The man suffering "a touch of indigestion" is a full-fledged member of our largest ill-health club. (It's said that possibly 25 percent of our adult population could qualify for membership.)

You will find, too, that he has one outstanding trait: a readiness to try almost any sort of treatment he reads or hears about. And yet, proper treatment of digestive disturbances . . . whether it be by diet, drugs or other measures . . . can be given only by a physician after careful diagnosis.

When symptoms occur frequently, it's the better part of wisdom to see your doctor before you try someone's pet remedy. While your trouble may be simply and easily corrected, it could signal peptic ulcers, gall bladder disease, or something much more serious.

A digestive disturbance can easily edge over into the danger zone when you neglect it or try to treat it yourself . . . while getting prompt and proper medical care may well turn out to be one of the biggest bargains of your life.—Reprinted from a copyrighted advertisement published by Parke, Davis & Company, Detroit 32, Michigan.

PRESTON SMITH FOR GOVERNOR

VOTE SATURDAY JUNE 1

TO: The Citizens and Voters of Texas
FROM: Preston Smith, Candidate for Governor

I am proud to have been a part of Texas government for 18 years. Opponents may harp about what is wrong in Texas; I happen to think there are a lot of things RIGHT in Texas. I am proud of my state and its people.

Things can be even better, and I want to work with you in that direction. It's more or less in the political tradition to lambast your opponent and say a lot of ugly and cutting things about him. I don't want to engage in personalities; my opponent has no public record to criticize. Therefore I am running for Governor on my own merits.

It may be pretty ambitious for a farm-born, farm-raised Texas boy, who worked his way through Texas Tech and spent his adult years in business activities in Lubbock, to aspire to be Governor. You will be the judges as to whether my experience and proven qualifications entitle me to be elected. I will accept your judgment with real gratitude for your past support and friendship.

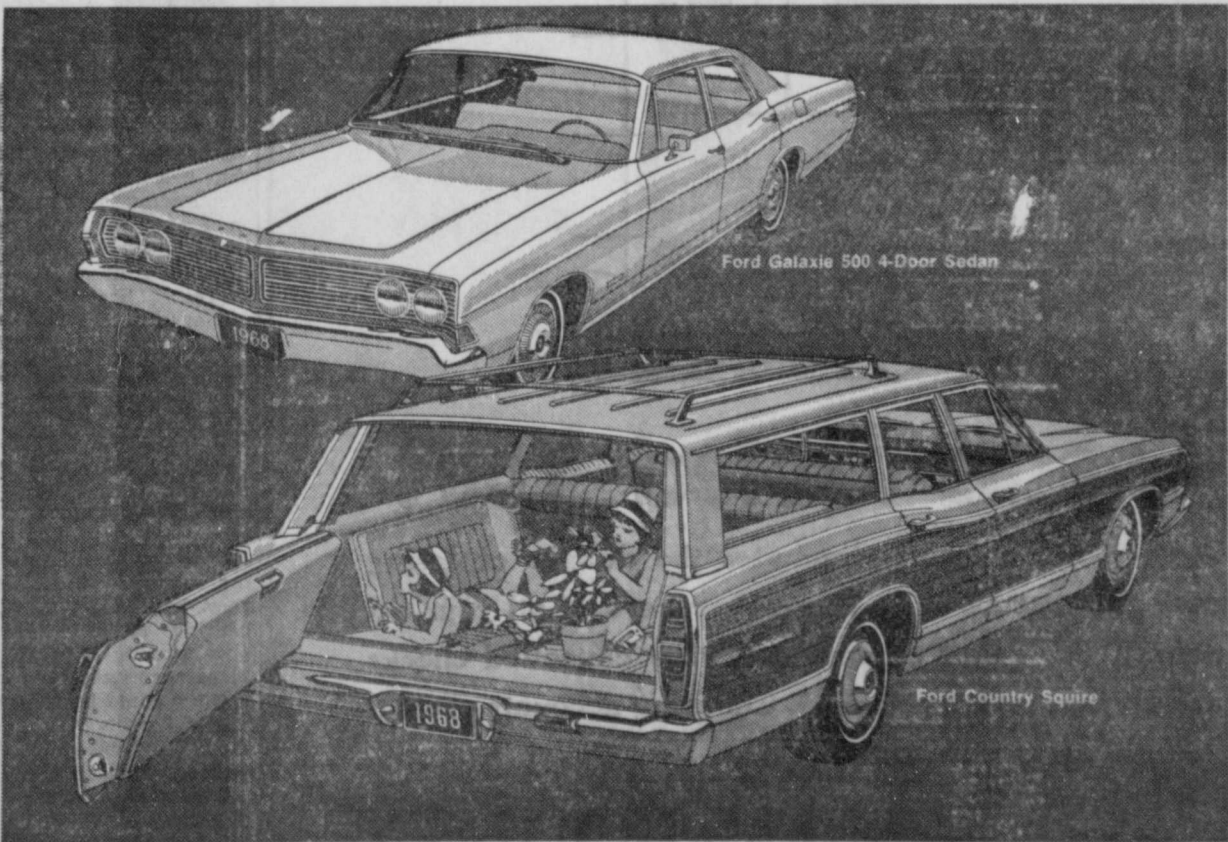

Please remember that if I am elected, my door will always be open to any Texan who has any problem whatever that the Governor can help with. I will always be interested in good government. I will always be interested in you.

Preston Smith

Sen. Yarborough Puts Okay on Don
By JAMES McCROY
U.S. Sen. Ralph Yarborough, making public a declaration of his preference for Don Yarborough for governor by paying a personal visit to Yarborough's campaign headquarters Sunday morning, predicted D. Yarborough will win the runoff "going away."
The senior senator came down the stairs of D. Yarborough's Austin headquarters carrying a Yarborough campaign sign, with a V for Victory signal, to declare: "We're on the verge of electing the first loyal Democratic governor since Jimmy Alford was governor 30 years ago. The people of Texas are entitled to elect a governor at least once every 30 years."
As the D. Yarborough staffers and supporters cheered, the senior senator continued: "Folks, you don't know how wonderful it's going to be. You're going to think flowers are blooming in January this year. I wouldn't be surprised to see strawberries ripening in January."
The senator said he had never led into a runoff in a gubernatorial race, and said in 1956 when he ran for governor he was 150,000 votes behind going in the runoff.
"In the runoff I was so close it took 'em two weeks to count me out of it," he recalled.
People Saturday night, Sen. Yarborough said, have been telling Don Yarborough that although they worked as county managers for Hill and Briscoe "we're putting our shoulders to the wheel Monday morning for Don Yarborough for governor."
The senator reasoned "all the shrewd campaigners are out of it now."
It appeared obvious the senator feels Yarborough will attract, among others, supporters of Hill and Briscoe.

Mr. and Mrs. Fred Laughlin, Dutch and I visited their children, Mr. and Mrs. Fred Marshall in Lubbock and our son, Chili Smith met us at the home of Mr. and Mrs. Marshall and Dutch and I went with him to Tulla for a visit with the Smiths until Tuesday. We surely enjoyed our visit. They have had rain and everything is looking good. Our grandchildren are feeding eleven club calves and they are looking real good.

A number of people that we have met at Tulla dropped by to see us while we were there.

We have been pretty busy since we came home. The weeds and grass did not stop growing while we were away.
