## Boosters Reminded Prize Money Still Needed For County Stock Show

Boosters of the Mills County Stock Show are reminded that additional prize money is badly needed to finance the annual 4-H, FFA and FFA Stock Show which is scheduled for Friday and Saturday, January 10 and 11.

The remainder was sounded last week by officials of the Mills County Breeders Association and the finance committee. Contact work has been underway for some time raising funds to pay premiums and other necessary expenses of conducting the show.

President Charles Conradt and treasurer Houston Duren announced this week that money has been coming in rather slowly up to this point. They would like to encourage all stock show boosters to get

bus and send their checks in now. The finance committee headed by Norman Duren is working on the drive over the county. Community chairmen are vocational agriculture teachers at Mullin, Star, Priddy and Goldthwaite, and the county agent. Club members who will have their entries in the show have worked many long hours during the year preparing their projects for this annual exhibition. They deserve the wholehearted support from citizens of the county in this annual show, officials pointed out this week in making this appeal for prize money. Checks should be made out to Mills County 4-H and FFA and mailed to Houston Duren, at Mills County State Bank.

Calling long distance to express a

very personal Holiday Greeting?

Wonderful idea, to say "Merry Christmas" and a "Happy New Year" via long distance. More and more people are doing so, now that long distance costs so little. To insure your calls going through promptly, make them BEFORE the Holiday, for your friends or relatives will welcome your voice any time at all. So call early — BEFORE the Holiday!
