

**Water Under
The Bridge**
by G.F.B.

It's been a long time since
I've seen any "new stuff around
" in this column . . .

The sign in front of Horton's
was toppled in the recent
storm. Almost hit the Eagle
when it fell. I know the
sign needs remodeling, but
I'm not THAT kind.

Sheriff Horace Brooks has
a new patrol car, a neat white
one. It got a good breaking in
last week as he had to travel
to Las Vegas to pick up some
sons wanted here. Deputy
Ratiff says that Horace
wants to wire the sheriff's office
with some more silver dollars,
... ah . . . money for gas,
... he started home Tuesday.

The wind storm, previously
mentioned, really made a terrific
mess of things at the city dump.
Loose paper, and there was
a lot of it there, as there always
is caught on the fence on the
north side. Sure will be glad
to see the new sanitary land fill
into operation. What an im-
provement that will be!

The ground hog came up the
ground today and saw his shadow.
It's supposed to mean that
winter is in for six weeks more
yet. That should make all
the cattlemen readers REAL
y . . .

Work is steadily progressing
at several sites in Mills
County for federal government
dam and watershed con-
struction. Several sites were
visited last week by the editor,
with Minister Joe Woodrum
guided by Soil Conservation
Service representative Charles
Pier. If the land owners play
their cards right, these "lakes"
will be assets of untold value
in many ways.

Young Serviceman Seriously Injured In Car-Truck Crash

A grinding car-truck collision
last Thursday night at 7:45 p.m.
seriously injured a Mills Co.
serviceman.

rear tractor axle of a diesel truck
driven by Dell Marion of Lometa.
The crash resulted in internal
injuries to Poer and also fractured
his left leg in four places.
His internal injuries were des-

cribed as been a ruptured spleen
and ruptured liver. He also re-
ceived other cuts and lacerations.
Poer who was home on leave
from the United States Army was
traveling north on Highway 183
and the truck was headed south
at the time of the smash-up.
The accident occurred on the
curve just at the Goldthwaite city
limits.

Collier Heads Easter Seal Appeal

Glynn Collier will head the 1973
Easter Seal Appeal in Mills Co.,
it was announced by Rodney D.
Hargrave, Dallas, President of
the Easter Seal Society for all
Cripple Children and Adults of
Texas.

program is over one million dol-
lars, financed mainly by the Easter
Seal Appeal remain in Texas
to support the growing needs of
the disabled in the State.

Residents of Mills County will
receive the annual Easter Seal
Appeal letters in the mail begin-
ning March 1. The Easter Seal
Appeal, conducted yearly to pro-
vide disabled persons and their
families treatment and services,
will continue through Easter Sun-
day, April 22.

Special emphasis is being given
in the 1973 Easter Seal Appeal to
the disabled citizen in Mills Co.
who may need assistance and not
know where to obtain it. Any
disabled person can contact Col-
lier at Mills County State Bank,
Goldthwaite, who will provide the
request form for a determination
of the extent and type of assist-
ance needed and the most effi-
cient means of obtaining that
assistance. Arrangements for
qualified treatment or service
will be made by the Easter Seal
Society.

Marion, sustained no injuries,
but Poer was pinned inside under
the steering wheel and it took
rescue workers about 40 minutes
to free him from the wreckage.

He was taken by Wilkins Am-
bulance to Childress Hospital.
He was later taken to Darnell
Army Hospital at Fort Hood by
army helicopter where emer-
gency surgery was under taken.
At latest report he was listed
in satisfactory condition.

Harris To Conduct Youth Revival

Dennis Harris will be the Evan-
gelist at the First Baptist Church
Youth Lead Revival this week-
end. Reverend Harris has a tremen-
dous testimony that you will
not want to miss. Rev. Harris
was a Green Beret in the Viet-
nam conflict and was captured
by the Viet Cong. Two years
later his feet were blown off
in an explosion, yet he walks
today with no cane or crutches.
At the age of 25 he was the
owner of four corporations and
a holding company. With all
this taken away in a very short
time, he began last summer at
the Royal Ambassador Camp at
the Heart of Texas Camp in
Brownwood to follow the lead-
ership of the Lord. Since that
time his life has shown a mi-
raculous change.

Come and hear what has been
done in his life.

The services will start at 7:30
Friday and Saturday night and will
be at the regular times on Sun-
day. These will be services
that you will not want to miss.

Harry Mathews, the Minister
of Music and Youth at First Baptist
Church will be the singer.

Bake Sale
The Goldthwaite Jr. Class will
sponsor a bake sale Saturday,
February 10 at Mills County
State Bank from 9 a.m. - 12

Goldthwaite City Council met
in regular session Monday night
and okayed the second reading of
the proposed General Telephone rate
increase. The proposal was
changed from the original form
by the council and re-appropriation
to make the approximate
13.56 per cent increase more
equitable.

The telephone company's pro-
posal ask that the brunt of the
increase be supported by the
business companies of Goldthwaite
and the city's counter pro-
posal spread the increase equal
to all of the companies users.
The vote was unanimous by the
Council to okay the rate increase.
One more reading is required be-
fore the rate increase takes effect.
April 1 is the projected effective
date for the increase.

Jimmie Bennit, representative
of the General Telephone Com-
pany told the Council that a re-
quest for fire proof phone sys-
tems could be installed after July
1.
City Manager Don Petty told
the Council that he has been at-
tending a revenue sharing work-
shop to learn how the city may
spend the \$5,119 it received from
the Federal Government recently.
The City temporarily placed
the funds in the street department
to be used toward the street
repairs and equipment this year.
The proposed new Sanitary
Land Fill for the city of Goldthwaite
was also discussed.

It was pointed out that the citi-
zens of Goldthwaite need to be
educated and trained so that the
Land Fill operation will run

smoothly and efficiently.
The council called a regular
Council election for Saturday,
April 7, 1973. Councilmen Donald
Padgett and Ancel Morgan and

Mayor Ray Duren terms expire
this year.
Other members of the council
are Lester Geeslin, Hollis Wig-
gins and Jim Smith.

News

BY MRS. JOHNNIE HOLLAND

We have been having wonderful spring like weather—in fact I heard this morning over WBAP that the temperature Sunday set a record for this time of year—80 degrees.

Mr. and Mrs. Kenneth Musgrove and DeWayne of Cleburne and Mr. and Mrs. B. O. Musgrove of Coleman visited here Saturday with Miss Arlie Mosier.

The singing at Ridge was very good Sunday afternoon. They had a large crowd present. Mullin was well represented. Those from Mullin who attended were Mr. and Mrs. Bert Lockett, Mrs. Belva Cobb, Mr. and Mrs. Dusty Durst, The Rev. and Mrs. Richard Beckham and their family, plus all of their Sunday visitors, which included all of Mrs. Beckham's family except one sister, Mrs. Maxie Hodges, Mr. Red Scott, Mrs. Ruth Tullos, Verna Lee Long, Arlie Mosier and I.

Mrs. J. T. Hart, Lisa, Wanda and Tim, and her mother, Mrs. Blassegame all visited Sunday afternoon at Gatesville with Mrs. Virgie Hancock and Mrs. Tip Hart.

Mrs. Will Plummer is in the hospital in Goldthwaite. Mr. Plummer's sister is here staying with him.

Mr. and Mrs. Grady Hancock and Miss Marie Wallace visited Sunday at the L. B. J. Ranch. They visited President Johnson's grave. The flowers were still in place, and they were able to take some pictures of his grave. There was an enormous crowd at the ranch.

Mrs. Arnold Reynolds has been staying with her aunt, Mrs. Clara Pafford, while her son is in the hospital with a broken leg.

Mr. and Mrs. Gerry Johnson and family spent last Sunday at Menard and attended church there.

Larry Kirbo of Austin visited here last week-end with his mother, Mrs. Marion Kirbo and other relatives.

Further word from Mrs. Vesta McCormick states that she is doing fine now, and she hopes to be home sometime this month. We are all looking forward to her return.

STATE CAPITAL
Highlights
AND Sidelights
by Bill Boykin
TEXAS PRESS ASSOCIATION

AUSTIN, TEXAS — The Texas Legislature swept away some of the clouds last week and made some important moves toward "government in the sunshine."

In addition to passing the revised "open meetings" law — "sunshine law" — House committees approved a new "open records" law for Texas and placed on the House calendar a "free flow of information" bill.

Changes in the Texas open meetings law will allow the public and press to be informed of all "quorum" meetings of public bodies. It was passed out by a vote of 16-4 and will be on the House calendar the week of February 5-10.

Closed meetings will be held to a minimum under the exemptions in the new law. It was authored by Rep. Carl Parker of Port Arthur and submitted as a part of House Speaker Price Daniel Jr.'s "reform package." A marathon five-hour hearing by the House Judiciary Committee — chaired by Rep. DeWitt Hale — was held on the "free flow of information" measure. This proposal is H. B. 10, sponsored by Rep. Dave Allred of Wichita Falls.

It grants a "news source" confidential privilege, and allows Texas journalists to get more information about governmental, law enforcement and other matters important to the public.

The House Judiciary Committee approved the bill 16 to 4. H. B. 6, the "open records" measure, will allow the public and press access to most all records of government, city, county and state, that are not closed by state statute. A few other restrictions were placed on the bill — sponsored by Rep. Lane Denton of Waco.

All of these "government in the sunshine" measures follow the pattern of the new House rules which open committee meetings, and follow the trend toward "openness."

DWI IS A NO-NO, OR ELSE — Baytown Rep. Joe Allen has introduced legislation to require a mandatory minimum 30-day suspension of operator's license upon first conviction for driving while intoxicated, and a mandatory one-year sentence on second conviction.

Rep. Allen says Department of Public Safety officials tell him "almost a third of all fatal rural accidents were the direct result of drunk drivers. State-

wide figures are almost as high." "Over 700 people were killed on the highways of Texas by drunk drivers in 1971. Consider that nearly 200,000 accidents that same year were caused by drinking and driving and that the rates go up every year, and you get a good idea of the size of the problem," says Allen.

Allen says he has DPS support for his bill, partly because "juries hesitate to suspend a driver's license for a whole year. Consequently, our officers make the arrests, but can't get the driver off the road for any significant length of time."

LAND REPORT RELEASED — Rapid growth over the last decade has contributed to a rising public concern for proper land resources management and for regulation of development of the state's unincorporated areas—those areas outside the reach of effective municipal jurisdiction.

In most areas of the state, such development is not subject to any governmental health, safety or planning standards, the Texas Advisory Commission on Intergovernmental Relations says in a new report, "Land Use Standards in Unincorporated Areas: Proposed State Legislation for Local Governments."

The Commission notes that despite pleas from many municipal and county officials and organizations of local government, there has been no general legislation adopted to expand county and municipal authority over development beyond the city limits.

In this respect, Texas compares unfavorably with other states, the report states. Countywide zoning, or its equivalent, is authorized in 40 states and various forms of subdivision are exercised by counties in 37 other states.

The Commission recommends legislation to (1) enable cities and towns to extend development standards applied inside incorporated areas to their extraterritorial jurisdiction, including authority to extend health and safety ordinances governing construction, alteration, or remodeling of structures to the city's extraterritorial jurisdiction; (2) give counties authority to establish development standards in unincorporated areas; (3) encourage "sensible, stable land use practices in unincorporated areas" by extending to county government the same general zoning power and related authorizations long exercised by Texas cities."

PEOPLE'S WATCHDOG PROPOSED—AGAIN — Legislators from Houston and Fort Worth have introduced legislation proposing to create the office of "Ombudsman" in the State Government in Texas.

The idea has been put before the legislature in previous sessions only to receive a cold shoulder. The Ombudsman would be an independent and politically neutral office with the sole duty of investigating and recommending action on citizen complaints about state government administration, under the proposed legislation.

The two sponsors, Reps. Hawkins Menefee of Houston and David Finney of Fort Worth, said the Ombudsman would be able to protect individual citizens by giving them recourse for their grievances against unfair or abusive administrative practices.

The Ombudsman, however, would have only the power to criticize and publicize, but not reverse, undesirable administrative actions.

MICKY MOUSE DISCRIMINATION? — Houston Rep. R. C. (Nick) Nichols has introduced legislation which he says will eliminate the "Mickey Mouse" discriminatory practices of some insurance companies when it comes to selling automobile and fire insurance.

One bill would prohibit any fire or automobile insurance company from cancelling, refusing to issue, or refusing to renew a policy because of the age, sex, race or place of residence of the person applying for insurance.

Rep. Nichols says "older people and younger people are the victims of automatic discrimination when buying auto insurance, even though they may have good individual driving records."

Another Nichols' bill would require that the only kind of life insurance policies which can be sold in Texas would be level term policies which are guaranteed renewable to age 80 — without evidence of insurability.

"The typical cash-value life insurance policy is one of the most prevalent and least understood consumer frauds in existence," says Nichols. "The simple fact is, at the death of the insured the beneficiary automatically

loses the cash value of the policy." PRAY QUIETLY PLEASE — Sen. Walter Mengden, Republican state senator from Houston, has dropped a bill in the legislative hopper to allow local school boards to establish periods of silent prayer or meditation at the beginning of each school day.

The U. S. Supreme Court says a school district cannot dictate to a class of students the wording of a daily prayer. Mengden says his bill would "get around that ruling through this bill which authorizes private prayer, not as a religious service or exercise, but an opportunity for silent prayer or meditation on either the anticipated activities of the day or — by those so disposed — on a religious theme."

SHORT SNORTS Rep. Neil Caldwell has been appointed by House Speaker Price Daniel Jr. to the Texas Council on Marine-Related Affairs. Caldwell fills the unexpired term of former Rep. Ray Lemmon of Houston.

Texas Agriculture Commissioner John C. White has named Deland Olson of Lubbock as supervisor of the Texas Department of Agriculture's District II at Stephenville and named Raymond Houtchens, an inspector in District I (Lubbock) to succeed Olson in the supervisory position.

Leading communicable disease in the state in 1972 was influenza and other flu-like illnesses, the State Health Department reports. The leading communicable disease nationwide in 1972 was gonorrhea, which ranked second in Texas with 58,404 reported cases.

Some 4,000 Texas junior and senior high school students and their teachers are to converge on Austin March 16-17 for the 46th annual convention of the Inter-scholastic League Press Conference.

The State Department of Banking has received applications for state bank charters for the Katy Bank & Trust and Sheldon State Bank, both in Harris County.

The 26th annual session of the YMCA Youth and Government program will be held in Austin February 22-25 with about 800 delegates assembling to study the legislative and judicial process.

Dr. Kenneth H. Ashworth, vice chancellor of the University of Texas System, has been named executive vice-president of the University of Texas at San Antonio.

Texas Municipal League directors will ask the Texas Legislature to conduct a thorough study of public labor-management relations in Texas. Action was taken in anticipation of nearly 100 public labor-related bills to be considered by the Legislature.

PERSONAL

Visiting in the home of Mr. and Mrs. Kenneth Coffman and Deron were Mr. and Mrs. Clem Klubertanz of De Pere, Wisconsin. Mrs. Coffman and Mrs. Klubertanz have been pen pals for several years. This was their first meeting and they had an enjoyable visit.

Letters
To The Editor

Monticello, Arkansas
January 31, 1973

To Editor of Eagle:

I am enclosing check for \$7.28 and please send me the paper for another year.

I would like to see more Mullin News. I have been away so long I'm not acquainted with so many names.

I attended the funeral of Cora Scarborough Bowen last Saturday, January 27th at Hills Point Texas. She was a member of 1915 Class that held their annual reunion so long. Her father was a Mullin gunner and farmer for years.

I will be looking forward to the paper another year.

THE MILLS MINISTER

BY MARK TOULOUSE, Pastor of Priddy Baptist Church

THE CHRISTIAN FANATIC

Who is the Christian fanatic? So often we hear of the fanatical Christian. What constitutes fanaticism? Is it good or a Christian to be labeled in such a way? Should the title of "fanatic" be something which is sought after by the Christian as he endeavors to live the Christian life? If so, I can tell you very simply how to acquire the title. Be lazy in the study of the Scriptures and then act like an authority on them. Religion that is not researched may easily degenerate into a serious case of fanaticism. There are, I regret to admit, those pastors who put their Bibles on the sill of an open window and let the wind, interpreted by them as the Holy Spirit, blow the pages to certain passages about which they speak without giving themselves to the hours of much needed study. I ask one question. How can they speak about that which they do not know? The usual answer is, "I do not need to study. God has called me to be His minister and the Holy Spirit speaks through me." I quote Paul: "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the Word of Truth." (2 Tim. 2:15).

The highly emotional preaching, or should I say shouting, of this type of man and his presumption that God requires nothing more than a mouth to speak from reduces Christianity to the unattractive stigma of fanaticism.

If I were in need of a serious orator, I do not believe I would go to the doctor who had not studied his profession, no matter how "divine" he felt his call was. If he had never spent the hours necessary to know the jigs, jags, ins, outs, ups, and downs of the medical profession, I wouldn't be caught dead on his operating table. On second thought, that would be the only way I would be caught there, especially after he was through with me. Nor, if I had an important case to be brought up in court, would I take it to a lawyer who laid his law book on a window sill leaving it to the wind to come up with my defense. It all sounds absurd, does it not? The pastor who is unstudied is no more dependable

than these. On the same hand, the Christian who is content with going to church on Sunday and never studying on his own is in the same boat. When we do not research God's word, we sin against Him by being shallow minded.

Education becomes the tool for us to sharpen the mind that God gave us. The log cutter has to sharpen his ax to be effective. The Christian has to sharpen his mind in order to be a useful vessel. When one assumes that he will be educated by God, through no effort of his own, he makes a serious mistake and deserves the name "fanatic." We are dishonest not to pursue a further knowledge of what we have invested our lives in. It is a shame that in most Sunday School classes the lessons go from the teacher's notes to the member's ears without going through the heads of either one. We have been called to be living witnesses to a lost world. It is time to unite as Christians, regardless of denomination and launch out to reach people for Christ. How do we do it? We get off of our fanatical soap boxes and study the precious Word of God, thanking Him that it does not take a Ph.D. to understand its message for us. After educating ourselves in this manner, we cannot help but be shining lights in the darkness. So, let the Son shine in and live an educated, fanatic-free life for Christ.

Washable Wallcoverings

It is no longer necessary to paint most of your walls off-white to be in style. With easy-care fabrics on the market, the trend in upholstered furniture is towards lighter and plainer colors, so other parts of the room like the walls are perking up. Sofas and comfortable chairs are taking a back seat in decorators' eyes to accessories and interesting rugs and wallcoverings. People who previously had only the bathroom and kitchen wallpapered are choosing prints and stripes now for the dining room, bedrooms and living room.

Newest on the wallpaper scene are handsome phonies which simulate marble, stone, leather, wood and fabric but are far easier to care for than their real counterparts. Many of these wallpapers come with pre-pasted backing—a boon for do-it-yourselfers. Other types are strippable for those who redecorate often. Fabric wallcoverings look expensive and often are, but their unique textured appearance makes the cost worthwhile if they last a long time. Make sure, therefore, that the silk or linen is impregnated with plastic to make it washable, and backed

with more fabric or paper to make it durable.

Polyvinyl chloride is the most scrubbable of the vinyls, while plastic coating over ordinary wallpaper is the most fragile. The Soap and Detergent Association advises that while all vinyls can be wiped with soap or detergent and water, a homeowner should consider where the covering will be used to determine the degree of durability needed.

If a particular wallpaper pattern has been selected which is not washable, look into wallpaper protective coatings. These are applied with a roller after the wallpaper is installed and make the wallpaper completely washable. Check the effect on a small sample of paper first, however, because these coatings will occasionally darken a paper slightly.

Self-adhesive plastic panels and tiles are available that simulate brick, wood, stone or mosaic patterns. These can be cut with scissors to fit the space, and they cover uneven or cracked walls well. Mirror squares, whether plain, smoky or antique, make a small area appear larger.

All of the wallcoverings mentioned above are very washable which is fortunate, because they are too prominent in today's decorating schemes to be stained or soiled.

CHAPPELL HILL NEWS

BY PEARL CRAWFORD

We enjoyed some pretty warm weather. The farmers have sure got busy breaking land.

Mr. and Mrs. Buddy Womack are hauling rocks and putting out coastal grass.

I visited Mr. and Mrs. A. L. Crawford Saturday afternoon. They took me riding over Mullin way to see the new dams they built. They have started to work at the W. J. Weatherby Place.

Mr. and Mrs. Lewis Lester and her mother of Houston visited Mr. and Mrs. Hugh Nowell Saturday afternoon.

Mr. and Mrs. John Kalka and Shane have moved to Brownwood. O. L. Harris has been visiting Dutch Smith at the local hospital. We are sorry Jack Ball, an old time friend, and Black Smith are in the hospital. We wish all the sick folks a speedy recovery.

Warren Harris of Goldthwaite visited his parents, Mr. and Mrs. O. L. Harris.

William Daniel visited Mr. and Mrs. R. F. Daniel Friday and found them doing nicely.

Mr. and Mrs. Lloyd Cook of Denton visited Mr. and Mrs. W. W. Ratliff over the weekend. Other visitors were Mr. and Mrs. Steve Ratliff and family of Mason.

Mr. and Mrs. Jack Davis of Fort Worth spent the week at their farm.

Mrs. Pearl Chambers and Mr. and Mrs. John Chambers and children of Brownwood visited their mother and grandmother, Mrs. Berta White at the Heritage Home Sunday. They all enjoyed dinner with Mr. and Mrs. C. V. Whatley.

Mrs. Z. Karnes reported that our good ole neighbors, Mr. and Mrs. W. W. Williams are doing nicely. They are residents of Hamilton at the present.

The office of U. S. Attorney General was created Sept. 24, 1789.

Medicare Hosital Coverag e For Persons Over 65

(EDITOR'S NOTE: This is another in a series of articles on the new social security law that has been prepared by Glen McNatt, manager of the Brownwood office).

Persons reaching age 65 who are not insured for hospital coverage under Medicare may enroll on a voluntary basis, for such coverage at a premium cost \$33 per month. To do so, they must also enroll under the sup-

plemental medical insurance part of Medicare, the premium for which is currently \$5.80 per month. A person may still enroll in the medical insurance part without being covered by the hospital portion of Medicare. States and public organizations, through agreements with the Secretary of HEW, are to be permitted to purchase such protection on a group basis for their aged retired (or active) employees, effective July 1, 1973.

Some Medicare coverage outside the United States is now permitted if the foreign hospital is closer or substantially more accessible to his residence than the nearest suitable U. S. hospital. Medicare coverage is also authorized for emergency inpatient hospital and physicians' services while a person is traveling in Canada between Alaska and another State. This became effective January 1, 1973.

Mrs. Jess R. Massey Still Represents Dietz Memorial

Mrs. Jess R. Massey of Goldthwaite is still representing the Dietz Memorial Company.

Mrs. Massey has represented the Dietz Memorial Company for the past 17 years, and will continue to do so in the future.

Since her sales are her only income, she is quite concerned about rumors indicating she is no longer with the company.

The party or parties who are "spreading the word" that she is not representing the Dietz Memorial Company are "spreading false information."

The Dietz Memorial Company, the largest in the state, is a very

reputable firm. They stand behind their work. That's how they got to be the leading Memorial Company.

Mrs. Massey considers herself a personal friend of the Dietz family, owners of the firm, since she has worked for 17 years with Mr. Dietz and his two sons.

When you need a "Marker of Distinction" call Mrs. Massey at 648-2491. She will show you the quality of work done by Dietz Memorial. You'll be proud you did.

Yes, Mrs. Jess Massey is still representing Dietz Memorial Company!

You have 24 hours to live.

Today, that is. So what are you doing with your time? Are you helping another human being toward the dignity you want for yourself? Are you doing anything to overcome the hate in this world—with love? These 24 hours can be a great time to be alive. If you live right.

Break the hate habit: love your neighbor.

THE VALUE LEADER

These pictures represent two of the predator species in Mills County that causes thousands of dollars in losses of the sheep and goat industry. Both the bobcat and coyote was caught by the government trapper, Hammond Humphries (also pictured), which has been employed by the Mills County Program Building Committee.

The bobcat was caught on the LeRoy Baird Ranch. Both animals were caught alive by Humphries and are being kept alive to collect specimens for bait. The Mills County Program Building Committee still needs donations to keep the trapper hired for 1973. Please mail donations to Box 248, Goldthwaite or contact Larry Daniel, County Agent.

'B' Roundball Tournament Held Here

The past week-end Goldthwaite High School held a "B" Team Tournament for area schools. Richland Springs girls won the championship in the girls division, second place trophy went to Blanket and Goldthwaite and Star took 3rd and 4th place honors respectively.

The boys division was won by Mullin, second place went to Richland Springs, Goldthwaite won third and Blanket fourth.

The Goldthwaite girls bear the Champion girls team Richland Springs Saturday night but still came up in 3rd place because of an earlier loss to Blanket.

Phyllis Davis turned in a fine performance in this game scoring 24 points.

The tournament games and scores are as follows:
THURSDAY

Girls
Richland Springs 24, Blanket 21
Goldthwaite 25, Star 17

Boys
Richland Springs 49, Blanket 37
Goldthwaite 41, Mullin 43

SATURDAY

Girls
Richland Springs 37, Star 15
Goldthwaite 22, Blanket 25

Boys
Richland Springs 48, G'Waite 37
Mullin 39, Blanket 35

FINALS

Girls
Blanket 38, Star 26
Richland Springs 29, G'Waite 32

Boys
Goldthwaite 43, Blanket 23
Richland Springs 38, Mullin 45

It was a very evenly matched tournament with all the teams getting a lot of valuable experience.

Widows To Receive Social Security Increase

On February 3 some widows receiving monthly social security checks will receive a larger check because of the recent amendments to the Social Security Act, but not all will receive an increase. Early condensed national publicity on the 1972 amendments gave an impression that all widows receiving payments would be raised to 100 percent of the deceased husband's rate. Glen McNatt, manager of the Brownwood office, estimates that only about 38 percent of them will get the full increase and another 52 percent will get at least some raise.

To get an increase, the widow must have started receiving her check no earlier than age 62. The closer to age 65 she was when she started receiving checks, the more her increase will be. Under no circumstances

can the widow receive more than her husband would be receiving were he alive.

As an example, if the deceased husband's earnings would produce a retirement rate of \$200 a month, the widow whose checks started at 62 will get \$165.89; the widow who started at 63, \$177.20; at 64, \$188.60; and the one whose check first started at or after age 65 will get \$200. Those whose checks started between the above ages will get a pro-rated amount. The amounts given above are before any Medicare premium payment for those now over 65. McNatt emphasized that widows receiving payments do not need to contact his office, since any possible increases will be made automatically by the headquarters.

4-H IN ACTION - The Mills County 4-H Chapter constructed the above float for the annual holiday parade in Goldthwaite, and also had a lot of fun at the big party held recently. Trying to move the ping pong ball

along is Anita Daniel, left, and Johnny Truitt, right. The contestants have small whisk brooms tied to them to propel the balls across the floor. 4-H leaders are Weedon Wash and Larry Daniel.

Ophelia Haynes New Caseworker

The Mental Health Retardation Center For Central Texas announces the employment of Miss Ophelia Haynes as Outreach Caseworker.

Miss Haynes will be available for consultation in the seven counties that the MHMR Center covers. These counties are Mills San Saba, McCulloch, Coleman, Comanche, Eastland and Brown. The MHMR Center, which is located at 100 Melwood at Brownwood, offers services in treatment for emotional and behavioral problems. Consultation and education in any area of mental health or mental retardation are offered by the professional staff. These services are offered on a sliding fee scale and are easily accessible to all income levels.

Miss Haynes may be contacted at the office of Judge Cecil Egger on Thursday of each week.

HEARING TESTS ARE IMPORTANT!

If you have a hearing problem of any kind you owe it to yourself to have an Electronic Hearing test made to find why, and what can be done to help you before it is too late. The tests are free and will only take about 20 minutes of your time. We check your ears for packed wax, the tubes that let your ears breathe, then with the machine we check your hearing nerve, (bone reading) air conduction, (outside sounds) then measure how much sound the ear will take. We can pinpoint your problem and explain in plain English what can be done to help you, then you make your own decision. We never try to high-pressure you into buying anything. There are thousands of people today suffering from hard of hearingness, (even some that wear Hearing Aids), just because they waited too late to do something about it... don't let this happen to you.

Mr. Joe Treadway will hold his regular Hearing Aid Workshop at the Mauney Motel in Goldthwaite, Monday, February 12th from 1:30 P.M. to 3:00 P.M.

We invite you to come in for your free test. We do repair service on most makes of Aids, and have a full service on cleaning, tubes, batteries for your Aid, and can always save you money. We are Licensed by the State of Texas to fit and Dispensing of Hearing Aids.

We are always close by when you need us. We are in the Stephenville office, (Skipper Real Estate Building) every Thursday and in the Hamilton office every Friday to run special test and assist you in every way.
