Producers Reminded Wool Program Marketing Year Ends December 31

Growers were reminded today that the 1967 marketing year under the wool and mohair program ends December 31.

Ralph Duren, Chairman, ASCS Committee, explains that this means that payments for the current 1967 year will depend on completing all details of marketing either wool, mohair, or lambs, by that date. Marketings completed after December 31, 1967, will become marketings in the 1968 marketing year, and thus not eligible for payments until early 1968.

The Chairman urges producers to make sure that all details for the 1967 sales are completed by the end of the year. Applications for 1967 marketing year payments under the National Wool Act may be filed with the ASCS county office at any time, and the Chairman advises that this be done as

soon as possible. At the time of filing wool application, producers must furnish the original sales receipt made out to seller and signed by the buyer. Producer must also state the number of unshorn lambs purchased, if any, from which wool was shorn and will be requested to state the number of head shorn for all receipts except those representing clips or tags.

Incentive payments under the wool program are based on the average national price for marketings during the whole year, and this can be determined more exactly if reports on marketings are complete. ASCS therefore is urging that all 1967-year applications be filed before January 31, 1968.

Payments for the 1967 marketing year will likely begin in April of next year.

New 51 Bed Hickman Nursing Home To Be Constructed In Goldthwaite

Plans were announced this week for construction of a new 51 bed Hickman Nursing Home in Goldthwaite.

The announcement was made by Tom Hickman, owner, and Mrs. Pearl Hickman, manager, who stated that construction is expected to get underway in January. Final details with minor revisions are being worked out on plans by the architect now and bids are expected to be called for shortly.

The new nursing home will be built on approximately four acres of land located across highway 84 east of Third and Fourth Streets.

In announcing the plans Mr. Hickman stated that the new home will have 14,610 square

feet of floor space. There will be 13 private rooms with private bath, 15 double rooms with semi-private bath and two four-bed wards. A living room-recreation area, kitchen, barber-beauty shop area, medical examination room, physical therapy room, a laundry and a chapel. All furniture, fixtures and furnishings will be new, Hickman stated.

A fire detection and alarm system, nurses call system from each bed, an emergency water supply and an emergency power unit will be part of the new installation.

Construction will be of brick veneer, with sound retardant partitions and insulated walls.

The building is being planned and designed to meet medicare specifications, according to Mr. Hickman. Architect for the new home is Emmett Trant & Associates, Bryan, Texas.

Tom Hickman and his mother have been operating Hickman Nursing Home here in the Saylor Hotel Building at Fisher and Third Streets for the past several years. The new home will give them considerable additional capacity and a completely new and modern installation. It will be located on the Frizzelle hill overlooking the city.

Mr. Hickman also has a 50 bed nursing home in Eastland, a 80 bed nursing home in Cisco and a small nursing home in Early. He makes his home in Early.

Community News From Mullin

By MRS. JOHNNIE HOLLAND

Mullin has had its first snow of the season. Last Sunday morning the ground was partially covered with snow, but it melted away as the day went on. Maybe this was just a forerunner of things to come.

Mr. and Mrs. Jimmy Rex Tullis and Natalea of San Angelo, Mrs. Jim Tullis and Mrs. Pierce Hodges all visited recently in Waco with Mr. and Mrs. Rex Tullis and family.

Mr. and Mrs. H. T. Long, Mrs. Vesta McCormick and Miss Artie Mosler all attended a Singing at the Primitive Baptist Church in De Leon last Friday night.

Mrs. Clyde Stewart of Brownwood visited a day last week in Mullin with Mrs. Lena Leineweber.

Dew Shelton has purchased the house in Mullin recently vacated by Mr. and Mrs. W. E. Murray.

Weekend visitors in the Will Sanders home included Mrs. Albert Jenke and Mr. Kenny Harris of Austin and Sammy Jenke of New Braunfels. Sammy and Mr. Harris came deer hunting but failed to get a deer. Other visitors were Mrs. Daisy Boyles and her daughter and son of Angleton, Mr. and Mrs. Roger Sanders and Amy; Glynn and Vireta Sanders and the G. I. Aldredge family.

Mr. and Mrs. Bert Lockett are in Lubbock visiting with their son and wife, Carroll and Carolyn.

Mrs. Fred Mosier is visiting with her sister, Mrs. Lou Smith at Olney; also she is visiting with friends, Mr. and Mrs. Tillman Smith of Graham.

Marshall Ehridge received quite a dangerous injury in Olney a day last week. He was on his horse rounding up some livestock and if I heard correctly he jumped off the horse with a rope in his hand to try to rope a calf, and the horse got scared and Marshall got tangled in the rope and the horse drug him about a half mile. He was in an Olney hospital, but I'm almost sure I saw him in a car in Mullin Saturday, so I

Four Charged With Burglary Of Mullin Homes

Four persons have been arrested and are being held in Mills County jail on charges of burglarizing two residences west of Mullin, according to Mills County Sheriff H. G. Brooks.

Three of the four are from Brownwood and one is from Mineral Wells. They range from 18 to 24 years of age.

One home was burglarized on November 18 and the other on November 29, Sheriff Brooks stated. Contents taken included rifles, boots, chains, electric drills and hand tools. They were valued at approximately \$1,000. Most of the items, which had been sold to individuals, have been recovered.

They were charged before Justice Of The Peace E. H. Thorne and bond was set at \$500 for each. They will be bound over for the regular term of the grand jury which meets in May.

FIRST WORDS

DON'T STAY AWAY FROM CHURCH

—Because you are poor; there is no admission charge.

—Because you are rich; we can help you cure that.

—Because it rains; you go to work in the rain.

—Because it's hot; it's hot at your house too.

—Because it's cold; it's warm and friendly inside.

—Because no one invited you; people go to the movies without being begged.

—Because we have an emotional religion; what about football games?

—Because you have little children. What if you didn't have them any longer? We have a well-supervised nursery.

—Because you don't like preacher; he's human like you.

—Because your job makes you tired; you may lose your job.

—Because there are hypocrites in the church; you associate with them daily.

—Because you have company. They will admire your loyalty if you bring them along or tell them to wait till you get back.

—Because our church standard is too high. Take a look at the Bible standard if you think ours is high.

—Because you have plenty of time ahead of you to be saved. Are you sure you do?

What happens when the grass turns brown?...

With the addition of some minerals, most green grasses are just about as good for beef cows as any ration you can find. But when the grass turns brown, its nutritional value drops. And in order for cows to maintain their bodies and produce healthy calves, they need a protein-packed supplement.

They need Purina Range Checkers.

Why? Because Range Checkers contain high quality protein sources—cottonseed meal, soybean oil meal and linseed oil meal... plus many minerals, vitamins (especially vitamin A) and tasty sugar molasses.

Before winter rolls in this year, stop in and see us. We'll help you plan your winter feeding program—with Purina Range Checkers.
