Annual Lion Sponsored Eagle

Relays To Be Held On April The annual Eagle Relays track on several occasions in the

foods and clothing in Mills meet will be held again this past and the sale is always well year, with a record 23 teams entered in the April 1 competition.

> Preliminary competition will be held in the morning with the finals in the afternoon, announced Goldthwaite head coach Leslie Johnson.

> The Lions Club, who sponsors the annual meet, will run the events. The public is invited to attend any and all of the activities. Lions Club president Glynn Raley, announced at the meeting Tuesday night. that the concession stand operation is open to any responsible local organization who wishes to take it. Interested persons should contact Dr. Raley.

In other Lions Club business, hold a Light Bulb Sale as soon as the bulbs could be received The Lions Club has sold bulbs

received locally.

Floyd Spradley and Truett Auldridge were put in charge of the Light Bulb Sale.

Watch the Eagle for the exact date for the sale.

Local Voters OK Change In Local School Taxes

The maintenance tax referendum held last Saturday here was favored by local voters 86

Passage of the referendum now allows the Goldthwaite Independent School District to change the proportion of taxes going for the retirement of bond the club voted unanimously to indebtedness and local maintenance.

People Ask Us About

Aspirin For Arthritis

For most people with arthritis, aspirin is still considered the best medicine. But, to be effective, a physician must diagnose the type of arthritis (there are many kinds), and he

must determine if the person can tolerate aspirin and if so, how much they can take. Then, he will set a schedule and plan the overall treatment program necessary to try to control arthritis and prevent disability.

yourself, for some advertising can be mislead-ing. It can make arthritis sound like nothing much more than a disease of minor aches and

pains. The truth is, arthritis can be a very serious disease and that prompt and qualified medical attention is necessary.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Danny Spradley To Student Teach At Stephenville

Stephenville, (Spl.) - Danny F. Spradley of Goldthwaite, senior Physical Education major at Tarleton State College, will begin student teaching March 13. The student teaching period will conclude May 13.

Spradley has been assigned to Stephenville Junior and High Schools as a physical education instructor, according to Dr. Joe Cummings, faculty adviser.

Spradley is the son of Mr. and Mrs. Floyd Spradley, Jr., and is also a candidate for the Bachelor of Science degree in August 1972.

District Judge James K. Evetts Betty Berry And Announces For Re-Election To Post Bennie Humphries Say Nuptial Vows

Miss Betty Carol Berry, daughter of Mr. and Mrs. J. D. Berry of Goldthwaite, and Benny Humphries, son of Mr. and Mrs. Doug Humphries of Goldthwaite were united in marriage Friday, March 3, at 8 p.m. in the home of the bride's parents.

The Rev. Dan Connally, pastor of the First Baptist Church for those trying them. One of the best gardening practices is of Goldthwaite, officiated. Mrs. Dan Connally provided the wed-

The bride was given in marriage by her father. She wore a street length empire style dress of lilac knit and lace and beige accessories. She carried a cascade bouquet of white carnations atop a white Bible.

The wedding was performed before an altar decorated with a floral arrangement of lilac snap dragons and purple carnations with lilac candles.

Miss Sally Saylor, was maid of honor. She wore a purple crepe street length dress. Her bouquet was purple carnations. Lee Browning served as best man.

A reception was held in the home immediately following the ceremony. The brides' table was laid with a white linen cloth and was centered with a basket of purple and lilac roses with lilac candles.

The two-tiered wedding cake was decorated with lilac roses and trim. Purple punch was served. Assisting in serving To all my customers and ter who resides in Harker were Marilyn Roberts and Denfriends. I have moved and my Heights. Born in Killeen, I relies Humphries, sister of the

NOTICE AFFORDING OPPORTUNITY FOR PUBLIC HEARING

The Texas Highway Depart-Line (a distance of 6.5 miles). The proposed highway project will pass through the towns of Center City and Star.

The contemplated location is along the present U.S. Highway along the present U. S. Highway 84. The proposed center line is variable from along the present highway center line to twenty-two feet from the present center line. Additional right of way will be required on either one or both sides. The minimum right of way width involving new right of way will be 120 ft., and the maximum will be 260 ft. All of the present right of way is being utilized. The maximum horizontal curvature will imum horizontal curvature will be 10 15'. The proposed road will have two 13 ft. traffic lanes and 9 ft. paved shoulders. The horizontal and vertical alignment will be designed for 70 MPH. Climbing lanes will be provided where processors. provided where necessary. This project will provide a completed highway to the standards and safety features for the expected traffic volumn in accordance with current design requirements. Following the existing alignment, it will be necessary to relocate the Masonic Lodge building in Center City. There will be no homes or businesses

displaced by this project.

Maps and other drawings showing the proposed location and geometric design, informaand geometric design, information on environmental studies, and any other information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office at Goldthwaite, Texas. Also, the drawings showing the proposed geometric design have been placed on file with Mills County.

Information about the State's Relocation Assistance Program, the benefits and services for displacees and the relocation assistance office as well as information about the tentative schedules for acquisition of right of way and construction can be obtained at the Resident Engineer's Office. tion on environmental studies

can be obtained at the Resident Engineer's Office.

Any interested citizen may request that a public hearing be held covering the social, economic and environmental effects of the proposed location and design for this highway project by delivering a written request to the Resident Engineer's Office on or before March 31, 1972.

In the event such a request is received, a public hearing will be scheduled and adequate notice will be publicized about the date and location of the hearing.
