

Bull Town Bulletins

By
Bill Ellis

PRESIDENT REAGAN announced early in his administration that he would like to abolish the Department of Education. You will recall that this federal agency had its beginning as a part of the Department of Health, Education and Welfare (HEW), which proved to be one of the most wasteful and money-grabbing agencies in the federal bureaucracy.

The president had a lot of support in the beginning, for the abolishment of the Department of Education, but in recent weeks and months, opposition has developed, mainly from the powerful National Education Agency and its various state branches.

To most people, abolishment of the Department of Education would be a sensible move—a start in the right direction. There are numerous federal agencies, conceived for what originally was the well being of the public, which today have strayed far from their original intentions, and are merely a dead expense to the American taxpayer.

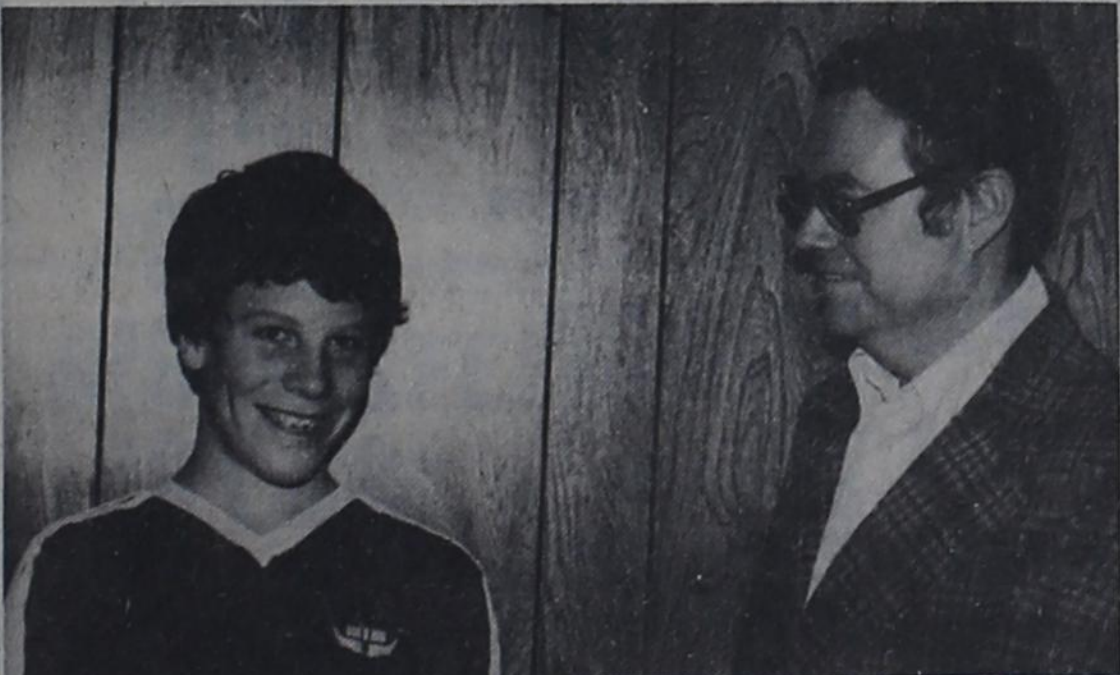

These types of agencies need to be abolished, and the money saved could go a long way toward the president's program to balance the budget.

If you favor such moves as President Reagan's proposal to eliminate the Department of Education, you need to write to Congressman Kent Hance and tell him of your support for the president's intentions.

President Reagan still has to overcome liberal members of Congress in his efforts to cut out the "fat" in government. Naturally, the entrenched bureaucrats are going to protest, when their gravy trains are untracked.

Supporters of President Reagan had to wait a long and agonizing time to see their man inaugurated, and then had a close call with his assassination attempt only months into his term.

If you are a Reagan supporter, you would do well to let your support of his programs be known, both to your elected representatives, and also to the president himself. The sooner some of these conservative measures can be passed, the better.

THRILL OF VICTORY....
Todd Schilling, left, proudly accepts his first place check from Blade publisher Bill Ellis

Schilling Is Winner

Todd Schilling was the winner of this past week's Bovina Business Football Contest, as he correctly guessed 12 winners and the score of Dallas 13, Philadelphia 14 on the tie-breaker.

Todd is the son of Mr. and Mrs. Leon Schilling and was one of several persons to guess 12 correct winners this week.

Second place went to Brad Lance, and third place went to Patti Sherrill. Lance guessed Dallas 14, Philadelphia 17, and Patti guessed Dallas 21, Philadelphia 10.

Runners-up in the guessing game

Summerfield Wreck Kills Driver, 38

A major accident involving two semi-truck trailer rigs occurred at about 4:30 a.m. Saturday morning, at Summerfield.

Injured in the accident was Richard Allen White of Friona who was operating a feed truck, which was loaded at the time of the accident.

The other driver was Douglas W. Bryan, 37, of Hereford, who was operating a cattle truck, which was also loaded.

Bryan was pronounced dead at the scene by Justice of the Peace J.P. Marshall, of Castro County.

The accident occurred about six miles west of Hereford on US 60, police officials at the scene said it took rescue and police officials about four hours to rid the scene of debris, cattle, and wreckage.

Hereford Fire Department volunteers responded to the call as the truck which Bryan was driving exploded into flames at the accident scene.

Friona Ambulance Service workers transported White to Parmer County Community Hospital in Friona, but was later released.

Services for Bryan were held at 2 p.m. Monday in the Avenue Baptist Church of Hereford with arrangements by Gilliland-Watson Funeral Home.

His death was the fourth fatality in Parmer County in the past three months.

Vote Total Is Light Tuesday

Voters in Bovina saw a light turnout for the voting on the Constitutional Amendments on Tuesday, November 3.

At about 2 p.m., we canvassed the polling place in Bovina and found out that of 799 registered voters, only 80 had been in to vote. Four voters cast absentee ballots in Precinct 3.

Election judge was Jay Sherrill, and election clerk was Marie Venable, with help from Donna Roming, Assisting Sherrill was Frances Gober.

Personnel at the polling place said they did not expect a large turnout, if what they had seen was to be considered the norm.

FIRST ONE OF THE YEAR....Lowell Boozer and Albert Rushing were proud to display their first bale of cotton and the first bale of the season to be brought in to Bovina gins. The men brought in the bale on October 28 and said the crop made about one and one-half bales to the acre. Shown from left to right are ginner O.D. (Doc) Burchett, Albert Rushing, Lowell Boozer and ginner Adam Gomez. The Bovina Gin ginned the cotton.

HALLOWEEN HAPPENING....Kindergarten students in Mrs. Vicki Wallien's class enjoyed their annual Halloween party on October 30. Class mothers, Mrs. Estella Ortiz, Mrs. Mary Hernandez and Mrs. Ignacio Bermea were on hand with punch, cookies and candy to make the small trick-or-treaters' day. Several of the students brought their Halloween costumes and modeled them for the class. They also played games, including "Place the Tooth on Snoopy" (a variation of Pin the Tail on the Donkey) and the closest stickers won a Jack-O-Lantern Halloween candy bucket.

Roadwork Scheduled In Parmer County

Work in Parmer County is included in the 1981-82 Texas Farm to Market Road Program passed recently by the State Highway and Public Transportation Commission.

Acting District Engineer, C.W. Nall, Jr., of Lubbock, District Five, said the program includes:

In Parmer County, from US 60, 5.0 miles northeast of Farwell, east to junction of FM 1731 and FM 3333, 5.2 miles; provide relocation assistance and construct grade, structures and surface; \$500.00 relocation assistance, \$625,500.00 construction.

Statewide, the two-year program includes \$46.8 million for new construction or additional financing on 260 miles of Farm and Ranch to Market Roads in the state.

This includes funding for 133 miles of new construction and additional financing for another 113 miles. Approximately 13 miles of projects

were authorized previously and included in this program.

The Texas Farm and Ranch to Market Road system is one of the largest secondary road networks in the nation with some 41,000 miles designated since the program's inception shortly before World War II.

The system has been developed cooperatively by the counties and the state, with local governments securing the right of way and providing for utility adjustments and the state in charge of the construction and maintenance of the facilities.

The system, which is all paved, has been credited with opening new social, educational and recreational opportunities as well as serving agricultural producers.

The program covers the entire state with 48 new construction projects in 45 counties and 33 projects which will receive additional financing in 28 counties.

Beet Growers To Receive Final Payment

Sugarbeet growers for Holly Sugar Corporation's Hereford plant shortly will receive a final payment of \$6.18 a ton on their 1980 crop, the highest return in history according to Cal Jones, Agricultural manager for the factory district.

Growers had been paid on the basis of a \$28 net selling price per hundred-weight. The final net selling price was a \$32.68 a hundred-weight, Jones said.

"So far, Hereford growers have received \$36.97 a ton for their sugarbeets. The final payment will bring their total dollars per ton to \$43.15 a record," Jones said.

Rose McCain's Mexico Visit Is Memorable

Well, never let it be said that Rose McCain does not globe trot in order to find adventure and excitement.

On her most recent excursion, Rose, and her mother, Mrs. C.M. Sanders of Pettit, Texas, were caught in Mexico while an earthquake shook their hotel, and they were on the 18th floor!

Rose and her mother were guests of the Eldon Morrises of Levelland who toured Puerto Vallarta, Mexico with the John H. Cole Company.

The entourage departed from Dallas on Mexicana Flight 733 at 10:20 a.m. on October 24, and were served breakfast during their flight.

They arrived at Puerto Vallarta at 11:45 a.m. and were taken to the Bugavillas Sheraton Hotel.

After being taken to their lodging accommodations, the group was then free to spend some leisure time in the beauty of Puerto Vallarta.

On Sunday, October 25, the group enjoyed a lobster feast and listened to a lovely Marimba Band, then they took in some sightseeing which included the second home of Richard Burton and Elizabeth Taylor. Also on the sightseeing agenda, the visitors saw the Mismaloya Beach area where the movie, "Night of the Iguana" was filmed.

Monday found the guests taking part in a yacht ride and they also saw many of the natural stone arches of Mismaloya and the beauty of Las Animas beaches. Many of the guests

Bandsmen Compete In UIL Contest

The Mustang Bandsmen competed in University Interscholastic League's Marching Contest at Jones Stadium in Lubbock, Tuesday, November 3.

Also competing in the UIL twirling competition was Rebecca Hodnett. She performed a solo baton routine.

The thirty-five musicians performed drills to "Americans We" march, "Hogan's Heroes," and the school song and fight song.

After their first pass down the field, the band concentrated on a step two drill and then went into a diamond drill in which the diamond was rotated. The twirlers were featured on this number. Then, the band made a block "B" and exited the field playing the school song and fight song.

The Mustang Band was one of a dozen or so bands in their class to compete in the contest.

Judging the contest in this area were Bill Dean of Odessa, Gerald Babbitt of Austin and Gary Larrimore of Canyon.

The band marched at 12:20 p.m. Tuesday.

Boozer Ginned First Bovina Cotton Oct. 28

Lowell Boozer was responsible for the first bale of cotton to be ginned on October 28.

The Bovina Gin Company was the ginner and Albert Rushing is the landowner where the cotton was grown.

Boozer said the cotton was making about one and one-half bales to the acre on his 155 acre farm which is located five miles south of Hub.

Boozer also said that he was fortunate enough to not have had any really bad weather on the crop and that all his cotton crop made well.

Boozer also farms 400 acres of corn, 120 acres of milo and 60 acres of soybeans in addition to the cotton.

The first bale was displayed in front of First State Bank in Bovina and several more bales are expected to start coming into the area gins anytime.

Manager of Bovina Gin is Arlan Hartzog.

enjoyed watching the Mexican fishermen, and seeing their quaint fishing villages.

During their excursion on October 26, the visitors also enjoyed being transported to the island of Yelapa by natives in canoes.

Rose said one of the high points of her day on the 26th was going parachute flying, which she said was not all that scary.

Tuesday, the group enjoyed a day of leisure as they were spending their last day in Puerto Vallarta, so many of the visitors spent the time sunning, swimming and just taking in the sights. A farewell party was given in their honor and the night was culminated by a pool side party, which included dancing and visiting with other guests.

Wednesday, October 28, the group spent the major part of the morning preparing to depart the sunny Mexican coast, and their Mexicana Flight 732 departed Puerto Vallarta at 4:05 p.m. with dinner enroute back to Dallas.

The tour ended in Dallas at 6:20 p.m. and all the guests were able to bring back fond memories of the loveliness of one of the gems of the ocean....Puerto Vallarta.

One interesting note was that the currency exchange in Mexico was a bit different from what was expected by the guests.

One American dollar was equal in value to 23.50 Mexican Pesos.

REFLECTIONS From The Blade

25 YEARS AGO--NOV. 7, 1956

Texas agreed with the nation in returning President Eisenhower to his second term of office in the general election Tuesday, but it was a different story in predominantly agricultural Parmer County.

Here, Adlai Stevenson and Estes Kefauver, the Democratic nominees for the nation's two highest offices, took a clear-cut victory. It was not, however, an overwhelming one, and pre-election guesses had predicted the margin would be wider.

Bovina's \$25,000 city bond election Thursday was defeated. Final totals for the two propositions--one for water tax bonds and the other for sewer tax bonds--was 88-60 and 90-58.

Members of the Bovina Cemetery Association met with the city commission Monday night in the city hall during a regular meeting of the commission. Purpose of the two groups getting their heads together was to discuss installing a two-inch city water line to the Bovina Cemetery, which is in southeast Bovina.

20 YEARS AGO--NOV. 8, 1961

Hotter than the near-freezing weather was cold, Bovina's Mustangs stormed to a tremendous 72-12 win over Vega Longhorns there Friday night.

Frank Hastings, pioneer Bovinian, has been paid a high tribute by fellow members of the Masonic Lodge here. In a program Friday night in the school cafeteria, he was honored for 50 years of continuous service in Masonry.

Plans for improvements of Highway 86 and FM Road 1731 in Bovina continue to progress slowly. Improvements include widening of pavements, curbs and gutters.

For the first time in seven years, Bovina Mustangs are holders of a district title. They earned the District 2-B banner in resounding fashion. They were never extended in blasting four district opponents.

15 YEARS AGO--NOV. 9, 1966

Funeral services for Bud Queen, 79 year old early day cowboy and railroad man, were held at 2 p.m. Saturday in Pentecostal Holiness Church in Bovina.

Mike Barraza was the big winner in the Bovina Businesses Cotton Bowl Football Contest this week, being one of six entries to correctly pick ten winners. He was only three points off on the tie-breaker score, and as winner receives the \$5 first prize.

10 YEARS AGO--NOV. 10, 1971

Hurshel R. Harding, county attorney, hereby announced his candidacy for re-election as County Attorney for Parmer County, subject to the Democratic Primary May 6, 1972.

Area farmers are expected to dovetail their harvesting operations from one crop into another within the next few days or a week.

Bovina High School's Mustang Marching Band, 58 strong, will compete in Region 16 Marching Contest Tuesday of next week at Jones Stadium on the Texas Tech University campus in Lubbock.

5 YEARS AGO--NOV. 10, 1976

Ronnie Cary has been selected from a group of sophomore students to represent Bovina on a statewide basis to be considered to attend the Hugh O'Brian Youth Foundation in Chicago next April.

A pair of Highway Patrol officers based in Friona stopped a car east of town on Highway 60 Wednesday night on suspicion of driving while intoxicated, and discovered what is believed to be the biggest "haul" of marijuana ever confiscated in Parmer County.

Jan Kassahn of Bovina is one of 52 students at Texas Tech University who has been named to Who's Who in American Colleges and Universities.

Anderson Named To Committee

Gabe D. Anderson, Jr. of Bovina has been selected to help lead The Texas A&M University System into the 21st century as a member of the TAMUS Target 2000 Project Committee.

The Target 2000 Project brings together more than 250 prominent Texans and other friends of the university from around the nation to undertake a comprehensive study of the goals and objectives to be attained by the system by the turn of the century.

The Texas A&M University System, with an annual budget of \$528.6 million, includes four academic units--Texas A&M University, Prairie View A&M University, Tarleton State University and Texas A&M University at Galveston; four agricultural agencies and services--the Texas Agricultural Experiment Station, the Texas Agricultural Extension Service, the Texas Forest Service and the Texas Veterinary Medical Diagnostic Laboratory; and three engineering services and agencies--the Texas Engineering Experiment Station, the Texas Engineering Extension Service and the Texas Transportation Institute.

The project includes task forces on academic institutions, agricultural agencies and services, and engineering agencies and services.

On The Farm In Parmer Co.

By SETH RALSTON

Information on the farm bill, dairy products, feed grains, soybeans, citrus, cattle on feed, agricultural outlook and buying beef will be featured during November on "TOMI."

TOMI (Telephone Outlook and Market Information) is a system of recorded telephone messages to help producers obtain up-to-date information on a variety of subjects, points out Seth Ralston, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

Recorded messages are prepared by Extension Service economists, using the latest available information.

By dialing 713/845-TOMI, anyone can get market and outlook information seven days a week, 24 hours a day, notes Ralston.

Information scheduled to be available through TOMI during the month is as follows:

November 6-9--Agricultural Outlook, Carl Anderson.

November 10-13--Farm Bill Update, Ron Knutson.

November 14-16--Cattle on Feed Analysis, Ed Uvacek.

November 17-19--Feed Grain Analysis, Roland Smith.

November 20-24--Soybean Production Update, Johnny Feagan.

November 25-30--Texas Citrus Update, Gordon Powell.

TOMI can help you keep abreast of the latest happenings in various commodity markets and also provides other pertinent information designed to help you with both short-and long-range planning.

Blade's Edge

Commentary From The Editor

By Janet Wilke

The Mustang Band competed in the UIL Marching Contest on November 3 in Lubbock and I imagine that they did a good job. They have improved vastly from the first ball game, and I know that Director Karvonen is doing a super job with all the young people in the Bovina schools music program.

We featured the band's picture and contest story in page one last week, because the marching contest is one of the big events in the band year...as bi-district in football.

These high school musicians need a great deal of support and appreciation from the community.

They do a terrific job, in many adverse conditions and get little praise for it. And, a fine arts program with music and art is such an essential part of a true "complete" education.

Bovina is lucky to have such a good school system and such great kids...true competitors who go out to do their very best at everything they try to accomplish.

The bandmen are not an exception to this rule. They have exemplified the best things about not only Bovina High School, but also the public schools in Texas.

So, no matter what the ratings might say, these high school bandmen should be very proud of their efforts for they have improved weekly, and are a good example of the right attitude making things happen.

Along the same lines I would like to address myself to the won and lost

record of the Mustangs.

Although it is true that Bovina has recently had two back to back losses, and although it may be true that some of the fans might be feeling that the season is over for the Bovina bunch, I say think again.

While the Mustangs may be in a bit of a slump, may I remind you that the season isn't over until the final gun following the final game.

Bovina may be down right now, but the Mustangs are NOT OUT...Secondly, these men have never given anyone in this community any reason to be anything but proud of them!

They have displayed courage, character and stamina in very tough situations, and I am very sure that there is no one in the world who feels more let down than these young men do when things don't always go right.

Now is the time to encourage them, stand behind them, and support them.

No one in this district has possession of that elusive golden football yet, and Bovina is not ruled out.

Make it an effort to go to the next two ball games, and each and everytime you see a Mustang, let them know that the season is NOT over, but it can be better if they want it to be.

There is not a young man on that team who has ever given less than 100 per cent effort this year and they need our strength and our belief in them now.

Make no mistake about it: WE ARE BOVINA!!!

Forty-Seven Attend Sr. Citizens Meeting

The monthly luncheon for the Senior Citizens was held by the group on October 28 with 47 members present.

The members enjoyed a luncheon and fun and fellowship. Following the luncheon, there was a short business meeting, in which it was decided to have a bazaar and bake sale set for December 4.

Oma Gunn received a Sunshine Basket from the Senior Citizens. Mrs. Gunn is a patient in a Lubbock hospital at the present time.

Allene Russell modeled a grass skirt which was a present Joe and Reagan Looney brought back from Hawaii, where they vacationed recently.

Various activities were enjoyed after the luncheon, with some of the members playing "42", some playing "Skip-Bo," and some finishing up on a quilt. The ladies who do quilting are going to start a new quilt in the very near future.

The November birthday party will be held November 11 at 3 p.m. in the center and all Senior Citizens 55 and over who will have a birthday sometime in November should plan to attend.

Present at the October 28 meeting were Ola Epperly, Mr. and Mrs. Clifford Leake, Barbara Sears of Amarillo, Sid Lloyd, Elbert Kelley, Mr. and Mrs. Wiley Lide, Marguerite Lindsay, Bill Venable, Alice Moore, Lillie Fuller, Hattie Burnett, Mr. and Mrs. Willis Gipson, Mr. and Mrs. H.H. Kelso.

Also, Mr. and Mrs. French Crook, Allene Russell, Mr. and Mrs. Noel Teague, Montie Turner, Marie Kriegal, Delpha Vinson, Thogal Stanberry, Mr. and Mrs. Reagan Looney, Mary Richards, Bessie Webb, Mr. and Mrs. Hylton Moore, Mona Smith, Mr. and Mrs. Tom

Rhodes, Mr. and Mrs. J.L. Bass, Mr. and Mrs. Cecil Sisk and Mr. and Mrs. Grady King.

Louva Kersey Named Artist Of The Month

Louva Kersey of Bovina was named "Artist of the Month" for the Muleshoe Public Library recently, and she was honored with an art exhibition in the facilities there.

Mrs. Kersey began her art training in 1977 when she began taking art lessons from Billie Long Homer of Friona. Since that time she has taken art instructions from 24 instructors, including Ben Konis, Robert Schusler, Loraine Rains, Merle Doose, Jean Green and Barbara Carpenter.

Mrs. Kersey has had instruction in the painting of oils, water colors, pastels, tole painting, charcoal, acrylics, rub-outs and ink drawings. However, Louva Kersey is not just an artist, for she has several other hobbies which she also enjoys. She is interested in ceramics, sewing, raising flowers and gardening.

As a member of the Muleshoe Art Association and the Hereford Fine Arts Association, she has many activities to keep her busy.

The Kersseys moved to Bovina from Hobbs, N.M. in 1970, where they had been pastoring the Pentecostal Holiness Church. They farmed in Bovina until 1979.

The Kersseys have three daughters and two sons, all of whom are married and they are also the grandparents of 13 grandchildren, and have four great-grandchildren.

Fashion Survey Taken At BHS

By JANET WILKE

Miss Becky Willingham's freshmen class in Home Economics was asked recently to define what fashions were the big hits this fall.

The class, which has 18 members, was divided up into four groups and discussed this topic for a while and decided that the following items were in style at BHS this fall.

Making a big comeback this season is the Oxford cloth button-down-collared shirts. Sweaters were also listed as a "hot" item around the high school this year.

And, as always, the "We Are Bovina" t-shirts were in style. Others listed were metallics, western style shirts, preppy shirts, Hush Puppy sweaters, cotton sweaters and turtle necks.

In blazers, corduroy was the winner way out front, with wool and tweed blazers also big hits, along with the ever popular velvet.

In pants, the designer jeans swept this category, with names like Calvin Klein, Gloria Vanderbilt, Sasoon, Lee, Wrangler, Zenas, Jordache, Britannia and Rumbleseat, the biggest sellers. Also listed as favorites were the pleated pants, corduroy dress pants, pants with elastic at the bottom and straight legs.

In jackets, the freshmen girls agreed that furs were still a girl's best friend, but also decided that ski jackets, Eisenhower jackets and most of all, Bovina lettermen's jackets were also very stylish.

In dresses, the girls varied in their opinions, as one group thought that skirts were more stylish than dresses and listed plaid wool skirts, corduroy skirts and pleated skirts as their choice.

Another of the groups decided that Levi skirts and split skirts were the most stylish dresses and a third group listed skirts, summer dresses and three piece suits as their preference.

Stripes, flowers, plaids and cotton were all listed as preferred materials.

Three of the four groups selected

Indian style shoes as their first pick, with boots, Nikes, Cherokees, 9-West styled shoes next, and heels coming last. YoYoes and Hush Puppies were also listed as favorites.

Chains were the favorite jewelry listed and the top pick was followed by pierced earrings, bracelets and necklaces.

Western hats were the most commonly named accessory and belts were the next most popular accessory with the freshmen girls.

Favorite colors were listed from maroon (I wonder why?) to Army green. Others in the spectrum were white, off-white, yellow, red, blue, plums, pinks, rusts, greys, khaki, browns, blacks and purple.

The ninth graders named their ideas of the biggest new styles, and here are some of their responses: pants fitted to the ankles, blazers with jeans and skirts, gathered pants, blazers with jeans, and this one really got me...going to the park alot more."

The biggest comeback style to the girls was Oxford shirts in two of the groups surveyed, and straight legs and Western styles in the remaining two groups.

Two-thirds of the polled class decided that the trend was to a more casual look, while one-third thought the fashions were going more "dressy."

But, all the girls thought they would like to see the hemlines go to the knee or perhaps to the mid-calf, but not to the ankles or up to the thighs again.

The freshmen girls who were our willing victims for this survey were Misti Boozer, Shana Gober, Angela Reyes, Sally Ann DeLaRosa, Sonya Mayfield, Casey Riddle, Cuca Reyes, Lorena Antillon, Alice Tamez, Yesenia Antillon, Corina Munoz, Tamie Nabers, Melissa Glasscock, Julie Soliz and Sylvia Guevara, and their Home Ec teacher is Becky Willingham.

LOTS OF PUPPY LOVE.... Margaret Meason is still in a state of shock from being named the winner of "Fang Face," a large stuffed animal which was being raffled off by the Bovina seniors last week. Margaret won the toy in the

drawing by the class, and she said she was going to donate the animal to her granddaughter, Nicole Meason of Amarillo. Nicole will soon have a birthday, and Grandma decided that the present would make the perfect gift for her.

Shower Set Nov. 14

Tammy Dameron, bride-elect of Terry Gordon Reed, will be honored with a bridal shower November 14 from 2 until 4 p.m. in the Community Room of the First State Bank of Bovina.

Tammy's selections are at the Browsabout and Kirkpatrick's in Bovina and Foster's and Claborn's Floral in Friona.

Hostesses for the shower are Lorene White, Mildred Rule, Era Louise Jamerson, Sheryl Meason, Doris Strawn, Margaret Meason, Billie Manuel, Letha Treinen, Brenda Kirkpatrick, Odie Claborn, Flossie Rhinehart, Martha Stewart, Rhonda London, Judy James, Alice Moore, Scooter Russell, Mrs. A.E. Steelman and Janette Collard.

A GOOD

50

*Fifty years of faith, family, fun and frivolity.
And fifty years of decisions, dread, doubts and disappointments.
For longer than most of us have been worrying about making it,
they've been worrying about making it together.
Maybe that's why they did.*

Moore. Alice Moore was born and raised in Wellington, Texas and she graduated from Wellington High School in 1927.

Alice married Bill Moore after graduation from WHS and she later attended Draughton's Business College, where she was graduated with honors.

After her graduation from business college she worked at West Texas Hospital in Lubbock for a few years and later, after moving to Bovina, she was employed by the Parmer County Community Hospital in Friona.

Alice and her sister, Opal Bowen, opened a shop called The Variety Store on Main Street in Bovina which remained in business for several years.

Alice's parents are John and Kate Steelman and she has two brothers, Amos and Walter and three sisters, Lilly, Opal, all Bovina residents, and Ruby Bishop, who lives in Clovis.

Alice is the mother of one daughter, Sheryl Meason, who lives

in Amarillo with her husband, Don, and their daughter Nicole.

A member of the First Baptist Church, Alice is also active in the Bovina Senior Citizens organization, and she lists her favorite hobbies as crocheting and watching football games or other sports.

"To be a kind, considerate and loving person as people are to me," is Alice Moore's personal philosophy and she has agreed to share two of her favorite recipes with the readers:

Alice Moore's Chicken Casserole
4 chicken breasts cooked in 1/2 quart of water and 1/2 teaspoon salt

Bone the chicken and chop the meat and return this to the broth.

1/2 package (3 oz.) spaghetti
1 package frozen English peas with small onions in it

1/2 cup diced celery cooked until done

Add the above ingredients to the broth, after adding the chopped chicken, then add:

1 can cream of chicken or mushroom soup

1/2 cup cheese

ALICE MOORE

1 small can pimento
1 small can sliced mushrooms
Grease casserole dish with two teaspoons butter, and pour the mixture in. Cover with the shredded cheese. Bake approximately 5 minutes at 350 degrees or until cheese melts.

Quick Jello Salad

1 package Jello (orange flavored) dissolved in hot water

1 cup grated carrots

1 small can crushed pineapple

1 cup grated cheese
1/2 cup sugar
Mix contents together, and set in refrigerator until set.

Scooter's Scoops

By Scooter Russell

Mr. and Mrs. L.D. Knight were visited over the weekend by their daughter Mrs. Roy Ivey and her daughter, Melissa, of Denver City. They were guests of the Knight's from Thursday until Sunday. Mrs. Ivey and Melissa also visited Margaret Meason, her sister, and the Measons and Mrs. Ivey and daughter went to Amarillo Friday and brought back Measons' granddaughter Nicole to spend a few days with Margaret and Pete. Nicole was picked up by her parents, Don and Sheryl on Sunday and she returned to Amarillo with a new friend, "Fang Face," which was a toy her grandmother gave her after winning it in a drawing.

Leslie and O.B. Johnston went to Dove Creek, Colorado, where they enjoyed a good deer hunt. Both brought back a deer. They went a week ago last Friday and returned home the following Wednesday.

Merle Morgan has just returned home from Oklahoma City where she visited with her daughter Deanna Harris and her family for a couple of weeks.

Bessie Trimble and Mr. and Mrs. Tom Rhodes attended the funeral of Mrs. Lee "Ella" Thompson of Vernon last Saturday.

Mrs. Thompson was Bessie's son's mother-in-law. Mrs. Thompson lived in the Bovina, Farwell and Oklahoma Lane area for many years when her husband served as county judge several years ago.

Lela Kersey of Lubbock spent several days in Bovina visiting with her son and daughter-in-law, Alvo and Louva Kersey. She came a week ago last Thursday and went back to Lubbock the following Saturday.

Mr. and Mrs. Waldon Brashear of Iowa, Louisiana visited the past week with John and Charlotte Detten. The Brashears are Charlotte's aunt and uncle.

Melissa and Tammy Taylor went to Ft. Sumner, New Mexico recently and visited their aunt and uncle, Joyce and Art Jones. While there the girls enjoyed fishing, taking care of the Jones' horses and touring the Billy the Kid Museum.

Accompanying the girls on their weekend trip were their cousins, Bobby and Terri Harper of Plainview.

Melissa and Tammy Taylor are the daughters of Pam Taylor.

David Merrell underwent surgery for an appendectomy last Tuesday in the Friona hospital. He was dismissed from the hospital Friday and the family says he is getting along just fine. His sister and nephew, Connie and Eric of Odessa came to Bovina to be with him for about a week. David is the son of Mary Alice Merrell.

Shelby Rhodes will undergo surgery this week in the University hospital in Lubbock, and we hope all goes well.

Geneva and O.B. Johnston have enjoyed weekend company. Geneva's parents, Mr. and Mrs. Marvin Davis of Pampa. Geneva said her parents left Bovina to visit her aunt in Colorado City. Said they had a good visit with her parents while they were here.

Brother and Mrs. Bass had visitors over the weekend, their friends, Leon and Shirley Wilson of Lamesa. They spent Saturday night with them and attended church with them Sunday before returning to Lamesa.

Brother Bass said the Wilsons farm in Dawson County.

Mr. and Mrs. A.H. Phillips were recent guests of Elmer and Veda McKay. The Phillipses are from Amarillo and came to Bovina over the weekend. Elmer's sister, Ida Mae Kall of Canadian also visited with the McKays during recent days.

Arlene Smith and her fiance, Lewis Koiner, were weekend guests in Bovina at Arlene's parent's home, Billy and Suezy Smith. Arlene and Lewis are attending college at South Plains in Levelland. The family attended church together Sunday.

Gerald and Naomi Rountree were honored with a housewarming Monday, hosted by their many friends in Littlefield. Among the large crowd who attended were Furne and Jay Harris and Dorothy and Grady Sorley of Bovina. Furne said their new home was beautiful and was built by their son Steven.

Randy and Toni Barrett and their children, Ty and Daphne, attended Toni's mother's wedding which was

held October 24 at the San Jacinto Church of Christ in Amarillo. A reception followed at the home of Toni's sister and brother-in-law, Beverly and John Stinson of Amarillo.

Toni's mother is the former Doris Pinner who lived in Bovina many years ago. Doris married Al Norfleet of Amarillo and we wish them much happiness!

Ty, son of Randy and Toni Barrett, celebrated his sixth birthday on October 24, which was his grandmother Doris's wedding day. We understand his grandmother made him a birthday cake and it was on a small table beside the bride's table at the reception.

The following day Ty was honored with a birthday party in his home. Cake and Kool-aid were served to several guests: Brandon Caldwell, Steven Heard, Bret Thomas, John Edward Verner, Ryan Sudderth, Jason Lusk, Mark Kuper, and the

Nine Students Inducted In NHS Ceremony

Nine Bovina students were inducted into the National Honor Society chapter at Bovina High School, Wednesday, November 4 in the high school auditorium.

Inductees from the sophomore class were Mark Clayton, son of Mr. and Mrs. James Clayton, and Steven McClaran, son of Mr. and Mrs. Wayne McClaran.

From the junior class, honorees were Patti Sherrill, daughter of Mr. and Mrs. Jay Sherrill, Clara Koelzer, daughter of Mr. and Mrs. Dan Koelzer, Joe Pat Wright, son of Mr. and Mrs. Woodrow Wright, Karl Willard, son of Mr. and Mrs. Vernon Willard, and David Villarreal, son of Mr. and Mrs. Zeferino Villarreal, Sr.

Senior members inducted into the NHS included Brad Heflin, son of Mr. and Mrs. George Heflin, and Steven Pruitt, son of Mr. and Mrs. Prentes Pruitt.

Induction into the National Honor Society is based on a student's scholastic excellence, and the NHS is a very special honor for any high school student to attain.

honoree's sister, Daphne.

John Verner celebrated his seventh birthday last Friday night and his parents, Donald and Janell, hosted a slumber party in their home.

A fried chicken supper with dessert of a chocolate birthday cake shaped like a football were served to several friends who later spent the night. They were: Darren Hromas, Ryan Sudderth, Brandon Caldwell, Chris Wilson and Jeffrey Rhodes.

Thank you for helping with the Scoops...Have a good one...Scooter.

Electricity. Knowing what it's worth is worth knowing.

One thing we've probably all learned is to have an appreciation of things that have worth and to know their value. How would you rate yourself on knowing the value of the electricity you use? Take this simple exercise.

1. How much was your electric bill last month? \$ _____
2. Divide 30 into your answer to Number 1. This was the approximate cost of your electricity per day. \$ _____
3. How many people are in your family? _____
4. Divide Number 3 into Number 2. This was the cost of your electricity per day per family member. \$ _____

Knowing what electricity is worth is worth knowing. Just look around.

Parmer County Law Enforcement Report

SHERIFF'S REPORT

Persons who were arrested by the Parmer County sheriff's office were listed as follows:

October 19, Terri Cole, 19, of Farwell, was convicted of driving while license was suspended, and was fined \$150 plus court costs and she pled guilty to the charges.

In reports from the sheriff's office, Mrs. Bill Kent of Farwell reported that her son's car was vandalized with eggs, white shoe polish and soap on October 27.

October 29, Preston Martin of Farwell reported that 8 a.m. and 8 p.m. his home had been burglarized. Items taken were a 38 calibre revolver, two cassette players and one clock radio, for an estimated value of \$200-\$300.

A robbery at the Bovina Allsup's Store on Saturday, October 31 at about 2 a.m. and a robbery at the Allsup's Store in Friona, in addition to the robbery of two customers of the Allsup's Store in Friona was also reported.

Two Bovina juveniles were arrested in those incidences which took lawmen in a chase from Bovina to Amarillo before the spree culminated in Amarillo with the escape vehicle crashing into an Amarillo Police car, totaling both vehicles, and sending the police officer and the juvenile girl to hospitals for treatment of minor injuries.

The pair ran a roadblock in Canyon and one later in Amarillo as they sped away from one law officer and then another. Officers reportedly shot out three of the pickup's tires, and it continued from Canyon to Amarillo on one tire and three rims, at approximately 100 m.p.h.

The total amount of money taken in the hold-up was about \$160 according to Sheriff Bill Morgan.

Both juveniles were brought back to Parmer County by Morgan, where the girl was released back into the custody of her parents, while the young man is still being held in Parmer County jail at the present time.

The escape vehicle was a Dodge pickup, which belonged to the girl's

father.

LOCAL POLICE REPORT

Local police officials were called to investigate the robbery of Bovina's Allsup's Store, but remained behind to take calls after the suspects left the area.

Bovina police were called out on the fatal wreck which occurred at Summerfield Saturday morning at about 4 a.m.

Marshal John Detten assisted officers of the Hereford and Castro County DPS, as well as Castro County sheriff's deputies in handling traffic and assistance of the killed and injured in the wreck, which involved a head-on collision of two semi-tractor trailer rigs. The driver of one of the rigs, Douglas Bryan of Hereford was pronounced dead at the scene of the accident by J.P. Marshal, Justice of the Peace for Castro County.

Also in local police news, it was reported that Pete Davies called about one of his Holstein heifers which was killed by a large stray dog. The dog was owned by local residents.

At about 10 a.m. on Monday, a call came in to police officers that the office of Gateway Produce had been broken into, sometime Friday afternoon. A list of missing items was not furnished to the press.

TEXAS DPS REPORT

The Troopers of the Department of Public Safety reported one accident on US 84 outside of Lariat.

Jerry Foskey, 38, of Muleshoe was heading eastbound on US 84 at an excessive amount of speed, when he apparently lost control of the pickup which he was driving and overturned the vehicle two and one-half times, throwing Foskey from the vehicle more than 50 feet.

According to DPS Trooper Craig Hunt there were skid marks at the scene in excess of 700 feet.

Foskey was taken to Clovis High Plains Hospital, where he was hospitalized with massive head injuries. He was later transported to a Lubbock hospital.

HAPPY FACE....Surrounding this Jack-O-Lantern are students from Barbara Charles' kindergarten class. It took pupils about 20 minutes to carve the Jack-O-Lanterns, and it was stated that the class would be roasting the seeds to eat on Tuesday, and what seeds they did not consume would be used in art work.

Grandson Of Local Women Wins AG Cash

Kendall Webb, son of Mr. and Mrs. Larry Webb of Adrian, formerly of Bovina, was the winner of \$300 in a contest sponsored by the Amarillo Globe-News.

Kendall was chosen for the honor by virtue of the fact that he increased his area subscriptions by 45 per cent as a paper carrier. This was the largest increase of all the carriers in his area.

Kendall is the grandson of Mrs. Sid Lloyd and Mrs. Bessie Webb, both of Bovina.

He is a sixth grade student in Adrian, and was offered a choice between the money or a microwave oven.

Soil Study Maps To Be Available

Your best source of information about next spring's pre-plant soil moisture conditions may be obtained from a cooperative soil moisture monitoring study already in progress on the High Plains. Soil Conservation Service and High Plains Water District staff are now preparing over 140 soil moisture sampling sites for the 1981-82 monitoring program. They hope the study will provide data for accurate pre-plant soil moisture maps on the High Plains.

The SCS has used a statistically sound random sample developed by Dr. Bob Davis, with the Agriculture Economics Department at Texas Tech University, to locate sites for up to 300 neutron probe access tubes on farms over the 15 county area. Site selection is based on the complexity of local soils and variations in saturated thickness of the Ogallala Formation.

Dural Burton/Acting District Conservationist for Parmer County, is currently contacting landowners

and operators asking for their cooperation and permission to drill the probe holes and place the tubes. A minimum of disturbance to cropland is necessary to install these two-inch diameter, thin wall aluminum tubes which will be set to a depth of seven feet below the land surface. Crews will use a soil auger mounted on a small two-wheel trailer to prepare the sites. Readings of the soil moisture profiles will be taken with a hand carried instrument in late January and early February.

With Oliver Newton's recent retirement and the closing of the local Weather Service offices, a new sponsor was needed to continue the program. The High Plains Water District accepted prime responsibility for the program, and developed a cooperative agreement with the SCS to expand the program. The Texas Agriculture Experiment Station will continue to provide technical assistance as needed.

THERE'S NEVER BEEN A TRUCK LIKE IT BEFORE.

CHEVY S-10

TOTALLY NEW. QUALITY BUILT!

A new-size pickup. Not too big, not too small. The new Chevy S-10 is longer than the import pickups, and smaller than a full-size pickup.

With more head room than any import pickup cab provides, the spacious Chevy S-10 cab was made to enjoy. The standard S-10 seat is deep foam cushioned and angled 23° for carlike seating comfort.

A totally new, high-quality pickup. The new-size S-10 is an American-designed, American-built pickup with modern technology. It has

been engineered for accurate metal-to-metal fit—for quality you can see, hear and feel.

V6 power you can't get in smaller trucks. A 2.8 Liter V6 is optional with extra muscle for jobs like towing. No import truck offers one.

Twice the towing power of the imports with available V6. The S-10 works hard. A properly equipped S-10 with an optional Heavy-Duty Towing Package can haul up to 4000 lbs., including trailer and cargo.

Bigger payloads than many full-size pickups. The S-10 can carry a standard payload of 1000 lbs. That's a respectable chunk of freight. A Heavy-Duty Payload option with available V6 increases that payload capacity even more, up to a hefty 1500 lbs.

Double-wall construction in the cargo box side panels that the imports can't match. Every S-10 features both an inner and outer steel wall in the hood, doors, front fenders, cargo box side panels and the tailgate.

Higher gas mileage ratings than any of the best-selling import trucks. The S-10's standard 1.9 Liter four-cylinder engine has some very impressive gas mileage ratings.

FHA Sets New Interest Rates

The Farmers Home Administration in the U.S. Department of Agriculture will start charging higher interest rates today on several of its loan programs as a result of legislation enacted by Congress. Dwight O. Calhoun, Acting Associate Administrator of FmHA said higher rates are required for community facility, water and waste disposal, emergency farm and limited resource farm loans. The changes were included in the budget reconciliation bill passed by Congress just before the August recess. In addition to the new rates, the use of prime farmland for development purposes will be more costly in some cases under provisions of the 1981 legislation. Calhoun cited as an example an extra 2 per cent interest

fiber and oilseed crops. It also must be available for those uses. "Unique" land is other than prime land having special combinations of soil quality, location, growing season and moisture to economically produce high quality or yields. Calhoun said the interest premium for use of prime or unique land will not apply if the applicant is a public body or Indian Tribe and can demonstrate to FmHA that it cannot suitably locate on other land. The community facility and water and waste disposal rate of 12.25 per cent was derived from the statutory requirement that it not exceed the current municipal bond yield. This rate must be calculated quarterly based on market conditions. Interest rates will remain at 5 per cent for facilities required to meet health and sanitary standards in areas where median family income is below the poverty level established by the Office of Management and Budget, currently \$8,450 a year. Other Farmers Home loan rates are not affected by these changes.

Lula White Has Guests

Lula White was visited the past week by her niece, Mary Lee Humes, and Mrs. Humes' daughter, JoAnne, all of San Jose, California. They were in Bovina for the past five days, and Mrs. Humes had not visited in Bovina since 1946. On their way here the women traveled through the Grand Canyon, and took in Carlsbad Caverns, then went on to visit Mrs. Humes' father. Later they were to visit in Oklahoma City, then go back home through Denver, Salt Lake City and back to San Jose.

ENERGAS
 Gas heating saves \$226 per year!
 Compared to the heat pump, gas heating can save you \$226 per year on your utility bills. So if you hear that a heat pump is "more economical", remember, that is comparing it to other electric heating... not to gas! No other heating system even comes close to gas for economy. At Energas, we are committed to help you get the most for your heating dollar. Gas heating, combined with good conservation practices, saves energy, too.

Junior Varsity Team Eyes Championship

The Bovina Junior Varsity team bested the Vega Longhorns, 40-12 in a big game for the Mustangs, as they are eyeing the district title, with an unblemished record for the year.

In the first quarter of the game, Danny Silva scored from two yards out, and he also made good on the two point conversion, to make the Mustangs take the lead.

Also scoring in the second quarter was Eddie Colunga, who dove over two yards to paydirt. The point try after was no good.

Then, Henderson Griggs received a three yard pass from Gilbert Esparza and the point try after the touchdown was unsuccessful.

In the second half, with the Mustangs having a comfortable lead over the Longhorns, Henderson Griggs decided to intercept a pass from the Vega Horns and he scored on this effort, with the extra point try no good. But, the lead was all Bovina, as they were on top.

Danny Silva again found paydirt from three yards out and then Henderson Griggs took in a pass to score the two point conversion, with Bovina leading.

In the final stanza of play, Danny Silva went ten yards to score and the point after try was unsuccessful, but the missed points never really mattered as the game was all Bovina, 40-12.

In the stats, Eddie Colunga had ten carries for 52 yards, Danny Silva had 25 carries for 158 yards, and Gilbert Esparza made eight carries for 32 yards.

Silva made three touchdowns for Bovina and Colunga had one touchdown. Also cited for their play were Greg McClaran who made three catches for 67 yards, and Henderson Griggs made the catch for three yards and one touchdown.

"The JV played well against Vega. They played the type of game that we want them to play. We made some mistakes but they weren't mistakes that can't be remedied. Most important, we did not quit hustling," commented Coach Robert Ulibarri.

He went on to add that the staff was pleased with the effort of the JV players and indicated that if the team

should continue to play the way they have in the past, they could win their district championship.

"The thing we need to remember is to play the game for the entire 48 minutes, do the things we have worked on, and then the score will take care of itself," added Ulibarri.

Outstanding performances were turned in by Jay Judd, Tommy Hutto, Danny Silva, Eddie Colunga, Greg McClaran, Johnny Villarreal, Doug Johnson, Henderson Griggs, Don Paul Spring, Manuel Ortiz, Gilbert Esparza, Jose Gomez, Paul Topliff and Andrew Ortiz.

The Mustangs face Hart in their final district play on Thursday in Hart, beginning at 5 p.m. with the Junior high game, and the JV game immediately following.

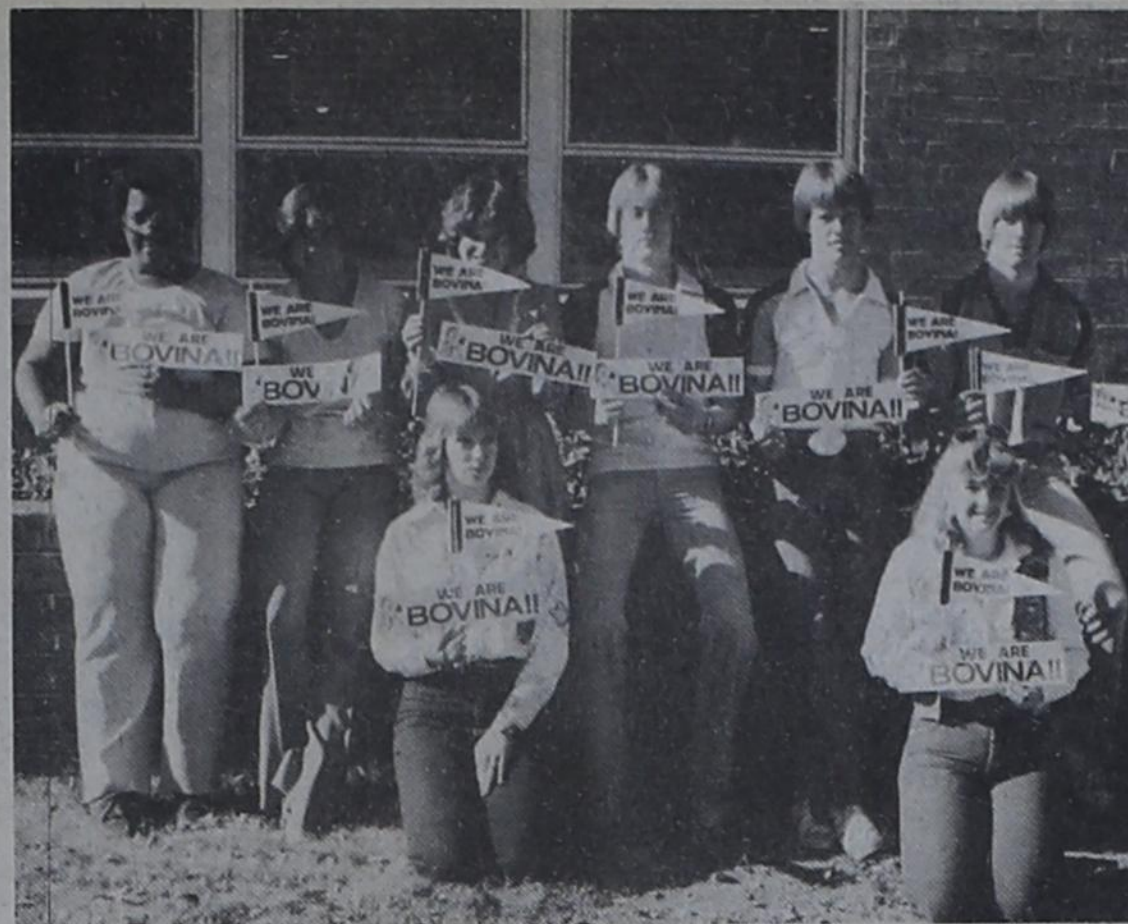

This game is for the district championship, as the Mustangs are undefeated in District play.

Treasurer Distributes Road Fund

State Treasurer Warren G. Harding announced that early next week \$25,770,675.15 will be distributed to the 254 Texas counties. These funds are the Lateral Road Fund administered by the State Treasurer's office as allocated by the sixty-seventh legislature.

The Parmer County allocation is \$117,337.62, and the funds will be used for the construction and improvement of county roads. The lateral road fund is comprised of monies derived from gasoline taxes collected at the pump. The county allocations are based on the county square mile area, the rural population, and the county lateral road mileage. Expenditures of the funds are reported by the counties to the State Treasurer.

Treasurer Harding stated that the distribution includes money appropriated for fiscal years 1980, 1981 and 1982, as well as interest earned on these funds. The 1982 funds are being distributed now rather than at the completion of the fiscal year.

MAKE NO MISTAKE ABOUT IT....The Juniors emphasize the fact that "We Are Bovina." Shown are the pennants and bumper stickers.

Each pennant is being sold for \$2.50 and the bumper stickers are \$2.00 each. Contact any Junior for these.

Parmer County Pig Sale Set Tues., November 10

Parmer County Swine Breeders Association will sponsor the Third Annual Fall Show Pig Sale on Tuesday, November 10 at the County Showbarn in Friona. The pigs will be judged and sifted beginning at 3:30 p.m.

The judge for this year's sale will be Ed Standlee, Vo-Ag teacher from Dimmitt. The sale will start at 7 p.m.

Larry Potts of Pro-Auction Service, will be the auctioneer.

An awards program will be initiated for pigs purchased at this sale, that are selected as county show grand champion or breed champion or grand champion at a major stock show.

All interested persons are encouraged to attend this year's sale.

Mustangs Fall To Longhorns 28-21

By JANET WILKE

The Vega Longhorns, after trailing Bovina most of the game, somehow found the momentum to come back and beat the Mustangs 28-21 Friday night in Vega.

The Mustangs led the entire game and up until the third quarter of play, when at 1:34, Vega came ahead and scored after three plays and kept scoring until they were able to subdue the Mustang attack.

Coach Paul Topliff made several comments about the game: "I felt that we were totally prepared for the game, and Vega never did anything that we were not ready for...they played exactly as I thought they would."

The coach said the scores came from open spots between the guard and center, and on the ground, not in a passing attack.

"I felt that this was the best game plan we had all year. Some of our problems were that we were missing blocks, not getting good tackles and missing passing patterns."

"Before the game was over, I was going back through 13 years of coaching trying to figure out what happened."

Topliff added, "Don't get me wrong...these (Bovina) kids are good kids, but I thought that when we had them (Vega) down 21-7 we would hang on and win."

Looking ahead to the Hart game, Topliff said he felt that Hart was even better still than Vega.

"Hart has one of the best...no, I

take that back...the best quarterback in this district, and they also are very quick," he remarked.

All was not dismal for the Mustangs as Ricky Shepherd was a bright spot in the running and receiving attack for Bovina.

"Ricky Shepherd made six catches for 106 yards in the first half and for two touchdowns and the offensive line dominated the first half also," said Topliff.

In the first half, Bovina gained 94 yards rushing, and 106 yards passing, while in the second half the Mustangs gained 25 yards rushing and 68 yards passing, which Topliff said was the major difference.

"We can win our next two ball games, but it will take some soul-searching by the team and the coaches to do it. But the potential to win is still there," added Topliff.

The Mustangs will meet Hart on Friday night here, beginning at 7:30 p.m. and they will need all the support of the Bovina fans to come back from two back-to-back losses.

And, as Coach Topliff said, "Well, the team can think of these last two games in one of two ways, either, 'Well we've only got two more football games...thank goodness it's nearly over', or 'Two more weeks of football to earn back the pride and respect that we've worked so hard for all year.'"

Without a doubt, my money's on the Mustangs...and they will come back with a win to prove that this week.
