## Deer Hunters Now Hear This— A 16 Pointer

If there be one who can come up with a better exhibit for the 1967 deer season than the one shown by Mrs. Cecil Egger that one might just claim the title.

Until that time, however, it appears that Mrs. Egger will hold the title for killing a Buck in Mills County with the most points for the 1967 season. She has on display a set of horns with 16 points.

In reporting on her kill she said that some hunters thought it counted out 15 points while others maintained it to be 16. So she has settled on the 16.

Mrs. Egger was hunting with her husband, County Judge Cecil Egger, on their ranch in the Ebony community where she bagged the prize deer.

From reports, it caught the Judge a little on the minus side even though he had a good season. He killed two, one with seven points and the other with eight. In commenting on the situation he said: "Well I had almost as many points for the season as she did."

Back when today's adults were growing up, one out of every ten babies died before its first birthday. Now, advances in medical science are saving millions of young lives each year. Yet the cost of the better medical care available today is actually less than the best care you could get when you were a child!

The reason: new treatments and new medicines developed by the medical profession and the pharmaceutical industry.

A dramatic case in point is mastoiditis in children. Surgery was often able to save the child's life, but sometimes left him with a deaf ear. Nowadays, the doctor is often able to cure him with perhaps \$25 worth of potent new medicines, and thus save the expense of an operation and hospital stay.

But most important, these new drugs are saving children's lives—by the millions. Once, the four most deadly child-killers were diphtheria, whooping cough, scarlet fever, and pneumonia. Nowadays, the number of deaths from all of these causes combined is actually less than the number of children killed by accidents.

And medical progress continues. Today, the dollar you spend for prompt and proper medical care buys more than ever before—and may well represent one of the really extraordinary bargains of your life.

## FIRST WORDS

The Bible is the only book that answers man's three greatest questions: Where did I come from? Why am I here? Where am I going?

There are many things in the Bible one cannot understand and many things one only thinks he understands, but there are still many things in the Bible one cannot misunderstand.

Matthew Arnold said, "To the Bible men will return, and why? Because they cannot do without it."

MRS. WAYNE RATLIFF

### Sondra Snyder Becomes Bride Of Wayne Ratliff In Church Ceremony

Miss Sondra Kay Snyder of Fort Worth became the bride of Charles Wayne Ratliff of Denton, Saturday evening, December 23, 1967, at 5:30 o'clock in the First Baptist Church of Goldthwaite. Rev. Dale Gore, pastor of the church, officiated at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. C. M. Snyder of Fort Worth, and the bridegroom is the son of Mr. and Mrs. Woodrow W. Ratliff of Goldthwaite.

The church was decorated with an arch of candleabra surrounded with greenery entwined with white carnations and white satin bows.

Mrs. C. W. Lawson of Goldthwaite was organist.

The bride, given in marriage by her father, wore a floor-length sheath gown of white silk organza, enhanced with beaded lace appliques at the bodice, and on the long sheer sleeves. Her long train was also applique with lace, and her veil was of silk illusion. She carried white Phalaenopsis orchids with white feathered carnations and bridal ribbon.

Mrs. Gerald Stancil, sister of the bride, was matron of honor. Bridesmaids were Mrs. Jerry Malone, Mrs. Monte Blue, and Mrs. John Naylor, all of Fort Worth.

The bride's attendants wore long Empire gowns of hot pink crepe, accented with small bows down the back. Their pink net veils were attached to small headpieces of pink crepe. They carried nosegays of pink feathered carnations with white ribbons.

Ralph M. Currin of Priddy was best man. Groomsmen were Walter and Bill Arldt, and Herbert Tweatt, all of Austin. Ushers were Randal Ratliff, Goldthwaite, brother of the groom, and Gerald Stancil of Fort Worth.

For her daughter's wedding Mrs. Snyder chose a blue wool knit suit with black accessories. Mrs. Ratliff wore a light blue silk dress with white accessories. They wore white camelia corsages.

Immediately following the ceremony a reception was held in the Banquet Room of the church.

Pink punch and the three-tiered wedding cake were served from a table laid with a white lace cloth, accented with a floor-length organdy ruffle, set off with tiny pink satin bows.

Members of the house party included the bride's attendants, and Mrs. Randal Ratliff of Goldthwaite, and Miss Martha Ondo of Denton.

After a week's wedding trip to Waikiki, Hawaii, the couple will make their home in Denton, where they are attending North Texas State University. Mr. Ratliff is employed by the Data Processing Center at the University, and Mrs. Ratliff will graduate this semester.

## Community News From Mullin

By MRS. JOHNNIE HOLLAND

Once again I missed writing a letter last week. Everyone in Mullin was sick with the flu, and that includes me. The weather was extremely bad—no school throughout the week so there just wasn't anything to write about. With some fresh air and sunshine things are getting better — I hope.

The pastor of the Methodist Church in Mullin will be in Oklahoma next Sunday. The district superintendent, the Rev. William Greenwald of Brownwood, will be present to fill the pulpit. This will be a good opportunity for all who have been ill and unable to attend church to get back in the habit of going to church. That includes me. I hope to be there if I'm in Mullin at the time.

Mrs. Lena Leineweber entered the hospital at Goldthwaite last Sunday morning. Mr. Ernest Hancock of Brownwood visited in Mullin last Sunday with Mr. and Mrs. Grady Hancock.

Mr. Homer Pyburn is critically ill in a Brownwood hospital. In spite of their loss, Brenda Ethridge racked up a big 29 point high for Mullin, and Ty-lene Smith added 6. The boys' game proved to be very exciting, with the Bulldogs winning by a scant one point, 55-54. Carl Ray

### RITES HELD SATURDAY FOR ARTHUR MASSEY

Graveside services were conducted in Mullin last Saturday afternoon for Arthur Massey. Mr. Massey passed away in a Burleson nursing home. He was the husband of the former Stella Burkett. Mrs. Massey passed away several years ago.

## Community Action Office Offers New Night Commercial Classes

Mills County Community Action office announced this week that plans are being made to start a new class of typing and bookkeeping at night. Typing I and Bookkeeping I will be taught two nights a week, two hours each night. The courses will be held at Goldthwaite High School, from 6:30 until 8:30 p.m.

An advanced class of Typing II and Shorthand will be taught for those who have already had typing and bookkeeping and might want to take shorthand or advanced typing. This class

will also be available to the class that is going to night school at the present time.

In order to begin the classes in a few weeks, anyone who is interested should contact Mrs. Robert Long as soon as possible, at the following telephone numbers (648-3522 days, and 948-2575 at nights). The first class has been very successful, according to Mrs. Long. It will end with nineteen members completing the course.

Eligibility is based upon family income and the number of

people in the family. Mrs. Long will be glad to talk with anyone regarding requirements. Babysitting may be offered if there are enough who need it.

### SENIOR CITIZENS POSTPONE MEETING

Because of bad weather and the increasing number of flu cases, there will be no meetings of the Senior Citizens' Club until further notice appears in the Eagle. Mrs. Long stated that when the meetings are resumed, there will be a quilt ready for quilting and other projects and activities organized.
