific information about filing claims for the different benefits provided by the new legislation will be released starting within the next ten days to two weeks."

"September 1965 is the earliest month that most of the changes in the law will take place. The seven per cent increase in benefits for all social security beneficiaries will be payable back to January 1965 if the person was otherwise eligible. But there is no action these beneficiaries need take to get the back payments. The increase is automatic for everyone, and checks for the increase will be issued early in September," Calvert said.

"The health insurance benefits, commonly called 'Medicare', will not go into effect until next year, July 1966. Next month is the earliest we can start taking claims on these provisions. The health insurance benefits apply only to persons who are 65 years of age or over; and with the cooperation of news media, we'll get information to everyone in plenty of time for them to take necessary action," Calvert concluded.
