

John Hancock of Massachusetts signed the Declaration of Independence with a bold, elaborate and most legible flourish. It was followed by the signatures of 55 others from the 13 American colonies. This year's celebration is being observed today.

And in signing this document they called their erstwhile colonies "FREE AND INDEPENDENT STATES", by appealing to the Protection of divine Providence (the capitals are theirs) and did "mutually pledge to each other our lives, our fortunes, and our Sacred Honor."

On July 4, 1776, this was no empty pledge. It meant very simply that each signer had affixed his signature to his own death warrant. Each inscription convicted its perpetrator, automatically, of treason.

Yet such was the overwhelming strength of their patriotism in their fledgling nation that they pledged their all that it might be achieved.

And in years of battle, blood, hardship and often despair, it was achieved. Today nearly two centuries later, we of America are still a nation bound by the principles set forth in that Declaration and in the Constitution which followed it.

John Adams, second President of the United States, wrote of July Fourth - "It ought to be solemnized with pomp and parade, with shows, guns, bells, bonfires, and illuminations, from one end of the country to the other, from this time forever more."

Our nation has survived much, from minor upheavals to major disruptions, to bloody civil war. Yet that Declaration and that Constitution remain intact. We will pledge to them our lives, our fortunes, and our sacred honor.

And in these troubled times, more than ever, we might take heed of one of our most prominent contemporary constitutional lawyers, Louis Nizer, who in a recent address at New York University Law School, said: "Ours is a great and noble nation. We must not give vent to our despondency or skepticism. Our great nation couldn't have achieved its eminence in science, business, and culture without a healthy core. We hold these truths to be self-evident..."

"HAPPENINGS"

The foot-stompin' was really in full swing in our Home Sunday. The Bohannon family from Lampasas entertained with a variety of music. Pictured are Brady (singer), little David (guitar), David (fiddle), and Gary (bass). Mrs. Bohannon did the announcing for the group. Our own Scott Thompson thanked the group for their wonderful entertainment and brought to our attention that he had known David Bohannon when his family lived in Big Valley and was also acquainted with David's grandparents and great grandparents, the Nelson and Adair families. Mr. Thompson wanted to welcome the Bohannons back and said that the event was a treat for everyone at the Home. We await their return.

Mrs. Hulda Boykin's reading group is still expanding by the week. The residents who attend her sessions really enjoy the literary stimulation she provides.

Tuesday, two movies were presented in the Home. There was something for everyone in the Walt Disney production "No Fool With Fire" and "Which He Has Planted", a film with religious overtones.

We were pleased when the Hamilton Senior Citizens Band came over to entertain in the Home last week. They sang and accompanied themselves on home-made instruments and provided a great deal of amusement for everyone.

We are glad Jim Soules and Mrs. Maud Chamberlain have returned from the hospital and are doing well; Mrs. Nettie Fox is in the hospital at this time and we hope she is better soon.

We really appreciated the Mullin Baptist Church G. A. girls singing for us last Sunday. It was most entertaining.

Rev. Ernest Roper Honored

The Rev. Ernest Roper, pastor of the Methodist Church in Mullin and also pastor of Johnson Memorial Methodist Church in Brownwood, began his 51st year in the Ministry last Sunday. He was feted by the two churches for his 50 years of service.

He retired from the Ministry in 1960 when his wife became seriously ill. Following the death of his wife he returned to the Ministry as a supply pastor. When he first started in the Ministry, instead of being assigned to one church he was given six churches to pastor. He received \$607.00 a year as salary.

Rev. Roper is a native of Evant, and graduated from Ranger High School. He spent 2 years at Meridian Junior College, one at S.M.U., one year at Southwestern at Georgetown. He also did post graduate work at the University of Texas and at Sul Ross in Alpine.

Bro. Roper and his wife started the Ruth Roper Memorial Fund (in memory of his first wife) at Southwestern University. The Ropers began the fund with \$15,000. The two churches, as a love gift to their pastor, added another \$359 to the fund. The fund is for Ministerial and mission students at the University.

Bro. Roper has done a lot for the Methodist Church in Mullin. He is still very active for his 81 years, and is on the job still.

Mr. and Mrs. Grady Hancock, Miss Marie Wallace, their daughter Dorothy Jean and daughter Donna Jean are home from a sight-seeing trip to San Antonio where they carried their granddaughter to see the Alamo, Breckenridge Park and other places of interest. They also spent some time at Bracketville, then on to Del Rio into Old Mexico. They came back by way of Uvalde where they visited the John Nance Garner Park. Eddie Lee Calder of Johnson City spent the weekend here with his parents, Mr. and Mrs. Lenville Calder.

Mr. and Mrs. Rex West who are now living in Amarillo spent the weekend in Mullin.

Mrs. Charlene Mosier is spending some time in Conroe in the home of her son Lynn. She is helping care for her little grandson while his mother is recovering from recent surgery.

Mr. and Mrs. Billy Hobbs and family visited here Sunday with Mr. and Mrs. Dew Shelton. Dew is home from the hospital where he spent about two weeks after being involved in a car accident on the Brownwood Hwy. near the Bill Wilkins property. He re-

ceived a number of broken ribs, and some cuts and bruises. The other person involved in the wreck was not injured. He went to sleep and ran into the pickup Dew was driving.

Mr. and Mrs. Shorty Brown are visiting in Amarillo with her son and family. Her son is in the service and has just returned from Germany.

Mr. and Mrs. Azell Mosier of Carlsbad, N. Mex., their daughter Gaylon and husband, also another daughter Linda, are all here visiting with his mother and other relatives. They bought their camping equipment and are all camping on the river, and are having some real good luck fishing. In fact their luck is so good that Willard Mosier is going to join them this afternoon. The Mosier boys are real fishermen. They go prepared to catch fish, and they usually do.

W. H. Simpson Jr. and family of Austin visited here over the weekend with his mother, Mrs. Elvie Simpson. Also, Ginger and Phyllis Hamilton of Roscoe and Gene Thomas of Imperial visited in the Simpson home.

Theo Scott is in the Veterans Hospital in Temple, and he is quite ill at this time.

We need another shower, but had rather have a good general rain.

It's vacation time! Mr. and Mrs. John Williams and Philip of Leonard Farms took their vacation last week while M. C. and I kept their dogs and Jarred and Steven. They visited relatives in Dallas, Mabanks and Texarkana and also went to Six Flags.

Mr. and Mrs. J. P. Slaughter and Charles, and Mr. and Mrs. Jamie Slaughter and children of Gustine vacationed in Colorado last week. They visited Mr. and Mrs. Bobby Joe Davis and children.

Miss Pauline Sutherland and Gary of Dallas spent the weekend in the J. P. Slaughter home. Mr. and Mrs. Don Yeager and Dawn visited the Slaughters Sunday afternoon.

Our former neighbor, M. W. Trotter, underwent surgery at Scott & White Hospital last Wednesday. At last report he was doing fine and should be home by the time this is read. We hope he has a speedy recovery.

Services For Mrs. Willie Egger Conducted June 25

Funeral services for Mrs. Willie Egger of the Hickman Nursing Home in Goldthwaite were conducted Tuesday, June 25, 1974 at 2 p. m. in the Wilkins Funeral Chapel. The Eggers farmed in the Re-

gency Community until 1919 when they bought one-half interest in the Regency Store. They maintained and operated the store until 1957 when they sold out and moved to Goldthwaite.

The problem of underinsurance is
— SERIOUS —

A house costing \$12,500 in 1950 would cost \$25,000 to replace today. Its value has doubled.

Since 1964, the cost of home roofing is up 63 percent, electrical wiring 79 percent; cabinet making, 112 percent; plumbing installation, 63 percent.

Yet most homes today are insured for only 50 to 70 percent of replacement cost!

The girls who came again last week were Donna Drueckhammer, Lois Mild, Yvonne Partin, Karen Hohertz, Vickie Limmer, Bridget Meier and Suanee Schlee.

KITCHEN DAZE - is the name of the Hamilton Senior Citizen Kitchen Band which performed for us last week. The "younger" members of this band range in age from eighty-three to ninety-two. You should have seen Clarice Turner do the Charleston. It all looked like so much fun, we'd like to try it ourselves.

JUNE BIRTHDAY PARTY - was given by the Center City Methodist Church on Tuesday, June 18. Those who celebrated birthdays this month were Jim Hamrick, Cora Tullis and Maebelle Duncan.

YOU CAN ASK - Uliss Be-shears, Walker Berry, Alice and Nelson Waggoner, Elbert Tubbs, Vida Johnson, Pearl McCasland, Lucretia Rothwell, Maidie Kerby,

Annie Brim, Ruby Kattes, Lucile Karnes, Myrtle Clinkseales, Leona Moreland, Gladys Evans, D. K. Crawford, Cora Tullis, Leona Carter, Alma Hanna, Martin McCasland, Amber Fesler, Gus Roush, Frank Beaty, Melissa Hutto, Lena Brown or Exa Roush about the music of David, Sue, Gary, Brady and little David Bohannon. We will only report that it was tremendously enjoyed again this week, and they can give you the details.

THE COLLIERERS - Tommy and Glenda, were here again Wednesday afternoon and this time Carrie Gray was with them. Tommy and Glenda come regularly; and we hope Carrie will come back often, too.

"THE TWO OF US" - is the title of the book reviewed for us Monday afternoon by Bell Collier. It is easy to see why Mrs. Collier is Mills County's Outstanding Senior Woman for 1974, and are grateful the time she devotes to others included us this week.

WE THANK - Velma Sammy for starting bible readings for us. Many cannot see well enough to read, and this is an especially appreciated service.

BY: Mrs. Dutch Smith

I have been canning beans. My back ached for a week after I picked them.

Our kids from Burnet, the Johnnie Smiths, came. I was at our tank fishing and Dutch had gone to town. When he got back they all came over to help me fish, but really I didn't need any help - I only caught one fish.

I made a few calls in town this past week and visited in the rest home.

Friday Mrs. Fred Laughlin, Mrs. Lina McClain and I went to Brownwood.

Saturday Dutch and I went to Waco to visit our son Chili Smith and family. We sure enjoyed our visit and came back yesterday evening.

We got to see all our grandchildren - Jimmy, Melody and great grandson Sid Ball of Comanche.

Our nephew, Owen Smith of Arlington, came down and is here now, in fact.

Dr. and Mrs. Danny Smith and boys of Blacksburg, Va., will be here next weekend. He has accepted a position in San Angelo. He has been teaching in Blacksburg College.

We are looking forward to seeing them again. Their two boys are coming down Saturday with their grandparents.

Our grandson who is attending Howard Payne College this summer visited us one day last week.

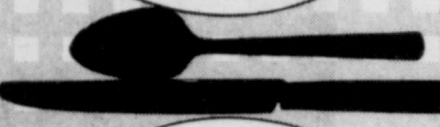

Well, we are still looking for a good rain - hope it's soon.

PERSONAL - -

Recently Mr. and Mrs. E. N. Taylor and Buster, and Mrs. Mike Covington and Tammy spent four days visiting in the Port Neches - Port Arthur area.
