Members of the Goldthwaite Volunteer Fire Department were called out Sunday at midnight when a small fire was discovered in the east wing of the high school building which houses the homemaking department and science lab.

Chief Morgan stated that this was the first fire alarm, other than grass fires, that the department has received in a long while. The last major fire in Goldthwaite was on November 17, 1966 when the Leon Jackson house burned. In October the same year the Bob Swindle house burned.

Last month the department answered a call to the Charles Dennard place East of Goldthwaite where they extinguished a fire in the attic of the house.

Chief Morgan issued this bit of advice, "Don't burn a thing during this hot and dry weather," as he cautioned residents about the danger of grass fires.

Joanna Gilliam is spending this week with her grandparents, Mr. and Mrs. Ed Gilliam, while her parents are vacationing at the Broadmoor Hotel in Colorado Springs, Colorado.

7 Mullin Families Benefit From Mail Delivery Service

Congressman Omar Burleson this week announced that nearly 20,000 families — about 60,000 individuals — have been provided with mail delivery service for the first time under a recent order from the Postmaster General.

At Mullin, 7 families and 28 individuals have benefited from this new delivery service order.

The order benefits those persons served out of about 17,000 first, second or third class post offices that do not have city delivery services.

Where they live more than a half mile away from the post office they have been eligible for rural delivery services all along. However, under this new order, they will need to live only a minimum quarter mile away to get the service.

Many additional persons are qualified but service has not yet been extended because the advantages of the new program are not fully understood in some communities. For this reason, the Post Office Department has distributed information on the program widely.

Under the new order, those desiring the service in qualified areas need only contact their postmasters.

A total of 841 post offices have already provided mail deliveries under the new liberalized standards.

Mr. and Mrs. Azelle Mosier of Carlsbad, New Mexico, are here visiting with his mother, Mrs. Fred Mosier, and with relatives in Goldthwaite, but I think they are fishing mostly.

Mrs. Stone Shipman had a nice surprise when her niece, Mrs. Roy Wishert, Mr. Wishert, Shane and Whitney of San Diego, California, paid her a surprise visit. Also she had her mother, Mrs. Karnes visiting with her, and four of her grandchildren also visited with her.

Lounette Petty Attends Public Relations Workshop

Lounette Petty of Goldthwaite, information chairman for the Mills County Farm Bureau, attended a public relations workshop Thursday, August 6 at Brownwood.

The half-day session was one of the 18 such training meetings scheduled across the state by the Texas Farm Bureau in July and August.

Purpose of the meeting was to provide training in news writing techniques and preparation of county Farm Bureau newsletters. Other subjects covered were different types of news media and how to recognize what's news in Farm Bureau.

Farm Bureau is a service organization designed to serve its members and agriculture in general. The purpose of the publicity program is to provide support for the total Farm Bureau program as set forth in policies.

County newsletters and informational meetings should keep the members informed on what their organization is doing to carry out policies.

Our church kids and sponsors returned from Del Rio where they held a week's Day Camp and Vacation Bible School. They reported a good time and good results from their teaching. Several boys and girls gave their hearts to God and our boys and girls were so happy. But so sad to know just how those poor people had to live.

They also went over into old Mexico trying to tell others about Jesus.

We are really proud of our boys and girls who are Christians. No long hair no burning and destroying other people's property. Just how we think God for them. May they always ask themselves, "Would Jesus be pleased with me if I did this?" We love them and pray they might help stamp out Marie O'Hair's atheism and tell others about God.

We know they are Christians and we are very proud of them.

The sponsors were Mrs. David Lawrence, Mrs. Mrs. Emmanuel Deason, Scooter McCurdy and Dale Gore. This will be long remembered by all.

In 1929, 3/6% of the national product of \$100 went for health expenses. 6.7% of fiscal year 1969 was so spent.

From July '66 through '69, Medicare paid \$3.6 billion, \$2,586,441 medical bills after annual \$50 deductibles had met.
