Stores To Close Monday For Labor Day Holiday

Next Monday, September 4 will be Labor Day Holiday. Most business firms and professional offices in Goldthwaite will remain closed for the day in observance of the holiday. This is one of the six holidays that were approved by merchants to be observed by closing.

The Post Office will be on regular holiday schedule with no window service and no rural deliveries. Regular incoming and outgoing mail dispatches will be taken care of on the usual holiday schedule.

Mills County State Bank will be closed for the day.

EAGLE HOLIDAY

Members of The Eagle staff will appreciate the cooperation of reporters, community correspondents and advertisers in getting copy in early for next week because of the Monday holiday.

PRIDDY SCHOOLS TO TAKE HOLIDAY

Priddy Schools will take a holiday on Labor Day. Goldthwaite and Mullin and Star schools will not have the day off and will have classes on regular schedule.

'Old Lodge Hall' Temporary Home For Mills Co. Teenage Youth Center

The council for the development of a Mills County Teenage Youth Center met Friday, August 23, in the Community Room of Mills County State Bank. Though attendance was down from prior meetings, much progress was made toward making the Youth Center a reality.

After a report from the building committee, the "Old Lodge Hall" was selected as temporary housing. Additional task leaders appointed to coordinate movement of equipment and records, to facilities needed improvements to the building, and to look into needed furnishings for the Youth Center.

A list of items needed was tentatively drawn up to include bathroom fixtures for one additional bathroom, a television set, a refrigerator, tables and chairs, pool tables, ping-pong tables, and other items suitable for indoor recreation. People were assigned jobs of looking into the use of a juke box, coke machines, etc. If anyone has any of the above items, or would like to contribute money toward buying equipment and furnishings, you may contact Mrs. Kellis Landrum, Blake English, Mrs. Robert Long or Mrs. Tom Cody Graves.

A target to host a dance to coincide with Homecoming events the weekend of October

27th was proposed. This will necessitate some work groups consisting of interested teenagers and adults to prepare the building for this event.

Representatives from the various service groups including Jaycees, Lions and YH's, though non-committal, did express their organization's interest and support.

It is hoped that everyone will get behind this effort to establish a recreation center for the youth of Mills County. We want to make it a center that parents will feel is a good place for their teenagers to get together. Sponsors will be needed when the program gets under way.

Up-Keep Slated For Rock Springs Ceme.

The Rock Springs Cemetery Association decided to have some badly needed work done in the cemetery. Since only seven people have contributed to the cemetery fund for 1972, the association asks everyone interested to contribute for the up-keep of the cemetery. The committee states that anyone not contributing should clean their own lots immediately.

An Endowment Fund is started toward a permanent income for the up-keep of the cemetery in the future. All contributions are tax deductible.

The committee below would appreciate everyone's help in improving the cemetery: Ronald Davis, chairman; Love Gatlin, treasurer; Walton Daniels; Mrs. Earnest Ince; Mrs. Joe Davis and Mrs. Christine Sparkman.

Eagles 'Aggressive' In First Scrimmage Of 1972

The Goldthwaite Eagle Varsity Squad was very aggressive in its first scrimmage of the season when they faced the AA Burnet Bulldogs at Burnet last Thursday night, according to Head Coach Leslie Johnson.

It was a good hard hitting game with the Eagles putting a great deal of effort in each play. Coach Johnson stated that a lot of mistakes were made during the scrimmage, due to the fact that most of the players on the Eagle team are experiencing playing in new positions. However, the players have been adjusting very well to these changes during practice sessions this week.

Thirty-seven Eagles are reporting for practice on the varsity and "B" teams.

The Eagles are preparing for the season opener which will be played against San Saba on Eagle Field Friday, September 8.

Eight Accidents Investigated During July In Mills County

The Texas Highway Patrol investigated eight accidents on rural highways in Mills County during the month of July, according to Sgt. J. O. Tanner, Highway Patrol Supervisor of this area.

These eight accidents have resulted in no deaths and one injured for the month of July 1972.

The total for the County this year is two deaths and twenty-six injured in sixty-five accidents.

Dr. Richard L. Hester Named Outstanding Man

Dr. Richard L. Hester of Enid, Okla., has been chosen one of America's outstanding young men for 1972. He is the grandson of Mrs. John A. Hester of Goldthwaite.

Dr. Hester teaches in graduate school at Phillips Seminary in Enid. He and his wife have two children, John age 6, and Loraine, age 4.

He is the son of Mr. and Mrs. (Lois Keese) R. W. Hester, both of whom were born and reared in Mills County. They reside in Fort Worth.

Dept. Of Public Safety Announces Farm Vehicle Equipment Regulations

While many Central Texas farmers and ranchers are preparing for the harvesting season now in progress, many trailers and trucks are being readied for their annual use. Yet many do not know or understand laws concerning these vehicles and their equipment.

Lt. Sherman Collins of the Department of Public Safety recently explained the registration and equipment requirements after many calls for information were received by DPS officials. "Equipment requirements for these vehicles are somewhat complicated because requirements for lights on farm trucks and trailers are the same as for other commercial vehicles their size," Collins said. He suggested farmers should contact their local DPS patrolman for details of light and brake requirements.

"But," Collins said, "Registration of farm vehicles is not quite so complicated. A farm truck is a vehicle used by the owner for the transportation of his own agricultural products from his farm or ranch or the transportation of supplies to his farm or ranch."

In addition to this a farm truck may be used by the owner and members of his family as a passenger vehicle for other necessities of the home or family.

When a farm truck is needed to transport a load of larger tonnage than the vehicle is registered to haul, the owner may purchase a short term permit that raises the registered weight of the vehicle to the amount

necessary. These short term permits are available for periods of one month, three months, six months or nine months.

These permits allow a farmer to register for the amount of registration needed in peak use periods without buying the maximum registration for the full year. Contact the County Tax Assessor-Collector for information on these permits.

Farm trailers (a trailer designed and used primarily as a farm vehicle) are exempt from registration when the gross weight (trailer plus load) of the vehicle does not exceed 4,000 lbs. These light farm trailers (4,000 lbs. and under) do not have to display any type of registration.

"A farm trailer weighing in excess of 4,000 lbs. gross weight but not exceeding 10,000 lbs. gross weight may be registered with the \$5.30 farm trailer plate," Collins said. Farm trailers used solely to transport cotton with a gross weight exceeding 4,000 lbs. but not more than 15,000 lbs. may also be registered with the \$5.30 farm trailer plate.

In summary, all farm trailers in excess of 4,000 lbs. gross wt., must be registered. A farm trailer in excess of 10,000 lbs. gross wt. and a cotton trailer in excess of 15,000 lbs. gross wt. must be registered with regular trailer registration in the amount of the actual gross wt. Farm trailers lawfully displaying farm trailer plates are exempt from the annual Motor Vehicle Inspection requirements.

MINISTER**

By Andrew E. Mild, Pastor
Zion Lutheran Church
Priddy, Texas

Would the congregation miss you if your name were not on the congregational roster? If God gave your pastor a revised list — one which showed who really are His children — would your name be on it?

Jesus said, recorded by Luke 16:15: "You are the ones who make yourselves look right in men's sight, but God knows your hearts. For what men think is of great value is worth nothing in God's sight." This Jesus said to the Pharisees.

The Pharisees lived long ago, but they have their counterpart in our society too. Jesus often called the Pharisees hypocrites. Where will we find them but in the church? These are those who give the appearance of godliness and piety but are not godly and pious... It may be that church attendance is a habit formed to give the appearance of respectability. After that the fruits of the Christian life are hard to find in them. Brother in Christ angry with brother, sister gossiping about sister, friendships ruptured by ill feelings. These are not the things one finds among those who are following in the footsteps of Christ. Another spirit dominates here.

The child of God is a responsible person, one who takes his

responsibility seriously. Christianity is not only a vertical relationship — man to God and God to man — but also a horizontal one — man to man. The cross must be the symbol of the Christian in his life — relationship with God and man. The truly converted person will live that relationship daily.

The business and frustrations of our lives seems so to consume us that the spiritual relationships are relegated to a few minutes a week in the place of assembly for worship. The greater dimension of life seems lost to so many. It leads to apathy in important matters.

Jesus seems so far away for many. To them he seems to be only a historic figure who had words of wisdom for the people of His time. The truth of the matter is that He is very contemporary, fulfilling His promise of being present with us to the very end of time. We can only ignore Him if we fail to look for Him.

God evaluates us on the basis of our inner convictions. However, when those convictions are the right ones they will lead us to the right kind of relationship with our fellowmen.

Where do you stand? Respectable in the Community? How before God?

**Shirley, Darrell Norris
Wedded In Marriage August 12th**

green-branched candelabra, and twin votive candelabra baskets of greenery, decorated the sanctuary of the Park Baptist Church, Odessa, for the formal marriage of Vicky Lynn Shirley and Darrell G. Norris. The double ceremony was pledged at 11 a.m. August 12 with Rev. L. Bratcher, pastor of the church officiating.

The bride and groom are Mr. and Mrs. Milton D. Shirley and the bridegroom is the son of Lois Norris of Odessa and Mrs. Norris of Hobbs, New Mexico. The bride is the granddaughter of Mr. and Mrs. Floyd Marsha Barker at the ceremony performed "Theme From Story," "Laura's Theme," "Do I Love Thee?" and "Lord's Prayer," as well as national selections.

The bride wore a gown of her own design and creation, fashioned of sheer floor-length pink satin in front with empire waistline, sleeves and trimmed in lace. Her headpiece was of white flowers encrusted with pink and white pearls, and a draping of pink and white tulle. She carried a traditional bouquet of pink daisies, yellow roses and baby's breath. For something old she had a handkerchief belonging to her great-grandmother. The handkerchief has been the "something old" for over seventy years.

Sandra Jan Barnes was maid of honor. Bridesmaids included Misses Karen Schleyer, Jackie Shirley, sister of the bride. They wore identical floor-length creations of pink sheer silk, accented with tiny white daisies, yellow carnations, and red carnations.

Ushers Denmore served as man. Groomsmen were Mark Schleyer and Bob Byrd and Wesley Godwin. The bride's mother wore a white and white brocade coat-

dress and matching accessories. The mother of the bridegroom wore a cranberry rose crepe, belted dress with matching accessories. Both wore white orchid corsages.

The reception was held in the bride's home following the ceremony. The table laid in hand-crocheted lace over pink satin was centered with a silver candelabra, entwined in yellow daisies, antique cutglass punch service and silver appointments. The three-tiered confection was topped with wedding bells and white doves within the Grecian columns, decorated with tiny pink and yellow roses.

The groom's table was laid in white linen and held red depression glass punch service, red votive candle arrangement, engagement, champagne punch and chocolate cake.

For a wedding trip to Cloudcroft, New Mexico, the bride wore a red and white dotted Swiss in an empire style with long sleeves, trimmed in red ribbons and white lace. She wore matching accessories.

The bride is a graduate of Permian High School. She attended Odessa College for two years and will be a junior at Southwest Texas State University. Her husband, a graduate of PHS, attended OC two years and will continue his education at STSU. He is employed by The Model Shop. The couple will reside in San Marcos.

Following the rehearsal, a twilight supper was held on the lawn at the home of Mrs. Norris. The bride was honored with a gift coffee in the home of Mrs. Bill Schiever and a rice bag party in the home of Mrs. Lynn Avis. A bridesmaids luncheon hosted by Mrs. Floyd Sykes of Goldthwaite and Mrs. M. D. Shirley Sr. of Brownwood was held at the Odessa Country Club.

Center City News

BY MRS. JOE GREEN

This is Monday morning and I will try to send in some news from out this way.

Services were held at both churches Sunday. After church most everyone went to Goldthwaite to attend the Singing of the Men's Downtown Bible Class and those that did attend stated the singing was wonderful and so was the food.

I went to see my mother and my sister last weekend. We met our daughter and her children from Pasadena down there. We enjoyed being with all of them. Mother is not as well as we like for her to be, but when anyone lives to be her age, we should be thankful that we have got to be with her all of these years.

Mrs. Walter Frank goes to Lampasas every Tuesday to be with Grandma Frank, who is in the rest home there.

I guess all of the schools in the county started last Monday. Seems like it's early for the children to start.

Lisa Greele, granddaughter of Mr. and Mrs. K. M. Coffman, has gone home. We really miss her.

Roy Hill is a patient at Goldthwaite Hospital. He is doing fine after having surgery there. We all wish him a fast recovery.

Mullin Senior Citizens Meet Again September 4th

Twenty members were present for the Mullin Senior Citizen meeting last Monday.

The work period consisted of making lint brushes and wastebaskets.

A delicious lunch was served at the noon hour. Fred Pafford gave the invocation.

Games were enjoyed during the meeting. Grand prize winners were Alma Spinks, Martha Calder, Ruth Tullis, Inez Hammond, Lula Ethridge, Aubry French and Mrs. Fred Pafford.

The next meeting for the group is set for September 4th.

Karen Black And Barry Alexander Exchange Wedding Vows August 19

Miss Karen Sue Black of Star and Barry Peyton Alexander of Lometa exchanged wedding vows in a candlelight ceremony Saturday evening, August 19, in the Lometa Church of Christ.

Parents of the couple are Mr. and Mrs. H. L. Black of Star and Mr. and Mrs. Lloyd Alexander of Lometa.

The ceremony, performed by Edwin Young, featured a personal exchange of promises between bride and groom. While kneeling Nancy Bohning sang a solo of "The Lord's Prayer."

The bride, given in marriage by her father, wore a formal length gown fashioned of silk faced chiffon over satin peau-de-sole and a combination of Venice and Irish lace. Featuring a Queen Anne neckline and empire lines, the gown extended into a princess line skirt appliqued with lace petalettes. The train, cathedral length, was accented with the same tiny lace appliques. The traditional sleeves, fashioned of imported English net was heavily accented with lace. For her illusion the bride selected an elbow length veil attached to a caplet of Venice and Irish lace. The bride carried a bouquet of orchids and stephanotis.

Miss Vickie Kirby was maid of honor. Bridesmaids were Misses Paula Wittenburg, Anita Rock of Abilene and Karen Alexander, sister of the groom. The bridesmaids gowns featured a semi-square neckline, butterfly sleeves and tangerine velvet bows that extended to the floor. They wore tangerine picture hats and carried nosegays of rust mums and tangerine carnations.

The maid of honor wore a floral gown of apricot and tangerine designed as the bridesmaid. She wore an apricot picture hat and carried a corsage.

Bryan Alexander of Killeen attended his brother as best man. Groomsmen were Ronnie Whitehead, Mark Carpenter of Waco and David Black of Cedar Park. The best man as well as the groomsmen were attired in a basic black tux with ruffled shirt and flare pants. The groom wore a tux of Prince Edward tailoring.

Sherri Kendrick acted as the flowergirl and Herbert Black, brother of the bride, was ring-bearer. Ushers were Rickey Black and Harvey Black, also brothers of the bride, Tommy

Maddox and Tim Whitley.

Music for the ceremony was provided by the A-Coppella voices of Miss Coren Orgill and Miss Nancy Bohning. The singers, attired as the bridesmaids, sang "Love Story" and "Speak Softly Love" as the wedding began. The wedding march was played as the bride entered. "We've Only Just Begun" was sung as a recessional.

The reception followed the wedding in the Lometa Bank Building and featured a self-serving punch fountain. The fountain theme was further carried out with the cake which had a small fountain in the center of the 10" column on the first layer.

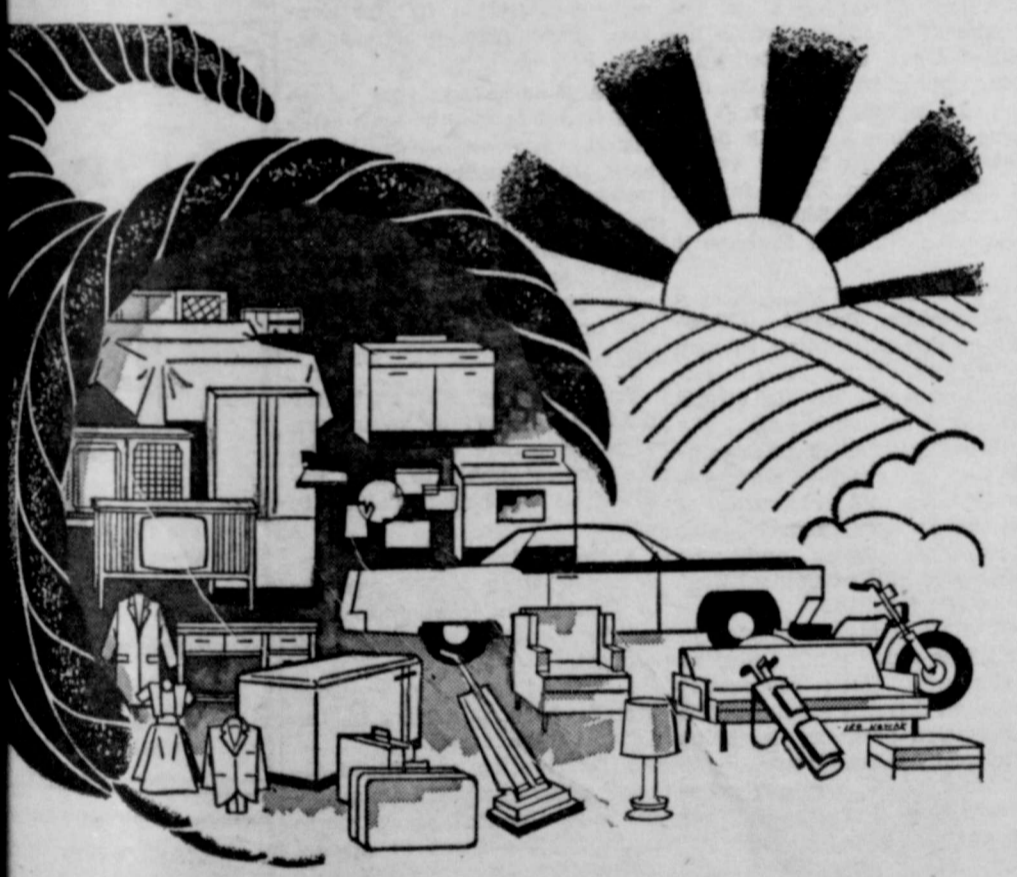

The groom's parents sponsored a rehearsal dinner in the Cottage Cafe in Lometa.

Mrs. Bob Bohning gave a luncheon for the bride and her attendants before the wedding.

The bride and groom will reside in Cedar Park. She will attend Texas University where she is presently enrolled as a second year journalism major. The groom, following nineteen weeks in the U. S. Army Reserves, will resume his education at the University also. He is a sophomore of business administration major.

Examinations are as natural a part of school day as grades, graduations and senior proms. But the one particular exam that we are thinking about is even more important than any of the others—your regular physical exam. It's the one test you can't afford to flunk, at least not for long.

But, how can you "study up" for this kind of exam? It's really very easy. Proper rest (midnight studying is not recommended), balanced diet and regular exercise (your choice) are a few ways to stay in shape. This year try to get top grades in your physical exam.

Doings by DANIEL

BY LARRY DANIEL
COUNTY AGENT

Dove season opens tomorrow with a loud bang and a lot of misses. Hunting is a favorite sport of many people, including myself, and too often safety precautions are not practiced as they should be. Two of the worst fallings of us hunters involves climbing over fences with loaded shotguns and forgetting where the next hunter is located when shooting. The shot from a shotgun carries farther than is expected many times. Only one bird shot is required to put out

From the typewriter of Texas journalist Stanley Walker: "Associate with people of cultivated tastes and some of the culture may rub off on you. Hang around musical folk and you may with luck, get to know Brahms from Beethoven. But keep company with the very rich and you'll end up picking up the check."

A rich Texan and his wife walked into one of Rome's finest galleries and within minutes bought three Titians, four Renoirs, and a couple of Picassos. "Well," she turned to him, "so much for the postcards to send back home. Now, let's get down to some serious shopping."

"Did your paper say that I was a liar and a scoundrel?"

"No sir," offered the desk editor. "It must have been the Times. We never print stale news."

Drunk Driving Carries Many Stiff Penalties In Foreign Countries

In San Salvador, a person convicted of driving while intoxicated can be executed by a firing squad. In Turkey, he can be taken twenty miles from his home and forced to walk home under escort. In South Africa, he can be put in prison for ten years and fined \$2,800.00.

Sound a bit stiff? Perhaps it is.

The Central Texas Alcohol Safety Action Project (CTASAP) is also attempting to stop people from driving after drinking excessively, but its efforts seem mild in comparison.

Currently CTASAP is concentrating on stricter detection, enforcement and prosecution of the one or two percent who drive while drunk and who cause over half of Central Texas' traffic fatalities.

CTASAP is also interested in the three-fourths of American adults who drink moderately and then drive. A special public information program is being developed for this group.

"The Project does not advocate driving after drinking any amount, but does recognize that many adults do drink a little and then drive but don't run a foul of the law," said William J. McCaffrey, Director of the CTASAP. "If a person actually knows how much he can drink without impairing his driving skill, and if he then stays within this limit, or makes plans not to drive—he should avoid the harsh reality of a DWI conviction."

"If People are going to continue to drink and drive—then knowledge of alcohol's effects and of responsible drinking and alternatives to driving are essential for the safety of a great proportion of our area citizens," McCaffrey concluded.

Public information efforts un-

der consideration by the Central Texas Alcohol Safety Action Project include:

1. A Breathalyzer van, which will travel to various area establishments where alcohol beverages are consumed on the premises. Persons will be invited to have their Blood-Alcohol-Concentration (BAC) Level tested, and they will be offered free rides home if they "flunk" the test or otherwise feel unable to drive.

2. A "hot-line" telephone number, manned by volunteers, which a person can call if he feels he is unable to drive because he has had too much to drink.

3. Breathalyzer and videotape demonstrations to civic groups or at shopping centers to help cultivate public interest and support.

4. A voluntary roadside breath check of drivers in the Central Texas area.

5. Distribution of "Blood-Alcohol Charts," which help a person gauge his BAC according to his weight, amount of alcohol consumed and time elapsed, to places where alcoholic beverages are sold. The Licensed Beverage Distributors in the area have agreed to cooperate in distributing these charts.

6. Informative pamphlets, films and guest speakers for the secondary schools, for use in driver education or health courses. Materials are now being selected for this program, in which all secondary schools in the Central Texas area will be invited to participate.

The CTASAP, a project of the Central Texas Council of Governments funded by the Texas Traffic Safety Administration and the National Traffic Safety Administration.

Maurice Whites Home Damaged By Fire

The home of Mr. and Mrs. Maurice White was badly damaged by fire last Wednesday afternoon during the shower we had. Neither of them were home. Carl Hohertz saw smoke coming out of the house as he drove by, so he got help as fast as possible. The inside of the house is badly damaged by fire, smoke and water. A fire is being planned at this time for the Whites. It will be at the Community Center next Friday night, Sept. 2nd. I understand that all of the groceries they had were destroyed, etc., are needed. I'm sure you can use anything anyone has to give. The house is located on the Brownwood highway, the first house this side of Pumpery Creek bridge.

Ruby Smith and daughter

Conrad Henderson, of Goldthwaite, visited here last Wednesday with Mrs. Fred Mosier. Her grandson, Raymond G. Henderson, his wife and little son Douglas visited here on Friday afternoon with her.

Meeting of the teachers

recently in Kermit, Mrs. Parker (Dorothy Jean) Wilcox was presented a 15 year anniversary pin. Mrs. Betty (Kittie) Coates was presented a 10 year anniversary pin. These are both Mullin girls. It doesn't seem possible that they have been teaching this long a time has a way of slipping by.

Person from Mullin attended

singing in Goldthwaite on Friday afternoon.

Lindsay Kittle has entered nursing home in Kermit, Texas.

Final Rites For Clayton E. Shaw Conducted Friday, August 25th

Final rites for Clayton E. Shaw of Goldthwaite were conducted on Friday, August 25,

1972 at 2 p.m. in the Christ at Goldthwaite. Memorial was in the Goldthwaite Memorial Cemetery. Joe Woodrum officiated. Funeral Home was in charge of arrangements.

Mr. Shaw passed away Wednesday, August 23, 1972 at 11:30 p.m. in the San Saba Memorial Hospital in San Saba.

He was born in Locker, Okla. on September 30, 1906, the son of the late Eb Shaw and Jones Shaw.

He was married to Ina on August 25, 1928, in Rock Springs, Texas. They were in Goldthwaite from Brownwood in 1944. He was a member of Church of Christ.

Pallbearers were Glynn Ler, L. B. Burnham, W. F. Emmitt Miller, J. M. W. Fred Nowell, U. W. Martin, Allen Hardgrave.

Survivors include one daughter, Mrs. Kathy Norton of Abilene and one son, Denver Shaw of Comanche.

Persistent kindness cost the ill-disposed. More people are flattened by virtue than bullied out of existence. —Robert Frost

Funeral Services Held For William Simpson Wednesday

Funeral services were held for William Simpson of Mullin on Wednesday, August 30 at 2 p.m. in the Mullin Baptist Church. Mr. Simpson passed away Monday.

A complete obituary will appear in next week's Eagle.

"Novel" comes from an Italian word meaning tale.

GOOD ADVICE

Too much sun can be a danger, the American Cancer Society warns. Use hats, beach umbrellas and lotions to safeguard against skin cancer.

Every woman owes it to herself to safeguard against uterine cancer by having a Pap test regularly. That tip comes from your American Cancer Society.

FASHION TAKES ON TRADITIONAL TONES

Fashion is of interest as we look forward to fall and cooler weather. School is beginning and everyone is planning activities for the coming season. New garments give lift and choices are varied.

The classics are back in a big way. Seemingly as American as apple pie, the styles are comfortable and neat, yet spiced with a softness that gives just the right touch of femininity dear to the wardrobes of always active women.

Don't think for a minute, however, that you can dig thru mom's attic mothballed clothes and create the classic look. The revival of classics is rich in man tailoring—a variety of vests, elongated jackets and sweaters, pointed lapels and collars, wrap arounds and tie belts, sweater sets with crew necks and with straight stitch. Shades of mid-century are also seen in the dolman sleeves and swiny pleated or gored skirts. But the treatments are different—and very much today.

For one thing the designs are executed mostly in washable, no-iron fabrics and yarns, every bit as good looking but with the built-in economy and time saving qualities of easy care. Because of the plethora of synthetics and blends, save hangtags with laundering instructions and post in the laundry room for quick reference.

Then, though the framework is there, significant changes make classics a really new scene. Softness is achieved with fluffy, brushed, nappy materials, plus tucks, ruffles and tiny trims. Cap sleeves, as well as traditional cuts, are seen in jumpers that can go it alone. Others feature deep cut armholes to accommodate the dolman sleeved under-layer. Skirt lengths too have settled to a practical length somewhere around the knee. There are exceptions, with some mid-classics and, particularly for the youth market, a showing of six-inchish above the knee dresses.

Blazers and shirttail jackets are go everywhere items, topping pants and long skirts and everything in between. The newest in pants is wide and cuffed often with front pleats and high-fitted, belted waistline. Jeans go on and on in popularity. Now see them with turned up cuffs of contrasting printed lining or two-tone treatments.

A new phrase, body build-up, is fashion lingo for the layered look well-established last season and coming on strong for fall. Here, too, major styling is along classic lines, but breaks out into feminizing ruffles and neckline detailing.

Basic to the build-up is the body shirt, blouse or sweater. These all-in-ones that originated with the body stocking have become a full-fledged fashion available in a seemingly endless variety of styles, patterns and fabrics and in several different departments of most stores. Bodysuits are designed to go under other layers, to make it alone, or to come coordinated with their own build-ups.

For underlaying, pantyhose are of great importance to make a total fashion statement. In monotone coordinates or hues that pick up print or plaid accent colors, a wardrobe of pantyhose links together the mixing and matching of many separate pieces.

As for pattern, it's a plaid parade! Giant-sized, down to Mini-sized variations, they appear in all fabrics and colorations. Plaids plus florals, flocking, tweeds and clips are another direction, while plaids dominate, an Oriental influence is felt in refined prints often expressed in lacquer bright colors. Primary colors get a big play with reds and greens emerging as favorites. Then too, the monotone trend makes the whole family of beiges and browns important with gray coming thru as a major no-color neutral.

The boldness of plaid is mostly softened with fabrics that are lush, plush, brushed, napped, sueded, fuzzed, fleeced. High on the list are brushed flannel, cotton, denim, even brushed chino. Corduroy, which lends itself to

so many different treatments, is a big part of the plush touch story. Knits, also high on the popularity chart, take a new plaid turn. But watch for other entries — winter seersucker and stretch wovens. Also in the softness search, blends see the polyester combine with worsteds and wools to provide easy-care characteristics with the hand of natural fibers. In addition, polyester in spun/filament combinations give polyester performance with a special luxury feel formerly not found in 100 percent polyester.

This election year the fashion forecast favors an All-American look. The '72 version is defined by straight forward styles with something for everyone and easy care washability for all.

Home Demonstration Council will meet Wednesday, September 6 at 2:00 p.m. in the office of the agent. All members are urged to attend this meeting.

There will be a leader training meeting for those leaders working with youth in the Foods and Nutrition project Tuesday, September 5 in the agents' office. Anyone other than a 4-H Leader who is interested in this project is welcome to attend the meeting. The meeting will begin at 2:00 p.m.

4-H members between the age of 9 and 19 learn a great deal from participation in the 4-H Foods and Nutrition program.

They develop skills in the buying, planning, preparation, and serving of a variety of foods in order to provide an adequate diet.

They develop an understanding of how food affects daily living, and how nutritional needs vary throughout life.

They acquire an understanding of the relationship between science, food preparation, and nutrition as well as developing desirable food habits.

When facilities are available they learn to produce and preserve food for the family. They learn to work and share with others.

Any young person living in Mills County may take part in the 4-H Foods and Nutrition program. Information may be obtained at the Extension Office or from any 4-H member or leader. Groups will be forming in September.

A group of tourists were stranded on a desert island, shipwrecked and forlorn. "It's hopeless," said one. "We're lost and they'll never find us."

"Yes they will," said another. "Remember, we took this cruise on the installment plan."

Morelands Meet At Lake Merritt For Reunion

Descendants of the late Isaac Thomas and Joel Moreland, brothers who migrated from Virginia to Texas around the turn of the century, met at Lake Merritt the first weekend in August for their annual reunion.

Out-of-town relatives attending were the following: Mr. and Mrs. Will Rosenquist of Neosho Rapids, Kansas; Mrs. Virginia Bailey, Linda Moreland, and Cindy Holmes of Arlington; Mr. and Mrs. Walter Moreland of Brownwood; Mr. and Mrs. Willis M. Parker of Cisco; Mr. and Mrs. Lynn Candier of Ballinger; Mr. and Mrs. Edward Hazel of Hawkins; Mrs. Jim Holman of Hutto; Mrs. Cecil Parker of Glen Rose; and John Parker of Stephenville.

Local people attending were Mrs. C. G. Featherston, Mrs. Will Moreland, Mr. and Mrs. Floyd Manuel, Allen Moreland, Mae Featherston, Mr. and Mrs. Mohler Simpson, Walter Simpson, Mrs. Clyde Kerby, and Smoky Manuel.

While they were in Goldthwaite, the Rosenquists of Kansas visited their cousin, Edgar Simpson, at the Hickman Nursing Home.

ADDED PROTECTION

A nuclear scientist gave the following advice at a recent symposium in Dallas:

"In case of atomic attack, don't panic. Go down to your local finance company; take out a \$25,000 loan; then relax. They'll make sure nothing happens to you."

AUSTIN, TEX. — Rep. Price Daniel Jr. of Liberty apparently will take over the House of Representatives speakership without opposition next January.

Withdrawal of Rep. Frank Calhoun of Abilene from the speaker's race last week, after concluding that Daniel was too far out front to catch, left the 31-year-old attorney from Liberty free of a major challenger.

Rep. James E. Nugent of Kerrville, who had planned to enter the contest earlier, endorsed Daniel.

Before Calhoun's withdrawal, Daniel claimed more than 100 commitments from House members or nominees.

"So many of the old and the new members had committed to my opponent before I got into the race, that my continuance in the campaign would place a burden on my supporters that I do not feel justified in causing," said Calhoun.

Daniel, son of former Governor Price Daniel, came from a long way back to emerge as the shoo-in candidate for speaker.

When Rep. Rayford Price of Palestine won the post in special session last spring after a resignation of former Speaker Gus Mutscher, he was considered a cinch to keep the job during the 63rd Legislature.

But Price was defeated for reelection to his House seat in the June 3 Democratic runoff primary by Rep. Fred Head of Troup.

Daniel, meanwhile, had been busy rounding up commitments from incumbent lawmakers and new nominees. He tries to dodge being labeled a liberal and prefers the term "progressive."

He has emphasized need for legislative reform and is pledged to hold the speakership only one term.

SAFETY COURSE OFFERED

Texans who complete a new defensive driving course after September 1 can become eligible for a 10 per cent reduction in their annual auto insurance policies.

Texas Safety Association has accepted responsibility for coordinating the National Safety Council course.

The course will cost about \$10 or less per person, and the resulting credit is good for three years.

Individual savings over the 3-year period are estimated at about \$45 — or \$43 million statewide. Duplications are not allowed for the new course in addition to the driver training course.

In families with two or more cars, the principal drivers of each car will have to take the course to qualify for credit on all vehicles. After the three-year period, the course must be repeated by drivers to continue qualification for the 10 per cent credit.

PARTIES CERTIFIED

Two new political parties, La Raza Unida and the Social Workers Party, have been certified for places on the November 7 general election ballot in Texas.

Secretary of State Bob Bullock said it was his duty to certify the parties since they filed more than the required number of 22,365 signatures necessary for ballot position.

The American Party and the New Party, which did not file enough signatures, seek to get on the ballot anyway by federal court action.

La Raza Unida is waging an aggressive campaign for governor, with Ramsey Muniz of San Antonio as its candidate. Both parties also have candidates for U. S. Senator, lieutenant governor and most major statewide offices.

SPECIAL SESSION COOLING?

Governor Preston Smith may be cooling a little on the idea of a September special session on insurance reform, but he insists the idea is still alive.

"I'm pretty flexible," Smith said. "If somebody can bring me in some facts that would show me there would be no purpose served in calling a session, I would not even pretend to be in

a mood to waste \$33,000 (estimated session cost) on taxpayers' money."

On the other hand, he said, if he could be shown legislation to reduce insurance rates could be passed, he would not hesitate to summon makers back to work.

Main business of the session he indicated, would be a proposal for competitive insurance rates, which he said are in effect in 49 states. He seems to be backing off his proposal to abolish the present insurance regulatory board.

"I don't know that we attempt to abolish the board," he said. "If we come to the conclusion it would be helpful, we will. If we don't we won't know something (about what) to call a special session couple of weeks."

TO BUILD OR NOT TO BUILD

The Highway Department frustrated repeatedly in plans to erect a new \$30 million state headquarters near the Capitol, has asked the attorney general to clarify whether it legally proceed with construction.

After the department was directed to advertise for bids, the legislature called for a re-evaluation of the site, which made finding the site the best available. After that, the Legislature appropriated \$1 million to the Parks and Life Department to buy building site (a barren block which served as a parking lot) and make a scenic out of it. Governor Smith vetoed the appropriation.

Left the Highway Department confused as to what to do. It can't desert the site without being paid for it.

DDT BANNED

DDT registrations in Texas will be cancelled August 1 with few exceptions. Agriculture Commissioner John C. White announced.

White had banned DDT registration for household use under Pesticide Act. The Committee said the DDT would have little impact on Texas agriculture.

Exceptions will permit use of DDT to control sweet potatoes, disease programs by public health officials, in prescription drugs by the U. S. Department of Agriculture and the military health quarantine program.

APPOINTMENTS

Aubrey Edwards of Big Bend was named district attorney of the 83rd judicial district, to replace William H. Earmey of the same district.

H. E. Knox of New Braunfels was named by Smith as a member of the board of directors of the Guadalupe-Blanco River Authority.

SHORT SPORTS

The Governor has rejected the federal pay board's proposal to raise pay for state employees September 1.

Texas Conservation Commission voted to buy three sections of the Marysee Prairie in Gillespie County.

New state bank applications have been filed for Harlingen (two), Addicks (Harris County) and South Houston.

Federal health care sought by groups in Crystal Springs (391,206) and Laredo (14,133) met gubernatorial veto, alleged lack of coordination.

A state regulation restricting catfish to be at least 11 inches long has been scrapped in the northeast regulatory district.

Texas Rehabilitation Commission reported 2,998 persons with mental health problems and 2,668 who are mentally retarded received rehabilitation services during the last year.

House and Senate spent more than \$1.9 million on expense funds allocated during the last fiscal year according to a new state report.

Twenty-nine applications to sell more than \$8.6 million in securities were filed during last week.
