Water Under  
The Bridge

By G.F.B.

A few people have been riding us lately about being too conservative in our views and news reporting, in other words, being too far to the left. Well, this week, be it known by all that this column has been moved seven spaces to the right...

One fellow told me the other day that this paper needs a little scandal to be more interesting to read. As in other things however, we just print the news, we don't make it happen. If there aren't any controversial issues at hand, they can't be fabricated. The small town way of working things out before the meeting is still the rule here. In many other places, opposing sides will confront each other in public, rather than behind the scenes. That way the confrontation is official and for the record, instead of arousing suspicion and distrust. A group that always has an affirmative, unanimous vote is stagnant and subject to influences that are not always for the best interest of the whole.

I want to use this space to publicly thank G. C. Head, Esq., for the television set. My name was pulled out of the box and needless to say my boys are delighted to have a TV of their own.

Treadaway  
Named District  
FFA Vice-Pres.

According to announcement made by vocational agricultural teacher, Jim Wells, Tommy Treadaway, a student at Goldthwaite High School, was elected vice-president of the San Saba District FFA at the District banquet held in Marble Falls on April 8th.

Seventeen attended the banquet, including the local chapter's sweetheart, Wanda Watson, her parents, Mr. and Mrs. Jeff Watson, and Goldthwaite's agriculture teacher and his wife, Mr. and Mrs. Jim Wells. Ken Leonhard played the organ in the talent contest during the affair.

Officers Recover  
Stolen Gun

A 22 rifle stolen approximately two months ago from Fred Wall of Star was recovered last Friday by local sheriff department officials. The gun was recovered from a juvenile in Lometa. No charges have been filed at this time.

Sunday night, Steve Pesina of here was filed on for affray. He paid a fine and was released. Investigating officers were Sheriff H. G. Brooks, Deputy Randal Ratliff and Highway patrolman Ronnie Rush.

## Blood Services Unit In Town April 25th

The Blood Mobile Unit of Blood Services will be here in Goldthwaite Thursday, April 25, from 10 a.m. till 6 p.m. at the Baptist Youth Center.

Blood Services, a non-profit organization, supplies the blood to our community blood replacement plan in that the blood used by the people here is replaced by the people in this area. The goal of the community replacement plan is to replace, by volunteers, friends and relatives of the patients, the same amount of

blood used by the patients. There is actually no quota that must be met, except we would like to supply our own needs for blood rather than depending on some other community to supply it.

In 1973, our local hospitals gave 228 units of blood with only 40 units being replaced. So far, in 1974, 70 units of blood have been used with no replacements.

Charles Studer, Chairman of the Community Replacement Plan is encouraging everyone in the Mills County area to become involved in this very worthwhile, life-saving program. With everyone participating in the drive, we can take care of our community needs in 2 or 3 programs per year.

This year 17-year-olds can donate with parent or guardian's consent.

As an incentive to donors, Blood Services will assure any blood needs to any donor and their immediate family for 6 months anywhere in the United States, regardless of any hospital's fees.

The Young Homemakers, Goldthwaite Garden Club and Lions Club are co-sponsors of the drive.

## Preparations For Conservation Issue Underway

The 19th annual Soil Conservation Issue of the Eagle will be published on Thursday, May 23, according to announcement this week. Plans are already underway for this issue.

Supervisor of the local work unit, Charles Studer, Soil Conservation Service and Members of the Eagle Staff made this announcement.

The material used for this special edition is prepared by members of the Soil Conservation Service Staff, members of the Eagle Staff and a number of other interested individuals. Soil Stewardship Week will be observed this year the third week in May.

Special advertising messages are carried in this issue by a large number of business firms and individuals who are interested in the program. Also a number of contractors who do much of the work in connection with soil conservation practices in this area take part in this special issue with their advertising messages.

Plans this year call for more pictures and feature articles than ever before of soil and water conservation and range management practices and their benefits in Mills County.

Space has already been reserved by a number of those who carried ads in last year's paper for the forthcoming soil paper this year for their special messages.

## Speeding Tickets Issued, Two Car Accident Results In Minor Injuries

During the weekend twenty-one speeding tickets were issued in the county, according to law enforcement officers. Thirteen were issued Friday, four Saturday, and four Sunday. Also, one ticket for no driver's license, one for an intoxicated pedestrian, and one for assault to cause bodily harm were issued.

Saturday around 4:15 p.m. on U.S. 183 2.2 miles south of Goldthwaite a non-injury accident occurred. Mike Welch, driver of a 1972 Chevrolet pickup, was traveling south towing a '56 Chevrolet car when the left front tire came off the '56 Chevrolet hitting

the right front of a 1973 Ford. The Ford, driven by Carson Buchanan of Sweetwater, was traveling north at the time of the accident.

The Buchanan car received moderate damage. Highway patrolman Ronnie Rush investigated the accident.

Sunday morning at 1:10 a.m., 11.3 miles north of Goldthwaite on Texas 16 a two-vehicle accident occurred resulting in slight injury to two passengers.

Roy Watters, driver of the '68 Pontiac, was traveling south attempting a left turn into a private drive when at the same time a 1968 Chevrolet driven by Vernon Wiedebusch attempted to pass the Watters car. The left front of the Wiedebusch car struck the rear of the Pontiac.

Karen Raco, passenger in the Watters car, and Freddie Walraven, passenger in the Wiedebusch car, both received slight injury.

Both vehicles sustained slight damage.

Rush investigated with Mills County Sheriff H. G. Brooks assisting.

## Reynolds Honored Upon Retiring

Officials and employees of the Central Texas Telephone Cooperative honored D. R. Reynolds with a retirement supper last Friday night at Carr's Cafe.

Mr. Reynolds, who had been with the company for twenty-one years retired recently. The company presented Mr. Reynolds with a gold watch and employees sponsored the steak supper. They also presented a gift certificate to the honoree and also one to his wife.

A large crowd enjoyed the supper and wished Mr. Reynolds a pleasurable retirement.

## Eight Eagles Qualify For Regional

Eight Goldthwaite High School boys will participate in the Regional Track Meet scheduled in Stephenville Saturday, April 20. Larry Elliott, Mike Simon, Rick Simon, Guenaro Siller, Byron Landrum, Lee Browning, Dale Page, and Thomas Hall will be in the competition at the Tarleton Track.

Preliminaries begin at 9:30 a.m. with the finals scheduled for 2:30 p.m.

A total of sixty schools will be participating in the Regional

Meet Saturday.

These boys attended a regional practice meet at Mason recently and according to an announcement by Head Coach Gene Aldridge both relay teams turned in their best times of the year.

Dean Leimeweber, returned to his home in Rockville, Md. after visiting Mr. and Mrs. A.M. Pribble and his grandfather Lee Berry. He also attended a business convention in Houston while he was in Texas.

## Connie Lawson 11th Congressional District Representative Candidate

Connie Lawson, candidate for the office of representative from the 11th congressional District in Texas, in a press release today made the following statement: "I was born and reared in the San Gabriel community of Ham county, in the heart of central Texas. I have been in business or agriculture in this area all of my life. I have been in business in the city of Taylor for the past twenty-eight years. My reputation for honesty and integrity is well-known in this area and I welcome any inquiry to my past record.

I have no experience in the legislative process, and I have no magic formula for instant relief from our present state of governmental bondage. We were many years in the process of solving our present status, and there is no instant solution.

If I have to offer you, is honesty, integrity, common sense and the ability to fight for what I know is right.

Even in our present dilemma, while we are neck deep in congressional bungling and political corruption, while we have scandal on top of scandal. Let me be the first to say, we still have the greatest bastion of freedom and individual dignity this world has ever known. And for one, don't like the pros-

pect of losing it.

With all our wealth and all our abundance, Congressional bungling and influence peddling has brought us to the edge of disaster.

Today we have a national debt of more than \$400,000,000,000. That is \$84,000,000,000,00 more than the debts of all the other nations of the world combined, and it continues to grow by a few billion dollars per year, even in peace time. This is a debt that our children and our children's children will have to pay.

Even while many thousands of our own infant, indigent and elderly Americans are struggling against starvation by inflation and death without medication, the Congress of the United States has paid more than \$74,000,000,000 in interest on money that they borrowed to give away to foreign nations -- many of them communist satellites who hate our capitalistic heart.

In peace time, in this, the most bountiful land the world has ever known, we have meat shortages while our feed lots are loaded, and among others, a fuel shortage while our storage tanks are running over. We have the worst scourge of runaway inflation and unbearable taxation in our history.

Like it or not, there is no

place to put the blame for this condition except on the "bungling" and misplaced priorities of our "influence peddling" congressmen.

Bob Poage is 74 years old, he has been in the congress for 38 years, he is very wealthy and can retire on a pension of \$32,000,00

CONNIE LAWSON

... Seeks Congressional Post

per year, for life. If he makes it another two years, his pension will cost you closer to \$50,000,00 per year.

I think 38 years is enough for a fair trial for any man. If he was ever to start doing something for the benefit of this country, surely he should have done it in less than forty years.

So far, the only visible accomplishment was bankrupting this nation and still running us further in the red by a few billion dollars each year, while making himself filthy rich. Let's retire him to his 1900 acre "special interest farm" with his \$32,000,00 pension, and try Connie Lawson for a couple of years.

I know that in the United States Congress, where "fast buck" is the name of the game, honesty, integrity and common sense is a very strange commodity. But, let's try it for only two years. You have a tremendous lot to gain and absolutely nothing to lose. If I don't give you more honest representation in two years than Bob Poage did in 38 years, you can kick me right out again in 1976 and surely you should.

Vote for Connie Lawson for Congress one time, you'll be glad you did."

## When The Old Bird Was Younger

### 10 Years Ago — 40 Years Ago —

(Taken From The Eagle Files of April 2, 1964)

A group of young Goldthwaite men met Monday evening to organize a Junior Chamber of Commerce here. Fifteen men were in attendance, and the following temporary officers were elected: Jimmy Don Elliott, chairman, and Carl Davis, secretary.

Mr. and Mrs. E. L. Pass recently observed their 70th wedding anniversary. They have lived in Mills Co. 50 years, and in Goldthwaite for 45 years.

Miss Martha Jane Moody became the bride of Ronnie P. Stephens of Star March 27. The bride is presently employed as Home Demo. Agent for Mills Co., and Mr. Stephens is High School Coach and Chemistry teacher at Star.

Rainfall recorded here for the first 3 months of 1964 measured 8.42 inches.

Mrs. Will Wallace celebrated her 87th birthday at her home in Goldthwaite Sunday. All of her children were present, all of her grandchildren except one, and a great grandchild. She has been a member of the Mullin Methodist Church since 1894.

### 25 Years Ago —

(Taken From The Eagle Files of April 3, 1949)

On Monday, April 4, the Mt. Olive School Dist. was voted by a small majority to consolidate with the Goldthwaite Ind. School Dist. Also, Payne Gap was consolidated with the Star School Dist.

Mills Co. was created and organized in 1887, and named in honor of Judge John T. Mills, lawyer who was a District Judge during the Republic. A County Seat was to be selected and three towns were in the running: Goldthwaite, Mullin and a new place called Peg Town. Peg Town was located about 1 mile west of the Brown's Creek crossing south of the Mullin road. A big barbecue was held there to promote the selection of Peg Town for County Seat, but Goldthwaite won out, with Mullin second choice.

Figures compiled at the Mills Co. tax collector's office show that 2051 passenger cars, trucks and trailers had been registered in Mills Co. up to Tues. night. Clyde Weatherby has been named Outstanding Citizen of Hamilton. He is the son of Mr. and Mrs. Walter Weatherby of Goldthwaite, and his wife is the former Greta Little.

(Taken From The Eagle Files of April 6, 1939)

R. F. McDermott had a close call Wednesday night during a thunderstorm. He was seated near his radio when lightning knocked him to the floor. He was able to be up again Thursday morning and attending to business.

In Mills Co. this year there were 1237 cars and 150 trucks registered.

Voting in the city election Tuesday was much heavier than expected. Officers elected were: H. G. Bodkin, mayor; S. P. Sullivan and S. P. Rahl, aldermen; F. P. Bowman, attorney, secretary, assessor and collector; Grover Dalton, treasurer.

The Happy Hour Club of Lake Merritt met on Tuesday afternoon with Mrs. N. T. Waddell. Fourteen were present. After piecing a string quilt, delicious grape juice and cake was served. Next meeting will be with Mrs. F. D. Waddell.

Glenn Kittle has leased the filling station on Omar Shaw of Goldthwaite. Mr. Kittle has many friends here who wish him success in that business.

On an average day, more than 33,000 veterans are treated in the Veterans Administration's nationwide system of more than 200 outpatient clinics.

(Continued over from last week)

I couldn't find much news this week, everyone seemed to be gone. Maybe since next Sunday is Easter Sunday, I will have more. I sure hope the wind dies down so we can have a pretty Easter.

Mrs. Winnie Riekel and Mrs. Gladys Henry visited this week with the people at the January care home in Evans.

Mr. and Mrs. Bob Kincheol, Clifford and Katherine of Eastland, and Mr. and Mrs. A. C. Kincheol of Llano visited Mr. and Mrs. Bud Kincheol this weekend.

Josie Kemp came Friday and spent the afternoon with me. We did some quilting and enjoyed that.

Mrs. O. Z. Cox and I went to Mr. Elbert White's funeral at Hamilton Saturday.

The next meeting, April 23, will be in the home of Mrs. J. G. Boatwright.

HD Club Meets  
The Goldthwaite Home Demonstration Club held a regular bi-monthly meeting April 9 in the Civic Room of the bank.

Mrs. Beavers, Extension Agent, presented the program on Effective Mild Cleaners giving a recipe of "soap jelly."

Those attending were Mmes. Grace Woods, Syble Moore, Ruby Ross, Ince, Lloyd Reynolds, J. G. Boatwright, Amelia Warren, Leverett, Ellen Galloway and Iola Calvert.

The next meeting, April 23, will be in the home of Mrs. J. G. Boatwright.

We received 7 tenths of rain during last week, along with a few showers.

Mrs. W. W. Ratliff continues to work in her yard and garden. Mrs. Jerry Davis is in the hospital. At last report she was doing nicely. Jacke, their son of 14, has been visiting. He was home for time off and attended the book sale at Goldthwaite Friday. Mrs. Winnie Mae Brown spent a few days with her sister, Mrs. O. L. Harris, and Mr. Harris.

W. W. Ratliff planted coastal for A. L. Crawford last week. Visitors of Mr. and Mrs. O. L. Harris were Miss Lomona Harris of Waco College, Mr. and Mrs. Curtis Koen of Eastland, and Mr. and Mrs. Robert L. Harris of Fort Stockton.

Mrs. Louie Stahanke phoned me to wish George and I a Happy Easter. They were expecting to see the old Easter Rabbit hopping around their home.

Mrs. W. O. Woody reported her daughter visited her for Easter. They visited Bill at the local hospital, and thought he was doing nicely. We and all of Bill Woody's friends are glad to hear from him and wish him a speedy recovery.

We have been sorry to hear of Bob Reynolds's sickness. He has been moved to the Heritage Home. We wish him a speedy recovery.

Mrs. Lucy Karnes spent the Easter holiday with Mr. and Mrs. Stone Shiman.

Mr. and Mrs. William G. Crawford and Letricia visited their parents, Mr. and Mrs. W. A. Bufe, and Mr. and Mrs. A. L. Crawford.

Mrs. Pearl Chambers and grandchildren, Mr. and Mrs. Ted Goodfield of Brownwood, were Sunday afternoon visitors of Mr. and Mrs. C. V. Whatley.

Mr. and Mrs. Ralph Nowell, Matthew, Mary and Michael of Temple, were Saturday visitors

Garden Check List for April  
1. Check new tender growth for aphids. A few can be tolerated but large numbers should be controlled. Use Malathion or Diazinon. These will also control white fly.

2. Because of the warm, dry weather in February and early March, spider mites are active this year. If populations are not too large, they may be controlled with a high-pressure water spray to wash them from the plant. Kelthane spray will bring them under control if they get out of hand.

3. Obtain materials and plants for hanging baskets to add color and interest to the landscape scene.

4. Select Caladium tubers while there are ample stocks available. Keep in a warm, dry location until ready to plant. Be in no hurry to plant as soil temperatures should be at least 70 degrees for best growth. In the College Station area this is usually around the last week in April or first week in May.

5. Beware of the influx of door-to-door plant salesmen as well as the colorful Sunday newspaper ads promoting mail-order nursery stock. Both sources are aimed at the sucker instinct in each of us.

6. Control powdery mildew on landscape plants with Acti-dione PM or Karathane.

7. Use caution when applying the fertilizer-weed killer mixes to lawn areas. It is difficult to determine how far tree and shrub roots may extend into the lawn area, and the weed killers are not particular about which broad-leaved plant they kill.

8. Still time to plant any needed trees and shrubs if container-grown or balled-and-bur-lapped plants are used. Make

sure to obtain quality plants and provide adequate care the first summer.

9. Groom landscape plants when needed. As the spring flowering trees and shrubs finish blooming, any necessary pruning should be made at once. Thin and shape, rather than hacking back all stems to the same length. It is better to remove about one-third of the oldest stems or canes at ground level each year.

10. Check for suckers or sprouts that arise at or below ground level on grafted or budded plants. These new shoots frequently occur on roses, fruit trees, crabapple, and dogwoods. They usually come from the more vigorous understock and will soon spoil the appearance and health of the more desirable top. Try to remove at the point of origin if at all possible.

11. Check landscape plants carefully for winter injury and cut out dead or dying branches. If severe injury occurred make certain the plant doesn't suffer from lack of moisture and provide adequate fertilizer.

12. Cutworms can be damaging to young tender plants. Control with Sevin dust applied at the base of the plants.

13. Fertilize Azaleas as they finish blooming. It is best to use one of the special blends of Azalea fertilizers and apply according to manufacturer's directions. Because of their shallow root system, it is best to make several light applications rather than all at one time. Be sure soil is moist before applying fertilizer, and water thoroughly after it has been applied.

14. April is an excellent time to sow lawn grass seed and to sprig or plug St. Augustine grass.  
15. Investigate the source of any topsoil purchased for raising flower beds, filling low spots in the lawn, or for the use in tubs and planter boxes. Wild garlic, nutgrass and other hard to kill weeds are frequently introduced this way.

16. Many flower or vegetable seeds left over after planting the garden can be saved for the next season by closing the packets with tape or paper clips and storing in a sealed glass jar in your refrigerator until needed.

17. Annuals to plant in April include Ageratum, Amaranth, Cleome, Celosia, Coleus, Sunflower, Cosmos, Gloriosa Daisy, Periwinkle, Marigold, Dusty Miller, Morning Glory, Moss Rose or Portulaca, Potunia, Zinnia and Ornamental Gourds.

18. Divide and transplant overcrowded Shasta Daisy, Daylily, Liriope, Verbena, Mum and Cannas.  
19. Late April and May is the time to convert those seedling pecan trees to a good named variety by grafting.

20. As the new gardening season gets underway, don't forget to use grass clippings, vegetable tops, leaves and any other organic matter available for the compost pile. This will provide excellent material later for potting soil, flower beds and other garden needs.  
21. With all the early dry, warm weather we have had over Texas, be on the lookout for early chinch bug activity in St. Augustine lawns. Granular formulations of Aspon, Trithion, Diazinon, or Ethion used according to recommended rates, applied with a cyclone-type spreader are still the recommended controls. Lawn should be watered thoroughly after applying insecticide.

## We care about you

Hickman Nursing Home is a small home where each resident is treated as an individual - not like in a large institution where you lose your identity.

Well balanced meals are planned by a registered dietitian, deliciously prepared and cheerfully served in our spacious dining room or in your room.

Physicians' services are obtained at no extra cost to you.

You receive complete nursing care 24 hours a day.

**LEGAL NOTICES**

Notice of Requirement For The Filing of Claims And For The Public Hearing Of Such Claims Under Adjudication Proceedings Of All Water Rights In The Pecan Bayou Watershed Of The Colorado River Basin.  
Notice is given pursuant to the Texas Water Rights Commission's order of January 22, 1974, and SS.306, et seq., Texas Water Code, that on or before May 21, 1974, any person claiming any right to divert water except for domestic and livestock purposes in the Pecan Bayou Watershed, including portions of Mills, Brown, Comanche, Coleman, Callahan, Taylor, Eastland and Runnels Counties, Texas shall file with the Texas Water Rights Commission on a sworn claim setting forth the name and address of the claimant, the location and nature of the right claimed including a description of any permit and certified filing under which the claim is made, the purpose of use, a description of the works and irrigated lands, if any, and all other information necessary to show the nature and extent of the claim.  
Instructions and forms for filing of claims of water rights under adjudication proceedings may be obtained without cost from the Texas Water Rights Commission, P. O. Box 13207, Austin, Texas, 78711. Use of Commission forms is not mandatory.  
Pursuant to SS.308, Texas Water Code (Water Rights Adjudication Act, Section 5), the Texas Water Rights Commission further gives notice of the commencement of hearings to receive evidence concerning claims of water rights in the Pecan Bayou Watershed of the Colorado River Basin, consisting of portions of Mills, Brown, Comanche, Coleman, Callahan, Taylor, Eastland and Runnels Counties, Texas.  
Parties are directed to file claims with the Commission by May 21, 1974, pursuant to SS.306 Texas Water Code, and thereafter to appear at 1:00 a. m. on Monday, June 24, 1974, at the Holiday Inn, Conference Room, 515 East Commerce Street, Brownwood, Texas, at which time the Texas Water Rights Commission, either as a Commission, or through its Hearings Examiners, will convene and commence hearings on all water rights claims, filed or asserted in accordance with SS.307, et seq., Texas Water Code, located in said Pecan Bayou Watershed.  
You, or your authorized representative, are directed to first file claims by May 21, 1974 and thereafter to appear at the stated time, date, and place on Monday, June 24, 1974 and present such evidence as you desire the Commission to consider in determining the nature and extent of the claim or claims filed or asserted in your adjudication claim to use the water of the State above described.  
The above claims and evidence from the above hearings will be the basis for the Commission's preliminary determination and failure to appear to present evidence will jeopardize the water rights asserted in the claim.  
The initial hearing on Monday, June 24, 1974 in Brownwood, Texas will be to consider jurisdiction; immediately thereafter on this same day hearings to receive evidence in each case will then begin in Brownwood, Texas, at the Holiday Inn Conference Room, 515 East Commerce Street at 1:00 p. m., on Monday, June 24, 1974. Dockets of cases to be heard on June 24 through June 28, 1974 at Brownwood, Texas, will be mailed to each claimant before June 3, 1974 by ordinary mail.  
Executed and entered of record, this 19th day of February, 1974.

## Mullin Community News

BY: Lorene Holland

Some interested citizens in Mullin and surrounding area met Tuesday night at the community center to plan some way to make some money to finish the work that has been done on the circle in Mullin.

Plans were made to have a barbeque supper on Saturday night April 27 at the Community Center in Mullin. This will be the first time since the F.F.A. rodeo that the food will be donated by the patrons in the community. Mullin people always come to this sort of thing and will support it. Don't forget the date, April 27th. Come and have supper with us.

Also this group made a start at trying to get water at Mullin from Lake Brownwood. The wells here are producing but it seems necessary to try to get water from Brownwood Lake. Zephyr has been getting water from this lake for three years now. Men were appointed to look into the situation, and see what can be done.

James Shields, professor of Education at the University of Texas at Austin, visited in Mullin over the weekend with friends.

Mr. and Mrs. Tommy Ethridge and Deborah of Houston, Mr. and Mrs. Jim Ethridge, Randy and Linda of Leander and Mr. and Mrs. Marion Ferguson of Copan, Texas visited here over the weekend.

week-end with Mr. and Mrs. Howard Ethridge. Gayla and family also visited in my home.

Miss Corrine Henry of Kermit and Lucille Henry of Killene were visitors here over the holidays with Mr. and Mrs. Clint Henry.

Mrs. Henry Bessent of Goldthwaite and Mrs. Loucille Karnes from the Hickman Home in Goldthwaite attended church services here Sunday morning at the Baptist Church. Mrs. Bessent was with the Melvin Bessents and Mrs. Karnes was with her daughter, Mrs. Stone Shipman.

Mrs. Juanita Hart, Lisa, Wanda and Tim, visited over the Easter holidays at Petersburg with her mother, Mrs. Effie Blasingame and other relatives.

Mrs. Shorty Brown and her son Garry spent the holidays in Houston with her daughter and family.

Mr. and Mrs. Floyd Moody of Comanche visited here Sunday with Mr. and Mrs. E. L. Fisher and family.

Mr. and Mrs. Glynn Gavin and family of Midland were here over the holidays visiting with her parents, Mr. and Mrs. Glen Calder and family and other relatives.

Sherrie and Christy Rannels of Goldthwaite attended the Easter Egg hunt Saturday afternoon at the Baptist Church. Also Craig and James Rannels visited here with their grandparents, Mr. and Mrs. Stone Shipman.

Mac Hancock of Goldthwaite visited here Sunday with his sister, Jewell Spinks and her husband Garland. They attended the Baptist Church together.

**SAN SABA PEAK**  
BY: Mrs. Dutch Smith  
(Held over from last week)  
We sure had a short summer. Thursday night our nephew and niece from Arlington, the Owen Smiths, visited us. Hazel and I went on the bluebonnet trail. Saturday we went up to the Little Shilo and had lunch with the Smiths. Their son and family of Austin were up to see them. We came on to town where I visited with Mrs. Fred Laughlin. Our grandchildren, Mr. and Mrs. Kenney Bennett of Hutto came by and found Dutch and he came with them to Mrs. Laughlin's. They were on their way to Snyder to see about a job. They had Kenney's Aunt Clara Johnson with them. Kenney was raised in Gail, Texas, so he was in hopes he would get the job in Snyder.

Our grandson Jesse Ball is in from college. He led the singing at the First Baptist Church yesterday.

Dutch and I were in the Bill Lewis home yesterday evening. Last night after church we visited Mr. and Mrs. Tip Heatherly.

Last Friday my niece, Hazel Smith and I were invited to go with the retired teachers on the bluebonnet trail. We met in the Wagon Wheel Cafe and our chartered bus arrived about 9:00.

Our first stop was the Enchanted Rock in Llano. This rock covers over 600 acres. Then we went on to the Balanced Rock. Several of us climbed Bear Mt. to see this huge granite boulder.

Our next stop was at the Gay Nineties for lunch. The menu consisted of chicken and dumplings, salad and light bread. Everyone came out with a loaf of homemade bread. After lunch we went to the Pioneer Home.

Our next stop was the Admiral Nimitz Museum. It was mostly army things.

We left Fredericksburg for the L.B.J. Museum, then on to the home where he was born. We then went on to the Johnson family ranch house and on to where they had their cars, which included a fire engine given the President by Brady.

We came on to Buchanan Dam and went in the cafe where Delton Barnett bought us all an ice cream cone.

We arrived in Goldthwaite about 7:00 or 8:00. There were thirty-three people and we really had a wonderful time. I hope they will ask me again. Thanks for a wonderful time.

# Mills County Donates \$3900 To Cancer Drive In '73

L. B. Burnham, president of the Mills Co. Cancer Society, announced today that Texans gave the American Cancer Society over four million dollars this past fiscal year. Mills Co. residents contributed \$3900 of that amount. "This money is one way of showing the emphasis now being placed on cancer control. New action programs are continuously emerging to help save over half the lives we are now losing from cancer," L. B. Burnham said. According to the 1973 Annual Report of the American Cancer

Society, Texas Division, now available to the public, the Cancer Society has 4 main program areas: Professional Education, Public Education, Service-Rehabilitation and Research. Professional Education provides up-to-date information on cancer diagnosis and treatment to the medical and allied health professions. The past fiscal year, these programs reached over 64,000 physicians, dentists and nurses. Also, 17 clinics and 26 conferences were supported by the American Cancer Society in

Texas. Public Education helps save lives by increasing public awareness and knowledge about cancer prompting early diagnosis and treatment of the disease. This year over 30,000 programs were presented to an audience of 1,539,409 people. Programs included ACS educational films, physicians and lay speakers, also thousands of exhibits and millions of educational pamphlets. Mrs. Delton Barnett is the education chairman for Mills County.

The Service-Rehabilitation program seeks to save lives, to ease the pains and lighten the many burdens the disease places on its victims and their families. This year, the total number receiving ACS Service in Texas was 17,390 Texans. Jewel Yeager, 648-2683, is the service chairman of the Mills County Unit of the ACS. For example, the "Reach to Recovery" program for mastectomy patients served 1,120 women. This is a new program which has recently been organized in this area. Another example, 288 laryngectomies were given free esophageal speech lessons by the Society.

Research is a crucial phase of the ACS activity which enhances the possibility of finding those answers that will be useful to humanity for control of cancer. During 1973, grants in Texas included: 17 National fellowships, 31 research grants and eight Texas Division fellowships. The total of these grants exceeded \$1,804,600. For every dollar raised in Texas last year, 36 cents was spent on research. "One further fact here," stated the local president, "for every dollar raised in the State of Texas, the Cancer Society spent \$1.04. The additional four cents came to Texas from research grants made by the National Society."

Mr. Burnham concluded, "I feel that fighting cancer is a local responsibility and a challenge very concerned individual should meet. Every man, woman and child in our community has a stake in the outcome and each has a responsibility to participate in it. The American Cancer Society provides the opportunity."

## Why can't things be the way they used to be?

You know. When the Negro "knew his place."

When students stayed in the classroom.  
When poverty was kept off page one.

Ah, the good old days.

But who's fooling whom? Was it really a better world? Or just a quieter one? A few years ago it was easy to hide from the evils around us.

To turn our backs and pretend it really wasn't so.

But God knows, it was. All that our modern communication system has done is bring it all out into the open. And about time.

The fact is, God has probably been much too patient with our world. "Love your neighbor," He told us long ago. Not enough of us were listening and that's what today's turmoil is all about.

And think about this: maybe—just maybe—God put us here right now because we're the ones who can start setting things straight.

Our front lawn made a great place for an Easter egg hunt last Friday! The Head Start group is pictured above looking for all the Easter eggs hidden in the grass and shrubs. Lanie White received the prize by finding the most eggs. Talk a bout speed, he found 18 eggs. Virginia Coronado and Grant Smith are directors of the class and certainly have everything under control with a fine group of boys and girls.

We had more than an ample supply of Easter eggs at our party last Friday afternoon in the living room of the home. The supply will probably do for quite awhile and doesn't seem nearly as appetizing as at the beginning. We did enjoy our party and appreciated Rev. Gordon Talk's devotional and the singing of a fine group of young people composed of Carrie Gray, Kay Collier and Nancy Dea.

The Men's Downtown Bible Class "packed them in" again for a singing last week. The group numbered just over 90 this time. At this rate we could reach the 100 mark shortly. If you like "Good Ole Gospel Singing," we invite you to come and join our group on their next visit.

The bus was really packed for our trip to the south part of the county this week. Every one was surprised to see how Spring had progressed. The wildflowers were in full bloom and most of the trees were sporting a new supply of bright green leaves. We appreciate all the fine people at the First Baptist Church for providing us with a bus, driver, and guide. Ruth and Earl Dumas are the greatest.

Mrs. Exa Roush came to our fine group of people this week and has found so many friends and neighbors she hasn't caught up with her sitting. Ada Dunkle and Marjorie Davis are sisters of Mrs. Roush and are certainly no strangers to all of us. We are looking forward to their visits in our home for we know they will visit all of us while visiting their sister.

The following people are patients in the hospital: Mrs. Willie Saylor, Mrs. Bertha Hill and Mrs. Leora Barton. NASHVILLE BRASS, SATURDAY NIGHT, 7:30 p.m. YEAH COME!

### Billy Britten

Enlists In

U.S. Air Force

William Earl (Billy) Britten son of Mrs. Johnny O. Britten and the late Johnny Britten Goldthwaite, enlisted April 18 in the U. S. Air Force according to Sergeant Charlie Hill, Force Recruiter.

Billy, a graduate of Palo Verde High School in Amarillo, spent six weeks at Lackland Air Force Base in San Antonio for his basic training and selected the electronics area.

For information about the opportunities in the Air Force contact Sergeant Charlie Hill, 101 East Third St., Herring Building or call collect 806-375-2000 Amarillo, Texas.

**Charles Griffin  
Completes  
Training**

Private Charles R. Griffin, 18, son of Mr. and Mrs. Charles L. Griffin, Route 3, Goldthwaite, completed nine weeks of advanced individual training at the U. S. Army Infantry Training Center, Ft. Polk, La.

He received general training as a light weapons infantryman and as a mortar and recoilless rifle crewman, in addition to specialized weapons instruction. He also was taught the proper use of high explosives and the placement, detection and disarming of mines.

Teamwork was emphasized while he learned to work as a member of a rifle squad, mortar squad or direct fire section. Each team member completed the training well qualified to perform other jobs in case of casualties.

Private Griffin also received a Parachutist Badge upon completion of the three-week airborne course at the U. S. Army Infantry School, Ft. Benning, Ga.

During the first week of training, he underwent a rigorous physical training program and received instruction in the theory of parachuting. The second week tested his ability through jumps from the 34-foot and 250-foot towers. The final week he was required to perform five static line parachute jumps.

**CEMETERY WORKING**

A cemetery working will be at the Williams Ranch Cemetery Saturday, April 27.

All those interested in the upkeep of this cemetery are urged to attend the all day working.

We sold 1620 cattle for the total amount of \$296,283.53, an average of \$182.89 per animal. Our commission and yardage was \$5663.80. This was an average of \$3.49 per hd. At 3 percent the commission would have been \$5.49 per hd. You could have saved \$2.00 on every one you sold at Brownwood Cattle Auction today.

Our volume of cattle attracts more buyers, this makes more bids, and this means more dollars for your cattle. Try us!

WE SERVICE WHAT WE SELL

**IN THE CLOSING SCENE** - of "The Challenge of the Cross" - by Wanda Tucker, Kneeling, and Bell Collier. Once again, on Monday evening Bell's Ham-stellas of the First United Methodist Church performed for us - this time a heart-touching Easter drama. The human frailties depicted in this play were very convincingly portrayed by all members of the cast while the supporting choir accompaniment interwoven into the story strengthened the theme and was very beautiful.

We are grateful to this group and to the choir members for such a lovely Easter presentation.

**FORTY-FOUR 2ND GRADE STUDENTS** - of Goldthwaite Elementary School turned into little yellow, white, brown, (and even red and orange) bunnies, waddling ducks and chicks AND big brown bugs, green frogs and red snakes to bring us a fun-and-fantasy program of skits, choral readings, poems and songs Thursday afternoon. They even had a Fifth Avenue Easter parade. This remarkable display of fashion seemed to indicate that women like an abundance of jewelry, high-high heels, great big purses and covered hats while the more conservative men prefer cowboy hats, bright sport shirts and long white ties. We just know this was the finest Easter parade ever! We all wanted to hug Peter Cottontail as he gave us Easter eggs but were afraid he'd run away if we did.

The entire program was delightful, and we appreciate these boys and girls, their teachers, Glenda Lemke and Frieda Johnson, and principal, T. J. Williams.

**AN EASTER EGG HUNT** - concluded our party with Resident Council members, Vida Johnson and J. C. Long hiding the eggs for us. We all had fun, and prizes were won by

**Rudy Kates and Gladys Evans.** **MORE THANKS TO** - Residents Council members, Lottie Ruff, Alice Waggoner, Myrtle Clinckstales, Lucile Karnes, Maggie Lucas, Ruby Kates and Vida Johnson for their help. With pink frosting, green coconut grass and multi-colored, miniature Easter eggs these ladies decorated party cupcakes. They also arranged our table centerpieces with baskets of straw-flowers, bunnies, grass and Easter eggs.

**FRIDAY EVENING BROUGHT** - another of our favorite entertainments - music with Stanley Bessant, Albert Sparks and B. F. Rainey. We missed Carol Holloway and hope to see him next time. We enjoyed, too, having all the guests who attended.

**FLOWERS, FRIENDS AND FAMILIES** - added pleasure and happiness to our days this week and -

**SUNDAY AFTERNOON** - services were conducted by the First Baptist Church of Goldthwaite making our Easter complete.

**Self Culture Club Meets**

Mrs. Paul Henderson and Mrs. Walter Summy hosted a luncheon for the Self Culture Club in the Fellowship Hall of the First United Methodist Church, Thursday, April 11th. Mrs. Henderson gave the invocation. The luncheon was well attended.

Mrs. John Patterson presided for the business meeting. Mrs. V. C. Bradford was welcomed as a new member.

Mrs. C. A. Keeler installed the new officers for the coming year. Mrs. Clyde Cockrum, incoming president, gave her president's address and read her committee appointments.

**Committees Give Reports At Garden Club Meeting**

The Goldthwaite Garden Club met in the home of Mrs. Paul Henderson April 10 at 2:30 p.m. Mrs. Henderson, A. R. Neely, C. A. Keeler and Mrs. Judy Beavers were hostesses.

A plant exchange and sale of plants was held. Monies made by the finance committee will be used for our project, The Courthouse Plaza. The drought has prevented planting of trees and shrubs.

Mrs. N. M. Coats, president, presided at the business meeting and heard reports of the standing committees. Civic chairman, Mrs. M. F. Horton reports that 12nd of the Month award for members went to Mr. and Mrs. Jim Weatherly and the guest yard went to Mr. and Mrs. Dorman Westerman. Mr. Don Petty, City Manager, put extra flat bed trucks on duty and hauled off brush and all trash for city citizens the week of

April 8 to the 13th. Mrs. V. Z. Cornelius, Park Chairman, reported the park beautified and well kept at this time. The Young Homemakers of our fine city are buying and installing playground equipment as it arrives. Mr. Don Petty is playing carpenter and repairing the see-saws. We hope to have a new paint job on the tables and benches soon.

Mrs. George Widdie and Mrs. Ted Darley were voted into the club as active members.

Mrs. Jim Weatherly gave information on what to do in our gardens this month. The date for the Club Pilgrimage was set for April 20th.

Mrs. Walton Daniel was program leader and introduced Mr. and Mrs. Julian Evans. They showed slides and told of their recent trip to Canada and British Columbia. The beautiful pictures were enjoyed by all.

**CENTER CITY NEWS**

The news out this way is kind of scarce, but here goes. We had a good shower Saturday eve out here with some fine hail, not large enough to damage anything. It showered out here on Sunday evening too.

Saturday night my nephew and niece, Wilburn Miller and son Tony and Mrs. Judy McMurry from Dallas visited with us.

The Rodeo at Star was a big success with good crowds each night.

Hilda Mae Frank visited her mother and dad and brothers, Mr. and Mrs. Walter Frank and Harold this past week. Friday Harold and Eda Frank went home with Hilda Mae and came back Saturday.

Mrs. Bud Kitchel visited me one morning last week. Eda and Hilda Mae also visited me. Lora Eckert visited me this week.

On Sunday Mrs. Eva Brink visited with me. Kayvon Greels and wife visited Mr. and Mrs. Tom Coffman and Dora on weekend. Lessa had been a few days but returned home her mother and brother's day evening.

Mr. and Mrs. Herbert man had all their children for Easter. Sunday also they had an Easter party for the children.

Mr. and Mrs. Kenneth man, Kayvon and children visited Herbert Coffman on Sunday evening.

There was a good time both churches Easter Sunday also at the Easter home vice at Star Mountain.

Tomorrow is the day to return to see my mother. Heres hoping I have good time.
