Community News From Mullin

By MRS. JOHNNIE HOLLAND

I spent Sunday in De Leon where I attended the De Leon High School homecoming Saturday morning, and our class reunion (Class of 1928) Saturday afternoon. It was a most enjoyable day. One of my classmates (who lives in De Leon), and I decided we would see how many of our class of thirty-two members (who are left), we could get together. We were well rewarded for our efforts. It is a pretty good job to get a group together who have been separated for forty-one years. Our plans are to try next year to get the ones we had this time plus a few more together. I believe with some effort we can. It was a most enjoyable occasion.

The Rev. and Mrs. C. D. Tipps and Claudia Sue visited here last Thursday with Mrs. L. J. Vann and Mrs. W. H. Baskin. Mrs. Baskin accompanied them to Evant that night where Brother Tipps was holding a revival at Fairview Baptist Church.

The Rev. and Mrs. G. C. Henry attended church services last Sunday morning at North Side Baptist Church in Santa Anna.

Mrs. Fred Mosier is spending this week at Liberty where she is helping out with one of her little grandsons who is in a hospital there. Stevie fell from a tree house and broke one of his arms in the wrist and also the elbow. A very bad break, his doctor reported.

The Rev. and Mrs. Jimmy Crouch and family of Hamilton, Ohio, are here visiting in the Lenvil Calder home. Mrs. Crouch is a sister of Mrs. Calder.

Mr. and Mrs. Bill Farmer and family have been here visiting in the Earl Ethridge home. Mrs. Farmer is the former Betty Ethridge.

The Rev. and Mrs. Don Long spent some time last week in Houston where their son, Richard, had a check-up with his doctor, and Mrs. Long also saw her doctor at Bryan. They both received good reports.

Mrs. Vesta McCormick returned home a day last week from Kermit where she has spent several months with her brother Hollis, who was injured badly in a car wreck. She said he was back working now but he hasn't gained his strength back as yet.

Mr. and Mrs. Jay Weeks and Mr. and Mrs. Marvin Bowden of Comanche attended the Peach and Watermelon Festival at De Leon three nights last week; also the melon slicing Saturday afternoon at 5 p. m.

Also Mr. and Mrs. Marvin Bowden, Mr. and Mrs. Jay Weeks, Mr. and Mrs. John Roy Smith and Sammy, Tylene Minica and Paula Green all had dinner Sunday in the J. E. Smith home. Mr. Smith celebrated his 82nd birthday and it was also Henry Smith's birthday.

Since some of you who read this letter were acquainted with Eddie Farren, I would like to say that he stood surgery fine at Scott and White Hospital in Temple, and is improving rapidly. But, as they reported over KEAN his condition each day, they stated, as so often is the case, that the cancer had spread into other parts of his body and the doctors were unable to remove all of it.

Mrs. Sallie Smith and Mrs. Lena Mae Bowden visited recently with Mr. and Mrs. Gerald Davis, who have retired, and are living in Comanche now.

Mr. and Mrs. W. H. Simpson have two of their granddaughters visiting with them— one from Roscoe, and the other from Austin.

Range Management Tour Scheduled Saturday On Owens Pig Foot Ranch

Grassland management for high condition range will be observed on the Cary Owens Ranch near Star, Texas, this Saturday, August 16. The tour is being jointly sponsored by the Brown-Mills Soil and Water Conservation District and the Texas Section of American Society of Range Management, according to E. J. Hughes, Area Conservationist with the Soil Conservation Service at Brownwood.

The assembly point for the gathering will be at the Gulf Service Station in Star, leaving there by 9:30 a. m. to tour the Pig Foot Ranch some 4 miles to the south.

This program will unveil results of over 25 years of intensive range management for recovery of important grasses on the ranch. Cary Owens became intersted in improving his depleted rangeland in the early 1940's as one of the conservation pioneers in the early days of the Brown-Mills SWCD.

Today the Owens-Pig Foot Ranch is a show place for high condition rangeland, according to Hughes. Little bluestem, Big bluestem, Indiangrass and Sideoats grama are in abundance with fat cattle and goats as testimony for the grazing quality of the extensively managed spread of Grand Prairie grassland.

The August 16 program will feature four scheduled stops on the ranch. Doug Sellars, District Conservationist with the SCS at Goldthwaite, will review the management program with the help of the host, Mr. Owens.

E. J. Hughes, Area Conservationist with the SCS at Brownwood, will join in with Mr. Owens in a discussion of economic benefits from conservation ranching.

Rudy J. Pederson, Range Specialist with SCS, will discuss grazing systems for grassland management.

Don Dorsett, Agronomist with Texas Research Foundation at Renner, will explain some of the benefits from range and pasture seeding studies as observed over the state.

Bobby J. Ragsdale, Range Specialist with the Extension Service at College Station, who is now serving as Program Chairman for the Texas Section of ASRM, will outline objectives of the Range Society and summarize the program events. The field tour is scheduled to be concluded by noon.

All who are interested in grassland management are urged to attend, Hughes reminds.

YOUNG FARMERS TO MEET ON TOUR

Elam Miles, Mills County Young Farmers president, reminds all members that their monthly meeting will be held on this tour, according to Doug Sellars, SCS, Goldthwaite.

San Saba Peak

By MRS. DUTCH SMITH

Well it's still hot and very dry. We have had some rain but it is so dry now you can't tell it ever rained.

I have been so busy I have neglected writing.

I have attended two lovely showers for our grandchildren and then last Sunday a week ago we went with them to Eldorado to take all their things. Billie Helen, Dutch and I, Melody's Dad and Mom and two brothers. We all worked all day. B. H. and Richard in the kitchen, I pressed all the curtains and drapes and re-hemmed them. Melody and her mother put everything away, and when everything was finished it was ready to move into. It really is a cute little house.

Saturday night they were married in the First Baptist Church in San Saba. It really was a sweet wedding and the little bride was just beautiful.

And oh how happy we are of her! We just had one granddaughter. Now we have two.

Our children from Tulia, the Chili Smiths; all our children from Burnet, the Johnnie Smiths; our nephew and wife, the Owen Smiths of Arlington, attended the wedding and came home with us.

Owen and Hazel went on to Arlington that night and the rest spent the night. Sunday we all went to the home of our children, the Forrest Jernigans, for lunch. We all enjoyed it so much, and we had all our children and all the grandchildren except Jimmy and Melody.

But Chili and family had to leave that evening. They were going to Wortham to visit Virginia's parents on Monday and then to Six Flags Over Texas Tuesday and on to Tulia Wednesday. It just seemed like we didn't get to visit with them. Chili had a terrible cold and didn't feel very good.

Johnnie, Margaret Ann and Clif had just got back from their vacation. They were gone two weeks and it seemed like two months.

Our revival started yesterday and I missed the morning service. But Dutch is breaking land and I just couldn't get going from some cause. But I will try to go the rest of the time.

Oh yes. We had our annual Singing at the Heritage Home Thursday night and you who don't go to these singings really miss a blessing, not only in good singing but in making those older people happy.
